WESTMOUNT, FRIDAY, FEBRUARY 1, 1946

PRICE—THREE CENTS

1,200 To Receive X-Rays

By VIC MORRIS, JR.

Over 1,200 clerks and persons handling food in the City of Westmount will undergo X-Ray examinations at Victoria Hall within the next two weeks, Dr. J. J. Day, City Medical Health Officer, informed the Westmount Examiner today.

Dr. Day stated that the X-Rays will be held in conjunction with the City's plan to halt the spread of the dreaded disease. The diagnostic clinic will be sponsored by the City of Westmount, but operated by the Royal Edward Laurential Hospital.

"This is an important step in the right direction," said the City health official, "because there are about 1,200 people in local restaurants, groceries, bakeries, and butcher shops handling food that is consumed by the public. If one of these food handlers should have tuberculosis, his mere breathing on the foodstuff could transmit the disease to the customers."

The examinations will be held on February 4, 5, 12 and 13, and will effect workers from fruit stores, beauty parlors, groceries, laundries, bakeries, barber shops and meat stores.

"The peculiar danger of TB," says Dr. Day, "is the fact that it can exist for a considerable length of time without discovery, unless the victim submits to X-Ray examinations. If the disease is discovered in the early

M.C. Award To Former Policeman

Major Anthony J. Scotti, former Westmount, Quebec, police constable, who rose from the ranks to become Deputy Assistant Provost Marshal of the 5th Canadian Provost Corps in Italy, was decorated with the Military Cross by Gen. H. D. G. Crerar, C.H., C.B., D.S.O., former general commanding in chief, First Canadian Army.

The ceremony took place during an investiture at Currie Barracks, Calgary, where 22 officers and men received awards for gallantry in action and meritorious service.

Major Scotti's home was formerly at 7353 Casgrain street, Montreal. He is now Deputy Assistant Provost Marshal of Military District No. 13.

ENLISTED IN 1940

Major Scotti enlisted in March, 1940, with No. 2 Company, Canadian Provost Corps. He was later promoted to corporal and went overseas in June, 1940, attached to the 2nd Canadian Infantry Division. He was commissioned in July, 1942, and was promoted to captain and named officer commanding No. 5 Company (5 C.A.-D.) in Italy in May, 1944. He was appointed D.A.P.M. 1st Canadian Corps in January, 1945, later

(Continued on Page 2)

Brigade Greets Former Officer

Captain Richardson and his officers were thrilled to see "Bill" Mulligan return to the 1st Company last week, a few days after his arrival from overseas. He was given a warm welcome and they look forward to seeing him take on special duties in the Company. The boys are eager to see him on the floor each week.

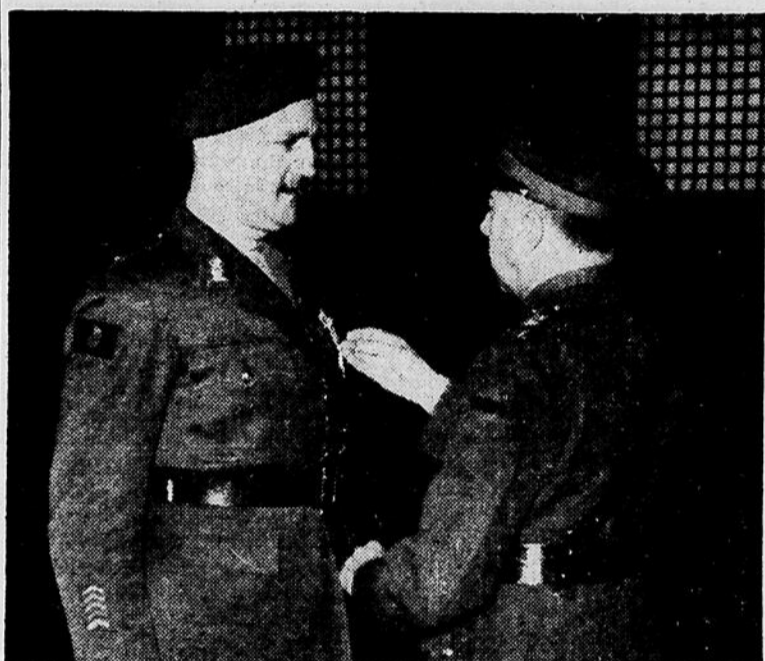

News has also been received that Eddie Goring, the well-beloved Staff Sergeant, has now been discharged from the Navy, and is expected home this week. Plans are going forward to officially welcome him this Friday, at the regular company meeting. He will take over physical training in both sections of the unit.

The model railway club is functioning very ably under the leadership of Lieuts. Alex Upham and Sam Hallam and plans for its expansion are nearly completed. Handicrafts are being conducted in conjunction with the railway projects.

This week, the senior boys of the Company shall meet with the seniors throughout the Montreal Battalion, in Verdun Brigade Headquarters, for an old fashioned show fight. This has been carried out for a number of years by some of the Verdun units, but this year they are extending an invitation to all Montreal companies, and shall have a warm supper ready for the "men" when they get back. Lt. J. W. Jeffrey will be in charge.

Boys' Brigade Week starts

(Continued on Page 2)

MAJOR ANTHONY J. SCOTTI, former Westmount, Que., police constable receives the Military Cross from Gen. H. D. G. Crerar during an investiture at Currie Barracks, Calgary. Major Scotti, now Deputy Assistant Provost Marshall of Military District No. 13, was decorated for gallantry in action during the Italian campaign.

A. J. Mowatt Called To St. Andrew's

At a well-represented meeting of St. Andrew's Congregation, the Rev. Andrew J. Mowatt was given a call as Assistant Minister to replace the Rev. Gerald J. Fee, who resigned on July 31, 1945.

The Rev. Mr. Mowatt was born in China and is the son of the Rev. A. J. Mowatt, Minister of Hudson Heights United Church. Rev. Andrew J. Mowatt served overseas three-and-a-half years. He is a graduate of McGill University and of the United Theological College in Montreal. He is a grandson of the Rev. Dr. Mowatt, who was the well known and greatly beloved minister of Erskine Church, now the Erskine - American United Church.

Rev. Andrew Mowatt served for one year as a missionary at Avoca, Quebec. During the past two-and-a-half years, he has been attached as Chaplain to a Toronto Regiment, and has been in the thick of hostilities in France and Germany. Mr. Mowatt brings to St. Andrew's, a great experience in his service overseas.

Library Concert Again Next Wed.

The programme for the next concert to be presented by the Westmount Music Appreciation Group in the Public Library next Wednesday at 9 p.m., is announced as follows:

Secret of Suzanne Overture, by Wolf Ferrari, played by the Boston Pops Orchestra, Arthur Fiedler conducting.

Till Eulenspiegel's Merry Pranks, Opus 28, by Richard Strauss, played by the National Symphony Orchestra, Serge Koussevitzky conducting.

Symphony No. 4 in A Major, Opus 90 (Italian), by Mendelssohn, played by the Philharmonic Orchestra of New York, Sir Thomas Beecham conducting.

Czech Rhapsody, by Weinberger, played by the National Symphony Orchestra, Hans Klindler, conducting.

Roumanian Rhapsody No. 1 in A Major, by Enesco, played by the Chicago Symphony Orchestra,

(Continued on Page 2)

Ex-Air Force Pastor Claims Canadians Greatest Flyers

Rev. Father Frank McMahon, former Squadron Leader and chaplain with the famed Iroquois and Bluenose Bomber Squadrons of the R.C.A.F. and now assistant pastor of St. Malachy's Church, supported the opinion of famed Group Capt. Johnny Fauquier, D.S.O. and Bar, D.F.C., that Air Force pilots "did not fly by the seat of their pants."

Father McMahon was the guest speaker at the weekly Westmount Rotary Club luncheon held at Victoria Hall, Wednesday.

He said that he heard only vaguely of some controversy about the incident. He did not mention Group Capt. Fauquier or

H. J. Smythington, president of T.C.A., who was reported to have made the remark about "flying by the seat of their pants."

However, he said, anyone who has seen, as he had, young men scarcely more than boys, take huge bombers into the air and bring them over the target with pin point accuracy despite heavily defended targets and bring their ships home safely on schedule.

"These boys were the greatest fliers the world has ever known," he said.

He told the Rotarians something of the work that the chaplains accomplished at the various R. C. A. F. stations scattered

R.M.R. History To Be Written

R. C. Fetherstonhaugh, noted Canadian military historian will be asked to undertake the production of a second volume of the History of the Royal Montreal Regiment, it was decided at the annual meeting of the Officers' Mess.

The first volume of which Mr. Fetherstonhaugh was the author deals with the period 1914 to 1925. The R.M.R. perpetuates the 14th Battalion, C.E.F., which was organized in 1914.

Among the regimental committees were: Mess President, Capt. John Coupland; Regimental Committee, Major Basil Smith; Sports Committee, Capt. Tom Kinna; Canteen Committee, Capt. W. F. Keyton; Band Committee, Capt. Q. Gwyn; Secretary, Capt. C. Stacey; and treasurer, Capt. W. A. Fowler.

Among those present were Lt.-Col. F. W. Fisher, V.D., honorary Lieutenant-Colonel and Col. J. A. Calder, E.D., who commanded the regiment overseas.

Putters Club Holds Social

The Westmount Putters' Social Club held another enjoyable session last Monday night at Victoria Hall. It was "Refreshments" night once more, and the group ended up the evening by having sandwiches, cakes, tea and coffee served up to them.

The evening was spent in progressive games with the members divided up into teams. Next Monday, the Club will hold another meeting, and all members are invited to attend.

Vets Due Tomorrow

A total of seven trains are expected here tomorrow with service personnel from the S.S. Scythia, expected to dock at Halifax Harbor some time today. Five C.P.R. trains are bringing several hundred returning veterans to Lachine Repat. Depot. Two special C.N.R. trains are expected at Bonaventure Station at noon tomorrow with military personnel.

An appeal for volunteer drivers to report with their cars at the Engineers' Armory, Verdun Auditorium, at the hour it is known that the trains will arrive, has been made.

Following are the lists of 3rd Battalion, Royal Canadian Engineers, and other local Army personnel who will land at Halifax today and are expected to reach Montreal by train tomorrow. Westmount men listed only.

Train No. 2156

Cfn. S. J. Blakemore, 648 Argyle Avenue; Major A. D. Baillie, 119 Sunnyside Ave.; Sigm. A. Campbell, 4262 Western Ave.; Cpl. Copas, 331 Argyle Ave.; Pte. R. M. Darling, 4297 Dorchester St.; Sgt. E. C. Fox, 16 Somerville Ave.; Pte. J. R. Hastie, 1247 Greene Ave.; Lieut. W. G. Horsey, 4643 Sherbrooke St.; Pte. C. E. Perry, 359 Victoria Avenue; Sgt. W. F. Young, 665 Grosvenor Ave.

Train No. 2157

Sgt. T. H. C. Christmas, 63 Columbia Ave.; Cfn. G. J. Glardin, 741 Greene Ave.; Capt. N. P. Guadagni, 364 Olivier Ave.; Pte. R. E. Johnson, 4283 Dorchester St.; Pte. R. T. Lavole, 618 Greene Ave.; Cpl. J. B. Mowat, 243 Kensington Ave.; Cpl. W. J. Norris, 310 Victoria Ave.; Pte. G. Ross, 784 Greene Ave.; Capt. N. G. Wykes, 46 Arlington Ave.; Sgt. L. A. Wilson, 4713 Western Ave.

Westmount Highlights

BY GEORGE COCHRANE

The doings of the debating fraternity of Westmount High rate the first paragraph this week. For the men and women of the institution who believe that the tongue is mightier than the sword pulled off their second pair of victories Friday afternoon. The victims: the tongue waggars from Verdun High.

The subject up for discussion was "Resolved that war is inevitable." In the WHS library Natalie Fochs and Edmond Reid successfully upheld the affirmative while down at Verdun David Wood, the bespectacled tumbler and very efficient president of the WHS debating society, and Chippy Batshaw argued the negative side of the resolution and won the judges' approval.

The debate had previously been postponed twice—once at the request of Verdun, once at the request of the local word wizards.

The Purple and White orators, who have yet to lose a debate this year, are now tied with West Hill, the perennial thorn in the Westmount side, for first place in the inter-school debating league. The West Hillians boast the same undefeated record as the local debaters.

David Wood's wordy warriors will get their final test of the year, unless a tie forces a sudden-death playoff, on March 8 when they will tangle with Lower Canada College in another double debate.

Last year Westmount and West Hill were tied for first place at the end of the regular schedule. The west enders won the sudden-death debate that followed.

This year Mr. Wood is determined that things will end differently.

P & W REVUE

From the office of the Purple and White Revue bigwigs comes the following terse communique:

Bill Roberts has been of great assistance in the writing of scripts. . . . Frail Fred Roney has been hard at work in the electrical department. . . . Elsie Neilson is in charge of costumes. . . . Mr. Parker L. Wearing has done a lot of work, including the writing of the Students' Council number and his advice on scripts has been (use some word meaning darn fine). . . . Mr. Gifford Mitchell's Glee Club is going great guns. . . . Tom Armstrong, Ron Baxter and Willard Morrison are building scenery. Mr. J. Douglas Lawley's are class is painting it.

The most prominent of those under consideration for important roles in the show include: J. C. Dickins, Doug Mitchell, Di-Di Reid, Tom Earle, Bruce Clarkson, George Cochrane, Mike McBean, Jackie Mickles, Bob Smith, Bill Hannington and Harry Garber.

POST MORTEM

Ye Skigulls Ski Club benefitted by something like \$50 as a result of the very enjoyable shindig which they threw in the WHS gym last Friday night and early Saturday morning. To quote Glen "Tonto" Magee, the copper-skinned Thornhill avenue resident who at one time was a WHS habitue, "George, you can say in your column that it was the best dance of the season."

Well, gentle reader, we don't know whether to string all the way along with Tonto's statement or not but, at any rate, we can assure one and his good friend all (we use that phrase at the special request of Peter Farrell, he of 12a) that the affair was certainly enjoyable. The work of advisers Messrs. Lew H. Davies and J. K. Snyder, both professors of the building, helped to make it so.

