Toupin announces $18,900,000 subsidy for Quebec farmers

Public demonstrations do help. That was the word from the Quebec minister of Agriculture Normand Toupin after those tractor parades and other "manifestations" of the Province's farmers last month.

Speaking at the annual meeting of the farmers' union, the UPA (Union des Producteurs Agricoles) the Minister stated that he had experienced difficulty getting his point across in the Legislative Assembly but after those farmers' demonstrations throughout the Province his fellow Cabinet Ministers were asking him what they could do for him.

What they did, as reported to the UPA and relayed to THE EQUITY by Pontiac's representative on that board, Melvin Younge, was to add another 3.9 million dollars to the 15 million already earmarked to distribute as relief among the farmers of the Province during this troubled season.

The UPA has made their decision as to how to distribute this money, which has now reached $18,900,000. Anyone who ships a steer weighing 700 pounds or more to a government approved abattoir in Canada between July 1, 1974 and January 31, 1975 will be eligible to receive ten cents a pound live weight. Details will be made public soon and meanwhile the contact man is Melvin Younge.

Melvin also brought back the good news about the cow-calf subsidy which has been increased from approximately $36 per calf to approximately $84. This amount is reached by a formula which allows 30 cents, instead of the previous 13 cents, per pound for a 400 lb calf for 70% of the cows being kept.

Dr. Roland Armitage explains harness-racing at Quyon Fair Board annual dinner-dance

States Pontiac County is the best place to live

The Annual Dinner-dance sponsered by the Quyon Agricultural Society held Saturday evening, November 30th attracted 350 Quyon Fair enthusiasts. They were there from both sides of the Ottawa River, up the Gatineau and from all over Pontiac.

They came to hear the guest speaker, Dr Roland Armitage of Dunrobin, to partake of a sumptious dinner and to meet friends, old and new.

Dr Armitage, who is president of the Canadian Trotting Association, described the growth of that organization and told of some of its activities. He was in a humorous mood as he related some of his experiences as a practising veterinarian in Pontiac County. He went on to say that his eighteen years here in that capacity were the best years of his life and that Pontiac was the best place in the world to be.

Dr Armitage was introduced by Gervase O'Reilly and thanked by Ken Bronson, president of the Agricultural Society.

S. Wyman, MacKechnie was Master of Ceremonies for the event and called on several prominent guests for a few remarks. These included Tom Lefebvre, M.P. for Pontiac, Orla Young, warden of Pontiac County and William Burke, Mayor of Quyon, all of whom were accompanied by their wives.

Rev Max Preisler said the Grace and James Stewart, convenor of the committee on arrangements introduced the heat table and Gervase O'Reilly, Quyon districts Irish singer par excellence, graciously consented to lead in the singing of several Scottish songs in honour of the day, it being the day of Scotlands patron saint, St Andrew.

At the conclusion of the dinner entertainment was provided by Mac Beattie and his orchestra.

Pontiac municipalities seek advice to escape CRO

Also to plead for translations while awaiting release

The mayors, councillors and ratepayers of North and South Onslow, Quyon and Eardley who were present at the public meeting in the Beach Barn last Thursday night made two important decisions.

First they decided to make a gigantic effort to get out of the Outaouais Regional Community, and second they decided to seek help from the Public Protector of the Province of Quebec to get information from the Regional office in English in the meantime.

The mayors involved have stated repeatedly that they have been trying to get out of the Region for five years and none has been able to see any reason to stay in, except that it seems to be the law. Each mayor receives $2500 a year for attending meetings in Hull and in addition to this each municipality gets its assessments done in Hull. But what do they pay for this?

The answer to that question came forth Thursday night. Over the past five years a total of $65,859.69 has been paid by Quyon, North Onslow and South Onslow and Eardley into the coffers of the Outaouais Regional Community.

To get out, they have engaged a lawyer for advice. They were told it would take an amendment to an Act of Legislature for which they would have to make a request through the local Member of the Legislative Assembly. The same lawyer will also represent them to the Public Protector on the language issue. Their request is not for English only but simply for English translations of the proceedings of the Regional Government so that the members from Pontiac can all understand what is going on.

The meeting was called by Mayor Ken Bronson of South Onslow, whose secretary Mrs Idena Fraser, brought along the lawyer, Mr Belec, who lives in the area in question and has personal feelings in the matter, along with everyone else.

During the meeting many people spoke out strongly against the Regional government. One speaker was Mr Wyman MacKechnie who has been a keen observer of the situation. He was reminded of the unfortunate plight of Pontiac County three quarters of a century ago when it was forced to pay through the nose for the railway. The current situation might seem even worse because at least we did get part of the railway we paid so dearly for in the early nineteen hundreds whereas nobody seems able to discover what is is we are paying for during this present crisis.

Money out of Pontiac County, to the Regional, not counting the contribution of Aldfield which for some unexplained reason was not included in the statistic analysis:

Onslow North	Onslow South:	Quyon:
1970-$113.79	1970-$1,085.83	1970-$220.56
1971—$546.40	1971-$5,213.95	1971-$1,059.11
1972-$811.41	1972-$5,587.04	1972-$1,415.74
1973-$1,352.82	1973-$3,403.35	1973-$1,907.40
1974-$1,754.98	1974-$5,778.98	1974-$3,430.81
total of $4,279.40.	total of $21,069.15.	total of $8,033.62.

Eardley is not actually in Pontiac County, although they would like to be and Pontiac would like them to be, but these things do not seem to be governed according to the wishes of the people. Anyway, Eardley's total contribution to the Regional Government during the past five years was $32,477.52. This makes up the grand total, as previously stated, of almost sixty six thousand dollars.

At the same time these municipalities have been paying County fees regularly and have not been able to get any regulation setting aside this requirement to pay double taxes.

These four municipalities are under some pressure from Quebec to amalgamate but until they can get some assurance that they are freed from the grips of regionalization and assimilation into Hull, they cannot seriously consider amalgamation.

Meanwhile, up in Aldfield, which is half in and half out of the NCC, and all in the Outaouais Regional Community, and barely in Pontiac County, dear knows what is going on municipally!

Pontiac County Council will meet Monday Monday December 9th

Pontiac County Council will be meeting at its regular quarterly session on Monday, December 9th, at the County Building, Campbell's Bay at ten o'clock.

All the mayors of Pontiac will likely be present as there are a number of important decisions to be made. The public is always welcome to attend these meetings or to inform their local mayor of their opinions with regard to matters which will be under discussion.

At the December meeting the first business will be the election of a County Warden. This position is filled on an annual basis. Mayor Orla Young of Shawviulle is the current Warden, having served for two terms in this capacity.

The assessors retained by the County to revise the valuation rolls will then present his report and recommendations and a valuation committee will be nominated for 1975. Valuation occupied members at twelve special meetings this year.

The Industrial Committee will make its report to Council. This Committee held seven special meetings this year.

The County Council will be asked to decide whether or not to retain its membership in the Outaouais Regional Development Council for which it pays a fee of $200 a year. If they decide to carry on this membership they will appoint a representative from Pontiac to attend meetings in Hull.

A caretaker will be hired for the County Building.

The land sale lists will come under discussion with a view to charging for them.

The designation of certain areas of this County for industrial assistance grants will be explained.

Bills to be approved for payment include $750 to the registrar for mutations in September and October, $7.50 to Bell Canada, $74.95 to Continental Telephone, $34.80 to Pontiac Printshop Ltd., $41.00 to F.H. Rowat Insurance, $40.17 to Hydro Quebec for lights in the County Building, $155.79 to Shawville Milling for heating the County Building, $21.60 to Harvey Plants, $77.00 to Office Analysts for paper for the duplicator, and $155.59 to Labine Printer for stationery.

As this is the last regular meeting of the year, authorization will also be sought for payment of remuneration to councillors for attendance at meetings and expenses.

Each mayor may receive $75 per day plus 15 cents per mile driven to attend the regular quarterly sessions to County Council. County Delegates also receive $75 per day for additional meetings plus mileage and lodging and meals. Committee members also receive $75 per day meetings and $30 per evening meetings plus mileage and meals.

An assessor will be appointed for 1975. A budget should be presented, and a County tax rate established but since the valuation roll will only be deposited on the day of the meeting it will be impossible to prepare a budget at this time. County Clerk, Cliff Robillard, feels that with the heavy agenda for next Monday the meeting will have to be adjourned to a later date to allow the Finance Committee to meet and prepare a budget. The 1975 Finance Committee will be appointed Monday during the regular session.

Fastball Champions

1974 winners of "Murphy Memorial Cup" which is awarded to the Champions of Quyon and District Fastball League.
Front row kneeling: Jim Stewart Legion Pres. Second Row, Left to Right: Bob Davis, Gil Fraser Jr, Gil Fraser Sr, Ron Armitage, Eddie McCann. Third Row-- Doug McBane, Doug Graham, Bob Young, Mike McBane, Calvin Johnston.

Fire victims need clothes, food, money

The home of Mr and Mrs Ronald Kluke and their six children burned to the ground early Saturday morning leaving this family in destition, except for the help they have received from their good neighbors and friends around Otter Lake.

The home was on the Pickanock Road, up towards Sandy Creek.

Clothing is needed for all the children, whose ages are three to sixteen, and also needed are dishes, furniture, lumber to rebuilt and of course money. Any donations may be sent to the Bank of Nova Scotia, Campbell's Bay, marked for the Ronald Kluke fund.

Temporarily the Klukes are staying with Ronald's brother Emery, but clothing and household articles for them are being collected at the home of the Mayor of Otter Lake, Basil Quaile. All they have to wear at the moment, besides what they were wearing during their escape from the flames, are some clothing left over from rummage sale, donated by the Anglican and Lutheran churches.

No English Catholic high school plans for Pontiac County

Local Board may go ahead without Quebec approval

This week we have a "lack of progress" report on the proposed English Catholic High School in Pontiac.

At the regular November meeting of the CSRO (school board) in Hull, the School Commission as a whole demanded that the Department of Education take immediate steps to build the badly needed schools throughout the region, including the proposed Pontiac Catholic High School. The unity of the Board was so strong in this request that it was proposed, and carried, that action be taken without the approval of the Department if necessary.

School Commissioner Richard Bowie, in commenting on this matter, states that he feels very deeply that "we in the Province of Quebec are now living under a bureaucratic dictorship." To expand on this he states there is not doubt in his mind that civil servants in the higher echelons of our government service are responsible to a large degree for such a state of affairs.

Mr Bowie says "our legislators, our elected members of the National Assembly, are responsible for allowing this to happen. They have become mere pawns of the civil service and we in turn have become a people accorded democratic rights only as seen fit by a designated few hired servants."

"The servant has become the master" states Bowie, "and this situation applies as well to our local municipalities as is evidenced by their problems concerning regionalization."

Dickie Bowie reports that the School Commission's request for a report from the Liaison Officer who spent several days of investigation in Pontiac has now been set aside by the Department of Education for FURTHER STUDY, even though it was an elected board of representatives of the public that made the request. Practically every request made by the CSRO in the past year has been either ignored or delayed in some way by the Department of Education, says Dickie.

But Bowie and his colleagues on the school board do not intend to throw in the towel. They intend to fight bureaucracy until justice for the children is attained.

The decision to proceed with the building of the needed schools, even without the approval of the Department, may incur the wrath of the government, but they are so fired up about it at this point they are not afraid of governmental wrath.

