EXPLANATORY NOTES

The object of this bill is to determine the conditions of employment applicable to employees in the public sector until 31 December 1985.

In addition, the bill allows for an adjustment of salary or wages for certain public sector employees for the period from 1 January to 31 March 1983 and for certain university employees and certain employees of the sector of subsidized private education for an equal period.

Bill 105

An Act respecting the conditions
of employment in the public sector

HER MAJESTY, with the advice and consent of the National Assembly of Québec, enacts as follows:

DIVISION I

APPLICABILITY

1. This Act applies to the following employers:

(1) the Government and its departments;

(2) agencies whose personnel is appointed or remunerated in accordance with the Civil Service Act (R.S.Q., chapter F-3.1), including the services of the National Assembly of Québec and any person appointed by the latter according to law;

(3) the colleges and school boards contemplated in the Act respecting management and union party organization in collective bargaining in the sectors of education, social affairs and government agencies (R.S.Q., chapter O-7.1) as well as the corporations contemplated in section 30.1 of the General and Vocational Colleges Act (R.S.Q., chapter C-29) and the Cree and Kativik school boards;

(4) the establishments contemplated in the Act respecting management and union party organization in collective bargaining in the sectors of education, social affairs and government agencies as well as the health and social service councils established under the Act respecting health services and social services (R.S.Q., chapter S-5);

(5) the government agencies mentioned in the Schedule.

For the purposes of section 4, this Act also applies to university establishments and the establishments contemplated in section 7 of the Act respecting remuneration in the public sector (1982, chapter 35).

This Act also applies to employees of the employers referred to in the first paragraph who are included in a bargaining unit for which an association of employees is certified under the Labour Code (R.S.Q., chapter C-27) or the Civil Service Act (R.S.Q., chapter F-3.1), and to an association of employees certified to represent employees.

It does not apply, however, to employees contemplated in paragraph *d* of section 110 of chapter F-3.1 or in paragraph *b* of section 1 of chapter R-14 of the Revised Statutes of Québec. Section 6 does not apply to the employees represented by the Syndicat professionnel des médecins du gouvernement du Québec or by the Association des Chirurgiens dentistes du gouvernement du Québec, or to those associations of employees.

DIVISION II

REMUNERATION MODIFIED FOR THE PERIOD FROM 1 JANUARY TO 1 APRIL 1983

2. Within five days of the date of sanction of this Act, the chairman of the Conseil du trésor shall file in the office of the labour commissioner-general the text of new provisions concerning the salary or wages, premiums, lump sums and, where such is the case, additional amounts that may be received, from 1 January to 1 April 1983, by employees bound by a collective agreement the term of which has been extended by section 3 of the Act respecting remuneration in the public sector (1982, chapter 35).

The text shall reproduce the provisions of Sessional Paper No. 650 tabled before the National Assembly of Québec on 9 December 1982.

3. With regard to each employer, each association of employees and each group of employees concerned by the provisions, the provisions of the text filed in the office of the labour commissioner-general pursuant to section 2 form part of the collective agreement in force and replace the provisions appearing in Sessional Paper No. 350 tabled before the National Assembly of Québec on 26 May 1982.

The filing of a copy of the text in the office has the same effect as if it were filed pursuant to section 72 of the Labour Code.

4. The Government may, by order, amend the collective agreements the terms of which have been extended by three months pursuant to section 11 of the Act respecting remuneration in the public sector so as to render applicable to the employees bound by such collective agreements an adjustment of remuneration comparable to that which results from the application of section 2.

An order made under this section is effective from the date it is made or on any earlier or later date indicated therein. It shall be published in the *Gazette officielle du Québec*.

DIVISION III

COLLECTIVE AGREEMENTS APPLICABLE TO EMPLOYEES

5. This division applies equally to the Commission de transport de la Communauté urbaine de Montréal and to its employees who are included in a bargaining unit for which the Syndicat du Transport de Montréal (Employés des Services d'entretien) (CSN) is certified, as well as to that association of employees.

This division also applies to the Société des alcools du Québec and to its employees who are included in a bargaining unit for which the Syndicat du personnel technique et professionnel de la Société des alcools du Québec or the Syndicat des employés de magasins et de bureaux de la Société des alcools du Québec is certified, as well as to those associations of employees.

6. Within five days of the date of sanction of this Act, the chairman of the Conseil du trésor shall file in the office of the labour commissioner-general the text of provisions relating to the conditions of employment of the employees.

