Fifty-Seventh Year

PARLEY MAY LAST TWO WEEKS MORE

World News In Brief

Albany, N.Y.—(AP)—In a hair-raising edict, the New York secretary of state has forbidden a St. Regis Indian from engaging in scalping operations without a barber's licence.

State Secretary Thomas J. Curran reported Wednesday that Peter Lazore of Hogansburg, near the Canadian border, had been fined \$50 for barbing without a licence.

Lazore based his defence on a 1790 treaty between his tribe and the federal government permitting braves of the St. Regis tribe to hunt and fish without licences.

Moscow—(Reuters)—Premier Malenkov Wednesday attended the opening of a conference of 2,000 state farm workers in the Kremlin, the Soviet press reported today. About 80 state farm directors attended this second agriculture conference held at the Kremlin within two weeks, the newspapers said.

Hollywood—(AP)—Three persons were shot and wounded in a Hollywood hotel Wednesday night and three hours later heavily armed police closed in on a veterans' hospital and cornered a gunman while he was admitting the shooting to a priest.

While the gunman, identified as Albert Markie, 32, held a gun and talked with the priest for an hour and a half, 15 officers armed with rifles and tear-gas bombs arrived and stationed themselves outside the priest's office.

Seoul—(AP)—The Indian command today turned over to the United Nations command 15 North Korean war prisoners who changed their minds after asking to go to neutral countries. The Koreans had wanted to go to the United States, but cannot, under the armistice, because the U.S. fought in the Korean war. The 15 presumably will be turned over to the South Korean government.

Bennham, England—(AP)—The conjurer who put on his act for the children at the school in this Berkshire community had a smashing finale guaranteed to win applause. It was saving the headmaster in two.

Auckland, N.Z.—(AP)—A party of Fiji island fire-walkers who tread on red-hot stones without injury was part of a religious rite being brought to New Zealand to give demonstrations. They are bringing two tons of their own stones.

U. K. Cinema Struck Hard By Television

London—(AP)—Most of Britain's 4,500 movie theatre owners recognized the symptoms but the diagnosis came as a shock: Television is "eating" the audience and the condition will probably get worse.

The board of trade breaks the bitter news in a report that alternately wallows the cinema owners with hard facts and revives them with small draughts of faint hope. The examination, first in 20 years, was made by two board statisticians.

Movie attendance, says the report, has been declining steadily since 1949 but the drop has been most marked since 1952. The report suggests that television is at least 75 per cent responsible.

Take the town of Sutton Coldfield, a residential district of Birmingham. Television hit the community late in 1950 and movie attendance among the 40,000 residents promptly slipped eight per cent.

In the rare regions where television is still only a threat, the level of theatre admissions has remained virtually unchanged in the last several years.

Then comes the haymaker: "As television coverage is extended, and possibly its hours of transmission increased, it is natural to expect that cinema admissions will continue to decline."

"But," the report adds, perhaps with an ear cocked for the tinkle of shattered spirits, "it is as yet too soon to be sure that cinema business will not recover as the novelty of television wears off."

Television is 14 years old in Britain and still shows no signs of "wearing off."

West Unyielding On Russian Plebiscite Idea For Germany; Screening Of Minor Matters Due.

Berlin—(AP)—The Western foreign ministers today wrote off the possibility of settling the German question at the current Big Four conference and, as one source put it, began trying to "screen out the smaller potatoes."

Still pending in this category are the long-deadlocked Austrian independence treaty, possible conference with Communist China about peace in Asia and perhaps further talks between Russia's Foreign Minister Molotov and State Secretary Dulles on President Eisenhower's proposal for an atomic pool for peace.

A possible outcome also was some simple mechanism for building up a larger exchange of goods between West and East Germany.

The westerners believe the parley, after nine days of talking, likely will go on for another 14 or 20 days.

One indication of the end to Western hopes for any major German settlement came Wednesday night when Russia's junior partner, East German Premier Otto Grotewohl, seconded Molotov's latest proposal for Germany.

Inside the Russian embassy in East Berlin Molotov had proposed that a plebiscite be held to let the Germans in both East and West say whether they want an immediate peace treaty neutralizing them or want Germany to join the projected West European defence community.

France's Foreign Minister Bidault, speaking for the West, brushed the Soviet proposal aside. Let all the Germans elect their own unified government in the free elections the West has proposed, said Bidault, and that government can make its own decisions.

British delegates dismissed the plebiscite proposal as a ridiculous show designed to hide Russia's refusal to let the Germans choose their own government.

Two hours after the Big Four meeting broke up, Grotewohl was on the radio with a long speech demanding "an immediate democratic plebiscite" to let the Germans decide "whether they wish to live under this dishonorable war-hazardous (EDC) treaty or wish a peace treaty and restored unity."

The Communist-ruled East German Parliament quickly came through with its standard unanimous vote endorsing the scheme.

Plot Or Joke Is Question In Bomb Find

Toronto—(AP)—Police are uncertain whether three home-made bombs discovered in the west end of Toronto are part of a plot or a prank. But they have charged two youths, Angelo Scardoroni, 18, and Clayton Cox, 17, with unlawful possession of the bombs.

The youths told detectives they were carrying the bombs because they were being followed by Communists.

Police said a letter was sent to the FBI in Washington Jan. 25 purporting to contain information about Communist activities. It asked the bureau to send men to Toronto and meet the senders on Feb. 2. The letter claimed Toronto police who said they had never been approached had refused to help.

The information was passed on to the RCMP, who kept the appointment. Two youths appeared with two objects. The Mounties took one of the objects and the names and addresses of the youths.

The object confiscated was examined and found to contain blasting powder and a fuse. The RCMP then turned the matter over to Toronto police, who visited the addresses given and found two more of the bombs, said to be fashioned from pieces of gas pipe. They arrested the youths Wednesday.

CBC Director To Cover St. Laurent

Ottawa—(AP)—Marcel Ouimet, assistant director of programs for the CBC, will fly to India Feb. 11 to report the Far Eastern section of Prime Minister St. Laurent's world tour for the CBC.

Mr. Ouimet, a war correspondent in Europe during the Second World War, will report to the English and French networks on Mr. St. Laurent's visits to Karachi, New Delhi and Colombo. Earlier stages of the tour will be covered by CBC commentators in Europe.

In addition to Mr. Ouimet's reports, the CBC will broadcast a series of documentaries on Commonwealth countries to be visited by Mr. St. Laurent on Wednesday nights beginning Feb. 17 and concluding March 10.

Television coverage of the tour will be supplied by correspondents who will air express their filmed reports to the CBC.

Veteran Had Not Seen Dad Since Baby

Montreal—(CP)—A 29-year-old building contractor stepped off a plane here Wednesday night to roll back the years for the father he does not remember.

Twenty-nine years ago Edward Borman Vincent, of Sun Valley, Calif., then a three-month-old baby, vanished with his mother from their Manchester, N. H. home.

He came back to greet his father, 52-year-old Emery Vincent, now a Montreal plasterer's helper.

The Vincent family broke up shortly after Edward was born, the mother placing the boy in an orphanage. Adopted, he moved with foster-parents to the west coast.

The son until recently was living as Edward Lewis Borman, a cement contractor in Sun Valley. He was married with three children.

His wife, Ruth, opened the door to the past when she saw a picture of Robert Vincent, 31, a Korean war veteran, in a Seattle newspaper and was struck by the resemblance between him and her husband.

Robert turned out to be a brother who had kept in touch with the father.

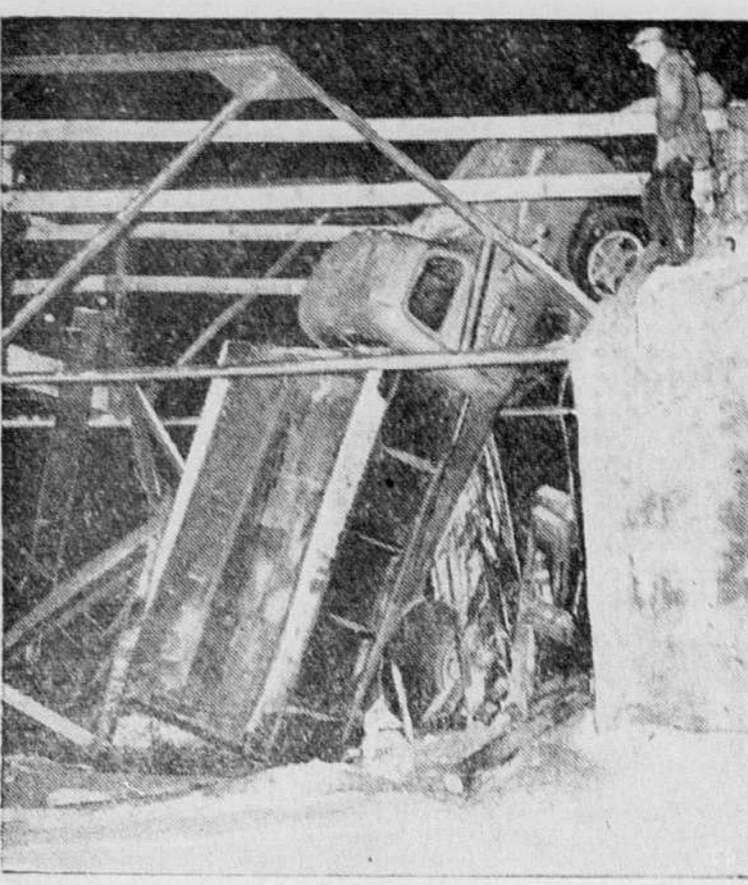

Quiet Election Is Enjoyed In Iran

Tehran—(AP)—The Iranian capital's three-day elections for a national Senate wound up quietly Wednesday night with an estimated 30,000 ballots in the boxes. Counting started today.

One man is still in hospital as a result of earlier scattered fracas, according to police. Seven others injured during the balloting have been released.

Police claim there have been no killings, although rumors set the death toll at between one and three.

Hollywood—(AP)—Twenty-fifth Century-Fox studio officials said they have been notified by Marlon Brando's New York physician that the actor is "very sick and confused" and that he will not be able to fulfill his contract for the movie, "The Egyptian." The picture was to have started production today but a postponement was announced until next Monday.

BRIDGE COLLAPSES—An 11-ton sand-laden dump truck, back wheels in shallow water, noses up through broken timbers of Credit River bridge at Cheltenham, 10 1/2 miles northeast of Brampton, Ont. Combined Red Air Forces In East Total 6,500 Planes

Tokyo—(AP)—The combined Communist air force in the Far East—Russians, Chinese and North Korean—totals more than 6,500 planes, says Gen. O. P. Weyland, commander of the U.S. Far East Air Forces.

In an interview, he put Chinese and North Korean strength at 2,000 combat planes, and said the Russians have at least 4,500 more based near Vladivostok, on Sakhalin and in the Kurile islands.

"A preponderant number of these Soviet planes are fighters," Weyland went on. "But recently the Russians have converted many of their light bomber units to jets with the capability of reaching anywhere in Japan."

"They have enough of these bombers to constitute a good wallop, especially if they are carrying the atomic weapon."

"The Russians have converted about 85 per cent of their fighters to jets. These are fighter interceptors, primarily to guard their bases from attack."

"Likewise they have improved their old medium bombers, the TU-2, with an IL-28, which is something like our B-49. It is a fast jet with the capability of reaching anywhere in Japan or Korea."

"The Communist air force has not increased in numbers in the last year or two so much as it has improved its planes."

Weyland said the air fields around Vladivostok make up "the largest complex of bases in the world."

In addition to the jet bombers, Weyland said the Russians have "an impressive number" of TU-4s, which were copied from one of three B-29s that made forced landings on Russian soil during the Second World War and were never returned.

"That amount of aircraft constitutes a definite threat in the Far East," Weyland said, "but all we can do is sit and wait and watch."

When the Korean war started, the North Korean Air Force had 150 obsolete Russian planes, Weyland said. Entry of the Chinese into the war brought the MIG-15, the Russian jet fighter interceptor. The first MIG was shot down Nov. 1, 1950. For a time this new Russian jet caused considerable worry among U.S. pilots.

A month later, however, Sabres began arriving in Korea and in the first week of combat the F-86s shot down seven MIGs and damaged two with the loss of only one Sabre.

This running fight between the Sabres and the MIGs went on for 2 1/2 years. The Sabre came out on top of the Russian rival nearly 14 to one—58 Sabres were lost in air combat to 802 MIGs.

One question often heard during the Korean war was: Why not bring out the B-36s and six-jet B-47 bombers? Says Weyland:

"The answer is the B-29 was plenty of airplane for Korea, so long as our range was limited to the Yalu river on the Manchurian border. The B-36 has great range, but it wasn't needed since our B-29s reached all North Korean targets from Okinawa and Japan with lots of fuel left."

"The B-47 is primarily an atomic bomb carrier, and so fast that it can outrun some types of jet fighters—those of the enemy and our own. But like the B-36 it wasn't needed."

Two Biting Dogs Frighten Chicago

Chicago—(AP)—A new "mad dog" scare hit Chicago's south side Wednesday after a dog ran wild and bit a man before police shot it to death.

The new attack came within 24 hours after a rabid dog bit at least 14 persons in another south side neighborhood.

The victims of Wednesday's attack were Mrs. Margaret Mary O'Brien, 27, her son, Peter, 4, and Dr. Robert J. Carroll, a dentist.

The German shepherd broke off a fight with another dog and bit Peter in the face. Mrs. O'Brien was bitten on the ankles when she tried to pull the animal away. Dr. Carroll ran to their aid and was bitten on both arms.

Police shot the animal. A test showed it was rabid.

Queen Opens Parliament With Brilliant Ceremony

Sydney, Australia—(AP)—The Queen opened the new South Wales state parliament today in a ceremony rich in pomp, pageantry and brilliant color.

It was the first time a reigning monarch had opened an Australian parliament. The Queen said in brief personal speech that it was fitting that the first royal opening should be in the "mother of Australian parliaments."

"I am very pleased that I am able to speak to you in person on the occasion of opening the third session of the 37th parliament of the state of New South Wales," she said.

"My long-cherished hopes of visiting with my husband my people of Australia are now realized. The welcome accorded to us was so cordial and spontaneous that we shall always remember it."

Britons Argue Subject Of Lowering Or Lifting Country's Trade Barrier

By ALAN HARVEY
Canadian Press Staff Writer
London—Two London newspapers today took up the argument over whether Britain should lift trade barriers or put stronger ones in their place.

The News Chronicle, Liberal, supports the Conservative government's action in framing a new trade agreement with Japan.

