STATED COMPTON ELECTION TO BE CONTESTED Market Leaders Pressed Definitely Downward This Week

Another Move To Upset Election In Compton County

According to Reports Received by Mayor Camillien Houde from Leading Conservatives of Compton County, Contestation Proceedings Will Be Filed Before Superior Court Here—It Is Claimed that Women Voted in Some Districts.

MONTREAL, Que., Oct. 19.—Contestation proceedings will be filed before the Superior Court at Sherbrooke in an endeavor to upset the by-election result in Compton County, according to news received yesterday from leading Conservatives of the county by Mayor Camillien Houde, leader of the Provincial Conservative party. While all the details on which the proceedings will be entered are not known here, it was stated to Mr. Houde in the information he received yesterday that the grounds are various, and include the charge that in some places women voted, whereas in provincial elections they are not eligible, and in other cases names were added to the voters' lists of persons who were not eligible to vote.

The by-election in Compton took place September 30, and resulted in the return of Hon. A. R. McMaster, Provincial Treasurer, over Major A. L. Pomeroy, Conservative candidate.

Preparing For Fight In Richelieu County.

Pending the hearing of the legal proceedings of the Compton election, the Conservatives are preparing for the fight in Richelieu County. The Conservative convention will be held at St. Victoire tomorrow. At this convention there will be ten delegates from Soré and five from each parish, town or incorporated village. Following the convention at which the speakers will be Alderice Blain, M.L.A., for Dorion, Montreal; William Tremblay, M. L. A., for Maisonneuve; Laurent Barre, M. L. A., for St. Victoire; and others, Monday will be nomination day, also at St. Victoire, when Mr. Houde will be the chief speaker for the Conservative cause, and Hon. P. J. A. Cardin, Minister of Marine and Fisheries, will lead for the Liberals. Quite possibly there will be one or more of the provincial ministers at the nomination meeting, which will officially open the fight in the county.

Has Long Liberal History. Richelieu County has a long Liberal history, though at Confederation it was Conservative. Joseph Boudreau was member from 1867 to 1893, his majority being 290. In 1893, Pierre Gellinas, another Conservative, carried the seat with a majority of 12. Joseph Adolphe Dorion, Conservative, won the seat in 1897 with a majority of 306. Michel Mathieu, Conservative, was elected by acclamation in 1875, and by a majority of 188 in 1878, and Leon Leduc, also Conservative, carried the county in 1880 and represented it at Quebec until 1885, by a majority of 281. In 1886, however, the county turned Liberal, L. P. P. Cardin carrying it by a majority of 33 and he was successful again in 1890, winning by 57 votes. Louis Leduc redeemed the county for the Conservative party in 1892 with a majority of 273, but Mr. Cardin repeated his success in 1897, when the Liberal party came to power at Quebec, and since that time the majorities for Liberal candidates have been fairly substantial.

RUMORED THAT R-101 MAY MAKE A TRIP TO GERMANY

If Tentative Suggestions Mature, Airship Will Visit Germany and Exchange of Visits Between R-101 and Graf Zeppelin Can Be Arranged.

LONDON, Oct. 19.—The Daily Sketch today reports that the new British dirigible R-101 may visit Germany in the near future. Without indicating the source of its information the newspaper says: "If tentative suggestions mature the airship will visit Germany, shortly and an exchange of visits between the R-101 and the Graf Zeppelin will probably be arranged."

DECISION OF PRIVY COUNCIL WAS APPROVED

Women's Right to Senate as Provided for in Ruling of Privy Council in London Was Main Topic of Discussion Amongst Members of Both Houses of Parliament and Members of Legal Profession at Ottawa Yesterday.

OTTAWA, Ont., Oct. 19.—The decision of the Privy Council in London that women are eligible for appointment to the Senate was the chief topic of discussion yesterday amongst members of both Houses of Parliament and members of the legal profession gathered here for the reception to Premier Ramsay MacDonald. The comment on the whole is favorable and general satisfaction is expressed by members of the Government that the question has been settled.

Neither Senator Dandurand, Government Leader in the Senate, nor Senator Bostock, Speaker of the Upper House, are in the city. Other senators are reluctant to make any public statement on the decision.

The decision will be of great value in guiding the courts in cases involving the status of women in other branches of public life. For instance, some jurists were inclined to the opinion that if the decision of the Supreme Court of Canada had held that women were not "persons" in the meaning of the British North America Act, they were not eligible for election to the provincial legislatures or the Dominion House of Commons. Their status is now clearly defined.

Beatty Paints Glowing Picture Of Future Of Canada At Annual Gathering Of American Bankers

C. P. R. President Sees Canada as Keystone of Imperial Arch—American Capital Welcome in Canadian Development—Understanding Between Empire and United States as Guarantee of World Peace.

(Special to the Record)
QUEBEC, Oct. 19.—"Canada does now welcome and always will welcome capital from outside to help in her development," E. W. Beatty, chairman and president of the Canadian Pacific Railway, told the Investment Bankers' Association of America in convention here at the Chateau Frontenac, in an address yesterday morning.

Beatty, upon the relationship between Canada and the United States he said: "I cannot understand how two free and independent nations could live in such complete harmony if there were not the greatest recognition of the rights of each by the other in relation to the domestic policies conceived and adopted for the well being of the people of their respective countries."

Construction of C.P.R. Greatest Achievement
"The construction of this railway and its successful operation afterwards will always be the most notable achievement, not only in Canada, but in North America," said Mr. Beatty in speaking of the part taken by the Canadian Pacific in the progress and development of Canada.

"The projects which followed in this Dominion, ambitious and important though they were, must fall into relative insignificance when compared to the magnitude of the undertaking to construct the pioneer transcontinental railway, because by reason of its construction all other similar undertakings were made comparatively easy."

"It is a great satisfaction for any Canadian to be able to record before you, gentlemen, with your wealth of experience in finance and in industrial development, that Canada, after ten years of peace, has assumed a new and greatly strengthened position in the world of finance. This is in a large measure due to the great natural wealth of the country, and from it the country has enjoyed a market growth and development of physical assets

MONUMENT HAS BEEN ERECTED TO MONTGOMERY

Ceremony Is Taking Place at St. Johns Today Commemorating Encounter Between Montgomery and Mohawk Indians in 1775.

ST. JOHNS, Que., Oct. 19.—In order to commemorate the battle of September 6th, 1775, between Montgomery and a group of Mohawk Indians, headed by Captain Gilbert Tice and another group of natives under the command of Captain DeLorimier, a great grandfather of Mr. Justice deLorimier, a monument has been erected on the golf course of the St. Johns Golf Club and a celebration is being held today.

The battle was fought on the banks of the little River Montgomery which is well-known to the visitors and members of the local golf club. The river meanders through the golf course and eight bridges have been built across it.

The monument has been erected under the authority of the Historic Sites and Monuments Commission of Canada and on the plaque attached to it is the following inscription: "Battle of September 6th, 1775. Montgomery's invading Army, surprised on the South side of the Stream by a force composed of Mohawk Indians, Captain Gilbert Tice, and Indians from Canada, Captain DeLorimier, was compelled to re-embark and so retire to Isle des Noix. This exploit created great enthusiasm in the country. Erected, 1929."

At the ceremony today Mr. Justice Philippe Demers and Mr. Justice deLorimier will be present. Men of the Royal Canadian Dragoons and Royal Canadian Infantry Regiments quartered in St. Johns will attend, along with Boy Scouts. The local band under the direction of J. G. Marlin will supply the musical programme.

READY TO RESUME FLIGHT
VANCOUVER, Oct. 19.—Repairs having been made to the radiator of a motor of their plane, "Land of the Soviets," the four Russian Moscow-New York aviators were prepared to resume their flight to Oakland, Cal., today. The fliers landed here yesterday when mechanical trouble and stormy weather overtook them.

LATEST MUTINY IN CHINA TOOK LIVES OF MANY

Estimated that About Two Hundred Chinese Were Killed Before Royal Nationalist Troops Terminated Incident.

(Associated Press Despatch)
SHANGHAI, Oct. 19.—Wireless messages from foreign warships at Wuhu said today the trouble which broke yesterday with mutiny of five hundred Chinese soldiers had passed and Nationalist soldiers were engaged in rounding up and disarming the mutineers.

An estimated two hundred Chinese were killed in the fighting which lasted most of yesterday. The Wuhu Chamber of Commerce was understood to have paid the mutineers \$40,000 to leave the city.

This, coupled with the pressure of attacking Nationalist soldiers, was considered to have terminated the incident.

MUTINY QUELLED BY NATIONALIST TROOPS
(Associated Press Despatch)
SHANGHAI, Oct. 19.—The United States gunboat Panay was ordered to Wuhu today from Hankow in view of the emergency created with mutiny of Chinese soldiers there. It was expected to arrive in mid-afternoon.

Standard Oil Company officials sent a wireless message to their headquarters here that they abandoned the town. The Japanese are reported to have sent a ship to Wuhu to bring away the entire Japanese colony.

Earlier Reuters despatches from Hankow said loyal Nationalist troops rushed to Wuhu and quelled the mutiny which was confined to five hundred dissatisfied soldiers. British women and children were said to have returned to their homes.

Premier Has Occasion To See Capital

From Now Until British Premier Entrain Tomorrow Evening for Montreal He Will Be Free from Public Engagements—Weather Is Ideal and Will Provide Opportunity to Visit Capital and Surrounding Districts—Last Night Brilliant State Dinner Was Given by Their Excellencies.

(By Ray Brown, Canadian Press Staff Correspondent)

OTTAWA, Ont., Oct. 19.—A light programme and glorious October weather combined to furnish Premier Ramsay MacDonald and his daughter with an opportunity to see Ottawa and the surrounding district at its best. From now on until he entrains tomorrow evening for Montreal, the British Labor Prime Minister will be free from official engagements.

Lunch with the British High Commissioner, Sir William Clark, and a private dinner with Premier MacKenzie King constitute the only engagements of Mr. MacDonald for today. Neither of these functions are public in their nature. In addition to being present with her father at the two functions mentioned, Miss Isabel MacDonald will take tea with the Women's Canadian Club at the Chateau Laurier.

Canadian weather has done all it could to assist the British Labor Premier to regain the strength which he had dissipated in the numerous speaking engagements which he has filled. Today Mr. MacDonald awakened to a glorious day of brilliant sunshine. Last night he and his daughter were guests of honor at a brilliant state dinner given by Their Excellencies. Once again the Premier will have the opportunity to meet many of those prominent in the public life of Canada, within the historic walls of the building which has sheltered so many of Canada's governors-general.

Tomorrow Mr. MacDonald and his daughter are entirely free of engagements. The day will, it is understood, be spent quietly. Probably points of beauty and interest around the district will be visited by motor-car. In the evening the party once more boards the Canadian National train for the journey to Montreal, where Mr. MacDonald will address the Canadian Club on Monday at luncheon.

WELL KNOWN MEN OF THE EASTERN TOWNSHIPS

(By W. C. Skinner)

Charles Omer Saint-Jean, one of Sherbrooke's most progressive merchants and head of the well-known dry goods firm which bears his name, was born in Wotton, Quebec, and came to Sherbrooke twenty-nine years ago, when he entered the store of L. A. Bayley as clerk.

After attending the public school Mr. Saint-Jean took a course at the Sacred Heart College at Soré, graduating at the age of eighteen. He then began his business career, starting as clerk in a general store in the country in St. Dominique, Quebec, at a salary of twenty dollars a month.

In 1885 he moved to Richmond, Quebec, in order that he might become familiar with the English language. Mr. Saint-Jean remained in Richmond until 1900, when he came to Sherbrooke to work for the late L. A. Bayley, in whose employ he remained until 1912, when he started the present Saint-Jean store.

Mr. Saint-Jean's store, which is situated on Wellington Street north, is one of the leading stores of its kind in Sherbrooke, and covers a floor space of 12,000 feet. A large and well-balanced stock is carried, consisting of "ready-to-wear" apparel of every description for ladies, misses and children, also household linen, blankets, draperies and curtains. The basement is devoted to remnants and under priced merchandise, together with cushion forms, and on the street floor, curtains, silks, velvets, and woolsens, domestics, umbrellas, gloves and hosiery. In the mezzanine floor is kept table linen, blankets, draperies and curtains. The third floor is exclusively ladies' ready-to-wear lingerie, dresses and coats and a tea room together with a rest room.

A unique feature of the Saint-Jean Store is the "afternoon tea" served each afternoon in the ladies' shop, and very popular with local and out-of-town shoppers. This is the only store in the city having this novel feature.

Mr. Saint-Jean, who is a bachelor, is a member of the Saint-Jean-Baptiste Society, the Sherbrooke Rotary Club, Sherbrooke Board of Trade and Sherbrooke Country Club. He resides at 6 Park Avenue, East Sherbrooke, and his business address is 21 Wellington Street north.

Candidates In Ontario Elections Being Officially Endorsed Today

Elections Will Take Place on October 30—After a Month of Campaigning Two Hundred and Thirty-Three Candidates Have Received Endorsement of Constituency Organizations or Announced Their Intention to Stand.

(Canadian Press Despatch)
TORONTO, Ont., Oct. 19.—Candidates will officially line up today for the Ontario Provincial Election to be held on October 30th.

The campaign has been in progress for a month, party organizations and in some cases independent groups have endorsed candidates in the 112 constituencies. Today, between the hours of one and two o'clock, returning officers will receive the official nomination papers. Indications are that acclamations will be confined to less than ten constituencies and that in a considerable number of others there will be three-cornered contests.

In Ontario no deposit is required from candidates, who are therefore free to drop out of the campaign even after having been officially placed in nomination, so the lineup as completed today may not necessarily hold until election day.

