# SO CALLED DIRECTORY PATRONAGE

We do not consider that any body patronizes a DIRECTORY when he buys it, or that a directory publisher is under any obligation to any one who either purchases a copy or inserts an advertisement. If it is a good and reliable DIRECTORY—as we claim ours to be—the subscriber, purchaser or the advertiser gets THE FULL VALUE OF HIS MONEY, and the account is even between them.

## DIRECTORY BORROWERS

The Directory borrower is abroad in the land ; " his name is legion." We do not mean your customer, nor the stranger who wishes to look up the address of a friend or relative, but the pessimist who does business next door, up stairs, or around the corner, who is to *stingy* to possess a Directory of his own, and too *small-souled* to contribute a dollar to its support. He who thinks it smart and manly to snub the canvasser when asked to give his name and those of his employees ; he who is the first one to find fault if he should see an inverted letter, or fails to find a name which *he does not know how to spell*. Discountenance him. He borrows your Directory for "*just a few minutes*," and keeps it as many days—indeed, you are fortunate to get it back *at all*. He is the unenterprising fellow who helps to *kill* a city. Send him around to the Directory Office, 118, Mountain hill. Let him *sponge* on us. We keep **FOR SALE** an extra Quebec Directory, also Directories of Canadian and American Cities for free reference by **EVERY BODY**, at our branch office, 118 MOUNTAIN HILL.

# LOMBART CHOCOLATE

In 1760, under Louis XV, **Mr. Meunier** took up his residence on *Vieilles-Etuves Saint-Honoré* Street, near the Du Trahoir Cross, now known as the *Fontaine de l'Arbre-Sec*.

This locality was the birth-place of the Chocolate Industry; for it was there that, some years earlier, an officer of Maria-Theresa, wife of Louis XIV, obtained, through the influence of the Queen, the monopoly of its manufacture and introduced it in France.

In 1789, King Louis XVI made **MEUNIER** purveyor by appointment to Her Royal Highness Victoire de France.

In 1804, Grimod de la Reynière perpetuates, in his *Almanach des Gourmands*, the high reputation acquired by the "HOUSE MEUNIER"; he declares that he considers it "as one of the two or three which alone make good chocolate"; and in his edition of the same *Almanac* for the year 1807, he states "that the **Chocolate Meunier** is much superior to that made in Florence and other Italian Cities."

In 1814, Her Royal Highness the Duchess of Angoulême selected **Meunier** as her purveyor by appointment.

The prosperity of the Firm thence continually increased.

It was in 1852, that the *Gazette des Hôpitaux* called attention to **Meunier** by quoting a report of the Directors of the Medical Faculty, which ends as follows: "We do not judge of the value of the chocolate of the **House Meunier**, but by the results which we have obtained from it and we do not recommend any other, &c."

Finally, from 1849 to 1880, the following awards were granted to the Firm:

PARIS EXHIBITIONS, 1849, 1855, 1867 and 1873, **Bronze, Silver & Gold Medals.**  
 1873, Vienna Exhibition, Medal of Merit.—1874, Marseilles Exhibition, Gold Medal.—  
 1876, Medal, Philadelphia Centennial Exhibition.—1876, Gold Medal of the  
 First Class National Academy.—1878, Class 52, Two Medals for Patent  
 Machines for weighing and systematic cooling of Chocolate.—1878,  
 Class 74. **Out of competition, Member of the Jury.**

1879, Grand Diploma of Honor, National Academy.

—1880, Melbourne (Australia) Exhibition.

Such are the points which recommend the use of **Lombart Chocolate**, to the confidence of the public.

**Mr. Lombart**, for twenty five years the proprietor of the **Meunier Manufactory**, has ever followed in the steps of his predecessor and has added to his industry all the improvements which his long experience aided by the advance of science has suggested.

The Manufactory, now working at No. 75 De Choisy Avenue, is the most extensive in Paris

The **House Lombart** imports *Teas* direct from China. It only sells *black teas* carefully selected and of extra quality.

*Black Teas* are the only ones, according to the Medical Faculty which are wholesome. See in reference hereto the reports of Doctors TROUSSEAU and PAYEN.
