## FRANCE AND ENGLAND DISCUSSING POLITICAL SITUATION IN EUROPE

### Disarmament in All Its Phases Was Aired at Luncheon Given Today by Sir John Simon in Honor of Louis Barthou, French Foreign Minister—French Spokesman Reviewed System of Regional Pacts which Has Aroused Considerable Resentment in Germany and Uneasiness in England.

London, July 9.—The general political situation in Europe, including the French-sponsored eastern security pacts, was discussed at an opening conference today between Louis Barthou, French Foreign Minister, and Sir John Simon, Foreign Secretary of Great Britain.

Disarmament in all its phases was aired at a luncheon given by Sir John in honor of Barthou. The only person present not directly connected with the Anglo-French discussions was Arthur Henderson, president of the World Disarmament Conference.

An afternoon session, an official announcement said, was to be devoted to naval matters, with Francois Pietri, Naval Minister of France, and Sir Bolton Eyres-Monsell, First Lord of the Admiralty, and others participating actively with Barthou and Simon.

French circles expect Barthou and Norman H. Davis, United States Ambassador-at-Large, to confer some time tomorrow if time permits before Barthou leaves London at four p.m.

Italians are closely observing the meetings between Barthou and Sir John, and considerable interest in other international quarters has been noted.

Barthou's proposals to Great Britain were believed to include:

- 1—Great Britain should re-affirm its close friendship with France, consolidate it and give the French a feeling of security.
- 2—No political pact will be requested, but technical collaboration should be guaranteed in the event Belgium is invaded again.

- 3—The World Disarmament Conference should be moved here and consolidated with the 1935 Naval Conference, in view of the apparent failure of negotiations at Geneva.
- 4—The French will state their belief that air, land and sea arms are interdependent and cannot be separated for conferences. Authoritative sources do not believe the British will accept the suggestion but Barthou will place it on the record.
- 5—These questions: What is Britain going to do about the increase of the German navy? Does Britain favor German re-armament on sea as well as land? The British position is intended as a move to draw the British out more on German re-armament than was done at Geneva.
- 6—Great Britain will be asked to reaffirm the spirit of the Locarno pact, in which Germany, Belgium, France, Great Britain, and Italy guaranteed peace in western Europe. London, it was understood, has already informed France she would reiterate her belief in that treaty.
- 7—The French belief in the necessity of regional pacts to be replaced. England is expected to dodge commitment on any pact but Locarno.
- 8—London will be asked to invite Russia to naval preliminary conversations in London, in the event heretofore Britain has declined to ask the Soviets, and this raises an issue. Japan is believed ready to insist that Germany be invited if Russia is included, for Japanese here feel Russia's entry would only emphasize Far-Eastern political problems at the Naval Conference.

This is Monsieur Barthou's last port of call on a whirlwind tour of European capitals in which he has sought to achieve French security by consolidating military and political agreements with military agreements for good measure. He comes to explain the French system of regional pacts which has aroused much resentment in Germany and considerable uneasiness in England.

The frequent exchange of visits between military and civil officers of England and France brought speculation to a fever pitch and rumors overflowed into Westminster where parliamentary lobbies buzzed with conflicting reports. Mr. Baldwin's categorical denial of any such exchange was followed at Birmingham by the equally strong statement by Neville Chamberlain, Chancellor of the Exchequer: "We are not going to enter any new alliance."

Though sympathetic to the French desire to secure the British public is asking: "What are the military implications of the new European pacts? Do they really lead to a collective system of security or will they tend to divide Europe again into such great alliances as precipitated war in 1914?"

The naval discussions will include consideration of Italy's declared intention to build two 35,000-ton super-dreadnoughts. It is feared here Italy may initiate a race in the most costly forms of naval construction before the Conference of 1935 meets.

## HARDINESS OF CANADIAN CATTLE AGAIN EVIDENCED

Vancouver, July 9.—Canadian cattle, notorious for their hardihood, but a 1,200-pound steer has performed a feat here that amazed even the most hard-bitten cattlemen.

The steer jumped from the fifth story window of the slaughter house in the Vancouver packing plant, crashed through a heavy corrugated iron roof, landed on the loading platform, jumped from there to the ground and ran up the yard. The animal was not even bruised.

A second steer of similar proportions followed the first out of the window. Although not badly hurt, it suffered a wrenched back and was slaughtered immediately.

## FORMER BANKING MAGNATE LEAVES FOR PENITENTIARY

### Joseph W. Harriman to Begin Four and a Half Year Term in Federal Northeastern Penitentiary at Lewisburg, Pa.

New York, July 9.—Joseph W. Harriman, once a power in the financial world, is scheduled to leave today to begin serving a four and a half year term in the federal northeastern penitentiary at Lewisburg, Pa.

The former president of the Harriman National Bank and Trust Company, was convicted on June 19th of making fourteen false entries totalling \$1,733,000 in deposits and accounts and misappropriating assets of the bank in connection with two loans of \$300,000 each.

Harriman was said to be well enough to stand the journey, and "fairly cheerful."

## THREE DROWNED WHEN CAR WENT OVER A BRIDGE

### Auto Broke Through Railing as Driver Was Attempting to Pass a Truck on Bridge and Plunged into Gatineau River.

Ottawa, July 9.—Three persons were drowned in the Gatineau River, about sixteen miles from Ottawa, early today. Mr. and Mrs. Charles Warwicker and Helen White, twenty-one years old, of Ottawa, were the victims.

Mr. and Mrs. Warwicker, who had been spending the week-end at their summer home, were returning to the city when they were riding crashed through the bridge, toppling into the river.

Miss White was accompanying the Warwickers to town.

Search for the bodies was continuing. Donald Warwicker, son of the two victims, was driving the car which broke through the bridge as he was attempting to pass a truck. The young man escaped.

Mr. Warwicker, senior, was office comptroller of Murray-Gamble Ltd., Ottawa department store.

## HUBBY DEALT WIPE A "GRAND SLAM" ON THE HEAD

Wilmington, Del., July 9.—Walter Roy dealt his wife a "grand slam" on the head—because she trumped his ace in a bridge game. Honors were equally divided, however, when the wife's complaint resulted in a five dollar fine for Roy.

## TWO KILLED IN ACCIDENT NEAR ST. HYACINTHE

### A. B. Levine and William Miller, Both of Montreal, Met Instant Death when Struck by Train.

St. Hyacinthe, Que., July 9.—A level-crossing accident claimed two lives near here over the week-end.

The victims were: A. B. Levine, sixty years old, and William Miller, thirty-five years old, both of Montreal.

Levine suffered two fractured legs and bruises about the body, while Miller died as the result of severe bruises and internal injuries.

The accident occurred at Britannia Mills, twelve miles east of here, on Saturday afternoon when the train in which the two men were riding was struck and demolished by a train.

The coroner's inquest is being held today at St. Liboire, county seat, three miles from the scene of the fatal mishap.

According to information obtained by Detective James Haney, of the Provincial Police, the two men had been in South Durham on business and had purchased a quantity of fowl and eggs. They were on their way back to Montreal and were heading towards St. Liboire when they reached the crossing.

It is not certain whether the driver saw the train and tried to get across the rails before it passed or whether he failed to see the train, but in any event, witnesses said the truck drove onto the tracks in front of the approaching train, which was heading for Richmond. The engineer tried to stop but it was too late and the truck was struck.

The vehicle was dragged one hundred feet by the locomotive before the train came to a stop. The occupants of the truck were pitched out into the ditch at the moment of impact.

Immediately after the stopping of the train the members of the crew rushed to the assistance of the victims but it was found both were dead.

A gratifying break of over twenty degrees in the temperature brought an end to the intensive heat wave of the last fortnight and enabled the aged capitalist to rise from his bed, an authoritative source disclosed, for the first time in two weeks.

## Developments In German Situation

Cabinet Minister Rudolf Hess figuratively held out Germany's hand in friendship to foreign nations, expressing at the same time apprehension of war and defiance against possible invasion.

Interpreted in Germany as a recession from the vigorous Nazi foreign-policy, the pronouncement was regarded in Paris with skepticism and was viewed unofficially as an attempt to wipe out the effects of the Nazi purging process of last week.

Michael Reichenbach, a Catholic newspaper editor, expressed a desire for a Nazi-Catholic reconciliation without Catholic concessions.

A newspaper editorial, believed inspired by the Foreign Office, expressed distrust of eastern European regional pacts and declared that the danger of war in Europe "has become imminent."

## DROWNING, MOTOR SMASH-UPS AND ELECTROCUTION TOOK HEAVY TOLL

### This District Today Counted Four Dead and Two Quite Seriously Injured as Result of Accidents Over Week-End—Graydon "Bud" Goff, Victim of Tragic Mishap at Bromptonville, Eighteen-Year-Old Youth Drowned Near Philipsburg and Two Montreal Men Killed in Level Crossing Accident Near St. Hyacinthe.

A drowning, an electrocution, a level-crossing smash-up and a motor car accident when an automobile overturned three times and broke a telegraph pole took a toll of four lives and sent two persons to hospital in this district over the week-end.

The fine weather conditions which prevailed over the week-end resulted in exceedingly heavy motor traffic along the various highways, and it was fortunate that the toll of dead and injured was not heavier. Likewise, lake shores and beaches in the vicinity of Sherbrooke and in other parts of the Eastern Townships were crowded with people seeking respite from the heat wave of the preceding few days, but luckily only one life was lost through drowning.

This was at a quarry near Bedford, when Jimmie Gauthier, an eighteen-year-old youth, fell off a raft into deep water. Gauthier was unable to swim and disappeared from view, not returning to the surface again.

It is presumed that he struck his head against the raft and stunned himself. His body was recovered early this morning.

Sporting circles in Sherbrooke and district are today mourning the tragic death of Graydon "Bud" Goff, twenty-eight year old son of Alonzo H. Goff, of Cookshire, who died a tragic death yesterday afternoon while working for the Southern Canada Power Company at Bromptonville.

Goff was working near an electric transformer when he came in contact with a live wire and was precipitated to the ground below, a distance of about twenty-five feet. He suffered severe burns from contact with the wire and fatal injuries as a result of his fall. He died in the Sherbrooke Hospital shortly after midnight.

The two other lives were claimed over the week-end in a level-crossing accident near St. Hyacinthe Saturday afternoon when two Montrealers returning from South Durham on a truck were hit by a Richmond-bound train at Britannia Mills.