Two hundred and thirty-three candidates have received endorsement of constituency organizations or announced their intention to stand early today. Conservatives have candidates in the field in every constituency, with Liberals in 87, Progressives in 10 and Lab-

or, prohibition, Independent-Conservative, U.F.O., and others. Independent accounting for the remainder.

THE WEATHER

MOSTLY FAIR, A FEW SHOWERS

Pressure is high over the Atlantic and Pacific States, while a shallow trough of low pressure extends from Hudson Bay southward across Lake Superior to the Southwest States and a shallow low area covers the Gulf of St. Lawrence. The weather has been unsettled with showers in the Maritime Provinces and fair in other parts of the Dominion.

Forecast: Moderate south-west winds, fair and becoming somewhat warmer, Sunday; Moderate south-west winds, mostly fair, with a few scattered showers.

Northern New England: Fair and cold tonight, Sunday; Increasing cloudiness and warmer, followed by showers in interior; moderate west shifting to southwest winds.

Main Declines During Week Recorded By Inter-Listed Stocks

Prices of Active Market Leaders Were Pressed Definitely Downward on Canadian Exchanges—Ford of Canada "A" Was Outstanding Exception to General Trend.

(Canadian Press Despatch)
TORONTO, Ont., Oct. 19.—Interrupted by short-lived recoveries, which were wiped out almost as quickly as they occurred, prices of the active market leaders were pressed definitely downward on Canadian stock exchanges during the week.

The chief declines were recorded by inter-listed stocks which bore the brunt of liquidation in both the New York and Canadian stock markets, and the depressing effect of professional bear efforts in the larger centre was particularly evident in selling of Brazilian Traction, International Nickel and other inter-listed favorites at Toronto and Montreal. Ford of Canada "A" was an outstanding exception, however, and while its net gain for the entire week is only a point, its demonstration of firmness is in sharp contrast to movements elsewhere. Reports of earnings around \$4 a share this year, coupled with renewed buying when the stock was pressed to lower levels a week ago, resulted in a series of small advances which left the stock at thirty-nine yesterday, compared with thirty-eight a week ago.

The advance was interrupted, however, by declines which failed to exert more than a temporary influence.

Oil Shares Displayed Marked Resistance.

The higher priced oil shares also displayed marked resistance to the general downward tendency, largely as a result of news which indicated that earnings of the leading oil companies will record substantial improvement this year over the figures for 1928. In addition, efforts at a closer balance between production and consumption of petroleum are expected to have a beneficial effect which will not be apparent until January, and comment leaned toward the view that 1930 would be an even better year than 1928.

Nevertheless the oils were not entirely immune from the depression of the main list, and selling appeared to be the dominant influence in the oil group during the last two days.

In spite of the less pronounced enthusiasm for oils during the latter half of the week, International Petroleum at 28 yesterday was only 7.8 below its corresponding price a week ago, and Imperial Oil at 36½ had lost only half a point during the week. British American Oil at 60½ suffered the greatest loss in the group, losing 3½ points from its level of last week. McColl Frontenac at 33½ was 2½ points lower.

Increase in Brokers' Loans.

It was significant that oil stocks at New York also demonstrated independent firmness during some of the more pronounced recessions in the larger market during the week, but the main body of Canadian stocks reflected the uncertainty of the public generally. Professional efforts for the decline at New York were successful on Friday, and the result was a further downturn at Toronto and Montreal. Canadian traders were also uncertain as to the effect of the credit situation on current stock prices, and the unexpected increase of \$88,000,000 in brokers' loans at New York was a further dampening influence.

Brazilian Traction's Decline.
Brazilian Traction's decline during the week, followed a period of comparative strength, and the decline was accompanied by rumors to the effect that the Brazilian coffee situation was less favorable than was generally believed. Reassuring comment from Canadian officials of Brazilian was not followed by an appreciable recovery in the shares, which at their closing price of 68½ compared with 73 a week ago.

Brazilian shared the market leadership with International Nickel in point of trading at Toronto and Montreal, but the Nickel issue was also active on the selling side and dropped from 55 to 51 in five days of trading. News concerning International Nickel was entirely of a constructive character. It could not

PRIVY COUNCIL RULING PLEASES PREMIER KING

Premier Said He Was Very Pleased to Learn that Privy Council Had Decided that Women Are Eligible to Become Members of Senate—Similar Views Expressed by Several Prominent Women Leaders.

(Canadian Press Despatch)
OTTAWA, Ont., Oct. 19.—On learning of the decision of the Judicial Committee of the Privy Council that women were eligible to become members of the Senate of Canada, Prime Minister Mackenzie King said that he was very pleased. He added that it had been the intention of the Government, had the decision been against the admission of women as members of the Upper Chamber, to introduce an amendment to the British North America Act. The decision of the Judicial Committee, however, makes this unnecessary.

Although Mr. King did not comment further, it is assumed here that since the Government was prepared to go to the extent of amending the British North America Act, it will doubtless in the very near future appoint one or more women to the Senate. There are five vacancies in the Senate, two for Ontario, one from Manitoba and two from Quebec.

ARE PLEASED WITH DECISION

HALIFAX, N.S., Oct. 19.—"I am pleased, and also somewhat surprised," was the comment offered by Mrs. Carmichael, the Upper Canadian, former president of the Canadian National Council of Women, when informed of the Privy Council's decision that women are eligible to be summoned and become members of the Canadian Senate. "I have never agreed," she said, "that women are not entitled to be known as 'persons', and it is very gratifying indeed to have our status as such finally established."

Mrs. H. B. Kent Truro, president of the Provincial Council of Women, and a member of the national executive, expressed her delight at the Privy Council's decision. She was sure every woman who took an interest in public affairs would be gratified. Mrs. Samuel Stead, corresponding secretary of the local council, and Mrs. George S. Campbell, president, declared the decision opened many interesting avenues for the future, for women.

SOUND DECISION ARRIVED

(Canadian Press Despatch)
OTTAWA, Ont., Oct. 19.—"That is very satisfactory," was the comment of Mrs. J. A. Wilson, of Ottawa, president of the National Council of Women, commenting on today's Privy Council judgment which upheld the view that women were "persons" within the meaning of the British North America Act. "It is satisfactory," she said, "because it has really been an anachronism that they are not allowed to take their position in the Senate, and it was also painful to women to feel that they were not even 'persons'. We are all very glad that a sound decision has been arrived at."

PRAIRIE FIRE IS BROUGHT UNDER CONTROL AT KISBEY

KISBEY, Sask., Oct. 19.—After a fight lasting nearly thirty hours, a big prairie fire in the Kisbey district was under control and practically extinguished last night. Hundreds of men from farm lands and the town of Kisbey were called out to fight the fire which spread over eight or nine farms and at one time seriously endangered the Moose Mountain Fur Ranch, one of the biggest fur farms on the prairies.

CLAIMS DAMAGES FOR CANCELLATION OF PASSAGE ON ZEPPELIN

TRENTON, N.J., Oct. 19.—Otto Hillig, Liberty, N.Y., has filed suit in the United States district court to recover \$100,000 damages for "humiliation, embarrassment and ridicule" suffered when his passage for the world tour of the Graf Zeppelin was cancelled. He also sought recovery of \$9,000 alleged passage fare which had not been returned.

NO MEDICINE LIKE BABY'S OWN TABLETS

Once a Mother Has Used Them She Will Use Nothing Else.

To use Baby's Own Tablets is to use them continually—that is as long as there are young children in the home. That is the testimony of mothers from all parts of Canada. They all say that they know of nothing to equal the Tablets, that they find them safe and efficient and at the same time pleasant to take.

Mrs. John Hollinworth, Maldstone, Ont., writes: "I have three children, the eldest fourteen and the youngest nine months old. I have always used Baby's Own Tablets for them and have found no other medicine to equal the Tablets as a relief for the many ailments of childhood."

Baby's Own Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach. They drive out constipation and indigestion, break up colds and simple fevers and make the cutting of teeth easy. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Those terribly mean corns between the toes that seem to defy all treatment—they're as easily removable as any other with Freezone! A few drops of Freezone instantly put the corn to sleep. Pain is deadened at once, and soon the corn becomes so loose that you can actually lift it right out with your fingers. Hard corns or soft corns—all yield to Freezone. Why suffer when your druggist sells Freezone?

Apply Minard's every day and rub it in with the finger tips. It penetrates and heals. Removes inflammation.

A remedy for every pain.

WINDSOR MILLS

Mr. Donald Ross has gone to Quebec, where he has accepted a position with the Shawinigan Light, Heat and Power Co.

Miss Vivian Pys, of Montreal, was visiting her parents, Mr. and Mrs. Pys, here, on Sunday last.

Mr. Gordon Pender, of Montreal, was the guest of his parents, Mr. and Mrs. L. Pender, on Sunday last.

Mr. and Mrs. James Stuart, of Greenley, were in Sherbrooke, on Monday last.

The many friends of Mr. A. McCallum will be pleased to hear that he is able to be around again, after being confined to the house, last week.

Mrs. A. McCallum was in Sherbrooke, on Wednesday last.

The many friends of Mrs. Edle-son will be sorry to learn that she passed away, on Wednesday, after a very long illness.

MAGOG

Mr. F. W. S. Walden, who is the acting pastor of the Adventist congregation, is in Ontario, for three weeks, on business. During his absence the services at the church will be taken by Rev. G. Shattuck, of Worcester, Mass.

On Sunday, Messrs. Martel, Chamberland, Dr. Dionne and E. Hebert, of this town, were riding to Granby, when they met with a bad smash, through two cars that got mixed in passing. The car of the above was ditched and the occupants were given a bad shaking up. Mr. Chamberland suffered a severe blow and had to be taken to the hospital in Granby, where sixteen stitches were taken in a wound he had received in the wreck.

Mr. A. Poirier, of Worcester, Mass., is in town on a visit to his father, Mr. E. E. Poirier.

The Thanksgiving services of St. Paul's United Church were held on Sunday last and were marked by large congregations at both services. The special preacher was the Rev. T. B. Moody, M.A., S.T.D., principal of Stanstead College, and he preached two very powerful sermons that were much enjoyed by the congregation. The choir, under the leadership of Mr. H. D. Roberts, rendered some very appropriate music. The pastor, Rev. Chas. B. McLaughlin, B.D., had charge of the services, both morning and evening.

Mrs. W. Chevalier, local manager of the Bell Telephone Company, is away on her holidays. She accompanied a party of telephonists, who left for Minneapolis, Minn., to attend the Convention of Pioneer employees of the Bell Telephone Company, who meet from time to time.

Mr. Jas. Nevin, of Worcester, Mass., was in town, for a few days, on business.

The Dominion Textile Co., Ltd., Cotton Mills Branch, now runs very busily, two full shifts being employed.

Mr. Geo. Trudeau, of Waterloo, is in town, for a few days.

Several cases of scarlet fever prevail in town.

Mr. N. C. Gendron was in Montreal, on business, last week. He has been erected at the Pine Hill Cemetery, as a memorial to the late H. E. Wallace, who in his lifetime was an active and earnest officer of the Association. He had left a Legacy to the Pine Hill Cemetery and the proceeds were expended in erecting this memorial. The structure consists of strongly built pavilion, containing seats where tired ones and others may sit and contemplate on the scenery which is superb.

electrical treatment whichever the doctor may use.

Breese
Question—J. J. M. writes: "I am very fond of a dish called 'brose' which is prepared by pouring boiling milk or broth over oatmeal or other meal and stirring until it resembles a sort of pudding. It seems to agree with me, but I would like to ask if you would recommend this way of using these cereals?"

Answer—I would not recommend this dish for children or old people, or those whose digestion is not strong, for these cereals or meals require much longer cooking to be

readily digestible.

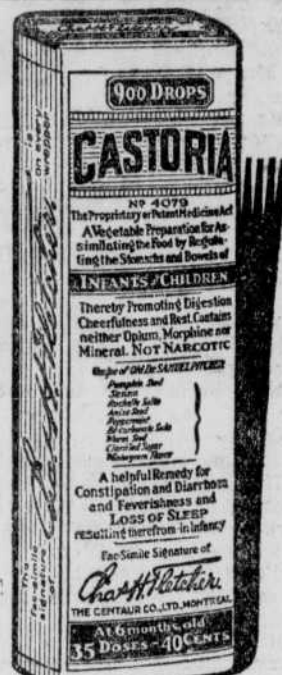

Left Arm Aches
Question—H. C. H. writes: "During the night I am awakened by my left arm aching dreadfully, and this ache remains until morning. Could it be caused from poor circulation or lack of exercise, or is it all in our eating?"

Answer—Yes, the aching in your left arm may come from poor circulation, lack of exercise or from over-eating. When such aches come only in the left arm, one must be suspicious of angina pectoris which is a serious functional disorder affecting the heart and its arteries.

When BABIES are upset

Baby ills and ailments seem twice as serious at night. A sudden cry may mean colic. Or a sudden attack of diarrhoea—a condition it is always important to check quickly. How would you meet this emergency—tonight? Have you a bottle of Castoria ready? There is nothing that can take the place of this harmless but effective remedy for children; nothing that acts quite the same, or has quite the same comforting effect on them.

For the protection of your wee one—for your own peace of mind—keep this old, reliable preparation always on hand. But don't keep it just for emergencies; let it be an everyday aid. Its gentle influence will ease and soothe the infant who cannot sleep. Its mild regulation will help an older child whose tongue is coated because of sluggish bowels. All druggists have Castoria; the genuine bears Chas. H. Fletcher's signature on the wrapper.

When Food Sours

Sweeten the stomach—instantly

About two hours after eating many people suffer from sour stomachs. They call it indigestion. It means that the stomach nerves have been over-stimulated. There is excess acid. The way to correct it is with an alkali, which neutralizes many times its volume in acid.