Lord Beaverbrook's right-wing Daily Express, generally in accord with Conservative policies, sharply criticizes the government's stand. The Express appeals for a "new trade structure" within the Commonwealth based on imperial preference.

The issue has caused division of opinion within the Conservative party itself. The idea of a Liberal paper defending the Conservative leadership in its efforts to liberate trade is termed "frankly funny" by The News Chronicle.

It says R. A. Butler, chancellor of the exchequer, and other government leaders in signing the Japanese pact have torn the veil from the Tory party, "once the temple of High Protection and hatred of the foreigner."

The Daily Express, which previously called the Japanese agreement the "black pact," hit out at Butler for his reported statement to a private meeting of Conservative MPs that imperial preference is in effect outdated.

Serbia Adds To Death Toll In Blizzard

London—(AP)—Europe's bitterest cold wave in seven years showed signs of thawing out today, but death and misery still stalked the frozen plains and snowbound mountains of Yugoslavia and Romania.

Fierce blizzards, the worst in 24 years, killed at least 14 persons in Yugoslavia's central province of Serbia. Most of the victims were buried in snowdrifts and frozen to death.

The Yugoslav victims raised unofficial estimates of the Continent's weather death toll to more than 300.

Communist Romania ordered emergency measures to meet transport, communication and power breakdowns. Bucharest radio reported acute shortages of coal, food and water in many places, including the capital.

Slightly warmer weather spread slowly southward in Britain and Germany, bringing relief from the 11-day freeze-up. Normal winter temperatures are expected in most of western Europe by this week-end.

Much of northern Europe is still ice-bound. Planes still are using food and other supplies to 6,000 North sea islanders cut off from the mainland by ice.

Several Belgian coal mines are shut because of the cold weather, threatening widespread unemployment.

French Army Beaten Back By Vietminh

Saigon, Indo-China—(Reuters)—Communist Vietminh rebels have forced French troops back to their first line of defence about 50 miles northwest of Luang Prabang, the royal capital of Laos, the French high command announced tonight.

A French spokesman, commenting on the rapid advance of the rebels' "iron division" disclosed that the Communists seized the French stronghold of Muong Ngoi, 60 miles northeast of Luang Prabang, after it had been evacuated. Earlier it had been announced that the French had beaten off an attack on Muong Ngoi last Saturday.

Meantime it was learned that an advance enemy column has captured Muong Sai, on the French defence perimeter 55 miles due north of the Laos capital.

A fleet of transport planes today began carrying French troop reinforcements from the Red River delta to the threatened capital of King Sisavang Vong.

A French spokesman estimated the invaders can gain only about eight miles daily through the jungled, mountainous territory, leading to Luang Prabang.

This means that the rebels, if unchecked, could reach the gates of the capital in about a week.

Another Vietminh threat suddenly grew more menacing today. It came in southern Annam, where French forces landed Jan. 20 in an effort to free 3,000,000 Viet Namese in the area from eight years of Communist rule.

The high command announced two entire rebel regiments operating in the area might be hurled against the bridgehead.

Dummy Faints As Policeman Looks

Newark, England—(Reuters)—The policeman walking his beat here heard funny noises in a men's clothing store. He and another officer went inside for a look.

All quiet.

But there was something odd about the dummy in the window. Constable Pete Hornsby trained his flashlight on it for eight minutes.

Finally the perspiring dummy could stand it no longer. He fainted.

He was Alex Patterson, 19. A judge Wednesday ordered him to stay out of saloons for six months.

Rostovorov Seen As Head Red Agent, Beria Protege

Tokyo—(AP)—Lt. Col. Yuri A. Rastovorov was revealed today as Russia's chief Red spy in Japan and a youthful protege of Lavrenti Beria, recently executed chief of the Soviet secret police.

Informed American sources said Rastovorov, who asked a United States Army intelligence unit for political asylum Jan. 24, was trained on the "Japan desk" of a special Soviet foreign office section under direct control of Beria's MVD.

Once a personal courier for Beria himself, Rastovorov apparently was headed for a brilliant future in the secret service. But, the source said, a growing admiration and "weakness" for American intelligence work, possibly Beria's execution, and finally direct orders to return to Moscow sparked his decision to change sides.

His conversion, long and deliberately sought by U.S. Army operatives, is called by observers here the most brilliant piece of American intelligence work publicized since the start of the cold war.

Rastovorov, reported Wednesday to be co-operating with American agents at the big U.S. base on Okinawa, was described as a dashing, handsome Soviet spy who moved easily in Tokyo social circles and who cultivated Americans.

It also was revealed that at the time of Beria's execution, announced in Moscow Dec. 23, Rastovorov made contact with U.S. agents who shadowed him continually and sounded them out on changing sides.

Much as the army wanted him, it moved cautiously until Rastovorov apparently in panic at personally—delivered orders to go home—called the agents on the telephone and asked them to protect him as a political refugee.

Severer Laws Envisaged In Wake Of Bus Tragedy

Quebec—(AP)—Amendments to the Quebec Motor Act adopted by the Legislative Assembly will be drafted by the Legislative Council, Upper House, it was announced yesterday.

Hon. Olier Renaud, acting government leader in the upper house made the announcement when he proposed second reading of the bill originally adopted by the assembly.

There was no debate at this stage pending tabling of the new draft to be tabled next Thursday when the council meets again.

As adopted by the assembly earlier the bill set a limit of 60 miles an hour for automobiles and of 45 miles an hour for automobiles and large trucks.

In making his announcement Mr. Renaud said he wished to extend his sympathies to all families of victims in the autobus-truck collision at Yamachiche last Saturday in which 15 persons were killed.

Mr. Renaud did not say what the new version of the bill will say but he said that more severe legislation seem to be necessary to ensure safety on highways.

Hon. Wilfrid Bovey (L—Rougemont) suggested autobus transport companies be required to submit their time tables to a government organization.

In the assembly debate continued on the huge power project on the Bersimis river which will supply mining development in Gaspé Peninsula, the Saguenay region and the Chibougamau area.

Liberal leader Georges Lapalme sparked the debate Tuesday when he said there were rumors of "a scandal" on the construction site 225 miles north of Quebec in Virgin Forest.

Mr. Duplessis said the project undertaken by the Quebec hydro-electric commission was being carried out under better conditions than any other hydro-electric development in Canada.

He said contracts granted constructed firms provided for profits of four per cent against 10 and 12 per cent in similar types of contracts granted by banks.

The discussion took an animated turn as Mr. Duplessis said Mr. Lapalme "rehearsed" in the House the "gall and calumnies" reported about the project in the Montreal daily newspaper Le Devoir.

Mr. Lapalme demanded retraction from the Premier on the grounds the expression was unparliamentary.

Mr. Duplessis said his words were directed against the newspaper, not the opposition leader.

An argument followed during which Jean-Paul Noel (L—Montreal Jeanne-Mance) said there were "two weights, two measures" in the legislative assembly.

Mr. Noel retracted on orders from deputy-speaker Maurice Teller.

Mr. Lapalme insisted the deputy-speaker should take a decision on whether or not Mr. Duplessis should retract.

Noisy argument followed when Youth Minister Saue stepped into the debate and speaker Alexandre Tache walked over to his throne to call for order in the House.

He warned members not to interrupt speakers. Such actions led to "scenes" which resulted Tuesday night in the expulsion of Emilien Lafrance (L—Richmond) for 15 days.

Mr. Teller ruled Mr. Duplessis did not have to retract anything since his words were directed against a newspaper and did not strike at the personality of the opposition leader.

Debate on the project continues today.

Carroll Righter's Astrological Forecast

Aries (March 21 to April 19) Watching your every expenditure closely will enable others who have been watching you to release some highly desirable favors that you need. Keep cheerful and optimistic.

Taurus (April 20 to May 20) Determined associates will brook no interference with his, or her aims today; so keep clear of making commitments you do not approve by silence, distance, make surroundings more artistic, now.

Gemini (May 21 to June 21) You start the day bubbling over with good ideas but you need to placate upset co-worker, or some damage is likely to follow. Enjoy parties, romance, sports, recreation, too.

Cancer (June 22 to July 21) Having a good time should avoid getting tensions ironed out with close attachments which could interfere with mu-

tual enjoyments. Get your home in better shape, now.

Leo (July 22 to August 21) Get away from home early today and out into the world of activity, where you have a good chance to arrive at a meeting of minds with business people, merchandizers, congenial comrades.

Virgo (August 22 to September 21) Sticking close to your material duties, concerns saves you some hard-earned assets which could otherwise be dissipated in dashing around and accomplishing little; fix up property, possessions, too.

Libra (September 22 to October 21) Keep close guard on your purse strings so that no extravagance will be allowed; otherwise fine for all personal matters. Your hunches are accurate, re health, sociability and charm matters.

Scorpio (October 22 to November 21) You are entirely too steamed up over some fancied slight or not getting your own way, and can endanger your personal safety; stick to job of completing irksome chores quietly. Tensions lift in P.M.

Sagittarius (November 22 to December 21) Secret worry helps not at all; get in touch with understanding friend who will know how to give you the boost in the right direction, so that problems melt into nothingness. Get a good rest P.M.

Capricorn (December 22 to January 20) Frustrated friend lashing out in all directions is easily side-stepped by showing that essential duties take your time. P.M., enjoy good companions. Be happy.

Aquarius (January 21 to February 19) Avoid authority, being testy with any officials; seek new avenues by which your highest philosophies, view points can be attained. P.M., systematize expenses, income.

Pisces (February 20 to March 20) Keep your attention riveted strictly upon obligations you have assumed yourself. Let those appealing new ideas wait until tonight before putting into practice. Aid afflicted persons.

Hollywood —(NEA)— Exclusively Yours: Let the birds, the singers and the air pilots solo, Mitzi Gaynor's checking out as a solo hooper after she gets her first whack at spinning with a male partner in her next movie, "There's No Business Like Show Business."

Twirling alone, she says, got her critical cheers, but no valentines from movie audiences in such superlatives as Fox as "I Don't Care Girl" and "Golden Girl."

But she's expecting the love-and-kisses treatment when she teams up with Donald O'Connor in the backstage musical.

Says Mitzi: "The movie public doesn't fall in love with a solo dancer. People think it's nice, but they don't go wild over what you've done. But if you get a partner, they eat it up. The movie public fell in love with Ginger Rogers and Fred Astaire. They fell in love with Gene Kelly and Vera Ellen. It has something to do with two people moving together. It's box-office."

Dale Robertson spent the morning in court on a divorce proceeding settlement hearing, then reported to the set of "The Gambler From Natchez" for a fight scene.

"Let's put a lot of action into it," enthused Director Henry Roland.

"I don't know if I can," winced Dale. "I just had all the fight taken out of me."

They Started Together
There's a heart-warming story behind the flash from Italy that Dennis O'Keefe will direct and star in "None So Blind" in Rome this spring. The script was written by Steve Carruthers, a movie hit player. Dennis and Steve broke into the movies together—as extras.

Myrna Dell, who didn't get along with the producer, won't be in the new batch of China Smith films. A new slant-eyed dazler will be found to play opposite Dan Duryea.

Sight of the week: Peter Lawford's mother, Lady Lawford, standing in line to pick up her social security check. Corinne Calvet and John Bromfield have been having secret dates.

It's "Time for Freberg." And it's about time. The guy's loaded with talent.

After five years of playing Cecil the Seaside Sea Serpent on TV's "Time For Beany," Stan Freberg's bowing off the show for big-league stardom as 54's most promising new comedian. He already has his own radio show, CBS' "That's Rich," in which, he explains:

"I play sort of a male Cladia. Now that TV is here, I'm on radio. But this is a great TV show, too, and I expect we'll be rolling in the camera's soon."

Just counting his recording profits keeps Stan busy these days. You know the records—his murderous satire of "C'est Si Bon" and his hilarious funking at TV's "Dragnet" with "St. George and the Dragonet."

The radio networks banned Stan's first satire, 1948's kidding of soap operas. The record, "John and Marsha," was ruled "suggestive," but insiders claim too many soap-opera sponsors complained.

For three and a half minutes Sam just repeated the names, "John" and "Marsha," with different voice inflections.

He still winces, "How can that be called suggestive?"

Will Jump At Broadway
Alec Guinness won't accept Hollywood offers, but he's told movie-towners he will jump at the chance to star in a Broadway

a problem and do something about it quickly. Forceful nature has real magnetic quality so that others will be conscious of his, or her viewpoints.

250 Employees And Families Attend Safety Rally Of C. N. R. At Richmond

Richmond, Feb. 4. — A very interesting program was presented at the Division Family Safety Rally for the Canadian National Railways, which was held in the Town Hall.

There were approximately 250 railway employees with their families and invited guests present.

Seated on the platform with the chairman, Mr. A. M. Shea, superintendent of the St. Lawrence Division, were Messrs. N. A. Walford, general manager, of Toronto, Ont.; Nelson Levia, assistant superintendent of the Sherbrooke and Portland Division; C. A. Bolvin, general superintendent, of Montreal; R. Babbs, superintendent of Motor Power, of Montreal; R. L. Hasley, divisional master mechanic, of Richmond; Mayor H. P. Stone, J. P. Brouillette, president of the Senior Board of Trade; F. Menard, president of the Junior Chamber of Commerce; and Geo. Brouillette, president of the Merchant's Association.

The following program was presented: solo, Joseph T. Doyle, accompanied by Mrs. J. Fortin; selection by children's choir under the direction of Mrs. Jules Fortin; address, Mayor H. P. Stone, vocal duet, Mr. and Mrs. Louis Langlois, accompanied by Mrs. M. O'Donnell; selection by a mixed choir directed by Mrs. Fortin; address, N. A. Walford, O. A. Bolvin thanked the guest speaker.

Very interesting scenic and safety methods pictures were shown on the screen at the close of the evening. The safety picture was entitled, "Miracle in Paradise Valley."

This part of the program closed with the singing of "O Canada" and "God Save the Queen."

An enjoyable social hour was spent with Mr. and Mrs. N. Levia acting as host and hostess. The people present were given an opportunity to meet Mr. and Mrs. Walford and the other honored guests.

Refreshments were served, after which music and dancing were enjoyed.

musical revue. . . Red Skelton is slated to do two of his TV shows in New York next month, plus a guest spot on the Jackie Gleason show.

Edie Cantor's daughter, Marilyn, will do her night-club act on pop's Jan. 3rd Comedy Hour. John Ireland will be TV's Ellery Queen in the new filmed-in-Hollywood series.

MacDonald Carey is teaming up with Frank Lovejoy and Ronald Reagan in a TV series, "Night Boat." To escape suicidal weekly appearances, they'll alternate as crime reporters, with some of the stanzas linking all three partners in one story.