ITEMS

Margaret D. Swaine, teacher-to-be who was in WHS' grade 12

Temple Emanu-El

Regular Sabbath Eve Services, Friday, February 1st at 8.15 o'clock. Dr. Stern will speak on "Mastering Fear". Saturday morning, February 2nd, at 11.30 o'clock sermonette "Wrong not a Stranger" based on Torah portion.

Brotherhood Open Board Meeting will meet Monday evening, February 4th, Temple Community House, 8.30 o'clock. Conveners, Jack Freedman, Samuel Paperman, Harry Wolfe, Henry Benson.

Parents' Teachers' Association Fund Raising Social will meet Sunday evening, February 3rd, 8.30 o'clock Temple Community House. Conveners, Mrs. I. Copnick, Mrs. A. Lehberg.

Senior Young Peoples' Executive held meeting last Tuesday evening, under the chairmanship of Miss Felice Gittleson. Temple Young Peoples' Society will be guests of the Dominion Douglas United Church, Westmount, Sunday evening, February 10th. Teen Age Club open meeting February 12th, under chairmanship of Bonar Stuart. Drama Group now rehearsing for a play to be given in March under the direction of Mr. Edmond Wayne. Included in the cast are Bonar Stuart, Esther Ostor, Reina Aron, H. Lewis, Ellan Steinberg, Arlene Hollinger.

In Honour of President Simon, a group of members of the Temple taking cognizance of Mr. Arthur Simon's milestone birthday, are making special offerings to the Temple toward the refurbishing of the Temple Board Room. Mr. Martin Arnovitz, treasurer, is in charge of receiving these offerings.

Executive Board Luncheon, Tuesday, February 5th, at 12.30. Temple Community House. Mrs. Richard Kramer will preside. February 12th, Luncheon and Bridge. For reservations, Mrs. J. D. Roston. Sisterhood sewing all day Monday, in Temple Community House.

Under the chairmanship of Mr. Charles Asch, a new movie machine has now been properly installed, same to be utilized for educational and cultural purposes. Junior Assembly next Sunday morning in charge of Dr. Rosenbaum and Class VI. High School Department Parents' Sabbath, Friday evening, February 15th. Oneg Shabbat Programme following the service will be in charge of Miss Francis Katz, M.A., School Directress.

On Wednesday evening, February 20th, the Men's Club of the Temple will hold its nineteenth Fellowship Dinner between Catholics, Jews and Protestants. Every member of the Brotherhood is expected to invite a non-Jewish friend as his guest. Representatives of service clubs and heads of educational institutions are among the special guests invited. Mr. Samuel Paperman and Jack Freedman are conveners of this all-important meeting in the Brotherhood calendar.

The recent address given by Rabbi Stern over the Canadian Broadcasting System on the subject "A New Spirit for the New Age" is now being published under the auspices of the Temple Public Relations Committee. Copies of same may be obtained by applying to the Temple office.

last year and who's now studying (or so she claims) at Macdonald College, celebrated her 18th birthday yesterday. . . . Pat Workman's formal comes off at Victoria Hall tonight. . . . Hear that the group who are very determined to provide Westmount High with a school paper are now toying with the idea of expropriating a page or two of The Examiner each week and filling the space exclusively with news written and edited by themselves. . . . A year ago tomorrow night WHS's hockey team made \$60 from a dance held at Vic Hall. The money, it was published, was to help pay for a trip which the boys planned to take. But the trip never came off and the boys quietly split the proceeds.

M.C. Award

(Continued from Page 1)

being appointed A.P.M. and promoted to major with 5 C.A.D. in Northwest Europe. He returned to Canada to take over the appointment of A.P.M. with the Canadian Army Pacific Force and received his present appointment in October, 1945.

He was Mentioned in Dispatches in May, 1945, and announcement of the award of the Military Cross was made the following month.

Citation covering the award reads: "Capt. (now Major) Scotti served continuously in 5 Canadian Provost Corps from January, 1943, and throughout his tour of command performed his duties in a highly satisfactory manner. An energetic and tireless worker, this officer was well forward in actions organizing and supervising control of traffic. Day and night in all kinds of weather, frequently under heavy artillery and mortar fire, this officer constantly visited his traffic posts to assure a constant flow forward of supporting arms."

"On the night of August 30, 1944, Capt. Scotti personally made a detailed reconnaissance of approach routes to the Foglia River for the Gothic Line attack. Not content with the information he obtained he continued across the river and through a heavily mined area until he reached Montecchio lateral. As a result of this reconnaissance, which was carried out under heavy mortar fire, he formulated a sound traffic plan which contributed greatly to the success of the attack."

ATTACK ON CORIANO

"The attack on Coriano during the night of 12/13 September, 1944, followed two main axes of advance. Both of the approaches and lateral road 500 yards south of the town were under direct enemy observation. Enemy minefields restricted movement on each road to one way traffic and this necessitated the strictest of traffic discipline and control, particularly in the early phases of the attack. Capt. Scotti sited two traffic control posts on the lateral road, and throughout the attack personally maintained constant communication with the attacking Brigade headquarters and his traffic posts."

"The outstanding coolness and resourcefulness under fire displayed by this officer were an inspiration to all and the successful movement forward of supporting arms was due to his planning and foresight. Under the brilliant leadership and organizing ability of Capt. Scotti the company reached such a high standard of efficiency that it has earned the esteem and respect of all ranks of the division."

1,200 To Receive

(Continued from Page 1)

stages, the chances of recovery are greatly increased.

There are 99 known cases of tuberculosis active here, and possibly many more undetected cases are threatening the public, Dr. Day revealed. He added that the disease is more prevalent than is commonly supposed. It has been estimated that of the 250 cases in Westmount only 99 are known to the health officials. Montreal, with a population of approximately 1,250,000, has 80,000 reported cases, or about one per hundred population.

It is felt that after the anti-TB drive in connection with food handlers has been concluded, that many more Westmount citizens will patronize the city's stores instead of purchasing their produce outside the city's boundaries.

Dr. Day and his staff are to be commended for their efforts to stamp out the contagious disease.

There are approximately 12,000,000 farmers in the United States.

Know Your Westmount

Biography And History --In Streets--

(Contributed by Westmount Historical Association)

No. 14 De Casson Road

De Casson Road extends from Barat Road, west to 460 Wood Avenue, between Holton Avenue and Sherbrooke Street West.

The Montreal College, or Seminary, dates back to the 17th Century. During the administration of Lord Sydenham, as Governor-General of Canada, the Sulpicians were recognized as "an incorporated and Ecclesiastical Community."

In 1927 the property of the Sulpicians extended from Sherbrooke Street, north to Cote des Neiges, and from Guy Street, west to Wood Avenue, and was locally known as the Priests' Farm. In this year the western part of the property was sold by the Sulpicians, and registered in the name of the Montreal Development Company.

When it was subdivided into building lots, by a By-Law of the City of Westmount, one of the Streets was named De Casson Road, in memory of a famous Superior of the Seminary of Montreal, François Dollier de Casson.

François Dollier de Casson (1636-1701), Priest and Explorer, was born at the Chateau de Casson, near Nantes, France. He became a soldier, and before the age of twenty was made a Cavalry Captain, under Turenne. He entered the Seminary of St. Sulpice

in Paris in 1657, and came to Canada to engage in Missionary work in 1666. He was sent, with Galinée to try to reach the Mississippi River to pave the way for Sulpician Missions among the Western tribes.

They passed through Lakes Ontario and Erie, and wintered at Port Dover, taking possession of the country in the name of Louis XIV of France. They continued their voyage in the Spring of 1670. One canoe was destroyed in a storm, and part of their baggage was lost, so they were forced to return to Montreal.

De Casson was told by the French Explorer, Joliet, that a water route existed between Lake Erie and Sault Ste. Marie. He therefore travelled through Lake St. Clair and Lake Huron to Sault Ste. Marie, and returned to Montreal by way of Nipissing and Ottawa Rivers after a year's absence.

In the Autumn of 1671, Dollier de Casson became the Superior of the Seminary of Montreal, and later, Vicar General of Quebec. He died in September 1701.

Among other things, he wrote "l'Histoire de Montréal" published by the Société Historique de Montréal, and by the Literary and Historical Society of Quebec, in their third series of Historical Documents (1871). It was translated and annotated by R. F. Flenley, Toronto in 1928.

Scouts & Cubs

By Reg. Groome

By REG. GROOME

Last week's meeting of Trinity Pack was held at Western Headquarters, while Trinity Hall was used for other activities, with 22 Cubs present. Two lively games were played with instruction following. At the beginning of the meeting all Cubs were notified that a two-minute play showing the meaning of the Cub Law must be put on by each Six immediately after instruction period.

The meeting was cut short to allow Cubs to get home on time, only a couple of songs, Cub Silence, Grand Howl, led by Six C. Ancrum, and the meeting was closed.

All Scouts in Westmount area have once again been urged by Western area to make full use of their Badge Schedule rather than go to Bishop Street Headquarters. The schedule is printed here for the benefit of all concerned: Handyman Badge Lectures on February 7th, 14th, 21st and the test on the 28th. Pathfinder Badge Test on February 11th. Electrician Badge Lectures on February 12th, 19th and 26th. Fireman Badge lectures on February 13th and 20th, and the test February 27th. Knotter Test will be taken February 25th.

All these tests will commence at 7.30 p.m. with the single exception of Knotter's, which will start at 8.15 p.m. Swimmer and Rescuer Badges may also be taken. Make your appointment with Neil Cameron, DE. 9021.

The Inter-Pack Hockey League is progressing well with two games played last Saturday. 2nd Westmount white-washed St. Luke's

8-0, while the score between Westmount Park and Rushbrooke was not available at press time, and will be announced next week. 2nd Westmount are now tied with Westmount Park for first place in their section of the league, although this does not include last week's game between Westmount Park and Rushbrooke.

This Saturday, 2nd Westmount will play Rushbrooke, while Westmount Park plays host to the unlucky St. Luke's team. With only two more games left in the schedule, the race is tightening up, and we are unable to forecast who will win in this section. Next week's results will probably show some change in the standings.

Brigade Greets

(Continued from Page 1)

next Friday, February 8, and already the boys are showing keen interest in putting it across. The Company have been promised a banquet if they go over the top.

Squads are taking new names this Friday, in section A, and shall be known as North, under Cpl. G. Smith; Western, under L/Cpl. Lawrie Newman; Central, under L/Cpl. Bryer Rice and East under L/Cpl. Gord McCradyl. The rearranging has been done so as to have all the boys in these squads within easy reach of the N.C.O. in charge so that absentees may be called upon and a report received weekly, all cases of illness then being reported to the Captain.

WESTMOUNT, FRIDAY, FEBRUARY 1, 1946

PAGE THREE

WESTMOUNT LIBRARY HONORED

By VIC MORRIS, JR.

Victoria, B.C., Jan. 31. — Extending high tribute to the City of Westmount Public Library, the British Columbia Library Commission and Association reported at the conclusion of a recent survey of all Canadian libraries that the Westmount group "is a shining light in a land of semi-darkness."

The survey named two Canadian libraries capable of providing adequate service to the public. They are Toronto Public Library and Westmount Public Library.

The report says: "when measured by the standards of either Great Britain or the United States, library service in most of Canada—including all British Columbia—is at a very low level."

The librarian's report as the result of an exhaustive survey of library conditions in British Columbia that the situation is "shocking and that not one community in British Columbia at present enjoys adequate service, and that for practical purposes the majority of the people of the province have no library facilities what ever".

As a result of their findings, the library groups are pressing the Government to assume full responsibility for all public libraries in the province because "a few of our local authorities think of the public library as being anything more than a bill of expense; many regard it as an unnecessary luxury that they can ill afford to support."

The Westmount Library completed its 46th year of service this year. It lends approximately 200,000 books to adults and juveniles annually.

Westmount provides a free public library service for the use of its citizens. The library is open daily except Sunday from 10.00 a.m. until 9.30 p.m.

A total of 45,000 books are lodged in the library and new titles are constantly being added. In addition to current novels, biographies, etc., the library each year buys non-fiction of a more everlasting nature. Recent purchases have stressed music, fine arts, education, child psychology, aviation, radio and other scientific subjects.

In 1897, Westmount received \$13,000 from a defaulting gas company, and with this "Windfall", the Town then decided to establish a permanent memorial to commemorate the Diamond Jubilee of Her Majesty, Queen Victoria. A committee appointed to study the form of this memorial, recommended a public

library. The sum of \$5,000 was set aside to purchase books, the balance was allocated to the erection of a suitable building. Mr. Robert Findlay was the architect while Charles Gould, librarian of McGill University served as advisor on building plans and advised in the choice of books.

The library was opened to the public June 24, 1899, designed in the words of the original by-law to be forever free to the use of the inhabitants and rate payers of the Town. In 1911 a children's room was added. In 1925 the reference wing was added to the adult library at a cost of approximately \$29,000.

During 1935-36 about \$23,000 was spent on a new staff work-room, increased book racks and on general interior improvements.

The government of the library was placed in the hands of a committee consisting of the Mayor ex-officio, three aldermen, and three rate payers, to be known as trustees. To them belongs the responsibility for the selection of a librarian and staff, the spending of the annual maintenance grants from the City of Westmount, and the formulation of library policies and rules.

The statistics for 1945 show that a total of 45,444 books are owned by the organization and total membership is 8,435. A total of 194,282 books were loaned to the adults and children of Westmount last year.

Dr. James to Lecture

On Wednesday at 8.15 p.m., Westmount High Home and School Association will hear an address on "McGill University During The Reconstruction Period" by Dr. F. Cyril James, Principal of McGill.

The meeting will be held at the Junior High School and West Hill, Willingdon and other Home and School Groups have been invited to attend.

The World War II History of the R.M.R.

(Royal Montreal Regiment)

Westmount, Que.

CALAIS SURRENDERED

The following few days were devoted to patrolling and the entering of Calais. This was difficult as the Germans had flooded the area. We first tried to get over by using a R.R. embankment but the Germans soon discouraged that with the aid of some 20 M.M. and M.G.'s. After spending a cold blasphemous two hours lying on our stomachs along the track we discretely withdrew, and came in another way across the flooded area with assault boats. The next day the attack on Calais began. We started at 1800 hours or 6.00 p.m. However after a two hour artillery barrage from, I believe, 1200 guns, the German commander surrendered what was left of the City. At 5.00 a.m. we entered and helped round up the Germans.

