Retreating Enemy Destroy Dams On Canals And Rivers

Allied Infantry Fights Through Increasingly Bitter Enemy Defences to Vicinity of Coin sur Deille Five Miles South of Fortress City—Germans Believed Attempting to Tow Some of Their Big Guns from Metz.

By WILLIAM FRYE, Associated Press Staff Writer.

London, Nov. 13.—(P)—The United States 3rd Army expanded a new bridgehead across the Moselle river north of Metz today, threatening the Germans' only usable railway connecting the fortress city with the Saar and developing a pincer grip on the enemy-held part of Thionville.

The German high command reported American troops had succeeded in "penetrating into Thionville."

London, Nov. 13.—(P)—The U. S. 3rd Army, plunging forward along a 70-mile front on both sides of Metz, tightened the huge pincers today around the German forces reported retreating from the fortress city and destroying the dams and canals and rivers to the northeast.

Field dispatches reported enemy troops were retreating toward the Saar along the highways still uncut, but already threatened, east of Metz in a corridor less than fifteen miles wide between the converging American attacks.

South of Metz, infantry fought through increasingly bitter enemy defences to the vicinity of Coin sur Deille, five miles south of the city. To the east armored columns were across the Nied River between Lemud and Herry, fifteen miles ahead of their positions when the offensive began five days ago.

North of Chateau Salins, other units had cleared the enemy out of the Chateau Salins forest and entered the villages of Chateau Brehain, Oron and Dalhain. Northeast of these positions, the 4th Armored Division had thrust a slender wedge to the vicinity of Rodalbe, due north of Dieuze, and had repulsed enemy counter-attacks from Morchening.

Despite this counter-thrust, German opposition along the entire front east of Pont a Mousson was still spotty, and — except immediately south of Metz — growing softer. North of Metz, the resistance became more determined, and American troops were fighting to regain the ground lost to a counter-attack in the Koenigsmauer bridgehead over the Moselle.

A few miles farther south, a new bridgehead was thrown across the Moselle at Uckange, four miles south of Thionville, and a field dispatch said it was being reinforced heavily and rapidly.

Long enemy columns, including many horse-drawn vehicles, have been seen moving eastward from Metz along two highroads. The Germans were believed also to be attempting to tow some of the big guns from the city.

With Lt.-Gen. Patton's offensive now entering its sixth day, American units driving behind Metz from positions south of the city thus far have cut the Metz-Saarlouis-Strasbourg and Metz-Forbach-Saarlouis railway lines. The Americans also have thrust within two miles of the Metz-Saarlouis line so that

REPORTS ABOUT HITLER GAINING ADDED WEIGHT

Proclamation Read by Himmler in Fuehrer's Name Said by London Officials to Have Had "Phoney Ring."

London, Nov. 13.—(P)—Recurring reports that Hitler is dead or incapacitated gained added weight today in the light of circumstances surrounding a broadcast yesterday in which Himmler read on the Fuehrer's behalf a proclamation calling upon the German people to fight to the death.

The official German explanation was that Hitler was too busy guiding Germany's destinies to appear personally before a microphone and read the proclamation, which he was said to have written.

Official British sources, however, which have always been cautious about commenting on Hitler rumors in the past, asserted flatly that the proclamation had a "phoney ring."

The text of the proclamation, which carried the solemn overtones of a last-ditch appeal, was a ghost-written effort by Himmler and Goebbels to curb rumors within Germany of Hitler's illness or death.

Germans have not heard a broadcast by Hitler since July 24, when a voice purporting to be his spoke over the radio to announce that a plot against his life the preceding day had been thwarted.

Yesterday's manifesto, sounding every appeal to steel the German will, was broadcast through the celebration of the November 8, 1923, Munich Beer Hall Putsch and mass swearing-in of men in the Volksturm, or German Home Guard. The Berlin Radio called it a "day of national rising."

Employing the use of the first person, the Hitler manifesto reiterated the Nazi bugbears on the menace of "International Jewry" and "Bolshevist Barbarisms," and declared:

"If in these times I speak seldom or little to the German people, this is due to my being at work in order to fulfill the tasks entrusted to me, and which must be fulfilled in order to turn our fortunes."

Those fortunes, the proclamation tacitly admitted, had not been going well for the Germans "since the Russian armies broke through the Romanian front on the Don in November, 1942, since the subsequent disintegration of the Italian and Hungarian formations, with all the severe consequences involved for our strategy."

The proclamation appealed strongly for fanatical Nazi loyalty to Hitler, and while promising that Germany would triumph despite every obstacle, declared: "We must be willing to sacrifice life in order to preserve life."

"Whoever attempts to sow doubts among others, whoever lifts a sword or throws a bomb against Germany, will be mercilessly and ruthlessly destroyed."

The proclamation was devoid of references to any German military offensive, but rather placed fervent emphasis on "fanatical spirit of resistance."

The Putsch celebration, the Berlin Radio said, had been delayed from November 8 until yesterday in order

Final Total In Victory Loan Will Approach \$1,500,000,000

Ottawa, Nov. 13.—(P)—Canada's seventh victory loan has gone over the top with a bang, latest figures showing subscriptions of \$1,402,956,100 against the minimum objective of \$1,300,000,000, and the final total is expected to approach \$1,500,000,000.

National Headquarters announced Sunday that Saturday's purchases of \$114,826,350, one of the largest single day's totals ever recorded, boosted the loan \$102,956,000 over the minimum quota.

They added that many "millions of dollars" of purchases still remained to be recorded and it was "obvious" that the final figure would not be far short of the \$1,500,000,000 mark.

Further reports, based on delayed figures, will be issued Wednesday and Saturday.

The total to date is approximately \$110,000,000 higher than the final figure for the Sixth Loan last spring, when the objective was \$1,200,000,000. The objective of this three-week campaign—\$1,300,000,000—was the largest amount ever sought through public borrowings in Canadian history.

Saturday's total of \$114,826,350 included approximately \$15,000,000 purchased by the armed forces overseas and in Newfoundland, which had not been included in the original objective of \$1,300,000,000. The cause overseas returns were carried in a separate account.

Individual Canadians purchased \$71,432,050 Saturday, bringing their total to \$669,183,050, approximately \$106,000,000 more than their final figure in the Sixth Loan.

The number of applications to date also was higher, totalling 2,793,895 against 2,571,238 six months ago.

Finance Minister Halsey issued a statement describing the over-subscription as a "magnificent achievement."

"The public support has been maintained at an inspiring high level right from the opening day of the campaign," he added. "The armed forces, with purchases of more than \$52,000,000, have surpassed all their previous figures. The determination to make this loan an outstanding success, combined with the unflagging efforts of the Victory Loan organization itself, has brought a result of which all Canadians may well be proud."

Quebec, New Brunswick and Prince Edward Island went over the top during the weekend, reporting over-subscriptions of their minimum objectives both for individual and over-all purchases.

The record of the armed forces was impressive. A total of 473,044 service men and women brought bonds worth \$52,296,000 to the \$13.1 per cent of their combined objective of \$40,800,000. With complete returns still lacking, the figure was \$4,713,400 ahead of their final figure for the last loan.

Service personnel overseas subscribed \$14,669,750 while those in this hemisphere invested \$37,626,250.

The Army total was \$27,664,900, 132 per cent of a \$21,000,000 quota and nearly \$3,000,000 over the Sixth Loan total. It included \$10,163,050 from overseas and home subscribers of \$17,501,850.

The Navy reported \$6,082,000 for 126.3 per cent of its \$4,800,000 objective, including \$355,000 from overseas and \$5,727,000 subscribed in Canada.

The R.C.A.F. was nearly \$1,000,000 ahead of its previous record at \$13,569,700, 123.7 per cent of a \$10,900,000 quota. Overseas airmen invested \$4,511,000 while those in Canada bought \$14,058,000.

Former Minister States Conscription Of Zombies Only Answer To Problem

Ottawa, Nov. 13.—(P)—Col. J. L. Ralston last night gave the first glimpse of his recent report to the cabinet trying that Home Defence draftees be sent to the Overseas reinforcement stream immediately.

Today, he continued answering letters from hundreds of persons who told him they supported his stand and he prepared to start a vacation. It was reliably learned that he was not interested in a reported move to form a political coalition of conscriptionists.

It was his report that created a Cabinet crisis following the Colonel's return from a battlefront tour. And when he found his recommendation was not to be accepted and he could get no assurance the Government was committed to this policy he tendered his resignation "as requested by the Prime Minister."

The Colonel had been silent on his resignation and last week had issued a brief statement indicating it was up to Prime Minister Mackenzie King to give the "details."

Since that time Mr. King had given a radio speech to the nation and Col. Ralston said in a statement last night he felt the Prime Minister's summary of his report to the Cabinet "is not sufficiently complete."

"What is particularly important," he said, "is that the summary gives no indication of the necessity of sending additional infantry reinforcements at the earliest possible moment." Casualties for all branches of the army were lower than estimated, casualties for the infantry were higher.

He made no mention of the announced policy of his successor, Gen. McNaughton—that the voluntary system of recruiting for Overseas was to be continued. But he declared that untrained men enlisted now could not be ready for battle until June whereas 8,000 sufficiently trained draftees could be in the battle areas by January 15th.

It was true there were just about enough infantry reinforcements in the battle areas to bring units up to strength but there was not a sufficient backlog from which to meet any unexpected increase in casualties in a particular engagement.

He found the pools "so depleted as not to ensure the prompt replacement of casualties." The estimates of casualties were made on the basis of experience already gained up to the intensity of activity up to January.