Burt Lancaster's brushing off reports that there will be screams of protest when he pops up as a blue-eyed Indian in "Bronco Apache." Argues Burt:

"At first I thought of wearing brown contact lenses. But they're a nuisance. Everyone knows I'm a big Irishman, anyway. If the people like my acting, I'm in. If they don't like it, the color of my eyes wouldn't make any difference, anyway."

St. Andrew's Vestry Meets

Scottown, Feb. 4. — The annual congregational meeting of St. Andrew's United Church was held in the church auditorium on Jan. 28. Rev. A. Cameron, of Sawyerville, opened the meeting with a prayer.

Rev. Mr. Cameron called for the minutes of the previous congregational meeting which were read by the secretary, Mr. Angus A. MacKenzie, and these were duly approved.

The main business to come before the meeting was the reading of the reports of the activities of the various church organizations during 1953. Mr. Angus A. MacKenzie read the report of the Board of Session. Mr. Robert Smith, church treasurer, read the report of the Board of Stewards, which showed a bank balance.

Mr. J. B. Scott, Sunday treasurer, reported that all necessary material had been bought and a financial balance remained on hand.

Mr. A. A. MacKenzie, Sunday School superintendent, read a very interesting report on the Sunday School activities. There are seven classes and 57 pupils on the membership roll.

The report of the Women's Missionary Society, read by Mrs. MacDonald, indicated an active year on the part of this organization.

Mrs. Donald MacIver, president of the Women's Association, read the report of this group, money had been raised in various ways. Several repairs had been done on the manse and the church had been rewired.

The Cradle Roll report was read by Mrs. Roy Waldron.

The Board of Stewards include Messrs. Ross MacDonald, Richard Cook, Robert Smith, Donald MacIver and John MacMillan.

Church Elders are, William Bowman, Payson Sherman, Angus MacKenzie. Three more are to be elected before March 1.

Mr. William Ladd was elected auditor for 1954.

Mr. Payson Sherman and Mr. John MacMillan were elected Presbytery representatives and Mrs. Charles MacRae, press reporter.

Correspondence consisted of letters from Mr. Winston Bears, of Lennoxville, and Rev. F. R. Matthew, of Sherbrooke.

The meeting was closed by Rev. Mr. Cameron with the benediction. The ladies served refreshments and a social period followed.

Rev. Mr. Cameron thanked all the officers, teachers and organists for their faithful work throughout the year.

Mrs. Jack Alkin Elected President Of Georgeville WA

Georgeville, Feb. 4. — The W.A. met at the home of Mrs. Jack Alkin. The president, Mrs. J. A. Davidson, conducted the business.

A baked-bean supper was planned for February 14. The election of officers for 1954 resulted as follows: president, Mrs. Jack Alkin; vice-president, Mrs. Steele; secretary, Mrs. John Cochran; treasurer, Mrs. Norman Evans.

At the close of the meeting the hostess served refreshment assisted by Mrs. Emma Peasley and Mrs. William Hutchins.

Past Presidents Of Snow Shoe Club Provide Reminiscences Of The Past

Reminiscences of Sherbrooke in days gone by formed the program at the Sherbrooke Snow Shoe Club last night when past presidents' night was observed. Approximately 100 members were on hand as the "boys of the old brigade," 16 strong, were guests-of-honor.

They heard about the year when the American playboy slayer Harry K. Thaw came to town, when there were 60-minute men in hockey and when a potent brew called Cariboo spelled the end of Sherbrooke Snow Shoe club's participation in conventions with other snow shoe organizations.

The 16 former presidents were arranged and lettered at a special table, the letters spelling out "Seventy-Six Years," the number of years the Sherbrooke Snow Shoe Club has been functioning. The former presidents who turned out and their years of office are: A. C. Ross (40-41), G. S. Sampson (30-31), H. J. Kennedy (43-44), E. A. Johnston (51-52), Reg. Smith (44-45), A. C. Skinner (22-23), C. G. Bryant (38-39), C. E. Soles (23-

EX-PRESIDENTS HONORED: Sixteen past presidents of the Sherbrooke Snow Shoe Club were honored by their fellow members last night and presented the program at the club. Above, the sixteen "boys of the old brigade" are shown, grouped to spell out "Seventy-Six Years," which is the length of time the Sherbrooke Snow Shoe Club has been going.

Standing, left to right, are: A. C. Ross, G. S. Sampson, H. J. Kennedy, E. A. Johnston, Reg. Smith, A. C. Skinner, C. G. Bryant, Seated, left to right, are: C. E. Soles, G. S. Lothrop, George F. Chapman, W. H. Griffith, J. G. D. Bryant, H. M. Thompson, Norton Baldwin, Lennox Keeler and Gordon LeBaron.

City Won't Pick Up Garbage In Uncovered Cans

In a release from the City Hall this morning, the health department complains that many citizens do not comply with the garbage collection by-law which compels them to have good leakproof and covered containers for their garbage.

This is to prevent snow and rain from penetrating and to avoid the rubbish from being spilled around. The release states, "hereafter, garbage not contained in such containers, duly covered will not be picked up by the refuse collectors."

Red Cross Branch Has Many Knitted And Sewn Articles

The monthly meeting of the Lennoxville Red Cross Branch was held in the work room on Monday, Miss G. Stevens, president, opened the meeting with a prayer.

A letter of thanks was received by Mrs. S. Pearson from Mr. and Mrs. Gordon Robinson and family for assistance received from the Red Cross at the time of their fire.

Mrs. M. Fowlis reported a consignment of finished work had been sent to Montreal on January 29, consisting of 52 knitted articles, 56 sewn articles (these are mostly children's and infant's clothing). Also 12 donations were received from Mrs. E. L. Atto and the Misses Stevens.

It was decided to send a representative to the Annual Divisional meeting being held in Montreal on February 24 and 25.

Any one desiring to sew or knit for this worthy cause may contact Mrs. M. Fowlis, Queen Street, Lennoxville. Her phone number is 2-8975.

Civic Employees Lauded For Good Work As Aldermen Take Back Seat At Supper

For 364 days a year, the city aldermen always govern in municipal affairs. Last night was the odd day, and the aldermen took a back seat, the occasion being the fifth annual banquet of the Fraternite Canadienne des Employes Civiques (civic employees) at the New Sherbrooke Hotel.

Numbering over 150, the employees left behind the every day routine of administering the city's business affairs, and assembled with co-workers and invited guests for a banquet in the Mayfair room, followed by a dance to the Black and White Orchestra.

Among those seated at the head table were noticed only one alderman, Carrier Fortin, acting as pro-mayor in the absence of Mayor Emile Levesque. Other aldermen who attended with their wives were: Henri Labonne, Paul Hamel, Sylvio Rousseau, Carl Camirand and Leo Cadorette.

In an abbreviated speech, Alderman Fortin referred to the Legislative Assembly stating his pride in reporting to the government that the citizens of Sherbrooke gave a perfect example of harmony between various organizations and groups during the past year.

Organist To Give Recital Feb. 14th

Winchester, Ont., Feb. 4 — The Winchester United Church Choir will present Lyman R. Hill in an organ recital to be held in the Winchester United Church, Sunday evening, February 14, at 8:45 p.m.

Lyman Hill is the youngest son of Mr. and Mrs. Burton A. Hill, 250 Queen Street, Lennoxville. Three years ago he accepted a position with the Canadian Pacific Railway in Eastern Ontario and is presently located at Kemptonville, Ont.

Mr. Hill is a music student under J. H. Goode and is also a member of the Canadian College of Organists. Mrs. Olive Cass, Contralto soloist, and Miss Norma Bailey, Pianist, will be assisting in the recital.

He confined most of his speech to thanking various members of the organization for the Fraternite's success in their enterprises, giving special mention to Pierre Bachand, city hall treasurer, for his many favors during the year, and to Antonin Deslauriers, the devoted city hall clerk.

Mr. Monfette announced that their Caisse de Credit established in 1942, actually has a membership of 175 people formed of city hall employees, policemen, firemen and electric work employees, with a sum of \$38,000,000 in the treasury.

He closed his address saying, "I can truthfully say, the civic employees are an honor to their city and to their superiors."

Y's Men Hear Talk On Reserve Army; Paper Drive In North Ward Saturday

A talk on the reserve army and the making of final preparations for their paper drive in the north ward, highlighted the weekly meeting of the Y's Men's Club, held last night in the Magog Hotel. Guest speaker was Major D. W. Ward, personnel manager of Canadian Fairbanks-Morse and 2 i/c of the Sherbrooke Regiment, whose topic was "The Reserve Army—My Hobby."

Major Ward's address elaborated on three points: (1) What is the reserve army; (2) what is its purpose; and (3) how does it live up to that. The reserve army, he said, was born with the coming of Canada of the first European pioneers. Garrison of military came with them and grew with them as the frontiers were being knocked down but when outside of garrison areas, the pioneers were their own soldiers.

"As the communities grew," Major Ward said, "volunteers, ordinary people just like you and me, were called upon to do musket drill and fight, and, probably, the term 'Saturday-night soldiers' was formed then because Saturday was perhaps the only time these industrial pioneers could find to drill."

"The N.P.A.M. (Non-Permanent Active Militia) did most of the fighting in the northwest rebellion and the Fenian raids. Before the last war our name was changed to Canadian Army Reserve Force and although even now they are trying to find a better name, they cannot.

"We are the reserve force and our purpose is to form a nucleus of officers and n.c.o.'s. We are there in the event of hostilities and as an aid to civil power. A great many of the volunteers in two world wars were recruited from reserve force personnel."

Major Ward said: "We need

Y's Men Hear Talk On Reserve Army; Paper Drive In North Ward Saturday

troops to train, equipment and buildings. There are three definite types of training, recruit training, n.c.o.'s courses and corps training. In our type of unit, the specialties are to develop very good driver-mechanics, wireless operators and gunners. There are three from which to choose but a good man can do all three, although not at once."

The speaker exploded several myths and bugaboos about the reserve army. Defence headquarters, he said, tries to fit the armoury into the community surroundings. That of the Sherbrooke Regiment, for example, is the original Sherbrooke courthouse, one of the oldest landmarks in this city.

The armories quite often serve as community centers and for charitable and benevolent events. All the equipment the reserve force gets is surplus to permanent army needs. While it costs money to keep up the reserve force, we are ourselves taxpayers. Fifty to 60 per cent of the reserve force is composed of single people. If a man earns \$45 a week in his permanent job, he pays taxes up to \$225 per annum. If he trains for 60 nights a year, he might receive only \$75 to \$100 of this tax money back.

The money, however, is an incentive as are the opportunities for advancement in rank. The army will not make a bad boy of the reserve soldier. It is up to himself.

Major Ward concluded: "We have facilities which we feel are good for young fellows: the training, discipline, advancement opportunities and the mental and physical exercise." The speaker was introduced by Jim Strickland and thanked by Ed Bryant.

President Mac Bradshaw was in the chair for the meeting and re-

The Canadian Automobile Industry In 1953

WILLIAM A. WECKER, O.B.E., President, General Motors of Canada Limited

In 1953, for the first time Canadian automobile manufacturers were able to approach closely the half million mark as a single year's production.

Analysis of the high-level operation of this industry in 1953 reveals some significant facts. First and most important was that there were no serious interruptions in production programmes, no curbs on raw materials, no strikes, and no changes in credit regulations.

For instance the year 1951 started out with 250,000 units built by the automobile industry in the first six months. Then came credit restrictions, a sharp advance in sales and excise taxes, which together with a lessening of the availability of steel, forced a cut in production schedules for the domestic market.

By contrast, the year just closed has presented a very accurate reflection of Canada's automobile needs. All of the increased production was for Canadian consumption; the number of cars and trucks for export showed no appreciable gain.

The year saw a tremendous rate of expansion of the production facilities which are necessary for the industry to keep pace with its growing role in our national economy.

Expansion of the industry in output and facilities implies also an expansion of the working force. Here again the figures are revealing. In 1953 the estimated total payroll of the automobile manufacturing industry was \$146,000,000 as against \$138,000,000 in the preceding year.

This figure, of course, takes no account of the payrolls in the many Canadian industries which act as suppliers of automotive components, and of the hundreds of thousands of workers who in greater or less degree draw income indirectly from the field of automotive transportation.

Given a clear field in 1954, the Canadian auto industry will keep pace with the growing country, serving an expanding market and contributing to a wide section of the populace which looks to the motor car industry, either directly or indirectly, for its livelihood.

Kiwans Induct Three Members At Club's Meeting

The members of the Kiwanis Club of Sherbrooke held their weekly dinner and meeting last night at the New Sherbrooke Hotel, conducted with Jack Dunfield, president, in the chair.

In the absence of George F. Styles, guest speaker, who at the last minute notified the club that he could not make it, Mr. Dunfield called upon Dr. Tom Cadman to make an impromptu speech.

Three new members were inducted after dinner, Sterling Allatt, Don Stoen and Gaston Gaucher. The first two were sponsored and introduced by Les Memory, past president, and the last by Come Trudeau, sergeant-at-arms.

At the table of honour were seated Jack Dunfield, president, L. Memory, N. Hunter, A. Trudeau, D. Stoen, S. Allatt, and G. Gaucher.

Living Cost Index Down In December

Ottawa—The consumer price index declined by one-tenth of a point during December to 115.7 from 116.3, reflecting the third consecutive monthly decline in living costs.

The index now stands exactly where it was in December 1952, when it also registered at 115.7 during 1953 it dropped, climbed and then declined again.

As in previous months, lower food prices powered the December drop—the smallest in 1953. A few scattered drops in clothing also assisted, to overcome increases for rents and other services.

Though the price of meats and vegetables rose, other food items, including eggs, decreased to push the food sub-index down by one-half point to 116.6 from 117.1, the lowest in seven months.

Rents advanced again, pushing the shelter column to a new high of 125.4, up one-fifth of a point from the previous month.

A few scattered decreases among several items chipped one-tenth of a point from the clothing sub-index which dropped to 110.1 from 110.2, lowest in a half-year.

Household operations, another service column, edged ahead to a high of 117.5, up a tenth of a point as price boosts for furniture, cleaning, and household help outweighed declines for washing machines, cotton sheets and glassware.

Another tenth-of-a-point advance was recorded in other commodities and services.

The telephone exchange in the Pentagon is the largest of its kind in the world and contains about 75,000 miles of trunk lines.

Y'S MEN HEAR TALK Continued from Page 3 urged all members to turn out Saturday at 12:30 at the Y.M.C.A., from where the north ward paper drive will be launched.