Casualties Heavy

Twenty-four hours later we left Calais and proceeded to the town of Heybrugge near the French-Belgium border for a rest. Company H.Q. was in a farm house and the old woman who owned it only knew three words in English. One was the word "English", the other two were descriptive and not in good taste.

On the 4th of October we again moved, this time to the village of Cleit, between Bruges and Ghent, and near the Dutch-Belgium border. This was the teeing up of the Scheldt clearing operation, although we didn't know it at the time. The opening move was to cross the Leopold Canal, which was the defensive line the Germans were holding. The preliminary "Recces" were made, and on the morning of the sixth of October the R.M.R. company sup-

ported by Flame-throwers crossed the canal. The opposition was very great and casualties extremely high. Later in the day other

coys of the battalion got across, but lost heavily in the operation. For the next few days the unit managed to keep a grip on the bank but could not get inland. The enemy counter-attacked in strength again and again and shelled and mortared very effectively, but he did not quite manage to gain lost ground. On the third day another battalion of the Brigade attacked on the right, but after losing two companies, were forced to withdraw. On the fifth

"The Examiner" aims to be an independent, clean newspaper for the home, devoted to public service.

FRIDAY, FEBRUARY 1, 1946

FEW REALLY LARGE FAMILIES

The capital was quite surprised when the Minister of Health gave out figures regarding the size of families that were drawing Family Allowances up to the end of October, states "Public Opinion."

Of course, the figure of 512,659 for families with one child was considered not exceptional but it was in the higher brackets where they found that there were fewer than expected. The total number of families of nine children or more as revealed by the October figures were nine children, 6,151; ten children, 2,808; 11 children, 1,023; 12 children, 288; 13 children, 51; 14 children, 10; 15 children, 2.

The total number of families drawing the allowance rose from 1,238,461 in July to 1,334,515 in October.

WAGES AND LIVING STANDARDS

"In describing and measuring standards of living, family income is more significant than individual income," states The Royal Bank monthly letter, "because a standard of living is a family matter, including as it does the kind of things customarily enjoyed by families in that class. Some will be looked upon as necessities, others as comforts, and still others as luxuries. The standard will rise as there is improvement in the quality of necessities, or increase in the quantity of comforts and luxuries which add to the contentment of the family, and insofar as the family succeeds in realizing its attempted standard of living, it is happy, but when it tries to reach a standard of living beyond its capabilities, life for members of the family becomes increasingly unstable."

"Most people think of the standard of living as being solely upon income, but there is need to differentiate between money income, which is the amount received in wages, salary or from other sources, and real income,

which is the sum of the things a family can buy with its money. This is conditioned by fluctuations in prices and in the supply of goods available.

"It is interesting to look back over the course of wage income. The wage index in certain main groups of industries rose from 38.1 in 1901 to 107 in 1920, then fell to 85.1 in 1933, and by 1944 it had risen to a new high record in these 44 years, 137.5. No figures are available for manufacturing industries at the turn of the century, but in 1911 the index stood at 45.0, and in 1944 it was 141.1.

"Unfortunately, the cost of living index cannot be given for 1900, but there is a significant-enough comparison between 1913 and 1945. Whereas in this period the general wage rate index has increased 99.4 points, the cost of living index, covering the basic needs for a family, has risen only 40 points.

STUPID HEALTH MENACE

Through the designation of the week of February 3 as "Health Week" the Health League of Canada hopes to put emphasis on the year-round programs of disease prevention carried on by official campaigns for compulsory pasteurization of milk and pre-marital medical examinations including blood tests.

"Health Week" is sponsored by the Health League in co-operation with the departments of health and education in all nine provinces.

The League at present is engaged in an intensive campaign seeking enactment of compulsory pasteurization laws on its statutes, has profited greatly from this legislation, passed in 1938. For instance, Toronto's Hospital for Sick Children reports it has not received one case of bovine tuberculosis from Ontario in the last three years.

The hospital also reports that for more than 25 years not one case from Toronto has been recorded in its admitting records. Pasteurization of milk became effective in Toronto in 1915.

A law similar to that in effect in Ontario could be and should be passed and enforced in the other eight provinces. There can be no sound argument advanced against the pasteurization of milk which is a simple and harmless procedure. Pasteurization does no harm to milk's nutritive value, but there are still many Canadian citizens who ignore the facts and for reasons, selfish or otherwise, continue to oppose this harmless and economical method of making milk, the world's finest food, safe for human consumption.

THE FORUM

Conducted by Howard S. Ross, K.C., D.C.L.

In Which Subjects of General Interest Are Discussed

The opinions expressed in this Forum are not necessarily those of this newspaper, and it does not accept responsibility for them.

The greatest internationalist of all time was Charles-Joseph Prince de Ligne, a Belgian by birth, French by education, Grand of Spain, Field Marshal of Russia, General of Austria. He was born of a German mother, married a Princess of Lichtenstein and became a naturalized citizen of France, Austria, Spain, Russia, Turkey, Hungary and Poland—all at the same time!

The Metropolitan Benjamin, head of the Russian-Orthodox churches in America, recently addressed the ministers of Boston. He said in part: "At first I opposed the revolution and was imprisoned. But now I believe the revolution was a good thing for the church. The Russian Church had grown too rich, too soft; when the revolution took away our wealth we had to find our souls. I thank God for persecution. Now the Russian Church has returned to God, to spiritual life. May I say that I see in the Christian churches of America many of the signs of decay which I saw in the Church of Russia before the revolution—considerable wealth, absence of conviction, an easygoing religion which accepts things as they are, nominal church loyalty which is not backed up by personal character and conduct."

An address by F. Sykes of Wiltshire, G.B., an experienced farmer, given in G.B. and Australia is being featured in a number of journals in those countries and Canada.

The following sentence sums up his conclusion which is very important not only for farmers but for those who consume farm products—and that means everyone. "The health of the soil, the plant and the animal are interdependent, and the re-fertilization of the soil—the basis of life where we all begin—is biological and not chemical."

Said Mr. Sykes: "We pedigree breeders have a saying: '50 per cent of the pedigree goes in at the mouth'. We concluded our feeding was wrong. We suspected the cow with her four stomachs was not a concentrated food converter, but in her natural surroundings, a consumer of roughage. Were not the highly concentrated cakes, with their well-known stimulating abilities for the production of rivers of milk the cause of the decline of the health and stamina of our cattle? We had produced fantastic milk records, had been accorded the highest awards in the show rings, but it was at the expense of the health and constitutions of the cows."

Those who believe in Proportional Representation are convinced that the future of all democracies, and, in particular of the liberated countries of Europe, will depend very much upon whether their forthcoming elections for Parliaments or for constituent assemblies, will give fair results. P.R. will be an important contribution to the peaceful evolution of representative government; it will be a contribution to the mutual understanding of democracies and this in turn is a contribution to the maintenance of the peace of the world.

The late Sir Robert McDougall took a very keen interest in the activities of The Proportional Representation Society of Great Britain, 82 Victoria Street, Lon-

don, S.W.1. In his will he made a bequest to the Society of shares worth about \$70,000.

With about 1000 members and three shops, a consumer's co-operative society has been started in Addis Ababa, capital of Ethiopia.

It is reported authoritatively that Stalin of Russia thinks Churchill of Russia is "a broth of a boy".

Justice is defined in the Institutes of Justinian as being "the constant and perpetual will to give every man his due". Those who favor Proportional Representation—a more effective method of voting—believe that the application of this principle to the representation of citizens in their Parliaments would lift political life in the democracies to a higher level of human development.

Canada's external trade continues to expand steadily, although it long ago reached volumes and values which left all pre-war records far behind. During April exports and imports, excluding gold, had a new peak value of \$451,938,020 as compared with \$439,493,000 in March and \$424,168,000 in April 1944.

The following letter appeared in a Nova Scotia daily: "In a letter published in your Forum on Saturday over my name two references were made to — as the 'valuable member' from —. This should have read 'valuable member'. There is a vast difference'."

Farm improvement loans under the new Act for that purpose. Loans for farm implements are sought in West. This will mean substantial saving by enabling farmers to pay cash and save interest. Loans are used for a variety of purposes in East. The Supervisor of the Act, D. M. McRae Stated: "The Banks are showing a keen interest in this legislation which opens up an entirely new field of banking and I believe it will be found they are keenly aware of the possibilities for service which may be rendered to agriculture in this new field."

Stanley Presbyterian

Sunday morning the Minister, Rev. J. D. Wilkie will continue the series on Calvinism, taking point No. 2—"Unconditional Election." In the evening his subject will be "Ramoth in Gilead is Ours," I. Kings, 22:3.

The Young People will hold their Fellowship Hour at the close of the evening service in Franklin Hall Memorial.

The annual meeting of the Montreal Presbyterian of the Women's Missionary Society of the Presbyterian Church in Canada, will be held in Knox Crescent Church on Tuesday and Wednesday, February 5th and 6th. The meetings open on Tuesday at 3 p.m., and this meeting will have Miss Bessie MacMurchy, R.N., of India, as Guest Speaker. H/Col. J. Logan-Veneta, O.B.E., Ottawa, Chaplain of the Presbyterian Church, will address the evening meeting at 8 o'clock. Mrs. A. R. McMurrich, Past President of the Women's Missionary Society, will speak at the closing meeting on Wednesday afternoon.

The Sunday School meets at 11.15 a.m.

YES, YES, BUT WE CAN'T LET THE LADY DOWN

Vertical text on the right edge of the page, including church notices and advertisements.

The Church Calls to Worship

St. Luke's United

The minister, Rev. Ralph E. Spencer, will preach at both services this Sunday. The first of a series of three sermons on Sunday evening will be, "The Fact of Personality." A service of Ordination for the newly elected elders will take place at the morning worship. The subject will be, "The Significance of Eldership."

We would like to remind the ladies of the congregation of the letter sent out recently, outlining

7.30 p.m. "Introducing the Songoi Tribe of Timbuctoo." Curious from Timbuctoo will be used to illustrate the message.
Wed., 8 p.m. Prayer Fellowship.

VISITORS CORDIALLY WELCOMED

St. Luke's United Church War Memorial

A splendid response is being given to the letters sent out by St. Luke's War Memorial Committee.

Through this medium the congregation were informed concerning the proposal which was adopted by the Official Board and an opportunity was afforded for expression of individual opinion regarding the most suitable form of a memorial to honour the service and sacrifice of those whose names appear on St. Luke's Honour Roll.

In addition to sending the above mentioned letters, the Committee arranged special meetings to which returned Service Personnel and their next of kin were invited. At these meetings, the ideas and opinions of the two groups were expressed.

The Committee stated all suggestions must be received today following which a tabulation will be made to determine the wishes of the majority.

At the Congregational Annual Meeting it was agreed that, following the tabulation, a special meeting should be called to consider the results and make a final selection.

Westmount Baptist

Dr. Johnston will preach at both services in Westmount Baptist Church, on Sunday. The morning sermon theme will be "Sparkling Fountain and Brimming River". Communion will be observed at close of morning service.

In the evening the address will be entitled "Drama In An Eastern Court—The Accused, The Accuser, The Advocate".

The Westmount Fellowship Hour will follow the evening service. The speaker will be Rev. William Steeper, Inter-School Christian Fellowship Representative—Montreal. Young people are specially invited.

Westmount Park

Mr. Goth will continue the series of sermons on the Galilean ministry of Our Lord, taking as his topic on Sunday morning "The Rock, Peter and Christ." An exchange of pulpits is being made in the evening when Rev. G. Campbell Wadsworth, Ph.D., of Montreal West Church will preach on the topic: "The Voice of the Living God." Mr. Goth will preach in Montreal West Church.

Supper. All who love the Lord Jesus Christ are invited to participate. The Church School will be held at 10 o'clock.

At the service at 7.30 p.m., with the Pastor conducting, the sermon will be "The Pilgrim Fathers and Some Results of Their Labours." A Friendship Hour will be held in the Church Parlours following the evening preaching service.

On Monday the Cubs and Boy Scouts will meet at their usual hours.

On Tuesday, the C.G.I.T. Group will meet at the usual times.

On Wednesday, Feb. 6th, at 2.30 p.m. the Women's Association will meet in the Church Parlours.

On Wednesday evening at 8.15 p.m., the Elizabeth Read Missionary Auxiliary will meet in the Parlours of the Church.

The Red Cross Group will meet on Thursday from 1 to 4 p.m., in the Church Parlours.

Dominion-Douglas

Dr. A. Lloyd Smith will preach at the morning service in Dominion-Douglas on "Truth and Freedom" and the choir will render "O Most Merciful" and "Come, O Blessed Lord of Light". The Church School, Minister's Membership Class and Young People's Bible Class will meet as usual in the afternoon. At the evening Service Rev. R. Graham Barr will speak on "Man's Search for Happiness" and choir music will include "Brother James Air" and "Sing We Merrily". Both services will be broadcast. At 8.45 p.m. the Young People's Union will meet in Friendship Parlour when Marcel Courtois will entertain at the piano.

Women's meetings for the week will be the Sewing Circle at 2 p.m. on Monday, the Women's Association at 10 a.m., Tuesday with Luncheon at 1 p.m. A special meeting of all women interested in the formation of an evening group at 8 p.m. on Tuesday; and the Red Cross unit at 10 a.m. on Wednesday.

Brownies, Cubs, Guides and Scouts will all meet at their usual time during the week.

Westmount Baptist Church

Sherbrooke St. W. & Roslyn Ave.

Rev. J. A. Johnston, B.A., D.D., Minister
Mr. Hibbert Troop, Organist and Choirmaster

SUNDAY, FEBRUARY 3

11.00 A.M. "Sparkling Fountain and Brimming River"
Communion 12 o'clock noon.
7.30 p.m. "Drama in an Eastern Court" The Accused, The Accuser, The Advocate. Dr. Johnston will preach. Westmount Fellowship Hour follows the Evening Service. Speaker: Rev. William Steeper, Inter-School Christian Fellowship representative, Montreal. Young people specially invited.

(Cor. Lansdowne & Western Aves.)

Minister: Rev. George W. Goth, B.A., B.D.

SUNDAY, FEBRUARY 3

11.00 a.m. "The Rock, Peter and Christ."
12.15 p.m. Church School.
7.30 p.m. Rev. Campbell Wadsworth, Ph.D. "The Voice of the Living God."
8.30 p.m. Westmount Park Forum. Subject: "The Arabs and Palestine."

