ADMISSION DES DEUX SEXES AUX MÊMES CONDITIONS

Grâce à son administration sage et prudente et à sa situation financière exceptionnelle, l'Alliance Nationale a passé la guerre et l'épidémie sans faire d'appel spécial pour rencontrer ses obligations. Peu d'institutions du genre peuvent se payer ce compliment.

Ayez un ardent amour pour nos véritables intérêts nationaux.
Notre devoir est d'entourer nos institutions de tout ce qui peut contribuer à leur stabilité.

Les Canadiens-français ne conserveront leur influence nationale qu'en imitant l'esprit pratique des nationalités au milieu desquelles ils vivent.

MOTOR TRUCKS & BUSESSES

1197-1203 University Street MONTREAL, QUE.

ADVENT OF THE CLYDESDALE MOTOR TRUCKS & BUSESSES IN THE DOMINION OF CANADA

By MAJOR EMIL L. LEINDORF

Present day problems of production and distribution depend to a greater degree than ever before, on adequate transportation. This applies to all classes or business endeavour, from the source of things at farm or mine, to delivery to the ultimate consumer.

Raw materials, whether food stuffs or minerals, manufactured parts or the finished products—all must be carried from here to there.

For various reasons, the railroads have not been equal to the task, and, after more than a quarter of a century, the motor truck and bus has come into its own.

It has been the good fortune of the Clydesdale Company to enter into the transportation of everything from earth to individuals, and in this, it is constantly playing a more important and prominent role.

This is due, in a large measure, to the marvelous performance of the trucks themselves, and to the word of mouth advertising of our owners. But in all fairness to these boosters, a large share of the success is due to the tremendous influence of Clydesdale long life plus low cost of maintenance and upkeep.

For more than sixteen years, Clydesdale motor trucks and busses have been successfully manufactured in the present

plant, at Clyde, Ohio, U.S.A. During this time, thousands upon thousands have been placed in highly satisfactory operation by enthusiastic owners. These sturdy "BURDEN BEARERS" of business have gone into "ACTIVE SERVICE" and are in daily use in every state in the union, and in more than thirty-five other countries, the world over.

In New York and New Zealand, in Chicago and Constantinople, in San Francisco, in Sweden and Singapore, Clydesdale motor trucks and busses have proven their enduring qualities. They have proven themselves far above the average in quantity and quality of service rendered in Boston, Bombay and Buenos Ayres; in Argentina, Australia and Antwerp, in Mexico, Montevideo and far-off Tokio. Truly, they are justly called "WORLD-PROVEN" for their performance is always dependable, wherever they are used. "STRENGTH" with plenty of margin for the emergency, "DEPENDABILITY" one truck on the road is worth a dozen in the shop, "PERFORMANCE" all drivers swear by this truck, not at it.

In use, we point with pride to farmers, coal companies, contractors, lumber companies, storage and moving companies, machinery manufacturers, cotton converters, pipe manufacturers, gasoline companies, telephonic companies, department stores, fire, police and other municipal departments of many of the larger cities of the world.
