

ULSTER FORCES WITHDRAWN FROM BELLEEK

Little Of Interest During Debate On The New Budget

NO SOLUTION OF IRISH PROBLEM APPARENTLY IN SIGHT; DIVISION OF OPINION IN BRITISH CABINET

It Is Stated that the Government Is Now Engaged in Attempting to Persuade Collins and Griffith to Modify the Agreement Signed at Dublin or Limit Its Duration—Fighting on Ulster Border Is Manifestly Complicating Matters—It Is Rumored that the Munition Factories Controlled by the Dail Minister of Defence Are Manufacturing War Materials Under High Pressure—Serious Fighting Is Reported Along the Border.

(Associated Press Despatch)

LONDON, May 30.—A Cabinet meeting was called today for discussion of the Irish difficulty, which has reason to cause the gravest concern, with no solution apparently in sight.

Whether the proceedings would make possible an immediate resumption of the conference with the Irish Treaty signatories could not be forecast, nor was there anything to suggest whether Colonial Secretary Churchill would be able to make his promised statement in the House of Commons today.

According to accounts of the situation published in some of the morning newspapers, the Government's legal advisers have expressed the definite opinion that the agreement reached last week in Dublin between the political factions, headed by Michael Collins and Eamonn De Valera, is inconsistent with the terms of the Treaty. The Government, says these reports, is now engaged in attempting to persuade Collins and Griffith to modify the agreement or limit its duration.

Other writers refer to an alleged division of opinion in the Cabinet. Some of the ministers, they say, are willing to accept the assurances already given by Collins on behalf of the Provisional Free State Government, while others call for definite guarantees that the treaty will be observed.

The fighting on the Ulster border is manifestly complicating matters for the Ulster members of the Imperial Parliament, and their sympathizers believe that the Southern Irish are preparing for war against the North on a large scale.

It is rumored in these quarters that the munition factories controlled by the Dail Minister of Defence, are manufacturing war materials under high pressure.

ULSTER FORCES HAVE ABANDONED BELLEEK SALIENT IN COUNTY FERMANAGH TO THE FREE STATE TROOPS

(Associated Press Despatch)

BELFAST, May 30.—The evacuation of a considerable stretch of country in the border region by the Ulster forces was announced today. The special constables were withdrawn from the Belleek salient in County Fermanagh, Ulster thus abandoning it to the Free State troops.

Belleek is a little town famous for its pottery works. It is so situated that the land between it and Enniskillen passes through Free State territory, and the waterway through Lough Erne alone has been available for the special constables, who have been using boats in keeping up communication. Owing to the difficulty of maintaining the position, it was considered advisable to evacuate it.

Near Belleek is the military camp Donegal, used by the Ulster Division during the Great War, but now occupied by the Republicans as distinct from the Free State forces.

IRISH DELEGATES CONFER WITH BRITISH PREMIER

(Associated Press Despatch) LONDON, May 30.—Arthur Griffith and Michael Collins, the chief Irish delegates, had a long conversation with Premier Lloyd George prior to the Cabinet meeting, over which Mr. Lloyd George presided.

While it was semi-officially stated that the discussions between the Irish and British are proceeding satisfactorily, it is not now expected that Colonial Secretary Churchill will be in a position to make his statement in the House of Commons, deferring it until tomorrow, when he will speak on the motion for adjournment.

Mr. Lloyd George will also speak on the same motion, touching on the German reparations question.

EXPECT TO ARRANGE FOR ANOTHER MEETING

(Associated Press Despatch) LONDON, May 30.—Replying to a question as to whether arrangements had been made for another meeting of the treaty signatories, Collins said this noon: "No, not yet, but they will be made during the day."

ARMORED CARS AND MACHINE GUNS IN ACTION

(Associated Press Despatch) LONDON, May 30.—Heavy firing occurred on the Tyrone-Donegal border, at Strabane and Lifford, between midnight and seven o'clock this morning, says a Central News despatch from Strabane.

Shooting from the roofs of houses was continuous and armored cars and machine guns were in action. The people of both towns were up all night long in a state of terror. The casualties are not known, but are reported to be heavy.

SATISFACTORY TEST OF CITY'S PUMP ENGINE

Official Tests Made Yesterday—City Authorities Well Pleased.

Yesterday afternoon the official tests with the new pumping engine and hose car, recently purchased by the city, were made in the presence of Mayor Morris, the various members of the Council and several officers of the Police and Fire Department, including Chief Couture. The pumper left Number One Police Station and proceeded to the bridge across the Magog River, near the Paton Mills. Here the suction hose was let down into the river, which is about eleven feet below the bridge, and a demonstration was given of what this new equipment could do, as far as actual pumping was concerned. Two lengths of hose, each a hundred and fifty feet, were attached to the pump, and in a few minutes the interested spectators heard the roar of the engine, the whirl of the pump and saw two huge streams of water thrown at a terrific force far back into the river. The nozzles used on this occasion were an inch and a quarter and an effective stream of water can be thrown ninety-four feet vertically and eight-four feet horizontally. Pressure tests were made by the engineer of the American LaFrance Fire Engine Company, and by the Chief, all proving that everything was in a most satisfactory condition. Tests were also made with one line of three hundred feet of hose, with the same satisfactory results.

The machine has many novel features, and it is undoubtedly a most up-to-date addition to the local equipment. The pump is probably one of the most interesting features, being a rotary gear pump, which does not require any priming. There are three outlets, allowing for three lines of hose from the one engine and it has a capacity of six hundred imperial gallons per minute, at one hundred and twenty pounds net pump pressure. By means of this pump a great deal of extra pressure can be obtained from the hydrant supply of water, and besides the result of more effective fire fighting, this pump does away with the necessity of increasing the pressure throughout the city at the time of emergency, thus preventing unnecessary strains on the water mains. When the pump is in action a steady stream of water is poured through the engine casings to ensure a cool motor. This may be utilized in times of severe cold as well and the result is no fear of either overheating or freezing of the engine.

This machine, as has been conclusively shown here, has a wonderful motor, developing one hundred horse power, and has plenty of capacity either for speed or hill climbing, a vital necessity in this city. The outfit includes the carrying of twelve hundred feet of two and a half inch hose, two ladders, two hand fire extinguishers and other minor pieces of equipment, such as pike pole, lanterns and axe.

The Reo combination chemical and hose car is also a subject of favorable comment, and will undoubtedly prove a very useful asset to the city. The local men are being given expert instruction by the American-LaFrance representative and are quickly becoming adepts in the handling of these machines.

MEMORIAL DAY IS OBSERVED IN UNITED STATES

Feature of Celebration Is Dedication at Washington of Lincoln Memorial Monument.

(Associated Press Despatch) NEW YORK, May 30.—Today is Memorial Day in the United States, and is being observed as a general holiday throughout the country. Appropriate ceremonies are being held and many sporting events are scheduled for the afternoon.

A feature of this year's celebration at Washington of the Lincoln Memorial Monument which has been erected in Potomac Park. This is in the form of a large marble building of beautiful proportions, containing a statue of large size.

FATAL TRAIN COLLISION

(Associated Press Despatch) CHICAGO, May 30.—The engineer and fireman of a westbound California Limited on the Santa Fe were killed yesterday near Fort Madison, Iowa, when the train crashed head-on into eastbound train No. 4.

NUMEROUS FOREST FIRES QUEBEC, May 30.—Between sixty and one hundred forest fires are at the present time raging in different parts of the province, and according to Chief Forester Piche, the situation is grave.

MANY AMERICANS HAVE ENTERED CANADA.

(Associated Press Despatch.) OTTAWA, May 30.—Americans constitute practically one half of the 16,774 immigrants who have so far entered Canada this year. Totals are British 4,528; U. S. 8,919; other countries 4,227.

DID NOT DISCUSS WAGE CUT FOR RAILWAYMEN

President of Brotherhood of Railway Trainmen Does Not Know if Matter Will Be Taken Up.

(Associated Press Despatch.) TORONTO, May 30.—President Lee, of the Brotherhood of Railway Trainmen in convention in Toronto, said last night that the convention had not discussed the cut in wages of certain railroad employees as announced by the United States Labor Board, and that he does not know whether the matter will be taken up, as none of the four of the Brotherhoods is affected.

Germany Reply to Reparations Commission Is Generally Regarded As Satisfactory

Germany Will Undertake, on the Hypothesis that She Is Given Aid Through a Foreign Loan, to Maintain Her Paper Circulation Within the Limits Reached March 31, and in General Comply with the Conditions Fixed for a Partial Moratorium.

(Associated Press Despatch) PARIS, May 30.—The German reply to the Reparations Commission's demands says that the German Government will undertake, on the hypothesis that it is given aid through a foreign loan within a suitable time, to maintain its paper condition within the limits reached on March 31st, and in general comply with the conditions fixed by the Commission for a partial moratorium.

The reply is generally regarded as satisfactory with the exception of a few immaterial details, provided that the German text, which does not make compliance conditional upon a foreign loan, is correct, instead of the French translation submitted by the Germans, which clearly establishes that condition.

DIFFERENCE OF OPINION REGARDING TRANSLATION (Associated Press Despatch) PARIS, May 30.—Differences have arisen between the Reparations Commission and the German representatives here over the translation of Germany's reply to the Commission's demands. Consequently the Commission has not yet been able to consider whether the reply is satisfactory, but it was hoped this morning that an official text in French and English would be agreed upon during the day.

The answer however, is regarded as a virtual acceptance of all the conditions relating to adjustment of Germany's finances as laid down by the Commission, with only minor changes that can be quickly adjusted.

VETS ARRIVE AT GANANOQUE ON WAY TO OTTAWA

Unemployed Army of War Veterans Now Numbers About 350 Men.

GANANOQUE, Ont., May 30.—The Great War Veterans on the march from Toronto to Ottawa reached this town last night, having made the trip from Kingston, including a stop for rations, in seven hours.

It had been planned to give them a public reception here. The citizens' band and the local Veterans were to have met them at the outskirts of the town, but they arrived an hour and a half ahead of their scheduled time, consequently this was not pulled off. The men, however, were taken in hand by the authorities and taken to the armory, where they were comfortably quartered for the night.

The Town Council held a special meeting and made arrangements to provide meals for the men while here.

The army now numbers 350, and as more than half of the journey is completed, the number is likely to greatly increase before Ottawa is reached.

ANOTHER SLASH IN THE WAGES OF RAILWAYMEN

Cut Will Be Announced Before the End of the Week, It Is Announced.

(Associated Press Despatch) CHICAGO, May 30.—Another \$500,000 slash in the yearly wages of the nation's railway employees will be announced before the end of this week, according to information printed today by the Chicago Herald and Examiner.

"The reduction will affect more than 400,000 shop craft employees, with a minimum of five cents an hour cut from the pay of each employee," the newspaper said. This action, combined with the slicing of the wage of the maintenance of way employees last Sunday, will leave the railways \$100,000,000, or half the amount necessary to bring the pay roll back to where it was in May, 1920, before the Board began to raise wages.

'ROSS' THOUGHT TO BE THE KEY TO THE MYSTERY

Police Are Tracking Man Wanted in Boston—Little Light Thrown on Case.

(Associated Press Despatch) WHITE PLAINS, N. Y., May 30.—Search for "Ross," thought to be the key to the solution of the mystery surrounding the Ward-Peters killing, extended today into Boston, where he was expected to appear and tell when he knew regarding the shooting of Peters by the wealthy young resident of New Rochelle, on the Kensico Road, the morning of May 16th.

Authorities here are awaiting word from William F. Fallon, attorney for the Peters family, as to the result of his visit to the Massachusetts capital.

Fallon went there last night in an attempt to see the man, charged by Ward with being the brains of the alleged blackmail ring of which Peters was said to be a member. The New York police published yesterday the record of "Ross," who was found guilty in a blackmail case last year and let off with a suspended sentence.

Another angle, one of the many developed since the confession of Ward that he had shot and killed Peters, is that Pittsburgh police are investigating the affairs of young Ward in that city in 1915, when he was connected with the Federal Baseball League.

It was reported that Ward had been involved with a young woman in Pittsburgh and that he had paid one thousand dollars to settle a claim for ten thousand dollars made by the woman.

Officials here are particularly interested in the Pittsburgh angle since they know that Ward's father was born in what is now Greater Pittsburgh, and that foundation of the Ward fortune was laid by his grandfather there when he started his first small bakery.

Pittsburgh police are seeking to discover just what possible connection there might be between the case there and this latest attempt of blackmailers to obtain more Ward money, especially since they have discovered that the girl in the 1915 case recently vanished from her old Pittsburgh haunts.

Mrs. Ward has added to the mental turmoil over the case by stating that neither she nor her husband "would talk until the case was over, and perhaps not even then."

THE WEATHER

FAIR

Pressure is well above the normal over the greater portion of the continent and highest in the Northwest States. The weather has been fine over the Dominion, with the exception of a few scattered showers in the southern parts of Alberta and Saskatchewan.

Forecast: Moderate winds, fair today and on Wednesday; stationary to slightly lower temperatures.

