

WILL BLOCKADE TAMPICO PORT

Huerta Will Cut Off The Supplies For the Rebel Army

ZAPATISTA'S TROOPS ATTACK FEDERALS WITHIN EIGHTEEN MILES OF MEXICO CITY.

Vera Cruz, May 15.—(Special)—Private cable advices from Mexico City report that the Federals at Tampico, 18 miles south of the capital, were attacked yesterday by the Zapatistas. No details of the fighting were received but the incident is reported as an important development by the authorities here.

REBELS NEW PRIZE

Washington, May 15.—(Special)—While two of the South American envoys were on their way today to Niagara Falls, Ont., where they will complete arrangements for peace negotiations and with the third mediator and the American mission preparing to leave here tomorrow, immediate interest in the Mexican situation centered in the Constitutionalists administration of their new prize—the port of Tampico—and plans for their campaign against Saltillo and San Luis Potosi.

PROTECTION TO AMERICANS AND FOREIGNERS

Reports to the Navy Department early today from Rear Admiral Mayo stated that General Gonzales, the Carranza commander at Tampico, had assured United States Consul Miller that complete protection would be given to American and other foreign property about the seaport, including the immense oil interests there. Order rapidly is being restored in Tampico.

Reports today indicate Rear Admiral Mayo, with the Des Moines and Dolphin has resumed a position in the river in front of the town.

POPE REFUSES INVITATION

London, May 15.—(Special)—A despatch from Rome to the Morning Post says Cardinal Merry del Val, the Papal Secretary of State, has instructed Archbishop Bonzano, the Apostolic delegate at Washington, to refuse the invitation of the A. B. C. negotiators to join in the mediation proceedings between the United States and Mexico.

TO BLOCADÉ TAMPICO PORTS

Washington, May 14.—Tampico's fall, considerably enlarging the Constitutionalists sphere of control and giving to them a seaport through which munitions of war may be directly imported injected into the Mexican situation today several phrases to occupy the attention of official Washington. The last conference of the South American mediators was held during the day and later it was announced Ambassador Da Gama would start for Niagara Falls via New York. The latest word to the State Department from the Huerta delegates was that they would reach Key West last night and surely arrive in time for the opening of the conference.

Interest had shifted, however, from the preparations for mediation to despatches confirming the fall of Tampico and the vigorous prosecution of the Constitutionalists of their campaign southward. The American Government has already begun representations to the Constitutionalists to secure protection for the American and other foreign operatives returning to the oil wells. American warships have gone up the Panuco river to their old stations before the town and a return of normal conditions is confidently expected by officials here. At the mouth of the river are the Federal gunboats with a part of the Federal garrison. The captains of the ships asked for an interview with Rear Admiral Mayo, which was granted, but its purpose has not been divulged.

HUERTA GUNBOATS AT HAND.

The presence of the two Huerta gunboats in Tampico harbor after the evacuation of the city by the Federals has led to the conjecture that they are to be used to blockade the port, stopping not only importation of arms and ammunition, but all kinds of supplies for the Constitutionalists. It is believed it is with the purpose of learning whether Admiral Mayo would respect such a blockade that the commanders of the Federal gunboats asked for a conference. Though disinclined to pass upon the hypothetical case, naval experts agree that so long as the federal commanders are able to make this blockade really effective it must be respected by foreign shipping. The recognition of an effective blockade by a belligerent does not, it is held, in any way involve political recognition of either party to the strife.

COMPULSORY CLEAN-UP

Inspector Will Make Rounds and Report to Health Officer on Conditions

GOOD WORK WAS DONE BY MANY CITIZENS DURING PERIOD SET ASIDE FOR WORK.

Clean up week in Sherbrooke was an unqualified success, but it clean up week is ended, it does not necessarily mean that the city is absolutely clean.

The citizens who answered the call last week may be divided into two classes—those who would have cleaned up their premises at any rate, and those who were only too anxious to co-operate as soon as their attention was called to the utility of the campaign waged by the Health Officer and the Board of Trade.

There are still, however, a certain number of premises in a disgraceful state. These belong to people who may also be divided into two classes—those who were too busy moving and fixing up their houses to attend to the premises, and those whom no amount of exhortation would cause to wake from their torpor. These will have to be forced into being clean, and that is why the next two weeks may properly be called the weeks of "Compulsory Clean Up."

The inspector will once more go the rounds of the city, and upon his report the Health Officer will take action after a reasonable delay.

In order to quiet the fears of the residents on Mayor street, Dr. Pariseau wishes it to be known that the dumps will be covered up as quickly as possible, so that they may not be a nuisance.

VETERAN RAILWAY MAN PASSES AWAY

End Came Suddenly to William Wainwright of the Grand Trunk Railway

HAD BEEN CONNECTED WITH THE COMPANY FOR THE PAST FIFTY-TWO YEARS.

Montreal, May 15.—One of Canada's veteran railroad men passed away yesterday at Atlantic City in the person of Mr. William Wainwright, who for over 52 years has been one of the leading spirits in the Grand Trunk service, during which time he won his way from shorthand clerk to senior vice-president. Mr. Wainwright was in his 75th year, and had been in railway work for more than the ordinary lifetime, gaining his early training in England, and then coming to Canada, where he joined the Grand Trunk, and stayed with it ever since.

In a way, Mr. Wainwright's death was unexpected, and will come as a shock to his friends all over Canada. He had been ailing for some time, but, despite his advanced age, no serious result was anticipated until shortly before his death, which was due to a sudden collapse of his vital forces.

Some two years ago Mr. Wainwright suffered a severe attack of pneumonia, which greatly weakened his vitality, and later on his constitution was further undermined by an attack of the grippe, and never completely recovered from these illnesses, and during the past two months his health perceptibly failed.

