Thirty-Third Year.

IMPORTANT RULING BY JUSTICE DEPARTMENT

No Word Of French Plane—Rumors Of Changes At Quebec

Business Section Of Weymouth Is Razed By Flames

Twenty-Three Buildings Razed by Flames—Some Time Had Passed Before Fire Was Observed, and Then Even Dynamiting of One Building Did Not Prevent Conflagration from Spreading.

(Canadian Press Despatch) WEYMOUTH, Digby County, N.S., Oct. 2.—Twenty-three buildings, comprising half of the business section of this place, were destroyed by fire this morning, resulting in an estimated loss of \$300,000. The blaze, of unknown cause, started in the general store of R. B. Barkhouse at five o'clock, and with the assistance of fire fighters from Digby and Yarmouth was under control at ten o'clock.

John Duval Dodge, above, member of the famous automobile family, proved the hero of the disastrous Detroit night club fire. Young Dodge, passing the scene, dashed into the burning building to rescue several women. He was burned slightly.

Flames Spread Rapidly. Some time had passed before the fire was observed, and then even the dynamiting of H. M. Journey's dry goods store did not prevent the conflagration from spreading. The wind was mild, with a light rain. The buildings destroyed included two general stores, a hotel, theatre, several apartment buildings and blacksmith shops, four residences, and smaller commercial establishments.

Owners of Destroyed Buildings. Following is a complete list, with the owners: General store, R. B. Barkhouse; general store and lumber, Geo. O'Hankinson; hotel, Fred Melanson; community theatre building and office; pool and billiard parlor, residence, apartment building, H. Hollowell; blacksmith shop and auto show room, S. C. Theriault; blacksmith shop, E. Brook; boat shop, with Odd Fellows' Hall overhead, Agnes Comeau; building with shop, F. Melanson; building with barber shop and apartment, Israel Melanson; Maritime Telegraph and Telephone office, premises owned by G. O'Hankinson; tailoring establishment, A. S. Comeau; drygoods store, H. M. Journey; barber shop, confectionery store and residence, J. Comeau; Harris Garage; Brown's jewelry store; barn, Fred Melanson; office and residence, Dr. Cormier; residence occupied by Captain Arthur Moore and Minard Walker; woodwork factory, A. G. Comeau.

CHURCH UNION RATIFICATION IMPRESSIVE

Union of Church of Scotland and United Free Church of Scotland Solemnly Sealed and Ratified Today.

EDINBURG, Scotland, Oct. 2.—Union of the Church of Scotland and the United Free Church of Scotland was solemnly sealed and ratified amid scenes of great impressiveness today. Members of the respective assemblies met in their own assembly halls and marched in procession to St. Giles' Cathedral. As both processions converged near the Cathedral, a rainbow appeared in the sky and was taken as a happy omen.

The Duke of York, Lord High Commissioner, addressed the assembly after the services, stating that King George had been keenly disappointed that he was unable to carry out his hopes of a visit to the Assembly in person.

BELIEVES CANADA WILL BE IMPORTANT GOLD PRODUCER

WINNIPEG, Man., Oct. 2.—Manitoba is as wealthy in its potentialities as the Colorado of seventy years ago, believes Courtney Ryler Cooper, well-known writer. And the province has an advantage over the gold state because of the progressive strides in mining engineering, the journalist says. Cooper is to visit northern Manitoba.

Canada is destined to be a great gold producing country, in Cooper's opinion. He points out that all gold has not been discovered in the pre-Cambrian geological formation and that Canada boasts about eighty per cent of the Pre-Cambrian formation of the world.

Parliament And Not Government Of Canada Has Power To Govern Shipments Of Alcoholic Liquors

Government Obtains Opinion of Department of Justice and Finds that Government Has Not Authority to Prohibit by Regulation Export of Liquor to Any Country Where Importation of Liquor Is Prohibited or Restricted—Opinion Has Particular Application to United States.

(By Canadian Press.) OTTAWA, Oct. 2.—The Government of Canada has not the power to prohibit by regulation the export of liquor to any country wherein the importation of liquor is prohibited or restricted. The opinion, which has particular application to the United States, was furnished recently to the Government by the Department of Justice. Following a meeting of the Cabinet Council last evening, Premier Mackenzie King announced that the Department of Justice had been requested to state whether or not he and his colleagues could prohibit by regulation liquor export from Canada to a prohibition country.

Reply in Negative. The reply was in the negative. "That means that any action for the prohibition of liquor export to countries where its importation is prohibited or restricted must be taken by Parliament," added Premier King. "Will action be taken by Parliament?" Mr. King was asked. "That is for Parliament to say," he replied.

The fact that the Prime Minister and his colleagues asked for the opinion of the Department of Justice on the question of prohibiting the export of liquor to prohibition countries indicates that the matter has been receiving some attention. Some time ago, it was indicated by the Government of Canada, that consideration would be given to any steps which would tend to assist the United States in the enforcement of her prohibition law. The demand of the United States for the refusal of clearances to liquor carriers was most decided, but the Canadian authorities expressed some doubt as to the efficiency of this step. They also suggested that the United States preventive service could stand some "tightening up," and that Canada would be more inclined to help out the United States if law enforcement was taken more seriously on the other side.

Did Not Make Comment. The Prime Minister did say last evening that the Government is prepared to bring down legislation at the next session of Parliament for the prohibition of liquor to export to the United States. His statement, however, indicates that serious consideration has been given to the situation now prevailing. Possibly action will be decided on between now and the time Parliament meets.

PRINCE HELD INVESTIGATIVE. LONDON, Oct. 2.—The Prince of Wales in behalf of the King held an investiture at St. James' Palace this morning.

MR. G. E. EWING APPOINTED NEW BANK MANAGER

Former Inspector to Succeed Mr. L. P. Bishop, Who Has Been Transferred to Vancouver.

Important changes were announced in the management of the Dufferin Avenue branch of the Canadian Bank of Commerce today. Mr. L. P. Bishop, who has been manager of the office since May, 1927, is to be transferred as manager at Vancouver, while Mr. George Ewing, formerly inspector of Quebec branches, has been named to succeed Mr. Bishop here. Mr. Bishop first came to Sherbrooke in 1925 as inspector of Quebec branches, and on the retirement of Mr. E. W. Farwell as manager of the Dufferin Avenue office Mr. Bishop was appointed to replace him.

Mr. Ewing, who had been stationed at Fort William, was transferred to Sherbrooke as inspector in place of Mr. Bishop, and moved to Montreal in August of this year when the superintendent's and inspection departments were taken to the latter city.

The change in the local office is effective immediately, and Mr. Ewing has taken up his duties. Mr. Bishop will leave for the Pacific Coast about October 15.

VICTORIA, B.C., Oct. 2.—Most Rev. S. P. Matheson, Archbishop of Rupert's Land and Primate of All Canada, who is suffering from a slight indisposition while visiting this city, was reported much improved yesterday.

Premier States Bye-Election To Take Place In Richelieu County Before Next Session

Moving of Hon. J. L. Perron from Upper House to Assembly Is Believed in Fairly Well Informed Circles to Be But Prelude to Other Changes.

MONTREAL, Que., Oct. 2.—Neither denial nor affirmation was given yesterday by Premier Taschereau to the report from Quebec that Hon. J. L. Perron, Minister of Agriculture, would contest Richelieu county in a bye-election to be held shortly. The Premier said the bye-election in that county would be held before the next session, which means sometime during 1929, since the session is held early in January, and in any event it is not expected that the Government would subject the electors of Richelieu county to exposure to rigorous climatic conditions.

May Be Prelude to Other Changes. The moving of Hon. Mr. Perron from the Upper House to the Assembly is believed in fairly well-informed circles to be but the prelude to other changes, the Government purpose being to face the Legislature next session with somewhat of a changed front. The story that Hon. A. G. Gagnon, Minister of Public Works and Labor, would leave the Government is being given credence to a still further extent in political circles, hence the bye-elections in Bellechasse and Vercheres, the latter due to the appointment of Adrien Beaudry, chairman of the Quebec Public Service Commission, to a portfolio in the Government.

Move To Regain Losses. There is a probability that in the re-arrangement of the Cabinet there will be an adjustment in portfolio, and that public works, which is largely a matter of bridge building linked up with the highways, will be attached to the Department of Roads and Mines, over which Hon. J. E. Perrault presides. The labor portfolio could be disposed of otherwise, and it is being mentioned that it may be linked up with health, and Dr. Anatole Plante, M.L.A., for Mezier, Montreal, made minister of such a department. The latter appointment would, it is pointed out, mean that the Government will make a determined effort to regain its losses in Montreal, and a Montreal city member in charge of labor and public health is held to be one of the factors in that direction.

Serving of Wine In Taverns. In the effort to get still closer to the urban dwellers so as to hold the city seats which are now Liberal and to add others to the Government forces, the question of whether wine should be sold in taverns commences to loom up much larger. It is known that a considerable number of Liberal deputies favor such amendment.

Protestant Ministers Have Same Civil Right As Catholic Clergy In Solemnizing Mixed Marriages

Marriage Performed in Province of Quebec Between Catholic and Protestant, Even Though It Is Celebrated by Protestant Minister, Is Valid, According to Judgment Rendered by Mr. Justice Surveur in Montreal—Decision Based on Supreme Court Ruling.

(Associated Press Despatch) MONTREAL, Que., Oct. 2.—A marriage performed in the Province of Quebec between a Catholic and a Protestant is valid, even though it is celebrated before a Protestant minister, Mr. Justice E. Fabre Surveur, declared yesterday in the Superior Court, in refusing to annul the marriage of Joseph Beauvais, a Protestant Indian of Caughnawaga and Marie Jenne McComber, whose Indian name is Tekanerrattanen. The judgment is considered of extreme importance in that it departs from other local jurisprudence. Mr. Justice Bruneau, when he was on the Practice Court division of the Court of King's Bench, annulled a great number of marriages of this kind after they had been annulled by the ecclesiastical authorities, and several other judges have followed the same practice.

Mr. Justice Surveur based his judgment of yesterday on a ruling of the Supreme Court of Canada delivered in 1912 (case 46 SCR 139) and on the case of Plante vs Zainis (63 CS 165), in which the same principle is upheld. Beauvais and Miss McComber were married in Mountain Street United Church by Rev. Stephen

NEW SUPREME COURT JUDGE HAS NOT YET BEEN NAMED

OTTAWA, Oct. 2.—There is a possibility that the successor of Mr. Justice Mignault on the Bench of the Supreme Court of Canada will not be appointed until the return of Hon. Ernest Lapointe, Minister of Justice, from England some two months hence. Premier Mackenzie King said today that no appointment had been made at yesterday's meeting of the Cabinet, and that the vacancy might stand until Mr. Lapointe returned.

to the liquor law, claiming that the referendum in 1919 was on the question of beer and wine, and that wine was not granted to the mass via the tavern, with the masses of labor men flow when in want of refreshment.

THE WEATHER

STRONG WINDS, WITH RAIN. The tropical disturbance is now centered in Southern Virginia, moving northeastward. Pressure is high in the Middle Western States and low in the Mackenzie Valley. Except for showers on the Maritime coast the weather has been fair throughout the Dominion, cool from the Great Lakes eastward and moderately warm in the West. Forecast: Strong northeast winds or gales, with rain to-night and early Thursday, then clearing.

Mr. Daniel P. Gilmour, K.C., newly appointed senior English Crown Prosecutor for the judicial district of Montreal in succession to Hon. A. R. McMaster, K.C., who becomes provincial treasurer. Mr. Gilmour was born at St. George, N.B., where he attended grammar school. After graduating from McGill University he read law with Brown, Montgomery and McMichael, with whom he practiced law from 1913, when he was called to the Bar of Montreal, until 1919, when a partnership was formed with E. S. McDougall. This partnership was dissolved in 1922 and since that time he has practiced alone. He was created K.C. in 1922. Mr. Gilmour is thoroughly familiar with the duties of Crown Prosecutor as he served on the Crown staff of the Montreal district from 1919 until 1924, when he resigned.

EGYPTIAN CABINET RESIGNS

(Associated Press Despatch) CAIRO, Egypt, Oct. 2.—The Egyptian cabinet, headed by Premier Mahmud Pasha, resigned today in order to prepare the way for new parliamentary elections and give the people of the country an opportunity to express their opinion regarding the proposed new treaties with Great Britain.

Each Day Sees New Aspirants For Seats In Ontario Legislature As Enthusiastic Campaign Continues

Although Next Few Days Will Be Quiet Ones for Leaders, Work of Nominating Candidates Will Continue—Party Leaders Have Finished Two Weeks of Strenuous Campaigning and Are Without Engagements for a Day or Two.

(Canadian Press Despatch) TORONTO, Ont., Oct. 2.—The next few days will witness a lull in the Ontario Provincial election campaign, Premier Ferguson, W. E. N. Sinclair, Liberal leader, and J. G. Lethbridge, Progressive leader, have finished two weeks of strenuous campaigning and are without engagements for a day or two. But while the leaders will not be heard the work of nominating candidates will continue. Each day sees the choice of a dozen or more aspirants to seats in the Legislature.

TELEPHONE OF MAYOR WALKER FOUND TAPPED

Discovery of Eavesdropping Followed Anti-Tammany Charges that More Was Known in High Places of Murder of Arnold Rothstein Than Had Ever Been Made Public.

(Associated Press Despatch) NEW YORK, Oct. 2.—Discovery that all the telephone wires into the office of Mayor James J. Walker, Tammany candidate for reelection to City Hall, had been tapped, was today's pre-election sensation. The discovery of the eavesdropping followed anti-Tammany charges that more was known in high places of the murder of Arnold Rothstein than had ever been made public and that the Tammany Tiger controlled a "tax racket" by which the poor were made to bear the burdens of the favored rich.

LARGE DEFICIT REVEALED IN GOVERNMENT FINANCES

Deficit of \$360,000,000 in Revenue Returns for First Six Months of Financial Year. LONDON, Oct. 2.—A deficit of \$360,000,000 is revealed in the government revenue returns for the first six months of the financial year, it was announced yesterday. But the situation is regarded by experts as being not unsatisfactory, inasmuch as the deficit is \$20,000,000 lower than for the corresponding period last year. Rt. Hon. Winston Churchill, as chancellor of the Exchequer until a few months ago, anticipated a reduction of \$60,000,000 in the revenue over the whole year.

Receipts for the six months totaled \$1,945,000,000 and expenditures \$1,945,000,000. It is pointed out that the receipts have increased by \$24,000,000 and that the second half of the financial year is usually more productive than the first half.

Six More Deaths Are Added To Toll Taken During Severe Storm

Seven Deaths Were Claimed at Nassau, Bahamas, Last Week Before Tropical Gale Circled Florida Peninsula, Turned Inland and Headed Northwestward Across Alabama and Georgia—Traffic Was Generally Interrupted, and in Some Scattered Localities Homes and Buildings Were Damaged.

(Associated Press Despatch) ATLANTA, Ga., Oct. 2.—As the fury of the tropical gale blew itself off some where near the Virginia coast today, six deaths were added to the seven it took at Nassau, Bahamas, last week, before it circled the Florida peninsula, turned inland near Pensacola and headed northeastward across Alabama and Georgia. In addition, the storm's progress across northwestern Florida, southeastern Alabama and Central Georgia, was marked by a trail of tangled communication lines, halted rail and roadway traffic and in scattered localities, damaged homes and buildings.

An unidentified man was drowned near Panama City, Florida, as the wind whipped in from the Gulf of Mexico. Dewey Moore, a thirty year old carpenter, was killed at Albany, Ga., by the falling bricks of a cotton gin. Mrs. I. Doublerly was electrocuted near Black-shair, Ga., by a fallen high voltage wire and a negro was killed near Veldosta, Ga., when an electric wire was blown down upon him. Two negroes were reported killed on a highway near Port St. Joe, Fla.

Excessive rain accompanied the winds from the northward. A half dozen southern Alabama towns were without power and light last night, while highway and railway traffic in eastern Georgia was at a standstill. Little damage had been caused at Pensacola, Fla., where the wind apparently attained its highest velocity, after leaving the Bahamas. Scattered damage to garages and a few broken plate-glass windows was the extent of the wind's fury there.

SHIPPING IS ONCE AGAIN BACK TO NORMAL TODAY

JACKSONVILLE, Fla., Oct. 2.—Shipping, which for a week had been imperilled by the tropical hurricane sweeping out of the Bahamas, today was back to normal. The waters surrounding the Florida peninsula had calmed as the storm blew itself toward the sea from which it had originated, some where in the Carolinas, and with greatly reduced intensity.

The tug Basche, towing the oil barge Olfine from Smith's Bluff, Texas, to Tampa, was drifting off Cedar Keys, with her engines out of commission, but the crew of twenty-two reported in no danger. The Garnet Hullings also reported in SOS calls that the Salina was safely enroute to Baltimore under its own power, following a perilous grounding Sunday off the east coast of the state.

The Truxton a fruit boat, arrived at Tampa after a siege against the high waves without a propeller.

TWO HELD FOR MURDER

(Associated Press Despatch) LOS ANGELES, Calif., Oct. 2.—Identified as the slayer of A. Frank Foster, wealthy Los Angeles soap manufacturer whose widow lived in Toronto, Ont., Nex Fisher, 23, and Alce Celinski, 25, were arraigned in municipal court today and remanded to the county jail without bail. They were ordered to return on October 3rd to plead a murder charge.

Canada Will Profit By Renewing Of Trade Relations With Russia

Sir John Aird, President of Canadian Bank of Commerce, Considers This Move as Part of Britain One of Most Important Things Which Could Happen in Development of Canada's Trade.

