GREATEST CABINET CRISIS SINCE 1926 CONFRONTING CANADA TODAY

Canadian People Keenly Awaiting Statement from Prime Minister on Situation Caused by Unexpected Resignation of Hon. H. H. Stevens—Hon. R. J. Manion, Minister of Railways and Canals, to Carry on as Minister of Trade and Commerce Pending Re-organization of Cabinet.

Canada today was confronted with its biggest political sensation since the cabinet crisis of 1926 in the resignation of Hon. H. H. Stevens as Minister of Trade and Commerce and chairman of the Royal Commission on Price Spreads and Mass Buying.

Mr. Stevens announced today he had tendered his resignation to Premier R. B. Bennett, but had had no reply. A flood of speculation at once arose over the consequences of this act.

Word that the position of Mr. Stevens was discussed at cabinet meetings yesterday and the day before came as a surprise. Difficulties had been freely predicted following the publication of the now famous Stevens' pamphlet on the disclosures in the price spreads investigation, but as the months passed by no action was taken and Mr. Stevens announced the inquiry would proceed next week. Some quarters took it for granted the storm had passed over.

A statement from the Prime Minister was eagerly awaited in political circles in the Capital, as all across Canada speculation arose as to the future of Mr. Stevens, who announced he would retain his seat in the House of Commons. He also declared he would continue as a Conservative.

The intense public interest aroused by the disclosures at the Stevens' the not unusual incident of a Minister resigning because of a cabinet disagreement with political dynamite. Wide publication of the famous pamphlet despite its official suppression had paved the way for bringing Mr. Stevens and his work before the public.

The question of who will succeed Mr. Stevens in the cabinet is one which must be settled shortly. His resignation deprives British Columbia of its representative, and if possible a man from that province will be chosen. Grote Stirling, member for Yale, is mentioned as a likely minister, but whether he would take over the Trade and Commerce Department is very doubtful.

In the interval it is expected Hon. R. J. Manion, Minister of Railways and Canals, will be acting Minister. Dr. Manion has been absent from his office owing to illness, but is returning to work on Monday.

In announcing his resignation Mr. Stevens complained bitterly about the disclosure of proceedings at cabinet meetings yesterday. He charged some unnamed members of the Government with talking to the press, but insisted he would still adhere to his oath of secrecy. While he claimed newspaper accounts of the cabinet meeting were distorted, he declined to reveal what took place.

He did, however, set out to refute some of the charges levelled against him. He had, he said, prejudged the inquiry by condemning certain firms and individuals. The inquiry was not into a charge against any firm or person, but an inquiry into a business system. The methods certain firms used in doing business were brought out and discussed, but they were not condemned.

Without attempting to place responsibility for the circulation of the Stevens pamphlet of last July, he insisted he intended it solely for the private use of members of the Conservative Study Club. He had refused a request from some members for copies for general circulation.

Until this week Mr. Stevens insisted he had not had a word or a line from the Prime Minister about the matter except a five-minute telephone conversation when he was in Winnipeg just after the pamphlet came out. At that time, he said, Mr. Bennett seemed satisfied with his explanation.

Declaring his position had become intolerable, the Minister said no good could be served by his remaining on the Commission when he did not have the full support of the Government.

The Stevens investigation was one of the issues in the recent bye-elections, when Mr. Stevens took the stump for the government. Mr. King said Mr. Stevens should have resigned his position and that Mr. Bennett should have insisted on this. He charged Mr. Stevens with making an improper use of the Cabinet Inquiry before it was completed.

STEVENS ANSWERS CRITICS OF ACTIVITIES AT PROBE

Ottawa, Oct. 27.—Hon. H. H. Stevens, who has resigned from the Bennett Government, in a further statement issued today deals with the now famous price spreads and mass buying pamphlet dated July 27th.

In the statement Mr. Stevens says: "Up to the present, Saturday morning, I have declined to make any statement about my position in the cabinet or to comment in any way upon what happened at the cabinet meeting of Thursday last. Some other member of Mr. Bennett's Government, however, has chosen to freely inform the public through the columns of the press of what occurred in that cabinet meeting giving, however, a much distorted view of the situation and in a way which does not fairly interpret my position.

"I still decline to discuss what happened on that occasion. I do, however, now feel that I am at liberty, in the light of the very wide public discussion of the matter and very general announcements that I have resigned, to state that on Friday midday, to be precise at a quarter to one, I departed for the Prime Minister my resignation. Up to the moment I have heard nothing from him and therefore will not discuss the letter accompanying the resignation."

SURPRISE ATTACK IN LOWER AUSTRIA BY HEIMWEHR FORCES

Vienna, Oct. 27.—Travellers arriving from Wiener Neustadt in lower Austria, said today Heimwehr forces stationed there in a surprise attack yesterday afternoon occupied police barracks and imprisoned police officials.

The federal army was called out and authorities succeeded in recapturing the barracks and freeing the officials. All Heimwehr troops participating in the raid were arrested.

Inquiries to the Wiener Neustadt Gendarmen headquarters failed to elicit details from officials, who referred all questions to the Austrian government's official news agency which, however, failed to report a raid.

London, Oct. 27.—After spending three weeks in England, W. L. Mackenzie King, Canadian Liberal leader, left London today for Paris. He intends to spend a short time in France and Italy before returning to Canada by way of the Mediterranean.

SECURITY OF MEIGHEN AND HENRY IN ABITIBI PURCHASE CONDEMNED

Royal Commission Report Declares Ex-Premier Henry and Former Hydro Commissioner Should Have Remained Aloof During Negotiations for Buying of Company Due to Personal Holdings—Claims Order-in-Council Guaranteeing Commission Against Loss Ineffective.

Toronto, Oct. 27.—Premier Mitchell F. Hepburn had before him today the report of the Royal Commission which conducted an exhaustive inquiry into the purchase of the Ontario Power Service Corporation assets by the Ontario Hydro Electric Power Commission and the Ontario Government of former Premier George S. Henry.

After submitting that Mr. Henry and Senator Arthur Meighen, resigned member of the Hydro Commission, should, because of their personal holding of O. P. S. C. bonds, have remained aloof from all steps leading to the acquisition of the Abitibi power development, the report declares that indemnity given by the government to the Hydro Commission against loss in the purchase was ineffective.

"The indemnity relied on is ineffectual because it creates a liability on the province, the canon is created by an order-in-council," says the report, submitted under the names of Mr. Chief Justice L. R. Latchford, of the Ontario Court of Appeal, and Mr. Justice Robert Smith, retired from the Supreme Court of Canada.

"Apart from certain prerogative matters, an order-in-council is not effective unless passed under an act expressly or by implication authorizing what the order-in-council prescribed," the report continues. Hence no order-in-council passed by the Governor General in council or by the Lieutenant-Governor in Council in this province has any legal effect unless authorized by some statute, or falls within the category of prerogative orders-in-council."

The Commissioners also charged that the \$18,000,000 paid by the province for the power company's assets through an exchange of bonds, of which \$20,000,000 par value company bonds were redeemed, was "based on consideration for the bondholders and not on value."

The part played by the then Premier in the negotiations is outlined in the report which says: "There was manifestly no ground for Mr. Henry's fear that financial interests might outbid him in the bond deal," and declares Mr. Henry "out of consideration for the bondholders" made an offer of seventy-one for the O. P. S. C. bonds "when their value, as estimated by market quotations, before any intimation had been given as to government intervention, was not higher than forty."

Of Mr. Meighen the Commissioners suggest the decision of the other two Hydro Commissioners probably would have favored the purchase of the Abitibi property, but held that it was improper for him to sit in at the Hydro meetings while the matter was being discussed in view of his personal holdings of \$3,000 and holdings of companies in which he was interested, placed as collateral in New York, amounting to more than \$170,000 par."

The purchase, however, "was negotiated by Mr. Henry personally on behalf of the government, while he himself was holder of \$25,000 of these bonds and the insurance company, the North American Life Assurance Company, of which he was a director, held \$200,000."

Suggestion is made in the report that Mr. Henry should have viewed his personal holdings in the light of the matter being discussed and says Hon. W. H. Price, then Attorney-General, who served as acting Premier, "could have been trusted with the negotiations and the decision" with the other ministers.

PRINCE URGES YOUTH TO JOIN PEACE CRUSADE

Youth of English-Speaking Democracies Can Play Vital Part in Promoting International Understanding, Declares Wales.

New York, Oct. 27.—The Prince of Wales urged the young generation of English-speaking democracies to work for international understanding, in a message read at a dinner of the English-speaking Union of the United States last night.

The Prince sent the message as president of the English-speaking Union of the British Empire. He was the toastmaster at the dinner, John W. Davis, former United States Ambassador to Great Britain, the message said.

"The endeavour of the youth of the English-speaking democracies should be directed to promoting not only the mutual interests but also international understanding as the first step towards the economic recovery on which the maintenance of peace and understanding throughout the world will depend."

Sir Gerald Campbell, British Consul-General in New York, in addressing the dinner suggested youth is not "getting a square deal" from the generation now in control of world affairs.

"We must confess," he said, "that we have made more than an average mass of what was not such a bad world at the time it was confided to our care."

LEGAL ASPECT OF MIXED MARRIAGES IS DISCUSSED

Toronto, Oct. 27.—Delegates to the Baptist convention of Ontario and Quebec today found the subject of mixed marriages holding a prominent place in the thoughts of officials as they departed for their homes. The report of the Grande Ligne mission, presented at the closing sessions yesterday, precipitated discussion on dissolution of mixed marriages by the court of Quebec.

Dissolution of such marriages on canonical grounds was found by the report to present "a disturbing element in the life of the community from the standpoint of Protestant ministers." The report foresaw far-reaching results if Rev. Victor Rahard, pastor of the French Anglican Church, Montreal, is convicted on the blasphemous libel charge against him.

Implications of a decision against Rev. Mr. Rahard, the report continued, "will be practically that religious discussions which criticize the teachings of the Roman Church are illegal in Quebec." Following the charge against the Montreal pastor, the report said, daily recitations were made to the mission for French Bibles "by Roman Catholics and others."

