Festival breaks up in riot

NEWPORT, R.I. — (AP) — The colorful Newport jazz festival, disrupted when thousands of clamoring youths touched off riots Saturday night, plans to sue the City of Newport for \$4,000,000.

The city council declared a state of emergency Sunday and revoked the festival's entertainment licence. The action cancelled performances for Sunday night and today. An estimated 12,000 youths swarmed into the city Saturday night. When they couldn't get into the already-packed festival grounds, many turned on police, using bottles and beer cans for weapons.

Local officers aided by firemen, state troopers and 50 marines from the Newport naval base finally restored order early Sunday.

STREETS LITTERED

Streets of this onetime stronghold of society were left in a litter of smashed glass, trampled cans, tear gas canisters and other debris.

Festival president Louis L. Lorillard put the blame for the outbreaks directly on the city. In a statement after Sunday's board meeting, he said city officials had frequent warnings there might be trouble but had neglected to act. He said the festival suffered financial loss and damages from the cancellations. The festival itself, he added, was blameless.

Festival producer George Wein noted the 15,000 jazz buffs attending the performance had remained orderly.

More than 100 persons were treated for bruises and cuts in the wake of the clashes. More than a dozen youths were arraigned on assault and revelling charges. Some 170 others rounded up in the melee were released with orders to get out of town.

Hope fades for airmen

BODO, Norway (AP) — Hope faded today for six crew members of the U.S. Air Force reconnaissance plane missing over the Arctic Sea as the search entered its third day.

The airmen would have spent more than 60 hours in the sea if the plane went down near the last known position — about 500 miles north of the Kola Peninsula in the Soviet Union.

Norwegian experts said that a man could live only 20 to 30 minutes in the sea in these waters, and even if the airmen managed to get into one of the dinghies their plane carried the period now passed would be too long for survival.

The search continued through the night with no results, and the Norwegian rescue centre at Bodo air base co-ordinating the operation said it would be continued as long as the U.S. Air Force thought it necessary.

Note heavy earthquake on British Columbia coast

BERKELEY, Calif. (AP) — A heavy earthquake, centred near Queen Charlotte Island on the British Columbia coast, was recorded on the University of California seismograph Sunday night.

The quake began at 9:32 p.m. PDT (1:30 a.m. ADT today) and lasted two hours. Dr. Don Tocher, University of California seismologist, reported.

Queen Charlotte Island is some 400 miles north of Vancouver.

4 die in Italy

Crucifix struck by lightning bolt

CUNEO, Italy — (Reuters) — Four persons, including two priests, were killed and 20 injured Sunday when lightning struck a huge metal crucifix protecting them from a storm.

The lightning struck minutes after the 40-foot crucifix on top of nearby Costarossa Mountain had been inaugurated at a mass attended by hundreds of faithful. A policeman said: "It was like a scene from hell."

"Huge flames shot from the crucifix as the lightning struck. The air was filled with an acrid smell from the smoking metal. People ran in all directions, many covered with blood."

"Others fell to their knees to pray. There were people lying everywhere on the ground."

"The four bodies seemed huddled around the foot of the cross."

CHILD, STUDENT KILLED

Besides the priests, a 10-year-old child and a student were killed.

Most of the inhabitants of the

nearby village of San Giacomo di Boves had climbed the slopes of the 7,884-foot mountain to attend the mass, celebrated by Archbishop Guido Tonetti of Cuneo.

The crucifix replaced another recently destroyed by vandals.

As the mass ended, heavy rain started falling. Some of the crowd sheltered in a tent set up by boy scouts. Others huddled under the crucifix.

Suddenly, there was an explosion. Those in the tent rushed out to see the smoking crucifix surrounded by persons writhing on the ground.

Big policemen in compact cars

PHILADELPHIA (AP) — A city like Philadelphia needs big policemen to handle big crimes and compact cars to get through heavy traffic.

But . . .

When the city recently put on 100 compact patrol cars complaints poured into headquarters from tail policemen.

They said they were bumping their hats in the small cars.

Sunday Police Commissioner Thomas J. Gibbons issued this directive: Policemen may ride in the compact cars without their hats, but they must put them back on when they get out.

3 youths break out of Pen

DORCHESTER, N.B. (CP) — Three young prisoners who escaped through the floors of their cells from the federal penitentiary here early Sunday were still at large early today.

Police extended their search for Frank Alfred Klare, 27, of Toronto, Gordon Mathews, 25, and Lewis Joseph Roy, 22, both of Saint John, N.B. throughout five eastern provinces and several New England states.

The trio escaped by lifting chunks of flagstone from the floors of the cells, dropping into a basement and smashing through a door into the exercise yard. They then made their way across the yard and scaled a 15-foot wall, prison officials said.

RCMP figured the three were at large for six hours before they were notified. The escapees are believed to be travelling in a light blue sedan stolen in this town near the Nova Scotia border at about 2 a.m. EDT. Prison officials discovered the prisoners missing at 9 a.m.

Klare, transferred to Dorchester from St. Vincent de Paul penitentiary in Montreal, had served more than four years of a 10-year sentence for armed robbery.

Mathews had served one year of a two-year sentence for obstructing a police officer, and Roy had served one year of his seven-year sentence for breaking, entering and theft.

Vancouver fire levels 5 blocks

VANCOUVER (CP) — Firemen stood guard early today over the smouldering ruins of Vancouver's worst fire this century which caused more than \$2,000,000 and levelled five blocks in the city's industrial False Creek district.

Twelve firemen and three civilians suffered minor injuries during the blaze and were treated at hospital, then released.

At the height of the five-alarm inferno every available man of the fire department's 450-man force and all available equipment were at the scene.

Living cost up slightly

OTTAWA (CP) — Higher consumer prices, especially for fruits, vegetables and meats, pushed Canadian living costs up slightly during May, the bureau of statistics reported today.

The consumer price index climbed by one-fifth of a point to 127.6 on June 1 from 127.4 on May 1. It was only the second monthly rise in the last seven months, a period in which the index has generally declined from its peak of 128.3 last Nov. 1.

Quebec is second with 29 fatalities

By THE CANADIAN PRESS

Canada chalked up the worst weekend accident toll in its history during the three-day Dominion Day holiday weekend.

The count of at least 112 dead topped the previous high of 111, set during the Dominion Day period of 1958 when a Tuesday celebration stretched it to a four-day weekend for many holidaygoers.

Carnage on the highways claimed 57 lives across the country and water mishaps killed 41, a Canadian Press survey showed. Another 14 persons died in accidents other than on the roads and water. The count began at 6 p.m. local times Thursday and ended at midnight Sunday.

The highway toll topped the 50 deaths predicted by the Canadian Highway Safety Council.

TOLL BY PROVINCES

The province-by-province toll with traffic deaths in brackets: Newfoundland 3 (1); Nova Scotia 5 (1); Prince Edward Island 0; New Brunswick 2 (0); Quebec 29 (14); Ontario 41 (24); Manitoba 14 (7); Saskatchewan 2 (0); Alberta 6 (2); British Columbia 13 (8).

Thirteen of Ontario's accidental deaths were by drowning. Quebec reported 12 drownings. British Columbia four, and Manitoba and Nova Scotia three each. Newfoundland, New Brunswick and Alberta each had two drownings.

The 14 other deaths included two tractor accidents, one each in Ontario and Quebec. A man was crushed beneath the wheels of a fairground ride in Manitoba. A sky diver fell to his death in British Columbia when his parachute failed to open and a girl in Saskatchewan was strangled by a swing rope.

The survey includes deaths in holiday weekend activities including driving, swimming and boating. Industrial or criminal deaths are not counted.

Algerians back out of talks

TUNIS (AP) — The Algerian Nationalist government in exile said today that in present circumstances it would not be opportune to send a cease-fire mission to negotiate with France.

The rebel communique was issued after weighing the report of a preliminary mission sent to France to determine conditions under which rebel Premier Ferhat Abbas would be received by the French.

The communique said the departure of Abbas for Paris at present "could not contribute to the solution of the problem."

The communique indicated that a second lower-level mission might be sent to make further contacts with the French.

Claims convention is rigged

WASHINGTON (AP) — Has the Democratic national convention that opens a week from today in Los Angeles been rigged in favor of Senator John Kennedy of Massachusetts?

Former president Truman says it has. National chairman Paul M. Butler says it hasn't.

Senator Lyndon B. Johnson of Texas, a main rival of Kennedy for the presidential nomination, agrees with Truman. Governor Leroy Collins of Florida, the convention's permanent chairman, says the rigging charge is not true.

Kennedy arranged to fly to New York today from his summer home at Hyannisport, Mass., for a press conference to answer the charges Truman made Saturday. He is sure to deny strongly that the convention has been "pre-arranged" in his favor.

Johnson, in a radio-TV interview Sunday, said "I don't think it's any secret that the national chairman of all the members has been somewhat active in Senator Kennedy's camp. He no longer is really a judge, or impartial chairman. He is an advocate of Senator Kennedy."

Gene Fowler dies

LOS ANGELES (AP) — Gene Fowler, famed newspaper man, screen writer and novelist, died Saturday. He was 70.

His physician, Dr. Frank Nolan, said Fowler suffered a heart attack at his home and died minutes later.

Fowler, whose works included the celebrated *Good Night, Sweet Prince*, a biography of John Barrymore, lived in relative seclusion in recent years.

