Supervised Play 5 to 12 Yr. Olds

Driving through Shawville this week one would think there were no children in the town at all. No little boys circled aimlessly about on their bicycles and no little girls were seen playing on the sidewalks. But a look over by the High School would reveal the answer of the mystery. One young piper named Garry Neseth has lured the children off the streets to join him in fun and games of a healthful nature.

RECREATION LEADER Garry Neseth

On Monday there were a total of 76 children over between the school and the pool and the main activity of the day was registration. The weather was cloudy and windy and there was no equipment with which to work but the children were kept busy nevertheless. Mrs. Weldon Hobbs arrived early with a bat and ball, the girls found crayons and checkers among the early donors. (Continued on Page Seven)

1690 to 1960

Orange is a little town in France. Once upon a time it was a house of princes, among whom was one Prince William. This particular Prince became King William III of England in 1690 but not without a struggle.

A century later, a secret society was organized in the north of Ireland with the purpose of defending the reigning sovereign of Great Britain, supporting the Protestant religion, maintaining the laws of the Kingdom and a few other things. They called themselves Orangemen in honor of the above mentioned William and since the word "orange" also designated a fruit whose color was distinctive these Orangemen adopted that color as their emblem.

The Twelfth of July is their day and wherever there are still members of this secret society which was founded in 1795 these members celebrate the Twelfth in the most celebrated way.

Since there are large contingents of Orangemen throughout the Ottawa Valley, the Twelfth is a big thing in these parts and especially in lower Pontiac. Each year the Pontiac Orangemen gather in one or the other of our villages for a parade, speeches, games and general revelry and this year the big do will be at Shawville, on the Fair Grounds.

At two in the afternoon a number of lodges will form up for a grand parade; at 3 there will be speeches; harness horse races and a ball game are then scheduled and food will be available from ten thirty in the morning on. A dance at Bristol will wind up festivities.

As always, the Orangemen will be wearing orange, and since this is a color that runs when wet, we hope it doesn't rain all day Tuesday.

LOST — TWO FINGERS

Whereas the accident death rate of farm workers is higher than in all other forms of industry and

Whereas the incapacitation of one worker on a farm can seriously dislocate the whole enterprise and

Whereas loss of life in farm work most often results from mishandling of tractors

It has been resolved by the tractor manufacturers to do all in their power to inform tractor users of the dangers involved.

In their campaign for safety, one of the items sent to us by an implement insurance company includes a drawing of an excited man leaping into the air with his hat flying off one direction and two fingers flying off in the other.

No wonder he's excited. He just neglected to stop the machine before making a minor repair. He made the repair alright but has the rest of his life to wish he had stopped the machine first.

Of course, he may not expect to live much longer anyway because we see this same little man is doing all sorts of other dangerous things with his tractor.

He drives too fast, especially to and from work.

He jams on one brake suddenly to turn at high speed.

He hitches loads to the axle, or sometimes to the seat bracket instead of to the drawbar.

He drives up steep slopes forwards while his more careful neighbors do it backwards to prevent a back-flip.

He nips across slopes without concern for holes on the low side or rocks and bumps on the high side.

He always carries a young lad with him on the tractor.

He doesn't use liquid in the tires.

He drives at night on the highway without a light.

Se we figure he won't be missing his two fingers long but one of these soon days his family will be missing him forever.

Tigers Find 9 To Beat Quyon

Shawville defeated Quyon 7-5 behind the brilliant pitching of Earl Powell last Sunday at Shawville. The ace left-hander of the Tigers struck out nineteen (19) batters and allowed but three hits as he led his mates back into first place in the Upper Ottawa Valley Baseball League.

On the Quyon side right-hander Gil Fraser took over in the second inning and pitched very well, but some loose defensive work by the Quyon team did not help their cause. Officially, Tigers had sixteen hits, ten off Fraser and six off Jim Marks who started on the mound for the Flyers. To make up for some of the "gift" hits the Quyon leftfielder, Dalton Fraser, played a standout defensive game and robbed the Tigers on more than one occasion with fine running catches.

Earl Powell had one rough inning, the fourth, when an infield hit, an error, and four walks gave Quyon four runs and cut Shawville's lead to 6-5. Flyers had taken a 1-0 lead in the first inning when Marks punched a run-scoring single between short and third. It was the first and only ball that Quyon was able to hit out of the infield in the entire game. Shawville came back with three runs in the bottom of the first, two in the second, and one in the third. The game was close for the rest of the way, with Tigers getting a run in the seventh inning to complete the scoring.

The Tigers showed an improved batting attack from the week before in Vinton. Arnie Garrison and Bruce Yemen were credited with three hits apiece including a double each. Barrie Wilson, Wayne Chamberlain, and Dave Ranger all had a pair of hits. Garrison drove in a pair of runs to boost his team lead in the all-important RBI department.

The game did not get under way until four o'clock after having been called off around one o'clock and then rescheduled for later in the afternoon when the rain stopped and the sun made a welcome appearance. The Tigers' eagerness to play the game almost backfired as they had difficulty locating nine players in order to field a team. They played without regulars such as Richardson, O'Donnell, Sweetman and Vaughan, but the sensational pitching of Earl Powell and a good show of reserve strength carried them to a close win over their ever-dangerous rivals from Quyon.

The lineups:-

Shawville: Chamberlain, c; Powell, p; Morrison, 1b; Wilson, 2b; Smith, 2b; Ranger, 3b; Murray, ss; Garrison, lf; Murphy, cf; Yemen, rf.