(Canadian Press Despatch) ANCOUVER, B. C., Oct. 2.—Resumption of relations with Russia is one of the most important things which can happen in development of Canada's trade, in the opinion of Sir John Aird, President of the Canadian Bank of Commerce, who is in Vancouver enroute to Japan, where he will represent Canadian bankers at the Institute of Pacific Relations Congress. "It is unthinkable that present conditions can continue," said Sir John in the course of an interview. "By resuming relations with Russia I believe Britain and Canada will get a big part of the trade now being enjoyed by Germany and United States." While Russia is not listed among countries which will be represented at the congress, Sir John is hopeful that it will take some part. He believes this to be of vital importance in better relations in the Pacific. Transportation and radio, Sir John believes, will play an important part in deliberations of the congress. While countries are not bound by the decisions of their delegates, he believes that the meeting will have a beneficial effect on business and political relationships.

DISTRICT OF ST. FRANCIS NEWS NORTH HATLEY

An informal reception for the teachers of the Consolidated School will be held at the home of Mrs. T. V. Reed, on Friday afternoon, October 4th, from 4 to 6.

The home of Mr. and Mrs. William Raymond, "Eggleke" Farm, was the scene of an interesting and enjoyable event on Saturday evening, when they entertained in honor of the golden wedding of Mr. and Mrs. Maxfield.

Mr. and Mrs. T. V. Reed spent Sunday at Coaticook guests of their daughter, Mrs. P. T. Baldwin and Mr. Baldwin.

Mr. Howard Church and Miss Audrey Church, of Montreal, were home for the week-end.

Mr. and Mrs. W. C. Bean, of Shawinigan Falls, were recent guests of Mr. and Mrs. A. H. Ham and accompanied them on a trip to Gorham, N.H.

Miss Lucie I. Moy has returned home, after spending several days in Sherbrooke.

Miss Seymour, who for the past thirteen years has been a resident of North Hatley has accepted a position at the post office, after

Chronic Bronchitis

is quickly and safely relieved by Templeton's wonderful RAZ-MAH. Mr. E. Truesmer, Zurich, Ont., got such relief from a sample of RAZ-MAH that he bought a \$1.00 box, sold as always, under guarantee of relief or money back.

RAZ-MAH

At your drugist's.

From Mother of Six

"I think Lydia E. Pinkham's Vegetable Compound is wonderful! I have had six children of which four are living and my youngest is a bonnie baby boy now eight months old who weighs 23 pounds. I have taken your medicine before each of them was born and have certainly received great benefit from it. I urge my friends to take it as I am sure they will receive the same help I did."

—Mrs. Milton McMullen, Vanessa, Ontario.

Lydia E. Pinkham's Vegetable Compound

WHEN A CHILD IS FEVERISH, CROSS, UPSET

Colic, gas, sour belching, frequent vomiting, feverishness, in babies and children, generally show food is souring in the little digestive tract.

When these symptoms appear, give Baby a teaspoonful of the first bottle of food in the morning. Older children should be given a tablespoonful in a glass of water. This will comfort the child—make its stomach and bowels easy. In five minutes he is comfortable, happy. It will sweep the bowels free of all sour, indigestible food. It opens the bowels in constipation, colds, child's ailments. Children take it readily because it is palatable, pleasant-tasting.

Learn its many uses for mother and child. Write for the interesting book, "Useful Information." Address The Chas. H. Phillips Chemical Co., Windsor, Ont. It will be sent FREE, in buying, to nurse to get genuine Phillips Milk of Magnesia. Doctors have prescribed it for over fifty

W. I. PROVIDES REST ROOM AT AYER'S CLIFF

Institute Room at Stanstead County Fair Fills Long Felt Want—W. A. Deaney Meeting Held—Board of Religious Education Met—General Notes and Personals from Ayer's Cliff and Vicinity.

AYER'S CLIFF, Que., Oct. 2.—A very commendable piece of work, of which newspaper mention has not been made, has been undertaken and accomplished by the Stanstead County Women's Institute this summer. This was the building of a rest room for the convenience of the many who need a few minutes' respite from the crowds and confusion during the Stanstead County fair.

As the fair grew and exhibits increased it was felt necessary to enlarge upon the work and for two years past the United Church vestry was rented by the local Institute. Early in the summer, the feeling that a time had arrived for something permanent along these lines was established, a capable committee was chosen from County Institute members to act. The first and most necessary step was to approach the Agricultural Society and County Council for permission and co-operation to locate inside the fair grounds, adjoining the County building.

They were met with such courtesy and consideration as to assure the success of the project at once; financial aid was promised and building plans were at once drafted and work began. The completed room is about eighteen by thirty feet and finished in gyproc and British Columbia fir, with clapboard exterior. Eight casement windows furnish light and ventilation. The furnishings consist of rocking chairs, sofa, crib, table and wash bowl, all of which are of a very pretty cretonne design. A nice preservative touch of color, institute ladies were in charge during the three days of fair to extend hospitality and render assistance, if necessary, to elderly ladies or mothers with small children. The popularity of this room is shown by the conservative estimate that 1500 people rested there during the eighty three

eleven years of faithful service. All recent fair captures very much and wish her success in her new sphere of work.

Rev. E. T. Evans and Mr. Clifford Woodard have returned home, after three weeks in Nova Scotia and New Brunswick.

Mrs. Carlton Turner entertained at a dinner party, at her home, on Monday, in honor of Miss Seymour. A very enjoyable time was spent.

Miss Stebbins and Miss Furman are leaving on Tuesday evening for New York, after spending the summer at "Bagatelle" cottage.

Miss Seymour wishes to thank all those who sent her news letters, subscriptions and advertisements and asks that they transfer their patronage to her successor, Mrs. H. M. Haig.

Miss Seymour left to spend a week with her cousin, Mrs. L. P. Crahan, at White River, Jct., before taking up her new work at the home of Miss Adelaide Kezar.

Miss Adelaide Kezar has returned home after spending a week with friends in Montreal.

Mr. Ronald Reed has returned to Stanstead College, after spending the week-end in town, the guest of his parents.

Mr. and Mrs. Chas. Reed and baby, of Edmundston, N.B., are visiting relatives, here.

Miss Ida Hayes, Mr. George Clark, Mr. Lawrence Hayes and Mr. Karl Kezar were Sunday guests of Mr. and Mrs. Paige Kezar.

Miss Amy Davidson spent the week-end at her home in Way's Mills, the guest of her mother.

Mr. Roland Bean has secured a position in Beebe, and intends moving there shortly.

Mr. Clifford Reed has returned from a trip to Edmundston, N.B.

Deaf Hear Again Through New Aid

Larpiece No Bigger Than Dime Wins Enthusiastic Following Ten-Day Free Trial Offer.

After twenty-five years devoted exclusively to the manufacture of scientific hearing aids, the Canadian Acoustical Ltd., Dept. 464, 48 Richmond St. West, Toronto, Ont., has just perfected a new model Acousticon that represents the greatest advance yet made in the recreation of hearing for the deaf. This latest Acousticon is featured by a tiny earpiece no bigger than a dime. Through this device, sounds are clearly and distinctly transmitted to subnormal ears with wonderful benefit to hearing and health alike. The makers offer an absolutely free trial for 10 days to any one person who may be interested, and a letter will bring you a thorough and convincing test. Send them your name and address today!

annual exhibition of Stanstead County.

The County Institutes were also able to contribute two hand made articles to the W. I. exhibit at the Canadian National Exposition held in Toronto. This exhibit featured Celanese fabrics and the hand painted celanese voile curtains, made by Mrs. F. A. Johnston and sent by the Ayer's Cliff Institute may be seen at the meeting of the W. I. on Friday, October 5th.

W. A. Deaney Meeting for the Coaticook Deaneys, offering the following interesting report of the twelfth annual meeting which was held in Hatley, September 24th. At eleven o'clock, standard time, the communion service was held in St. Stephen's Church, Hatley, with twenty-three communicants. The celebrant being the resident pastor, Rev. W. Smith. The W. A. text "The love of Christ constraineth us", the subject of the short discourse was interpreted as, the love of Christ urging us on, and hearts were stirred anew to the mission cause, in the quiet and calm of the old historic Hatley Church.

Following this service, a delicious dinner was served in the newly decorated church hall.

At one-thirty p.m. the business of the meeting began with Miss Matthias, who, in the absence of Mrs. Simms, presided over the meeting. The hymn, "From Greenland's Icy Mountains" and the members prayer in union formed the opening exercises. Mrs. Robertson, president of the Ladies' Guild, presided over the afternoon session, which was a friendly and interesting one for those privileged to attend. Among the visitors besides those mentioned were Revs. E. V. Fitch Bay, Humphries, of East Sherbrooke, Sealey, of Theford, De Gruchy, of Stanstead, Abraham, of Coaticook, Oliver, of Magog, Nichol, of Megantic, Laws and Cross, of Montreal, and many others.

General Notes

Mr. and Mrs. Dwight Paul were guests, last Wednesday, of Mr. and Mrs. John McClary, of Lennoxville.

Rev. F. S. Walden conducted the afternoon service in St. George's Church, on Sunday, September 29th. The rite of baptism was administered to Leonard Marlin at the conclusion of the service.

Mrs. Ives Wyman is slowly recovering from her recent indisposition.

Mr. P. N. Bangs, of Sherbrooke, was at Mr. W. E. Hurd's, on Sunday. The marriage of Miss Adelaide Stenning, only daughter of Dr. and Mrs. W. A. Stenning, Sherbrooke, to Mr. Albert P. Stone, son of Mr. and Mrs. P. H. Stone, Waterloo, took place quietly on Saturday September twenty-eighth, at four o'clock, in St. George's Church. After the honeymoon, Mr. and Mrs. Stone will occupy the attractive home on Main Street, owned by Mr. John Bayley. Mr. Stone who has been manager in the Southern Canada Power Co's office for a number of years and Mrs. Stone will be sincerely welcomed as residents of the village.

The Christening of Mr. and Mrs. E. W. Chadsey's young daughter, took place at three o'clock in St. George's Church, on Sunday, September 29th. Rev. W. Smith, rector administered the rite of baptism, the sponsors being the names of Barbara Jean, Mr. and Mrs. A. E. Hurd, of Coaticook, acted as god-parents.

Mrs. S. E. Rowell is away on a six weeks' visit to Mr. and Mrs. J. M. Elam, Procter, Vt.

Mrs. Elizabeth Thompson, from St. W. C., was at home over the week-end, with her parents, Mr. and Mrs. A. A. Thompson.

Mr. Lawrence Hand, who has been at the home of his grandparents, Mr. and Mrs. Munroe Hand, for the past year, has gone with his father, Mr. Clayton Hand, to Fitch Bay, for the winter.

Mr. Lyle Thompson has been enrolled as a student at Stanstead Wesleyan College.

Mrs. J. M. Jamieson and W. E. Miles from Torrington, Conn., have been occupying the Lee Jenkin's cottage, at Bacon's Bay.

Mr. and Mrs. Wm. Hopkins, Rupert and William Hopkins and A. Rexford enjoyed a pleasant motor trip to Boston, last week. They visited relatives in Washington, Vt., en route.

Word has been received by relatives and friends from Mr. and Mrs. Herbert Colt, who are traveling by motor to Alberta of their safe arrival at the home of Mr. and Mrs. J. P. Capsey, Cambridge, Mr. and Mrs. Colt, who were recently married, expect to return in six weeks time and will be welcomed as residents of Ayer's Cliff. Mr. Colt resuming his position with his uncle, Mr. L. Colt.

Sherbrooke, also a telegram of regret at not being able to be present, from Mrs. Simms. "Gleanings from our annual convention", was read by Mrs. Robertson. Mrs. C. Bowen, of Sherbrooke, as speaker for the afternoon, dwelt on the Nationality of Christ and the urgent spiritual need today of the Nation which persecuted him.

The Junior Diocesan Secretary, Miss Matthias' statements on the work recently acquired by her, showing that this department is succeeding under her wise and ingenious supervision.

The collection amounting to \$12.20 the largest ever, was voted to White Sisters of North West Canada.

Stanstead W. A. extended an invitation for the next annual to meet with them.

A hearty vote of thanks to Hatley and Massawippi concluded a profitable and pleasant afternoon.

Board of Religious Education Meeting

The annual meetings of the Quebec Diocesan Board of Religious Education were held in St. George's Church and Hall on Tuesday, September 24th, in the Holy Communion was celebrated at 10 a.m. by the incumbent, Rev. W. W. Smith. Morning prayer was said at 9:30 a.m., after which the necessary business was conducted in the church hall. Rev. C. R. Eardley, Wilmet, Compton, presiding with Rev. A. E. Lesage, Coaticook as secretary. Considerable discussion took place regarding the Sunday School by Post, which culminated in a motion to ask Rev. C. S. Bowen, its secretary, to undertake a census of all children of church parentage throughout the diocese, who live far removed from the Church. Adjournment was made at noon to the church, where the Very Rev. the Dean of Quebec conducted the noon day intercessions, with a most helpful address on the incident of raising the Widow's Son at Nain.

The afternoon session was presided over by Rev. W. J. Bradbury, Field Secretary of the General Board, who explained what the Board is trying to do to help individual schools, scholars and teachers, and by a delightful talk on the "Art of Story Telling", by the Dean of Divinity of Lennoxville, Rev. Professor Garington.

The clergy and delegates were guests of the Ladies' Guild for supper. At evening, in the Church, the Rev. W. J. Bradbury preached an interesting sermon on the responsibility of the church to the children and afterwards conducted a conference with the delegates. Together the day was a most instructive one for those privileged to attend.

Among the visitors besides those mentioned were Revs. E. V. Fitch Bay, Humphries, of East Sherbrooke, Sealey, of Theford, De Gruchy, of Stanstead, Abraham, of Coaticook, Oliver, of Magog, Nichol, of Megantic, Laws and Cross, of Montreal, and many others.

General Notes

Mr. and Mrs. Dwight Paul were guests, last Wednesday, of Mr. and Mrs. John McClary, of Lennoxville.

Rev. F. S. Walden conducted the afternoon service in St. George's Church, on Sunday, September 29th. The rite of baptism was administered to Leonard Marlin at the conclusion of the service.

Mrs. Ives Wyman is slowly recovering from her recent indisposition.

Mr. P. N. Bangs, of Sherbrooke, was at Mr. W. E. Hurd's, on Sunday. The marriage of Miss Adelaide Stenning, only daughter of Dr. and Mrs. W. A. Stenning, Sherbrooke, to Mr. Albert P. Stone, son of Mr. and Mrs. P. H. Stone, Waterloo, took place quietly on Saturday September twenty-eighth, at four o'clock, in St. George's Church. After the honeymoon, Mr. and Mrs. Stone will occupy the attractive home on Main Street, owned by Mr. John Bayley. Mr. Stone who has been manager in the Southern Canada Power Co's office for a number of years and Mrs. Stone will be sincerely welcomed as residents of the village.

The Christening of Mr. and Mrs. E. W. Chadsey's young daughter, took place at three o'clock in St. George's Church, on Sunday, September 29th. Rev. W. Smith, rector administered the rite of baptism, the sponsors being the names of Barbara Jean, Mr. and Mrs. A. E. Hurd, of Coaticook, acted as god-parents.

Mrs. S. E. Rowell is away on a six weeks' visit to Mr. and Mrs. J. M. Elam, Procter, Vt.

Mrs. Elizabeth Thompson, from St. W. C., was at home over the week-end, with her parents, Mr. and Mrs. A. A. Thompson.

Mr. Lawrence Hand, who has been at the home of his grandparents, Mr. and Mrs. Munroe Hand, for the past year, has gone with his father, Mr. Clayton Hand, to Fitch Bay, for the winter.

Mr. Lyle Thompson has been enrolled as a student at Stanstead Wesleyan College.

Mrs. J. M. Jamieson and W. E. Miles from Torrington, Conn., have been occupying the Lee Jenkin's cottage, at Bacon's Bay.

Mr. and Mrs. Wm. Hopkins, Rupert and William Hopkins and A. Rexford enjoyed a pleasant motor trip to Boston, last week. They visited relatives in Washington, Vt., en route.

Word has been received by relatives and friends from Mr. and Mrs. Herbert Colt, who are traveling by motor to Alberta of their safe arrival at the home of Mr. and Mrs. J. P. Capsey, Cambridge, Mr. and Mrs. Colt, who were recently married, expect to return in six weeks time and will be welcomed as residents of Ayer's Cliff. Mr. Colt resuming his position with his uncle, Mr. L. Colt.

HEALTH & DIET ADVICE By Dr. Frank McCoy

"The Fast Way to Health"

QUESTIONS IN REGARD TO HEALTH AND DIET WILL BE ANSWERED BY DR. MCCOY, WHO CAN BE ADDRESSED IN CASE OF THIS PAPER. ENCLOSE STAMPED ADDRESSED ENVELOPE FOR REPLY. 1025 MCCOY HEALTH SERVICE, LOS ANGELES, CAL.

BUBBLING OUT POISONS

There are many kinds of skin disorders, some of which are caused from outside infection, but the largest number come from disorders of the body. Eczema is one of the commonest of skin troubles, and occurs with small babies and at any other age right up to extreme old age.

The word "eczema" is from the Greek, meaning "to bubble out." There is strong evidence to believe that when eczema comes from a disordered blood stream, the toxic impurities causing the trouble are literally bubbling out through the small vessels which appear on the surface of the skin.

