MONTREAL, THURSDAY, JUNE 11, 1931

PRICE TWO CENTS

EIGHT SHOTS FIRED AS POLICE GIVE CHASE TO YOUTHS

Louis Gendreau and Roland Duhamel, Charged With Stealing Auto

Eight revolver shots were fired by the local police last Thursday morning during an exciting chase after two alleged suspicious characters in the North End.

The chase started at the corner of Clarke and Villeneuve streets and the police were successful in arresting both men. Investigation later revealed that the glass of an automobile belonging to Sam Rosansky of 4829 Clarke street, which was stationed opposite his home, was broken and the lock tampered with. When taken to the police station the men gave their names as Louis Gendreau, 20 years of age and Roland Duhamel, 18 years of age, both giving no address. They were charged with attempting to steal an automobile.

Captain O'Neil, of the Laurier avenue west police station, learned that Constable Deschamps was patrolling his beat when he saw two men acting suspiciously near an automobile on Clark street. He started to walk towards them and upon seeing the officer the men began running. He fired three revolver shots into the air as a warning, but the fugitives continued. Constable Deschamps was then joined by Constable Longtin and both gave chase. Seeing that the fugitives did not halt after the first warning, Constable Longtin then fired five shots from his revolver. The men slackened their pace and were soon overtaken by the constables. Both were taken to the police station and charged.

ARMED BANDITS ROB DRUGGIST

Gunmen were active this week in the North End when two hold-ups were reported to the city police. According to the descriptions given by the victims, the police believe that the same men are responsible for both. The descriptions also tally with those given by two persons who were held up Sunday. Detectives are investigating.

Monday afternoon at 3.40 o'clock two men entered Rudman's Drug Store, 5137 Park avenue and ordered soft drinks. Finishing the drinks, they drew revolvers and told A. Rudman, the proprietor to put his hands up. They then ordered him to the back of the store and after taking \$40 from the cash register and \$2 from his pocket, escaped. Police of the Laurier avenue west station, under Captain O'Neil and Lieut. Leduc, investigated. They learned that at the time of the hold-up, a 16-year-old messenger was also ordered to remain quiet while the manager was forced to the rear of the store.

JOHN MCILHONE WAS VETERAN C.P.R. MAN

Held Position of Construction Superintendent for 25 Years

John McIlhone, of 5305 Waverley street, whose death occurred early this week, was for more than 25 years superintendent in charge of construction for the Canadian Pacific Railway. He had retired from active duty about 15 years ago. Among outstanding constructions which he superintended were the Place Viger Hotel, the Chateau Frontenac and various other stations and hotels of the company.

Mr. McIlhone is survived by two sons and three daughters namely: Robert E. and A. Raymond McIlhone; Mrs. M. Britt, Mrs. D. L. Perego and Miss B. McIlhone, all of this city. The funeral took place from the residence yesterday morning to St. Michael's Church.

Fire Damage Light in Out.

The City of Outremont is keeping well away from fires these times, according to Captain Willis, who only reported one very slight one during the whole week.

This is the third week in the past month that no serious outbreaks have been reported.

Such conditions that now prevail, however, are no need for asking for fires, even though the local fire department may be somewhat out of demand at present.

BLASTING CAUSE SEVERE BURNS TO R. DESCHAMPS

Face, Leg and Arm Injured While at Work

Rodrigue Deschamps, 27 years of age, of 7066 Chateaubriand street, suffered severe burns about the face, right arm and leg in a blasting accident at the intersection of Cote des Neiges road and Van Horne avenue at 5.40 o'clock last Thursday evening.

The victim was removed to the Homeopathic Hospital, where his condition was reported as fair.

It was learned that Deschamps was an employee of Gustave Gagnon, local contractor, and was engaged on some excavation work at the time of the accident which happened as he was returning to a drilled spot, where he had inserted four sticks of dynamite. Two of the sticks had exploded and believing that all four had done so, Deschamps went back to continue his work. When he reached the hole, however, an additional stick exploded and was severely burned.

OUTREMONT RESIDENT ON BAIL FOR FORGERY

Thirty items were contained in a complaint of forgery against Albert Urquhart, Hartland Avenue, and on which he appeared before Judge Tetreau in the Arraignment Court, Tuesday.

With the consent of the Crown, bail was fixed at \$1,000 and enquete set for next Thursday.

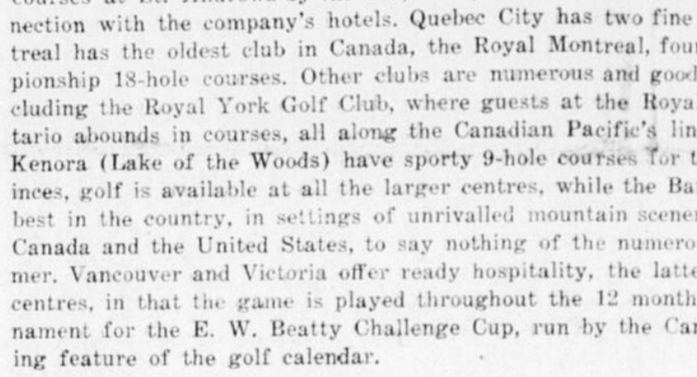

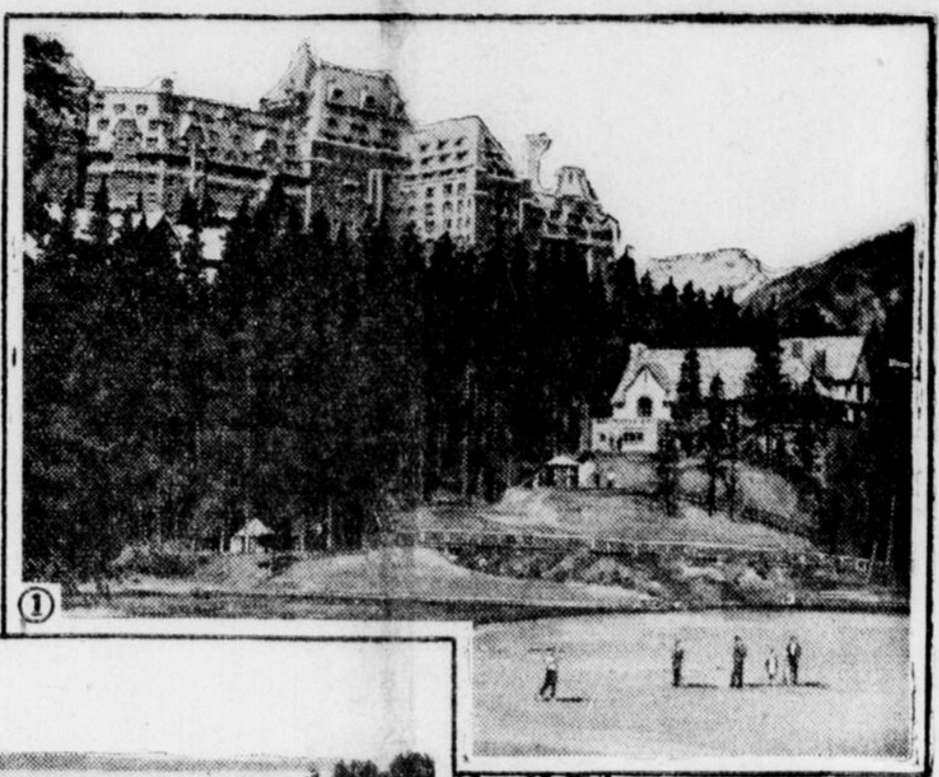

RELIGIOUS PARADE CANCELLED SUNDAY

Scattered showers throughout the day last Sunday prevented Corpus Christi processions in the city.