The text shall reproduce the provisions of Sessional Paper No. 651 tabled before the National Assembly of Québec on 9 December 1982 as amended by the provisions of Sessional Paper No. 653 tabled on 11 December 1982.

7. With regard to the Cree and Kativik school boards, the chairman of the Conseil du trésor is authorized to file in the office of the labour commissioner-general the text of the provisions relating to the conditions of employment of their employees if either of the school boards so requests.

8. In the case of an association of employees that obtains certification in accordance with the Labour Code between 29 November 1982 and 31 December 1985, the chairman of the Conseil du trésor is authorized to file in the office of the labour commissioner-general the text of provisions he shall determine concerning the conditions of employment of the employees represented by the association.

If the association is affiliated to a union, federation or confederation, the provisions filed pursuant to the first paragraph are those contemplated in section 6 to the extent that they may be applied, taking into account the functions held by the employees and the employer concerned.

These provisions replace, as the case may be, those filed pursuant to section 6.

9. With regard to each employer, each association of employees and each group of employees concerned by the provisions, the provisions of a text filed in the office of the labour commissioner-general pursuant to sections 6 to 8, constitute a collective agreement within the meaning of the Labour Code and the filing of a copy of the text has the same effect as if it were effected under section 72 of the Labour Code.

10. The collective agreements contemplated in sections 6 to 8 bind the parties from the date provided therein even where the date precedes the date prescribed by law for the expiry of the collective agreements now in force. In the case where no other date is provided for in a collective agreement, it comes into force on 2 April 1983.

The collective agreements expire on 31 December 1985, except the collective agreement binding the Commission de transport de la Communauté urbaine de Montréal and the Syndicat du Transport de Montréal (Employés des Services d'entretien) (CSN), which expires on 11 January 1984, and the collective agreement binding the Société des alcools du Québec and the Syndicat des employés de magasins et de bureaux de la Société des alcools du Québec, which expires on 31 December 1984.

DIVISION IV

GENERAL AND FINAL PROVISIONS

11. The Labour Code applies to the collective agreements filed under sections 6 to 8 and to the provisions filed under section 2 to the extent that it is not inconsistent with this Act.

In no case, however, may a newly certified association terminate a collective agreement contemplated in this Act or declare it void.

12. A collective agreement contemplated in section 9 is deemed to contain a provision to the effect that the conditions of employment applicable on the date of its expiry continue to apply until the coming into force of a new collective agreement, if the collective agreement renews a collective agreement which, on 26 May 1982, contained such a stipulation.

13. Section 15 of the Act respecting remuneration in the public sector is repealed.

14. Section 190 of the Education Act (R.S.Q., chapter I-14) is replaced by the following section:

"190. School commissioners and trustees shall cancel the engagement of persons holding pedagogical or educational positions in accordance with the collective agreement governing the parties.

However, failing an agreement or if the agreement does not provide for cancellation of engagement, the following provisions apply:

(1) The school commissioners or trustees shall, after mature deliberation at a meeting called for that purpose, cancel the engagement of persons holding pedagogical or educational positions on account of incapacity, negligence in the performance of their duties, insubordination, misconduct or immorality.

(2) Any person who holds a pedagogical or educational position and is dismissed under the preceding paragraph may submit his grievance to arbitration, in accordance with sections 100 to 102 of the Labour Code. In such case, the court of arbitration seized of the grievance shall determine whether the procedure prescribed for the dismissal has been followed and whether the reasons alleged by the school board in support of such dismissal constitute one of the causes of cancellation contemplated in the preceding paragraph. The court of arbitration may set aside the decision of the school board if the procedure prescribed has not been followed or, if the reasons for the dismissal are not well founded, order that the person concerned be reinstated in his duties and determine, if need be, the amount of the compensation to which he is entitled."

15. Section 208 of the said Act is replaced by the following section:

"208. School commissioners or trustees may decide not to re-engage for the following year a person holding a pedagogical or educational position in accordance with the collective agreement governing the parties.

However, failing a collective agreement or if the collective agreement does not provide for the non-reengagement, the following provisions apply:

(1) School commissioners or trustees, after having decided by resolution at a regularly held meeting not to re-engage for the following year a person holding a pedagogical or educational position, shall, at least thirty days before the date of expiration of the engagement of such person or, in the case of an engagement terminating at the end of a school year, before 1 June preceding the end of such school year, notify him in writing of their intention to terminate the said engagement, but need not in such notice assign any cause therefor.