There are over seventy known toxic eczemas, such as the chocolate dipper, the drier's etc. These usually settle on the hands or wrists, and must be considered at least partly due to outside infection. The crust which forms on the baby's scalp is really a form of eczema due to an already toxic state of the blood in the young child. This must come from wrong feeding, either from the mother's breast or from artificial formula feeding. These eczemas of childhood are always easily cured through proper diet. With the adult, the cure is somewhat more difficult but again when the eczema comes from an internal condition the cure is almost entirely through diet treatment. Of course, in many cases local infections occur in the body as for instance in the tonsils or sinuses and may have a contributing effect, but the object of the treatment must always be kept in mind and that is to cleanse the blood stream of any toxic substance whether induced by wrong feeding or through some infection of degeneration from some localized foci of infection.

In studying the constitutional causes of eczema, one must be mindful of the part played by constipation and a disordered liver. But here again we must rely very greatly upon the treatment through diet to effect a cure.

Many cases have come to my attention where eczema was undoubtedly caused as the direct result of the use of vaccines in treating some other disorder. These cases are all ways more difficult to cure than those caused through faulty eating habits. It is usually necessary to fast for a week or two at the start of treatment especially if the immediate cause of the poisoned blood was because of the introduction into the blood stream of some vaccine. After the fast, the diet simply needs to be well balanced.

There are no particular foods which cause eczema; it seems to come mostly from an acidosis of the system through the use of wrong food combinations and overeating of even the best food.

QUESTIONS AND ANSWERS

Effects From Whooping Cough

Question: H.F.D. writes—"When I was a year old I had whooping cough, and from the coughing I lost almost all hearing in one ear. A doctor told me it would be almost impossible for me to ever hear in that ear again, for he said one of the nerves had been deadened and the drum was too weak. Do you think it is possible for me to regain hearing in that ear? Or do you think I have waited too long? I am twenty years old."

Answer—Your trouble may be caused by the closing of the eustachian tube which admits air from the throat into the inner ear. It is often possible to relieve the stoppage by curing any excessive catarrhal condition. This can be accomplished through dieting. I have seen several cases of deafness caused by whooping cough which have been cured through chiropractic treatment. It seems that the continued hard cough practically misplaces some of the vertebrae, which makes an impingement upon the nerves supplying the ear. If more pressure exists on one side than the other, it is possible that the nerve supply will be almost completely shut off. If this is the cause of your deafness you will notice an improvement in your hearing after one or two treatments given by a chiropractor, osteopath or naturopath, or any physician who understands manipulative therapy.

Rice Fattening

Question: Mrs. K. S. asks—"Will you please tell me if rice is good to eat raw? Will it make one fat? Or is it better cooked. I have a friend who eats a lot of it and claims it is fattening. I am underweight, myself, and would like your

opinion about rice."

Answer—Rice should always be cooked, and the unpolished kind used. It is true that rice is fattening, but if you are underweight I would not advise you to try to gain weight by overeating of any kind of so-called fattening foods. It is better to keep your diet well balanced, overcome your nervous tendencies, and your weight will soon come to normal.

1904 — 1929

25th Anniversary

SALE

J. P. GOSSELIN

MAGOG, QUE.

... Important ...

On the occasion of this 25th Anniversary Sale, if it be allowed me, I wish to thank, through the medium of The Record, all my clients, citizens of the Town of Magog and surrounding parishes and villages, for the generous patronage that they have given me since the opening of my first store, until today.

In recognition of the encouragement I have received, I take pleasure in announcing that this big sale, organized for my 25th anniversary, will be for every one of you an occasion to continue the patronage which has enabled me to make my 1904 enterprise a success, and which permitted me to build my present store and to furnish you each day, each week and each month, extraordinary bargains at exceptionally low prices.

Remember, it's the CENTRAL 5c to 1.00 Store MAGOG, QUE. Next to Post Office.

Various new and attractive lines at prices that are right. Glassware, Crockery, Aluminum and Enamel Ware, Dry Goods, Fancy Goods, Novelties, Jewellery, etc.

Remember, it's the CENTRAL 5c TO \$1 STORE Near Post Office.

When Your Eyes Need Attention Consult

E. D. & A. E. SMITH

Bedford District News

FARNHAM

The Record requires a news correspondent for Farnham. Applications should be addressed to Gordon Miller, editor, Sherbrooke Record. Opening dance in Memorial Hall, Stanbridge East, Friday evening, October 4th. Kimball's Orchestra.

FOSTER

The Women's Institute will hold their regular October meeting on Friday, October 4th, at the home of Mrs. Norman West.

COWANSVILLE

Opening dance in Memorial Hall, Stanbridge East, Friday evening, October 4th. Kimball's Orchestra. The members of the local W.C.T.U. were hostesses on Friday afternoon, at a tea and food sale in aid of the Dominion wide Prohibition Education campaign, which is commencing shortly, and which the Provincial W.C.T.U. have undertaken to finance. The perfect weather of the afternoon was a contributing factor to the success of the event, many visitors coming in for a cup of tea between four and six o'clock. The sale was held in the parlors of the United Church and the food table was in charge of

Mesdames H. L. Stowe and J. Robinson, while Mrs. E. A. Turner acted as convener of the tea committee. Autumn flowers were used as centre pieces for the tea tables.

WEST SHEFFOLD

Miss Audrey Jones, of Westmount, was a week-end guest of her aunt, Mrs. R. D. Mills and Miss Forrest. Mr. and Mrs. Gordon Wright and Miss Katie Taylor, of Rosemont, were week-end guests of Mr. and Mrs. W. J. Taylor. Mr. and Mrs. Vernon Mackey, of East Angus, Mr. and Mrs. Stanley Currie, of Montreal, and Mr. Gerald Hayes, of Montreal, were week-end guests of Mr. and Mrs. S. B. Hayes.

Mrs. I. A. Solomon, of Montreal, spent the last week with her parents, Mr. and Mrs. W. L. Lang. Mrs. A. B. Young and Mrs. Arthur Chamberlain and little daughter, Mary, of Foster, and Mr. Edgar Jones, of Keene, N.H., were dinner guests of Mr. and Mrs. W. J. Taylor, on Friday. Friends of Miss L. H. R. Forrest will be pleased to know that she is now recovering from her recent illness. A surprise party was given, on Friday evening, to Mr. J. B. Millward, who left on Sunday for Mont-

real, to resume his studies at McGill University. A small purse of money was given him as a farewell token of his parishioners. Rev. Harrison, of St. Jude's parish, Montreal, has taken over the parish of St. John's, in his stead. Miss Sarah Collyer, of Warden, spent the last week here, the guest of Mr. and Mrs. A. C. Collyer. Mr. W. J. Taylor, who injured his hand severely, two weeks ago, is still under the care of Dr. Picard. His hand is now getting better, however.

The first meeting of the Ladies' Guild of St. John's Church, for the season, will be held at the home of Mrs. W. A. Jolley, on Thursday.

Mr. and Mrs. S. O. Woodard attended the funeral of the latter's uncle, Mr. Sylvester Sweet, of Fulford, on Wednesday. Mr. and Mrs. W. J. Taylor, Miss Sylvia Taylor and Nurse Jensen, of St. Jude's Hospital, Sweetsburg, motored to Newport, Vt., on Thursday last.

Mr. Richard Clarke spent last week-end in Montreal. Miss Gula Taylor attended the Teachers' Convention, in Farnham, on Saturday. Mr. Wm Chapman was called to Waterloo last week, owing to the serious illness of his aunt, Miss Grace Ham, who passed away on Sunday.

DUNHAM

Opening dance in Memorial Hall, Stanbridge East, Friday evening, October 4th. Kimball's Orchestra.

NUTT'S CORNER

Dr. Hogan, who has been testing cattle in this section against tuberculosis, has about completed his work, finding very little of the disease prevalent.

Mr. Leland Gibson, of Moores, N.Y., spent the week-end with his mother, Mrs. Mary Gibson, here. Mr. C. E. Hawley spent Monday last, at Sabrevois, Que., on business.

Miss Alice Chew is spending some weeks with Miss L. Agnes Wedgeworth.

Mr. and Mrs. J. C. M. Hawley are both under the treatment of Dr. Hall, of Clarencville.

Rev. Mr. Hilyer, Missionary on furlough from Bolivia, formerly pastor of the Baptist Church, at Clarencville, preached his farewell sermon at the Church, here, prior to his leaving with Mrs. Hilyer and family for his work in that distant field of labor, after a furlough of nearly two years.

Mr. and Mrs. Collins, of Alboung Springs, Vt., spent Sunday, September 29th, at the home of Mr. and Mrs. H. M. Lake.

A farewell social was tendered to Mr. and Mrs. Hilyer, on Saturday, September 28th, at which a good number of friends were present.

FRELIGHSBURG

Opening dance in Memorial Hall, Stanbridge East, Friday evening, October 4th. Kimball's Orchestra.

BOLTON GLEN

A Club meeting was held at the home of the president, Mr. Gordon Cousens, Saturday night, which was well attended by members and visitors. Part of the evening's programme being put on by the visitors. Vocal and instrumental selections were rendered by Messrs. Gordon Cousens, Howard Whittier, Ted Horne and Robert Hastings, accompanied by Mrs. C. H. Brown, the club's organist. An hour's dancing was also enjoyed. Refreshments were served by the hostess, Mrs. Forest Cousens, after which a few sacred selections were sung in unison, by all present, with Mrs. Grayson Cousens, as accompanist. Among those from out-of-town attending were the Misses Vera Mizener and Jessie Hulme and Messrs. Gordon Cousens, Lawrence Mizener and Cedric Wheeler, of Montreal, Messrs. Horace Bell, Rupert and Wilfred Allen, of West Bolton, and the Misses Marian and Stella Bell and Mr. Edgard Sharby.

The following attended the Knowlton High School sports at Knowlton, on Saturday, Mr. and Mrs. Grayson Cousens, Mrs. C. H. Brown, Miss Eileen and Mr. Glendon Brown, Bernard and Kenneth Paige and the Misses Marian Cousens, Lena Sharby, Florence Mizener and Mr. Edgard Sharby.

The District school No. 9, here, has reached the largest enrollment for many years, there being twenty-seven enrolled.

Mr. and Mrs. Leon St. Martin motored from Trempe, to their farm, here, recently. The Government inspectors are testing the cattle throughout this section.

Miss May Paige has accepted a position as teacher in Gaspé and left for her destination, last week. Mrs. Marion Brown was a guest of Mrs. Andrew McLaughlin, at Knowlton, on Saturday.

ST. ARMAND

Opening dance in Memorial Hall, Stanbridge East, Friday evening, October 4th. Kimball's Orchestra.

SWEETSBURG

Mr. A. A. MacKay, accompanied by his father, Mr. E. C. MacKay, motored from Montreal, on Saturday, to visit the former's sister, Mrs. Galt Lomas and Mr. Lomas. All are pleased to hear that Mr. MacKay, Sr., is somewhat improved in health.

Miss Ethel McCabe, of Stanstead College, was a week-end guest of Miss Olive McCabe.

Guests on Thursday last of Mr. and Mrs. Galt Lomas included Dr. and Mrs. Smith, Miss Hanright and Miss Cowan, of Scottstown, and Mrs. Pennoyer, of Montreal.

The Misses Alice Ruitter and Jessie Persons, accompanied by the latter's guest, Miss Margaret Ross, of Milan, were recent guests of Mrs. G. H. Streeter, at Waterloo. Mr. and Mrs. J. Spurr, of Montreal, were callers on Sunday, at the home of Mr. and Mrs. J. McCabe. Rev. Liddon Nesbitt, rector of Stanbridge East Anglican Church,

FORMER BISHOP IS REMEMBERED AT ST. GEORGE'S

Gold Cross Unveiled at Montreal in Memory of Right Rev. James Carmichael, Bishop of Montreal from 1906 to 1908 —News from Knowlton and District.

KNOWLTON, Oct. 2.—In memory of the Right Rev. James Carmichael, who was Bishop of Montreal from 1906 until his death on September 21, 1908, a gold cross was unveiled, on Sunday, during the morning service in St. George's Church, Montreal. The unveiling was performed by his eldest son, Rev. Canon James Carmichael, rector of St. Paul's Church, Knowlton, who with his two brothers, Dr. H. B. Carmichael, of Montreal, and Frederick Carmichael, of Toronto, presented the cross to the church. The memorial stands three feet high and consists of a cross on a base of three steps. The top and the two arms of the cross are ornamented with crowns set with amethysts and the lower part bears the amethyst episcopal ring worn by the Bishop, while in the centre is placed the pectoral cross he used

assisted Rev. F. T. Norman at the annual Harvest Thanksgiving service, held in Christ's Church, on Sunday afternoon, by delivering a very inspiring sermon which was most attentively listened to by a congregation numbering seventy people. Vegetables, fruit, flowers and potted plants, with quantities of asparagus fern, gave the interior of the church a festive appearance. The service on Sunday next, October 6th, will take place at two-thirty o'clock.

Mr. and Mrs. Hugh Ashness-Wells spent a couple of days in Stanstead, Bebe and Scottstown, during the past week. Miss Viola Scott, of Stanstead College, spent Sunday, at the home of her parents, Mr. and Mrs. Landon Scott.

Mr. and Mrs. Horace Pickel and son, Follin, of Montreal, were week-end guests of Dr. and Mrs. F. H. Pickel and Mr. Eric Pickel.

Mrs. Hugh Ashness-Wells entertained at three tables of bridge, on Saturday evening, in honor of Mr. and Mrs. Arthur Macfarlane, of Epping, N.H.

Mrs. Macfarlane has spent the month of September with her father, Mr. R. D. Wells. Mr. and Mrs. Macfarlane have returned to their home in Epping, N.H.

to wear also set with amethysts. The whole is finished in solid gold. On the base is inscribed "To the Glory of God, and in loving and grateful memory of the Right Rev. James Carmichael, D.D., O.C.L., Lord Bishop of Montreal, Rector of this parish 1882 to 1906 and of his devoted wife, Emma Dubouard. Presented to St. George's Church by their affectionate sons, September 21st, 1929."

The cross was placed on the stone ledge just in front of the rear memorial, but its permanent resting place will be on the table behind the Communion Table.

Canon Gower-Rees, rector of St. George's Church, who dedicated the cross, told the congregation how on Sunday, September 30th, 1908, Bishop Carmichael preached his last sermon in Christ Church Cathedral on the then recent Pan-Anglican Congress and the Lambeth Conference.

"His oratory was never more impassioned," said the Canon, "his eloquence never more compelling and he himself never more inspired. There was no hint that with the pronouncement of the benediction he was to pass out of his life, no premonition that the music of that matchless voice would be forever stilled. In the act of giving his final blessing, faintness overtook him and his last words to his congregation were 'wish you always.'"

Arm in arm with the late Dr. Symonds he passed out of the sanctuary and out of the sight of his people. The next day he went to his rest, widely loved, not only as a preacher and administrator, but as a man of God, a guide, comforter and friend to all who were in need.

"In a special sense" continued Canon Gower-Rees, "he was dear to the congregation of St. George's among whom he labored as assistant minister and rector for thirty-four years. Today we have dedicated a memorial to him and his beloved wife that is both beautiful and unique."

"Incorporated in this memorial are sacred relics, his pectoral cross and his episcopal ring. This is a gift to our church, the church the great Bishop loved and in which his sons were brought up. They have generously thought it right to deposit those valuable relics in our care in this form. We deeply appreciate the sentiments they have demonstrated and we will jealously guard them."

GENERAL NOTES
Mrs. Brenda Duggan and Miss Elizabeth Duggan were in Montreal, recently.

Mrs. Roy and son have returned to their home in Halifax, accompanied by her mother, Mrs. Ralston. Mr. Ralston left on Saturday for his home in Providence, R.I.

Mrs. Morrow is spending two weeks at her home here. Miss Pratt and Mrs. Leslie Davignon spent Friday in Montreal.

Mrs. Davignon has returned from Montreal after spending several

days with Mr. Davignon, who is a patient in the Royal Victoria Hospital.

Mrs. Fleury, Mrs. Desnoyers and the Misses Juliette and Annette Fleury spent Tuesday, September 24th, in Montreal.

Mr. and Mrs. Buss were called suddenly to Waterville, on Sunday morning, by the serious illness of their daughter-in-law, Mrs. Norman Buss.

Miss Willey, who was badly hurt in a motor accident, on Sunday, necessitating the taking of thirty stitches in her face, is improving and able to be out.

Mr. and Mrs. C. E. Soles, of Sherbrooke, were recent guests of Mrs. M. Carter.

Mr. Herick Duggan left on Friday for Montreal, where he has accepted a position with the Dominion Bridge Company.

There was a special session of the municipal council on Saturday, September 21st. There were present Mayor E. E. Fleury and councillors D. H. Green, Adrien Gauthier, Claude W. Buchanan and James C. Blackwood. There were some bills presented and ordered paid. It was resolved that immediate steps be taken to build the filter at the sewer emptying near Benoit's boat house. The chairman of the Water Committee was authorized to buy from Forest Frizzle some springs on his farm and also to connect the water at the Creighton house recently purchased by Mr. K. T. Dawes.

Mr. and Mrs. Sadler, of Limerick, Me., are guests of their son, Mr. E. Edmore Sadler and Mrs. Sadler, at Brue Manor Inn.

Recent guests of Mrs. and Miss Macfarlane include Mr. Arthur Macfarlane, of Epping, N.H., Mr. and Mrs. Walter Macfarlane and son and Mrs. Gordon, of Toronto, and Mrs. Donald, of Asbestos.

Week-end guests of Canon and Mrs. Carmichael at the rectory were Mr. Douglas Erskine and Mr. Harry Carmichael, of Montreal, Mr. and Mrs. Louis Guillet, of Mariville.