The victims were A. B. Levine, sixty years old, and William Miller, thirty-five years old, both of Montreal.

Either they failed to see the approaching train, or, noticing it, endeavored to cross the tracks ahead of it. Both men were instantly killed.

Cecil Main, 24 years old, and Miss Dorothy Davis, nineteen years old, both of East Angus, are confined to the Sherbrooke Hospital today following a mishap near Massawippi when the car in which they were passengers blew a tire and overturned early yesterday morning.

The automobile, driven by Mrs. Main, overturned three times and struck a telegraph pole. The pole was broken by the force of the impact.

Main is suffering from a dislocated hip and Miss Davis from injuries about the face.

Richard Shaw, junior, of North Coaticook, narrowly escaped serious injuries at about 3.30 o'clock this morning when he lost control of the car he was driving while turning from Child to Main street and crashed into Felix Lajoie's store.

Two large plate-glass windows, valued at about \$75 each, were smashed and Shaw's car was quite badly damaged.

## ACCIDENTS IN MARITIMES CLAIMED SIX LIVES

Halifax, July 9.—Maritime Canada counted a week-end accident toll of six lives today, while a seventh victim hovered between life and death in hospital.

A companion saw Wesley Burdell drown in Gillis Lake near his home at Sydney Mines, N.S., last night. With George Oram, the twenty-five year old man had gone to the lake for a swim, and he sank before Oram's eyes when he got beyond his depth. He could not swim.

Off the mouth of North Rustico harbor, in Prince Edward Island, two brothers were bringing their little fishing boat into port when the boat overturned. Fidele Blaciere, thirty-seven years old, and Joseph Blaciere, twenty-two years old, were swept away and drowned. Joseph Blaciere clung to the slippery hull until fishermen on shore, who saw the tragedy, came to his rescue.

Death came to ten year old Harold Davidson at Sydney, N.S., before the spinning wheels of a Canadian National Railway train. A youthful companion said he had ventured onto the tracks Saturday to pick up coal dropped by passing trains.

Fishermen returning to land at St. John's, N.S., Saturday found the body of another youngster, five year old Gilbert Knicker, floating between the mainland and Winifit Island. He apparently had toppled from the bridge while going from his home to the island.

At Bedouque, P.E.I., searchers late Saturday dragged from the harbor bottom the body of Murray Simmons, young Freeborn farmer who had plunged into the water for a swim in the morning. His brother, Senton, watched him drown as he slipped from a ledge into deep water.

Adrian Curry, of New Victoria, N.S., died Sunday of a fractured spine, two hours after he had been struck by an automobile near his home. The driver of the car was held on a technical charge of assault.

In Halifax Evatt Merchant was in hospital with a fractured skull, suffered when a car in which he was driving overturned in a ditch near the city. A companion escaped unhurt, but young Merchant's condition was critical. He is a son of Frank Merchant, member of the Halifax Harbor Commission.

## STORY OF MEXICAN CHILD BORN ABLE TO SPEAK TOLD

Son of Indian Woman, a Minute After Birth, Said to Have Uttered Prediction that Mexico Will Undergo Six Months of Catastrophe

Mexico City, July 9.—The story of the child born able to speak, which booms up periodically among peasants of Mexico, is being told again in Acapulco in the state of Guerrero.

The son of an Indian woman, a minute after birth, uttered a prediction that Mexico will undergo six months of catastrophe, it was reported. The baby is said to have died a few minutes later.

Superstitious Mexicans were terrified. They recalled another portent of evil, the flashing of a brilliant meteor two weeks ago.

## FOREIGN EXCHANGE MARKET FIRMER

New York, July 9.—The foreign exchange market developed a firm tone after a hesitant start today.

## SIAMESE TWIN BEGINS HER FIGHT FOR RIGHT TO WED

### Seeking Writ of Mandamus to Force New York City Officials to Issue Her Marriage Licence.

New York, July 9.—Violet Hill, twenty-six year old Siamese twin, begins her legal fight today for a writ of mandamus to force New York City officials to issue her and Maurice L. Lambert, twenty-nine, the marriage license they have refused on moral grounds.

Irwin Levy, her attorney, said he is prepared to submit in Supreme Court legal evidence that Violet and her sister, Daisy, to whom she is joined at the hips, do the following things as separate persons:

1. Pay individual income taxes.
2. Use two passports.
3. Pay two fares on trains and ships.
4. Sign separate contracts.

## PROSPECTS OF REVOLUTIONARY CHANGES SEEN

### Viscount Snowden Believes It Is Not Only Possible but Probable that Britain Will Undergo Drastic Changes.

Michurst, Eng., July 9.—"Revolutionary changes" for Great Britain are predicted by Viscount Snowden. "I am afraid there is not only a possibility but a probability that we in this country will have changes of a revolutionary character," he said in an address at Dunford House, near here, last night.

"If changes occur I do not think they will take the form of revolution in Germany."

Among reasons leading him to believe a revolutionary change is impending, Viscount Snowden enumerated:

- 1—"The failure of Parliament to function properly," the growing idea of a class war and the expropriation of the proletariat class, which, he said, is being preached everywhere.
- 2—"The fear of everyone who has anything to lose are being aroused by attacks on property, he asserted, which is being preached everywhere.

The way out of present difficulties, Viscount Snowden suggested, is not to be found in extreme revolutionary methods or expropriation of private interests.

He said he believed there is a middle road, and that probably the first essential is to have a democratically elected and constituted Parliament.

## PRICE OF MILK IS DETERMINED BY COMMISSION

### Dealers in Montreal Area to Pay \$1.45 Net F.O.B. One Hundred Pounds to Suppliers.

Quebec, July 9.—According to a ruling of the Provincial Dairy Commission issued over the week-end, milk dealers operating in the district of Montreal, will pay \$1.45 net f.o.b. per hundred pounds, Montreal, to their suppliers.

The announcement made by the commission, which marks the first time that the price of milk will be fixed by the province, became possible following a series of conferences held in the course of the spring after the commission had been given additional authority to enforce its regulations by legislation of the last session.

No comments were made by H. Bois, chairman of the commission, who with R. G. Davidson and Theo. Lafreniere had a series of interviews with producers and distributors in Greater Montreal, but the arrangement now made said to be satisfactory and became effective on July 7th.

The official notice issued by the commission states that the agreement was arrived at on June 27th when it was expressly understood that from then on, milk dealers will pay to their suppliers \$1.45 net f.o.b. Montreal, for each one hundred pounds of milk, on a 3.5 per cent, butter fat basis received at factory and will remit into the hands of the commission half a cent per one hundred pounds, net, of which will be paid to the Milk Producers Association of Montreal and part will be used by the commission in the general interest of dairy industry in the Montreal region.

The official statement also adds that any sale or delivery of milk or cream, or of milk and cream alone or in combination with any other article of trade at a price lower than the current price of milk or cream or of the combination of milk or cream with any other article, is prohibited in the province.

The ordinance applies to the following municipalities situated in the district of Montreal:

The City of Montreal, the City of Outremont, the City of Westmount, the Town of Montreal West, the City of Verdun, the City of Lachine, the City of Longueuil, the City of St. Lambert, the Town of Dorval, the Town of Pointe Claire, the Town of Montreal East, the Town of Mount

Antigonish, N.S., July 9.—Flames roared through sun-parched timber near this town today, racing along before a high wind that drove them close to homes on the town's outskirts.

Early this afternoon, the fire was with two miles of Antigonish and was advancing steadily despite the efforts of scores of volunteer firefighters who worked in the woods under the direction of forest rangers.

No homes were reported destroyed, but it was feared outlying farmhouses in the path of the menacing flames would be wiped out unless a shifting wind brought relief.

The villagers appeared to be waging a losing battle. Since night, the flames had advanced a full two miles through the five hundred acre trace of woodland in the vicinity of lower south river.

It showed a net loss of 1.8 of a cent. The French franc was quoted at 6.59 1-2, up .001-8 of a cent.

## GERMANY WAVES OLIVE BRANCH IN ABOUT-FACE IN FOREIGN POLICY

### Her Hand Figuratively Stretched Out in Mingled Friendship, Apprehension and Defiance to France and the World, Germany, Fearing Other Countries Will Build Political Fences Completely Shutting Her Out, Plans to Push Vigorously a Friendlier Foreign Policy.

Berlin, July 9.—Germany plans to push vigorously a friendlier foreign policy, it appeared today, fearing other countries will build political fences completely shutting her out.

Her hand was figuratively stretched out in mingled friendship, apprehension and defiance to France and the world.

A ringing pronouncement for Franco-German understanding, and at the same time a warning that Germany will fight "as no people ever yet fought for liberty," by Rudolf Hess, trusted lieutenant of Hitler, was considered something of an about-face in Nazi foreign policy.

Addressing twelve thousand Nazi chieftains at Koenigsberg yesterday, Hess said a defenceless country endangers peace and that Germany would be satisfied with the minimum arms necessary to security.

Close observers interpreted the straight from the shoulder and unprecedented address of the handsome cabinet minister as closely tied with the visit to London of Louis Barthou, French Foreign Minister, in search of security agreements, and the concern of other nations over the drastic second Nazi "revolution."

Only a few weeks ago Germany emphasized she must have many more arms and would not be dictated to—in short, that the world must woo her friendship.

But Hess after recounting the horrors of war said:

"I say as a veteran to veterans across the border, I, as a leader of one people, ask the leaders of other peoples: Must this be? Can we not by mutual good-will spare humanity another war?"

Chancellor Hitler as in seclusion today at his summer home in the Bavarian Alps, studying Germany's manifold problems, accentuated by the blood purging of Nazi ranks a week ago.

Another development was viewed as momentous: The two-edged indication of Michael Cardinal Faulhaber that he favored a Nazi-Catholic reconciliation without Catholic concessions.

"None welcomes a demand from a high official source for simplicity and cleanliness more than the Catholic Church," Cardinal Faulhaber said, discussing new instructions to Nazis. "None will co-operate more readily."

Domestic problems demand attention so insistently, qualified observers said, that Nazi leaders can take no chances on international friction to aggravate them or hinder their solution.

Important among them is the economic condition, made precarious by exchange and import problems and threatened crop shortages.

Although Hess made peace overtures to France, his speech carried a defiant note.