"untrammelled in their judgment," is recalled in the report.

It states, however, he "was Premier with the deciding voice in the negotiations and allowed his colleagues to suppose that he himself was exercising his untrammelled judgment. In fact, his judgment Continued on Page 2.

NAME BRITISH EXECUTIVE TO CENTRAL BANK

J. A. C. Osborne, Secretary of Bank of England, Named Deputy Governor of Bank of Canada—Provisional Directors Selected.

Ottawa, Oct. 27.—Two definite steps in the organizing of the Bank of Canada have now been taken with the appointment by the Government of a deputy governor and the announcement by the provisional board of directors of the date of the first general meeting of shareholders. J. A. C. Osborne, secretary of the Bank of England, will occupy the post of deputy governor. The shareholders of the bank will hold their first meeting on January 23.

Mr. Osborne, who is fifty-two years of age, has been with the "Old Lady of Threadneedle Street" for the past thirty years. In that period he has served in many capacities and comes to the Bank of Canada with a wide knowledge of international banking practice and organization. His term of appointment in this country is for five years, with the proviso that he may return to England within that time, if he can conveniently be spared.

Synchronizing with this announcement came another from Finance Minister E. N. Rhodes that a French-Canadian would shortly be named to fill the post of assistant deputy governor.

The decision to call the first general meeting of the shareholders of the Bank of Canada together on January 23 was made Thursday when the provisional directors, under the chairmanship of Dr. W. C. Clark, Deputy Minister of Finance, met. The provisional directors at present are all high officials of the Finance Department, who will serve without remuneration until the general meeting elects the seven required by statute.

Two of the seven must be drawn from the primary industries, two from commerce and manufacturing and the remainder from other vocations. Each shareholder will be furnished with a list of the other shareholders and nomination blanks, which must be returned by December 5.

CANADA SHOULD STOP DRAIN OF RAIL DEFICITS

Thomas Somerset, Irish Member of Parliament and Railway Executive, Advises Adoption of Beatty Suggestions.

Quebec, October 27.—Canadians should demand immediate Government action to stop the appalling drain on the public treasury through the huge annual deficits of the C.N.R., according to Thomas Somerset, M.P., a leading business man and railway director of Northern Ireland, who called yesterday afternoon for England in the Empress of Britain.

"Mr. Beatty's remarks in his reply to Mr. Fullerton's statements at Saint John and Halifax form a convincing summary of the cost of the present situation in Canada, I should say that it was now up to your Government to do something about it," Mr. Somerset commented.

"The eyes of the railroadmen all over the world will be focussed on Northern Ireland in the near future, when announcements are expected of policy resulting from Sir Felix Pole's report on co-ordination of rail and road services freight traffic," Mr. Somerset, who is a director of the Northern Counties Committee, London Midland and Scottish Railway, said.

The report, he explained, recommends pooling of rail and road traffic earnings and the apportioning of them according to fixed quotas determined by their earnings in 1930, which is regarded as an average year. "Changes in rate and tariff structures may be necessitated by the move and many other details will have to be worked out, but the recommendation is generally regarded as one of the soundest solutions of traffic problems yet presented."

Canadians are now buying higher grade linen goods than formerly and this country is a good customer of Northern Ireland in this trade, in return Northern Ireland is purchasing larger supplies of Canadian linen, made possible by increased activity in the clothing trade. Northern Ireland has also been for years a steady purchaser of Canadian wheat, Mr. Somerset stated.

The Irish M.P. found during a visit in Canada of several weeks that there is generally a spirit of optimism in all communities and also noticeable improvement in business conditions.

LYNCHED NEGRO FOR ATTACK ON MARIANNA GIRL

Body, Shot and Mutilated with Knives, Brought into Court-house Square at Marianna, Fla., Today and Strung from Limb of Tree.

Marianna, Fla., Oct. 27.—A negro accused of killing a white woman met death at the hands of a mob during the night after a crowd of several thousand had gathered to see the lynching.

The body of the negro, Claude Neale, shot and mutilated with knives, was brought into the court-house square here early today and strung from the limb of a tree.

He was slain in a woods on the banks of the Chipola River and his body dragged several miles behind an automobile to the Greenwood home of George Cannidy, whose twenty-three-year-old daughter Lola was attacked and slain last week. There a dozen or more shots were pumped into the body and it was further mutilated by knives.

Neale had been taken from the jail at Brewton, Ala., early yesterday and held captive near here, while word was spread from "all white folks" to come and see the lynching. During the early part of the night several thousand people gathered at Greenwood.

The crowd was so large that its leaders decided not to kill the negro immediately. The mob then began to break up. While hundreds of persons lingered at the Cannidy home for the negro to be brought there, however, others slipped him into the woods and killed him.

Whether the negro was shot to death and mutilated afterward or whether he died in agony from his wounds could not be determined.

After the body was found in the Cannidy yard for some time, it was dragged into Marianna and hoisted in the square.

The sudden appearance of the body ended a night of suspense and excitement for this county seat of Jackson County and the little town of Greenwood where the farm girl was attacked and killed.

No offenders were identified in the crowd. Earlier J. P. Newell, executive secretary to Governor Dave Sholtz, had called Sheriff W. Continued on page two.

QUEER MENTAL QUIRK CAUSED MASS TRAGEDY

Quebec Man Killed Five Members of His Family to Prevent Them Suffering Indignity After Murder of Postal Inspector.

Quebec, Oct. 27.—Some inexplicable quirk in the brain of Oscar Bilodeau led him to kill members of his family so they would not suffer from any act of his led to one of the worst tragedies in Quebec's history, it was revealed today as details of the mass slaying of six persons here Thursday came to light.

The gas-tortured war veteran, who ran amok and blazed a trail of blood from St. Therese De Beauport to Quebec City, leaving six dead, five of them immediate relatives and the other J. Oscar Fiset, divisional postal superintendent, quizzing by police today before being turned over to alienists for mental examination. Meanwhile, two more of his victims, Postmaster J. G. L. Morin and Moise Jolicoeur, senior mail clerk, were reported progressing favorably from wounds.

The knowledge that his family would suffer indignity after he killed the postal superintendent because of a fancied wrong done him led to the five other killings, the man is reported to have told police.

Office Bilodeau, former mail carrier and prospector, suddenly fell on the floor, the three officials fell, one of them mortally wounded. Then, while frightened employees fled screaming, he slumped down into a chair and began mumbling into a telephone. It was this way that constable Patrick Herrigan, a rookie on the force, found him. The young constable, who has been cited for his bravery, jumped on the killer and rushed him off to headquarters.

There the story of the rest of the killings was bare. Bilodeau told police he had killed his two sisters, Marie Bilodeau, 63, and Rosalie Bilodeau, 62, and his niece, Yvette Gauvin, 21, in the woods near St. Therese. He led them to the bodies.

After his return he said he had also killed his two nephews, Gaston Gauvin, 20, and Fernand Gauvin, 18. Then began a search for the two bodies that lasted into the next day.

Ulm, revealed here last night that Ulm is in England at present testing an aeroplane for the unprecedented dash.

The take-off, Skilling said, would likely be from Vancouver or Montreal.

RESIGNATION CAUSES POLITICAL SENSATION

After two bitter cabinet meetings yesterday, at which his mass buying probe actions were discussed, Hon. H. H. Stevens, Minister of Trade and Commerce, announced his resignation from the cabinet today and also from the chairmanship of the Royal Commission.

IL DUCE PAYS LAST TRIBUTE TO COMPANIONS

Solemn Ceremonies Mark Interment in Cathedral of Victims of March on Rome Twelve Years Ago.

Florence, Italy, Oct. 27.—A stern-visaged Mussolini, his right hand rising and falling in impressive Roman salutes to the dead, today supervised final burial of thirty-seven Fascists in Florence province who fell obeying his commands during the Blackshirt revolution twelve years ago.

The fallen Blackshirts were brought here to rest forever in the Basilica of Santa Croce, the "Westminster Abbey of Italy."

Il Duce stood at rigid attention, his set jaw and smoldering eyes attesting to his emotion as Achille Starace, Secretary-General of the Party, led the sombre Blackshirt hierarchy ritual commemoration of fallen comrades.

The ritual consisted of calling the roll of the dead, one by one. At each name arms shot upward in brisk salute, and the assembly shouted "present!"

Outside the Basilica, volleys of musketry signalled the burial of the martyrs and a monotonous thud of artillery every few moments told an awed countryside of Fascism's reverence for its dead.

The funeral cortege itself was a cross section of Italy's present day great.

SIAMESE KING IGNORANT OF ABDICATION REPORTS

London, Oct. 27.—King Prajadibok, of Siam, apparently did not intend to comment on reports from Singapore that he intended to abdicate his throne.

The king at present is living quietly in a Surrey retreat and is having his eyes treated by London specialists. He has given no indication of his future plans nor has he made any official remark about abdication.

His secretary said the first he knew about the latest abdication rumor was through inquiries made of him. The Siamese legation knew nothing of the report.

CABINET DIFFERENCES RESULT IN RESIGNATION OF TRADE MINISTER

Lack of Whole-Hearted Support and Co-operation from Other Cabinet Ministers in Conducting of Mass Buying Probe Made Resignation from Cabinet and from Chairmanship of Probe Inevitable, Stated Hon. H. H. Stevens—Claims to Have Been Victim of Campaign in Innuendos.

Ottawa, October 27.—Hon. H. H. Stevens has resigned as Minister of Trade and Commerce from the Bennett administration and as chairman of the Price Spreads and Mass Buying Commission. His resignation was placed in the hands of Premier R. B. Bennett at 12:45 noon yesterday.

The famous pamphlet issued early in August by Mr. Stevens had been made the centre of innuendos against him, said Mr. Stevens today. The inquiry of which he was chairman was into a system of economics and methods of merchandising and not an inquiry into individual firms.

As his resignation had been discussed in the public press, both last evening and this morning, it was only in justice to himself he should make a statement, he said.