The local churches that arranged for the big event with decorated altars located in various parts of the city were obliged to dismantle the flowers and sacred articles that adorned the altars, as the inclemency of the weather continued unabated. Streets that were mapped out for the direction of the different processions were lavishly decked with flags as a solemn tribute to the religious event.

GOLF IS GOLF FROM COAST TO COAST

Golf has assumed such important proportions in the make-up of modern every-day life that it constitutes a very real phase of the activities of those who serve the public. The Canadian Pacific Railway is such a one and its train services to golf courses and established arrangements for guests at its many hotels to enjoy the game are the practical

Can Tramways Make Inroads on City Streets?

Before citizens support the possibility of another tunnel under Park Avenue at Mount Royal, they should first take a good look at the aspects of rash judgment on the part of the city on the upper Boulevard, as far as Cote Ste. Catherine Road.

Many thousands of dollars were required at one time to widen Mount Royal between the above mentioned streets, and in spite of this, Mount Royal Avenue above Park has returned to its former narrowness.

It was not enough for the city to permit the mountain tram tracks to run a short distance from the street line, but, they voluntarily cut the width of Mount Royal to prevent any possible accidents that might occur with the car tracks being too close to the street, when these could have easily been moved over at least another ten or fifteen feet, and the boulevard retain its width.

The aftermath of such lack of consideration between the city and tramways for the prevention of accidents, especially at the corner of Cote Ste. Catherine Road (Outremont's limit) may soon take grave proportions.

It will be almost physically impossible for automobiles to make the turn at Mount Royal and Ste. Catherine Road when a congestion of traffic occurs, with the present limited space afforded to motorists to test their full accuracy at the wheel to avoid collision.

The City of Montreal apparently has the advantage of doing as it pleases on this part of Mount Royal adjacent to Outremont, but it will never benefit it any. The street will only have to be widened again, so why not leave it that way now, and perhaps save many thousands of dollars to go over it again. The Montreal Tramways are at least greatly responsible for the present condition of this street, for apparently very little reason, when they could have laid their tracks farther back from the street line, which would thus preserve its width.

Why should the City of Montreal hamper its own traffic problems for the benefit of the Tramways, and the increased awkwardness and inconvenience to the public in general?

Chief Lefebvre Now in Quebec

Chief Lefebvre of the Outremont police left for Quebec last Tuesday to attend the International Convention of Police Chiefs.

Deputy-Chief Dulude replaced the Chief during his absence at the convention which was scheduled to last from the 9th until today.

Assistant Director Barnes was in charge of the force during the absence of Director Dufresne, while attending the convention in Quebec.

Director Dufresne was accompanied by Assistant Director Gobeil and Inspectors Foucault, Lefebvre, Lawton and Maranda. All are expected to return to this city by tonight.

On the principle that half a loaf is better than no bread, it ought to be true that half a truth is better than no verity.

On the principle that half a loaf is better than no bread, it ought to be true that half a truth is better than no verity.

SAINT MICHAEL'S HONORS SISTER MARY PHILIP ON GOLDEN JUBILEE

Beloved Jubilarian Presented With Illuminated Address by Alderman Holland—Well-Known Clergy Present at Remarkable Function.

Half a century of religious life devoted to the community of Ste. Anne was observed Tuesday morning last at mass and renewal of vows, held in St. Michael's Church to commemorate the golden anniversary of Rev. Sister Mary Philip's admission to the Sisterhood.

The church was filled to capacity for the occasion with many old pupils of the Rev. Sister and also with many parishioners. Ald. Holland presented the jubilarian with an illuminated address on behalf of the churchwardens and parishioners of St. Michael's parish.

To Reverend Sister Mary Philip on the occasion of her Golden Jubilee—1861-1931.

Reverend Jubilarian, The Spirit World has tendered you its greetings, felicitations and blessings. There remains but little for poor mortals like we to proffer you on this glad some occasion.

On the happy morn of that bright, memorable day, fifty years ago, you consecrated yourself to the service of God, and the Christian education of youth.

How well, how nobly, you have done your part! With steadfast will and kindly heart, with tender love and ardent zeal, which a Religious alone can possess, you have shed happiness and blessings through the hallowed reach of that Golden Past.

With joy, we echo the plaudits of the Great High Priest, Who is blessing and crowning this half of a century.

We join our voices in unison with the many who rise today to offer you their sincere congratulations, to proclaim you blest in the souls you have trained for heaven; blest, thrice blest, in the great "Well Done" that seems to resound from the azure sky. Dear Sister, 'neath your arch of years, how grand and glorious does your life appear. Memory points to that sacred past where your hand cast tender seeds that have struck deep root in well-tilled soil. To reward your zeal, the future promises generously.

It is our earnest wish and prayer, that your heavenly throne be a diamond one, and may our Blessed Lord grant us the happiness of keeping you in our own Lake Callaghan Memorial School until one and all be privileged to reunite at the celebration of your Diamond Jubilee as a Religious in the Community of the Sisters of St. Ann.

At the conclusion of the service the Pastor Father Singleton extended the greetings and best wishes of the clergy to the jubilarian.

The mass was celebrated by the Pastor of St. Michael's. In the sanctuary were Rev. Leo Burns, S.J., Rev. F. M. Elliott, Rev. J. L. O'Rourke, Rev. A. I. Walsh, Rev. Jasper Stanford, Rev. John Britt, Rev. M. P. Dawson and Rev. M. P. Bld.

The Lake Callaghan girls' choir rendered very appropriate hymns at the service.

The church was specially decorated with flowers and lights for the occasion.

Referendum Very Favorably Accepted

There should be no doubt now that the recent referendum of the City of Outremont for \$173,000 is acceptable to all property owners of that city.

The referendum met with complete success last Friday, when it was presented to property owners for their sanction. No opposition was made to the proposed loan by the city, as there was not one representative property owner present outside of the civic officials.

Do taxpayers of Outremont realize the proportions of this big loan negotiated solely for public improvements? This is a question that might answer the reason for their non-presence Friday. One or the other. It must be their great confidence in the present administration of their city, as being in very competent hands, or, many have yet to realize what it's all about. The latter idea,

however, may soon be learned when the question of levying additional taxes, etc., upon them to pay back this loan is brought up.