J. C. Scott, L.R.S.M. Choir Director
Mrs. S. C. Burgess, Organist

Social and Personal

Major W. L. Parsonage, accompanied by Miss Dorothy Parsonage and by Cpl. W. F. Parsonage who has just been discharged upon his return from overseas, is visiting Atlantic City, Philadelphia and New York City.

Mr. R. H. Johnson, of Barrie, Ont., is coming to town for the Fisher-Weightman wedding in Hampstead on Saturday afternoon and will be a guest at the Windsor Hotel.

In a letter received from Mr. Edmund Henry Brietzcke, recently of Westmount, and now in England, and father of Mrs. Bussey, the former Geraldine Brietzcke, who for some time edited the women's pages of the Monitor, he remarks "we had a very stormy passage, and were at the centre of a hurricane in mid-Atlantic. However, none of us were ill. The weather in Sussex is mild and fine, with a temperature of about 41 degrees, and I saw roses blooming in a garden a few days ago!" Things in England are very expensive, he says, especially tobacco—and houses are scarce. Mrs. Brietzcke, who with their daughter, Patricia, also is in England, will be remembered as the former Helen Shackleton, Westmount author of books, articles and short stories, and a member of the Canadian Authors' Association.

Mr. and Mrs. Lee Jones left yesterday by plane for New York where they will spend a few days at the Hotel New Yorker.

Mrs. C. F. Mason and Mrs. R. J. Campbell were joint hostesses at a luncheon given in honour of Mrs. A. E. Campbell, who celebrated her 80th birthday this month. The luncheon was held at the residence of Mrs. A. E. Campbell's daughter, Mrs. Mason, on Kensington Avenue, and was attended by quite a few of the guest of honour's friends of about her own age.

Charlotte Gowns

A BREATH OF SPRING!

Wonderful spirit-lifter—a new Spring Suit and Blouse! Advance Spring styles—exciting 'neath your furs now!

Also fashion-fresh print dresses. Cottons, too!

See the whole group.

1353 Greene Ave., near Sherbrooke Westmount **FI. 7773**

Open 9 to 6 Daily

Mrs. Arthur Gillmor Phelan is visiting in Toronto, the guest of her parents, Mr. and Mrs. J. P. Lawlor.

Mrs. Lewis Rolland and her daughter, Mary Alice, are leaving on Sunday to join Commander L. Rolland, in Victoria, B.C., where they will take up residence.

Miss P. B. Mattinson of Westmount, was elected president for 1946 at the annual meeting of the Women's Auxillary of the Church of St. James the Apostle, held recently in the Allan Shatford Hall.

At a showing of the film, "The Heavenly Play" on Tuesday night in Budge Memorial Hall at the Y.M.C.A. on Drummond Street, the Hon. Mr. Per Wijkman, Minister in Canada for Sweden, spoke to a capacity house on the close co-operation between the Swedish and Canadian Save the Children Fund. The film showing was sponsored by the Swedish Women's Club of Montreal in aid of the fund. Mrs. G. Hellstrom, of Westmount, introduced the speaker.

Mrs. Wijkman attended the event, from Ottawa.

APPROACHING WEDDINGS

Mr. and Mrs. Steven Antonescu, of Ville St. Pierre, announce the forthcoming marriage of their daughter, Olga, to Mr. John S. Morris, son of Mr. and Mrs. V. G. Morris, of Montreal West. The marriage is to take place March 2 at St. Philip's Church, Montreal West. The Rev. Canon Ireland will officiate. The reception will be held at the Queen's Hotel.

W.V.R.C. Notes

The W.V.R.C. "Chorus Troup," which performed recently at St. Matthew's Church, Hampstead, are a group of young women who have put on 125 performances for the armed forces, and are now available for church and charity organizations. This concert was a variety one, and the guest artists were as follows:—Walter Jackson in balancing stunts; Dorothy Clements, comedy skits; "Wee" Teddy Trainer and his sister, Ilene, in Scotch songs and tap dancing; Kay McCord, whistler; Elsie and Carmen, soloists;

Cheer—Mrs. F. E. Peters; Music—Mrs. H. Van Every; Nominating—Mrs. R. Mather; Press—Mrs. F. E. Peters.

All members are looking forward to a very successful year under the leadership of the new executive.

Red Cross

The annual meeting of the Westmount Branch of the Red Cross Society will be held in Victoria Hall on Tuesday, February 19th, at 3 p.m. All workers are cordially invited to attend. This Branch will close at the end of February and workers are requested to call for smocks left at 382 Olivier Avenue.

Bessborough

The annual meeting of the Earl of Bessborough Chapter of the I.O.D.E. will take place next Thursday, February 7, at the home of the Regent, Mrs. A. W. Myers, 4437 Grand Boulevard, Apartment 7, at 8.15 p.m.

Board Meeting

The Board of Management of Notre Dame de Grace Women's Club will hold a board meeting on Tuesday afternoon at 2.30 o'clock in Victoria Hall.

Westmount Women's Club Votes \$100 To Princess Fund

At the business meeting of the Westmount Women's Club held on Friday, January 25th, Mrs. Edwin M. Briggs was in the chair, and welcomed a number of new members to the club. The sum of \$100 was voted to the Princess Alice Foundation Fund.

Safe Milk

A resolution asking for the pasteurization of milk was adopted by the club to be sent to the Provincial authorities.

Mrs. C. S. Fortier reported on the club's foster child in Britain, to whom parcels are sent monthly.

St. Anne's

Miss Muriel Dennis reported on the monthly visits to St. Anne's Military Hospital. Mrs. D. L. Stewart reported on Red Cross articles sent to St. Anne's Hospi-

tal and to Lady Reading for distribution in England, also on baskets sent to needy families at Christmas.

Reports were also given by the secretaries, Mrs. W. G. Hannah and Mrs. P. G. Delgado; the treasurer, Miss S. Gardner; Mrs. E. C. Riel, press secretary; Mrs. H. S. Jacques convener of the drama committee; Mrs. C. W. Williams for the courtesy committee; Mrs. Herbert C. Holland, hospitality convener; and Mrs. J. Rowe, membership secretary.

Save the Children

At the conclusion of the business items, Norman G. Smith made an appeal on behalf of the Save-the-Children Fund, stressing the extreme need of the children in European countries, speaking from his own observation in countries he had visited.

ST. MATTHIAS W.A. ELECTS MRS. DOREY

The annual meeting of the W. A. of St. Matthias Church was held in the Parish Hall on Jan. 21st. Canon G. Oliver was in the chair.

Excellent progress was reported and all pledges had been met. The following officers were elected:

Hon. Pres.—Mrs. J. B. Bell.
President—Mrs. G. B. Dorey.
Hon. Vice-Pres.—Mrs. H. G. S. Auchmutz.
First Vice-Pres.—Mrs. W. Morgan.
Second Vice-Pres.—Miss E. Harbert.
Rec. Sec.—Mrs. R. D. Matheson.
Corres. Sec.—Miss H. Stone.
Treasurer—Mrs. C. C. Maynard.
Dorcas Sec.—Mrs. J. A. Campbell.
Educ. Sec. and Prayer Partner—Mrs. P. J. Turner.
V. T. O. Sec.—Mrs. G. V. Motherwell.
Dioc. Educ. Bursary—Mrs. I. R. MacDonald.
Living Message Sec.—Mrs. R. W. Louthood.
Rector's Rep.—Mrs. E. B. Ramsay.
Tea Convener—Mrs. A. Gerth.
Little Helpers' Sec.—Mrs. E. Slesson.
Dioc. Board Rep.—Mrs. G. Oliver and Mrs. L. St. J. Haskell.

To Hold Dance In Aid Of Blind

The Canadian Federation of the Blind is to hold a dance on Friday, February 8, from 9 p.m. till 1 a.m., at Victoria Hall. The music is to be provided by the Jack Ross Orchestra. The funds from this benefit dance will be used to help carry on the Federation's work with the blind.

Tickets are available at Layton Brothers, downtown; at Denman's Jewellery Store, Sherbrooke Street near Clifton; and at 6980 Sherbrooke Street.

Gyrette Club

The Gyrette Club of Montreal will hold the regular monthly meeting on Monday evening at the home of Mrs. Geo. Fitzgerald, 4574 Coolbrooke Avenue.

CRACKING HARD NUTS CALLS FOR FINESSE

These days, when it is difficult to obtain shelled nuts, perhaps the following suggestions will help the folks upon whom the task of shelling the nuts will fall.

Cracking nuts is not all hammering. Different kinds of nuts require different cracking techniques to get the kernels out whole or in large pieces. A rule that applies to all nuts, but particularly to those with hard, bony shells, is to soak them in warm water overnight, especially if they are very dry, then drain off all surface water before cracking. Many hard nuts crack better on a wooden block or on soft metal like lead, in which a depression has been made, than on flat metal or stone.

Almonds

These nuts are easy to crack. Those with harder shells may be opened quickly with a hand-grip cracker applied to the thin edges. Many almonds with soft, flaky shells may be torn apart with the fingers or squeezed apart.

English Walnuts

Many of these may be cracked by squeezing two in the hand. Or place the nuts on a flat, thick, block of wood and hit lightly with a hammer on sides or shoulders to bring out large meats. Do not pound the ends.

Pecans

Pressure-cracking devices with lever or thumb screw which crack by end-squeeze are best for pecans, because they give light pressure on the shoulders of the nuts. Some of these devices fasten to the table. To insure adequate cracking, squeeze until two snaps are heard. Pecans are much easier to shell when they are given the water treatment referred to.

Filberts (Cultivated Hazelnuts)
These are one of the easiest nuts to crack, but they cannot be cracked by hand. Hold them on a hard surface and tap lightly with a hammer. They crack best if hit on the shoulder rather than the end.

Butternuts

Crack with a hammer or strong lever device with cupped metal jaws. When using a hammer place one end of the nut on a hard wood or metal block and hit the other end with the hammer. The lever cracker does a good job because the metal jaws fit over the end but press on the shoulders rather than the tips.

Mrs. Harvey Campbell Will Address NDG Club

The Notre Dame de Grace Women's Club will hold their Members' Day programme tomorrow afternoon at 3 o'clock in Victoria Hall.

Mrs. Harvey Campbell, author, will be the speaker, and the drama class of the club will present a play reading of one act of "No Time For Comedy" by S. N. Behrman, under the direction of Mrs. Evelyn Smith.

Mrs. Norman Seath will be the chairwoman on this occasion and the tea hostess will be Mrs. W. S. Swetnam.

Mrs. A. Fossati will provide music.

Maples, Maine, has a grove of stately pines, some of which still show a faint "broad arrow" marking used in pre-Revolutionary days by the Royal Navy to indicate trees to be reserved for masts for His Majesty's ships.

A characteristic that distinguishes mahogany from woods grown in temperate zones is its many beautiful figures, varying from plain stripes to elegant swirls and crotches.

Gold dust was often used in place of salt to "flavor" their food by Spanish conquistadores.

HOLDING THE LINE

Laxtex yarn is combined with white rayon to make this streamlined bathing suit.

WOMEN VOICE IDEAS IN HOME PLANNING

Replies to questionnaires in the files of a housing institute indicate a distinct demand from families for first-floor laundries adjoining kitchens, for "more light," for music rooms, and for breakfast nooks large enough to eat in without rubbing elbows.

"My laundry must be part of the house—a room, not a neglected corner of the basement exiled from the rest of the house," was a common opinion. "I want spacious windows in bedrooms, sound-proofed office or study, a built-in radio, sliding doors in kitchen cabinets to replace the nose-bumping variety. And I don't want counters or protruding jogs to travel around. When I move in the kitchen, I want to get where I'm going by a direct route."

Too Few Outlets

In their zeal to supply "gadgets" builders sometimes forget to be practical, and only make things worse, was the substance of other comments. Inadequate wiring, too few electric outlets, single-width and long-driveway garages, no downstairs lavatory, and insufficient kitchen cupboards were further grievances of the householders.

There was a general distaste for small basements, lack of ventilation, poor insulation, and 10 steps from kitchen stove to sink.

Not Enough Cupboards

And of all the failures in modern housing, "lack of adequate closets and storage space" topped the lists of home-owning grievances.

"I want a house the family will grow into, not out of," a graduate complained. Her idea was that houses should be large enough, including unfinished facilities to permit the family to grow without breaking the exterior design of the home. She called for "the expandible house."

Jewish General W.A.

The Women's Auxiliary of the Jewish General Hospital will hold a Board meeting at the hospital on Wednesday at 2.30 p.m. Mrs. Alton Goldbloom will preside.

The jet propulsion plane, recently widely publicized, first came into prominence in 1941, when Italy announced details of an Italian plane of this kind.

Annual Meeting

The annual meeting of the Hampstead Branch of the Canadian Red Cross Society will be held on Monday, February 11th, at 3 p.m. in the Town Hall, Queen Mary Road, Hampstead.

As this will likely be the last annual meeting of the Branch, a full attendance is requested.

STUDENTS GAIN WIDE EXPERIENCE IN CAT THEATRE SCHOOL

A little over a year ago, Joy Thomson, young and talented scenic designer, actress and director, returned to Montreal from New York, where she had been studying and teaching, and organized the Canadian Art Theatre and the School of Theatre which it sponsors.

The school was designed to fill a demand in Canada for trained actors, stage technicians, scenic designers, costume designers, etc., with the ultimate object in view of establishing a Canadian theatre, it being obvious that unless this training was made possible, the quality of stage productions in this country would not be likely to improve.

Started as an experiment, the enrolment has already justified the existence of such a project. The students are given a thorough training in all the theatre arts, or, if they desire, they may concentrate on one particular field, according to their experience and ability. All the students gain immediate practical experience by assisting with either the major productions or studio plays, which are in rehearsal continually throughout the season.

Since its inauguration in November, 1944, the C.A.T. has staged four major productions, namely, Kings in Nomania, Hannele, The Imaginary Invalid and Ghosts. Their next production, "He Who Gets Slapped," will be presented in March at Victoria Hall.

The studio production group, a new department this season, will stage three one-act plays at Channing Hall on February 26th and 27th. This group, supervised and directed by Norma Springfield, allows every student an equal chance for self-expression, since the whole production, including lighting, scene design, costume design, etc., is handled by the pupils themselves.