Shown the statements in the press this morning and last night, Mr. Stevens stated that in his opinion the public were not interested in nor would they be swayed by vague legal technicalities.

"I discharged my duties," he said, "which were most onerous and difficult, for a period of nine months, to the best of my ability, without in any way sparing myself, and I deny absolutely the alleged improprieties in my conduct.

"It must be born in mind that this was an inquiry into a system of economics and methods of merchandising and not an inquiry into individual firms, and names of persons were only mentioned where it was necessary to do so to disclose methods followed and practices indulged in.

"Furthermore, the now famous pamphlet has been made the centre of the innuendos against me. Let me say this: The only conversation that I have ever had with the Prime Minister on the subject of that pamphlet prior to Thursday last was in a brief five-minute conversation over the long distance phone when I was in Winnipeg and he was speaking from Ottawa. At the conclusion of that conversation I was left with the impression that he was satisfied with the explanation I had made. From that day, August 5th last, down to last Thursday I did not receive from him a single word on the subject.

"The task to which I was allotted could only be discharged if one had the whole-hearted support and co-operation of the Prime Minister and his colleagues. The criticisms without have been directed against me in the last few days from Government circles makes it abundantly clear that this no longer exists and my position became intolerable.

"As my resignation has been discussed in the public press, both last evening and this morning, it was only in justice to myself to say that yesterday noon, at a quarter to one, my resignation as Minister of Trade and Commerce and as chairman of the Price Spreads and Mass Buying Commission was sent by me to the Prime Minister, and up to the present I have heard no more of it except through the columns of the public press."

Mr. Stevens emerged from political retirement to become Minister of Trade and Commerce in the Bennett government in 1930. After serving as Conservative member for Vancouver Centre for nearly twenty years, he was defeated in the 1930 general elections by Hon. Ian Mackenzie but was taken into the cabinet following the Conservative victory and returned by acclamation in the cabinet by-election in the Ontario by-election.

He was first elected to Parliament in the reciprocity election of 1911. He was returned in 1917 and at each succeeding general election until 1930. Mr. Stevens was Minister of Trade and Commerce in the Meighen cabinet of 1921 and held the portfolio of Customs and Excise in the short lived Conservative administration of 1926.

The Toronto Mail and Empire made a prediction today regarding Mr. Stevens' political future. A report given credence, said the Toronto paper, that he intends to seek his political future with the Co-operative Common-Wealth Federation.

While Mr. Stevens was in the West, just following the publication of his pamphlet, he was reported to have conferred with J. S. Woodsworth, C.C.F. leader, said the Mail and Empire. "At that time Hon. T. A. Cramer, former Liberal cabinet minister, was also mentioned as a party to the conversations.

"Participation of the Minister of Trade and Commerce in a reorganized radical party is, accordingly, regarded by political observers here as a likely development of the immediate future."

Eight soldiers, including a lieutenant, and eight civilians, were shot to death by a band officially described as militant Catholics whom they were pursuing near Tanhuato, Michoacan.

The attackers were said to have lain in ambush and all of the pursuers fell fatally wounded. In the group was the municipal secretary of Tanhuato.

Letters purportedly written by Mgr. Leopoldo Ruiz y Flores, former Papal Legate in Mexico and now in exile in San Antonio, were printed today by the government newspaper El Nacional, in an attempt to refute declarations by Archbishop Diaz of Mexico, who denied the Catholics plotted against the government.

One of the letters, addressed to the "provincial fathers," urged members of the Jesuits to "aid us to defend the sacred rights of the church, which now, more than ever, are being persecuted in our country."

Another letter expressed disapproval of the proposed reform to make Socialist education compulsory.

PRICES AND DETAILS OF SHERBROOKE MARKET

Scarcity of eggs caused the price of that product to soar sharply on the Sherbrooke market yesterday afternoon. Strictly fresh eggs sold at forty to fifty cents a dozen as compared with thirty-five to forty-five cents a dozen a week ago.

Butter was steady, best creamery quality being offered at twenty-two to twenty-three cents a pound and best dairy at twenty to twenty-three cents a pound.

In the other divisions prices remained steady with last week's quotations. Trading was reported to be fairly active.

Following are the prices of flour and feed grain delivered f.o.b. Montreal, furnished by Hubert Ames, local grain broker:

Flour, first patent, \$2.65 for 98 pound bag. Flour, second patent, \$2.45 for 98 pound bag. Bran, \$2.75 per ton. Shorts, \$2.75 per ton. Middlings, \$2.75 per ton.

The prices of hay are: No. 2 Timothy, extra, \$15.00 per ton; No. 2 Timothy, \$14.00 per ton; No. 3 Timothy, \$12.50 per ton.

In the following price list of products on the Lansdowne Market the quotations in the provision market include those of farmers and butchers in that section:

THE DAIRY MARKET Butter, best creamery, lb. 22c to 23c. Butter, best dairy, lb. 20c to 22c. Eggs, per dozen, 40c to 45c.

CREW FORCED TO ABANDON SINKING VESSEL IN GALE Members of Storm-Battered Newfoundland Schooner Stina Reported Safe Aboard Freight-Coracero.

St. John's Nfld., Oct. 27.—Crew of the storm-battered Newfoundland schooner Stina were safe today aboard the Donaldson Line freighter Coracero nearing Liverpool after a wild Atlantic gale forced them to abandon their sinking craft.

A terse message sparked across the losing waters last night told the Stina's new owners—the vessel was purchased only two days ago—that she was believed to have foundered, carrying a valuable cargo of fish to the bottom.

A check-up showed that the Stina was loaded down with 51,000 quintals, consigned to Oporto. The Coracero had to wait for the three-sticker was running helplessly before the wind, her canvas torn to shreds and her beams opened by pounding the seas. The Stina is a Swedish built vessel registered at 216 tons.

FURTHER GAIN INDICATED IN TRADE OUTLOOK

Retail Trade During Past Week, While Still Somewhat Quiet, Has Been Stimulated, Especially in Clothing, Boots and Shoes and Kindred Lines, by Cooler Weather.

Montreal, Oct. 27.—The volume of business continued to move ahead during the past week. Bank clearings for twenty-eight leading cities for the week ended October 18th at \$372,129,061, showed an increase of \$36,088,923, or 10.7 per cent. over the clearings for the corresponding week of a year ago.

Montreal's increase of \$5,493,354, was 5.4 per cent. Carloadings totaled 51,560 for the week ended October 13th being an increase of 1,257 or 2.4 per cent. over the like week for 1931.

The combined gross revenue of the Canadian Pacific and the Canadian National Railways for the week ended October 14th totalled \$5,997,378 as against \$5,901,950 in the corresponding week of 1931, an increase of \$95,428 or 1.6 per cent.

Continued expansion in building construction is being reflected in the business of the steel companies, who report operations on a more active scale than a year ago. Export business also continues to expand, one well-known concern recently received an order for the rolling of 2,500 tons of rails, the second within a few weeks.

Conditions in the canning industry are said to be improving, with domestic and export markets both expanding. Due to the short crop and the fact that stocks on hand are light, a further advance in prices is looked for.

Heavy offerings during the week ended October 18 featured the livestock market. Prices were generally firm, calves being slightly easier, while other lines were steady to higher. Exports of cattle to the United Kingdom totalled 804 head.

The improved purchasing power of the farmer is resulting in better business for the farm implement houses. Continued activity in the mining field and prospects of a busy season in the bush has resulted in a demand for grocery and hardware during the past week, while still somewhat quiet, has been stimulated by the cooler weather, especially in clothing, boots and shoes and kindred lines.

GREATEST CABINET CRISIS SINCE 1926 CONFRONTING CANADA TODAY

Continued from Page One. Bennett did content myself with a mere statement that I tendered my resignation as a Minister of the Crown and as chairman of the Price Spreads and Mass Buying Commission.

It is represented in the columns of the press, obviously based upon authority of the Government, that the issue was precipitated by a criticism of my utterances in the now famous pamphlet. I shall briefly state once again the facts regarding that pamphlet. First: It was a report of a speech delivered privately to a study club consisting of some fifty or more Conservative members of Parliament. In speaking to them I spoke with absolute frankness but extemporaneously.

It is the regular practice of that club to take detailed notes of all speeches delivered before it, which are invariably mimeographed and distributed to the members of the club. This practice precisely was followed in the case of my speech. However, certain members did me the honor of requesting a large number of copies for general distribution. There was, however, submitted to me the usual course a copy of the notes of the speech and I made certain eliminations and minor corrections, understanding that the speech would be then mimeographed for distribution among the members of the club.

I am making no complaint and seeking to place responsibility on anyone else when I say I had no knowledge that it was to be distributed publicly. "The next thing I heard was on my arrival in Winnipeg on August 15th when I was called on the long distance telephone by the Prime Minister. This is no secret, by the way, because it was blazoned on the front pages of all the press of Canada. I shall not say at the moment precisely what that conversation was, but I will, however, say that at the end of five minutes, the Prime Minister seemed to be perfectly satisfied with the explanation I made, which was much along the lines I have above indicated.

"From that hour until Thursday afternoon last I did not hear a single word from the Prime Minister either verbally or in writing on the subject, nor did any member of the Government as far as I can recall discuss the subject with me. As to what happened on Thursday I am silent. I will, however, make a brief reply to certain statements that have been made in the public press purporting to emanate from the Government. "I—that I have prejudged the case in many of my public utterances in connection with the price spreads and mass buying committee and commission." I absolutely repudiate this statement. Those who are making it fail to make this important discrimination; that this investigation is into an economic system, namely, the merchandising system of this country. The order of reference is clear on that point and all the concerned in the practices, the trends and the methods of merchandising of goods in this country.

"No person or firm is brought before the committee charged with any offence, only for the purpose of giving information regarding the methods of their business or the conduct of their business or to explain the capital structure of their institution. "When I spoke in Toronto on January 15th I dealt in a broad, general way with the practices of department stores and mentioned no names. Immediately the T. Eaton Company and the Robert Simpson Company bitterly complained that I had not been fair in not making clear to whom I referred. Subsequently in a number of cases when I discussed the topic before prominent audiences of business men, I did name firms whose case I used to illustrate the point I was dealing with, and now they complain that this course is unfair.