LIP grant approved for recreation in Pontiac villages

$32,058 will provide 26 weeks work for 8 and skating rinks for all

One of the LIP grants applied for by Pontiac people has been granted in part. The application was for 67 thousand dollars to provide better facilities for recreation in all Pontiac Municipalities. The project would have provided work for 26 weeks for nineteen men.

Approval came last Friday for about half the amount, $32,058.00 which will employ eight people for 26 weeks at $115 a week, as well as for the various materials needed for the project.

Treasurer, and signing member of the application, is Ken Hereault of Davidson. Secretary is Charlie Young of Bryson and president if Michel Patry of Campbell's Bay. The group is called the Council of Sports for Pontiac and also includes Jules Soucie of Fort Coulonge and Lyall Bean of Shawville.

Their initial work will be in building outdoor rinks wherever possible. Although there are several indoor rinks, especially in the bigger centers, these facilities still do not satisfy the needs of many children. Hockey schedules and high costs have made it difficult for the oridinary little kid to get skating: hence the outdoor rinks and free skating. Snow slides for tobogganning will also be in the plans.

Anyone who would like to work on this project may apply to Canada Manpower or Ken Herault, Davidson, 683-2487 this week.

This is the only LIP grant which has been accepted thus far in Pontiac, to the best of our knowledge. The announcement was made to THE EQUITY on Friday from the office of our Member of Palriament, Tom Lefebvre, on Parliament Hill, Ottawa.

LESS AND LESS CONTROL

As this year of 1974 grinds gradually to a close we find ourselves believing more and more that government is something like weather; you can talk all you want about it but there's little you can do about it.

Somewhere there must be an argument against this gloomy thought.

But at the moment it escapes us.

Decisions are being made farther and farther away and fewer and fewer matters are being left in the hands of the local elected representatives of the people.

Please inform us if we are wrong but doesn't it seem discouraging that no matter how the people on our local boards and councils feel about local affaris they must always await the pleasure of faraway people; often people who only can be known by titles because the names change so often?

Then we are told by the Minister of Agriculture that the tractor blockades and calf killings undertaken by beef farmers recently actually helped the cause.

We're ever so glad the cause has been helped because goodness knows the beef farmers have been in difficulty, but isn't it disgusting that our government couldn't have understood the situation sufficiently to act without needing those demonstrations to get the point?

Nobody here likes violence and manifestations of force. That's why, when it was Pontiac's turn to demonstrate, they merely organized a tractor parade to show County solidarity behind the requests of the Province-wide union of farmers.

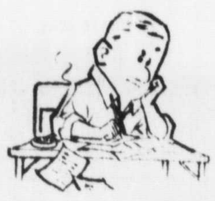
We would prefer to sit down in civilizd sessions of legally organized commissions and boards, councils and committees, and relay our decisions to those government bodies with power to help.

Has the trend towards less and less control on the local scene gone past the point of no return?

Ottawa and District Minor Hockey Association.

The Wrigley Midget Tournament, Ottawa Branch, finals will be held in the Ottawa Civic Centre on December 15th from 11:00 am to 7:00 pm.

A committee has been set up to study proposals that ODMHA take a larger involvement in the development of restructured hockey leagues that would ensure that hockey is available to a wide range of participants at all levels, in all parts of the Branch. About 40,000 boys play under Branch auspices. The study would include structure, size and the hockey program of member Minor Hockey Associations, refereeing, hockey development and coaching.



Letters to the Editor

MISSING GIRL

My daughter Cindy Williams missing from her residence at Fennell Ave., East Hamilton, Ontario. She was seen at approximately 2:30 p.m. July on Friday 26th,1974, as she walked West on Fennell Ave. towards Upper Ottawa St.

Description

Name Cindy Williams, white, born Jan. 20,1970, 3 ft. 8 inches tall, 40 lbs. hazel eyes, blond hair in short shag cut, has a full set of teeth with a visible filling on upper right front. Dark tan, wart on third toe of left foot. Last seen wearing navy shorts, navy blue top and white running shoes.

$4000 REWARD

The Municipality of Hamilton-Wentworth and the parents of Cindy Williams have offered a reward totaling $4,000.00 (four thousand) which leads to the finding of Cindy Williams.

The identity of any person supplying information will be treated as strictly confidential.

Should you have any information, contact the Hamilton Wentworth Regional Police by telephone, or telegraph-charges collect. Telephone 1-416-522-4925 Hamilton, Ontario.

It is my most sincere wish that these posters be placed in all provinces in Canada, in an effort to find Cindy, any help I could recieve from your local paper, TV or Radio station would be appreciated. For more posters write E. Clapham, 36 Morley St., Hamilton, Ontario, Canada.

Thank You
E. Claphan.

December 8th is Farewell Sunday for Rev. Ron Ellis and family

Dear Editor,

Thank you for your words of commendation regarding our pastor Rev Ron Ellis in last week's Equity.

We, as a congregation, have appreciated his ministry here in Shawville and we feel we have been very privileged to have had him for our pastor for the past three and a half years.

He has been faithful in preaching the word of God and we know that his new congregation will benefit greatly from his ministry.

We will miss him but we wish him and his family the very best, especially at this Christmas season and in the future.

An invitation is extended to join with us in the farewell service for the Ellis' on Sunday evening Dec 8th at 7:00 pm.

The Congregation of
Bethel Pentecostal Tabernacle.

Ottawa Scout group works on renovation of Campbell's Bay church

by Pastor R.W.R. Kierstead

During the last two years the Wesleyan Church in Campbell's Bay, Quebec, has undergone extensive repairs, renovations, and additions. These included the installation of a new furnace, addition of class room facilities, hall, washrooms, as also interior renovations in the sanctuary. Due to the illness of the pastor in the Fall of 1973, these projects were discontinued.

A leader of a group of Rovers in Ottawa, Mr Roy Case, having visited in the area, and having seen the half-finished work, returned to the Rovers he was leader of, to ask them to take the Campbell's Bay Wesleyan Church on as a community project.

Rovers are senior Scouts, whose motto is "Service". The Rovers who came to work at the Campbell's Bay Wesleyan Church were from the Mafeking House group.

During their last visit they were able to do a great deal of work. A new section of flooring was put into the main sanctuary, painting was done, clearing up materials and sorting of same, varnishing, etc. The members who were up last time were Mate: Bill Whelton; Secretary Charles Whelton; Treasurer Shane Ryan; Quarter Master Brian Whalley; plus Sean Delaney and Fazil Baksh, all of Ottawa.

A letter written by the Secretary ends with these words: "We look forward to working with you and your congregation, to the glory of God." God grant us more young people like these throughout the land.

Ladysmith News

by Mrs Verner Thrun
Correspondent

Sunday supper guests with Mr and Mrs Walter Yach were Mr and Mrs Paul Bretzlaff and Mrs Reinhold Pasch.

Mr and Mrs James Macklin Ottawa spent the weekend visiting with relatives in this district.

Visitors on Sunday with mr and Mrs Gustave Yach were Mr and Mrs Wally Buchanan and Carl from Beachburg.

The Ladysmith RA Snogoers Annual Kick off dance was held last Saturday evening in the TCRA Centre.

This event was a success and was well attended. With the auditorium decorated and music by Jamieson the evening was much enjoyed. Two draws took place and the prizes were awarded.

Best birthday wishes to Mr Gustave Yach, Miss Nancy Grey and Miss Olga Mielke who have birthdays coming up this week.

UCW smorgasbord and bazaar

The United Church Women of Shawville had their Annual Bazaar and Smorgasbord last Thursday. The Christmas Bazaar was officially opened at 3:00 pm. Following the sale of work and baking, the Smorgasbord took place at 5:00 pm.

Rev Macintosh welcomed those who had come to the supper, and afterward offered grace.

The Ladies, under the very capable Convenorship of Mrs Doris Hodgins, served a very delicious meal. The exceptionally large crowd was indicative of the public interest in an annual occasion such as this, which over the years has established itself as one of the social events of the year not to be missed in Shawville.

The splendid efforts of the U.C.W. ladies were well appreciated.

Mrs McCagg and Mrs Elliott display handmade candles, table decorations, toys and other Christmas articles at the United Church Women's Bazaar in Shawville, while a visitor, Mrs Bert Kelly makes a purchase. Andai Photo

Pontiac Protestant School Board Minutes

Minutes of a regular meeting of the Council of Commissioners of the Protestant School Municipality of Pontiac held in the Dr S.E. McDowell Elementary School, Shawville, Quebec, Wednesday, November 27th, 1974 at 8:00 pm with the following Commissioners in attendance: Messrs J.A. Russell, Lloyd Neville, Alvin Brown, Walter Kilgour, Basil Quaile, George Pirie, Ronald MacKechnie sitting under the Chairmanship of Mr Grant Eades.

Absent Comm Mahlon Hayes.

The Assistant Director General and Secretary General were present.

The minutes of regular meeting October 30,1974 at 8 pm were adopted on the motion of Comm Basil Quaile.

The minutes of regular meeting, October 30, 1974 at 8:30 pm were adopted on the motion of Comm Lloyd Nevile.

Mrs M. Bretzlaff, Asst. Director General submitted a School Report.

The Secretary General gave a report on the current financial situation.

It was moved by Comm George Pirie that Dr G Barker, Chairman of the Dr S.E. McDowell School Committee be invited to the January 1975 meeting of the Council of Commissioners to discuss playground equipment.

Com J.A. Russell moved adjournment at 8:40 pm.

Council met again at 8:45 with the same officials present.

The correspondence was read.

RESOLUTION 239- It is moved by Comm Basil Quaile and unanimously resolved that Comm J A Russell be authorized to negotiate on behalf of the Pontiac Protestant School Board the various items which are placed before the negotiating Committees of the QAPSB Branch of Western Quebec.

RESOLUTION 241 was moved by Comm J A Russell and unanimously resolved.

Comm Basil Quaile moved that accounts for $6604.68 be paid.

Next regular meeting Wednesday, Dec. 18,1974 at 2 pm.

Comm J A Russell moved adjournment at 10:20 pm.

Shawville and District Snowmobile Club

The Shawville and District Snowmobile Club held its first party at Pine Lodge on Saturday nigh .nd was very well attended.

A number of former members renewed their memberships and a special welcome is extended to the new members who joined our Club.

Elburn Bean donated a snowmobile helmet as a door prize and this was won by Les Smart.

Two other draws were made and won by Fred Thomas and Gilbert LeBrun.

The evening closed with a bean supper and coffee provided by the management.

Grist and miscellaneous items

Arthur Argue of Boston has sent us a copy of an editorial from the New York Times about the land settlement with the Indians and Eskimos with regard to the James Bay Project. It quotes our Premier Robert Bourassa as saying of the "$11.9 billion project" that it is a "Source of electricity and also a symbol of grandeur to the province".

The latest standings in the Outaouais Senior Hockey League, according to Al Davis, President, show Renfrew-Shawville Combines tied with Embrun for third place after Gatineau and Potsdam.

The Canada Manpower has postponed the courses in preventive veterinarian medicine, because, as Dan Ryan tells us, the increased cost of getting the course organized has not been met by the budget! There are a lot of people who wonder why they go to the trouble of announcing a course if they can't afford to put it on.

Joyce and Don Fulford, who have gone to Alberta, report this week that "Things are going great in Fort McMurray" the new town they moved to. We're happy to hear this and hope they will keep us posted.

The senior 3 year old Jersey class leader at November 18th Canada, was headed by Willow Hollow Milestone Reta, a daughter of Marlu Commando Milestone, owned by Bob Younge, Shawville. At 3 years, 8 months, she produced 12,699 lbs milk, 593 lbs fat, 4.67% in 305 days.

