New B. M. Hospital Campaign Opens Monday, June 16

Minimum Objective For Campaign Set at \$100,000.00—Several Contributions Already Received

The New Barrie Memorial Hospital Campaign will open on Monday, June 16th and continue until the end of the month. The minimum objective has been set at \$100,000 and already several very large contributions have been made to the fund. In the last issue of The Gleaner it was reported that \$7,500 had been received and this week further contributions have been received as follows: Hemmingford Township \$100; Hemmingford Village \$75.00; R. R. Ness and Sons, \$1,000.00, which gives a total of \$8,775.00. Other contributions are said to be on the way and may be received at any time now, thus the campaign seems to be off to a very good start even though it has not officially opened.

A rally will be held in the McDougall Hall, Ormstown, on Saturday evening at 8:30 o'clock when several outstanding speakers will be present to address the public on matters pertaining to the hospital and the drive for funds. The speakers will be Dr. Charles W. MacMillan, Dept. of Social Medicine, McGill University, and formerly Deputy Minister of Health for New Brunswick; Dr. A. Lapierre, Chief Medical Officer, Provincial Dept. of Health, Montreal; Dr. T. J. Quintin, Sherbrooke, formerly Medical Superintendent at Barrie Memorial Hospital, Ormstown, and others. All are invited to attend this rally. An opening rally will be held at Hemmingford tonight and an interesting program has been prepared.

The campaign chairman and officials are quite optimistic as to the result of the campaign in their various districts and they all feel sure that the people will support it to the utmost of their ability. With such feeling there seems every reason to believe that the campaign will be a complete success and that the minimum objective of \$100,000 will be reached and perhaps oversubscribed within the time limit now set.

A meeting of members of the Montreal Committee will be held

on Friday evening, June 13th, at St. Mathews Church, Dufferin Road, Hampstead, Montreal, at 8 p.m. It is expected that all details in connection with the campaign at this point will be arranged for at this meeting.

The following is the list of campaign chairman:

General Chairman: Dr. M. R. Stalker, W. P. Welch, Publicity Chairman: D. C. Munroe; Hon. Treasurer: R. F. Corkran; Hon. Secretary: W. G. McGerrigle; Chairman of the Board: R. E. Walsh; Campaign Director, Lionel E. Brittle.

District Chairmen: Franklin: Mayor Floyd Stevenson; Havell: Mayor Henri Turcot; Hemmingford: Mayor Leo Fortin and Mayor Alister Somerville; Howick: W. G. McGerrigle; Ormstown: Mrs. Alan M. Hooker; Montreal: Rev. J. S. McBride; St. Chrysostome: Frank Delsile; Ste. Martine: Mayor L. Chevretil, D.D.S.; Dr. R. Martel; Valleyfield: Chris. Mayo.

Campaign Headquarters: Town Hall, Ormstown, Montreal C.H.Q., 184 St. Paul St. W.

Howick Graduating Class Visits Ottawa

Mr. Donald E. Black, M.P., Makes Arrangements For Entertainment

On Thursday and Friday of the past week the senior class of Howick High School was entertained in Ottawa by Mr. Donald E. Black, M.P., who gave the students a splendid time.

Immediately upon arrival at the Parliament Buildings on Thursday afternoon Mr. Black arranged a visit to the House of Commons where the students were keenly interested in seeing Parliament in session and in listening to the debate.

Next on the agenda was a conducted tour of the Parliament Buildings following which Mr. Black was host to the students at dinner. Guest of honour was the Honourable Paul Martin, Minister of Health, a member of the federal cabinet, who has tra-

velled widely and who has been active on the U.N.O. Mr. Martin delivered an inspiring address to the graduates on the topic: "Canadian Citizenship".

The class had a full and profitable programme on Friday also. Mr. Black arranged to have them taken through the Royal Mint in the morning and through the Dominion Observatory during the afternoon. Before leaving the capital, Messrs. Welsh and MacDonald, who kindly provided transportation, took the students on a sightseeing tour through Ottawa's residential section.

The graduating class appreciates the high educational value of their trip and is deeply grateful to those who made it so worthwhile.

Senior Class Day Exercises At Ormstown High School

The Senior Class Day exercises will be held at Ormstown High School, on Friday next, June 13th. The program will include a luncheon for the Senior Class, which will be attended by the Seniors, the Staff, representatives of the Board and the Inspecting Officer of the Cadet Training section of the Quebec Command. At 1:30 the cadets will be inspected and following this the physical training demonstration prepared by the girls' and boys' corps will be given. At 2:15 the Sen-

ior Class Assembly will begin and, if the weather permits, it will again be held out of doors on the school grounds. Parents and friends are invited to attend the inspection, demonstration and the assembly.

A special feature of the Assembly will be the presentation of the Strathcona Trust Physical Training Cup which was won last year for the third successive year by the Ormstown High School Girls' Physical Training Corps.

The members of the Senior and Junior Classes are as follows:

Seniors (Grade XII): Mary Bryson, Roll Hatcher, Frances Leahy, Ruth McWhinnie.

Juniors (Grade XI): Lyla Greer, Heather Hooker, Beryl McGerrigle, Murray McEwen, Clinton McWhinnie, Beverly Rugar.

The Reader's Digest Award for successful leadership in school activities will this year be presented to Frances Leahy, who has served as a Prefect of Durham House, President of the Red Cross Group and in various other capacities. School pins, awarded to members of the Student Council, will be presented to Mary Bryson, president, Roll Hatcher, Beverly Rugar, Clinton McWhinnie, Helen Beattie, Macie English, Helen Greer, Harley Parkinson, Shirley Rice and Stanley McWhinnie. Prefect pins will be awarded to Frances Leahy, Drummond Elliott, Beryl McGerrigle, Mackie English, Ruth McWhinnie and Austin McClenaghan.

The House Trophies will be presented as follows:

Staff Scholarship Shield—Durham House.

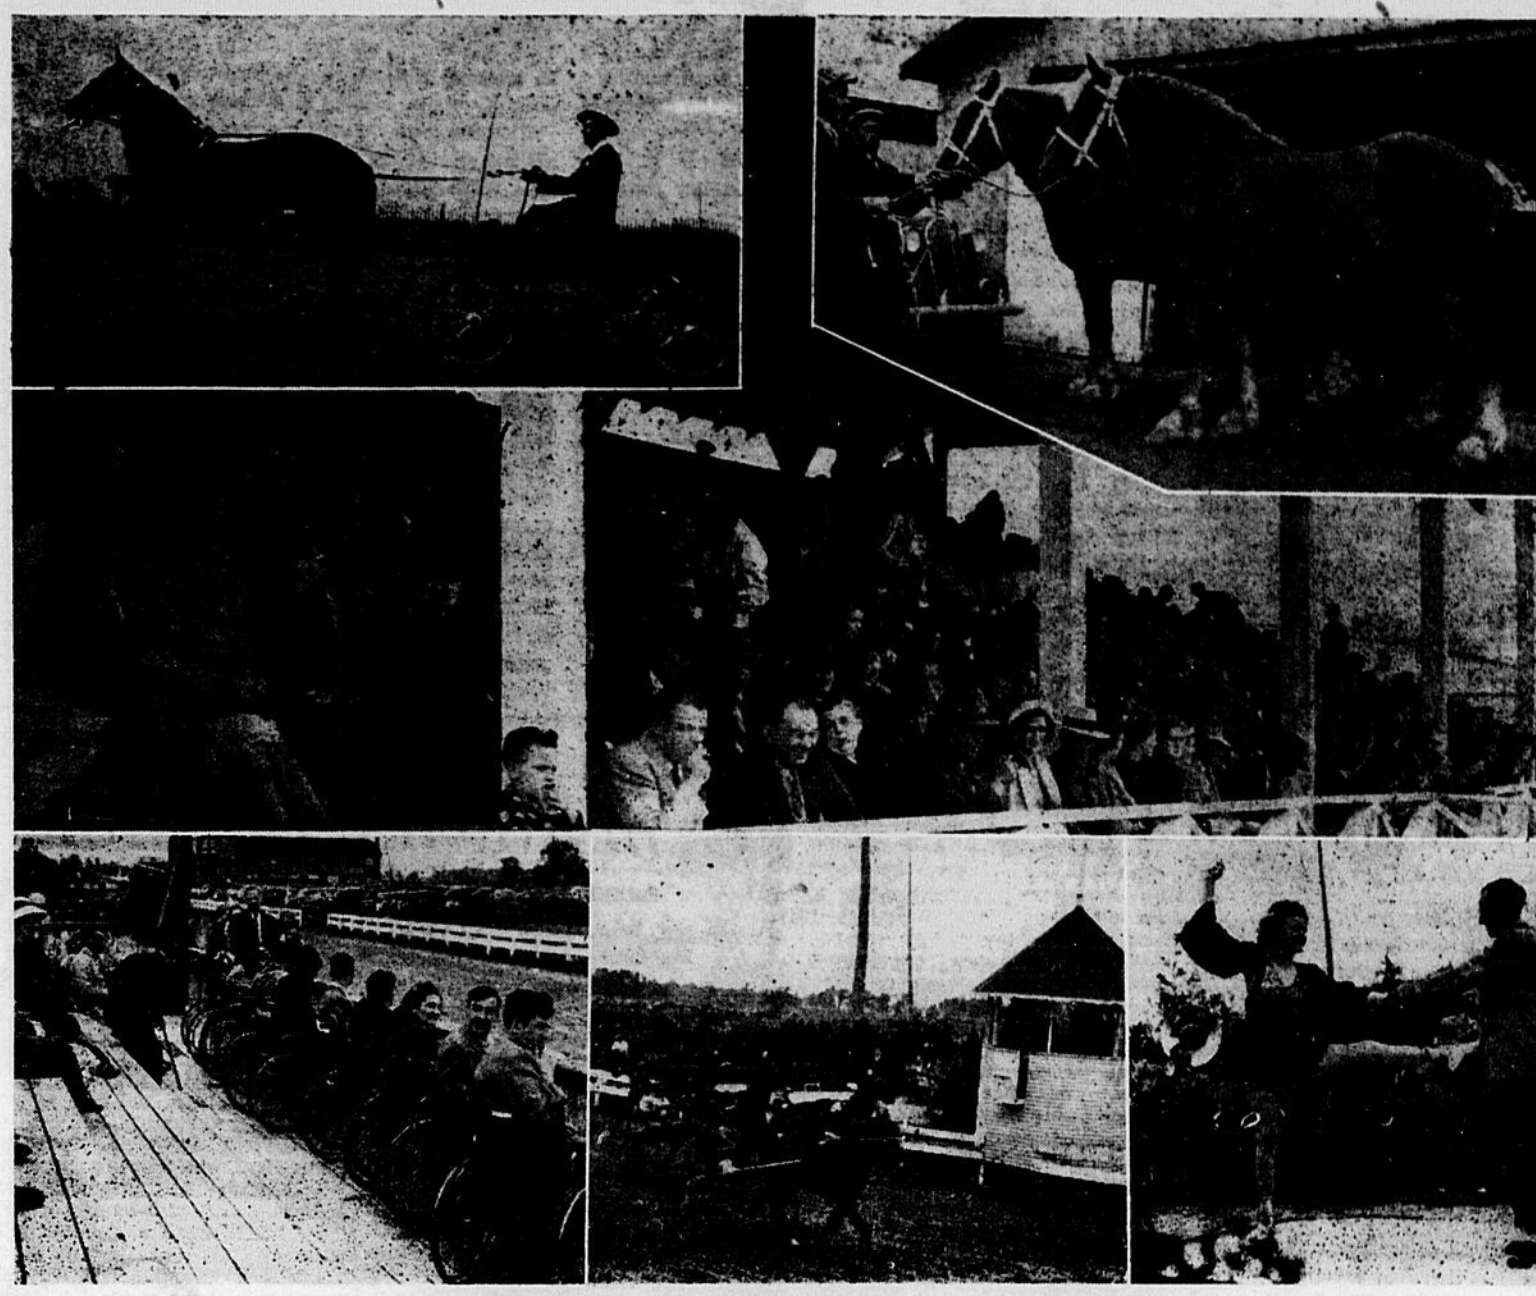

Student Council Games Trophy—Salisbury House.

Hamilton Debating Trophy—Ellice House.

Crafts and Hobbies Pennant—Ellice House.

Ribbons will also be presented to the winners in the various school competitions held during the year, the Track and Field Meet, the Winter Sports Meet and the Crafts and Hobbies Show.