VILLA HAS PLAN TO GET ARMS

NOVEL SCHEME BY WHICH HE MIGHT INDUCE U. S. TO REMOVE EMBARGO ON ARMS.

Paredon, Coahuila, May 15.—General Villa yesterday proposed a novel scheme by which he might induce the United States to permit him to import arms and ammunition to drive Huerta from the capital.

"Let President Wilson appoint a military commission to judge how much ammunition we would need to fight our way to Mexico City," Villa said. "Then the Americans could allow that much and no more to come in."

Board of Trade Interviews Contractors re Matter of Employment

PROMISE TO GIVE PREFERENCE TO LOCAL LABOR.—OPEN OFFICE AT LENNOXVILLE.

Representatives of the Board of Trade had an interview yesterday with Mr. Walters, sub-contractor, and Mr. Dorey, engineer, in connection with the Sherbrooke-Stanstead road construction, and received assurances that they would give preference to local labor.

"We will be able to take on any men in Sherbrooke who desire work," remarked Mr. Walters. Mr. Walters does not anticipate that there will be much drill work, but a good deal of road machinery will be operated which will require some mechanical skill.

If there are men in Sherbrooke out of work for the summer, though the road work may not be their favorite line, it should be acceptable under the circumstances.

Mr. Walters will open an office in Lennoxville in a day or two, and assured the representatives of the Board of Trade that he would give favorable consideration to all Sherbrooke applicants, giving them preference over foreign labor.

BYE ELECTIONS IN ENGLAND

Contest in North-East Derbyshire Will be a Most Bitter One

HON. C. F. G. MASTERMAN, NEWLY APPOINTED CABINET MINISTER, WILL CONTEST IPSWICH.

London, May 15.—C. F. G. Masterman, the newly appointed cabinet minister, who lost his seat at the recent bye-election in Bethnal Green, was yesterday officially recommended as the Liberal candidate at Ipswich, the seat being rendered vacant by the death of the Rev. Sylvester Horne.

Major Bowden, Unionist; John Houghton, Liberal, and James Martin, Labor, were yesterday nominated for the northeast Derbyshire bye-election, rendered necessary by the death of W. E. Harvey, the Labor member.

Local feeling over the Liberal and Labor split is increasingly bitter. The Liberal agent has issued a pamphlet telling the Labor candidate that if he reached Westminster he would be a mere baby in the hands of the Socialists who often, by various ways, have incomes of a thousand pounds a year.

The Laborites, on their side, retort that the Liberal candidate is a mere tool of Sir Arthur Markham, M.P., who admittedly possesses immense local influence.

The Unionist candidate is working sixteen hours daily, presenting the case for Ulster and also advocating social reform founded on tariff reform.

The constituency, roughly speaking, comprises one-third miners, one-third agriculturalists, and the remainder artisans and residents with businesses in Sheffield. Polling takes place next Wednesday.

VIVA LA FRANCE IN REICHSTAG

SOCIALIST MEMBER SAYS THAT FRENCH AND GERMAN WORKMEN WANT PEACE.

Berlin, May 15.—(Special)—"Viva la France," was shouted in the Reichstag yesterday for the first time on record. It was heard at the end of a speech by the Socialist Herr Wendel, who had been saying that French and German workmen were in hearty accord in their desire for peace and friendship.

ONLY A HALT HAS BEEN MADE

PROVIDED CROP CONDITIONS ARE GOOD THERE WILL BE GRADUAL IMPROVEMENT.

Toronto, May 15.—At the annual meeting last night of the Toronto branch of the Canadian Manufacturers' Association, the chairman, R.D. Fairbairn, in his address, said: "Canada has only halted for a short period in her remarkable development. I cannot come to any other conclusion from such observations that I have been enabled to make, that commencing in September of this year, provided that crop conditions are up to the average, there will be a gradual improvement in trade conditions culminating in a year of unusual activity in 1915."

ANOTHER ATTACK MADE ON C. N. R.

Mr. R. Bennett, Conservative Member For Calgary, Assails MacKenzie and Mann

SECOND TIME WITHIN A WEEK IN WHICH MEMBER HAS SEPARATED FROM GOVERNMENT ON QUESTION

Ottawa, May 15.—Parliament witnessed yesterday for the second time within the present week the unusual scene of the defection from the party of a Government member on an important issue when the Conservative member from Calgary, R. B. Bennett, in a four hours' speech, delivered a strong arraignment of the Government's C.N.R. proposals. Wednesday night it was W. F. Nickle from Kingston, but yesterday an even fiercer onslaught was made upon the C.N.R. system. The member for Calgary set forth the reasons that led him to dissent from the Government on the C.N.R. question. It was not merely destructive criticism, for there also the constructive element in a large degree. The member for Calgary recognized that a situation existed which called for action and he presented his own views on what that action should be.

Montreal, May 15.—(Special)—The Montreal Gazette's London staff correspondent says: "Both the Nationalists and Unionists of Dublin are taking a pessimistic view of the situation since Tuesday's announcement of the Government's proposals. The Unionists feel that if they arrive at an agreement for the permanent exclusion of Ulster from the Home Rule bill, Redmond will be compelled to declare war against the Government by refusing to recognize the amending bill. At the same time, if Carson keeps his promise, the Ulster provisional Government will come into operation the day the Home Rule passes. Thus there would be presented the strange spectacle of the Nationalists in revolt and an unconstitutional Government established in Ulster. More and more is a general election regarded as the only way out. In the meantime the Belfast press is advising the Ulsterites to look to their guns rather than to the Parliament for help."

SURPRISE SPRUNG TWO CHILDREN AT BECKER'S TRIAL WERE MISSING

Bridgie Webber Says That His Counsel Was Also Acting For Ex-Policeman

HAD DISCHARGED HIM WHEN HE DECIDED TO MAKE A CONFESSION.