BUDGET DEBATE WAS CONTINUED; INDICATION GIVEN OF THE STAND PROGRESSIVE PARTY WILL TAKE

Hon. Charles Stewart, Minister of the Interior, Was the First Speaker—He Declared that the Government Had Notified the United States that It Stood Ready to Trade with That Country—J. F. Johnston, Progressive Member for Last Mountain, Voiced Criticism of Both the Budget Proposals and the Official Opposition Amendment.

(Associated Press Despatch.) OTTAWA, Ont., May 30.—Another day of debate on the budget, and on the whole a rather dreary day, brought forth an indication of the stand the Progressives will take. So far Hon. T. A. Cramer, leader of the Progressives, has not spoken. But yesterday saw the intervention of J. F. Johnston, of Last Mountain, chief whip of the Progressive party. Mr. Johnston liked neither the budget nor the Drayton amendment. The tariff reductions reminded Mr. Johnston of a man stuck in the mire trying to pull himself out by his own shoestrings. The increase in sales tax was bad. The Minister of Finance had taken back with one hand what he had given with the other.

On the other, the Conservative amendment was "doing a little party maneuvering for party advantage." Mr. Johnston, apparently, while critical of the budget, had no intention of supporting the amendment. Other Progressives took a somewhat similar line. Robert Milne, Progressive of Neepawa, claimed that the taxation proposed in the budget penalized the man with the large family; and, presenting the farmer's viewpoint, observed that the most prosperous-looking farms at the present time were those which had been turned into golf links or made into bowling greens.

The day was opened with a speech by Hon. Charles Stewart, Minister of the Interior, who presented the point that while the Fordney bill was a direct blow at Canada, Canada was willing to trade with the United States amongst lines advantageous to both countries. Expressing a labor point of view, J. S. Woodsworth, of Winnipeg, Canada, could see nothing for the financial situation but repudiation of the National debt or a capital levy. When labor came into its political strength, there would be a few such budgets as the present.

Other speakers included J. J. Hughes, Liberal, Kings, P. E. I.; W. F. Fasher, Progressive, East Lambton; W. G. McQuarrie, Conservative, New Westminster; R. Milne, Progressive, Neepawa; J. S. Woodsworth, Labor, Central Winnipeg; W. K. Baldwin, Liberal, Stansfeld.

A bill providing that intending immigrants must apply in writing for entry to Canada before leaving the country of origin, was introduced by A. W. Neill, Independent member for Comox-Alberni. The bill received first reading.

ST. LAWRENCE CANAL SCHEME Hon. MacKenzie King, Prime Minister, said that the Dominion Government had informed the government of the United States that it did not consider the present time opportune for negotiation of a treaty looking to the construction of the St. Lawrence Canal.

The debate was adjourned by A. J. Lewis, Progressive, Swift Current, and the House adjourned at 11:05 p. m.

The Senate did not sit. Today in the Commons:—The budget debate will be continued. A. J. Lewis, Progressive, Swift Current, has the floor.

PRIVILEGES FOR CANADIANS IN JAPAN.

(Associated Press Despatch.) OTTAWA, May 30.—Canadians in Japan may follow their callings outside the foreign and mixed residential areas. This privilege is also extended to Nationals of Countries with which Japan has commercial treaties.

This information was given the Commons yesterday by Hon. W. L. MacKenzie King.

The Premier by the statement was correcting an answer given some time ago to Hon. S. F. Tolmie, Conservative, Victoria.

The Japanese consul general had informed the Premier that Canadians could work outside the foreign and mixed residential quarters. Nationals of countries which did not have a treaty with Japan were required to secure permission from the Japanese administration before working outside the limited areas. Canadians were enabled to hold Japanese land on a system of leasing, which was almost equivalent to purchasing the land.

NO EMPLOYMENT FOR FOREIGNERS. OTTAWA, May 30.—That foreign artisans intending to emigrate to Canada were clearly warned that there was no employment for them in this country at the present time, was stated in the Commons yesterday by Hon. Charles Stewart, Minister of Immigration.

The statement was made in answer to a question.

wer to J. S. Woodsworth, (Labor Winnipeg Centre) who asked if it was correct that the money qualification of \$250 for emigrants should be removed.

Mr. Stewart said that the money qualification had been removed, but that the greatest care was exercised to point out the condition in this country. There was abundant room, however, for farmers, farm laborers and household workers.

UNDISTRIBUTED CANTEN FUNDS. (Associated Press Despatch.) OTTAWA, May 30.—Undistributed canteen funds total \$1,632,943. The amount is held at the Finance Department under the authority of an order-in-council passed on December 18th, 1920.

TARIFF INQUIRY COST \$17,153. (Associated Press Despatch.) OTTAWA, May 30.—The tariff inquiry carried on by Sir Henry Drayton, Hon. S. F. Tolmie, and Hon. Senator Robertson during 1920-21 cost \$17,153. In reply to questions in the House yesterday the Government stated that a verbatim record was taken of the proceedings at various sittings. It was not intended to publish this record.

RULING GIVEN REGARDING TAX ON MOTOR CARS

Dealers Protected on Orders Which Were Obtained up to the Night of May 23.

(Associated Press Despatch.) OTTAWA, May 30.—A ruling has been obtained by local automobile dealers that the new special tax on automobiles will be charged on the manufacturers' price to dealers and not on the retail price of new models.

The understanding has also been obtained, it is said, that dealers will be protected on all orders for new cars which were obtained by distributors or agents up to and including the night of May 23rd. This means that the tax need not be charged on orders by the dealers up to May 24, it is announced. This applies to made-in-Canada automobiles only, it is understood.

REJOICING IN CANTON OVER DR. SUN'S COUP

Army of Dr. Sun Yat Sen Has Captured Taying, an Important Stronghold.

(Associated Press Despatch.) LONDON, May 30.—The army of Dr. Sun Yat Sen has captured Taying, a position considered the most important stronghold in the Province of Kiangsi, says a despatch to the Times from Hong Kong.

The southern army also took forty field guns and much ammunition. Sun's army is pursuing the enemy and soon will attack Kanchow. The despatch says there are great rejoicings in Canton over the victory.

MUTINY IS SPREADING.

(Associated Press Despatch.) PEKING, May 30.—The Manchurian mutiny against General Chang Tso-Lin, the Manchurian leader, is spreading. The garrison at Harbin has joined the mutiny and declared in favor of General Wu Pei-Fu, victor in the recent Peking campaign, and Harbin is in control of the mutineers, who also have seized all the Chinese Eastern Railway from Harbin to the Maritime Province of Siberia.

MONTREAL POLICE UNION HAS ISSUED A WARNING

MONTREAL, May 30.—An appeal to the public that representations be made to the executive committee of the City Council to grant fair treatment to policemen so that it will not be necessary for the police to go on strike as they did in 1918, is the grave warning of danger to the public contained in a statement issued yesterday by the Police Union of this city.

Dr. Chase's Kidney-Liver Pills

WAS TROUBLED WITH HER STOMACH FOR FIVE YEARS

Mrs. Samuel Ward, Millersdale, Sask., writes:—"I feel that I must write to you before another day passes I am so happy and so grateful to your splendid medicine, Burdock Blood Bitters, for after an illness of five years I am better. I had stomach trouble, I had, I could not bear the smell or taste of food of any kind, and got so thin and weak I could not work. I had four doctors attend me, but they did me no good. I was in no pain, but felt so ill, at times, I thought I would die, in fact, all my friends were sure I could not live many weeks.

This time last year I saw where a man was relieved of stomach trouble by Burdock Blood Bitters, so my husband got me two bottles, but I had no faith in it after all the different medicines I had taken, however I was told, and after the first two days I must say I began to feel better, and after the first bottle I felt so much better I went out a little every day, but could not go alone I was so weak, but I soon got so I could walk and eat, and have got quite stout.

I am nearly seventy years of age and I feel better than I have for years, and can now do all my housework.

You may make use of this letter if you wish, as it may be the means of making others as well and as happy as I am."

"TIZ" FOR ACHING, SORE, TIRED FEET

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunions-tortured feet of yours in a "TIZ" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "TIZ" bath.

When your feet feel like lumps of lead—all tired out—just try "TIZ." It's grand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions.

There's nothing like "TIZ." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture. A few cents buy a box of "TIZ" at any drug or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel.

Entirely New Treatment For Bronchitis, Catarrh. No Internal Medicine to Take

Years ago the profession fought catarrh by internal dosing. This upset the stomach and didn't remove the trouble. The modern treatment consists of breathing the healing, soothing essences of Catarrhazone, which goes instantly to the source of the trouble. Catarrhazone is successful, because it penetrates where liquid medicines can't go. The balsamic vapor of Catarrhazone drives out the germs, soothes the irritation, relieves the cough, makes catarrhal troubles disappear quickly. For bad throats, coughs, bronchitis, Catarrhazone is a wonder. Two months' treatment one dollar. Small size 50c. Sold everywhere, or The Catarrhazone Co., Montreal.

HALIFAX EXPLOSION WRECKED HER NERVES

The reader will, no doubt, remember when a few years ago there was a collision in the Halifax, N.S., Harbor, and one of the munition ships was blown up, causing great loss of life and laying a large portion of the city in ruins, and causing a great deal of suffering and distress among the inhabitants.

Mrs. Winfield Dill, now of Windsor, N.S., was living in Halifax at that time and went through that trying experience and the shock wrecked her nerves. She writes as follows:—"I was living in Halifax at the time of the explosion, and it wrecked my nerves so that I could not do my housework. I would have such nervous spells I would be under the doctor's care."

I saw Milburn's Heart and Nerve Pills advertised, so I took two boxes, and they helped me so much I took six more, and now I am completely relieved. I can recommend them to anyone suffering from heart and nerve trouble."

To all those who suffer from nervous shock we would recommend our

MILBURN'S HEART AND NERVE PILLS

as the best remedy to tone up the entire nervous system and strengthen the weakened organs. Milburn's Heart and Nerve Pills are the original heart and nerve food, having been on the market for the past 27 years. Price 50c a box at all dealers, or mailed direct on receipt of price by the T. Milburn Co., Limited, Toronto, Ont.

A NEWS BUDGET FROM BURY AND THAT DISTRICT

Reports of Meetings, Personals and Other Newsy Notes of Interest.

BURY, Que., May 30.—On Tuesday last a miscellaneous shower in honor of Miss Lena Harrison, on the occasion of her approaching marriage, was given at the home of Mrs. Henry Allison. The hostesses were Mrs. Victor Bennett, Miss Olive Gillander and Mrs. Henry Allison. About fifty guests assembled and the gifts, varied but valued, were presented in a decorated basket by three little girls: Peggy MacRae, Dorothy Allison and Evelyn Hodge. The bride-elect returned thanks. A most delicious luncheon was served by the hostesses, assisted by Miss Kathleen Ingram.

The local Lodge I. O. O. F. is placing a cure for the blues in Bury on Friday next, when the humorists of Alexandria Lodge No. 59 I. O. O. F., of Ayer's Cliff, will put on a Minstral Entertainment at the Bury Town Hall that is calculated to tickle the risible faculties to the utmost.

Mr. and Mrs. Charles H. Baldwin, of Coaticook, were in town on Thursday last, visiting Mr. Thomas Stokes, who has been very ill for some time.

The Board of Trade will hold their usual monthly meeting on Friday evening next at the Town Hall at seven o'clock (summer time). Old and new members are urged to attend, as matters of importance are to be discussed.

Mr. and Mrs. J. H. Worby were spending the week-end visiting relatives in Newport, Vt.

Mr. and Mrs. Roy Ellis, of Newport, Vt., and Mr. and Mrs. Wolfe Libby, of Tomifobia, have been visiting at the home of their parents, Mr. and Mrs. H. C. Turner.

Mr. and Mrs. Bert Trombley, of Sawyerville, were in town over Sunday.

The Misses Esther and Mary MacLearay, of Sherbrooke, were at the home of their parents, Mr. and Mrs. Gordon MacLearay, over the week-end.

Miss Flossie Brundage from Lennoxville, was at the Parsonage over Sunday.

Next Sunday being Conference Sunday, there will be no services at the Methodist Church. The Sunday School will also not meet.

The three Churches in town are falling in line with the request for summer time, and services next Sunday will be held on the advanced time.

Mrs. Maurice Stokes and Mrs. L. D. McLeod went to Winchester, Ont. on Monday to attend the Branch meeting of the W. M. S.

Mr. Thomas Stokes, who was apparently gaining renewed strength, is still very sick, and his condition gives grave concern to his many friends.

Mr. and Mrs. John Leigh, of St. Catharines, Ont., are paying a visit to Mr. and Mrs. James Whitehead.

It is no easy thing to spring a surprise on hotelkeeper, Mr. George Cathcart, but some forty or fifty of his many friends managed to catch him off guard last Thursday, when they engineered a surprise party in honor of his birthday, which was completely successful. A most enjoyable evening was spent. Progressive euchre was played and the winners were, ladies first, Mrs. E. Bradley, Consolation, Mrs. R. Kane, Gents first, E. A. Bailey. Consolation, Mr. Thomas Morrow.

The Bury Board of Trade desires to give notice to all and sundry, that acting in conjunction with the Banks and Merchants of Bury, it has been decided to adopt summer time, and to put the same into effect during the night of May 31-June 1st. Will the general public kindly take notice of the change.