"The next point complained of as far as I can see is that the firms that I mentioned have not had the opportunity to state their case. "The unfairness is that the Robert Simpson Company in particular and the T. Eaton Company had no opportunity to state their case before the committee of the Eaton Commons. This is absolutely false. I tendered the counsel to invite them to be heard before the committee rose, which he did verbally. I later, together with counsel for the committee, drafted a letter to one and a telegram to the other company, notifying them that by special invitation they were likely to close within a week or so and that they desired we would make full opportunity for them to state their case. In neither instance did either of these firms accept the invitation.

"A further statement made is that by special invitation firms and condemning the practice of my being followed by them. I have placed all business concerns in a bad light before the public. This again I absolutely deny. In nearly every speech I have made, certainly on many many occasions, I have paid high tribute to the businessmen of Canada. I have said that on the whole they are highly reputable, honest and desirous of playing the game fairly with their employees and with the public.

"I have never, however, that certain large institutions seem to be callously indifferent to the welfare and the fate of their employees or those employed in industries affected by their mass buying practices, and it has been on behalf of my class that I have sought by my public utterances to exert public support to any action which the Government might ultimately remedy to adopt to rectify, and remedy these things.

"To show the necessity of this I may say that I never addressed a meeting as far as I can recall on this subject that many people did not state to me that they were unaware of the conditions prevailing in certain industries in this country. "I am called in question because, as stated above, I have not been obliged to justify to certain large business concerns. I deny that any injustice has been done. If these

BENNETT IS STUDYING STEVENS' STATEMENT.

Ottawa, Oct. 27.—Shortly before noon, the meeting of cabinet adjourned. Premier Bennett immediately began a study of the statement of Hon. H. H. Stevens, issued just as the cabinet meeting began.

TWO FLIERS ARE WEATHER-BOUND AT PORT DARWIN

Cathcart Jones and Kenneth Waller, in Their Return Solo-Race to England, Forced to Remain at Northern Port Until Tomorrow.

Melbourne, Oct. 27.—Cathcart Jones and Kenneth Waller, after a speedy flight to Darwin in their return "solo race" to England, were weather-bound in the northern port tonight.

Storms over the dangerous Timor Sea made an immediate crossing too perilous. They expected to take advantage of the first lull, however, but decided to remain at Darwin until Sunday's dawn and the hope of better weather.

The fliers departed Darwin at 6:15 p.m. today, 2:15 a.m. E.S.T., to complete the second leg of their race flight to England.

They made the 1,384-mile flight from Darwin in six and three-quarters of an hour, averaging two hundred and fifty miles an hour in their attempt to cut the London to Melbourne time of C. W. A. Scott and T. Campbell Black, who covered the distance in seventy hours, fifty-nine minutes and fifty seconds.

Jones and Waller, who came in fourth in the derby, took off from Melbourne at dawn and flew the 787 miles to Darwin at an average rate of speed. After a forty-minute stop there, they took off for Darwin on the northern coast.

Squadron Leader Malcolm MacGregor, who had been selected to fly from Darwin at 8:28 p.m., 12:28 a.m. E.S.T., on his way to Melbourne. This is the English race on their trip toward England are passing the still-contending derbys, going in the opposite direction. Some twenty miles north of Darwin, MacGregor until he appeared at Cloncurry.

John H. Wright and John Polando left Karachi, India, continuing in the derby. Squadron Leader D. E. Stodart arrived at Koepang. C. J. Melrose arrived at Rambang.

ALL ABLE-BODIED PERSONS ORDERED TO COTTON FIELD

Must Stay from Dawn to Dark to Get Uzbek's Cotton Production Up to Required Mark.

Tashkent, Uzbek Republic, U.S.S.R., October 27.—Cotton picking, the Uzbek says, is woman's work, but Soviet officials anxious to keep Moscow's cottons mills humming, say even the Uzbek women are not working at it.

Therefore, the party's central executive committee in Uzbekistan yesterday ordered all able-bodied persons, men and women, to stay in the fields from dawn till dark to get the region's cotton production up to the mark.

A local newspaper, "Truth of the Orient," said the blame for the lessened output directly at the door of the party's direction, charging it failed properly to organize the work, and accuses many collective farm managers of drunkenness and indolence.

They live around the tea-houses, the newspaper asserted, in "criminal inactivity," saying the cotton is not "ripe" and that resolutions instead of leading workers to the fields.

Turkish-descended Uzbeks, their fertile lands watered by glacial streams, supplied Moscow's mills with 10 per cent. of their cotton in 1926-27.

Even greater had been the region's agricultural output before 1917, but the civil warfare of those years of revolt against the old imperial regime saw irrigation ditches neglected and the sown area greatly diminished.

The Uzbek majority of illiterate, found the new order of things hard to comprehend, but the season

"Aren't you going to eat your ice-cream, dear? — Polly, I don't know what ails Tommy — He isn't a bit like himself. He won't eat, and he's lost all his pep!"

"Alice, I wouldn't worry about Tommy. Jack was the same way a month ago, and I found all he needed was a laxative. Give him some Castoria."

"You're just the person I wanted to see, Polly! Tommy's been out playing all morning. I gave him some Castoria last night, and it's certainly wonderful!"

"Yes, it certainly is, Alice. Castoria is the ideal laxative for children. It's pleasant to take, too — because it tastes awfully good. You know, it hasn't any of the harsh drugs in it that are in some grown-up laxatives. Don't forget that it's just the thing for colic in little babies, too!"

BAND STAND TO BID ADIEU TO RACINE PARK

Aldermen Have Decided to Move Frail Structure from Its Present Location to Pelletier Park, in Rear of Belvidere Street Armory, Providing It Will Stand the Strain.

The oft-discussed band stand in Racine Park has again come into the limelight. But this time its fate seems certain.

Mayor Bradley's stalwart lieutenants have decided that no longer shall it grace the centre of the oldest South Ward park. In a short time it will be removed from its present foundation. No, it is not going to be demolished. Instead, if it holds together, it will be placed in Pelletier Park, which, by the way, happens to be located just in the rear of the Armory on Belvidere street.

The decision to move this kiosk was one of the few made by the City Fathers at a brief, special session of the City Council yesterday afternoon.

The removal of this band stand has frequently been mentioned in the past, but nothing was done to the citizens who live in the vicinity of Racine Park have been anxious to have it removed for some time. Others regarded it as an old friend. They felt that it was serving a good purpose and they liked to have it in their midst.

It was used chiefly for open air band concerts during the summer months, although it was so small that it was only by means of higher mathematics that all the musicians were able to find sufficient space on it for themselves, their music and their instruments.

Just what purpose it will serve in Pelletier Park remains to be seen. Ald. Armitage asked his conferees if it could be moved without it falling to pieces. Ald. Dubuc, who thinks he is well versed on all matters, said it would be a good idea to move it.

He thought its physical condition would withstand the bumps of the journey and that there would be something left to put up in some section of the Pelletier Park, which in the winter is used as a skating rink.

Ald. Armitage said he understood the Council had frequently been requested to construct a larger band stand—one that could accommodate more than three musicians and two drums. Again Ald. Dubuc had the answer. Such a stand would be erected, he said, just as soon as the money was available—possibly in the spring. This new bandstand, however, would be a gift to the North Ward, he added. It is understood this reference was to the Portland Square band stand.

After the bandstand has been removed, Racine Park will become a veritable dream garden, according to the present plans of the Parks Committee. Flowers and trees will be placed about the enclosure, while three hundred dollars will be spent on the construction of a new playground.

The firm of Daly and Morin, which recently purchased the Sherbrooke Carpet Mills, located in the old Pease-Jewelry building on Lennoxville Avenue, has applied to the city for the same terms which were accorded the former concern. The building, which is the property of the city, was leased to the Sherbrooke Carpet Mills for fifty dollars a month, for a period of five years, with an option to buy for \$8,000. The request has been accorded.

The Council adopted without discussion the recommendation of the Finance Committee that a grant of \$10,076.42, determined by the Quebec Government officials, in accordance with the terms of the 1934 Unemployment Relief Act, covering the cost of direct relief in Sherbrooke during the month of July, 1934, be accepted. One-third of this amount comes from the city coffers and a similar amount from the federal and provincial governments. The Department likewise accepted a grant of \$128,444 covering similar expenditures for the months of June and July on the same basis.

The tender of J. R. Royer, Limited, for \$185, was accepted for providing double windows for the Diamond water plant. Those submitting tenders apart from the Royer firm, were of which Ald. J. R. Royer is head, were J. A. Godere, \$275; K. B. Jencks, \$257; J. O. Chartier, \$246.51; Laurent Thibault, \$203; Joseph Greier, \$198, and C. A. Gingras at \$180.

Yesterday's session was another of those brief special sessions which some of the aldermen enjoy summoning. Mayor Bradley presided over the session and aldermen Ross and Fortier were the only absent ones.

TOURIST TRADE THIS YEAR WELL AHEAD OF 1933

Repeal of Prohibition in United States Did Not Affect Tourist Activities in Eastern Townships—Substantial Increase in Number of Tourists Throughout This Province.

A substantial increase was registered this year over 1933 in the number of tourists who visited the Province of Quebec for a lengthy period, according to the Provincial Tourist Council. This increase, it is pointed out, was recorded in spite of certain adverse conditions.

The repeal of prohibition in the United States and modification of Ontario's liquor laws resulted in a considerable decrease in the number of tourists in the Montreal and Hull regions. High quotations on the Canadian dollar proved another adverse factor in 1934. The previous year, Americans coming to Canada benefited to the extent of between one and fifteen per cent, but this year exactly the opposite prevailed, with the exchange rates favoring the Canadian dollar.

J. C. McConnell, secretary of the Eastern Townships Automobile Club, reports a considerable increase in the number of tourists entering this province via Sherbrooke. Repeal of prohibition in the United States did not affect tourist activities in the Eastern Townships, according to Mr. McConnell.