In making estimates, full allowances were made for volunteer infantry reinforcements which could be counted on, and he realized "the need which had arisen could not be met by enlisting untrained men."

The best forecasts were that by the end of December "a considerable aggregate shortage of infantry would have developed. For the following months the forecast was that the aggregate infantry shortage would progressively increase month by month in the new year."

He could not agree with the alternative that he felt was apparent—the alternative of reducing commitments or breaking up formations. And it appeared "clear" that enough volunteers could not be made available to meet the need.

So he came to the conclusion that the only "practical relief for the urgent situation" was conscription for Overseas of the drafted men.

The best estimate was that it

MUCH-DAMAGED TIRPITZ AGAIN HIT BY R.A.F.

Heavy Allied Attacks on German Synthetic Oil Plants Reported to Have Curtailed Production of Fuel for Vengeance Weapons.

London, Nov. 13.—(P)—The German battleship Tirpitz was attacked yesterday by a force of 32 R.A.F. heavy bombers, and hits by 12,000-pound "earthquake" bombs were scored on the much-damaged vessel, the Air Ministry said today.

Meanwhile it was announced that heavy Allied attacks on German synthetic oil plants have seriously curtailed production of fuel for robot bombs and V-2 rockets.

The Lancasters which hit the Tirpitz landed away from base and details of the attack were not immediately available. The Air Ministry said they would be issued when interrogation of crews and examination of photographs of the ship were complete.

Other reconnaissance photographs of large sections of the Ruhr where the enemy has been manufacturing synthetic fuel show factories either destroyed or heavily damaged. Fuel consumption of the vengeance weapons—particularly V-2—is believed enormous.

Each rocket burns an estimate 2,500 gallons of fuel a minute, so that in a five-minute flight from their launching sites they use 12,500 gallons—to deliver between one and two tons of explosive.

Since November 1 approximately 10,000 British, Canadian and American bombers have participated in attacks on the oil plants. The attacks were temporarily halted by bad weather during the weekend, giving its first raid-free Sunday in many weeks.

German industrial and military targets have been blasted with 638,880 tons of explosives through October 31 by American heavy bombers of the 8th and 15th Air Forces, the U.S. Strategic Air Force in Europe said yesterday in a summary.

Germany felt the weight of 330,000 tons.

Since the 8th Air Force began operations from Britain in August, 1942, and the 15th from Italy in November, 1943, the fighters and bombers have destroyed 15,210 enemy planes, getting 12,640 in the air and the rest on the ground.

Combined American losses were 5,708 bombers and 2,449 fighters, the report said.

The War Today

By DeWITT MACKENZIE
Associated Press War Analyst

Developments on the Western Front indicate Lt.-Gen. Patton again has been assigned one of those tough pioneering jobs which he does so well—this time to strike the real opening blow of the all-out Allied offensive against the Rhine defences.

This isn't to say that Patton necessarily has been chosen as spearhead of the big drive. That will be decided later in accordance with developments, and it may be that this task will be to run interference for another army which is carrying the ball.

However, the U. S. 3rd Army's thus far successful offensive in the strategic Metz sector bears the earmarks of being the curtain raiser.

Patton's thrust about both sides of the powerful Metz fortifications towards the great Saar Valley industrial region strikes me as being the first of several attacks which we may expect to be mounted along the extended Allied front at intervals. If this is what's under way we shall have a fresh demonstration of tactics which have served the world's generals for centuries.

The idea is that you hit your enemy a hard blow at an important point. Then when he withdraws forces from another sector to reinforce the spot attacked, you slam him in the zone just weakened. If he calls on some other spot for help, you hit him there as well. Finally when one of these enemy defences begins to cave, you pile in heavy reinforcements in an effort to break through there.

Of course the success of these tactics on the Western Front depends on the Allied forces' vastly superior striking power, as fortunately they have in all categories.

The Germans know what's happening to them but they haven't sufficient strength to stage counter-drives to keep Gen. Eisenhower off balance. They've got to depend largely on the Siegfried Line and that wide, swift river which in itself is a most formidable barrier.

What the Nazis don't know is where Eisenhower intends to stage the break-through along his 450-mile front. Perhaps he doesn't know himself, although he has a shrewd idea.

Observers rather expect the main Allied attack to come on the north. A highly important reason is that the great port of Antwerp lies directly behind that northern front. One of Eisenhower's pressing problems is to maintain the vast stream of supplies necessary for a grand offensive. Antwerp is likely to be his mainstay.

Soviet Pressure Increased On Budapest With Fall Of Monor

London, Nov. 13.—The Red Army, already in the southern outskirts of Budapest, increased its pressure on the besieged Danube river capital today with the capture of Monor, 14 miles to the southeast, and the seizure of enemy positions within 30 miles to the east.

A broadcast Moscow communique announced the fall of Monor, which meant the Russians had swept the Germans from nearly all of the 50-mile Budapest-Szolnok trunk railway.

In the push from the east the Soviet troops fanned out from captured Ujeasz, a junction on the secondary Budapest-Szolnok railway, drove 11 miles through Tapiozgyorgye and Tapiozele and captured Farnos, 30 miles from Budapest, the communique disclosed.

Dispatches from Moscow said today that furious counter-attacks by German and Hungarian troops failed to dislodge Soviet spearheads from their positions in the southern suburbs of Budapest.

Meanwhile a communique from

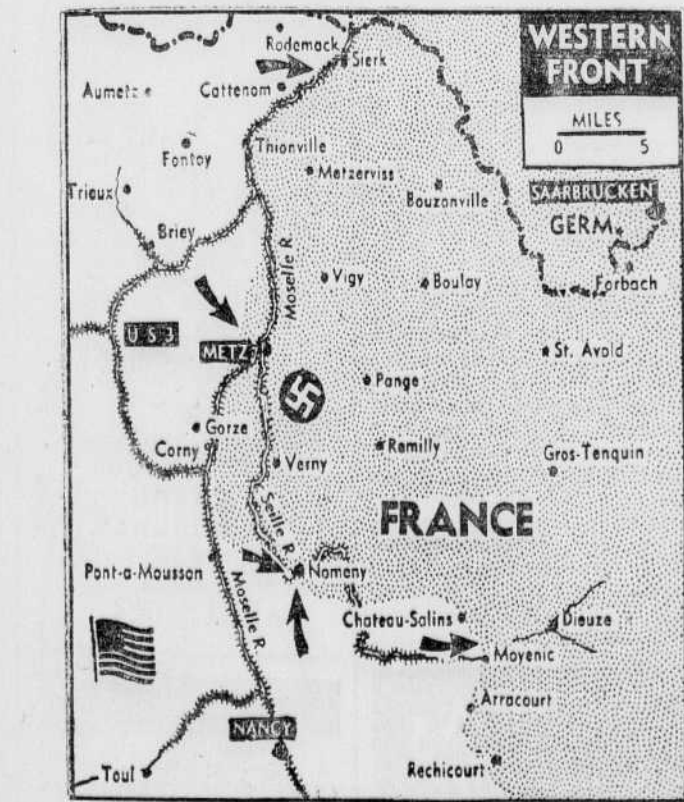

Marshal Tito's headquarters said his troops were storming Skopje, a city of 65,000 in southern Yugoslavia on the Belgrade-Athens railway, and an important German position protecting the southern corridor through which some of the 100,000 enemy troops threatened with entrapment have been fleeing from the southern Balkans.

Both Berlin's broadcast and the Tito bulletin asserted that large numbers of Russian troops were surging across the Danube river near Aptin in northern Yugoslavia, moving westward to flank the Hungarian capital and also to head off the German retreat from the south.

The Russians announced that they killed 800 enemy troops and seized Mezokovesd, a strategic road town 65 miles northeast of Budapest.

A Soviet column that pushed northwest of Ujeasz captured the rail station of Boldoghaza in a six-mile march along the railway to Jaszbereny, last major Axis bastion guarding Budapest from the east.

Patton Starts New Drive

Crashing through from Pont-a-Mousson to the edge of Nomeny, General Patton's Third Army develops major thrusts in the sector between Metz and Nancy. Patton's new drive is considered an attempt to outflank Metz and drive to the Saar Basin.

Cenotaph Ceremonies New Inspiration To Victory

Throng In Sherbrooke Honors Men Who Sacrificed Lives In Last War For "Short Truce"

Canadian men-at-arms of two wars stiffened at a familiar air: The sounding of the "Last Post."

There were strong young men — a company of steel-helmeted soldiers from the Lord Sherbrooke Training Centre—standing row upon row.

Older men, few of them untouched by grey, men old enough to be their fathers, men who laid aside their uniforms more than a quarter century ago.

It was shortly after the noon hour yesterday, and all around the Cenotaph on King Street West—on the walks, on the streets and in the windows of nearby houses about the square—many hundreds of persons were gathered.

The sounding of the bugle had hardly ceased when a voice, crisp and loud of the R.S.M. was heard: "Present arms!"

So Sherbrooke observed the traditional two-minute silence in honor of the fallen.

This Armistice Day ceremony had a significance beyond anything it possessed. For it was the first time since the cease fire order was given to millions of men in combat in Western Europe during the war of 1914-18.

Many of the grey-haired veterans

were standing in the war-torn wastes of Northern France and Belgium when the Armistice was proclaimed.

Now it is another war and to the roster of comrades which the old veterans have honored in memory year after year for a quarter of a century, new names have been added.

On the south side of the monument were many dignitaries, representatives of the Armed Services and of the Province, City and Church. Colonel the Hon. Johnny Bourque, Provincial Minister of Lands and Forests, Mayor J. W. Genest and some of the Aldermen were there.

