World News In Brief

Berlin — (Reuters) — The West Berlin anti-Communist information bureau said Thursday East Germany had spent \$65,000,000 on Russian arms in the first half of the year. The bureau said it had the information from a report made by the interior ministry to the Communist party central committee.

Kiel, Germany — (P) — State police reported Thursday night that 15 persons were injured, four critically, when two passenger trains collided near Kuehren.

Calcutta — (Reuters) — An outbreak of encephalitis — a brain inflammation considered deadlier than polio — menaced children of India's Jamshedpur steel centre today. Leading doctors are being rushed to the town, where 26 children have already died.

Manila — (P) — At least 22 persons were reported dead and scores were injured today in a strong earthquake which jolted the central Philippines. The provincial capital of Saragosa bore the brunt of the earthquake and a police official there reported 20 persons dead and enormous property killed at Legaspi to the north.

Media, Pa. — (P) — John G. Pew, 83, who rose from a gas fitter's helper at \$1.25 a day to president of the vast Sun Shipbuilding and Drydock Co., at Chester, died Thursday at his home here. Pew retired in 1950.

Would Deny US Funds To UN Agencies

Washington. — (AP) — Senator William Knowland (Rep. Calif.) said today he may ask Congress to shut off all American contributions to the United Nations if the UN admits Red China to membership.

Knowland said State Secretary Dulles will be asked to reaffirm American policy on the issue when the secretary appears at a closed session of the Senate foreign relations committee today.

He has no doubt, the California senator said in an interview in advance of that meeting, that the Eisenhower administration remains vigorously opposed to UN recognition of the Peiping regime.

But to be doubly safe, Knowland said, he may offer an amendment to the foreign aid bill which would bar U.S. contributions to the organization if American objections are overridden on this score.

Knowland indicated he prefers this approach to a proposal by Senator Pat McCarran (Dem. Nev.) to direct President Eisenhower to notify the UN of American withdrawal of membership and funds if the Chinese Communists are admitted.

Knowland linked possible UN action on China directly with the events in Indo-China, saying he fears the French have made a deal with the Communists there which involves at least passive approval of Peiping's acceptance into the UN.

"I want our allied associates to know there is a fair chance they will have to choose between Communist China and the United States and they should have their eyes open when they do it," he declared.

Italian Deputies Reject Demand For Probe Report

Rome — (AP) — Communist demands for an immediate airing of Italy's hottest post-war scandal — the seaside death of shapely Wilma Montesi — were voted down Thursday night in a stormy session of the Chamber of Deputies.

The chamber defeated 254 to 230 a Communist demand that cabinet minister Raffaele De Caro report on his three-month investigation into charges that high government officials were involved in the 21-year-old party girl's death on April 11, 1953.

De Caro refused, contending a full airing now would prejudice another judicial inquiry under way into charges that Wilma was stricken at a sex-drug orgy and left to die on the beach at Rome's seaside resort, Ostia. He did not say when he will release his full report on the case.

The Communists have accused the government of trying to whitewash the case. Repercussions brought the resignation of national police chief Tommaso Pavone, as well as resigning by Foreign Min-

Chevrier To Open Talks On U.S. Aid

Ottawa — (P) — One of the first tasks facing Lionel Chevrier, new head of the St. Lawrence seaway authority, is to discuss with the United States whether it will help Canada build the navigation facilities.

Mr. Chevrier's resignation as Transport Minister to take the \$25,000-a-year seaway job was announced Thursday by Prime Minister St. Laurent. As Mr. Chevrier's deputy on the authority, Mr. St. Laurent appointed Charles Gavie, 45, tax expert for the revenue department. Charles W. West, 64, senior deputy transport minister, will be the third member.

Later, Mr. Chevrier said in an interview he is "quite happy" about his new job.

He predicted that the seaway project development should be completed in possibly 4½ years or in six at the most, if there are no hitches either with the U.S. or Quebec.

No successor was named to fill Mr. Gavie's old job as deputy revenue minister in the department's taxation division. Mr. West is succeeded by John R. Baldwin, deputy transport minister for air services and chairman of the air transport board.

A successor to Mr. Baldwin as air transport board chairman will be named later.

In making his announcement, Mr. St. Laurent said Mr. Chevrier is expected to give some help in preliminary discussions here Monday with U.S. officials. These talks will pave the way for a cabinet-level conference which will consider the question of U.S. participation.

The negotiations result from recent congressional approval of the U.S. spending \$105,000,000 for navigation on the U.S. side of the St. Lawrence river. Until the approval was given, Canada was preparing to do the job alone, spending about \$300,000,000 for navigation in international sections of the river.

The Canadian action was planned under a 1952 agreement with the Truman administration of the U.S. Canada has made clear it considers that agreement still in effect until revised by negotiation between the two countries.

Pilots Plan Strike Over Rule Change

Chicago — (P) — The Air Lines Pilots Association AFL said Thursday some 1,200 pilots employed by American Airlines have voted to strike to enforce an eight hour flying limit for one crew.

Clarence Sayen, ALPA president, said a work stoppage against the airline will be called unless the company "desists" in what he called a violation of a 23-year-old regulation against flying pilots more than eight continuous hours.

Sayen said a strike date will be set "very soon."

Similar strike votes are in progress among ALPA pilots employed by TWA and United Air Lines.

The strike votes follows a recent Civil Aeronautics Board ruling which granted American Airlines a waiver of the eight-hour rule. The CAB waiver of the eight-hour limit is temporary. It is designed to enable air lines to offer coast-to-coast non-stop service without changing crews.

Most of De Caro's statement dealt with the self-styled Marquis of Montagna. A central figure in the case, he was described as a former spy for the Italians, Germans and Americans.

Montagna was pictured in previous court testimony as the brains of a drug ring. Piero Piccioni, son of the foreign minister, was described as trigger man for the ring. Both Montagna and Piccioni declared the accusation was "ridiculous."

De Caro read a police intelligence report saying Montagna had served the Nazis by day during the Second World War, while at night he hid out Italian patriots and worked for American counter-intelligence.

De Caro said former police chief Pavone was one of the Italians Montagna hid out and added, "I can only say Pavone should have stopped his friendship with this ex-convict long ago."

Claxton, Abbott and Chevrier resign in drastic reorganization of St. Laurent cabinet.

Ottawa — (P) — The 21-member federal cabinet has been subjected to the biggest upheaval in post-war years. Three members have resigned, the portfolios of three others have been shifted, and two recruits are making their initial appearance in Prime Minister St. Laurent's inner sanctum.

Gone from the cabinet are Defence Minister Claxton, Finance Minister Abbott and Transport Minister Chevrier.

Shifted are: Immigration Minister Harris, to finance; State Secretary Pickersgill, to citizenship and immigration; and Associate Defence Minister Campney, to the main defence portfolio. The associate ministership is left vacant for the time being.

Coming into the cabinet are George C. Marler, former Liberal leader in Quebec, who becomes transport minister, and Roch Pinard, external affairs parliamentary assistant, who becomes state secretary.

The changes were announced to sweltering correspondents in Mr. St. Laurent's east block office Thursday after a Dominion Day cabinet meeting.

He also announced:

Mr. Justice Patrick Kerwin, 64-year-old Supreme Court of Canada bench, is the new chief justice, Canada's 10th, succeeding the retired chief justice Thibault Rinfret.

Jules Leger, Canada's 41-year-old ambassador to Mexico, is the new external affairs deputy minister. He succeeds R. A. MacKay, 60-year-old acting deputy, who becomes associate deputy.

Mr. St. Laurent, still attired in the formal morning coat dress that he wore at a colorful trooping of the color on Parliament hill earlier in the day, expressed regret at losing three trusted lieutenants.

The 55-year-old Mr. Claxton, a First World War sergeant-major who held the defence portfolio since 1946, has resigned to become vice-president of Metropolitan Life Insurance Company of New York and general manager of its Canadian operations Aug. 1.

The new defence chief, handling a \$2,000,000,000-a-year budget, is 56-year-old Ralph Campney, a west coast First World War veteran who made his entry into the cabinet less than two years ago. Douglas Abbott, 55, another First World War soldier who went to the cabinet in 1945, leaves to fill a justice vacancy on the nine-member Supreme Court of Canada. His salary will be \$20,000 a year, compared to \$27,000 as a cabinet minister.

Lionel Chevrier, 51, another nine-year cabinet officer, leaves on appointment as the \$25,000-a-year president of the St. Lawrence seaway authority.