(2) They shall, however, upon the written and personal request of such person delivered at least fifteen days before the date of expiration of his engagement or, in the case of an engagement terminating at the end of a school year, before 15 June preceding the end of such school year, give him in writing within the fifteen days following the expiry of such fifteen days, or in the case of an engagement terminating at the end of a school year, before 30 June, the reasons for their decision, but no right of action shall result from reasons so given in good faith.

(3) Such person, if he is of the opinion that the procedure provided in this paragraph for the non-renewal of his contract has not been followed, may submit a grievance to arbitration. If he contests the reasons given by the school commissioners or trustees, he may also submit a grievance to arbitration, but he may do so only if he has been in the employ of a school board, a school administered by a government department, or another educational institution designated by the Minister, in which such person has held a pedagogical or educational position for three periods of eight months or more, each of which was contained in a separate year of engagement comprised in a continuous period of not more than five years. An individual contract of employment may stipulate, for the purposes of the application of this paragraph, that periods of absence be deemed periods of employment in a pedagogical or educational position.

(4) The grievance must be submitted to arbitration not later than on the date of the termination of the contract of engagement of such person in accordance with sections 100 to 102 of the Labour Code.

(5) The council of arbitration seized of the grievance shall determine whether the procedure prescribed for the non-reengagement has been followed and, if necessary, whether the reasons on which the decision of the school commissioners or trustees is based are well founded. If such procedure has not been followed or if, as the case may be, the reasons on which the decision of the school commissioners or trustees is based are not well founded, the council of arbitration may set aside the decision of the school commissioners or trustees, order that the person concerned be reinstated in his duties and determine if need be the amount of the compensation to which such person is entitled."

16. Subsection 1 of section 209 of the said Act is amended

(1) by inserting the words "or who have not been re-engaged in accordance with the provisions of the collective agreement" after the word "therein" in the third line;

(2) by replacing the words "in paragraph 2 of section 189" in the fifth line by the words "in section 190 or in the collective agreement".

17. This Act shall operate notwithstanding the provisions of sections 2 and 7 to 15 of the Constitution Act, 1982 (Schedule B of the Canada Act, chapter 11 in the 1982 volume of the Acts of the Parliament of the United Kingdom).

18. This Act comes into force on the day of its sanction.

Bill 194

An Act respecting parcels of land of the Fabrique de la paroisse de Saint-Adrien d'Irlande

WHEREAS, by a deed made on 20 June 1873, Lysander Flagg transferred in perpetuity, for a nominal sum, a parcel of land to Julien Melchior Bernier, pastor, his successors and assigns;

Whereas the deed was made on the express condition that the latter persons "shall build . . . a church or house in which divine worship shall be celebrated within one year from this date and that the said property . . . shall thence forward be used and enjoyed as church property and for the benefit of the church of the said vendee, his heirs and assigns failing which the said property shall revert to the said Lysander Flagg, his heirs and assigns.";

CONTINUOUS EMPLOYMENT

EXEMPTION

IRREGULAR PAY PERIODS

This table simplifies the computation explained in the "Guide de l'employeur" in subtitle "Continuous employment". It allows to find directly the exemption corresponding to the number of days included in an irregular pay period. This period starts from January 1st of the current year, from the employee's engagement, or from his latest pay, according to one of these three dates which is the closest to the pay date.

Professional Code
(R.S.Q., c. C-26, s. 94, par. *b*)

DIVISION I INTERPRETATION AND APPLICATION

1. For the purposes of this Regulation, "region" means a region referred to in the Regulation dividing Québec into regions for the purposes of elections to the Bureau of the Corporation professionnelle des infirmières et infirmiers auxiliaires du Québec (R.R.Q., 1981, c. C-26, r. 121).

2. Articles 6 and 7 of the Code of Civil Procedure (R.S.Q., c. C-25) concerning non-judicial days apply to this Regulation.

3. This Regulation applies to the election of directors of the Corporation professionnelle des infirmières et infirmiers auxiliaires du Québec (the Corporation) and to the election of the president if he is elected by a general vote of Corporation members.

4. Where the president is elected by the vote of the elected directors, the election must take place at the expiry of his term of office, at a meeting of the Bureau, which may be held before or after the first annual general meeting following the election of directors.