Below, lining the open space surrounding the monument, were the Veterans, the Legion, Reserve Army units, Army and Air Cadet Corps and Girl Guides and Boy Scouts. The flags of the color guard blazed across the square in the face of a stiff wind.

For these and other veterans, the Sherbrooke Regiment Band played while the vast crowd awaited the ceremony to get underway. Then a pause. The Rev. E. A. Wright, Pastor of St. Andrew's Church, recited a prayer, a short one. But it fitted the occasion, fitted the thoughts of the many hundreds who watched.

Through the service so far hundreds of eyes were riveted on four men, the sentries stationed at the four points of the Cenotaph. With their heads bowed, they kept guard over the spirits of the dead.

All was silent until the bugle sounded "Reveille." When it was over the dignitaries and the plain people laid wreaths at the Cenotaph. Among these were Col. Bourque, Mayor Genest, John Fitzsimons, President of the Canadian Legion, representatives of the different chapters of the I.O.G.E. and public bodies and veterans' organizations.

"The crowd sang 'O Canada' and 'God Save the King,' after which the dignitaries and the armed men departed.

Proceeding the impressive ceremony, the various units which attended the church services, paraded down Wellington Street to the Cenotaph. A special service was held for the Sherbrooke Regiment at St. Peter's Church, while others were conducted at the Trinity United and Plymouth Churches.

Col. H. D. Hedley, M.C., V.D., Commandant at the local Internment Camp, took the salute at the reviewing base in front of the Bank of Montreal on Wellington Street.

SELECT JURORS FOR ASSIZES SEDITION TRIAL

Selection of the jury for the second Court of King's Bench trial of Mrs. Theodore Provencher, 55-year-old fortune teller, charged with conspiring to interfere with recruiting and inciting army desertion, was started this morning.

Mrs. Provencher, acquitted last week on the first of fourteen charges laid against her under the Criminal Code and Defence of Canada Regulations, in the second case is charged with having conspired with Andre Belisle, Napoleon Poulin and others.

A mixed jury of six English and six French-speaking members sat for the initial hearing, but the procedure for the choosing of a jury for the second trial has been changed. In this particular case, an all-French-speaking jury is being selected.

Lennoxville Woman Proud Of Tears; Names Of Five Sons On Honor Roll

By ELIE M. BARKET

Lennoxville, Nov. 13.—She stood in front of an eager crowd, a timid, slight woman who, in the brief silence while those attending the honor roll dedication and Armistice Day ceremony here yesterday bared their heads and remembered the dead, thought deeply of her one killed in action and another reported missing.

She was Mrs. Lyman Paige, who unveiled the war memorial for the municipalities of Lennoxville and Ascot, on which is inscribed the names of five of her sons.

The tiny tears which coursed gently down her cheeks were not, she insisted stoutly, caused by grief but were a "visible demonstration of her pride."

"One died," she murmured simply. "Another was reported missing," she added. "My two sons. They grew up together, you know, and were very close."

"It seems like yesterday and I still keep them in my memory, as they were when I last saw them, strong and healthy."

Mrs. Paige, who has twenty-five grandchildren, stood next to her husband, a quiet and unassuming "grand-daddy" as she called him. She walked slowly towards the Roll of Honor to unveil it and pulled a rope which dropped the Union Jacks draping the war tablet.

She jerked the ropes quickly with her wrinkled hands—to keep forever the memory of her sons and the memory of thousands of sons all over the world.

There were many more in the huge throng gathered for the twenty-sixth anniversary of the ending of the First Great War, who had nothing left but their memories. It was visible on their faces.

Looking over the crowd there were grey-haired men with faltering stride, whose thoughts were not so much on the first war, but who were thinking of sons scattered throughout the civilized world holding the line in this war against despotism.

Mrs. Paige is a grand old lady. Following the unveiling, many of the citizens of Ascot and Lennoxville shook her hand.

But an ominous silence settled over the crowd when she went to the Honor Roll, after the ceremony, and looked at the "P" listing on it. There she saw the name "Paige" and counted with her shivering finger: One, two, three, four, five.

"They are the names of my five sons," she said.

To this reporter she related a short biographical sketch of each of

RE-DEPOSITING OF 53RD COLORS IS IMPRESSIVE

Over 185 officers and men of the 53rd Regiment, commanded by Lieut.-Col. B. D. Lyon, E.D., Officer Commanding, paraded in the brisk autumn weather, in one of the most impressive military ceremonies ever staged locally, in the ceremony of the re-depositing of the old 53rd colors, at St. Peter's Church yesterday.

The old colors of what is now the Sherbrooke Regiment were originally presented to the Regiment in 1868, and were first deposited in St. Peter's in 1922, where they remained until about a year ago, when they were removed and underwent cleaning and repairs.

Yesterday's ritual carried out by the Sherbrooke Regiment carried with it the time-hallowed symbolism that crowned the first service seven, ty-six years ago, when the first colors were deposited with the Regiment.

The congregation grew hushed as the regimental band, under the direction of Lieut. H. Haverd, became audible from without the church. Then came the knock at the door, as Captain H. L. Cleveland, Regimental Adjutant, sought entrance into the church for his comrades for the purpose of re-depositing the gold, maroon and blue colors of the Regiment.

Admitted to the church by Rev. Russell F. Brown, who officiated at the service, a color party, headed by Col. Lyon, entered slowly with the colors, marching towards the front of the church, where the Officer Commanding declared his will to re-deposit the colors for safe-keeping "before the Almighty, who alone makes victory possible." After the playing of God Save the King, during which the guard presented arms, the colors were handed to Rev. Mr. Brown, who took custody of the regimental symbol.

The impressive ceremony recalled some of the Regiment's early history, during the Fenian Raids, which threatened Canada prior to Confederation, at which time it was first formed, to guard the border against possible invasion. And in delivering his sermon, Rev. Roland Palmer, S.J.E., who assisted in the service, spoke of the meaning of the motto inscribed on the colors—"In this sign we conquer," and what it meant to the assurance of peace and righteousness.

He declared that this world struggle which we are presently engaged in, is only a part of a "far greater war that is always going on, and I suppose that it will continue to do so until the end of time, when the kingdoms of the world will become the kingdoms of Our Lord." He called upon all men and women to fight against evil and wrong wherever it may exist, and that although the going might be tough and they might feel that they have been forsaken they should continue to fight on and uphold the right.

The lesson, taken from Hebrews, chapter 12, was read by Col. Lyon. Upon completion of the church service, which was a prelude to the Remembrance Day ceremonies, the regiment paraded to the cenotaph to take part in the armistice celebration.

Acting as an escort at the St. Peter's Church service were members of the Sherbrooke Branch No. 10, Canadian Legion, B.E.S.L., the Veterans Guard of Canada and ex-servicemen of the present struggle.

Lennoxville And Ascot Honor Roll Dedicated At Former Municipality During Remembrance Day Ceremony

Lennoxville and Ascot held their annual Remembrance Day ceremony Sunday afternoon when the Roll of Honor for the two municipalities was dedicated at Lennoxville at the same time. The memorial bears the names of 801 citizens of the two places, with sixteen listed as dead or missing. Lennoxville with a population of 2,000 has 15 per cent in the armed services.

Unveiling the monument was Mrs. Lyman Paige, of Lennoxville. The Honor Roll carries the names of five of her sons, one of whom was killed in action and another reported as missing.

"With proud thanksgiving, let us remember them," said the Rev. Elton Scott, of Bishop's University, member of the Honor Roll Committee, who addressed the gathering.

"The citizens of Lennoxville and Ascot have erected this Honor Roll which will help us keep in mind those who are absent from us today on active service," he said.

Explaining that the memorial is only a temporary one, he stated that it will be replaced after the war with something of a permanent nature.

He then added: "The men whose names are here are serving and dying for something better. Now is the time to study and plan what we are going to do to help carry out their purpose for a better life when they come home."

Prof. Scott pointed out that recently a Civilian Committee was formed in Lennoxville with a twofold purpose—to help with re-employment and industrial relations and to assist with social problems that may arise in connection with the returning men and women.

"We must see that our troops have everything they need when the war is over," he continued.

"We must also look to the future. Some people have suggested the need for a community hall and recreation grounds for the young people. Whatever is really needed, we must do our part."

He warned that "no sacrifice which we will make, will be too great. It will be small in comparison with what they are doing for us."

Prayers were led by the Rev. A. Jones and the Rev. Father J. A. Godbout. The big throng joined in the singing of the numerous hymns, accompanied by the Sherbrooke Salvation Army Band.

After the unveiling, Prof. Scott

IN THE WOMEN'S SPHERE

Blouse, Hat And Gloves Now Cut From Same Bolt

The high-style, long-sleeved blouse, hat and gloves cut from the same bolt of special-weave jersey. Norman Norell, a New York fashion trend setter, believes in all of this business so strongly that he carries his all-in-one theme through an entire collection, beginning with the sweater dress that you wear at 9 a.m. and winding up with the bejeweled affair in which you saunter forth to outshine the stars.

To create patterns that you won't see everywhere—out-of-the-ordinary jacquards, color combinations in stripes, and newcomer checks, and to outwit sag, bulge and too-revealing cling—special-weave jerseys are used. Sometimes these make sweater tops which are combined with wool skirts for daytime wear, with long velvet sheathes for after-dark stepping out, but always gloves and turbans are matched to the important upper half of the outfit to make torso, hands and head look all-of-a-piece.