Miss Muriel Godden spent Monday and Tuesday in Montreal.

The Misses Robertson, of Montreal, are guests of Miss Mary Knowlton.

The next meeting of the I.O.D.E. will be at the home of Mrs. F. P. Williams on October 10th.

Mr. Paul Gingras, Agronomist of Bedford, was a guest of Mr. L. D. McClintock, on Friday.

Mr. and Mrs. L. H. Pibus and family returned home on Tuesday evening, September 24th, from their summer home, in West Iraco, N.B., where they have spent several months.

The first annual field sports day at Knowlton High School was held on Saturday afternoon, September 28th. There was a large and enthusiastic gathering of students and their friends. D. Frizzle was outstanding among the boys with six first places and one second, receiving a silver cup and medal as a

For Young and Old Alike

ENO is so mild it can safely be given to any child, yet it is quite as effective for grown-ups, eliminating from the systems of young and old alike the clogging waste and poisons which cause intestinal absorption. Refuse substitutes.

The words "Fruit Salt" and ENO are the registered trade marks of J. C. ENO Ltd.

When Babies CRY

Babies will cry, often for no apparent reason. You may not know what's wrong, but you can always give Castoria. This soon has your little one comforted; if not, you should call a doctor. Don't experiment with medicines intended for the stronger systems of adults! Most of those little upsets are soon soothed away by a little of this pleasant-tasting, gentle-acting children's remedy that children like.

It may be the stomach, or may be the little bowels. Or in the case of older children, a sluggish, constipated condition. Castoria is still the thing to give. It is almost certain to clear up any minor ailment, and could by no possibility do the youngest child the slightest harm. So it's the first thing to think of when a child has a coated tongue, won't play, can't sleep, is fretful or out of sorts. Get the genuine; it always has Chas. H. Fletcher's signature on the package.

Hits the spot!

E. T. BOARDS TO CONVENE TODAY AT AYER'S CLIFF

Many Interesting Subjects to Be Discussed at Fall Session of Eastern Townships Associated Boards of Trade and Eastern Townships Immigration Society.

Ayer's Cliff today will be the scene of the fall meeting of the Eastern Townships Associated Boards of Trade and Eastern Townships Immigration Society, and many subjects of interest to the residents of the district will be discussed.

At two o'clock the business session will open, at which the problems of the two societies will be taken up. The presidents will give their reports, followed by a discussion in connection with the formation of a provincial national park, which subject will be introduced by Dr. G. A. Bowen, of Magog. Mr. H. I. McFadden, of Ayer's Cliff, will speak in connection with the relettering of road signs in the Eastern Townships, while Mr. A. I.

Morrison, of Montreal, secretary of the British Empire Immigration and Colonization Society, will speak on boy immigration. At 3:30 o'clock the Women's Institute will hold a meeting, during which the president, Mrs. J. B. LeBaron, of North Hatley, will speak, followed by an address on "Immigrant Help from the Farmer's Point of View," by Mrs. W. H. Holmes, of Stanstead. Following dinner, which will be served at six o'clock in the Confederation Hall, the guests will again convene in the Town Hall for the evening session, at which Dr. J. B. Page, of the Federal Department of Health, Ottawa, will speak on immigration. Other speakers will also address the gathering, including Hon. Jacob Nicol.

CITY BRIEFS

N. at market, October 4th. Anyone having rummage. Phone 230. Weekly tea, St. Patrick's Church Hall, Thursday, October 3rd, 4 to 6. Hostesses, Mrs. S. Hansford, Mrs. Austin Conway, Mrs. W. Davis, Mrs. Fred Conway.

NAVY LEAGUE OF CANADA
Captain G. F. Morris, senior chaplain of the Navy and Dominion field secretary, is in Sherbrooke in the interests of that organization. Captain Morris, who has been with the Navy League of Canada for ten years, is returning from a visit to the Maritime Provinces,

where he has been very successful in creating renewed interest in all phases of Navy League activities. As representative of the Dominion Council, Captain Morris is very anxious to meet those who, some years ago, were active members of the Sherbrooke branch of the Navy League, in the hope that a representative membership may again be secured, and some assistance given to the general work being carried on throughout the Dominion of Canada.

MANY EASTERN TOWNSHIPS SCHOLARS AT MACDONALD COLLEGE

As usual, the Eastern Townships district is well represented this year at Macdonald College School for teachers, no less than thirty-five young men and women from this part of the country being registered in the various classes for the ensuing term.

The Eastern Townships pupils in attendance at the Intermediate classes are the Misses Helen Sarah Anderson, of Coaticook; Ella Norma Bronson, Quyon; Beulah Irene Brundage, Maribon; Alice Linda Donaway, West Shefford; Jean Edwina Ducker, Sherbrooke; Olga Evelyn Lemoine, Melbourne; Frances Elizabeth Lipsey, Lennoxville; Persis Ileana Lowry, Sawyerville; Emily Jane Marchant, East Angus; Laurette Pearle Maxine, Richmond; Ella Louisa May, Coaticook; Sylvia Helen Meade, Sherbrooke; Jennie Ella Miltmore, Sweetburg; Ruby Berenice Parsons, Bury; Kathleen Frances Potter, Magog; Ethel Annie Reid, Leeds Village; Rita Irene Shea, Sherbrooke; Colia May Smith, Mysie; Victoria Alberta Wallingford, Perkins; Muriel Aileen West, South Durham; Winnifred Margaret White, Stanbridge East, and Mr. Howard William Atwood, Asbestos. Those from the Eastern Townships entered for the elementary diploma are the Misses Hazel Iona Aimee, Melbourne; Rowena Valarie Christie, Magog; Alice Maude Clark; Florence Isabel Gilbert, East Angus; Evelyn Gilchrist, Melbourne; Annie Laurie Jewett, Vale Perkins; Evelyn Doris LaBonte, Lennoxville; Irene Victoria Lariviere, Melbourne; Jean Margaret Little, Waterville; Olive Elizabeth Little, Adderley; Gertrude Susanna McMurtry, Quyon; Doris Ellen Parker, Hatley, and Mr. Carl Sidney Burnell.

Quebec Department Of Education Grants To E. T. Schools

The Quebec Department of Education, which has charge of the Protestant superior education fund, has just made public its 1928-29 financial statement, including grants to schools. The Department this year had the sum of \$52,785 available for distribution, the financial report being as follows:

Revenue—Voted by Legislature, \$65,000; interest on Juggits' estate settlement fund, \$2,518.44; interest on marriage license fund, \$1,400; marriage license fees (net), \$15,200.46; and transferred from Protestant accumulated balances, \$5,000. Total \$89,118.90.

Fixed Charges—High School leaving examinations, \$1,965.78; assistant examiners June examinations, \$3,173.05; printing examination papers, etc., \$921.94; and rent of school and contingent expenses, \$273. Total, \$6,333.77.

A detailed statement of the 1929 grants, special grants and bonuses to Eastern Townships schools, also the number of pupils enrolled and the number that passed the June examinations is given below:

In the Province of Quebec Intermediate schools 4,813 pupils enrolled, with 763 in grades eight, nine and ten; and of the 630 presented for the examinations 450 passed. The grants to all the Intermediate schools of the province totalled \$22,800, the bonuses \$6,900, and special grants \$1,600.

Additional special grants to Intermediate schools were: Chambly Canton, \$500; Glen Sutton, \$300; Metis Beach, \$400; Namur, \$500; Rouyn, \$500, and Gatineau Point, \$500, making a total of \$2,700.

The following is a detailed statement of the basis on which bonuses are distributed to Intermediate and High Schools in the Province: Total amount distributed, \$80,115.00. Total grants in 1914 were only \$29,000.

1. Sufficiency of staff (Deductions are made for every pupil over 35 under one teacher), 20 points; 2. Building's (Inspector's estimate), 15 points; 3. Salaries (Minimum salaries as follows: in High Schools \$2,500 for Principal, and \$1,500 for next two teachers; in Intermediate Schools \$1,200 for Principal, and \$750 for next teacher, 20 points; 4. Furniture and apparatus (Inspector's estimate), 10 points; 5. School Grounds (Inspector's estimate), 10 points; 6. Noon supervision of pupils by members of staff, 10 points; 7. Adequate provision for hot lunch at noon, 10 points; 8. Pupils from outside municipalities (full marks given to school having the largest number; others pro rata), 20 points; 9. Diplomas (all teachers to hold diplomas for Quebec), 10 points; 10. Efficiency of staff (Inspector's estimate), 10 points; 11. Inspector's estimate of six subjects upon which there is no examination in June, i.e., Reading, Writing and Bookkeeping, Oral French, Physical Training, Vocal Culture, Drawing, 35 points; 12. Total number of pupils enrolled, 15 points; 13. Local effort to maintain schools (tax of 10 mills gives full marks), 15 points; 14. June Examinations, 100 points. Total, 300 points.

MR. E. C. SOLES GIVES REPORT OF AUTO MEET

President of Sherbrooke Automobile Club, Inc., Reviews Programme of Canadian Automobile Association at Special Meeting Held in City Hall Last Evening.

A special meeting of the Sherbrooke Automobile Club, Inc., was held in the City Hall, last evening, to hear the report of the president, Mr. E. C. Soles, who attended the annual meeting of the Canadian Automobile Association in Quebec City as the official delegate of the local organization.

Mr. Soles, in his report, stated that the Association discussed the proposed trans-Canada highway. At the present time there are seven hundred miles of road to be built to complete a highway from coast to coast. Six hundred miles of this highway is in Ontario and the remaining one hundred miles in Manitoba. The governments of the two provinces in question, however, do not feel that they should fill this gap without financial aid or co-operation from the Federal Government, as the highway would benefit the whole of Canada in an equal measure to that of Ontario and Manitoba. It was felt by the Association that if the proper assistance is given this project the whole undertaking could be completed in five years' time.

It was reported at the meeting that the Federal Government, which had set aside \$20,000,000 to be used for the elevation of grade crossings, has now extended its programme in this connection by another ten years.

The influence of the Association was emphasized by Mr. Soles in pointing out that the Quebec Official Bulletin of September 21st stressed the importance of automobile clubs in promoting the interests of motorists, and likened each club to a spoke in a gigantic wheel, each of which is necessary for the well-being of the entire organization.

Among the matters at present being taken up by the Association are: highway accident prevention, international motor touring, uniformity in traffic regulations, road signs and signals, lights on vehicles, railway-highway crossings, Trans-Canada highway and federal aid to the provinces in road building.

—makes it so easy to keep things bright

BON AMI'S a marvel for cleaning and polishing metals. Soft and scratchless, it blots up dirt and impurities. Apply the snowy-white Bon Ami Powder with a damp cloth... in a jiffy it dries... a few rubs with a clean, dry cloth... gone is all the soil, tarnish, dirt—even stubborn rust spots!

What a joy Bon Ami Powder is all 'round the house. It brings shining, healthful cleanliness to dozens of things.

Of course, for windows and mirrors Bon Ami Cake is unexcelled. This old favorite is today more popular than ever.

Housewives everywhere are learning how convenient it is to keep both Cake and Powder always on hand.

Come and see Miss Lucas. This service is gratis.

C. O. SAINT-JEAN LTD.

RAINFALL FOR SEPTEMBER WAS BELOW AVERAGE

However, Total Precipitation to Date This Year Has Been Somewhat Higher Than Usual—Hours of Sunshine Below Average.

So far as weather conditions were concerned the past month, at least for this vicinity, was a fairly normal one, although the rainfall was considerably below the average according to the monthly report of the Lennoxville Experimental Farm.

The total sunshine for the month was slightly lower than average, 158.2 hours being recorded, whereas the average is 159.2 hours.

The average temperature for the month was slightly higher than the average for the month for the fifteen year period 1915 to 1929, inclusive. The average for September 1929 was 57.84 degrees, while the average for the fifteen year period was only 55.46.

The highest September average on record was 58.23 in 1921, while the lowest was 51.86 in 1918. The highest temperature reached during the month this year was eighty-five degrees on the second and third of the month, and the lowest was twenty-two degrees on September 21st.

Rainfall for the month was considerably below average, only 2.32 inches being recorded as compared with 3.90 inches, the fifteen year average. The rainfall this September, though low, was considerably more than in 1922, when only 1.28 inches or rain fell.

It is interesting to note that in September of the year 1918, in which year the highest rainfall was recorded for the month, the lowest sunshine record was obtained, and also the lowest average temperature for the month was recorded.

LENNOXVILLE

Mrs. Wm Hatcher has returned from visit to friends in Montreal. Mrs. Hatcher returned sooner than expected, owing to the illness of her father, Mr. Sidney Turner.

BRITISH BOYS BROUGHT HERE MAKING GOOD

Mr. A. I. Morrison, of Montreal, Explained Work Carried on by Canadian Immigration and Colonization Society at Rotary Club Last Evening—Kindred Organizations Praised.

The pleasures and difficulties encountered in caring for the thousands of boys brought from the British Isles to this country by the British Empire Immigration and Colonization Society was graphically illustrated at the Rotary Club meeting last evening at the New Sherbrooke House in an address given by Mr. A. I. Morrison, of Montreal, secretary of the organization.

The interest taken by the various Rotary and Kiwanis clubs of Canada in the work of the society was taken up by the speaker in his opening remarks, he stating that these two organizations are doing much to help boy immigration. Reference was made to the Rotary Club of Lindsay, Ont., where each of the forty-eight members brought out a boy from England at his own expense and looked after him on his arrival in this country.

The boys, explained Mr. Morrison, were chosen by agents in the Old Country following a thorough investigation into their character. Each applicant was examined by the society's medical officer as well as by the Canadian authorities' doctors, in order that only those physically fit are brought to this country. Once received, the boys are given the best of care, being under the supervision of trained agents on their journey here. On arrival in this country, the newcomers are taken to dormitories where a careful check-up was made in order to assure that the youths would be given a good home.

Up to the present time, 4,438 boys have been brought to Canada, the numbers increasing every year. In 1928, 373 boys came to this country under the care of the society; in 1927, 800 boys; in 1926, 820 boys and to date this year, 1,810 boys. Ninety per cent of these boys, continued the speaker, made good.

In Montreal at the present time there are 3,000 bank accounts, each one of which is owned by one of the boys, who is allowed one-third of his wages as pocket money, the remainder of which goes into the bank. The amount of the money held for the boys until they are of age totals nearly \$45,000, which gives some idea of the work necessary to keep the accounts checked up and in order.

The health of the boys is also closely watched by the society, and in this connection the speaker stated that a sum of over \$3,000 in hospital expenses had been paid during the past year.

Great praise was given the Catholic Immigration Society and other kindred organizations for the manner in which they co-operated with the society by Mr. Morrison, who said that the best of feeling and co-operation existed.

Some time was taken up by the speaker in relating incidents, both humorous and pathetic, in connection with his work with the youths, who look upon him as a friend and counsellor, and write him regularly. Mr. Morrison paid a high tribute to the wives of the farmers who received the boys, for, he said, they usually took them under their personal care and gave them their best in order to make the youths feel at home and happy.

The vote of thanks was given by Rotarian Tom Keeley. Captain G. J. Morris, general chairman and field secretary of the Navy League of Canada, spoke a few words in connection with the work carried out by the league in aiding both the sailors and wives of sailors who lost their lives during the Great War.

who is a patient in Sherbrooke Protestant Hospital. Ladies' Aid supper, Thursday, October 3rd, from 5 o'clock, in Douglas Hall, 25 cents.

Social and Personal

Mrs. O. R. Webster, Queen Street, is spending a few days in Boston, Mass.

Mrs. Charlotte Porter, of Holyoke, Mass., is visiting her daughter, Mrs. W. A. Ward, Island street.

Mrs. W. E. Paton, Moore Street, entertained a week-end house party at her summer home in Ayer's Cliff, the guests including Mrs. Worthington, Mrs. J. T. Morkill and Mrs. A. W. Blue.

Mrs. F. A. Baldwin and Miss Madeline Baldwin, Victoria Street, motored to Montreal yesterday, and on their return to Sherbrooke they will be accompanied by Mrs. W. P. Rapley, who will be Mrs. Baldwin's guest.

The Sherbrooke branch of the King's Hall, Conceptor Old Girls' Association held a successful luncheon yesterday at the Sherbrooke Country Club. Mrs. Philip Robins, president of the branch, welcomed the old girls from out of town and referred to the object of the Association to keep in touch with King's Hall and old school friends.

Mrs. L. P. Bishop entertained at a very enjoyable bridge party at her home on London Street yesterday afternoon. Bridge was played at three tables in the living room, where yellow "mums" and maple leaves were very effectively arranged. The prizes were won by Mrs. Gordon Armitage, Miss T. Edwards and Mrs. R. Havard.

The marriage of Antoinette, daughter of Mrs. A. C. Miquelon, of Quebec, to Dr. L. Auguste Bourbon, son of Mr. and Mrs. J. H. Bourbon, of Danville, was celebrated at the church on Thursday, October 3rd.

The A. Y. P. A. of St. Peter's Church met in the church hall last evening with a good attendance. The first part of the evening was devoted to business and the installation of officers for the ensuing year, resulting as follows: President, Mr. Edwin Waller; vice-president, Mr. R. Bishop; treasurer, Mr. J. Saunders; secretary, Miss Myrtle Collins.

The Women's League of St. Andrew's Church held their meeting yesterday afternoon at the home of Mrs. Robert Ray, Warren street, with Mrs. Donald Shaw as joint hostess. Mrs. McKelvie, the president, presided and work was distributed for the sale which will be held in the near future. One new member was enrolled, and several items of business attended to. Refreshments were served by the hostesses, and a social hour enjoyed by the members.