Seated at the head table were: Mr. Bradshaw, Major Ward, Mr. Strickland, Mr. Bryant and Angus McLean.

The average gasoline consumption of a bus is a gallon every three miles.

The tires are rented from one of the largest tire manufacturing firms and the cost to the operating company is approximately one cent a mile for one bus. This sounds small until one realizes that the monthly rental sum for the tires used by all the coaches is not far from being a thousand dollars.

Each bus costs from \$18,000 to \$20,000. The price of one spring alone is \$120.

Money Show Defies Veto On Radio-TV Give-Aways

New York, (AP) — New York City's drive against radio-TV give-away programs that get money from the public was defied Wednesday night by "Strike it Rich," first of the shows to be criticized.

The program went on the air without changing its format or waiting for the licence the welfare department said it should have.

Welfare Commissioner Henry L. McCarthy Wednesday declared that "Programs like this are a national disgrace" and "play into the hands of the Communists."

The program questions people who tell hard-luck stories. They win prizes by correctly answering a simple quiz, and then people phone in to offer cash, jobs, homes and other aid.

This puts it in the same category as a charity, the welfare department rules, and thus it should be licensed.

McCarthy's ire was directed at "Strike it Rich" because, he said, at least 55 families, lured by the promise of "easy money," have cashed the program's rainbow from all over the country right onto New York City's relief rolls.

Warren Hull, the "Strike it Rich" master of ceremonies, briefly told listeners Wednesday night about the "heart fund," the part of the program under fire.

He said "you folks" started the fund "way back in 1951" as "a spontaneous gesture."

Kaiser Cars Will Use Supercharger Detroit — (AP) — A supercharger is being adapted to a passenger car engine again after a lapse of nearly two decades.

Kaiser Motors' 1954 model Kaiser Manhattans will have the device on an L-head six cylinder engine.

The now defunct Graham Motors introduced the supercharger principle in 1936 along with the now popular overdrive transmission.

Superchargers have been popular on European cars for many years. One reason probably is that in some countries there is a tax on the size of the bore in the car's engine. That made high piston displacement more or less prohibitive.

Kaiser expects to — in two major objectives with the supercharger: to retain a high mileage economy at cruising speed and at the same time provide a goodly reserve of power for passing, hill climbing and increased top speed.

Kaiser engineers claim the supercharger engine gives much faster cold weather starts.

Pope's Condition Continues Better Vatican City — (AP) — The Vatican announced today that Pope Pius XII is continuing to improve from the gastric ailment which has kept him in seclusion since Jan. 26.

Moderately optimistic like all other Vatican press office communique on the Pope's health, the statement said:

"The improvement of the past several days in the Pope's health continues." It added that he had passed a restful night.

Again today the Pope received his pro-secretary of state, Msgr. Giovanni Battista Montini, to study affairs of the church.

WEST KEITH—Miss Annie MacLean, of Hamilton, Mass., was here to attend the funeral of her sister, Mrs. Rachel Pehlmann.

Mr. John MacLean and Miss Helen Bellevue were week-end guests of Mr. and Mrs. Raymond Morrison.

Chinese Plan Big Industry For Sinkiang

Tokyo — (AP) — Russia's vast northwest — where China exploits oil and such mineral resources as uranium, will be transformed into Red China's greatest industrial region, Peiping radio said today.

Quoting People's China, a fortnightly magazine published in Russian, English and Japanese, the radio said the area "will become an industrial base even larger than Manchuria," now China's major industrial region.

Russia long has had a vital interest in the northwest, particularly Sinkiang province.

In January, 1950, Dean Acheson, then U. S. Secretary of State, charged that Russia was taking over Sinkiang, together with Manchuria, Inner and Outer Mongolia.

Since then numerous reports have indicated Russia has sent troops, settlers and industrial equipment into Sinkiang and now is in full control of the area.

Nationalist China sources reported in April, 1951, that Russia was building an atomic bomb plant 50 miles from Russia's Siberian frontier.

Peiping radio said People's China had just completed a special survey of the still thinly populated Northwest.

It said oil wells are operating; new railways and highways have been built; civil aviation has facilitated travel; many new power stations have been constructed; and many state farms and ranches have been established.

"Now, geological prospecting teams are combing the Northwest," the radio reported. "Large deposits of metals, petroleum, coal and other minerals have been discovered."

Stockholm — (AP) — The highest lottery in Sweden's history has been arranged for the benefit of the Royal Dramatic theatre, now being renovated ready for its 50th anniversary in 1958. Five top prizes of \$40,000 each are being offered.

Coal is forming in the United States at the present time, in the Dismal Swamp, the Everglades, and a few similar places.

Rabbie Burns Concert Given At Richmond

Richmond, Feb. 4 — Rev. William Brown, of Upper Melbourne, was the chairman at the annual Rabbie Burns concert which was presented by the members of St. Andrew's Presbyterian Church.

The Legion Hall was filled to capacity and a very enjoyable evening was spent when the following program was presented:

O Canada, group; Scots Wha Hae, Hall Caledonia, Alex Brown and chorus; My Bonnie, group and chorus; Star O'Rabbie, W. Brown and chorus; Ye Banks and Braes, Mr. George Lovett; selections, piano, Miss C. F. MacKenzie; songs selected, A. Brown; Turn Ye to Me, Mrs. L. Rattray; My Ain Folk, Mrs. L. Rattray; musical selections, H. Stevens and party; Highland Fling, Miss Frances Thompson; The Road to the Isles, Alex Brown and chorus; A Gordon for Me, W. Brown and chorus; Flow Gently Sweet Afton, group; duets, Mrs. Rattray and W. Brown; There was a Lad, A. Brown and chorus; The Eriskany Love Lilt, Mrs. L. Rattray.

Memories of Sir H. Lauder: The End of the Road, Romaine in the Gloamin', We Parted on the Shore, It's Nice to Get Up, The Waggle O' the Kilt, We're No Awa, every one joining in the last five numbers. Lang Syne concluded the concert.

The attractive setting was a room in a Scottish home. Rev. Mr. Brown's brother, Mr. Alex Brown, assisted with the program and he contributed a great deal with his fine bass voice, and the audience enthusiastically received Mrs. Leslie Rattray's solos and duets with Rev. Mr. Brown. The Scottish dances by Miss Frances Thompson were very much enjoyed.

Refreshments were served at the close of the evening and a social hour enjoyed.

HATLEY—
Mr. and Mrs. Willard Rexford, of Averb's Cliff, and Mr. and Mrs. Harold Cass and family, and Miss Cruthers, of Rock Island, were guests of Mr. and Mrs. W. D. Dustin.

Mrs. Delbert Vaughan, of Lennoxville, was the week-end guest of her mother and sister, Mrs. Macdougall and Miss Lillian Macdougall.

A pleasant social evening was spent at the home of Mr. and Mrs. Arthur McClary, when a number of friends were invited for an evening of cards.

Mrs. Charles Hyatt is still in Montreal, where she is staying to be near her little granddaughter, Audrey Hyatt, who recently underwent a serious operation, but is reported to be doing nicely.

SAWYERVILLE—
Mr. and Mrs. William Falconer spent a day in Randolph with Mr. and Mrs. Irwin Graham.

Mr. Delbert Thompson has gone to East Angus, where he has a position.

Mrs. Morton Evans spent a week in Sherbrooke with Mr. and Mrs. Ben Hewitt.

Mr. and Mrs. Kitchener Hodgins and family, of Bury, were week-end guests of Mr. and Mrs. Arthur Sawyer.

Several from here attended the funeral of Mr. Joseph Ashe, at Sand Hill.

Mrs. Bernard Bailey, of Cookshire, was a visitor at the home of Mr. and Mrs. Clayton Parker.

Mr. and Mrs. L. H. Hunt and Miss Blanche Hunt spent a day in Sherbrooke with Mrs. Everett Goodenough.

Mr. Gordon Hunt has left for Port-Aux-Basques, Newfoundland, where he has a position.

Mr. Thomas French and Rev. N. McKenzie accompanied Mr. and Mrs. John Melrose, to Montreal, on their return to Markham, Ont. Friends of Mrs. Park Jersperson regret to learn she is a patient in Sherbrooke Hospital.

Windsor Mills St. Andrew's Church Held Annual Congregational Meeting

Windsor Mills, Feb. 4 — St. Andrew's United Church annual congregational meeting was held in the church hall on Monday evening, January 25. The gathering was called to order at 7:30 by Rev. G. Gregersen with the singing of a hymn. A passage of Scripture was read followed by a short talk.

The minutes of the last year's annual meeting were read and approved. Reports of the various organizations were read, all showing a very profitable year.

The Women's Association showed a busy year, having as their goal assisting with the renovating of the parsonage and purchasing an electric refrigerator. The total amount spent on the parsonage was \$2,062.22. This includes complete rewiring of the electrical system, hardwood floors, papering and painting. During the summer the outside of the building was given a coat of paint. All are pleased to say that all work on the parsonage was done by voluntary labor. The number of man hours was 1,185, this does not include the hours put in by the ladies. This work was done under the expert supervision of Mr. F. MacKenzie and his committee, of Mrs. E. McLennan, Mrs. E. Mason, Mrs. D. Jondreville, Mrs. I. Greenlay and Messrs. S. Hall and Lawrence McCourt.

The committee of stewards reported that they had met all bills to the end of the year, leaving a fair balance to start the new year. The project for 1954 will be a new heating system for the church and with the co-operation of the congregation as in the previous year all hope to be able to complete same.

The new officers were then elected as follows: Trustees, Messrs. I. Greenlay, P. Lemoine and R. Ross; stewards, Messrs. D. Jondreville, H. Dubuc, Mr. R. Ross, Messrs. M. Plandin, M. Morine, F. Harper, M. Dubuc, Mrs. L. Paige, and Miss A. Boisvert; treasurer, Miss A. Boisvert; elders, Mrs. A. Jondreville, Mrs. P. Davis, Messrs. A. Noble, G. Noble, S. M. Paige and H. Dubuc; Sunday School superintendent, Mr. J. Leckie.

The clerk of session, Mr. S. M. Paige, expressed the feelings of the congregation that it had been a very happy and prosperous year under the guidance of Rev. G. Gregersen, and stated that all them.

Rev. G. Gregersen thanked the congregation for all the assistance given him.

The meeting was then adjourned and a delightful social hour was enjoyed by members of the Women's Association.

The W. A. of St. Andrew's The Women's Association of St. Andrew's United Church held its January meeting at the home of Mrs. S. M. Paige with 16 members present.

The president, Mrs. I. Greenlay, opened the meeting by calling on Mrs. A. Jondreville to conduct the devotional period.

The secretary, Mrs. H. Dubuc, read the minutes of the last meeting and several letters of thanks for Christmas cards, boxes and flowers.

The annual financial report was read by the treasurer, Mrs. S. M. Paige, which showed a balance of \$437.69, after all commitments were met.

The standing committees were named as follows: Sewing, Mrs. L. Stevens and Mrs. A. Jondreville; parsonage, Mrs. E. Mason and Mrs. D. McCourt; flowers, Mrs. E. McLennan.

The visiting committee for this month include Mrs. M. Dubuc and Mrs. G. McLeod.

The next meeting is to be at the home of Mrs. G. Noble, assisted by Mrs. G. Gregersen and Mrs. Davis.

The meeting closed by repeating the Mizpah benediction.

Refreshments were served by the hostesses assisted by Mrs. R. Sims and Mrs. I. Greenlay.

General Notes

Friends of Mr. Ernest Dunn will be pleased to learn that he has returned home, after receiving treatment in a hospital at Montreal, following an accident.

RANDBORO—

All were sorry to know that Mrs. Lydia Seale formerly of this place recently underwent a very serious operation. At last reports she is more than holding her own.

Anyone wishing to write Mrs. Seale the address is Laurendite hospital, Grand Mere, Quebec.

The sympathy of all goes out to the bereaved relatives of the late Mr. William Brown, of Sawerville, and Mr. J. Ashe, of Lennoxville.

Mr. and Mrs. Ronald Rothney and family, of Sand Hill, were guests of Mr. and Mrs. W. J. Graham.

Mrs. F. Sutcliffe Elected Head Of Abercorn W. A.

Abercorn, Feb. 4 — The annual meeting of the Abercorn W.A. was held on January 21 at the home of Mrs. F. Sutcliffe with nine members and four visitors present.

Following the opening prayers, the secretary-treasurer presented the financial statement which showed a very successful year's work, all obligations having been met.

The Dorcas report showed the work had gone on steadily through the year. Two bales, consisting of three quilts and used clothing, have been sent to Montreal. Twenty-five calendars were sold. Two food sales were held during the past year.

A donation of articles from the Angoras of Abercorn, for the Christmas sale netted the amount of \$90.38. Thanks are extended to the Angoras of Abercorn.

The president, Mrs. P. Lahue, resigned and Mrs. F. Sutcliffe was elected president for the coming year. Mrs. E. Willey was re-elected vice-president and Mrs. E. McGrath, secretary. Mrs. C. Boright was elected treasurer, and Mrs. H. Wilkins, Dorcas secretary.

The meeting adjourned by all repeating the Lord's Prayer after which a delicious tea was served

WATERLOO—

Mr. and Mrs. Russell Moffatt visited friends in Montreal over the week-end.

On the occasion of her eighty-first birthday, Mrs. Gertrude Stone, on January 27th, was the recipient of numerous letters, cards and gifts and at the supper hour she was feted in a very special way, when several of her friends, who frequently play bridge with her, assembled at her home with tempting viands, which were enjoyed by all before having their customary games.

The funeral service for Mr. Regan Forand, son of Mr. and Mrs. Robert Forand, Main Street, was held in St. Bernard Church, on Monday morning, February 1st.

by the hostess and a social time was enjoyed.

All Saints Vestry Meeting

The vestry meeting of the All Saints Church, Abercorn, was held on Sunday afternoon.

Mr. Frank Parkins was appointed clerk.

The minutes of the last meeting were read and approved.

The wardens were re-elected as follows: Mr. C. B. Willey, rector's warden, and Mr. N. Bleser, people's warden.

The W.A. treasurer gave her report, showing a good balance in the bank to start the new year.

The people's warden reported a small balance on hand. Mr. Frank Parkins and Mr. N. Bleser were appointed as delegates to attend the Synod.

The Sunday School plans were discussed for re-opening shortly.