Come and enjoy a hearty laugh at the Minstral entertainment at the Bury Town Hall on Friday June 2nd, given under the auspices of the local Lodge, I. O. O. F. Admission 25c and 35c.

A dance will be held in Gould on Friday night June 2nd O'Callaghan's Orchestra.

THESE BABIES ARE WELL NOW

Remarkable effect of Dr. Caldwell's
Laxative Syrup Pepsin on
constipated babies.

The experienced mother quickly
associates the baby's crying with
constipation, biliousness, feverishness or
sour stomach, and knows that a mild
laxative will soon relieve the trouble.

Half a teaspoonful of Dr. Caldwell's
Laxative Syrup Pepsin will work
wonders with a crying, peevish baby.
It is just a vegetable compound of
Egyptian Senna and simple laxative
herbs with pepsin that all druggists
sell under the name of Dr. Caldwell's
Laxative Syrup Pepsin. It has the
largest sale in the world, and a dose
costs less than a cent!

Mrs. E. Smith, 9 Harris St., Guelph,
Ont., says: "Dr. Caldwell's Laxative
Syrup Pepsin is just the remedy for
my little girl needs and she will never be
without it. Mrs. A. F. Lithgow, 389

KNOWLTON

The Parochial Guild of St. Paul's

Church will be entertained by Mrs.
M. Barcelo on Wednesday, p. m.,
May 31st.

The Y. L. C. of the Methodist
Church was very pleasantly enter-
tained by Miss Evelyn Pettes on Fri-
day p. m. There was a good atten-
dance. At the business meeting the
regular routine was proceeded with,
after which the treasurer read an
itemized report of last year's work,
which was very gratifying. The So-
ciety has undertaken to put down a
hardwood floor in the parlor of the
Parsonage this year, as their ob-
jective. Dainty refreshments were
served by the hostess and some of
her girl friends.

Mr. Guillett was here on Monday
making arrangements for Messrs.
Coles Bros. to come here on Satur-
day June 10th with their trained
animals and acrobatic performances,
when they will pitch their tent and
present their show on the High
School ground.

Mr. D. M. McDonald spent Friday
night in Scotland with his family.

Mrs. Byers and children, of Winni-
peg, are here for a couple of weeks
and are stopping with Mrs. Macfar-
lane at "The Anchorage." They were
accompanied from Montreal by Mrs.
Byers' sister, Miss Nora Goodchild,
who returned on Sunday night.

Messrs. James Rogers and James
McKeown have arrived from Mont-
real with their families and opened
up their respective summer homes
here.

Mrs. John Nichol has come out
from Montreal and with her family
settled for the summer.

Miss Lizzie Patten, of Bolton Cen-
tre, was here a couple of days last
week.

Mrs. John Murphy, Mrs. Frank
Ramsay and Miss Gill, of Montreal,
are at "Letham Grange" for a few
days. Mrs. P. A. Peterson, who has
been spending the past six weeks at
the same place, has returned to her
home in Montreal.

Mr. and Mrs. W. D. Soles and fam-
ily were at Mr. M. H. Hunt's on Mon-
day en route from Ormstown to
Sherbrooke, where they will reside.

Crum; parlor meetings, Miss Clara
Horne; and Miss M. Shufelt.

The reports showed a splendid

year's work, with increased mem-
bership.

Mr. Pearson, of Waterloo, was

visiting his sister, Mrs. M. J. Dou-
glas and Mr. Douglas the past week.

Mrs. Holland was a guest of Mrs.

W. J. Douglas last week.

Bishop Farthing held a confirma-

tion service in St. Augustine's
Church on Tuesday, May 23rd, and
preached a very impressive sermon
to a large congregation. The Mis-
sions, Marjorie, Kathleen and Evelyn Col-
lins and Marion McCrum were con-
firmed; also Messrs. Hugh Collins
and Norman McCrum.

Miss Marion Collins has closed a

very successful term of teaching at

It is understood that Mr. C. E. Soles has purchased the former residence of Dr. S. J. Bloomfield on Quebec Street, the latter having some time ago taken possession of his new home on Victoria Street.

EDWARDS' HOUSE BEING DEMOLISHED RAPIDLY

The work of demolishing the house on the site of the memorial square, formerly occupied by Mr. John Edwards, is proceeding rapidly. The roof of the building has been taken off, and the whole upper storey torn down. The walls have been torn off so that only the frame-work of the building still stands.

No doubt the work of putting the square into shape for a park will commence as soon as the buildings have been removed from the property.

ICE CREAM SOCIAL LAST NIGHT

The first of the season's ice cream socials and band concerts was held last evening on Portland Square. The Women's Auxiliary of the Great War Veterans Association was in charge of the evening and dispensed the ice cream and soft drinks from the tables which were placed about the square. Excellent music was furnished by the band of the Sherbrooke Regiment, under the direction of Mr. Roger Hayward.

ROUTES OF STREET CARS CHANGED

Owing to the closing of Belvidere Street to traffic on account of paving operations, changes were made in the routes of the cars on the Portland and Fairmount lines this morning.

These changes are only of a temporary nature, and as soon as the paving of the section of Belvidere Street has been completed, the cars will be restored to their original routes.

ORFORD WOMEN'S AUXILIARY

The May meeting of the Orford Women's Auxiliary was held at the home of Mrs. P. M. Short, Magog Road. Mrs. Walter Matthews, the president, was in the chair, and opened the meeting.

It was decided to hold the meetings as usual during the summer months. The year's work was planned, and it was decided to again cooperate with the St. Peter's W.A. in Sherbrooke.

Sewing on a quilt occupied the members during the afternoon. At the tea hour, Mrs. Short served delicious refreshments, assisted by

Mrs. I. W. Browne and Miss Dorothy Browne, and entertained with several selections on the Victrola. The next meeting will be held at the home of Mrs. J. J. Crawford, Magog Road, the third Wednesday in June.

SEWERS BEING LAID ON FRONTENAC STREET

The work of preparation for the paving of Frontenac Street is proceeding in good shape. Gangs of men are employed digging and laying the new sewer connections, and no doubt this part of the work will shortly be completed.

The foundations for the pavement are laid along Belvidere Street from King Street to the Royal Hotel and the work of laying the concrete base will be commenced shortly.

TEA SHORTAGE—HIGHER PRICES

In 1920, so much more tea was produced than required throughout the world that the market dropped to a very low level. The situation was so serious for the growers that they agreed to reduce their production 20% during 1921. Consumption, which has increased tremendously, and the production of tea being curtailed, has resulted in the highest prices for tea in years. The recent reduction of fourpence per pound on tea tax in England has further stimulated consumption, which means that even higher prices may soon be expected.

NETTING FISH IN LAKE MASSAWIPPI

Reports from Lake Massawippi, indicate that the fishing is not opening as well this spring as usual, and rumors are current that netting has been going on in the lake during the past year.

A strong organization was formed a few years ago to protect Lake Massawippi, but this seem to have become inactive, and as a result the lake is not as well guarded as formerly. Many feel that this is extremely unfortunate, as Lake Massawippi, being an important summer resort, should as far as possible be maintained as a sportsman's lake.

MANY SIDEWALKS NEED REPAIRING

In many places in the pavements and sidewalks of the city there are large breaks and holes which make it necessary for the pedestrian to keep a constant watch where he puts down his foot lest he step into one of these holes, turning his ankle and perhaps causing him to fall and seriously injure himself.

No doubt it is a difficult thing for the authorities to keep the sidewalk walks, with which many of the streets are bordered, level and even, but it seems unnecessary that the concrete pavements of the principal streets should be allowed to get into a state of disrepair.

In several places on Wellington street the pavement contains deep cracks and holes which are a danger to an unwary citizen. Only a small amount of concrete in these holes would finish them off and put the sidewalk in its original smooth state.

MANY FOREST FIRES IN VICINITY

The need for caution on the part of those going through the woods in connection with the starting of forest fires is again apparent this spring.

A large number of forest fires are raging in the different parts of the Province, and a good deal of damage is being caused.

A fire developed in the vicinity of Breches Lake, Wolfe County, over the week-end, which not only called out the inhabitants of the neighborhood, but the fishermen from Sherbrooke and elsewhere. Members of the Wolfe County Fish and Game Club dropped their lines and joined in the more exciting pastime of fighting forest fires.

The damage that may be caused from a cigarette stub thrown away in the woods or a camp fire which is not thoroughly extinguished may be very great.

REV. E. C. RUSSELL LECTURED LAST NIGHT

St. Paul's Mission Hall was the scene of a pleasant event last evening when the St. Paul's Senior Girls' Club gathered to hear the Rev. E. C.

Russell, of Stanstead, speak on the incidents of a prairie parson.

The Rev. Robert Heron acted as chairman, and previous to the lecture Miss S. Ineson played a piano solo. Mr. Russell described the life of a citizen of the more remote regions of the Canadian Northwest, relating several interesting anecdotes drawn from his personal experiences in the country. Mr. Russell described the work of the cowboy and the mounted police, and told of the difficulties which were in the way of the establishment of a church.

Miss Ruth Edwards then sang an excellent solo, after which there was a short intermission during which ice cream was sold. Mr. Howard Connor played a violin solo, after which a very pleasant and entertaining evening was brought to a close by the singing of the National Anthem.

WESLEY BARRY IN NEW SCREEN PLAY

Freckled Movie Celebrity Will Grace Silver Sheet in "School Days."

Freckled-faced Wesley Barry, the inimitable movie celebrity, will grace the screen of the Premier Theatre the first three days of next week in his latest starring vehicle, "School Days," made from the Gus Edwards classic of the same name.

The very mention of the words "School Days" holds an appeal for young and old, and it is said that every mother who has a boy, every man who remembers his boyhood, every human being who can thrill to the joys, the disappointments, the pranks and the glory of boyhood will gloat over the trials and tribulations of Speck Brown, better known to the screen world as Wesley Barry.

CHANGES IN STREET CAR ROUTING ON ACCOUNT OF PAVING

Owing to street paving now being done on Belvidere St., following temporary changes in Street Railway System will be put in force Tuesday May 30th, 1922.

Portland cars will be operated from corner of Prospect-Ontario streets via Portland, Wolfe, Frontenac, Wellington, Aberdeen, Alexander to corner of Belvidere and King St. West. These cars will be marked "Portland" when going North on Wellington and "C. P. R. Station" when going South on Wellington.

Fairmount cars will be operated from present terminus on Pacific St. to Strathcona Square, and will return to Fairmount via Wellington and Aberdeen streets.

No changes on other lines.

CITY BRIEFLETS

LOCAL STUDENT SUCCESSFUL
Amongst the second year students in the Faculty of Science, who were successful in the sessional examinations, was George McKinstry Dick, of this city.

SPLENDID APPEARANCE OF SEMINARY CADETS

Military parades and concerts have been frequent over the week-end, and the citizens of Sherbrooke were again treated to a pleasant surprise when the St. Charles Seminary Cadet Corps marched through the city streets last night, preceded both by bugle and brass bands.

At the closing of the school hours yesterday afternoon, the cadets took a trip to the country and had dinner "in camp," and after going through a number of manoeuvres they march-

ed back through the city streets. They presented a very fine appearance, and Lieut.-Colonel Rousseau, in charge of the cadets, is to be complimented upon the showing made by his corps.

ROTARY CLUB MEETS TONIGHT

The Rev. E. C. Russell, of Stanstead, will be the speaker of the evening at tonight's rotary meeting and his subject will touch upon "as others see us." This address promises to be very interesting and a large turn out of rotarians is expected. The meeting will be held at 6.15 as usual.

MANOEUVRES AT PARADE GROUNDS TONIGHT

Considerable interest is being manifested in the manoeuvres which will be held at the Parade Grounds this evening at 8 p.m. (standard time) when the St. Charles Seminary cadets will be reviewed by Capt. Guimont, of Montreal. The cadets, numbering one hundred and fifty, in-

respective of Band, Bugle Corps and Cyclist Corps, will march to the Parade Grounds, where they will carry out their manoeuvres and be reviewed by Capt. Guimont. The band will also give a number of selections and it is expected the cycle corps will participate in the events.

WILFRID TRUSSLER MISSING FROM HOME

It is slightly over two weeks since Wilfrid Trussler, the fourteen-year-old son of Mr. and Mrs. Oliver Trussler, 352 Bowe Avenue, left home and has not been heard of since.

The lad in question was always full of fun and it is not believed that anything has happened to him, but that he is away on an escapade.

His parents, however, are worried over his prolonged absence.

MOTOR TURNED TURTLE ON KING STREET

The sudden application of the brakes is the reason assigned for the accident which befell a Ford motor car while coming down King Street last night.

It was about ten o'clock when the Ford car was seen to stop close to the sidewalk and assume an unnatural position. The car toppled over on its side, and its occupants, four men, were pinned beneath. Passers-by rushed to the scene and the car was soon righted and the men rescued from beneath. The occupants, who came from Cookshire, returned home without suffering more than a severe shaking up.

DECORATION DAY IN THE UNITED STATES TODAY.