Mrs. Irvin Smith entertained last evening at her home on King Street West in honor of Miss Blanche Reid, a popular young bride-to-be. During the evening, cards were played, and later Miss Reid was presented with a large choice basket decorated with autumn leaves and filled with a "shower" of pretty and useful kitchen utensils. The autumn decorations were carried out in the different rooms and were most attractive. Refreshments were served by the hostess, who was assisted by her mother, Mrs. J. R. Cillis.

The Baptist Ladies' Aid held their regular meeting yesterday afternoon at the home of Mrs. Willis Howard.

The St. Patrick Mission Circle held their first meeting since the summer vacation at the home of Mrs. Harvey, Laurier avenue, with the vice-president, Mrs. M. Albert, as hostess. The president, Miss Loretta Steele, presided, and a considerable amount of business was transacted, and plans made for the season's activities. Letters of thanks were read from the Sisters of Service, St. John's Hospital, Edson, Alberta, and Vlna, Alberta, to which hospitals the Circle had during the summer, sent two boxes of infant's clothing and supplies. A letter was also read from the Sisters of the Atonement of Smokey Lake, Alberta, to the effect that the Mother Superior would probably be in Sherbrooke shortly and asking the assistance of the Circle in her mission. It was decided that if possible a lecture would be arranged during the visit of Sister Aloysius in order to give her an opportunity of putting before the Circle and others the work of the Sisters' card party which will be held in Church Hall, on Monday evening, October 7th, and later on a food sale is to be held. Various committees were appointed for the card party, and it was decided that a prize would be given at each table. Members were requested to get up at least one table. Plans were also made for the doll table at the parish bazaar the end of November and Miss Eva McConnell appointed convener.

Miss Patricia Petty, of Quebec, is the guest of Miss Gladys Hale, Melbourne street.

Master Homer Bailey has so far recovered from his recent illness that he is able to be out again.

Mr. and Mrs. L. W. Cook, accompanied by Mr. Charles Cook, motored to Grande Ligne, yesterday, where the latter will attend school for another year.

Mr. and Mrs. A. E. Little, who have spent the past five weeks in the United States, are at present visiting friends and relatives in Sherbrooke and Lennoxville.

Mrs. W. S. McCutcheon, Quebec Street, entertained at two tables of bridge yesterday afternoon in honor of her sister, Mrs. Kenneth Starnes, of Montreal, who is her guest.

Mrs. Allison, who has been spending some time in Sherbrooke since her return from abroad, is at present the guest of Mrs. Boothroyd and Professor Boothroyd in Lennoxville.

Mr. and Mrs. N. J. Picken and Mr. and Mrs. V. B. Quint, of Sanford, Me., who have been visiting Mr. and Mrs. Oakley, Jubilee street, and other relatives for a few days, have returned to their home.

The marriage of Antoinette, daughter of Mrs. A. C. Miquelon, of Quebec, to Dr. L. Auguste Bourbon, son of Mr. and Mrs. J. H. Bourbon, of Danville, was celebrated at the church on Thursday, October 3rd.

The A. Y. P. A. of St. Peter's Church met in the church hall last evening with a good attendance. The first part of the evening was devoted to business and the installation of officers for the ensuing year, resulting as follows: President, Mr. Edwin Waller; vice-president, Mr. R. Bishop; treasurer, Mr. J. Saunders; secretary, Miss Myrtle Collins.

The Women's League of St. Andrew's Church held their meeting yesterday afternoon at the home of Mrs. Robert Ray, Warren street, with Mrs. Donald Shaw as joint hostess. Mrs. McKelvie, the president, presided and work was distributed for the sale which will be held in the near future. One new member was enrolled, and several items of business attended to. Refreshments were served by the hostesses, and a social hour enjoyed by the members.

Mrs. Irvin Smith entertained last evening at her home on King Street West in honor of Miss Blanche Reid, a popular young bride-to-be. During the evening, cards were played, and later Miss Reid was presented with a large choice basket decorated with autumn leaves and filled with a "shower" of pretty and useful kitchen utensils. The autumn decorations were carried out in the different rooms and were most attractive. Refreshments were served by the hostess, who was assisted by her mother, Mrs. J. R. Cillis.

The Baptist Ladies' Aid held their regular meeting yesterday afternoon at the home of Mrs. Willis Howard.

The St. Patrick Mission Circle held their first meeting since the summer vacation at the home of Mrs. Harvey, Laurier avenue, with the vice-president, Mrs. M. Albert, as hostess. The president, Miss Loretta Steele, presided, and a considerable amount of business was transacted, and plans made for the season's activities. Letters of thanks were read from the Sisters of Service, St. John's Hospital, Edson, Alberta, and Vlna, Alberta, to which hospitals the Circle had during the summer, sent two boxes of infant's clothing and supplies. A letter was also read from the Sisters of the Atonement of Smokey Lake, Alberta, to the effect that the Mother Superior would probably be in Sherbrooke shortly and asking the assistance of the Circle in her mission. It was decided that if possible a lecture would be arranged during the visit of Sister Aloysius in order to give her an opportunity of putting before the Circle and others the work of the Sisters' card party which will be held in Church Hall, on Monday evening, October 7th, and later on a food sale is to be held. Various committees were appointed for the card party, and it was decided that a prize would be given at each table. Members were requested to get up at least one table. Plans were also made for the doll table at the parish bazaar the end of November and Miss Eva McConnell appointed convener.

RESIGNATION TENDERED BY MR. W. P. McVIE

Has Been Connected With Local Y. M. C. A. for Several Years and Has Always Taken Deep Interest in All Activities.

It is understood that Mr. W. P. McVie has resigned his position as general secretary of the Sherbrooke Y.M.C.A., and that he intends leaving Sherbrooke shortly.

Mr. McVie has been actively connected with the local "Y" for several years, and has taken a very earnest interest in his work and in the organization. He has been largely responsible for the organization of different clubs and groups within the Y.M.C.A., and has always given his support to the activities of all the various movements which are included in the "Y's" busy programme.

DEAF AND DUMB MUTE GUILTY OF STORE ROBBERY

Rodolph Beaumier, of Montreal, to be Sentenced on Friday Next for Theft at Griffith Drug Store Last Week—Other Cases Before Magistrate.

Rodolph Beaumier, a deaf and dumb mute from Montreal, appeared before Judge J. H. Lemay this morning and was found guilty of the theft at the Griffith Drug Store last week. Sentence was reserved until Friday.

Beaumier, the police claim, was also involved in many of the thefts that have taken place in this city during the past two weeks.

The preliminary inquiry of Oram Carrier, of Popopolis, who is facing a serious charge in connection with an alleged assault upon the person of a young girl, was fixed for Friday next by Judge Lemay.

One year in jail was the sentence given Arthur Masse, of Berlin, N.H., who was found guilty of stealing the car of Thomas Garant at Coaticook on September 3rd. Charles Morin, also of Berlin, who was with Masse at the time, was also found guilty and sentence in his case was reserved until Friday next.

Emile Koryk, of Windsor Mills, appeared before the magistrate on a charge of having threatened David Perron, also of that place. The case was fixed for Friday next.

The cases of Fernand Brunelle, of St. Girard, and Ovide LeFrance, of this city, who are charged with assault, were postponed until Wednesday next on the appearance of the two men in the Magistrate's Court this morning.

A convention would be held at Ormatown on October 15th, 16th and 17th. Mrs. S. A. Jones was chosen as delegate to attend. The secretary reported sending six comfort bags to the sailors. An interesting paper sent out by the Dominion President, was read urging the Union to assist in the educational campaign, which will be launched in the near future. The sum of ten dollars was voted towards the expense of the educational temperance campaign, and the meeting closed with the benediction.

CITY BRIEFETS

CLEARINGS FOR AUGUST HIGHER Bank clearings for the month of August totalled \$4,498,210.38. This sum was greater by \$504,872.08 than the clearings for August, 1928, and an increase of \$675,338.20 over the total for the corresponding month of 1927.

CONDITION OF MR. A. E. WIGGETT SHOWS IMPROVEMENT

The many friends of Mr. Albert E. Wiggett, who has been seriously ill in the Sherbrooke Hospital, will be pleased to hear that his condition shows a slight improvement this morning.

BOYS STARTED IN SEARCH OF ADVENTURE

Hearing loud snores from back of a pile of boards on Meadow street, the constable on duty at one o'clock this morning, started to investigate. He found two eleven-year-old boys asleep beneath a blanket. The youngsters and the blanket were removed to headquarters, where it was found that the robes had been stolen from the car of Mr. George Berwick earlier in the evening. After a severe lecture by the officer in charge, the boys were returned to their parents. The lads had chafed at the restriction of their activities by their parents, and decided to go out into the world and shift for themselves, but fell early into the hands of the law.

OMEGA-ALPHA CLUB MEETING WELL ATTENDED

The regular weekly meeting of the Omega-Alpha Club was held last night in the Y.M.C.A. when there was a very good attendance, with a number of new members being received into the club. In the attendance competition there are prizes every week, and last night the prize went to Willard Humphrey, one of the new members. Afterwards discussion took place on the organization of the new club at Granby, where there are fifteen members lined up to go ahead with the organization. It was decided that on Tuesday next, instead of holding the regular meeting, the

Germs imprisoned on teeth cause decay

A dangerous FILM coats teeth—breeds the bacteria of decay and gum disorders

GERMS cause tooth decay. Germs plus tartar are the chief cause of pyorrhea. Virtually every common disease of teeth and gums results from germ infections. There is but one way known to fight germs and safeguard teeth and gums. You must remove a slippery, stubborn film that glues bacteria to the tooth's enamel. Film forms in crevices and clings so tenaciously that ordinary brushing fails to remove it successfully. Today dentists are urging patients to turn from other ways to the special film-removing dentifrice called Pepsodent. You will notice the difference from ordinary tooth paste the instant it touches your teeth. No numbing, no harmful grit or crude abrasives, but a scientific action that recommends it for the most sensitive teeth and gums. And no other way can make teeth so dazzling white. Write for free 10-day supply to The Pepsodent Co., 191 George St., Toronto 2, Ont., Can. MADE IN CANADA

BAKER'S COCONUT

SPEED IS VERY IMPORTANT TO TRADE TODAY

Condition Being Faced by Railways in Way that Cannot But Rebound to Advantage of Canadian Business Man, According to Mr. E. W. Beatty. (Canadian Press Despatch) WINNIPEG, Man., Oct. 2.—Speed in transportation is becoming one of the most important elements in trade and commerce, and the condition is being faced by the railways in the United States and Canada in a way that cannot but rebound to the advantage of the Canadian business man, declared E. W. Beatty, president of the Canadian Pacific Railway speaking here last night.

The president of the Canadian Pacific Railway pointed out that it was not because of love of speed by way of the railways that special attention was being devoted to it, but because the commerce of the country demanded transportation by the quickest possible means.

Discussing "transportation problems," Mr. Beatty referred to some of the vicissitudes through which the railways in Canada had passed, and claimed they had brought the roads to a position that was eminently creditable to this country.

Mr. Beatty pointed out that in former years there was some reluctance on the part of railways to tell the public about their difficulties, but now they were being indicated to the people whom they served in the hope that they would support the railways in their efforts to provide good transportation service.

under the supervision of Mrs. G. Alexander. The bride was married in a gown of wine color trimmed with beige and presented a very charming appearance. Her going away costume was on the brown motif. Her bouquet was of bridal roses.

Mrs. H. V. Curran, and daughters, Marie and Helen, of Portland, mother and sisters of the groom, as well as a number of other friends from Portland were present for the wedding, leaving shortly after by motor on their return home.

The bride and groom were recipients of many beautiful gifts from their many friends. Imm. lately following the wedding breakfast Mr. and Mrs. Curran left on a trip to New York and Washington, and on their return will take up residence in Richmond, where Mr. Curran is employed with the Canadian National Railways.

AN EXCELLENT SUGGESTION

The recommendation made to the City Council by Alderman S. R. Newton that riding on the handle bars of bicycles be prohibited is an excellent one, and no time should be lost in having it included in the proper municipal by-law so that it may be enforced immediately.

The traffic on the streets of Sherbrooke is far too heavy to allow this practice, which of late has become very popular, and action should be taken before any accidents occur.

BOTH PARTIES SEEM TO BE SATISFIED

One of the keenest fought and, quite apparently, most expensive election battles ever witnessed in Compton County has now been written into the political history of the riding, and both parties seem to be satisfied with the result. The Liberals because they retained the seat, and the Conservative because the Government majority was reduced from twelve hundred to two hundred and seventeen.

The electors returned Hon. A. R. McMaster, who succeeds Hon. Jacob Nicol in the office of Provincial Treasurer, as their new representative at Quebec, and all will congratulate him on his victory, while Major A. L. Pomeroy, Conservative standard bearer, is deserving of congratulations for the wonderful fight that he put up to win over the seat for his party.

Mr. McMaster has promised that he will give strict attention to Compton matters. He is a gentleman of character and ability, stands high in his profession and, having had considerable parliamentary experience, should prove a valuable representative for the district that elected him.

TROUBLE IN PALESTINE

As a consequence of the recent disputes between the Arabs and Jews in the Holy Land, several English newspapers have been urging that Great Britain give back the Palestine Mandate to the League of Nations. The London Daily Mail is one that favors such a move, and it boldly outlines its stand as follows: "It is a responsibility of which we should relieve ourselves with the least possible delay. The opportunity is given to the Government to reconsider the whole question of our Palestine Mandate. The disturbances, which have to be suppressed by British armed forces at a considerable extra cost to the British taxpayer, emphasize the futility of the needless enterprise to which this country was committed by rash and unthinking statesmanship."

"What has been occurring at Jerusalem and elsewhere in the Jordan valley was foreseen from the first. There is now no excuse for going on with it. We restore order only to be certain that sooner or later we shall be required to do this same troublesome and thankless work all over again. Why in the name of common sense should we be yaddled with the liability? We want nothing in Palestine, and assuredly get nothing out of it but annoyance and expense. Let us get free of the whole entanglement. We should return our Palestine Mandate to the League of Nations and recall our troops and civil officials. And we hope the Government will lose no time in relieving this overloaded nation of a burden it should never have been asked to carry."

However, it is not likely that any heed will be paid to such suggestions. It is not Britain's way to cut and run directly trouble looms up in territories for whose administration she has become responsible, and in this instance there is also too much at stake, both at present and in the future, for the adoption of a policy of evacuation.

Rt. Hon. L. C. M. S. Amery, former Imperial Secretary of State for the Dominions, has given a particularly interesting and illuminating outline of conditions in Egypt. "When Egypt was in a state of turmoil in 1882," he stated, "we took over the administration of the country—conquered the Sudan, readjusted its finances, established a government and paved the way for an era of prosperity. But, as thousands of years ago, after Joseph had made the land one of peace and plenty, Egypt turned him; so has it been with us. The country no longer wants us, and we in response have given her independence. But the Suez Canal is vital to us, and it is there that Britain centres her eyes."

The Commission for Palestine, headed by Sir Walter Shaw, appointed by the British Government to look into the cause of the disturbances in the Holy Land, will without doubt carry out a thorough investigation, and punishment will be inflicted where guilt can be proved. That is the British way. This commission is scheduled to leave England tomorrow and arrive in Palestine on October 10th for a stay until Christmas, the possibility of further disturbances on the Jewish Day of Atonement, which falls on October 14th, serving to hasten the Commission's date of departure.

BERNARD SHAW'S BACKSLIDING

(By Glenn Frank)

A long with many others, in these post-war days, Bernard Shaw has tempered his earlier enthusiasm for democracy.

He suggested the other day that it is quite hopeless to expect to accomplish great social gains for civilization through the masses, that the hope of the future lies with the handful of sensible and sacrificial spirits who bring to the leadership of their day intelligence and a whole-hearted dedication to the common good.

It is hard to resist the infection of the new criticism of democracy that has spread since the war.

What, perhaps, is the next step for a society

that wants a happy and healthy civilization? All sorts of men and forces are bidding for the captaincy of the future.

The dictator has, here and there, had his fling since the war, but I doubt that the dictators of this generation will serve and satisfy their fellows much longer than the dictators of other generations.

In the past, the pendulum has swung rather regularly and rhythmically from democracy to dictatorship and back again. This is a blundering and costly way to manage human affairs. We do not want to be taking our institutions forever apart and putting them back together, now as democratic institutions, and now as institutions under the sway of dictators.

Until now, humanity has really had no valid grounds for hoping that it might escape from these alternate adventures in democracy and dictatorship.

But now the psychologist has given mankind that hope.

Modern psychology is engaged in the most significant enterprise of the age—the enterprise of measuring intelligence and aptitudes and fitting men to the tasks they are equipped to do.

Both democracies and dictatorships throughout history have failed very largely for the single reason that they bungled the job of adjusting men to their tasks and to their environment.

Democracy notoriously is weak in the processes by which it selects leadership, and aristocracies have also gone on the rocks when their leaders sought to maintain their leadership on any ground other than their intelligence and their fitness for their responsibilities.

The politics and statesmanship of the future must sink their roots deep in the soil of a realistic psychology.

PRESS COMMENT

BALANCING PRICES AND WAGES. (Christian Science Monitor)

Business is usually reluctant to cut wages, knowing that wage reductions are not always the best way to success. A point is sometimes reached, however, as in the case in the Manchester Master Cotton Spinners' Federation, when employers feel that such action is the only course open. In the present instance, one reason advanced for proposing a 12.82 per cent. reduction is that Japanese cotton workers produce goods similar to the Lancashire make for one-half the British cost, the standard of living in England being higher than in Japan.