Late bulletin

LONDON — (Reuters) — A Russian tanker, the 19,500-ton Peking, which Moscow Radio said was heading for Cuba, was reported today to have collided in the Mediterranean with the Norwegian ship Rondefjell.

The report of the collision came from the British tanker *Eso Salisbury* which said it was standing by the two ships.

Moscow Radio had said the tanker was being prepared to run fuel to Cuba.

Oil and sugar

Pressure is telling on Cuba

HAVANA — (AP) — Some cracks are beginning to appear in the veneer of Cuban economic self-reliance despite the Castro government's declaration it can solve its oil and sugar problems "with the help of friends."

Pro-government radio stations said other markets would be found if the United States slashes imports of Cuban sugar, and made it clear they were referring to markets in the Communist bloc.

Congress Sunday gave President Eisenhower the power to put the economic squeeze on Cuba by fixing the Cuban sugar quota for the rest of 1960 and the first three months of 1961 "in such amounts as he shall find . . . to be in the national interest."

The Castro regime appeared to be running into trouble on contracts for refuelling of its planes on foreign bases, apparently because of unwillingness to part with scarce U.S. dollars of foreign exchange.

PLANE STRANDED

A spokesman for the government-controlled Cubana airline, while insisting flights were normal, conceded planes are flying between Havana and Miami carrying extra fuel for round trips to avoid giving up dollars for refuelling in Miami.

A Cuban airliner Sunday was stranded in Madrid, apparently by lack of fuel. The line has a

Barrette prepares to step down

By CUTHBERT JONES
(Record Staff Writer)

Premier Antonio Barrette meets with his fellow Union Nationale cabinet ministers today to make final plans for handing over the reins of office to Liberal Leader Jean Lesage whose party carried off 51 of the 95 seats in the June 22 provincial general elections.

Reports from Quebec indicate the 16-year rule of the Union Nationale will end either tomorrow or Thursday when Mr. Barrette will visit Lieutenant Governor Onesime Gagnon and tender his resignation and advise the Lieutenant Governor that Mr. Lesage appears the logical man to form a new ministry.

Although there has been much speculation as to the personnel of the new Liberal cabinet, Mr. Lesage has given no hint as to whom he will call for major portfolios. By tradition, no statement is given on cabinet membership until the new government has

less than this figure. Thus if

through some miracle 250 votes could have been taken from some UN candidate whose majority ran into thousands and placed in the right places, the Barrette forces would have elected 48 members to 46 for the Liberals.

Probably it was the hope that these 250 votes might be picked up on recounts that led Premier Barrette to indicate his intention of delaying his resignation as head of the Quebec Government.

But the Liberals also have a few IFs in their dictionary.

In Napierville-Laprairie, the judicial recount cut the majority of UN *Hercule Rindeau* over Liberal *Laurier Baillargeon* from 91 to 16 while in *L'Assomption* the lead of 12 given to UN *Victor Chartrand* over Liberal *Fredrick Coloux* on election night was cut to five by the judicial re-

count. Reports say contestation proceedings, alleging illegalities in the voting, may be entered in these two ridings.

THE UPPER HOUSE — When he takes office later this week, Premier-elect Jean Lesage may face the same difficulty Prime Minister Diefenbaker experienced in Ottawa — an Opposition-dominated Upper House.

With all its 24 seats filled, the Legislative Council contains only six Liberal members of whom two are in their sixties, two in their seventies and two in their eighties. With Robert Ness, of Howick, representing the Chateaugay division, who is 86, able to attend few, if any, the sittings owing to illness and with one of the Liberals being named speaker, who does not vote except in case of a tie, the

actual voting strength of the Government will be four to seven for the Liberals.

There is one independent in the Upper House, Hon. Raoul Gauthier, a former Liberal who voted with the Union Nationale regularly until announcing his independence three years ago.

Some speculation surrounds the position of Col. Oscar Gilbert, a Quebec City publisher and Liberal supporter for many years. Col. Gilbert announced his conversion to the Union Nationale cause upon being named to the Red Chamber shortly before the

OVERRULE IKE
WASHINGTON (AP)—Congress Friday swept aside President Eisenhower's veto and enacted \$746,000,000 a year in pay increases for 1,500,000 federal workers. The House of Representatives, acting first, voted 345 to 69 to override the veto. Then the Senate completed the overriding action by a 74-to-24 vote.

Show Business

By BOB THOMAS
HOLLYWOOD (AP)—Take it from Tuesday Weld, it's tough to be a living legend at 16.
"I've had the worst possible publicity," she says. "If I hadn't had the performances to follow up the publicity, I would have been dead professionally by now. Fortunately, I've been able to produce."
Besides producing performances, she is also working on a new conception of Tuesday Weld.
"No, I haven't changed," she declared. "I'm still doing the same things. But I'm doing them more quietly."
Her reputation as the jet-age version of Clara Bow and Lana Turner got out of hand.
SAME REPORTS
"All I had to do was show up at a party," she remarked, "and the net day it was reported that I (1) was dead drunk; (2) stayed until the next morning; (3) did something terrible. Even if I walked in and out of the party, the same reports would be printed."
"I didn't realize there were people in this town who were unscrupulous and would use you to promote their own interests. But I learned. Now I never will go anywhere that I am not sure I will know the people and what the affairs are about."
Tuesday admitted that part of the Weld legend was her own making. She was seen escorted by actor John Ireland, age 45.
"But John wasn't a date; he was a friend," she explained. "I don't place age limits on my friends. I wouldn't on my dates, either."

AA anniversary

Groups appeal to younger people

Within the past 25 years, AA members have, on the whole, joined the fellowship at an earlier age and before hitting rock bottom in the eyes of society.

"In the early days most of the members ranged from 40 to 55 when they came in. Now, they're between 35 and 40," said co-founder Bill in a message read by the local chairman of AA Saturday night at an open meeting held in the Sacred Heart School auditorium.

The gymnasium was well filled for the occasion, when two guest speakers, one delivering his address in English and the other in French, were featured on the program.

The Sherbrooke meeting was held to coincide with the worldwide silver jubilee celebrations being held in Long Beach, California, where one Sherbrooke member from the English group of AA, represented this district. More than 10,000 members and their families joined there in the three-day celebrations.

Interested persons came to the Sherbrooke meeting from far and near, including provincial dignitaries of the organization from Montreal.

"God grant me the SERENITY to accept the things I cannot change, COURAGE to change the things I can and WISDOM to know the difference," AA members must understand this prayer from which our organization gathers strength," guest speaker Annesley from Montreal said.

"First and foremost we must learn to keep sober for 24 hours at a time without the crutch of alcohol," he stressed.

Originally, the speaker pointed out, an alcoholic was believed to be on the level of a beast with one craving in life. He would die in an institution.

"Now, due to AA, alcoholism is considered to be a disease and alcoholics are respected if they do something about their disease," he said.

The speaker pointed out that it is believed that early environment has much to do with a person's alcoholic situation later in life, citing his own case as an example.

A student in private schools and colleges until the age of 21,

Annesley had never taken a drink until that time. Then, when pushed into the army, "I drank alcohol from the first to make up for the loss in my life," he said.

"I was an escapist, as all alcoholics are. Alcohol gave me the courage to go places I would not normally have been able to go," he admitted.

Finally, the Scottish-born millionaire reached AA one February night after walking through snow drifts in his bare feet.

"For the first time in my life I had real friends," he said.

"They helped me to grow stronger and stronger until finally I had the ability to think of others as well as myself. My security and peace of mind grew as I was asked to speak at meetings such as this one," he said.

Even non-alcoholics at the meeting were left with something to ponder when Annesley said that in his new way of life he realized that the other members of his family had money, but he would always be the millionaire of the family through the hundreds of new friends which he had made AA.

Now, taking their cue from the success of the 300,000 members of AA throughout the world, many other fellowships have sprung up with the same idea that people in similar serious fixes are best equipped to help one another.

Addresses teachers

Archbishop warns against federal education system

Most Rev. Georges Cabana, Roman Catholic archbishop of Sherbrooke, Saturday warned Quebec teachers against persons seeking to make education a federal rather than a provincial responsibility.

At a special mass for delegates to the annual convention of La Corporation Generale des Instituteurs et Instituteuses du Quebec, he said there have been continued efforts by certain groups to upset the present system.

"There are always those persons who work to take the direction of education away from our province and put it on a national basis. Your Corporation understands the problem and wants to conserve, while improving, the system which gives the minorities... their rights.

During the convention Abbe Jean-Marie Garant, Corporation padre, suggested action be taken

to end "the revolting disproportion" between salaries paid to men and women teachers.

In most areas of the province "the maximum salary paid to women is not as much as the men's minimum salary," he said.

The Corporation during the meeting approved a constitutional change to allow teachers at private Roman Catholic schools to become Corporation members. Before the change membership had been limited to teachers in Catholic public schools.

Hurt in garage blast

MANSONVILLE —

(Special) — One man was seriously burned and damage amounting to several thousand dollars resulted from fire which destroyed the Henri Marcoux garage in the centre of this Brome County community Saturday evening.

The blaze followed an explosion which occurred while Mr. Marcoux was using a sand blast on an automobile gas tank. The garage owner was taken to the Sweetsburg hospital suffering from second degree burns to the face, hands and neck.

A car belonging to Ralph George of Mansonville and a tractor were destroyed and the building was burned to the ground.