With him as authority members will be Charles Gavie, 45, deputy minister of revenue taxation; and Charles W. West, 64, senior deputy transport minister. John R. Baldwin, deputy transport minister for air services becomes the senior deputy. A successor to his former post has not been named.

Mr. Harris, 50, entered the cabinet four years ago. First elected to the Commons in 1940 for the Ontario riding of Grey-Bruce, he kept it continuously.

Mr. Pickersgill, also 50 and a close political adviser to Mr. St. Laurent, started out as a history lecturer, became a career civil servant and served as private secretary both to the late Mr. King and Mr. St. Laurent.

Born at Weycombe, Ont., and educated at the University of Manitoba and Oxford, he was made state secretary last year and successfully contested a New Brunswick seat.

Roch Pinard, 43, a native of Nicolet, Que., entered the House in 1945 and started up the political ladder last October when he was named parliamentary assistant to External Affairs Minister Pearson. George Marler, 52-year-old Montreal notary public, is making a complete change-over. A former Liberal and Opposition leader in Quebec, he is entering on the government side of things for the first time since he captured the Quebec Legislature seat of Montreal-St. George in 1942. He has resigned that post and will contest a Montreal riding, probably that of Mr. Abbott's St. Antoine-Westmont.

As for Mr. St. Laurent's own future, that's something for the crystal gazers. He told the correspondents he doesn't try to look too far into the future, being content to handle his job day by day.

The cabinet changes, along with previous events, leave five vacant seats in the 265-member House of Commons. Mr. St. Laurent indicated there will be some by-elections late next fall. It will be the first test of how the political weather vane is pointing in Ontario and Quebec.

Current standing in the Commons: Liberals 169; Progressive Conservatives 50; CCF 23; Social Credit 15; Independent 3; vacant 5; total 265.

Changes In Traditional Court Lines

Ottawa — (P) — Mr. Justice Patrick Kerwin is the 10th chief justice of the Supreme Court of Canada.

The appointment of the 64-year-old senior member of Canada's highest court to its top position was announced Thursday by Prime Minister St. Laurent following a Dominion Day cabinet meeting.

Finance Minister Abbott's appointment as a junior member of the court was announced at the same press conference.

The appointments mark a change from the traditional membership of the court. Mr. Justice Kerwin, an English-speaking Roman Catholic, succeeds Mr. Justice Thibault Rinfret, a French-speaking Roman Catholic who retired June 21 at the age of 75.

Previously a Roman Catholic chief justice has been followed by a Protestant.

Mr. Abbott, 55-year-old member of the Liberal government for the last nine years, is an English-speaking Protestant. His appointment changes the traditional balance between English and French-speaking members and between Roman Catholics and Protestants.

Before Chief Justice Rinfret's retirement, there were four Roman Catholics and five Protestants; now there are three Roman Catholics and six Protestants.

Mr. Justice Kerwin, a native of Sarnia, Ont., is a veteran jurist and has been a member of the Supreme Court of Canada for the last 19 years. His salary now will be \$25,000 a year. Other justices on the nine-member bench get \$20,000.

A native of Lennoxville, Que., Mr. Justice Abbott is a First World War veteran who got his law degree at McGill University. He fills the vacancy left by the former chief justice's retirement and Mr. Justice Kerwin's promotion.

Other justices of the court are: Hon. Robert Taschereau, 59; Hon. I. C. Rand, 70; Hon. Roy L. Kellock, 61; Hon. J. W. Estey, 66; Hon. C. H. Locke, 68; H. J. R. Cartwright, 59; H. Gerald Fauteux, 53.

Temiskaming, Que. — (P) — Four men were drowned early today at nearby Kipawa when a 10-foot boat with five men aboard capsized and sank 50 feet from a dock.

The victims were tentatively identified as Yves Berube, Armand Begin, a man named Morin and another Bourassa. All were working at a Canadian International Paper Company bush camp.

Three of the bodies were recovered by Woodmen using flashlights to probe the 12 feet of later where the mishap occurred. Bourassa's body has not been located.