While the manufacturer undeniably faces a dilemma, the employees also have a problem. Naturally, they are opposed to a cut in wages. To support their case they advance a claim which in the light of experience has economic merit. They point out that, if the manufacturer for whom they are working reduces wages and prices, immediately his competitors will use the same argument to further reduce their wages and prices. Such a course, they argue, would only aggravate the situation and hasten worse conditions for both employer and employee.

While lowest possible prices still have a value in the buyers' market, experience has taught sellers that competition, if restricted to a battle of prices alone, can be carried to a point of destruction. There must be some profit if a business is to continue. Consequently, in recent years business has been inclined to level up prices to a point where all could live and prosper. So far as possible, the necessary savings have been made through economies other than wage cutting.

Wage cutting superficially may seem to be the shortest route to a given point, but sometimes the longest way round is the best way home. In addition to the natural resistance of the employees to reduced wages there is the economic fact that the market of buyers is reduced in proportion to the reduction in wages. Consequently, both employee and employer are brought together on this common economic ground where a fine balance is necessary.

The steps that will lead to the solution of the problem which affects nearly 500,000 workers in England, as well as great financial and business interests, promise some valuable material for future consideration and guidance.

BRITAIN MIGHT BUY CANADIAN WHEAT BY BULK

Right Hon. J. H. Thomas, Lord Privy Seal and Minister of Unemployment, to Meet Representatives of Canadian Wheat Pool to Discuss Question Next Month—Would Erect Elevators.

(Associated Press Despatch) BRIGHTON, England, Oct. 2. (By George Hambleton, Canadian Press Staff Correspondent.)—Two further results of his journey to Canada to bolster trade between Britain and the Dominion were revealed by Right Hon. J. H. Thomas, Lord Privy Seal and Minister of Unemployment, speaking at the Labor party's annual conference yesterday.

Mr. Thomas announced that, first, he will meet representatives of the Canadian wheat pool in London next month to discuss bulk purchase of wheat, and second, he has brought back to England samples of Nova Scotia coal, which were being tested to see whether a mixture of British and Nova Scotia coal would not prove better than either grade alone.

Return Cargoes Necessary The announcement in regard to the wheat pool came in reply to a question put after a speech by Mr. Thomas had been concluded. The minister had spoken of the necessity of securing return cargoes if British coal was to be shipped economically to Canada.

"I make no secret of it," Mr. Thomas said, "I had intended to put elevators on this side, if necessary, in order to ensure the free transport of wheat. At the present moment I am still dealing with that stage of the situation."

Food Supplies Small Questioned at the close of his speech Mr. Thomas said he was not satisfied with the situation regarding the food supplies of Great Britain. "In the first place there is never more than three or four weeks' supply of foodstuffs in this country and I do not consider that a satisfactory situation," Mr. Thomas said.

Would Help Farmer "In the second place I think an established price would be infinitely better. In the third place your farmer here is more handicapped than any one else, because at the end of the season the price still has to sell his crop in order to get winter foodstuffs for his cattle. All these things are wrapped up with bulk purchase, and when I say bulk purchase you have got to buy at the world price.

"The wheat pool is meeting with me in London next month in order to discuss this situation."

DAVIDSON HILL AND BETHEL

Mrs. Jer. Proulx, Mr. Wilfred Proulx, Mrs. George Davidson and Miss Morrison were in Bethany on Wednesday evening, guests at the home of Mrs. Wm. Lancaster.

Mr. and Mrs. Herman Davidson and family attended Danville fair on Saturday.

Mrs. Alfred Davidson has returned home, after spending a few days in Kirksville. She was accompanied home by Mr. and Mrs. A. B. Lyster and baby and Mrs. Hannah Reed and Mrs. C. N. Lyster.

The Misses Elma and Hazel Lancaster have returned to their home here, after spending a week in Montreal. They were accompanied home by Mrs. Chas. Sinclair and daughter, of Nova Scotia, who will spend a few days here with relatives.

Mrs. Jer. Proulx, Mr. Wilfred Proulx and Miss Morrison were in South Durham on Sunday visiting relatives.

The youngest daughter of Mr. and Mrs. Louis Stanhope, of South Durham, was brought here for burial on Tuesday last. Much sympathy is felt by the community for the parents in the loss of their little one.

Mrs. Phillip Henderson has returned to her home here, after spending a few days in South Durham, with her daughter, Mrs. Louis Stanhope, and family.

Mr. Glen Henderson was in South Durham on Sunday to see his brother, Mr. Garnet Henderson, who is working for Mr. Russell Johnston.

COOKSHIRE AND VICINITY NEWS AND PERSONALS

Notes and Jottings of General Interest from Cookshire and Neighborhood.

COOKSHIRE, Que., Oct. 2.—The Women's Institute will hold their October meeting on Friday afternoon, October 4th, at the home of Mrs. Alfred Johnston. The roll call will be "Practical Suggestions For Child Welfare and Social Service in Cookshire." Mrs. Kathleen Pennoyer will give a paper on "General Survey of Child Welfare and Social Service in Canada"; and Miss Isabel Ball will give a paper on "Work of the Junior Cross."

Mr. Howard Smith, of New York City, was a recent guest of his mother, Mrs. A. W. Buckland, at the Rev. A. W. Buckland, at the rectory.

A business meeting of the Ladies' Guild of St. Peter's Church was held on Saturday evening, at the home of Mrs. H. S. Osgood. It was decided to hold the annual supper in Victoria Hall, on October 9th, and the annual sale at a later date.

Mr. and Mrs. L. C. Roy, of Montreal, are guests of Mr. and Mrs. V. H. Lusk.

Mrs. A. Lebourveau spent Friday afternoon in Lennoxville, the guest of Mrs. E. B. Dundin.

Mrs. Wm. Drennan entertained the Little Aiders, at her home, on Friday afternoon.

Mr. Archie Buckland was a recent guest of his father, Major Rev. A. W. Buckland, and Mrs. Buckland.

Mrs. S. A. Vineberg and family have returned from Montreal. Mr. and Mrs. Vineberg are occupying the residence of Mr. and Mrs. C. V. MacRae.

Miss Doreen Cleveland, of Sherbrooke, was the guest of Mr. and

Mrs. A. H. Goff, on Friday. Miss Fyllis Goff accompanied Miss Cleveland on her return and spent the week-end in Sherbrooke.

Mrs. A. T. Ward, and son, Master Bobby, of Thetford Mines, were the guests of Mr. and Mrs. J. W. Robinson for a few days last week.

The Ladies' Aid met to sew at the home of Mrs. H. A. Chaddock, on Wednesday afternoon last. The plans for the annual supper and sale were begun and it was decided to arrange for this to be held in Victoria Hall, on October 16th, a further meeting to be held at the home of Mrs. A. W. Pratt, on Monday evening of this week, to complete the arrangements.

Miss Clara Handwright, of Stactown, was a recent guest of Miss Annie MacDonald.

Mrs. J. W. Robinson, Mrs. H. L. Scott, Mrs. A. Ross and Mrs. A. T. Ward spent Thursday in Sherbrooke.

Mrs. C. M. MacRae is in Montreal, the guest of her daughter, Mrs. E. Clarke, and of Mr. Clarke.

Mrs. H. A. Shelus entertained at "bridge" on Saturday evening in honor of Mrs. L. C. Roy.

Rev. G. H. Forde conducted the Sunday morning service in the United Church in Sawyerville and the officiating clergyman at the evening service was the Rev. P. Politt, of Bury.

Mr. Stewart Lebourveau, of Caticook, was the guest on Sunday of Mr. and Mrs. A. Lebourveau.

Miss Mamie Smith and Messrs. Eddie and Noble Smith, of Sherbrooke, were week-end guests of their parents, Mr. and Mrs. Lansing W. Smith.

Mrs. Lily MacLeod, of Bury, was the guest of Mr. and Mrs. J. W. Robinson, on Saturday.

Miss Rita Butler spent the week-end with her parents, Dr. and Mrs. J. A. Butler, returning to Richmond on Sunday afternoon.

Miss Esther Farnsworth, of Scottstown, spent the week-end with her

parents, Col. and Mrs. T. O. Farnsworth.

Mr. and Mrs. J. A. Cloutier and Miss Lena Cloutier spent Sunday afternoon in Bury.

The many friends of Mr. F. E. Osgood are pleased to hear that his health is improving.

Miss Adele Noble, of Stantscad, spent the week-end with her parents, Mr. and Mrs. F. A. Noble.

Rev. Mr. Legge and Mrs. Legge, of Caticook, and Col. A. Archibald, of Montreal, were callers last week, at the rectory.

Mrs. J. P. MacLeod, Mrs. H. W. Shirreffs, Miss Dorothy MacLeod and Miss Dorothy Shirreffs attended the funeral of the late Mrs. Napoleon Fissette, in Bury, on Sunday afternoon.

Mrs. Sam Ord, of Bury, is the guest of her niece, Mrs. Rufus Lebourveau.

Mrs. Herbie Gillespie and Mrs. A. Willard, of Linda; Mrs. Percy Hall, of Bishop's Crossing and Mrs. Walter Johnston, of Montreal, were recent guests at the home of Mr. and Mrs. Robert Kidd.

Mr. and Mrs. Rufus Lebourveau, Miss Sara Lebourveau, Mr. Arthur Lebourveau and Mr. Tom Berwick were recent visitors at the home of Mr. and Mrs. G. Arthur Ord, in Bury.

Mr. Walter Edwards, Mr. Robert Kidd, Mr. Arthur Lebourveau and Mr. Tom Berwick have returned home from an enjoyable trip to North River Beach.

Recent guests at the home of Mr. and Mrs. Rufus Lebourveau included: Mr. and Mrs. James Coleman, and Mr. Lewis Mayhew, of Stactown; Mrs. J. W. Laird and daughter, Miss Rita Baird, of Sherbrooke; Mrs. Maggie Gaulin and Mr. D. Mayhew, of Brimptonville.

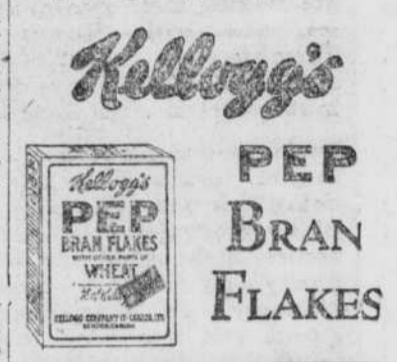

Mr. Alden Learned, of Caticook, spent Sunday at the home of Dr. and Mrs. J. A. Butler.

Mrs. Estella Robinson entertained the W.M.A. at her home on Thursday. A delicious chicken pie dinner was served to twenty-five members and friends. Further

THE VERDICT IS "BETTER"

EVERY spoonful will prove that these crisp bran flakes made by Kellogg in London, Ontario, are better.

They have the famous flavor of PEP. Vitamins. Mineral salts. Just enough bran to be mildly laxative. Sold only in the red-and-green package. Try them.

BETTER BRAN FLAKES

THE BUILDERS OF CANADA

LONG before the explorations of Columbus and Cabot, it is thought by some, white men fished along the Atlantic shore-line of Canada, and Canadian commerce may thus have commenced with fishing.

The Canadian fishing grounds are probably larger than those of any other country. They comprise over 200,000 square miles along the Atlantic; 6,000 miles of Hudson Bay coast-line; 7,000 miles along the Pacific, and the greatest fresh water area within the boundaries of any one country. The commercial harvest of these seas, lakes and rivers has now an annual value of nearly \$50,000,000.

Canadian enterprise and up-to-date methods of transportation and refrigeration distribute this harvest to 80 countries, where Canadian fish is highly valued for its quality.

Courage, enterprise and care are qualities which Canadian fishermen require in their business and look for in their financial associations, and which they find in The Canadian Bank of Commerce.

Represented in every important fishing district, this Bank provides safety for and gives profitable employment to the savings of Canadian fishermen.

