To ALL TO WHOM THESE PRESENTS SHALL COME.

BE it known and made manifest, that we the undersigned have formed an Association or United Co-partnership, and do hereby agree with each other, to conduct a Banking Business in the manner hereinafter specified and described, by and under the name or style of the

MONTREAL BANK;

And we do hereby mutually covenant, declare and agree, that the following are and shall be the fundamental Articles of this our Association and Agreement with each other, by which we and all persons who at any time hereafter may transact business with the said Company, shall be bound and regulated.

First. The Capital Stock of the said Company shall not exceed Two Hundred and Fifty Thousand Pounds current money, of this Province, divided into five thousand shares of Fifty Pounds each; and for the purpose of raising the said Capital Stock, a book of subscription shall be opened in this city after thirty days previous notice in at least four of the Provincial News-Papers, under the superintendence of John Richardson, George Gardin, George Moffatt, Thomas Andrew Turner, Robert Armour, James Leslie, Horatio Green, John C. Bush, and Austin Cavillier, or any three of them; and to continue open under their superintendence until there shall have been an election of Directors as hereinafter provided, which book shall be headed with the present Articles of Co-partnership or Agreement, and shall continue open until the whole of the said Capital Stock shall have been subscribed. Every person or persons, co-partnership, body politic or corporate, who may or shall become members of this Association, may subscribe for such and so many shares as he, she, or they shall think fit, not however exceeding in the first instance twenty shares, and it is hereby agreed that the shares respectively subscribed, shall be payable in Gold or Silver coin, current in this Province, in the manner following, that is to say: Five per centum, as a deposit at the time of subscribing; ten per centum to the Directors, within ten days after they shall have been chosen in manner hereinafter provided; another payment not exceeding ten per centum, whenever they shall require it, at such time and place as they shall appoint for that purpose, giving thirty days previous notice as aforesaid; and the remainder shall be payable in such instalments as a majority of the Directors shall agree upon, but not after instalment shall exceed ten per centum upon the capital stock, for the payment of which, thirty days notice shall always be given.

Second. It is further mutually agreed upon, that whenever the sum of Five Thousand Pounds shall have been actually deposited or paid in on account of the subscription to the said stock, notice thereof shall be given by the persons under whose superintendence the same shall have been received, and in at least two of the Montreal News-Papers, and the said persons shall at the same time in the manner, notify the time and place of holding a meeting of the subscribers, which shall be at the distance of not less than thirty days from the time of such notification, and shall be open to the election of the number of Directors hereinafter mentioned, and each elector shall then and there be made by a majority of shares voted for, in manner hereinafter provided, in respect to the annual election of Directors; and the persons who shall then and there be chosen, shall be the first Directors, and shall be capable of serving until the expiration of the day fixed for making the annual election; and the Directors so chosen, shall as soon thereafter as circumstances may conveniently allow, commence the business and operations of the said Bank, but no Bank Bill, or Bank Note shall be issued or put in circulation, nor any Bill or Note be discounted at the Bank, until Twenty Five Thousand Pounds in gold or silver, shall be actually paid in and received on account of the subscription to the said Capital Stock.

Third. For the good management of the affairs of the said Association or Company, there shall be thirteen Directors, who shall be annually elected by the proprietors or holders of the said Capital Stock, at a general meeting thereof to be annually held on the first Monday of June, at which annual meeting the said proprietors and stockholders shall vote according to the rule hereinafter established, in respect to voting at general meetings; and the Directors so chosen, by a majority in conformity to which rule, shall be capable of serving as Directors, for two months (unless any of them shall be removed or mal-administration before the expiration of that period by a general meeting of stockholders, or unless suspended as hereinafter provided) and at their first meeting after such election, shall choose out of their number, a President and Vice-President, and their successors respectively, from time to time, till up, who, when by death, resignation, absence from the Province, or removal as aforesaid, in case of death, resignation, absence from the Province for three months at a time, or the removal of a Director by the stockholders, his place or office shall be vacated, and shall be filled up by the remaining Directors, or a majority of them, to serve however, until the succeeding general meeting as aforesaid.