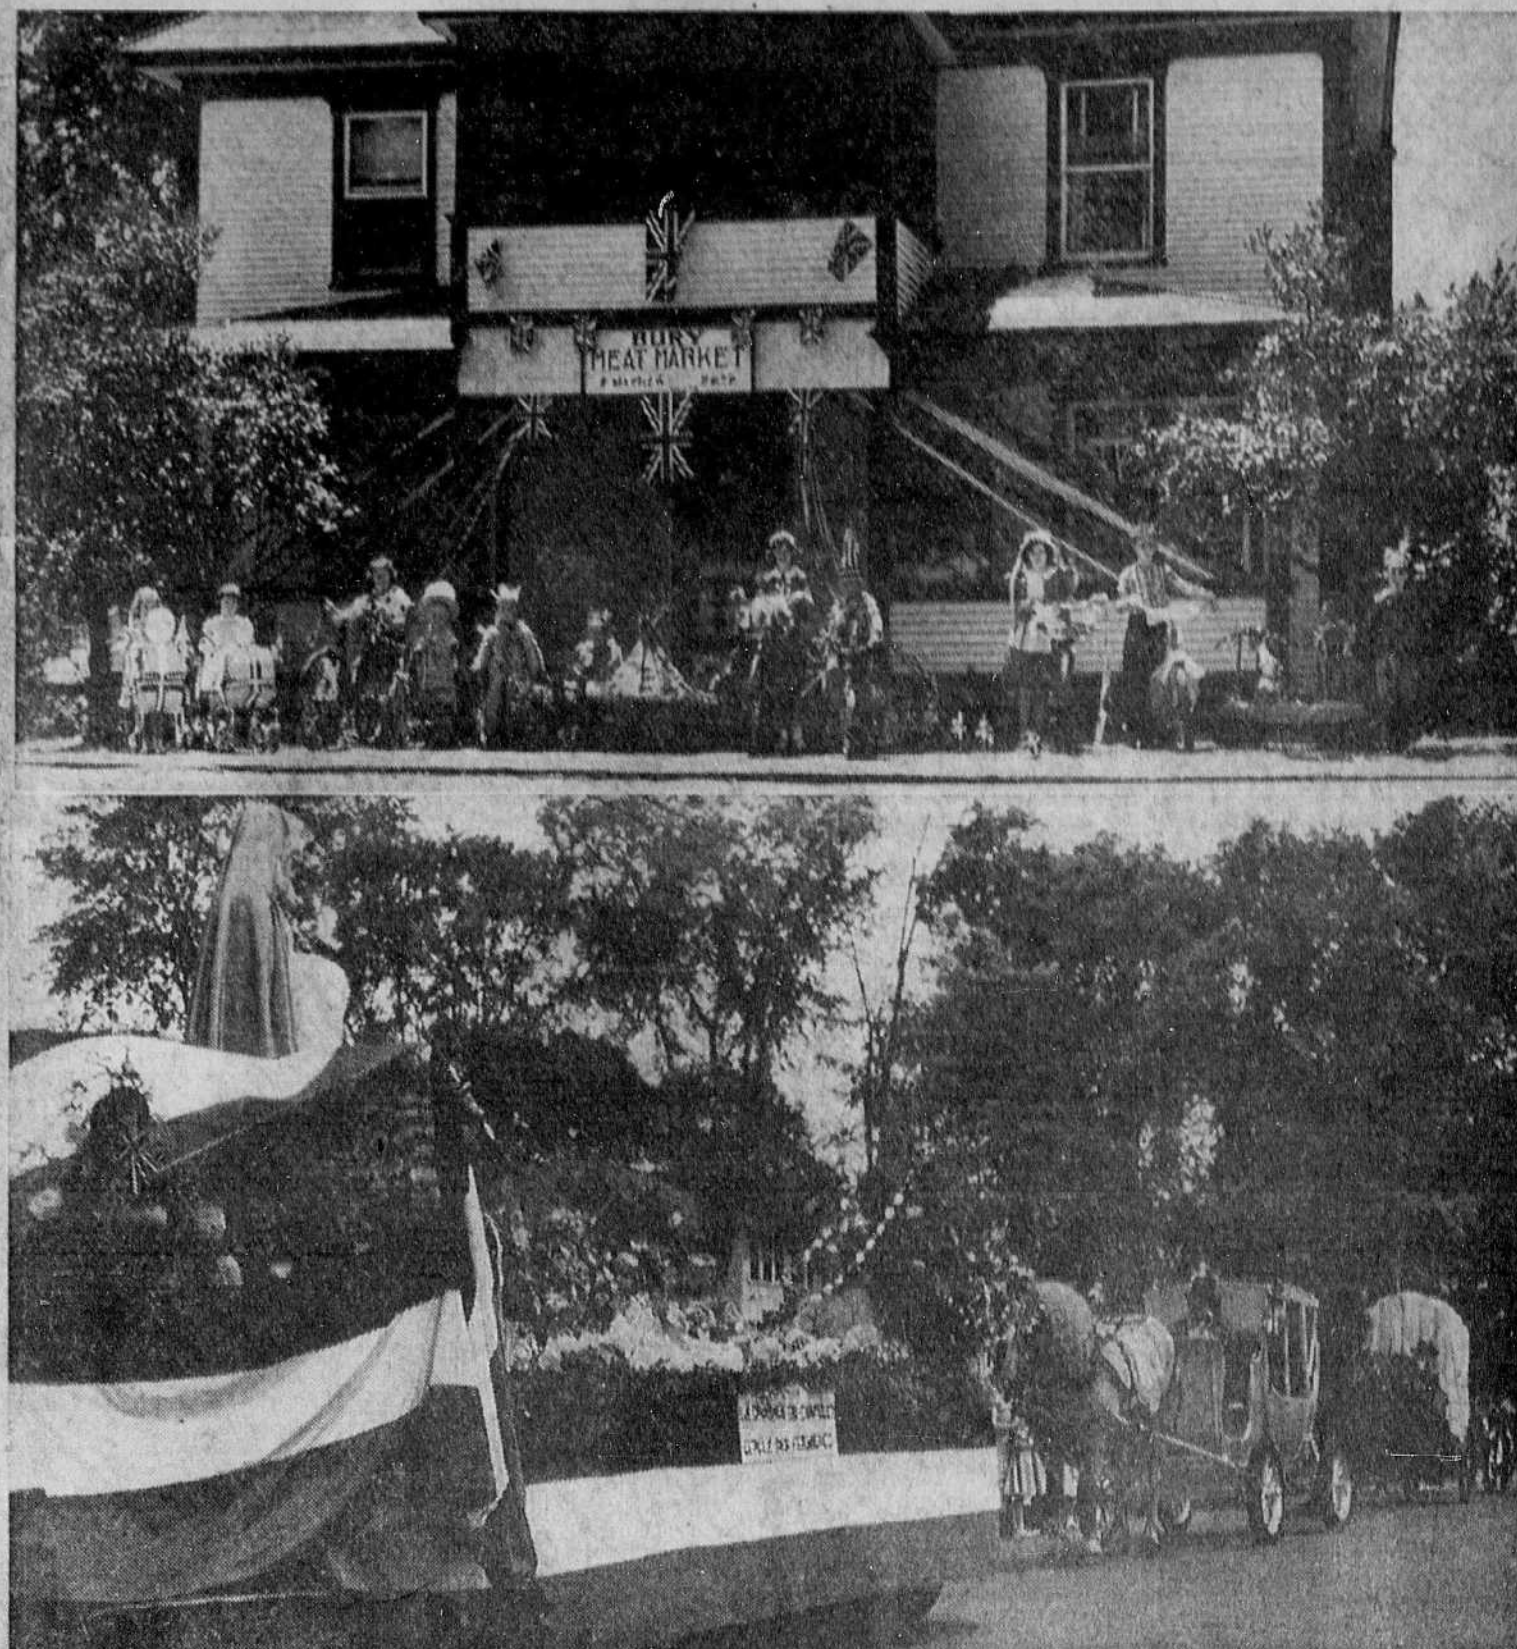

Fresh Outbreaks Reported Along Israeli-Arab Border
Jerusalem — (Reuters) — An Israeli policeman was killed and two Israeli children injured today as sniping increased in the three-day outbreak here, an Israeli army spokesman said.

Three other persons were also reported injured by Jordan fire in the Jewish quarter of the divided holy city.

United Nations observers told Israel today that Arab Legion officers are being dispatched to advanced positions to enforce an "unconditional and sincere ceasefire" ordered Thursday and to prevent breaches of discipline among Jordan troops.

On the other side of the old city wall, Jordan charged that Israeli mortar crews Thursday night bombed the church of the Holy Sepulchre, reputed site of the grave of Christ.

Contractors Ganged-Up On Ontario

Toronto — (P) — J. D. Millar, former deputy minister of highways, says contractors attempted to force Ontario to pay higher prices for highway construction.

He made the charges Wednesday before the Ontario legislature's select committee investigating the highways department.

During an appeal to the committee to clear the good names of the vast majority of the thousands of department employees, Mr. Millar, now deputy public works minister, said that in 1947 when the department asked for tenders for concrete paving on the four-lane highway through Oshawa — only one contractor had put in a bid under \$2 a yard.

"It was openly boasted in the trade that no contractor would bid for it less than that price," said Mr. Millar.

Mr. Millar charged the same thing had happened on the new Altkokan highway. This stretch of highway has been under committee discussion for some time. The Fort York Construction Co. was unable to finish the work. It was turned over to the Malvern Construction Co., by the bonding company, R. H. McGregor, Progressive Conservative member of Parliament for York East, is an officer of both companies.

"The manner in which bids were made on this job had all the earmarks of the contractors ganging up," said Mr. Millar.

San Salvador, El Salvador (Reuters) — Guatemala's 12-day war ended today in a truce giving rebel commander Col. Castillo Armas one of five top posts in a junta to rule the Central American country.

The armistice was agreed upon in talks here between Armas, a militant anti-Communist, and Col. Alfredo Monzon, who took over as head of the Guatemalan government early this week.

Monzon will head the five-man junta until the junta itself elects its own chief in two weeks.

The junta is expected to be made up of two of the rebels — Castillo and his "defence minister," Col. Enrique Oliva, and three members of the previous government — Monzon, Foreign Minister Col. Mauricio Dubois, and Defence Minister Col. Jose Luis Cruz Salazar.

Observers here felt Castillo, during the two-week period, would seek to win the allegiance of one of the latter pair so that he could eventually head the junta.

The agreement came just as a truce, arranged while the peace talks went on here, was about to expire.

A deadlock had threatened to end the negotiations up until the last moment. Rebel planes stood by ready to resume attacks on Guatemala City if agreement was not reached.

The United States ambassador to Guatemala, John Peurifoy, talked to both leaders and helped to find a way out of the deadlock.

As discussion went on in the president's palace here there were reports of a new threat to Guatemalan peace.

Communist supporters of deposed President Jacobo Arbenz Guzman were reported inciting peasants outside the capital to rise against the country's new rulers.

The Red leaders, who fled to the hills after Arbenz' downfall, were reported inflaming the peasantry with stories that the new regime would take away the lands the previous leftist government had turned over to them.

Army and police headquarters in Guatemala City acknowledged they were unable to meet demands for help against uprisings outside the capital.

The situation at Escuintla, a major Communist hotbed 30 miles south of Guatemala City, was reported serious.

Chicago — (P) — Three crew members of the Norwegian ship Grindfjell were arrested Thursday and charged with smuggling nine cases of Scotch whisky into Chicago. Two cases, U.S. custom inspectors said, were sold to a Chicago tavern owner and the others were seized by inspectors. The sailors were held on bonds of \$1,500 each pending a hearing July 7.

Plan Check Of Files In Bunche Case

New York — (P) — The New York Herald Tribune says the transcript of Dr. Ralph Bunche's loyalty hearing has been officially referred to the Department of Justice for investigation of possible perjury by Bunche's accusers.

The International Organization Employees Loyalty Board, set up by the civil service commission to test the loyalty of Americans employed by the United Nations, heard Bunche's case some weeks ago. The six-member board unanimously found there was "no doubt as to the loyalty" of Bunche, Negro leader and chief American member of the UN secretariat.

The story, bylined by Joseph and Stewart Alsop, says Bunche's accusers, admitted ex-Communists Manning Johnson and Leonard Patterson, are on the government payroll as "consultants to the immigration and naturalization service" of the Justice Department.

In his testimony Johnson swore, the Alsops wrote, that he and Bunche "jointly attended a strategy meeting of eight or 10 top Negro Communists" at a Howard University conference on Negro problems held in Washington in 1934.