There is a contest going on at CKOB, the Renfrew radio station. Somebody will win a return flight for two to Toronto, an overnight stay at the Four Seasons Hotel, and an appearance on the CBC Luncheon Date program with Elwood Glover. All you have to do is send your name and address to Radio CKOB, Box 96, Renfrew, Ontario and name your favorite disc jockey. CKOB DJ Scot Richards has a classified ad in this issue soliciting your vote for him. The contest will be over in a few days so if you intend to enter, do it now.

Tests will be given for Snowmobile licenses Dec 4 from 10 o'clock to Dec 5 at 5 o'clock at the Fire Hall in Shawville.

Dr Ken Allen, Perth area Veterinarian, has been elected as trustee representative Bathurst and North Burgess on the Board of Education of Lanark County. Ken's wife, Mary is the daughter of Mr and Mrs Walter Kilgour of Shawville. After his tremendous win at the polls, Ken and Mary entertained friends and neighbors at a victory party in their home on the Scotch Line.

That recreation adminstrators course which is slated to take place this coming weekend at Pontiac High School seems to be threatened because only four or five local people have signed up. Apparently there are about ten people in the Aylmer area who also want the course, the only one being given in English, and there is pressure to have the course given in Aylmer instead of Shawville. However, if a few more local people will sign up (with Mrs Hewitson at the High School) it might still happen in Shawville. We are asked to remind our readers that is is a good course and includes information about how to get money for recreation from the governments, how to set up and run committees etc... The course fee is $5.00 .

Back on the subject of that Veterinary Preventive Medicine Course which was cancelled, although over subscribed. How many local beef, dairy, horse, sheep, swine or poultry farmers would like to take such a course even if they had to pay $5.00 for it? The way the adult education people had it organized was to pay the farmers to take it! No wonder it would cost too much. Anyone who would take the course without pay, and even be willing to pay a registration fee if necessary, please leave your name at THE EQUITY office. If we hear from enough interested people we will try to persuade the authorities to get this course on the roads.

Charteris News

by Mrs Norval McNeill
Correspondent

Mr Norval McNeill received word Saturday of the death of his uncle Hiram Stanley of Saskatoon in his 87th yeai.

On Friday evening at the home of Mr and Mrs Mosey Murphy friends and neighbours gathered to congratulate Mr and Mrs Claude Richardson who were married recently. They were presented with some nice gifts. The evening ended with a good time by all. Dainty refreshments were served by the ladies who put on the party.

Mr Sherman Emmerson spent a few days last week with friends in Ottawa.

Last week end visitors with the McNeills were Mr Clarence Gunter, Mr Ed Millson of Orono, Mr Herb Lytle and Tim of Ottawa.

Otter Lake News

by Elizabeth Hahn
Correspondent

On Saturday, Mr and Mrs Cliford Hahn and Pamela left for Troy, New York to visit their son Pat.

On the way they visited Mr and Mrs Tom O'Malley and twins in Manotick, Ont.

In the evening they attended a hockey game at R.P.I. Field House between RPI Enginers vs Loyola College of Montreal. Pat Hahn scored the first goal, also assisted on two others. One was on the winning goal after two minutes overtime which made the score 6-5 for the Engineers.

After the game a party was held at Holiday Inn in honour of the RPI Hockey Players. The Hahns were special guests because they were the only parents of a hockey player attending the game. The RPI Engineers have won all their games so far.

On Sunday the Hahns travelled to Paramus, New Jersey and visited with Mr and Mrs Eddy Brennen and family and Mrs Ida Brennen of Hopotong.

A birthday party for Barry Gauthier was held at his home here in town. Mrs Dennis Gauthier made the lovely birthday cake. Brian, Dale , Ronnie and Floyd Riebertz of Arnprior attended the party along with other friends and relatives. Everyone had a good time.

Dr and Mrs Alfred Mihachik of New Hampshire spent some time at their summer home at Ellen Lake.

Mr and Mrs Desi Pasche of Aylmer spent the weekend with her parents Mr and Mrs Hilliard Gauthier.

"TAKE THE YOUNG OF ALL AGES!"
--Judith Crist, New York Magazine

"A RING-TAILED WONDER! DELIGHTFUL AND TOUCHING! Not only is it the kind of movie that children can enjoy thoroughly, but it's one that their parents can savor just as much. The music is just splendid. Everyone deserves to take a deep bow for transforming a literary classic into what is now A SCREEN CLASSIC!"
—Aaron Schindler, Family Circle

Land-Use Planner

In the recent Convocation ceremonies at the University of Manitoba, Carl L. Wall of Winnipeg, formerly of Bryson, received the degree Master of Natural Resources Management.

Carl is the son of Mrs Margaret Wall of Bryson and the late Elmer Wall.

Carl received his primary and secondary school education in Quebec and an Honours Bachelor of Arts degree in Geography from Laurentian University in Sudbury.

Attending the ceremonies were his wife Karen, his mother visiting from Bryson and Mr and Mrs L. Giesbrecht, friends from Winnipeg.

Carl is presently a Comprehensive Land Use Planner with the Department of Mines, Resources and Environment Management, Government of Manitoba.

Tom Lefebvre reports from Parliament Hill

Prime Minister Trudeau's trip to Paris and Brussels laid the groundwork for new ties with the continent. The Purpose - to improve relations with France and to open negotiations with the European Economic Community.

An agreement was reached between Canada and France to set up two working groups to study ways of cooperating in the areas of energy and generagl economic relations. In Brussels, Prime Minister Trudeau told the Common Market that it could encounter difficulties obtaining Canadian raw materials in the future: Difficulties that could arise from the fact that Canadian resource policy is changing and the Common Market, to date, had not attempted to relate to those changes. He said the Common Market countries must put themselves in a position to meet Canadian conditions for the development of Canadian resources, including Canada's insistence of safeguards on uranium exports. The Prime Minister underlined that Canadian resource policy is undergoing dramatic changes and he encouraged the EEC to embark on a process of negotiation.

SHAPING IMMIGRATION POLICY

On October 22, the Federal Government announced changes to Canada's immigration regulations. The interium regulations are designed to moderate the rate of growth of immigration while our basic immigration legislation is under review. The changes mean that entry into this country will be tied more closely to the ability of immigrants to get jobs in Canada and the unavailability of Canadians to fill job vacancies. The new regulations will apply in the same manner to all countries in the world. The changes do not affect sponsored immigrants, close relatives of Canadians or of landed immigrants. Family reunification remains a fundamental principle of Canadian immigration policy.

The changes are in the interest of future immigrants as well as Canadians. Manpower and Immigration Minister Robert Andras said "I personally don't think it is fair to the prospective immigrant to encourage him or her to come to Canada if there is a very poor possibility of getting a job right now or getting a house."

$500 BONUS FOR THE PURCHASE OF A NEW HOME

The Government intends to introduce in the House, very soon, legislation which would authorize, for a one-year period, the payment of a $500 grant to people buying a new home for the first time, provided the home is moderately priced.

The legislation, if approved, would be retroactive November 1, 1974, and would benefit people who bought and occupied their new house up to this date, without waiting any longer.

The legislation will provide that the housing be new, not previously occupied and must be the owner's principal residence. At such time as the legislation may be approved, the owner who has bought and occupied his new home may apply to the local Central Mortgage and Housing Corporation Office, who would process his application and, if it is acceptable, send him a cheque. For Pontiac, this office is located at 150 rue Principale, Hull, Que., Tel. 770-1550.

FEED GRAIN RESERVES IN OPERATION

A plan to keep a reserve stock of feed grains to insure the availability of grain to eastern Canadian livestock feeders is now in operation at Thunder Bay.

The reserve supplies of up to 10 million bushels of feed wheat , oats and barley are owned and administered by the Canadian Wheat Board under terms and conditions agreed to by the Reserve Stock Committee. The grains are held in elevators at Thunder Bay with the federal government paying the carrying charges.

1975-76 CATTLE IMPORT PERMITS

Requests for permits for 1975-76 European Cattle importation should be filed with Agriculture Canada no later than December 31 , 1974 the federal agriculture department announced.

These requests for the 1975-76 importation should be directed to the Veterinary Director General, Agriculture Canada, Ottawa, K1AOC5, from whom application forms may be obtained. Applicants should indicate the number, breed and country of origin of the cattle desired.

Prospective importers will be asked to support their request for a permit by completing a questionnaire outlining their proposed breeding program and cattle inventory.

Portage du Fort Council Minutes

November 4, 1974: Present at the meeting were the Mayor, Mr Martin Adams, Counsellors J J McCallum, Mrs E Gibbons, Garnet McCallum, Ryan Tanguay, Gordon Smith, and Gerald Manwell. Also Secretary-Treasurer R W R Kierstead, Assistant Mrs D Kierstead, Maurice Essiambre, Eugene Potvin and Mrs Razeau.

Before the meeting the Secretary led in the swearing in ceremony for Councillors Ryan Tanguay, Gordon Smith and Gerald Manwell.

The Mayor called the meting to order, whereupon the Secretary read the minutes of the previous meeting which were approved as read.

Mrs Razeau thereupon submitted grievances to the Council concerning the repairing of the street in front of her property, a deep ditch near her home, and the smashing of windows by children on Hallowe'en night, as also the cutting of lawn in front of her property. The matter was refered for investigation by members of Council.

Various bills were presented by the Treasurer for payment in the total of $1547.14 . Moved by Gerald Manwell, seconded by Garnet McCallum that they be paid.

Moved by Mrs Gibbons, seconded by Ryan Tanguay that bills for Road Work done be submitted to the Minister of Transport for refund according to their letter dated June 21, 1974.

Mrs Earl Roy approached Council at this time regarding dogs which are allowed to roam freely, and, specially, a black dog which has bitten some children. The Secretary was asked to write a letter to the owner of the dog advising him that his dog must be kept under control at all times.

The Secretary read correspondence received. In answer to letters regarding the library, the Secretary was asked to write asking that a more suitable time be arranged for their mobile unit to visit Portage du Fort.

The Mayor read corresondence from Smith Bros tendering $75 per trip for snow removal. Discussion followed about the need for snow removal in the area where cottages are. It was decided that the responsible Councillors get in touch with Smith Bros to discuss the cost of extra snow removal.

A complaint was lodged about the water pipe near Keith Thompson which is in need of cleaning out, as also a valve to be replaced. Council agreed that Eugene Potvin do such repairs as are necessary.

The Secretary was asked to write a letter to Earl Ricard of the Portage Recreation Association regarding a sum of $500 granted for the purpose of recreation in the community, if the Association plans to set up and use a rink this winter season.

Moved by Mrs Gibbons, seconded by J J McCallum that, due to the darkness around the Town Hall, a mercury vapour light be installed at the front of the Town Hall. Tenders to be called for by the Secretary.

Damages which were reported as being done on Hallowe'en night are to be reported to the QPP by the Mayor.

The use of the Town Hall by the Secretary for the winter months was discussed. It was agreed that the hall be used, and that Eugene Potvin lay down a suitable wood floor over the cement floor, and to put plastic on the windows.

The matter of more suitable hours for the winter months was discussed.It was agreed that the following hours be observed : 2 pm to 6 pm on Wednesday, Thursday and Fridays.

Office equipment being inadequate, the Secretary was instructed by Council to purchase a suitable typewriter, as also a desk calculator, and that a telephone be installed in the Town OFFICE. Moved by Gerald Manwell, seconded by Gordon Smith.