The Mansonville volunteer fire department, aided by firefighters from North Troy, Vt., did valiant work in preventing the spread of the flames to nearby buildings.

Teachers School at Bishop's

Teachers Summer School opened today at Bishop's University, with an initial enrollment of 24. The majority of these teachers are university graduates working for their Master of Education degree. The others are teachers who are completing educational requirements for the Protestant schools of Quebec. The school runs for six weeks.

Guest lecturers are Dr. Henry Bowers and Lloyd MacKeen.

Dr. Bowers is a former principal of Stratford Teacher's College in Ontario and is a well known author and editor of educational texts books. He will give two courses, one, Educational Research, and Atypical Children.

Mr. MacKeen is principal-supervisor at Knowlton High School. He will also give two courses, Supervision of Learning and The Elementary Schools.

The school will be in charge of Prof. J. D. Jefferis, his courses will be Principles of Guidance and Education in Quebec.

Pool dry until fence up

The Optimist swimming pool in Assumption parish will not be filled with water until a fence is built about it, Mayor Armand Nadeau announced at his press conference.

"We will not fill the pool until there is a fence about it because it would be too dangerous to have an expanse of water nine feet deep with nothing about to prevent the children from falling in at night," Mayor Nadeau said.

Council has decided to comply with a 43-name petition asking that the proposals of Town Planner J. C. LaHaye to turn Galt West and Short Streets into one-way arteries be dropped.

The Mayor said that a delegation is expected to visit the Council shortly and present a demand that all public works payable 100 per cent by property owners should be awarded by tender.

Mayor Nadeau explained that at present most public works payable 100 per cent by property owners are carried out by the city.

In the new proposition, the city would also be allowed to tender.

100 present at Vacation Bible School

Vacation Bible School was held at Grace Chapel on Montreal Street each morning from Monday, June 27, through Friday, July 1, with a daily average of nearly 100 children attending.

The children were divided into three age groups: Beginners, primaries and juniors. The songs, stories, lessons and handicrafts all centred around the general theme of this year's V.B.S., "Pioneering With Christ."

Several small missionary projects were undertaken during the week by the children themselves.

Nab rifles, chocolates in breakins

Two breakins over the weekend netted thieves approximately \$195 in merchandise, according to police.

An East Ward residence was broken into Saturday night and three rifles valued at \$175 were stolen. Police did not reveal the name of the victim.

At the Sherbrooke Country Club, about \$20 worth of chocolate bars were taken from a small refreshment stand Saturday night. This was probably the work of juveniles, police said.

Mt. Orford summer season opened by Canadian singers

The renowned Canadian singers, Pierrette Alarie and Leopold Simoneau, opened the summer concert season at the JMC Musical Camp in Mount Orford Provincial Park Saturday night.

The occasion was doubly significant as it marked the opening of the new concert hall, a splendid structure capable of seating over 500.

While not completely finished the hall was the cause of much rejoicing among the capacity audience of invited guests, students, musicians and music lovers. It is acoustically excellent, the seats being so arranged that none is too far from the stage.

The hall is indeed an achievement for the camp and a fitting tribute to the 10th anniversary year of JMC.

With the support of an excellent accompanist, Allen Rogers, the two artists gave a most delightful and satisfying concert of solo selections and duets. Singers of proven skill and charming stage presence, their offerings left little to be desired.

Their program included works by Schubert, Debussy, Brahms, Hadyn, Vellones, Rameau, Cimarosa, Perez, Legrenzi and Carissimi.

Tonight at the camp, Antony Hopkins of London will give the first in a series of lectures on

The Understanding of Music with Walter Joachim, cellist and Calvin Sieb, violinist, as demonstrating artists. These lectures will be given each Monday during July and are open to the public.

Thursday night, Norbert Dufourcq of Paris will begin his series on the History of Music for the Keyboard with Kenneth Gilbert, harpsichordist, as guest artist. On Saturday night, Vlado Perlemuter, pianist, will present an evening of Ravel. Both these events are open to the public.

Former Richmond Police Chief Buried Today

RICHMOND — (Special) — Funeral services for Horace Proulx, former Richmond police chief, were held at the Holy Family Church this morning. Mr. Proulx died in St. Louis Hospital, Windsor Mills, on Saturday at the age of 74.

A native of South Durham, Mr. Proulx served for more than 20 years as chief of police here and later worked with the Canadian National Railways investigation department in Montreal.

Upon his retirement from the railway, he took up residence in Melbourne.

Interment takes place this afternoon in Cote des Neiges Cemetery, Montreal.

The Doctor Says

ON DIET AND GOUT

By HAROLD THOMAS HYMAN M. D.

No cow has ever eaten anything that remotely resembles roast beef or a sirloin steak.

No pig is ever served anything resembling bacon.

There's nothing like egg yolk, egg white, white meat or dark meat in chicken feed.

And the family that sits down to the same meals each day may include a chubby little girl and a skinny boy, a mother who's pleasing plump and a father who can't get anything "to stick to his ribs."

This is my way of saying that there's more to the science of metabolism (by chemistry) than mere dietetics. And, by the same token, there's more to metabolism diseases than the mere matter of the kind of food (food) that's put on the fire.

Take for example the condition we call gout. As a Canadian reader writes to me, "the consensus

of opinion seems to be that it's the result of having 'too high'."

Yet, he goes on to say: "The real facts are that I do not live 'high' and, in fact, have restricted my diet for years. I do not drink or smoke. But still, as of Friday last, I continue to suffer attacks. Will you please advise me about diet? Especially the items I ought not eat."

At risk of arousing some dieticians, I'm going to let my Canadian friend in on a little secret.

This side of glutony, I don't think it makes much difference what he eats or drinks so far as his gout is concerned.

My experiences have quite convinced me of the truth of Dr. A. B. Gutman's conclusion that "there is no acceptable evidence that an enormous (burdensome) purine free diet significantly alters the natural course of gout. It is still a matter of opinion whether dietary restrictions of any kind should be imposed upon the patient with gout."

Here are just a few of the reasons for our belief that gout is a "Metabolic" disorder that bears no more relationship to diet than does animal feed to the products they contribute to our tables.

Attacks of gout are observed in the poor as well as the over-stuffed rich.

Typical gout has been seen in vegetarians and teetotallers.

Gout is a familiar disturbance that rarely affects females who

presumably eat the same food as the males of the family.

Of gout sufferers, 98 per cent are males whose wives rarely (if ever) suffer the same complaint though they, too, presumably eat about the same food.

Attacks of gout often are produced by nondietary factors such as accidents, surgery and doses of certain drugs.

Many nongouty persons have higher blood levels of uric acid than gouty persons during an attack.

Attacks of gout may be controlled by injections of substances that possess some of the properties of the pituitary gland.

Attacks may be prevented by regular doses of a nontoxic drug (Benemid) under doctor's supervision with or without adherence to a rigid diet.

But please don't quote me to your dietitian.

Marriage

BURT — HEDENBERGH

On June 18 at twelve o'clock, St. Peter's Anglican Church was the scene of a very pretty wedding when Sandra Patricia, daughter of Mrs. Albert Hedenbergh and the late Albert Hedenbergh, became the bride of John Earle Burt, son of Mr. and Mrs. Harry Burt of Lennoxville. Rev. Guy Marston officiated and Holy Communion was celebrated by Archdeacon John Comfort of Gaspé.

The organist, Morris Austin accompanied the soloist, Mrs. Joseph Gilbert in the rendition of The Lord's Prayer and Oh Lord Most High. Pink, white and red peonies adorned the church and the guest pews were marked by white satin bows.

Given in marriage by Mr. Frank Knutson, the bride was in embroidered pure silk organza over peau de soie, the fitted bodice having a scalloped neckline and lily point sleeves, and the full skirt falling into a chapel train. Her full length veil of tulle illusion was held by a coronet of sequins and pearls. She carried a cascade bouquet of Talisman roses.

The bride's attendants, Mrs. Douglas Whittingstall, as matron-of-honor, and Miss Patricia Stafford and Miss Suzanne Cripps, bridesmaids, were in street length dresses of silk organza over taffeta, the full skirts caught at the waist with pleated cummerbunds, with organza pleating forming the scalloped off shoulder necklines. They wore matching hats and their bouquets were of white shasta daisies. Mrs. Whittingstall was in shrimp shade, Miss Stafford in yellow and Miss Cripps in turquoise.

Little Christine Knutson, flower girl, wore a short white dress with Peter Pan collar and puff sleeves and carried a basket of white flowers.

Mr. Bruce Gillam acted as best man for the groom, and the ushers were the groom's brothers,

Ralph and Robert Burt.

The bride's mother wore a turquoise embroidered silk organza ensemble, with beige accessories and a corsage of pink sweetheart roses. The mother of the groom was in blue terylene with a pink straw hat, white accessories and wore a corsage of pink carnations.

The reception was held at Pleasant View Hotel, North Hatley, where apple blossoms and peonies were used to decorate. The bride's table centered with a four tier wedding cake, made and

decorated by Mr. and Mrs. H. Burt, was circled with apple blossoms. Silver and white tapers in silver holders completed the attractive arrangement.

Leaving for a wedding trip to the Maritimes, the bride traveled in a charcoal grey organza ensemble, white accessories and wore a corsage of pink sweetheart roses. Upon their return, Mr. and Mrs. Burt will take up residence at the Ritz Apartments, Vimy St.