"I do not want to warn the world," he asserted, "against mistaking the Germany of today, the Germany of peace, for the Germany of yesterday—the Germany of pacifism."

"Let this be remembered: Despite our memories of the terrors of war, despite the fact that the younger generation wants war as little as does the older, the way is not open for a 'stroll' into our country."

"The French trench soldier will especially understand us if we say to those who play with the idea of war: 'Just as you are, just you dare to march into Germany.'"

"The world would then learn to feel the spirit of new Germany. It would fight as no people ever yet fought for liberty."

## FRANCE SKEPTIC OF THE SINCERITY OF OVERTURES

Paris, July 9.—Cynicism appeared as the keynote of French reaction today to the olive branch waved by Germany.

Official comment was lacking, but political observers ascribed the gesture of friendship made by Rudolf Hess, Hitler aide, to two sources:

An effort to wipe out the memory of the bloody "purging" during the second revolution, which has caused critical comment abroad; and the activities of Louis Barthou, French Foreign Minister, who is in London, reportedly to seek Great Britain's assurances of aid in the event of an emergency—such as a war with Germany.

Newspapers displayed Hess' speech prominently. Some of them pointed out it was made on the very day of Barthou's arrival in London.

Editorial comment reflected skepticism of the sincerity of the overtures. Some newspapers pointed out that while Hess offered a new face to France, official German newspapers continued to attack France in a campaign of "absurd calumnies."

## THE WEATHER

FAIR AND WARM.

With the exception of some showers near Lake Superior the weather has been fair in almost all parts of the Dominion, rather cool in Quebec and Alberta but moderately warm elsewhere. Pressure is high over Ontario, Quebec and the eastern states and low over Hudson Bay with a shallow trough of low pressure extending southward, while a depression is centred in Nebraska.

Forecast: Moderate winds; mostly easterly; fair today and Tuesday; slightly warmer tonight and Tuesday.

Northern New England: Fair and slightly warmer tonight and Tuesday.

Temperatures yesterday: Maximum, 75; minimum, 45. Same day last year: Maximum, 65; minimum, 54.

QUEEN'S PRIZE MATCH STARTS BISLEY EVENTS

Her Majesty Queen Mary's Prize Is Biggest Match on Today's Programme as National Rifle Association Meet Opened at Bisley.

Bisley Camp, England, July 9.—The National Rifle Association's great meet opened here today under cloudless skies with a strong breeze and a temperature much lower than that which prevailed during most of last week.

The Canadians came on the ranges after losing their match with North London yesterday by eight-one points. It was the second time in two years the Canadians had dropped this match.

Her Majesty Queen Mary's Prize was the biggest match of the day's programme, the first of a two weeks' meet. The Queen Mary, a service rifle match, called for four stages, standardized service conditions, which required deliberate fire at 600 yards, firing with movement, rapid fire and snap shooting.

Other Canadian scores were: Lieut. Neal Dow, of the Canadian Machine Gun Corps, Saint John, 55; Lieut. S. Johnson, of the Cadet Service, Wayne, Alta., 35; Corporal H. L. Taylor, of the Royal Canadian Air Force, Vancouver, 33; Lieut. H. W. Steeves, of the 8th Field Battery, Moncton, N.B., 22.

AUSSIES START FIRST INNINGS IN FINE STYLE

Australia Today Ran Up a Score of 373 Runs for Loss of Four Wickets Before Tea Time in Reply to England's First Innings Total of 627 for Nine

Manchester, England, July 9.—Australia today ran up a score of 373 for loss of four wickets before tea-time in the third cricket test match against England. The Aussies were batting fairly cautiously, but soundly, on a wicket made for batsmen.

The Aussies resumed batting with the score of 136 for one. Stanley McCabe helped boost the total by scoring 137 before he was caught by Walter Hammond who scooped the ball up, almost from the ground, off Hedley Verity's delivery.

Play started in sunny weather with a high temperature which rose to three o'clock. Twenty-five thousand persons were on hand as the men from "Down Under" resumed their attempt to catch up to the English first innings total of 627 for nine declared. It was the largest total England had ever run up in the first innings of a test match at home.

Play slowed down considerably in the afternoon as the Aussie batsmen found Edward Clark's bowling difficult to fathom. Leonard Darling, who refused to lay anything on the wicket, was finally clean bowled by Verity for thirty-seven.

BECOMING A BARONESS IS EXCITING FOR GILDA GRAY

Former Stage and Movie Dancer and Her Third Husband to Share in \$1,000,000 Estate, which Also Carries a Title with It. Hollywood, July 9.—Gilda Gray a baroness! "I'm so excited I could almost break into a shiver!" the former stage and movie dancer exclaimed last night at the prospect. Gilda and her third husband, Hector Briceño De Saa, had been advised shortly before that they were to share in the \$1,000,000 estate of De Saa's uncle.

DIFFICULTIES OF MARITIMES UNDER REVIEW

Premiers of Seaside Provinces Meeting Today to Get Things in Order Before Urging Long-Sought "Maritime Rights."

Charlottetown, July 9.—Premiers of Canada's seaside provinces met here today to put their case in order before urging claims for long-sought "Maritime Rights" before the Dominion Government.

Consideration of federal subsidies to the provinces was foremost in the discussion as the government heads of Nova Scotia, New Brunswick and Prince Edward Island sat down to their second conference in the last few months.

Claims of the Maritimes under Confederation were to be reviewed, and the premiers were to traverse the subject matter of the report on Maritime rights brought down after a royal commission headed by Sir Andrew Rae Duncan, distinguished British economist, had investigated the question.

It was to be an informal discussion, and a short one. Premier Angus L. Macdonald, Liberal Premier of Nova Scotia, was expected to leave for Halifax at noon today. It was not known whether the other two Conservative leaders, Premier L. P. D. Tilley, of New Brunswick, and Premier W. J. P. MacMillan, of this province, would continue the conference after the Nova Scotia's departure.

EVERYTHING IN READINESS FOR TRIP INTO UPPER AIR

Only Favorable Weather Awaited for Safe Stratosphere Voyage of 3,000,000 Cubic Foot Capacity Balloon.

Rapid City, S.D., July 9.—Everything except the weather was ready today for man's latest venture into the thin upper air. Officials of the National Geographic Society and the United States Army Air Corps were gathered here today for the favorable weather they must have for the safe stratosphere voyage of their three million cubic foot capacity balloon.

FISHING WAS GOOD WHILE IT LASTED

St. Louis, July 9.—Fred Richardson went to a city park lake and hooked fish as fast as his line hit the water until a policeman noticed him. Then he hooked Richardson on three charges—fishing without a license, fishing in a municipal park and fishing in a state hatchery.

### FORCE AND FASCISTS.

Danger looms on the horizon in Canada as it does elsewhere through the activities of the Fascists. They are represented in A. E. Smith, an ex-Methodist minister, now the secretary of a Labour organization, who has got much publicity through a recent court case.

They want to change the present order of society and have been clashing with the officers of law and order, chiefly in Toronto and Montreal.

Britain has them, led by a plutocrat, Sir Oswald Mosley. His followers wear insignia as Black Shirts. They trade on the remnants of misery which still abound in that land of rising prosperity.

The Metropolis is the chief centre for every kind of political and social agitation. Recently a gathering of these Black Shirts was held in the Olympia, one of the biggest assembly halls in the city. A vast concourse of Sir Oswald's supporters were present, but also a considerable sprinkling of Communists, a class who think they can go one better than the Black Shirts.

These began to interrupt the speakers. They were roughly handled, and expelled with a brutality which equalled the bludgeoning of a drunken row. Sir Oswald makes "no apology" for this wild orgy of irrational use of force.

A. E. Smith is the Canadian Sir Oswald. He has been an agitator all his manhood days, as a minister of religion within the bounds of his church and since over a larger field.

There is much to be done to make this land an Elysium. The revelations of the Stevens Committee declare from the house-tops that there is a vast amount of rottenness in the state. Our big prison population emphasizes it. The bread lines in our cities every year are its most pitiful fruits.

Fascists can find a leader who is clever to exploit the public distress and impatience. They may become a party in the state. They believe that they can defy popular opinion. They work up a hysteria which has an affinity to the wave of violence spreading all over Europe.

Russia has yielded to Fascism. Germany is writing her adherence to it with the crack of the guns of firing squads and the blood of her noblest men.

There is no gospel in force. Progress simply will not proceed in high gear. Cataclysms and revolutions make a big noise. But the lagging legions of prosperity will not hurry. They cannot be forced.

### MILK PRICES.

The farmer may heave a sigh of relief when he finds himself the subject of fair dealing in one of his major products. He may even rub his eyes to make sure that the words before him are real.

The price of milk is pegged in Montreal at \$1.45 per hundred pounds. This ends a long war between the producer and the dealer, in which the former has been the bottom dog.

Why has the struggle lasted so long? How has it been ended? The answer to the former question is that the farmer has a chronic dislike to organized action; farmers simply will not stick together. Wise co-operation would have settled this question long ago.

They are indebted to the Quebec Dairy Commission for this new turn of affairs. They have been something more than an arbitration board although they did terminate the protracted negotiations by splitting the difference between parties.

Surplus milk has been the chief bogey of the milk business. With the dealers it has been a policy of heads I win, tails you lose. The farmer sends his milk, all of it, to the dealer. So much as can be sold is paid for at a price and the rest is just surplus, valued according to its cream butter fat. When the cheque is sent to the farmer the amount divided by the number of hundred pounds has fallen as low as 55 cents per hundred.

Now the supply is regulated according to the demand and the price fixed meanwhile at the sum stated, \$1.45. The residue is not shipped but retained on the farm, to find its way at once to the churn and the young stock.

How the new arrangement will work out depends in the first instance upon the farmer. He may not like feeding pigs. His women may not like making butter. He may not want more veal. So the temptation comes to find a dealer ready to undersell

a rival by buying by illicit means. That he must resist.

Law is always a poor instrument for keeping people honest. Like conscience, it only speaks after the evil has been done. The Dairy Commission is fortified with a grant of \$225,000 per annum to administer the Dairy Act. It can, therefore, invoke the law.

The farmer should himself show that he will not stoop to mean and dishonest practices.

This arrangement opens up for him a new future. He is to escape from grinding poverty. Not only will he have bread as before, but many of the conveniences, and some of the luxuries, which have been denied him in the past.