Fourth. The Directors for the time being shall have power to appoint such clerks, and other servants under them as shall be necessary for executing the business of the said Company; and to allow them such compensation, for their services respectively as shall be reasonable and proper; and which, together with the expenses of building, house-rent, and all other contingencies, shall be defrayed, out of the funds of the said Company. The said Directors shall likewise be capable of exercising such other powers and authorities for the well regulating and ordering of the affairs of the said Company, as shall be prescribed by the By-Laws, and Regulations thereof.

Fifth. It is further covenanted and agreed upon by and between the parties to this agreement, that if the said Capital Stock of Two Hundred and Fifty Thousand Pounds, is not subscribed within three months after the said Book of subscription shall have been opened thereon, and in such case it may be completed for any former subscriber or subscribers, to increase his, her, or their subscriptions to forty shares; and if the aforesaid Capital Stock is not subscribed within four months after the said Book of subscription shall have been opened, then, and in such case, the deficiency may be subscribed for, by any person or persons, body politic or corporate, but they shall not be permitted respectively to hold more than fifty shares in the whole, unless the same be acquired by purchase, after the said Bank shall have commenced its operation.

Sixth. It is hereby expressly and explicitly declared, to be the object and intention of the parties who associate themselves under the style or firm of the Montreal Bank, that the joint stock or property of the said Company (exclusive of any

debt to be made in the manner herein after mentioned) shall alone be responsible for the debts and engagements of the said Company. And that no person, who shall or may deal with this Company, or to whom they shall or may become indebted, shall on any pretence whatever have recourse against the separate property of any present or future member of this company, or against their persons, further than may be necessary to secure the faithful application of the funds thereof, to the purposes to which by these presents they are liable. But all persons accepting any bond, bill, note or other contract of this company, sign'd by the President, or Vice-President, and countersigned or attested by the Cashier of the Company, for the time being, or dealing with it in any other manner whatsoever, thereby respectively give credit to the said joint stock or property of the said Company, and thereby respectively allow having recourse, on any pretence whatsoever, to the person or persons property of any present or future member of this Company, except as aforesaid. And all suits to be brought against this Company (if any shall be brought) shall be brought against the President for the time being; and in case of his death or removal from office, pending any suit against him, measures shall be taken at the expense of the company for substituting his successor in office as a defendant; so that persons having demands upon the company, may not be prejudiced or delayed by that event, or if the person suing, shall go on against the person first named as defendant, (notwithstanding his death or removal from office) this company shall take no advantage of such proceeding on that account; and all recoveries had in manner aforesaid, shall be conclusive upon the Company, so far as to render the Company's said joint stock or property liable thereby, and no further; and the Company shall immediately pay the amount of such recovery out of their joint stock, but not otherwise. And in case of any suit at law, the President for the time being shall have full power in his own name, and on behalf of the Company, to prosecute to judgment and execution in the manner and form as by the laws of this Province it is provided; it being expressly aforesaid and declared, that all persons dealing with the said Company, agree to these terms, and are to be bound thereby.

Seventh. These articles of agreement shall be published in at least one of the news-papers printed in the cities of Quebec and Montreal for three months, and for the information of all persons who may transact business with or for any manner give credit to this Company, every Bond, Bill, Note, or other instrument or contract, by the effect or terms of which the Company may be charged or held liable, for the payment of money, shall expressly declare, in such form as the Board of Directors shall prescribe, that payment shall be made out of the joint stock of this Company, according to the present articles of association, and not otherwise; and a copy of the sixth article of this association, shall be inserted in the bank book of every person depositing money, or other valuable property with the Company, for sale in any manner proposed, or shall be delivered to every such person, before any such deposit shall be received from him, and it is hereby expressly declared, that no exchange, contract or legal claim in the name of the said Company, unless it contain a limitation or restriction, shall be valid or enforceable. And the Company's liability expressly disavowed all responsibility, for any debt or engagement, which may be made in their name, not containing a limitation or restriction to the effect aforesaid.