Today, the thirtieth of May, is being celebrated throughout the United States, and by Americans generally in other countries, as Decoration Day or, as it is also known, Memorial Day. This occasion has been observed for many years, and upon the day the citizens of the States pay tribute to the men of their country who lost their lives in the Civil War. The graves of these heroes are decorated with flowers and with small American flags to commemorate their brave deeds. Since the close of the great European war, the people have taken this day as one on which to honor the soldiers who went overseas, as well as the veterans of the Civil War.

CIGARETTES INCREASE IN PRICE

Enquiries made among tobacco dealers show that in practically every instance cigarettes have shown a substantial advance since the announcement of the Government's new budget.

Nothing definite has yet been established, and a large delegation of retailers is at present interviewing the Government with a view to securing certain modifications.

Insofar as local prices are concerned, the more conservative firms have increased the price of "Play-ers" to twenty-one cents a box, while some firms have put the price up to twenty-five cents a package.

Local houses advise that it will probably be at least a week before any definite understanding is received relative to firm prices. The present ones are considered to be temporary.

MOTHER AND DAUGHTER BANQUET AT ST. ANDREW'S

Canadian Girls in Training Held Successful Event Last Week.

The Canadian Girls in Training, of St. Andrew's Church brought their midweek activities for the season to a close on Friday evening by a Mother and Daughter Banquet. Somewhere in the neighborhood of a hundred girls with their mothers sat down to an appetizing supper and all the many dainties on the four tables had been cooked and tastefully

LENNOXVILLE

JUNIOR AUXILIARY HOLD SUCCESSFUL TEA

The Junior Auxiliary of St. George's Church held their afternoon tea and sale on Saturday in St. George's Church Hall. Mrs. Gifford was in charge, assisted by the former Superintendent, Miss Delia Stirling.

One of the attractively decorated tables contained useful and fancy articles, which the Juniors had made remarkable well. Others were laden with food and candy, which found ready sale. The fish pond was the source of a great deal of excitement and pleasure among the children.

The Junior Branches in the Diocese competed for a membership prize, which was offered by Miss Twomey, Diocesan Junior Secretary. Lennoxville Auxiliary carried off both prizes, the winners being Miss Jean Pearton and Miss Shirley Dutchburn. Miss Howe gave a membership prize to this Branch, which was won by Miss Jean Pearton, who was also presented with Mrs. Winder's prize for attendance. The prize given by Miss D. Sterling for attendance was won by Miss Shirley Booth. Both these girls had a record of perfect attendance for the entire year to their credit.

I. O. O. F. Church Parade
Havelock Lodge, No. 35, I.O.O.F., held a church parade on Sunday morning to St. George's Church, attending the regular service in a body. The Lennoxville Band was in attendance, supplying suitable music during the march before and after the service.

The sermon was preached by the Rev. Canon Wright, pastor of the church, who took for his text the words, "Behold How Good and Pleasant a Thing it is for Brethren to Dwell Together in Unity."

In addition to the Lennoxville members, several from Sherbrooke were present and joined in the parade.

Successful Shower
The Misses J. and H. Nobes entertained at a very pleasant kitchen shower on Saturday afternoon in honor of their friend, Miss H. Pratt, whose marriage takes place shortly. The bride-elect was the recipient of many useful articles which will find a place in domestic life.

Cards were played at several tables, and the occasion was enlivened by selections on the piano by several of those present. Dainty refreshments were served by the hostesses, Mrs. Nobes, assisted by her daughters, and the party dispersed with many good wishes for the future happiness of the guest of honor, after singing "For She's a Jolly Good Fellow."

General Notes
Interesting services were held at the Methodist Church on Sunday, the pastor, Rev. D. Pergau, preaching both morning and evening. The choir rendered the anthem "One Sweetly Solemn Thought," at the morning service, and Mrs. A. G. Knapp sang a pleasing solo in the evening.

Mr. and Mrs. S. J. Forbes, Miss Rena Wark and Mr. Robert Davidson motored to Leeds on Saturday for the week-end.

Mr. W. J. Lane left on Saturday evening for the home of his uncle, Mr. Fred Wood, of Lyndonville, Vt. Mr. Wood, who was recently taken very seriously ill, is still in a critical condition.

Miss M. O. Vaudry was in town over the week-end owing to the serious illness of her mother.

Mrs. J. A. Seale is confined to her home for several days by illness.

prepared by the girls themselves. The Church Hall and the tables were decorated with flowers and the color scheme was blue and white, the colors of St. Andrew's Girls.

The Church School Orchestra of twelve pieces under the leadership of Mr. Jacob Dick was on hand and during supper time provided inspirational music and made one think that one was dining at the "Ritz Carlton."

The tables were waited upon by members of the Young Ladies' Aid.

A number of toasts were given before the girls and their guests left the tables. The toast to the King was proposed by Miss Audrey Logie and responded to by the singing of the National Anthem. An address of welcome to the guests was given by Miss Margaret MacDonald. A toast to "Our Mothers" was proposed by Miss Gladys MacLeod and was responded to by Mrs. James MacKell.

The toast to the "Girls" was proposed by Mrs. G. D. MacKinnon and Miss Evelyn Symons replied to the many good things said about the girls. The toast to "the Church" was proposed by Miss Margaret Imrie and Rev. Alfred Bright replied showing how much the girls owed to the Church.

After the tables were cleared, a debate was held on the subject, "Resolved that the 20th century girl is an improvement on the 19th century girl." The affirmative was supported by Misses Margaret Houlahan, May Mackay and Jean Reid, while the negative was stoutly defended by Misses Helen Robertson, Josephine MacKinnon and Evelyn Symons. The judges of the debate were Messrs. G. D. MacKinnon, Thomas Cohoon and Rev. Alfred Bright.

Mr. T. J. Jackman, of Magog, was in town yesterday.

Mrs. A. G. Chisholm, of Stellarton N.S., is visiting her sister, Mrs. A. W. Cleveland, Ontario Street.

Miss Mina Smith, of Manchester, N.H., is the guest of her sister, Mrs. W. H. Sims, King Street East, for a few days.

Miss Maimie LaBonte, of Derby Line, spent the week-end in Lennoxville, visiting Mr. Fred Dundin and other friends.

Mr. E. J. Page, Quebec Street, left on Sunday for Los Angeles, where he will attend the Rotarian convention.

Messrs. J. S. Broderick and W. H. Lynch have just returned from Montreal, where they have been attending the Court of Appeals.

Miss K. R. Taylor leaves this evening for Boston, Mass., where she has accepted a position in the Massachusetts General Hospital.

The Rev. B. B. Brown, Court Street, left yesterday morning for Kingston, Ont., where he will attend the conference of the Methodist Church.

Mr. Earl Mitchell and Mr. Asa Swallow, of Berlin, N. H., motored to Sherbrooke last week, and were the guests of relatives over the week-end.

Miss Audrey Findlay, of Westmount, who has been spending some days in Sherbrooke as the guest of Mrs. Gordon Miller, Magog Street, returned home yesterday.

Dr. G. E. Read returned yesterday from Ayer's Cliff, where he preached at both services in the Congregational Church there on Sunday.

The friends of Mrs. Charles B. Howard will be pleased to learn that she is progressing favorably, after undergoing an operation for appendicitis at the Sherbrooke Hospital.

Mrs. John Tulle, Melbourne Street, left yesterday with her father, Mr. F. N. McCrea, M.P., for Ottawa, Ont., where she will spend the week.

Mr. and Mrs. H. R. Lindley announce the engagement of their eldest daughter, Nora A., to Mr. Walter E. Harmer, son of Mr. and Mrs. W. Harmer, the marriage to take place in June.

The Rev. Mr. French, who conducted the services in Plymouth Congregational Church on Sunday, returned yesterday afternoon to Sawyerville, where he is staying at the home of his father.

The many friends of Miss Phyllis Hobbs, Laurier Avenue, will be pleased to learn that she is recovering from her recent successful operation for appendicitis at the Sherbrooke Hospital.

Mrs. H. R. Fraser was hostess at the weekly tea held at the St. Francis Golf Club on Saturday afternoon. She was assisted in looking after the guests by Mrs. W. M. Langston and Miss Ruby Hunt. Many ladies were present and spent a pleasant afternoon on the cool verandahs.

Mrs. C. F. Patton, Lincoln Avenue, entertained at dinner recently for her son, Howard, on the occasion of his 21st. birth. Covers were laid for twelve and the table was prettily decorated with narcissus and for-get-me-nots. Mr. Patton was the recipient of many fine gifts.

Word has been received here that Mr. Nakash, who recently left for Europe, has arrived safely in London after a very pleasant voyage. He is enjoying a short stay in the world's greatest city, visiting many of the places of interest, including various studios.

Yesterday afternoon, at the home of Mrs. T. W. Fuller, Wolfe Street, a tea was given, the occasion being the birthday of Miss Katherine Martin, granddaughter of Mrs. Fuller. Fourteen were present at the tea hour, when delightful refreshments were served, all the arrangements being carried out in a most pleasing and artistic manner.

greet His Lordship. Four were confirmed from Foster—Guy and Gardner Booth, Raymond Durrell and Harry Hartree; one from Farnham, Miss Freda Sherwood, and Mrs. Avery Knowlton, of Providence, R.I., now in Stukely, was accepted into the church from the Roman Catholic Church.

Several from this way attended the funeral of Mrs. Rufus McLaughlin, which was held in the Brill Church on Tuesday last. Rev. C. Huxtable conducted the service. He was assisted in the service by the Rev. Mr. Hager. The bearers were Messrs. P. Brown, W. Dimick and N. and J. Bessette, near neighbors of deceased. The casket was covered with beautiful flowers. Among the mourners were noticed Mr. O. Cook, brother, from Leominster, Mass., and Mr. Justin Hastings, nephew, of

Cowansville. The burial took place in the Duboyce Cemetery.
On Thursday last the funeral of the late James Allen was held at the home and was very largely attended. Rev. Mr. Scrimgeour conducted the service. The bearers were Messrs. H. Bell, A. M. Hunter, A. P. Hillhouse, W. Inglis, E. Gibb and J. Marcotte. Beautiful flowers covered the casket from the family, the Guild, Rebekah Lodge, Miss Mary Bell and Mr. and Mrs. Walter Inglis. The burial took place in the Creek Cemetery. Among the relatives noticed from a distance were Mr. and Mrs. James Bell and Mr. and Mrs. Thomas Bell, of Frelighsburg; Mrs. Orvas Tibbitts, of Richford; Mr. and Mrs. Gordon Tibbitts, of Knowlton, and Mr. Eben Phelps and daughter, from Eastman.
Mrs. Walter Knowlton will entertain the Guild on Thursday. A cordial invitation is extended to everyone.

On Friday afternoon Mrs. Aaron Whitehead will entertain the Ladies' Circle, which was postponed last week. Everybody is cordially invited.
The Bishop will visit Fulford on Thursday afternoon, June 1st. Rev. Mr. Scrimgeour will be glad to see any of the Foster friends present.
Mr. Frank McLaughlin returned to his home in Boston on Wednesday.

Several of the cottages in construction around the lake are nearly finished, and it is reported several more are to be built.
Mr. Henry McKenny, who is so seriously ill, is reported to be a little more comfortable the past few days.
Mr. Arthur McLaughlin, of New York, is spending a few weeks at the old home, "Argyle Farm," and has already entertained several of his friends and neighbors.

Several from this way attended the celebration in Knowlton on May 24th, and that evening a large number of the young people motored over for the dance in Green's Hall.
Mr. and Mrs. J. Peters and two daughters, after spending a few weeks with relatives hereabout, left on Friday morning for their home in Edmonton, Alta.

Master Edgar Quilliams returned home on Saturday from Grande Ligne, where he has been attending school.

Mr. Fred Meads spent a few days in Montreal last week.

Mr. Percy Short has a new car. Word was received here on Friday of the death of Mr. Ed. Martin, of Richford. Mr. Martin was a resident in the Creek neighborhood for years, living on the farm now owned by Mr. Leslie Durrell.

Mrs. Greer, of Waterloo, and Mrs. Taylor, of Iron Hill, were guests of Mrs. Forest Inglis on Friday.
Mrs. Barnes, of Knowlton, and Mrs. E. Phelps, of Waterloo, were here on Thursday, attending the funeral of the late James Allen.

Mrs. Arthur Allen, of Waterloo, spent the week-end here at the home of her son.
Miss Mary Perry, of Cookshire, is here for a few days at Mr. A. E. McLaughlin's.

Mrs. Geo. Williams, who, with her husband, has been here for several months, is quite ill at the home of her nephew, Mr. W. McCleery, in Frost Village. Mr. and Mrs. Williams were intending leaving for their home in Oregon this week, but will be delayed for some time now.

