## PADEREWSKI THE KING OF PIANISTS

RECITAL AT  
Monument National

EASTER MONDAY, APRIL 24th, 1905  
EVENING 8.15

MR. STEWART HOUSTON, *Director of Canadian Tour*  
MR. F. A. VEITCH, *Montreal Manager*

LONDON, 1892.  
DEAR MR. STEINWAY.

I must tell you that, although I was delighted and inspired with your pianos at my first concert, my enthusiasm and inspiration increased at my second concert, and became still greater at the third, and thus it went on *crescendo* until my final appearance, at which my joy in the grandeur, the power and the ideal beauty of the tone, and the perfection of touch and mechanism was unbounded.

All who play your pianos can but thank you. I also do so and at the same time congratulate you most heartily.

Yours very devoted,  
I. J. PADEREWSKI.

NEW YORK, May 15th, 1900.

MESSRS. STEINWAY & SONS,  
New York.

GENTLEMEN :

Before leaving your hospitable shore, I must convey to you my heartiest thanks for the beautiful Steinway upright piano that you placed in my private car.

In view of the fact that in my recent concert tournee we covered over 22,000 miles, and that we went through many changes of climate, from the most severe cold to tropical heat, I was surprised beyond words that this little piano did not show the slightest change in action, mechanism and tone under the trying ordeal. The beauty of the tone, the power of its resonance and the perfection of its mechanism were a source of daily delight to me, as I had the instrument in constant use practising for my concerts.

Sincerely yours,

I. J. PADEREWSKI.