RANDOM SHOTS OF VARIOUS SCENES AT ORMSTOWN 1947 EXHIBITION

The scenes depicted above are typical of the 1947 Ormstown Exhibition and which was favored by fine weather throughout the entire period. In the top left hand corner is seen Dave McCoy, Huntingdon, who won the race with horse and carriage shown. In the right hand corner are two of the horses of the

E. C. Budge Estate which were Grand Champion Mare and Reserve Champion Mare in the Belgian Class. The one at the back is Thornecroft Beauty Farceur, 8136, female, champion mare. The one in front is Thornecroft Belle Farceur, 9676, female, Reserve Champion mare and daughter of Thornecroft

Beauty Farceur. Mr. Melville Kerr is the manager of the horses on the Budge Estate, at Montreal. The two scenes in the centre are shots of various sections of the grandstand on Friday afternoon. Bottom left hand corner shows a few of the 50 veterans from St. Ann Military Hospital, who were guests

of the Exhibition Board during Friday and who seem to be thoroughly enjoying the show. The centre bottom scene is the exciting finish of one of the many races which featured every afternoon of the exhibition. Right hand bottom corner is a scene from one of the acts in front of the grandstand, the Skating Earls.

Road Employee Injured by Live Electric Wire

Mr. Paul Emond, of Ormstown, an employee of the Roads Dept., was the victim of a serious accident on Friday afternoon, while working on the highway between Ormstown and Huntingdon. Three men of which the victim was one, were repairing a fence and near this fence was a broken high voltage electric wire. A companion, Louis Emond, cut the wire with an axe which had a wooden handle and Paul Emond picked up the wire which was carrying 2200 volts. He suffered third degree burns on both hands and considerable shock. Mr. Eddie Boulanger of Huntingdon, who was passing at the time, gave first aid to the victim and Dr. C. F. Hyndman of Ormstown, was summoned to give medical aid. Later the injured man was taken to a hospital in Montreal where his condition is described as satisfactory.

Curling Club To Hold Monte Carlo

Splendid Evening's Entertainment on June 20th

The Huntingdon Curling Club is holding its third annual Monte Carlo on June 20th, at the Huntingdon Curling Rink, at 8:00 p.m. Since this event was inaugurated by the late John Maughan in 1944, the Club has reduced its capital indebtedness by almost \$2,500.00. At the present time the capital debt amounts to about \$2,100.00, and the officers are hopeful of liquidating the balance and making some necessary repairs to the building within the next few years. A new set of granite stones has been ordered, and it is expected that part of the proceeds from this year's Monte Carlo will be earmarked for that purpose.

The Committee in charge this year, has made arrangements for an interesting and enjoyable entertainment on the 20th. During the course of the evening a drawing will be held for a \$50.00 War Savings Bond, and many other valuable prizes donated for that purpose. Games of skill and entertainment will be provided, and refreshments will be furnished by the members of the Ladies' Curling Club. Admission and all the privileges of the Club for that night are obtained by the presentation of drawing tickets, now in the hands of all Club members for distribution. These tickets will also be on sale at the door.

CHEESE PLANTS CLOSED

Ferri, Ont. (CP)—Only seven cheese factories of the 20 in Lanark county are in operation this year. It was disclosed at a meeting of the Perth cheese board.

HOMELESS AMBASSADOR

Ottawa, (CP)—Ottawa house-seekers have distinguished company: the new ambassador to Canada from Chile, Gen. Arnaldo Carrasco is looking for a roof.

1947 Ormstown Exhibition Proves Another Success

More Exhibits in All Departments; Especially Keen Competition in Cattle

The officials of the Ormstown Exhibition can write success to their 1947 annual exhibition records and they can also be well pleased that the weather man held off the rain that preceded and followed the exhibition. The weather has been a very considerable factor in all things this spring but dry weather prevailed for the entire period of Ormstown Exhibition and it was not marred once on this account. While figures are not yet available it would appear from judging the crowds in attendance each day that the attendance records will be down slightly from other years. Exhibits were on the upturn and the arena was well filled with stock while judging the animal exhibits was in progress.

Exhibits in all departments were well filled and some very excellent displays were noticed in the Ladies' Section, Sewing, Fancy Work, Knitting, Cooking, Bread and so forth were all well represented in their various classes. The horse show was well filled with entries and some very fine jumpers, drivers and so forth were to be seen in the arena each evening. This part of the show seems to be adding to its numbers with each year.

Mr. John Fisher, CBC Commentator, opened the exhibition on Wednesday evening and expressed his surprise at the extent of the show and also the hope that it would prove a great success. The usual school parade with floats and band, followed by drills in the arena was an event looked for and waited for by the crowd which began filtering into the grounds as the gates swung open on the 1947 show. It was children's night so there were quite a number of them on the grounds and in the arena. Naturally the children were quite delighted with the acts that were staged in between the horse show events: The Skating Earls; Green, the ventriloquist and his dummy; Coley Bay,

the wonder horse and the Campbell Sisters. The midway did a great business and the kids had a real time right up until a late hour.

Thursday and Friday were real hard days for all the judges and especially those who had the job of judging the large number of cattle exhibits. It could be quite easily seen that the judges were having a hard time to make their decisions on the actual prize winners, there were so many choice animals in the rings all at one time and their make-up and conformation was so close that the very fine points had to be well considered.

Ormstown Exhibition's Thursday programme, commencing at 10 a.m., ran through a busy series of activities. In the Holstein events the Grand Champion bull was H. L. Guilbert's "Montvic Emperor Ajax", and also the Senior Champion. Reserve winner and reserve senior was Ayer's "Eglandier Rag Apple General", while Dr. W. Watson's "Fritanden Lockinvar Jr." was Jr. Champion bull. Guilbert's "Eglandier Emperor Brass Hat" was reserve junior champion and H. L. Guilbert's "Queen Successor" was first prize dry cow, with J. J. Murphy's "Southview Ormsty Millicent" second, and in the junior being H. L. Guilbert's "Belle Rag Apple Posch Bonheur". Other names in the prize winners were D. M. Foster and Helm Bros. of Huntingdon.

In the Ayrshire events Grand and Senior Champion was P. D. McArthur's "Cherry Bank Royal Jupiter". Junior champion was P. D. McArthur's "Cherry Bank Royal Master".

Reserve grand champion bull was by R. R. Ness & Sons, Howick, who also had a number of notable winners, including junior champion female.

The Jersey grand champion bull was D. M. Rowat's "Isleigh Basil" (Continued on page 5)

VIEW OF AYRSHIRE CATTLE BEING JUDGED ON FRIDAY

Friday was busy day for the judges in the cattle rings in the arena at the Ormstown Exhibition and the above is a scene of the

large number of entries in a single class being judged. Such scenes were common all day on Friday and the arena was full almost all the time.

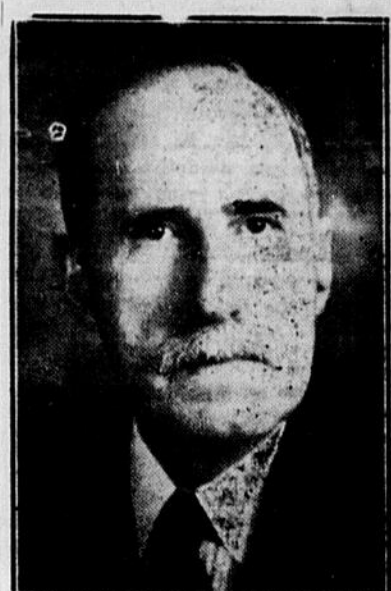

W. G. McGerrigle Honored by Ormstown Show Ringside Club

Minutes' Silence Observed For Late D. J. O'Connor And L. C. McQuat, Deceased During Past Year

Ormstown Show Ringside Club at its annual meeting and dinner in the Huntingdon Chateau, on Thursday evening, honored W. G. McGerrigle, Manager and Secretary of Ormstown Exhibition for 31 years through voting him Certificate No. 1 of the Ringside Club for his display in "Merit of Agriculture". W. L. Carr, in making the announcement stated Mr. McGerrigle could not be present at the meeting for at this same hour the Ormstown Exhibition was fittingly honoring him at the evening show. Mr. McGerrigle, during his 31 years, gave service on the spot, on the dot and always with a smile. Every patron of Ormstown Exhibition was always pleased with the courtesies accorded by Mr. McGerrigle and it was largely through the personal considerations so accorded that this exhibition has continued to grow and improve from year to year. A minute of silent meditation was observed in respect of the late D. J. O'Connor, M.L.A., president of the Ringside Club and the late L. C. McQuat, both charter members of the Club and who passed away during the past year.

Mrs. D. J. O'Connor, very thoughtful of the Ringside Club, had the tables of the Chateau dining room beautifully decorated with flowers and which was much appreciated by the membership at large. Mrs. O'Connor also sent a cash contribution to the Club in memory of her late husband. The contribution will be used for furthering youth competition work at Ormstown Show, the true purpose of the Club.

Members present discussed the idea of suggesting to the incoming board of directors of the Ormstown Exhibition, the idea

W. G. McGERRIGLE

of holding the annual exhibition at a later date in June.

The financial report presented by Ivan Heath, the treasurer, showed that the Club had maintained its objective of contributing its allocated sum toward youth competition work at Ormstown Show and that it would so continue for the coming year. The Club ended the year with \$45.51 in the bank.

The election of officers resulted as follows: John Carpenter, White Plains, N.Y., President; Jack DeBlais, Montreal, Vice-President; E. J. Stoltz, Toronto, 2nd Vice-President; Executive: Marc Leclair and W. L. Carr; Ivan Heath, Treasurer, and A. L. Sellar, Secretary.

John Fisher, CBC Commentator, Address Rotary Club Here

Stresses the Bonds of Unity Now Existing in Canada

Unity in Canada got a great boost at the Rotary Club in Huntingdon, on Wednesday, when Mr. John Fisher, commentator of CBC weekly news program, Mr. Fisher being in this district for the official opening of the Ormstown Exhibition, came to Huntingdon in the company of his host, Mr. D. E. Black, M.P. Mr. Fisher's address was fluent, breezy, captivating and intriguing. When distinguished visitors come to Canada, such as President Truman, we should make a show of it and live Canada up, so to speak. In our English language this country things are done in a way of business-like unity. No country in the world with a 12,000,000 population has so much as has our Canada. Our American cousins are divided up upper strata putting on a few airs. But here in Canada we function as one unit and so it is today Canada is the third greatest industrial power in the world.

Whatever we have in Canada we seem to have two such everywhere, such as the U.N. and the C.N.R. Two races, English and French. In the U.S. they have ever so many banks, all more or less serving certain sections, but here in Canada we again find things streamlined and the same bank or banks will be found to have branches across the land.

Our language, as far as the English tongue is concerned is the uniform flat English, with a few people living in the so-called upper strata putting on a few airs. To the south you will find not only differences in the English

language but such differences being quite noted in a city. In England—you find as many as six different enunciations of the language in London, let alone the differences between the Lancashire and Yorkshire folks.

Canada might well do something to attract the tourist to Canada. We might have some unique Canadian dishes. The tourist trade to Canada represents something like \$240,000,000 and that is a bigger business than France ever thought of being. We have got to give the tourist something of a true Canadian flavour and do some dressing up. This hotel, the Huntingdon Chateau is a model hotel. Apart from the Cornwallis Inn, at Kentville, N.S., I know of no other town across Canada that has a hotel its equal. (Applause)

No nation was ever so privileged as is Canada. We can share in the avenues of invention of the number one country on our south, the United States. We can share that great British wealth on personality and kind which we have inherited. We can share in the French well deep in the mastery of art and of a people who know how to live. Canada has indeed a sense of stability that the United States lacks. We can borrow their assembly lines but we will travel in the true Canadian way, following the straight, middle course.

Mr. Fisher was introduced to the Club by Mr. Gilbert McMillan and thanked by the Rev. J. B. Maclean, D.D.

Crop Conditions Same All Over Province Says Report

Farmers Urged to Sow Grains Despite Late Season

From all districts of the Province, observers report that the season is at least three weeks later than average. Due to nearly incessant heavy rains, low lying lands are badly flooded and farmers have not been able to do work on the land. At June 1st, it is estimated that no more than 5 per cent of the intended acreages have been seeded. However, early potatoes are more advanced, being generally planted in sandy lands. Conditions of meadows and pastures are pretty good everywhere, except in Lake St. John district where vegetation is only starting.

Live stock have experienced the longest period in years in winter quarters and practically no cattle have yet been turned out on pasture, for the following reasons: lack of grass, cool and wet weather and fear of damage by trampling. We are facing also a delay of 15 to 20 days in truck crops and tobacco plantations. Hot bed plants have frozen when snowfall occurred on May 8th, followed by many days of intense and unexpected cold.

To resume the situation, it is too

early to estimate damage caused by such bad weather but it is hoped that many days of heat will soon come and improve conditions, especially in the case of quick growing crops. It is said that farmers are beginning speculating about crops which may be substituted for their regular grain crop.