Guests were present from Montreal, Dorion, St. John N.B., Vancouver, Digby, N.S., Halifax, N.S., Richmond, Gaspé, Ottawa, Toronto, Lyndonville, Vt., Vermont and New York States.

Beauty Tips

Dining by candlelight can be romantic, but be careful about your make-up, for the low light can be color-draining. Your lipstick should be a clear red or a sparkling iridescent shade. Avoid lipsticks with blue tones as they will look dark and shadowy in dim light.

Social and Personal

Mr. and Mrs. William Patton, Patricia St., were guests of honor at a delightful party given them by their son, Mr. Bruce Patton and Mrs. Patton, and their daughter, Miss Beverley Patton. The occasion being the 25th anniversary of their marriage.

Taken completely by surprise, the guests of honor graciously welcomed their twenty five guests and soon an enjoyable evening was in progress.

Mrs. Patton, who was presented with a corsage of roses, and Mr. Patton, a boutonniere, were the recipients of a number of messages and telegrams of congratulations, and during the evening were presented with a purse of money by their daughter, Beverley, on behalf of their relatives and friends.

Later a buffet lunch was served, the highlight being the cutting of the anniversary cake decorated in white and silver. The hosts were assisted by Mrs. Gerald Haseltine, Mrs. Tom Freestone and Mr. Henry Musty.

Out of town guests who came from Ontario, Compton and Johnville, included Mr. Patton's brother, Mr. Herbert Patton of Port Credit, Ont.

Lt. A. G. Begbie, Malouin St., left on Saturday for Camp Patawa, Ont., for a period of military training.

Mrs. Peter McKenzie, Conley St., Lennoxville, left by plane for an extended trip to Calgary, Regina and Glen Ewen, Sask.

Mr. and Mrs. Herbert H. Allison of Grimsby Beach, Ont., who have spent the past two weeks visiting relatives and friends in the vicinity, were overnight guests on Thursday of their niece, Mrs. L. Mickie Povey in Huntingville, before returning to their home.

During the evening Mrs. Povey entertained at three tables of 600 in honor of her guests when friends were present from Ives Hill, Milby and Lennoxville. Prizes were won by Mrs. Jack Cowan and Mr. Arnold Todd, consolation going to Mr. Fred Green.

Refreshments served by the hostess assisted by Miss Doris Banfill and Mrs. Stewart Cairns, brought a most enjoyable evening to a close.

MRS. MARK GAGNON, the former Renie Olivier, whose marriage to Mr. Mark Gagnon took place recently in the Church of Our Lady of Perpetual Help. Mrs. Gagnon is the daughter of Mr. and Mrs. Georges Olivier and Mr. Gagnon is the son of Mr. and Mrs. Wilfred Gagnon, all of Sherbrooke.

Miss A. Pritchard Misses First WI Convention In 46 Years

Miss Abbie Pritchard was appointed secretary by the Quebec Women's Institutes when they met at Macdonald College in February, 1914, for their first convention. Small, but full of enthusiasm for her beloved QWI, Miss Pritchard has never missed a convention since until this June when sudden illness prevented her from coming.

The tulip tree behind the archway blossomed right on time for its usual Convention display. She may have missed the old building, as the delegates were quartered this time in new Girls' Residence, Laird Hall. Also great upheavals were everywhere, ditches dug across the campus for larger sewers and the scaffolding going up for a new dining hall and larger kitchens, necessitating eating downtown instead of in the old familiar panelled dining room.

Miss Pritchard would have enjoyed every minute, the business sessions, the flower arrangement demonstration by Mr. J. McKenna, the House of Flowers, Montreal, the music the reception, the speakers, Mrs. Wilhelmina Holmes, Montreal, on the position of widows in Quebec on the death of their husbands; Miss Irene Kon, also of Montreal, who gave the delegates help on their publicity problems, and the special

speaker, Mrs. E. J. Roylance, Greenwood, B.C.

Mrs. Roylance, National President, Federated Women's Institutes of Canada, attended the QWI Convention on her way across Canada from B.C. to Newfoundland visiting the various organizations. One project of new and exciting interest, which she mentioned in her address, is the plan to establish Institutes in the far north. This has the support of the Department of Northern Affairs, Ottawa, in the belief that the Institutes will be of great benefit to the women of the northern areas of our country.

Among the delegates Abbie would have seen an old friend, Mrs. Cameron Dow, O.B.E. of Port Daniel and a former National President, who came after an absence of eight years to attend a Jubilee Committee meeting which is planning great things for next year. All the QWI members wish Abbie a speedy recovery with the hope that she may be with them for their 50th anniversary next June.

OLD TRADITIONS

In former centuries eggplant was prized as a romantic food, and asparagus was considered a good medicine for toothache.

STICKLES — OLSSON

SAWYERVILLE, Que. — The marriage of Patricia Eileen, daughter of Mr. and Mrs. Orlay Olsson, to Gordon Wendell Stickles, son of Mrs. Donald Morrow and the late Lee Stickles, took place recently in the Sawyerville United Church. Rev. Howard Fraser officiated at the double ring ceremony. The wedding music was played by Miss Marilyn Laberee of Eaton Corner. The church was adorned with summer flowers.

Given in marriage by her father, the bride was in a floor length gown of nylon net and lace over taffeta. The fitted bodice was embroidered with sequins and simulated pearls and finished with a high neckline and lily point sleeves. The bouffant skirt was accented with panels of matching lace. Her shoulder length veil was held by a tiara of sequins and pearls and she carried a bouquet of red carnations.

The bride's attendants, Miss Marilyn Provis, as maid of honor in yellow, Miss Karen Olsson, as bridesmaid for her sister in lime green, and the flower girl, little Sharron Provis in mauve, were gowned alike in waltz length dresses of nylon chiffon over taffeta with toning headbands. They carried nosegays of mauve and yellow mums.

Mr. Franklin Stickles was best man for his brother, and the ushers were Mr. Johnie Olsson, brother of the bride, and Mr. Raymond Morrow.

Mrs. Olsson, the bride's mother, was in a two piece dress of beige and white checked Arnel, and wore a corsage of yellow

roses. Mrs. Morrow, the groom's mother, wore a navy and white figured silk dress and a corsage of mauve poms.

Following the ceremony a reception was held in the Legion Hall where the bride's table was centered with a three tier wedding cake topped with a miniature bride and groom. An attractive arrangement of summer

flowers and white tapers in crystal holders completed the attractive setting.

Mr. and Mrs. Stickles later left for a wedding trip, the bride wearing a light blue and white checked Arnel dress with white accessories and a corsage of pink carnations. The young couple have taken up residence in Sawyerville.

Guests were present from Lennoxville, East Angus, Bury, Cookshire, Canterbury, Montreal, Sherbrooke, Eaton and Randolph, Que., and Lancaster, N.H.

Bedford IODE Holds Season's Final Session

BEDFORD—The closing meeting of Missisquoi Chapter, I.O.D.E., until the autumn was held in the United Church hall, Mrs. Hannibal Sheltus, regent, conducting the meeting.

Mrs. N. Belleau, Standard Bearer, carried the flag. The minutes were read by the secretary, Mrs. L. Ames. The report of the treasurer, Mrs. Ralph Oakes, reported a balance of \$307.23 and a bill for Councilor's fees was ordered paid.

After discussion it was decided to postpone the usual June food sale until the autumn.

Thirty-five dollars was voted for the purchase of the contents of the hope chest by Mrs. N. Belleau and Mrs. H. Stone. The chest will be purchased by Mrs. Hannibal Sheltus. Tickets were given out for the chest, these to be in charge of Mrs. Richard Craighead.

The matter of holding all Chapter meetings in the United Church met with the unanimous

approval of the members. Mrs. Neil Creller was appointed to contact the church group responsible and to report back to the autumn meeting, in the autumn.

A letter from Mrs. L. Ford from Provincial Headquarters, regarding the Chapter's scrap book, which had been prepared by Mrs. F. E. Best, requested a special article on Eccles Hill, which appeared in the scrap book, might be placed in the Provincial scrap book.

A letter from the Sir Charles Tupper Chapter, thanked Mrs. Sheltus for the recent donation of old spectacles. Mrs. Sheltus will be pleased to receive further donations of glasses.

A letter of sympathy was sent to Mr. and Mrs. Henry Smith, of Mystic, in the death of their son, Mr. Royce Smith, of Montreal. The Chapter also sent a letter, expressing the appreciation of the members to Rev. and Mrs. T. F. Duncan for help rendered the Chapter over the past years.

In the absence of the Echoes secretary Mrs. William Taylor, reported that 22 subscriptions had been sent in.

Mrs. F. E. Best reported on the recent presentation of the pictures of Queen Elizabeth and Prince Philip to the High School,

White Sox Strengthen Grip On First Place, Germain Gravel And Farrell Clout Homers; Two Games Tonight

White Sox consolidated their hold on first place in the Little League with a 17-8 win over the Tigers Saturday morning at the Parade Grounds. Two games are slated for tonight. The Tigers travel to Lennoxville to take on the Yankees while Red Sox and Indians battle it out at the Parade Grounds. Game time for both tilts is 6:30.

Getting nine hits for a total of ten runs in the first inning the Sox lead all the way. The feature of the big first inning was a grand slam homer by Farrell, the White Sox rightfielder. Tigers got two runs in the top of the second and clicked for two more in the third.