Grim Stories Of Guatemala Torture Told

Guatemala — (P) — A long line of men, women and 'teen-agers filed past a row of mutilated bodies in tropical Guatemala's capital today.

The smell of death was overpowering as the curious populace lifted the lids of the crude wooden coffins to peer at some of those the new military government says were tortured to death by deposed president Jacobo Arbenz Guzman's secret police.

Some of the spectators fainted. Others were sickened at the stench. Most fled.

In the small, plaster walled room in Guatemala City's morgue a statue of Christ loomed behind the coffins, candles burning at its side.

The gruesome display was part of the drive by Guatemala's new government against Arbenz Guzman's backers, who sparked the terror wave which preceded his downfall and who now are reported stirring up peasant opposition to his conquerors.

In the weeks just before and after Col. Carlos Castillo Armas' "liberation" army of exiles invaded from neighboring Honduras, the police rounded up hundreds of anti-Communists and opponents of

French Evacuate Key Area Of Populous River Delta

Hanoi, Indo-China. — (CP) — The French announced today their troops have "successfully completed" evacuation of five fortified cities and 2,000 square miles of populous rice land in the south of the Red river delta.

Most of the thousands of soldiers involved in the massive withdrawal already have taken up defence positions farther north around Hanoi, an army spokesman said.

In Singapore, Associated Press correspondent Larry Allen, who recently left Indo-China after two years, reported Thursday that the windup of the operation would leave more than half of the strategic Red river delta in control of the Communist-led Vietminh and put an additional 4,000,000 Viet Namese under the red flag.

The new southern front in the Red river lowlands runs a wavy line from south of Phay 30 miles south of Hanoi, eastward to

the seacoast. The line is parallel with and about 25 miles south of the railway and highway linking Hanoi with the seaport of Haiphong. The French must defend this "lifeline" route to the last, as it is the only supply line and escape corridor for the tens of thousands of French Union troops in north Indo-China.

One of the richest prizes to go to the Vietminh was the six-million-dollar cotton spinning mill at Nam Dinh, the largest textile factory in Indo-China.

The evacuated area, strongly Roman Catholic, was a main centre of local resistance to the Communists. A French spokesman acknowledged that it was a "very difficult decision" to leave these "people who had been on our side" to the mercy of the Vietminh. He asserted, however, that the southern zone was hard to defend because its swampy terrain allowed French mobile units and with infiltrators and guerrillas.

First Lennoxville-Ascot Dominion Day Celebrations Met With Great Success

By ALAN J. OXLEY
Canada's national holiday was elegantly marked yesterday by the Lennoxville-Ascot celebrations which opened with a mammoth street parade which started at C. C. Warners' property and proceeded down Queen Street to Bishop's University. Floats, decorated trucks and cars, saddle horses and bicycles took part in the parade—the first one staged in Lennoxville-Ascot district for many years.

After the parade, which illustrated everything from Canada's early pioneers to wedding bells, the crowd gathered on the University grounds for the field day and judging of floats, etc.

Judging the entrants were Mayor L. M. Watson, of Lennoxville, and Mrs. Watson, Mayor Leslie Nichol, of Ascot and J. A. St. Marie. The winners were: Saddle horses, Nancy Nichol, Irene Morgan and R. L. Bishop; teams and tractor floats, Lennoxville Brownies, Myrtle Rebekah Lodge 28 and Ascot Lodge A.F. and A.M.; trucks, Vaudry's Greenhouses, B. A. Oil Company and Southern Canada Power Company; old cars, Edwin Hurly, Amedee Beaudoin and Howard Majury; decorated cars, Rebekah Assembly and Grand Lodge of Quebec.

Evelyn Bradley and Chamberland and Lortie Reg'd; bicycles, Anne Cowans, Marsha Mooney and Beverly King and Richard St. Desjardis; Sandra Smith, Gerry Taylor and Leslie Anne Rowe; children's cars, Sydney Winget and bride, Garry Bray, Rodney Bray and Glen Way.

Enthusiastic crowds of children gathered on the field to take part in the sporting events and by late afternoon many youngsters were the proud possessors of silver cups and ribbons.

Ronney Mooney, director of the field day, said that the event was a decided success and will make for an even better attendance next year.

After supper a softball game got under way at 6:15 p.m. No Claims Sherbrooke and Lennoxville from which No Claims emerged the victors.

A magnificent display of fireworks followed at 9 p.m. described by onlookers as one of the most brilliant displays ever seen in Sherbrooke vicinity. Numerous persons claimed that the spectacle was even better than the display of the Coronation celebrations held in Lennoxville last year.

The evening was closed with a dance at the Lennoxville High School where Oddie Lewis and his Sherbrooke Regiment orchestra supplied the music both old time and modern until 1:30 a.m.

BRIEFLETS

Favorable Weather Aids Bury Dominion Day Celebration Make Record Success

By LARRY MOORE

Bury, Que., July 2 — Dominion Day is celebrated across Canada, but perhaps no other small center is as enthusiastic and so hospitable, as Bury, come July 1.

Thousands of Townships residents and many from other regions of Canada and the U.S. gathered here yesterday in festive spirits and holiday mood to pay joyful tribute to Canada on her 87th birthday.

And Buryites outdid themselves in providing glittering birthday trimmings—a day-long birthday cake of waving flags, colorful floats, brightly decorated homes, sports program and stirring martial music by the Caneau Memorial High School Band from Caneau, Vt.

This was the afternoon program. Less than an hour later, hundreds thronged to the athletic field where a huge stage had been set up for the amateur concert in which six other towns participated. The birthday cake was topped by a brilliant display of fireworks followed by an open air dance.

Yes, these activities can be summarized in a few brief sentences but the work and sacrifices by the people of Bury and more specifically by the Bury Athletic Association, who sponsored the Dominion Day Celebrations, cannot be computed numerically.

Many long hours were spent on decorating floats, which were of the highest quality.

Shortly after 12:15, the Caneau Memorial School Band rounded the corner leading from the station on to Main street. Eyes were fixed on the six charming majorettes, twirling their batons as they strutted along. Immediately behind the band came the president of the Bury Athletic Association, R. C. Stokes, and his wife, and the mayor, Robert N. Mayhew, and his wife riding in a smart new 54 model car.

Leading the floats in the street parade was the Family Picture entered by Mrs. Harper and Mrs. Atkins. This float won third prize in the village entry class. Among the other floats were: The I.O. O.P. Edith Kathon Home entered by the Rebekah Lodge, Our Lady of the Flowers, entered by the Convent girls, John Luce's Gona-Fishing, and finally the grand prize winner, "La Croisade du Chaplet" by the Cercle des Fermiers. The J. W. L. won the junior float award while second place went to "Warrior Brothers" entered by Allen Stokes, Tessie Stokes and Jim Mayhew.

"Going West," a horse-drawn covered wagon, reminiscent of the old west and the gold rush days when the trend was to go west and get rich, won first prize in the horse-drawn floats. This entry was made by Stanley Hodge, Cinderella and Prince Charming, probably two of the most popular fairy tale characters, won second prize. F. Lizotte was chosen as the best comic entered in the parade. Best decorated car was by J. J. Lapointe. Numerous decorated bicycles drew up the end of the parade.

Before the parade, the announcer proclaimed the best decorated

\$32,700 Verdict Is Rendered In Accident Trial

The \$32,700 civil damage suit of George Popoff, vs. Nicolet Asbestos Mines Ltd., concluded on Wednesday night when an all-English jury deliberated for more than two hours before bringing in a verdict in favour of the plaintiff, George Popoff, for the sum of \$32,709.90.

Mr. Justice William Mitchell has yet to render judgement in the case and counsel for the plaintiff, Evander Veilleux and Guy Blanchette, as well as counsel for the defense, Maurice Delorme and Edmund Barnard, have made motions for their respective clients asking that the Judge either uphold or deny the jury's verdict.

It was reported last Wednesday that if no decision was reached by midnight, the case would carry over to the month of September and if the same jury could not be rounded up, both sides would be obliged to start over. The jury, on Wednesday afternoon, started deliberations at 4:15 and were out a little more than two hours before rendering their verdict, in favour of the plaintiff.

The last witnesses for the defense were heard on Wednesday morning and most of the afternoon was spent in the final addresses to the jury by counsel for the plaintiff Guy Blanchette and Edmund Barnard for the defense, together with Judge Mitchell's charge to the jury.