Farmers Urged to Sow Grain Despite Late Season

Requests from all sections of Quebec are being received by the Department of Agriculture regarding the advisability to plant oats or barley. The Department's experts are of the opinion there is no risk since both cereals will ripen when sown as late as June 15th for western Quebec. Chances would be very good with early varieties but there is no stock available presently. The same advice applies to flax growers.

The feed situation has not changed. The season is late all over Canada and each province must do its utmost in those trying circumstances. We must take the risk to put into soil as much grain as we possibly can. If the grain should not have time to ripen, it may be used as green forage and thus the future of hayfields will not be compromised.

It is no use to try and work soils that are in bad physical condition. We may hope for better weather, a normal summer and ultimately a satisfactory crop in September.

Huntingdon Youth Association

IN this issue of The Gleaner it will be noted that the Rotary Club has purchased the Officers' Mess at Chateauguay Barracks and that this is to be turned over to the Huntingdon Youth Association on a lease basis. Some time ago it was decided to devote the services of the Recreation Director, Mr. S. Liversidge, to the direction of youth and its activities. There seems to be some doubt in the minds of youth as to what "youth" means; we would like to explain here that its meaning is in the wide term and takes in girls as well as boys. The work therefore will be among the boys and girls of ages up to 18 years, later it may take in those a little older. The term "Boys' Club" has also entered the picture and has tended to confuse the minds. This is a title that must be used to obtain certain privileges for a club of this kind, but it is intended that girls will also be catered to and their activities will be looked after.

The building that is being handed over by the Rotary Club to the Youth Association while it will be known as the Boys' Club, will also take in girls of the ages mentioned. Thus there will be something for all the youth of this town regardless of race or religion, the boys' club is non-denominational and therefore open to all for membership. It is educational as well as entertaining and tends to build good citizens from the youth. It is more of a winter activity as it is intended that outside recreation will be catered to during the summer months. It is not expected that the club will get into full stride in the first few months as it will be necessary to work into the various activities as the boys and girls get to know what will be done. To this end the association will need much assistance from well-wishers and will welcome all the help moral, physical and financial that the people of Huntingdon can give it. The Rotary Club has done much toward this project, but it should not be expected that this body should do all that has to be done. A campaign was sponsored in 1946 to raise funds for equipment and much of this money has been spent for such equipment, but more will be needed to equip the Boys' Club and we feel sure that there are people in Huntingdon who will want to help this very worthwhile cause. Those who feel that they would like to make a donation to this association are asked to contact either Mr. Fred Dobbs, President, or Mr. S. Smith, Secretary, who will be pleased to accept same on behalf of the association. The building will need some repairs and some alterations and while the association has a small sum of money left in its treasury, this will not be sufficient to carry all the needs. If this project is to be a complete success, it must have the help of the people of this town and it is hoped that people will not delay in coming forward if they feel so inclined.

In connection with the Youth Association, a competition is being sponsored by the association for an appropriate design for a crest to be worn by the members that will set them apart as belonging to The Huntingdon Youth Association. This competition is open to boys and girls up to and inclusive of 16 years of age. Particulars and rules regarding this competition appear elsewhere in this issue and it is hoped that keen interest will be taken in it. Prizes are being offered as will be noted on reading the article. The Huntingdon Youth Association is being registered and later it will be affiliated with the Boys' Club Federation in order to obtain privileges that can be gained from such an affiliation. It will thus be seen that the association officers intend that it will be run on businesslike lines. Members will have membership cards and will receive the crest as soon as a suitable design has been judged and chosen. It is further hoped that the boys and girls will signify their intention of becoming members, by notifying Mr. S. Liversidge at the earliest possible moment. Parents can also help in this matter by encouraging their children to take an interest in the project and in the competition for the crest. The Huntingdon Youth Association aims at trying to provide the youth of Huntingdon with suitable recreation facilities that will occupy their spare time and give them amusement along educational and entertaining lines that with co-operation will prove most beneficial for all youth in Huntingdon.

Tutors Blamed For Pupils' Waste Time

MUCH value is placed upon education in these days and everything that will advance a child's education is a matter to be considered. The advance in the world's way of doing things today, requires that everyone should have a particularly good education. Gone are the days when reading, writing and arithmetic were considered the absolute fundamentals of a good education. True these three form the basic requirements of education, but they are not complete or sufficient to carry on all that is required of persons today. Due to the war and to the amount of remuneration that teachers receive, the teaching profession has suffered much in the way of a sufficient number and quality of teachers available. Thus it is that Dr. W. P. Percival, director of Protestant education in the Province of Quebec, declared: "Many children are wasting their time in school because of the engagement of unqualified teachers." He goes on further to say as follows:

How Time Is Lost

"Here are some of the things our poorer teachers are doing," Dr. Percival declared: "Sitting at their desks and telling pupils to work instead of showing them how to do it. Reading to them from books that are far above their heads instead of digesting facts for them and presenting them in a manner that they can understand. Scolding children for their inability to do work which has not been fully explained to them. Worse still, perhaps, is the perpetual nagging and cheap sarcasm which some teachers indulge in to the distress of their pupils. Teaching parts of a book, such as a poetry book, and telling the pupils to read the remainder of the poems without showing type, beauty or metre. Teaching school is one of the most exacting of human occupations. A teacher has to be on his toes all the time. Never can he relax his vigilance for an instant. The discipline of a classroom can be broken up by a single unfortunate incident. A remark can be misunderstood and misinterpreted. The school can turn against a principal or the classroom against a teacher because of one error of judgment — or because of what can be interpreted as an error of judgment. Good judgment, honesty, impartiality are therefore needed at all times."

Just how true the foregoing is, can be testified to by a number of parents, and those who watch their children's progress in school know that these children will do well under one teacher and not so well under another. They also know from their child's interest in school whether the teacher is liked by the child and whether he or she is getting the most out of what is being taught. As pointed out by Dr. Percival, it really does mean much to the welfare of the child if the teacher takes an interest in his or her pupils. Oftentimes a child does not quite understand something that a teacher has explained and desires to know something more about it. In some instances the teacher has created an impression on the child that he or she will not answer any more questions on the matter and from fear of getting a scolding, the child will not ask for the information desired. In days gone by it has been said that a child learns by asking questions, things that are quite everyday to the average adult, are wonders to the young boy or girl starting out on life's highway. It seems therefore that there is much logic in Dr. Percival's statements that a teacher should be prepared to offer more explanation of the work that is placed before a pupil to do. After all the pupil is learning to do these things and if they knew how to do them there would be no need for the teacher to be there. Teachers are not in school to merely keep the children occupied, they are there to teach the children and if this is not done, then the child's time is truly being wasted.

Ormstown Exhibition is Over

THE great event of the Chateauguay Valley and Beauharnois area, is now a thing of the past, but it will leave memories for some for a long time to come. Not so much for the prizes that were won, or the entries that were made, or the disagreements with this or that that might have been felt, but for some of the events which marked this particular Exhibition.

In the first place, a new secretary occupied the office in the Ormstown Exhibition Grounds, this year, and the familiar face of W. G. McGerrigle was missing in an official capacity in that office. Yes, we saw him there on several occasions and we also saw him on the grounds, but this year he was able to relax and take in the sights like the ordinary patron. Perhaps he was more interested in the exhibition than an ordinary patron, because one might say this has been his baby for 31 years. He has seen it in its small beginning and he has watched it grow to its present status, but he decided to relinquish the office of manager to a younger man, Mr. Carlyle Dickson. Mr. McGerrigle has offered his advice and assistance to the new secretary and has an office of Honorary Secretary in the association.

While we were strolling around the grounds and picking up the news of the Exhibition, we met Mr. McGerrigle and his wife walking around and looking at the various attractions. He stopped to say a few words and many an old exhibitor came up to shake his hand and to say that they missed him in the office. He told us that he was quite surprised to read an editorial in the official Exhibition programme that was written in tribute to himself, he first saw it when he went on the Grandstand on Thursday evening and had no idea there was anything like it in the book. He was also honored by the Exhibition Board on this same evening and he was further honored by the Ormstown Show Ringside Club at its annual dinner meeting in Huntingdon although as the two events came the same evening, he was unable to be present at the latter. The Gleaner too, would like to take this opportunity of expressing tribute to Mr. McGerrigle who was always most solicitous for the welfare of the press and realized the value of press publicity for the Ormstown Exhibition.

One other thing that will linger in the memory is, the wet season that preceded the exhibition and how it cleared the day before and remained without rain at least until after the show had closed. While the grounds were quite soft, for the most part they were dry underfoot and the crowds were able to enjoy the exhibition to the full. It was a hope expressed that was fulfilled.

Those who heard it, will remember the broadcast of John Fisher, over the CBC Network, on Sunday afternoon, when he paid tribute to the Ormstown Exhibition and the district in which it originated. He liked the various competitions as rivalry in the camps. There are horsemen who know horses, he said and they argued horses all through the exhibition. There were cattle breeders who know cattle and it was keen competition between the Ayrshire men and the Holstein men and the Jersey men and the Canadian breed men. But they have some of the finest cattle at this exhibition that is to be seen anywhere in the Dominion. Mr. Fisher says they regard this exhibition held in this little town in southern Quebec as the next ranking to the larger fairs such as the Royal in Toronto. It was a fine tribute that John Fisher paid to this exhibition, to the district, to the people and to the member, Mr. Donald Black, the Ness Family and the McArthur and Gilbert McMillan, the Exhibition president. Such a broadcast should do much to make Ormstown Exhibition and the surrounding district even more popular.

Bye-election Date Announced

NEWS of the date of the Huntingdon County Bye-election for a Member of the Legislative Assembly for the Province of Quebec, to elect a successor to the late D. J. O'Connor, has been announced as for July 23rd. It is understood that a number of ministers will meet in Huntingdon this week when a candidate will be chosen for the Union Nationale Party, following which there will no doubt be much political talk until the day of the vote.

Rumour has been rife as to the possible candidates for both the Government Party and the Liberal Party, but so far no authentic information has been obtained. Whether the election will be contested is still another matter, some people are of the opinion that it should not be contested but that it should be allowed to go by acclamation to the Government Party. The reason given for this is that this county would stand to benefit more if a Government Party man was in the seat. Others say the election should be contested and if a Liberal man gets in, the county would lose anything anyway.

Such an attitude would seem to indicate that the electors do not feel they stand to gain or lose very much in this bye-election and that it is

hardly worth bothering about. A majority do feel however, that when the time comes for a General Provincial Election, that every effort should be made to contest it to the full. While some projects have received assistance from the present government, most people feel that this county has been sadly neglected since the Union Nationale Party took power in the Province. The roads in particular are a bone of contention with the people of the county and as most everyone uses the roads, this feeling is very wide indeed. Thus the feeling that if a Government Party candidate is elected, there may be some work done here before the general election, if there isn't, then the county has neither lost or gained. It is presupposed that if a Liberal Candidate is elected, it is not likely that the Union Nationale Party will allow much money to be spent in this county.

However, it is entirely a matter for the electors to decide and this will be made known when they go to the polls on July 23rd.

Somber News From Europe

THE news of the past week from Europe has not been the least bit encouraging and the trend of affairs seems to be toward a third war. We do not say world war, because the world is getting to be whittled down. We might say that the next war is likely to be a tri-party war and as some have already intimated, the battle ground could easily be on this continent. While the iron curtain seems to remain down as far as Russia is concerned, according to the news a dangerous rep-

tile has escaped. The news of the week-end talks of the Russian Octopus of Europe Expansion.

Bulletins and commentators on the radio and in the newspapers speak of preparing, for possible trouble and President Truman is said to be urging a preparedness of arms throughout the entire Pan-American states, with Canada included. In five countries in Europe Russian influence is at work to try and take hold on the governments and the countries. These countries are named as Austria, Hungary, Bulgaria, France and Italy. This opposition on the part of Russia is said to be a counter move to the Truman policy. Under such a set-up it does not seem possible that the United Nations Council can hope to bring peace to all the world. It is becoming increasingly evident that while Russia maintains she wants peace, she is actually seeking to dominate as much of Europe as possible. With the five countries mentioned under her domination, there would not be much that is worthwhile in Europe left. Greece and Turkey would probably be left to seek aid from the United States and Britain and their plight would be much the same as Poland's was when Germany attacked her—surrounded by occupied territory and inaccessible for help.

It is no wonder then that Russia is being likened to an octopus with tentacles groping to entwine the unwary. Once they have reached their victim, the poisonous black fluid of Communism is counted upon to do the rest. No chance to fight back, all the fight will be taken away in the strangle-hold placed upon the victim—thus a peaceful entry that will squeeze away the life of the nation in its grasp.

Letter To The Editor

Athelstan, Que.,
June 9, 1947.
The Editor,
The Huntingdon Gleaner,
Huntingdon, Que.