White Sox added one in the second, two in the third, one in the fourth and finished up with three in the last of the fifth. Indians built up their remaining scores in the third when they got three runs and in the fourth they clicked for four tallies.

Young Germain Gravel came up with home runs in third and fourth for the White Sox. He slammed out four-for-four in the game. Steve Allard also had a big day at bat getting three hits.

Tigers' hitters were Martin with two and Duford and Laurandau each with singles. Webb Roy and Anderson were the umpires.

Gagnon And Pete Clement Finish Deadlocked With 64 Net, Toss For Trophy; Bert Trepanier Fires 73

Pete Clement and Rene Gagnon of the Sherbrooke Country Club finished deadlocked for the Joe Colby Memorial Trophy Saturday at the Country Club. Both players finished with identical scores of 64-net.

They ended the 18-hole competition with 90's less their handicaps of 26 for a net of 64. The players agreed to toss for the trophy with Rene Gagnon emerging the winner and Clement took the top honors in class "C" with his low net.

A field of 218 golfers took part in the annual event with class "B" having the most competitors 87. Class "C" had 71 while the low handicap players, class "A", had 60. The course was in top shape and this accounted for some of the low scores for the high handicap players.

In the net section of the event Denis Brosseau topped class "A" with 68 while Russ Marois was second with 71 and Maurice Hunt was third with 72. Bert Trepanier, Larry Parry and Frank Reid won the gross prizes.

The class "B" saw Eddy Blouin win the net with a 67 while M. Healy, who also had a 67 but lost the toss, was second and J. Fennell was third with 70. Peter Clement led class "C" with his 64 while Bert Paquette and J. Ranshouan followed with 65.

Bert Trepanier of East Angus had the low gross of the field 73 while Denis Brosseau of the Country Club and Larry Parry of Cowansville were stalemated with 75. Frankie Reed of East Angus was next with 76 while Russ Marois of the Country Club had 77. Armand Dussault of Granby and Andre Maltais of East Angus both had 79 to finish under the 80 mark.

In class "B" Pierre Darche of the Country Club led the section with 81 while Maurice Sears of Windsor Mills, D. Parker of Mt. Orford and Rene Portelance of the Country Club all were tied with 83. M. Healy of Windsor pulled in with 84 while Denis Patenaude had 86. Gerry Cabana of Windsor Mills had the low gross for Class "C".

US Olympic Team Ready Following Two-Day Trials

STANFORD, Calif. (AP)—The fastest and strongest United States Olympic track and field team in history now faces a near-impossible task of winning as many gold medals as did the country's teams of 1952 and 1956.

The total was 15 medals each year as the U.S. dominated the sport. But while U.S. runners, jumpers and weight throwers have improved, so have athletes in other nations.

Two-day trials here moulded the team as the top three competitors in each of 17 events qualified for the squad. More than 100,000 watched as 13 trials records fell and one was equalled. Only in the 100-metre dash, 400 and 800 did the records hold.

Three world records fell. Boston University's John Thomas high-jumped 7 feet, 3 3/4 inches. Don Bragg, former Villanova star, cleared the pole vault bar at 15 feet, 9 3/4 inches and both Ray Norton and Stone Johnson were timed in 20.5 seconds for 200 metres around a curve.

Other record performances: Al Hall, hammer throw, 214 feet, 7 inches; Dallas Long, shot put, 63 feet, 3 3/4 inches; Ralph Boston, Tennessee A and I, broad jump 26 feet, 6 1/2 inches; 5,000 metres, Jim Beatty, 14:13.6; javelin, Al Cantello, 277 feet, 7 inches; hop, step and jump, Ira Davis, Philadelphia, 53 feet, 1 1/4 inches; discus, Rink Babka, 192 feet, 3 3/4 inches; 3,000-metre steeplechase, George Young, U.S. Army, 8:50.6; and 1,500 metres, Daryl Burleson, Oregon, 3:46.9.

Sherbrooke Tennis Club Posts Third Straight Win In Provincial Inter-Zone League By Downing Montreal 5-2

Sherbrooke Tennis Club walked off with a 5-2 win over Montreal Saturday afternoon at the Fraser Street courts in the Provincial Inter-Zone Tennis League.

The win gave the locals top spot in the standing with their third consecutive victory.

The Sherbrooke squad under captain Jean de Leseleuc posted two wins over Trois Rivieres and will be gunning for their fourth straight when they journey to Montreal July 23 for their next encounter.

Sherbrooke needs only one more victory to cop the title for the seven matches on the agenda. On Saturday the Royer brothers, Raymond and Richard, stopped Paul Marquis and Jacques Messier 6-3, 6-4 and Claude Metras and Denis Royer made sure of victory with their 6-2, 6-1 decision over Jules Bourgoin and Jean Lamoureux.

The visiting ladies picked up the two points for visitors when Pierrette Roy downed Mrs. Betty Henri 6-4, 6-1 and in the doubles Miss Roy and Aline Clement posted a win over Mrs. Henri and Mrs. Jeannine Levesque 6-2, 2-6, 6-1 after three sets.

Following the matches a cold buffet was served by the local ladies with the coffee being donated by Paul Lussier, a strong supporter of the Sherbrooke Tennis Club. A dance was held to complete the evening with the players and friends attending.

Magistrate S. Tupper Bigelow, ORC chairman, and J. Hugh Proulx, of Port Coulogne, Que., CTA president, Saturday announced the settlement following a meeting of the four commission members and the directors of the association. The two groups also agreed to hold another meeting today to work out additional details of the settlement.

Last Friday the CTA forced cancellation of the card that was to open the 33-day meeting by threatening to suspend horsemen who competed.

The dispute arose from an 88-point directive which the ORC issued this year setting out rules and regulations for harness racing. In recent years Woodbine races have been held under CTA rules.

ORC regulations resembled CTA rules in many respects, but some of the regulations would have given power to the commission.

REMEMBER WHEN... Suzanne Lenglen, the great French tennis player, died in Paris 22 years ago today of pernicious anemia, at age 39. She had won the all-England women's singles title in her debut at Wimbledon in 1919, and was Olympic tennis champion in 1920 turning professional in 1927.

JOCKEY HURT Anyon fractured both legs when he was thrown from his mount in the second race at Washington Park Saturday. His mount, Prize Taker, acted up at the starting gate. The horse was scratched.

First Time In History Of Canadian Open A Qualifying Round Is Held, 177 Competing For Forty Berths

TORONTO (CP)—A field of 177, many of them Americans celebrating their Independence Day, was to tee off here today in the first-ever qualifying round for the \$27,000 Canadian Open golf championship.

The low 40 scorers and ties from the 18-hole scramble over the 35-37 par 72 St. George's Club course join 110 automatic qualifiers for the tournament proper starting Wednesday and continuing through Saturday.

Today's qualifying play, first in the 50-year history of the Open, was made necessary when the Royal Canadian Golf Association received a record entry list that topped 250.

Eighty-one Canadians, and 94 Americans are in the qualifying field. Canadians hoping to qualify included amateur George Gil-murray of Sydney, N.S.

The cream of Canada's professional brigade led by veteran Stan Leonard of Vancouver and Al Balding of Toronto, together with the stars of the U.S. tournament circuit, were not required to qualify.

Two notables who will not be shooting for first prize money of \$8,000 and the Seagram gold cup are U.S. Open champion Arnold Palmer and Sam Snead, golf's all-time top money winner. Palmer is playing in the British Open this week while Snead, a

three-time winner of the Canadian Open had commitments at home. But most of the top U.S. pros will be on hand including defending champion Doug Ford, Dow Finsterwald, Tommy Bolt, Ken Venturi and Art Wall Jr.

International flavor will be supplied by Bruce Crampton and Len Woodward of Australia, Retief Goosen of South Africa, and Juan Rodriguez of Puerto Rico.

FAMOUS CATCHER DIES — Bill Killefer, famed major league catcher of yesterday, died Saturday night aged 72. Killefer was part of the famous Philadelphia Phillies battery with the late Grover Cleveland Alexander when the Phils won their first National League pennant in 1915. Killefer later managed Chicago Cubs and the old St. Louis Browns.

MOSS IMPROVING — LONDON (Reuters)—Britain's crack racing driver, Stirling Moss, severely injured June 13 when he crashed at 125 miles an hour on a Belgian race track, now can push himself around in a wheelchair. He is "progressing very satisfactorily," a hospital official said Sunday.

Three Canadian Open Records Set At St. Lambert Field And Track Meet, 400 Athletes Across Canada Compete

ST. LAMBERT, Que. (CP)—Records toppled like tenpins Friday and Saturday when some of Canada's top track and field athletes met in the St. Lambert Legion's annual meet, one of the largest affairs in the country.

Three Canadian open records were broken Saturday and a total of 22 Quebec provincial open marks were established. In addition a goodly number of provincial native records were broken, several of them by second and third-place finishers.

One of the most impressive performances was only ratified after officials trooped off to a butcher shop to find a pair of scales.

They were checking the weight of the javelin thrown by young John Metras of London, Ont., a distance of 195 feet, three and one-half inches—a new Canadian open record in the junior class.

WAS SOME DOUBT The former record was 186 feet, six and one-half inches, but there was some doubt Metras' javelin was the required weight. The butcher's scales showed it to be more than a quarter-ounce over the required one pound, 12 1/4 ounces.