The right way is Phillips' Milk of Magnesia—just tasteless, dose of water. It is pleasant, efficient and harmless. It has remained the standard for over 50 years.

and with physicians in the 50 years since its invention.

It is the quick method. Results come almost instantly. It is the approved method. You will never use another when you know.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. Each bottle contains full directions—any drug store.

THE REIGNING RAINY DAY FASHION

That "dressmaker touch" that all smart costumes crave now has reached coats that are worn when the skies are dark.

Jenny, with that infallible touch of youth she transmits to all her things, has fashioned the raincoat pictured above that uses all the leaves' coloring in its plaid. It is crepe de chine, in beige, with red, brown, green and gold stripes.

It is cut with raglan sleeves that shape into a slender wrist-line with a panel of box pleats down the front that flare from the hipline to give the coat width at the lower edge. The collar is like a man's shirt collar and can be worn with the points standing up or turned down.

Friends Will Say You Are a GIFTED WOMAN

Because You Earn Money In Your Spare Time

READ THIS LETTER

"I have had my Auto Knitter over four years and I would not be without it for anything. Since taking up the work I have never been without money. As we live three miles from town I have always wanted a car, and now we have one which my machine is paying for. Last winter I cleared \$525.00 in my spare time.

Mrs. Geo. Poole, Ontario.

Here Is The Simple Plan

We employ men and women all over the Dominion who knit socks for us with the Auto Knitter—a hand operated knitting machine that knits socks from top to toe. We pay a guaranteed wage for the knitting of all our standard socks and, in addition replace all the yarn that is used. A set of simple instructions teaches the work. Young people, old folks, even children all work for us.

The splendid thing about Auto Knitting is that you need not neglect your regular occupation or house work. It is truly a spare-time occupation. You may work as much or as little as you like, filling in the hours that best suit your convenience. Every member of the family can learn the work—and in any home where extra money is wanted the Auto Knitter need never be idle.

Others Do It, So Can You

As everything is done by mail it does not matter where you live. Out in British Columbia, Mrs. A. Colmer writes: "I can truthfully say that I have made at least \$1,500.00 with my machine."

And from Alberta, Miss C. McPhillamey says: "Being the eldest of the family I thought I would like to earn money; with my Auto Knitter I have made over \$1,000.00."

Down in Nova Scotia, Mrs. E. Shaw writes: "We were like a good many others who did not know how we were going to tide over the winter, but with the Auto Knitter we earned \$567.00."

We have hundreds of such letters from men and women who have shared the benefits of our Home Earning plan.

Write Today For Particulars

Doesn't it sound like something you would like to do? Then let us send you without the slightest obligation on your part a copy of "Make Money at Home—The Story of the Auto Knitter." It shows you exactly how much money can be earned, even if only working one hour a day.

Eighty-third anniversary services. Special preacher, Rev. W. T. G. Brown, B.A., D.D., of Sydenham St. United Church, Kingston, Ontario, a former pastor of Trinity Church.

11 a.m.: Sermon subject, "The Church and Worship." Music: Anthem by the choir, "Hark, Hark, My Soul" (Shelley); solo, by Mrs. F. H. Bradley, "Lead, Kindly Light" (Puebe-Evans).

2:30 p.m.: Sunday School session and Brotherhood meeting in Wesley Hall.

7 p.m.: Sermon subject, "Overcoming Evil With Good." Special music: anthem, "Forward Be Our Watchword" (W. L. Frost); solo by Mrs. F. H. Bradley, "The Holy Temple" (Gounod); anthem, "Still, Still With Thee" (Ellingford).

The Junior Choir will assist in this service. A cordial invitation is given to you to participate in these anniversary services. St. Andrew's Presbyterian and Plymouth United Church congregations are specially invited to the evening service.

FIRST CHURCH OF CHRIST SCIENTIST 91 A Frontenac Street. Sunday service, 11 a.m. Sunday School, 10 a.m. Testimonial meeting, Wednesday at 8 p.m.

Tickets for the Midnight Mystery Revue have been issued, and may be had from any member of the Curling Club; also at the following stores: A. C. Skinner, Limited, H. C. Wilson & Sons, Limited, McKee Sales & Service Co., and at the Box office, Granada Theatre.

REV. LANCASTER TO TAKE MORNING SERVICE AT PLYMOUTH CHURCH. The morning service at Plymouth United Church on Sunday will be in charge of the Rev. D. T. Lancaster, in the absence of the minister. The choir will sing the anthem, "Behold, God is My Salvation" (Sprague). The evening service will be withdrawn in order that the congregation may have the privilege of joining with the congregation of Trinity United Church in the celebration of that Church's anniversary. The members of the congregation will welcome the opportunity. The special preacher for this service is Rev. W. T. G. Brown, D.D., a former minister of Trinity Church.

The church school will meet at the usual hours, 10:45 o'clock for the Beginners and Primary departments and 12:15 o'clock for all others.

LOCAL INSURANCE MEN HELD MEETING. The Life Underwriters' Association of Sherbrooke, held their first meeting of the season on October 15th, which was attended by many managers and agents of the different companies represented in Sherbrooke.

The meeting was followed by a banquet at the Magog House, when many important questions were brought up for discussion. The hall was occupied by Mr. J. A. Leche, who is president of the association.

TRINITY CHURCH WILL CELEBRATE EIGHTY-THIRD ANNIVERSARY TOMORROW. In connection with the eighty-third anniversary services in Trinity United Church tomorrow the appeal has been made to the families of the congregation that the day be made one of family reunion at church. The appeal is particularly opportune because the special preacher secured for the anniversary this year is Rev. W. T. G. Brown, of Sydenham Street Church, Kingston, who was pastor of Trinity Church years ago, before the automobile and other modern influences had broken down the fine old custom of having family pews filled every Sunday. Dr. Brown's recollections of Trinity Church are of congregations made up largely of well-filled family pews.

Rev. Dr. Brown will preach in the morning on the subject, "The Church and Worship," and the special music at the morning service will include the anthem, "Hark, Hark, My Soul" (Shelley), and the rendering of Puebe-Evans' composition, "Lead Kindly Light," by Mrs. F. H. Bradley.

In the evening the congregations of St. Andrew's and Plymouth Churches will join with that of Trinity Church. Dr. Brown's evening subject will be "Overcoming Evil With Good." Mrs. F. H. Bradley will again assist at this service, the solo being entitled "The Holy Temple" (Gounod). The choir will render two anthems, namely, "Forward Be Our Watchword" (W. L. Frost), and "Still, Still With Thee" (Ellingford). The Junior Choir will also assist.

The Sunday school and the Trinity Brotherhood will meet as usual at 2:30 p.m. in Wesley Hall. On Monday evening the usual anniversary chicken pie supper is being held in the tea room, under the auspices of the ladies' organizations of the church.

Rev. Dr. W. T. G. Brown, the special preacher in connection with Trinity Church's eighty-third anniversary, was pastor of Trinity Church from 1910 to 1913, and is now on his second pastorate in Sydenham Street United Church, Kingston, Ont., the largest of the five or six United Churches of that city. In the interval between his first and second pastorates there he served Dominion Church, Ottawa, for four years. He also completed a four-year term in Shelburne Street Methodist Church, Toronto, where he went after the completion of his Sherbrooke pastorate. Dr. Brown has been for the last twenty years one of the leading figures in the Methodist and United Churches, having been honored with some of the most responsible offices given to ministers in the active pastorate. During his Methodist days he was for many years a chairman of district conferences, and of important sessions of the General Conference. He has also been similarly honored, and, in particular, had the distinction of representing the United Church as a fraternal delegate to the Irish Methodist conference a few years ago. He is a preacher of great power and has a most attractive personality.

CLAIMED ROOF WAS DAMAGED BY BLASTING

Action for \$99 Taken Against Newton Construction Company, Limited, for Alleged Damage to Roof of Building Owned by Sam Echenberg and H. Budning on Wellington Street—Case Taken En Delibere.

Damages alleged to have been caused to the roof of the property on Wellington Street north belonging to Sam Echenberg and H. Budning by blasting carried out by the Newton Construction Company, Limited, while building the Granada Theatre, was the cause of an action for \$99 which was heard in the Magistrate's Court yesterday afternoon.

Mr. Echenberg claimed that during the blasting operations carried out by the defendant company during the summer of 1928 the roof of the building, which he owns jointly with Mr. Budning, was badly cut up by the flying stone, the cornice at the edge damaged and a chimney broken. The roof, he claimed, was damaged to such an extent that it was necessary to re-roof the entire part of the building. The witness stated that he had signified his willingness to settle with the defendant company for \$100, which, he claimed, the company refused to do. He acknowledged that some repairs had been made to the roof by the company, but stated that the roof leaked after the repairs had been made.

A. G. Sangster, superintendent of the Newton Construction Company, acknowledged that the roof had been cut in a few places by flying rocks, but stated that his men had repaired the damage. He added that the roof at the time was in a poor condition and was being used as a play ground by the children of the tenants, as well as a place to chop their wood.

W. H. Lynch, K. C., attorney for the defense, stated that the company was willing to confess judgment for \$10, but they did not feel they were responsible for the payment of re-roofing the whole roof. Cessaire Gervais acted for the plaintiffs. The case was taken en delibere by Judge Lemay.

LOCAL REGIMENTS AWARDED HONORS

The First Sherbrooke Regiment and the Carabiniers de Sherbrooke are included in the latest list of regiments to be allowed to carry Great War honors on their flags. These two units, being successors to the so-called re-inforcing battalions, have been granted the right to carry the words, "Great War, 1916-1917," on their standards.

HI-Y MEETING AND INITIATION

Last night a very successful meeting of the Hi-Y Club was held in the Y.M.C.A. with the president, Wesley Brumley, in the chair. After the usual supper and routine of business, the club members had as their guest and speaker Mr. Clarence Blake, who is in charge of the Scout Cubs of the city. Mr. Blake in an interesting way described his recent trip to England, where he was one of the representatives of Canada at the Scouts Jamboree.

At the conclusion of the meeting the new members of the Hi-Y were taken down to the gymnasium, where they were initiated into the solemn rights of the club. Seven new members, namely, Raymond Smith, Ross, Gerald Spafford, Fletcher, Harold Mead, Stanley Lohrhop and Aitken suffered the various indignities that they were subjected to, culminating with walking into the tank. A pleasant evening for those taking part concluded at nine o'clock. The thanks of the club to Mr. Lennox Keeler was expressed for his very efficient assistance.

GARTHY MAN FINED FOR POSSESSING LIQUOR

Joseph Labonte, of Sherbrooke, was fined \$500 and costs for having illegal possession of liquor, by Judge J. H. Lemay in the Magistrate's Court yesterday.

Albert Bergeron, customs and excise officer, told the court of having found twenty-five two gallon tins of illicitly manufactured alcohol in the woods on the property of the accused. The accused swore that he did not know anything about the liquor discovered on his property. In fact, he claimed, it was some distance from the house and, as he had bought the property only a few months ago, he had never been to that particular spot.

In rendering judgment Judge Lemay stated that there was no doubt that the liquor had been found on the property of the accused and, as a result, fined the accused \$500 and costs, and declared the liquor confiscated.

CARON CASE TAKEN EN DELIBERE

\$15,000 is the sum claimed by Joseph Laliberte, of Sherbrooke, from Henri Caron, also of this city, as the result of a sale of bonds made by Caron in 1922. The case was heard yesterday in the Superior Court and was taken en delibere by Mr. Justice Joseph Archambault.

Laliberte claimed he purchased ten shares of L. R. Steele Company, Limited, stock from Caron in June, 1922 for \$1,000, with the understanding that the defendant personally guaranteed them and would buy them back at any time within five years for \$150 a share. When the company went into liquidation the defendant refused to carry out his alleged promise.

Caron, on his part, stated that he did not have the legal right to make such a promise. He also stated that even if he had, he would not be responsible in the case in question as he had not been approached by the plaintiff regarding the bonds until seven years after the sale. When the company was reorganized, he continued, Laliberte had turned in his old shares for the new and

Mrs. J. C. Stewart, of Montreal, has been spending a few days the guest of her parents, Mr. and Mrs. David Wilson, Victoria Street.

Mr. W. P. McVie, general secretary of the Y.M.C.A., has gone to Ottawa to attend the Baptist convention, which is being held in that city over the week-end.

The food sale held at the McCaw-Bissell store yesterday afternoon, under the auspices of King George Chapter, I.O.G.E., with Mrs. A. G. Sangster and Mrs. George Stocks in charge, was most successful.

Among those who attended the "At Home" given by Mrs. E. C. Howard and Mrs. M. S. MacDonald, on Friday afternoon, for Mrs. P. Bishop were the following ladies from Lennoxville: Mrs. W. H. Abbott, Mrs. S. N. Oughtred and Mrs. J. R. Munroe.

One of the society events of the season which is always anticipated with a great deal of pleasure is the Armistice Ball, given under the auspices of the Sherbrooke Hospital Ladies' Auxiliary, which this year will take place on Wednesday evening, November 13th. Many subscriptions have already been received.

Mrs. A. J. Hudson, diocesan president of the Catholic Women's League, has issued invitations to all members of the League to be present at the annual convention of the Diocese of Sherbrooke to be held in Richmond on Saturday, October 26th. Members desirous of attending are requested to notify Mrs. Hudson as soon as possible.