A total of 261,265 automobiles, carrying nearly one million passengers, entered this province from the United States and other provinces of the Dominion between January 1st and August 31st for a lengthy stay, statistics indicate. Of this number, 143,779 United States automobiles entered through the thirty-two Customs posts established along the Quebec-United States border, 55,820 United States automobiles entered this province by inter-provincial highways, and 61,666 automobiles from other provinces in the Dominion entered by inter-provincial highways.

A general increase in the number of United States machines entering Quebec by inter-provincial highway was recorded. In fact, increases were registered in almost all cases. On the Montreal-Toronto highway, U.S. tourist traffic increased twenty-five per cent, and on the Ottawa-Montreal highway twenty-four per cent.

Generally speaking, tourists expended their money reasonably, but not more liberally than in 1933. The necessity during the past year of adapting hotel rates to suit the purse of the tourist of medium means was thus accentuated.

AUTOMOBILE CLUBS TO AFFILIATE. A resolution favoring the affiliation of the Eastern Townships' Automobile Club with the Quebec Automobile Club was passed at a meeting held at the local tourist bureau last evening.

That it would be to the advantage of both clubs to amalgamate was pointed out at last night's session, which was attended by J. E. Berton, secretary of the Quebec Automobile Club and secretary of the Regional Tourist Bureau for the district of Quebec. Mr. Renaud outlined the advantages for the local association in co-operating with the Quebec Club, which has a large membership and renders a valuable service to its members in Quebec district.

It is probable that the final arrangements providing for the amalgamation of the two units will be made at a meeting in the near future.

ROTARY FAIR PROVING UNPARALLELED SUCCESS. The appeal to local citizens by the Sherbrooke Rotary Club to contribute to the assistance being given to crippled and underprivileged children in this district has certainly not gone unheeded.

Thousands of people crowded the 54th Armory on Belvidere street last night to attend the second night of the Rotary Fair, and an increasing number over the corresponding night of the Fair last year was again registered.

The sum of \$1,647.46 was taken in last evening, comparing with \$1,397.46 on the same night of the Fair last fall, an increase of \$250. The sum of the receipts of the event has been realized, an increase of \$15,611 over last year. The total revenue last year for the three nights was \$3,218.63.

In fact, everything was just fine and dandy, except the big 54th Armory last night, except the weather, which was somewhat unfavorable—and, incidentally, a red-headed policeman who made himself obnoxious, as he has done in the past, by assuming the role of a "Musterer" of the traffic outside the armory.

The raffle receipts of the Fair this year up to last night amounted to \$1,568, \$341.25 more than 1933's total of \$1,226.75.

The drawing for the \$10 last night and generous responses were forthcoming from Barnston and Dixville. Later East Hatley joined in the good work by sending some seventy-five bags to help the load. It has been an excellent illustration of community spirit, as well as an evidence of generous hearts. Roman Catholics and Jews have most heartily linked themselves with their brethren of every Protestant church represented in these districts in a really generous cause.

The shipment was made through the National Emergency Relief Commission of the United Church of Canada and free transportation was granted by the Canadian National Railways.

changed at \$195,136 as compared with \$195,673. There was an increase in accounts receivable to \$65,575 from \$13,877 and in inventories to \$23,953 from \$18,319. Cash is shown down at \$108,838 from \$146,384 and investments unchanged at \$19,550.

In submitting the report to shareholders, President D. H. McDougall said in part: "While the company's operations were very much restricted during the twelve months, there was sufficient improvement in business to reduce the operating loss from \$25,073 last year to \$2,327 this year."

"Unfilled orders at the end of the year appeared to indicate some improvement in business for the coming year."

NO NEW DEVELOPMENTS IN LINGWICK POST OFFICE THEFT The chase for the robbers who broke into the Lingwick post office early Monday morning, October 8th, has so far proved futile. Police, however, believe they are on the trail of the right man, who is said to be in Gaspé district at present.

Provincially, Police have been investigating the case, which does not come within the jurisdiction of the Sherbrooke municipal police.

The sum of \$47 in post office receipts and \$25 in cash was taken by the robbers. Malcolm McKay, postmaster and secretary of the Lingwick, operates a store in conjunction with the post office.

DEAN OF DISTRICT NOTARIES HONORED. Col. E. B. Worthington, dean of notaries of the District of St. Francis, was honored by the notaries on the occasion of the fiftieth anniversary of his admission to practice. At the monthly meeting of the District of St. Francis Association of Notaries at Richmond, Col. Worthington was presented with a gold pen and pencil set as a memento of the auspicious event.

The presentation was made by Ernest Sylvestre, president of the Association. Col. Worthington was also the recipient of congratulations and good wishes from the many notaries who attended the monthly gathering.

BRITAIN LITTLE WORRIED ABOUT EGYPTIAN PROTEST Complaint Made to Foreign Office Against British Newspaper Following Published Reports of Tension Between British Residence in Cairo and Egyptian Government.

London, Oct. 27.—A protest was lodged today with the Foreign Office by the Egyptian Charge d'Affaires against a British newspaper following published reports of tension between the British residency in Cairo and the Government of Egypt.

Reports from Cairo said tension existed between the residency and Premier Yehia Pasha Yehia was said to have accused the acting British High Commissioner in Egypt of attempting improper interference in the politics of that country.

The reply of the Foreign Office, it is understood, stressed the complete freedom of the press prevailed in Great Britain and reiterated the government's entire confidence in the Acting High Commissioner, Maurice Peterson.

POPPIES FOR SALE ON THE DAY OF REMEMBRANCE Poignant reminder of those spacious days of glory and of grieving, "Poppy Day" once more recurs to prompt citizens in the duties they have inherited from the present generation. To Canadian youth in this year of grace, the deep-red petals of the Poppy may not carry the same significance they bore to the youth of fifteen or twenty years ago. The symbolism of sacrifice with which the Poppy has become charged is something to which the present generation succeeds only through the wistful memories of the aging men who fought their Country's battles, who suffered privations, endured long agonies and finally triumphed in the Flanders fields carpeted with Poppies.

To wear this emblem on Poppy Day is to proclaim that amid all the jangling confusion through which this country is striving valiantly, the heart and mind are nevertheless attuned to a sense of homage due to the men of the peace inspired by the blood of the 600,000 Canadians who gave their lives for service between 1914 and 1918; of that number more than 60,000 found graves in France and Belgium. And it is over those graves that the Poppy blows in perennial bloom.

The numbered dead were not strangers. They were young Canadians, filled even as the youth of today, with the joy of living.

Social and Personal

Rev. Canon H. Reginald Bigg, "The Rectory," Montreal street, left this morning for Quebec, where he will be a guest for the week-end of the Dean of Quebec and Mrs. A. H. Crowfoot, at "The Deanery."

Miss Doris Stevens entertained informally at the tea hour yesterday afternoon at her home on Queen street in honor of Mrs. Archibald Campbell, of Brooks, Alta., who is visiting her sisters, the Misses Kate and Leslie Fales, High street.

Mrs. J. R. MacGregor, London street, entertained at a very enjoyable card party for the benefit of the Fourth Troop Boy Scouts' Mothers' Auxiliary. Bridge was played at four tables, the prizes being won by Mrs. Banks, Mrs. Edgecombe and Mrs. Duncan. The special guest was the Rev. Canon H. Reginald Bigg, who assisted the hostess in serving refreshments at the close of the game.

Mr. Kenneth Mills, who is leaving on October 31st for Macdonald College, was the guest of honor last evening at a delightful farewell party, given by Mr. and Mrs. Arthur Mills at their home in Rock Forest. The guests included personal friends and the members of the St. Francis Club of the Brompton Road. At the close of the enjoyable evening, which was pleasantly spent in playing cards and dancing, the hostess served delicious refreshments, assisted by her sons and a few friends.

So also, were the 170,000 men who in 1934 bear upon their bodies the marks of scars of war—the disabled ex-service men who suffered disablement on behalf of Canada. MARRIAGES THERRIEN—MURRAY A wedding, pretty in its quietness and simplicity, was solemnized in St. Patrick's Church at eight o'clock this morning when Mary Elena, elder daughter of Mr. W. B. Murray and the late Mrs. Murray, became the bride of Jean Romeo Therrien, only son of Mrs. C. E. Therrien and the late Sheriff Calixte Therrien. Rev. Father Napoleon Pepin, of St. Charles Seminary, a college mate of the groom, officiated and chanted the Nuptial Mass before an altar decorated with bronze chrysanthemums.

The bride, one of Sherbrooke's popular young ladies, was given in marriage by her father. She wore a Capri blue velvet gown with shoulder cape and Alencon lace collar. Her hat and shoes were of the same tone of velvet and she carried a bouquet, Miss Johanna Hill, rosette and lily-of-the-valley. The groom was supported by his brother-in-law, Mr. Napoleon A. DuFord.

During the ceremony, which was attended by only immediate relatives of both parties, Miss Beatrice Lawrence, rendered Gounod's Ave Maria and Miss Kathleen Shea sang. Because Mr. Romeo DuFord interpreted the Wedding Prayer by Morat and Mr. Gilbert DuFord played. Adoration by Borowski, as a violin solo, Mrs. Maurice Shea presided at the organ.

Following the ceremony a reception was held at the home of the bride's father, Terrill avenue. The bride's table was decorated with lily-of-the-valley and white tapers. Later Mr. and Mrs. Therrien left by motor for New York City. The Suite travelling in a blue wool corduroy dress with Harris tweed coat of the same shade and accessories to

Dr. H. D. Bayne, Portland avenue, is in Montreal today attending a meeting of the Montreal Medical Society at the Royal Victoria Hospital.

Messrs. Leon Darche, Council street, and John Godere, King street, west, left this morning for Montreal, where they will spend a few days.

Mr. and Mrs. R. N. Robins are spending the week-end in Danville the guests of Dr. and Mrs. Irwin J. Porter.