Back came the officials to the field to tell young Metras, son of the University of Western Ontario football coach, that the toss was valid.

The other Canadian open records-breakers were also in the younger classes.

N.B. RECORD BREAKER Sandra Barr, a tall 14-year-old from St. Stephen, N.B., cleared the bar in the midjet girls' high jump at four feet, 10 1/2 inches—a

half-inch better than the record height for all girls' classes under senior.

A juvenile boys' relay team from the Toronto Olympic Club ran the 880-yard relay in one minute, 32.6 seconds, 1.4 seconds under the present open mark, but the time may not stand as a record since an 880-yard mark of 1:32.4 turned in by a Windsor Legion juvenile team June 4 is awaiting confirmation.

In all, 400 athletes from all across Canada competed. The meet carried Canadian championship recognition for all classes except senior men and women—where events were on an invitation basis—and for girls under 14.

The meet produced three triple-winners.

Joanne Rootsaert of Winnipeg, a 16-year-old girl, won the juvenile girls' high jump, 100-yard dash and broad jump. Pat Dobie of Toronto Don Mills Club won senior women's 80-metre hurdles, shot put and high jump and Dave Baxter of St. Lambert the juvenile broad jump, javelin throw and shot put.

A total of 13 athletes won the events, among them Bob Fisher-Smith of Winnipeg and Ottawa who won the senior 100-yard and 220-yard dashes and Mike Noble of Halifax navy who won the junior 880-yard and 440-yard events.

Baxter's triple win helped give St. Lambert Community Sports Association the team title in both the combined invitation and championship classes and in the invitation class with Toronto Don Mills the runner-up in both.

Edmonton Eskimos Open Training With Only 48 Players On Hand For Smallest Number In 10 Years Of Club's History

EDMONTON (CP)—Edmonton Eskimos of the Western Inter-provincial Football Union opened their 1960 camp at Clarke Stadium during the holiday weekend with 48 players, the fewest in 10 years.

Missing were three Canadian holdouts—Normie Kwong, Guard Mike Kmech and defensive half-back Steve Bendiak. Kmech and Bendiak were expected to sign within a day or so.

However, the non-appearance of Kwong could mean the veteran fullback has decided to retire.

Long-range negotiations have been carried out with Kwong at Vancouver. Gordon Wynn, Eskimos president, said earlier that Kwong had been given an ultimatum that this would be "it" if the veteran didn't make the camp opening.

The Esks are expected to make a statement on Kwong today.

SOUGHT RELEASE The hard-running fullback, with Edmonton since 1951, sought his release at the end of the 1958 season.

He said he wanted to move to the coast for business reasons and an Edmonton B.C. Lions trade was rumored for a long time.

The Eskimos exercised their

option and Kwong joined the club after the 1959 season was several games old.

One of the late signers was Canadian quarterback Don Getty.

"Break Up The Yankees" Time Now To Dig Out Old Refrain As Stengel's Crew Streak Along, Lead By Three

Is it time to dust off the old refrain, "Break up the Yankees?"

With Casey Stengel's crew on a six-game winning streak and New York's American baseball League lead now measuring three games, there is a suspicion that you have seen all this before.

Perhaps Baltimore can steady itself. Perhaps Cleveland is ready to make its move. Maybe Chicago is ready to play 1959 brand ball. But there is no "perhaps" about the Yanks on this July 4th.

Cleis Boyer won Sunday's first game with Detroit 7-6 with a three-run homer and Roger Maris saved it with a clothes line peg to the plate. Mickey Mantle won the second game 6-2 with another three-run homer while Art Ditmar took charge of the Tiger batters.

Cleveland bounded into second place on the strength of two victories over Washington, 5-2 and 11-5, as Baltimore was losing to Chicago 2-1 in 11 innings. Rounding out the Sunday schedule was Ted Williams' 56th home run in Boston's 13-2 rout of Kansas City.

On Saturday the Yanks beat Detroit by another 7-6 score, Kansas City walloped Boston 10-6, Cleveland shellacked Washington 12-2 and Chicago edged Baltimore 8-7.

The Yanks have won 23 of their last 28 since Maris and Mantle began to bombard the league fences. They came from behind in the first game and then fought off a ninth-inning rally by the Tigers. After Maris threw out Casey Wise, trying to score from second on a single, Detroit kept going and loaded the bases with two out, Ryne Duren, third Yank pitcher of the inning, wrapped it

up by striking out Charlie Maxwell.

Art Ditmar had things well in control in the second game after Mantle's three-run homer in the fifth. It was Mantle's 18th of the year, No. 299 of his career and the Yanks' 93rd of the season.

Woody Held and Harvey Kuenn hit homers during a four-run first inning by Cleveland that beat Washington in the opener. Vic Power drove in four runs in the second game with two singles with the bases full. Johnny Briggs, finally getting a start after 14 relief jobs, won the second. Jim Perry took the first.

SEIERS BANGS 'EM
Roy Sievers was the big man for the White Sox at Baltimore. Jack Fisher had a no-hitter for 5 2/3 innings and a shutout until the seventh. Then Sievers hit his ninth homer into the left field bleachers. In the 11th Sievers scored from first when outfielder Jim Busby made an error on Sherm Lollar's single.

Gerry Staley, working two hitless, scoreless innings in relief of Herb Score, won his eighth. Score allowed only five hits, including Gus Triandos' homer, in nine innings, walked six and struck out five.

Williams, near 42, moved closer to Mel Ott's total of 511 homers, tied behind Babe Ruth and Lou Gehrig on the all-time list. Ted drove Dick Hall's first pitch into the right field pavilion in the fifth. Vic Wertz hit a three-run homer and Willie Tasby a grand slammer for the Sox. Norm Siebern slammed one for Kansas City. Ike Delock, making his first appearance since his three-day suspension for making an objectionable gesture, was the winner.

Toronto Pushes Lead In IL To Nine Games, Downs Richmond 3-1, 5-0; Jets Take Twin-Bill From Royals 9-5, 4-0

Toronto's league-leading Maple Leafs have ballooned their bulge in the International League pennant race to nine games and thrown the race for playoff berths into a wide-open scramble.

The Leafs continued to move ahead Sunday, rapping third-place Richmond 3-1 and 5-0, while the runner-up Buffalo Bisons broke out of a five-game losing streak.

The Bisons, 3 1/2 games in front of the Virginians, beat Miami 4-3, then settled for a 6-6 tie with the Marlins in the nightcap, suspended to let Miami catch a plane.

The fifth-place Rochester Red Wings moved within a half-game of fourth-place Havana by thumping the Sugar Kings 8-1 and 8-6. Columbus took both ends of a doubleheader with Montreal 9-5 and 4-0.

Saturday, Toronto blanked Richmond 2-0, Miami beat Buffalo 8-4 and Havana walloped Rochester 10-6 in the only games scheduled.

TIES IT, WINS

Catcher Tim Thompson wielded a strong bat for the Maple Leafs in the opener, tying the game 1-1 in the third inning with a homer and knocking in the winning pair in the seventh with a double. Rip Coleman (2-3) went the distance against the Vees, scattering eight hits. Zach Monroe (5-8) lost it.

Then righthander Frank Funk (5-2) spun a three-hitter while the Leafs got him the only run they needed off loser Art Ceccarelli (3-3) in the fourth on a single by Sparky Anderson, an infield out and Allan Jones' sacrifice fly.

Home runs by Buffalo's Don

Landrum, Joe Lonnett and Bobby Morgan paved the way for Art Mahaffey's ninth win against five defeats.

Solly Drake's three-run homer and a two-run shot by Fred Hopke brought the Bisons a tie in the seventh inning of the second game. Drake also homered in the sixth.

THREE-HITTER

Willard Schmidt (3-0) pitched a three-hitter for Rochester's first game triumph, but lost his shutout when Lou Jackson homered in the sixth.

Ben Mateosky tripled home the clinching tallies as the Wings rallied with a four-run sixth to take the nightcap from the Sugar Kings.

A two-run homer by Dick Barone, a three-run triple by Roman Mejias and a triple by Johnny Powers paced the Jets' 12-hit attack in the opener.

Diomedes Olivo (5-3) blanked the Royals on three hits in the nightcap. The twin defeat ended Montreal's eight-game winning streak.

REMEMBER WHEN . . .

France's Yvon Petra won the men's singles at Wimbledon 14 years ago today, when the famed tennis championships resumed after the wartime shutdown. U.S. net stars bagged the other four titles—Pauline Betz in women's singles, Jack Kramer and Tom Brown in men's doubles, Louise Brough and Margaret Osborne in women's doubles, and Miss Brough and Brown in mixed doubles.

COP TEAM TROPHY — Mr. and Mrs. Louis Call of Worcester, Mass., formerly of Magog, are seen receiving the Molson's Trophy from Mr. Derby for winning the team competition in the annual Fishing Derby staged over the weekend. George Masse, local representative for Molson's Brewery, is watching activities.

Yesterday's Stars

Batting: Willie Mays, San Francisco Giants, stretched consecutive hitting streak to 17 games with homer, triple and two singles in 11-5 romp over Philadelphia Phillies. Also drove in four runs and stole a base, his 19th.

Pitching: Don Drysdale, Los Angeles Dodgers, broke no-winning streak stretching back to May 25 by holding league-leading Pittsburgh Pirates to seven hits for 6-3 victory.