Before Mr. Blanchette's address to the jury a series of five questions were given the jurors which they had an answer in their verdict. The first question was whether the collision was caused solely by the motor vehicle driven by the late Mr. Hum, encroaching upon his left hand side of the highway. To this question the jury rendered a majority in the affirmative.

During his address, Mr. Blanchette, stated the reason why he thought the answer should be given in the affirmative. They were all based on the testimony of the three witnesses to the accident. The three were Mr. Popoff and his wife, along with Jerome Hayes. Mr. Popoff and his wife both testified that they were driving on the right hand side of the road and were going at 35 m.p.h. Mr. Blanchette, who was the driver of the truck, testified that he was driving on the left hand side of the road and was going at 35 m.p.h. Counsel for plaintiff gave his reasons, based on the testimony of experts, how the accident occurred.

In their verdict the jury reduced the plaintiff's claim of partial disability by one half and the partial permanent disability was reduced to \$10,000 along with a small reduction in damage claimed to the motor vehicle driven by Mr. Popoff.

Mr. Popoff was present at the time of the verdict on a stretcher, and as the members of the jury filed out of the room, he thanked each one along with his two lawyers Messrs. Veilleux and Blanchette.

Kiwanis Delay Action On Horse Show Project

Kiwanian's Crippled Children's have announced that their placements for summer camp at Ayer's Cliff are almost complete. There may be a vacancy for just one more child after further investigation.

At the Kiwanis Club's regular meeting held Wednesday in the New Sherbrooke Hotel, President Jack Dunfield read a letter from the Sherbrooke Minor Baseball League asking if the club would consider a donation toward new equipment etc. It was unanimously decided to take a collection from individual members and present the amount to the League.

Due to the increased liabilities involved, it has not yet been decided if the club will sponsor a Horse Show this year. The matter is to receive further consideration

Traditional Hatley Celebrations Drew Hundreds From Surrounding District

By CHARLES CATCHPAUGH

Hatley, July 2.—Again Hatley was the centre of attraction on Dominion Day when hundreds from this community and the surrounding districts rallied for the July 1 celebrations here.

The day's activities started with a parade that moved down Hatley's main street at 11 o'clock, and marched twice around the common. Judging was done by Rev. John L. Hodgson, of Ottawa, Rev. W. H. Boomhour, of Ayer's Cliff, and John Knutson, of Waterville.

Although the procession was not as extensive as last year, it presented greater quality and originality. Stanley Whitcomb led the parade again, riding a saddle horse and carrying the Union Jack. He was followed by the Magog Army, Navy and Air Force Veterans' pipe band, who presented the large crowd with an extensive repertoire of Highland tunes, and during the day played at various intervals, each time gaining loud applause. The group with their new colorful uniforms, were a very appropriate spectacle for a Dominion Day parade.

Following the Magog band was the children's division, who always made a good showing in Hatley's July 1 effort. Peter Mellerg, of Ayer's Cliff, dressed as the devil, led this section. He was followed by Margaret Morse, of Howick, and Margaret Mellerg, of Ayer's Cliff, who were identical in dress as fairies, first prize winners in their class. Then came Beverly Dobb and Arlene Dobb, of Way's Mills, second prize winners for their interpretation of Hawaiian dancing girls. Phyllis Cass portrayed "Mary had a little lamb," and led a fleet of lambs. Elaine McClary, Bruce Stoddard and Michael Stoddard, all of Hatley, entered with a baby carriage. They won first prize for children's floats.

The Smith brothers, Tommy and Bobby, as farm workmen, entered their toy tractor and trailer, for which they earned second prize in the children's float class. Others in the children's class were: Phyllis, of Hatley, and her two brothers, Leslie, of Hatley, and Arnold, of Hatley, who entered with their bicycles, were: Mae Morse, Faith Delechon, Leslie Irvin and Arnold Davis, of Way's Mills, Eddie Feller, Irving Danforth, Johnny Beaudoin and Norman Leclair, of Waterville. Jean Curtis, of Hatley, earned a special prize for entering with her Jersey calf. Carol Symons, of North Hatley, was third prize winner of the children's pedestrian group with her duck. Linda Clark, Gindy Reed and Maureen Guild were also in this class.

Mayor Carl Moulton, of Hatley, favored the parade with his presence, and rode in a '54 Dodge convertible supplied by Charlie Brewer, of Beebe, and driven by his son, Arnold Brewer. Mr. Brewer had two other '54 Dodge cars entered and driven by Mrs. Gordon Pocock, of Hatley, and Mrs. Ronald McClary, also of Hatley.

Mrs. W. S. Webb Wins Supreme Grocers' Car

Mrs. W. S. Webb, of 303 Island Street in Sherbrooke, was chosen last night, at the baseball game, the winner of the grand prize of Supreme Grocers' "Thank You Contest". Mrs. Webb won a glamorous 1954 Dodge Mayfair hard-top convertible.

On June 26 Mrs. Webb won the first elimination round at Gunning's Store on Montreal Street. Last night the 38 winning entries were grouped together and Mr. Wylie, manager of the Sherbrooke Indians picked up Mrs. Webb's entry. J. A. Fortin, president of the Supreme Grocers, has presented the keys of the car to Mrs. Webb. During the period from April 8 to June 26, during which the contest lasted, more than one million entries were deposited in the Supreme Stores.

following a suggestion from Reg. Bishop.

Seated at the head table in the Mayfair room were Al. Kouri, Gordon Bean, Ron Mawhood, Bud Howard, President Jack Dunfield and Ronald Jobel.

FATHER GOT ROBBED?—One can't help but wonder if father knows about his underwear out there on display. Anyway it won second prize in the children's decorated car section at the Dominion Day parade in Lennoxville yesterday. Picture shows a few of over sixty young fry who participated in the parade. (Record photo by Gerry Lemay)

Two floats were entered, both from the town of Hatley. The first prize winner was the Hatley Boy Scouts' entry, carried on a trailer supplied by W. G. Sarasin, of Massawippi, entitled "Outdoor Scouting". The float pictured three Boy Scouts camping. They had a tent pitched with a live campfire in front of the tent, and a lifelike stuffed deer stood in the back. The boys riding in the float were Eric Delechon, of Massawippi, Lester Drew, of Hatley, and Pierce Hamel, of Ayer's Cliff.

Second prize winners in floats class was the Hatley girls' entry, entitled "The Coronation." Arranged and organized by Mrs. Theodore Dobb, the girls represented the coronation. Jackie Cutler represented Her Majesty, Queen Elizabeth II; Los McClary portrayed Prince Philip, and ladies-in-waiting were: Wanda Walker, Judy Cutler, Joan Kent and Ann Cutler. Phyllis Morse was flower girl, Barbara Moulton and Keith Morse took the parts of Ann and Prince Charles, while Thelma Gemmel very smartly portrayed Miss Canada. The tractor and trailer were supplied by Ashley Gemmel, of Hatley.

One other float was entered under the classification of horribles. It was entitled "Soiree de Vieux Bon Temps," which is "Old-time Days." Eight persons rode on this entry.

There were shouts of applause for Gerald Doherty, of Stanstead, who rode a 1912 model-T Ford. Riding with him was his wife and family.

GRIM STORIES

Arbenz' Red-backed regime. Of those picked up, the bodies of some 60 so far have been brought to the capital, torn, battered and broken.

Six of these, brought in Thursday from the little village of Villa Lobos, were typical. After several days of working over, they were machine-gunned on June 24 and left in a shallow grave.

All were men. Their bodies were purple from beating, slashed and cut by floggings. Eyes were gouged out and teeth were kicked in.

Each man's hands were tied behind him. In Guatemala City most victims of the police were opponents of Arbenz' Communist backers. Many of their bodies already have been recovered—tossed in front of their homes or left in the streets.

More are being discovered daily.

Slight Damage In East Sherbrooke Apartment Blaze

Fire broke out in an apartment block owned by Jean Paul Lamontagne at 155 Brewster street at 8:44 a.m. yesterday but due to the timely action of the Sherbrooke Fire Department the fire caused little damage.

The alarm was turned in by phone by Mr. Lamontagne after flames started in a clothes cupboard adjoining the chimney on the first floor. Flames spread through the walls and upward to the second floor causing light damage.

Firemen from No. 4 station and one apparatus from No. 1 station answered the call under the direction of Captain Henry Donahue and Lieut. Choquette of No. 4 station and Lieut. L. P. Lessard of No. 1 station.