New York, May 15.—"Bridgie" Webber, testifying at the trial of former Police Lieutenant Chas. Becker for the murder of Herman Rosenthal, created a sensation in Justice Seabury's Court at 5 o'clock yesterday evening by asserting that the lawyer he had employed to defend him was also Becker's counsel, and that he had discharged this lawyer when he made up his mind to confess his share in the crime and turn state's evidence. The disclosure was made while Webber was testifying on re-direct examination and was brought out by a question put by District Attorney Whitman.

The lawyer in question, Harford P. Marshall, was in court at the time. He is still one of Becker's counsel, and is aiding in the defence. Mr. Marshall resented the inference which might be drawn by the jury from this testimony and, jumping to his feet, protested bitterly to Justice Seabury that he had been unfairly attacked by the District Attorney.

DEFICIT SHOWN OF \$4,416,460

30,000 MEMBERS OF THE POSTAL SERVICE IN UNITED KINGDOM ARE AFFECTED

London, May 15.—A bombshell has fallen among the 30,000 members of the United Kingdom Postal Telegraph and General Service Benevolent Society, who have received an actuarial report showing that the society has a deficit of \$4,416,460. The deficit is put at \$4,416,460. The benefit provides payment to a member on his retirement from the service or for the loss of his services to his dependants on his death. There is no suggestion of fraud, the deficit being the result of unscrupulous methods adopted at the establishment of the society.

BELFAST PRESS ADVISES UNIONISTS TO LOOK TO GUNS AND NOT TO PARLIAMENT

TWO CHILDREN WERE MISSING

Parents Call in Aid of Police to Assist in Locating Them Yesterday

BOTH WERE FOUND AFTER SEVERAL HOURS OF ANXIOUS SEARCH IN WOODS AND CITY.

The Chief of Police received an intimation by phone, about 4 o'clock yesterday afternoon, from Mr. Montmarquette, of Larocque street, to the effect that his five-year-old son was lost, and asking the assistance of the Police Department in locating him. The child had been missing since half-past eleven, and it was thought he might have strayed into the woods.

An officer was detailed to search the woods to the south and west of the city, but after searching for two hours he found no trace of the lost child.

At 6.45 p.m. some boys who were playing on Marquette street entered No. 1 Police Station and informed the officials that a small boy, who was sobbing on Marquette street, had told them he did not know where he lived. Another officer brought the boy to the station, and on investigation it was found he was the child sought for.

The officer accompanied the boy to his home and restored him to his parents. It is supposed that the little fellow had jumped on a passing team and had been carried beyond his bounds.

LITTLE GIRL MISSING.

The loss of another child was reported to the police about 5 o'clock yesterday. In this case it was a little girl about three years old, the daughter of Mr. Gosselin, who lives on Alexander street. She had been missing from her home since eleven o'clock.

A search was at once instituted in various parts of the city. The child was eventually discovered about 6.30 on King street, in front of the Lansdowne Market, by a little boy, who took her to No. 3 Police Station. An officer straightway took her home. It is thought the little girl had strayed from home while playing near the house.

Spring Skin Blemishes

ARE REMOVED BY ZAM-BUK.

Why suffer the humiliation of unsightly skin blemishes, such as pimples, boils or eczema, when they are so easily cured by Zam-Buk? Even the most advanced cases of eczema yield to Zam-Buk's great healing powers. Mr. Jos. Johnson, of 584 Broome Street, New York, writes: "I suffered untold misery for twenty years from eczema. Medical treatment was of no avail. I spent hundreds of dollars on salves and treatments, and all I got was mere temporary relief. At last I tried Zam-Buk, and I am pleased to say that perseverance with this remedy and Zam-Buk Soap has effected a complete and permanent cure."

Mr. Jock Snow, the Scotch comedian, of 47 Abbott Avenue, Toronto, writes: "I have used Zam-Buk for boils, and found it very soothing and a quick healer."

You want to end your suffering? To remove those unpleasant face or body sores? Then buy Zam-Buk. Sold by all druggists or store-keepers at 50c. per box. Zam-Buk Soap 25c. per tablet.

LETTERS TO THE EDITOR

LICENSE OR NO LICENSE

Editor of Record.

Dear Sir:—With your permission I
will briefly reply to Mr. Lambly's
letter in the Record of May 2nd. Be-
fore doing so I should like to thank
the writer of the letter in the Record
of April 28th, signed "A Lover of
Boys." It is a most sensible, logical
and manly letter; the writer can see
good in all things and he is tolerant
with those who differ from him and
I hope all such will read, mark and
learn from what he has written. I
take off my hat to him and again
thank him.

Our friend, Mr. Lambly, is strong
in adjectives, I am no defender of
what he calls the most heinous and
degrading traffic. I always try and
defend the weak against the strong,
and have a kind feeling always for
the under dog.

Mr. Lambly tells me he has been
an extensive traveller, but I am
afraid he went with one idea only
and anything that did not agree with
his preconceived ideas was anathema.

He looked at everything through
his own spectacles. Although 74 years
of age I don't need any. He should
have borrowed the people's spectacles
and he would then have been able to
see many things in a different light,
and would have been more tolerant
with those who differ from him in
opinions. I often ask myself, "Am I
right or is the other man right?"
But if my conscience clears me I go
ahead. He says his travels helped
him to understand the prohibition
question. I too have travelled, cross-
ed the Atlantic 17 times, have been
in every province of the Dominion
and all the Eastern States, and the
Western except the Southwest. I have
been on the continent of Europe many
times in fact for 17 years. I was
continually travelling and during that
time I gave over one thousand lec-
tures in all parts of the United
States and I always kept an open
mind, willing to learn something even
from the most humble. The worst
of most of our temperance reform-
ers is they think no one knows any-
thing but themselves. He says it has
only just dawned on me that an
ounce of fact is worth a bushel of
theory. I have known it ever since as
a schoolboy I wrote it in my copy
book. He says he never theorises; he
says he spent many summers on
Peak's Island and never saw any
drinking there. I will give him one
little incident: The day after my last
letter appeared in the Record I went

into the office of one of our leading
merchants. He was engaged with a
commercial traveller who said to me:
"Mr. Jacques, I have just been read-
ing your letter in the Record and I
can corroborate your statement about
cracking on the islands. Several sum-
mers I have spent my vacation on
Long Island and I have seen the pic-
nics that you describe and have even
had drinks with them."