### FORGOTTEN FIGHT FOR FREEDOM.

The Liberty of the Press is not a matter of doubt to-day. Toronto has been celebrating its centenary. Many names and events have been blazoned on the banners which have fluttered in the glory of its parades but none is of greater importance to the common people than that which bears the name of the Knight who fought for the freedom of the press.

William Lyon Mackenzie is the patron saint of all who toil at the desk in the capacity of newspaper editors. He won recognition. Toronto made him its first mayor. His battle was largely fought with his pen, which gave him the civic trophy.

Tens of thousands of readers get their newspaper today who do not know the price which has been exacted for the privilege they enjoy.

Mackenzie was a Scot; he began to earn his bread, what little of it his meagre wage would purchase, as an apprentice in a draper's shop in Dundee. No calling could be less likely to lead him to the chair of an editor.

His was the age of Penny Readings, gatherings which whetted the appetite for knowledge. Great reforms in British life were eagerly discussed. Pressing penury was kicking against the barriers which denied them opportunity to live in comfort.

The young draper joined the brigade of enterprising youth which headed for Canada. Soon he had some money at his command and tried his hand at journalism. When he published his first paper he made at least an experiment which showed his faith in himself.

He had, however, the provocative quality of stating what he thought about men and measures of the town and country. Government was, to his way of thinking, non-representative. His Scottish sense of justice was stirred and he wrote words which stung the rulers.

He crashed into a governing body which had built itself into a castle whose defences had never been challenged. They believed themselves almost infallible. They would not tolerate this offensive Scot with his radical ideas.

Mackenzie suffered from the whole gamut of persecuting measures. Supplies of parliamentary information were cut off. Pressure was used to dry up the revenues from advertising, his premises were raided, his tools destroyed; libel actions were instituted against him; he was put in jail.

He was not vanquished. In his victory, won at such cost, one of the priceless benefits of our Canadian life was secured. Not only Toronto, but all Canada, in this hectic day may well lay a grateful wreath on his tomb.

### EDITOR'S NOTE BOOK.

Prorogation was badly delayed. Hon. C. MacArthur wanted to blame the Government for delaying contentious bills until late in the session. Hon. Arthur Meighen laid the blame on the three or four party system; those outside the old parties are the cause of exasperating and unexpected delays; they involve a certain lack of discipline or control.

Peter Heenan, the railway engineer, is to have the portfolio of Lands and Forests in the new cabinet at Toronto. He has no seat in the Province but parties are agreed that his home place, Kenora, is to be opened for him. There will be a "driver" in Mitchell Hepburn's followers.

An enterprising rayon product manufacturer wants to get the portraits of the Dionne quintette. He is sure they will live to wear baby pants, to be supplied with these infant garments in quantity sufficient to meet their needs for years.

The Deputy Editor steps into the shade; he has met with an efficient and loyal staff; he has made a multitude of acquaintances, a few friends, and, he trusts, no enemies.—G. Watt Smith.

## ANNUAL PICNIC HELD BY FOSTER SUNDAY SCHOOL

### Large Gathering at Annual Event Staged by Brill Church—Other Items and Personals from Vicinity.

Foster, July 9.—A large number from this place and vicinity joined the members and friends of the Young People's Society of the Brill Church at their annual picnic at "Bes Side", Brome Lake. Boating and bathing was enjoyed during the morning and later a bountiful lunch was spread by the ladies. The tables were decorated with roses and other flowers. As the gathering, of nearly one hundred, sat down to the tables Rev. W. H. Thompson announced that the occasion had been made doubly interesting as many had joined to celebrate the birthday of one of the members. At this time a large three tier, artistically decorated birthday cake bearing twenty-one candles was placed in front of Mr. Stanley Quilliams whom Mr. Thompson congratulated on attaining his independence. Congratulations were also extended to Mrs. Thompson and Mrs. Buss, who were among the guests and were also celebrating their birthdays and to Mr. and Mrs. Orval Quilliams on the occasion of their ninth wedding anniversary. Each and every one returned to their home having enjoyed themselves to the fullest extent.

CHRYSLER CORPORATION

June 26, 1934

Dear Mr. Pritchard:

You asked a straightforward question and I'll give you a straightforward answer.

The De Soto and Chrysler Airflow cars will be a permanent part of the Chrysler Motors line.

Five years ago, we started work on a new type of car for our higher priced lines. We felt that cars in this class should provide more comfort, greater spaciousness and a better ride than had ever been possible before. Airflow is the result.

Before we built a single car we invested a great deal of time and money in machinery, tools and rearranging our factories. In less than six months we have built over 20,000 of these cars.

At first people were startled by the Airflow's unusual appearance, but today as more and more of them are on the road, people are realizing that here is a safer and better way to travel. The Airflow car looks different because it is different.

I wish that I could get every person who is interested in cars to study and drive an Airflow. Neither talking, advertising nor pictures can bring out the real features of this new kind of car. You have to drive an Airflow to appreciate the improvement we have accomplished.

Each day finds the Airflow car becoming more popular.

So, Mr. Pritchard, go buy your Airflow. You'll be a lot happier because you bought a car that will stay modern a long time.

Very truly yours,  
  
 Chairman of the Board

CIVIL COURTS ARE CLEAR OF PENDING CASES

Justices of Local Superior Court Have No Need to Take Advantage of New Bill which Allows Granting of Judgments in Civil Matters During Summer Recess.

The Superior Court roll in this district is almost entirely clear of contested cases in which judgments have not been rendered, and as a result neither Mr. Justice Charles D. White nor Mr. Justice Hector Verret will take advantage of the bill passed by the Legislative Assembly...

In the past the Code of Civil Procedure permitted judgments to be rendered in the holiday period only in certain cases. It stipulated that the courts could not sit between June 30th and the first day of September, except as regarded actions arising from the relations of lessor and lessee...

But under the amendment judges who have heard cases during the regular session are taking judgments immediately instead of waiting for the opening of the fall term, as in the past. The results during the first week in July has been a steady stream of judgments by judges who are polishing off their cases before embarking upon their holidays.

Asked by the Record this morning whether this amendment to the Code would have any effect upon local Superior Court matters, Justice White said that with the exception of one or two cases in which judgments could not be rendered until the fall, the records were clear and consequently no judgments would be delivered here during the summer recess.

STOLEN CAR RECOVERED. Automobile thieves were active in this city over the week-end. They stole Dr. L. A. Gendreau's automobile, which was parked in front of his office on Front street. The theft occurred between midnight and two o'clock yesterday morning, and the car was recovered the same day abandoned by the side of the King street east road leading out of Sherbrooke. The vehicle was not damaged to any serious extent.

SHERBROOKE REPRESENTED AT THREE RIVERS. Mayor F. H. Bradley, several of the aldermen, City Treasurer L. Prefontaine and City Clerk Antonin Deslauriers motored to Three Rivers yesterday to take part in the city's tercentenary celebration. They reported a very pleasant trip and a fine reception from the officials and people of the jubilant city.

SCHOOL COMMISSIONERS ELECTED THIS MORNING. School commissioners for both the Protestant and Catholic schools boards were elected at the City Hall this morning. Dr. W. E. Hume was re-elected by acclamation to the Protestant Board, while Fred J. Southwood was elected by acclamation to replace Mayor F. H. Bradley, who has resigned after many years of service. On the Catholic Board P. H. Dubuc was returned for another term and T. G. Walsh elected to replace John Leonard, K.C., who resigned.

CAMP PRESENTED TO Y.M.C.A. The presentation to the Sherbrooke Young Men's Christian Association by the Y's Men's Club of their new camp at Lennoxville was held on Saturday afternoon. The pleasing event was attended by members of the Y's Men's Club and the officials of the local Y.M.C.A. The dedication was made by Rev. Dr. Ellery Read, pastor of Plymouth United Church. The guest-speakers were R. G. Davidson, A. M. Sanister, Walter Muttler and W. H. Wolter, general secretary of the Y.M.C.A. During the afternoon the Sherbrooke Regiment Band provided music and a thoroughly pleasant time was spent by all who attended.

LADIES' CLUB OF LOYAL STARS HONOR PAST PRESIDENT. Several members of the Ladies' Club of the Loyal Star, sisters to the Brotherhood of Railway Carmen of America, journeyed from Sherbrooke to Compton, where they gave an enjoyable surprise party in honor of their past president, Mrs. W. McKen. The party included: Sisters Kennett, A. Sayer, A. McNamara, H. Trussler, C. Graham, E. Waller and E. Raffin, officers of the club, and several friends. True to the name of her club, Mrs. McKen, although very much surprised, extended a hearty welcome to her friends from Sherbrooke. Cards were played, and at the close of the evening the delicious refreshments, which were supplied by the visitors, were very much enjoyed by all.

The guest of honor, who is devoted to the cause and keenly interested in the welfare of the Brotherhood of Railway Carmen, appreciated very much the pleasant surprise party arranged by her confreres in the Loyal Star Ladies' Club.

BOY SCOUT NEWS SUCCESSFUL WEEK-END CAMP LEAD. The first of a series of week-end camps for Boy Scouts and Leaders was held on Saturday and Sunday at the Drummond Farm, with an attendance of sixteen boys and leaders. Considerable pioneer work was necessary to put the camp in order and the boys worked hard so that by supper time each camp site presented a Scoutly appearance. In the evening a rousing Council Fire programme was held at which several interested visitors were present. Songs, stories, yells and a brief outline of camp routine and rules was topped off with cocoa and biscuits, after which the council fire was closed with "Taps" and Scout Silence. On Sunday, the boys were up bright and early. After breakfast a very Scout-like inspection took place and much keenness was shown in making the camp sites attractive. The Lynx Patrol won the inspection and the honour pennant for the day. A Scout's Own Service was held yesterday under the direction of the camp leader. This service comprised hymns, a Scripture passage, prayer and a short talk on the first Scout law. Several Scout games and Scouting tests occupied the remainder of the morning, while the boys went in for a swim just before dinner. The afternoon being very hot, a potted hike, involving many Scout tests was taken through the woods and created great interest. The hike itself taking over one and one half hours. The Rover Team handed in the best report. As the afternoon drew to a close tents were taken down, packed and stored in Mr. Drummond's barn and the next week-end camp, which will be held on July 14th and 15th. All those who attended the camp had a "jolly good time" and fully intend to be present at all the camps. All Scouts are asked to make a point to be at the camp next week-end.

