A MAN DOOMED TO DIE
From Malaria Brought on by
Cured by DR. LEMON.

Mr. Ephraim Shimal, aged 67 years, was taken with Malaria Fever two years ago. The disease made its appearance by chills and sweats, which were accompanied by pain in the bones, violent headache and great thirst. The fever was broken by antimalarials, but the disease returned with more violence. He was unable to work, and his health was rapidly declining. He was taken to the hospital, but the disease continued to progress. He was finally cured by Dr. Lemon's medicine.