Our friend, Mr. Lambly, does not
want to see the failures of prohibi-
tion. I believe he is a religious man
and knows his Bible. Now, sir, first
prohibition law was made in the
Garden of Eden, was it a success?

No! The next that comes to my
mind was when Moses was leading
the Israelites to the promised land.
They were forbidden to intermarry
with the heathens around them. Was
prohibition a success? No! When
God gave to Moses the Ten Com-
mandments he made five prohibitions:

Thou shalt not murder.

Thou shalt not commit adultery.

Thou shalt not steal.

Thou shalt not bear false witness.

Thou shalt not covet thy neighbor's
wife, etc.

Have those prohibitions been suc-
cessful? I trow not. But God never
said, "Thou shalt not drink wine or
strong drink." Oh that finite minds
should limit the power of the Al-
mighty, as our friend seeks to do in
the last paragraph of his letter.

We know that God is a just God
but a merciful God and too wise to
err and too good to be unkind. Cul-
tivate the spirit of charity (love)
and be more tolerant with thy weak
neighbors.

In referring to what I stated about
the great amount of drink brought
yearly into this town he says I am
hard on the temperance men. I can
only reiterate that there is more li-
quor drunk daily in Windsor Mills
than when they had license, and it
causes a great deal more immorality
than the open saloon. If the temper-
ance people are too feeble and our
town Council too stupid to take
steps to stop the illicit traffic why
don't the Provincial or Federal au-
thorities stop it. I am afraid our
temperance friends have only one
idea. There is an evil abroad in the
land, and even here in Windsor Mills
worse than the liquor traffic, the
White Plague or the White Slave
Traffic, one that is sapping the vital-
ity of thousands and tens of thou-
sands of children, I mean the smok-
ing of cigarettes by children of from
five years upwards. I can see daily
such children smoking cigarettes as
they go to school and soon as they
are out of school (and even in the
play time between lessons) they begin
smoking. Stand outside the Church
after High Mass every Sunday and
you will see them light up often be-
fore they are down the steps. It is
a well known fact and all medical
men know it that smoking young
stops their growth, softens the brain
and their expectorating is harmful to
the stomach. It creates such an ap-
petite that the children will do any-
thing to obtain cigarettes.

I read in the Montreal Herald last
week that the Judge of the Juvenile
Court in Montreal stated that 80
per cent of the cases that were
brought before him the delinquents
were cigarette smokers, and all
judges in juvenile courts bear the
same testimony. It is the cause of
crime. Look at the case of the school
boy in New Jersey who killed his
school teacher a few weeks ago. When
apprehended the only thing he asked
for was a cigarette. I am under the
impression that there is a Federal
or Provincial law that makes it
penal to sell tobacco to a child un-
der 18 years of age. If such is the
case why don't our temperance
friends of the Town Council see that
the law is enforced. Now I will tell
why, because nearly all of the men in
the Templars and other temperance
organizations are smokers, and set
such an evil example to the children,
who are like the monkeys—imitators.
A wise old prelate of the Roman Ca-
tholic Church was once talking to a
Bishop of the Episcopal Church on
proslavery, and he, the prelate, said,
"Well, brother, give me the
children and you can take all the
rest." Save the children. Thanking
you for your courtesy, I remain,
yours truly,

JOHN JACQUES,
Windsor Mills, May 14.

P.S.—On my way down to mail my
letter, I called on the doctor to tell
him my wife was worse. She has been
in bed for five days with sciatica and
the doctor told me to get a little
brandy for her. I told him I could

We have erected in our plant a machine especially built for the purpose of grinding Lawn Mowers, which does the work perfectly. If you will favor us with your patronage, we guarantee to give you back the mower in better condition than the day you bought it. FARMER WITH FAMILY OFFERED FOR E. T.

The following family is offered for immigration to the Eastern Townships:

George Thomas Lawrence, 34; wife, 35; children, 9, 7, 4, 3, 1 and baby. This man is a bona fide farm laborer, having worked on farms for the last 25 years. He thoroughly understands all farm work, and he can also do bootmaking and repairing harness. His wife was brought up in the country. She can make bread and butter, and do dairy work, and is thoroughly domesticated. Although there are six young children in this case, there must be many Canadian farmers who would be glad to have a man and wife who have this experience of farm work.

W. M. OF CONGREGATIONAL CHURCH

The regular meeting of the Woman's Missionary Society of the Congregational Church was held yesterday at Plymouth Church Hall, Mrs. W. H. Abbott presiding. The report of the branch meeting in Montreal, in April, was given by Miss Sutton, the delegate, and was most interesting. The subject of study for the meeting was missionary work in Turkey, and a letter was read from the Rev. E. Woodley, who has recently returned to the East, also from other laborers in the field, whose words were very encouraging.

Appropriate hymns were sung, and a very touching and beautiful service was held in memory of Mrs. MacCallum, wife of the Rev. D. MacCallum, who was the founder of the Board and for twenty-eight years its president. Her devoted life closed at Easter, and she rests from her labors.

bors. Many of those present had met Mrs. MacCallum, whose work, as it fell from her hands, was taken up by her son and daughters, who are all ardent mission workers.

