Order amending the Quebec Fishery Regulations (1990)
SOR/90-214, March 29, 1990

Whereas paragraph 43(m) of the Fisheries Act and subsection 4(1) of the Quebec Fishery Regulations (1990) authorizes the Minister or a Director to vary any close time, fishing quotas or limits on the length or weight of fish applicable to sport fishing that are fixed in respect of an area under these Regulations so that the variation applies in respect of that area or any portion of that area.

Whereas subsection 4(2) of the Quebec Fishery Regulations (1990) authorizes the Minister or a Director to vary any close time applicable to commercial fishing under these Regulations in respect of the waters referred to in subsection 3(1) or to any portion of them.

Therefore, I give the following order amending various closing times, fishing quotas, certain limits on the length or weight of fish under these Regulations.

This order repeals all previous orders.

This order comes into force on the 1st of April, 2025, and remains in force, unless subsequently repealed.