Decorations For SHLA Linen Ball Will Be Colorful

Several members of the Sherbrooke Hospital Ladies Auxiliary met on Tuesday evening at the home of Mrs. J. A. MacLeod, Henneker Street, to start work on the decorations for the Linen Ball, to be held on February 27, at the William Street Armory. Under the direction of Mrs. MacLeod, convener, the theme "Fiesta" was adopted and by means of red tablecloths, black masks, jack-o-lanterns and balloons, the armory will be transformed into an irresistible Spanish patio. Many hours will be required during the month to make ready the decorations for the annual Linen Ball, which promises to be the usual great success, for the benefit of the Sherbrooke Hospital.

brought to a close by the serving of refreshments, and the winning of the door prize, the new type plastic raincoat, by Mrs. Jean Stevenson.

Drummondville Strollers Win 1st Prize At Richmond I.O.D.E. Dramatic Contest

Richmond, Feb. 4 — Mrs. C. E. Manning, regent of Adolphus Lord Aylmer Chapter, I.O.D.E., welcomed the large number of citizens who attended the dramatic competition on January 25 and 26. Mrs. Manning stated that the competition was held in recognition of "Founder's Day." Fifty-four years ago the first I.O.D.E. Chapter was founded in Montreal and from that small beginning has spread from Newfoundland to British Columbia, Yukon to Bermuda, until there is now a membership of over 30,000. Last month the Adolphus Lord Aylmer Chapter reached its 33rd birthday.

Founded to strengthen the ties of the Empire, the work of the Order covers many phases. Among these, education is given an important place, and it is under this heading these dramatic competitions are sponsored. Professor Wayne Hall, of Macdonald College, was the adjudicator.

The rules for the competition were as follows:

1. The competition is open to any group in Richmond and Vicinity.
2. Each play shall be of one act only and a maximum of 40 minutes shall be allotted to each group for its production.
3. All applications must include the following information: Title and author of play, number and sex of cast, playing time, description.

WOMEN'S CLUBS

QUEBEC EPSILON CHAPTER, BETA SIGMA PHI

The Quebec Epsilon Chapter, Beta Sigma Phi held its regular meeting at 93 Wellington Street, on Monday evening, February 1. In the absence of the president, Mrs. R. MacMillan, vice-president, was in the chair.

After the opening ritual repeated in unison by the members, routine business followed, when reports were read.

Final plans were made for the XI Exemplar and the Epsilon Chapters to attend the initiation banquet of the Granby Chapter at the Windsor Hotel on February 8, which is sponsored by the Sherbrooke chapters.

Arrangements were made regarding a St. Valentine party which will be taking place at Elmwood Inn, Lennoxville, on February 13. It was decided that the XI Exemplar and the Epsilon Chapters would again sponsor a spring fashion revue, which will be held at the Cinema de Paris on March 31. At this time the drawing of an Easter ensemble will be held.

The speaker of the evening, Mrs. Kenneth Herring, gave an interesting talk on "The Place Beautiful" and touched briefly on the origin and history of furniture and its development through the years. She was thanked by Mrs. C. Taylor.

The meeting was then brought to a close, when refreshments were served by the hostesses.

It was announced the next meeting will be "Clinic Night" which will be held at "Rockcliffe" on February 15. Members were asked to be present at 7:45.

Manners MAKE FRIENDS

When you walk into a roomful of acquaintances don't act a lot more pleased to see one than the rest. Unless, of course, there is an obvious reason for it — such as greeting someone who has just returned from a trip, or who has just been released from a hospital.

When in a group always try to appear to be just as pleased to see one person as another.

BOYNTON—

Mrs. H. G. Cooper has returned home, after spending several days at the home of her son, Mr. Stanley Cooper, at Burrough's Falls.

Sympathy is expressed for Mr. and Mrs. S. H. Cooper in the loss of their infant son.

Mrs. M. Ferguson has gone to Massawippi to assist in the M. Austin home for a few weeks.

Misses Beryl Mosher and Dorothy Cooper of Sherbrooke spent the week-end at their respective homes.

Word has been received here of the death of Mr. Lorenzo Hills, of Derby Line, Vt., who at one time resided here, where Mr. and Mrs. Phillip Gagne now reside. Sympathy is extended to the bereaved family.

KNOWLTON LANDING—

The sympathy of this community is extended to the family of the late Mr. Thomas Cousins. Many from here attended the funeral at Bolton Centre on Saturday, January 30th.

Dr. B. C. Brendon, of Glenrich, N.J., was an overnight guest at the home of Mr. and Mrs. Roland Ethier.

Mr. V. Hervey, Mr. Andy Neilson and Mr. Gordon McKindsey, of Montreal, were calling on friends here on Sunday.

Mr. and Mrs. Ralph Perkins and sons, Bobby and Neil, of Sutton were week-end guests of Mr. and Mrs. Porter Knowlton.

Concert By Knowlton High School Band And College Choral Group At Boundary

Rock Island, Feb. 4 — Despite the blustery weather on Saturday evening, January 30, upwards of 400 persons assembled at Sunny-side school auditorium for the presentation of the Knowlton High School band concert under the direction of Harry Long and for the vocal selection rendered by the choral group of girls of Stanstead College under the direction of Prof. Stanley Lynch, headmaster of the Eastern Townships Conservatory of Music.

The Knowlton Band, numbering 35 musicians, presented first "O Canada" and "America," followed by George Frederick Handel's First movement (Allegro) from Concerto Grosso in C Major, featuring Miss Jean Evans and Roger Delamare with flutes and Miss Beverly Watson with the clarinet. The second number was Nicolai Rimsky-Korsakov concerto for Trombone and Band in Allegro,

andante and allegretto, featuring John Pille with the Trombone. The third number was three English Folk Song Suite of Ralph Vaughan-Williams, Mr. Long introduced Roger Delamare, a student of Grade eleven, who proceeded to direct the Band for the playing of "Seventeen Come Sunday," "My Bonny Boy" and "Folk Songs from Somerset," with all the movements of a veteran director. The next presentation was Concertino for Clarinet, composition of Carl Maria Von Weber, which featured Miss Beverly Watson with the clarinet. This was followed by John Morrissey's version of "Stepping Out" from the suite, "An American Week-end, in three movements, first "Picnic Outing," "Evening Stroll" and "Stepping Out."

At this part of the program a short intermission was held while the Choral Group of Stanstead College assembled on the stage. Under the direction of Mr. Lynch the chorus of seventeen young ladies presented Leonard Smith's "Ectasy Waltzes," "Old Mother Hubbard," "A Stranger in Paradise," "Artist's Life" and "Tea for Two," with Miss Jean Davis of the Conservatory staff accompanying at the piano.

With the Knowlton Band on the stage the concert continued with the "Stars and Stripes" march followed by Frank Cofield's "Chartreuse," featuring Larry Durrell with the saxophone. The concluding number was Maurice Whitney's spiritual composition, "River Jordan."

Thunderous applause expressed the enjoyment of each and every number as the featured artist took bow after bow, and so great was the applause after the last number that the band played a marching rendition. The Band was composed of young men and women from the ages of twelve to the students of grades eleven and twelve, and it is always with amazement that one listens to such fine quality music as that which the Knowlton Band played last week, and to the songs of the College Choral Group. Surely from such groups as these comes the artist in the music world of tomorrow.

BIRTHDAY PARTY
Mr. O. W. Sisco, of Rock Island, observed his 73rd birthday on Tuesday, January 26, and the fol-

lowing Sunday he was the honored guest at a family party given by his two daughters, Mrs. Everett Vachon and Mrs. Gordon Knowlton, both of Waterville, held at the home of Mrs. Vachon.

Attending were Mr. and Mrs. Charles Sisco and family, Mr. and Mrs. Herman Sisco, Mr. and Mrs. William Sisco and son, Guy, Mr. and Mrs. Russell Brown and son, Byron, Miss Gladys Dustin, Miss Shirley May Hill, Mrs. Galen Sisco and family, as well as Mrs. O. W. Sisco, all of Rock Island, Mr. and Mrs. M. Sisco, of Compton, and Mr. and Mrs. Emile Frechette, of Waterville.

Although Mr. Sisco is 73 years of age this was his first birthday party and he received many lovely gifts from his assembled children, grandchildren and great-grandchildren.

A social afternoon was enjoyed by all and later the hostesses served a buffet luncheon, which included the traditional cake, prettily decorated with white and blue trim and topped with "73 Happy Birthday" and flaming candles. Mr. Sisco's many friends at the Boundary join his family in wishing him many more of these happy family gatherings.

HOCKEY TRIP
The Stanstead and Beebe Bantams hockey teams, numbering thirty youngsters, who were accompanied by six adults, left at seven o'clock on Saturday morning, January 30, for Newport, New Hampshire, where they arrived at noon. The trip was made by Quebec Central bus, operated by Cecil Whitman, of Rock Island. The day was decidedly blustery and six stops were necessary on the way down.

The two teams played an exhibition game on the Newport, N.H., ice with Stanstead winning over Beebe by one score, the score being 3 to 1 for Stanstead. This was part of the three-day winter carnival being held at Newport, N.H. While there the Canadian people were treated in a fine manner with free passes to the theatres and meals, as well as an opportunity to see the town and attend the carnival activities. The group left Newport at noon on Sunday arriving in Rock Island at seven o'clock.

HAPPY GANG CLUB
Mrs. Geoff Probyn and Mrs. Melissa Chamberlain, of Stanstead, were joint hostesses to the Happy Gang Birthday and Christmas Club held at the home of Mrs. Probyn on Friday evening, January 29. Two members were absent due to illness and one guest attended.

It was the birthday celebration of Mrs. Thomas Lees, who was presented with a gift of money and the best wishes of her friends for many more "Happy Birthdays." A guessing game was played with Mrs. Chamberlain the winner, the door prize going to Mrs. C. Shonyo. The evening included the playing of bingo, with the lucky winner receiving prizes. The refreshments served by the hostesses included a lovely birthday cake made by Mrs. Chamberlain and presented to Mrs. Lees, who made the initial cut.

The next party will take place at the home of Mrs. Thomas Lees on Friday evening, February 26.

NEW PROOF THAT MILLIONS CAN END THE NEED FOR LAXATIVES

—find relief from constipation this safe, natural way—without the injurious effects of repeated laxative use.

With all the progress of medical science over the past 30 years, authorities say there is no longer any reason why irregularity should be our most widespread human malady.

Nor is there any reason for developing the habitual use of harsh laxatives—of dosing with one preparation after another in the vain hope of finding, in some potion or pill, the "secret" of lasting relief.

Long-continued study of the problem has shown that one of the most common causes of irregularity is lack of bulk in the diet. And when this is the case, the common-sense correction is to be found not in the drug store but in your food store!

IT HAS LONG BEEN A MEDICALLY RECOGNIZED FACT THAT NATURE HAS PROVIDED, IN THE NATURAL FOODS MEN WERE INTENDED TO EAT, ALL THE ELEMENTS NECESSARY FOR THE LIFE-LONG AVOIDANCE OF COMMON CONSTIPATION.

One of these elements is a natural fibrous bulk, or vegetable cellulose, which normally and naturally aids the rhythmic process of elimination.

In no natural food is this natural bulk so ideally found as in the outer layers, or bran, of the whole wheat kernel which, as you know, is lost in modern milling.

Because of the known value of bran in promoting regularity the Kellogg Company has produced a complete, whole bran—with nothing taken away to lessen its effectiveness—sold under the name of Kellogg's All-Bran, the natural laxative cereal.

How effective is All-Bran? This has

been demonstrated in a series of systematic clinical studies reported in leading medical journals.

In one study, 135 people with known delayed bowel function were given one ounce of All-Bran daily for one week. They were studied clinically and with X-rays with tests made before, during and after they ate the All-Bran.

OF THE 135 PEOPLE, 107 SHOWED DEFINITE CLINICAL IMPROVEMENT IN JUST 7 DAYS.

IN A FOLLOW-UP STUDY, BETTER THAN 6 OUT OF EVERY 7 PATIENTS WHO WERE GIVEN ALL-BRAN IMPROVED.

The greatest advantage of All-Bran is that it corrects the cause of irregularity due to insufficient bulk. Chemical or drug-type laxatives, on the other hand, are intended only for overnight relief of a temporary stoppage.

When people use these products habitually—in a way that laxative makers never intended—they punish their digestive system in a way that nature never intended. Instead of correcting the cause, they often actually make their condition worse.

If you think you must take a laxative preparation occasionally, do so. But do it wisely. Read the instructions completely. AVOID EXCESSIVE USAGE. But for natural and lasting relief put your trust in nature. Just eat daily a one-ounce serving of All-Bran for breakfast and drink plenty of water.

This All-Bran plan has helped millions to re-establish and to maintain healthful regularity. Why not you?

Good Balances Reported At Meeting Of All Saints Church Vestry, Dunham

Dunham, Feb. 4 — The annual Vestry meeting of All Saints Church, Dunham, was held on Tuesday evening, January 26th, in the Parish Hall, following the annual supper provided by the ladies of the parish.

The meeting was opened with prayer by the rector, who expressed his pleasure at seeing so many of the parishioners present.

The rector mentioned those who had passed away during the year and all stood in silent tribute to their memory. He also paid tribute to Miss W. M. Wade, the former Principal of St. Helen's School, who for many years was a faithful and generous member of the parish and who had recently returned to England, to make her home there.

The financial statement of the parish was very gratifying, and showed a favorable balance at the end of the year. The various ladies organizations all revealed an active year and each closed the year with a good balance. The Guild had paid the entire cost of painting the "Rectory" and adjoining buildings.

Other improvements in the Parish include insulating the ceiling of the Church and building a curb wall opposite the front steps of the Church, both of which have been needed for some time.

The rector moved a vote of thanks to the various officers of the church, the ladies' organizations and all those who had in any way contributed to the work of the Parish during the past year, and a special vote of thanks to St. Helen's School, their choir and

organist and for other help given. Officers elected for 1954 were as follows: Earl Bracey appointed rector's warden; C. B. Gittens was re-elected people's warden, treasurer and Vestry clerk; Members of the Select Vestry are the rector, wardens, James Symington, A. E. Selby, Wallace Doherty, Houghton Turner, Joseph Ellis, Mrs. Marcus Doherty, Mrs. Manson, Miss Bristow, Miss Annie Selby, Miss Grant, Miss Garth and Mrs. Gittens. Members of the Cemetery Committee are the rector, wardens, James Symington and Marcus Doherty.