"Sicavaw Lodge," North Hatley, was the social center last evening of an unusually enjoyable gathering, when a party of friends from Sherbrooke and Lennoxville motored out to the lake to give Mr. and Mrs. R. G. Davidson a surprise on their thirtieth wedding anniversary. Guests from Victoria, Saskatoon and Detroit were also present. Mr. and Mrs. Davidson were presented with an appropriate gift with congratulations and felicitous remarks from the guests. Mr. Davidson replied in a happy little speech on behalf of his wife and himself. Many beautiful roses, gifts and telegrams were received during the day by the bride and groom of thirty years ago. A very beautiful and delicious dinner was served, covers being laid for eighteen. The table was centered with the wedding cake (which later was cut by the bride) and delicately tinted roses. Many bright little speeches were made, and the guests all united in singing "For They Are Jolly Good Fellows." After dinner cards were played and a most enjoyable evening spent. The guests, when leaving, extended to Mr. and Mrs. Davidson their best wishes for many more years of health and happiness.

SEVERAL ARRESTS YESTERDAY

Fred Hamel, of Lacordia, N.H., was given suspended sentence by Recorder Forest this morning, after being found guilty of being drunk and disorderly on Depot Street yesterday afternoon.

Reve Gaulin, of St. Johnsbury, and Maurice Marcotte, of St. Gerard, were both found guilty of charges of vagrancy. Gaulin received a suspended sentence, while Marcotte was ordered to pay a fine of twenty dollars and costs or spend one month in jail.

A local taxi driver was fined twelve dollars and costs for exceeding the speed limit on King Street last evening.

MRS. THOMAS MACRAE DIED THIS MORNING

Mrs. Thomas MacRae, a former resident of Cookshire, died this morning at the home of her daughter, Mrs. H. L. Cleveland, Montreal Street, following an illness of some months.

A short service will be held at the house, Rev. Dr. W. S. Lennon, pastor of Trinity United Church, officiating, at 1.30 o'clock Monday afternoon, followed at 2.30 o'clock by a service at the United Church of Cookshire. Interment will be in the Cookshire Cemetery.

The deceased leaves to mourn her loss two daughters, Mrs. H. L. Cleveland, of this city, and Mrs. A. H. Coff, of Cookshire, and one son, Mr. C. M. MacRae, of Cookshire.

Miss Mildred Espawistle, of Montreal, is the guest of Miss Maud Smith, Stanley Avenue.

Mr. and Mrs. Gordon Robertson, of Richmond, Vt., Mrs. Gordon Lynch and Mr. and Mrs. Gordon MacKinnon, of Montreal, are week-end guests of Mr. James MacKinnon, Victoria Street.

Mr. and Mrs. J. O. Bureau and family and Mrs. J. J. Cowan left on Tuesday last for their home in Montreal, where Mrs. Bureau has been promoted to the Ontario and DeLormier branch of the Canadian Bank of Commerce.

Mrs. B. C. Howard and Mrs. M. F. MacDonald entertained at a farewell tea at the former's residence, "Howardene," yesterday afternoon in honor of Mrs. L. P. Bishop, who is leaving Sherbrooke to reside in Vancouver, where Mr. Bishop has been transferred by the Canadian Bank of Commerce. The numerous guests were received by the hostesses and the guest of honor, while Mrs. C. B. Howard and Miss Doris Stevens assisted in their entertainment. In the dining room, where tea was served Mrs. D. C. McRae was in charge, and the tea table was lovely, and the tea table "naums" and maiden-hair fern was presided over by Mrs. G. E. Hyndman, Mrs. A. G. Campbell, Mrs. Hicks, and Mrs. D. J. Salls. The assistants in the dining room were Mrs. Stewart MacDonald, Miss Marion MacDonald, Miss Jean Oughtred and Mrs. Hindmarsh.

Thirty-two of the staff of Plymouth United Church Sunday School were present at the monthly tea and concert last evening in the church hall. After supper the Rev. Dr. G. E. Read opened the conference with prayer. The superintendent, Mr. T. F. L. Cohoon, then called upon the superintendents of the different departments for their reports, and glowing accounts were presented showing progress in the Sunday School, and greater interest in the work connected with it. Mrs. Hartley reported for the reading class, Miss Muriel Sangster for the beginners, Mrs. W. G. Cross for the primary class, Mrs. Hector MacRae for the juniors and Mr. Cohoon for the intermediate department. Mr. Hartley, the librarian, in giving his statement of the library, stressed the need of more books for boys and girls. The officers assured the librarian that the needs of his library would be attended to at once. A report was given by the superintendent on the financial standing of the school, which showed progress. Other routine business was then up and the conference closed with prayer and the benediction by Dr. Read.

Main Declines During Week

(Continued From Page 1.)

he said that liquidation was excessive. Transactions dwindled to a small fraction of the volume which accompanied the sweeping upward movements in prices a year ago, and on Friday low ebb was reached on the Toronto stock exchange with sales of only 30,000 shares. Among the stocks to experience moderately active trading during the week, Massey-Harris rose from 50 to 51, Canadian Gypsum and Alabastine remained unchanged at 27½ to 48½.

Distillery issues were no exception to the main trend, and Hiram Walker, Gooderham and Worts at 14 stands 1½ points below its price a week ago, while Distillers Corporation-Seagram's was pressed from 16½ to 16.

Low Prices For Year. New low prices for the year or longer were established by a number of stocks, including Cockshutt Plow at 29½, International Utilities "A" at 40, Loblaw "B" at 16½, and Simpson's Limited, preferred, at 91.

Price changes on the Standard Stock and Mining Exchange were not of major scope, and the mining markets at Toronto and Vancouver reflected to some extent the generally unsettled condition of the whole speculative structure. Noranda experienced a sharp decline in mid-week which left it yesterday at \$48.25 compared with \$50.50 a week ago, and lesser mining favorites were also inclined downward in a highly irregular market. In the main, gold stocks held or improved their previous levels with Hollinger closing yesterday at \$5.55, Wright Hargreaves at \$1.50, and Teck Hughes at \$5.85. Base Metals were mixed and the main tendency among the lower priced oils was also downward. Losses were recorded yesterday by Mayland Oil, Home and Dalhousie at Toronto, and Vancouver. Mines also tended lower at Vancouver.

C. A. TUCKER WAS BOUND OVER FOR TRIAL BY JUDGE

Former Manager of Waterville Branch of Canadian Bank of Commerce Ordered to Stand Trial on Forgery Charge at Conclusion of Inquiry Yesterday Afternoon in Magistrate's Court.

Following an enquest which lasted over two hours, C. A. Tucker, former manager of the Canadian Bank of Commerce branch at Waterville, was ordered to stand his trial before the next session of the Court of King's Bench by Judge J. H. Lemay yesterday afternoon on a charge of forging the name of H. W. Burton, of Waterville, to a note for \$1,588 in order to defraud the Bank. This is the second charge the accused will face at the fall sitting of the Criminal Court, as he was bound over for trial yesterday morning on a charge of stealing over \$1,200 from the bank.

L. P. Delaire, bank examiner, continued his evidence at the opening of the afternoon session. A large number of envelopes containing specimens of several of the signatures of the bank's clients, notes signed in blank, cancelled checks and other bank papers were produced by the witness, who stated that they were found among the papers discovered in the Tucked home. They were all filed as exhibits.

Some time was taken up in an examination of the note which the accused is charged with forging with the name of H. W. Burton. In examining the signature Mr. Delaire stated that it had evidently been traced, owing to the faint lines which were discernible through a magnifying glass.

Dated Signature. That the name of H. W. Burton, which was signed on the note, had not been written by him, was the statement made by H. W. Burton in the witness box. In continuing, Mr. Burton swore that he did not know anything about it until notified by the bank on September 30th. He stated that on September 30th he went to the bank in connection with the matter and had notified the officials there of the fact that he had not signed it.

Later in the day, he said, he had met Tucker and, during their conversation, the accused had stated that he had "got into trouble" and asked him in order to give him a fair show, as he wanted to fight his case. "Naturally, I refused," said Mr. Burton.

During the course of his evidence Mr. Burton wrote his signature several times for the purpose of comparison with the signature on the note. These were filed.

Believed Writing Traced. Leon E. Allen, accountant of the Canadian Bank of Commerce at Lennoxville, who replaced Tucker on September 26th when the latter was suspended, identified the Burton note as the one he had discovered in the bank. The body of the note, the witness swore, was written in Tucker's handwriting. The signature of the note was studied by Mr. Allen, who stated that he was of the opinion that the signature had been made by tracing and, in comparing it with Mr. Burton's specimen signatures, stated that there was a difference in them and the original.

Fergus Dinning, manager of the Lennoxville branch of the Bank, who also had charge of the Waterville Branch, too was of the opinion that the note had been traced, and stated that there was a difference between the signature on the note and the specimen signatures of Mr. Burton.

Refused To Reduce Bail. After Tucker had been ordered to stand his trial, C. C. Cabana, attorney for the defense, requested that the bail of the accused, which had been fixed at \$10,000 be lowered. The request was refused by Judge J. H. Lemay, who stated that he would be exceeding his authority if he did so.

DEATH OF FORMER RESIDENT OF SHERBROOKE

Word has been received here of the death of Mr. Henry W. Wilcox, of Mankato, Minnesota. Mr. Wilcox resided in Sherbrooke for a number of years before going to the United States. He established the Mankato Manufacturing Company, of which he was president at the time of his death.

The late Henry W. Wilcox is a brother of Mr. George Wilcox, of this city.

BOY BADLY HURT WHEN RUN OVER BY AUTOMOBILE

Eight-Year-George Paulette Suffered Severe Internal Injuries Yesterday Afternoon—Condition Showed Slight Improvement Today.

George Paulette, aged eight, son of Mr. and Mrs. Edwin Paulette, 16a Laurier Avenue, was brought to the Sherbrooke Hospital late yesterday afternoon suffering from internal injuries. Paulette was playing at the corner of Ball and St. Gabriel streets, with a number of his friends, when he ran out from the sidewalk into the side of a truck, owned by the Canadian Ingersoll Rand Company and driven by Mr. Fred Robins, 26a Court Street. The rear wheel of the truck passed over the little lad.

Lord's ambulance was called and the victim was rushed to the hospital, where an X-ray revealed that, while no bones were broken, his body was badly crushed. His condition is still serious, although a slight improvement was noted this morning.

COMMON OBSERVANCE OF ARMISTICE DAY

There could be no more fitting manner in which the people of Sherbrooke could observe Armistice Day than by all citizens, regardless of creed or nationality, uniting together at a public service of thanksgiving and commemoration.

This service, which could be held under the direction of the City Council, with His Worship the Mayor presiding, should take place in front of the Soldiers' Monument.

Previous to this brief service, two public services could be held in suitable locations, one of these being in charge of the clergy of the Roman Catholic Church and the other arranged by the Protestant Ministerial Association.

Such a procedure, it is felt, would be satisfactory to all and would enable the citizens of Sherbrooke to observe this memorable occasion and render just honor to our soldier dead in a worthy manner.

OUR CEMETERIES

From time to time complaints are lodged relative to the manner in which certain cemeteries are neglected, and, in some instances, the graves desecrated. A few days ago a resident of Cowansville vigorously protested to the authorities through the columns of the Record that boys ranging in age from sixteen to eighteen years, boys old enough to know better, have been breaking down and disfiguring monuments in the Union Cemetery.

Acts of vandalism in cemeteries should not be tolerated. In fact, the condition of too many cemeteries in this Province is a standing disgrace to those who should look after them. Rank growths of grass and weeds, overgrown tombstones and dilapidated fences indicate on the part of the living a callous indifference toward the dead.

There should always be clear evidence that there exists a fitting regard for those who have passed away.

A SERIOUS OFFENCE

A determined effort should be made by the authorities to check the activities of the irresponsible young men who have been causing considerable annoyance and often heavy expense to automobile owners. These offenders quite apparently have the mistaken idea that in taking other people's cars for joy rides or tinkering with motors in such a way as to inconvenience the owners they are doing something quite clever. However, if they are caught they will undoubtedly discover that their interpretation of these "pranks" is altogether wrong.

A person who takes an automobile without the owner's permission for a joy ride cannot expect to be placed in any other category than that of a thief, while the smart aleck who deliberately puts a motor out of running order is liable to severe punishment on the charge of wilful damage to property other than his own.

Too many motor car owners have of late been victims of these car thieves and trouble makers, and the first offenders found guilty should be severely dealt with if their activities are to be checked.

THE HIGH SCHOOLS IN 1890

(By Glenn Frank)

In its Research Bulletin for September, the National Education Association presents a sweeping and searching study of the High Schools, in terms of the obvious fact that during the last forty years the world and life for which the High Schools are supposed to train have been profoundly changed. Today and Monday I want to present the summary of the differences between the High Schools of 1890 and the High Schools of 1929 as suggested by this research.

The High Schools of 1890 were marked by the following eight facts:

First, they were attended by the intellectual and social elite, by students with similar social backgrounds, sons and daughters of parents in a preferred social, economic and vocational position.

Second, they set out primarily to select pupils with superior capacity and background, and to prepare them for cultural, social, economic and political leadership by putting them through the paces of a traditional academic curriculum.

Third, they were seldom found in the larger centres of population. In the United States, for instance, there were, in 1890, only 4,158 secondary schools in operation; 2,526 were public and 1,632 private.

Fourth, of all the boys and girls attending elementary and secondary schools in the United States in 1890, only 1.6 per cent of them were in the High Schools.

Fifth, in 1890, education in the United States was following what was known as the 8-4-4 plan, which meant giving eight years to the grades of the elementary schools; then going directly into four years in the High Schools, and then into the four years in the colleges. There was a quite sharp break both in what was taught and how it was taught between the eighth and ninth years. Many students were weeded out during the ninth year.

Sixth, the High Schools of 1890 offered a single curriculum which was organized in the light of the logical nature of the subject matter, and the memorizing of this subject matter was considered more or less an end in itself.