It may fairly be said that the expenditure required from this referendum for the improvement of the city embodies the most essential items, therefore citizens could hardly disagree about supporting the loan.

Outremont is still in a state of development where every consideration to its proper needs for improvement must not be overlooked, and, this contention was doubtless in the minds of those whose better judgment did not seek any revision of the referendum handed out.

Success lies in the attempt, and if the city fulfills its plans as outlined in the referendum, considerable proof of such necessities ought to be apparent in a few months.

First Anniversary Celebrated By Fairmount-St. Giles

Special services celebrating the opening of their splendid new church a year ago, were held last Sunday, both morning and evening. Two years and a half ago the congregation of Fairmount and St. Giles united to form a new church under the auspices of the United Church of Canada. The buildings formerly occupied were sold to good advantage. All the organizations were harmoniously united, the great financial proposition involved in the construction of the new edifice was successfully settled, and the outlook for the future is most promising.

The services Sunday were entered into with gratitude to God for the blessing and guidance thus received; the occasion was also celebrated June 10th, 1925, when the United Church of Canada was inaugurated.

Messages suitable to the great occasion were given by Rev. Dr. A. Lloyd Smith of Dominion-Douglas Church and by Rev. W. J. Clarke of St. Andrew's Church, the former preaching in the morning and the latter giving his message at the evening service.

A special service of anthems and other choral items were rendered by Mr. A. J. Binne, organist, and his efficient choir. The Rev. Dr. Dobson assisted at the morning worship and the Rev. J. P. Macfarlane in the evening.

Weekly "Examiner" Left For Spain

A copy of "The Examiner" boarded the Spanish trans-Atlantic liner this week for a trip to Spain.

The paper was carried on the person of young Robert Greville, Hartland Avenue, who left New York Monday morning aboard "The Marquis de Camillas" with his parents for Cadiz, Spain. On his arrival in Spain, Robert will deliver the paper to his relatives, and extend the good wishes of "The Weekly Examiner."

A reputation for wisdom may be acquired by saying nothing if you don't know and very little when you do.

Planning a Holiday? Try Canada

Each summer thousands of Canadians, in planning their annual vacation, think only of the New England seaside as a suitable place to rest up for the next year's grind. New England, and especially the seaside resorts of the New England states, have many attractions, but it is a fact that most of the people who leave Canada for the United States to spend their holidays have never experienced a real holiday in this country. They know nothing about the attractions that their own nation has to offer. Canada has everything that any other country in the world can offer. On the lower St. Lawrence and in the Maritime provinces are found some of the finest seaside resorts in the world. The boat trips to the Saguenay, the Gulf, and the Great Lakes are in a class by themselves. In Eastern Canada there is the beautiful Laurentian playground, lakes innumerable, unspoiled fishing and hunting grounds, and reached by beautiful highways. Indeed, it is doubtful if there are more beautiful rides anywhere than the Montreal-Mont Laurier-Ottawa trail, the Montreal-Three Rivers-La Tuque trip or the journey to Quebec, the Laurentides Park and Lake St. John. No part of this continent can compare with Quebec in historic interest; while in western Canada the Banff and Jasper playgrounds are the finest mountain resorts in the world. When you plan your holidays this summer, remember that every hundred dollars spent south of the line means a hundred dollars less for the Canadian people. Canada does not, however, have to ask a favor in urging her people to spend their money here this summer; she only asks that her own people do not overlook their own country in choosing a vacation site. Anyone, looking carefully into what Canada has to offer, will conclude that he is losing nothing by spending his money here.

An Investment Market

A scrutiny of the financial news is interesting these days, with the market oscillating at a point about where it was five years ago. When the big uprising began, in 1927, great numbers of the public were drawn into the game, fascinated by the prospect of quick wealth. Stocks rose in price until they were selling at levels out of all proportion to their yield. Then came October, 1929, and the first big smash. Big financial men everywhere predicted that the foolishness was finished and a period of sanity beginning—that stocks would drop to a point where their yield was more in keeping with their price. But the prophets forgot that the public could be just as foolish playing the game downward as playing it up. There was a series of stampedes, followed by an incredible lack of interest in the market. Stocks were oversold. Today, either in Montreal or New York, some of the very choicest investments are going begging at prices that yield from 7 to 10 per cent. The public, which two years ago jumped at the chance to pay \$100 for a return of \$1, today is not interested in the same stock at \$10, although in many cases the dividend is higher than in 1929. These choice stocks are, however, being slowly picked up by investment buyers, and are gradually being taken out of trading. Eventually this will cause values to rise, and the public will begin coming in again. The big rush to the market will not come however, until prices are again high. It has been said the public learned a lesson in the big crash. They will be back in a year or two for another lesson, however.

The Ban on Goods From Russia

The trade relations between Canada and Russia have recently been the subject of several questions in the British House of Commons. On the one hand, the Secretary of State for the Dominions explained that Canada had prohibited the importation direct or indirect, into that country of coal, wood, pulp, lumber and timber of all kinds from the Soviet Union. On the other hand, the Secretary to the Overseas Trade Department stated that an order issued by the People's Commissar for Foreign Trade had forbidden all Soviet import organizations and all trade representatives to purchase any goods whatsoever of Canadian origin, and likewise forbidding the employment of Canadian ships. Judging by British comment, some people are under the impression that this country is feeling upset over this rejoinder of the Bolsheviks. Nothing, however, could be farther from the truth. It was just what was foreseen when the Canadian government gave the world this courageous lead. Neither on material, nor on any other grounds, is there any need for Canadians to worry about Russia's counter-stroke. Canada's total exports to Russia in 1930 amounted to only slightly over \$1,500,000 and imports, mostly coal, amounted to less than a million dollars. As was officially declared when the government imposed the ban on Russian goods, the conditions of their production spell Communism, to which the Dominion stands opposed and which she refuses to support by interchange of trade.

HUNTED IN HUGE SWINDLE

John "Jake the Barber" Factor, of Chicago, and his wife, the former Bella Cohen (both above), as they appeared recently at a Paris, France, race track. Scotland Yard and the United States Department of Justice are merrily their best talent to apprehend the international swindler on charges of fleecing Europeans out of nearly \$5,000,000. Gangdom also seeks him, hoping for a "split" in his loot.

Social & Personal

The marriage of Dorothy, daughter of Mr. and Mrs. Joseph Henry Lunn, to Mr. Bruce Ingham Sutcliffe, son of Mr. and Mrs. L. C. Sutcliffe, took place Saturday afternoon in Fairmount-St. Giles Church, Rev. J. W. P. MacFarlane officiating. Early summer flowers and ferns were used in decorating the church, the guest pews being marked with bunches of the same flowers.

The bride, given in marriage by her father, wore a gown of white bridal satin, fashioned with a fitted bodice, the flared skirt lengthening into a train at the back. Her veil of illusion tulle arranged in cap effect was caught at the sides with clusters of orange blossoms. She wore white satin slippers and carried a bouquet of Ophelia roses and lilies of the valley.