Flames were extinguished from the wooden building with "water fog" and one and a half-inch hoses and a pumper was kept in readiness for an emergency. Firemen were complimented for a "splendid job" and were back at the station at 10:40 a.m.

The apartment block was occupied by the families of Lionel Dion, Eddie Manguau, Andre Roy and Jean Paul Lamontagne, the owner.

Jerry Bartunek Homers In 13th As Indians Edge Braves

Cop Marathon Duel 2-1 With Luthern And Espinola Going Route; Kolod Blanks Braves 1-0; Locals Take Over

Sherbrooke Indians, with Jerry Bartunek staging a one-man hitting assault, put on their own Dominion Day celebration without fireworks to move into sole possession of the first position in the Provincial League. The locals copped an 11-inning duel yesterday afternoon in the Capital City and last night clinched the day with a 2-1 13-inning decision to take over top spot.

This evening the same two teams will clash at the Park Avenue Stadium at 8:00 in the fourth game of the series. The Braves copped the Wednesday night tilt 2-1 in Quebec. It is the first time since the League commenced activities that the McQuinn squad is out of first position.

Jerry Bartunek was without a doubt the hero of yesterday's games. In the afternoon he doubled in the top half of the 11th moved to third on Brown's sacrifice and came home on Bob Pedigree's single. Last night the strong-armed left fielder clouted the ball out of the park in the 13th to give his mates a 2-1 close decision and move them into first place.

John Luthern and Jim Espinola went the distance last night and each turned in identical performances. Each was touched for ten hits and issued four walks and retired seven via the swinging method. In the afternoon it was another hurler's battle with Gary Kolod emerging the winner. He allowed five hits for the 11 innings while Matt Peoplis, the league's strikeout king, was touched for eight.

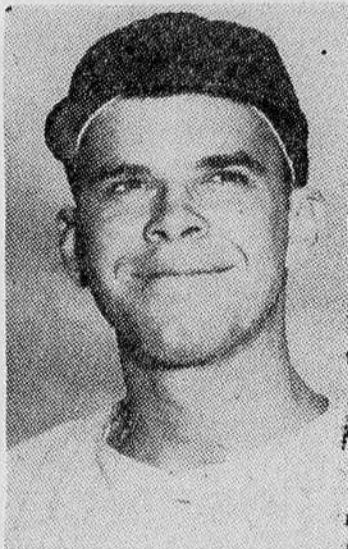

Bob Stephens, Bill Williams and Jerry Bartunek had two-baggers with the latter's round-tripper for the only extra base hits for the Indians. For the Braves Phil Williams, Claude St. Vincent and Ed Landry accounted for doubles.

The locals posted their first run in the opening inning and again Jerry Bartunek drove it in with his double. Jim Fishback walked to start things but Bob Stephens banged into a double play. Bill Williams came up with a single and raced the whole way home on Bartunek's double. It was all the scoring until the 13th.

The Braves picked up two hits in the first but failed to cross the plate. In the fifth they bunched three hits but Luthern kept them away from the platter. They were close again in the eighth, tenth and eleventh, but "Big John" Luthern came through and retired the side.

In the lower half of the tenth the Indians had a wonderful opportunity when Fishback walked and Stephens and Williams singled to load the bases without anyone away but Jim Espinola rose to the occasion. He struck out Bartunek but Williamson hit a fielder's choice and Fishback was tossed out at the plate on a close call. In the next two innings both

JERRY BARTUNEK

sides went down in order as the hurlers, Luthern and Espinola, seemed to get better as time went on, and their mates were playing outstanding ball. "Big Swede" Peterson was one of the defensive stars. He had seven putouts for his evening's work.

The first man up in the 13th for the Indians was Jerry Bartunek. Espinola tossed a ball for the first one but when he threw his second there was a crack of the ball and the ball game was over. The ball sailed out of the park over left field fence—Bartunek's favorite parking lot for baseballs. Espinola just headed for the dugout the moment he saw the ball go. The whole Indian squad welcomed their mate when he crossed the plate; in fact he had a little trouble in finding it. Umpire Larente crouched down to make sure.

Indians Lead As Tilt Halted In Babe Ruth Loop

St. Joseph Indians crept to within one point of the league-leading Iroquois, when they defeated St. Pat's Yankees 7-1 Wednesday evening at Sangster Park.

The Indians got away to a one-run lead in the top of the first inning and added another in their part of the second. The Yankees failed to get a hit off Tremblay, the Indians' hurler, until then. Indians had a big fourth inning when they got four runs to take a 6-0 lead and added one more in the top of the sixth.

In a desperate rally to get some points the Yankees clicked for four hits in their part of the sixth inning, but they were only able to get one run, and the game ended with the Indians on the long end of a 7-1 score.

The two teams played better ball than their previous game. The defensive work of each was greatly improved. Tremblay and the two Desrochers brothers starred for the Indians, while Parker Hicks and Brooks stood out for the Yankees.

Saturday afternoon the Indians and Iroquois meet at 1:30 p.m. at Sangster Park. This game will decide the league leadership.

PRIZES AT STAKE TOMORROW

Joe Colby Memorial Trophy At Stake Tomorrow At Sherbrooke Country Club; Nineteen Prizes Up For Competition

The annual Joe Colby Memorial Trophy will be at stake tomorrow at the Sherbrooke Country Club. This is a handicap event and a large field is expected on hand to fight it out for the nineteen prizes at stake.

There will be three gross and net prizes in each class with a special one for the low net of the field. Contestants can play in the morning or afternoon. The trophy is a very popular one and is an 18-hole net trophy.

The Colby Cup has been up for competition since 1935, when it was offered for annual competition by the late Joe Colby, with a view of providing a competition where the newcomer to the game could compete with a chance of winning the cup. Unfortunately, the records between 1935 and 1946 were destroyed and no data is available of who won it during those years. Competition was suspended during World War II.

Special care was taken in the various prizes so that the higher handicap players have just as good a chance of winning the better prizes as the low handicap players.

The low net of the field will be awarded a bag boy, an article that all golfers are looking for. Such prizes as golf bags, golf shoes, golf slacks, travelling bags, golf balls and golf windbreakers are all equipment that a golfer wants and needs. They are of well-known brands, such as will be given out at the Colby's this year.

Three prizes in each class, A, B and C, in both low and net, will be given to the winners. A value of approximately \$300 has been assigned by the tournament committee to cover the purchase of these prizes and nothing has been spared to have each participant enjoy his game next Saturday and have a good chance at these prizes.

The biggest crowd ever to take part in the Colby is expected this year. The Sherbrooke Country Club course is designed in such a way that a big field can be handled without any delays. Tee-off will start at 9 o'clock in the morning and entries will be accepted until 3:00 in the afternoon, in order to accommodate players that work Saturday morning.

Sherbrooke Tennis Association To Have Official Opening Sunday; Bob Bedard Returns And Will Participate

The Sherbrooke Tennis Association will hold its official opening of the season this Sunday. On this occasion they will receive the N.D.G. Tennis club and several interesting matches are on tap for the Fraser Street courts.

The N.D.G. team, which is managed by John Davies, is one of the better tennis clubs on the island of Montreal and they will send to Sherbrooke their best players as they will be trying for another conquest in their already long list.

There will be four singles and four doubles matches for the men and two singles and two doubles for the ladies. The matches will get under way at 1:30 on Sunday afternoon.

George Bedard, treasurer of the Association, revealed yesterday afternoon that his son Bob, No. 2 tennis player in Canada and the best that Sherbrooke has ever produced, will arrive in town either today or tomorrow, and will take part in the matches against the N.D.G. squad on Sunday afternoon. Bob is presently at Wimbledon in England, where he took part in one of the most important tournaments in the world to close a triumphant tour of Europe and Florida with his greatest rival Lorne Main, who is seeded No. 1 in the country.

Robert Bedard, has given the city of Sherbrooke tremendous publicity in Europe in beating such players as Sven Davidson, in door courts champion of New York, Gianni Cucelli and Marcello del Bello, respectively No. 1 and No. 2 players of Italy. Bob Falkenberg and Eduardo Argon, the best of Brazil and Uruguay and several other top notch players.

If he returns in time for Sunday's opening matches it is hoped that Sherbrooke Tennis fans will turn out in large numbers and thank him by their presence.