You see examples of this "better packaged" look in the two sweater costumes above:

Natural and black stripe wool jersey make the turban, gloves, and middie blouse of the sweater dress which tops a black wool skirt at right.

Matching turban and gloves turn the unobtrusive gray and white checked wool jersey dress at left into an impressive costume, for which there is a rhinestone-buckled leather belt and a specially designed two-strand necklace of gray and white choker pearls to complement the carigan-type neckline.

Friends of Mrs. G. Stuart Grant, of Westmount, formerly Miss Vera May, of Sherbrooke, will regret to hear that she is a patient in the Homeopathic Hospital, Montreal, where she underwent an operation on Tuesday. Latest reports state that Mrs. Grant is progressing favorably.

Mrs. George Lothrop and Mrs. T. F. L. Cohen entertained the members of the W.M.S. very delightfully at the close of the regular meeting in Plymouth Church Hall, over which Mrs. W. G. Cross presided. The devotional period was in charge of Mrs. J. E. Dorian, and afterwards Miss Annie Baldwin sang the lovely solo, "Shepherd Take Me By the Hand," by Stephens. Mrs. W. G. Cross acting as accompanist. Mrs. A. V. Sutherland and Mrs. A. V. Corlett further reviewed the study book for the year, following which the meeting adjourned. The hostesses served a delicious salad tea. Mrs. A. V. Corlett doing the honors and Mrs. Norman Flint assisting.

INTERESTING SESSION HELD BY INSTITUTE

The regular monthly meeting of the Lennoxville Women's Institute took the form of an evening meeting in the club room. Mrs. A. E. Abercrombie presided and after the usual opening of Salute to the Flag, Prayer for the Allied Forces and the collector, the secretary, Mrs. E. L. Akto, read the minutes and correspondence. Mrs. F. Glass acted as treasurer.

During the business a report of the banquet for the Rebeckas held in the Scott Hall was given by the convener of the Ways and Means Committee, Mrs. F. Glass, which was most satisfactory. Mrs. H. Waller, convener of War Services, reported 5 ditty bags packed and shipped to the Navy League and that of the wool distributed for knitting for Norwegian relief, one eight-year-old boy's outfit was completed and was on display. This consisted of one sweater, one pair stockings one pair mitts and one cap. Another set was in the making and a good amount of Red Cross work was accomplished by the members. Mrs. Wallace also reported she had attended a meeting for the purpose of forming a rehabilitation committee to serve the town of Lennoxville and the township of Ascot. The Blue Cross hospital plan was discussed and members were asked to report for membership as soon as possible.

Circular letters from Mrs. Dow and Mrs. Smallman were read and fully discussed. It was decided that this branch would pay the expenses of printing the programmes for the coming year. Members were urged to subscribe to the Victory Loan and a \$50 bond was purchased by this branch. A wreath was also purchased to be laid at the cenotaph on Remembrance Day.

Mrs. R. E. Mather gave a detailed report of the county meeting held in Milby.

A special feature of the evening was the pleasure of having as guest speaker Mrs. G. Khuring, Provincial Convener of National and International Relations, who brought a very stirring message on the world of today and the part we must take to help other countries.

Guests from Ascot were also welcomed and at the close, lunch was served by the hostesses. Mrs. McLean and Mrs. Nutbrown, and a social time was spent.

Mrs. William Towle, who has been a guest for a week of Mr. and Mrs. G. Pouliot, Frontenac Street, has returned to her home in Newport, Vt.

Mrs. Paul H. Morin, of Montreal, who spent the week-end in Sherbrooke visiting her aunts, Mrs. Richardson and Miss Tracey, Ball Street, has returned to the metropolis.

Mrs. Milton Cruickshank has returned to her home on King George Street, after spending the past few days in Montreal, at the home of Mr. and Mrs. Ernest Hutchison, to be near Mrs. Robert G. Cruickshank, of Lennoxville, who accompanied her to the metropolis and is a patient in the Royal Victoria Hospital, where she has undergone an operation.

Ever one of Autumn's most popular social events, the annual Nurses' Dance, given under the patronage of the Sherbrooke Hospital Alumni Association at the Chateau Frontenac on Saturday evening, was a brilliant and successful replica of former years. By a happy coincidence the 1944 dance was held on "Remembrance Day," the date nearest to which has always been selected by the Association for its annual celebration. Mrs. E. G. W. Taylor, President of the Association, who acted officially as hostess, informally received the many guests in the reception hall, where Mr. E. G. W. Taylor very kindly acted as cashier, while Mrs. Fred Simpson and Mrs. Gerald Osgood in the capacity of ushers, very efficiently conducted the patrons to their tables, on which gleaming red "Poppies" formed the appropriate place cards. In honor of November 11th, the never to be forgotten first "Armistice Day," Union Jacks formed the chief decorative motif, while "Poppies" for "Remembrance" were artistically arranged about the rooms, and together with red, white and blue streamers formed an appropriate setting for the throng of guests who so much enjoyed the delightful hospitality of the Association, extended and enriched by the courtesy of Mr. Fred Conway and the staff at the Chateau Frontenac. G. Gagnon's orchestra was in attendance and refreshments were served a la buffet, making complete the excellent arrangements so efficiently carried out by Mrs. Taylor and her "Association Corps."

WOMEN'S CLUBS

SHERBROOKE LIBRARY LADIES' COMMITTEE

The regular meeting of the Ladies' Library Committee was held at the home of Mrs. S. N. Bacheider, Sixth Avenue. In the absence of the President, Mrs. Milo Lothrop, the chair was taken by Mrs. Everett Bayley, Vice President.

The Treasurer, Miss A. Evelyn Bradley reported a substantial balance on hand in spite of the fact that a considerable sum had been spent on the purchase of new books since the last meeting.

Plans for the Annual Christmas Sale of Fancy Work and Knitted Articles, as well as a Salad Tea were discussed, and the date set for December 16th, in the Plymouth Church Hall.

Mrs. A. H. Cross reported on the very successful Food Sale for the benefit of the Library on October 20th last, in Milford's Store. A vote of thanks was tendered Miss Milford for her generosity in this connection.

After adjournment of the business meeting a pleasant social hour was enjoyed when the hostesses served tea.

DARK BASE HIDES RINGS UNDER EYES

BY ALICIA HART

Knowing how to camouflage the ravages after a big cry, and tell-tale shadows after a big evening, is one of the best tricks you can pull out of your hat.

Have on hand for either emergency or a dark powder base, even if you don't normally like to go that deep into tawny color. It's not as flattering as you think, and it makes a blessed mask when you've something to hide.

After foundation is applied, blend in very little, if any, cheek rouge—rosiness under shadows or stains only points up what you want to play down—and put on your usual shade of powder.

Go easy on the eye make-up. The less you use, the less attention eyes will attract. But bear down heavily on lip rouge, and put on fresh red on lip rouge, and put on fresh red on lip rouge, and put on fresh red on lip rouge.

RICHMOND

The Women's Missionary Society of the United Church met at the Manse, Mrs. M. Armitage, the President, presided and conducted the worship period assisted by Mrs. J. Mitchell, Mrs. A. MacRae and Mrs. T. Mitchell. A very beautiful poem entitled "Re-Consecration," was read by Mrs. A. MacRae. After the reading of the minutes by Mrs. A. A. Macartney, the departmental reports were given. Mrs. W. Moreland, Baby Band Superintendent, reported that a very successful Baby Band party had been held in the Memorial Hall. Mrs. A. MacRae stated in her report that twenty calls had been made during the month by the members. Mrs. C. B. Boast invited the members to attend the C.G.I.T. Re-affiliation Service to be held in the Memorial Hall, and to assist in the ceremony. The Secretary was instructed to write to Mrs. H. Jones and Mrs. J. A. Grady expressing the very deep love the local Society had for them by their removal from this vicinity. Mrs. Jones and Mrs. Grady were interested and active members for several years. Plans were made for a "Self-Denial" programme at the next meeting. The committee appointed to arrange the meeting has composed of Mrs. A. A. Macartney, Mrs. M. Armitage, Mrs. A. Norris and Mrs. C. B. Boast. The third chapter in the Study Book, "West of the Date Line," was reviewed. The meeting closed with the Mizpah Benediction. Delicious refreshments were served by the hostesses, Mrs. T. Mitchell.

Mrs. H. P. Stone has purchased "The Birches," on Aberdeen Ave., the former residence of Mrs. P. C. Duboyce.

The drawing for the cushion donated by Mrs. F. A. McKee for the Sherbrooke Hospital took place recently. C. W. Armstrong drew the ticket and the winner was Mrs. James Gunter.

Smith's many friends will be pleased to know that he has recovered from his accident. He had the misfortune to fall and fracture his leg. LAC. James Smith, of Greenwood, has been spending several days with his parents, Mr. and Mrs. P. Smith.

Mr. Lloyd Boast, of Frelighsburg, spent a week-end with Mr. and Mrs. L. R. Boast, College Street.

Rev. I. Mitchell and Mrs. Mitchell spent a day in Victoriaville.

Miss Bernice Beattie has been appointed President of the Quebec-Sherbrooke Young People's Union, and Mr. Errol Taylor, Vice-President.

Mr. and Mrs. Gordon L. Wintle have returned from Enfield, N.H., after a week's visit.

Mrs. J. Linahan had the misfortune to fall and injure her shoulder. She has been a patient in the Sherbrooke Hospital.

Mrs. N. Lampron, of Spooner Pond, was a guest of her daughter, Mrs. Henry Loisselle, and Mr. Loisselle.