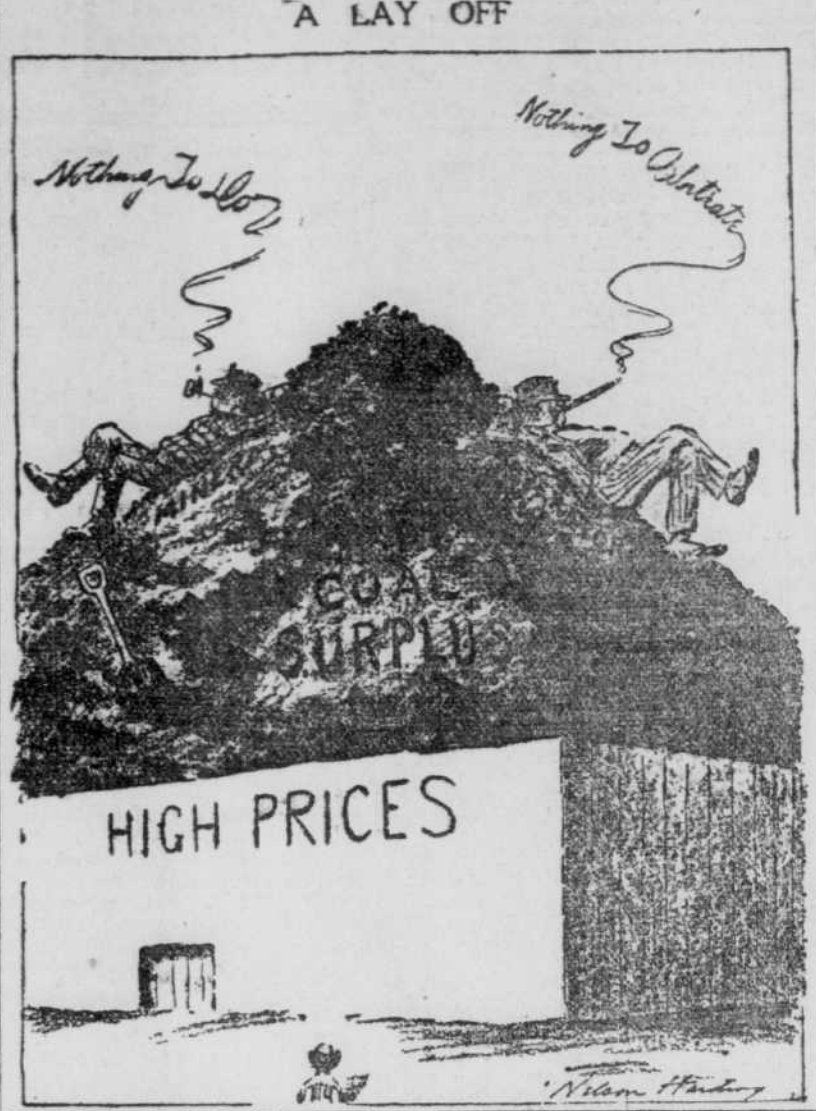

Seeding is practically finished in this section. Roots and crops are now being put in. The continued dry weather is causing the farmers much anxiety regarding the hay crop, which is getting a poor start in some sections.

Mrs. Arthur Chamberlain accompanied her husband to Richford on Friday.

WEST BROME

Mr. and Mrs. S. G. Kathan, of North Troy, Vt., and Mr. E. Kathan, of Sherbrooke, were guests of their parents, Mr. and Mrs. G. F. Kathan, sr., on Sunday.

RUM-RUNNERS ARE ARRESTED NEAR ST. JOHNS

Attempt Made to Rob Liquor Store—Other General News.

ST. JOHNS, Que., May 30.—A week ago Detectives Girard and Brooks, of the Quebec Liquor Commission, seized about \$2,000 worth of liquor south of Lacolle, near the border, and effected the arrest of two men, whom they charged with having liquor in their possession and with selling liquor.
The two men, Alfred Duttand and Charles Blais, were brought to St. Johns and lodged in jail. They appeared before Justice of the Peace E. A. LeCuyer and were remanded, bail being granted in \$1,000 each in the meantime.

There are four charges against each, having liquor in their possession on May 20th and with selling it on that date, also with having it in possession and selling on April 30th. The detectives claim that they went several times to the homes of the accused and purchased liquor, and that they noticed where the supply was stored, so when the raid was made they had no difficulty in finding it.

Attempt Raid on Liquor Store.
Tuesday morning about three o'clock Night Policeman Brault discovered four men attempting to gain entrance to the Government Liquor Store on the Market Place. The men saw him about the same instant and opened fire, which was returned by Brault, the shots having the effect of bringing Night Policeman Fontaine to the aid of his comrade, as well as bringing Constable Gagne on the run from the station. The raiders jumped into their car, made a dash for liberty, closely followed by the police in L'Heureux's auto, the both parties exchanging shots, one of which broke the windshield of the pursuing machine. After dodging round the streets for a while, the pursued gained the Roux's Point road and made off in that direction.
The police telephoned to all border and intermediate points, but have had no news.
When discovered at the store they had succeeded in saving an iron bar in two and had cut the lock out.

Little Lad Run Over.

About five o'clock on Wednesday afternoon the little three-year-old son of Mr. H. Boucher, Champlain street, was run over and badly hurt by a delivery wagon belonging to Gervais Frere. The accident occurred on Richelieu street near the store, and the little lad was taken home. Dr. Phaneuf being called to attend him.

Chief Turgeon Injured.
Chief Turgeon and Constable Lyons while lowering a barrel of blue stone for the batteries to the basement of the fire station, the barrel slipped and landed on the chief's ankle, breaking a bone and dislocating it. The chief will be confined to his bed for some time.

Board of Trade Met.

A meeting of the Board of Trade was held in the City Hall on May 13th, those present being Messrs. Stanislaus Poulin, president; J. H. Lanctot, treasurer; J. P. O. Langlois, G. A. Savoy, R. S. Stewart, Charles Mailhot, Dr. N. A. Sabourin, V. Moreau, L. H. Choquette, M. Choquette, P. P. Sabourin, G. St. Germain, Jacques Cartier, Martial Rheume and T. Brassard, secretary.

It was proposed by V. Moreau, seconded by Mr. J. P. O. Langlois, that Mr. Louis Regnier, druggist, be elected a member of the board. Adopted unanimously.

Mr. R. C. Stewart moved, seconded by Mr. L. H. Choquette, that in the future candidates for membership should be required to deposit the annual membership fee with their application, and that the secretary be authorized to notify those members in arrears that their fees must be paid by June 1st or they would be dropped from the board. Adopted.

Mr. Stewart reported that the C.P.R. was levelling the vacant land between St. Thomas street and the tracks, grassing same and planting flowers.

That the city would have a con-

stable stationed at the intersection of St. James and Richelieu to direct traffic between the hours of one and two on Saturdays was requested.

He also pointed out that heavier trucks than allowed by the law were using the streets of St. Johns, and that the Quebec Liquor Commission was one of the violators.

The secretary was authorized to take the matter up with the Minister of Roads.

The question of books advertising the city was brought up and, as the only ones on hand now were printed some years ago and do not do justice to the city, it was decided to go ahead with the making up of a new book.

Mr. Stewart spoke of the annexation of some of the territory in the north end of the city, and Mr. G. A. Savoy said that the Minister of Municipal Affairs would meet the board. The secretary was authorized to write the minister concerning the matter.

Other matters were discussed and some bills ordered paid.

Kiwanis Club Launched.
Last Wednesday evening a Kiwanis Club was successfully launched in this city. Organization had been going on quietly for some time, consequently the full number of fifty members, agreed upon as a starter, were on hand at the National Hotel when the first "sit-down" took place.

Mr. L'Esperance headed a large delegation of Montreal Kiwanis, and the enthusiasm displayed gave promise of the success of the organization in this city.

The following local gentlemen were elected to office: President Mr. G. A. Savoy; vice-president Mr. W. A. Davidson; treasurer, Mr. J. A. Prezeau; district trustee, Mr. T. Brassard; directors, Messrs. C. A. Labege, R. C. Stewart, F. L. Pratt, A. P. Hittl, Jacques Cartier, R. E. Elliott and T. A. Mace.

The committee then elected Mr. A. G. Winters as secretary.

MORE MONEY FOR SCHOOLS.

It is interesting to note that the Academies and Model Schools under the Protestant Committee of the Council of Public Instruction are to receive a material increase in grants this year, in fact, that the usual grant will be doubled and that this, it is expected, continue as a permanent annual grant.

The Quebec Legislature, two years ago, voted large grants to the universities, namely, a million dollars each to McGill, Montreal and Laval.

At the recent session, \$100,000 as an annual grant was voted to maintain classical Catholic schools, that is, \$10,000 each. As a Protestant vote, to compensate for this grant, \$40,000 was placed at the disposal of the Protestant Committee for distribution. As the Legislative vote was for classical or superior education, the Protestant Committee agreed that this sum should be distributed among the Superior schools, that is, Academies and Model schools, under its jurisdiction.

Now, what of the Elementary Schools? This matter came before the Protestant Committee. It has come before the members of the Government. On several occasions members of the Quebec Government, including the Premier, have made emphatic statements to the effect that at the next session something in a large way will be done for elementary schools. One Minister is credited with having remarked, in effect, "we may have started at the wrong end in voting the large grants first to the universities, but we have not forgotten the needs of elementary education and something substantial will be done at the next session."

There is no doubt but public opinion would approve the expenditure of large sums for the benefit of elementary education.

The resolution adopted at the last meeting of the Eastern Townships Associated Boards of Trade contained, among others, the following three clauses:

"That the Eastern Townships Associated Boards of Trade in annual meeting assembled goes on record as favoring greatly increased governmental support for Elementary and Intermediate Education, believing that there is no better purpose to which public funds can be devoted."

"That we respectfully urge upon the Government the earnest consideration of this matter to the end that at the earliest possible moment this much needed financial aid may be forthcoming."

"That we are further of the opinion that a careful study on the part of the municipal authorities of the basis upon which real estate values are fixed by the assessors might suggest an opportunity to improve the local revenues for school purposes without imposing undue burdens upon the ratepayers."

The Government will not, it is safe to say, make grants that will relieve individual school districts and ratepayers of their responsibilities in the matter. Local revenues, and in larger volume than at present, must be provided, if elementary schools are to be maintained and improved.

It is very pleasing, indeed, to note increasing interest in educational matters, not only in Government circles but among the people themselves. This is the best augury for the future. If the public is interested, the Government will continue to be interested in response to public opinion. A forward march in elementary and intermediate educational matters is among the possibilities of the near future.

ROUNDING THE CORNER.

The order of the Interstate Commerce Commission in the United States for reductions in freight rates ranging from 14 per cent. in the Eastern territory, to 13½ in the West, and 12½ in the Southern and Pacific mountain districts, should be one of the final movements to bring the economic situation clearly around the corner. With a new transportation schedule operative July 1st, the second half of the year will start with one concrete advantage, and if the practice is equal to the theory, the effects of the reduced costs should be felt throughout the industries, beginning with the movement of the season's crops.

The reduction is greater than has been anticipated, certainly is materially more than maximum railroad executives had in mind, and will effect a substantial shrinkage in revenues. On the other hand the order tends to help close that wide gap between agricultural prices—the basic value—and prices in manufacturing industries.

And whatever the immediate consequence of lowered transportation charges upon the railroads the later and general effect will be to contribute to a stabilization without which the country could not deliver itself from the complications that are sources of worry to industrial and financial leaders no less than to the Government.

A revival across the line means a revival in Canada as a depression there soon overflows into this country.

WHY IT CANNOT SUCCEED.

With the enfranchisement of women in Canada, the United States and several European countries there has risen a demand, notably across the line, on the part of some of the most extreme leaders of the feminist movement for the formation of a woman's political party which would support only members of its own sex for office. The argument advanced in favor of the project is that men have made a mess of the Government and that it is time to turn control over completely to the women. Sensible persons have not taken the movement seriously. It is no more possible to make sex distinctions a political issue than it is proper to have the parties divide on religious differences. Intelligent women realize this as well as intelligent men.

Lady Astor, the first woman to become a member of the British Parliament, makes it plain in an interview why a woman's party cannot succeed, and why, even if it should manage to get control of the Government, it would not be likely to handle affairs more differently from the way that men handle them. The reason is that there is not so much difference mentally between the sexes as is commonly supposed. We think of women as looking at a problem from one point of view and of men as looking at it from another point of view. But as a matter of fact there is a mixture of masculine and feminine traits or viewpoints in most persons.

She declares a woman's party to be impractical because there is no such conflict between the sexes as would warrant the forming of one. "Look at me," she says; "I am half man. And look at any man—he is half woman. All I know men whose point of view is essentially that of a woman, and we know women who look at a thing from a man's point of view."

TODAY'S A HOLIDAY.

May 30, 1922.

Memorial Day in the United States.

The grief is gone from the American celebration of Memorial Day, and in its place sits honor.

As the last generation mourned the sturdy fighters of the Civil War who were slain, this generation glories in their memory. Since the 30th of May first was set apart, in 1868, for strewing the graves of Union soldiers with flowers, the beautiful custom has never been forgotten in that country.

And so today's a holiday in many States, particularly those of the north. School-children with wreaths, a few aged men who wear in their lapels the bronze buttons of the Grand Army of the Republic, and those later heroes, the youthful veterans of the World War, unite in calling to mind the days of '61 to '65.

Most cities have their celebrations, and it is a universal custom to decorate the graves of Civil War soldiers with flowers. In Arlington cemetery, Washington, there is always a brilliant assembly for the occasion. In most port cities the rite, echoing pagan days, is performed, of strewing the waters with flower petals. Hundreds of heroes sleep no man knows where, and the symbolism of decking their common tomb, the ocean, is one of the loveliest in American lore.