MENDEL BEILISS, MARTYR OF RUSSIA'S JEWRY, DEAD. Saratoga Springs, N.Y., July 9. - Mendel Beiliss, sixty-three years old, known as the martyr of Russia's Jewry, is dead. Stricken with a heart attack in a hotel, where he arrived Thursday for the summer to take baths in Saratoga's mineral waters, Beiliss died en route to a hospital. In 1913, during a movement for parliamentary government in Russia, he was charged with the murder of a Christian boy. After an investigation, however, the police chief in Kiev, Russia, decided the boy had been killed by members of a criminal gang to make him admit he had told authorities about the gang's activities. The Russian government, following an anti-Semitic policy, was eager to pin the crime on a Jew as a ritual murder. Beiliss was arrested and the police chief resigned, declaring he had found no evidence against the man. Beiliss, after months of confinement in jail, was acquitted by a jury.

WITTENBURG DISTRICT OF AMSTERDAM QUIET AGAIN. Disorders by Unemployed and Communists in Past Few Days in Protest of City Dole Cut Have Cost Six Lives. Amsterdam, Holland, July 9. - Quiet was restored to the Wittenburg district of Amsterdam today after hours of rioting by unemployed in which several persons were injured. The section is the poorest quarter of the city. Disorders by the unemployed and Communists in the past few days in protest of a city dole cut have cost six lives. Police were searching for a mysterious motorcyclist who was seen cruising in disturbed areas giving orders to the rioters.

ANTI-SUPERSTITION CLUB PLANS BUSY FRIDAY 13TH. Looking for Couple Who Will Wed on That Day in Presence of All Jinxes Supposed to Disrupt Life, Love and Limb. Chicago, July 9. - Wanted: A bride and groom who will defy superstition and marry next Friday, July 13. The Chicago Anti-Superstition Club is looking for a couple who will wed that day in the presence of all the jinxes supposed to disrupt life, love and limb. The club will meet with all thirteen members present. The jinx-defying bridal pair must marry under a ladder. Bride must remove wedding ring immediately after ceremony. Thirteen cows will provide the coffee cream. Guests will carefully drop silver, cross knives and forks, spill salt and break any mirrors handy. To top things off there will be a red-haired woman present whose jinx can be broken only by seeing a white horse, and there'll be no white horse.

PHILIPSBURG YOUTH VICTIM OF DROWNING. Jimmie Gauthier, Eighteen Years Old, Lost His Life Yesterday Afternoon when He Fell Off Raft into Quarry Near Bedford. Bedford, July 9.—Jimmie Gauthier, eighteen years old, who resided with his uncle, M. Gauthier, on the Philipsburg road, was drowned yesterday afternoon when he went swimming in the quarry of the Shawinigan Chemical Company near Bedford. The child turned turtle three times and then struck a telegraph pole, breaking the post in two by the force of the impact. Cecil Main, twenty-four years old, of East Angus, an employee of the Brompton Pulp and Paper Company, sustained a dislocated hip and Miss Dorothy Davis, nineteen years old, also of East Angus, suffered injuries about the face. Both victims were removed to the Sherbrooke Hospital by Jalbert's ambulance. Miss Davis was sitting in the front seat of the car with Mrs. Main, who was driving and escaped unhurt. Cecil Main was in the rear seat with a companion. As soon as the accident occurred, Dr. Brown, of Ayer's Cliff, was summoned to the scene and administered first aid treatment.

HOCKEY PLAYER WAS VICTIM OF FATAL MISHAP. Graydon "Bud" Goff, Popular Defenceman, Passed Away Last Night, Following Injuries He Received While Working at Bromptonville Yesterday. The Eastern Townships hockey world was plunged in grief today following word of the death of an outstanding player and genuine sportsman. Shortly after midnight last night "Bud" Goff passed away in the Sherbrooke Hospital from burns and injuries he received while working for the Southern Canada Power Company at Bromptonville. Early yesterday afternoon word spread throughout the city that "Bud" was critically injured and that little hope was held for his ultimate recovery. The best of medical attention stood watch and did everything possible to save his young life, but shortly after midnight the end came and removed an athlete that the Eastern Townships could ill afford to lose. Goff was twenty-eight years of age and called Cookshire his home. He was employed by the Southern Canada Company and was performing his duty when the accident which resulted in his death occurred. The Record learned today that the victim was in contact with a live wire and had been rendered unconscious. He fell headlong from the twenty-five-foot pole on which he was working and suffered severe injuries to his head. Jalbert's ambulance was immediately summoned and brought the injured athlete to the Sherbrooke Hospital, where it was found that he had been badly burned about the head, arms and chest. Other injuries included a fracture at the base of the skull and internal injuries. The inquest into his death was held this afternoon in the central police station.

TWO INJURED IN AUTO ACCIDENT AT MASSAWIPPI

Cecil Main and Dorothy Davis, Both of East Angus, Removed to Sherbrooke Hospital Following Mishap when Car Was Overturned by Punctured Tire. Massawippi, July 9.—Two East Angus residents were quite seriously injured and two others experienced a fortunate escape when the automobile in which they were driving was overturned by a punctured tire. The vehicle turned turtle three times and then struck a telegraph pole, breaking the post in two by the force of the impact. Cecil Main, twenty-four years old, of East Angus, an employee of the Brompton Pulp and Paper Company, sustained a dislocated hip and Miss Dorothy Davis, nineteen years old, also of East Angus, suffered injuries about the face. Both victims were removed to the Sherbrooke Hospital by Jalbert's ambulance. Miss Davis was sitting in the front seat of the car with Mrs. Main, who was driving and escaped unhurt. DEATHS REPORTED MR. G. K. MUNCASTER. Mr. G. K. Muncaster, of Bedford, died at his home in Lennoxville, on June 3, having been in failing health for some time. He was sixty-five years of age. Mr. Muncaster, a son of the late Mr. and Mrs. William Muncaster, was born in England. Coming to Canada in his infancy, he spent his boyhood in Johnville. Going to the United States in his early manhood, he remained there for two years and upon his return to Johnville he started in business for himself. He sold out his business there some years ago and took up farming near Johnville, where he resided until the time of his death. In January, 1903, he was married to Edith Cecilia Smith, daughter of the late Mr. and Mrs. William H. Smith, of Sherbrooke. Mrs. Muncaster died in June, 1918, leaving one son, Clayton. The deceased was a man of sterling qualities, a good friend and neighbor and a highly respected citizen. The funeral was held on Wednesday, July 4th. Prayers were said at Lennoxville Funeral Home, thence to St. George's Church, Lennoxville. The funeral service was conducted by Rev. Mr. Oakley, of Johnville, assisted by Rev. Mr. Legge, of Coaticook, and Rev. Mr. Robins, of Scottstown. The hymns, "Unshaken Hills," "Perfect Peace" and "Abide With Me" were sung by a choir composed of friends of the deceased from Johnville, Lennoxville and Sand Hill. He leaves one son, Clayton; two brothers and three sisters residing in the United States. The bearers were Messrs. C. S. Butler, C. C. Chaddock, A. Carroll, A. Cote, H. Thompson and A. W. Wheeler. Among those attending the funeral from a distance were: Mr. and Mrs. Whitcomb, Norwich, Vt., and Mr. and Mrs. J. R. Cartmell, Middlebury, Vt. Flowers sent by relatives and friends were numerous and beautiful. Interment was in the family lot in Malvern Cemetery.

ENJOYABLE GARDEN PARTY. One of the most delightful outdoor events of the summer was sponsored by the Young Women's Association of the United Church on Saturday afternoon, when Mrs. Lawrence McAllister kindly opened her charming lawn for a garden party. The tastefully grouped perennial borders and flower beds made a colourful background for the lawn, upon which the tea table, with a colour scheme of decoration in pink and white, were attractively arranged, and the many-coloured costumes of the visitors added to the brightness of the scene. Welcomed by Mrs. McAllister and Miss Geraldine Seale, president of the society, the visitors enjoyed afternoon tea and ices and the social intercourse made possible by the occasion. Members of the society waited upon the tables, with Mrs. F. R. Matthews and Mrs. J. R. Munroe pouring tea and Miss Evelyn Browne acting as treasurer. The table of fancy articles was in charge of Miss Mina Pergau. A popular feature of the afternoon was fortune telling, Miss Evelyn Bradley, of Sherbrooke, having the mysteries of the horoscope in charge, while Mrs. Nelson Lotbiniere devoted herself to the reading of the tea-cups as her share in lifting the curtain of the future. Music was provided by several youthful artists, including the Misses Coates, who played piano duets and other family songs. Ward and Patty Watson, who played duets; and Ross McAllister, who contributed piano solos, all adding greatly to the enjoyment of the afternoon. Happily the ran, which had both threatened and fallen at intervals during the day, held off until the last guest had departed and the success of the garden party was assured.

MARKET REPORT. Dairy supplies in Lennoxville market on Saturday included butter, which sold at twenty-two cents a pound, cream at ten cents a half pint, and eggs at twenty-five cents a dozen. In the vegetable section potatoes sold at fifty cents a bushel, lettuce, radishes and onions at five cents a bunch, and rhubarb at five cents a bunch. Considerably more meat was offered than is usually the case, principally beef which sold at from five to sixteen cents a pound.

General Notes. Mrs. W. H. Cleveland, and her little grandson, Duncan Little, of Saskatoon, and Mrs. J. N. Duncan and her son, Billy, of Montreal, are guests at the home of Mrs. J. A. Seale. Principal J. G. McLeod, of Theseby, and Professor W. H. Ward, of Macdonald College, are at Mrs. Seale's home while attending the Summer School which is being held at Bishop's University. Mrs. Clayton Tirrell, of Canaan, Vt., who has been the guest of the family during the past week, was joined for the week-end by her husband, Mr. Tirrell, and accompanied home by her sister, Mrs. William Mitchell, and two little sons, of Toronto, who will be her guest for a week.

JOHN DILLINGER PROVES A STRONG DRAWING CARD. Little Bohemia Resort Has Enjoyed Boom Days Since Dillinger and His Gang Used It as Hideout. Manitowish, July 9.—John Dillinger is too much of a drawing card to suit Emil Wanatka. Emil and his Little Bohemia resort shot out on the front pages last April when Dillinger and his gang used it as a hideout, kept Emil a virtual prisoner two days, and then fled in a hail of bullets as the mob shot it out with officers. "Business here," Emil said today, "is too good. I'm kept so busy I'm getting tired of it. I want to rest for a year or two." The Little Bohemia, he said, has seen almost boom days since the Dillinger episode.