Dear Sir:

An article entitled, "Insp. W. H. Brady and Mr. G. Deacon Talk School matters," which appeared on the front page of your last issue is rather confusing. It begins as a report of a meeting of the School Board of the Municipality of Hinchinbrook and then proceeds to present one side of a very controversial matter. Was this report submitted to the press over the signature of the authorized secretary of the Board? I think not. It appears rather that one of the interested spectators at the Board meeting has taken advantage of your columns to express his or her views on a very controversial subject, which should be discussed openly and fairly. However, as the article stands, you have expressed your own views on the matter and I must therefore, address this letter to you.

It is not my first intention to discourage annexation or consolidation if they are answers to our school problem. It is the duty of every citizen to give careful and serious consideration to the education of our youth. The purpose of this letter, therefore, is to present the facts as I have obtained them and to add my own comments where I think them necessary, in order that the electors of Hinchinbrook may be able to think the whole problem out for themselves. This is their municipality; it is their children who are to be educated; it is their money that is spent on school taxation.

The Municipality of Hinchinbrook maintained its own schools long before the Farm Forum came upon the scene. Good and faithful men in every generation have served as school commissioners, giving of their time and talents to the welfare of education in this district. The present board, three of whom would benefit materially if annexation took place, have voted four to one against annexation on the grounds that, as elected representatives of the people, they wish time in order to know the feeling of the municipality as a whole, that they act in the interests of all. For this stand I offer them my sincere congratulations.

The figures which you published in your last issue are correct, but they do not tell the whole story. "Out of 151 Protestant eligible electors in the section canvassed for annexation to Huntingdon, 85 signed in favor, 66 signed against it; out of 23 electors canvassed for Ormstown 19 signatures were obtained." Let me point out however, that in the whole municipality there are 290 eligible electors, 85 plus 19 equals 104 in favor of annexation, while 186 are against it. Further, I have it on reliable authority that a large number who signed for annexation to Huntingdon have now signed another petition asking that they be annexed to the Franklin Consolidated School. This means that if annexation takes place this year to Huntingdon, a large number will change over to the Franklin the following year. With such a situation as this we are surely in a state of confusion, and it is for this reason that the school board is unwilling to make a hasty decision.

The school commissioners have been criticized severely during the past few months and it would be foolishness to say that our schools here are in A-1 condition, but let us be fair in facing the cold hard truth of the situation. Out of a possible \$790.00 annual school tax, at the end of last year \$263.27 remained unpaid. This condition is not peculiar to last year alone, but has been a continual financial barrier to the commissioners and our schools. Granted that at the present date, due to the present controversy, all the arrears have been paid, nevertheless we are being unfair to blame our present condition on the School Board without assuming our fair share of the responsibility.

The Farm Forum, is without doubt, a worthy organization and is interested in bettering rural conditions. It is also valuable at times for obtaining the direction of public opinion like a Gallup-Poll. However, the members of such groups are still subject to the authority of the electors. If the policy of the government is contrary to the will of the majority, let us be democratic enough to wait until the next election and put into office those who will best serve the interests of all. However, until that is done, let us act like the Canadians we are, who have fought two wars for the cause of democracy, and let us at least acknowledge decently and fairly the School Board which has been duly

Elect to look after our school affairs.

Let me also point out that the Farm Forum completely left untouched Athelstan and Powerscourt districts with their petition for annexation. Surely this was a grave oversight in view of the high ideals of the Forum in the interests of all rural people. Your article states that the objections of Athelstan have no bearing on the situation. In accordance with the Educational Code and those interested in pushing it at all costs, you are justified, but in the name of fair play surely one section of a municipality has a right to speak on a subject which concerns the whole.

No one would be foolish enough to argue that the schools in Hinchinbrook at present offer as many advantages as the Huntingdon Academy. But there are many things which must be taken into consideration. One very important item is transportation. The electors of Hinchinbrook do not need new residents of a few more or gentlemen who sit in a well heated office in Quebec to tell them how easy or how hard it is to travel over our roads during the winter. Small children travelling distances up to 15 miles to and from school cannot be compared with a truck-load of milk cans. The time involved in going to and from school robs the children of a great deal of time in community activities. In fact it is only natural that where the school is, there too will be their interests. Some of the proposed bus routes will take two hours to complete when conditions are at their best, which means that some boys and girls will leave home at 7.00 o'clock in the morning and return again at 6.00 o'clock in the evening. This is a hardship which cannot be relished by parents of small children.

In your article also, you mention teachers moving to larger centres for greater wages, and that, "It should no longer be a question of keeping the little schoolhouse for sentimental reasons." Let me say here that sentiment does not enter into the question as far as I am concerned although the humblest school has always stood for something high and fine in every community.

School teaching is a calling like that of a minister or a doctor. Just as there are ministers and doctors, who serve in rural communities there are teachers who will shun the offers of the larger cities to serve ably and well at a smaller salary. High salaries will not always attract the best teachers nor are the best teachers always the highest paid.

Dean Laird of Macdonald College at the recent convocation of graduating teachers, stated, "Until parents, high school principals and others interested in education assist in the recruiting of more teachers the shortage will remain in spite of any financial attractions." (Montreal Star, June 8, 1947)

I have written this letter with the earnest hope that the decisions and projects of the Municipality of Hinchinbrook may be entered into and conducted in a fair and orderly way. I would feel very sorry indeed to have a situation arise which would divide our municipality, neighbour against neighbour, a wound which would take a generation to heal.

If the majority of the electors in Hinchinbrook see fit after careful consideration (and the problems which I have stated are not altogether insolvable) to improve their educational system through annexation, consolidation or local improvement I shall be willing to do all in my power to assist.

Yours respectfully,
Rev. Robert G. MacMillan

Milk profits are bigger when she's free of insects

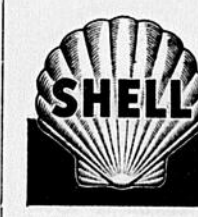

● Insect-ridden cattle can't do their best for you. So take the easy, safe, sure way to keep them free of insect pests! Morning and night at milking time, clear the air of flies in an instant with Shell Livestock Spray.

And for best results, spray it directly on the cattle too, before putting them out to pasture and again before bedding down. Repels insects 'round the clock before they bite. Yet Shell Livestock Spray is absolutely harmless to man and beast! Get a can from your dealer. \$1.60 an Imperial gallon.

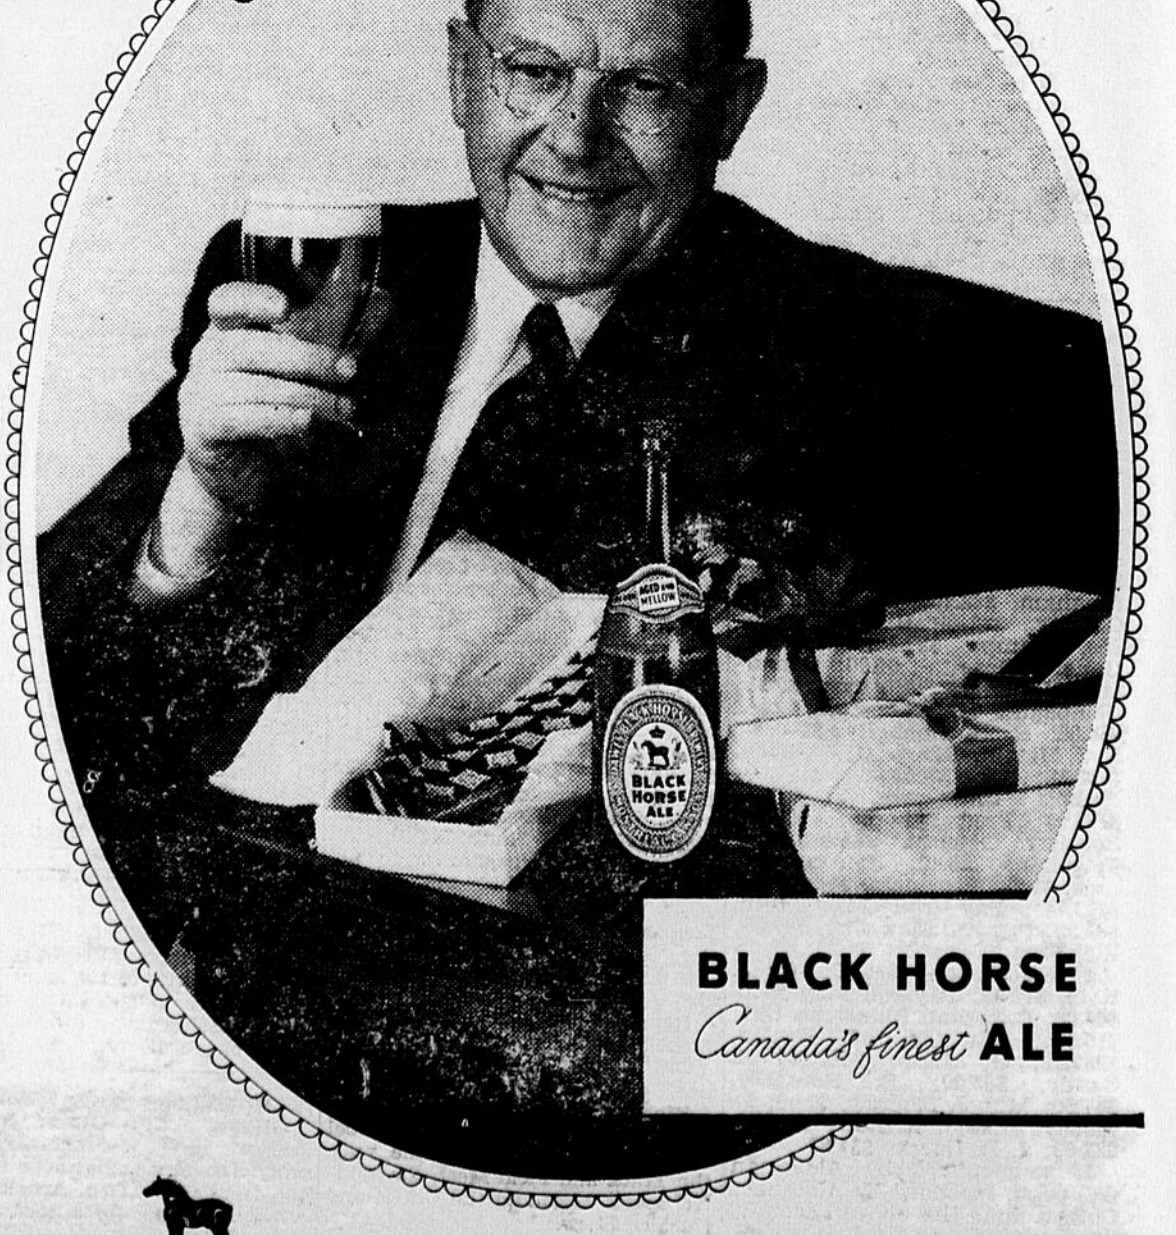

And use SHELL DDT BARN SPRAY at the beginning of the fly season for a long-lasting 'film of death'. Dries hard, stays put, won't blow away. Spray it on inside surfaces, manure piles—kill bugs where they breed! \$2.25 an Imperial gallon.

RECIPES

According to Canada's Food rules, fruits and vegetables are essential items of family meals. They form one of the key stones around which the menu should be built. They should frequently be served raw. During the summer months this can readily be done, but what about that longer period of the year when most fresh fruits and vegetables are not available except at imported prices?

This problem was first solved away back in the 18th century, by Nicholas Appert when canning was used as a means of preserving summer's surplus. Since his time canning methods have been simplified and perfected after such experimental work, until to-day thousands of Canadian homemakers are successfully conserving summer's plenty to bring delight and delicious variety to winter menus.

Canning methods, like every-

thing else, have changed greatly during the past decade or so. They are no longer haphazard. When each step is followed with care there should be no worry about the keeping quality of the canned product, success is assured. For up-to-the-minute canning information, the home economists of the Consumer Section, Dominion Department of Agriculture recommend their new, revised bulletin "Home Canning of Fruits and Vegetables".

In this booklet you will find the essential steps of canning outlined in a clear, concise and easy-to-follow manner. It gives detailed information on such topics as the equipment used in canning, the preparation of containers, the selection and preparation of the product to be canned, packing the product, along with the processing, cooling and storing of the canned food. It also contains a Question and Answer section which is the reason for many failures may be found. Information on the making of jam, jelly and pickles has also been included together with a number of tested recipes.

To both the experienced and inexperienced homemaker, the new revised bulletin "Home Canning of Fruits and Vegetables" will prove a reliable source of useful information on how to successfully conserve summer's harvest for winter menus. You may obtain your copy by writing to the Dominion Department of Agriculture, Ottawa.