Miss Jean McKechnie, who spent the summer in London, is returning home to Canada aboard the S. S. Ansonia, which is expected to dock in Montreal, on Monday.

Friends of Mr. R. M. Demers, who is a patient in the Sherbrooke Hospital, will be pleased to hear that Mrs. Wilson, Quebec street, has returned towards recovery after his recent operation.

Rev. Edward Bull and his daughter, Carmen, who have been guests for a few days of Mr. and Mrs. Lennox Wilson, Quebec street, have returned to their home in Walden, N. Y.

Mrs. W. J. W. Smith and her infant son, George, who have been visiting relatives in Sherbrooke and Theford Mines, returned yesterday to their home in St. Lambert. They were accompanied by Mrs. G. R. Smith, of Theford Mines, who will be Mrs. Smith's guest for some time.

Mr. and Mrs. Colin Campbell and Mr. A. G. Campbell returned last night from Montreal, where they spent several days to be near Mrs. A. G. Campbell, who is a patient in the Ross Memorial, Royal Victoria Hospital. Mrs. Campbell's many friends will be pleased to hear that she is progressing favorably after her recent operation.

Mrs. S. J. Sutor and her daughter, Miss Dorothy Sutor, of Bradford, Mass., have been spending a few days with Mr. and Mrs. Preston Powers, Beckett road, Mr. Chester Powers, accompanied by Mrs. Sutor, Mrs. Powers and Miss Dorothy Sutor, motored to Montreal on Wednesday, where they were guests of Mr. and Mrs. Walter Smith. Mrs. Sutor expects to return to Sherbrooke tomorrow, leaving Miss Dorothy for a longer stay.

match. On their return Mr. and Mrs. Therrien will reside in Sherbrooke. The bride, prominent in many local social circles, was the recipient of many beautiful presents from her best of relatives and friends at the numerous showers and receptions tendered in her honor during the past few weeks.

LOWDEN—DAVIDSON. A quiet but pretty wedding is taking place at six o'clock this evening at the country residence of Mr. and Mrs. Robert G. Davidson, Siccawei Lodge, North Hatley, when their second daughter, Georgie Eleanor, will be married to Mr. George Stanley Lowden, son of the late Rev. Dr. and Mrs. John M. Lowden, formerly of Portland, Oregon. The officiating clergyman will be the Rev. Dr. G. Ellery Read, pastor of the Plymouth United Church, Sherbrooke.

The bride, who will be given in marriage by her father, will wear a Lanvin model of brown velvet very simple in lines, and will carry an arm bouquet of Johanna Hill roses. The only attendant will be a tiny bridesmaid, the cousin of the bride, Miss Florence Elizabeth McCrea, who will wear yellow velvet and carry Johanna Hill roses, a memento of the bride's bouquet.

The bride's mother, Mrs. Davidson will be gowned in black sheer and Alencon lace, wearing Jacqueminot roses. Candlelight from bronze tapers in all windows throughout the evening will be very effective in the living room, where the ceremony will take place.

Mr. Wright Gibson will play the wedding music and Mrs. Gibson will sing "All Joy Be Thine". Sanderson, during the signing of the register.

After the reception, Mr. and Mrs. Lowden will leave by motor for New York City, from where they will sail to Bermuda.

The bride will wear a traveling ensemble of bone tweed trimmed with beaver, a brown hat and blouse with brown accessories. The out-of-town guests will be Mr. and Mrs. John N. Eaton, aunt and uncle of Mr. Lowden, Dr. and Mrs. Oscar Raeder and son, Jack, of Boston, Mass.; Mr. and Mrs. Clark Macomber, Winchendon, Mass.; Mr. and Mrs. E. Douglas Hyndman, of Three Rivers; Mrs. Helen Palmer, of Victoria, B.C.; and Mr. and Mrs. William Mitchell and the Misses Margaret and Kathryn Reid of Montreal.

On their return, Mr. and Mrs. Lowden will be in residence at No. 6, Newport road, Cambridge, Mass.

AYER'S CLIFF W.C.T.U. HELD BUSY SESSION

County Officers Attended Gathering of Ayer's Cliff W.C.T.U.—Young Women's Association Met.

Ayer's Cliff, October 27.—The October meeting of the W.C.T.U. was held at the home of Mrs. H. I. McFadden on Wednesday afternoon with a splendid attendance of members and visitors. Mrs. Lyon, the president, expressed the pleasure of herself and the members, presiding Mrs. E. Ball, county president Mrs. William McKenna, Mrs. T. E. Rexford and Mrs. Cole of Magog, present.

Following the usual routine the educational campaign was discussed. Mrs. Lyon reporting that the W.C.T.U. were buying the leaflets for the local Sunday Schools and that Mrs. F. A. Johnston had gone to the Beulah United Sunday School and given a short talk regarding the campaign.

After a few words by the president, attention was served by the hostess, assisted by Mrs. Rider, Mrs. P. O. Rand and Miss Mildred Paul, with Mrs. C. H. Libby pouring tea.

YOUNG WOMEN'S ASSOCIATION MET

The Young Women's Association was very pleasantly entertained at the home of Mrs. C. O. Whitcomb, with Mrs. Glen Little as joint hostess. The meeting was opened in the usual way by repeating the Lord's Prayer in unison. This was followed by reading of the minutes of the previous session.

Final arrangements were made for the Christmas sale and it was moved that the sub-committee be given three dollars to purchase articles.

The corresponding secretary was instructed to write a letter of regret to the recording secretary, Mrs. Moore, Jr., who had been obliged to be absent from two meetings owing to illness.

In the absence of Mrs. G. R. Kendall, Miss Gladys Dustin reported the sum of \$3.80 realized from articles sold from the fish pond at the chicken-pie supper held recently. It was also reported that thirty-nine calendars had already been sold.

Mrs. Sidney Baldwin, Mrs. Glen Little and Miss Gladys Dustin were appointed to act on the nominating committee for selecting officers.

Dainty refreshments were served by the hostesses assisted by Miss L. Raymond, after which a pleasant social hour was enjoyed.

UNITED CHURCH YOUNG PEOPLE MET AT BEEBE

Fourth Convention of the Quebec-Sherbrooke Presbytery Young People's Union of the United Church of Canada Held at Beebe

Beebe, Oct. 27.—The fourth convention of the Quebec-Sherbrooke Presbytery Young People's Union of the United Church of Canada was held in Wesley United Church, Beebe. One hundred and three registered delegates, a number from Beebe and many others who came in for part of the sessions found it one of the most helpful conventions yet held. The delegates represented about twenty Young People's Societies of this Presbytery.

The Union was especially fortunate in having present a number of officers of the recently organized Montreal-Ottawa Young People's Conference, including Mr. W. H. Scrivens, president of Ottawa; Miss Gladys McEwen, Christian citizenship convener, of Maxville, Ont.; Miss Jean Burrows recreational convener, of Ottawa; Mr. George T. Jackson, B.S.A., Christian culture convener, of Britannia Heights, Ont. The other assistant officers who reside in this Presbytery, Miss Mina Pergau, Lennoxville, Christian fellowship convener, and S. N. Pergau, B.A., of Richmond, vice-president were also present.

The theme of the convention was the United Church Young People's motto "Look Up, Lift Up." Miss Elizabeth Downs and Royce Smith, secretary and treasurer of the Union, were in charge of registrations, while Miss Josephine Wells, of Beebe, saw that each delegate was billeted.

A sing-song and games led by Miss Burrows created a feeling of good fellowship, and helped everyone to become acquainted.

The convention was officially opened by Waymer Laberec, of Bulwer, president of the Union, and addresses of welcome were given by Rev. T. W. Tyson, pastor of the Convention Church, and by Miss J. Wells, representing Beebe Y.P.S.

Following a banquet served by the ladies of Beebe United Church and a sing-song led by Miss Burrows, Rev. E. C. Amaron, of Stantead College, gave an inspiring address on "Ideals."

Greeting from conference were given by W. H. Scrivens; from the ministers of the Presbytery by Rev. Mr. Mallieau, of Sutton; by letter from Rev. John MacKay, of Winchester, Ont., conference chairman of Christian education; and by telegram from David Jackson, president of Ottawa Presbytery Union.

Following sing-songs, led by Rev. V. C. Rose, of Waterville, and Miss Jean Burrows, the convention divided into groups where practical programmes were discussed: Christian fellowship department was led by Miss M. Pergau, union and conference convener; Christian citizenship department, by Miss Ola Dyer, union convener; Christian citizenship department by Waymer Laberec, president of union; Christian culture department by Miss E. Montgomery, union convener, and social and recreational by Rev. F. C. Rose.

After a business period, the evening session was closed by the Rev. T. W. Tyson.

The convention began its Sunday session with a worship service conducted by Waymer Laberec, after which the members divided into the following discussion groups: "Youth and the World," Rev. W. Tyson; "Youth and World Friendship," Waymer Laberec; "Youth and Peace," George Jackson; "Youth and the Liquor Question," Rev. E. C. Amaron; "Youth and Leisure Time," Miss Jean Burrows.

At the eleven o'clock worship service the speakers were Stanley Pergau, whose subject was "The United Church Young People's Movement," and W. H. Scrivens, who gave an address on "Carrying Conference Enthusiasm into Everyday Life." Mr. Roger McKergow, of Bishop's University, Lennoxville, was the special attraction.

The afternoon session opened with a devotional service on the convention theme, conducted by Cowansville Y.P.S., during which Donald Boyd sang, "My Task."

Rev. Mr. Carlton, of Dunham, presented the work of the M. and M. department of the church and asked for sympathetic support.

A talk, "Studies in the Hymnary," by Rev. D. T. I. Forsythe, at which many new hymns were learned, was much enjoyed. "Findings" were presented by the secretaries of the various morning discussion groups and the forum was led by Rev. Mr. Forsythe.

To close the afternoon session a very impressive Communion service was conducted by Rev. T. W. Tyson, assisted by Rev. Mr. Carlton and Mr. J. D. MacFadyen, of Stantead.