Mr. H. Clark and Miss Muriel Clark, of Montreal, spent a week-end at their home, on College Street.

Mrs. Henry Loisselle entertained in honor of her sister, Miss Doris Lampron's birthday. During the evening cards were played, after which the hostess served refreshments.

COWANSVILLE

The Women's Institute met at the home of Mrs. J. D. Smith, with an attendance of forty. Dunham W.I. ladies being guests. The President, Mrs. Wisdom, was in the chair, and opened the meeting by repeating the collect of the Women's Clubs. The subject of the roll call was giving the name of a noted leader in the prosecution of the war. Much information was gained. The minutes read by the Secretary, Mrs. Smith, were approved as read. The committees reported that eighty ditty bags had been filled and sent to the Navy League. The contents were donated by Iron Hill Institute members, Masons, Rebekahs and Cowansville members. The Halloween party given to keep the children off the streets was attended by between three and four hundred children. Games were played, prizes being given and lunch served to all at the close. A vote of thanks was given to the teachers for their assistance. A letter was read from Mrs. Smallman regarding ditty bags, Victory Loan, Red Cross Plan, educational survey and money instead of jam. Letters were read from several in Grade VII thanking the Institute members for the prizes received at the Halloween party. It was reported that the "Health Magazine" will now be fifty cents per year, or two years for one dollar. Miss Fletcher, Provincial Secretary, who has just returned from visiting Institutes at

MIND YOUR MANNERS

The Situation: Your five or six-year-old is having a birthday party. Wrong Way: You go to the door to invite the young guests into the house, leaving your child to play with the children already present.

Right Way: Have your child greet his guests at the door and you stand by without interference unless some situation arises in which you have to take a hand. (There is no better way to teach a child the duties of being a host or hostess than by giving him a chance to act as such at his own parties.)

Gaspe and the Provincial meeting, gave a very interesting talk on her trip and W.I. Fair in that vicinity. She reported that five hundred ditty bags had been made in the Province. She also showed several samples of various work done at Macdonald College, which was appreciated by all. The meeting then adjourned and delicious refreshments were served by the hostesses, assisted by Mrs. Hamilton and Mrs. Buzzeil.

Brompton Consolidated School Holds Education Week Ceremony

Windsor Mills, Nov. 13.—In connection with Education Week being observed throughout the country, parents and friends were invited to attend the Windsor and Brompton Consolidated School.

The purpose of Education Week is to help parents to learn more about modern school practices. To ensure better understanding of the aims and needs of the school and to remind them that "education is indispensable to the maintenance of the democratic way of life."

A large number of parents and friends accepted the invitation and were interested spectators at the various demonstrations presented by the pupils.

Edward Tanner and Bruce Beaton acted as ushers and conducted the guests to the different class rooms. Grades I, II, and III, under the direction of Miss M. Boa and Mrs. J. J. Watt gave a delightful performance of choral speaking and a rhythm band.

Grades IV and V under the direction of Mrs. N. Beaton held a spelling match.

Grades VI and VII under Miss A. Boisvert gave an amusing French play, and demonstrated black board work, the subject being French verbs.

Grade IX under the Principal, Miss D. Welch, demonstrated the practical uses of geometry. Grades X and XI under the direction of the Chemistry mistress, Mrs. G. Witly, performed some experiments, which were watched with much interest and in which several of the parents were asked to take part.

There was on display an outfit made by the pupils for a little girl of four years, which will be sent to the Junior Red Cross Society, for one of the bombed out victims.

After the dismissal of the pupils, Miss Welch addressed the parents and friends. She thanked them for their attendance and interest and outlined plans previously brought forward by the Women's Institute for the formation of a Parents and Teachers Association, in Windsor.

A great deal of interest was taken in this proposal and it was decided to hold a meeting on Thursday evening, November 16th, in the school, when a further discussion on the matter will take place.

I.O.O.F. DISTRICT MEETING

The annual district meeting of District No. 1, I.O.O.F., was held at Windsor. At 7 p.m., a splendid supper was served by the Willowdale Rebekahs in St. Andrew's Church Hall, after which the Odd Fellows marched to their headquarters for the meeting.

The meeting was called to order at 8:45 p.m., by the Noble Grand, Brother Irwin Robinson, Jubilee Lodge No. 31.

A very interesting meeting was held with a review of activities during the past year for the good and welfare of the Order.

The Grand Master presented 25-year veterans' jewels to Brother H. Perkins, P.G., of Windsor, and Brother C. Gould, of Jubilee Lodge No. 31.

Short addresses by Grand Lodge officers and visiting brothers were enjoyed, after which the meeting closed.

Mr. and Mrs. D. E. Moore were guests in Waterloo, called there by the death of Mr. Ernest Wright, Mr. Wright was a resident of this place for many years in his early life, and his remains were brought to Fulford Cemetery for interment on October 29.

News has been received of the death of Mrs. John Harvey, formerly Miss Hannah Hall, of Iron Hill. Mr. and Mrs. Harvey owned and operated a farm here for some time until age and poor health made a change necessary, and they sold their farm and moved to Waterloo about twelve years ago. Mr. Harvey died a few years afterwards.

Mrs. Harvey's death occurred in Matlock, Man., where she went to be with her sister, Mrs. Ernest Jardine, Mr. Jardine and family. Her remains were brought to Waterloo and buried beside her husband on November 8. Funeral services were held in the United Church.

Mrs. Stephen Galer is visiting friends and relatives in Lyndonville, Vt., and North Troy, Vt.

Elder and Mrs. C. Long and son, Denis, of Magog, were supper guests of Mr. and Mrs. Eben Fessenden.

Mr. and Mrs. Gordon Rumsby and family, Mr. and Mrs. William Rumsby, Mrs. Minnie Rumsby and Mr. and Mrs. Fred Rumsby and daughter, Sheila, of Iron Hill, were guests of Mr. and Mrs. Floyd Williams, the occasion being to extend congratulations to Mr. and Mrs. F. Williams on their twentieth wedding anniversary.

The Guild of St. Stephen's Church met at the home of Mrs. Reid, and was well attended, and a pleasant and profitable afternoon was spent.

Mrs. Lucia Fessenden and her daughter, Mrs. Elton Webb, returned home from a five weeks' vacation spent with their son and brother, J. Frederick Kemp, his wife and family, in Vancouver, B.C. While in Vancouver, they also visited Victoria, B.C., and New Westminster, B.C., and spent two days in Seattle, Wash. On their return, they spent a day in Calgary, Alta., and two days in Toronto, Ont., where they were the guests of Mrs. C. F. Taylor and Miss Daisy Stanford.

Mr. Elton Webb and family, of Asbestos, spent a week-end at "The Island," with Mrs. Fessenden, and Mrs. Webb returned to Asbestos with her family, after a very pleasant trip and holiday.

Mrs. Mildred Sweet, of Iron Hill, spent a week-end as the guest of her cousin, Mrs. Lucia Fessenden.

ULVERTON

A farewell party was held in the Dunkley Memorial Hall for Miss Doris Davidson, who has left here and has accepted a position in Toronto, Ont. During her stay here she has taken an active part in both the Women's Association and the Young People's Union. Refreshments were served by members of the Y.P.U. and the Women's Association, after which Miss Davidson was presented with a purse by the President of the Y.P.U., who wished her the best of luck in all her undertakings. In a few well-chosen words, she thanked her many friends for their kindness. The evening was brought to a close by singing, "For She Is a Jolly Good fellow," and "Blest Be the Tie That Binds."

RICHMOND C.W.L. HOLDS REGULAR MONTHLY MEET

Richmond, November 13.—The regular meeting of the Junior Sub-division of the Catholic Women's League, was held in the Knights of Columbus Hall, with the President, Miss Antoinette Lirahe in the chair, and a large number of members present.

The minutes of the preceding monthly session were read by the Recording Secretary, Miss F. Geofrey. In the absence of the Corresponding Secretary, Miss A. Pearson, many letters of importance were read by Miss Isabel McGovern. These included an important Circular from the Honorary Treasurer, Convent of Magdalene, Convent of the Holy Family, and the British Empire Service League congratulating the Juniors on their wonderful success at the Street Fair, where at the Peas Booth, they sold \$168.70 worth of peaches.

After the usual formalities, reports were received from the conveners of standing committees, revealing continuing and persistent effort in carrying out the League programme. One member reported that she had distributed over 100 ration books recently.

It was quite evident from the report of the War Work Convenor that the Juniors had come to the fore and had generously co-operated with the Red Cross in providing comforts as well as necessities for the soldiers and refugees. Ten ditty bags are being completed to be sent to the Catholic Sailor's Club, Montreal, and a large box of Catholic Literature and Religious Articles are being shipped to the Sisters of Service in the Canadian West. Work on the home front, however, is not neglected in spite of heavy calls for war service members have all volunteered again this fall to spend one evening a week sewing and knitting.

A Resolution of Sympathy was adopted and a card was sent to Mrs. Theresa Fowler, at the loss of her brother killed overseas recently.

Of particular interest were the final plans for the Dinner to be held on Nov. 27, at which Reverend Canon Ira Bourassa, Pastor of the Cathedral, will be the honored Guest-Speaker. The Diocesan President of the C.W.L., Mrs. Arthur Marcotte, will also address the members and all are looking forward to a very enjoyable dinner. Enthusiasm in the sale of the tickets for the affair and cushion which will be raffled at the dinner is of much interest, as the proceeds will be used for War Purposes. All members, both Senior and Junior, are cordially invited by the President and her group of officers, to attend this get together.