The meeting of the Bureau must be called for that purpose by the secretary, by means of a written notice sent at least 5 days before the date of the meeting. The notice of meeting must state the purpose, place and time of the meeting.

DIVISION II DUTIES OF SECRETARY AND TERMS OF OFFICE

5. The secretary of the Corporation is responsible for implementing this Regulation; in particular, he shall supervise the voting.

6. If, between the 60th day preceding the date of closing of the poll and the 10th day following that date, the secretary is a candidate at the election or is unable to act due to absence, illness or refusal, the Administrative Committee shall appoint a person to replace him. That person shall assume, for the purposes of the election, all the rights and obligations of the secretary he is replacing.

7. The president of the Corporation is elected for a term of 4 years. His election will be held in 1985, and every 4 years thereafter.

8. The directors of the Corporation are elected for a term of 4 years.

In the Lower St. Lawrence — Gaspé — North Shore, Saguenay — Lac-Saint-Jean, Québec, Bois-Franc — Mauricie, Eastern Townships and South Shore regions, an election of 10 directors will be held in 1983, and every 4 years thereafter.

In the Montréal, Laurentian, Outaouais and Northwestern — New Québec regions, an election of 10 directors will be held in 1985, and every 4 years thereafter.

DIVISION III PRE-ELECTION FORMALITIES

9. Between the 60th and 45th day before the day of closing of the poll, the secretary shall send each member in the region where a director is to be elected a notice indicating the date of closing of the poll and the conditions required to be a candidate and to vote in accordance with sections 67, 71 and 76 of the Professional Code (R.S.Q., c. C-26), and a nomination paper as in Schedule 1.

10. Where the president is to be elected by a general vote, during the year of the election, the secretary shall send each Corporation member the notice prescribed in section 9 and a nomination paper as in Schedule 2.

11. A candidate's nomination paper must be drawn up as in Schedule 1 or Schedule 2, as the case may be, and signed by the person standing as a candidate.

12. The secretary shall immediately receive any duly completed nomination paper submitted at least 30 days before the date of closing of the poll. He shall then issue an acknowledgment of receipt as proof of candidacy.

13. At the same time as he carries out the procedure prescribed in section 69 of the Professional Code, the secretary shall send each person entitled to vote the following papers:

(1) a brief résumé and a photograph of each candidate for the office of director in the region where the person is entitled to vote, where the candidate has attached to his nomination paper a résumé on a single page measuring at most 22 centimetres by 28 centimetres and a photograph measuring at most 50 millimetres by 70 millimetres;

(2) an inner envelope, marked "BALLOT-PAPER: DIRECTOR" and bearing the name and number of the region;

(3) a stamped outer envelope, addressed to the secretary, marked "ELECTION" and bearing the name of the elector, his membership number, the name and number of his region, and a space for his signature;

(4) instructions explaining the means of voting and of using the envelopes; and

(5) a notice informing the elector of the date and time by which the envelopes must have been received by the Corporation.

14. Where the president is elected by a general vote of Corporation members, during the year of the election, the secretary shall also send each person entitled to vote the following papers:

(1) a brief résumé and a photograph of each candidate for the office of president, where the candidate has attached to his nomination paper a résumé on a single page measuring at most 22 centimetres by 28 centimetres and a photograph measuring at most 50 millimetres by 70 millimetres; and

(2) an inner envelope, marked "BALLOT-PAPER: PRESIDENT".

15. A ballot-paper, certified by the secretary, must contain the following data for an election of directors:

(1) the name and graphic symbol of the Corporation;

(2) the year of the election;

(3) identification of the region;

(4) the names in full of the candidates, in alphabetical order according to surnames; and

(5) the number of seats to be filled in the region.

Where the president is elected by a general vote of Corporation members, the certified ballot-paper must contain the data prescribed in subparagraphs 1, 2 and 4, for the purposes of that election.

The ballot-paper may be certified by means of a facsimile of the secretary's signature.

16. The secretary shall send a new ballot-paper to any member who has damaged, soiled or lost his ballot-paper or who did not receive it, and who so swears under oath.

DIVISION IV PROCEDURE FOLLOWING VOTING

17. After voting, the elector shall seal his ballot-paper or, if the president is elected by a general vote, his ballot-papers in the corresponding inner envelopes, place that or those envelopes in the stamped outer envelope, sign his name in the appropriate place on the outer envelope and send the envelope to the secretary.