Miss Gladys Colcomb, cousin of the bride, and Miss Gertrude Barrat, as bridesmaids, were frocked in pale yellow and pale green silk net made in period style, wearing large mohair hats trimmed with contrasting shades of velvet ribbon and satin slippers. Their arm bouquets were composed of yellow roses and pastel shaded sweet peas. Mr. John Clements was Mr. Sutcliffe's best man and the ushers were Mr. Eric Lunn, brother of the bride, and Mr. Leslie Sutcliffe, brother of the groom. Mr. A. J. Lane, organist of the church, played the wedding music and during the signing of the register, Mr. Arnold Colby sang "O Promise Me."

Mrs. Lunn, mother of the bride, was gowned in midnight blue chiffon and georgette, with baku hat and shoes to match, worn with a corsage bouquet of Talisman roses; Mrs. Sutcliffe, mother of the groom, wearing a gown of flower printed crepe in tones of blue, with the hat and shoes to match, her corsage bouquet being of roses. A reception followed the ceremony at the Place Viger Hotel. Mr. and Mrs. Sutcliffe left later by motor for a trip through the New England States. The bride wore a frock of figured pussy willow silk in shades of brown under a redingote of dark brown pussy willow silk with hat, shoes and purse in matching tones of dark brown. Upon their return they will reside at Cote St. Luc road.

Mrs. Robert A. May, Bloomfield avenue, entertained, recently at a trousseau tea in honor of her daughter, Edna Margaret, whose marriage takes place on Saturday next to Mr. Donald Harding Adams, of New York. Miss Marie Louise Wheeler poured tea; Miss Margaret Anne Beatty, coffee, and Miss Jean Bartlett cut the ices. Assisting in serving were: the Misses Florence Desroches, Catherine Lane, Gabrielle O'Shea, Mrs. E. John Markus, Mrs. J. E. Robertson and Miss Muriel McConnell. Among those who have entertained in Miss May's honor are: Miss Edythe May, who gave a dinner and later a bridge and silk stocking shower; Mrs. James Adams, a bridge; Miss Estelle Bishop, a tea and handkerchief shower; Miss Jean Bartlett, a bridge and linen shower; Miss Florence Desroches, a tea and lingerie shower; Miss Muriel McConnell, a bridge and presentation shower; Mrs. E. John Markus, a luncheon at the Windsor Hotel; Miss Gabrielle O'Shea, a bridge and tea and Mrs. E. J. Robertson, a luncheon and bridge.

The marriage of Dorothy Mary, daughter of Mr. and Mrs. Hugh Ross

Lyons, of Outremont, to Mr. Robert F. Hepworth, son of the late Mr. John Hepworth and of Mrs. Hepworth, took place Monday morning at St. Raphael's Chapel, Spring flowers and ferns decorated the chapel. The bride who was given away by her father, wore white silk net over pink satin, with slippers and hat to match, and carried a shower bouquet of tea roses and lilies of the valley. The bride was attended by her sister, Grace, who wore a green chiffon dress, with slippers and hat to match, and carried a bouquet of pink roses and sweet peas. Mr. John Hepworth acted as best man for his brother.

A reception followed the ceremony at the home of the bride's parents. Later Mr. and Mrs. Hepworth left by motor for New York and Atlantic City. The bride travelled in a baby blue suit, a hat of a natural shade of baku with matching accessories, and shoulder corsage of coral sweet peas and lilies of the valley.

Mr. and Mrs. Michael Aaron are visiting Mr. and Mrs. A. E. McGregor, at 740 Bloomfield Avenue, the parents of Mrs. Aaron. Mr. Aaron has been very successful in New York in the field of educational music, his compositions having been widely used throughout the United States and Canada.

The marriage took place last Saturday evening at six o'clock in Fairmount-St. Giles United Church, of Helen Sybil, only daughter of Mr. and Mrs. H. A. Thomas, to Mr. John Baillie, son of the late John Baillie, of Cambuslang, Scotland, and of Mrs. Baillie, of Montreal. The Rev. J. W. P. MacFarlane officiated and during the signing of the register, Mr. W. Hall sang "Sweet Mystery of Life," accompanied by the organist. The church decoration consisted of palms, ferns and white peony roses, the guest pews being marked with clusters of flowers and white bows.

The bride given in marriage by her father, wore a gown of white bridal satin over a petticoat of Chantilly lace worn with a matching jacket of lace. Her veil of white silk net bordered with narrow silk lace fell from a Juliet cap of Chantilly lace and was caught at either side with clusters of

orange blossoms. She wore white satin slippers and carried a shower bouquet of orchids and lilies of the valley. The maid of honor Miss Norah Nurse wore a pink taffeta frock made with a tight fitting bodice, puff sleeves and peplum skirt. Her hat was a large model of black mohair trimmed to match her frock, and she wore crepe slippers. The other attendants, Mrs. E. J. Gardner and Miss Kitty O'Brien, of Cleveland, Ohio, cousin of the bride, were gowned in blue and peach taffeta and net, respectively, the long full skirts reaching to their slipper heels which were of silver kid. They wore mohair hats to match their gowns. Little Miss Shirley Thomas, niece of Mr. and Mrs. A. W. D. Howell of Westmount, Rev. Dr. J. G. Potter, minister of MacVicar Memorial Church will officiate.

Following the ceremony a reception was held at the home of the bride's parents. Mrs. Thomas wore a silver grey crepe gown with black hat and shoes and a corsage bouquet of Pierson roses; Mrs. Baillie, mother of the bridegroom, wearing black and a corsage bouquet of Columbia roses.

Later Mr. and Mrs. Baillie left for a motor trip to the United States, the bride travelling in a guardsman blue printed crepe ensemble, with hat, coat and shoes to match and a silver fox, the gift of the bridegroom. The out-of-town guests included Mr. and Mrs. Geo. A. Thomas, uncle and aunt of the bride, and Miss Anna Smith, of Spencerport, N.Y.; Mr. L. C. Whitting, of Ottawa, and Miss Kitty O'Brien, of Cleveland.

A most enjoyable evening was spent in MacVicar Lecture Hall on Monday night when Miss Margaret Gilmour, the Literary Convener, presented a programme of rare interest. In the contests Miss Nellie Patterson, of Mance Street carried the award in the "Menu" test and Mr. Henry Thornton was the prize winner in the magazine cover competition.

Dr. Carlyle T. Potter, son of the Rev. Dr. J. G. Potter, who has been spending the last six years in hospital work in London, England is returning to Canada for a visit and will sail from Southampton Saturday, June 3, on the S.S. Berengaria, arriving at New York on Friday, June 19th. He is expected in Montreal the following day.

MacVicar Memorial Church was the scene of a colorful wedding on Saturday last at 6.30 o'clock, when Miss Edna Margaret May, second daughter of Mr. and Mrs. Robert A. May, of 496 Bloomfield Avenue was united in marriage to Mr. Donald H. Adams, son of Mr. and Mrs. A. S. Adams, of Douglaston, Long Island, N.Y. The church was beautifully decorated and a very large congregation assembled. The Rev. Dr. J. G. Potter, officiated.