Regarding any calls necessary for fire protection by fire departments from elsewhere, it was decided that the Secretary would write a letter to the Bryson Fire Department, advising them that any calls for assistance would be made by the Mayor, the Fire Chief, or any one of the Councillors, and the letter to mention their respective names.

The matter of unpaid water rates was brought up, and the Secretary was instructed to advise all in default that their water would be cut off within 15 days unless payment was received within the period so specified.

New by-laws being necessary for fire protection, and for water use, the following Committee was designated to get all information available for submission to the next meeting of Council, Garnet McCallum, Ryan Tanguay and Gordon Smith.

Regarding the shutting off of water in the case of those in default, it was mutually agreed that Mr Eugene Potvin be designated to do same.

Motion was called for adjournment.

DECEMBER 1 TO 7 INCLUSIVE

SAFE DRIVING WEEK is aimed at alerting Canadian motorists to the scope of the traffic accident epidemic and what must be done to reduce accidents, not just during the campaign but all year.

Help your company by helping someone else.

Most people want to work.
To help Canadian business grow and reduce unemployment, let's work together to encourage people with job hang-ups to get involved.
So we want to interest you in our Industrial Training Program.
We'll help you develop your own training program for people who cannot get or hold a job (for any one of a number of reasons).
We can pay all direct training costs. And if your project qualifies Canada Manpower could pay as much as 85 % of each employee's salary, up to a maximum of $130 per week for the duration of the training plan.
You in turn, will set up the course, with the assistance of the province of Quebec, and will be responsible for the training.
Sit down with an Industrial Training consultant at your nearest Canada Manpower Centre soon, and together we can design a training program that will benefit you and your new employees.
Because when you give a person a chance, you've got the best and happiest employee of them all.

Canada Manpower Centre / Manpower and Immigration / Robert Andras Minister
Centre de Main-d'œuvre du Canada / Main-d'œuvre et Immigration / Robert Andras Ministre

Let's work together.

Dunraven News

by Karen Stewart
Correspondent

Mr and Mrs Gearld Weir of Kingston, Ont will be celebrating their 26th wedding anniversary on the 11th day of this month. Best wishes and many more happy years for both of you.

Glad to hear that Mr Kenneth Bertrand is out of hospital and back home after his serious accident last October.

Congratulations to Claire (Dubeau) and Donald Rivet on their recent marriage November 30th.

Donald and Rhoda Simpson and their son Billy were guests at the home of Mr and Mrs Edmund Stewart and Karen on the 28th of this month. The Simpsons are from Kingston. On their trip up here, they visited other relatves in Campbell's Bay. Hope you had a safe trip back.

Get well wishes are sent out to Mr Vincent Dumouchel (Bus Driver) who is a patient in Shawville Community Hospital.

Best wishes for the new post office at the village that was officially opened on November 25th.

Mr Kevin Newell was down to Ottawa on the 29th of last month to bring his wife back home after a lengthy period in hospital. Also Kevin visited with Mrs Newell's parents Mr and Mrs Thomas Sullivan at St Joseph's last week.

Get well wishes to little John Newell who was treated at Shawville Hospital after he fell which left a gash in his leg, one day last week. He is recouperating at home.

Seven Guides earn Fire Safety Badge

The 1st Shawville Guide Company opened on September 23, 1974 with seven registerd.

An election of officers was held . They are as follows: Wendy Crawford Secretary of Court of Honour. Beth Renrick Treasurer. Claire Gregory Public Relations Representative.

The girls organized a Hallowe'en Party on October 28th and invited their friends to join in the fun. The girls produced some very interesting stationary decorated with ink leaf prints and everyone is currently covering hangers with plastic lacing.

Guides from Shawville, Bryson, Gatineau and Chelsea attended a Patrol Leader's Training in Hull on November 2nd.

Brownies and Guides attended a Remembrance Day Service at the United Church on November 10th and paraded their colours to the memorial Park on November 11th.

A very interesting and informative demonstration and lecture on Fire Safety and Artificial Respiration was given by Bill Black on November 11th to a group of Guides and Brownies. Seven Guides have now earned their Fire Safety Badge.

If any girls between the ages of 10 and 14 wish to join the Girl Guides of Canada, please contact either Mrs Martha Connelly at 647-2287 or Mrs Barbara Ross at 647-5647.

Otter Lake News

Mr and Mrs Basil Quaile and David attended the play, "The Ecstasy of Rita Joe" in Merivale High School Auditorium on Friday night, in which their daughter Jennifer played the role of the Old Indian Woman. The cast of eleven boys and nine girls were under the direction of Mr W.H.D. Watson and his assistant Mrs Karen Stobbe. The Play was presented on Thursday, Friday and Saturday nights, with a record attendance.

Miss Nancy Tubman, Mrs K M Tubman and Tommy of Shawville visited with Mr and Mrs B.G. Quaile and David on Saturday evening.

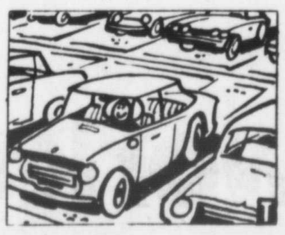
Mr and Mrs Harold Wilson of Campbell's Bay were Sunday guests of Mr and Mrs B.G. Quaile.

HUMIDIFIER MEANS COMFORT

To improve your family's at-home comfort this winter, it might be a good idea to add moisture to the air in your home with a central system humidifier.

Your family will feel more comfortable when you maintain humidity at the ideal range of 30 to 40 percent because this level reduces evaporation of body moisture and the accompanying loss of body heat. Annoying static electricity will be reduced. Furniture, woodwork, and musical instruments won't dry out and crack. Indoor plants will stay fresher and greener. Humidity control in the cold months is important too if you own expensive hi-fi or camera equipment or have a budding art collection.

Don't take up two parking spaces.



Bryson News

The Athletic Association for Consolidated Employees held their annual Oyster Party at Bryson Lions Hall on Nov. 15th where prizes were distributed for the fishing derby and also the rack contest for moose and deer.

Winners for the First fish derby were as follows: Speckled trout Renaud Rainville 3 lbs 7 oz. Grey Trout Marcel Gauthier 6 lbs 10 oz. Pickeral Pierre Maisonneuve 6 lbs 8 oz. Bass Bob Eiswald 2 lbs 1 oz. Pke Cletus Pieschke 24 lbs 9 oz.

Winners for the Moose rack-- first prize Roger Froment 58 inches. Second prize Henry Bérubée 54 inches.

Winners for the Deer rack. First prize Bob Burke 19½ inches . Second prize Gerald Pieschke 16-½ inches.

Director Pierre Maisonneuve for the Fish and Game appreciated those who participated in the contest.

Dennis Boucher organized the oyster party and Murray's Sports Shop gave good discounts on prizes.

Mr and Mrs Clarence Wall celebrated their 50th wedding anniversary on October 26th in the Bryson Lions Hall. They were entertained by their family Mr and Mrs Ed Shalla, Mr and Mrs Milton Wall, Mrs Margaret Wall, and Mr and Mrs Des McLaughlin at a very nicely arranged family dinner party where their eldest grandson Mr Carl Wall was Master of Ceremonies. Then at open house in the evening for friends and relatives . Mr and Mrs Wall were married 50 years ago at the Cameron family home in Murrell's section of Clarendon by the Rev Taylor and have lived in Bryson ever since where Mr Wall was employed by Gatineau Power Co , later Hydro Quebec.

Friends and relatives came from Winnipeg, Pine Falls, Lake Penage, Coppercliff, Sudbury, Detroit, London, Toronto, Westport, Smith Falls, Pembroke, Renfrew, Barry's Bay, Ottawa, Kirk's Ferry, Hull, Fort Coulonge, Beachburg and many from Shawville and Campbell's Bay.

Visiting Mrs Eva Maloney and Wayne over the weekend were Mr and Mrs Robert Young and son Bruce of Ottawa.

Mr John Romain, Vinton, visited Mr and Mrs Garry Romain and girls on Sunday.

Miss Cathy Mathers of Ottawa, Mr Keith Mathers of Sudbury spent the weekend with their parents Mr and Mrs Thomas Mathers.

Birthday wishes to Mrs Brian Stanton who celebrated her birthday on Sunday, December 1st.

Get well wishes to Mr Théodore Ladoucoeur who has returned home from Pontiac Community Hospital.

LITTLE BOYS OF THREE OR FOUR

Little boys of three or four,
Are very easy to adore;
They seem like, such grown men,
They'll never be this sweet again!
They smile at you these charming males,
Ask you questions, tell you tales.

They whisper shyly, "I love you",
And make your fondest dream come true.
They sometimes like to paly pretend;
And conjure up a little friend.
The things they do, the things they say,
Can chase a case of blues away.

It's pretty hard to ever scold,
A little three or four year old,
No matter what mischiefs he's done,
To him its such a lot of fun!

Kiss him, hug him, love him so!
He'll soon be all grown up- you know,
Oh! who could ever ask for more,
Than a little boy of three or four!

Tom Lefebvre reports from Ottawa

by Thomas H Lefebvfe, MP Pontiac

THE TURNER BUDGET

The Budget produced these changes for older Canadians:

Effective January 1 there will be an additional $1000 exemption on income from superannation or pensions funds, excluding OAS.

The exemption for persons 65 and over will be raised in 1975 to $1174.

Married couples 65 or older who earn interest or dividends, receive a private pension and $1441 each in OAS, have a potential maximum tax-free income of $8,258.

The list of deductible medical expenses is being broadened to include devices to assist breathing, monitor the heart, and other in-home equipment. Also deductible will be orthopaedic shoes.

TO STIMULATE RESIDENTIAL CONSTRUCTION

The budget supplements announced government measures in housing, including those of the May budget.

The Federal sales tax on building and construction materials is reduced immediately to 5 per cent from existing levels of 11 and 12 percent. Annual sales affected total $7 billion.

Taxpayers will be permitted to charge against income from other sources capital cost allowances on multiple-unit residential buildings for rent, started between budget day and December 31, 1975.

TO SUSTAIN CAPITAL INVESTMENT

The 12 percent federal sales on $1 billion of annual sales of transportation equipment, large trucks is removed immediately.

TO SUBSTANTIALLY REDUCE PERSONAL INCOME TAXES OF ALL CANADIANS:

The tax cut proposed by the May budget for 1974 is reintroduced and a further major cut is proposed for 1975.

For 1974, the 5 percent tax reduction introduced in 1973 is continued and the minimum cut is increased to $150 from $100.

For 1975- the basic reduction is increased to 8 per cent from 5 per cent; - the minimum cut is increased to $200; - the maximum cut is increased to $750.

A married wage earner with two children under 16 will pay no federal tax in 1975 unless his income exceeds $5871. If he earns $10,000 his take home pay will rise by $300 in 1975 as a result of all these reductions. This will show up in pay cheques as early as January.

OTHER MEASURES OF THE MAY 6 BUDGET:

A 10 percent surtax on corporate profits earned from May 1, 1974 to April 30,1975.

Introduction of a Registered Home Ownership Savings Plan permitting deductible contributions of $1000 a year to a lifetime maximum of $10,000; payment out of a plan is free of tax if applied toward the purchase of a home and to furnishings such as essential major appliances and furniture.

Other sales tax reductions for construction equipment, municipal water distribution equipment, municipal transit vehicles and equipment, bicycles, purchases by day-care centres and clinics, certain aids for the handicapped.