Registration for the second term at the School of Theatre Arts commences Friday evening, February 1st, and continues throughout next week. Classes are held in the evening only, and the staff includes Joy Thomson, Director; Griffith Brewer, assistant director in charge of the school; Filmore Sadler, Norma Springfield, Hilda Mulvany Gray, Pierre D'Avignon, Marjorie Sadler and William D'Anjou.

JOY THOMSON, DIRECTOR

Miss Thomson gained her wide experience largely in New York as scenic designer, actress and director. The School of the Theatre, organized a year ago, where she trains students of the drama, is proving most popular throughout the city.

LIST OF PATRONS FOR HOMOEOPATHIC VALENTINE EVENT

The following are patrons and patronesses for the Valentine dinner dance being held under the auspices of the Women's Auxiliary of the Homoeopathic Hospital on Saturday, February 16th, in the ballroom of the Mount Royal Hotel:

Mayor and Mrs. P. Adams, Mayor and Mrs. H. Parsons, Mr. and Mrs. D. Bremner, Capt. R. M. Campbell, Dr. and Mrs. Harold Griffith, Mrs. A. R. Griffith, Dr. and Mrs. E. M. Morgan, Mr. and Mrs. H. E. O. Bull, Mr. and Mrs. J. F. Walsh, Mr. and Mrs. W. R. Henry, Mr. and Mrs. J. G. Quackenbush, Mrs. O. W. Bradley, Dr. and Mrs. Walter Mingle, Dr. and Mrs. V. DeBoissiere, Mr. and Mrs. W. R. Ormrod, Mr. and Mrs. John F. Bryant, Mr. and Mrs. Maurice Stoker, Mr. and Mrs. W. J. Collins,

Mr. and Mrs. W. G. Mitchell, Miss D. Miller and Miss V. Graham.

Dance Committee

On the committee for the dance are:

Mrs. W. G. Mitchell, general convener.

Mrs. M. Stoker, ticket convener, assisted by Mrs. O. W. Bradley, Mrs. H. C. Fetterly, Miss M. Currie, Mrs. Leslie Ham, Mrs. L. R. Jefferson, Mrs. F. C. Copas, Mrs. W. Hatch, Mrs. R. Aubin, Mrs. H. Brophy, Mrs. H. Cadieux, Mrs. C. N. Knowles, Mrs. A. P. Kennedy, Mrs. W. G. Murdoch, Mrs. G. Morgan, Mrs. C. R. North, Mrs. W. R. Ormrod.

Mrs. Walter Mingle, treasurer. Mrs. John F. Bryant, publicity, assisted by Mrs. W. J. Collins.

Canadian Art Theatre Holding Tea And Dance

The School of Theatre Arts, sponsored by the Canadian Art Theatre, will welcome the new students for a second term on Saturday, February 9, at 3219 Westmount boulevard, C. A. T. headquarters. Tea will be served at five o'clock, followed by entertainment in the form of improvisations and a one-act play. Joy Thomson, director, will address the students briefly. At nine o'clock there will be a dance, to which both students and staff have been invited.

GRIFFITH BREWER

Griffith Brewer, who is assistant director in charge of "The School of Theatre Arts", sponsored by The Canadian Art Theatre. Registration for the second term commences on Friday night, February 1st, and continues throughout the week at 3219 Westmount Boulevard.

Admirable Record Of War Aid Seen In Telephone AAA Report

Miscellaneous reports by certain operating committee chairmen of the Auxiliary Aid Association, Telephone Employees of Montreal Fund, presented at the final annual general meeting of that organization on Tuesday, throw light on little-known aspects of functions related to a voluntary wartime effort.

For example, it was revealed that at 105 events 816 local telephone workers provided and served refreshments to 25,687 guests. The hospitality committee officiated at some 80 functions, provided 2,349 dance partners and hostesses from the ranks of Montreal telephone women and donated 109,000 cigarettes to the Services personnel thus entertained. In co-operation with the Family Welfare, a Telephone A.A.A. committee spent \$2,980 in taking care of 146 cases for which no other provision could be made.

First Aid

The educational committee organized 88 classes in First Aid to the Injured, at which the average attendance was 29 persons and the total taught was 2,500. Thirteen demonstrators and six instructors gave their services voluntarily. Blood donors enrolled were 3,769, many of them attending regularly the mobile clinic operated at the Beaver Hall Building medical centre between June 1944 and July 1945. Six hundred and twenty-four volunteer drivers with cars completed 536 delivery and transportation assignments during the period of gasoline rationing and travelled approximately 20,470 miles.

Comforts

In fulfilment of a self-imposed quota of 30,000 completed articles, a total of 31,159 was actually turned over to the Red Cross here by the soldiers' comforts committee of the Auxiliary Aid Association, Telephone Employees of Montreal Fund. Of that total, 17,262 articles were hand-knitted.

These and other impressive statistics were revealed in this week's reports submitted to the final annual general meeting of the Telephone A.A.A. held in the Beaver Hall Building auditorium. The same committee spent approximately \$9,500 in providing 2,395 gift boxes for personnel on active service through the war years. In the same period they despatched about 50 pounds of pipe tobacco and 1,765,960 cigar-

ettes to Montreal telephone workers in the services overseas.

New And Used Clothing

Exclusive of 18 large donations of new and used clothing given to "V" Bundles for Britain in this district, 1,240 pieces of men's, women's, children's and infants' wearing apparel. Two quilts and four afghans were similarly contributed. The Sailors' Institute and the Soldiers' Wives' League were other beneficiaries, as were the women's auxiliaries of various militia units in this district. Large supplies of tin foil, scrap rubber, metals and other salvageable materials were regularly collected and turned-in, it is reported.

St. Luke's W.A.

St. Luke's W. A. will hold their regular monthly meeting on Wednesday at 2.45 p.m. Mrs. Taylor will take the devotional and Mrs. J. H. Spence's group will serve tea and provide entertainment.

Curtains For Bullets Revue

Figuratively wiping off their grease paint, folding away their colourful costumes and darkening all stage lights after a last finale, players and technicians of The Blue Bell Bullets' Revue—a pioneer Montréal amateur concert party group of entertainers—officially closed curtains on a wartime effort of time and talent this week with a record of 293 appearances before an aggregate audience of 260,000 persons, mainly Services personnel stationed at one time or another within Naval, Army and Air Force stations, camps and barracks of M.D. 4 territory. Many of the Bullets are from this community.

The final statistics of the Bullets' career, begun modestly five years ago locally and wound-up with the satisfying experiences of throug Scotland, England, Belgium, Holland and into Germany, were presented in Tuesday night's reports by Douglas M. Edmonds, production manager, and R. W. F. Matthews, assistant manager and committee chairman, to officers and members of their sponsoring organization, the Auxiliary Aid Association, Telephone Employees of Montreal Fund, at its last annual general meeting.

Individually and collectively, the Bullets' personnel have been recipients of many congratulations and commendations through the years. Each is a local telephone worker. In future their troop show efforts may consist of occasional appearances individually or in a small group for hospital ward entertainment. But,

PHIL SILVERS and CORNEL WILDE in a scene from "A Thousand and One Nights," the fantasy in TECHNICOLOR, in which they are featured with Evelyn Keyes, and which starts Saturday at the Seville United Theatre playing until Tuesday night.

ERROL FLYNN and BRENDA MARSHALL in the Comedy-mystery film, "Footsteps in the Dark," now playing at the Seville United Theatre

Direct From Hollywood

By Jack Hirshberg

MOVIE MEDLEY

HOLLYWOOD, Jan. 31—Don't think for a moment that the epidemic of colds is confined to the intemperate climate of Montreal. Here in Hollywood, with the thermometer registering 85 degrees in the shade, the flu bug is running so rampant that people are countering its attack with humor.

According to Andre Gelée, a press agent at Warner Brothers, one gentleman in Heaven met an acquaintance who had no right ever to have slipped past St. Peter at the Pearly Gates.

So the first gentleman exclaimed: "How in the world did you get in here?"

And the second gent replied: "Flu!"

TICKERTAPE

Micheline Cheirel, French film star well known in Montreal, has applied for a visa to France, and will sail for the Continent as soon as film commitments permit. Micheline has not seen her parents in Paris since before the war . . . Victor Francen, another Parisian with a wide acquaintance in vieux Québec, recently brushed narrowly with death during an attack of bronchial pneumonia. Returning to the studio this week, Francen's first scene before the cameras was a funeral. He played the corpse! . . .

Friends at a midtown cocktail lounge were surprised to see Shirley Temple sipping what appeared to be a Manhattan cocktail. Investigation revealed, however, that it was pure Coke . . . Shirley at 18 is one of the most beautiful girls in Hollywood . . . Ginger Rogers and her husband, ex-Marine Jack Briggs, are entering the radio program production field. Jack is also under contract to RKO . . . Bob Taylor has returned to the sound stages in "You Were There" at MGM . . .

CANUCKS DOING OKAY

One of these days the Canadian flag may well be floating beside the Stars and Stripes over Hollywood, if the present influx of lads and lassies continues from the land of the Maple Leaf and beaver.

Rod Cameron, a Calgary cowboy, and Yvonne de Carlo, recently of Vancouver, are the two hottest bets for stardom at Universal, where they have just completed "Frontier Gal" in technicolor, "Salome Where She Danced", their first film effort, still has turnstiles clicking in theatres across the land.

Glenn Ford, the capable young actor from Quebec, is currently starring with Rita Hayworth in "Gilda" at Columbia Studio, and Montreal's Cameron Grant, has just completed "The Postman Always Rings Twice", with Lana Turner at MGM. Johnny Coy's dancing highlights "Ladies' Man", a musical comedy recently filmed at Paramount, and Jack Carson,

is winding up his role at Warner's in "Two Guys from Milwaukee".

There are others, too. Alexis Smith, who hails from British Columbia, may now be seen with Errol Flynn in "San Antonio". Even the nursing profession is not immune, for Hedy Lamarr and Dorothy Lamour imported Mothercraft nurses—the twin Milner sisters—from Toronto to tend their newborn offspring. And the Hollywood Wolves hockey squad, led by Bob Gracie, former star of the Maroons and Canadiens, is composed of 13 Canadian boys, and only one Yank.

We can expect a secession movement to arise almost any day!

REVIEW OF PREVIEWS

"The Harvey Girls" (MGM) — 80%—Judy Garland and "The Atcheson, Topeka and Santa Fe" prove this film's major merits. It is not the sensation that MGM advertisements would have you believe . . . "The Blue Dahlia" (Paramount) — 80%—Alan Ladd and Veronica Lake in an above-average murder mystery set against the plush background of a Hollywood night club.

Correspondence regarding this feature may be addressed to Jack Hirshberg, Paramount Studios, 5451 Marathon Street, Hollywood 88, California.

JUDY GARLAND in a scene from "Presenting Lily Mars," with Van Heflin and Tommy Dorsey's Orchestra, now playing at the Monkland United Theatre

James Mason, Lucie Mannheim In Adaptation Of Ambler Novel

With its story centered in a gay holiday hotel in the South of France, populated by a picturesque variety of guests, RKO Radio's thrilling "Hotel Reserve" is now playing at the Snowdon United Theatre until Friday night.

One of the hotel guests is an espionage agent who has photographed the naval fortifications at Toulon. Logically, the police are lead to suspect a young doctor whose camera has recorded the secret pictures. It becomes obvious from the doctor's frantic efforts to clear his name that he is not the enemy agent. Likewise, it becomes increasingly apparent that the criminal, a resident at the hotel, is aware of the hero's predicament.

Suspicion is focussed on each of the guests in turn. Among these is a young honeymoon couple, an eccentric German, a French citizen, an elderly Swiss and his wife, a young American girl and her

brother, a retired British army officer and several other people. The hotel management, too, is involved in the proceedings.

By clever manipulation, the story offers each of the characters sufficient opportunity to prove his or her innocence, yet makes it pointed that any of them might be the guilty party.

The manner in which the plot is worked out makes for breathtaking excitement, as well as spotlighting a delightful romance between the innocent suspect and the pretty American girl.

James Mason plays the hero, co-starring with Lucie Mannheim as the manageress of "Hotel Reserve;" Clare Hamilton portrays the American girl. Other of the prominent roles feature Raymond Lovell, Julien Mitchell, and Herbert Lom.

The emu lays its eggs only at night and during the winter months.

M-G-M's "Anchors Aweigh" Grand Musical Hit

"Anchors Aweigh," which is now playing at the York United Theatre until Tuesday night, is a 21-gun Technicolor salute from Metro-Goldwyn-Mayer. One of the most delightful musicals of the season, it boasts a co-starring trio of Frank Sinatra, Kathryn Grayson and Gene Kelly, a host of elaborate production numbers, a highly amusing story and a grand supporting cast.

Clarence Doolittle (Sinatra) and Jot Brady (Kelly) are a couple of sailors on a four-day leave from an aircraft carrier anchored off San Diego. Clarence idolizes Joe, not only because the older sailor once rescued him from drowning, but also because Joe is the ship's "master wolf." Clarence, who up to now has spent all his shore leaves in public libraries, admits he would like to try a new interest—girls, for instance—and asks Joe to get him a date.

From then on the singing and dancing pair of tars find themselves in one hilarious situation after another as they meet Susan Abbott (Kathryn Grayson), a beautiful Hollywood "extra" who is seeking a singing career in the movies and attempt to arrange an audition for her with Jose Iturbi. Things become a little complicated when Clarence also meets a waitress from Brooklyn.

The supporting players include Dean Stockwell, Pamela Britton, as the waitress from Brooklyn, Rags Ragland, Billy Gilbert, Henry O'Neill, Carlos Ramirez and Edgar Kennedy.

Among the many musical highlights are "I Begged Her" and "We Hate to Leave," sung by Frank and Gene; Sinatra's renditions of "What Makes the Sunset," "The Charm of You" and "I Fall in Love Too Easily"; Gene's "The Worry Song" and Miss Grayson's "All of a Sudden My Heart Sings."

You'll have a grand time, on waves of song, laughter and romance.

Evelyn Chandler Returns To Star In Ice Follies

Evelyn Chandler, famed Atomic Bombshell of the Ice, heads the new stars with the Shipstads and Johnson Ice Follies of 1946, which opens its tenth anniversary edition at The Forum February 10th for a limited run.