INJURIES ARE FATAL INQUEST ORDERED

From injuries suffered in an automobile accident on Craig street last Friday, William Fitzgerald, 25, 5335 Park Avenue, died in the Notre Dame Hospital yesterday morning. An inquest will be held today.

CITIZENSHIP WEEK BY KIWANIS CLUBS

Canadian Citizenship Week will be observed throughout Canada by Kiwanis Clubs from June 28, to July 4, with club and community programmes that will stress the social and economic advantages of the Dominion. More than 5000 Kiwanians will participate in the observance which is primarily held to promote better citizenship.

The local Kiwanis Club is planning a special programme for its luncheon on Thursday, July 2, when a prominent speaker will address the club on a subject associated with the ideal of a Canadian Citizenship Week. The music chosen for the occasion will consist of patriotic Canadian numbers and selections by Canadian composers, interpreted by Canadian musicians.

Canadian Citizenship Week was first observed about a dozen years ago, Owen Callary, president of the Montreal club, and a resident of Outremont stated, in discussing the event. While the observance is termed a "Week" each club will actually observe only the day of its regular weekly luncheon; but as these occur on various days in different cities in the Dominion, a whole week is set aside in order that each may hold a luncheon within the special period.

Foresters' Club to Hold Picnic

The Independent Order of Foresters Boosters Club will hold their first outdoor picnic on Sunday, the 21st at St. Joseph du Lac.

Many forms of outdoor games and field events will occur with the programme for the day. All members and their friends are cordially invited. The party will be conveyed to and from the picnic grounds by special motor busses for the occasion.

SAFE BUY

One assurance of making the right spark plug purchase that is given to all car owners is that which comes with replacement plugs of the same make and specifications as those which came with the car.

OUT. LACROSSE TEAM MEET SAINT ALOYSIUS, SUNDAY

Both Teams in Perfect Condition—Large Attendance is Expected.

The Outremont lacrosse team had to lie over another week before meeting St. Aloysius for the second time this season, as a result of Sunday's weather, which caused a postponement of the game.

Outremont felt confident of regaining their favor in the local sporting light, if they should defeat the visitors who were doubtless in about the same receptive mood for them.

Raymond and Charbonneau were ready to start out for a hard game, when the weather intervened. Assuring his team that he would be ready for this Sunday's big game, some relief was felt by his team that Sunday's chances had not altogether vanished.

Young Raymond has been doing considerable work with his college team, playing quite frequently.

In the game between Brebeuf College and Syracuse, the young forward hammered in four straight goals in the ebbing minutes of the game, and

saved his college team from a wash-out.

There is J. Dussault and Bohemier too, who also spend their lacrosse practices amongst college teams, in this way increasing their ability to a much more favorable degree. A brief workout for the local team is expected to take place at the North Avenue grounds in preparation for Sunday's big bill and whatever display of fitness is seen, it will probably have some effect in the coming game.

St. Aloysius do not think that they will be defeated Sunday and save for the addition of a player or two, the same line-up as previously will prevail.

The winner of Sunday's contest will have a signal honor equivalent to any other junior champions in Quebec, though the contest will not be for the championship.

Both teams are select players of the best in junior lacrosse and Sunday's game should prove a big attraction for enthusiastic spectators.

Y. W. H. A. ELECT OFFICERS

Prominent Workers of Association Are Elected; Miss Selinger New President

The final meeting of Senior Inter-Club Council was held last week when the new executive was elected for the ensuing year. The Senior Inter-Club is composed of representatives from the following clubs: Olympians, Original League, Service, Y.T.W., Deka Kwina, Melsab, Kadimah, Bessie Alexander, Rho Gamme, "Y" Sorority, Operatic Society, Public Speaking and Debating and "Y" Book Club. Libby Selinger, newly elected president of the council, is well-known to "Y" members for the splendid work she has done as former social chairman, as well as for various "Y" activities. Don Caplan, president of the Deka Kwina Club, junior basketball champions of the city and winners of the prize for the recent "Y" membership drive, has been elected vice-president and Ned Schwartz, another of Deka Kwina fame is the new secretary. Rose Cohen, representing the "Y" Sorority, will be the treasurer. To Anne Deskin winner of the individual prize in the membership campaign and treasurer of the Operatic Society, has been assigned the position of member without portfolio and Dorothy Boyaner, long known to "Y" members for her good work in the social chairman. Rae Handelman and Yetta Manis, who have been awarded the positions of honorary president and vice-president respectively, have been assigned the tasks of joint educational chairmen.

The executive reads as follows: President, Libby Selinger (Olympians).

Vice-president, Don Caplan (Deka Kwina).

Secretary, Ned Schwartz, (Deka Kwina).

Treasurer, Rose Cohen ("Y" Sorority).

Joint Educational chairmen, Rae Handelman (Olympians), Yetta Manis (Service).

Social chairman, Dorothy Boyaner (Original League).

Member without portfolio, Anne Deskin.

Honorary president, Rae Handelman.

Honorary vice-president, Yetta Manis.

"Y" Summer School Commences July 1st

A very attractive schedule has been planned for the second year of the "Y" Summer School, which is open to all junior and midget members. The "Y" Summer School offers a varied programme of outdoor, athletic, cultural and handicraft activities to meet the requirements of all types and ages of children, 8 to 14 years of age inclusive. This programme, which will be under the supervision of competent leaders, will include nature studies, picnic, swimming, dancing, community singing, story writing, story telling, dramatics, basketry, handwork, etc.

The children can now look forward to the hot summer days which can be spent right in the cool and comfortable "Y" or on the mountains, minds and bodies kept active and keen, and when the day is done, refresh themselves under the showers.

The official opening of the "Y" Summer School takes place Wednesday, June 28th.

Y. M. C. A. SPONSORS SIX TEAM LEAGUE

Geo. Porteous, President, and Will Play Every Thursday Evening

For the purpose of supplying organized recreation for young men of the North End, a league has been formed under the auspices of North Branch Y.M.C.A. Six teams are entered—the Royals captained by Reg. Dawson, the Rangers captained by B. Roseman, the Wanderers captained by Allan Brewer, the Purates captained by Fred. Dalton, the Deacons captained by Bruce Campbell and the Skeepers by Bob Sullivan.

At the opening meeting of representatives Geo. Porteous of North Branch Y.M.C.A. was elected president of the new circuit and Jas. Haney will back him up as vice-president. Charles Cote was appointed to the office of secretary-treasurer.

The following is an excerpt from the constitution of the league and the schedule:

One good hard 12 inch inseam ball is to be supplied by each team. If ball supplied by one team is not up to standard, the other team plays under protest of replay. Each team is to supply their own official playground bat.

The diamond is to be 45 feet between bases, the bases to be supplied by home team.