THE SHERBROOKE METHODIST CHURCH—ANNUAL MEETING SUNDAY SCHOOL COMMITTEE

The annual meeting of the committee of management of the Sunday School was held on Monday evening the 11th inst. The ladies prepared supper in the tea room and at 6.30 p.m., the officers, teachers, and representatives from the official board sat down to table to the number of nearly one hundred persons. After supper the meeting convened at Wesley Hall and received reports of the year's work. The reports covered the work from the cradle roll to the Home Department. Two new organized classes have been formed during the year. The school raised \$220 for missions. Notable increases were reported in the Home Department, of which Mrs. Dowlin is Supt., in the Beginners' Dept., of which Mrs. B. C. Howard is Supt., and in the Philathea Class, of which Miss M. Rudd is President, and Mrs. (Dr.) Spencer the teacher.

It was resolved to enlarge the room in which the beginners assembled.

ELECTION OF OFFICERS

The election of officers for the ensuing church year was held and resulted: Superintendent, Dr. G. E. Hyndman, Assistants, C. W. Cate, Esq., K. C., and C. B. Howard, Secretary, Lloyd R. McKee, B.A., Assistant Secretary, Donald Foss and Frank McCrea; Treasurer, Geo. Armitage; Librarians, George Phelps, H. E. Frye and D. W. Hyndman.

Dr. Hyndman made an address in accepting the position for another year, pointing out the importance of the Sunday School in the work of the Church, and moved the appointment of the staff of teachers.

It was moved that the annual picnic should be held on Dominion Day as usual and a committee was appointed to take charge of the arrangements and give the whole school an outing at Little Lake on that occasion.

A special vote of thanks was tendered Dr. H. Spencer for his painstaking and efficient work as librarian. Dr. Spencer will be associated with the superintendent in the future, to perfect some details of organization and promote regular attendance.

Rev. G. A. McIntosh presided and observed in his remarks that it was the most representative annual meeting of S.S. management that he had ever attended. He also remarked on the encouragement the officers and teachers should find in the fact that there was an increase for the year in the total Sunday School force of 111.

THE LATE FRANK M. McLEOD.

The mortal remains of the late Frank McKenzie McLeod, who passed away Tuesday at the home of his brother-in-law, Mr. Freeman Varney, Wellington street, were taken to their last home yesterday. The long cortege which followed the hearse was preceded by a carriage filled with flowers, and was composed, not only of many relatives, but of neighbors and friends from Orford, assembled to do honor to the memory of deceased, who was a member of one of the best known and most respected families of the countryside. Prayers were said at the house, and the service took place at St. Peter's Church, the Rev. Canon Shreve officiating, assisted by the Rev. W. H. Moorhead. The choir sang "On the Resurrection Morning" and "Peace, Perfect Peace," appropriate hymns, most sympathetically, and the body was borne to Elmwood Cemetery and there interred in the family lot, amidst all the signs of Nature's resurrection. The Quebec Central Railway was represented by a delegation of the employees.

The bearers were the four cousins of deceased, Messrs. Hilton and Douglas Ross, Keith and Reginald McLeod, and the principal mourners were Mrs. Lewis McLeod, mother of deceased; Messrs. Hiram McLeod, L. A. McLeod and A. F. McLeod, brothers; Mrs. Freeman Varney, sister; Mrs. F. Varney, Mrs. Hiram McLeod, Mrs. L. A. McLeod, Mrs. Andrew McLeod, Mr. and Mrs. Fred Moe, Mr. and Mrs. Hiram Moe and family, Mr. Ronald S. Varney, nephew; Mr. Alfred Varney, Mr. Duncan Ross, Mrs. Dunn, Ottawa; Mr. Frank Thompson, Newport, Vt., and others.

The floral offerings were very choice and numerous, including a cross, Mr. and Mrs. F. W. Varney; pillow, Mr. and Mrs. L. A. McLeod and mother; wreath, Mr. and Mrs. H. McLeod; sheaf, carnations, Mr. and Mrs. Andrew McLeod and mother; wreath, Mr. and Mrs. H. Moe and family; wreath Mr. and Mrs. Fred Moe; cut flowers, Mr. William Moe; wreath, Mr. and Mrs. John Ross; cut flowers, Mr. and Mrs. C. F. Ross; cut flowers, Mrs. Hector Ross and family; wreath, B. of R. T.; wreath, B. of L. F. and E.; cut flowers, Mr. R. T. Dean, Mr. and Mrs. W. P. Berger, Mr. F. W. Thompson, Newport, Vt.; Miss B. Shufeldt; Mr. and Mrs. Kilburn, Mr. and Mrs. Gale, Mr. and Mrs. Dunn, Ottawa; Mr. and Mrs. E. E. Gilson, Mr. and Mrs. W. Dorey, Mrs. E. J. Riches and family, Mr. G. Rideout, Mr. W. Dunn and others.

The late Frank McK. McLeod, who was in his 26th year, was born in Orford and was educated at the Sherbrooke High School and a Business College at Montreal, in which city he remained for a short time. He then went to California, and later to Vancouver, B.C., where he found a good position with the Hudson Bay Company. His health not being satisfactory, he returned home last autumn, and since then had been steadily failing, though until Christmas he was entertained for his recovery. He was tenderly cared for by his mother, Mrs. Lewis McLeod, and his sister, Mrs. Varney, at whose home he had spent the past few months, and during his trying illness he was always cheerful and patient. His pleasant disposition, high principles and excellent character won friends for him wherever he went, and his untimely death is not only a great grief to his family but a source of deep regret to many friends.