Energetic Evelyn returns to Ice Follies after an absence of almost three seasons during which baby Susan made her appearance. In private life, Evelyn is married to Bruce Mapes, who is now technical director of the Shipstads and Johnson revue. Now that Susan is learning to skate, Evelyn is back on the ice with critics acclaiming her as greater than ever.

Other newcomers include Marshall Beard, tall, dark and handsome orphan boy from Herchey, Pa., who skates a brilliant pair with honey-haired Betty Schalow, and Ole Ericson and Dick Mershon, youthful comedians.

The rest of the roster, all old favorites with Follies fans, reads like a who's who of skating. There are Roy Shipstad, world's smoothest skater; Eddie Shipstad and Oscar Johnson, best comic team ever developed in the western hemisphere; Phyllis Legg, stilt skating darling; Mae Ross, interpretative skating star; Frick, the Swiss funnyman; Helnie Brock, master pantomimist; the Thomas Twins, who double in beauty and thrills; the Roberts, whirlwind adagio pair; Bobby Blake, red-headed jive king; Barry Green, handsome Ca-

ROBERT CUMMINGS and LIZABETH SCOTT who are co-starred in "You Came Along," a tender love story speckled with sprightly humor, which starts at the Westmount United Theatre on Sunday.

About Radar And The Birds

How many birds in flight can be detected by radiolocation is told in a fascinating article in "Nature."

The body of a large bird such as a grey goose is quite capable of reflecting radio waves, and a flock of geese was at one time followed by radar for 57 miles over a period of 99 minutes; this showed that the birds flew at 35 m.p.h., a speed much slower than was previously believed. Even starlings can be a nuisance to radiolocators.

"Christmas In Connecticut" Gay Comedy At Westmount

When men are adrift at sea for many days, when water and sun and spray become endless and awesome, they dream of many things—perhaps of a home and loved ones, a girl or a cool orange-ade. But to one seaman, heaven was food and food was Paradise.

So begins Warner Bros.' newest and brightest comedy romance, "Christmas in Connecticut" starring Dennis Morgan, Barbara Stanwyck and Sydney Greenstreet. With a topnotch supporting cast of troupers including S. Z. Sakall, Reginald Gardiner and Frank Jenks, "Christmas in Connecticut" is just a boy and girl story, but what a boy—and, oh boy, what a girl!

Jeff Jones (Dennis Morgan) and his buddy Sinkewicz (Frank Jenks), having suffered the horrors of eighteen days adrift in a tiny raft, are hospitalized and placed on a liquid diet. For days, as they are nursed back to health on eggs and milk, Jeff dreams of steaks. He is further aided in his fantasies by having his nurse, Lt. Mary Lee (Joyce Compton), read him the savory menus of home-spun Mrs. Elizabeth Lane who writes the food column for "Smart Housekeeping."

In her own innocent way, Lt. Mary Lee pens a note to Alex-

ander Yardley (Sydney Greenstreet), the power behind "Smart Housekeeping," suggesting that Jeff spend the Christmas holiday at Mrs. Lane's Connecticut farm. Yardley, smelling publicity, is enthusiastic. He dispatches a note to Mrs. Lane, inviting himself and the shipwrecked sailor up for the holidays. And if you think Mrs. Elizabeth Lane hops with home-spun joy over the whole idea—don't!

'Mrs.' Is 'Miss'

For Mrs. Elizabeth Lane (Barbara Stanwyck) is a Miss—a lovely, gay bachelor Miss. She lives in a charming city flat, bends a shapely leg over a stool in the smarter cocktail spots around town and her cooking is strictly of the can-opener variety. Those tantalizing menus of hers are prepared by affectionate Felix (S. Z. Sakall), restaurant chef de luxe, and the rolling hills of her rich Connecticut farmland belong, in their entirety, to a current sultor, John Sloan (Reginald Gardiner). At the cost of losing her job and the job of her editor (Robert Shayne) if their hoax is exposed, Liz accepts John as her groom-to-be. Now at least, she is almost married and she has a farm. Taking Felix along for the holidays solves the cooking dilemma.

NATIONS IN MUSIC Part IV

The French

France has long been noted for its contribution to the world of music. The Paris Conservatoire is known as one of the finest musical institutions and those who have studied in that house of learning have had a complete education. The Prix de Rome awarded by the Conservatoire is one of the greatest honours one can attain. As a nation, the French are extremely musical. (Notice the audiences at Montreal concerts, often there are many more French than English.) Isador Phillip, now residing in New York, was head of the piano department of the Conservatoire since 1893, and has honoured the new Provincial Conservatory in Montreal by coming here once a month to supervise the advanced piano classes.

Among the celebrated composers are Georges Bizet, who gave the world one of the most popular operatic works, "Carmen" and another favourite, "Les Pecheurs de Perles"; Charles Gounod, ("Faust", "Romeo and Juliet" many Oratorios and Cantatas); Leo Delibes, the opera "Lakme", the Ballets, "Sylvia" and "Coppelia". Francois Gossec is an early composer who wrote an immortal "Gavotte" and other older celebrities include Jean Baptiste Lully, Francois Couperin, Louis Daquin and Jean Phillip Rameau.

Jules Massenet wrote the operas, "Manon" and "Thais", Camille Saint Saens, the popular "Carnaval des Animaux" and "Samson and Delilah"; Ambroise Thomas, ever remembered for the opera "Mignon", Jacques Halevy composed "La Juive" and Gustave Charpentier, who is eighty-six, wrote the opera, "Louise". Auber composed over forty operas of which "Fra Diavolo" is the most famous. Claude Debussy is one of the most popular composers who wrote all types of music and his opera "Pelleas and Mellisande" is a real favourite.

Hector Berlioz is one of the greatest names in music. This Frenchman is known as "The Father of Modern Orchestration" as this genius made reforms in orchestrations that are adhered to by present day conductors. His treatise on this subject is celebrated and is studied religiously by all those in that field. Ernst Chausson wrote many works but is chiefly famous for his violin "Poeme" that every concert artist includes in his repertoire. It is a singularly beautiful number. Edouard Lalo composed the opera, "Le Roi d'Ys" and the grand "Symphonie Espagnole" for violin and orchestra. This work is positively captivating.

Other extremely popular composers whose many works are featured by symphony orchestras

and concert artists are Paul Duk-

as, Gabriel Faure, Vincent d'Indy, Maurice Ravel and Darius Milhaud. Emma Calve, the French operatic star, was considered the greatest "Carmen" and created many other roles. Victor Maurel, one of the celebrated baritones of his day, was a favourite at the Metropolitan. Rodolphe Kreutzer (to whom Beethoven dedicated the famous "Kreutzer" Sonata) was a prodigious composer for the violin and a wonderful performer.

Jacques Thibaud is a splendid violinist who has played in Montreal several times and another Frenchman heard here recently was Robert Casadesus, the famous pianist. Pierre Monteux is a noted conductor and everybody knows that Lily Pons is French.

The Ballet was elevated to artistic heights by the French nation as the people are special admirers of this form of combined music and dance arts. The Bourree, Minuet, Courante and Gavotte originated in France and became popular throughout the world.

NEXT WEEK: NATIONS IN MUSIC. Part V The Spaniards

NOTE: Those who enquired about last week's article, the fourth in this series, which was omitted in The Monitor, may read it in the January 24 issue of The Guardian.

WHS Pucksters Tie Red Raiders

Come From Behind To Earn 2-2 Draw

BY GEORGE COCHRANE

Westmount High's Senior A pucksters' hopes of ending up in first place in the Protestant section of the interscholastic puck loop this season faded into the realm of mathematical possibilities at the Forum Tuesday afternoon when they were able only to split the points with West Hill. The two teams battled to a 2-2 draw after the Red Raiders blew a 2-0 lead which they had piled up in the first period and a half of play.

The Purple and White team's only real chance of earning the right to meet either Catholic High or Loyola for the City championship rests in the hope that they will finish second in the Protestant section and will win the playoff with the first-place squad, probably Montreal High.

Tuesday's tilt was a fast, close-checking affair that saw Herman Ebers' west enders, in the first period, and then Westmount, in the final two frames, hold commanding edges on the territorial play. Only superb goaling by Roy Scurreh and some top notch defensive work by towering Ross Knights saved the Red Raiders from defeat.

RAISON GETS FIRST

West Hill's Bill Ranson broke the scoring ice at the 9:38 mark in the first period when he picked up the rubber 30 feet from the Westmount cage and let fly with a sizzling shot that Fred Jones didn't even see. His view was blocked by several members of both teams.

The remainder of the period went scoreless but the Red Raiders went two up after three minutes and 20 seconds of play in the middle frame when, with Westmount rearguard Johnny Piers serving time in the cooler for hooking, Kenny Booth beat Jones from close in on a pass from Bill Rattray. Jones' view was blocked on this goal by big Bas Boxer, husky Westmount defenceman, who slid across the goalmouth just as Booth pulled the trigger.

WHS TAKES OFFENSIVE

That goal made Coach Don Mc-

Rae's boys snap out of the lethargy that had characterized their play up to that point. The Westmounters swarmed into the West Hill end like a hive of bees and time and again Roy Scurreh rose to dizzy heights between the pipes to foil the locals' attempts.

But it was only a matter of time before the Purple and Whites would break into that scoring column and at the 11:30 mark, speedy Harold Young picked up the rubber inside his own blue line after breaking up a West Hill ganging attack, streaked down the centre ice lane with the entire Red Raiders team chasing him and beat Scurreh cleanly with a low hard shot to the right hand corner.

Seconds later it looked as if the Westmounters were going to tie it up but Scurreh became unbeatable, stopping three hard shots in a row on one occasion.

TWO PENALTIES TO WHS

The locals resumed the attack as soon as the last period started but came to grief when Sandy Edminson was given a minute and a half rest for slashing Scurreh and Read was thumbed off for roughing.

But the Raiders failed to capitalize on the golden scoring opportunity and, in fact, almost saw their narrow one-goal lead fade into nothingness when Harold Young and Roy Hellyer broke away only to lose control of the puck long enough to enable the

(Continued on Page 14)

St. Leo's Orphans Down Tornado Icemen 3-1

There seems to be a growing suspicion that Yves Hudon's St. Leo's Orphans are in the wrong midget group. The Orphans, technically a midget "B" entry, in the Westmount Municipal Hockey League, has walked away with easy decisions over their opponents, and then showed their class last week by downing Richard Lord's Tornados of the "A" group in an inter-sectional tilt. The Orphans defeated Tornados 3-1. The Orphans still have to meet the Golden Eagles, the other "A" club, and the results should be very interesting. In other midget games played during the week, Golden Eagles swamped Tornados 10-0 in an "A" game; Monarchs outscored Argos 10-1, and Orphans beat Monarchs 10-1.

Two goals by Morrie Barre paced Orphans to their 3-1 win over Tornados. The other goal scorer for the winners was Lorne Foy. The loser's lone tally was netted by Gordon Phoenix.

Hebert Lafontaine, Jackie Gill, Cammie McFadden and Mike Tucker starred as the Golden Eagles shut out Tornados 10-0. The first named player dented the twine on three occasions, while the others banged in two counters apiece. The tenth goal was scored by Johnny Waterston.

A four goal effort by Morrie Barre led the Orphans to their 10-1 success over Monarchs. Other scorers for the section leaders were John MacDonald, two, with Vince Heney, Lorne Foy, Fred St. James and Louis St. James accounting for one each. Norm Lupovich's goal saved Monarchs from being shut out.

A one man show by Eddie La-

fontaine, who scored five goals, was the main factor in the Monarchs 9-1 win over Argos. Bob Gough added two more goals for the winner's cause, while Ronnie George and Dick Ackerman got one apiece. Denis Hardy scored the Argos' only tally.

The schedule in both divisions of the midget section will come to a close this week, and the playoffs will start immediately after this. The Golden Eagles and Tornados will meet in a two out of three series, as will the Monarchs and St. Leo's Orphans.

The last few midget games are as follows, tonight at Westmount Park, Argos and Golden Eagles will meet at eight o'clock; tomorrow afternoon, Golden Eagles and Monarchs will play at the same rink starting at three o'clock; on Monday night Tornados will play Argos at Westmount Park, starting at seven o'clock, while on Wednesday night Argos and St. Leo's will clash at seven o'clock.

Three players on the Golden Eagles have retained their leadership in point getting, the trio are Bob Lunny, Hebert Lafontaine and Al Losito. Each of these players has six points to his credit. In the "B" group, Morrie Barre of the Orphans is away out on top with 13 points, as the result of a dozen goals and one assist.

In Johnny Weissmuller's first modern picture, Paramount's "Swamp Fire," he has six love scenes with Virginia Grey and Carol Thurston. He plays a bar pilot in the Pine-Thomas picture.

Unity Juveniles Remain Unbeaten In Local League

The Unity squad is still the only unbeaten team in the juvenile section of the Westmount Municipal Hockey League. Hank Henson's team defeated Golden Eagles 5-1 last Wednesday night in their only game of the week. In one other juvenile fixture, Tornados and Monarchs played a 4-all draw but Richard Lord's club was awarded the game as the Monarchs played an ineligible man. The win gave Tornados sole possession of second place in the section standing.

The two Jack Martins paced Unity to their 5-1 decision over Golden Eagles. John Martin banged in two goals while Jack Martin scored once and was credited with an assist. Other scorers for the winners were Fred Dejean and Ronnie Brambell while Bob Smith saved the losers from a shutout.

The Tornados-Monarchs game was a see-saw affair. Rene Chate-

Purple And White Cagers Pulverise Loyola 48-21

Westmount High's Senior A cagers won their first league game of the 1946 season on their own floor Wednesday afternoon when they pulverised a visiting Loyola College outfit. The locals made their first victory really impressive. The final count was 48-21 and, if you can subtract, you'll find that Coach Lew Davies' charges outscored the Maroon and Green by 27 points, which is more than par for the course.

The locals tallied the first basket and were never headed. Their best quarter was the third when they outscored the Loyolans by 20 points.

The winners' scoring was pretty well spread out. Fair-haired Johnny Field, who saw service as guard, forward and centre during the fray, led the parade with 12 points. Next in line was Pete "Hard Rock" Siemers with 10. The two played swell ball all the

way through the one-sided contest.