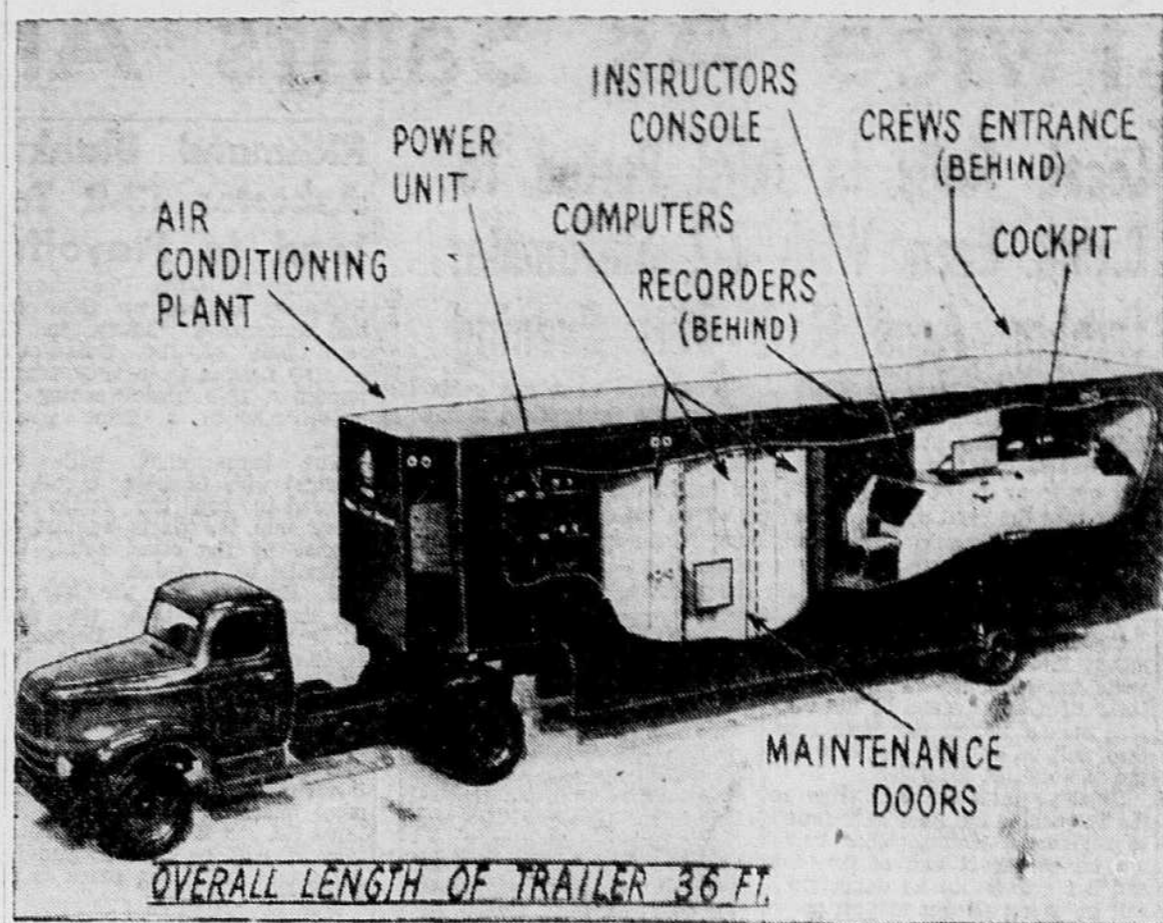

Among the plans discussed for the future were the lighting and re-decorating of the Parish Hall and the probable replacement of the present wood-burning furnace with an oil heating system.

Following the discussion, the rector closed the meeting with prayer and the Benediction.

ALL SAINTS W.A.
The W.A. of All Saints Church Dunham, held its annual meeting on January 12th, at the "Rectory", with six members present, many of the members were absent due to the very cold weather. The meeting was opened by the rector in the usual manner and turned over to the president, Mrs. Standish, who gave an excellent report of the year's work.

In April, the Bishop and Mrs. Powles and Rev. Toyooka visited Dunham. Mrs. Powles spoke on the work in Japan and some colorful and interesting slides were shown.

In November, the members at

Plans For Choir Concert Made By Richmond Group

Richmond, Feb. 4 — Mrs. J. S. MacNaughton presided at the January meeting of the Emerald Group, in the absence of the captain, Mrs. Harry Hardy.

Mrs. Cora Armstrong read the minutes of the last meeting and the annual report. It was reported that forty calls had been made during the month.

The secretary-treasurer reported that the amount of \$31.44 had been received as the group's share realized at the Variety Concert.

Plans were made for the Meridian Choir Concert, on February 10, in the Town Hall. One hundred tickets were given out to the members to be sold. Mrs. K. G. Nourse and Mrs. H. Frazer were appointed to assist with the refreshments to be served to the choir at the close of the program.

A membership committee was appointed as follows: Mrs. J. W. Bidgood, Mrs. A. MacRae and Mrs. C. T. Pope. They will be expected to notify the members the day before each meeting.

Mrs. A. Dyson and Miss Myrtle Dyson were appointed on the hostess committee and Mrs. H. W. Hills and Mrs. V. R. Beattie on the program committee.

Mrs. A. MacRae thanked the members for remembering her while she was in the hospital.

Three very interesting selections were read by Mrs. Mac-

Naughton during the program period.

Refreshments were served by Mrs. V. R. Beattie, Mrs. Percy Taylor and Mrs. Cora Armstrong.

91ST BIRTHDAY CELEBRATED
Mr. Foster Smith, of Ottawa, was the guest of his mother, Mrs. Jennie Smith, at the home of Mr. and Mrs. Arthur Paige, on the Craig Road, on the occasion of her 91st birthday.

Other guests were her daughter, Mrs. William Greer, of Danville, and Mrs. William Vrbu and Mrs. Bryce Billing and daughter, Beverly, of Asbestos.

Mrs. Smith received several cards and messages of congratula-

tions and her many friends will be pleased to learn that she is enjoying the best of health.

General Notes
Mrs. Arthur Paige, county president of the Quebec Women's Institutes, has returned from attending the semi-annual Provincial Board meeting at the Queen's Hotel, in Montreal.

Aggregate weight of the Diomedean quintuplets at birth was 13 pounds 6 ounces.

Sports Aiders, Magog, Sponsor Skating Party

Magog, Feb. 4 — The Princess Elizabeth Sports Aiders Association sponsored a very successful skating and dancing party at the Princess Elizabeth High School on Saturday night.

Despite the prevailing wind, snow and low temperature the rink was made ready for the party, which was attended by local skaters, as well as several who braved the elements to travel fifteen miles.

Skating was enjoyed by young and old, from eight to nine-thirty o'clock when the lights were turned out indicating that refreshments were ready to be served in the cafeteria. About six or eight members of the P.E.S.A.A. were kept busy passing out sandwiches, doughnuts and coffee to the one hundred and fifty or more guests who attended.

Following the refreshments, dancing was enjoyed in the gymnasium until midnight. The record-player was ably attended by

Mr. and Mrs. Herbert Whittier. Modern dances, and several Paul Jones and square dances, called by Mr. R. Nelson, were enjoyed by spectators as well as by those who danced. All who attended reported a very enjoyable and expressed the wish that more parties of this nature be held.

The members of the P.E.S.A.A. are to be congratulated on the success of their second endeavor to raise money to buy sports equipment, finance transportation and other expenditures arising in connection with the instruction of children in such sports as hockey, skiing and basketball. Their first effort was the starting of two travelling baskets, whose travels have not as yet ceased, nor the proceeds as yet known. It is believed and hoped that this money raising scheme will prove to have been as successful as the skating party.

The early but encouraging results of the untiring efforts of the officers and instructors of the P.E.S.A.A. in their aim to assist young would-be sportsmen and sportswomen to become "good sports" prove that the presence of, and the interest shown by parents and friends do much to boost the morale of their sons and daughters as well as their instructors.

Continued success is wished the

P.E.S.A.A. in any future endeavors to happily occupy the spare time of these youngsters in good clean, healthy, supervised sports at which they may or may not become adept.

The officers of this newly organized association are as follows: President, Frank Bennett; vice-president, Tom Gaunt; secretary, Gil Ethier; treasurer, Albert Cotterell, Jr.

The instructors are: Hockey, Albert Cotterell, Jr.; skiing, Geoff Frey Lowther; basketball, C. Robinson.

tended the Deanery Mission service held in Stanbridge East, and heard an inspiring address by Bishop Wilkinson, of the Diocese of Amritsar, India, who presented a film on the work there.

In November also the members bade farewell to Miss Wade, who had long been a faithful member of the Dunham W.A. and was leaving to make her home in England. At this meeting, Miss Wade was presented with a copy of Dr. T. R. Millman's recent book on the life of Bishop Stewart, as a parting gift from her fellow members.

On St. Andrew's Day, members from East Farnham and Stanbridge East joined in the communion service in All Saints. The celebrant was the Rev. E. Kettleborough and the sermon was preached by our rector. Following the service, a hotdish luncheon was served to all present in the Parish Hall.

During the year this branch lost two members by death, Miss Jean Guillet and Miss Dorothy Walsh, two other members moved away from Dunham, Mrs. Hilton and Miss Annie Small.

The financial report was given by Mrs. Earl Bracey and showed that all pledges and commitments had been met in full leaving a generous balance on hand.

The election of officers followed with the rector for chairman; Mrs. C. B. Gittens, president; Mrs. Standish, secretary; Mrs. Earl Bracey, treasurer; Mrs. A. Manson, Dorcas secretary; Miss A. Charsley, "Living Message", secretary; Miss S. W. Garth, Little Helpers.

The rector closed the meeting with prayer, after which refreshments were served. The hostesses were Mrs. Standish, Mrs. Manson and Miss Garth.

ALL SAINTS GUILD
The annual meeting of All Saints Guild was held prior to the supper and Vestry meeting on Tuesday, January 26th, in the Parish Hall, under the chairmanship of the president, Mrs. Annie Manson, who thanked the members for their loyal support and faithful work during the year, which had contributed greatly to the very successful report presented by the secretary-treasurer, Mrs. Ellis.

After the heavy expense of painting the rectory and adjoining buildings, the report showed a very favourable balance in the bank.

The rector, the Rev. Mr. Standish, then took the chair for the election of Officers for the new year, which resulted as follows: Mrs. Annie Manson, re-elected president; Mrs. Margaret Ellis, secretary; Mrs. Gittens, treasurer.

Following the election of officers, the rector expressed his thanks to the Guild for the good work done in beautifying the rectory and wished all the members continued success in the year ahead. The meeting then was closed with the benediction.

Gilles Dube Tallies Twice As Saints And Indians Tie

Dave Gatherum Still Setting Pace In "Player Of Distinction" Race; Gilles Dube Closes Gap In Second

Plunging into the second last month of the QHL campaign, Sherbrooke's "Player of Distinction" voting for the Lord Calvert Trophy today saw the injured Dave Gatherum still in the lead following the latest ballot count among local sportswriters and sportscasters.

Piling up a heavy vote before being sidelined, the Saints' goalie managed to stave off his rivals although the race is extremely close. Ballot returns show Gatherum with a season's total of 44 points while his replacement, Gerry Cotnoir, has succeeded in picking up a few votes for his efforts between the pipes.

In the "Player of Distinction" voting, three points go to a first place selection by the press and radio, two for a second, and one for a third. After every home game, Len O'Donnell compiles the ballot returns of his conferees in the press box and relays the results to Henry Delorme, Calvert's district representative.

Threatening Gatherum's lead is Gilles Dube, a former winner of the Lord Calvert Trophy. The hard-working forward has been accorded a total of 40 points to move him within four of top perch. The most improvement in votes was registered by Gerry Ehaman who has spurred from seventh into third spot with a total of 33.

Ed Stankiewicz is fourth in the "Player of Distinction" rankings with 30 to share that spot with Red Bownass. Another deadlock exists in fifth position where Earl Johnson and Nels Podolsky are tied with 29 points. Motto McLean remains one point behind while Bert Giesbrecht is next with 26.

At the end of the regular QHL schedule, the player receiving the most votes from local press and radio will be awarded the Lord Calvert Trophy, emblematic of the team's most valuable player throughout the season.

Ray Frederick Of Senators Posts His Eighth Shutout Of Season By Blanking Chicoutimi Saguenays 6-0

Ottawa—Goalie Ray Frederick scored his eighth shut-out of the season here last night as Ottawa Senators blanked Chicoutimi Saguenays 6-0 in a fast Quebec Hockey League game.

The win moved the Senators into third place in the standings, with the Sherbrooke Saints, Chicoutimi is tied for first place with Montreal Royals.

Senators rallied for three goals in the second period after a scoreless first and added two more in the final as they kept the Chics out of the scoring.

Defenceman Johnny Arundel scored three goals for the winners while singles came from Phil Maloney, Leo Gravelle and Bill Johnson.

Ottawa game goalie Phil Hughes had a hectic night between the Chicoutimi pipes, particularly in the first period when he was called on to make 18 stops. In all, he turned aside 42 scoring attempts to 16 for Frederick.

Maloney gave Ottawa the lead at 2:10 of the second period on a goal-mouth pass from Bobby Copp and Pep Guidolin. Arundel made it 3-0 with his two goals before the period ended. His first came on a low 15-foot drive at 6:06 and the second glanced in off the goal post on a baseline drive at 12:12.

Gravelle's 3rd goal of the season after only 42 seconds of play in the final period also careened in off the goal post. He took a pass from Howard Riopelle, caught Hughes off balance and slid the puck in off the pipe. Johnson wound up the scoring at 13:34 from a rebound with help from Jack Giesbrecht and Al Kuntz.

Chicoutimi—Goal: Hughes; defence, Lamirande, Taillefer, Roy; forwards, Buchanan, White, Tchuk, L. Smrke, S. Smrke, Groleau, Perreault, Moore, Locas, Leger.

Ottawa—Goal: Frederick; defence, Copp, Hudson, Robertson, Stahan, Arundel; forwards, Blair

Willie Troy Pounds Out Win Over Ward

Detroit (AP) — Smart Willie Troy of Washington secured his position as seventh ranking middle-weight by knocking out Detroit's Moses Ward at 2:42 of the eighth round here Wednesday night.

A left and right put Ward down for good, but he was a victim of exhaustion more than anything else. He simply punched himself out as his defeat put a damper for the time being at least on his dream of going into big time. It was the first time the young Detroit fighter had ever been floored.

Troy, who weighed 159 1/2 to Ward's 161, scored his seventh straight knockout.

Latner Signs With Steelers

Pittsburgh (AP) — All-America halfback Johnny Latner of Notre Dame has decided against going to Canada and signed a contract with Pittsburgh Steelers of the National Football League, the club announced today.

The Steelers declined to disclose cash terms of the contract with their No. 1 draft choice.

The 21-year-old Chicago athlete revealed previously he had received two tentative offers from representatives of Canadian pro teams, Vancouver and Ottawa were reported interested in signing him.