Miss Lydia Wood, of Gould, was the guest soloist at the service yesterday morning in Plymouth United Church. Mr. F. W. Norcross, Fulton avenue, has returned home after spending a week in Toronto and Wilberforce. Mrs. R. W. E. Wright, Mrs. L. V. Parent, Mrs. R. W. Anderson, Mrs. R. L. Bishop and Miss D. Kerr, were hostesses at the Lennoxville Golf Club tea on Saturday afternoon. Mr. and Mrs. Lucien Hebert and family, Portland avenue, are spending the week at "Gaité," the summer home of Judge and Mrs. Couture at Little Lake. Mr. and Mrs. Alan Mackinnon, who have been guests for a week of Mr. James Mackinnon at "Inverness Lodge," his country home at Bondville, left this afternoon en route for their home in Winchester, Mass. Mr. Robert Delafeld, Jr., of New York, fellow student with Mr. Bruce Fletcher, Jr., at Phillips Andover School, Andover, Mass., is a guest of the latter at North Hatley at Mr. and Mrs. H. Bruce Fletcher's summer home. Miss Hope MacLagan, nurse-in-training at the Royal Victoria Hospital, Montreal, arrived in Sherbrooke on Saturday accompanied by her mother, Mrs. S. F. MacLagan, who had been visiting relatives in Montreal for a few days. Miss MacLagan will spend part of her vacation at home with her mother. Mrs. Mitchell, Mrs. Andrea Paton Robinson, Mrs. P. H. Skelton, Mrs. F. W. Webster and Miss Gladys Hale were hostesses at the Sherbrooke Country Club tea on Saturday afternoon. Mrs. Mitchell presided at the tea table, which was attractively arranged with delphinium and spirea, and the Misses Maureen McManamy, Marjorie Bayne and Margaret Doherty, assisted in serving. Mrs. Frank Patton's home on Lincoln avenue was the scene of a largely attended and very enjoyable porch tea given under the auspices of the Ladies' Aid of St. Andrew's Church. Mrs. H. R. Ross, president of the Aid, assisted the hostess in receiving, and the pleasant event was both socially and financially a splendid success. Mrs. MacCauley and Mrs. L. R. Wilson presided at the pretty tea table, which was covered with a cut work cloth and centered with garden roses. The Misses Audrey Elliott and Miss Dorothy Ward, the latter of Montreal, assisted in serving.

MARRIAGES SPAFFORD-ARMITAGE. Sandwich, N.H., July 9. — The Corpus Christi Church here was the scene of a pretty wedding on June 16th when Bertha Armitage, daughter of Mr. and Mrs. John Booth Armitage, of Buzzard's Bay, Cape Cod, became the bride of Norman Sidney Spafford, son of Mr. and Mrs. Dudley W. Spafford, of Hatley, Que. Rev. George Maxwell officiated. The bride was gowned in white satin with train and her long veil was held in place by a tiara. She carried a single white orchid and baby's breath. The bridesmaid, Miss Genevieve Tuoy, wore pink mousseline de soie and a lace picture hat. Her bouquet was of butterfly roses. Edward J. Dostal, brother-in-law of the groom, of Bridgewater, Mass., acted as best man. A wedding breakfast was served at the home of the bride's parents, after which the couple left on a short trip through New England. Mr. and Mrs. Spafford will reside at Craigwood, Hyannis, Mass.

Among the guests at the annual picnic given under the auspices of the Brompton Road Women's Institute were members of the St. Francis Club, the latter sharing in the expenses in connection with the pleasant and successful event. Miss Ruby Hunt, of the staff of Havergal College, Toronto, is arriving tomorrow to spend the summer holidays at home with her sisters, Mrs. R. F. Morris, and Miss Hunt, "Prospect House," Melbourne street.

LOCAL PLAYERS DOWNED MAGOG TENNIS FORCES

St. Francis Tennis Club Journeyed to Magog Saturday Afternoon and Captured Seven of Nine Matches on Friendly Inter-Club Programme.

Magog, July 9.—A group of St. Francis Tennis Club players journeyed here from Sherbrooke Saturday afternoon for a friendly inter-club match with the Magog Tennis Club and finished the afternoon's competition by winning seven of the nine matches arranged. A clean sweep in the men's singles and victories in two of the three fixtures in both the men's and mixed doubles produced the visitors' margin of victory over the local forces.

The week-end competition marked the resumption of out-of-town journeys by the St. Francis players after a two-year period of comparative inactivity in this means of fostering friendship among Eastern Townships clubs. The visitors were loud in their appreciation of the cordial reception they received from the local club and marvelled at the beautiful lakeside setting in which the local grounds are situated.

The three courts were in constant use during the afternoon. In the men's singles, Bill Beck revealed that after he has deserted the ranks of bachelorhood he will be a strong contender for the Eastern Townships crown which he lost to Willard "Bill" Crocker in last year's final round. Beck lost but one game in his first singles match with Edgar Whalley, captain of the Magog Club and a former stellar performer.

Connie Gregoire and Jeff Moynan took a long time to decide their superiority, three sets being necessary before the Sherbrooke boys gained the spoils of victory. Moynan pulled out the initial set at deuce, but Gregoire rallied to square matters by losing only two games in the second tilt. The deciding set went to twelve games before Gregoire produced the winning punch.

In the third singles' event Armand Ledoux was forced to come from behind to take the measure of George Smiley. After dropping the opening set, the polished French-Canadian player staged a forceful comeback to take the series and give St. Francis a three to nothing advantage in the singles programme.

Beck and Gregoire combined forces as the Sherbrooke's first doubles team. Their opposition was provided by Whalley and Eddie Jackson. The first set was very close as the Magog pair kept the visitors on the run and only capitulated after twelve games had been played. In the second tilt, however, the Beck-Gregoire attack functioned to the extent that the home combination was only able to hold up to the extent of four games.

In the second men's doubles Ledoux and Marcel Gregoire won a three-set decision from Smiley and Moynan. The Magog boys dropped but four games in romping away with the initial contest. Ledoux and Gregoire retaliated by holding their opponents to two games in the set which squared the match and they went ahead to annihilate a 6-4 conquest to capture the event. Magog registered its only victory in the men's events when Neil Dinning and Eddie Hendry proved too strong for Paul Biron and George Murphy. The Textile Town partnership lost little time disposing of their opponents, winning in straight sets with the less of only seven games.

Biron, however, helped to bring his club another point when he paired with Miss Bernadette Lange to win an uphill battle from Hendry and Miss Elsie Duff. The Magog team went one up by taking the first set only to have the visiting tandem even matters by capturing the second battle. The deciding set was hard fought and the lead changed several times until the Saints emerged with a 6-5 verdict in the final argument.

Playing second mixed doubles Marcel Gregoire and Miss Helen Wolfe handed Jackson and Mrs. Edgar Whalley a straight set setback. Three games in the opening tilt and four games in the second battle were the result of a combination could register against the smooth-working Sherbrooke tandem.

Ray deGruchy and Miss Nadene Styan were responsible for Magog's second point when they tackled a three-set defeat on Hugh Crochett and Miss Evelyn Veilleux. Hitting their stride after losing the first set, the home team came out on the short end on but one of the thirteen games in the last two battles.

Following the competition the visitors were hospitably entertained by their hosts. The hostesses at the afternoon tea were Mrs. Whalley and Mrs. K. Potter, while a bevy of charming young ladies including the Misses Nadene and Audrey Styan, Kathleen Potter and Janet Brown assisted that the return match will be played on the St. Francis courts on Saturday August 4.

The detailed results of the matches were: Men's singles—W. Beck, St. Francis, defeated E. Whalley, Magog, 6-0, 6-1; C. Gregoire, St. Francis, defeated J. Moynan, Magog, 6-8, 6-2, 7-5; A. Ledoux, St. Francis, defeated G. Smiley, Magog, 4-6, 6-2, 6-4. Men's doubles—W. Beck and C. Gregoire, St. Francis, defeated E. Whalley and E. Jackson, Magog, 7-5, 6-4; A. Ledoux and M. Gregoire, St. Francis, defeated G. Smiley and J. Moynan, Magog, 4-6, 6-2, 6-4; N. Dinning and E. Hendry, Magog, defeated P. Biron and G.

CLOSE VERDICT WAS RECORDED BY LOCAL NINE

Notre Dame Downed Granby by Five to Three Yesterday Afternoon to Gain Second Place in League Standing—Drummondville Won Thirteen-Inning Game at Acton Vale.

Patrons and followers of the Eastern Townships Senior Baseball League were treated to an exceptionally fine brand of their favorite pastime over the week-end when Granby and Drummondville visited Sherbrooke and Acton Vale, respectively. Drummondville added its eighth straight victory to its undefeated string by nosing out Acton Vale to the tune of seven to six in thirteen innings, while Notre Dame took sole possession of the second place in the ranking by scoring a clean cut five to three decision over Granby at the local Dufresne Park.

The largest crowd of the local baseball season—a gathering estimated at nearly five thousand spectators—watched Granby and Notre Dame stage a close battle in which the local side held the upper hand at all times but were never sufficiently ahead to make the fixture one-sided. In fact a Granby rally in the first half of the ninth inning had local partisans worried that their team's hard-won margin would be wiped away. The outcome, however, was stamped with Notre Dame holding a margin of two tallies.

Jim Long outlasted two Granby hurlers, Auger and Porter, to receive credit for the victory which raised Notre Dame's percentage to .500 as the halfway mark in the schedule was reached. Long granted seven hits, one of which was Dupuis' home run with the bases empty in the fourth inning, struck out five and walked one. Auger, who was charged with the defeat, whiffed three and issued a similar number of free tickets to first base during his five-inning sojourn, while Porter equalled Long's strikeout mark and walked none. Notre Dame collected eight safeties off the combined offerings of Auger and Porter, the principal blow being Benny Brooks' fifth-inning triple. The other extra base blows were doubles by Bilodeau and Amedee Roy, of Notre Dame, Bousquet, Thurier and Pat Mitchell, of Granby.