Gordie "The Runt" MacLeod and Bud Cochrane tied for third place in the scoring lists by each sinking a total of eight points while the other Purple and White scorers were Ray Lank, who joined the team only last week, Jim Henderson and John Macfarlane. The only two players on the Westmount line-up who went scoreless were Don Grant and John Fotheringham, neither of whom has scored a point in league play all season.

Locals Start Early

The locals started the fireworks early and by quarter time had run up an imposing 12-5 lead. Sparked by the sharp-shooting of Field and Siemers the Davies-coached men increased their margin to 21-12 before the half-time whistle sounded.

After the rest, the Purple and White came out faster than ever and passed the Loyola crew dizzy. The result was that the Cote St. Antoine Road boys were ahead 35-15 at three-quarter time.

The winners took it fairly easy in the last session but even so they outscored their opponents 13-6 in that fourth of the game.

The Purple and White clad hoopsters employed a 3-2 zone defence while the visitors switched frequently from a zone to a man-to-man defence but didn't enjoy much success with either.

Lineups

Westmount: Trueland (2), Siemers (10), MacLeod (8), Lank (2), Henderson (2), Grant, Macfarlane (4), Cochrane (8), Fotheringham, Field (12). Total: 48.

Loyola: Clayton (3), Tous, Cliff (2), Légaré, Stewart (3), Coleman, Ocampo (2), Collins (2), Burke (3). Total: 21.

Bantam A Pucksters End Schedule Tomorrow

The bantam "A" schedule in the Westmount Municipal Hockey League will be brought to a close tomorrow afternoon at Westmount Park with the two top clubs, St. Leo's and Tornados, battling it out. In a previous clash between the two teams, the students won out 2-0. The playoffs in the "A" group will start next Friday night with the second and third place teams meeting in the first of a two game total goals to count series. The second game will be played the following day.

Two games will be played tonight, Panthers will meet Richard Lord's club at the Staynor rink while Golden Eagles and St. Leo's will clash at Westmount Park.

In last week's games St. Leo's downed Tornados 2-0, Panthers outscored Golden Eagles 8-3, Tornados got back into the win column with a 5-0 shut out over Golden Eagles and St. Leo's won their fourth straight game by handing Panthers a 2-0 beating.

Goals by Phil Martin and Marty Kay sent Tornados down to a 2-0 defeat last Friday night while on Saturday afternoon Ted Budzen and Phil Martin tallied the deciding goals against Panthers.

Carl Burton and Bob Forrest chipped in with three goals apiece as Panthers downed Golden Eagles 8-3. The other scorers for the Panthers were Billy McCoubrey and Bob Buntin.

A three goal chore by Bert Kelly paced Tornados to their 5-0 shutout over Golden Eagles. Other Tornados' goals were scored by George Stott and Pat Craig.

Bert Kelly, of the Tornados, tops the scoring list with nine goals. In second place is Bob Forrest, Panthers, with six goals and two assists, for eight points.

George Mulligan's Academites

have taken a good hold of first place in the bantam "B" group. The student snow hold a three point edge over Royals. In games played last week Royals and Red Hawks played a 1-all draw, Academites swamped Roslyns 10-0, Red Hawks took one by default from Roslyns and Academites re-venge a previous defeat at the hands of the Royals by handling them a 3-1 defeat.

Donald MacLean scored the only tally for Royals as his team played a 1-all tie with Red Hawks. The goal for Red Hawks was scored by Jimmy Beaton.

Bernard Lefebvre led Academites to their 10-0 win over Roslyns by tallying three goals. Pete Ciceri, Hughie MacDonald and Neville Martin banged in two each while John Foy registered the other.

Two goals by Jim Cotter were the deciding margin as the Academites defeated Royals 3-1. The winner's other goal was netted by Jim McGee while Warren Allmand saved his team from a shut-out.

The bantam "B" clubs are going to play a few more games before they start their playoffs and doubleheaders will be staged tonight and tomorrow afternoon.

Tonight Red Hawks will play Academites and Royals will hook up with Roslyns. Tomorrow afternoon Royals will play Red Hawks at two o'clock and one hour later the Academites will take on the Roslyns. Next Friday night the Academites will play Royals and Red Hawks will clash with Roslyns. On Saturday, February 9, Red Hawks will meet Academites at two and at three o'clock Royals will play Roslyns.

Jim Cotter, of the group leading Academites, is the top man in scoring. Cotter has 12 points made up of seven goals and five assists.

'Y' Juveniles Top Point St. Charles

Westmount Juveniles continued their winning streak when they defeated Pte. St. Charles 53 to 31 on the latter's home floor.

Hight of the winning team was the outstanding scorer with eight field goals for 16 points. S. MacLeod was top scorer for the losers with five field goals and one free throw for a total of 11 points.

Play in the first half was fast. Led by Hight, Westmount took the lead and by half-time chalked up 28 points to 17 for Pointe St. Charles.

Westmount—Hight 16, Siemers 5, Putman 11, Greenbaum 8, Young 2, Jarvis 6, MacLeod 4, Waterston 1.

Pte. St. Charles—S. MacLeod 11, C. MacLeod 10, Marshall 4, Tate 4, Revine 2.

Intermediate Puck Loop Race Close

The race in the intermediate section of the Westmount Municipal Hockey League is becoming pretty involved with the three teams so evenly balanced. At the present time Bert Dalzell's Royals are on top of the loop with four points garnered in the same number of games. The Golden Eagles and Legion Reds are tied with three points, each team having played three games.

In last week's games the Royals downed Golden Eagles 5-4 and then the Legion turned back the Royals 4-3.

Two goals by Warren Chipendale paced the Royals to their 5-4 victory over the Golden Eagles. Other goal scorers were Tom Browne, Desse Browne and Bert Dalzell while Ken Strachan picked up three assists. Billy Coles scored two of the loser's goals with Buddy Read and Ted Armstrong picking up one apiece. Noel Romney was credited with three assists.

Art Lorimer and Allan Bolduc split the scoring honours for the Legion when they handed Royals a 4-3 beating. All three of the loser's goals were tallied by Ken Strachan.

Ken Strachan of the Royals is the loop's leading scorer with 10 points to his credit. Tom Browne, Royals and Noel Romney, Golden Eagles are next in line with seven points each.

President Art Mann has tacked on two more games to each team's schedule so that the loop will not be finished for another couple of weeks. On Tuesday night the Reds will play Royals again with the Thursday night game unannounced as yet.

The teams in the Inter-troop section of the Westmount Municipal Hockey League are waging a close battle for the top honours. Shaar Hashomayim and the combined Calvary-Westminster troops are tied for first place with four points while St. Leo's and 2nd Westmount are right behind with three points. The 1st Westmount and the combined Westmount United-Temple Emmanuel gang are next in line with one point apiece. The Sea Scouts have yet to register a point. This standing does not include a Calvary-Westmount vs. 1st Westmount game and a tilt between St. Leo's and 1st Westmount.

In last week's games 1st Westmount and Westmount United-Temple Emanuel played a 1-all tie; Shaar Hashomayim scored the only goal of the game with the Sea Scouts to win out 1-0; St. Leo's and 2nd Westmount battled to a 1-all tie and Calvary-Westminster took one from the Sea Scouts.

This Tuesday night the Shaar Hashomayim team will play St. Leo's at seven o'clock. On Wednesday night 1st Westmount will meet Sea Scouts in the first half of a doubleheader while 2nd Westmount will take on Westmount United-Temple Emmanuel in the nightcap.

HOUSE LEAGUE

The "Y" Seniors won their first game in the new Saturday Afternoon Basketball League when they defeated Westmount Baptist 36 to 18. The Juv. B. team defaulted their game to Juv. A. players.

Six teams are entered in the new Saturday House League, including teams from three churches in the Community; Westmount Baptist, St. Andrews United, and Calvary United.

Games scheduled for this Saturday, February 2nd, 2.00 p.m.—St. Andrews vs. Calvary; 3.00 p.m.—Juv. B. vs. West. Baptist. of the Staff were in attendance.

Joan Caulfield, who made her film bow in "Miss Susie Slagle's" and has starred in two other Paramount films, is back in New York for a holiday reunion with her family and a look at the Broadway shows.

ST. LEO'S SPORTS

by DICK GRIFFIN

Highlights of the Week:

Pee Wee: The regular Pee Wee schedule was brought to a close last week-end with Louis St. James' Grey topping the league with eight straight wins. Vince Heney's Reds finished up in the runner-up spot and Guy Vidricaire's Greens clinched third spot while the luckless Blue could do no better than the cellar position.

Play-offs get underway this Saturday afternoon with the Greys meeting the Blues and the Reds drawing the Greens as their opposition in the first of a two-game total goal series of the semi-finals.

Bantam A: Donald Rolfe scored his fourth straight shut out in goals to help place his club well to the fore in the Westmount Bantam Q.A.H.A. league and practically assure them of first place. Phil Martin, shifty centre of the team, has also been a big help with some smart goals.

Bantam B: George Mulligan's Academites have moved out in front in their section of the Westmount Q.A.H.A. Bantam B Group. Jimmy Cotter is the most consistent goal getter of his gang.

Midget B: St. Leo's Midget aggregation have yet to suffer a beaten in their loop and stand a better than even chance to hold on to their 1945 Midget B laurels.

(Continued on Page 14)

Boulevards Whip Belmonts 11-1 In Pee Wee Tilt

In pee wee games in the Westmount Municipal Hockey League played last week, Boulevards beat Grosvenors 11-1, Belmonts defeated Victorias 6-1, Hurricanes shutout Royals 2-0 and Royals played a 1-all tie with corvettes at the Queen's rink.

Johnny Swaine banged in a half dozen goals as the Boulevards swamped Grosvenors 11-1. Other scorers were Dave McDougall, four, and Charlie Johnson, one. Hartland McKeown saved the Boulevards from going scoreless with a second period goal.

Ray Baillie banged in three goals as the Belmonts handed Victorias their 6-1 trimming. Allan Warnock scored two and Denis Drummond added the other for the winners. The lone goal for Victorias was notched by Charlie Laidley.

Both of these games were four pointers. The schedule in this division will come to a close this week with Grosvenors playing Victorias in the first game of a twin bill and Boulevards taking on Belmonts in the second encounter.

In the Prince Albert-Staynor division, goals by Jim Quarles and Pete Holland gave Hurricanes their 2-0 win over Royals in one game. In the other tilt Dave Smith's first period counter gave Royals a one goal lead over Cor-

SPORTS

By George Cochrane

There seems to be considerable to-do being made over the behavior of certain Westmount fans at the Westmount High-West Hill puck battle at the Forum on Tuesday afternoon. The publicity that started most of the talk appeared in Wednesday morning's Gazette.

I wasn't even planning to mention the matter in this paper, and didn't do so in The Monitor, sister publication of The Examiner and for which I also pour out mortal prose, but methinks it would be a good idea if someone set things straight.

Arnie Jones, the young man who covers school and J.A.H.A. hockey for The Gazette, said in his story that just before the final siren shrieked a fan on the Westmount side of the rink hurled a bottle on to the rink. He also mentioned that when Edmison was given a slashing penalty earlier in the third period, Westmount supporters surged from the stands to the promenade section to jeer at referee curly Davies.

Leave us discuss this bottle-throwing incident first. It should be noted that the object thrown was a cup—not a bottle. It was taken from a coffee shop at the corner of Atwater and St. Catherine just before the game got underway by a Westmount High grade 12 student.

It was thrown on the ice, and if I remember correctly the throwing took place immediately after and not immediately before the final siren, by a person who is no longer a student of Westmount High.

For some reason, a large number of people who were at the game, among them members of the faculty of Westmount High School, seem to think (or did

think) that it was Ray Lank, grade 12b Westmount High student, who did the throwing. That, according to my information, which I have every reason to think is accurate, is not so.

I believe that any person who throws such things as cups on the ice during hockey games is suffering from a phobia which makes him want to make an exhibition of himself wherever he goes or else he has the I.Q. of a sub-moron.

So, in future, WHS fans, how about using the old noggin a little more when cheering on the local athletic greats?

St. Leo's Sports

(Continued from Page 13)

Morre Barre is the most proficient scorer of Yve Hudson's squad and at present Moe has a strangle hold on the league scoring title.

Junior: The Juniors are still in the hunt for the Junior Inter-scholastic honors and last Saturday scored a well earned 2-0 victory over McGee Juniors at Lachine Arena.

Senior B: Our Seniors have no alibis to offer for their loss to Catholic High by the score of 4 to 3. It was a case of too little and too late as our crew's last period rally fell short by the odd goal. The Black and White have a real nice team that is going to be tough to beat.

HERE AND THERE

Our Senior B's might meet up with the fast skating St. Henri College, present leaders of the league known as l'Ecole Superior, in an exhibition game at Lachine Arena.

In a preview of our local Big Four Football Club's plans for 1946 it has been revealed that they are showing more than a mild interest in three promising young high school footballers. The three boys who caught the eye of one of their executive are Tom Manarstersky of Montreal High, Frank Creaghan of St. Leo's and Ralph Toohey, former Loyola stalwart.

This year's Xavier Apostolate Carnival will be held on Friday, Feb. 22, and for the first time in five years St. Leo's will not have a Bantam team in the Cannon Hofferna Trophy game. The Academy Bantams have won this trophy four times.

Would like to offer a suggestion to the executive of the Xavier Apostolate Carnival for their feature game and one that, in the humble opinion of this observer, would have plenty of crowd appeal. Why not match McGill's Senior team with Loyola's Senior club? Both these Colleges have strong squads and a game of this sort would be a natural with keen rivalry and plenty of color assured. In past years the feature attraction generally has been a free wheeling skating exhibition hockey match between two local senior clubs or all star games, with little or no rivalry attached to it.

With the appearance of the Ice Follies soon in Montreal it has always been a mystery to many how those girls became such accomplished skaters, particularly with a good majority of them listing the State of California as their home state but the strange fact is that the state of California has no less than 22 artificial ice plants open all year around.

A local sporting firm expects very shortly to put out a hockey stick on the market that will be all but unbreakable and three ounces lighter than the average stick. If this stick measures even near to expectation it will be a boon to hockey players as this year's supply of sticks when obtainable are not much stronger than a match stick.

The date for the old boys game should be forthcoming soon and we hope that Darcy McGovern, Thommie Browne and Co. are getting in a few practice licks as our Senior B gang at present are in tip top shape and eagerly looking forward to engaging their older brothers in a recall tussle.