Housing Is Topic Of Address To Stanstead Group By John Bland

Stanstead, Nov. 13.—Residents of the Three Villages and vicinity had the opportunity of two interesting speakers last Tuesday evening at Stanstead College, in connection with the International Community School. The speaker at the general assembly hour was John Bland, head of the School of Architecture at McGill University, whose subject was "Housing and Community Planning in the Post-War World." Among other things the speaker said, "This problem must be approached from the human angle. People want to live in houses that they like, not houses that are built according to some arbitrary housing scheme. The great need in Quebec is for proper housing for people of smaller incomes. A great building programme could be planned that would fit into even rigorous northern climate and keep men employed all year round. Housing schemes must tie in with larger plans for whole communities."

The other speaker was Dr. Elizabeth Kundert, Vermont State Psychologist, who spoke to the members of Dr. Milroy's Psychology Class. Dr. Kundert, speaking from her own wide experience in the field, distinguished between Psychiatry, Psycho-analysis, Psychology and Mental Hygiene. Her own work as State Psychologist, deals very little with the mentally ill, but largely with clinical study of healthy minds that have failed to make certain adjustments, sometimes because of a physical handicap, such as deafness or poor vision. She mentioned two very commonplace fundamentals in maintaining happy relations with others the following: First, show appreciation of whatever is good in another's conduct. Second, don't fan the flame of dissatisfaction, but help to get the other person's viewpoint. She pictured graphically the oceans of opportunities for misunderstanding that exist between the intended meaning of comments and attitudes, and the interpretations which others may put upon those comments and attitudes.

Prior to the session she spoke informally to members of the High School class of the Universalist Church School in Derby Line.

"I am Brave Eagle," said the red Indian chieftain, introducing himself to the paleface visitor. "This is my son, Fighting Bird." "And here," he added, "is my grandson, Four-Engined Bomber."

Officers for the year were elected as follows: Mrs. Harold Stewart, President; Miss Gloria Fraser, Principal of the High School, Vice-President.

Already there is a large number of members and an attractive programme has been drawn up for the year. It is hoped that all parents and interested friends will join this Association and try to bring about a closer relationship between the home and school than has existed in the past.

Lieutenant-Governor Of Kiwanis District At Meeting At Waterloo

Waterloo, Nov. 13.—The regular meeting, held weekly, of the Waterloo Kiwanis Club was held in the Waterloo Hotel with 26 members in attendance. The President, Peter Gunter, called on Fred St. Denis to introduce the guests, four in all, from the Granby Kiwanis Club.

Joseph Macdonald, the joint chairman of the Victory Loan Committee in the County of Sherbrooke, gave the last-minute Victory Loan standing in Sherbrooke, showing Waterloo with 91 per cent of their objective achieved, and Granby with 92 per cent of theirs.

Bob Millinchamp offered his report on the preparations for Charter Night, and the President asked Arthur Pinder to introduce the guest speaker, Dr. Malcolm O. Good, of Cornwall, Ont. Dr. Good is the Lieutenant-Governor of Kiwanis for this division, including the provinces of Ontario, Quebec and the Maritimes.

The speaker began his speech by warning that it was not in reality a speech, but rather a talk, telling them about Kiwanis, and answering any questions they might wish to ask. He also brought greetings from the Governor, John Linklater, of Noranda, and greetings from several of the clubs of this district.

Dr. Good congratulated the Waterloo Club on its decision to form in a Kiwanis Group, promising that there would be no regrets, but rather definite advantages. Such a club has an opportunity of drawing from the experience of 123 other clubs, with 134,000 members. Kiwanis International has been organized for twenty-nine years, and any club under its jurisdiction would have the benefit of years of experience. The Lieut.-Governor then reminisced about his early Kiwanis experience. He joined his club eighteen years ago, and attended regularly for one year, but could not see any definite advantage in remaining a member, so he left of his own free will. He remained away from Kiwanis for two years, but then he became homesick, and he did not realize why. But he did discover that the friendships he had created in the one year he was in the club meant much to him, and the more he pondered the idea, the more he became infatuated with the desire to return. He made an advance in that direction, and, as he put it, his mother club was very kind and accepted him once again.

Dr. Good then related several amusing personal experiences, and reiterated accomplishments of several Kiwanis clubs. To name only a few, he mentioned that over 181 packages of cigarettes have been sent to the boys overseas, and over 44 million dollars' worth of Victory Bonds were sold by Kiwanians in the fifth Victory Loan. In any community, he went on, if there is an important job to be done, nine times out of ten, a Kiwanis member is the one who does it.

The speaker then took his audience, as he put it, from the top of the Kiwanis executive ladder, right down to the individual member, showing the intricate organization, executive ability, standards practiced, committee structure and general duties, step by step. He told how to create, efficiently functioning club committees, and in general summed up a Kiwanian's aim, and his duties in accomplishing them successfully.

Dr. Katz very ably thanked the speaker on behalf of the audience and expressed the desire that his return to this club would be in the very near future.

Peter Gunter then announced next week would be Charter Night, and also asked for the full support of all members in the coming Blood Donors' Clinic, to be held on November 29 in St. Luke's Hall. "O Canada" was sung in French and the meeting adjourned.

A meeting of the Board of Directors, under the chairmanship of the President, and the Charter Night Committee, under Robert Millinchamp was called after the regular meeting, with Dr. Good supervising.

STANSTEAD

KING OF THE ROYAL MOUNTED.

Stanstead, Nov. 10.—Speaking on "Education For Peace" before the Public Assembly of the International Community School here on Wednesday evening, November 10, Professor Louis F. Benet, of the Department of Education, Dartmouth College, outlined the common problems of Canada and the United States, and urged that histories could be written that should truly tell of the development and struggles of each country. Rather than histories that tell only of victories and the good things, there should be histories that set forth honestly both the virtues and faults of each country.

The war, Prof. Benet said, has caused our whole educational system to do some thinking for the future, and to wonder if the present educational standards and curriculums meet the needs of the day. It is a question of relative values: if we fill up our time with study of the same studies that we have pursued in the past, will we not arrive at the same results? And which of us, looking back over the history of the last forty years, should be satisfied with the booms and depressions, the doles, the forays of pressure groups upon the common wealth, the ghastly mistakes and shortcomings of leaders in business and statesmanship alike, the terrible wars "to end war" which prove futile because the peace-makers have not been taught the lessons of history.

"What, then, must be taught, if we are to expect better results? There are certain experiences that are common to practically all of our citizens. They will all vote, enjoy health or fight illness, earn, spend or invest money, mix with neighbors of various creeds and racial back-

grounds, express their opinions and read papers and periodicals that either reflect the prejudices of some wealthy publisher or the sentiment of some big advertisers. In most cases they will marry, raise a family and either make a bet or a success of rearing their children. They will have much more time for hobbies, pleasure and travel than their parents ever had. They will live in a greatly contracted world. They should be taught how to play, and how to get along with other people, other races, other nations and nationalities.

"Who knows what will follow this present conflict? Either a harmonious division of the spoils among the Big Three, with the Axis nations crushed, but still, revengeful and biding their time, or a split among the present United Nations, with each side arming for the final showdown and Japan and Germany

throwing their weight to the faction that makes the highest bid. "The third possibility: universal disarmament, a generous peace, navies and air power limited to a revived and strengthened League of Nations, and the abandonment of white exploitation of dark-skinned peoples, is a pipe dream, its failure laid at the door of the education of the past."

"We must get our young men ready to face either one contingency or the other. Both call for drastic changes in the subject matter to be taught. Education always has lagged."

Parents and friends accepted the invitation of Principal E. C. Amaron to visit the College on Tuesday, November 7, where they were

cordially received by members of the staff. A pleasant feature was held in the Household Science rooms, where Mrs. E. C. Amaron and Mrs. G. L. McIntosh received the guests and where delicious refreshments and tea, prepared by the Household Science group of young ladies, was served, with Mrs. Johnson pouring tea.

The speaker at the Public Assembly this week was Professor John Bland, of McGill University, who spoke on Post-War Housing.

Mr. Wayne Hall, Inspector of Schools, paid a visit to Stanstead.

Mr. and Mrs. R. B. Macdonald, of Montreal, were guests of Mr. and Mrs. Harry Perkins. Channell Perkins, of the R.C.A.F., is a guest of his parents, Mr. and Mrs. Harry Perkins.

Continued interest is shown in

the local Blood Donors' Clinic, which is held in the Red Cross Rooms in the Southern Canada Power Building. Seventy-two were present as donors, sixteen were new ones. The next Clinic will be announced later.

Lieut. L. B. Bliss, who has returned from Overseas, is a guest of his parents, Mr. and Mrs. Charles Bliss.

Warrant Officer James R. Bulman is spending some time in Ottawa.

Professor Bland, of McGill University, Montreal, was a guest in town, and gave an interesting address on "Housing," at the International Community School, held in Pierce Hall.

The KIDS ARE CERTAINLY TOUGH ON SHOES!

1,300,000 MORE PAIRS OF CHILDREN'S SHOES LAST YEAR

In the last twelve months Canadian manufacturers made for Canadian children about 25% more shoes than in 1939—a fine job—done by the organization and direction of production by this Board's Footwear Administration and the co-operation of manufacturers. And this was accomplished while they were making many more essential type shoes for war workers, who wear out their shoes faster than they do in their normal employment.