Auger's lack of control paved the way to Granby's downfall as early as the first inning. After Amedee Roy had fled to centre field, Fournier and Brooks drew passes to first. Fournier's long single scored Trotter's first run in the initial inning. Bilodeau's fielder's choice allowed Brooks sufficient time to cross the plate and permitted Trotter to get to third. Trotter concluded the home team's scoring in this frame by stealing home while Auger was pitching to Lou Roy.

Dupuis' circuit cut produced the visitors' first run in the fourth chukker, but in the following round Fournier's single, Brooks' triple and Trotter's sacrifice fly resulted in Notre Dame's last two points. Beauregard's single, an error and Pat Mitchell's double accounted for Granby's pair of tallies in the ninth stanza after Schume had struck out and Bessette had popped a fly. Bousquet ended the game and Granby's rally by striking.

The Roy brothers led the Notre Dame attack with two hits apiece while Fournier, Brooks, Trotter and Bilodeau were responsible for the other four safeties, bunched sufficiently to bring the local aggregation their fourth win against a similar number of losses. Thurier connected safely with two of Long's deliveries and the remaining five safeties were shared by Mitchell, Bousquet, Dupuis, Beauregard and Porter.

Following the game the fans were given an exhibition of magic when Joe Lavigne was placed in a straight jacket and tied with heavy chains. Within six minutes Lavigne released himself and received a tremendous ovation from the spectators. The score by innings in the local game was: Granby . . . . . 000 100 002—3. Notre Dame . . . . . 300 020 00x—5.

As a result of the defeat Granby and Acton Vale are tied in the cellar position with two victories and six losses each.

PLAYERS ANOTHER RECORD—Lake Maranscock, Me., July 9.—Alice Bridges, sensational eighteen year old swimmer from Whitesville, Mass., clipped 11 1/4 seconds from the 440-yard short-course backstroke record as she broke her ninth United States mark here yesterday. Her time was six minutes 10 4/5 seconds.

Murphy, St. Francis, 6-4, 6-3. Mixed doubles—P. Biron and Miss B. Lange, St. Francis, defeated E. Hendry and Miss E. Gaunt, Magog, 2-6, 6-2, 6-5; M. Gregoire and Miss H. Wolfe, St. Francis, defeated E. Jackson and Mrs. E. Whalley, Magog, 6-3, 6-4; R. deGruchy and Miss N. Styan, Magog, defeated H. Crochett and Miss E. Veilleux, St. Francis, 4-6, 6-1, 6-0.

DOMINION PINS EMPIRE HOPES ON YOUNG TEAM

Ten Ontario Girls and Five Westerners Delegated as Canada's Feminine Track and Field Representatives at British Empire Games in London Next Month.

London, Ont., July 9.—Fifteen girls in five divisions, any one of whom might become a British Empire champion on the right day and under particular conditions, formed Canada's feminine track and field selection today more capably, most observers believed, than it was ever filled before for an international event.

The best of the old guard, straining to keep hold of the reins, and a spectacular group of newcomers were selected to represent the Dominion at the August Empire Games in London, England, following trials here on Friday and Saturday. They formed a team regarded as the strongest Canada has ever assembled.

Instead of having to depend on one outstanding entrant in each event, the Dominion had a solid guard of near-champions to back up the No. 1 performers. The near-champions were so close to the champions that only inches and finely split seconds separated them. The selection committee nacked starchy athletes into each event.

Audrey Dearnley, nineteen year old Hamilton girl, stood out as the brightest hope among a fine field of sprinters. She captured the 100 yards trial in 11.2 seconds after having won the senior Canadian 60 metres as a preparatory move. But Miss Dearnley won by so scant a margin in the century that Mildred Fizzell, tiny Toronto sprinter who placed fourth, was scarcely two feet behind the winner. Peggy Matheson, of Toronto, and Betty White, of Hamilton, missed winning by inches, the Toronto runner taking second.

Much the same situation prevailed all down the line while such noted champions as Hilda Strike, Montreal, Mary Fizzell, of Toronto, and Aida Wilson, of Toronto, either lagged behind noticeably or were eliminated entirely. Miss Strike failed to reach the 100 yards final, placing fourth in her semifinal heat. Miss Fizzell finished fifth in the final.

It was a new record in the 80-metre hurdles final between Betty Taylor, of Hamilton, and Betty Atkins, of Toronto, that the judges decided they ran a dead heat. Miss Wilson, who was champion in 1932, ran third. She trailed the new champion by three yards.

Canada will send the White-Matheson-Fizzell combination into the Empire sprint to support Miss Dearnley. Critics believed the Dominion has never sent as strong a quartette of girl dashers into an international competition.

Miss Taylor and Mrs. Atkins will jointly carry the hurdles hopes, but Miss Wilson will go along too. Hilda Cameron, of Toronto, won the 220-yard final with Lillian Palmer, 1933 champion, second. The girl who would have won the race had she not collapsed a yard in front of the finish line will go to London anyway. Eileen Meagher's dramatic tumble was not as costly as it might have been.

The selection committee considered the Halifax girl had broken the Canadian record with a 25.6 sprint in her heat and was in front of a yard when she fell. They decided that if she could produce a medical certificate of good health she would accompany Miss Cameron and Miss Palmer.

Eva Dawes, of Toronto, was still the best of the high jumpers, but the dark-haired Olympian will have help in London. Isabella Miller, sixteen year old Hamilton schoolgirl who placed second to Miss Dawes, and Margaret Bell, of Vancouver, who was third, were also selected. Miss Dawes cleared at 5 feet, 2 3/8 inches.

Margaret Fitzpatrick, of Calgary, and Evelyn Goshawk, of Windsor, both with a net height of 4 feet 10 inches, were selected for the 400-metre hurdles. They were selected for the 400-metre hurdles because of their 110-metre hurdles 15.8 seconds; discus throw 47.23 metres; pole vault 3.43 metres; javelin throw 58.32 metres; 1,500 metre run four minutes 58.8 seconds.

Forty amateurs seek seven Empire wrestling berths. Montreal, July 9.—Exponents of the science of grunt and groan-trials will give out Canada from coast to coast—sway body slams and headlocks here tonight for the honor to represent the Maple Leaf in the British Empire Games at London this summer.

Close to forty budding young stars of the amateur wrestling world will give out Canada from coast to coast—sway body slams and headlocks here tonight for the honor to represent the Maple Leaf in the British Empire Games at London this summer.

BEEBE SCORED EASY VICTORY OVER REGIMENT

Granite Town Aggregation Registered Five to One Win Over Sherbrooke in Scheduled Soccer Game on Saturday—Soldiers Crippled by Absence of Four Regulars.

Beebe temporarily checked the Sherbrooke Regiment's hopes of drawing nearer the leading Drummondville eleven when the Granite Town boys scored a five to one victory over the local Soldiers in a scheduled Eastern Townships Football Association fixture on the Parade Grounds Saturday afternoon. Two goals in the first half and three additional tallies in the closing minutes of the battle placed the issue beyond any doubt. The Regiment notched its lone point in the opening forty-five minutes.

The Soldiers were seriously crippled by the absence of four regulars and were never a match for the determined visitors, who were shooting for their first victory after three straight setbacks. The Regiment patched up their offensive with four substitutes but the usual smooth-working attack was missing, particularly when the home team rallied to the Beebe goalmouth.

Clint Gardiner kept local hopes alive by equalizing the lead while Beebe established in the opening stages of the contest. The Regiment attacked strongly to break the deadlock, and it was on one of their goalward sallies that the visitors broke away to assume a margin which they never relinquished.

The second half was even enough until the dying moments. Every attack Beebe launched crept in closer to the Regiment citadel until a series of combination plays brought the count up to three to one in favor of the Denneymen. Encouraged by this success the border town athletes continued their tactics and were rewarded with another pair of counters before Referee Ted Croft sounded the final whistle with the visitors on the long end of a five to one count.

As a result of Beebe's victory the league standing today is: Drummondville . . . 3 0 15 0 6. Regiment . . . . . 1 2 5 9 2. Beebe . . . . . 1 3 7 13 2.

The five and one mile races and finishing second in the one-third mile dash and in the 1,000 metre time trial when she teamed with Eric Walker, of Montreal, to take the mixed doubles championship with a sparkling victory over Miss Francoise Lacasse, of Montreal, and Harry Dayes, of Jamaica, by 6-1, 6-1.

The veterans' singles R. N. Watt, father of the senior finalist, defeated N. Dudkoff by 6-4, 3-6, 6-3, but lost to Dudkoff and A. Dubeau in the finals when teamed with R. Baxter by 6-2, 3-6, 6-4.

ENGLISH CHAMPION SHARED MIXED DOUBLES TITLE. Wimbledon, July 9.—Dorothy Round, whose smashing victory over Helen Jacobs, United States champion, won her the highlights of all-England championships, shared a second Wimbledon tennis title when she paired with R. Miki, of Japan, to win the mixed doubles final against H. W. "Bunny" Austin and Mrs. D. C. Shepherd-Baron, of England. The scores were 3-6, 6-4, 6-0.

The American brigade, making its worse showing since 1926, drew some solace when its national champions, Lester Steofen and George M. Lott, Jr., crushed the veteran French pair, Jean Borotra and Jacques Brugnon, by 6-2, 6-3, 6-4 in the men's doubles final.

EASTERN CANADA TITLE PLAY OPENS TODAY. Ottawa, July 9.—The Eastern Canadian tennis championships which get under way here today on the clay courts of the Rideau Lawn Tennis Club take on an international aspect with two entries from Jamaica and one from the United States. Canadian exponents from as far west as Regina and to Halifax in the Maritimes are also entered.

Rob Wilson, of Toronto, former McGill player, is drawn against C. H. McCreery, of the Ottawa Edinburgh Canoe Club, and this match is expected to be one of the features of the opening.

In another men's singles event fifteen year old E. Dufresne, of Montreal, is pitted against Hamilton's champion, W. G. Pizgott. The lone United States entrant, Alan Wadsworth, of Philadelphia, will battle it out with Red Quin, of Ottawa, in the men's singles.

Ranked second in Saskatchewan, Clara Ehaman, of Regina, is drawn against an Ottawa player, Martha Paradis, in the ladies' singles. Diana Pope, tied for the tenth ranking player position in Ontario,

MURRAY BEAT LAIRD WATT IN SINGLES FINAL

Youthful McGill University Tennis Star Captured Quebec Championship by Scoring a Surprising Three-Set Victory Over Defending Title Holder.