Enriched incentives for incorporated small business, increasing the annual limit on profits taxes at the 25 percent special rate to $100,000 from $50,000 and the cumulative limit to $500,000 from $400,000.

Taxpayer allowed to contribute to a spouse's Registered Retirement Savings Plan as well as his own, up to his contribution limit.

Phosphate Fertilizer in Short Supply

by H McClelland

Its seems just a short time ago that agricultural extension people were urging almost unlimited use of commercial fertilizer now however we must urge restraints. This week we received a letter from the Quebec Fertilizer Council with news we had feared for some time.

Because of strikes at St Lawrence Fertilizers at Valleyfield and CIL at Beloeil the supply of phosphates has virtually dryed up in Quebec.

A consequence of this is that certain basis fertilizers grades will not be available in 1975 for direct application to the soil. These are 18-46-0 uses extensively in corn production, as well as superphosphate 20% and super triple phosphate 46% .

Further to this the following formules will disappear from the market for this year. These are -0-15-30, -0-20-20-, 3-12-12-, 3-15-30, 5-20-10, and 5-20-20. The Quebec fertilizer council says that grades of fertilizer with reduced concentration of phosphates will be available such as 3-10-30, 5-10-15, 5-10-20, 5-10-25, 5-10-30, 10-10-10-.

How can a farmer adapt to this change? Here are a few tried and proven ways which are still good:

Lime to correct soil acidity all plant nutrients are most available between Ph 6.5 and 7.0.

Improve drainage - surface and under drainage to allow plant roots to penetrate deeper and find available nutrients.

Fertilize placement - banded treatment of phosphorus where applicable is always preferable to broadcast.

Make good use of manure. Treat it as the precious commodity it is not just a nuisance to be piled behind the barn and spread once a year.

Weed control weeds use plant nutrients too. Make sure they don't hog the supply of available nutrients.

Zion Hospital Auxiliary

The regular monthly meeting of the Zion Hospital Auxiliary was held on Thursday, November 28, 1974 at the home of Mrs D Wheeler with Mary Lou Sly assisting.

The meeting opened by repeating The Lord's Prayer in unision. Minutes of the previous meeting were read. Beulah MacDougall moved adoption of minutes as read. Twenty members and two visitors were present.

Moved by Jean Knox that bill at Hardy Plants be paid.

Nine dish towels, two sheets turned in also a donation of jelly, jam, pickles, cookies, etc.

We discussed making a quilt in the new year.

A card was signed by all the ladies to be taken with a gift to one of the members in hospital for some time. Mrs Jean Grant and Mrs Edna Wilson volunteered to look after this.

Suggestion was made we go out for dinner as a group. All in favour.

December meeting being cancelled this was our Christmas meeting. We had exchange of gifts. Mary Lou Sly conducted a Christmas Quiz. We had two winners.

The January meeting will be held at the home of Mrs Edna Wilson with Mrs Mary Russell. We planned a Pot Luck Supper for this meeting.

Meeting adjourned after which the ladies served a delicious lunch.

Town League Hockey

by Sandy Burke

In the Town League this past Tuesday Pontiac House squeaked by Finnigans 3 to 2, and on Thursday the high flying Pontiac Electric squad were hard pressed to defeat a game Elmside team by a 5 to 4 count.

On Sunday Finnigans picked up their first win of the season defeating Elmside 3 to 2 in a hard well played game by both sides. In the next game goalie Wayne Maheral pulled off the first shutout of the season, and the way this young man has been guarding the Pontiac Electric goal it was only a matter of time before he did it. As a result his team defeated Pontiac House 4 to 0.

League standings to Dec. 2 then are: Pontiac Electric 14 points. Pontiac House 10 points. Elmside 5 points. Finnigans 3 points.

Dairymen's banquet at the Chateau Laurier main ballroom was a truly magnificent event

The annual banquet of the West Quebec Milk Producers was a gala event at the Chateau Laurier Main Ball Room last Friday night in Ottawa. Hundreds of dairymen and their wives, as well as processors, merchants, consumers and friends were present at the formal affair which was organized by the secretary, Melvin Younge of Shawville. A very large number of Pontiac people were present including the County Warden, Orla Young, and Mrs Young.

The roast beef dinner was topped off by a dramatic dessert of baked alaska which was brought forth, flaming, from the kitchen by uniformed waiters who paraded through the darkened hall to the music of the dance band playing Colonel Bogey's March.

Ken McKinnon, vice president of the Ontario Milk Marketing Board, was the guest speaker. Also noted at the head table was Jules Thibodeau, Vice President of the Canadian Dairy Commission and Marcel Mailloux, president Fluid Milk Federation of Quebec.

He was optimistic about the dairy industry and suggested that by joining local service clubs and other organizations, dairymen could use these groups to advance the cause of their profession. Good public relations, he stated, were very important to the industry.

The dance which followed the banquet was greatly enjoyed until the small hours of the morning after which tired but happy Pontiac people made their ways back up the winding road to home.

Ottawa and District Hockey Association

An exhibition game will be held in the Brockville Community Centre Arena between the CJHL All Stars and the Finnish National All Star Team on Sunday, Dec. 22, 1974 at 1:30 pm. The Pre-Game ceremonies will start 15 minutes earlier. The Coach of CJHL All-Stars will be Tony MacDonald of Brockville Warriors. This will be the first team of International Competition for the CJHL. The Finnish National Junior All-Star team finished in second place behind the Russian Junior All Star team in the European Tournament last year and is on its way to this year's CCM Junior Hockey Tournament being held in Winnipeg and Area Dec. 26 - Jan. 5.

Midgets "A" Finalists in Wrigley Tournament Play

Competition in the midget division of the UOVMHA to determine a Zone 5 representative for the Wrigley midget tournament in Oshawa was decided on Sunday, December 1st in Eganville.

The Shawville Team, very capably coached by Ken Collins gave an excellent account of themselves but were beaten out in sudden-death overtime by Renfrew after making a very dramatic comeback with one and a half minutes remaining in the game.

Trailing 4-2 our team scored a goal, then removed the goaltender in favour of an extra forward with one minute left to play and tied the game with six seconds to go.

The Shawville team beat out Deep River 2-1 in the morning and Pembroke 5-3 in the afternoon to reach the final.

Considering the fact that the "A" team is made up almost entirely of new players this year and their relatively short time playing together as a team, coupled with an excellent coach, seems to point to a very successful season for the Midget Team.

THE HISTORY OF CHRISTMAS CUSTOMS

Ever wonder, as you hang festive lights on the branches of that prize pine or spruce, who trimmed the first Christmas tree? Or when folks first "discovered" Santa Claus? Or who sang the first Christmas carol?

Some Christmas customs are surprisingly recent, while others date back beyond the earliest Christians. But the Yuletide we know — complete with gifts under a gaily lighted tree, friends calling to admire the sparkling decorations, family reunions — has existed for only the past 200 years.

To our ancestors of several centuries ago, Christmas was a time of solemn rejoicing and deep religious dedication, with little of the modern gaiety. The New England Puritans actually forbade joyous Yuletide demonstrations!

New Englanders and other Americans eventually followed the lead of New York's Dutch settlers and succumbed to the charm of "San Nicolaas" — better known as Saint Nick or Santa Claus. But the jolly gent had a flourishing career long before he reached our shores.

More than 1600 years ago there was a St. Nicholas — a Turkish bishop whose countless works of charity made him a legend in his lifetime. Martyred in 342 A.D., he became the patron saint of children and of three nations: Greece, Holland and Belgium.

As for the Christmas tree, it's still the center of attraction in many homes — a place of honor rooted in history. Thousands of years before the first Christmas, the evergreen was revered as a symbol of long life and immortality. German tribes brought fir trees into their homes to please the god-like spirits they thought inhabited the trees. When these pagans converted to Christianity, they transferred their feeling for the evergreen to the new religion.

So this holiday season as you make your home ready with a decorated tree, glittery ornaments and shining lights, you can feel a kinship with people through the ages who kept the glorious traditions of Christmas aglow.

Radio Bingo

The Renfrew Shawville Combines Senior Hockey team is starting a Radio Bingo.

Three numbers will be called every day on CKOB (Dial 1400) which is the Renfrew Radio Station.

These numbers will be called between 9:00 and 10:00 am, 1:00 and 2:00 pm, 4:00 and 5:00 pm. There will also be a recap at 7:00 pm.

There is a blackout prize of $200.00 and all numbers will be called before December 25th.

Bingo cards are available at Pat's Fashions, Bob's Restaurant, Murray's Sport Shop and at Fraser's Clothes Shop.

For further information call Mrs Bill Murray at 647-2906 or Jerry Barber at 647-2760.

All Bingo numbers called daily will be listed in THE EQUITYevery week starting Dec. 11.

Winners phone 1-613-432-6888.

TREE FOR TWO

Safety-first advice for tree trimmers this season. Step up to the taller branches on a "Two Step" folding stepstool such as this one from Cosco, instead of a rickety chair. The tree will look just as pretty — and there'll be no sprained ankles to mar your holiday fun.

Holiday Fashion Tips

EASY ELEGANCE, ECONOMICALLY

With the holiday season approaching and a heavy social schedule on your calendar, you should be planning your fashions for all those parties coming up.

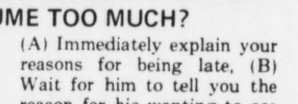
This year, the best party clothes are in the sportswear department. Even high-priced clothes are designed around a separates idea. Today's mix-and-match outfits are soft, but with a verve and freshness that fits right in with the party spirit. They are comfortable to wear, even when you're balancing a buffet plate on your knees, and the best part of this new attitude is that you can use some of your old favorites to create a new look.

On "Women Today" a radio series sponsored by Hanes Hosiery, hostess Lee Meriwether suggests a fashion game any woman can play: take an imaginary outfit, such as a creamy satin blouse and a long black satin skirt, through several types of parties.

If you have four kinds of festivities to attend, an office party, a family dinner for 20, an egg-nog buffet and a formal dance, you can wear it to every one with only a few changes.

For the conservative occasion, button the blouse up to the neck, wrap a piece of fancy ribbon around your waist and anchor it with a glittery pin. Wear black pumps and Barely Black sheer hosiery to be pretty and business-like!

For the slightly more formal but relaxed party, wear the blouse open on top and out over the skirt. If you want a belt, wear it loosely around your hips. Add a necklace or



two, one short and one long, some bracelets or earrings, black shoes and pale hose.

For the informal buffet, put a brightly colored scarf around your neck or waist, and match your shoes and stockings to it. You might even wear your sprightly summer sandals.

For the most formal dance, adapt the first look by opening the blouse, wearing your best jewelry and adding a fringed satin shawl, tied over one shoulder to keep it out of your way. Or, wear a satin or velvet blazer. Try pale strippling sandals and nude Ultra sheer sandalfoot pantyhose with this look.

With the imaginative use of color and a variety of accessories, your holiday wardrobe can look fresh and new. A limited budget doesn't mean you have to limit your fashion fun.

Personality Quiz

DO YOU ASSUME TOO MUCH?

Granted too many of us take too much for granted. To be sure, we make lots of assumptions without really being sure. Yet there are a certain number of things we can do before proceeding with unwise certainty. Take this test to find out whether you rate positively:

1. If your son is sad because he made an error in a Little League baseball game, you should (A) Join him in his remorse, (B) Talk to the team manager and ask him not to reprimand the boy, or (C) Remind your son of the good plays he made to help his team?

2. Suppose you're a young man attending a dance and you notice that a certain girl seems to be a "wallflower." To be polite, you should (A) Ask her to dance immediately, (B) Talk to her to find out whether or not she seems to be in the mood to dance, or (C) Introduce her to several of your male friends?