DUNDEE BRANCH

The monthly meeting of the Dundee Women's Institute was held in the Community Hall, on Wednesday afternoon, June 4th, with an attendance of 14 members and three guests. Roll Call, Something I have made from a discarded article. Mrs. Joseph Platt, President in the chair, followed by the usual business. Thomas Stowell, Treasurer, gave the report of the afternoon tea and card party held on May 29th, and after all expenses were paid, a tidy sum was added to the treasury. Mrs. Joseph Platt exhibited a pamphlet on "Gummed tape dress form" and told how the Dundee Branch of Port Covington were willing to give a demonstration and make a form for any member at a minimum cost. This offer was accepted by a few members, and Mrs. Earl Gardiner extended an invitation to meet at her home June 17th, in the evening. These forms are especially helpful to an amateur dressmaker, and thanks are due Mrs. Platt in securing this assistance for the members.

Mrs. E. Gardiner was asked to communicate with Mrs. Geo. Goldie regarding the play, "You can't always sometimes tell," to be presented in Dundee at a later date if terms were satisfactory.

Correspondence included letters from Mrs. H. G. Taylor, Mrs. Chas. Smallman, Mrs. J. L. Hodge, Mrs. H. Taylor, and Mrs. George Goldie. Conveners' reports were: Mrs. N. D. McPhee, Agriculture—Thinning Vegetables; Mrs. E. Gardiner, Home Economics—Sticky Miracle in a Tube.

Mrs. Sturte Cameron conducted a quiz on "Jewels" for each month of the year, giving the stone and its meaning. Mrs. Earl Gardiner was successful in naming the largest number correct and received from Mrs. Cameron a hand crocheted diamond dolly as her reward.

A discussion followed on "Your Favorite Hobby," and an exhibit of Ancient Treasures.

The hostesses, Mrs. W. C. McGibbon and Mrs. Sturte Cameron served refreshments.

On June 4th, the Dundee W.I. lost a faithful and loyal member, in the passing of Mrs. Mary Robbin. To her mother and all near relatives and friends, we express our sincere sympathy.

We extend to Mrs. John Fleming our heartfelt wishes for a speedy recovery to health, for her daughter Jessie, who is a patient in the Neurological Hospital, Montreal.

What's In The Wind?

By Paula Dicks

Show Guest from Overseas

Interest in Canada and its people has been widely developed by means of contacts made during the War. Mrs. William Craig, of Rylandsdale Farm, Strathaven, Scotland, entertained over two hundred and fifty Canadian Air Force boys and since their return to homes between Sydney, N.S. and Vancouver, has maintained contact through correspondence.

"Ma Craig," as she is lovingly known to so many, arrived in Montreal by air on Wednesday, June 4th, for a three-month visit, with the intention of contacting as many of her former wartime guests as time and opportunity permits.

Receiving a cable the night before, I met Mrs. Craig in Montreal, and the same evening in Huntingdon the first of "her boys" to welcome her was my son, F.O. Joe W. Carr.

Thursday, as the guest of Ormstown Spring Show, Mrs. Craig was welcomed by the President, Gilbert McMillan, O.B.E., The Honorary President, Honourable R. Ness, M.B.E., was keenly interested in meeting an Ayrshire enthusiast from Scotland. While showing her about the large arena and splendid cattle barns, remarking that the Strathaven local show was also taking place that day but would have to be outdoors.

Ayrshire Fan

Viewing the judging in the Arena, Mrs. Craig demonstrated that she had a quick eye for highly bred Ayrshire cattle and by shrewd comment, delighted the experts: Jack Black of Lacerte, Prof. Toupin of Oka Agricultural College, Frank Napier, Secretary of Canadian Ayrshire Breeders Association, John Dickson, President, Montreal Milk Producers Association, The Judge, Major Rae of Charlottetown, P.E.I., asked Mrs. Craig if he had made a good job of it. She replied cautiously: "The whites, but no noisies."

Jamie, Adair, of Park School, Sydney, N.S., judge for Saddle and Jumping classes, who has a son, Commander in the U.S. Navy and a daughter a Major in W. A. C., had lunch with Mrs. Craig and greatly enjoyed a discussion about his native land.

Mr. John Fisher, who had the honor of opening the Show, interviewed Mrs. Craig for the C.B.C. and the broadcast was heard after the news at 6:30 Friday evening. She stated she left Preswick, Scotland, the day before and intended calling on as many of her 250 wartime guests from Canada, as her funds and time permit. Like all travellers from Britain, she is limited to spending 75 pounds but intends to go as far as North Bay, Ont., to visit the mother of Jim Pe-

While viewing the last class of Ayrshires for the day she was found by the Family Herald photographer, Mr. Pope, and persuaded to hold the winning Junior Heffer while discussing Ayrshires with the owner, Allister McArthur, of Howick.

On the dimer of the New York Central train, enjoying her first cup of tea since leaving Scotland, Mrs. Craig told me about her interest in the Gilmourton Rural Women's Institute. Competitions are held at each meeting. In January it was "glass jar of lemon curd and four griddle scones"; February, a "plafond parade (home made) and four fruit cakes"; in May, "leather purse (home made) and three oat cakes".

For this month it is "Whistling" and plain gingerbread. Mrs. Craig won the prize for home made leather purse. She carries two or three samples of this form of handicraft with her and says she travels by bus to the school where classes are held at night for adults interested in arts and crafts. At the institute competitions a small prize is given monthly as well as points for all entries. At year's end the member

Weddings

BLAKE-FAWCETT

The marriage of Vera Marion, younger daughter of Mr. and Mrs. Alex. Fawcett, to John Alexander Blake, only son of Mr. and Mrs. Alex. R. Blake of Invermere, B.C., took place on Saturday afternoon, June 7, at two o'clock, in the United Church, Huntingdon. The officiating minister, the Rev. Harry Lindley, B.A., B.D., of Montgomery Centre, Vermont, was assisted by the Rev. Thomas Knowles, Pastor of the Church. Mrs. N. W. Sparrow presided at the organ and during the signing of the register Miss M. Allen rendered the solo, "I'll Walk Beside You". The Church was decorated with white and deep purple lilies and other Spring flowers.

The bride, who was given in marriage by her father, wore a gown of white lace over satin, with a fitted bodice and a tulle yoke with wide lace frill. The long sleeves ended in points over the hands, and the full skirt ended in a short train. Her floor-length veil was held in place by a coronet of orange blossoms and she carried a cascade bouquet of deep red roses and lilies.

Miss Gwen Fawcett, sister of the bride, as maid-of-honour, was gown in blue net over tulle, with a lace bodice with sweetheart neckline and short sleeves. She wore blue lace mitts and her shoulder-length veil was held in place by a coronet of white flowers. She carried an arm bouquet of deep pink carnations.

The bridesmaids, Miss Marjorie Clouston of Huntingdon, and Miss Marion Smith of Quebec City, were gown alike in frocks of yellow Georgette over satin, with gathered neckline, tight bodice, full skirt and cap sleeves. They wore mits and bandeaux of matching material and carried arm bouquets of pale yellow carnations. The flower girls, Miss Andrea Fawcett, niece of the bride, and Miss Margaret Currie, were long frocks of pale pink net over tulle. They carried baskets of pastel sweet peas.

Mr. Andrew Fawcett acted as best man for Mr. Blake, and the ushers were Mr. Keith Fawcett and Mr. Douglas McGerrigle.

Mrs. Fawcett, mother of the bride, wore a street-length dress of turquoise sheer with white accessories. She wore a corsage bouquet of deep red roses.

Mrs. Blake, mother of the bridegroom, wore a street-length dress of black figured crepe with white accessories, and she also wore a corsage bouquet of deep red roses. Following the ceremony a reception was held at The Chateau where Spring flowers were used as decorations. The bride's table, centered with the wedding cake, was decorated with lilies-of-the-valley and white lilies.

Mr. and Mrs. Blake left for Niagara and a motor tour through the Central United States, the bride travelling in a fuchsia wool suit with white accessories and a corsage of white sweet peas. They will take up residence in Eckville, Alberta.

Among the out-of-town guests were: Mrs. A. R. Blake, Miss Margaret Ashworth, and Mr. Gordon Cleland of Invermere, B.C., and Mr. L. James Ashworth of Fort Nelson, B.C.

MENAGHTON-BARR

On Saturday, June 7th, 1947, at three o'clock in the afternoon, Miss Joyce Barr, only daughter of Mr. and Mrs. Percy Barr, of Hemmingford, was united in marriage to Mr. Ross McNaughton, son of Mr. Harold McNaughton, of Hemmingford. The marriage took place quietly at the home of the bride's parents, the ceremony being conducted by the Rev. R. C. Belbin.

The bride was attended by her friend, Miss Margaret Edwards, and the groom's man was Mr. Edwin Keddy. The bride wore a street length dress of misty blue crepe and carried an arm bouquet of pink roses. Following the ceremony, luncheon was served, after which the couple left on a motor trip to Niagara Falls.

WILLIAMS-CURRIE

The marriage of Hilda Florence, daughter of Mrs. E. Porter and the late George Currie, of Rockburn, to Mr. Ronald Williams, son of Mr. and Mrs. George Williams, also of Rockburn, took place on Saturday afternoon, June 7th, at 2:30 p.m. in Rennie's United Church at Brook-
lyn, Que. The Rev. T. F. Duncan officiating. Mrs. W. G. Gibson played the wedding music, while Mrs. W. G. Currie, sister-in-law of the bride, sang, "I Love You Truly," during the signing of the register.

\$40,000,000 Expansion Plan Announced by Shawinigan

Preferred Shares to be Issued

In a letter to the shareholders of The Shawinigan Water and Power Company, Mr. James Wilson, President, outlines proposed capital expenditures over the next three years, amounting to approximately \$40,000,000. Included in these projects to be undertaken are the completion of the 195,000 horse power development now under construction at Shawinigan Falls, extensions and improvements to the transmission and distribution systems and the initial construction work on a new plant at La Trenché, on the Upper St. Maurice River, of approximately 350,000 horse power, which is scheduled to be started in 1949.

Mr. Wilson points out that this program of expansion is being put in hand in order to maintain the Company's prominent position in the industry and to enable it to continue to serve its many customers in the Province of Quebec efficiently. There is a firmly established and rapidly increasing demand for power in the territories served by

the Company, which necessitates additions to the Company's generating capacity in the near future. It has also been a constant policy of the Company to maintain installed generating capacity well ahead of existing demand, in order that adequate amounts of power might be available at all times, if and when required. Any excess of power over the actual demand for primary power has always found ready market for the production of steam in the plant of various customers.

In order to provide the monies needed for the program, it is proposed to create \$30,000,000 of cumulative redeemable preferred shares to be issued in series as required. This method of financing has been adopted as being of the greatest benefit to the common shareholder. By this means, a proper balance between funded debt and equity capital will be maintained and at the same time, the new money will be obtained at a lower cost than through the issue of additional common shares. A special general meeting of the shareholders has been called for June 18 to consider and approve a By-law authorizing the creation and issuing of these preferred shares. It is expected that Series "A", carrying cumulative dividend of 4% per annum, of a special general meeting of \$20,000,000, will be issued shortly after approval of the By-law.

Three Lodge Members Initiated

On Saturday evening, May 31st, a special Lodge meeting was held in the Orange Hall at Havelock, to initiate three new L.O.B.A. members, namely: Mrs. Gertrude Churchill, and the Misses Evelyn and Lillian Elliot. Those present from a distance were Right Worshipful Sister Clara, of New Bedford, Que., Grand Mistress of the Province of Quebec, also Sisters Ethel Erskine, Nellie Helm, Gertrude Hoyle, and Brother and Sister Roberts, all Grand Lodge Officers of Montreal. On behalf of Alexander Lodge, Havelock the Worthy Mistress Sister Margaret Jackson, thanked the visitors for their attendance and assistance. Following the meeting refreshments were served.

Bride-to-be Honoured
The L.O.B.A. members of Alexander Lodge honoured Miss Violet Watt with a miscellaneous shower in Havelock Orange Hall, on Tuesday evening, June 3rd, prior to her approaching marriage. Miss Watt was taken completely by surprise and she thanked all for the lovely gifts and invited them to visit her later in Huntingdon. Best wishes go with Violet to her new home. Miss Watt was a member of the Ladies' Orange Benevolent Association.

WILSON: In loving memory of my wife and mother, Ruth Wilson, who passed away June 15, 1945.

"Tonight the stars are gleaming
Where sleeps in dreamless slumber
One we loved but could not save;
May Heaven's winds blow softly
O'er that sweet and hallowed spot,
Where one we love lies dreaming
Never to be forgot.
Many a lonely heartache
Many a silent tear,
But always our loving memories
Of one we loved so dear.
—Always remembered by your loving husband and son, Erney and Robert.