Seventh, the High Schools of 1890 were operated to the end that the students might soak up the standardized information in the text books. They were dominated by a traditionally scholastic ideal. The student had to adjust him-

self to the subject matter, whether it was particularly adapted to his needs and nature or not.

Eighth, the High Schools of 1890 were considered successful if they eliminated all but the intellectually elite, and prepared the elect few to go on to colleges and universities, there to make "good grades" and win scholastic honors.

Cut this summary and save it for comparison with a like summary I shall present of the High Schools of 1929 Monday.—Cpt. 1929.

PRESS COMMENT

CANADA, NEIGHBOR AND CUSTOMER.

(Christian Science Monitor)
In addition to the fast-spreading commercial ties which are bringing Canada and the United States into economic partnership, the Dominion is developing an overseas trade, which is giving her a position of growing importance in world trade channels. Moreover, to a considerable extent the products of Canadian farms and factories, as well as the incoming goods from distant ports, are handled in Canadian ships, for Canada has a merchant marine of her own which, if not large, is modern and growing.

Across the Pacific silk is brought in the white fleet of the Canadian Pacific, en route, frequently, to United States ports via Vancouver, while westward, both Canadian and Japanese vessels are handling an increasing volume of wheat which is becoming a staple food in Japan. Likewise, from Vancouver, and to a small extent from its rival to the north, Prince Rupert, vessels move southward bound for the Panama Canal en route to European destinations.

The Atlantic trade is better known, but its rapid growth and its expansion into new fields is less generally recognized. A fleet of new vessels equipped for the West India trade has just been completed by the Canadian National Railways. From a score of ports throughout the islands of the Caribbean and Atlantic, tropical products and fruit move northward to St. John or Halifax for distribution by rail inland. From South American countries northward loadings include rubber from Brazil, maize from the Argentine, and bauxite (for use in making aluminum) from British Guiana, while en route southward, manufactured goods compose the bulk of the traffic.

This development is obviously but a forerunner of an even greater measure of prosperity in the future, a prosperity in which the United States will share, for Canada is not only a good neighbor but the United States' best customer.

SCHOOL MUSIC.

(Border Cities Star)
There is only one way to implant a love of music in the citizen of any country, and that is by teaching them, while they are still children, to love and appreciate the best in art. This can best be done by having the little ones make music themselves. The schools are the proper agencies to undertake this work. The individual effort in this country is good, but we are still a long way from any serious national effort to make us appreciate some of the most delightful phases of life. Music has played a leading part in the development of many nations, and we in Canada should certainly not overlook its importance.

NO AMERICAN MAGAZINES.

(Ottawa Daily)
The importation of American magazines is to be condemned for a number of reasons. Two reasons are obvious. In the first place, American manufacturers who even have factories established in Canada are not in the habit of advertising in Canadian papers, since they can count on the publicity which American magazines spread so widely in Canada. From the point of view of Canadian publicity these magazines do us harm. In the second place, all these foreign magazines cannot but modify in the long run the mentality of those who read habitually. They learn little by little to think, to judge and to behave like Americans.

For the time has come for action
And we need a better plan,
So He sent you to the fireside
Of this stalwart Quaker man.

All his people have received you
In a very friendly way.
They have heard and deeply
pondered
Everything you had to say.

They, too, feel the need for action
That will hasten and assure
Lasting peace and lessened burdens,
And make friendship more secure.

So no matter what some people
Of the other nations say,
Our two peoples are united
In a frank and friendly way;

And will use their best endeavors,
As if "brothers," staunch and true,
To secure a better feeling
And a saner point of view.

You have made a gesture friendly,
And have struck the very key,
May the same success attend you
When you other countries see.

NOW'S the time in every nation
For the people to decide,
"In this strife 'twixt truth and
[falsehood,
For the good or evil side."

All your words were fitly spoken
And your mission was made plain,
You have helped cement a friend-
[ship
Good will follow in your train.

With yourself and Herbert Hoover
Leading on two nations strong,
And the God of Nations with us
We should help the world along—

To a place of greater wisdom
Where these silly wars shall cease,
With a better understanding
And a stronger will for peace;

Until "war-drum throb no longer"
And all battle flags are furled,
As your kindly, friendly feeling
Makes its way around the world.

Those who died in "landers yonder
Have inspired you on your way,
Now their prayers are being an-
[swered
After many years delay.

May the God of Peace be with you
And the Prince of Peace attend,
As the prayers of burdened nations
To the Throne of Grace ascend.

HATLEY

Mr. and Mrs. James Dunlop, of Montreal, were weekend visitors at the home of Mr. and Mrs. M. Dessaint, who accompanied the former by motor, to Waterville, where they were dinner guests at the home of Mr. and Mrs. P. Lemay, on Sunday.

After a few days at "Brookfield", with Mr. and Mrs. W. A. McClary, Mrs. Rice, of West Burke, Vt., has left to spend a short time with relatives at Heathton. Mrs. Rice, who resided here, in former years, as Miss Fannie Humphrey, will later pay a visit to her cousins, Col. B. and Mrs. Morrill, at Dufferin Heights.

Mr. Wesley Leavitt, who has been for some time at "Maxwellton Farm", near Ste Anne de Bellevue, has returned.

Mrs. I. Leavitt, with Mr. and Mrs. E. Ayer, Mrs. Hodges and Mrs. Woodman, recently paid an annual autumn visit at the home of Mrs. Spendore at McConnell. Mrs. Leavitt has since been critically ill and cared for by her daughter, Mrs. G. E. Hartwell, of this place and Mrs. Spendore. Latest reports state that Mrs. Leavitt's condition is showing improvement.

KNOX CHURCH AT FLODDEN ANNIVERSARY

Special Services Mark 68th Anniversary of Knox Free Church at Flodden.

FLODDEN, Que., Oct. 18.—The congregation of Knox Presbyterian Church, Flodden, held their 68th anniversary service, on Sunday, October 13th, 1929, at three o'clock p.m.

Notwithstanding a dull day with occasional showers, many former members, friends and neighbors gathered to attend this anniversary service.

The interior of the church was bright with autumn foliage and potted plants.

The minister, Dr. Edwin A. K. Grant, spoke words of encouragement and cheer to the Flodden congregation. In a few well chosen words, he expressed the pleasure all felt in seeing so many visiting friends and well wishers present on this occasion. Dr. Grant took for his text, 1 Cor. 3:15 and gave a sermon long to be remembered, so full of promise to all who through trial, buffeting with the world's temptations, grow stronger as they keep in touch with the Christ and His ideals.

Mr. Vernald Lynn rendered a violin solo, "Meditation," and also accompanied the choir in the several psalms sung.

Miss Irene Armstrong organist of St. Andrew's, Melbourne, and the St. Andrew's choir in a body were present, and not only by their singing, but by their presence, added much to the service of the evening. The anthem, with Mrs. Lovatt taking the solo part, was much appreciated. Mr. Fay rendered the solo "In the Cross of Christ I Glory," in his usual pleasing manner.

THUGS FORCE FARMER TO EXPOSE HIS MONEY CACHE

Steve Churrie Tied to Rafters of Barn by Thumbs and Threatened With Death if He Did Not Reveal Whereabouts of Money.

LETHBRIDGE, Alta., Oct. 19.—Tied to the rafters of his barn by the thumbs and threatened with fiery death, Steve Churrie exposed to two torture bandits the secret of a \$200 money cache in his farmhouse near Coombs Sweet, Groes, at the United States boundary. He told police yesterday that he had yielded up his little fortune when the robbers threatened to touch a lighted match to his gasoline soaked clothes.

Police are already scouring the country for the thugs who are believed to have used similar tactics on another southern Alberta farmer. Officials state that the escaping robbers tossed up a passing car driver, straddled him into the ditch and sped away in the stolen machine.

WANTED - A Million College Graduates!

"THE best positions in industry today go to university trained men," President Hoover recently said. "In the next ten years Canada and the United States will need a million college graduates."

What of YOUR boy? Decide NOW to give him the priceless advantage of a college training—the knowledge, culture and poise that will ensure distinction for him in business and social affairs.

THE GREAT-WEST EDUCATIONAL POLICY

is the surest and most economical means of ensuring a successful career for your son or daughter. Example: You deposit a certain sum each year with the Company. When the time comes, the money is available for a complete university course. If, meanwhile, you die or become disabled (as defined in the policy) the Company will pay all the remaining premiums. If your child dies before age eleven, the money will be returned to you with 5 per cent. compound interest. Should he die after age eleven, the full amount of the policy—plus substantial profits—will be paid to you as ordinary insurance.

What does
 $\frac{1}{3}$ of your
coal bill amount to?

If three tons of coal cost \$45.00 and once wasted in heating your house, it makes the other two cost \$22.50 per ton. Coal at \$22.50 certainly makes a man scratch his head. Yet ninety per cent of the home owners of Canada are paying this price. They are literally losing five tons of coal every winter.

That's why modern Canadian homes are being built with TEN/TEST Insulating Building Board. By insulating your home with TEN/TEST you not only prevent the heat es-

caping, but you also shut out cold, dampness and draughts. TEN/TEST insulation cuts your fuel bills at least one third, and keeps your home warm in winter, cool in summer and quiet all year round.

You may use TEN/TEST as sheathing under brick, stucco or shingles, or as a base for plaster. TEN/TEST is the only solid building board, obtainable in practically any thickness up to 2". It is made to meet every building condition.

DIED WITHOUT KNOWLEDGE OF HIS NEW TITLE

Canon Victor Alphonse Huard Elevated to Rank of Domestic Prelate by Pope Pius, But Word of His Appointment Did Not Come Until After His Death.

CHICOUTIMI, Que., Oct. 18. — Canon Victor Alphonse Huard, prominent dignitary of the Catholic Church in Quebec, who died Tuesday at Hotel Dieu here, had been elevated to the rank of domestic prelate but the news of his appointment did not reach here until Wednesday and the Canon, who was seventy-six years old, died without knowledge of the honor that had been conferred upon him. The appointment was dated September 20, and was signed by the Pope.

Canon Huard was well known as a scientist and man of letters and since 1901 had been in charge of the editorial work of "Sémaine Religieuse" at Quebec, was associated with the scientific magazine, "Naturelle Canadienne." He was born at St. Roch, Quebec, in 1853. After an education gained at the Seminary of Quebec he was received in Holy Orders by Cardinal Taschereau in 1878. For twenty-five years he was connected with the Seminary at Chicoutimi where he pursued the study of entomology and other scientific subjects. He had written numerous scientific articles which appeared in American and European reviews.

CONCERT GIVEN AT GRANBY BY HARRIS FAMILY

Lennoxville Musicians Repeat Entertainment—Newsy Notes and Personals from Granby and Vicinity.

GRANBY, Que., Oct. 18. — The music lovers of Granby enjoyed a treat, on Friday evening October 11th, when they had the pleasure of hearing the Harris family, who appeared at Dufferin Street community hall for the second time under the auspices of the Granby Hill Women's Institute. The hall was packed to its capacity.

The entertainment was of the best from start to finish. It would be impossible to make special mention of any one piece, as each and every one were all that could be desired. The rounds of applause each received went to show that the music, recitations, etc., were enjoyed by the audience.

Mr. H. Sample, on behalf of the Women's Institute, thanked the entertainers, also the audience for the generous support given the Institute, and expressed the wish that we would have the pleasure of hearing the Harris family in Granby again, at some future date.

Miss Helen Harris who played the piano continually deserved much praise as well as Bud, who entertained the audience with several selections on different instruments, and Master Henry, who showed great talent in his playing the violin, saw, etc., and last but not least little Ruth, who won the hearts of all with her jolly recitations. "Go ask your Maw," "Paw Said So," "The youngest of the P-a-m-i-l-y," and "The Girl Who Laps." The orchestral pieces by the family were much enjoyed.

OFFERING OF POWER STOCK WAS OVERSOLD

Southern Canada Power Company, Limited, Subscriptions Received from Over 14,000 Shares in Its Recent Customer-Ownership Campaign.

The pioneer of customer-ownership in this country, Southern Canada Power Company, Limited, has again demonstrated its effectiveness in this direction, its most recent campaign, the first since 1925, resulting in the oversubscription, within a few hours after the official opening, of a new issue of 10,000 shares of preferred stock. The sale was opened at 9 o'clock Monday, October 14, and by 4:30 p.m. of the same day the books had to be closed with the objective easily exceeded, applications having been received from 3500 customers for a total subscription of more than 14,000 shares.

A feature of these offerings is the progressive upward price at which the shares were distributed. The first offering of the kind was made in 1922, with a modest issue of 2,000 shares at \$80. On that occasion 2,358 shares were sold in 4½ days. The following year the number of shares offered was doubled, and the price raised to \$92 a share, and it took only 2½ days to sell 5,485 shares. In 1924 another offering of 4,000 shares was made but this time the price was raised to \$94 as a result of the stronger market position of the stock, and the surprising result was the sale of 9,018 shares in less than 24 hours. This record was, however, broken the following year with the sale of 10,653 shares at \$100 in the brief space of ten hours, and this high speed achievement has been more than equalled in the campaign just completed, when the shares were offered at \$106.

It is interesting to note that, for the month of August, Southern Canada Power Company reported its 35th consecutive monthly increase in net earnings and that during the past six years, there have been in all only 7 months in which a gain in net earnings was not shown.

The earnings of the company have had a gradual but very consistent growth. The first report of the company was made in 1914 and showed gross earnings of \$104,562 and net of \$41,582. The gross and net earnings for the fiscal year ended September 1928 was \$1,809,566 and \$1,203,502 respectively.