Yesterday—Royal Oak Day.

Once the occasion for showing the badge of loyalty, or else being branded as a traitor, Royal Oak Day, the 9th of May, has degenerated in England to a humorous holiday, a sort of second April Fool, with the oak leaf forming an integral part of every jest.

The observance commemorates the restoration of King Charles II. to the throne. This also is the date of the escape, some years earlier, of the same monarch from the soldiers of Oliver Cromwell. He hid in a big oak tree in Boscombe woods, and thence the oak tradition has come down.

The aged pensioners of Chelsea Hospital in London have a feast day today of beef and pudding, and all are arrayed in their bright seventeenth century costumes. The institution was founded by Charles II.

But it is in the towns outside of London that the sports run high. Today's a holiday in England, a holiday of manners, not of law. Boys go out, carrying branches of oak trees and sprigs of nettle. Tradition entitles them to prick with the nettles anyone they see who doesn't wear the "king's oak."

But an impartial place is Basingstoke, in Hampshire. In the morning, everyone about the town is required to wear the oak leaf. But who to him caught in the afternoon with it on. The following jeering rhyme is sung out at him:

Shig Shag's gone past,
You're the biggest fool at last;
When shig shag comes again,
You'll be the biggest fool then.

PRESS COMMENT

BOOTLEGGERS' "MOONSHINE."

(St. Thomas Times-Journal.)

Unless the variety of "moonshine liquor" purveyed in Canada is appreciably higher than the brand current in Texas, its consumers would do well to follow the advice of Robert Burns, with his boundless charity extended to "the De'il" to "take a thocht an' men."

PLACE FOR ECONOMY.

(Moncton Transcript.)

There can be no doubt as to where the public stands on this question. It is insistent on economy, and every person knows that the most natural place to practice this is in the Department of Militia.

WHAT GENOA DID.

(Ottawa Journal.)

Genoa has made one thing clear: the nations must act in concert in dealing with the German and Russian problems. Their individual attitudes are so conflicting that separate action must result in irreparable damage. There must be an adjustment of attitudes and policies and agreement among the nations. The airing of the difficulties at Genoa impresses on the world the imperativeness of a settlement.

LETTERS TO THE EDITOR

RECORD OF DANVILLE ACADEMY.

Editor of Record:

Sir,—Is there another High School in the Province of Quebec whose graduates number three judges, Messrs. Greenfield, Leet and Enright, without mentioning others who have had brilliant careers in law, science and commerce. Such is the enviable record of Danville Academy.

I would suggest that Mr. C. C. Brown, who was secretary-treasurer, both for the village and municipality for thirty-one years, in his leisure moments should compile a brochure of the local Academy graduates with a short biographical sketch of the more prominent ones. I am sure all those who are graduates would gladly avail themselves of the opportunity to procure a copy.

Yours sincerely,

PRIVATE MONEY MAKING IN AMERICA

By OSCAR P. AUSTIN,
Statistician, The National City Bank
of New York

During a Bolshevik labor dispute in Moscow recently some printers, turning out paper money for the Government, struck for higher wages. The strike was finally settled by an agreement that each printer should be entitled to the amount of money he could turn out in one hour each day, printing the notes for himself not higher in denomination than 500 rubles.

A curious wampum making machine in use for 100 years.

When, in comparison, we consider how Uncle Sam manufactures our money down in Washington and at the several mints and how carefully every penny is guarded against loss this loose method of money making in Russia at present seems almost unbelievable to a good many Americans.

A Private Mint

Yet it is a fact that at the present time a certain form of money once widely current in America but now quite unknown to most people is manufactured in this country in just as free and easy a manner as anything the Bolsheviks might attempt. Moreover, it is no more counterfeited than the Russian coinage, although our Government has nothing to do with its production and does not in any way recognize it as specie.

Quite recently there was placed on exhibition in the Bergen County, New Jersey, Historical Society a private money making machine which had been in use for nearly one hundred years, no less than four generations of one family employing it for extensive money making purposes. With this announcement the question naturally arises: What are the operatives of Uncle Sam's Secret Service doing to allow a private money making enterprise to go on without molestation? The answer is simple—the money made on this machine in no way resembles United States coinage. Nevertheless in certain sections of the West it was once quite extensively used for sale and barter, and is still limitedly employed. In brief this "money" is what has always been known to the Indians as wampum and for a long time, after the arrival of the

the Atlantic shore, they were rare West of the Hudson River before the seventeenth century. With the arrival of the colonists, the Indians were supplied with tools which made it possible for them to work a greater variety of shells and to produce more finished work.

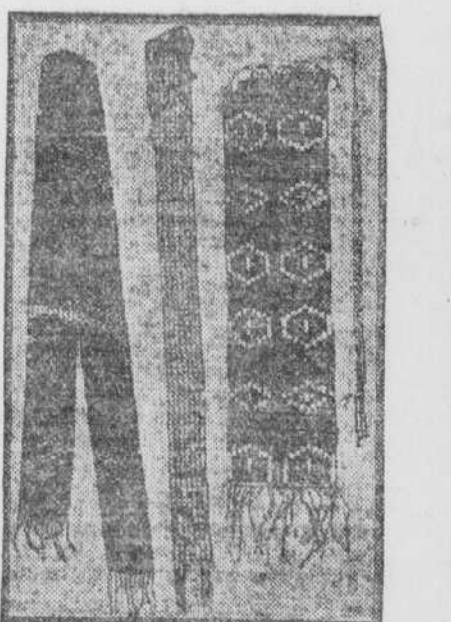

Paying Fare With Wampum.

For ages wampum was used by the Indians almost solely as money. The making of wampum belts by them seems to date back only as far as the advent of the white men. All the belts which have been found are of beads which were undoubtedly made either by the white men or with tools supplied by them.

For a long time after their arrival wampum was in use as common currency among the Dutch colonists. Its value was at one time four for a penny, and at another time six for a penny. In Massachusetts, in 1648, wampum, if of good quality, was legal tender to the amount of forty shillings. The white beads were rated at eight for a penny, the black beads at four for a penny. The use of wampum as money among the colonists of New York was continued until 1700 at least, as at that time, according to an old record, "the ferriage for each single person from New York to Brooklyn was eight stivers in wampum, or a silver two pence."

Wampum As Ornaments

Messengers from one tribe of Indians to another used strings and belts of wampum as credentials. In time the articles made of wampum came to have great symbolic importance dependent on the colors and arrangement of the beads. They were also used as memory aids to the keepers of the oral traditions of the Indians.

Different designs of wampum belts.

While, as a medium of exchange, the dark beads were rated higher than the light and white beads, for symbolic purposes, these latter beads, however, were auspicious while the dark ones were inauspicious, having to do, in the messages or records, with death, war, etc.

Wampum was also worn for ornament by the Indians, both men and women. It was worked into collars, necklaces, ear pendants, bracelets, armlets, girdles, anklets and head-dress decorations. "Wampum pipes," long tubular shell beads of about the length of the common pipe-stem, and perforated disc-shaped shells, as well as shells ground into various shapes including the forms of animals, were also in common use at one time by the Indians.

Mr. and Mrs. Taylor, of North Sutton, N.H., were guests of Mr. and Mrs. A. H. Board, "The Pines," on Sunday, and Mrs. L. E. Fessenden, Miss Laura Kemp, of Fulford, and Mr. Stewart, of Montreal, were at the same home during the past week.

Mr. Leon Trux and two children, of Dunkin, Mr. Thos. Shufelt, and Miss Frances Shufelt, of Farnham, Mr. A. S. Kathon, of East Farnham, and Miss Lucia P. Kathon, of Lawrence, Mass., were at "The Highlands" on Sunday.

Mrs. Wm. Barry, of East Dunham, Mr. E. L. McCrum, and children have been visiting their father, Mr. M. E. Bullard, and sister, Mrs. Ernest Hayes.

Mr. Arthur Devlin and family, of West Bromie, were at Mr. Wm. Bowbrick's on Sunday.

Miss Gratton and Miss Poulson, who have been at "The Highlands" for several weeks, have returned to their respective homes in Montreal. The sad and sudden death of Mrs. Cliff Beattie, which occurred on Friday, was a shock to the community and her many friends. Deceased, who was apparently in good health, worked in her garden, and when she went to the house complained of a headache and laid down to rest. After an hour her daughters went to her room and found her unconscious, and she passed away in a few minutes. The funeral took place on Monday morning at West Sherford. Mrs. Clara Shufelt and Master Freddy Walker were recent guests at Mr. C. F. Shufelt's.

LUMBER BEING GROWN BY THE HARVARD BOYS

Woodland Owners Can Get from the University's Forestry Department in Petersham, Mass., an Object Lesson in Profitable Management of Their Lands and Lumbermen.

BOSTON, Mass.—Anyone who is interested on the practice of forestry, either theoretically or practically, and especially anyone who owns woodland in this section, should plan to spend a holiday in a visit to the Harvard Forest at Petersham, Mass. It is a delightful trip from anywhere to that Northern Worcester County upland country where the valleys are seven or eight hundred feet above the tide, and the hills and ridges from eleven to fourteen hundred feet up. The Harvard Forest is in no sense a public picnic ground or park, but it is a place that has a thought for the future wellbeing of the woodlands of the Commonwealth a visit to this forest would be an altogether heartening inspiration. Time was when, if one wanted to see a forest that was being run on a business basis according to the standards of a professional forester, he had to go to Europe. There have always been plenty of successful lumbering jobs at home, but such undertakings have nothing in view beyond the financial returns of the hour. The future of the cut-over land seldom, if ever, concerns the average logger. At Petersham Harvard University's Forestry Department is conducting a lumbering business on its own lands and successfully, but in such fashion that, barring some unusual calamity, the continuous annual prosperity of that business is practically assured.

The record of the first ten years of the forest's administration has now been made available through an admirably clear and concise report by Prof. Richard T. Fisher, who has been its director from the outset. Money making is not the object with the manager of this forest, but he does aim to show and to prove that in such a region as this, where good markets for lumber are available and where a variety of valuable tree species thrive, profitable lumbering may be carried on in perpetuity. Plainly professional skill, such as Prof. Fisher and his aids have shown in the handling of the Petersham property, is an all important factor in contributing to the success of such an operation. There is no lure in this business for the fellow with "get rich quick" ideals. What someone has termed "limousine profits" are not made in undertakings of this nature. It is shown that Massachusetts trees and soils are capable of producing the kind of lumber that the local industries require in ever increasing quantities, and that, skillfully handled, this growing of forest crops can be made to yield a reasonable return—not merely once in a while, but steadily year by year.

Their Forest Capital. When the Petersham land came into the possession of the university there was a growing forest some seventy years old, and largely of white pine, covering the major portion of the two thousand acres. A stocktaking showed a total merchantable material. A study of the various conditions, including market requirements, led to the conclusion that 250,000 board feet a year could be cut safely. Theoretically the possible yearly harvest would have been as high as 330,000 board feet, but the management preferred to accept the more conservative figure and for ten years it operated upon that basis. After conducting a satisfactory lumber business for that period it finds that its cut-over areas have been successfully replanted; that plantings on open land have added one hundred and fifty acres to the forest area, and that the growing stock is two million board feet greater than at the beginning. Upon that basis the yearly yield is figured to be 380,000 board feet today, exclusive of cordwood.

Meantime markets have widened. Certain kinds of hardwood trees which were unsaleable except as firewood in the beginning are now in steady demand as lumber at attractive prices. At the outset, too, the management was handicapped through the necessity of discovering by practice the best methods to apply in the cutting and reproduction of the forest. As Prof. Fisher states, "there were no tried methods of silviculture known or available." Various approved European systems were experimented with until a scheme was developed that was adapted to the local natural and economic conditions. Under the plan adopted it is possible to control the future growth on the cut-over tracts, partly through the method of cutting, and partly by after treatment. The report explains this system in some detail. In brief the aim is not at pure pine forests such as have been so widely favored in attempts at reforestation in this region, but to secure a stand of mixed pine and hardwood. To quote Prof. Fisher's own words: "The main feature of the problem is the handling of the young wood so as to get the utmost percentage of pine in the mixture, and at the same time to take full advantage of the best of the hardwood reproduction."

COWANSVILLE NEWSY NOTES OF INTEREST

Memorial Service Held in Congregational Church—Children's Sunday Was Observed.

COWANSVILLE, Que., May 30.—Sunday, May 28th was observed as Children's Day at the Congregational Church and a programme of songs and recitations was rendered by the children of the Sunday School, who had been trained by Mrs. Alexander and Miss Scott. The church was decorated with flowers, and it was a very happy occasion. The pastor thanked the kind friends who kindly contributed a table and a dozen chairs for the primary department, and he also expressed the hope that a rug would be forthcoming for the use of the members of the cradle roll. In the evening the Sunday School pupils again occupied the front seats and repeated some of the songs of the morning.