The home team is the first named team on schedule—to be reversed for second half. Home team supplies two umpires and scorer subject to approval of captain of opposing team prior to game.

National League rules are to be applied except (a) No leads off bases, ball to cross plate before base is left. Penalty for not observing foregoing rule is to be called back by umpire and may be played out. (b) If batter strikes three-batter automatically out. (c) Each game is to be seven innings in length—5 to constitute a game if darkness, rain, etc., interferes. (d) Each game to start at seven p.m.; if later than 7.15 may be protested by team present as default.

The schedule is comprised of 2 halves. Each team plays once in each half. Regular games to be played every Thursday. Postponed games to be played at a time suitable to captains concerned.

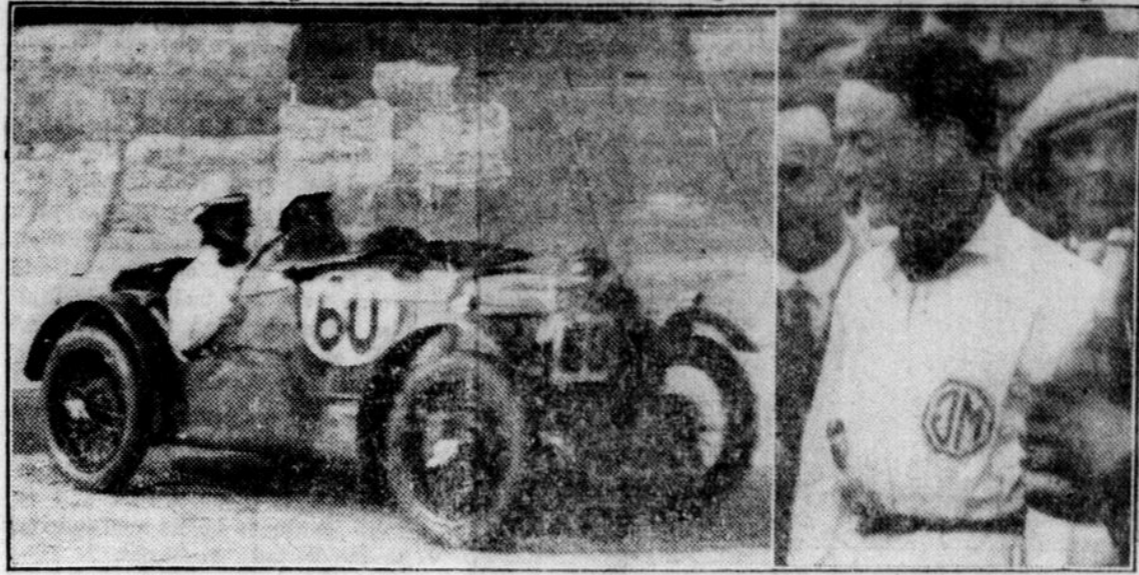

Three Courts Now Open At MacVicar Club

The MacVicar Tennis Club is now open. The three courts on Willowdale Avenue are in splendid shape and a thoroughly enjoyable and successful season is anticipated. There is room for twelve to fifteen more members and for this, application should be made at once to Kenneth Hall, Atlantic 4415 (after six o'clock).

The world has gone crazy about power and speed, as though the test of a man were the number of miles he can cover in an hour, and the most important sign of human intelligence the number of revolutions it can make propellers turn in a minute.

day, July 1st, when a picnic will be held, if the weather is suitable. Registrations will be taken at the office from Sunday, June 21st to Sunday, June 28th.

ENGLISH EARL WINS LONG PERIOD RACE AT FAMOUS TRACK

The Earl of March won the Double-Twelve Hour Car Contest at Brooklands, England, in a thrilling fatiguing race. The Earl is shown in his Midget car speeding around a bend and the popular speed ace is smiling after his victory.

V.O.N. AUXILIARY REPORT SPLENDID 4 MONTHS' WORK

Ladies of Auxiliary Sewed 279 Articles for Sick Folk

CLOSING MEETING

Miss M. L. Moag, District Superintendent Addressed Meeting

At the closing meeting for the season of the North District Auxiliary, Victorian Order of Nurses, held at the office of the branch, 5587 Park Avenue, Mrs. J. W. Elliott, sewing convener, reported for the four months, ending May 26th, that the Auxiliary had turned in 279 pieces of sewing. They had been particularly busy owing to the unemployment situation, distributing warm garments that proved acceptable to the sick and needy.

Mrs. St. Clair R. Ross, sick visitor, reported fourteen visits to shut-ins and invalids during the month. For the four months ending May 26, 45 visits had been made.

Mrs. S. Stanley, lady directress, presided. She had attended the annual meeting held in Ottawa and she gave a report of work being done by the Order throughout Canada. Miss Reed, North District supervisor, who had attended the round table conference held in Ottawa brought before the members the important items that had been discussed.

Miss M. L. Moag, District Superintendent, was present at the meeting. She briefly addressed the members and expressed herself as being pleased with the work of the auxiliary. Mrs. George Carr and Mrs. C. T. Heissner, past lady directresses, were among those present. At the close of the meeting, the Auxiliary served refreshments, Mrs. W. B. Somers and Mrs. C. T. Heissner presided at the tea table.

This was the closing meeting of the Auxiliary until the fall. During the summer months the members expect to make useful articles in readiness for the Christmas baskets.

NORTH BRANCH TEAM LEAD "Y" LEAGUE

The North Branch Swatters behind the steady pitching of Lewis Claxton breezed home to an easy victory over Central "Y" last Saturday. They are now ready to meet the winning team of the "B" section of the Inter "Y" Juvenile League.

Captained by Leslie Mason the Toilers engineered a well earned victory to the tune of 16-5 over Southwestern Y.M.C.A. in the "B" section of the league. Sterling support was given to John Oliphant on the mound where he allowed only scattered hits. Out of four games played the Toilers have won four and are now sitting pretty on top of the heap. They have yet two games to play and hope to tuck them away—or at least try hard to do so.

Their line up is as follows: C. Leslie Mason, P. John Oliphant, 1b. Harry Smith, 2b. Bert Feeny, 3b. G. Duff, ss. Tom Smith, If. Archie Little, cf. Tom Whyte, rf. Alfred Appleton, Utility men include Wilfred McLatchie, R. Decorato and Hosmer Holt.

It is estimated that there will be 50,000 new motor cars on the road this summer. And that's not counting the ones in the ditch.

LOCAL SEA SCOUTS DROWN WHILE AT POINTE CLAIRE

Were Members of Church of Ascension 20th Mtl. Troop

Two youths, sea scouts of the 20th Montreal Troop (Sea Scout Section) Church of the Ascension lost their lives in the waters of Lake St. Louis at 10:40 o'clock on Saturday night last, when the canoe in which they were paddling overturned at Pointe Claire about 400 feet from shore. A third member of the canoeing party, who was also thrown into the water managed to swim near shore and was finally rescued by a passing hiker on his way from Montreal to Windsor, Ont., who had heard the youth's cries for help. Only one body has been found but police are combing the waters in an effort to find the other. The trio of sea scouts were stopping at the Pointe Claire Yacht Club for the week-end in order to repair one of their boats.