The company enjoys the benefits of sound administration under young and aggressive executives keenly alert to the possibilities of the Eastern Townships and determined to make that section of the province the New England of Canada. Already more than a score of successful industries have been established in this territory by the industrial department of Southern Canada Power, involving a capital expenditure of approximately \$60,000,000 and giving a livelihood to over 40,000 people.

FIANNA FAIL CONVENTION IS BEING HELD IN DUBLIN

Organization of Eamonn de Valera Holding Annual Session—Agriculture, Land Question and Tax Reforms Taken Up.

(Associated Press Despatch)
DUBLIN, Ireland, Oct. 18. — The annual convention of Fianna Fail, the organization of Eamonn de Valera, opened yesterday in the Mansion House with delegates present from the whole of Ireland. Many members of the Dail were among them.

Mr. de Valera was re-elected president of Fianna Fail. He made an address on his party policy, touching on agriculture, the land question and tax reforms. Advocating revision of the Free State's financial agreement with England by which she pays \$25,000,000 across St. George's Channel yearly, Mr. de Valera said that this sum would, if retained, suffice to finance schemes as big as the Shannon River power scheme every year. He thought the unemployment problem could be solved by enforcement of tariff protection.

MORE Smartness and Style

More Room More Power and Speed...

Aside from being the most beautiful, the new "70-B" for 1930 is also the largest and most powerful Willys-Knight ever offered at so little cost. Its long wheel-base has now been made still longer, giving still greater roominess and inside comfort and adding to its graceful sweep of line. Interior refinements include toggle straps, rear-seat arm rests and rich upholstery.

The Willys-Knight sleeve-valve engine gives high uniform compression at all times, at all speeds, and with any gas—and is the only type of engine that keeps growing smoother and quieter with use. Rugged seven-bearing crankshaft reduces vibration to a minimum, while the car's improved frame construction gives extra strength and rigidity.

HUAT FLOORED BELANGER IN SIXTH ROUND

Toronto Man Proved No Match for European Flyweight Champion in Last Night.

(Canadian Press Despatch)
TORONTO, Oct. 19.—Eugene Huat, fighting Frenchman from Rheims, has made an impressive bid for the world's flyweight honors. Before a packed house of more than 9,200 wild-eyed fight fans at the Arena Gardens last night, the largest crowd ever to see an indoor show in Toronto, the hard-hitting European champion scored a devastating knockout victory over Albert "Frenchy" Belanger, Canadian titleholder and former world champion.

The end came in the sixth round. Floored once in the second round and twice in the third, the Toronto lad, despite a game rally in the fifth, was an easy victim for the powerful punches of Huat in the sixth. His face cut and bleeding, his vision obscured by a stream of blood that flowed down a deep cut over his right eye, Belanger was "out on his feet" long before he dropped unconscious from a vicious right that ended the bout. Referee Lou Marsh waved the formality of count and raised the Frenchman's hand.

Belanger's slowness made him an easy target for the nimble Frenchman. A crashing right staggered him and then floored him almost every time it landed solidly. Belanger was "out on his feet" long before he dropped unconscious from a vicious right that ended the bout. Referee Lou Marsh waved the formality of count and raised the Frenchman's hand.

WESTWARD TO CLASH TODAY WITH LOCALS

Sherbrooke Athletics Travel to Montreal Today to Meet Strong Westward Rugby Squad—Fast Game Expected.

MONTREAL, Oct. 19.—When Westward and Sherbrooke clash in the intermediate section Quebec Rugby Football Union, today, the outcome, should it favor the Maroon squad, will confirm Westward in the leading position of the section. With the season half over, victory for the Royal Avenue club practically decides the holder of the 1929 championship.

Westward will keep up the same method of attack as before, with Doug Kerr's regulars doing heavy duty in the kicking and running section of the game, while, if they are wise, the Sherbrooke Athletics will attempt to keep the football on the ground and in the line.

One important element enters into today's game, providing the weathermen continues to favor with cold, clear weather. When C.N.R. carried their smashing defeat at Sherbrooke two weeks ago, the field was heavy. This favored the blue team, as it did again at Alexandra Park last Saturday. Good weather and a fast field may make all the difference in the world. Sherbrooke have a good half line in Wolfe, Duff and McCallum; and a first class flying wing in Cook. A reduction in fumbling hazards might easily turn the tide and give Sherbrooke a break.

On the other hand, Doug Kerr reports that he will start the game with the same lineup as opened at C.N.R. Saturday. "Bud" Homer, crack half and captain of the Maroon squad, leads the following regulars tomorrow: Reg. Williams, flying wing; "Red" McGarvie, Percy Adams, halves; Kenny Campbell, quarterback; Gormley, snapback; Bennett and Charlie Stabo, insides; Doug Martin and Donahoe, milids; Dionne and Cloughes, outsiders.

Belanger's slowness made him an easy target for the nimble Frenchman. A crashing right staggered him and then floored him almost every time it landed solidly. Belanger was "out on his feet" long before he dropped unconscious from a vicious right that ended the bout. Referee Lou Marsh waved the formality of count and raised the Frenchman's hand.

W.A. Held Annual Thank-Offering Sale

A gathering of much interest took place yesterday afternoon in St. George's Hall, when the Women's Institute held its annual thank-offering sale. The four branches of the W.A. were all well represented, each branch having its own sales table. The Senior W.A. table was in charge of Mrs. Morrison and Mrs. Emily Perry, Mrs. C. Taylor, Mrs. George Dunsmore and Mrs. Findlay acted as sales ladies for the Girls' Auxiliary. A candy table was looked after by Misses Marjorie Hall and Helen Christison, and Mrs. Lewis Moore and Mrs. Shupe were in charge of the superfluity table.

The Little Helpers were present in large numbers, the table with their offering being in charge of Mrs. E. Reed, Rev. A. Jones, rector of the parish, presided over a short programme, opening with prayer and a children's hymn, with Mrs. F. S. Brown at the piano. Mr. Jones, in a short address, spoke of the work of the W.A. as beyond all estimation, and of great assistance to the church. He mentioned the difficulties of missionary work in the three great fields in India, China and Japan, where caste, difficult languages, transportation and climatic conditions, all combined to hinder the progress of the gospel. The suspicion of the Chinese for the white man and all his works, caused by the doings of the unscrupulous and greedy traders in the past was touched upon, the only cure for these troubles, Mr. Jones said, being the Gospel of Christ. He mentioned the duty of every branch of the W.A. in Canada in strengthening the hands of the parent branch.

Spoke of Work of St. Luke To the Girls' Auxiliaries, Mr. Jones told the story of St. Luke, suggested by the fact that yesterday was St. Luke's day, stating that the work he did in his day was still being carried on in India, China and Japan by the missionaries of the church.

Mrs. Robert Selveright, of Sherbrooke, spoke to the children in an interesting way, taking them with her in an imaginary journey, by aeroplane to the farthest northern point where Esquimaux children are being taught for the first time. She told of the needs of these children and urged the "Little Helpers" to keep them in mind.

Miss Doris Booth gave two readings, "Our Baby in Church" and "Carry On," both of which were received with pleasure. Tea was served in the dining room of the hall at the close of the programme.

Harris Family Give Concert A concert, under the auspices of the Ladies' Aid of the United Church, was given last evening in Douglas Hall, when the Harris family entertained a large audience with popular music in orchestral form, with Miss Helen Harris as piano accompanist. Many of the selections were new this season, and all proved very popular. Several readings by members of the group were interspersed between the musical, giving variety to the programme.

Gilman, of Ware, Mass., was guest of Mr. and Mrs. C. A. Nutting, on October 6th and 7th.

Mr. and Mrs. Franklin Kerr and two children, of Island Brook, and Mrs. W. Greer, of Stanstead, were calling on Mr. and Mrs. R. G. Wallace, on Sunday afternoon, October 13th.

Mr. and Mrs. Charles Frost were guests of Mr. and Mrs. Glen Little, of Ayers Cliff, on Sunday.

Mrs. D. W. Poirier, Miss Jeremie Poirier, Miss Albina Hudon, Mr. and Mrs. Wilfred Smith were in Napierville, on Sunday, visiting Mr. Napoleon Hudon and Mrs. Hudon, who is critically ill at his home there.

Mr. and Mrs. F. A. Johnston, of Ayers Cliff, Miss Kate Edgell, Mr. W. Steel, of Sherbrooke, were guests, on October 13th, of Mr. C. A. Nutting, K.C., and Mrs. Nutting.

Mr. John Watson and Miss Mary Watson visited relatives in Dunham and Cowansville, on Sunday, October 13th.

Mrs. C. E. Parker, of North Hatley, was a recent guest of Mr. and Mrs. Charles Frost.

Dr. E. A. Blake, Mrs. Blake, Miss Laura Blake and Miss Margaret Snodgrass, were in Montreal, on Saturday, October 12th.

Mr. and Mrs. Charles Frost visited Mr. and Mrs. Will Raymond of North Hatley, on Sunday, October 12th.

Mr. Kenneth Patterson, of Knowlton, was calling on his uncle, Mr. F. E. Snodgrass and family, on October 14th.

Mr. Dennis Murphy was calling on friends, in Napierville, on Sunday.

Mr. Earl Blake, who is studying medicine in McGill University, spent the week-end with his parents, Dr. and Mrs. E. A. Blake and sister, Miss Laura Blake.

FOSTER

The Women's Auxiliary will meet with Mrs. N. Crowhurst, on Tuesday afternoon, October 22nd. Every member is invited to be present and visitors are always welcome.

The Ladies' Guild in connection with the Bishop Carmichael Memorial Church will be held at the home of Mrs. Jesse Allen, on Thursday afternoon, October 24th.

Mr. M. G. Crowhurst, of Hartford, Conn., Miss Audrey Crowhurst and Miss Ruth Crowhurst, of Montreal, Mrs. N. Crowhurst, also Mrs. Howard Percy and Miss Carla Percy, of Magog, and Miss Sybil Percy, of Montreal, were calling at the same home, on Wednesday.

Mr. Herbert Allen, of Montreal, spent the week-end, the guest of his grandmother, Mrs. James Allen.

SECOND TROOP BOY SCOUTS.

The regular meeting of the 2nd Troop Boy Scouts was held on Friday evening. The meeting was opened by flag break, followed by Scout silence. Inspection was then carried out with special inspection on shoes, following which patrols dispersed to their various corners, where dues, etc., were collected. This was followed by a class work period. Several games were played which proved to be very amusing. Quite an improvement was noticed in all the corners, especially the Beaver corner who were donated a curtain to cover their corner, the donor being Mrs. Parfremont.

There will be a district hike today (Saturday) and all Scouts are advised to meet at headquarters at two o'clock sharp.

A Halloween party has been arranged next week and a large attendance is expected.

During the meeting the troop was visited by D.S.M. L. Trussler and D.C.M. C. Blake for a short time.

FOURTH TROOP MEETING

On Friday evening, a well attended meeting was held by the Fourth Troop Boy Scouts. The gathering was brought to order by the scoutmaster followed by flag raising and Scout prayer, given by Dr. Lennon. An illustrated lecture was given by Dr. Lennon on the camera. There were a few slides dealing with Scouts and the various ways that Scouts could act. A.S.M. B. Bradford then expressed, on behalf of the troop, a vote of thanks for the time and explanation of the lecture.

The patrols dispersed to their various corners, for study. Inspection was held by A.S.M. B. Bradford, O.T.L. Wm. Duncan, which was won by the Beavers, followed by the Fox patrol. Special inspection by S.M. was of Scout neckerchiefs, with a tie between three patrols.

A game of rubber relay was played and won by the Otters, followed closely by the Beavers. The Seventh Scout law was read and to abide specially for the coming week. A number of announcements were made. On Friday, October 25th, a party is to be held in place of the regular Scout meeting. It is to be a masquerade party, and special prizes awarded. The meeting was then brought to a close.

QUALITY

in extra measure

It is the sum total of many extra-quality features that accounts for the exceptional stamina, ruggedness, and long life of the new Dodge Six. The crankshaft bearings are bigger. The frame is deeper. The clutch is larger. The springs are longer. The tires are bigger. Here, there, everywhere—in motor, body, chassis—you find reasons why the new Dodge Six is a more dependable, more durable car than any other at anywhere near its price.

Lord Ebbisham tells that: It is said that Mussolini was present at some function with the King of Italy, and some time along the King

dropped his handkerchief. Mussolini stooped quickly and returned it, for which the King expressed his thanks profusely, almost pointedly.

Someone later asked him why he was so glad to get his handkerchief back. "I was delighted. You see, it is the only thing left I am allowed to put my nose into."

When anything new is produced, there are always those who create and those who follow.

In the change to balloon tires, some makers asserted the new type would never succeed. Four-wheel brakes found some who disastrously supported the two-wheel design. And today, there are engineers who decry the Multi-Range Gear Shift and the Down-Draft Carburetor.

Chrysler has never been among those who shun new things—if the new be better than the old.

The public acclaim for Chrysler, instead, has been based on Chrysler's pioneering or ready acceptance of those new creations which have made motoring safer, more comfortable, surer and more economical.

You who prefer the latest, the most advanced, the best, have made Chrysler the most copied car in the world. Because Chrysler has built the kind of cars you up-to-the-minute people want, you have given Chrysler the greatest success in the history of automobile building. We invite your most critical inspection.

A STOMACH RESTORER

Good Advice From One Who
Has Suffered Much.