MUTT AND JEFF

Everyone was happy at His Majes-
ty's Theatre, last evening, when Gus
Hill presented the popular musical
comedy, "Mutt & Jeff." The large
crowd made the management happy,
and the first class production made
the audience happy, so on the whole
the evening's performance was one of
pleasure.The cast was the strongest seen in
Sherbrooke in this play, and with
Earl Redding and Jerry Sullivan as
"Mutt & Jeff" and Miss Flora Rus-
sell as "Cecily," the principal roles
were in the hands of capable artists.
Every movement of the characters
made famous by Bud Fisher carried a
laugh, and as the two were always
in the limelight the crowd was kept
in a state of merriment.The singing and dancing of "Cecily"
was great, and she graciously re-
sponded to well deserved encores.The scenery was exceptionally good
and admirably suited to the play.A feature of the visit of Mutt and
Jeff was the crowd in the "gods,"
something very new for Sherbrooke.
Nearly two hundred and fifty oc-
cupied the "elevated" seats and thor-
oughly enjoyed the performance.

CATERPILLARS MUCH IN EVI-

Windsor Mills, May 15.—(Special)—
For over half a mile between Green-

the authorities would have them cut

MR H. BOIVIN
ON C.N.R. DEAL

Member For Shefford County Op-
posed to Guarantee of Forty-
Five Million

CLAIMED THAT THERE WAS NOT
SUFFICIENT EVIDENCE BE-
FORE HOUSE TO WARR-
ANT SUCH A DEAL

Ottawa, May 15.—May 15.—The de-
bate on the C.N.R. resolutions was
resumed in the House of Commons
yesterday by Mr. G. H. Boivin, the
member for Shefford County, who
spoke in disapproval of the agree-
ment between the government and
the C.N.R. in respect to the forty-
five million guarantee.

GOVERNMENT OWNERSHIP
Mr. Boivin said that Wednesday
was a day which would be remem-
bered in the annals of the Canadian
Parliament. The C.N.R. proposals
had been dealt with in four splendid
speeches from four different view
points. He considered that the
speech of the member for Kingston
(Mr. Nickle) was a masterpiece and

he desired to thank him for the in-
formation it contained and which
had been put in a way to be easily
understood. He could not agree with
Mr. Nickle that government own-
ership of the C.N.R. would be the best
thing at the present time, but he did
agree with him. When he said that
the agreement entered into by the
government was not one which should
receive the support of the majority
of the members of the House.

Mr. Boivin said that Mr. Meighen
had taken one and a half hours to
try and refute logical objections ad-
vanced by Sir Wilfrid Laurier and
yet he had said that Sir Wilfrid did
not understand the proposals. It was
his duty as solicitor-general to ex-
plain them to the House so that
they could be understood. Mr. Mei-
ghen had objected to the statement

Dr. Morse's
Indian Root Pills

are made according to a formula in
use nearly a century ago among the
Indians, and learned from them by
Dr. Morse. Though repeated at-
tempts have been made, by physi-
cians and chemists, it has been found
impossible to improve the formula or
the pills. Dr. Morse's Indian Root
Pills are a household remedy through-
out the world for Constipation and
all Kidney and Liver troubles. They
act promptly and effectively, and

Cleanse the System

that no amalgamation of the C.N.R.
subsidiary companies was provided
for and had then admitted that this
contention advanced by Sir Wilfrid
Laurier was correct.
ASKS FOR MORE INFORMATION.
Mr. Boivin claimed that there was
not sufficient information before the
House. There should be a more
thorough inquiry before the govern-
ment gave aid to the C.N.R. He said
that the evidence was not sufficient
that Mackenzie and Mann had made
no profits out of the construction of
the road other than through common
stock. There should be affidavits to
this effect from Messrs. Mackenzie
and Mann as well as other officials
of the road. He claimed that the se-
curity was insufficient and that it
was of little value.

FACING BANKRUPTCY.

Under present conditions, said Mr.
Boivin, we know that the C.N.R.
would go into bankruptcy unless the
government came to its assistance.
That is where the country is going
also if this government remains in
power very long. It is always ready
to come to the assistance of the cor-
porations and dole out borrowed
money to them. Everybody, he said,
is agreed that all the money in the
bag labelled "C.N.R." has been trans-
ferred to the bag labelled "Mackenzie
and Mann."

In closing Mr. Boivin objected to
the proposals because the government
should have secured shares in the
companies worth something as well
as in the companies worth nothing.

Deaths Reported

MRS. ROBINSON, SUTTON, PAS-
SES AWAY.

Sutton, May 15.—(Special)—
Mrs. Robinson, widow of the late
Captain James Robinson, died here
early this morning, at the advanced
age of 90 years, at the residence of
her daughter, Mrs. J. W. Murphy.
The deceased was in her usual
health yesterday, and passed away
suddenly in bed at 6 o'clock this
morning. The news came as a great
shock to the community.

Mrs. H. G. Bates, of this place, is
also a daughter of the late Mrs. Rob-
inson.

The funeral arrangements will be
made known later.

MRS. H. G. LANE, SOUTH BOL-
TON.

South Bolton, May 15.—(Special)—
Mrs. H. G. Lane passed away this
morning after a lengthy illness. The
funeral will be held on Sunday after-
noon at 2 o'clock.

He believed that a real amalga-
mation of these companies could be
brought about. Steps should also be
taken to bring all the lines of the
company absolutely under the con-
trol of the railway board.

JAP-A-LAC—the Content-Producer

DINGY, discolored and unsightly floors are not conducive to contentment. Why not bring about their complete transformation by means of the JAP-A-LAC "Model Floor" process?

This process consists in applying two coats of JAP-A-LAC ground color, a coat of JAP-A-LAC graining color (which is grained with the JAP-A-LAC graining tool), and then two coats of natural JAP-A-LAC—producing a bright, hard, durable finish like polished oak.

JAP-A-LAC is made in 21 colors for furniture, woodwork and floors. Always put up in Green Tins bearing the name "GLIDDEN." Call TO-DAY at your local hardware store for a JAP-A-LAC color card, and a copy of the little book, "A Thousand and One Uses of JAP-A-LAC."