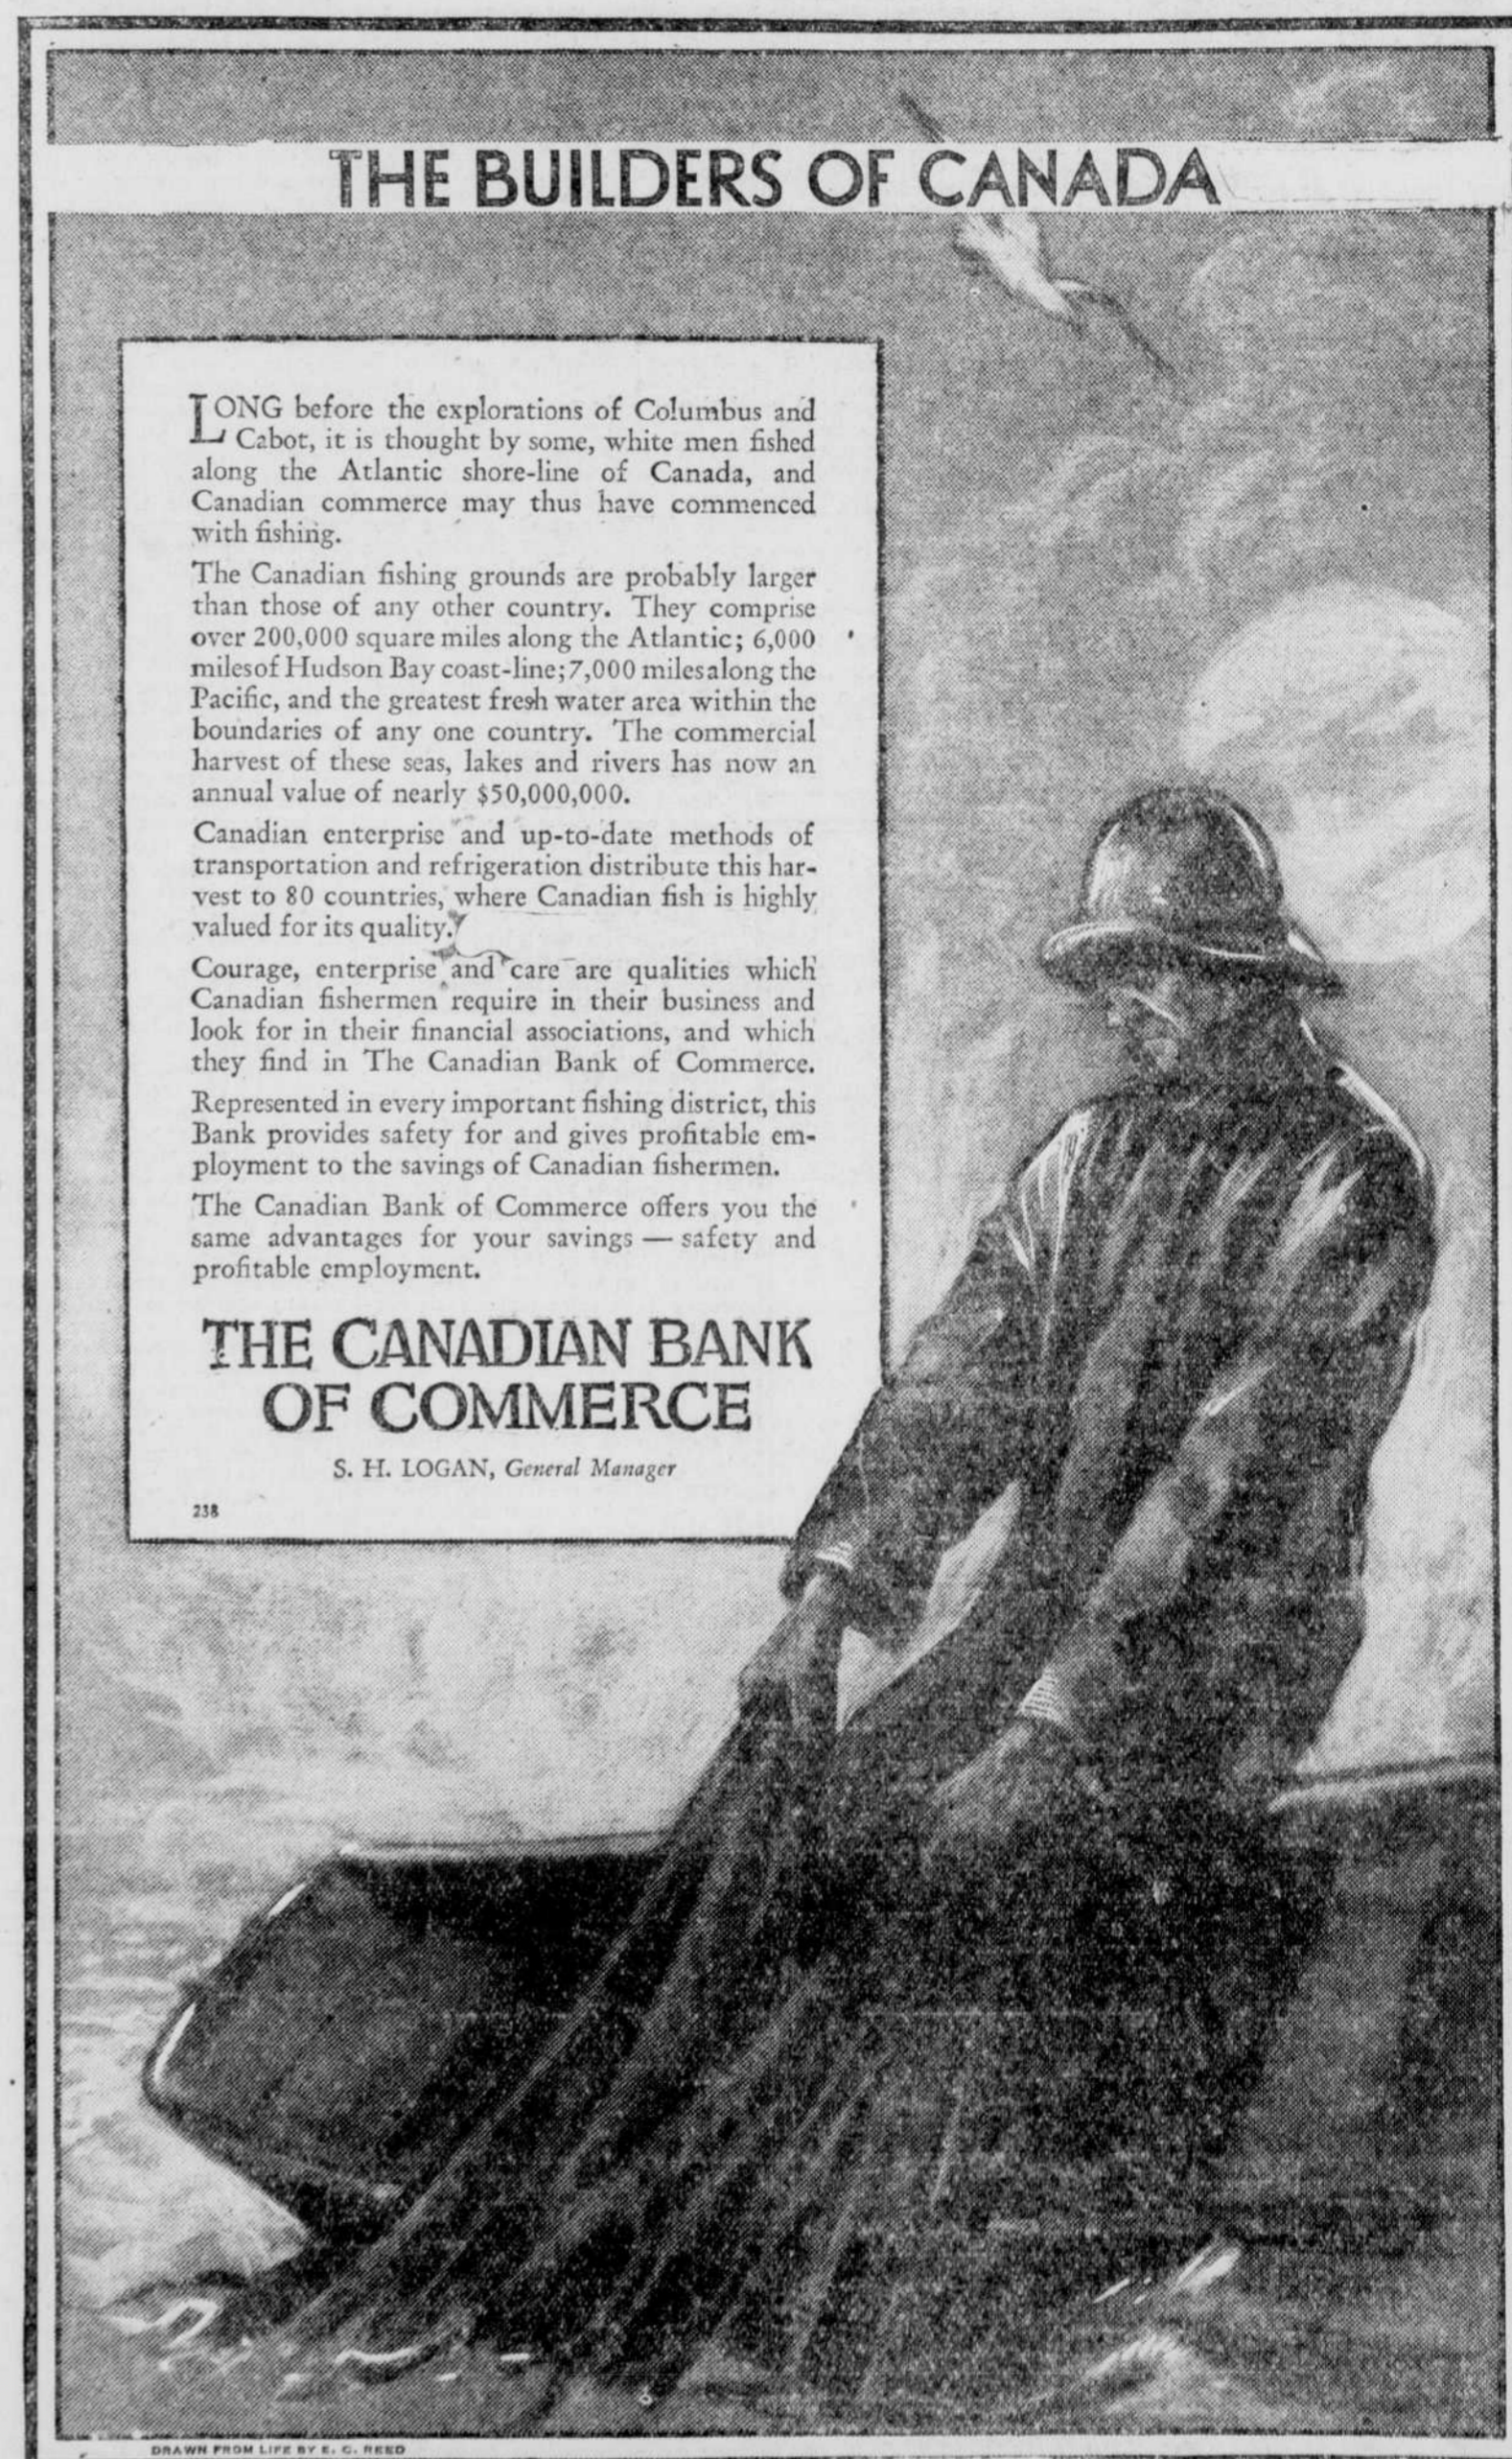

The Canadian Bank of Commerce offers you the same advantages for your savings—safety and profitable employment.

THE CANADIAN BANK OF COMMERCE

SCHOOL TOPICS DISCUSSED BY EDUCATIONISTS

Report of Sub-Committee Was Presented at Recent Quebec Meeting of Protestant Committee of Council of Public Instruction—Various Matters Covered in Minutes of Meeting.

In his report of the sub-committee on the distribution of the Protestant Superior Education Fund at the recent Quebec meeting of the Protestant Committee of the Council of Public Instruction, Mr. P. C. DuBois, of Richmond, chairman of the committee, remarked that there is available for distribution this year in the way of scholastic grants a total of \$82,785.13, as compared with \$75,223.62 last year. This increase, the chairman remarked, is due to the fact that the Legislature made an increased vote of \$5,000, that the marriage license fees have increased by \$3,186.92 and also that the total cost of the June examinations has been decreased.

Continuing his report, the chairman remarked that the bonuses have been awarded strictly in accordance with the regulations prescribed by the Protestant Committee. The special grants awarded for the last three years under the name of "Grants in Aid of Consolidation" have been withdrawn as other funds are available in this respect. The sub-committee, however, has endeavored to carry out the spirit of the resolutions of the Protestant Committee, by giving special grants to certain schools upon the recommendation of the acting inspector of high schools, thus supplementing the grants which are awarded by the rigid mathematical operation of the regulations to give encouragement to needy and deserving schools.

The special circumstances attending the recommendation for every special grant have been carefully studied, and the following schools are recommended for the special grants:

Cowansville, which the report points out, has erected an excellent school building and is imposing a very heavy tax to pay for the building and for the maintenance of a competent staff. In the opinion of the sub-committee this school is

deserving of special consideration and a special grant of \$200 is recommended.

In regard to the school at Inverness the report remarks that for over fifty years, and until the establishment of the high school at Thetford Mines a few years ago, the rate-payers of Inverness provided the only facilities for high school education in the County of Megantic. Now the Protestant population has been greatly diminished, and it is an increasing burden to maintain the high school. This year the percentage taken by the school in the examinations was 70.6, but because of the small number of pupils, the old building, and the low salaries, the bonus is much smaller than that which would be payable to schools with lower educational efficiency.

Lake Megantic, the report states, is another municipality that is attempting to provide the means of higher education and is paying one of the highest school taxes in the province, and has this year, on the recommendation of the acting inspector of high schools, undertaken very extensive repairs to its school buildings.

Mention is also made of the Bulwer school, which is one of the first consolidated schools, and is said to be doing good work. It has received a special grant of \$200, and deserves to have it continued, the report states.

Kinnear's Mills also did better work last year than ever before and it is recommended that the special grant which has been given for several years be continued. Mr. Hill, the report adds, is keenly interested in the education of his children, but the municipality is poor, and the rate of taxation high. It is therefore advised that the special grant to this school be continued.

SEVERAL RECOMMENDATIONS MADE

"Despite the warning given to Glen Sutton, last year the efficiency of the school has not been improved," the report adds. "The salaries offered are so low that experienced teachers cannot be secured, and while your sub-committee recommends that the school receive the basal grant for this year, it is not justified in recommending that this school participate in the Superior Education Fund after this year unless conditions materially improve."

In commenting upon the Ascot High School the report states that this school is doing the work of an intermediate school, only grade XI pupils being obliged to go to Lennoxville. "There does not seem to be any good reason why this school should continue to participate in the larger grants awarded to high schools, and we recommend that it revert to the rank of an intermediate school after the current scholastic year," the report stated.

Concluding the report states, "An unfortunate mistake occurred in the press report of the High School Leaving Examinations this year whereby the number of pupils who failed appeared as the number of successful candidates, thus giving the impression that a smaller number than usual had been successful. As a matter of fact the percentage of successful students was slightly higher than usual."

It was here pointed out that most failures came from a few schools where a re-organization of staff seems to be necessary, and that in general the work done by the schools under the control of this committee is very creditable.

"Your attention is directed," the report concludes, "to another important matter in connection with the results of these examinations. It has been the practice to permit the pupils from certain private schools to take these examinations upon payment of a small examination fee, and the statistics include the pupils from such schools. With the exception of St. Helen's School, Durham, the pupils of these schools are not up to the standard of schools under the control of this committee and that makes the number of failures in our schools appear greater than they are. Of the fifty-one pupils presented this year from such schools only nineteen were successful. We recommend that in future the statistics from such schools be not included in the report of examinations of the Protestant Superior Schools of the Province."

Minutes of Meeting

A number of interesting matters were covered in the minutes of the meeting, held in Montreal last spring, which were read by the secretary, Dr. W. G. Parmelee, and signed by the chairman, Hon. W. G. Mitchell, and these are given below.

Official announcement of the appointment of Mr. Malcolm Thomas Robb to succeed the late Chief Justice Martin, was made by the secretary, and Mr. Robb was welcomed to the meeting by the chairman.

Mr. Cameron, on behalf of the sub-committee on consolidation, reported that the Provincial Secretary had approved of a special grant of \$7,000 to be paid towards the building of a school by Stanstead College to accommodate the pupils from six districts of Stanstead Township. The grant will be paid in three annual instalments of \$2,000, \$3,000 and \$2,000, beginning with the year of acceptance of the school by the department.

A grant of \$12,500 to the North Hatley School Board for the building of the consolidated school was also approved. This will be payable in four annual instalments, the first three being \$3,000 each, and the fourth, \$3,500.

In the month of March the Inspector General visited the Township of Durham, at the request of the school board, in connection with the proposed reopening of the intermediate school there and the closing of the elementary schools of the Township. Some changes and repairs are required to the present school building, which it was estimated would cost about \$6000. The sub-committee recommends that a grant of fifty per cent. of the cost be accorded as usual.

It was further reported that the question of consolidation was under consideration in Havelock, Huntingdon County, Harrington, Argenteuil County, Iron Hill, Brome County,

and Sawyerville, Compton County. As one measure of the steady progress of consolidation it was stated that the grants for conveyance to the existing consolidation schools amount this year to over \$19,000.

Dr. Raxford, on behalf of the sub-committee on High School diplomas, submitted the following report:—"Your sub-committee reported that in the interests of our high schools immediate steps should be taken to improve the academic and professional qualifications of candidates for high school diplomas."

Dr. W. O. Rothney, Professor of Education, University of Bishop's College, reports as follows:—"At the beginning of the present academic year a new departure was made in the retaining of high school teachers. A full-time Professor of Education was appointed, and the professional training, which previously had been carried on as undergraduate work and concurrently with the Arts course, was made part of the graduate studies of the University. Consequently, at the present time, a bachelor's degree is necessary for admission to the professional training for the high school diploma, and a full year of nine months graduate study in education is required as a minimum of professional training for all candidates who wish to be recommended for this diploma. During the present session, this teaching was carried on in schools of Ascot, Lennoxville and Sherbrooke.

New Requirements

"In addition to practice teaching, candidates for the high school diploma are required to take, and receive credit for six courses in education, as follows: History of Education; Principles of Education; School Law and School Management; General Methods of Teaching and Educational Measurement."

"Each of these courses consists of at least fifty lectures, collateral reading requiring about double the

time required for lectures, and an essay of approximately 3,000 words, covering the essential features of the course.

"Another significant change in the regulations under which teacher training is now carried on is that which provides for students receiving credit towards the M.A. degree for the professional training taken for the high school diploma."

Principal of Bishop's University Dr. A. H. McGreer reported progress for the sub-committee on rural school grounds. In this connection the secretary reported that the Department of Lands and Forests had offered this year, to distribute sixteen thousand trees to school boards for planting in the school grounds. There had been a good response to the offer and it was expected that it would be repeated from year to year until no more trees are required.

It was resolved that the usual grants of \$7,000 for the McGill School of Commerce, and of \$1,000 for the educational course in Bishop's be recommended for the approval of the Lieutenant-Governor-in-Council.

A resolution of the executive officers of the Provincial Association of Protestant Teachers which recommended the formulation of such regulation as may make possible an exchange of teachers with other parts of the British Empire such as now enjoyed by the Protestant teachers of Montreal and Westmount, was considered. No action was taken.

Dr. Raxford reported for the sub-committee on retarded children that it has continued its studies of the question and that through the kindness of the chairman of this committee and of the director of Protestant Education, an enabling bill was prepared and introduced into the Legislature and finally passed as a Government measure. The sub-committee has received

very valuable and generous assistance from Dr. S. B. Sinclair, formerly head of the School for Teachers, and at present inspector of auxiliary classes in the Province of Ontario whose successful experience in developing an effective system for the education of sub-normal children has been of great value to the work of the sub-committee.

Dr. S. B. Sinclair, inspector of auxiliary classes under control of

the Department of Education, Ontario, who had been invited to address the committee, giving the benefit of his own professional views in regard to the education of retarded children and the results of the experience in Ontario in regard to this matter.

At the close of Dr. Sinclair's address and of the discussion that followed, a unanimous vote of thanks was tendered him for his generous and valuable services.

CLOUDED COMPLEXIONS TELL HIM OF TROUBLE WITHIN

Noted Skin Specialist Warns of Poisons From Clogging Food Wastes

DR. BRANDWEINER

"SKIN DISEASES," Dr. Brandweiner says, "result most often from digestive and intestinal disturbances — including of course constipation. A good fresh yeast will keep the intestinal tract healthy and free from the poisons caused by food wastes, which disturb digestion and cloud the skin. It has an efficient, mild laxative action."

Poisons that creep through your body from clogged intestines quickly cloud the complexion when allowed to go unchecked.

Simple Food Checks Poisons

The millions of living yeast plants in Fleischmann's Yeast gently perform the task of internal purification. Sluggish bowel muscles promptly respond when stimulated by this remarkable fresh food.

Clean intestinal health brings re-

newed appetite and vitality, greater freedom from colds and other distressing ills. Clear-skinned health, rich new stores of energy are yours!

Now—the "Sunshine" Vitamin

And now, the new Fleischmann's Yeast brings you the astonishing "sunshine" vitamin, the mysterious energizing, bone- and tooth-hardening principle of the sun itself! Dr. Brandweiner says, "Fresh yeast, already rich in vitamin B, has even greater health value when endowed by irradiation with vitamin D, the 'sunshine' vitamin. This vitamin acts on the system the way the sun itself does, giving it vigor and making bones and teeth strong."

Learn for yourself, as millions have, the happiness of boundless, beautiful health. Start eating Fleischmann's Yeast today!

"I AM A DOMINION RIFLE SHOOTER and also go in for hockey and swimming. Due to overtraining I broke out with boils. One of my friends suggested yeast which I took daily in hot water and soon the boils disappeared."

—Pearl Fortner, London, Ont.

"I AM A NEWS PHOTOGRAPHER," writes H. C. Irvine of Montreal. "You can imagine how a bad case of boils and general run down condition would fit in with my calling. Fleischmann's Yeast has been a wonderful thing for me during the past year. I have eaten it for the past five months. My complexion has cleared up and I haven't been troubled with boils since."

THE NEW Fleischmann's Yeast—now on sale—contains vitamin B and the "sunshine" vitamin D. Eat three cakes daily, before or between meals, just plain or in water, cold or as hot as you can easily drink. At grocers, restaurants, soda fountains.

"Bathe daily to assure long life"

SAYS INTERNATIONALLY FAMOUS PHYSICIAN

"The surface of the body must be thoroughly cleansed at regular intervals and at all times kept as clean as possible. After the daily tub, bath or shower there should be brisk rubbing with the bath towel.

A clean and active skin is an important factor in giving alertness to the mind, flexibility to the muscles, elasticity to the blood vessels and the assurance of long life."

In the bath, Lifebuoy's creamy, antiseptic lather penetrates the countless, tiny skin pores, opens them up . . . cleanses . . . purifies . . . makes them active.