Sunday afternoon the members of Restoration Lodge held their annual Church parade and service in the Congregational Church, Rev. J. L. Alexander being the preacher. Visitors were present from Granby, Frelighsburg, Farnham, Dunham, and other surrounding towns, bringing their marching strength up to one hundred. There were present also about twenty-five Rebels. During the service the choir rendered an anthem, "I will lift up mine eyes," and Mrs. Bartington, Sr., sang a solo. Rev. Mr. Alexander took as a basis for his remarks the story of David and Jonathan, whose souls were knit together in the bonds of friendship. This service, said the preacher, was held for a three fold purpose, to worship God, to honor the dead, and to stimulate friendship. True friendship, it was stated, knew no barriers of station, culture, or creed, for when soul answered to soul our joys were doubled, our sorrows divided, and the best characteristics developed. The sermon concluded with the statement that the great need of humanity was a better sense of the presence of God, the true friend of man, the One who would urge us on to nobler actions and the attainment of high ideals. The offering was for the benefit of the Hospital at Swetsburg and amounted to \$26. Brother Walter Mandig, N. G., conducted the memorial service. Two laurel wreaths were laid on the Communion table in honor of Brothers Gordon Foster and Richard Russell, killed in action during the Great War. The names of members who are buried in the Union Cemetery were read by the secretary, Fenton Douglall, and are as follows: Jas. Macintosh, Jole Taylor, James Grant, Bertram Robb, Dr. Cedric Cotton, Dr. John Lauder, George Johnston, Rev. A. Main, and Mrs. John Foster. After the service the procession was reformed and all proceeded to the cemetery and a laurel wreath was reverently laid on the grave of each member. The Rebels, led by Mrs. Miltimore, officiated at the grave of Mrs. John Foster. It was a beautiful and impressive service and brought tender memories of the departed, some of whom passed away during the past year.

Next Sunday being Methodist Conference Sunday there will be union service in the Congregational Church in the morning and in the Methodist Church in the evening beginning at 7:30 o'clock. Kelvin and Byron Johnston, who have been attending Feller Institute, Grande Linge, have returned home for the holidays. Rhett Ford, a former pupil, attended the closing ceremonies. The District of Bedford Wool Growers Association will take in wool at Cowansville on Thursday, June 1st and at Knowlton on Friday, June 2nd. Mrs. Hulse, who has been visiting her mother, Mrs. Charles Steele, for the past few weeks, returned to her home in Toronto on Saturday last. Mr. Henry Cotton, of Montreal, was a week-end guest of his parents, Mr. and Mrs. W. S. Cotton. The grounds around Trinity Church Hall are being raised and otherwise improved.

SHERBROOKE CLUB MEETS TONIGHT

A special meeting of the Sherbrooke Football Club has been called for this evening at 7.30 p.m. in the Y.M.C.A. Matters relative to coming events will be discussed and the team chosen for tomorrow's game against Garrison.

SHERBROOKE vs. GARRISON TOMORROW

Tomorrow evening, Sherbrooke will line-up against Garrison United in a scheduled fixture of the I. O. D. E. Shield. This promises to be a very interesting game and games between these two teams always create considerable rivalry. In a league fixture, played earlier in the season, Garrison United won by a score of two to nothing. The last few weeks has shown a tendency, on behalf of the Garrison, to drop away from that invincible form they were displaying earlier in the season. The team is, however, far from discouraged and is still confident of getting back to the top of the League.

A number of cup competitions are also open for competition and the Garrison team anticipates a fair share of same.

UNITED LOST TO FAIRMOUNT

The Fairmount Football Club continued its run of success last night when it defeated the United, a newly organized club, by a score of six to nothing. The scorers for Fairmount were: Pearson (3), Grimes (2) and Joiner (1).

RICHMOND SURPRISED GARRISON UNITED

Garrison United went to Richmond on Saturday on a propaganda trip but they returned more fully convinced than ever that they used excellent judgment when they signed on three of Richmond's players. These players naturally lined up with Richmond on Saturday and Garrison were forced to put in three substitutes.

A PRETTY KEEN GAME ENSUED

The final score found Garrison at the wrong end of a 3 to 1 tally. This win is a very creditable one for Richmond who recently gave Lennoxville a severe beating.

SHERBROOKE ARE DUE TO GO TO RICHMOND

Sherbrooke are due to go to Richmond next and they will certainly leave nothing to chance but will take along their best team. It looks certain that Richmond will be in higher circles next season.

GARRISON AT FULL STRENGTH TOMORROW

The team to represent Garrison in the I. O. D. E. game against Sherbrooke tomorrow evening, as follows: Garrison — Goal: A. Loughheed; Backs: Prinn and Matthias; Halves: E. Prinn, A. Jones and P. Hatch; Forwards: Mitchell, Croft, Campbellton, Graham and Bennett.

GIBBONS PUT MARTIN AWAY

(Associated Press Despatch.) LOUISVILLE, May 30.—Tommy Gibbons, St. Paul, knocked out Sailor Martin of New York, in the second round of a scheduled 12 round bout here last night. Gibbons weighed 172 pounds and Martin 178.

THOMAS SCORED KNOCK OUT

(Associated Press Despatch.) QUEBEC, May 30.—Jack Kid Thomas, of Montreal, knocked out Dusty Dumont, of Biddeford, Maine, in the fifth round. Kid Mitchell, of Quebec, outpointed Frank Provencher, of Three Rivers, in ten rounds.

LEONARD TO MEET BRITTON

NEW YORK, May 30.—Final arrangements were completed yesterday for the Leonard-Britton bout, a twelve round contest, which will be held in the Jersey City Bowl on June 23rd.

DEFEATED BRITISH TITLE HOLDER

(Associated Press Despatch.) LONDON, May 30.—Crisqui, featherweight, defeated Joe Fox, the British champion, in the twelfth round of their scheduled twenty round bout here last night.

ANNUAL OF Y.W.C.A. HELD YESTERDAY

Reports Submitted and Officers Elected—Deficit Is Shown for Year.

The sixteenth annual meeting of the Y. W. C. A. was held in the Assembly Hall on Monday afternoon, the president, Mrs. Jones in the chair.

After scripture reading and prayer the minutes of the last annual meeting were read and adopted, followed by the treasurer's report, which showed that the public department had closed its books with a balance in the bank, while the house department had a deficit of only about \$400, the amount still owing on the coal bill.

A very encouraging and helpful address was given by Dr. G. E. Read, touching upon the various phases of Y. W. C. A. work and specially emphasizing reasons why the Association should look forward hopefully to years of larger service for the young womanhood of the city.

The president commented upon the work of the past year and the outlook for the future, after which the election of Board members took place.

The general secretary's report was in part as follows: "The year just ended has not been the most successful in the history of the Association, neither has it been our most difficult year. It has been, on the whole, just an average year."

"Owing to the resignation last month of our superintendent, Miss Coleman, who for almost seven years has managed the home so successfully, a very full report of the work of her department cannot be given. Since last May, we have had 117 transients, more than double the number of the previous year, and 2,910 meals have been served to table boarders alone. It is very gratifying to know that in spite of many difficulties we end our year with all liabilities covered except the coal bill, half of which has been paid."

"It means much to our public work that we are able to rent the Y. M. C. A. gymnasium and swimming pool one night each week without which our physical work would not be possible. With an enrollment

which Leonard will defend his title. This match will be held at Jersey City.

The date was announced as Thursday, July 20th. Articles for the championship match were signed at a conference between Rickard, Phil Glassman, Tandler's manager and Billy Gibson, manager of Leonard.

Rickard refused to make known the details of the financial arrangements.

THE MONTREAL CATTLE MARKET QUOTATIONS

(Associated Press Despatch.) MONTREAL, May 30.—Dominion Live Stock report.

Receipts of live stock on the two markets this morning were light, amounting only to 70 cattle, 374 sheep and lambs, 568 calves and 751 hogs, and a few additional loads expected early in the day. The cattle offered consisted largely of milkers, common dairy cows, canners, heifers and bulls. Prices steady. Calves were in demand and prices were firm. Good milk-fed calves brought from \$7 to \$8, and medium ones from \$6 to \$6.50, common thin drinkers from \$5 up. A few good light sheep brought \$6.50, but the bulk of sales of good ones were made at around \$6. Common thin sheep from \$3.50 up.

GOLF

MISKE EARNED DECISION

(Associated Press Despatch.) NEW YORK, May 30.—Billy Miske, of St. Paul, received the judges' decision in a slow ten round bout here last night with Bob Roper of Chicago.

GOLF MATCH IS NOT YET COMPLETED.

The results of the games played in the Presidents and Vice Presidents match at the St. Francis Golf Club showed that each team had succeeded in winning five points, but as several of the matches were not played off the committee has decided to allow the players a little extra time to complete their matches. Scores should be handed in to the President or Vice President upon the completion of the match. The time allowed the members to play off their matches is until Saturday evening. The final will be announced the next Monday.

WILL AGAIN GO AFTER BRITISH TITLE

(Associated Press Despatch.) NEW YORK, May 30.—The professional "golf triumvirate" of the United States, Jim Barnes, Walter Hagen and Jock Hutchison, will carry the battle to England's links again this year in the open championship at Sandwich, on June 22nd and 23rd.

They will participate in the tournament at Glen Eagles and propose several events preliminary to the open meet.

It will be the third attempt by Barnes and Hagen to carry off the British title.

Members of American Legion and French People Place Flowers on Graves.

(Associated Press Despatch.) PARIS, May 30.—The forty thousand United States war dead buried in France were visited by groups of their comrades today, the fourth memorial day since the guns ceased firing along the battle line.

Most of the bodies have been gathered in the six permanent war cemeteries. To each of these places numbers of the American Legion and representatives of the French people today took flowers.

of sixty-eight members in the gymnasium classes, the Senior class conducted by Mr. Ralph Smith and seventy-one in swimming with the Misses Genge in charge of beginners, during the summer months, we feel that a worth-while service has been rendered the girls and young women of the city.

"Our Maple Leaf Club which has been in existence for a number of years, continued to meet during almost the entire season but having lost many of its members by removal from the city, it finally disbanded, voting the balance of cash in the bank to the Association for furnishing purposes. Several of the members, however, not wishing to give up the work entirely, continue to meet weekly, their special work being the making of large bandages for the hospital. They are indebted to Miss Hetherington for demonstrations in bandaging and for talks on home nursing."

"The Sunbeam Club, girls under ten years of age, completed several scrapbooks and nightgales for the children's ward at the hospital and began work on a complete outfit of dolls clothes."

"The fancy work class, which was fortunate enough to secure Miss Moe as teacher, and the dressmaking class, have done very good work."

"First Aid and home nursing classes were conducted by Mrs. Jones, every member passing the final examinations very creditably."

"The Y. W. C. A. Immigration Port Secretaries send to us constantly names of girls coming to Sherbrooke and in order that they may be welcomed and in a measure Canadianized, they are visited and invited to identify themselves with our Churches and the work of this Association. Eighteen young women, all from the British Isles, arrived during the year, some of whom, however, did not remain in Sherbrooke, some came to friends and of the others who were entire strangers here, several joined our classes."

"Our lecture hall and parlor have been used by six other women's organizations for committee meetings and conferences. Ours is a woman's building and we are glad to be of service in this way."

"Before closing our report we would thank most cordially those who in many ways have manifested their sympathy with and interest in our work. The clergy of the city Churches and the friends who have so kindly contributed to the program at musical and song services and to the Daily Record for publication given to our work from time to time."

PRISONERS AT SWEETSBURG TRY TO ESCAPE

Miniature Mutiny Subdued — Turnkey Assaulted.

Quietness again prevails at the Sweetburg Jail following the miniature mutiny experienced a couple of days ago, when the prisoners were driven back to their cells at the point of a revolver.

There are about ten prisoners in the Sweetburg jail, and at about 8 o'clock in the evening they were being conducted to their cells by the turnkey, Mr. Vigeant, when two of the prisoners jumped on him and pummeled him rather severely, while the other prisoners looked on without comment.

Mr. McCabe, the governor, who has been confined to bed for the last couple of months, owing to illness, heard the turnkey's cries and managed to crawl downstairs. He crept along the passage and arrived just in time to find that the prisoners had taken the keys from the turnkey and were preparing to open the main door, the only obstacle between prison and liberty.

Brandishing his revolver, Mr. McCabe threatened to shoot the first man who stirred, and the prisoners hurriedly retreated, arms held up high, to their cells.

Mr. Vigeant, the turnkey, was rather badly hurt about the head and one hand was badly torn, but he has since been able to resume his duties. It is quite likely that charges of mutiny, assault and attempt to escape will be made against the two prisoners who appeared to be the ringleaders. The next session of the Court will be held at Sweetburg on June 9.

The two prisoners in question are both serving sentences for larceny, and their sentences were due to expire next month.

CARGO STEAMER WAS RAMMED BY A FREIGHTER

Six Firemen Were Killed and Three Injured—Steamer Welsh Prince Sank Within Thirty Minutes.

PORTLAND, Ore., May 30.—Seven firemen asleep in the forecastle of the Furness-Prince Line's 2,322 ton cargo steamer Welsh Prince were killed and three injured late last night, when according to meagre reports, that vessel was rammed by the freighter Iowan in the Columbia River, off Astoria, Washington.

The Welsh Prince sank within thirty minutes and the Iowan, a 6,547 tons freighter, operated by the American-Hawaiian Steamship Company, was sinking in Haslowe Harbor, according to reports.

