TO FTE. ROSE.

An equally successful excursion was that of the employees of Chawath's foundry with their lady friends to Ste. Rose, by the Northern Ontario Railway. At 9.30 they left the station, about 250 or 300 in number, and on their arrival at Ste. Rose, they found an exceedingly pleasant group, where they spent the day in a quiet manner. Sparks from the locomotive caused a sensation among the ladies of the party, and several had their dresses scorched. However, nothing occurred to disturb the pleasantness of the day's proceedings. Several well-contested games came off in the afternoon,

in which, however, but few took part, many engaging in fishing, boating and similar amusements. The party returned at 7:30 p. m.