3. When a friend of yours passes away and his family suggests that, in lieu of flowers, donations be made to a particular charity, it's best to (A) Only contribute to the charity, (B) Contribute to the charity and send flowers, or (C) Contribute to the charity and send a sympathy card?

4. If you've been unavoidably late to work for two consecutive days and your boss asks if he can have a few words with you, you should (A) Immediately explain your reasons for being late, (B) Wait for him to tell you the reason for his wanting to see you or (C) Tell him you think you know why he wants to see you and then explain?

5. If you're a young man walking along the street and you notice that a girl has dropped her handkerchief, it's best to (A) Pick up the handkerchief and hand it to her, (B) Pick up the handkerchief, hand it to her, and try to pick up the girl, or (C) Ignore the fallen handkerchief?

ANSWERS: 1. (C) Remind your son of his good plays. Don't assume that the manager will scold him. 2. (B) Find out whether or not she'd like to dance after talking to her. 3. (B) Contribute to the charity *and* send the flowers. Flowers are always appropriate as an expression of sympathy. 4. (B) Wait for him to tell you the reason for his wanting to see you. He may not have even noticed that you were a few minutes late. 5. (A) Pick up the handkerchief and hand it to her.

Mr and Mrs John L. Stephens Photo by Emard

Sixtieth Wedding Anniversary

Mr and Mrs John L Stephens celebrated their sixtieth wedding anniversary on Monday, November 25, 1974.

They were married in Otter Lake November 25, 1914 by the Rev Charles Reid.

Mrs Stephens, the former Minnie Mahlitz, is the daughter of the late Mr and Mrs Edward Mahlitz of Ladysmith. Their attendants were Margaret Stephens and Otto Thrun.

Mr and Mrs Stephens had three children. Two boys, Sidney who died in 1938 and Harold who died in 1944 and one daughter Gladys (Mrs Frank Bullin). They have one grandson Stephen Bullin.

We all wish Mr and Mrs Stephens many more happy years.

Campbell's Bay News

by Iris Smith
Correspondent

Michael McVinters, son of Mr and Mrs Jack Clarke is home from hospital. We wish him the best for future good health after having rheumatic fever.

Manley Brown, his wife and children Marilyn, Wayne and Jimmy attended the Smith-Sparling wedding at Huntsville, Ontario last weekend.

Mrs Bernice Smith spent a few days at the home of Foster Smith's in Ottawa this past week.

Amy Knipe of Ottawa is spending a few days with her mother Mrs Ethel Knipe.

Mrs Lottie Jeffries one of the oldest citizens of Campbell's Bay and a resident of St Joseph's Manor passed away, Friday, November 29 at the age of 99 years.

The banquet held at the Lions Hall on Saturday, November 23 to honor town workers and volunteer firemen was put on by the council of the Municipal Corporation of the Village of Campbell's Bay instead of the Lions was was in last week's Equity.

Mrs Carl Ebert spent several days in Ottawa last week.

Joy Stephens had a birthday party at the home of her parents on Saturday, Nov. 30th. Happy birthday wishes go out to Joy.

Kim Telford of Ottawa spent the weekend with her grandparents Bert and Iris Smith.

Best wishes to Ian Belanger who celebrated his birthday, Nov. 30th.

Congratulations to Dale and Wendy Crawford who represented Crawford Bros at the Royal Winter Fair in Toronto with their Ayrshire cattle. Clarkholm Lucky Vi came first in a class of eighteen four year olds. In the same group Bonnie Elms Flashy Alice came third. Bonnie Elms Perfect Nestle came seventh out of twenty-nine entries in the yearling class. Bonnie Elms Star Heather came eighth out of 28 dry cow entries. This couple deserve much credit for participating in such an event. We wish them well in further showings.

Mrs Patricia Laderoute visited her sister Marie Weatherby in Ottawa for a week.

Mrs Mavis Dubeau spent the weekend in Ottawa visiting her husband Allan who is a patient at the Civic Hospital.

A combined birthday and farewell party was held for Yvonne Laderoute November 2nd. She is pictured here with her birthday cake that her grandmother made for this occasion. Yvonne was eight years old and had sixteen guests to wish her happy birthday and a safe arrival in Vancouver.

Mr and Mrs Bobby Ringrose of Ottawa visited relatives in town over the weekend.

Mrs Doreen Laderoute visited her friends and relatives in Sudbury last weekend.

Visiting at Earl Brown's on the weekend were Linda and Richard Charbonneau of Ottawa.

Mr and Mrs Kevin Shea and children of Ottawa visited Elmer Belanger's over the weekend.

The sympathy of the community goes out to Mrs Prentice and her son Billy with the sudden death of her husband Jerry.

Orvil and Gloria Telford spent Sunday with his parents Lionel Telfords.

Scotty Rawlings of Ottawa is spending a few days with Hillis and Vera Smith.

Five rows of "P"s

by Mrs Art Labelle, Correspondent.

GARDEN OF RESOLUTIONS

(Taken from Church Bulletin and applies to organizations)

In our garden, we have planted five rows of peas - Preparedness - Promptness - Perseverance - Politness - Prayer.

Then we put in five rows of lettuce. Let us be faithful - Let us be unselfish, Let us be loyal, Let us be truthful, Let us love one another.

Next to them, we planted three rows of squash -- Squash gossip, squash unreasonable criticism, squash indifference.

No garden is complete without turnips. Ours has four rows. Turn up for meetings. Turn up with a smile. Turn up with a new idea. Turn up with determination.

Radford Hospital Auxiliary

The Radford Hospital Auxiliary held their November meeting on November 27th at the hospital. Twelve members were present, two visitors and Mrs Marks visited us for a short time.

The president, Mrs Willetta Moffatt, opened the meeting by reading Psalm 111. This was followed with a prayer by Mrs Verda Hamilton.

The minutes of the last meeting were read and adopted on the motion of Mrs Dorothy Ranger.

The Treasurer, Mrs Dorothy Ranger, gave her report. Balance on hand $150.40, collection $6.40.

A $2 donation was received from Mrs Ira Hanna. $85. has now been paid by the members instead of having a food sale.

A vote of thanks from the president to mrs Dorothy Ranger who made cushions and shoe bags for sale earning $25 for the Auxiliary.

A thank you letter from Mr Russell was read by the president, Mrs Moffatt, for our donation of money to buy more sugar bags.

Mrs Marks was asked what was needed for the hospital. She made several suggestions. After discussion it was moved by Mrs Edgar Hodgins and seconded by Mrs Mae Corrigan that we donate $100 to the Hospital. Donation Fund.

It was moved by Mrs Mae Corrigan and seconded by Mrs Verda Hamilton that we gratefully accept the invitation from Mrs Jean Grant to go to her home for our Christmas meeting on Dec. 11th.

Arrangements were made for what food each member will bring. There is to be a programme and exchange of gifts.

Mrs J Havelin, an absent member, sent word she would like to donate jams and jellies to the hospital for Christmas.

Mrs Marks suggested that instead of us donating home made cookies for Christmas, that we do so for Valentine or Easter.

It was moved by Mrs Mary Eades and seconded by Mrs Jean Grant that we donate $25 to buy gifts for the patients in the Ade Home. $10 of this to buy fruit and $15 for shampoo and soap.

Mrs Edgar Hodgins offered to donate a case of tangerines to the Ade Home.

33 completed dish towels were brought in. At the meeting a large number of bags were ripped and made ready to be hemmed. Then these were taken home by the members to be hemmed.

Delicious refreshments were served by the hostess, Mrs Mary Eades.

"A day worth-while"

I count that day as wisely spent
In which I do some good
For some one who is far away
Or shares my neighbourhood.

A day devoted to the deed
That lends a helping hand
And demonstrates a willingness
To care and understand.

I long to be of usefulness
In little ways and large
Without a selfish motive
And without the slightest charge.

Because in my philosophy
There never is a doubt
That all of us here on earth
Must help each other out.
Anon.

Moto-Ski® Grand Sport*: you never had it so good.

Last year's Moto-Ski® Grand Sport* was one of the smoothest, fastest, toughest snowmobiles you could buy.
For 1975, it's the same, only more so. Because Moto-Ski improved it, refined it, and made it better than ever. Changes were made to it – some big, some small, but all designed to increase the pleasure you'll get out of riding this machine.
If you're looking for power, performance, and the smoothest ride on snow, see the Moto-Ski Grand Sport. It will change your mind about what a snowmobile can be.

North Onslow Council Minutes

A regular session of the munciipal council convened according to the Municipal Code on November 18, 1974 at 7 pm at the Municipal Hall.

Present were Mayor Sherwood Henderson and Crs Gerard Joanisse, Ronald Armitage and Wm O'Reilly, Mr Andrew Bennett and Mr Bernard Armitage having subscribed their oaths of office took their respective seats.

Motion by Crs Bernard Armitage and Andrew Bennett that the minutes of the October 9th meeting be adopted as read.

Motion by Crs Andrew Bennett and Gerard Joanisse that this council adopt the brief presented by the Industrial Committee of Pontiac requesting that the Federal and Provincial Governments be asked to extend the line of designation to include all of Pontiac County.

Motion by Crs Wm O'Reilly and Gerard Joanisse that the snow removal subsidy from the Dept of Transport be accepted in its present form but with the addition of 0.800 miles on the Cain Line.

Motion by Crs Gerard Joanisse and Bernard Armitage that the Sec. write to Dept of Roads requesting repairs to the bridge across La Peche Creek at Martineau's lot 27 R 12.

The following expenses were approved by council. Administration - $418.93. Ballots - $84.67. County Council -$578.99. Culverts - $587.05. Road Main.- $314.23.

Mayor Henderson hands in resignation

Motion by Crs Ronald Armitage and Wm O'Reilly that the Mayor ask the local electrician for an estimate for repairs to the wiring at the Council Hall.

Motion by Crs Wm O'Reilly and Andrew Bennett that this council apply to the County Council for the usual Centennial Grant.

Motion by Crs Bernard Armitage and Andrew Bennett that Cr Gerard Joanisse contact Mr Sloan and have the stones and earth etc that has been dumped on the Municipal property Lot 1, Range 12 levelled and covered.

Motion by Crs Wm O'Reilly and Bernard Armitage that the council sell the land which they own on Pt 1 range 12 to J Harrison.

Mayor Sherwood asked that a letter of congratulations and gift from the Council be sent to Gloria Armitage on her achievement in appreciation of the honor she has brought to the district.

Mayor Sherwood Henderson tendered his resignation effective December 31, 1974.

Motion by Crs Ronald Armitage and Wm O'Reilly that it be regretfully accepted and a replacement chosen to sit for the remainder of his term at the next session.

Motion by Crs Gerard Joanisse and Ronald Armitage that this session adjourn until the 2nd day of Dec. at 7 pm at the Municipal Hall.

Obituaries

Mrs Archie Robertson

Suddenly in hospital, Ottawa, Ontario, on Sunday, November 24, 1974, Lenore Averyl Robertson died at the age of 44 years.

Born in Shawville, September 19, 1930, she was the daughter of Verna Wilson and the late Selisley Howard.

She is survived by her husband Archie Robertson and one daughter Joanne.

Also surviving are her mother, Mrs Verna Howard, a brother Harold and a sister Eleanor (Mrs Garnet Little) of Shawville.

The funeral was held Wednesday, November 27th from W J Hayes & Sons Funeral Home where service was conducted in the chapel by Rev. A.J. Macintosh.