BEEBE PLAYS

BARACAS

Sunday School Team Will Play
Their First Home Game
To-Morrow

ROYAL ATHLETICS PLAY IN MAGOG—WATERVILLE IN COATICOOK

The strong Beebe team will play the Baracas on the Parade Ground, on Saturday afternoon. This will be the first appearance of the Sunday School aggregation and will be a good test of their strength. The team has many of last year's 53rd champions on the line-up, including Harper, the clever goal tend. In the first game of the season they tied Waterville 3-3 on their home grounds, which was considered a very creditable showing. Beebe won their first game from Magog by 2-0 at Beebe. A win for the quarymen tomorrow will place them near the top of the league.

The following players will represent Baracas: Goal, Harper; backs, J. Bennett, E. Burrows; half backs, W. Miller, J. Thompson, W. Willett; forwards, Rawlings, E. Smith, G. Mitchell, L. Watson, A. Morgan; reserves, Hall, Winn, Egan. The above men are requested to meet at the club rooms at 3 o'clock sharp. Immes, of Waterville, will referee the game.

ROYAL ATHLETICS AT MAGOG—The Royal Athletics will play at Magog. The following players will represent the club: Goal, Crossley; backs, Banks, Tomlinson, Stevens; forwards, Wilson, Croft, Jude, McGuire, Dixon; reserves, Taylor, Hatch, Payne. All players should be at the C.P.R. station at 2:45.

Referee, Johnson, of Sherbrooke. Waterville and Coaticook will be the other fixture this week. Referee, Plummer, Sherbrooke.

B. C. TRACK MEET

LARGE ENTRY WILL RESULT IN KEEN COMPETITION

Preparations are now complete for the track meet at Bishop's College, and all that is needed to make the event a success is fine weather and a crowd to fill the grand stand at the Exhibition grounds on Saturday afternoon, and make the boys feel that they are competing in events that are worth winning. The committee in charge is making every effort to arrange the programme for the pleasure of the spectators as well as the convenience of the competitors. The 53rd band will be in attendance. There is a spirit of seriousness among the various teams, and all seem to be coming with a determination to win something, and not for mere pleasure.

BASEBALL

The Baraca Baseball team will practice tonight, on the Parade ground, and the team will be picked to play at East Angus on Saturday. All interested please turn up.

BARACAS AT EAST ANGUS—The Baraca baseball nine will play the first game of the season tomorrow afternoon at Angus. The team will have a strong line-up with "Puc" Prefontaine in the box. Stuart, who played outfield for the Cubs last year, will figure on the Angus line-up.

ATHLETICS WILL PRACTISE TO-MORROW

Owing to the cold weather there will be no game in Sherbrooke tomorrow. The team has had very little practice, as the players do not like to take chances with their arms. The team will have an all around practice in fielding, batting and base-running at their grounds tomorrow afternoon. Any players in the city who have not been approached by the management are invited to turn out to the practices. They will be given every opportunity of making the team if they have the "goods."

THE LACROSSE MEETING

CITY LACROSSE LEAGUE WILL BE ORGANIZED

The City League lacrosse meeting will be held at the Magog House to-night at 7:45. At present four teams have signified their intention of being present, but if there are any others in the city who have not been reached, an invitation is extended to them to attend; also to all those who take interest in the game, whether players or fans. Means of raising support for the different clubs will be the chief question discussed.

Financial and Market News

DAIRY PRODUCE

BUTTER TRADE SLOW

Montreal, May 15—The feature of the butter trade was the reduction in prices of 1c to 2c per lb., accepted at the auction sale, finest creamery selling at 22 1/2c per lb., as compared with 23c on Monday, which indicates that the feeling in the market is not so firm as it was on account of the increased receipts during the past few days. We quote prices as follows: Finest creamery, 23c to 23 1/2c; fine creamery, 22 1/2c to 22 3/4c; seconds, 21 1/2c to 22c; Manitoba dairy, 17c to 18c; Western dairy, 19c to 20c.

CHEESE MARKET QUIET

Montreal, May 15—At Stirling 300 boxes of cheese were offered and sales were made at 11 13-16, which price as compared with a week ago shows a decline of 5-16c to 9-16c per lb. This indicates that there is a much easier feeling in the market and low prices are expected to rule at Brockville tomorrow. There is some enquiry from English importers for cheese, but the price bid are so much below the cost of the goods that little business is doing. We quote prices as follows: Finest western colored, 12 1/2c to 12 3/4c; finest western white, 12 1/2c to 12 3/4c; Eastern cheese, 11 1/2c to 12 1/2c.

COUNTRY PRODUCE

GOOD DEMAND FOR EGGS

Montreal, May 15—There was no change in the condition of the egg market, prices being firm owing to the continued good demand. We quote prices as follows: Straight receipts, round lots, 22 1/2c to 23c; straight receipts, single cases, 24c; selected stock, single cases, 26c; No. 1 stock, single cases, 23c; No. 2 stock, 21c to 21 1/2c.

MAPLE PRODUCTS ACTIVE

Montreal, May 15—There were no new developments in the market for pure maple product. The demand for both syrup and sugar continues good. We quote prices as follows: Pure maple syrup, 8 lb. tins, 65c to 70c; pure maple syrup, 10 lb. tins, 80c to 85c; pure maple syrup, 11 lb. tins 87 1/2c to 90c; pure maple sugar, per lb., 10c to 11c.

HONEY MARKET QUIET

Montreal, May 15—The demand for honey shows little improvement, and what few orders are being received are principally for small lots to fill actual wants, consequently the market is quiet. We quote prices as follows: Clover, white honey, 14 1/2c to 15 1/2c; dark grades, 12 1/2c to 13 1/2c; white extracted, 10c to 11c; buckwheat honey, 7c to 8c.