STRONGER TONE RECORDED ON WALL STREET 'CHANGE

(Associated Press Despatch.) MONTREAL, May 30.—Consolidated Smelters featured the early trading on the local stock exchange this morning, a great number of shares changing hands at 24½, the highest point reached for many months.

Bell Telephone was up a quarter at 110½. British Empire Steel common advanced a half to 13, as was also 2nd Pfd. at 34½. Laurentide registered an advance of a point to 87.

The other leaders were firm, and the general trend of prices was towards high levels.

After a day or two of somewhat marked dullness the local stock exchange blossomed forth into activity this morning in spite of the fact that New York was closed.

The iron and steel stocks were the leaders in the trading. Smelters became unusually active and quite a large turnover took place during the forenoon at prices well in excess of 24. The market for this stock ranged upward and ran close to 25. In the strictly iron and steel stock, Steel of Canada was active and rose to 26, but the British Empire Steel Corporation stocks attracted most attention.

The turn-over in the common was larger than usual and the price rose to better than 13. The second preference was the feature being more active than at any time for many months and at the same time being stronger. The price of this stock rose almost to 36. Even the first preference came into prominence and rose to 76.

Cement participated in the strength going to 68. Among the public utilities Brazilian was the leader. The price showed no change, either in this stock or Quebec Railway, which latter was the only other public utility issue traded in to any particular extent.

Sugar was fairly active and strong. The rest of the market was somewhat neglected. Very little trading took place in the pulp and paper issues and the price changes throughout this list were negligible.

EXPORT TRADE TO BRITAIN IS HOLDING WELL

Canada Still Importing More from U. S. and Britain than She Is Exporting.

(Associated Press Despatch.) OTTAWA, May 30.—Canada is still importing more from the United States than she is exporting to that country, and still exporting more to Great Britain than she is importing thence, according to the latest trade returns published by the Dominion Bureau of Statistics. These figures cover the twelve months ending with April.

During that period Canada imported from the United Kingdom goods valued at \$111,375,000 and exported goods valued at \$294,555,000, to that market, while imports from the United States were \$507,406,000 as compared with exports of \$286,430,000.

As the total foreign trade has been falling rapidly, there is a falling off in all these items, but the export trade to Great Britain is holding much better than exports to the United States or than the imports from either country. The decline in the exports to the United Kingdom for the twelve month period ending April, as compared with the figure for the year ending with April 1921, was only about eighteen million dollars, while Canadian exports to the United States fell off more than \$25,000,000 for the same period. In imports the falling off from the Un-

INTERESTING RACE FOR HOME RUN LAURELS

Ken Williams Tied with Rogers
Hornsbey—Yankees Had One
Big Inning.

(Associated Press Despatch)
NEW YORK, May 30.—One big
inning, the seventh in which the
Yankees plastered Harris and Moore
for eight hits and seven runs, was
enough to down the Philadelphia
team by a score of 7 to 4, in the
first game of the series here yester-
day.

Ruth recovered his batting eye to
the extent of two singles, but the
only home run offering of the after-
noon was one by "Bing" Miller, of
the Mackmen, his twelfth of the sea-
son.

Ken Williams, of St. Louis, wal-
loped out his thirteenth circuit blow,
keeping his lead over Miller, in the
American League race and tying
Rogers Hornsbey, of the St. Louis
Nationals, for the Major League
honors. The Browns hit three Tiger
pitchers hard and won 9 to 6.

Erickson turned in a two hit shut-
out for Washington against Boston
in the first game of a double head-
er, but the Senators were outslugged
by 9 to 8 in the second.

Schupp's willingness and an error
by Mulligan cost the White Sox an
8 to 5 game to the Indians.

Parkinson's home run drive scored
two runs in the eighth and checked
the Giants winning streak, Douglas
being driven from the mound.

Cruise's homer gave Boston a
winning margin over the Dodgers.
Pinch hitter Mitchell hit one over the
fence in the ninth for Brooklyn with
one on.

The Pirates drove Donohue from
the box and trimmed the Reds by
5 to 2.

Turner's triple and Heathcote's
sacrifice fly enabled St. Louis to beat
the Chicago Cubs in the tenth by 5
to 4.

Ainsmith cracked out his eighth
home run for the Cards.

RECORD PRICE PAID BY WHITE SOX

(Associated Press Despatch)
NEW YORK, May 30.—The sum
of one hundred thousand dollars, to-
gether with two players valued at
twenty-five thousand dollars, re-
ported as the price the Chicago Am-
erican League Club has agreed to
pay the San Francisco Club of the
Pacific Coast League for infielder
Willie Kamm, equals the high record
established last December by John J.
McGraw, manager of the New York
Giants.

ANOTHER VICTORY FOR RICH- MOND

RICHMOND, May 30.—The G. T.
R. team travelled to Warwick on
Sunday and were forced to play fif-
teen innings before winning by the
score of 3 to 2. Pellerin did some
great twirling for G. T. R., and dur-
ing the game acquired seventeen
strike outs, besides making the hit
which, with the aid of a wild throw,
brought in Allard with the winning
run. Pellerin is making a record
for himself, having allowed only

three earned runs in five games and
struck out fifty-seven batters. The
rest of the team is also going good
and it is to be hoped that games will
soon be obtained with some well
known semi-pro nines. Latarte, of
Warwick, struck out seven men and
received good support throughout
the game.

Victoriaville G. T. R.'s ancient ri-
vals, will play here next Sunday.

Score by Innings:
Richmond 020 000 000 000 001—3
Warwick 002 000 000 000 000—2
Batteries—Pellerin and King; La-
tarte and Chatel.

CANADA LEAGUE RESULTS

(Associated Press Despatch)

MONTREAL, May 30.—The re-
sults of the Canada Baseball League
games yesterday are:

At Montreal—Valleyfield 9; Mont-
real 11.

At Three Rivers:—Ottawa 5;
Three Rivers 5. Called, darkness.

PORTLAND TEAM MAY COME

Owing to the difficulty in secur-
ing good teams during the early
part of the season, due to the fact
that baseball only commences seri-
ously during the first week in June
around Newport, St. Johnsbury and
other points in the northern States,
the management has opened negotia-
tions with Portland, Me., to come
and play here in the very near
future.

Portland possesses one of the best
teams in the minor league in the
States and only three weeks ago, with
Stewart on the mound, they defeated
the Chicago White Sox in an exhibi-
tion game.

The local boys are hitting pretty
well just at present and the team
possesses a very capable pitching
staff. Thormahlen was called back
home last night owing to illness in
the family but he is expected back
within a week or so.

Some of the locals fattened their
batting averages at the expense of
St. Johnsbury. On Saturday, Savage
pleased his friends by coming across
with three hits out of four times at
bat, Andy Jenkins, Pete Landry and
Shy Kennison each getting two hits.

In the second game, Shy Kennison
had four hits in five times up, a fea-
ture which was duplicated by Ralph
Jenkins. Shy got one home run and
Ralph got two. Jenkins came very
near making it five hits in five times
up for although he got to third in
the seventh on a hit to right field,
it was a bad error on the fielder's
part, the latter dropping a fairly
easy fly. Jenkins incidentally scored
five runs. H. Landry got three
hits with Pete contributing two.

The Indians, one of the crack teams
of Montreal, will be here on Satur-
day afternoon only. They are due to
play in Montreal on Sunday and are
unable to extend the series. The
locals had some excellent games with
Montreal teams last year and showed
that they were fully equal to any-
thing the Metropolis could produce.

Y. M. C. A. NOTES

JUNIOR BASEBALL LEAGUE

Last night in their scheduled game
with the Beavers the Indians played
a great game and got out ahead by
a score of 20 to 4. All the Indians
scored, with Ranshouhan and Can-
non getting three runs each. The
Beavers started off very well getting
one run in the first and three runs
in the third, but couldn't add an-
other tally right through the game.

The line-up:
Indians:—Ranshouhan, Blue,
Watson, Echenberg, Stocks, Cannon,
Dean, Cook and King.
Beavers:—Holtham, Costley, Hether-
ington, Soles, Stubbs, Sangster,
Cook, Barrie and Blue.

PRESENTATION OF TROPHIES FOR THE BOWLING LEAGUES

Owing to unforeseen difficulties,
the presentation of trophies in the
Industrial, Bankers and Inter-
Church Bowling Leagues was delay-
ed, but arrangements are almost
completed for presentation on Thurs-
day evening at 7:00 o'clock. The
Hon. President of each League, it is
hoped, will be on hand to present the
different trophies.

LEWIS TAKES CASE TO COURT

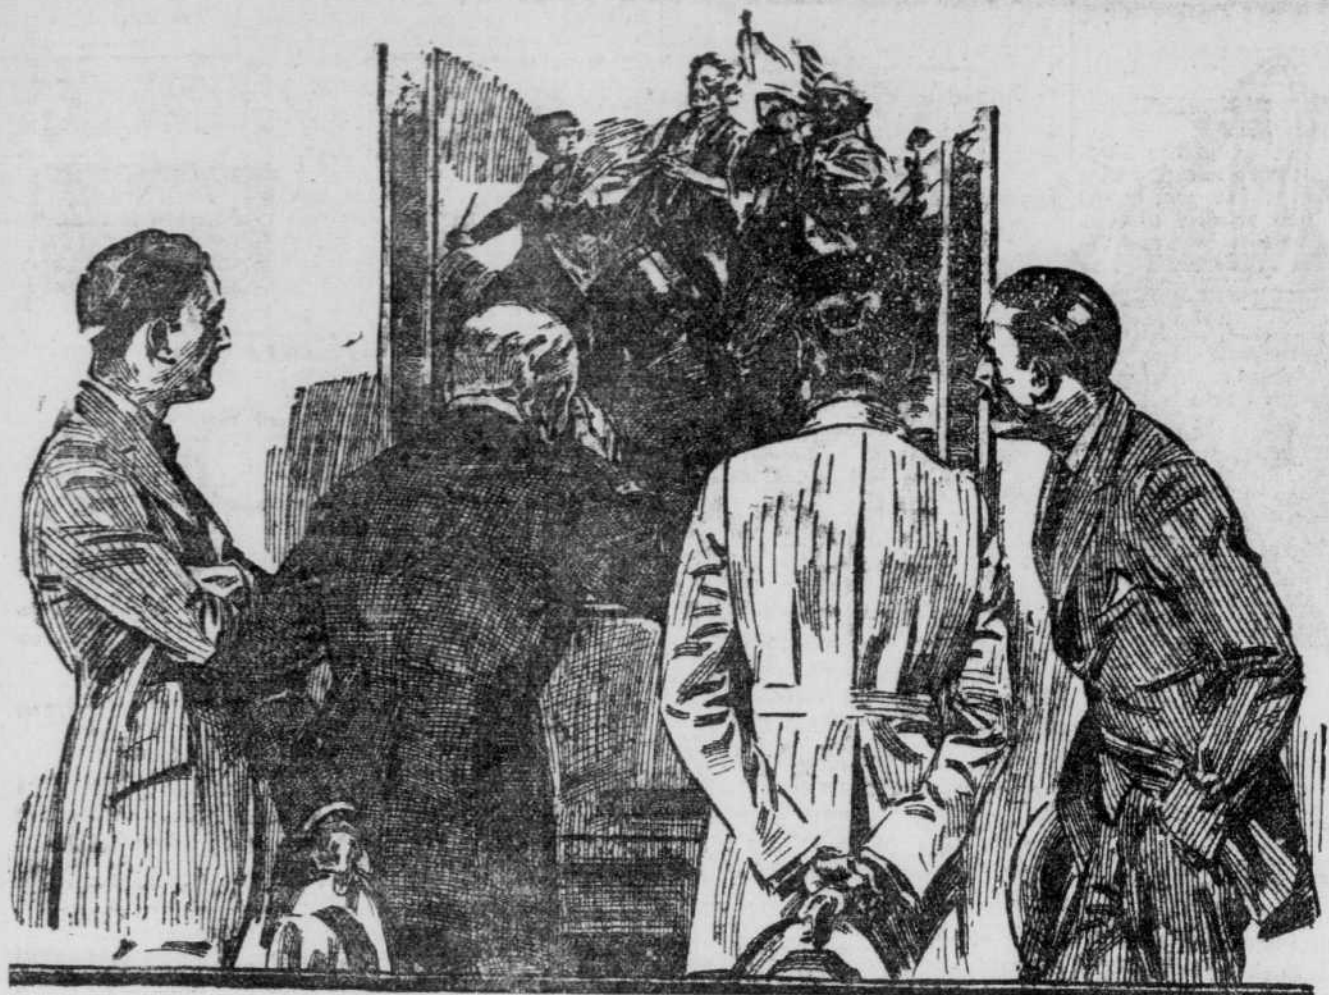

(Associated Press Despatch)
LONDON, May 30.—Another con-
test has been arranged between Ted
Lewis and Georges Carpentier, says
the Daily Mirror, the arena this time
being the Law Courts.

The English pugilist has entered a
suit for libel against the publishers
of Town Topics and Carpentier for
an article in that publication on May
19th, under the caption:
"What I think of 'Kid' Lewis."
The authorship of which was attrib-
uted to Georges.