Thus is given "flexibility to the muscles, elasticity to the blood vessels" and you feel invigorated and refreshed.

Furthermore, Lifebuoy's antiseptic ingredient stands guard as an invisible shield against infection.

To Keep Well

Drink plenty of water, perspire freely . . . and prevent perspiration odour by the daily use of Lifebuoy Soap.

Recent visitors at the Harkness home were Mrs. White, of Ottawa, Mr. and Mrs. S. Marlin, Mr. Fred Marlin, of Parker Hill, Mrs. White, Mrs. E. Harrison, of Huntingville, was the recent guest of Mrs. Sarah Smith.

TRAFFIC SPEEDED UP Says a contemporary: The youth of former years was expected to say to every temptation, "Get thee behind me, Satan." Nowadays the word is "One side, Nick, you're blocking the road."

Further Liquidation Seen NEW YORK, Oct. 2.—The New York Mirror today says: Further liquidation has been seen in the stock market but the selling has not been completed.

Contract awarded for erection of dam on Quebec side of Ottawa River at Chats Falls.

Further decline of New York market average price of fifty industrial off 2.

RALLY EXPECTED TO CARRY FURTHER NEW YORK, Oct. 2.—The New York Advisory Service today says: It appears very much to us that the rally which is in, following today's expected selling onslaught, will carry further.

For a time even the less meritorious issues should step up with the leaders, so more than usual diligence should be expected in the selection of likely candidates for later areas.

GOSSIP IN THE WORLD OF FINANCE

Furnished by Johnston & Ward.

FAVORABLE COMMENT HEARD

MONTREAL, Oct. 2.—The Montreal Financial Service today says: The manner in which Brazilian absorbed forced selling yesterday resulted in favorable comment.

Distillers Seagrams Corporation will at the annual meeting called for October 18th, make known the future policy of the company on dividend payments.

National Breweries was little affected by the weakness that prevailed both here and in New York.

This indicates conclusively that the stock at the present time is in excellent technical shape and any demand will find the market bare of offerings.

Canada Power touched a new low yesterday since announcement of the merger, at 30 1/2, which indicates that the acquisition by this company of Wayagamack and port Alfred is not as bullish a card as some of the insiders are endeavoring to have the public believe.

The official statement by President C. H. Carlisle of the Goodyear Tire and Rubber Company, should be welcome to stockholders as it sets at rest various rumors that had been heard frequently on the street.

mon can be set down a detriment to rallying tendencies. Furthermore it is learned from reliable sources that the professionals on the floor of the stock exchange are not disposed to follow any rally.

They have preferred to sell stocks on any sort of a rally. This can be taken to mean that the specialists books are filled with selling orders.

In view of the situation as thus explained it can readily be seen that the market until by its own action it has shown the end of the selling movement.

The same stocks which were so strong in the face of the general selling of previous days are still able to resist selling pressure. This group includes Radio, Houston Oil, American Rolling Mills, Remington Rand, Indian Refining, etc.

When the real rally gets under way these issues should be in the forefront.

The sharp selling in International Combustion is reported to have been the passing of control of the company to interests close to Morgan.

There is no sign of a let-up in the money tightness.

FINANCIAL NOTES MONTREAL, Oct. 2.—Financial News in brief include: Official statement informs shareholders of merger of Dominion Stores and Louisa Groceries.

Syndicate announces offering of \$20,000,000 issue of C.N.R. bonds. New Robert Mitchell plant at St. Laurent to be ready by beginning of next year.

Contract awarded for erection of dam on Quebec side of Ottawa River at Chats Falls.

Further decline of New York market average price of fifty industrial off 2.

RALLY EXPECTED TO CARRY FURTHER NEW YORK, Oct. 2.—The New York Advisory Service today says: It appears very much to us that the rally which is in, following today's expected selling onslaught, will carry further.

For a time even the less meritorious issues should step up with the leaders, so more than usual diligence should be expected in the selection of likely candidates for later areas.

We strongly recommend concentrating on stocks whose earnings have a background. Sponsorship and prospects entitle them to more than a brief constructive campaign.

The favorable news from the steel industry has come at a highly psychological moment, and should accomplish a good deal in dissipating current market uncertainty.

Our Washington advice indicates that the federal reserve has not been unduly perturbed by the current steady stream of increases in brokers loans, and is satisfied to long as members banks do not expand their rediscounts.

The current reserve position is considered strong. The time has arrived in our opinion for taking a moderately constructive position.

COUNTRY AND DAIRY PRODUCE PRICES

CHEESE—No. 1 Quebec cheese is again scarce this week and all arrivals are being quickly taken up.

BUTTER—The butter market was reported generally unchanged at 33 3/4c per lb for Eastern Townships No. 1 pasteurized in a wholesale way.

EGGS—No changes were reported in the egg market. British Columbia fresh extras, ex-cooler, on spot, sold for 50c per dozen.

POTATOES—The potato market was unchanged at \$1.20 to \$1.25 per 100 lbs in bulk for Quebec Potatoes.

POULTRY—The poultry market also was steady. Live poultry continued at 22c to 23c per lb.

Squab broilers, 46c to 48c per lb; selected broilers, 40c to 44c per lb; selected chickens, 38c to 45c per lb.

selected fowls, 30c per lb; selected turkeys, 40c to 50c per lb; selected geese, 30c per lb; selected ducks, 32c per lb; domestic ducklings, 34c per lb; green ducklings, 36c per lb.

These prices are for "Standard" poultry. For "A" quality, prices are from 2c to 4c per lb, less.

MONTREAL OPENING AND NOON PRICES

The following quotations of today's prices on the Montreal Stock Exchange are furnished by Johnston & Ward:

Table with columns: Opening, High, Low, Noon. Lists various stocks like Abitibi, Brazilian, B.C. Power, etc.

MONTREAL CURB MARKET

Table with columns: Open, Noon. Lists various commodities like British Am. Oil, Lake Superior, etc.

MARKET TODAY WAS UNSETTLED AT MONTREAL

Values Generally Moved in Narrow Range During Early Dealings—Brazilian Continued as Active Leader.

STRONG BUYING SUPPORT ON NEW YORK EXCHANGE

(Associated Press Despatch) NEW YORK, Oct. 2.—Strong buying support came into the stock market overnight, and prices generally opened higher.

SAVING A FARE

Old Bill Tusker, the country grocer, went to the city to buy a stock of goods. The goods were forwarded that afternoon and got home before he did.

Electric Storage Battery has been showing resistance to recent selling, and we believe this stock is in a strong position to move into new territory.

Matheson Alkali looks groomed for a much higher range. We consider present levels attractive for picking up some of it.

Republic Iron and Steel and Bethlehem are available at sizeable concessions from recent high points, and we would start accumulating them again.

REDS BEAT CUBS IN ONLY MAJOR LEAGUE GAME

Hornsby Continued to Improve His Batting Average—Athletics Will Attempt to Close Out Their Home Season Today.

(By William J. Chipman, Associated Press Sports Writer)

NEW YORK, Oct. 2.—With a cold rain along the Atlantic seaboard preventing the few eastern games scheduled in the major leagues yesterday, baseball action was confined to Cincinnati, where the Reds nosed out the champion Cubs by a score of 3 to 2. The game was important chiefly because it furnished Rogers Hornsby an opportunity to collect the coins in four times at bat to increase his batting average three points to .380.

The outburst in Cincinnati carried Hornsby to seven straight hits against the Rhineland pitching corps before Red Lucas stopped him in the eighth inning yesterday. The Rajah got four out of four on Sunday, winning the game by 1 to 0 with his thirty-ninth home run. Hornsby still has a fine chance to oust Babe Herman, of Brooklyn, from second place in the National League batting derby, but only a phenomenal spurt would carry him past Frank O'Doul, the heir-apparent to Hornsby's throne with a new mark of .395. Herman is hitting .384.

The Athletics will make another attempt today to close out their home season in a doubleheader against Washington. The Giants likewise will attempt to run off their final Brooklyn game at the Polo Grounds.

Plotting Their Series Offensive

NEA Philadelphia Bureau will probably be their hardest and one of the most important of the season, two members of the Sherbrooke rugby squad has been practicing hard and hope to be able to hold the Canadian Nationals, of Montreal, when they visit Sherbrooke in the initial encounter of the Quebec intermediate Rugby League this Saturday.

The visitors are considered to be one of the strongest intermediate teams in Eastern Ontario and Quebec for they went through their whole schedule last year without a single defeat. Sherbrooke is not discouraged at the prospect, however, as last season they gave the Railroaders the strongest opposition that they encountered throughout the whole of their schedule.

Sherbrooke lost the opening exhibition game to Bishop's, last Saturday, by a count of eight to three. This proved a valuable lesson to the local boys, as their lineup was completely changed from last year and the weak spots came to the surface. These links are being bolstered and a couple of switches made in the alignment of the team, considerably increasing its strength.

The Railroaders will have last year's team practically intact, with Harrison, the quarter back, again acting as pivot. The C.N.R. supporters are coming here in a special train, four hundred strong, on Saturday, to boost their co-workers, according to reports from Montreal.

RUGBY LEAGUE OPENING HERE ON SATURDAY

Canadian National Visits Sherbrooke for First Game of Intermediate League.

Realizing that their opening game will probably be their hardest and one of the most important of the season, two members of the Sherbrooke rugby squad has been practicing hard and hope to be able to hold the Canadian Nationals, of Montreal, when they visit Sherbrooke in the initial encounter of the Quebec intermediate Rugby League this Saturday.

The visitors are considered to be one of the strongest intermediate teams in Eastern Ontario and Quebec for they went through their whole schedule last year without a single defeat. Sherbrooke is not discouraged at the prospect, however, as last season they gave the Railroaders the strongest opposition that they encountered throughout the whole of their schedule.

The C.N.R. supporters are coming here in a special train, four hundred strong, on Saturday, to boost their co-workers, according to reports from Montreal.

EARNSHAW WILL OPPOSE MALONE IN FIRST GAME

World's Series This Year Is Perfectly Arranged for an Iron-Man Performance—Much Depends on Form Shown by Grove.

(By Alan Gould, Associated Press Sports Writer) NEW YORK, Oct. 2.—The world's series battle front of 1929 is perfectly arranged for an iron-man pitching performance with George Earnshaw, of the Athletics, or Pat Malone, of the Cubs, selected as the leading candidates for the role.

These two fast ball right-handers have thrived all season on work. They have finished stronger than any of their curving mates, and the probability now is that they will face one another on the opening day at Wrigley Field next Tuesday. Malone, at least, seems a certainty, although Connie Mack would not hesitate to switch to Robert Moses Grove if the willowy south-paw manifested a sudden return to his mid-season form.

The schedule for the series is so arranged that it would be altogether possible for Malone or Earnshaw, assuming they are the first game selections, to twirl four games, still having three days of rest between each assignment. This, of course, would hinge on the series going the limit of seven games. Two days of traveling and the Sunday of rest in Philadelphia give the pitchers more than the usual amount of time to recuperate.

Will be a Fast Ball Series The one certain thing so far as the pitching is concerned is that it will be a fast ball series. The "Big Three" of the Athletics, Earnshaw, Grove and Walberg, all have tremendous speed. So have the main trio of the Cubs, Malone, Guy Bush and Charley Root.

Otherwise the vital factor of mound work, considered sixty per cent of any world's series battle, is largely speculation. When he is "right" there is no better pitcher in their league than Grove, but the art-sider has been off-form since early in the season. The Red Sox pounded him all over the lot in his last appearance. It will be an especially heavy blow to the Athletics if Grove does not regain his form. He is the ace of the staff, and Mackian chances of victory are generally considered to depend on whether he is "right."

Guy Bush was the Cub ace until the middle of August, but he has not pitched a full game until yesterday when he lost a 3 to 2 decision to the Reds.

Have Been Erratic Walberg has been erratic, so has Root, although the latter pitched a 1 to 0 shutout this week. These stars may need the inspiration of battle to bring them back to form. There was not much to worry about while the two clubs were galloping to pennant victories by one-sided margins.

COBB FAVORS ATHLETICS (Associated Press Despatch) NEW YORK, Oct. 2.—Back from Europe, where he spent a first vacation in a quarter-century, Tyrus Raymond Cobb immediately jumped into the world's series discussion with a prediction that the Athletics would beat the Cubs. Good pitching and the experience contained in Connie Mack's head will win the series for the Athletics, the erstwhile "Georgia Peach" believes. "The Cubs have no one to stop Foxx, Simmons and Miller," said Cobb. "If Chicago doesn't like speed, as I understand they don't, Grove can be called upon at any time in a short series."

CAPABLANCA INCREASED HIS LEAD (Associated Press Despatch) BARCELONA, Spain, Oct. 2.—Jose Capablanca, of Cuba, yesterday increased his lead over Dr. Tartakower, of France, by defeating Golmayo, of Spain, in a match adjourned from the third round of the International Chess Masters Tournament.

CLAIMED MANY RUSSIANS KILLED BY CHINESE

Russian Nationalists in Manchuria Tortured While Being Examined by Chinese—Many Soviets Missing.

(Associated Press Despatch) MOSCOW, Oct. 2.—An official dispatch from Siberia relates stories of tortures and hardships of Russian nationals in Manchuria, told by refugees arriving at Khar Barovsk. Chinese were said to have inflicted unspeakable tortures in examining suspected Russians, and to have crowded them into detention camps under unsanitary conditions and with inadequate food.

Fifteen Russian bodies were said to have been found near Harbin and six others were discovered in the Sungari river, with identification made difficult because of decapitation. Other Soviet citizens were alleged to have disappeared without a trace.

ORANGEMEN ARE OPPOSED TO CHANGES IN ONTARIO SCHOOL ASSESSMENT ACT

Claim Proposal Regarding Further Concessions to Separate Schools Dangerous—Necessary to Watch Outcome Closely.

(Canadian Press Despatch) WINNIPEG, Man., Oct. 2.—The maximum protein content of each grade of the 1929 wheat crop is distinctly higher than that of last year, and to this, in a very large part, is attributed the very superior baking quality of this year's grain, according to a report issued here last night by Dr. F. J. Birchard and T. A. Atken, chemists to the Board of Grain Commissioners.

The report is the first on the protein content of the 1929-30 crop. East and West yesterday issued an ultimatum calling upon members to resist by every lawful means the dangerous encroachment. The ultimatum urges all Ontario county masters to "make sure that the candidates elected in the coming election will be those opposed to any further concessions to separate schools." It also sets forth that since regulation 17 has failed and new regulations have been put into operation, it is necessary to await the outcome of "the present experiment" before endeavoring to evolve any further feasible plan by which the Order's ends may be attained.

REPORT MADE ON CONDITION OF WHEAT CROP

Maximum Protein Content of Each Grade of 1929 Wheat Crop Distinctly Higher Than Last Year, According to Report Issued by Chemists to Board of Grain Commissioners.

(Canadian Press Despatch) WINNIPEG, Man., Oct. 2.—The maximum protein content of each grade of the 1929 wheat crop is distinctly higher than that of last year, and to this, in a very large part, is attributed the very superior baking quality of this year's grain, according to a report issued here last night by Dr. F. J. Birchard and T. A. Atken, chemists to the Board of Grain Commissioners.

The report is the first on the protein content of the 1929-30 crop. East and West yesterday issued an ultimatum calling upon members to resist by every lawful means the dangerous encroachment. The ultimatum urges all Ontario county masters to "make sure that the candidates elected in the coming election will be those opposed to any further concessions to separate schools." It also sets forth that since regulation 17 has failed and new regulations have been put into operation, it is necessary to await the outcome of "the present experiment" before endeavoring to evolve any further feasible plan by which the Order's ends may be attained.

The maximum protein content, established after the examination of 4,000 samples in the grain research laboratory here, is placed at nineteen per cent as compared with sixteen per cent a year ago.

Do You Want

\$10,831.20 in cash when you reach age 65

\$10,000.00 in cash if you should not live to reach age 65.

\$1,000 a year starting at age 65 and continuing as long as you live. Ten annual payments are guaranteed, whether you live to 75, or not. For a small additional payment this income can be guaranteed for as long as your wife shall live.

TELEPHONE HIM
Lady Passenger (to conductor)—Let me off at Lamar, please.
Conductor—We don't stop at Lamar, mam. This is an express.
Lady—Well, can't you stop long enough for me to tell my husband I'm being carried through?

ROSENBLOOM'S

We Feature HATS

The styles shown above are popular this Fall. Grey is, as usual, the best selling color, but you'll see a good many brown hats on well dressed men.

St. Lawrence A good Canadian hat for \$5.

Battersby If you appreciate quality, you'll like the soft finish of this exclusive English hat. With high crown and narrow brims, they are distinctively styled. The best hat value we've yet offered. \$6.

Vanity It's good because it's Canadian. \$7.

Borsalino A well-known hat from Italy. \$8.

Mossant Made in France of firm, silky felt. \$10.

Stetson A product of the United States. The world's standard of hat value. \$10.

NOTED PITCHER DEAD.
(Associated Press Despatch) PROVIDENCE, R.I., October 2.—Word was received here yesterday from Toledo, Ohio, of the death of Dr. J. Lee Richmond, of the Brown class of 1880, who pitched the first perfect big league baseball game on record.

On June 12th, 1880, young Richmond set the Cleveland team of the old National League down with no hits, no runs and no bases on balls, not a man reaching first. The game was played at Worcester, Mass., which then had a National League franchise. Richmond wore the uniform of the Worcester team.

BOXING

BOUTS LAST NIGHT
The fights last night resulted as follows:—