FIRM POTATO MARKET

Montreal, May 15—A very firm feeling prevails in the market for potatoes, owing to the somewhat limited supplies coming forward and the continued good demand for the same, consequently the market is fairly active. We quote prices as follows: Green Mountains, car lots \$1.15 to \$1.20; Quebec white, car lots, \$1.05 to \$1.10; Green Mountains, small lots, \$1.35 to \$1.40; Quebec white, small lots, \$1.15 to \$1.20.

The market has gotten very dull on this slight reaction. I have talked with several good traders and they believe we will have more activity and more short covering before the close. The Baruch interests seem to be buying both Steel and Utah Copper. U. P. and B. G. are both room favorites, and look like doing better.

Secure a Weekly Income of Several Dollars Through Investing a Few Dimes!

It's not a get-rich-quick proposition—not any other sort of "dream." It's just a plain business task, which readers of this newspaper are accomplishing every day.

It concerns that "extra room" in your house, or apartment—the room you hardly need, rarely use.

A desirable tenant may be found for it, who will pay you a fair price for it in "Room rent" every week.

At a cost of a few dimes—not often a great many of them—this tenant may be found. This, with an available room to sublet, and a "Furnished Rooms to Rent" advertisement, that WEEKLY INCOME may be secured.

BELGIAN STALLIONS FOR QUE. PROVINCE

THE MINISTER OF AGRICULTURE WILL SELL THEM BY AUCTION UNDER CONTRACT CONDITIONS.

The Minister of Agriculture of the Province of Quebec has just imported five splendid Belgian draught stallions. These horses have been specially selected for the province by a representative of the Department of Agriculture in Belgium and by a Belgian Veterinary surgeon.

The Minister of Agriculture has decided to sell these horses by auction to agricultural societies, stock-breeding syndicates, co-operative agricultural associations and to residents of the Province of Quebec. This auction sale will take place at Quebec, on the Exhibition Company's grounds, on the 25th of May, 1914, at 10 a.m.

from the Diocese of Qu'Appelle preached at St. Augustine's Church, on Wednesday evening. The attendance was not quite as large as might have been expected, but those who were there listened to one of the best descriptions of the life of a Missionary and of the inhabitants of that vast diocese that has ever been given in Danville. Mr. Western is one of the few heroic clergymen of a diocese which embraces an almost unlimited number of miles, his own parish consisting of four hundred miles of territory, and his description of the lonesome life of a homesteader, was both graphic and pathetic. He solicited the earnest prayers of the congregation on behalf of the great work being done there in the spiritual life of the country.

Mrs. Roach, of Portland, Me., is the guest of her sister, Mrs. Dr. Stevenson.

The lecture which was to have been given by the Rev. T.E. Bourque, on "Ireland and the Irish," on May 28th, has been postponed to the 2nd of June.

PEN PORTRAIT OF REV. J. R. McLEOD

PRESBYTERIAN MINISTER OF SCOTSTOWN RESPECTED CLERK OF PRESBYTERIAN SYNOD.

"J. A. C." in Pen Portraits from the Presbyterian Synod in the Montreal Herald, has the following to say in connection with the clerk of the Synod, Rev. J. R. Macleod, minister of the Presbyterian Church at Scotstown:

"Moderators may come and Moderators may go, but 'The Clerk' remains for ever. The Rev. J. R. Macleod, the respected clerk of the Synod, bears his nationality upon his face in his clean cut, sharp, decisive Celtic features. With piercing eyes and neat, trimmed beard, his general appearance suggests method and efficiency. His consciousness of exactness gives him confidence before an audience; thinner in face and figure than the last time we saw him, the clerk bears the insignia of a real ecclesiastic. A man who, as clerk of the Synod, gives entire satisfaction in both capacities.

"Presbyterian at every turn, well versed in church law and precedents, capable of guiding both moderators and meetings. For twenty years minister in Three Rivers, Quebec (now of Scotstown, Que.), Mr. Macleod is qualified to fill the most important clerical position in the Assembly, for which his work in the Synod and Synod most eminently fit him. 'An ideal pastor, man and clerk, is Rev. J. R. Macleod.'"

ST. LUKE'S CHURCH HAS BEEN RENOVATED — METHODIST CHURCH HAD GOOD FINANCIAL YEAR.

Waterloo, May 15—(Special)—The congregation of St. Luke's Church, have just finished renovating and decorating their beautiful Church. The edifice, which is of Gothic design has been further beautified and enriched by the addition of a fine chancel screen of polished oak and gothic in design. The screen, which is a gift to St. Luke's by Mrs. G. W. Gilmour, is erected to the memory of her late husband, Geo. W. Gilmour, is declared to be the most elaborate and richest in design ever turned out by Randall, who makes a specialty of Church decorations in wood. This, with the decorations by Mr. F. Barrington, under the direction of the rector, Rev. T. B. Jenkins, adds beauty to the already beautiful Church. The congregation, who are exceedingly proud of their fine Church have been for the past two Sabbaths worshipping in the basement, but will occupy their Church next Sunday.

METHODISTS HAD GOOD YEAR

The last meeting of the Quarterly Official Board of the Methodist Church for this Conference year was held Tuesday evening. Rev. S. P. Newton, the pastor, presided. Ballotting for the officers for the ensuing year was as follows: Messrs. H. W. Palmer, Recording Steward; N. O. Rockwell, A.A. Racicot, W.B. Mills, H. Bird, H.W. Palmer, S.G. Bowker and A.L. Marston, Stewards; L. Pearson, A.S. Newell, C.F. Healey, J.M. Smith, Geo. Doe, F. Lewis and W. M. Wallace, Society representatives; M.H. Temple, and F. Barrington, Local preachers. Reports were heard from the different departments of the church, all of which proved, that financially all the years in the history of the Church has been eclipsed. A resolution, inviting the pastor for another year accompanied with very kind and appreciative words of his work during the past year was moved by Mr. Temple, seconded by Mr. Hills, and afterwards carried unanimously.
