"The "Master School" is a most remarkable example of thorough knowledge and complete mastery of the subject. It gives me uncommon pleasure to recommend it to all who desire to study seriously and assiduously the science of piano playing."
LEOPOLD GODOWSKY

"Without doubt the most monumental effort of its kind in existence."
HAROLD BAUER

"I wish to express my unbounded admiration for this stupendous work."
FANNIE BLOOMFIELD-ZEISLER

"The most monumental work ever written on piano playing."
FERRUCCIO BUSONI

"A wonderful, unique work. A magnificent, supreme achievement."
TERESA CARREÑO

"This is the greatest and most valuable work that ever existed."
JOSEF LHEVINNE

"This labor of love, which I would have thought impossible in our existence of haste and hurry, has resulted, in your case, in a vast and complete pianistic encyclopedia, wherein generations may seek guidance and find the solution of arduous and complex technical problems."
SIGISMOND STOJOWSKI

"This immensely valuable work has aroused my deepest interest. It is a Master-work (Meisterarbeit)."
MORIZ ROSENTHAL