Westmount Y.M.C.A.

Sixteen delegates from the Westmount "Y" attended the Y.M.C.A. Keymen's Conference on Sunday the 27th. One hundred and twenty-five delegates from all the branches of the Association were in attendance.

The theme of the conference was "The Years Ahead". The programme being based on the recent study made of the Y.M.C.A. in Canada.

Mr. R. Hosking, General Secretary of the National Council, presented an opening statement dealing with the years ahead, for the Y.M.C.A. nationally.

Dr. K. E. Norris, Chairman of the Canadian Y.M.C.A. Study Committee, outlined briefly the process followed in making the study group.

The Conference was divided into five groups for discussion, dealing with Boys' and Girls' Work, Young People's Work, Camping for Boys and Public Relations.

The afternoon discussion groups dealt with Membership, Policy-making and Leadership recruiting and training.

Delegates from the Westmount "Y" were—D. O. Bremner, F. S. Harrison, I. R. Tait, J. G. Atkinson and C. L. Copland of the Board of Management. Miss Florence Goode, Miss Mary Kervin, Graydon Riepert, Bernard Kmita, representing the Saturday Night Club, Miss Ellen Goode and Miss Marjorie Clarke representing the Business Girls' Class, Bruce Renault representing the Young Men's Class and Doug Laird and Parker Wearing representing the Boys' groups. W. H. Spearman, Wm. Kinrade and George Barker of the Staff were in attendance.

A meeting of the Westmount delegates to the Conference is being planned for Friday, Feb. 8th, when steps will be taken to crystallize some of the recommendations as they apply to the Westmount Branch of the "Y".

A group of eighteen young men met at the Y.M.C.A. on Monday night for the purpose of discussing the advisability of organizing a Young Men's Service Club in Westmount. Plans are well underway and another meeting will be held on Feb. 11th, when further plans will be developed. Any young men interested in such a proposition will be made very welcome.

BRIEFS

Health Club activities at Westmount "Y" are enjoying an increasing popularity among members. Fellows returning from the services are taking advantage of the six months free membership, and finding that a couple of nights each week keeps them physically fit.

Winners in the first games of the Business Men's Round Robin Handball Tournament were Errol Smith and partner Cy Smith. Tournament games will be played all this week.

The Tuesday and Friday Young Men's Basketball Games are periods of real fun. Following a snappy calisthenic period, the fellows divide up into two teams and the fun begins. Everyone plays including the novice and the experienced player. Instruction and coaching takes place when play is called for time out.

BOXING

The Boxing Club is now one of our most popular Health Clubs. Average attendance is ten, and Bert Light promises to not only make you physically fit but to develop your fighting skill. Two fellows are already training for the Golden Glove Tournament.

Members of the Weightlifting Club train regularly in the Exercise Room under the watchful eye of Bill Kennedy, the coach. Club members are already talking about a representative weightlifters' team for competitive meets. For registration in this

group contact the Physical Director.

MOVIES

Seems like we have one disappointment after another as to what we will show. We were to have shown the "Sign of the Cross" last week; then this week. Now we don't know when it will be shown. We have been assured that we definitely will show "Jeep Herders" this Saturday. This is a full length feature just released to Canadian audiences. The Tarzan Serial begins Saturday too, so all in all, you must not miss being here.

SWIMMING

Derek Ramsey who was recently released from the Navy, has agreed to take care of non-swimmers every Monday, between 4 and 5 p.m. As only a limited number can take the class, those interested need to register right away.

Quite a list of boys have some test cards—quite a few more want them. Come on Thursday 4 to 5 p.m. and you shall be given the chance to try your tests. Derek Ramsey, a qualified swimmer and guard, will help you get all the cards for swimming.

CAMP

It is still winter. Yes, I know that. But now is the time to make your Summer plans. Kanawana opens the week of June 24th and Perrot opens June 26th. Each has additions in equipment and plenty of plans for a larger, more wonderful Summer. It isn't too early to register—to reserve your place for the weeks you want.

Unity Juveniles

(Continued from Page 12)

lois, Richard Lord, Henry Carter and Buddy Guilfoyle tallied for the Tornados with Garth Gilhooly, Don Wadsworth, Bob Burriss and Jim Ross counting for Monarchs.

Rene Chatelais, fast skating centerman with Tornados still tops the scorers with seven points, the result of six goals and one assist. Jack Martin, Unity, is in second place with five points, two goals and three assists.

Unless any more postponements enter the picture the juvenile schedule should be finished tomorrow afternoon and the playoffs will commence on Monday night. In these post season series, the first and fourth place teams will meet in one bracket while the second and third teams will clash in the other bracket. There is still an uncertainty as to whether Golden Eagles or Tornados will end up in second place and this will not be known until tomorrow afternoon. The winners of these series will then play a two out of three game affair to decide the title.

WESTMOUNT NOTE

Come From

(Continued from Page 12) pursuing West Hillians to regain possession.

Rattray was given a penalty for holding Hellyer after the WHS'ers had returned to full strength but the locals failed to tally while enjoying the one-man advantage.

With two minutes to go Coach McRae chucked four forwards on the ice in a desperate bid to tie

things up. His strategy paid off 39 seconds before the final whistle blew, at the 11.11 mark, when Young netted his second goal of the game.

Hellyer started off the game-ting play when he got possession of the puck just inside the Red and Grey's blue line, and passed the width of the ice to Sandy Edmison. The ginger-haired rear-guard let fly with a sizzler that Scurrah barely managed to block and Young, standing just outside the goalmouth, snapped home the rebound.

Just after that Hellyer was given a tripping penalty but it didn't prevent the Westmounters from maintaining their attack until the siren went.

Westmount: Goal, Fred Jones; defence, Piers, Edmison; centre, McKissock; wings, Hellyer, Read, Subs: Baxter, Boxer, Masterman, Smith, Young, McLanders.

West Hill: Goal, Scurrah; defence, Knights, Tilley; centre, Holcomb; wings, Andrews, Ranson. Subs: Appleby, Bell, Booth, Finlay, Rattray.

R.M.R. History

(Continued from Page 8)

day the battalion managed to extend the bridgehead by some three hundred yards along the bank but again lost heavily. However a good number of the Germans were killed, and a number of prisoners taken. The situation remained unchanged for some days, and by the time our forces were ready to move inland, the R.M.R. had been withdrawn, as our tour was over and we returned to H.Q.

In a few days after our return we were up to strength again. With so many new men, a great deal of training was required, but a few days after we got there and the Germans started to buzz-bomb the place, so no one was sorry to leave. Great damage was done to Antwerp as the bombs fell all winter.

On leaving Antwerp we went to Breda in Holland. Here we put on a Guard of Honor for General Eisenhower. He was most complimentary and the men enjoyed his visit. While at Breda the Armoured Car Troop which was R.M.R. and a part of our Company, but operating as a personal guard to the G.O.C.-in-C., was sent up to replace a troop of the 18th Armoured Car Regiment for a tour of front line service.

Things were fairly quiet, but they had some interesting experience. We then moved to Tilbourg, where we spent Christmas. The question of our returning for a further tour of the line came up, but before it could be arranged, Von Runstedt started his push through the Ardennes. For a while things looked black, as had been more successful the Canadian Army would have been cut off and Army H.Q., in great danger of being attacked. Therefore it was decided to keep the unit at Army H.Q. until the situation eased, as we were more familiar with the defence of H.Q. than a new Company would be. After the German attack was pushed back the question of our going forward came up again, but the War ended without a decision being reached. Shortly before the end of hostilities and in preparation for the fighting in Germany, our W.E. was increased to the point where we once more had a battalion. So before the war ended we had regained the ground lost on the fatal day in March 1944.

Start For Home

Shortly after VE Day we came under command of the 1st Division and were the first group of this unit to leave for Canada. General Crerar graciously consented to present the Battalion with the colors provided through the generosity of the City of Westmount. The ceremony took place in the city of Amersfoort, Holland, on the 15th of July and was attended by a large number of former members of the battalion, as well as the Brigade Commander and C.O.'s of neighbouring units. Shortly after we started on the first lap of the long trek home, arriving in Westmount on the 24th of September 1945—just two months short of six years from the time the Battalion left for overseas.

Throughout the long years overseas we were mindful of the honor which was ours in representing the City of Westmount in the Order of Battle of the Canadian Army and I can assure you that our task was made lighter by the knowledge that there at home we had the support of the City and its citizens.

Albino Lark

The city museum of Charleston, S.C., has a mounted albino lark on display. The lark was killed near the city and is pure white except for a bright yellow breast.

A large truck trailer manufacturing company has announced that a unit for dispatching motor freight by radio control has passed experimental stages and is expected to be in operation soon.

Vestry Meeting Held At St. Matthias' Church

The Vestry Meeting of St. Matthias' Church, Westmount, was held recently, the Rector, The Reverend Canon Gilbert Oliver, presided.

Reports presented at the meeting indicated that 1945 had been a banner year in the history of the Parish. All obligations had been met. The full apportionment to the Synod of \$6,400 has been paid, and improvements had been made in the Church. The outstanding feature was the purchase of a Rectory, situated on Kensington Avenue.

The statements were presented by Mr. J. R. Wallace, the retiring People's Warden, who received a hearty vote of thanks for his excellent work during his two years of office.

Arrangements were made for the formation of committees in connection with the Anglican Advance Appeal.

Mayor P. Lindsay Hall was elected People's Warden, and Mr. H. Norman Davis was re-elected Rector's Warden; Messrs. O. G. Beckit and T. H. Jordan, Delegates to Synod, and Messrs. A. W. Roper and W. O'H. Percey, substitute delegates. Mr. A. M. Reid was re-elected Vestry Clerk; and Messrs. Norman Read and A. W. Roper, Seat Managers. The Finance Committee is to be composed of the following: J. R. Wallace, J. L. Bishop, G. H. Boright, R. S. Grindley, R. B. Heward, T. H. Jordan, P. A. McFarlane, S. C. Norsworthy, J. H. Pangman, R. E. Stavert, L. W. Taylor, C. J. Walker, Dr. J. McK. Wathen, H. N. Davis, and P. L. Hall. Messrs.

Number Of Applications Guarantee Vets' Course

The number of advanced applications for a McGill-Loyola-sponsored refresher course for veterans scheduled for Monday are sufficient to guarantee the offering of a complete program, Dr. A. B. Currie of McGill University, head of the committee in charge of arrangements, revealed recently.

"There is evidently a great demand for this work," said Dr. Currie. "The applications are coming in gradually, and we expect to receive many during the week which lies ahead."

Formal registration took place yesterday, continuing today, in Room 11 of the McGill Arts Building, from 10 a.m. until noon and between 2 and 4 p.m.

MacGillivray WMS

The regular meeting of the MacGillivray Auxiliary of St. Andrew's Church will be held on Tuesday at 3 p.m.

Mrs. A. P. Kennedy will give an illustrated talk on Africa.

Mrs. Geo. Acheson and the ladies of Clark district will be in charge.

P. R. Wilson, O. G. Beckit, G. B. Pope, and C. J. Walker were re-elected to the Building and Maintenance Board. A large Advisory Board of seventy men of the Church was also appointed. A committee for Returned Personnel was chosen, consisting of Mr. H. M. Baldwin, Brigadier A. E. D. Tremain, Lt.-Col. A. Powis, Major P. L. Hall, Major W. C. Morgan, and Major Leonard W. Taylor.

LESS COAL NEEDS BETTER MANAGING

Even less coal for Canadian households is probable, and the early Spring may see a definite shortage. The most direct way to counteract this shortage, according to the Canadian Institute of Plumbing and Heating, is to step up the efficiency in firing and tending the home furnace.

Here are a few points to remember:

Don't shake the furnace grates any more than necessary. When firing, see that a "red spot" is left clear of new coal. This will facilitate the quicker "catching" of the new fuel and will help burn up the gases given off by the new fuel, thus enabling you to close the draughts more quickly before fuel has been wasted.

If you are using anthracite, a small fire will suffice. If you are using coke or substitutes for anthracite, you may need a bigger fire, particularly with coke. In either case, remember that putting a poker through the fire and lifting the fire bed up through the newly applied fuel is preferable to more shaking.

The regulation of the draughts for optimum performance varies with the individual furnace. Your plumbing and heating contractor can give you valuable hints on this. Ask him, advises the Institute.

Despite rationing and lack of new cars, auto registration in California reached an all-time high during the first six months of 1945—2,972,223.

Alphas "After Farmer's Wife"

A rousing discussion on a humorous topic will herald this week's activities of the Alpha Omega Society, at St. Andrew's United Church. The topic chosen is: Resolved that a two ton truck is of more use to a farmer than his wife! The debate will be led by Group A under the leadership of Carol Horsburgh, Jane Bird, Walter Mingie and Ian Fraser. Since the group have had several successful discussions during the present season, it is certain that this topic will prove an interesting as well as amusing subject.

The young people are all eagerly looking forward to hearing Wilfred Spearman, formerly associated with the Beaver Club of London, who is now working with the Y.M.C.A. Westmount Branch. Mr. Spearman, who will speak on his work "Over There" will be the speaker for the meeting of February 17th. Refreshments will be served at that meeting by the Social Conveners.

WE'RE GETTING OLDER

Six per cent of the U. S. population of 75,000,000 in 1900 was over 60 years of age. Statistical figures estimate that, by 1980, we will have a population of 150,000,000, with 23 per cent 60 years or older.

The Douglas DC-8 transport is unique in that contraprops have been moved into the tail assembly, and the power plant has been shifted to the center of the craft.

"CUTTING IN" causes ACCIDENTS

Slippery winter streets, especially when over-crowded (as at present in Montreal) create greater possibilities for accidents. Collisions result from the difficulty of controlling vehicles especially in an unexpected emergency.

Trams travel on fixed rails and therefore cannot swerve to left or right.

"Cutting in" ahead of a moving tram causes many accidents. The tram is so heavy that even a slight collision may cause serious injury to the occupants of the motor car.

In the interests of safety, therefore, we suggest that motorists avoid "cutting in" on tramway tracks in front of a moving street car. The saving of a few seconds is not worth the risk of a serious accident.

MONTREAL TRAMWAYS COMPANY

On behalf of more than a million passengers per day