Today Is Day For Old Major League Superstition

CINCINNATI (AP)—Today is the day some baseball soothsayers insist tells what teams will win the major league pennant races.

The superstition says the team that leads the league after the games of the fourth of July will win the pennant.

Dave Grote, National League service director, dug back through the records Sunday and discovered the superstition has been correct 60 per cent of the time since 1900. Thirty-six league leaders after the July 4 games went on to win the National League pennant.

Grote said the superstition apparently began somewhere between 1900 and 1913 when all but one fourth of July leader went on to win the pennant.

The idea took a terrific beating in 1914 when the old Boston Braves were dead last on July 4 but went on to win the pennant and beat the then Philadelphia Athletics four straight in the World Series.

Pirates Are Holding Top Spot But Race Getting Close, Lose To Dodgers While Braves And Giants Post Wins

Pirates beware! It ain't necessarily so that the 4th of July leader wins the National League pennant. Just ask Billy Rigney. He had his San Francisco Giants on top last year at this time and you know what he is doing now.

Dave Grote, the National League's publicist-historian, reports that 60 per cent of the Independence Day leaders make it all the way into the world series.

But last year San Francisco was first, Milwaukee was second and Los Angeles, the eventual winner, was third on July 4.

Pittsburgh lost a game of its lead Sunday when they bowed to Los Angeles Dodgers' Don Drysdale 6-2 while Milwaukee edged St. Louis 4-3 in 14 innings. The Braves now trail by 3 1/2 games. San Francisco closed to within 5 1/2 games of the top by thumping Philadelphia Phillies 11-5. Chicago Cubs got out of the cellar by topping Cincinnati Reds 7-5.

Los Angeles downed the Pirates 6-1 Saturday and Cincinnati walloped Chicago 13-6. Milwaukee lost 7-1 to St. Louis and San Francisco lost to Philadelphia 7-5.

SEVEN-HITTER
Drysdale had lost six straight before he finally knocked off the Pirates with a seven-hitter. His mates blasted Vinegar Bend Mizell in a four-run third inning.

Del Crandall's infield hit with the bases loaded and two out in the 14th did the job for the Braves at St. Louis. Singles by Ed Mathews and Joe Adcock and a walk had loaded the bases.

Earlier the Braves' Billy Bruton hit his sixth homer and Hank Aaron added No. 20 and No. 21. Rookie Don Nottebart got his first major league victory with 3 2/3 innings of scoreless relief. Larry Jackson was the loser.

Willie Mays had a spectacular day for the Giants with his 17th homer, triple, two singles, a walk, four runs batted in and his 19th stolen base. He now has hit safely in the last 17 games. His batting average is .369.

NEEDS RELIEF AID
Despite the hitting by Mays and homers by Felipe Alou and Bob Schmidt, Sam Jones needed relief help from Mike McCormick to nail down his 10th victory. Chris Short was the loser.

The Giants held a pre-game meeting after it was reported manager Tom Sheehan caught several of his men violating the curfew of Saturday night.

Ron Santo, Chicago's rookie third baseman, never will forget Sunday, July 3. He hit his first big league homer with two on in the first inning of the game with Cincinnati. Harry Anderson and Wally Post homered for the losers. It was Post's sixth home run in the last seven games. Glen Hobbie was the winner over bridegroom Jim O'Toole, who was married Saturday.

VENETIAN WAY, WITH EDDIE ARCARO UP, EQUALS TRACK RECORD IN WINNING \$46,650 WARREN WRIGHT MEMORIAL

NEW YORK (CP)—Venetian Way, with Eddie Arcaro in the saddle, equalled the track record in winning the \$46,650 Warren Wright Memorial at Chicago's Washington Park Saturday.

Carrying 122 pounds, Venetian Way took the lead at the three-eighths pole and pulled ahead by three lengths in the stretch before Run For Nurse put on a great drive to press the winner at the wire. Herosogala was third and Hillsborough fourth.

Venetian Way's time for 1 1/4 miles was 1:48 1-5, tying the mark set by Colossal in 1948. The crowd of 24,436 made the winner the odds-on favorite (\$3.40).

"MR. DERBY" UNMASKS — The real identity of the masked "Mr. Derby" is finally solved. deliver the trajectory desired. Trust the built-in loft and the correctness of the swing.

As in putting, the imaginary playing of a chip before you actually execute the shot gives decisive help in determining how hard to strike the ball and what contours you must contend with.

The player's balance at the completion of a shot is a sure way to check on the quality of that throughout the swing.

If the player can stand in the position shown in the accompanying illustration indefinitely, his balance has been good.

Qualifying For British Open Started Today

ST. ANDREWS, Scotland (AP)—Qualifying for the British Open golf championship started promptly today in both the old and new courses in ideal weather conditions.

Three local Scots, two of them amateurs, started the parade of 388 entries on the famed old course while two Britons and a German had the honor of opening up at the new course just down the road.

For the 100th birthday of the Open, St. Andrews lacked its usual equipment—rain and wind.

A gentle breeze came off the bay, scarcely rippling the leaves of the trees and the sun made itself felt through a light overcast with many patches of blue sky.

600 Anglers Take Part In Annual Memphremagog Conservation Club Fishing Derby Held Over Weekend

MAGOG — The Memphremagog Conservation Club's two-day open and invitation Fishing Derby held over the weekend was registered as a tremendous success. 603 anglers, and 20 official club entries marked this event which is the largest fishing of its contest known to have been held here.

Top honors went to Mr. and Mrs. Lewis Call of Worcester, Mass., formerly of Magog, who won the Molson Trophy for team competition. Their winning catches were a 4 lb rainbow and a 6 1/2 lb. brown trout.

Walter Mitchell of Holden, Mass., won the \$50 awarded for the largest fish caught in the derby. His catch was a 8 lb. 8 oz. brown trout.

The two day event officially got under way Dominion Day, when the Conservation Club sponsored a giant parade to mark the beginning of the 1960 derby, at the same time commemorating Canada's 93rd birthday. Friday evening the club held outdoor movies, and the serious business of angling got underway Saturday morning.

Perfect weather favoured the fishermen all day Saturday, and in the evening, after a colorful display of fireworks at the city's Merry's Point Park, a dance was held at the Magog Army, Navy, and Air Force Veterans' Hall.

Yesterday wasn't so favourable, as high winds made fishing in a boat difficult, although many battled the waves to try for the big ones. The majority of the fishermen did off-shore fishing, and wharf casting.

A halt to the two-day event was called yesterday afternoon at 6:00 and last evening beginning at 9:30, prizes were awarded at the Union Hotel. Real Dezainde of Magog won top honors, for the only salmon registered. His weighed 3 lbs. 1 oz.

In rainbow trout, L. D. Richardson of Montreal won first, with a 4-12 catch. Robert Roy of Cowansville was second with one weighing 4-01. 3rd, 4th and 5th prizes went to Mrs. E. Call, 4; Wayne Taylor, 3-10; H. G. Sergeant, 3-09.

Lewis Calls, 6-08 brown trout took top honors in this class, although Mitchell's catch in the same species was larger, but rules allowed that only one award be made to a catch.

Marc Blouin of Magog got 2 in browns with a 6 pounder. Others winning were: Wayne Taylor, 4-12 1/2; Lewis Call, 4-12; Donald Brousseau, 3-02 1/2.

The five bass winners, all of Magog, were: Eddy Hawley, 2-14; Patrick Martin, 2-08; Mrs. Pat-

rick Martin, 2-07; Guy Lacasse, 1-12 1/2; William Whittier, 1-12 1/2.

Real Dezainde and Cecil Kingdon, both of Magog tied for first in pickerel catches, each with 2-08 fish. Second place in pickerel was also tied for with 2-04 catches made by Lewis R. Her-shatter of Conn., and George Pott of Magog. Other winners were: Real Dezainde, 1-13; K. A. MacLeod, 1-12 1/2; J. Y. Richard, 1-11 1/2.

D. J. Robinson of Montreal caught the three largest perch weighing 1-01, and two of 1 lb. even. Fourth prize in this class went to Pierre Ledoucheur for one weighing 13 oz. No 5th prize was given for perch.

The climax to the derby was the answer to the riddle, "Who is Mr. Derby?", well known Magog citizen and sportsman. The riddle was answered, when the masked celebrity unmasked to reveal his identity as Gilles Gendron.

President of the Memphremagog Conservation Club, Gerry Murphy, expressed his appreciation for the wonderful support given the derby, and thanked the many participants in the contest.

One of the main reasons for this past weekend's derby success, was due to the assistance given the club organizers by militiamen of the Magog Company of Les Fusiliers de Sherbrooke. These soldiers manned sixteen wireless sets, located at various points, from where they kept a central control posted on results.

In offering his appreciation, President Murphy said the assistance of the militia had been most valuable.

The Memphremagog Conservation Club members are already discussing their 1961 derby, which they're sure will be even more successful, due to the hand-some results of the past two derbies they have held.

Neale Fraser And Maria Bueno Are To Stay Amateurs, Not Interested In Joining Professional Ranks

WIMBLEDON, England (CP)—The 1960 Wimbledon championship—possibly the last the amateurs will have to themselves—has ended with both champions announcing firmly that they won't turn professional.

Modern practice for some years has been for the new champion either to announce he or she is turning professional, or to act coy and refuse to confirm any rumors.