An evening worship was held in the Beebe United Church and was led by the president, Waymer Laberec, assisted by Rev. T. W. Tyson and Rev. D. T. I. Forsythe.

After the report of the resolutions committee by Mrs. G. Chamberlain of Richmond, the following officers for 1934-35 were installed by the field secretary: honorary president, Rev. H. A. Carson, Rock Island; past president, W. Laberec, B.A., Bulwer; president, Isobel Beach, Cowansville; vice-president, Lloyd French, Sawyerville; secretary and treasurer, Royce Smith, Cowansville; with Mary Dover, of Cowansville, as assessor.

The conveners of the various departments are: Christian fellowship, Mrs. Gordon Hall, Lennoxville; Christian missions, Ola Dyer, of Sutton; Christian citizenship, Donald Boyd, of Cowansville; Christian culture, Eileen Montgomery, of Richmond; social and recreational, Lawrence Pergau, of Lennoxville; leadership training, Rev. V. C. Rose, of Waterville.

In a very forceful address, "Forward with Jesus," Mr. Forsythe

urged all to be through with all forms of sham and dishonesty, and go forward with Christ.

While the congregation remained seated, the Convention members stood forming a living cross, and the convention closing was given.

The music at the evening service was led by Wesley Church Young People's Choir, who also sang two anthems.

CRONIN'S SALE IRKS CAPITAL BASEBALL FANS

Owner of Senators Confronted with Problem of Engineering Startling Deal to Placate Washington Fans for Sudden Sale of Popular Manager to Boston Red Sox.

Washington, Oct. 27.—Clark Griffith's problem today was to engineer some startling deal that would placate Capital baseball fans hereabouts for the sudden sale of the popular young manager and star shortstopper, Joe Cronin.

Cronin, sold to the Boston Red Sox yesterday for an amount estimated variously at between \$125,000 and \$250,000—was immensely popular with diamond followers here in his American League pennant-winning season two years ago. He held the fans during the last campaign, even with his injury-stricken seventh-place club.

Washington fans were wondering whether Griffith had let them down, apparently shattering hopes for a great club in 1935.

Not only did the Cronin trade remove from the Senators one of the best infielders in the business, but it also took away a battling young manager, with a bag of tricks and an inspirational leadership.

The local fans are certain that Lynnford Lary, obtained in the deal from the Red Sox, will not successfully fill Cronin's shoes, either at field or at bat. Although Griffith says he will also use Lary as a regular, many baseball experts here believe the shortstop will be sent elsewhere or tossed in on another trade.

The purchase of some star pitcher, such as "Schoolboy" Rowe, would aid the Senators immensely and might also win over Washington fans from thoughts of Cronin's going.

The signing of the glamorous Babe Ruth to manage the Nationals would be welcomed in many quarters.

Stanley "Bucky" Harris, on the loose now after the Cronin deal, is another Griffith may consider.

EIGHT ENTRIES SUBMITTED FOR AMATEUR PRIZE

All but Two Candidates Named by Four Branches of Canadian Amateur Union for Crowe Memorial Trophy Are Track Stars—Halifax Girl Is Maritime Contender.

Toronto, Oct. 27.—Still leaning toward the belief that the country's outstanding athlete each year must of necessity be a trackman, the Amateur Athletic Union of Canada will have little other material to choose from next month when it awards the Norton H. Crowe Memorial Trophy for 1934 achievement.

Four branches of the A.A.U. have named a total of eight athletes for consideration, and all but two of them are track stars. The others are Maxie Berger, Montreal flyweight boxer who went to the British Empire Games, and Patsy Johns, ace middle wing of Montreal's senior football team.

The Quebec branch named three altogether, Long Jim Worrall, national 440-yard hurdles champion being the third, and ignored Marcel Rainville, the tiny giant of the courts who won the Canadian, Ontario and Eastern Canadian singles tennis championships in just three weeks of competition.

The Central Ontario branch nominated Sudbury's great marathoner, Dave Komonen, and the southwest Ontario branch replied by putting up Harold Webster, forty-year-old Hamilton marathoner who won the British Empire Games classic and humbled Komonen in the Canadian trials.

Three tracksters from the Maritimes have been nominated and one of them is a girl, Eileen Meagher, Halifax sprinter, which will bring up a pretty point for the selection committee.

The other Maritime selections are Frankie Nicks, a member of Canada's Empire Games sprint team, and Roy Oliver, who went to London as a six-miler.

Of the six Empire Games performers named, just one was a winner in the White City Stadium of Wembley—the veteran Webster. Had all the branches considered the eligibility of women athletes, Saskatchewan would undoubtedly have put forward Phyllis Dewar, the greatest girl swimmer in the Empire, and British Columbia might have mentioned Caroline Deacon, the Vancouver redhead who won the Canadian women's singles tennis championship.

The Crowe trophy was first awarded in 1931 to Percy Williams, three years after the Vancouver sprinter had put across his double Olympic Games triumph. In 1932 Alex Wilson, Montreal middle distance star, was the A.A.U. choice, and last year the trophy went to Jimmy Ball, veteran Winnipeg quarter-miler.

Many observers believe it lies pretty well between the two great marathoners—Webster and Komonen—this year.

STANSTEAD WON OVER QUEBEC SCHOOL TWELVE

Playing in Drizzle of Rain, Stanstead College Gridiron Aggregation Registered Nine to One Victory Over Quebec Commissioners High School Yesterday Afternoon.

Stanstead, Oct. 27.—The Quebec Commissioners High School's annual rugby excursion to the Eastern Townships got away to a bad start yesterday afternoon when Errol Amaron's Stanstead College squad lacked a nine to one defeat on brother Campbell "Holy" Amaron's boys from the Ancient Capital. Playing in a light drizzle of rain which prevented both sides from branching into anything but line plunging and kicking, the Stanstead aggregation registered seven points in the final quarter to seal away the victory. Today the Quebecers are in Sherbrooke to play a return game with the Sherbrooke High School.

Superior punting by Don Gordon, Russ Langley and Bruce Vipond proved the principal factor in the home team's victory, while injuries to two of their backfield stars drowned whatever hopes Quebec had of opening their annual tour with a triumph. Haberer, an important cog in the visitors' backfield machine, was hounded by a jinx which finally sent him hors de combat.

After dislocating one shoulder Haberer returned only to have his other shoulder experience the same fate. Sample, another secondary defence man, sprained an ankle, and the withdrawal of these two men took the sting from the Quebec attack.

The visitors opened the scoring when L. Fleet kicked from the Stanstead thirty-yard marker to the deadline for the point which gave Quebec a lead until the second quarter. Gordon was responsible for a rouge and a deadline kick after the teams changed ends and Stanstead led by two to one when the half-time intermission arrived.

The third chapter was scoreless, but in the final fifteen minutes Stanstead took the bit into its teeth and rapidly forged ahead, aided by a peculiar play which resulted in their favor. Vipond had hoisted a field goal to increase his team's margin to four points when the almost unexplainable play occurred. Quebec was hard pressed on its own ten-yard stripe and an onside kick across the gridiron was attempted. The ball bounded crazily until it came to rest behind the Quebec goal line. The Quebec receiver was downed and Stanstead was awarded a rouge.

In the remaining minutes of the game Langley tried two drop kicks, both of which went for singles, while Vipond attempted a placement kick which was also converted into a rouge to give Stanstead a nine to one victory.

Owing to the unfavorable weather conditions very few attempts were made to employ the forward pass. The few forwards attempted were either grounded or intercepted, and both teams consequently resorted to the more conservative means of ground gaining. Quebec's strong line functioned effectively during the first half, but the visitors' punting was weak. Stanstead held its ground until the strategic moments of the fourth canto when they started the rally which assured them of victory.

F. Brown, of Stanstead, and Don O'Donnell, of Quebec, handled the game. Stanstead: Quebec Smith f. wing E. Miller half Semple Gordon half L. Fleet Vipond half Haberer Langley half Haberer Brown quarter Smith C. Smith snap McDunnough Whitehead inside D. Millor Bliss inside D. Thorn Channell middle Vance Wright middle G. Larsen Perkins outside Johnson Pops outside Blackmore S. Stanstead outside Middleton, Batchelor, Kneeland, MacLeod, Redheffer, Millet and Bushnell.

Toronto, Oct. 27.—Hooting into the home stretch of the six-day bicycle race here with the finish only sixteen hours away, the British Empire team of Torchy Peden, of Victoria, B.C., Syd. Cozens, of London, England and Polly Parrott, of Victoria, was leading seven other three-man teams at eight o'clock this morning.

Considerably down in the standing yesterday morning the British forged to the front during the day and night and by one o'clock this morning had jumped to the lead.

The riders set a gruelling pace last night, one jam lasting one hour and twenty-five minutes.

The standing at eight o'clock this morning was:

Table with 3 columns: Miles Laps, Pts., and names of riders.

VERDICT IN COURT CASE AWAITED TODAY.

Montreal, Oct. 27.—Yesterday was a busy day in local tenor amateur hockey. From ten o'clock in the morning until yesterday afternoon, the Senior Group and the Quebec Amateur Hockey Association sat in the Superior Court telling Mr. Justice Survever why Tony Lamer, of the ousted St. Francois Xavier Hockey Club, should not further hold up insurance of the Q.A.H.A.'s amateur cards the acceptance of Ottawa into the senior league, and other hockey business which Lamer is delaying by virtue of his injunction served severally on the local amateur hockey heads this week. Judgment in the case is expected today and the Q.A.H.A.'s lawyer, Walter Merrill, declared

Superior punting by Don Gordon, Russ Langley and Bruce Vipond proved the principal factor in the home team's victory, while injuries to two of their backfield stars drowned whatever hopes Quebec had of opening their annual tour with a triumph. Haberer, an important cog in the visitors' backfield machine, was hounded by a jinx which finally sent him hors de combat.

After dislocating one shoulder Haberer returned only to have his other shoulder experience the same fate. Sample, another secondary defence man, sprained an ankle, and the withdrawal of these two men took the sting from the Quebec attack.