THE DISAPPEARING ACT OF RUBBER-SOLE SHOES

In normal times most young Canadians got at least one pair of rubber soled, canvas-top shoes a year. But natural rubber supplies fell into enemy hands, and the manufacture of rubber footwear was drastically curtailed. We're now using reclaimed and synthetic rubber in these shoes—there have been more of them this year and there will be more next year. Leather-soled shoes have had to be used in place of this rubber-soled footwear but shoes made of leather need more care than running shoes. When they don't get it they wear out more quickly; when they get wet they must be dried slowly, away from direct heat—and they should be greased also. It's not always a case of poor quality; it's poor care.

LEATHER GOES TO WAR

You've got to have good strong leather for children's shoes but the soldiers are taking most of ours for their boots. For these leathers, a substantial portion of the hides came from South America and other countries. War cut down these imports and there have been difficulties in getting enough of these and our own hides tanned into leather due to shortage of workers. The production of high grade leather shoes has,

however, been maintained at the highest level consistent with the labour and materials available. While shoe factories have been working overtime, factory capacity for civilian shoes cannot be expanded in wartime and it's not possible to change plants from the manufacture of one type of shoe to another,—for instance, from women's to children's. The processes, the machines and the lasts are different.

TURNING HIDES INTO SHOES

There are very large war uses of leather—for instance, in footwear. A soldier requires four pairs of shoes in the first year of his service and about three pairs per year thereafter. But what is more important, he needs to have his shoes re-soled four or five times a year. His shoes are of the

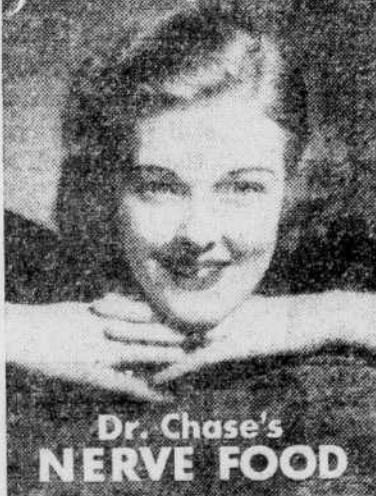

highest quality leathers obtainable, leaving the other grades of leather for civilian use. Airmen need leather for jackets and mitts. War factories need leather for belting and farmers need leather for harness. Leather—the best leathers—has gone to war.

School At Knowlton Holds Exercises And Programme Commencement Day

Knowlton, Nov. 13.—The Lake View Hall was filled to capacity, when Knowlton High School held its Commencement Exercises. A varied and interesting programme was presented and prizes were distributed to the successful pupils.

The programme consisted of the following items: "O Canada," by the school; recitations by Robin Bolton and Arlene Pettes; violin solo, "The Glow Worm" and "Humoresque," by Jacqueline Miller; moving pictures, "The Flying Deuces," starring Stanley Laurel and Oliver Hardy; "Little Bo-Peep" and "Little Boy Blue," by Beverly Beckus and Alden Mizener; and a piano duet by Joan Taylor and June Boyd.

Principal Marshall in his address expressed his appreciation of the attendance of so many parents, and thanked the pupils, teachers and members of the School Board for their co-operation during the year, stating that in all his experience he had never worked with a more congenial staff than he had during the past year. He then complimented Miss May Hextall, who has just received the Order of Scholastic Merit, saying that it was not only an honor to Miss Hextall, but also to the school. Miss Joan Taylor then came forward and presented Miss Hextall, who was taken completely by surprise, with a bouquet of red roses.

The presentation of prizes then took place, with Principal William E. Marshall, Mrs. George H. Robb, Regent of the Sir John Fisher Chapter, I.O.D.E., and L. M. Knowlton, Chairman of the School Board, making the presentations.

EDUCATION WEEK
Education Week commenced here with special services being held in both St. Paul's Anglican and the United Churches. On Sunday morning, November 5, pupils of the Knowlton High School and their teachers attended divine worship at St. Paul's Anglican Church, where a special service was conducted by the pastor, Rev. K. C. Bolton.

In the evening, at the United Church, E. C. Woodley, of the Department of Education for the Province of Quebec, was the guest speaker.

The pastor, Rev. R. A. Mitchell, and Rev. K. C. Bolton, assisted in the service.

MASQUERADE PARTY
A Halloween party, under the auspices of the Senior and Junior C.G.I.T. groups took place in St. Paul's Church Hall, with their leaders, Mrs. K. C. Bolton and Mrs. Robert Mitchell, in charge. Games and contests were enjoyed throughout the evening and prizes were awarded as follows:

Prize for the funniest costume, Mrs. R. A. Mitchell, as an old lady; best costume, Jacqueline Miller and Sheila Taylor, as tramps; best costume, June Spencer, as a witch.

The prize for the best decorated lunch box went to Avery Scott.

BIRTHDAY PARTY
Mrs. L. Tuxen entertained several young friends of her daughter, Birgit, who was celebrating her ninth birthday.

Games were played throughout the afternoon, after which a delightful lunch, including a prettily decorated birthday cake, was served.

Miss Birgit received several nice gifts.

COLFAX LODGE
Colfax Rebekah Lodge No. 29, met in regular session in the I.O. O.F. Hall, with the Noble Grand, Mrs. George Porritt, in the chair.

The minutes of the last session were read by the Secretary, Mrs. C. C. McClay, and approved, and the Treasurer, Mrs. H. A. Pettes, gave her report.

Fifteen members answered the roll call, and there was one visitor present.

The meeting was brought to a close in ritual form, after which refreshments were served.

CANADIENS AND CONCORDIA WIN IN J.A.H.A. GAMES

Canadiens Juniors snatched up the leadership in the J.A.H.A. standings as they won two games over week-end, defeating the Royals 4-3 on Saturday and winning over Verdun yesterday afternoon by a 4-1 score.

Canadiens saw Hayden give them a 1-0 lead in the first stanza, to be followed up by Perron's goal in the second to bring the count to 2-0. Casavant scored for Verdun in the second to bring the count to 2-1 but Burnett scored near the end of the period to give the Junior Canucks a 3-1 margin. He scored again in the third for the Canadiens' last goal, giving them a 4-1 triumph.

In another J.A.H.A. game, the Concordia Civics gained a close 6-5 decision over the Verdun squad on Saturday as part of a doubleheader in which the Canadiens whipped the Royals 4-3.

Unleashing a third-period assault, Concordia scored four markers to shade Verdun 6-5.

SHAWINING BLANKS FLYERS 2-0
The Shawinigan Falls Cataracts opened their season in the Inter-Provincial League at Shawinigan by trimming the Cornwall Flyers 2-0 in a fast, hard-hitting game. About 5,000 watched the game.

The Cataracts' goals came in the third period after the teams had battled for two periods without scoring. Jules Trudel and Roger Brodeur were the Shawinigan marksmen.

The Cataracts are now tied for second place in the standings with the Lachine Rapids and Valleyfield Braves, while the Cornwall Flyers still retain their first-place standing.

LOYOLA LOSES TO WEST HILL BY 1-0 SCORE

The West Hill Red Raiders edged out a thrilling 1-0 win over Loyola College on Saturday afternoon to win the Montreal Senior High School crown. The contest was witnessed by over 6,000 wildly cheering fans.

The turning point in the bitterly waged encounter came in the first quarter when a concentrated West Hill rush put the ball on the Loyola 12 after a 63-yard dash by Bill Smith. Don Macquisten then lifted a boot behind the Loyola goal posts and Loyola backfielder Sutherland was nailed for a rouge to give West Hill a 1-0 lead which they were never able to enlarge upon nor which the Loyola men were able to erase.

West Hill, through the win, earned the right to meet Ottawa in an inter-city championship series, with the first game scheduled for next Saturday at Ottawa.

Champaign.—Chuck Smith, Illinois freshman tackle, earned eight letters in four sports at Elgin High last year.

Tar: "Do you like bathing beauties?"

Solt: "Dunno; I never bathed in."

"Do you know the language of perfume?" Heliotrope, for instance, means, "I love you," and rose, "I am worthy of you."

"And I suppose absence of perfume means, 'I have nothing to say.'"

"No; it means, 'I haven't a scent.'"

Dedication Of Honor Roll Is Held In United Church At Philipsburg

Philipsburg, Nov. 13.—A most impressive service was held in the Philipsburg United Church on Sunday, November 5, when the honor roll, bearing the names of those from the entire parish of St. Armand West, who have enlisted on active service, was unveiled and dedicated.

There was a large congregation present on this occasion, many being present from the other churches as well as a number from out of town.

The service was conducted by the pastor, Rev. T. W. Tyson, and the hymns sung were "Faith of Our Fathers," "Lord of the Lands" and "O Master Let Me Walk with Thee." The choir, which was augmented by members of the St. Paul's Anglican Church, rendered the anthem, "O Valiant Hearts," following which the honor roll was unveiled and dedicated by the pastor, Rev. T. W. Tyson. The names appearing on this roll were then read by G. L. Kidd and are as follows: Rev. T. W. Tyson, John G. Perry, E. Hill Perry, Henry Cadorette, James Cadorette, Douglas Stewart, Thomas H. Montgomery, Hugh Symington, Fletcher Ritchie, Francis Perkins, Romeo Jourdeais, David O. Ross, Edward Piche, Sr., Edward Piche, Jr., J. Stuart Allan, Lillias Krane, Charles Groves, Emmitt Luke, Avery Maskell, Randall Maskell, Walter Shepard, Alphonse Fortin, Wilfrid Gaudreau, Georges Fortin, Robert Solomon, Harold Johnston, Benjamin Clark, Ernest Berthiaume, Antonio Dinarko, Raymond Campbell, John A. D'Artois, Roger Gaudreau, Charles Duhamel, Douglas Kirk Jack Halp, Robert Slee, Howard Maskell, J. A. H. Marier, Edwin Ryehard, Lawrence Roy, "Melvin Harrison, Barclay Christison, Alan Maxwell, Russell Maxwell, James Maxwell, Larry Crothers, William Gibson, Francis Quinn, J. C. Messier, Clarence Parrott, Jean Lou-

is Messier, Eleanor Evans, George H. Duhamel, J. Lucien Mayrand, Paul E. Messier, Roland Brouillette, Agnes Symington, Ruby Maxwell, June Solomon, Lloyd Solomon, Holland, Ronald Sornberger and William Guthrie.