Quyon: D. Keon, c; J. Marks p, 3b; G. Fraser, ss, p; Bohan, 1b; Murdoch, 2b; J. Keon, ss; Graham, 3b; D. Fraser, lf; Trudeau, cf; B. Keon, rf.

Umpires: home plate, Cliff Garrison; bases, Earl Bean and Barney Moore.

Dominion Day Celebration

Dominion Day 1960 in Bryson Que. was marked by fine weather, flags flying, many, fishing parties, a tractor trailer hay ride through Calumet Island, in the evening, a free lunch and step-dancing and violin selections with piano accompaniment at Bryson Lodge hotel and a crowded barn dance at Gerald Griffins Farm about 3 miles from Bryson on Calumet Island. All this added gaiety to the occasion. No accident marred the day so the people from near and far were able to enjoy the holiday.

July 1st Lions Picnic

In Memoriam

SMITH—In loving memory of our dear sons Leslie Mervin Smith who passed away on July 4, 1958 and Flight Sgt. Edgar James Smith who gave his life in the service of his country July 29, 1942. Looking back in memory upon the paths you trod, We bless the years we had with you and leave the rest to God. —Mother and Dad. x

THOMPSON - RUSSELL—In loving memory of a dear husband Donald O. Thompson and a dear nephew Graham Andrew Russell who were accidentally killed on July 8, 1959.

Remembrance is a golden chain Death tries to break, but all in vain—

To have, to love, and then to part—

Is the greatest sorrow of one's heart.

The years may wipe out many things,

But this they wipe out never,

The memories of those happy days,

When we were all together. —Lila x

THOMPSON - RUSSELL—In loving memory of a brother Donald Thompson and nephew Graham Russell who were taken from us so suddenly, July 8, 1959.

The month of July comes with regret,

It brings back a day we shall never forget,

You fell asleep without good-byes.

But our memories will never die.

—Loved and remembered always, Joan, Carol and girls. x

THOMPSON - RUSSELL—In loving memory of a dear brother Donald Thompson and nephew Graham Russell who were taken from us so suddenly July 8, 1959. Many a day their names are spoken

Many an hour they are in our thoughts.

A link in our family chain is broken,

They are gone from our home but not from our thoughts. —Phil and Sally x

THOMPSON - RUSSELL—In loving memory of my dear uncle Donnie and cousin Graham who were with me such a short time. God's greatest gift, "Remembrance". —Garry. x

In Memoriam

THOMPSON - RUSSELL—In memory of friends Donald Thompson & Graham Russell who were taken so suddenly on July 8, 1959.

Their memory is as dear today

As the day they passed away.

—Always remembered by

—Beverley and Judy. x

RUSSELL—In loving memory of our dear son Graham, who passed away July 8, 59. He bade no one his last farewell

And said goodbye to none,

The heavenly gates were opened,

A loving voice said "come".

We often sit and think of you,

The things you used to say,

With your cheery smile and heart of Gold

The dearest son this world could hold,

To those who knew you all will know,

How much we lost one year ago.

—Ever remembered by

Mother, Dad & Family. x

RUSSELL—In loving memory of a dear grandson Graham who passed away July 8th, 1959.

O happy hours we once enjoyed,

How sweet their memories still

But death has left a loneliness

The world can never fill.

—Grandma and Grandpa x

THOMPSON—In loving memory of a dear son Donald, who passed away July 8, 1959.

A year has passed since you've been gone,

A year without you seems so long;

Our lives have saddened since you were laid to rest,

But our Lord has a reason and he knows best,

Behind you leave your family shocked,

But your memory in our hearts is locked,

Someday when we see you once again,

Our hearts will be emptied of this pain.

—Dad and Mother x

(Continued from Page One) ations and just before noon a rubber play ball was donated by Edgar Hodgins, so each group was engaged in play.

During the day Jack Foster was busy cutting hay and some bush clearing was done with the assistance of Rev. McCaw. The leader, Garry Neseth, set up his office in the left wing of the High School, between the outside doors and the inside doors but was too busy to spend much time inside.

Tuesday was also windy and cloudy with showers throughout the day but an even hundred children turned out along with two adult visitors. Donkey Soccer (in which the small children ride piggy back on the big ones) was the surprise of the morning and the children also played other games divided into several groups according to age and interests.

The trees in the grove were trimmed up, several boys brought their own footballs and Mrs. Richardson of the Recreation Commission, donated a small bat for use of the younger children.

Six year old Brian Thomson was hit on the head accidentally with the small bat and a cold compress was applied to the bump immediately. Thus the first emergency of the summer recreation program was successfully attended to.

Wednesday was sunny and warm. 124 children attended the games, which included quiet games, active games, softball, fun on the apparatus and a surprise game of water polo in the pool. Charades in the grove was the special event of the day and no accidents occurred.

Two tables with benches were placed under the trees, a set of swings and a slide were set up, posts and wire for a backstop were brought over by Ron Richardson who also spent his afternoon raking the hay with Jack Foster, and a truckload of sand was received towards evening for sandboxes.

There were seven adults visiting the area during the day one of whom was Garry's father from Renfrew. Mr. Neseth ingeniously piled up a stack of soft hay at the foot of the children's slide and the youngsters had a marvelous time leaping into it from half way down the slide.

Today, Thursday, is Garry's birthday. He was a complete stranger to Shawville three days ago but today all our children know him well and think he is tops. We join the rest of Shawville in wishing him many happy returns, and in pledging our support of everything he is trying to do for our children.