The all-America halfback led collegiate players in kick-off returns last year with a 41-yard average, was second on his squad in rushing and the second highest Notre Dame scorer with nine touchdowns.

Eight U.S. Records Accepted By Body

London (AP) — Eight records by United States athletes were among the 38 world track and field marks approved Wednesday by the International Amateur Athletic Federation.

Mal Whitfield, Olympic 800-metre champion, was credited with two of the new standards. The former Ohio State star received official recognition for his 1:48.6 for 880 yards at Turku, Finland, last July 7 and his 2:20.8 for 1,000 metres at Eskilstuna, Sweden, Aug. 8.

Shotputter Parry O'Brien broke into the record list twice with heaves of 59 feet, 3/4 inch at Fresno, Calif., May 9 and 59 feet 2 1/2 inches at Compton, Calif., June 5.

So did Fortune Gordien in the discus with throws of 190 feet 7 1/2 inches at Pasadena, Calif., July 11 and 194 feet, 6 inches at Pasadena on Aug. 22. Sim Iness received credit for a record discus throw of 190 feet 1/2 inch at Lincoln, Neb., June 20, but his mark was wiped out by Gordien's performances.

Sets Jumping Record
Walt Davis, high jumper now playing pro basketball with the Philadelphia Warriors, was the fifth American honored. His leap of 6 feet 11 1/2 inches last June 27 was approved as a world record.

Emil Zatopek of Czechoslovakia, distance star of the 1952 Olympics, received credit for three marks—28 minutes, 8.4 seconds for six miles; 20:1.6 for 10,000 metres and one hour, 35 minutes, 23.8 seconds for 30,000 metres.

Athletes of the Soviet Union received recognition for 11 records including seven by women.

Locals Rally In Third Period To Break Even With 2-2 Stalemate; Quebec Aces Here This Evening

Springfield, Mass. — (CP) — Gilles Dube shot two goals last night to give Sherbrooke Saints a 2-2 tie with Springfield Indians in a Quebec Hockey League overtime game.

Dube's tying marker came at 9:29 of the third period after he put his team in the game with a goal in the opening frame. Indians went into the lead in the second period on goals by Hartley McLeod and Johnny Bonenic, with coach Doug McMurdy assisting on both.

The work of both goalies was outstanding — John Henderson for Springfield and Gerry Cotnoir for the visitors.

Aces Here This Evening
Coach Gerry Brown and his Aces moves into town tonight to tangle with the Sherbrooke Saints in their fifth appearance of the current season and at the same time they will be hunting for their initial victory on local ice.

In their four previous trips to the Townships the Aces have failed to register a victory. They came out on the short end of 5-1, 5-4 and 3-1 counts but no doubt they will be going all out to post their first win. The Saints and Senators are tied in third position in the standing, each with 52 points, but the locals hold two games in hand over the Ottawa clan.

The Aces are only two points ahead of the Springfield Indians but they also have two games in hand over the American squad therefore the outcome of tonight's tilt is important from both sides and the teams will be fighting that much harder for the victory.

Sherbrooke—Goal: Cotnoir; defence: Arbour, Bownass, Palamar, Forbes; forwards: Dube, Stankiewicz, Johnson, McLean, Irving, Ehaman, Podolsky, Brunette, Malo, Giesbrecht.

Springfield—Goal: Henderson; defence: Telford, Currie, McNab, Tarala; forwards: Power, Schinkel, Hastings, Powell, McLeod, Bobenic, McMurdy, Hogg, Milligan, Lelzer.

Referee: Charlie Deziel; linesmen: Charlie Ghedi, Bill Cote.

Sherbrooke Intermediates Move Into Third Place In Massawippi League Down East Angus 5-3

Sherbrooke Intermediates moved into third position in the Massawippi Valley Hockey League last night, as they captured their second straight game, downing East Angus 5-3 in the paper town, in recovering from a mid-January slump that cost them six consecutive games.

Morin and Papineau paced the Sherbrooke squad, each with a pair of markers and an assist. Gingués accounted for the other local tally, and was credited with assisting on two other goals.

For the losers, the Reid, Gagnon and Savaria line was outstanding, with Gagnon slaming in two goals. Laprite notched the other goal, as he opened the scoring for East Angus at 8:30 of the first frame. Reid and Martel assisted.

Gagnon's 10-footer increased the margin to 2-0 for the East Angs Pirates. Morin brought the count to 2-1 as he scored on a passing play with Papineau with only fifty seconds remaining in the first twenty minutes.

Sherbrooke erupted to score three goals in the middle frame to take a 4-2 lead. Gingués accounted for the first, Papineau scored the second, and Morin fired in his second tally on the game at 17:10 for the third.

After fifteen minutes of play in the third period, Gagnon put the Pirates back in the game beating goalie Labbe from close in, but

Touring Golf Pros Move In On Phoenix For \$10,000 Open Which Opens Today; Ben Hogan To Miss

Phoenix, Ariz. — (AP) — The touring golf brigade made its annual stop here today in what appears to be a wide-open chase for the \$10,000 Phoenix open championship.

The tournament, to run through Sunday, will be the conventional 72-hole medal play with 143 in the field.

Although he hasn't been doing too much lately in California tournaments, Lloyd Mangrum of Niles, Ill., remains the sentimental favorite. Mangrum has triumphed two years running here and if he succeeds again he will establish an all-time record in Phoenix.

Just about everybody except Ben Hogan and the injured Dutch Harrison lined up at the starting tee today.

In contention are such standouts as Fred Haas Jr., winner at Palm Springs, Calif., last Sunday; Bo Winger, co-runner-up in the same tournament; Fred Wampler, victor in the Los Angeles Open; Jimmy Demaret, Cary Middlecoff, Lew Worsham, Doug Ford, Walter Burkemo, Ed Oliver, Julius Boros, Jim Ferrier, and Dave Douglas, among others.

Balding and Bud Holscher, White Plains, N.Y., each registered 668 over the Phoenix Country Club course for the lowest scores of the day.

Leo Labine Rated Highly By Coach; Bruins Meet Wings While Leafs Take On Canadiens And Rangers The Hawks

Leo Labine, who liked to throw his 170 pounds around in the amateurs, has become one of the most promising scorers in the National Hockey League since he overcame the urge to make clay pigeons out of opposing players.

"But that doesn't mean I'm a sissy," the peppery little center says. "I may not be going after the boys as much as I used to, but don't get the idea that I'm going soft."

In 49 games this season, Labine has scored 10 goals and 11 assists for the fourth-place Bruins. That is two more goals than he had in 51 games last year. In 15 tilts dur-

Richmond Blanks Asbestos 13-0 To Lead In Playoffs

Richmond, —The Phantoms of Richmond chalked up their second consecutive victory in the semi-finals of the Bois-Francs Hockey League when they administered a 13-0 white-washing job on Asbestos in a game played here.

The home club, with two straight wins to their credit, is favored to cop the series and move into the finals against the winner of the other semi, Victoriaville or Warwick.

G. Haworth was the big gun for the victors with six goals while Bissonnette and Desrochers registered hat-tricks while Desrochers accounted for the other.

The Phantoms tallied five goals in the opening frame and added four each in the middle and final periods to ensure themselves of the victory. The teams will now meet tomorrow evening in the third tilt and if a fourth is necessary it will be played Tuesday. All games are taking place in the Richmond Coliseum.

Bisons Increase Lead With Win Over Providence Reds

Buffalo Bisons increased their lead in the American Hockey League Wednesday when they came from behind to edge the cellar-dwelling Providence Reds 2-1 at Providence.

The only other game saw fourth-place Pittsburgh Hornets trounce Syracuse Warriors 6-1 at home.

The Bisons scored both their goals in eight minutes of the second period after trailing 1-0 during the opening stanza, when defenceman Bert Bourassa tallied with a 45-foot piledriver for the Reds. Ed Slowinski and Don Marshall counted for the winners.

At Pittsburgh the Hornets tallied twice in each period. Danny Lewicki was the chief menace, scoring two goals and setting up the others. Johnny McLellan, Frank Matthews, Frank Sullivan and Bob Solinger also scored for Pittsburgh while Billy Gooden got the Warriors' lone goal.

Jr. Canadiens Edge Toronto Marlboros 3-2 In Close Tilt

Montreal (AP) — A solo attack by Andre Pronovost with only 19 seconds remaining gave Montreal Junior Canadiens a 3-2 victory over Toronto Marlboros in an interlocking junior hockey league game last night.

More than 900 fans saw Pronovost's spectacular tally. Grabbing the puck in the Toronto face-off zone from Marlboro defenceman Al MacNeil, he moved in and fired into the corner of the net.

Dave Reid was the Toronto star, scoring both the visitors' goals, both were assists from Mike Nykolup and Mike Elike. The first came late in the first period to tie the score, and the second marker was the only one of the second period.

It was a hard, clean contest with only five penalties, three to Canadiens.

Reds Swamp Royals 13-1 In Jr. Fixture

Trois-Rivieres, Que. — (AP) — Jean-Guy Gendron scored four goals last night as Trois-Rivieres Reds smothered Montreal Royals 13-1 in a Quebec Junior Hockey League game.

Eddie Eustace saved Royals from a shutout with his goal at 83:4 of the second second period, assisted by Alex Viskelis and Sandy Morrison.

Herve Lalonde picked up two goals and three assists for five points in the Trois-Rivieres rampage. Gendron got five points, adding one assist to his goals. Roger Houle scored twice.

Fronts Topple Barrie Flyers

Barrie, Ont. — Quebec Frontenacs continued their undefeated record during their current Ontario tour as they defeated fifth-place Barrie Flyers of the Ontario Hockey Association Junior A Group 6-4 here last night.

Some 1,000 fans saw Frontenacs take a 2-0 lead in the first period on goals by Fernand Turcotte and Mike Rathford.

Turcotte scored his second goal in the middle period. Other scorers for the Quebec Junior Hockey League team were Maurice Mantha, George Faulkner and Richard Bouchard.

Barrie scorers were Bob McNeil, Tommy Wilson, Danny Polizani and Jim Robertson.

During the 1951-52 season, he had two goals.

The 22-year-old native of Halleybury, Ont., will be with the Bruins tonight when they meet the league-leading Detroit Red Wings in a game that is important in the race for the fourth and last playoff berth.

The Bruins, who have won 21 games and tied six this season, are only three points ahead of the fifth-place New York Rangers.

Windsor Rockettes Down Tartans 50-22 In Exhibition Tilt At Y; H. Watt Top Scorer With 21 Points

Windsor Mills Rockettes displayed too much all-around power for the newly-formed squad of Sherbrooke and went on to post a 50-22 verdict in an exhibition game played at the local Y.W.C.A.

The fixture was a fast affair with the Rockettes, former Eastern Townships champions and finalists in the provincial playdowns, possessing too much all-around scoring punch. The Tartans showed plenty of promise and gave a good account of themselves in holding the Rockettes to a low score.

At the end of the first quarter the Tartans were cheered on by the slim margin of one point, which, however, they lost soon in the second quarter, when the game slowed down to some extent. At half-time the Rockettes had gained the wide margin of 30 to 11, and it was not till well on in the game, in fact at the beginning of the fourth quarter that the Tartans came back to their usual form once more to hold the Rockettes to a hard-playing game which brought the final score.

High scorer for the evening was H. Watt of the Rockettes with 21 points. The next high was V. Breck with nine. For the Tartans it was Joan Fraser with six, followed by B. Ross and V. Bible with five points each.

Brendon Larrabee refereed, being assisted by Gratton Crosby.

Tartans: B. Bockus 4, P. Pearson 2, B. Ross 5, N. Wentzell, E. Doherty, V. Bible 5, J. Fraser 6, M. Roy, P. Hogge, M. Ladd.

Rockettes: H. Watt 21, D. Alford 7, V. Breck 9, E. Barrington 6, N. Couture, C. Allord 2, M. Bellemore 2, B. Cayer 1, G. Gilbert, D. Pepin, M. LeVasseur, G. Ewing 2.

Kitoute Joannette Tallies Winner For Braves With 28 Seconds Left; Eke Out 2-1 Decision In Close Duel

Quebec — (AP) — Veteran Kitoute Joannette's close-in goal with 28 seconds left to play in the game last night gave Valleyfield Braves a 2-1 victory over Quebec Aces before 6,450 Quebec Hockey League spectators.

Joannette's marker broke a deadlock that had lasted from late in the previous period. The other Braves' goal came off the stick of Kitoute's brother, while Buddy Boone counted for Quebec.

The first frame, a rough-but-dull period, saw referee Bill Robertson crack down with seven penalties, including majors to Boone and Bruce Cline for fighting.

About half-way through the second period, with no score registered, Valleyfield's Andy Payette was winded when he leaped into the air to stop a hard shot by Larry Regan.

Some five minutes after a resumption of play Boone took a pass from Butch Houle and let one go from 10 feet out that Payette didn't see. Haworth tied it up at 18:57 after rushing the ice with Dewey Thompson, taking a goal-mouth pass and slipping it past Quebec netminder Jack Gelineau.

Throughout the evenly-matched final frame, both teams fought to break the deadlock, but inept passing in most cases foiled their tries. Then with less than a minute to go, Joannette swept in on the nets alone while Valleyfield had the pressure on and let one go from about two feet out for the win.

Cubs Beat Marquis 9-3 In Rough Tilt

Hamilton — (AP) — Hamilton Cubs moved out of the Ontario Hockey Association junior A cellar last night by defeating Jonquiere Marquis 9-3 in a rough Quebec-Ontario interlocking game.

Referee Bill Divorski handed out 17 minors, 10 of them to Hamilton, a match misconduct, two misconducts and a major to the Marquis and a major to Cubs.

Brian Kilrea and Ed Louttit led Hamilton with two goals each. Singles went to Real Larouche, Cummy and Bill Stewart, Joe Zoric and Ted Reid.

Fred Carter, Gaston Bordeleau and Jacques Gagne scored for Jonquiere.

The game exploded in the last period when Fred Carter of Jonquiere and Barry Hayton of Hamilton came to blows.

Earlier in the period, Divorski gave Jonquiere two misconducts for banging the boards with sticks in protest of a penalty.

Jonquiere only got one shot at the Cub goal in the second period and scored on it. That was a shot by Bordeleau on a breakaway while Jonquiere was playing two men short.

Jonquiere used Don Oliver, Kit-chener Greenshirt spare goalie, to replace Andre Bouchard, out with an injured wrist.

Cubs used Danny Olesvich, their spare goalie, to replace the injured Denny Riggan.

Reids Topple Barrie Flyers

Barrie, Ont. — Quebec Frontenacs continued their undefeated record during their current Ontario tour as they defeated fifth-place Barrie Flyers of the Ontario Hockey Association Junior A Group 6-4 here last night.

