1st VOICE.

1st VERSE. Tell me where do fai - ries dwell? Where they work each mys - tic spell?

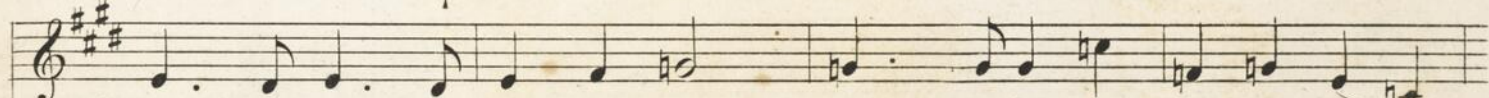

2nd V. Tell me gen - tle sis - ter dear, When the moon is shi - ning clear,

Tell me where their home can be, Where they sport in fan - ta - sie?
May not mer - ry elves be seen, Where we know their steps have been?

2nd VOICE.

Where they sport in fan - ta - sie? Far re - moved from hu - man eyes,
Where we know their steps have been? No! for we the spell should break,

Yet their home is 'neath the skies, On the greenwood, in the dell,
They the spot would soon for sake; Some - times heard, but nev - er seen,

There the fai - ry crea - tures dwell! On the green - wood,
Gen - - tle spir - its haunt the green! Some - times heard, but

in the dell, nev - er seen, There the fai - ry crea - tures dwell!
Gen - tle spir - its haunt the green!