18. Upon receiving outer envelopes which arrive before the closing of the poll, the secretary shall record the names of the electors. Without opening them, the secretary of one of the persons he appoints in writing shall mark the date and time of receipt and his initials on the envelopes, and deposit them in a sealed ballot box.

19. The poll must close at 17 h on the first day of May.

20. The Bureau shall designate 3 scrutineers and 3 substitute scrutineers from among Corporation members who are neither members nor employees of the Bureau.

A substitute scrutineer replaces a scrutineer where the latter is a candidate for election, or is unable to act on the day the votes are counted due to absence, illness or refusal.

21. At the time set for closing the poll, the secretary shall place the final seals on the ballot boxes.

In addition to the secretary, the scrutineers and each candidate or candidate's agent duly authorized by a power of attorney signed by the candidate and drawn up in accordance with that in Schedule 3, are entitled to witness the sealing of the ballot boxes.

22. The secretary, the persons he appoints pursuant to section 18, and the scrutineers shall take the oath set out in Schedule 4.

23. After the closing of the poll and no later than on the 10th day following that date, the secretary shall count the votes at the corporate seat of the Corporation in the presence of the scrutineers.

The scrutineers are called for that purpose by the secretary, by means of a written notice sent at least 3 days before the date set for counting the votes.

24. Each candidate or candidate's agent duly authorized by a power of attorney signed by the candidate and drawn up in accordance with that in Schedule 3, is entitled to witness the counting.

The candidate or his agent is called for that purpose by the secretary, by means of a written notice sent at least 5 days before the date set for counting the votes.

The candidate or his agent shall then take the oath set out in Schedule 5.

25. The secretary shall reject, without opening it, any outer envelope that he considers not to comply with this Regulation or that has been sent by a person who was not a member of the Corporation 45 days before the date set for closing the poll.

26. If the secretary receives several envelopes from the same elector for the same election and the same office, the secretary shall accept only the first envelope received, and shall reject the others.

27. The secretary shall open each outer envelope considered acceptable and remove the inner envelope marked "BALLOT-PAPER: DIRECTOR" and, where applicable, that marked "BALLOT-PAPER: PRESIDENT". He shall reject, without opening it, any

other inner envelope he may find therein, and any inner envelope bearing an identification mark of the elector.

28. After examining all inner envelopes, the secretary shall open those considered acceptable and remove the ballot-papers.

He shall reject any ballot-paper

(1) on which the elector has made a mark other than a cross;

(2) containing more crosses than the number of seats to be filled;

(3) not certified by the secretary or not provided by the secretary;

(4) bearing no mark;

(5) bearing a mark by which the elector could be identified; or

(6) marked elsewhere than in the square or squares reserved for voting.

29. No ballot-paper may be rejected solely because the cross in one of the squares extends beyond the edge of the square in which the elector made his cross.

30. The secretary shall take into consideration any objection made by a scrutineer, a candidate, or a candidate's agent concerning the validity of a ballot-paper, and make a decision immediately. That decision is final.

31. After counting the ballot-papers, the secretary shall draw up and sign a statement of the poll in accordance with that in Schedule 6. For each region, he shall declare the candidates having the majority of votes elected, taking into account the number of seats to be filled and, where the president is elected by a majority vote of Corporation members, declare the candidate having the majority of votes elected.

In the case of tie-vote, the secretary shall immediately hold a drawing of lots to determine which candidate or candidates are elected.

32. As soon as the candidates have been declared elected, the secretary shall deposit, in separate envelopes, the ballot-papers for each candidate, any rejected or unused ballot-papers, and all envelopes including those rejected in accordance with this Regulation.

The secretary shall then seal the envelopes. Any scrutineers, candidates, and candidates' agents who so desire may initial the seals.

The envelopes are kept for one year, after which the secretary may dispose of them.

33. The secretary shall send each candidate a copy of the statement of the poll. In addition, he shall submit a copy of the statement at the first meeting of the Bureau and first annual general meeting of members following the election.

34. This Regulation replaces the Regulation respecting terms and conditions for election to the Bureau of the Corporation professionnelle des

infirmières et infirmiers auxiliaires du Québec (R.R.Q., 1981, c. C-26, r. 115) amended by the Regulation approved by Order in Council 480-82 dated 3 March 1982.

35. This Regulation comes into force on the day of publication in the *Gazette officielle du Québec* of a Notice indicating that it has been approved by the Government.