Roxham

Mr. and Mrs. Ralph Smith and baby daughter moved to Roxham, on Sunday, where they will visit relatives of Mrs. Smith's and remain a few days for the fair.

Mr. Mervyn Upton received word on Tuesday evening of the death of his brother, Mr. Titus Upton, of Moores, N.Y.

Taken From the North Countryman

The body of Titus Upton, 47, who lost his life when he fell from a horse while fording the Chazy River at Moores, late Tuesday afternoon, was found floating in a small pond about a mile east of the village shortly before 8 o'clock, on Wednesday morning. Edward Parrott, 40, Moores farmer, discovered the body at the rear of his farm home as he walked along the river's bank while fishing.

Mr. Upton, who had been employed on the John Brooks farm in Moores for many years, had attempted to ford the river on a horse to reach a small island on which cows were pastured. Because of high water caused by recent heavy rains the animals had been milked for three days. There were no witnesses to the accident, but it is believed that the horse either lost its footing in the swift water or that Mr. Upton suffered a heart attack and fell from the horse into the stream.

Shortly after Upton left for the island, Mr. Brooks discovered the riderless horse returning to the barn. He immediately started a search for the missing man and learned a short time later that Ward Boine, Davison Pratt and Albert Belrose had seen a body floating under the Fee Bridge, a mile and a half east of the village, but had been unable to recover it in the swift current. State Troopers of Chazy and Reesville patrols were notified immediately and a search, which lasted late into the night, was started.

When the body was discovered by Mr. Pratt and a companion on Wednesday morning the arms and head were above the surface and it had lodged near the bank in a small inlet.

Coroner George Gonyea, of Plattsburg was notified and he is conducting an inquest. The body was taken to the Physician's Hospital, where an autopsy is being performed to determine whether or not death was caused by drowning. Because of the fact that he did not sink one theory is that Mr. Upton had died before he fell into the water, the air in the lungs keeping the body afloat. The river is shallow at the point where the accident occurred and, while the current is swift, it is not believed to have been strong enough to have caused the horse to lose his footing.

Mr. Upton, who was born in Roxham, Que., in 1900, had worked on the Brooks farm for about 20 years. He is survived by his wife, the former Francis Grew, of Moores, N.Y., and three sons: Kenneth and Lawrence, now in the United States Army; one sister, Mrs. Albert Hagar of Plattsburg, and one brother, Mervyn, of Hemmingford, Que.

Funeral arrangements had not been completed at press time on Wednesday, but it was said that services will probably be held in the Moores Methodist Church at 2 p.m. on Friday, the Rev. William A. Boehne officiating and that interment would be made in Riverside Cemetery, in Moores.

Mr. and Mrs. Harold Reid and daughter Carol of Notre Dame de Grace, and Mr. Lewis Osmond, of Montreal, were guests on Saturday and Sunday of Mr. and Mrs. Ross Bryson.

Mr. and Mrs. R. E. Greig of Ottawa, Ont., were guests of Mrs. Alice Cavers last week, and called on many friends in the vicinity.

1947 Ormstown

(Continued from page 1)

Sport and "Pine Tree Fancy Spotlight" owned by C. Morrison, was reserve grand champion. Other Jersey winners included, Senior Bull: "Isaiah Basil Sport", Reserve Senior, Rowan's "Seigfried Remus Tribune", and Junior Jersey, W. McEwan's "Honeyhole Alice". Junior dairy cow winner was "Little Favourite Lorna" of Red Gable Farm. W. C. Winter was also in the ribbons and prominent among other prize winners were Lionel A. Forsyth, and Robt. Milne.

In the sheep class N. J. Fennell, Huntingdon, won several prizes, while in the swine awards the names of Geo. Hooker and Hooker Bros, Ormstown and C. J. Bryson, Ormstown showed as winning many of the Ribbons, Prizes and special awards.

Miss Viola Lallemand again won the Shawinigan Trophy for Best Lady Driver as well as at least 19 ribbons for other events. Many other local names will be found among the winners in the horse section of the prize list. The E. C. Budge Estate had Champion Mare of the year, and C. J. Bryson, Ormstown, was the Belgian Champion.

The machinery exhibits were far more than at any previous show for some years and the Empire Garage Regd., of Huntingdon, had a very fine display of tractors, cars and house trailer, rotary snow plow, etc. The electrical equipment was on display both on the grounds and in the Industrial Building. The Shawinigan Water & Power Co. had their usual display but lacking the equipment of former years.

Leach Textiles Ltd. and Spinners Ltd. of Huntingdon and Fawcett & Co. of Huntingdon each had a booth displaying the materials they manufacture.

The grandstand attractions were such that the grandstand was kept full all the time and the acts after-noon and evening provided entertainment of a varied variety. The races attracted plenty of attention and entries with a number of local horses in the running. Due to the wet weather, the centre parking lot inside the race track could not be used to the best of advantage and a tractor was kept very busy hauling cars out which had ventured too far into the soft mud. The show was counteracted by spreading loads of gravel on the spongy ground so that a grip could be had.

The Bellevue Band supplied music during the period of the exhibition and the midway barkers kept up their cries to interest the people into entering the various shows and rides set up on the grounds. Meals were served in the dining hall at the entrance by a new organization known as the Community Centre, and a real good meal and service could be obtained at a nominal price. Mr. Carlyle Dickson, Secretary of the Centre, was busy at the office on the grounds keeping the records and arranging the sale of seats in the arena for the horse show and other events in the evening.

About fifty veterans from the St. Anne Military Hospital were guests of the Ormstown Exhibition Board on Friday and were entertained to lunch and shown around the exhibition. They were attended by military nurses and by members of the Canadian Red Cross and transported to Ormstown in special buses. Many of these veterans were in wheel chairs and attracted much attention wherever they were seen.

A highlight of the concluding ceremonies of the 1947 Ormstown Exhibition was a series of presentations made to the junior members of the Calf Clubs and the showmen of the O.B.E. Show President, Donald Black, and Douglas Ness presided over the ceremonies.

The Junior champion in showmanship received the Roland Glen Memorial Trophy, awarded by Mr. and Mrs. Roland Glen, in memory of their son. She was Bernice, a 14 year old daughter of Mr. and Mrs. Douglas Ness of Howick. Experts consider her one of the most expert junior "showmen" in Canada.

Miss Marian McRae of Howick, daughter of Mr. and Mrs. Ken McRae, was winner of the senior championship in showing, while the Family Herald and Weekly Star Trophy, for boy or girl between 12 and 21 in a field of 76 entries was Donald McCaig, son of Mr. R. L. McCaig of Ormstown.

The Kiwanis Club have been particularly active in encouragement of junior work and Wilson Parker, chairman of the Agricultural committee of the club presented prizes to the Junior Judging winners. They were in order, Ken Roy, son of Mr. and Mrs. G. Roy, Russell Tully, son of Mr. and Mrs. Wm. Tully, Huntingdon, Harold McCaig, son of Mrs. R. L. McCaig of Ormstown and Basil Kelly, son of Mr. and Mrs. Wilfred Kelly, Huntingdon.

John McCaig, Federal Government field livestock promotion representative of the Beauharnois District, and official in charge of the junior, judging, calf and showmanship clubs was paid high tribute for his work, and the fact that 76 entrants in one class represented an all time junior entry record.

"This was a great season for the Junior and Senior Showmanship, junior judges" commented Gilbert McMillan, "and we may well be proud of our coming stars in the farm world."

LIVESTOCK MEN GATHERED TOGETHER AT ORMSTOWN EXHIBITION

Above the Gleaner photographer was able to snap a group of notable livestock men as they were interested in the judging of the livestock at the Ormstown Exhibition. Reading from left to right they are: Sitting: Gilbert McMillan, President of the Beauharnois and district Livestock Breeders' Association and chief officer of the Exhibition; Hon. R. R. Ness, M.L.C., noted Ayrshire breeder and head of the firm of R. R. Ness & Sons, Howick, Que.; Major MacRae, R. Brodie Ness, J. S. Hamilton, Jacques De Bruin and P. D. McArthur, noted Ayrshire breeder of Howick, Que. Standing back row: W. Richardson, E. H. Stoltz, John Dickson, President of the Montreal Milk Producers Association and Frank Smith.

Maple Leaf Grange...

Men's night was observed at the last regular Grange meeting. The program, in charge of the W.M. Bro. A. W. Elder, consisted of both sacred and sentimental songs, instrumental music by Fred and Nicol Stark; song by R. Whitehead; clog dance by Tom Brennan; a recitation by John Henry entitled "How We Tried To Trick The Teacher", a reminiscence of olden days at Eddie's School, back in 1891. Stanley Currie, the famous magician of Huntingdon was present and delighted the audience with his various magic performances, which were very much enjoyed by all present.

The guest speaker of the evening was Mr. Lawrence Hapgood of Bangor Grange, but at present engaged in educational and clerical duties in Malone. His address on "Inescapable Ideals" was most interesting and inspiring and will long be remembered by those who had the privilege of hearing him.

On Thursday, four members attended the Franklin County Pomona Grange meeting at Gabriels, N.Y. The next quarterly meeting will be held with Maple Leaf at Kensington early in September.

The Church service on Sunday night was exceptionally well attended considering the rainy weather which has been typical during this spring season. Rev. C. T. Martin, of Bombay, N.Y., conducted the service, taking his text from the book of Genesis: "So God Created". Ernest Salter was organist and the choir was composed entirely of Grange members. A duet, "The Stranger of Galilee" was effectively rendered by Eric Salter and Mrs. Salter. The offering is to be given to the County Hospital.

Huntingdon Youth Association Crest Competition

FIVE PRIZES **FIVE PRIZES**
For entry chosen as the Crest of the Association designed by a boy or a girl—\$3.00.

Special prizes for next best entries: Boys' 1st, \$1.00; Boys' 2nd, 50c; Girls' 1st, \$1.00; Girls' 2nd, 50c.

The above association which has been organized for the benefit of the youth of Huntingdon will commence operation indoors, as soon as the building becomes available for use, and during the summer months, will operate an outdoor program. It is felt that a crest which can be used for members' sweaters and also printed on membership cards, stationery, etc., should be adopted and hence the reason for this competition.

The following simple rules should be adhered to:
1. Each competitor should be sixteen years of age or under.
2. Crests must be drawn on white paper and coloured with crayon or water paint. Two colours only including background.
3. The words "Huntingdon Youth Association" or initials H.Y.A. must appear somewhere on the crest.
4. Entries must be in by June 25th and can be accompanied by either the attached coupon or a similar one.
5. The following points will be taken into consideration: Originality. Colours used, shape of crest, Mottos used, neatness.
6. The judges decisions will be final.

Brought into court she told the judge that she had invested the pilfered monies. So astute were her investments she soon found herself with a profit of thousands of dollars, which shocked her conscience into telling all. The judge let her off with a suspended sentence.

The question is: was the bank silly enough to lay her off? Or has she now one of those glass cubicles all to herself with "Vice-President" in charge of investments? Painted on the door? More to the point: what does she think of "Pyrite Gold" at five?—Winnipeg Tribune.

To The Secretary,
Huntingdon Youth Ass'n.

I am interested in becoming a member of the H.Y.A. and have attached herewith my drawing of a proposed crest.

Chateaugay Legion Sponsors Ball Team In Local League

Branch 108 of the Canadian Legion has decided to support one of the five ball teams in the Chateaugay Soft Ball League this year. It was at first anticipated that the Branch would have its own team, with all players being Legion members. After due consideration among Branch 108 members, it was decided that an all-veteran team would put the League off balance as most Senior players would be chosen from the Branch 108. Therefore, will sponsor a team composed of any Ball League players and will be managed by Pete Gilbert and called "Legionnaires." The Branch will purchase the team's sweaters and furnish all necessary equipment for the team throughout the season. Should the Legionnaires participate in any outside tournaments or exhibition games with an All Star, all Legion membership dues will be made available to them for the players.

On Dominion Day, a tennis tournament of softball will be held, among other activities, in the Town of Huntingdon, under the auspices of the Huntingdon Branch 81, Canadian Legion. Our Chateaugay Branch will be represented by a ball team that is chosen from the local ball league and managed by Comrade Pete Gilbert, chairman of the Sports Committee for the Branch. All players and supporters who attend will be transported by a number of volunteers who have kindly consented to give the use of their cars for the day.

The last General Meeting of the Legion, held at the Plaza Hotel, on Tuesday evening, June 3rd, showed the largest attendance ever held at a regular monthly meeting. It was decided at this meeting, that owing to the programme of activities scheduled for the summer season, regular monthly meetings would be carried out during the summer months for the first time. Hope was expressed by the executive that this growing attendance would continue throughout the summer months.