The two youths who perished, and who reside in Montreal, are Albert Davis, 16 years of age, of 1009 Lacasse street, and Edward Higginbottom-O'Rourke, 15 years of age, of 984 St. Philippe street, both of St. Henry. Kenneth Bain, 18 years of age, of 5720 Queen Mary Road, who was the third member of the party, was rescued after he had attempted to swim to shore. He was sent to the Lachine Hospital where it was reported that he was improving.

According to information obtained

by Chief Georges Lebeau, of the Pointe Claire police, who with his men are combing the lake waters, it was learned that the three youths had set out in a canoe shortly after ten o'clock on Saturday night, despite the orders of their scout masters, Alfred Lewis and William Rush, who had refused the youths permission. A Mitchell, rigger of the yacht club, had also refused permission to the youths to go on the lake.

HOW HE HELPED

The engineer had succeeded at last in getting the train up a very steep grade in the Rockies, and brought the train to a stop at the station.

"Phew," he said, spying the new brakeman, whose first trip it was, "we sure had a hard time making it up here, didn't we?"

"I'll say we did," replied the brakeman, "and we'd have slipped down that mountain if I hadn't kept the brakes on tight."

SO MUGHT IT BE

You have a saying: "Hats off to the past, coats off to the future"; and to that I say, so mought it be.

MONTREAL HUNT CLUB HELD ANNUAL SHOW LAST WEEK-END

Beautiful Weather and Large Entry List Make Extraordinary Success of Show—Mrs. Paterson Again Wins Saraguay Cup.

Favored with splendid weather for the final day of the show, the Annual Montreal Hunt Club Exhibit on Cote Ste. Catherine Road, last week, was one of the best in years. The entry was large in each event and the quality of horseflesh unusually high.

The worth of Mrs. A. T. Paterson's Keodore is easily proven by the fact that the gelding was the only horse in the senior classes to carry three blue rosettes from the ring.

The Saraguay Cup remains in Mrs. Paterson's possession for another year as a result of Keodore's impression on the judges in the qualified hunters class.

Keodore was supreme in the ladies' hunters, lightweight hunters and qualified hunters divisions.

Then in the colorful display in the hunt teams of three hunters, he helped influence the judges in awarding Lieut.-Col. and Mrs. Paterson first place.

The Saraguay Cup has been in competition for four years. In 1928 and 1929, it was won by Miss Ruth Cowans, now Mrs. Allan Mackay. Mrs. Paterson gaining it for the first time in 1930. Since the present holder and Mrs. Mackay are sisters, it is only reasonable to assume that the Saraguay Cup will go down as an old family heirloom providing, of course, Mrs. Paterson wins it again next year with Keodore or another entry from her fine stable.

Six Owners Dominate
Six owners dominated this year's splendid show. Mrs. Paterson, with four blue ribbons, took the largest number of victories, but Adelard Raymond captured the largest array of ribbons—one blue, two red, five yellow and four white—an even dozen in all. Captain Stuart Bate had two

first, four seconds, three thirds and one fourth. Major M. Drury took two blue rosettes, as did J. F. Boulais, with his fine entry from the Merryville farm.

The Montreal Hunt took the blue in the novice hunters with Pilot, while Mrs. D. E. Uuquhart's Blue Bell attracted much favorable comment and first prize in saddle ponies or horses under 15 hands. The Mount Royal Riding Academy's Jim defeated a strong entry in the road hacks' division.

Miss Audrey Shearer's highly spirited Florian Beauty was prominent in the juvenile division, while other winners in the competitions for younger horsemen and horsewomen were Miss Irene Irwin and Miss McConnell.

Do not get angry with the census enumerator; be sorry for him. He is only doing it because it's his job of work and he must go through with it.

Y. M. H. A. TO HAVE URBAN CAMP AGAIN THIS YEAR; BOYS TO SLEEP AT HOME

Report to Building Each Day and Then Start Camping Activities Such as Hikes, Sports, Study and Woodwork—Will Have Free Medical and Dental Clinic.

Free medical and dental examinations to be conducted by the Y.M.H.A. between June 22nd and June 29th, will commence the programme of the Y.M.H.A. Urban Camp for this season.

The camp is this year under the direction of S. A. Levy, Physical Director, and M. M. Bruker, head of the swimming and health department.

A qualified staff of councillors has been engaged to give the second season of the Y.M.H.A. Urban Camp project even more definite success than that which accompanied it last year. The programme is divided into the following sections:

- 1.—Outdoor games, six hours a week.
- 2.—Swimming, 2 1-2 hours a week.
- 3.—Gymnastic recreation, 40 minutes a week.
- 4.—Fretwork, woodwork, and hobbies, 5 hours a week.
- 5.—Hikes and nature study, 3 hours a week.
- 6.—Song and story, 1 1-2 hours a week.
- 7.—Library periods, 1 1-2 hours a week.
- 8.—Efficiency tests, 45 minutes a week.
- 9.—Health talks, 8 during the season.
- 10.—Jewish citizenship talks, once a week.

Parents will be notified as to the finding of doctors during the medical examinations.

Every week will have its keynote, the most important of which will be the Safety Week, during which emphasis will be laid upon child safety as regards traffic. A very full programme is being arranged in this regard.

Hobby work will entail considerable expenditures on behalf of the association and boys registering for

these activities will be asked to pay 10 cents a week.

Boys will, however, keep everything that they make and at the end of the camp season a parents' tea will be held, at which the Hobby Exhibit will be displayed.

The Library and Jewish Citizenship periods are intended to give restful instruction to Urban Campers. The efficiency tests are intended to gauge the health improvement of the boys during the summer.

Parents are earnestly requested to follow the recommendations of Y.M.H.A. Urban Camp leaders as to diet and other health phases of their boys.

At the end of the summer weight and chest expansion will be compared, and definite conclusions as to the usefulness of the Y.M.H.A. Urban Camp will be drawn.

For purposes of the Y.M.H.A. Urban Camp, the gymnasium, showers, swimming pool, auditorium, the work and club rooms are thrown open. Perfect discipline will be maintained.

Boys will meet their councillors at their tribal trees on Fletcher's Field, across the street from the Y.M.H.A. at 1.30 every day.

The programme will continue until 5 o'clock every day, when there will be a general dismissal.

A point system incorporating qualities of character and improvement in information and athletics, will be applied to all campers, and awards will be made at the end of the season, for honoring campers who have earned the greatest number of points.

The Y.M.H.A. Urban Camp is open only to Y.M.H.A. members of the Junior and Juvenile Departments.

The association will welcome new members in these departments who will thereby qualify for the Y.M.H.A. Urban Camp.