But this year it's different. Neale Fraser, 26, the poker-faced Australian left-hander who added the Wimbledon title to his United States crown, said he hadn't had any pro offers and didn't intend to take them up if he did.

Furthermore, he added firmly, in his opinion Wimbledon was going to stay strictly for the amateurs, no matter what the International Lawn Tennis Federation decides about open tournaments in Paris this week.

Maria Bueno, 20, the Brazilian bombshell who carried off the women's title for the second straight year, admitted she had received offers to turn pro, but was equally firm about refusing them. "I'm going to stay amateur—and I hope to play here next

year as an amateur," she said.

The last four men's champions here—Tony Trabert, Lew Hoad, Ashley Cooper and Alex Olmedo—have all joined Jack Kramer's play-for-pay squad. Althga Gibson, who won the women's crown in 1957 and 1958, followed Pauline Betz Addy, Doris Hart and Maureen Connolly into the pro ranks.

As the covers went back on the courts Saturday, the opinion of most experts was that the present tournament was the most unexciting since the war—and things are likely to stay that way for some years unless there is an injection of new blood from the pro ranks.

Personality of the fortnight's tennis marathon was Maria Bueno, the shy schoolteacher from Sao Paulo, who nearly pulled off the rare feat of winning all three titles. She beat pretty Sandra Reynolds of South Africa in straight sets in the singles, 6-6, 6-0. In the women's doubles she teamed with Darlene Hard of the U.S. to beat Miss Reynolds and South African Renee Schuurman 6-4, 6-0.

But in the mixed doubles she and Bob Howe of Australia lost

Brompton Wins And Ties In Junior Baseball League Over Weekend

Patterson, Stitch Made Boxers-Of-Month By NBA

PROVIDENCE, R.I. (AP)—Floyd Patterson, who regained the world heavyweight championship with his knockout of Sweden's Ingemar Johansson, and the late Rudolph Stich of Louisville, ranking welterweight before his death by drowning while trying to save the life of a friend, are honored as boxers-of-the-month in the June ratings of the National Boxing Association.

Stitch, who was in line for a title fight at the time of his death, was posthumously honored.

Sonny Liston of Philadelphia held the No. 1 spot behind the champion in the heavyweight division while Johansson dropped to No. 2 position.

Edmonton's Wilf Greaves took seventh position in the middleweight class as a result of his conquest of Nigeria's Dick Tiger for the British middleweight crown.

MOSCOW (Reuters)—Russia's Maria Titina equalled the Olympic record for the 100 metres women's sprint Saturday by clocking 11.4 seconds. She posted the time at an international athletics meeting in Moscow's Lenin stadium.

Royals Tie Kist 1-1 Saturday, Edge Indians 2-1 Sunday Afternoon; Kist-Fuller Tilt Postponed Due To Rain

Kist and Brompton Royals tied 1-1 Saturday evening in a Junior League tilt played in Windsor while, on Sunday afternoon, the hosting Royals edged Sherbrooke Indians 2-1. Sunday night's game between Fuller and Kist at the Municipal Stadium was postponed due to rain.

In the Kist-Royals tilt, the hosting Brompton squad belted in a single tally in the first inning to take a point lead which lasted until the bottom of the third. Turgeon was the marksman for the club scoring thanks to two hits and a passed ball.

It wasn't until the third that Ruel's squad tied the fixture up when the visitors drove in one run. Sparking play in the inning were Kirouac and Perreault who each chalked up singles to their credit.

For the remaining four frames, neither club could tally and the score stayed tied at 1-1. The tilt will be contested into over-time innings at the next meeting of the two clubs.

Raymond was the winning pitcher, getting 12 strikeouts to his credit while Chartier was the losing hurler for Ruel's team. Loser Chartier whiffed five men in the seven frames played.

Brompton edged Sherbrooke Indians 2-1 Sunday afternoon in Windsor with Maurice Audet hurling the hosts to their victory. Pitcher Audet whiffed 11

men and walked three while his opponent on the mound, Andre Moreau, had no strikeouts racked up.

The visiting Redmen chalked up their first point in the second frame with some excellent hitting and base running being exhibited on their part. Then, for the next five innings, the Indians held off several desperate Brompton attacks.

However, the Royals were far from finished and ended the game in fine style when they racked up two points in the bottom of the seventh. Maurice Audet, pitcher for the hosts, smashed a single which was enough to send in Robitall and Dupuis for the runs.

Baltimore's Roy Hansen, 22, who played with Vancouver of the Pacific Coast League last year, was chosen for the position by the league's 237 eligible voters in a poll announced Saturday.

Four members of the league-leading New York Yankees, two players from the tail-end Boston Red Sox and one from the defending champion Chicago White Sox complete the American League team that must start both games against the National League's best.

The National League starters are four Milwaukee Braves, two from Pittsburgh Pirates and one each from Chicago Cubs and San Francisco Giants.

The four Yankees are catcher Yogi Berra, first baseman Bill Skowron, centerfielder Mickey Mantle and rightfielder Roger Maris. The Boston players are second baseman Pete Runnels and third baseman Frank Malzone.

Japan To Send 17 Athletes To Rome Olympics

TOKYO (AP)—Japan decided today to send a track and field squad of 12 men and five women to the Rome Olympics.

The 17 were chosen at the end of the three-day national championships and final Olympic trials at National Stadium. All 17 have either equalled or topped the Olympic qualifying standards for their specialties.

BC Lions Will Try To Trade Jerry Janes

VANCOUVER (CP)—Coach Wayne Robinson of British Columbia Lions of the Western Interprovincial Football Union said Monday night he will attempt to trade off import end Jerry Janes.

Robinson said another team is interested in the six-foot-five import but declined to identify the club. Janes, with Lions three years, has not signed a 1960 contract.

"He can be a great football player," said Robinson, "but I don't think he can do it here."

Harvard's Lightweight Crew Walks Off With Thames Challenge Cup For Third Straight Year By Beating Detroit Club

HENLEY-ON-THAMES (CP)—glided in half a length ahead in 8:03.

It was the fourth straight year that MacKenzie had taken the sculls.

B. Mounereau and R. Duhamel, of Rouen, France, were beaten in the double sculls Challenge Cup by British oarsmen G. Justice and N. J. Brikmyre in the record time of 7:17.

Harvard's time over the one mile, 560-yard course on the River Thames, was six minutes, 47 seconds. An estimated 30,000 persons watched.

Harvard's three wins in a row has been matched only once before — by the Thames Rowing Club in 1872-73-74.

The chief British event Saturday was the final competition for the Grand Challenge Cup, senior trophy of the regatta.

MOLESLEY WON
It was won by the Molesley Boat Club in a terrific race with the Oxford University Boat Club. The Oxford oarsmen moved into the final by defeating the heavyweight crew of Yale University.

Two Olympic Berths Taken

HAMILTON (CP)—William Jones of Vancouver and Gil Henderson of Long Branch, Ont., Sunday were named to represent Canada in trapshooting competition at the Rome Summer Olympics.

They finished first and second respectively in the Olympic trials at the Canadian trapshooting championships which concluded Sunday at the Hamilton Gun Club.

Jones, with 377 out of 400, and Henderson, with 375, were followed by George Genereux of Saskatoon with 374. Genereux won a gold medal for trapshooting in the 1952 Olympic games.

Henderson won the Canadian championship 18-yard singles target with 400 out of 500 and also took the Canadian high over-all contest.

Genereux won the 50-yard doubles with 91 out of 100.

The ladies contest was won by Vera Holdsworth of Calgary with 193 out of 200. Howard Morton of Sharon, Ont., won the junior competition with 188 out of 200.

The high over-all shoot, with a possible total of 800, was won by Henderson with 752 after two shoot offs against Frank Opsal of Vancouver, Canadian single champion.

Algiers — Alphonse Halimi, 119½, Algiers, knocked out Juan Cardenas, 119½, Spain, 3.

REMEMBER WHEN . . .
Bobby Pearce, the Australian-born sculler who moved to Hamilton, easily defeated Ted Brocklebank of Britain in one heat of the Diamond Sculls at the English Henley regatta 29 years ago today. Pearce went on to win the famed trophy in his first attempt, and later turned professional.

ONLY DOW IS COOL CONTROL BREWED

Dow
BRINGS OUT THE BEST IN BEER...

1
MULTI-BLENDING

A master blending of 36 great brews brings out the best in beer—makes Dow the easiest-drinking, most dependably uniform ale ever brewed. Multi-Blending and Cool Control Brewing in a unique way result in Dow, a truly great ale.

2
SMOOTH YEAST

A special, highly-prized yeast is another secret of the fine quality of Dow Ale. This exclusive Dow Smooth Ale Yeast has been carefully developed from some of the most valuable yeast strains in the world. Result: the characteristic smoothness and uniformity of Dow—the best in beer.

3
BLENDED BARLEY MALTS

The best in beer demands the best ingredients. The special blend of top quality Canadian Barley Malts used in brewing Dow Ale calls for the very best barley Canada produces. Nothing less will meet Dow standards. Result: the fine, full-bodied quality you can always count on with Dow.

4
BLENDED HOPS

Only a masterful blending of the best hops can bring out the best in beer. Dow selects prime hops, picked at the fleeting moment of perfection, and blends them carefully to give you that true beer taste you enjoy in Dow. Another reason we can guarantee—"Dow brings out the best in beer!"