Another decision made at this meeting was that the Dominion Day activities held at Huntingdon this year, would not necessitate the chartering of a Provincial Transport bus, as the attendance would not be sufficient owing to the many activities that take place in Chateaugay on this day.

A number of members volunteered to the donation of blood to a blood clinic in an effort to replace the plasma used by Comrade Bill Wilson during his recent illness.

The large number of applications for membership ever to be had by this Branch was read out before the members present at this general meeting by Comrade John Bonnell, 2nd vice-president.

The meeting was closed shortly after 10 p.m.

Chateaugay Village

The regular monthly meeting of the Women's Association was held at the home of Mrs. David Reid, Mrs. Ernest Smith was in the chair. The new hymn books were displayed and a very enjoyable afternoon was spent with the singing of many old hymns after the close of business.

Group No. 2 of the Women's Association held a most enjoyable afternoon tea at the home of Mrs. Ross Lang on Tuesday, June 3rd. The weather was unusually beautiful which added to the reason for the outstanding number of friends and guests who attended. Mrs. Melville thanked the hostess, on behalf of all those present, for the enjoyable entertainment.

C.A.C. Holds Successful Dance

Under the guiding hand of Johnny Pugh, the C.A.C. held their initial dance of the season at the Plaza Hotel last Friday evening. Features of the soiree were songs by Barry Graham, George O'Brien and Gerry Duffy.

The dance was a huge social and financial success and the club hopes to hold another in the very near future.

On Friday night the Canadian Legion will hold a dance at the Plaza Hotel. It is hoped that all will turn out for the festivities. Everyone is assured of a mighty fine time.

Schedule Set for Ball League Sunday, June 15th will mark the opening of the 1947 Softball Season in Chateaugay. The first ball will be thrown in at 2 p.m. sharp and all ball fans are advised to be on hand to witness the curtain raiser.

Games will be played every night, Monday through Friday, starting at 7:15 p.m., with a double header each Sunday.

Tentative batteries for the teams are as follows: Wilson's, Mickey Lang, F. Belanger, Plaza, Don Cameron and D. Davis, Corbin's, Myles Kehoe and R. Corbin, Legionnaires.

CHATEAUGAY HEIGHTS

REMEMBER!

Wednesday, June 18th is the next meeting of the Home & School Association, 8:30 p.m. Julia Richardson School Hall. MOTION PICTURES ARE ON THE AGENDA!

Sonny Lilly and Bernard Beaudry, Braut's, Horace Caza and M. Moisson.

Mentors of the various clubs are: Wilson's, Bert Lilly; Plaza, Mike Moynihan; Corbin's, Harold Kelly; Legionnaires, Pete Gilbert and Braut's, John Warren.

On paper all teams appear very evenly balanced and we will not go out on a limb predicting a winner until we have seen the aggregations on the playing field.

SPORTS NOTES

Don Cameron, last year's Most Valuable Softball Player will be back on the mound on opening day and from all indications his pitching arm is in top shape. Paul Bonnell, Chateaugay's hope for padding honours this year, has been undergoing a rigorous training schedule and has been making the new single really jump. George Elliott of the Heights Tennis Club is busy laying plans for the training of juvenile tennis enthusiasts. Sonny Lilly who starred in American hockey last winter will keep in shape this summer on the softball diamond. Comrade Leonard Moore of the C.A.C. predicts great things for his two War Canoes, both men's and ladies', this summer and from pre-season work-outs this observer is inclined to agree with him.

WHERE IS THE INDUSTRY LOCATED?

In 193 towns and cities across Canada there are now some 630 primary textile plants employing 83,000 men and women. The result is a healthy distribution of employment and payrolls over a wide area. One-third of the plants are located in towns with less than 5,000 population and more than one-half of the plants are in towns or cities with a population of less than 25,000. In many of these municipalities the manufacture of textiles is the leading industry and the chief source of steady employment.

Historically, the manufacture of woollen and knitgoods as an industry started in Ontario and the manufacture of cotton goods started in Quebec long before Confederation. The manufacture of textiles in the Maritimes and in Western Canada has shown marked expansion in recent years.

Huntingdon, Que., is one of the smaller centres where the textile industry has become a major part of the industrial activity of the town and community and provides employment for a large number of citizens.

was knocked down by a car and sustained a cut on the mouth and some abrasions on the leg. The accident occurred near Fortin's Drug Store on Chateaugay St., between 7 and 8 in the evening. The young boy and his parents were in town for the evening and apparently the boy had attempted to cross the road and had run into the car, which knocked him down. The driver of the car we understand has arranged to take care of the expense in connection with the accident.

The police were not called and apparently no report of the accident was made. On Tuesday morning at about 11 o'clock, a small boy, Yve Bougie, son of Mr. and Mrs. Emile Bougie of Valleyfield, was hit by one of Riel's transport trucks near the Bougie Store, on Bouchette St. The boy sustained a cut on the forehead which required three or four stitches and bruises on the leg. Dr. McCrimmon attended the boy and later he was taken to his home.

Churchill is Still Alive and May Lead Again

BY LEWIS MILLIGAN

"To the virtue and ability of William Pitt, Earl of Chatham, during whose administration in the reign of George Second and Third, divine Providence exalted Great Britain to a height of prosperity and glory unknown to any former age." I copied this inscription from the base of the memorial statue to the great British statesman in Westminster Abbey. Apart from the history it is doubtful if William Pitt is anything more than a name to the average Englishman today. Yet it was to his statesmanship that the British people owed their national salvation in one of the most perilous periods of their history, and he, more than any other man, was responsible for the creation of the British Empire.

As I read that inscription it struck me that with little alteration it could be ascribed to Winston Churchill and the perilous years through which he led the British people to victory. There is a striking parallel between the lives of the two men. Both entered politics at an early age. Pitt was a great orator, and with an eye to the greatness and glory of England, he rallied the nation to look to its rivals of Europe. He led the British people to victory in the four quarters of the globe. Although he was finally driven from power, he still maintained a passionate regard for the honor of his country, and the last time his voice was heard in Parliament was in protest against what was described as her "degradation by an ignominious alliance with savages" in the war with the American colonies. On this occasion he fell back in a faint into the arms of his friends, and died a little more than a month later, murmuring, "My Country! My Country! How I leave my country!"

Referring to the life of Pitt, Carlyle wrote: "He was for four years King of England; never again he; never again one resembling him, nor indeed can ever be." If Carlyle were living today he would repeat that saying, for Winston Churchill resembles Pitt in all the salient features of his character and actions. Like Pitt, Churchill is of the British Empire—has Britain as produced, and as a statesman and leader of the people in the most terrible and fateful of all wars, he is without parallel. Of Churchill too it can be said: "He was for four years King of England." Whether there will ever again be one resembling him, or whether he is the last of his illustrious line, depends upon whether Britain can regain her position as a great commercial and imperial world power.

The world is vastly different today from what it was in the time of Pitt. The United States—an offshoot of the British Empire—has as a result of two world wars which have weakened Britain financially, inherited a large part of Britain's industrial and commercial prestige. Russia, also as a result of the two wars, and latterly with the help of both Britain and the United States, is now making a determined bid for imperial power.

But Britain, in spite of her poverty at home and her position in certain parts of the Empire, is the only real, established imperial power today. Governments come and go in Britain, and no one party or leader can remain long enough in office to assume the power of a permanent dictatorship. The political changes are superficial; they do not penetrate to the foundations of the State which were laid through centuries of struggle for freedom and constitutional development. The political pendulum swung to the extreme left under Cromwell, but it swung to the extreme right with the Restoration under Charles the Second. It steadied itself in the Victorian Era in which Britain not only ruled the Seven Seas and extended the bounds of civilization, but also led the swiftest movement of industrial, scientific, educational and political progress in the history of mankind.

It is unfair to judge the national stamina of Britain under the present political circumstances at home and abroad, or to judge the moral stamina of the British people in their present state of destitution. Britain is suffering from exhaustion resulting from six years of tremendous effort, endurance and sacrifice as the chief bulwark of world freedom. The British have great powers of recuperation and they may yet emerge stronger than ever from their ordeal by fire and privation. The outlook for Britain today is no darker than when Pitt on his death-bed despairingly cried, "My Country, my Country! How I leave my Country!" Churchill is still alive, and judging by the vigor and the grasp of national and international affairs which he displayed in his great speech of March last in the House of Commons, he may yet lead the British people out into the sunlight of a new and better day.

District News Notes

Athelstan

Mr. A. Mayotte, of Montreal, was the guest speaker at the United Church morning service. Mr. Mayotte is connected with Social Service work in the city. He was most interesting and showed how much the example and teachings of Christ needed to be followed in these days of fear, unrest and distrust in order that the serious problems may be faced and overcome. These Social Service workers are engaged in interesting and worthy work and are worthy of hearty support at all times.

The Sunshine Mission Band of the United Church met Sunday morning for their usual monthly meeting. Betty Boyce, President,

presided. Two of the Band members gave the Scripture lesson which was followed by prayer. The Temperance story "The Stumbling Block" was given by Mrs. Reese, while Mrs. Dawson gave the Missionary lesson entitled "Shanti Runs Away" from the Study Book on India, showing how the Christian Mission Schools are gradually helping the native boys and girls to overcome the fear of charm and magic and to trust God for protection and care at all times.

Mrs. John Maxwell of Phillipsburg, was an over-night guest at the home of her cousin, Mr. George Boyce and family on Thursday last. She also visited her aunt, Mrs. E. C. Boyce, in the Huntingdon County Hospital.

Mrs. Christina Dunn and daughter Ruth, of Medicine Hat, Alta., were guests of Mrs. Gamble, Miss Margaret Dunn and Mr. Jerry Dunn, this past week.

Mr. and Mrs. T. J. Graham were among the guests who attended the Aubrey wedding which took place last week at Burke, N.Y.

Miss Shirley Hesseltine, of Faust, N.Y., is spending some time at the home of her grandmother, Mrs. Mabel Carrigan.

School Notes
Mrs. McCaffrey's Honour Roll for perfect spelling during the month of May has the following names: Russell Forget, Lois French, Pauline Foers, Glen Shearer, Gerald French, Shirley Hamilton.

S.S. Notes
A bronze enamel pin for six months' perfect attendance at Sunday School was given to Caroline Smith, on Sunday.

The June meeting of the Presbyterian Young Women's Auxiliary was held on Monday night, June 2nd, at the home of Mrs. Bert Shearer. 15 members answered the roll call. The opening devotional exercises were Psalm 1, read by Mrs. T. Foers, and the Lord's Prayer repeated in unison. Mrs. George McIntyre held the lesson. The meeting closed with singing "Jesus Shall Reign" and the Auxiliary prayer. Refreshments were served at the close of the business meeting by the hostess.

Miss Elsie Schofield, of Rosemount, spent the week-end visiting her friend, Miss Phyllis Foers.

Miss Greta Ross, Jimmie and May visited at the home of Mrs. A. M. Rowat, Elm Bank Farm, Elgin, on Saturday. Miss Ross is leaving this week for a visit with friends in Winnipeg, Man.

Brooklet

Mr. H. Leslie Rennie of Granby spent the week-end with his parents, Mr. and Mrs. G. A. Rennie.

Mrs. W. J. McCracken and Mrs. Bruce McCracken attended the troupeau tea for Miss Audrey Sadler, at Ormatown.

Mr. and Mrs. Darragh, of Montreal, spent Sunday with Mr. and Mrs. Norman Wilson.

Mrs. Myrtle Sutherland and Jean, of the Beaver, spent Saturday afternoon with Mr. and Mrs. Freddie Elliott.

Sunday guests at the home of Mr. and Mrs. Allen Elliott were Mr. and Mrs. Ernest Rennie, of Rockburn, Mr. Chas. Poole and Mr. and Mrs. Bernard Elliman, of Montreal.

Dewittville

Miss Ruth King, of Montreal, was a week-end guest of her friends, Mr. and Mrs. F. Martin.

Mr. and Mrs. H. J. Ward, of Shawinigan Falls, Que., have bought a house here and at present Mr. Ward is busy renovating the interior.

Mr. and Mrs. H. S. McCole, of New Richmond, Que., are visitors at the home of their son and daughter-in-law Mr. and Mrs. D. S. McCole.

Mr. John Dowbiggin, accompanied by his son-in-law Mr. and Mrs. Geo. Tolhurst and their children Victoria and John, of Montreal, have been staying week-ends at their cottage. They have managed to plant a vegetable garden, which is better than most of the old-timers have been able to accomplish in previous years.

Mrs. C. A. MacArthur and Mrs. Donald MacEwen attended a troupeau tea, in Montreal West, on Saturday, the occasion being in honor of the bride-elect, Miss Helen Booth, daughter of Mr. and Mrs. A. S. Booth.