Discomfort after eating, gas pains in the intestinal tract, pains around the heart, sour risings in the throat called heartburn, are common symptoms of dyspepsia. It is a condition often neglected until it has done permanent harm, yet the treatment is simple. The great contributing cause to this trouble is thin blood. Good blood and plenty of it is required by the stomach to function properly. If the blood is thin the stomach becomes sluggish, food lies undigested, gas forms causing pains, often around the heart, instead of getting nourishment from the blood the system gets poison. The proper treatment is to enrich the blood, and there is no other medicine can do this as promptly or as effectively as Dr. Williams' Pink Pills. The sole mission of these pills is to make new, rich, red blood, which reaches every organ and nerve in the body, and thus not only banishes indigestion and dyspepsia, but also all other troubles having their origin in weak, watery blood.

The splendid results following the use of Dr. Williams' Pink Pills is shown by the case of Mrs. Lucy A. Cushing, a former resident of Kempt, N.S., but now living with her son at West Bethel, Me. Mrs. Cushing says: "I have no hesitation in strongly recommending Dr. Williams' Pink Pills. For years I was a great sufferer from indigestion. Always after eating I suffered from pains in my stomach and other distressing symptoms that accompany this ailment. I tried different doctors while residing at my old home and also at West Bethel, but without getting relief. I was advised by a friend to try Dr. Williams' Pink Pills. I did so and I must say that I am feeling very grateful ever since to the good friend who gave me the advice. I soon found the pills helping me and by the time I had taken nine or ten boxes I was completely restored to good health. Though I am now in my 76th year I am feeling as well and smart as I did at 35, and am enjoying life once more."

You can get these pills through any dealer in medicine, or by mail 50 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

Beautiful hair!

Modern hair dressers arrange the hair so beautifully that it's bound to attract attention. That's why it's so important to guard its color and luster; keep it in perfect condition. There is no surer, simpler way to do this than with Danderine. Each time you use your brush, just moisten it with this delicately fragrant liquid. Then as you draw it through your hair, it removes the excess oil; brings out the natural color; makes the hair fairly sparkle with new life and lustre.

How much easier it is to arrange the hair afterwards. How it stays in place. And try "setting" the waves with Danderine. They stay in so much longer.

Danderine quickly dissolves the crust of dandruff; puts the scalp in the pink of condition; helps the hair to grow long, silky and abundant!

W.M.S. MET AT AYER'S CLIFF; GENERAL NOTES

Several Interesting Readings at
Regular Meeting—Man Has
Narrow Escape—News and
Jottings of General Interest
from Ayer's Cliff and Vicinity.

AYER'S CLIFF, Que., Oct. 19.—The W.M.S. met at the home of the president Mrs. W. H. Rexford, October 3rd. Mrs. Rexford led the devotional period with Scripture reading, followed by a season of prayer in which several took part. Mrs. E. Crook read the minutes of last meeting, as the secretary, Mrs. Lyon, was unable to be present. The members felt that much credit was due Mrs. A. MacIntosh for securing twenty subscribers to the little missionary paper, "World and Friends," for the children. Every one was pleased with the new programmes which were distributed by little Miss Beryl Rexford. Mrs. F. A. Johnston, secretary of Christian Stewardship, spoke briefly regarding the sectional meeting to be held at Hatley, this month. The date is not yet determined. Each Auxiliary will be expected to give a report of their last year's work. Ten sections will be represented and it is hoped that every member of the Auxiliaries will be present. The business being disposed of, Mrs. Minnie Rider sang a solo, "This Holy Hour," which was much enjoyed.

Mrs. Johnston read from the study book "From Jerusalem to Jerusalem," a bird's-eye view of missions. These are a few outstanding thoughts of the writer which impressed the hearers. "So many people think of the church as all of our religious work, and missions only a side line, not so, the church has grown out of missionary work. The religion of Christ is four fold: First, universal, second, embracing; third, redemptive, healing, restoring; fourth, sacrificial, missions are the heart and soul of religion. The bible is a living organism, tear it anywhere and it bleeds. Constantine of Rome imperialized Christianity and after the hundred years of Christian persecution, the cross was added to the Roman flag. Jesus allowed no sex bar in His service or His friendship." The author of the book is Mrs. Helen Montgomery.

Mrs. MacIntosh read a report from the department of justice to the effect that they cannot prohibit liquor being exported to prohibition countries. Mrs. Crook read news from home missions; Mrs. Berwick, the herald for Central Africa, read the story of Mr. Saunders first trip to Baliundo. The story in his mind as to whether any good could possibly be done. This was answered twenty years later, when coming back to the same spot, while resting in his tent he listened to a native boy singing "Praise God From Whom All Blessings Flow." Mrs. Rider reported Korean news and Mrs. Libby, Tokyo missions, by a vivid story of an old Japanese Christian, who went about telling the simple story of Jesus' love and was called "The Friend of the Poor."

Man Attacked By Bull.
Mr. W. D. Thompson, whose farm is near Ayer's Cliff, had a remarkable escape from what might have been fatal injuries when attacked by a bull last week. This animal, weighing some 2,000 pounds, had been sold and as an adjustment of chain or ring near his head was being made by Mr. Thompson, preparatory to the bull's removal from his pen, without a moment's warning he leaped completely from the floor towards his late owner. The height of this jump foiled his intention of goring his man for the horn, grazing the shoulder, broke Mr. Thompson's collar bone and struck the wall directly back. The two gentlemen close by who were waiting to lead the animal away removed Mr. Thompson at once to a place of safety and Dr. Brown was hastily summoned to administer medical aid.

General Notes.

Rev. Geo. Morris, B.A., B.D., of Centenary Church, Stanstead, and Rev. W. H. Thomas, of the United Church, here, are exchanging Sunday morning next. The evening service at seven o'clock will be conducted by the pastor, who will speak on "Christian Science, Its Strength and Weakness."

Major and Mrs. L. D. McLintock, of Knowlton, were guests on Tuesday at the home of Mr. and Mrs. A. F. Emery.

The Woman's Auxiliary met as usual with Mrs. L. B. Colby, October 8th, with an average attendance of members. Two visitors were present, Mrs. W. A. Stenning, Sherbrooke, and Mrs. F. H. Stone, Waterville, the latter being a very active member in Waterville district. She was able to make interesting remarks regarding the work of the society to which she belongs.

The annual school opening of the Ayer's Cliff High School will be held in Confederation Hall, Friday, October 25th. A large attendance of parents and townspeople is hoped for to see and hear good speakers, programme by the pupils and presentation of prizes for the usual merits of good work, deportment, courtesy, etc.

Mr. and Mrs. Wiggott, of Dixville, arrived Wednesday to take up a position with Mr. Harry Norton, Eggewater Farm.

Mrs. H. A. Norton is away in Montreal for a week visiting with friends and relatives.

Mr. and Mrs. V. A. Davis, Mr. and Mrs. J. E. Bayley attended the chicken pie supper in Waterville, on Wednesday evening.

The regular meeting of the W.C.T.U. was held at the home of Mrs. H. I. McFadden, on Wednesday, October 10th. An average attendance of members and several visitors listened with interest to business items and a short programme of music by Mrs. W. H. Rexford, Mrs. Johnston, Mrs. M. Rider, Mrs. Churchill Moore, Sr., gave an instructive paper "Evils of Liquor Control" and the attitude of Henry Ford toward prohibition was given in an article read by Mrs. C. O. Fraser.

Mr. Gilson, of Waterville, who is engaged in masonry work, here, is at the home of Mr. and Mrs. Fred Brown.

The first meeting of the fall session of St. George's Guild was held on Thursday in Confederation Hall. In the absence of the president, Mrs. C. L. Brown, presided and after the regular routine of opening, correspondence was read, bills voted and the old query of how to make money was made and con-

sidered. The sum of five dollars was received from Mrs. Geo. Davis, instead of a regular Guild meeting being entertained by Mr. Davis. A Halloween supper and rummage sale were discussed and a final decision in favor of a rummage sale and supper on the week of October 28th. Mrs. Wm. Hopkins and Mrs. J. E. Bayley acting as hostesses for the supper sale to take place in early afternoon. At the adjournment of meeting Mrs. Wm. Dustin and Mrs. D. L. Paul served supper to a large number of Guild members, their husbands and also friends.

On Wednesday the final move in a business deal were made whereby Mr. W. E. Marshall became owner of the grocery business so successfully established and operated by Mr. N. S. Hartson.

An important real estate deal was made on Tuesday, when the business block on Main street, owned by Mrs. Marion Edson, was purchased by Mr. William Rediker, of Georgeville.

Rev. Chas. Shattuck, of the U.S.A., who had charge of the service in Olivet Advent Church, on Sunday last, will be here during the absence of the regular pastor, Rev. F. S. Walden, who is away on business for several weeks.

Mr. George Hall, one of summer's earliest arrivals in Elmwood Park, broke camp October 15th, and returned to his home in Barnston, for the winter.

Rev. J. G. Hutchison and Mrs. Hutchison and two daughters, of Bradford, Vt., spent several days recently with Mrs. A. Rider.

ABBOTSFORD

Mrs. J. R. Marshall was in Montreal recently.

On Wednesday afternoon a meeting of the Parent-Teacher Association was held in the school house. Plans were made for two social events, the proceeds of which will go towards equipment for preparation of school lunches. The purchase of an oil stove has already been made at a cost of \$10.

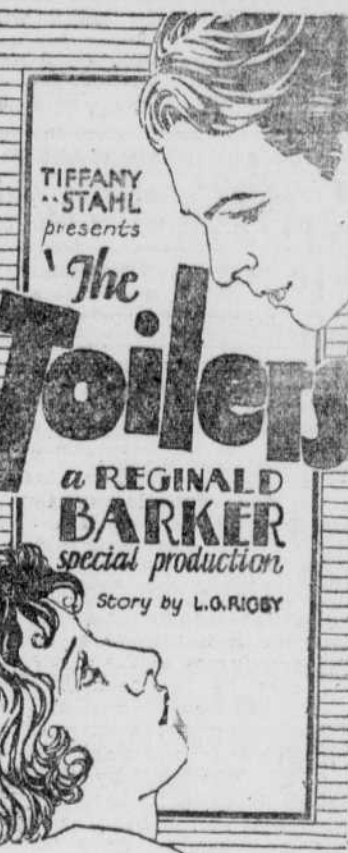

Mrs. Harold Fisher and Mr. F. W. Argue, of Ottawa, have been visiting Mr. and Mrs. H. Paige Rowell.

Mrs. Bruce Chaplin is in Montreal.

Prices And Details Of Sherbrooke Market

The cold snap of the past few days had a noticeable effect on the price of eggs at the Lansdowne Market yesterday, fresh eggs advancing seven cents a dozen, compared with the previous Friday, selling at sixty to sixty-five cents a dozen. Storage eggs, which have not been offered all summer, were drawn out yesterday by the high prices and were offered at fifty-eight cents a dozen.

Butter prices were also higher, creamery bringing forty-four to forty-eight cents a pound, an increase of three cents a pound from the week before, while dairy at forty to forty-three cents compared with thirty-eight to forty cents the previous week.

In the vegetable section, tomatoes jumped five cents a pound to fifteen cents, while corn and radishes have practically disappeared.

Lemons were being offered in small quantities at seventy-five to eighty cents a dozen, compared with 61 to 61.25, the price prevailing for the past couple of weeks.

Livers strengthened in the previous section, selling at ten cents a pound, instead of six to seven cents asked earlier in the fall. The reduction in the number of animals slaughtered during the past week has curtailed the supply, with a consequent increase in price.

Other prices were steady, the details being:

Beatty Paints Glowing Picture

(Continued from page 1)

has increased by 81 per cent from \$2,934,000,000 to \$5,289,000,000. "Capital invested in Canadian manufactures has increased from \$3,810,000,000 to \$4,337,000,000, and the gross value of our manufactured products from \$2,747,000,000 to \$4,337,000,000. Perhaps, however, one of the most significant evidences of Canadian development is the increase in the extent of hydro-electric power installation. In 1921 we had 2,754,000 horse power, and in 1928 5,349,000.

Then, too, in a growing country, if its growth is real, we find of necessity work in general construction illuminative of progress. In 1921 our general construction contracts awarded amounted to \$240,000,000, and in 1928 \$472,000,000, or a percentage increase of 96.

Our primary production in 1928 was \$1,018,000,000, and in 1926, the latest available figures, \$812,000,000, increase of 97 per cent. "Mineral production has proceeded apace from \$171,000,000 to \$274,000,000, and newprint, perhaps the most rapid and surprising development of them all, from 805,114 tons to 2,381,000 in 1928, a percentage increase of 195.

"It is not necessary for me to emphasize to you the value of our fishing industry and the tremendous importance to the country of our agricultural production, steadily increasing until in 1928, its value was \$1,730,000,000, with an agricultural wealth of over eight billion dollars.

High Position in International Trade

"It is quite understandable with its varied and extensive natural resources Canada should progress, and while it is difficult to make comparison with other nations or with other times, one significant evidence of this progress lies in the fact that the United States had a population of over 75 millions before its export business equalled that of Canada in 1927. I know, as you do, that there is a difference in money values between those days and these, and that there is, too, a difference in the extent and diversity in manufacturing, but it does speak well for the country's progress when with less than 10 million people it can produce this result.

"The development reflected in these figures is perhaps nothing more than the natural growth of the country's wealth of natural resources, which in many cases, are only beginning to be opened up, and it is less an intimation of what is to be Canada's destiny than it is an indication that the country has definitely set out on its way towards that destiny. We cannot say how far we are going, but we are on our way, and that way, we confidently expect, will be long and prosperous.

"Only in recent years a new north is opening to our vision which promises to exert an accelerating influence upon the national development which could hardly have been realized a decade or so ago.