The local team that has been named for the event is as follows: Guy Durocher, Jean Levesque, Amedee Gaudreault, Pat Henri, Majella Charest, Ivan "Greenwood" Boivin, Jean Louis de Lesseule, Claude Baillargeon, Bill Bilodeau, Claude Metras and John Hibbard. The women's team is Pierrette Emond, Mariette Chevalier, Margot Poulin, Mrs. Bill Bilodeau, Jose Larose, Betty and Marie-Claire Gregoire.

Team-Mates Kid Willie Mays But His Presence Big Factor In Giants' Pennant Hopes; Outstanding As Minor

NEW YORK (AP)—Willie Mays, like so many important discoveries in baseball, was practically an afterthought.

New York Giants were interested in a Negro first baseman, a fellow who's name they've forgotten, not as a possibility for the Polo Grounds job but as a replacement with the Barons—Birmingham Black Barons—who's simply great. He's the greatest young ball player I've ever seen in my life. He'll be in the Polo Grounds in two years. We've got to get him at all costs.

"We found out that Mays was still in high school so, under the rules, we were forced to wait, with fingers crossed until he was graduated, hoping nobody else would spot him. On the day he was graduated, we contacted the owner of the Barons."

Willie was assigned to Trenton, in the class B interstate league. He failed to get a hit in his first 22 times at bat but from the first he proved to be the best defensive outfielder in the league.

"I know you're not hitting," Chick Genovese, his manager, said to him one day. "But I don't care if you never hit. The way you play centerfield, you can play for me every day."

Mays began hitting before long and finished the season with a .353 batting average. The next year he was promoted to Minneapolis where he captured the fans' imagination with his tremendous hitting and fielding. When the Giants called him up May 25, 1951, he was hitting .477.

The day Mays was brought up there was woe in Minneapolis. All through the American Association, owners grunted their teeth. One owner estimated the league lost 250,000 admissions when Mays left.

It got so bad the Giants had to put an advertisement in a Minneapolis newspaper explaining why they brought up Mays. The ad said something about "merit must be recognized" and the boy "should not be deprived of his opportunity" to play in the majors.

That probably was the first time a club had to apologize in print for advancing a player.

Cleveland And Chicago Clash While Yankees Take On Lower Clubs; Giants Whip Dodgers For Third Straight Time

The time has come for New York Yankees to sit back and watch Chicago and Cleveland knock each other around long enough for the Yanks to slip into the American League lead.

It may not happen that way, but there never will be a better opportunity.

Here's the situation in the league in the next 10 days.

Cleveland, now leading by three games, has to play the second-place White Sox eight times between tonight and a week from Sunday.

During the same spell the Yankees will be meeting fifth-place Washington in seven games. The Yanks should win most of those games, but there is no certainty that they will. So far, the Senators have refused to play dead for the New Yorkers. In fact, they've won five of the nine games played so far.

New York was the only one of the American League contenders that played Thursday. The Yankees jumped away to a 7-0 lead at Boston but had to struggle for an 8-7 victory. This left the Yanks 3½ games out of first place.

In the National League New York Giants swept into a four-game lead by whipping Brooklyn for the third straight day 5-2. St. Louis crushed Milwaukee 9-2 with Stan Musial and rookie Joe Cunningham hitting two home runs each. No other games were scheduled in either league.

Johnny Sain, who has allowed only eight runs in 35 2/3 innings of relief pitching, came to the Yankees' rescue in Boston and shut out the stubborn Red Sox through the final three innings. Home runs by Mickey Mantle, Hank Bauer and Andy Carey were the big blows in the Yanks' 12-hit attack.

The Giants used another of their late-inning climaxes to hogtie the Dodgers. After Brooklyn had pulled into a 2-2 deadlock in the seventh on back-to-back home runs by Roy Campanella and Carl Furillo, the Giants came back with three in the eighth. The first two of the three came as pinch hitter Dusty Rhodes duplicated his game-winning single Tuesday night with the base loaded.

Cunningham, brought up to the Cardinals Wednesday as a replacement for Tom Alston, hit one home run in his first major league game Wednesday night in Cincinnati and drove home four runs with his two blows into the right field seats at Milwaukee Thursday.

Musial's homers were his 25th and 26th of the season and came after he had gone hitless the night before.

Harvey Haddix, the league's biggest winner, was struck on the leg by a line drive off the bat of Joe Adcock in the fourth inning, but early fears of a fracture were dismissed by a hospital examination. He probably will be out 10 days.

Record Set In Pari-Mutuel Betting Wednesday Evening

Daily Double Pays \$134.10; Top Quinella Pays \$58.95; Miss B. Dickerson Pays \$19.00 For High Bet Of Card

Miss B. Dickerson and Eventide Brooke was the big paying combination, \$134.10, at the Sherbrooke Racing Club on Wednesday night. F. St. Denis drove Miss Dickerson across the wire to cause what might be called a minor upset, although the time was the slowest recorded on the program, 2:17 3/5. Pari-mutuel players collected \$19.00 for a straight \$2.00 bet, and \$6.20 on a place ticket.

Eventide Brooke won the second part of the daily double, a C pace, in 2:16 3/5. The 6 year old mare is owned by C. W. Chute, of Birchton, Que., and was driven by A. Beaudoin. R. Quessy's, Toni Bird came in second and those holding quinella tickets on these two horses received \$58.95. This horse paid \$9.30 to place, while Eventide Brooke paid \$13.80 straight and \$7.80 in second place.

All American was victorious in the third race, as expected. He paid \$7.20 straight and \$4.90 to place. Blondie the Third gave keen competition to this race and it was a neck to neck stretch to the finish line. By placing second, P. A. Cote's horse paid \$6.00. The quinella in the fourth race paid \$29.90. Peterkin Aubrey won the "B" trot in 2:16, while A. Beaudoin brought his own Jean Harvester in second position. Prices were as follows, \$12.23 on straight, \$7.30 to place, and \$4.00 to place.

As this newspaper had predicted in an advance racing story, the fifth race belonged to Allie Truax and Feed Bill. The former, driven by P. Lynaugh, tied her own record time in winning the mile "A" pace in 2:11 1/5. Because a large number had wagered on Allie Truax, prices were low. Four dollars and thirty cents was paid to those who had chosen Allie Truax to win, and \$2.80 to place. Feed Bill, driven by L. Praught, paid \$5.00. The quinella paid \$9.50.

Lennoxville Loses Two In Sherbrooke Senior Softball

Three games were played over the Dominion Day holiday in the Sherbrooke Senior Softball League, two on Wednesday and one yesterday.

In the first game Shermac moved into second place with No Claims Wednesday night when they walloped them 8-3 in a heavy hitting tilt at Dufréne Park. Ashton started on the mound for the losers but was replaced by Gagne in the fourth. Lamontagne was the winner. Rene Pepin, Shermac, and Boullenger of No Claims each hit a home run.

Lennoxville's nine run rally in the top of the fifth inning was short lived as Legion came right back and banged out seven in the bottom half of the same inning to again take the lead. Lennoxville scored three more runs in the 7th but were finally edged out by the Legionaires 13-12. Paulette hit a four bagger with one aboard in the seventh inning for Lennoxville.

The third game was played yesterday as part of the Dominion Day celebrations in Lennoxville and once again the home team was defeated, this time by No Claims, who take over sole possession of second spot in the League. No Claims obtained at least one run in every inning but the fifth, starting out with four in the first. Gagne took the win for No Claims and Macleod was the loser for Lennoxville.

Germany, Hungary Meet For Title

Bern, Switzerland. (AP) — Germany's astonishing national soccer team started its final intensive training burst today for the greatest match of German soccer history—Sunday's World Cup final against Hungary.

The diehard German team, which fought its way through to the final against all odds and all predictions, planned a full-scale turnout at Thun football stadium, near their lakeside training headquarters.

The Hungarians, standout favorites for the world title, also planned an intensive training session at their headquarters at Solothurn.

The weatherman predicted an end of the incessant rain which has interfered with World Cup games and practice during the past few days.

The two semi-final losers, Uruguay and Austria, scheduled only light workouts today, in preparation for their match to decide third and fourth place at Zurich Saturday.

Treherne wins In Winnipeg

Winnipeg. (CP) — Treherne, owned by the Whittier Park Farms, of Winnipeg and ridden by Johnny Dewhurst, Thursday captured the \$10,000 added Canadian derby for three-year-olds foaled in Canada. The race was one and one-quarter mile held at Winnipeg's polo park track.