Interment was in Maple Grove Cemetery. The pallbearers were Brent Howard, Steve Little, Jim Carmichael, John Henderson, Robt Woods and Roy Gilchrist.

Edmund James Dagg

Edmund James Dagg passed away suddenly on Thursday, October 31, 1974 in Vancouver, B.C. in his 50th year.

He was born in Clarendon on January 4, 1925 and was the son of Mr and Mrs John E Dagg of Beachburg, Ontario.

Besides his parents, he is survived by his wife the former Margeurite Cooke and children Buddy, May, Kenneth, Billie and Noreen; a sister Eleanor (Mrs James Stevens); a brother Marshall Dagg of Cobden, Ontario and several nieces and nephews.

The funeral was held from W J Hayes Funeral Home to Bethel Pentecostal Tabernacle on Wednesday, November 6th, 1974 with Rev Ron Ellis of Shawville and Rev Vic Jones of Beachburg, Ontario, conducting the service.

Interment was in the Austin United Cemetery. The pallbearers were Art Carson, Neil Sly, Elburn Dagg, Lawrence Dagg, Rae Dagg and Emerson Park.

Country Gospel

by Rev R E Masters of Bristol Ridge Pentecostal Assembly.

Text: John 14:6 Psalm 1

USELESS KINDS OF RELIGION

Friend, did you know that you can lose your own soul by living and then dying without any religion at all. In other words, you may live and die prayerless, godless, graceless and faithless. Or you may loose your soul by taking up some useless kind of religion, and contenting yourself with a false type of Christianity, thus resting on a baseless hope.

I do not care what methods you may think will save your soul. It is what the Bible says that matters. Christ declared "I am the way, the truth, and the life: no man cometh unto the Father but by me." Any religion without Jesus Christ as the principal object and fulfilment of one's life is entirely useless. Too many people know little of the living Christ. Their religion consists of a few vague notions and empty expressions. They trust that they are no worse than others. They keep to their church. They try to do their duty. They do no one any harm. They hope that God will be mercifull to them. They trust that the Almighty will pardon their sins and take them to heaven when they die. And this is about the extent of their religion.

What experimental acquaintance have they with Christ? What do they know about a saving faith and of being born again of the Spirit. They simply do not know or they have not done anything about it. And this is the extent of the religion of hundreds and thousands of people who are called Christians all over the world. But I must warn you that such Christianity will not take you to heaven. A religion without Christ is completely useless.

Christ tellsyou, "Behold, I stand at the door and knock: if any man hear my voice, and open the door, I will come into him and will sup with him and he with me."

Research is continuing to improve artificial insemination for swine.

And now we also have AI for swine!

"Swine AI is becoming more acceptable as hog producers become more conscious of disease control and carcass quality," says Hans Grieger, head of Agriculture Canada's sheep and swine production.

Semen used for artificial insemination is taken only from Record of Perforance-tested boars.

"This makes artificial insemination valuable by spreading the effect of top-ranking performance-tested boars over the national herd, " Mr Grieger says.

To this end, an artificial insemination unit for swine was recently opened here. Federal Agriculture minister Eugene Whelan and Ontario's minister of agriculture, William Stewart attended the opening. Owned by the Ontario Swine AI Association, a swine-breeder organization, the project is also backed financially by the federal and provincial governments and the Ontario Pork Producers' Marketing Board. A second unit is in operation at La Pocatière, Que.

Agriculture Canada's Sire Loan Program provides top-performance boars for swine AI units. The new Woodstock unit has acquired 20 boars under the program and is aiming for 30.

"Most of the boars this unit needs for the next three years, including replacement boars, will be provided under the program," Mr Grieger says.

The demand for AI for swine is growing. Last year in Canada, 1,154 swine were artificially inseminated.

'Already, that number has more than doubled this year," Mr Grieger says.

Last year, the average litter for artificially inseminated gilts was 9.1 piglets and for sows, 10.2 . The average conception rate was 73 per cent.

However, in spite of encouraging results from AI, some hog producers are unable to use it since the only two centers are in Ontario and Quebec.

"Until the technique for freezing semen has been improved, it must be used fresh-- within 72 hours -- to ensure optimum fertility. It is difficult to transport semen within this time limit to some parts of Canada," Mr Grieger says.

When the technique has been improved, breeders now living further than the distance semen can be shipped within 72 hours will be able to take advantage of AI.

Expense is also a consideration.

"Many small producers find it less costly to breed swine naturally," Mr Grieger says. "The best detector of a sow in heat is a boar. If a producer has to keep a boar for this purpose, he might as well use it for breeding too. However, if the use of AI increased, costs for the service would go down and smaller producers would benefit."

Also, there are now no technicians in Canada for swine AI service as there are for cattle. The producers themselves have to inseminate the sows and one-day courses on the procedure are available to them. Mr Grieger says technicians may be provided when the demand is high enough.

In the meantime, researchers are continuing to look for an improved method of freezing boar semen. The AI center here is experimenting with frozen semen. Results of their tests will be published.

Current methods reduce the fertility of the sperm. When a successful technique has been found, Canada will be in a position to take advantage of an export market for boar semen.

"At present, Canada exports fresh boar semen to the University of Edinburgh in Scotland, and interest has been shown from the United States," Mr Grieger says.

Artificial Insemination

Cattle semen exports show dramatic rise in recent years

Canada exported $8.9 million worth of beef and dairy cattle semen in 1973.

Agriculture Canada's Livestock Division's 19th Annual Report on Artificial Insemination records that 1,466,762 vials of semen were shipped to 34 countries last year -- an increase of 14.8 per cent over semen exports in 1972. Half of this amount owas Simmental and Holstein-Friesian semen.

The United States was once again the largest customer--accounting for 78 per cent of all semen exported.

There were also good markets for Canadian semen in Switzerland (130,000 vials), Mexico (74,000 vials, Australia (36,000 vials) and Germany (31,000 vials).

Canada's cattle semen exports have risen by 93 per cent since 1970. This is due, in large part, to the strict animal health regulations within the country which make Canadian cattle and semen acceptable in most countries of the world.

In 1973, Canada exported more does of semen than the number of cows which were bred artificially in this country. There were 1,326,333 cattle bred artificially last year, an 8.2 per cent increase from 1972.

The 1973 report is the first to include the number of cattle inseminated by herd owners themselves as well as licensed inseminators. This inclusion has boosted the percentage of the national herd which is being bred artificially.

(There were 389,000 vials of semen purchased by individual herd owners in 1973, mostly in the western provinces. An estimate of the number of cows that could be served with this volume of semen was made using the figure 1.7 doses per cow --229,000.)

In 1973, there were 2.2 million dairy cattle in Canada of which 52.6 per cent were bred artificially, up from 47 per cent in 1972.

For beef cattle, 10.4 per cent of the four million cows were bred artificially in 1973.

The largest artificial breeding increase was in Quebec where the number of cattle bred by licensed AI units rose to 448,000 from 391,000.

In Ontario, 494,000 cattle were bred artificially in 1973 -- up from 470,000 in 1972. Alberta reported 111,000 artificially bred cows, up by 17,000.

Saskatchewan followed with 78,000 cows, up by 11,000; British Columbia, 76,000, up 2,000; Manitoba, 52,000, down 1,000; Nova Scotia, 28,000, up 1,500; Prince Edward Island, 20,000, about the same as 1972; New Brunswick, 19,000, up slightly from 1972; and Newfoundland, 632, up by 124.

This is the first year that the Livestock Division has been able to report on swine semen activity.

There were two artificial insemination units in the swine business in 1973-- Western Ontario Breeders Inc., at Woodstock, Ont., and Centre d'Insémination Artificielle pour Pores, at La Pocatière, Que. A total of 39 Duroc Jersey, Hampshire, Landrace and Yorkshire boars were kept in these two units, and 1,010 sows were bred with the semen collected.

SAFE DRIVING WEEK

FACTS

SAFE DRIVING WEEK concentrates on proven methods of traffic accident prevention within the framework of Defensive Driving — recognize the hazard, understand the defence and act in time.

SAFE DRIVING WEEK is an integral component o[illegible] all-embracing goal of the Canadian safety movement — safety for the whole person, on the highways, at home, at school, at work and at play.

SAFE DRIVING WEEK in itself will achieve no miracles in changing Canadian driving attitudes but with the co-operation of many companies, governments, associations and individuals will advance knowledge of the principles of safe driving among more and more motorists.

SAFE DRIVING WEEK encourages the participation of pedestrians who must do their part, too, if the high and unnecessary toll of lives and injuries is to be reduced.

In Memory

ELLIOTT - In loving memory of a beloved husband and father, Eckardt, who passed away Dec 10,1973.
Never a day but your name is spoken,
Never an hour but you're in our thoughts,
A link in our family chain is broken,
You have gone from our home, but not from our hearts.
Sadly missed and always remembered by wife, Marjorie Betty Lou and family.
2828BD4

ELLIOTT - In loving memory of a dear father and grandfather, Eckardt, who passed away Dec. 10,1973.
God took him home, it was His will,
But in our hearts we love him still,
His memory is as dear today
As in the hour he passed away
We often sit and think of him
When we are all alone,
For memory is the only friend
That grief can call its own.
Darwin, Marilyn,
Neil and Wendy
2828BD4

HAMMOND - In loving memory of a dear wife Inez Hammond who passed away Dec 5, 1961.
There is a link death cannot sever.
Love and remembrance last forever.
Husband Harold
5497XD4

HOBBS - In loving memory of a dear mother and grandmother Eileen Hobbs who passed away Dec. 7, 1973.
She lived for helping others,
As friends can all acclaim,
May we from her example,
Learn to do the same.
Not just today but everyday in silence we remember.
Forever missed,
Elgin, Adeline
Michael and Debbie.
2842BD4

HOWARD, Frances Jane -- On Monday, Nov. 4, 1974, in hospital, Shawville, Que., Frances Jane Wallace, widow of Samuel Howard, in her 97th year, dear mother of Wallace, Ottawa; Jason, Campbell's Bay; predeceased by Gerald; survived by 12 grandchildren and 24 great-grandchildren.
5579XD4

QUAST - In loving memory of a dear mother and grandmother Lylias Quast who passed away Dec 2, 1970.
Sunshine fades and shadows fall.
But sweet remembrance outlasts all.
Percy, Charlotte,
Marilyn and Brian.