STATUE BY NOTED SCULPTOR IN HONOR OF CORNWALLIS

This is a picture of the model of the statue which is to be erected to Honorable Edward Cornwallis, founder of the City of Halifax, N.S., in front of the Canadian National Railways' Hotel. This statue, which will be unveiled on June 21st, immortalizes the memory of the intrepid Englishman, the sixth son of Baron Cornwallis, who came to Nova Scotia in 1749 to establish a settlement and military stronghold and succeeded in founding the City of Halifax in the face of strong opposition from the Indians and the French.

HEALTHFUL DAINTIES

By Betty Barclay

Here are two recipes that are almost summer meals in themselves. Being both healthful and delicious they are well worth trying:

Browned Coconut Num Num
 1/2 cup sugar
 1/2 cup hot water
 3 tablespoons raisins, chopped
 3 tablespoons nut meats, broken
 3 tablespoons dates, chopped
 4 pared and cored apples
 1/2 cup coconut, southern style
 Combine sugar and water in casserole and heat in hot oven (450 d. F.) until sugar is dissolved, stirring occasionally. Combine raisins, dates and nuts, and fill apple centers with mixture. Brush apples with melted butter. Place in casserole, cover closely, and bake 15 minutes. Reduce heat to moderate (350 d. F.) uncover, bake 45 minutes longer, basting apples occasionally with syrup. Sprinkle tops of apples with coconut and continue baking until coconut browns. Serve hot with cream. Serves 4.

USING LEFTOVERS

Neutral dishes, such as boiled meats and fish, or the drab and inevitable left-overs benefit by embellishment with mustard or horseradish sauces, curry powder, or a garlic clove administered with a sparing hand. A baked slice of ham, spread with a paste of brown sugar, bread crumbs, mustard and vinegar or cream to moisten is a dish to dream about. Oysters with curry is an unusual and delicious combination.

Married couples don't realize they're in a tight fix until they move into a modern apartment.

for a good many people. It is up to every one to do his share, but particularly the property owner. Of all the investors of recent years, he is the one who is sitting pretty. Crashes and slumps have left his investments untouched, despite the fact that everything else is going the other way. The best way to ensure the permanence of your good luck is to share it around.

Summer Communion at MacVicar on June 21st

The Summer Communion Service will be held in MacVicar Memorial Church on Sunday, June 21st, at the 11 o'clock service and at the close of the evening service. The service preparatory to the communion will be held on Friday the 19th at 8 o'clock.

FATHER O'ROURKE SPOKE TO SOCIETY

If any of those who are bemoaning the moral decline of the world and bewailing the absence of religious fervor were in the vicinity of St. Raphael's Church, last week, they would have been confounded.

About 200 men of the parish assembled in the Church and were received into the Holy Name Society, which was canonically established in the parish by Rev. Thos. F. Conlon, O.P., of New York, National Director of the Holy Name Society.

All the eloquence of the occasion was contributed by these men of the parish who pledged themselves as Apostles of clean speech and spoke their loyalty to Christ and their belief in the Divinity of Christ.

The Pastor of St. Raphael's, Rev. John L. O'Rourke addressed the men and stressed the point that they must remember that they were real crusaders for a great cause and must present to the world a manner of living dictated by a heart consecrated to righteousness and dedicated to the principles for which Christ died.

Father Conlon preached a sermon on the "Ideals of the Holy Name Society," and emphasized the fact that the Holy Name Society existed chiefly for one reason, that is, to foster manly virtue and increase Christian faith through reverence for the name and respect for the Person of Christ.

The following are the officers of the Holy Name Society of St. Raphael's: Spiritual Director, Rev. John O'Rourke, Pastor; President, J. J. Bulger; Secretary, E. A. Jackson; Treasurer, F. Hoskinson.

C.N.Ry. Defeat Local Team

Outremont Carltons met their third defeat of the season last Monday night when they were defeated by C.N.R. by a score of 20 to 10 in a softball league game.

The Outremont team were clearly outplayed in the game, the main reasons for their defeat being due to weak fielding and poor hitting.

Study By Householder May Provide Work And Save Future Expenses

(By ERNEST PITT)
 Ernest Pitt suggests application of labor into safeguarding value of property; Cure for present unemployment and depression talk is suggested.

That the outstanding question of the moment which occupies the attention of the economists, statesmen and business men generally, is not so much shrinkage of values, passing of dividends and the like, but the situation of many thousands whose only asset, their labor, has no value at all because no one will buy it.

Anything for which a regular, legitimate use cannot be found is liable to find its way into other uses. Needs of the moment turned the western farmer's grain into fuel for his furnace last winter.

I suggests that it is a wise thing for the property owner in Montreal to do his share toward helping solve the unemployment problem. It is his duty, for property constitutes half the wealth, labor supplying the other half. Property values in Montreal increased by \$50,000,000 last year over the previous year, when stock values and practically everything else went down by billions. The property owner is the one person who, at this time, has a capital position, which justifies his expending money freely on his property. He should look over his land and buildings and see if there is not a job for a bricklayer, carpenter and painter for a week or two. Another coat of paint will preserve the property. An electrician could well be employed to look over the lighting systems and see what repairs should be carried out. Besides providing a little employment, it may save a fire in the future and ought to be done anyhow once a year.

Time to Re-Decorate
 Possibly a couple of new fixtures might be suggested in houses and flats. This is an ideal time to re-decorate and put on new wallpaper and paint on walls and ceilings, and it also a good time to check up the furnace and the heating system. Looking around his home, the homeowner may find room for a few new pieces of furniture to brighten up the house, and by sending the old pieces to one of the numerable charitable organizations in town, he may have the double satisfaction of doing a good turn where it is most needed, and helping to brighten up business by his purchases.

Encourage Trade
 Give tradespeople a little encouragement too, and all the other people with whom you deal. The wheel of business, which furnishes society's driving energy is slowing up, and each one ought to do what he can to help give it a faster turn. Big corporations, religious and educational institutions, and the city itself are all doing their share in the way of building. The city has been spending money freely and they are providing work and wages and full dinner pails

The Census of Canada 1931

In the opening weeks of June every family and every home in Canada will be visited by a representative of the Government for the great national purpose of taking the seventh census of Canada.

The census is really a stocktaking. That is, it provides the information to enable the Government and others interested in the development of the country to formulate progressive policies for the happiness, comfort and prosperity of our people.

All the information supplied is strictly confidential, and the officers of the Government are subject to severe penalty if they disclose any of the information which is given to them by residents in the country, to any other than the Government.

Furthermore, it has nothing whatever to do with taxation, or military service, or compulsory school attendance, or immigration, or any such matter; and the Government itself cannot use it except for statistical totals.

The Government representative will put the same questions to all, and it is your duty as a resident of this country to answer promptly and truthfully. The Government is very anxious to avoid forcing anyone to answer these questions, but it is empowered to do so in the few cases where individuals may refuse.

Issued by
HON. H. H. STEVENS, Minister
 DEPARTMENT OF TRADE AND COMMERCE—OTTAWA