Canada Welcomes Outside Capital

Canada does now welcome, and all ways has welcomed capital from outside to help in her development, and in addition, the Country's power of self development is steadily becoming more evident. The increased wealth of the country is partly due to the influx of its own people and this is being turned back into the country's business, and the prosperity which we have enjoyed has, naturally introduced among Canadians a more confident spirit and greater faith in their country's future than has existed at any time. While I have never known of a period in this country's history when it could be said that there was any general lack of confidence in it or that this is being turned back into the country's business, and the prosperity which we have enjoyed has, naturally introduced among Canadians a more confident spirit and greater faith in their country's future than has existed at any time.

"We have a great deal occasionally of the so called peaceful penetration of Canada by the United States through your enormous and rapidly increasing investments in this country. Peaceful penetration properly describes this development which, until a few years ago, had only reached modest proportions. It is not however a penetration to which Canadian object, because it only helps to accomplish that which they all desire to see accomplished, namely safe, sound and orderly development of its resources and expansion of its industries.

"We cannot very well object if you share our opinion of this country's future, and as we are ourselves contributing to it in a larger measure from year to year, we may, I think properly regard ourselves as partners in a very sound Canadian enterprise. The development does not involve any interference from a national or political standpoint, and it is both wise and neighbourly, even though its motive is found more in wisdom than in neighbourliness. The people of the United States and Canada have a great deal in common, and that which they have is never likely to infringe upon or destroy the national characteristics and independence of either country. To me it is unthinkable that Canada should ever be anything but an integral part of the British Empire. Many years ago the late Cecil Rhodes, of South Africa, whose vision was indisputable, ran an eloquent finger across a map on which was shown Great Britain and its Dominions, with South Africa as one base of the arch and Australia and New Zealand at the other, and he pointed to Canada as the keystone of that arch. That, gentlemen, is a position which some Canadians, possessing more more than ordinary vision, conceive to be its position in the future, a position of economic and political prominence among

the nations which form the British Empire.

Sees Co-operation of Two Nations I could not make an eloquent moving speech if I tried, neither could I speak in terms of national politics, even if it were proper that I should do so, but I must confess that there is something in the picture of a strong interdependent British Empire with its traditional standards in public life, in finance and in commerce, with its regard for justice, for law and order, that carries a certainty of increasing power and influence, and when you put beside that Empire that great republic, which you gentlemen represent and which Anglo-Saxon traditions, though composed of many different people, still with a common national language, the conclusion is inevitable that, so long as they achieve a broad and sympathetic understanding, the peace and prosperity of the world can never again be seriously or permanently impaired.

NEW YORK PRESS

MARKET COMMENT

Furnished by
McManamy & Walsh.

New York World: It is difficult if not impossible to appraise the significance of the latest downturn in stock prices, except to say that in a general way it appears largely the work of professionals. For the present the larger market interests and the public seem to be sticking to the sidelines.

Wall Street Journal: The professional raids centred on pivotal issues became particularly acute in Consolidated Gas, Montgomery Ward and General Motors, where repeated attempts were made to drive these issues below former resistance points or into new low levels. Counteracted and little progress was made in either direction until just before the close, when new low levels were reached in many issues.

Wall Street Journal will say today: Johns-Manville heads for peak year group aids Childs growth. Checker Cab net mounts. Mathieson Alkali income increased. Skelly Oil cites progress.

DOWNWARD TREND AT NEW YORK OPENING TODAY

(Associated Press Despatch)
NEW YORK, Oct. 19.—The stock market once more broke wide open in the initial transactions today under a heavy and liquidation Standard Oil of New Jersey, which had been a strong spot during the recent decline, was depressed one point to 77 in a transaction of 12,000 shares. United States Steel dropped 3/4 of a point in two sales totalling 12,700 shares. In a sale of 17,000 shares, Commonwealth and Southern sagged to 20 1/2, a new low. Western Union broke 8 1/2 points, and such shares as General Electric, American Can, Westinghouse Electric and Erie 5 1/2 to 3 points.

GOSSIP IN THE

WORLD OF FINANCE

MIXED TREND AT MONTREAL

MONTREAL, Que., Oct. 19.—The Montreal Financial Service today says: There was a decidedly mixed trend in the local market yesterday although trading was comparatively light. National Breweries sold up to a new high in some time, and recovered about fifteen points from its recent low. Brazilian Traction was again the most active feature and sold all day within a narrow radius.

The past few days some stocks have gone up and others have gone down, but changes in most instances have been downward. Some think it will be a traders market for the next week or two.

As the local market follows closely the trend that prevails in Wall Street the following opinion on the New York Market is of more than passing interest. Some local operators who claim to be in touch with the powers that be, predict November and December will be very big months stock marketwise and that prices will be higher before the end of the year than now.

There are many big financial deals scheduled to be put over before the end of the year, and the "big interests" the bulls say, want a good market to facilitate such transactions, also that year end disbursements in excess of \$1,000,000,000 will be a big help.

Montreal Power responded very quickly to the improved tone in New York. That important developments are pending for shareholders are an accepted fact, but in exactly what nature this will take place has up to the present remained a mystery. However, the ticker is certainly forecasting that no matter what takes place, it will be of a highly constructive nature. Bulls are talking 225 for Power before the New Year.

Stocks that appear to be in line for a quick recovery as soon as general market conditions permit include: Dominion Bridge, Brazil Traction, International Nickel, Shawinigan, Montreal Power, National Breweries and Power Corporation.

Good reports presented at first annual general meeting of Distillers Seagram, earnings equal to \$1.52 per share. One dollar dividend basis.

MARKET TRANSFORMATION REALIZED

NEW YORK, Oct. 19.—The New York Advisory Service today says: The action of the market is justifying our previous advice to reduce long holdings and step aside for a few days. Recent enthusiasm for public utility stocks has underpinned a market transformation. The fresh selling which broke out in this group today, and spread to other sections of the list, had its origin in the announcement from Boston that a hearing would start on November 7th, to investigate rate

OPPONENTS TO SOCIETY LOSE IN ELECTIONS

Daignault Candidates Defeated in Elections Held for Purpose of Choosing Officers of L'Union St. Jean Baptiste d'Amerique.

(Associated Press Despatch) BURLINGTON, Vt., Oct. 19. — Pleas for cessation of the Daignault agitation which divided the country's Franco-American element five years ago, came from administration leaders following the defeat of every opposition candidate here last night at the closing of the quadrennial congress of L'Union St. Jean Baptiste d'Amerique.

Henri Ledoux, of Nashua, N. H., defeated Edouard Lajoie, of Fall River, Mass., by a 288 to 178 vote for president, and Elie Verina, of Woonsocket, R.I., received 290 votes against 181 for Emile J. Erard, of Springfield, Mass., for secretary. Both were re-elected.

Other members of the Board of General Officers, some of whom the anti-administration faction endorsed, were also re-elected.

In repeated efforts early in the Congress the party that grew out of the E. Daignault movement against the Catholic Church diocese of Providence, R.I., opposed administration policies and endorsed amendments whereby women might be national delegates and the president and secretary of each congress be elected from the floor. The minority dwindled in the voting on the final issues.

Lajoie, defeated for president, attributed the loss to the betrayal of many delegates who had pledged their support and to "political intrigue".

THEY TYPED THEIR WAY TO TITLES

What it takes to make a typewriter hum in errorless fashion, they have it—and they showed they had it at the 24th international typewriting contest held recently in Toronto, Canada. Pretty Belva Kibler of Tucson, Ariz., outclassed 41 state typing champions to win the Alfred E. Smith trophy she sits on above. At right is George Hossfeld of Paterson, N.J., who won the world's speed record with 135 words a minute for one hour.

SERIOUS COAL SHORTAGE IN BELGIUM IS FEARED

Twenty Collieries, Employing Ten Thousand Workers, Have Been Tied Up by Strike of Miners.

BRUSSELS, Oct. 19.—Twenty collieries, employing ten thousand workers, have been tied up by a strike of three thousand miners in the Mons district whose demands for increased wages were not fully met. The miners obtained increases of three per cent. and five per cent., but they asked five and ten per cent.

A serious coal shortage in Belgium is predicted unless the difficulty is settled immediately, the coal stocks now being less than 300,000 tons.

LONDON, Oct. 19.—James Flynn, 68, and his son, Francis, 32, were asphyxiated near here yesterday when they were overcome by natural gas fumes while digging a well.

The two men were not discovered until noon, and it was not until

MISS MacDONALD HOPES TO VISIT CANADA AGAIN SOON

Daughter of British Premier Wishes to Study Canada's Social Conditions and Visit Less Inhabited Districts.

OTTAWA, Ont., Oct. 19.—Miss Isabel MacDonald hopes to revisit Canada soon and arrange her itinerary in order that she might travel in the less inhabited districts. She made this known in the course of a brief address delivered at an informal reception held in her honor by the Ottawa Women's Press Club. Miss MacDonald also wished an opportunity to study Canada's social conditions and this was another reason for her desire to visit the country again. "I am extremely fond of this Dominion of yours," she said.

Nearly an hour later that the bodies were brought up to the surface by rescuers using grappling irons.

ENGLISH PROFESSOR HEADS INTERNATIONAL INSTITUTE

Alexander Pearce Higgins Elected President of Institute of International Law — Alfred Merinck, Louvain, Belgium, First Vice-President.

(Associated Press Despatch) BRIARCLIFFE, MANOR, N.Y., Oct. 19.—Alexander Pearce Higgins, professor of international law at Cambridge University, England, yesterday was elected president of the Institute of International Law, a body of eminent jurists from all over the world, which is in session here.

It also was voted to hold the next session of the Institute in Cambridge, England, in 1931.

Alfred Merinck, professor of the University of Louvain, Belgium, was elected first vice-president.

HOOVER IS NOT LIKELY TO TAKE UP TARIFF QUESTION AT NEXT REGULAR SESSION

With Senate and House in Deadlock, Enactment of Bill Before Special Session of Congress Closes on December 2 Regarded as Practically Impossible.

(Associated Press Despatch) WASHINGTON, D.C., Oct. 19.—Unless Congress completes action on the Tariff Bill at this special session it is quite unlikely that President Hoover will ask for such legislation at the regular session beginning in December.

With the Senate and House already in deadlock on vital provisions, enactment of the Bill before the special session of Congress expires automatically at noon on December 2nd, and is regarded here as practically impossible.

LINEN INDUSTRY LEADERS CONTINUE THEIR JOURNEY

Party Are Visiting Canada and U. S. to Study Modern Merchandising Methods, at Suggestion of Prince of Wales.

MONTREAL, Oct. 19.—Official delegates of the Irish and Scottish linen industry, in America to study modern merchandising methods at the suggestion of the Prince of Wales, will leave Detroit by Canadian National Railway on Wednesday, October 23rd, arriving at Toronto the following morning and leaving there for Montreal the night of Thursday the 24th.

They will spend Friday in Montreal before proceeding to Boston. Their itinerary in the United States includes New York, Washington, and Chicago. There are thirty in the party, which is headed by Hugh R. Ross, chairman of the Irish and Scottish Linen Guild. S. Clark is secretary.

Take Ice Regularly

Ice the Best Refrigerant

Ice Safe, Silent and Economical

The Cheapest and Most Useful Item in the Pantry

Of all the necessities in the pantry, ice is the cheapest, as not only is its first cost very small, but it saves much more than its cost in avoidance of spoiled foodstuffs.

Mothers and housekeepers are wise to take ice regularly, and always have some ice in the ice box. It pays to have it, even if it costs much more than it does—what ice saves in food and avoids in extra doctors' bills would make it economical to have.

Take ice regularly. Order it from any of the ice-dealers mentioned below. They guarantee pure ice and careful delivery.

NADIR KHAN ELECTED RULER OF AFGHANISTAN

Former Foreign Minister Under King Amanullah Named King of Afghanistan—Had Overthrown Bacha Sakao.

(Associated Press Despatch) LONDON, October 19.—The charge d'affaires of Afghanistan in London, last night had been "unanimously" elected King of the mountainous Asiatic country.

This notice came hard on the heels of official advice telling of the overthrow of Bacha Sakao, who set himself up as King after driving out Amanullah Khan and the latter's brother, Inayatullah. The advice indicated that the usurper had escaped, although many of his followers were captured when the citadel at Kabul was taken by troops under Shah Wali Khan, brother of Nadir.

The new ruler was formerly foreign minister under King Amanullah.

RECEPTION FOR NEW MINISTER AT STANSTEAD

Centenary Church Hall Scene of Welcoming Supper for Rev. Mrs. Morris.

STANSTEAD, Que., Oct. 19.—A very successful church supper was held in Centenary Church Hall, on Wednesday, October 16th, at 6:30 p. m., to welcome Rev. Mr. and Mrs. Morris, 114 being present. The ladies of the church provided the supper and the tables with candles, autumn and fall foliage presented a charming picture.

Rev. Herman and Mrs. Carson, and Rev. and Mrs. DeGruchy were guests and regrets were expressed over the absence of Rev. and Mrs. Conklin, who were out of town.

At the conclusion of supper, Mr. D. W. Davis, acting as chairman, gave an appropriate address of welcome to Rev. and Mrs. Morris. Mr. Morris responded and expressed the appreciation of Mrs. Morris and himself for the greetings of welcome expressed by the congregation and friends. Greetings from the Stanstead South Church were expressed by Mr. Carson, and from the Christ's Church, Stanstead, by Rev. Mr. DeGruchy.

And Mrs. Berry, of Beebe, rendered two vocal duets very acceptably.

A resolution of sympathy was proposed to be sent to Mr. John McIntosh, who is ill, voicing the regrets of the gathering over his illness, and hopes for his speedy recovery.

Dr. Moody a former pastor of Centenary Church and principal of Stanstead College, expressed his cordial greetings to Rev. and Mrs. Morris.

At the close of a very pleasant evening, the National Anthems were sung, and the gathering dispersed.