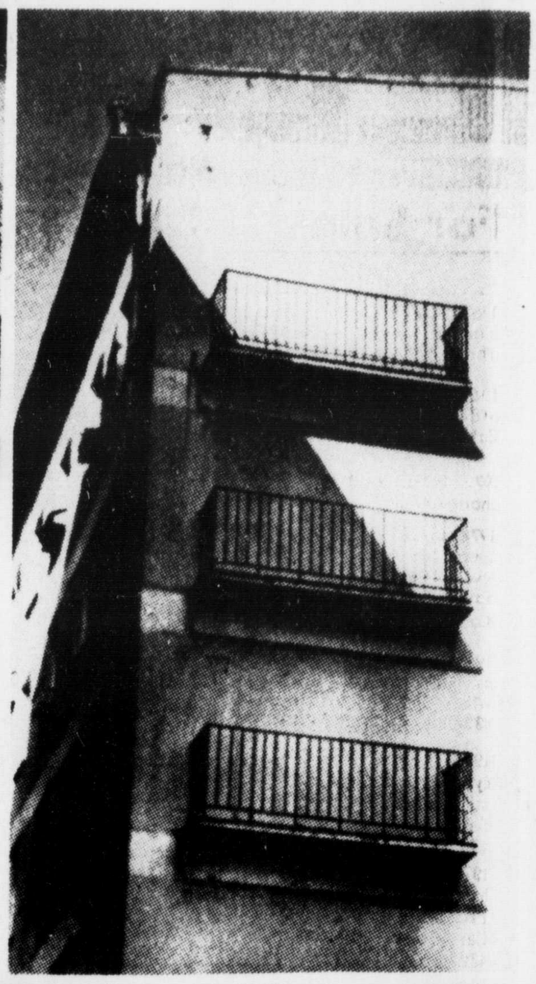
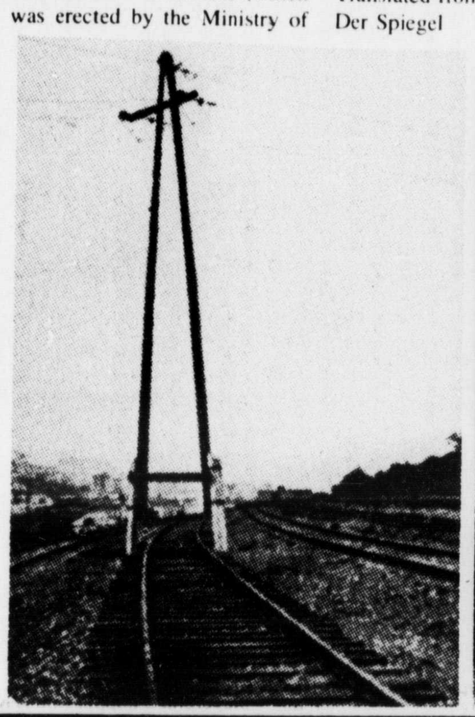
Family history is a fascinating hobby. For best results use a loose-leaf record system. Sets of these Forms for Beginners and Advanced are on display and for sale at Andy's Music Shop in Shawville. otc

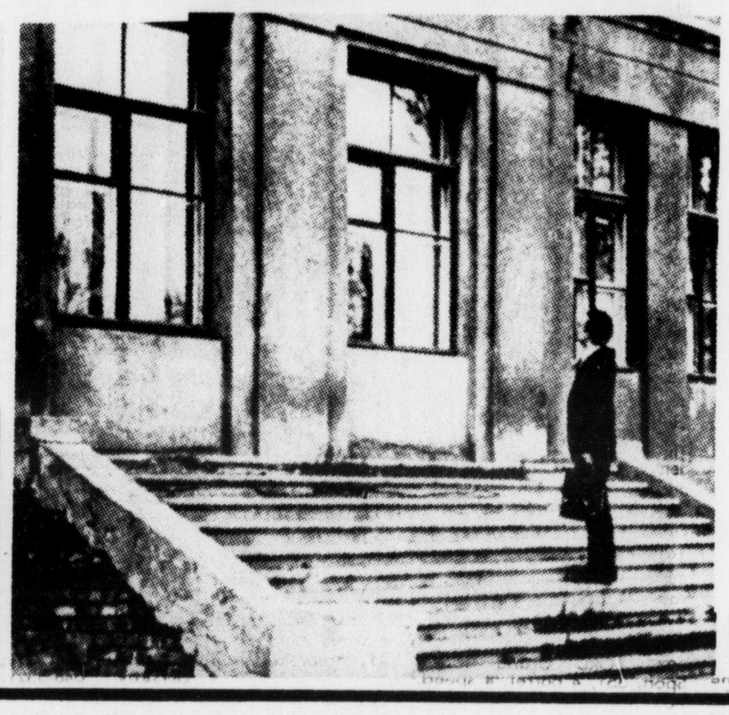
Planning Blunders



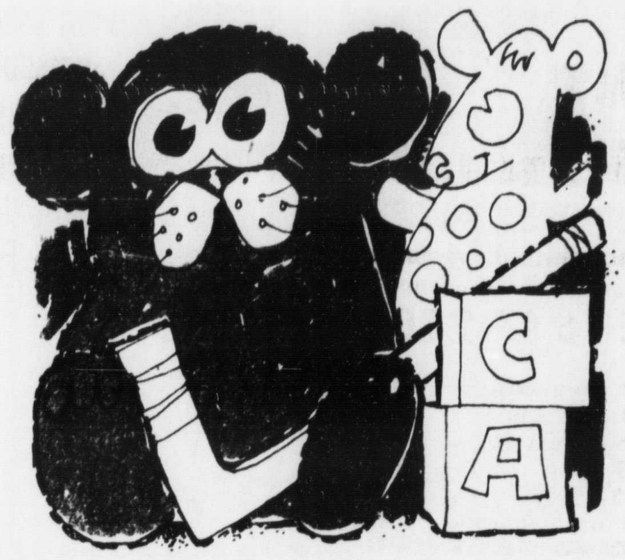
The 'Literaturepaper' of Moskow requested its readers to send in photos of everyday dwellings that caused them aggravation. However, the resulting response of such examples could not even be revealed in the humour section of the paper. Editor Wagritsch Bachschanjan, aged 36, took them along when he emigrated from the U.S.S.R. The pictures do not show any true construction faults as such but they exemplify a lack of communication between the different ministries. For example, the stairs (top left) leading to a Moskow warehouse (which was erected by the Ministry of Communal Industry), starts 1,20 Meters above the ground - until one out of the nine Building ministries delivers the sidewalk. The hydro pole (bottom left), erected by the Ministry of Energy, crosses over the rails not yet cleared away by the Ministry of Transportation. Pre-fab balconies (top right) were plastered onto a section of a building without doors but all according to the blueprints. In the bottom right photo you can see the walled up entrance of a foyer converted into an apartment.

Translated from:
Der Spiegel





TOYS



That jolly old man, who comes ho-ho-hoing down the chimney every December 25, isn't smiling this year.

Santa Claus is worried about the toys in his sack. He knows that already parents are beginning to save their hard-earned dollars for those special playthings which will add to the kiddies' Christmas.

But all too often, the toys that Santa brings are potentially harmful to children, rather than joyful. The situation can be rectified and Santa's worries diminished, however, if adults will take special care this year.

Although the federal government has regulations prohibiting the sale of toys which are in themselves dangerous, all toys can be hazardous if they are used improperly. Regulations can only ensure that toys meet certain design criteria to reduce the risk of accidental injury. The rest is up to the parents.

When purchasing a toy, remember that it will serve far more of a purpose to a child than simply to amuse. The child achieves and grows by play, and toys are his tools. The toy should suit the capabilities of the child for whom it is bought. A toy too advanced for a child will frustrate him, and one too simple will bore him.

A toy that is safe in the hands of a 12-year-old may not be safe in those of a three-year-old. Toys for older children should be kept away from younger children. Imagine what could happen if a five-year-old got into his 14-year-old brother's chemistry set! To over-estimate the ability of your child could be extremely hazardous, not only emotionally, but also physically.

Quality, rather than quantity, should be more important when choosing toys for a child. They should be able to stand up to abusive treatment for a reasonable length of time. Each one could be dropped, chewed, stepped on, or rolled in the mud. If it will shatter into pieces small enough for a child to swallow, if it can cut or poison or kill, don't buy it. Evaluate a toy for its durability and for its potential hazards, bearing in mind the abilities of the child for whom it is bought.

The variety of toys available in retail outlets can often be confusing. Comparison shopping is always a good idea. The price of a particular toy can vary from store to store, and there can be differences in quality between similar items at a given price.

Parental supervision of a child at play is the most essential ingredient to a safe and happy environment for a child. Any toy can be hazardous if it is used improperly, and it is the parents' responsibility to see that a child knows how to handle a toy.

The Canadian Toy Testing Council, an independent voluntary organization, was established in 1952 to acquaint the consumer with better quality toys on sale in Canada and to improve the production of those toys which proved to have unsatisfactory characteristics.

The Council has available two informative pamphlets: "Tips on Toy Buying" and "Little Gifts for Big Occasions". It has also compiled cumulative lists of all recommended toys still on the Canadian market, and categorized according to age range and type.

Copies of the pamphlets or the lists are available by sending a self-addressed stamped envelope to the Canadian Toy Testing Council, Box 6014, Station "J", Ottawa, Ontario, K2A 1T1.

With careful evaluation and selection of toys before purchasing, parents will soon put the smile back on Santa's face.

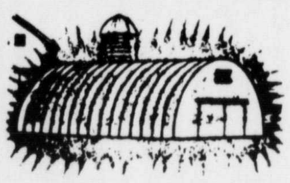
Rough, Rugged, Dependable, Versatile
8 inch OVERLAP AND DOUBLE BOLTING

LOW CONSTRUCTION COST

Spans up to 80' wide built on floating slabs, no footing or floor needed, helps keep construction costs down to 50%.

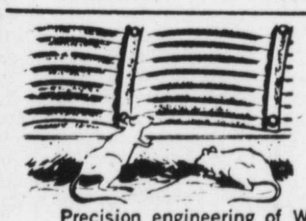


COMPACT APPEARANCE

Fits in with other farm or industrial structures — builds equity of farm — neat looking.

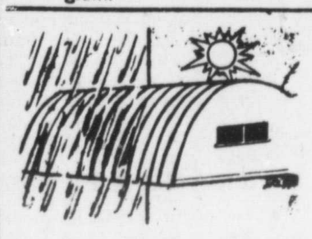
LOW COST INSURANCE

Lowest rates, no trusses, poles or beams to mealt or burn. Span is self supporting. Nothing to burn.



NO RODENTS

Precision engineering of Wonder Steel Bldgs. and Doors keep out rats, mice, rodents and animals. No trusses, poles, beams allow birds to roost, thus preventing contamination and spoilage of stored grain.



LITTLE MAINTENANCE

No warping, no drying, galvanized zinc coating prevents painting — no nails.

STEEL SALE
$1.42 SQUARE FOOT

BALANCE OF MATERIAL FROM THE MANUFACTURER
ECONOMIZE BY BUYING NOW.
THE ROOF AND SIDEWALL SYSTEM IN STEEL . . .
40ft. X 70ft. for only $3,994.

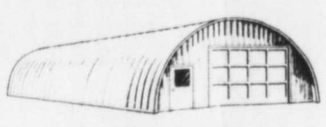
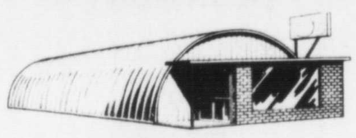
FARM



INDUSTRIAL



COMMERCIAL

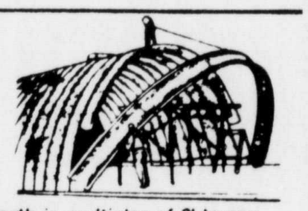
Other sizes available
from 25ft. to 70ft. wide — Unlimited lengths

Mr. M. Normandeau, Rep.
Mr. J. Schneider, Rep.

VERSATILITY

Can be used for storage and grain use at different seasons of year. Wonder Steel Bldgs. have no beams or poles, allows for easy and full usage of space.

EASY EXPANSION



Can be extended in length in multiples of 2' to any desired length. Easily bolted to any existing Wonder Steel Bldgs. structure.

LIGHTNING & HAIL PROOF

Cannot burn — conducts lightning into ground harmlessly. Hail is shed harmlessly off strong galvanized steel roof surface.

INSULATION

Spray on insulation — Thermo-Kote controls extreme heat or cold — for use - - cattle, dairy, pigs, poultry and industrial.