Montreal, July 9.—A young tennis star just out of his teens, Bob Murray, new singles champion of the Province of Quebec, was looking around for new worlds to conquer today.

Murray, one of the rising generation of tennis stars Canada looks to for the formation of her Davis Cup teams of the future, won the first major title of his career here on Saturday when he scored a surprising three-set victory over his traditional rival on the courts and pal in every-day life, Laird Watt, twenty-one year old Davis Cup team member.

The youthful McGill University tennis star, who just was noosed out of a position on the Davis Cup team in the trials at Toronto this spring, displayed an aggressive and at times brilliant brand of tennis to win from his chum by 6-1, 7-5, 6-4. Watt, the Canadian Davis Cup team, played erratically in spots and was continually unsuccessful in controlling his base line drives. Both players showed the benefits of a recent tour of the United States spring tournaments.

Just to show there was no ill-feeling, the two lads teamed up following their singles match and handed a four-set shelling to the doubles final to the Jamaica team of Leahong and Harry Dayes by 6-2, 6-4, 1-6, 6-1. Not used to the clay courts after playing on the grass of their native West Indies, the Jamaicans were unable to cope with the dashing play of the youthful Canadians and the issue was never in doubt.

A former resident of Vancouver now residing in Montreal, Mrs. W. Patrick, captured the women's singles championship with a brilliant 6-1, 6-0 victory over Mrs. E. E. Wasson, of Montreal, after she had whipped the defending titleholder, Miss Effie Billing, of Montreal, in the semifinals. Mrs. Patrick lost only three games to Miss Sawyer, winning by 6-0, 6-3.

In the women's doubles Miss Sawyer and Mrs. Patrick faced each other across the net again as Mrs. Patrick teamed with Mrs. James Barr, of Montreal, to win her second tilt of the tournament with a 6-3, 7-5 victory over Miss Sawyer and Miss Billing.

Mrs. Barr also won a second title when she teamed with Eric Walker, of Montreal, to take the mixed doubles championship with a sparkling victory over Miss Francoise Lacasse, of Montreal, and Harry Dayes, of Jamaica, by 6-1, 6-1.

The veterans' singles R. N. Watt, father of the senior finalist, defeated N. Dudkoff by 6-4, 3-6, 6-3, but lost to Dudkoff and A. Dubeau in the finals when teamed with R. Baxter by 6-2, 3-6, 6-4.

ENGLISH CHAMPION SHARED MIXED DOUBLES TITLE. Wimbledon, July 9.—Dorothy Round, whose smashing victory over Helen Jacobs, United States champion, won her the highlights of all-England championships, shared a second Wimbledon tennis title when she paired with R. Miki, of Japan, to win the mixed doubles final against H. W. "Bunny" Austin and Mrs. D. C. Shepherd-Baron, of England. The scores were 3-6, 6-4, 6-0.

The American brigade, making its worse showing since 1926, drew some solace when its national champions, Lester Steofen and George M. Lott, Jr., crushed the veteran French pair, Jean Borotra and Jacques Brugnon, by 6-2, 6-3, 6-4 in the men's doubles final.

EASTERN CANADA TITLE PLAY OPENS TODAY. Ottawa, July 9.—The Eastern Canadian tennis championships which get under way here today on the clay courts of the Rideau Lawn Tennis Club take on an international aspect with two entries from Jamaica and one from the United States. Canadian exponents from as far west as Regina and to Halifax in the Maritimes are also entered.

Rob Wilson, of Toronto, former McGill player, is drawn against C. H. McCreery, of the Ottawa Edinburgh Canoe Club, and this match is expected to be one of the features of the opening.

In another men's singles event fifteen year old E. Dufresne, of Montreal, is pitted against Hamilton's champion, W. G. Pizgott. The lone United States entrant, Alan Wadsworth, of Philadelphia, will battle it out with Red Quin, of Ottawa, in the men's singles.

A KEEN-CONTEST FOR HONORS AT COUNTRY CLUB

Len O'Donnell and Mrs. E. E. Wasson Captured Low Gross Honors in Mixed Foursome Event on Saturday, while J. R. Simms and D. J. Salls Posted Best Net Card.

Len O'Donnell is seriously contemplating the matter of applying for a leading vocal part in the Metropolitan Opera Company. For the past two weeks Leonard has been vocalizing "We're in the Money" and should he win another Sherbrooke Country Club competition he will undoubtedly qualify as Enrico Caruso's legitimate successor or displace John McCormick as the Irish people's favorite tenor.

Leonard warbled his theme song when he partnered with "Junie" Mutchler to win the senior-junior event a week ago, and on Saturday he shook the club house with his solo again when he and Mrs. E. E. Wasson captured premier low gross honors in the mixed foursome. Phil Mathias and Miss Mona Bigg formed the runner-up prize after playing off with Bob Newton and Mrs. B. N. Holtham.

John Simms and Mrs. D. J. Salls recorded the lowest net, which proved five strokes better than the gross-five-handicap card turned in by B. Beaudry and Mrs. L. A. Darcy. Third prize in this section went to Fred Briggs and Mrs. F. Norcross, who finished a single stroke behind the runners-up.

Prior to the competition an impressive ceremony took place in front of the club house when a Union Jack was raised to the top of a towering flag staff. Mrs. Arthur Edwards raised the emblem to the top of the mast with the assistance of Bob Costley. The flag pole had been donated to the Country Club by Arthur Edwards.

The detailed results of the match were: Gr. Hd. Net. J. R. Simms and Mrs. D. J. Salls . . . . . 102 30 72. O'Donnell and Mrs. E. E. Wasson . . . . . 97 24 73. P. D. Mathias and Miss M. SOFTBALL. MAPLE LEAFS ACHIEVED FURTHER HONORS. "Chic" Rawlings is almost ready to receive unanimous acclaim as the John McGraw of local softball. "Chic" is the power behind the Maple Leaf softball throne, and his masterminding has been very evident in the list of victories which his men have gained since they began issuing challenges around the country.

Yesterday morning at Dufresne Park Nova Chevalier tried to lower the Maple Leaf banner, but the us drivers found that this was no simple task. True, the Maple Leafs had to go an extra inning before winning, but the seven-run rally they staged in the eighth frame revealed that they had been holding back the dynamite in their bats until the right moment.

At the end of the seven innings the score stood at four-ally. Then "Chic's" boys stepped up. Mrs. G. Rawlings' offerings in all directions to score seven times. Alex Morgan retired the busmen in the last half of the supplementary session and the Leafs romped away with an eleven to seven verdict.

The longest safeties of the game—two triples—were credited to Bob Bourguignon, of the Leafs, and "Lightning" Deslauriers, of the losing side. Better support by the Leafs proved a big factor in the Rawlingsmen's win.

YESTERDAY'S STARS. Outstanding players in yesterday's major league games were: Babe Ruth, Yankees: His home run in fifth inning put game on ice for the Yankees. Fred Fitzsimmons, Giants: Limited the Dodgers to three hits in shut-out victory. Dolph Camilli, Phillies: Propelled a homer with man on base for deciding scores against the Braves. Frankie Frisch, Cardinals: Accounted for four runs in the Cards' first game won over the Reds. Harlan Pool, Reds: Clouted first homer of the season with the bases loaded. Roy Johnston, Red Sox: Drove in seven runs in Boston's twin triumph over the Athletics. Willis Hudlin and Monte Pearson, Indians: Hurlled Cleveland to victory in doubleheader with the White Sox.

CAPACITY CROWD EXPECTED FOR ALL-STAR GAME. New York, July 9.—Shelving for a day the strife and strain of the major league pennant races, all-star teams of the American and National Leagues will take the field tomorrow at the Polo Grounds for the sake of sweet charity and the fulfillment of the baseball fan's mid-summer day dreams.

The National League park is expected to be jammed to its capacity of 55,692 customers, paying from fifty-five cents to \$2.20, to witness the all-star spectacle, and contributing thereby to a "gate" of nearly \$60,000 for the benefit of the Palymer's Benevolent Fund. The game is scheduled at 12:30 p.m., E.S.T. It may seem like just another afternoon's chit-chat to players Continued on Page 2.

LENNOXVILLE'S GOLFERS SCORE OVER THEFTFORD

Friendly Inter-Club Competition at Theftford Mines Saturday Afternoon Resulted in Twenty to Seven Victory for Lennoxville Forces.

Theftford Mines, July 9.—Lennoxville posted a victory into its inter-club record on Saturday in the form of a twenty to seven triumph over Theftford's golfers. The visitors emerged victorious in six of the nine foursomes, tied one match and lost two decisions by the odd point in three.

Following the friendly competition the visitors were entertained at tea by the home club. The detailed results of the match follow: Lennoxville. Theftford Mines. L. Brooks . . . . . 2. F. P. Smith . . . . . 2. A. Ames . . . . . 0. C. O. C. Smith . . . . . 0.

MISS C. TAYLOR WON LADIES' EVENT AT LENNOXVILLE. In the absence of the gentlemen members of the Lennoxville Golf Club in Theftford Mines, the ladies held an approaching and putting competition on Saturday afternoon. Miss Caroline Taylor captured the premier honors with a score of twenty while five players, Mrs. L. M. Watson, Mrs. J. P. Stewart, Mrs. R. W. Anderson, Mrs. D. R. Clark and Miss Dorothy Kerr, tied for second place. In the play-off Mrs. Stewart was victorious.

MONTREAL SPLIT TWIN BILL WITH SYRACUSE. The Rochester Redwings still are seeking their first national League batting punch, but they have rallied sufficiently to regain second place in the standings. They made only twelve hits in a doubleheader yesterday yet won from the Baltimore Orioles by five to one and by four to three, and passed the Red Sox Toronto Maple Leafs in the standings.

Although beaten by eleven to five by the Buffalo Bisons, the Newark Bears remained temporarily secure in first place, four and a half games in front of the Red Wings and five and a half games ahead of Toronto. John Pomorski served as a relief pitcher in both games and was charged with the first game loss and credited with the second game victory.

Capacity crowd expected for all-star game. New York, July 9.—Shelving for a day the strife and strain of the major league pennant races, all-star teams of the American and National Leagues will take the field tomorrow at the Polo Grounds for the sake of sweet charity and the fulfillment of the baseball fan's mid-summer day dreams.