A crowd of over 10,000 saw Treherne win by a nose over Hi Laude in a stretch drive in the fast time of 2:16 1-5 over the heavy track.

Miramichi Stake To Bobby Hunter

CHATHAM, N.B. (CP) — Bobby Hunter, owned by Wellington McNeil of Southport, P.E.I., and reined by Clark Smith won the \$1,000 Miramichi renewal stake race Thursday, feature event of a harness racing program.

The winner took two heats and the other went to Cash Hal, owned and driven by Lewis Williams of Great Village, N.S. Bobby Hunter's best time was 2:21 2/5.

Abbeband, from Gaspé, Que., was a three-heat winner, finishing first and was clocked at 2:12 2/5 in the first heat. Other winners were Hurry Up, Shediak, N.B.; Miss Ellis, Newcastle, N.B.; and Sandy Marr, also Newcastle.

Ontario Horse Wins N.Y. Pacing Derby

Westbury, N.Y. (AP) — Prince Adios, owned by Grant Hodgins of Clarendon, Ont., scampered to victory in the final stride Thursday night to score by a head over Adios Boy in a thrilling finish of the \$25,000 National Pacing Derby at Roosevelt raceway.

Philip Scott, the even money favorite and undefeated in four previous starts this year, finished third as Prince Adios slammed under the wire in 2:31 4/5, just one fifth of a second off the world record set by Good Time in the 1952 pacing derby. The winner was driven by Clint Hodgins, cousin of the owner.

MIT Moved Another Notch Closer To Thames Challenge Rowing Trophy By Defeating Reading University

Henley-on-Thames, England. (AP) — The Massachusetts Institute of Technology rowing eight moved up a length Thursday in its campaign to take one of Britain's brightest regatta trophies, the Thames challenge cup, back to the United States.

The light but sturdy MIT eight won another heat in the Thames challenge event at the Royal Henley regatta, defeating the Reading University crew of Britain.

The Massachusetts crew, only American representative left in this regatta program, finished 3 1/2 lengths in front, covering the mile and 550-yard course in seven minutes, 19 seconds.

Today MIT meets the London rowing club.

Holder of the trophy is the RAF crew, which has gone through its preliminaries with ease.

Interest now is concentrated on the performance of the Russian carsmen here.

Regatta crowds had a good look at one powerful Russian outfit, the eight of the Krylia Soviet club, which decisively won its heat in the grand challenge cup, Henley's toughest race.

The Russians finished 3 1/2 lengths ahead of the Kvik club of Copenhagen.

Zimmer Recalled By Brooklyn

NEW YORK (AP) — Brooklyn Dodgers recalled infielder Don Zimmer from their St. Paul farm club in the American Association, Thursday. He will report to the Dodgers in Philadelphia tonight.

Zimmer, batting .291 with 17 home runs, is being brought up to fill in at shortstop while Pee-wee Reese, the Dodge captain, remains on the side lines with a pulled muscle in his left thigh.

In the day of play here.

The medium-paced bowler took five Pakistan wickets for 51 as the second test match began. Appleyard had been out of first-class cricket for the last two years with a lung illness.

At the close England was 121 for two wickets, and apparently in a commanding position.

Knowlton Girl Wins Quebec Junior Title

Montreal. (CP) — Janet McWha of Knowlton, Que., placed first in the Quebec junior ladies championship Wednesday when she scored an 89 for a total of 180. Runner up in the two round tournament was Joyce Alston of Ottawa who chalked up a second round 93 for a total of 183.

Fay Kittell of Granby, Que. and Gail Rochester of Ottawa ended the tournament tied for third place. Both scored a 97 Tuesday and a 92 in the last round.

Toronto Leads In International

First-place will be at stake this week-end in the International League with the pace-setting Toronto Maple Leafs entertaining Rochester Red Wings.

Toronto, Leading the Red Wings by 2 1/2 games, were scheduled to play Rochester tonight, Saturday and a doubleheader on Sunday.

Toronto split a doubleheader with Richmond Virginians while Rochester was doing the same with the Havana Cuban Sugar Kings Thursday.

The Leafs won the first game 7-5 and lost the second 6-4. Rochester dropped the first game 7-1 but nipped the Kings 7-6 in 11 innings in the second.

First baseman Loren Babe slammed a two-run homer in the eighth inning for the Toronto victory.

Jimmy Dyck's two home runs—one a grand-slammer—provided the margin of victory for the Virginians. Catcher Marty Tabacheck also homered in the fifth for Richmond's sixth run.

Harry Bright's single in the seven-inning second game scored Chick King with the only run as Buffalo Bisons, behind the three hit pitching of Bill Froats, blanked Montreal Royals 1-0. Buffalo scored three runs in the sixth inning of the first game to nip Montreal 3-2.

Juke Spruill drove in four runs with two home runs in the first game and John MacKinson hurled a three-hitter in the second as Ottawa Athletics defeated Syracuse Chiefs 6-2 and 1-0 in a double header.

Trabert-Seixas Whip Rosewall-Hoad To Move Into Lead While Hartwig-Rose Cop Other Berth At Wimbledon

Wimbledon, England. (AP) — The erratic U.S. Davis cup doubles team of power-hitting Tony Trabert and slicing Vic Seixas had one of its good days Thursday and whipped the Australian tennis twins, Ken Rosewall and Lew Hoad in the semi-finals of the Wimbledon tennis championships.

The Americans won 6-3, 7-5, 3-6, 4-6, 8-6, in the highlight of the day's play before 15,000 tennis fans on the centre court.

In the other men's doubles semi-final, Aussies Rex Hartwig and Mervyn Rose defeated Budge Patty of Los Angeles and Gardnar Mulloy of Coral Gables, Fla., 4-6, 6-4, 6-2, 6-1. Both Americans looked tired and played as if they were saving their strength. Once in the final set, 40-year-old Mulloy, who had been mistiming his shots badly, solemnly put on a pair of spectacles.

Maureen Connolly of San Diego, Calif., easily beat Mrs. Betty Pratt of South Orange, N.J., 6-1, 6-1, in one of the women's singles semi-finals while Louise Brough of Beverly Hills, Calif., upset Doris Hart of Coral Gables, Fla., 2-6, 6-3, 6-3 in the other semi-final.

Miss Brough's victory was something of a surprise because Miss Hart was runner-up last year and had won in 1950. The women's final will be held Saturday.

Although Hoad and Rosewall were defending doubles champions, they were seeded third, a notch below Seixas and Trabert. So Thursday's victory for the Americans followed form. But they didn't get it without a battle.

In the ninth game of the fifth set, with Hoad serving, the Ameri-

Cookshire United Congregation Bids Farewell To Rev. And Mrs. P. W. Jones

Cookshire, July 2 — On Sunday evening, June 27, following the evening service of Trinity United Church, about one hundred people gathered in the Church Hall to bid farewell to the Rev. P. W. Jones and Mrs. Jones, who are leaving Cookshire to make their home in Dorval. Mr. Jones will take up his new pastorate there.

In a few well chosen words, Mr. D. J. Macmillan presented Rev. and Mrs. Jones with gifts from the Senior Women's Association, the Women's Association, the Farm Forum and the Art Class.

Following this presentation, Mr. C. M. MacRae presented Mr. Jones with a purse of money from the men of the church, and spoke very feelingly of the high esteem in which he was held by all societies in the town.

Both Mr. and Mrs. Jones thanked the donors for their gifts and the kindness which prompted the giving.

Canon Dunn spoke a few words dealing with the co-operation between the members of the two Protestant churches and the excellent fraternization of friends in the town.

The ladies of the Women's Association and their husbands served refreshments to friends who had come from Bury, Flanders, Island Brook, Sawyerville and East Angus, to share in the farewell presentations.

DANCE FOR STUDENTS
The Students' Council of Cookshire High School sponsored a dance for Grade XI, which was held in Victoria Hall on Friday evening June 25.

The hall was decorated with blue and white streamers and the school crests. Balloons were suspended from the ceiling, which were released during the evening to the delight of the young people.

Jerry Hazeltine's orchestra provided music for the evening and both modern and square dances were featured, Arthur Bennett doing the calling for the square dances.

Mr. and Mrs. L. J. Lane were in the receiving line.

The girls of Grades VIII and IX presided over the refreshment counter, the proceeds for the evening being very gratifying.

The Students' Council is very grateful to all who helped in any way to make this event a success.