Miss Arline MacIntosh, who was accompanied by two friends, Miss Lyla Primmerman and Miss Betty Cooke of St. John's, Que., were week-end guests at "Riverdale."

Mr. Ernest Simms and his two daughters, Maureen and Catherine of N.D.G., Montreal, occupied the Island Apt. over the long week-end.

Mr. and Mrs. Gordon Henderson with his son and daughter-in-law, Mr. and Mrs. Ross Henderson, of Hialeah, Florida, are visitors at the home of Mr. and Mrs. Wm. Graham.

Mr. Bob Brown, of Picton, N.S., who has just finished his classes at McGill University, spent Sunday at the home of Mr. and Mrs. Ken Fearce.

Mr. and Mrs. J. E. Seymour and son Lorne, of Montreal, spent the week-end at the home of Mr. and Mrs. D. S. McCole.

Mrs. Elizabeth McEwen, Mrs. Kenneth Pearce and Mrs. Wm. Graham attended the troupeau tea in Ormatown, on Saturday afternoon, for Miss Audrey Sadler.

Obituaries

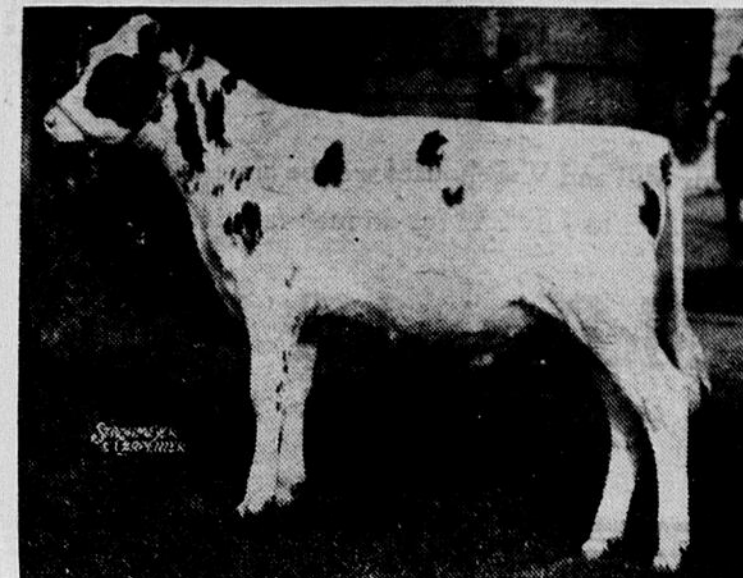

The Late Mrs. Mary Robbin
Funeral services for the late Mrs. Mary Robbin were held from the home of her mother, Mrs. Catherine Woods, on Saturday, June 7th, to Zion Church, Dundee, Que., with the Rev. A. E. Hagar in charge. Burial was in Zion Church Cemetery.

The pallbearers were Messrs. N. D. McPhee, W. S. Smellie, Adam Patterson, Thomas Kay, Henry Wilson and Ralph Lamica.

The deceased was in her 46th year and was born in Leslie, Scotland, on June 15th, 1901, the daughter of the late Andrew Johnston and his wife Catherine Robertson and passed peacefully away on June 4 at 6:30 p.m. after a lingering illness of 3 months. She leaves to mourn her loss her mother, Mrs. Catherine Woods, of aunt, Mrs. Christina Berry, of Dundee, Que., and a number of relatives overseas in Scotland.

The Late Mrs. David Charles Elliot
The death occurred on Thursday, June 5th, 1947, of a long time resident of Howick, in the person of

PROVINCIAL DAIRY SCHOOL BUYS OUTSTANDING AYRSHIRE BULL CALF

The Provincial Department of Agriculture recently bought a great breeding bull calf. This calf will go to one of the bigger Ayrshire herds in Quebec, that of the Provincial Dairy School at St-Hyacinthe, where the herd numbers 116 head and which has just been classified for type and is now second only to the herd of R. E. Ness and Sons, of Howick, in the best herds of 40 cows or more in Canada.

The purchase of this young bull required much study. It was time to look for a replacement for the famous bull "Penshurst Mr. Liberty," who is now 15 years old and has been working a long time in the Maskinonge herd, formerly the Deschambault herd. Since that herd has now attained a high level of type and production, it is necessary to rely on line breeding to establish solidly the characteristics acquired in the past. Therefore it was important to buy the best bull available from the Penshurst family, which originated in United States, where it is now the most popular.

Neshaminy Salty — born December 29, 1946, was bought by Mr. Labrecque, Director of the Quebec Animal Husbandry Department. This calf was purchased from the Neshaminy herd of Mr. G. P. Tyler of Newton, Penn. Due to the death of the owner, the herd was sold at auction in May. It was a historical event when 181 head sold for nearly a quarter of a million dollars or an average of \$1,245.00 per head.

Mr. Jacques Berthiaume, Secretary of the Quebec Ayrshire Society was very generous in his praise of this young bull and he warmly congratulated Mr. Labrecque for his good judgment, adding: this bull purchased by the Dairy School is undoubtedly out of a great family which is proven in type as well as in production. His dam was sold for \$5,750 while his sire brought \$16,300.00. The nearest relatives of this calf's family which numbered 12 in the Neshaminy herd averaged \$2,669.00. It must be noted that on each side of his pedigree and for at least three generations, his parents have records exceeding 10,000 lbs. of milk and well over 4% fat.

TIME FOR DECISION

ARTICLE 3
By GEORGE W. JAMES,
The Canadian Statesman,
Bowmanville, Ont.

In this weekly series which is designed to arouse public interest in national affairs before a general election is called it has already been made clear that the CCF party cannot command enough support to form a government, neither can the Social Credit party. Hence the contest lies between the Liberals and Progressive-Conservatives. It is therefore up to the public to decide which party can best serve this country during the next several years which due to the universal upheaval following the war will be the greatest testing time in our history.

FAIR APPROACH
These articles approach the question by endeavoring to be completely fair, by substituting cool reasoning against harsh political harangue, which it is believed is the approach welcomed today by rural readers whose votes will determine the issue when an election is called. Granted therefore, that the contest lies between the two old-line parties, the question then revolves about leadership and the policies of Liberals versus Progressive-Conservatives.

ONE STRONG LEADER
Before discussing policies or examining the present state of the nation under the Liberal government of the day the public will be

the late Helen Louise, wife of David Charles Elliot and daughter of the late Andrew Henderson and Mary Ann Wright, in her 74th year. She is survived by her husband, one brother Robert Henderson and three sisters Mrs. Daniel Craig, the Misses Jessie and Annie Henderson.

She was a member of the Georgetown Presbyterian Church, an ardent worker in the W.M.S. and a loyal supporter and worker of the Red Cross.

Rev. McBride conducted the funeral service which was held at Georgetown, on Sunday. Cousins of the deceased acted as pallbearers. The beautiful floral tributes showed the esteem in which the deceased was held.

interested in who will lead these contending parties what their past record, where do they trend? It has already been asserted that John Bracken will lead the Progressive-Conservatives in the next election, having already increased his House following by more than 70 percent. That point is clear and settled. That party has thus a strong, experienced leader whose personal story will be told later.

LEADERSHIP UNCERTAIN
On the other hand, Prime Minister King has made it clear he will not lead the Liberals in another general election. Nor has he given any indication who he wishes to succeed him, although Liberal stalwarts have approached Mr. Coldwell, CCF leader to lead the Liberal party. The prospect, therefore, is a virtually leaderless Liberal party coming up to a general election. It is a prospect which the public must accept in view of the following statements by Mr. King.

CONFIRMS RETIREMENT
Speaking at his 25th anniversary banquet, Aug. 7, 1944, he declared he would lead in only one more general election which took place in June, 1945. Speaking in Prince Albert, May, 1945, where he was defeated, he said the same thing. He repeated the assertion at a non-partisan dinner, June 18, 1946. Elected in Glenora, Aug. 24, he said it was his last contest and when turning over the Department of External Affairs, once again the same statement was made.

MINISTERS RESIGN
All this is from the record. It has been particularly disturbing to his followers who are becoming openly critical of the situation. Five of his most able Ministers quit from his cabinet: Hon. P. J. A. Caudin, Hon. J. L. Ralston, Hon. Angus Macdonald, Hon. T. A. Crearer and Hon. C. G. Power. Each has been outspoken in criticism since retiring. The staunchest Liberal of all, Hon. C. G. Power, 30 years in the House of Commons, writing in Maclean's Magazine, Feb. 1, 1947, said in part:

MR. POWER SPEAKS
"All my life I have been a Liberal; now I am looking for a place to vote Liberal. What the party urgently needs is a house cleaning — the traditional party of progress and reform has gone off the track and is travelling in the ditches of expediency and improvisation, first Right, then Left... a resurgence must come upward from the ranks."

LEFTIST WARNING
"From what does it require saving? From opportunism at neglect of principle and from the possibility of coalition with the followers of any other political philosophy. Both alignments are begotten of what can only be called the off-putting mania. The fact is in the Liberal ranks across Canada the old, healthy grooves have given way to pessimism, disappointment, defeatism and despair."

CASE STRENGTHENED
There was much more to this staunch Liberal had to say which may be

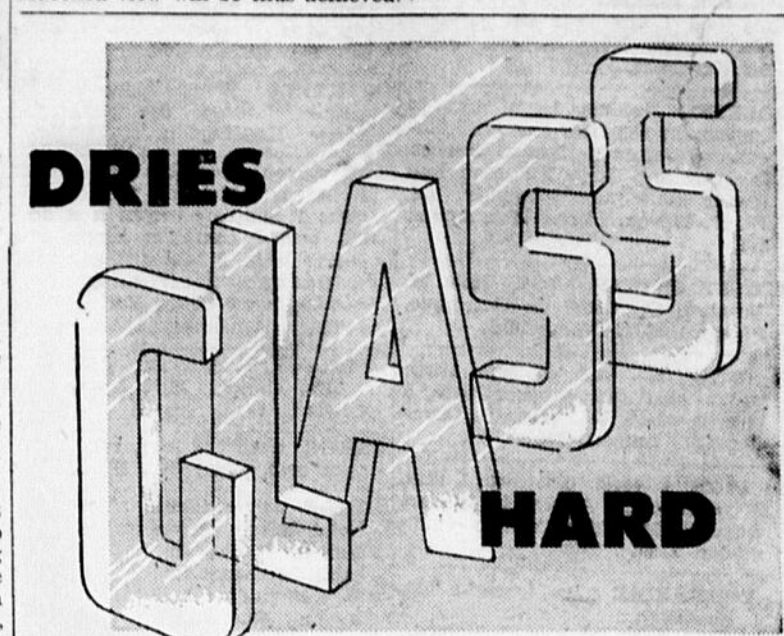

quoted later. It was published after this weekly series was begun and as will be seen is entirely in line with the objective stated in Article 1, which declared the need for an informed public opinion and the need to restore sound responsible government with full freedom for everyone. Hon. Mr. Power has immeasurably strengthened the case which these articles seek to develop.

NON-PARTISAN VIEW
As this series progresses other witnesses will be called whose positions in public life mark them as authorities much concerned with this question of responsible leadership. In quoting prominent figures such as Mr. Power a non-partisan, reasoned view will be thus achieved.

Today we Live in a Greater Canada

Ours Today —
The POWER
of a hundred million men!

TODAY CANADA is producing far more electrical power than ever. Water power installations are 25% greater than before the war! Now they total over 10 million h.p. — furnishing energy equal to that of more than 100,000,000 workers.

Our development of that power — in which we rank second in the world — made it possible for us to become one of the most important of manufacturing countries, with vastly increased opportunities in every field of activity.

Yet our present installations, tremendous as they are, represent only 20% of our recorded resources!

With long distance transmission of electricity, water power became a dominant influence on Canadian development. The 18-mile line between St. Narcisse and Three Rivers in 1897 was the first high-transmission line in the British Empire.

After the turn of the century the advance was rapid. Greatest industrial user of electrical power was pulp and paper. Water power was the basis of its tremendous development as it became Canada's greatest peace-time industry.

With the war, aluminum became the biggest user, taking one-quarter of all electric energy generated in Canada. Greatest wartime development was mighty Shipshaw on the Saguenay, where the power generated is greater than that at Boulder Dam.

"UNSURPASSED OPPORTUNITIES"

KNOWLES BAILEY, after becoming thoroughly experienced in the wholesale tobacco business, started his own firm in a Toronto basement with one helper, twelve years ago. By his organizing ability, enthusiasm and plenty of hard work, he has built up a four-million-dollar business with 100 employees, 4 warehouses, sales offices throughout Canada and two factories.

MR. BAILEY says: "Twelve years ago I was sure there was no better place than Canada to start a business. I'm surer than ever today. Today, more than ever before, Canada offers unsurpassed opportunities for young men to turn their energy and enthusiasm into successful careers."