Some 1,000 fans saw Frontenacs take a 2-0 lead in the first period on goals by Fernand Turcotte and Mike Rathford.

Turcotte scored his second goal in the middle period. Other scorers for the Quebec Junior Hockey League team were Maurice Mantha, George Faulkner and Richard Bouchard.

Barrie scorers were Bob McNeil, Tommy Wilson, Danny Polizani and Jim Robertson.

During the 1951-52 season, he had two goals.

The 22-year-old native of Halleybury, Ont., will be with the Bruins tonight when they meet the league-leading Detroit Red Wings in a game that is important in the race for the fourth and last playoff berth.

The Bruins, who have won 21 games and tied six this season, are only three points ahead of the fifth-place New York Rangers.

Richmond Blanks Asbestos 13-0 To Lead In Playoffs

Richmond, —The Phantoms of Richmond chalked up their second consecutive victory in the semi-finals of the Bois-Francs Hockey League when they administered a 13-0 white-washing job on Asbestos in a game played here.

The home club, with two straight wins to their credit, is favored to cop the series and move into the finals against the winner of the other semi, Victoriaville or Warwick.

G. Haworth was the big gun for the victors with six goals while Bissonnette and Desrochers registered hat-tricks while Desrochers accounted for the other.

The Phantoms tallied five goals in the opening frame and added four each in the middle and final periods to ensure themselves of the victory. The teams will now meet tomorrow evening in the third tilt and if a fourth is necessary it will be played Tuesday. All games are taking place in the Richmond Coliseum.

Bisons Increase Lead With Win Over Providence Reds

Buffalo Bisons increased their lead in the American Hockey League Wednesday when they came from behind to edge the cellar-dwelling Providence Reds 2-1 at Providence.

The only other game saw fourth-place Pittsburgh Hornets trounce Syracuse Warriors 6-1 at home.

The Bisons scored both their goals in eight minutes of the second period after trailing 1-0 during the opening stanza, when defenceman Bert Bourassa tallied with a 45-foot piledriver for the Reds. Ed Slowinski and Don Marshall counted for the winners.

At Pittsburgh the Hornets tallied twice in each period. Danny Lewicki was the chief menace, scoring two goals and setting up the others. Johnny McLellan, Frank Matthews, Frank Sullivan and Bob Solinger also scored for Pittsburgh while Billy Gooden got the Warriors' lone goal.

Jr. Canadiens Edge Toronto Marlboros 3-2 In Close Tilt

Montreal (AP) — A solo attack by Andre Pronovost with only 19 seconds remaining gave Montreal Junior Canadiens a 3-2 victory over Toronto Marlboros in an interlocking junior hockey league game last night.

More than 900 fans saw Pronovost's spectacular tally. Grabbing the puck in the Toronto face-off zone from Marlboro defenceman Al MacNeil, he moved in and fired into the corner of the net.

Dave Reid was the Toronto star, scoring both the visitors' goals, both were assists from Mike Nykolup and Mike Elike. The first came late in the first period to tie the score, and the second marker was the only one of the second period.

It was a hard, clean contest with only five penalties, three to Canadiens.

OBITUARIES

DONALD J. MORRISON, OF SCOTSTOWN

Scotstown, Feb. 4.—The community of Scotstown was deeply saddened on January 25th, when it learned of the sudden death of Donald J. Morrison, at the home of his twin sister, Mrs. John K. MacLeod, where he had resided for the past two years.

The deceased was born at Hampden, Que., on February 4th, 1871, the son of the late John A. and Katherine MacLeod Morrison.

In October 1911, he was married to Effie MacAulay, who predeceased him in 1937.

He leaves to mourn his loss his step-son, Andrew MacAulay, two sisters, Mary, Mrs. John K. MacLeod and Margaret, Mrs. John A. MacLeod, and several nieces and nephews.

Mr. Morrison spent his entire life in these parts. He was faithful employee of the Guelph Cask Veneer and Plywood Company,

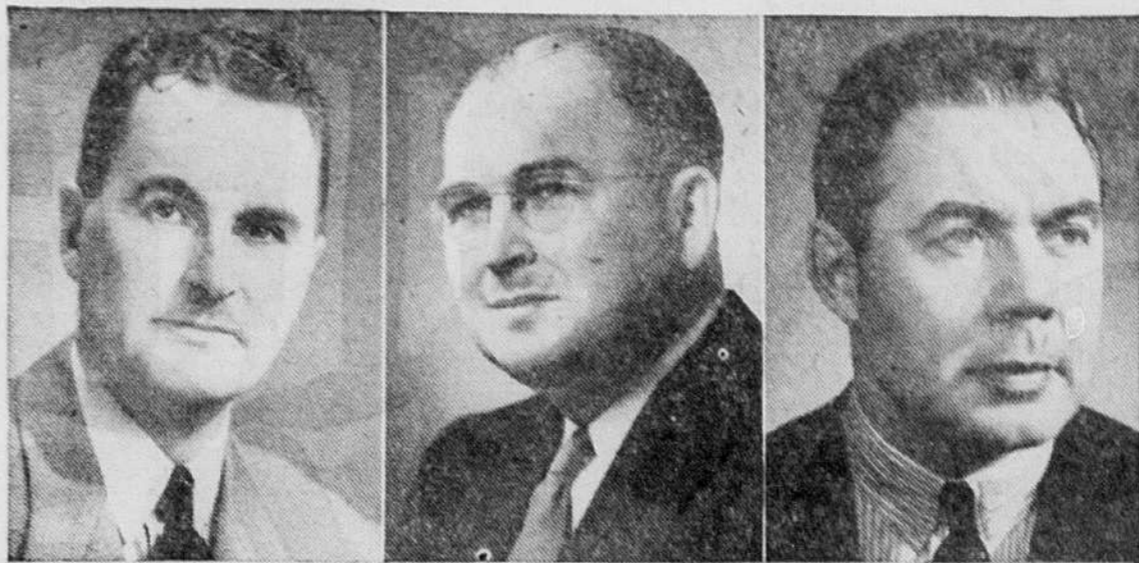

for 36 years. He retired a few years ago.

The funeral service was held at the home of his sister, Mrs. John K. MacLeod on Wednesday, January 27th, at 2 o'clock, where many friends and relatives gathered to pay their last respects to one of the oldest and most respected citizens of this community. The beautiful floral tributes and messages of sympathy received showed the esteem in which he was held.

Rev. John Smith conducted the service. Two of the deceased's favorite hymns were sung, "What A Friend We Have In Jesus" and "Jesus Lover of My Soul."

The bearers were: Messrs. Alexander Morrison, Earl, and John Morrison, Kenneth E. MacLeod and Walter MacKenzie, all nephews of Mr. Morrison, and Mr. Kenneth Morrison, of Dell, Burial was made in the family plot, in Dell Cemetery.

Among those from a distance attending the funeral were, Mr. Andrew MacAulay, of Manchester, N.H.; Mrs. John A. MacLeod, of Montreal; Mrs. Alexander Mur-

LORNE D. CLARK

COLIN C. CAMPBELL

CHARLES N. AMBLER

W. CLARK LTD. ELECTS NEW PRESIDENT, ANNOUNCES EXPANSION PLANS: At a recent meeting of the board of directors of W. Clark Ltd., Lorne D. Clark was elected president and managing director, succeeding Ernest J. Clark who retired in December, 1953, after serving the company for more than 50 years. The new president joined the company in 1933 as salesman, became a director in 1942, and was named executive vice-president in 1953. He served with the Canadian Navy for five years during the Second World War, and at its close held the rank of Lieutenant-commander.

Administration of company's finances and purchases will be the responsibility of Colin C. Campbell, vice-president and secretary-treasurer, who has been with the company since 1934. Mr. Campbell is a Fellow of the Chartered Institute of Secretaries. Charles N. Ambler has joined the company in the capacity of general sales manager. Mr. Ambler is well known in the Canadian food industry, having spent 30 years in the field of selling and merchandising grocery products. He will administer the company's sales and advertising policies.

Mr. Clark assumes the presidency of the company at a time when it has embarked on a program of expansion and development. Expansion plans include the enlarging of the company's plant at St. Remi, Quebec, and increasing its productive capacity by constructing a new factory, warehouse and office building. The Montreal plant is being closed out and its operations consolidated with the new plant at St. Remi.

THOMAS E. E. COUSENS, OF BOLTON CENTRE

Bolton Centre, Feb. 4.—The residents of this community were shocked and grieved when it was learned that Mr. Thomas Edward Ellis Cousens had succumbed to a heart attack at his home on the afternoon of January 20. He had been going about at his usual duties and had apparently sat down in a favorite chair to rest and passed out while taking a nap.

Mr. Cousens was born at Bolton Glen on February 12, 1876, a son of Edward Ellis Cousens and his wife, Mary Margaret Blair. He spent his childhood days at that place. Later as a young man he went to New York, where he resided for several years.

In 1904 he was married to Myrtle Jane Cousens, of Bolton Centre, and settled on a farm near here. Later they moved to the village and Mr. Cousens did lumbering and later worked at carpenter work, first for Mr. Norcross on Brome Lake, and then for Mr. Eric Fisher, on Lake Memphremagog. During this time he was building up his milk ranch, which for some time has been known as the Cousens Fur Farm and for the last 20 years he gave this business his full attention.

He leaves to mourn his loss his wife; one son, Donald Cousens; a daughter-in-law, Mrs. Donald Cousens; a granddaughter, Miss Betty Lou Cousens; brothers, Sam-

Knowlton United Church Holds Annual Congregational Supper And Meeting

Knowlton, Feb. 4.—The annual congregational supper and meeting took place in the United Church on Wednesday, January 27th.

The supper was served by the women's Association and at the conclusion, the pastor, Dr. E. H. Gray called the meeting to order and the hymn, "Standing On The Portal," was sung. This was followed by a Scripture reading and prayer.

The minutes of the last annual meeting were read by the secretary-treasurer, Mr. L. H. Raymes, and were adopted.

The financial statement was also given by Mr. Raymes.

Mr. Stanley Hardacker, Sunday School superintendent, gave the report for that department, which showed the average attendance at

forty-five which gives a very favorable outlook for the future of the church.

Reports for the Women's Missionary Society were given by Mrs. G. M. Ransom and Mrs. Earl B. Mizener, which showed that this Society exceeded its allocation for 1953 and reported very good attendance at meetings.

Mrs. Carl C. McClay reported for the C. G.I.T. Group, which is carrying on very important work in the church.

The Mission Band report given by Mrs. Harold Spencer, showed a very keen and active group of young children.

The report for the Women's Association was given by Mrs. L. H. Raymes. The Association has been most active during the year, with total receipts for 1953 amounting to upwards of \$1,100.

Dr. E. H. Gray in his report gave a detailed resume of his work during the year. He also thanked the congregation for the kindnesses shown to Mrs. Gray and himself. He called upon the latter to express her thanks.

Mr. Carl C. McCorkill on behalf of the congregation thanked Dr. and Mrs. Gray for their untiring efforts for the welfare of everyone within the church and expressed the appreciation of all.

Mr. Watson was appointed delegate to the Presbytery.

The Board of Stewards was re-elected.

Special thanks were extended to Messrs. H. Spencer, H. L. Raymes and Stanley Hardacker.

PAROCHIAL GUILD

The Parochial Guild of St. Paul's Church, held the annual meeting at the residence of Mr. Ross B. Clarkson with Mrs. F. Bowen and Mrs. Dode for hostesses. There was a large attendance.

Rev. T. E. R. Nurse opened the meeting with prayer. The president, Mrs. Nurse, presided over the meeting.

The minutes of the previous meeting were read by the secretary, Miss J. Godue and approved.

Plans were made for the Parish supper to be held prior to the annual Vestry meeting on January 27th.

The annual meeting then followed, Mrs. Nelson Whitman gave the financial report showing that total receipts for the past year were \$816.39, disbursements \$642.36, leaving a balance of \$174.03 on hand.

The secretary, Miss Godue read extracts from her annual report.

Mrs. Bowen reported having made thirty-two visits.

Rev. Mr. Nurse took the chair for the nomination of the officers for the New Year, which resulted in the following list: Mrs. E. R. Nurse, president; Mrs. G. H. Robb, 1st vice-president; Mrs. S. C. Robson, 2nd vice-president; Miss J. Godue, secretary; Mrs. N. H. Whitman, treasurer; Mrs. Nina Barnes, work convener; Mrs. D. Weary, assistant work; Mrs. F. Bowen, fancy work; Mrs. C. Stone, dolls table.

Miss Mary R. Knowlton was asked to continue as publicity secretary.

Mrs. N. Whitman offered to entertain the next meeting in the Guild room on February 3rd.

The meeting was adjourned and refreshments were served by the hostess with Mrs. Barnes pouring tea.

KNOWLTON LODGE

Knowlton Lodge, No. 28, I.O.O.F., met in regular session on Thursday evening, January 28th, with a very good attendance of members.

The Noble Grand, Bro. Percy Ling was in the chair and conducted the meeting.

The minutes of the last meeting were read by the secretary, Bro. Thomas Boyd, and approved and correspondence was read and placed on file.

The financial statement was given by the treasurer, and routine business matters were transacted.

forbidden flavours

There may be a place in drinks for molasses, honey, liquorice, vitriol, guinea-pepper or opium, but not in ale. Time was, though, when knavish brewers, short of malt or hops, would slip one or more of these exotic ingredients into the brew.

Things got so bad around Henry III's time a law was passed prescribing "the pillory and tumbrel" for dishonest brewers. Henry also created the job of Ale-Taster which, by Queen Bess' day, had become a prize plum for minor office-holders. Will Shakespeare's father, John, held the post in Stratford for a while and seems to have thrived on it.

Once appointed and sworn in, the Ale-Taster had to examine all beer and ale in his bailiwick to see that it was "goode and wholesome".

You could tell an Ale-Taster by his leather breeches. When testing, he'd spill some ale onto a wooden seat, then sit down on the damp spot. If the breeches stuck, the theory was that a forbidden substance had been added. Out came the pillory and tumbrel!

Our Ale-Tasters could wear leather breeches, but we've found other and better ways of testing Molson's Ale. One of the best is to pour some into a glass, hold it to the lips and sip it slowly. It's so good you just know it couldn't have anything but the very best ingredients. You'd be right too, for Molson's Ale is made — and always has been — with barley malt, hops and water — with an assist from the distinctive Molson strain of yeast. That's all — and it has made "The Ale Your Great-Grandfather Drank" Canada's favourite by a wide margin.