The visitors opened the scoring when L. Fleet kicked from the Stanstead thirty-yard marker to the deadline for the point which gave Quebec a lead until the second quarter. Gordon was responsible for a rouge and a deadline kick after the teams changed ends and Stanstead led by two to one when the half-time intermission arrived.

The third chapter was scoreless, but in the final fifteen minutes Stanstead took the bit into its teeth and rapidly forged ahead, aided by a peculiar play which resulted in their favor. Vipond had hoisted a field goal to increase his team's margin to four points when the almost unexplainable play occurred. Quebec was hard pressed on its own ten-yard stripe and an onside kick across the gridiron was attempted. The ball bounded crazily until it came to rest behind the Quebec goal line. The Quebec receiver was downed and Stanstead was awarded a rouge.

In the remaining minutes of the game Langley tried two drop kicks, both of which went for singles, while Vipond attempted a placement kick which was also converted into a rouge to give Stanstead a nine to one victory.

Owing to the unfavorable weather conditions very few attempts were made to employ the forward pass. The few forwards attempted were either grounded or intercepted, and both teams consequently resorted to the more conservative means of ground gaining. Quebec's strong line functioned effectively during the first half, but the visitors' punting was weak. Stanstead held its ground until the strategic moments of the fourth canto when they started the rally which assured them of victory.

Toronto, Oct. 27.—Hooting into the home stretch of the six-day bicycle race here with the finish only sixteen hours away, the British Empire team of Torchy Peden, of Victoria, B.C., Syd. Cozens, of London, England and Polly Parrott, of Victoria, was leading seven other three-man teams at eight o'clock this morning.

Considerably down in the standing yesterday morning the British forged to the front during the day and night and by one o'clock this morning had jumped to the lead.

The riders set a gruelling pace last night, one jam lasting one hour and twenty-five minutes.

The standing at eight o'clock this morning was:

VERDICT IN COURT CASE AWAITED TODAY.

Montreal, Oct. 27.—Yesterday was a busy day in local tenor amateur hockey. From ten o'clock in the morning until yesterday afternoon, the Senior Group and the Quebec Amateur Hockey Association sat in the Superior Court telling Mr. Justice Survever why Tony Lamer, of the ousted St. Francois Xavier Hockey Club, should not further hold up insurance of the Q.A.H.A.'s amateur cards the acceptance of Ottawa into the senior league, and other hockey business which Lamer is delaying by virtue of his injunction served severally on the local amateur hockey heads this week. Judgment in the case is expected today and the Q.A.H.A.'s lawyer, Walter Merrill, declared

BOWLING

COTTONS GROUP LED BY TOP NOTCH SQUAD

When Charlie Jackson, Howard Patton et al. selected the name Top Notch for their entry in the Sherbrooke Cottons Bowling League they apparently revealed their intention of capturing the championship. In the two games to date they have lived up to their names by downing both the Camels and the Veterans without the loss of a string. Last night they trounced the veterans to assume a comfortable lead over the six-team field.

The Gentlemen dislodged the Veterans as second-place occupants by taking two strings from the Camels, while the Pickles, with T. Rousseau and Martin Corcoran setting the pace, tamed the Tigers to the tune of two strings to one and annexed third place.

Belonie Rousseau, of the Top Notch squad, brought his team further honors by capturing individual laurels. Rousseau rolled 407 for the highest three strings of the evening while his single-string total of 165 was beyond rivalry.

AUTO TARIFF REGULATIONS REVIEWED AT CONFERENCE

Manufacturers and Representatives of Canadian Automobile Chamber of Commerce Request Changes.

Ottawa, Oct. 27.—Automobile tariff regulations were reviewed here at a conference between representatives of the manufacturers, Finance Minister E. N. Rhodes and Minister of National Revenue R. C. Matthews. The conference was not open to the press.

Tariff regulations enacted since 1926 were reviewed, it was understood, and although the manufacturers and representatives of the Canadian Automobile Chamber of Commerce made certain representations for changes, they declined to say what they were.

Included in the delegation, which left Ottawa last night were: President D. R. Grossman, Windsor, Canadian Automobile Chamber of Commerce; Vice-President H. A. Brown, of General Motors, Oshawa, Ont.; Vice-President D. R. Mussulman, of the Chrysler Corporation; Vice-President Ross McKinnon, of Hudson Motors; General Manager J. L. Stewart, of the Automobile Chamber of Commerce; Vice-President L. Brooks, of the Studebaker Corporation; Vice-President J. C. Armour, of Dominion Forgings and Foundry Company, and General Manager Neil Peterson, of the Canadian Acme Screw and Gear Company.

CHARGE CANADIAN SEAMEN GIVEN UNFAIR TREATMENT

Canadian Officers and Crews Paid Considerably Less Than Those on American Vessels Under Comparable Conditions.

Montreal, Oct. 27.—Charges that an unfair system of employment for Canadian seamen is in effect with some shipping companies have been made by the National Association of Marine Engineers, Inc., in letters to the Quebec and Ontario governments.

Captain H. N. McMaster, Montreal, head of the Association, said today that Canadian officers and crews are paid considerably less than those on American vessels under comparable conditions.

"The system has been adopted to hire crews only while they work," the Association's communication to the two governments said, "and to transport them from one section of the Great Lakes to the other, and then to pay them off without return transportation, or with very little money. This has become so common a practice that other steamship companies have adopted an exploitation method that is unfair to labor."

LABOR CAPTURED ANOTHER SEAT FROM CONSERVATIVES

Swindon, England, Oct. 27.—The Labor party scored its second capture of a traditional Conservative seat since the general elections yesterday, when Dr. Christopher Addison, former Labor Minister of Agriculture, was elected in the Swindon bye-election by a slim majority over W. W. Wakefield, Conservative.

The vote was 20,902 for the Labor man and 18,253 for the Conservative, a majority of 2,649. In the last general elections Sir Reginald Mitchell-Banks, Conservative who was recently elevated to the Bench, polled a majority of 4,794 over Dr. Addison.

Addison held the Swindon seat for Labor from 1929 to 1931, but Swindon is traditionally Conservative, like East Fulham which Labor captured last year. In addition, Labor has recovered six seats lost to Conservatives in the general elections. Thirty-eight other bye-elections since the general elections have resulted in no change.

HI-Y SQUAD WON Y.M.C.A. LEAGUE MATCH

With Kenny Jackson converting his gridiron ability into bowling alley skill and C. Mullin giving the best all-round performance last night, the Hi-Y entry in the Y.M.C.A. Five-pin Bowling League captured three strings from the Rangers.

Jackson started the Hi-Y men on their road to victory by posting the highest single string of the evening, a total of 233, while Mullin continued the good work to finish with a five-pin Bowling League aggregate of the match, a mark of 559.

EXPLORER WILL SEEK TOMB OF ANCIENT QUEEN

Defying "Curse of Tut-Ankh-Amen," Howard Carter Will Journey to "Valley of Kings," where He Hopes to Find Resting Place of Queen Tut-Ankh-Amen.

London, Oct. 27.—Braving the "curse of Tut-Ankh-Amen," which the superstitious believe has caused the deaths of nearly all those who originally were present at the opening of the Egyptian Pharaoh's tomb, Howard Carter, assistant to the late Lord Carnarvon in that historic task, left London yesterday for the "Valley of the Kings."

Carter said he hoped to find the tomb of Tut-Ankh-Amen's queen and laughed when reporters asked him if he feared the mysterious menace of the "curse." He said he believed excavations would reveal the tomb of the queen not far from Tut-Ankh-Amen's tomb. He denied reports that he would also seek the tomb of Cleopatra, pointing out that several Egyptian queens of ancient days had that name.

"The only real proof we have that the famous Cleopatra existed is a brief reference to her in Plutarch's Lives," he said.

RELIEF COMMISSION TO BUY SURPLUS POTATOES

Many Aroostook County Farmers, Forced to Seek Relief, to Be Aided by Maine Relief Administration Scheme.

Augusta Me., Oct. 27.—William J. Salter, deputy relief administrator, said today the Maine Relief Administration would purchase two thousand carloads of potatoes from Aroostook County farmers facing the necessity for applying for aid.

Aroostook potato growers, harvesting a record crop of 53,800,000 bushels, were taxed for storage facilities for the crop which has a market value of less than half the cost of production, agriculture department officials estimated.

Salter said the two thousand carload purchase would be made purely on a "relief basis."

YOUNG ARMLESS PAINTER GAINS FURTHER HONOR

Pennsylvania Academy of Fine Arts Exhibition Accepts Two Pictures Submitted by Earl Bailey, Nova Scotian Wonder Artist Who Paints with Brush Held in His Teeth.

Londonburg, N.S., Oct. 27.—Earl Bailey, Nova Scotia's wonder artist who paints with the brush held in his teeth, is happy today. He received word that two pictures submitted by him to the Pennsylvania Academy of Fine Arts exhibition have been accepted.

Earl's legs and arms are completely paralyzed—the result of infantile paralysis when he was two years old. Yet the handicapped armless painter has worked on steadfastly, determined to become a great artist.

Acceptance of his drawings by the internationally famous exhibition is another step upward for the twenty-nine year old Londonburg painter. The exhibition has been in existence for thirty-two years and is the largest of its kind on the continent.

The subjects which have won recognition for him are a water color of Blue Rocks Harbor, Lunenburg County, and a black and white sketch of the Cape Breton coast. Earl's painting ability has been acquired over a long period of years. He began scribbling and drawing pictures with a pencil in his mouth as a tot of three or four. He later used crayons, and, encouraged by artists of note who were amazed at his work, he began serious painting.

He is so handicapped that he can neither feed nor dress himself, but that is done for him by his younger brother, Don, who acts as his chauffeur, valet, butler, art critic and all-round handy man.

His work has been exhibited in many galleries and has won many prizes. He has also been featured in several books and magazines.

He is now working on a new picture, a water color of a Nova Scotia landscape. He hopes to exhibit it at the next exhibition.

Earl's story is a true one. He is a remarkable man, and his work is a testament to the power of the human mind.