Those marked with an asterisk were killed in action.

CARD PARTY
The ladies of the United Church held the first of a series of card parties in the hall. Cards were played at fifteen tables.

The prize winners were Mrs. W. Brown, of Bedford, Mrs. Marlin Crothers and Mrs. J. Smith; gentlemen, Marlin Crothers, F. Young and Donald Hajje. The War Certificate was won by P. Roy.

Refreshments were served and a pleasant evening was enjoyed.

Sgt. Hill Perry, of the Allied Control Commission, of Italy, of the U.S.A., is spending a furlough here with his mother, Mrs. James Smith, and Mr. Smith.

AYER'S CLIFF
Mr. D. B. Keet received the news that his only sister, Mrs. Edna Keet Stolkner, of Worcester, Mass., had passed away. She was the daughter of the late Mr. and Mrs. David Keet, one of the old pioneer families to settle in the Eastern Townships in 1866, on the road between Magog and Fitch Bay, now known as Crystal Lake or Lovering Pond. Mr. Keet is now the last of the family of fourteen children, and he is in his ninety-first year. Sympathy is extended to him in his bereavement.

Mrs. R. G. McHarg was a visitor in Sherbrooke, and was a dinner guest of Mrs. Sidney McHarg.

Mr. and Mrs. L. O. Piercy and Mr. and Mrs. Forest Keet and little daughter, Helen, of Beaufort, spent a short time here and visited Mrs. Piercy's mother, Mrs. Minnie Sherman, while the gentlemen enjoyed a hunting trip.

Mrs. Frank, who has been visiting at the home of Mr. and Mrs. Charles Cass, has left for Tomifobia, where she will visit at the home of Mr. and Mrs. Fred Scoteaux, and call on old friends en route to Newport, Vt., where she will spend a few weeks with her sister, Mrs. John L. Stevens, and Mr. Stevens.

Mrs. R. B. Dushin has returned from visiting at the homes of Mr. and Mrs. R. B. Martin, in Montpelier, Vt., and Mr. and Mrs. Carl Sample, in East Barre, Vt.

Miss M. A. Milette and Miss Mildred Paul were visitors in Sherbrooke.

The Red Cross Society acknowledges with appreciation two quilts from the Heathcote ladies and a hand-knitte afghan from Mrs. J. E. DeMerritt.

Mr. Edwin Davis was in Sher-

brooke, where he visited his daughter, Miss Violet Davis, at the Sherbrooke Hospital. Her friends will be pleased to learn that she is very comfortable, and all trust that she may soon show a marked improvement.

The many friends here of Mrs. Earle S. Beerworth, of Coaticook, who is a patient in the Western Division of the Montreal General Hospital, will be pleased to know that her operation was successful and that the latest word is that her condition is very good. All hope that she may make a steady and speedy improvement.

Mrs. Willard Rexford spent a few days in Stanstead with her daughter, Miss Violet Davis, at the Sherbrooke Hospital. Her friends will be pleased to learn that she is very comfortable, and all trust that she may soon show a marked improvement.

Mrs. H. L. Bacon has returned home from Morse's Line, Vt., where she visited her sister.

Miss Marie Bessette and Miss Carol Pierce spent a week-end in Montreal with the former's brother-in-law and sister, Mr. and Mrs. Stephen Auger.

Mr. and Mrs. William Warner, of Beebe, and Mr. and Mrs. Cecil Dolloff and daughter, Ruby, of Fitch Bay, were business visitors in town.

Mr. Wendel Cass, of St. Lambert, Mr. and Mrs. Wendall Smith and sons, Anthony and Brian, of Greenfield Park, and Mr. and Mrs. Stuart Cass, of Montreal, spent a week-end at the home of Mr. and Mrs. Ralph Cass.

Miss Marguerite Gill is visiting in Fitch Bay at the homes of Mr. and Mrs. Earl Remick and Mr. and Mrs. Fred Leroy.

Mr. and Mrs. Percy Baldwin, of Stanstead, were visitors at the home of their son, Mr. Sidney Baldwin, and family, and accompanied them to Sherbrooke, where they spent the afternoon.

Mrs. J. A. Wilder has gone to Sherbrooke, where she will spend an indefinite time with her son-in-law and daughter, Mr. and Mrs. Irving Moulton, due to Mrs. Moulton's illness.

Stainless Steel

1934

GAINED WORLD RENOWN

WHEN the Burlington "Zephyr" sped like a silver bullet on its first run from St. Paul to Chicago in 1934, the fame of a new structural material rang around the world. True, Stainless Steel had been used as early as 1916, but for the first time the amazing strength and rust proof qualities of Stainless Steel were utilized by modern designers and engineers to revolutionize railway construction. This new train was completely encased in Stainless Steel (8% Nickel, 18% Chromium), so thin—yet so strong—that weight and operating costs were reduced, and hours cut off its running time.

Soon this alloy was being used in airplanes, automobiles, hotel and hospital kitchens, in the pulp and paper, oil and chemical industries. Another new market for Nickel with far-reaching peacetime possibilities was thus developed to replace and overshadow the war markets lost in 1918.

Today Canadian Nickel is again diverted to war purposes, and again the industry looks to the future with confidence. Plans are ready to develop and expand old and new peacetime markets, so that the Nickel Industry may continue through its own initiative and enterprise, to make still greater contributions to Canada's welfare.

OBITUARIES

MR. JOHN HOOPER, OF HILLHURST.

Hillhurst, Nov. 13.—There passed away at the Sherbrooke Hospital after a tragic accident, John Hooper, of Hillhurst. It was a great shock to the community to learn of his untimely death at the age of fifty-six years. He was well known in Compton, where he lived at "Sunny Braes Farm," with his brother and sister, Edward and Gertrude Hooper.

He was a man of sterling character, always ready to help those in distress. His cheery voice and ready wit will be greatly missed by his family and a large circle of friends and neighbors. A lover of the soil, his whole life was spent in the improvement of land and livestock.

He was the sixth youngest son of the late Richard Hooper and his

wife, Susan Lee Parsons, of Devon, England, and was born at Youlden, St. Pancras, Devon, Devonshire, England. He came to Canada with his parents and a large family of brothers and sisters, of whom three brothers and two sisters preceded him.

He leaves to mourn his loss two brothers, Edward, of Hillhurst, and Alfred, of Sherbrooke; and five sisters, Gertrude and Mrs. Victoria Edwards, of Hillhurst, Mrs. E. A. McKee, of Dixville, Mrs. L. E. Whitehead, of Boston, Mass., and Mrs. H. G. Lennox, of Granada, Colo.; two sisters-in-law, Mrs. Thomas Hooper, of Pictou, N.S., and Mrs. Alfred Hooper, of Sherbrooke; two brothers-in-law, C. O. Edwards, of Hillhurst, and E. A. McKee, of Dixville, and several nephews and nieces, James, John, Percy and Mary Hooper, of Pictou, N.S., James, Charles, Gordon, Mary and Gertrude Lennox, of Granada, Colo., Mrs. Mayhew, of Rapids, B.C., Mrs. Weymout Reid, of Sidney, N.S., Lawrence E. Whitehead, of Three Rivers, Mrs. Cecil Wells, of Sherbrooke, and Ross Edwards, of Hillhurst.

The funeral service was held from his late residence on Saturday, October 21, at 2 p.m. by Canon Kelly, at the home led by Canon Kelly, Compton, where the beautiful service of the Church of England was held by the rector, Canon Kelly. The choir sang two favorite hymns of the deceased, "Rock of Ages" and "Nearer My God to Thee."

Interment was made in the family lot in a Compton Cemetery. The profusion of flowers testified to the love and esteem in which he was held. The bearers were Messrs. Maurice St. Laurent, Fred Gill, B. S. Ingham, George Johann, Stephen Broderick and Arthur Batchelder.

Among those from a distance attending the obsequies were Messrs. Elliot, Cyrus McCrea, Oliver Cromwell, Ives Pope, C. B. French, John French and Robert McDonald, of Cookshire, L. M. Thomas, Edward Wright, Rev. Roy Stafford and George Johann, of Coaticook, John Ross, C. Ross, George Lavallo and F. J. Hopkin, of Sherbrooke, Howard and Nichol, Clifford Brown, Albert Reynolds, Norman Beach, B. S. Ingham and M. Reynolds, of Lennoxville, L. E. Whitehead, of Shawinigan Falls, Messrs. Ralph Bennett and Staples, of Montreal, Fred Bennett, of Bury, Albert Merrill, of Richmond, Lee Poweroy, of Montreal, Bradley Hartwell and Lloyd Hartwell, of Hawley, and many friends from nearby districts were also present.

MRS. ANNIE PHILLIPS, AYER'S CLIFF.

Ayer's Cliff, Nov. 13.—Death again visited this place and took Mrs. Annie Phillips home on Saturday, November 4, following a week's illness at the home of Mr. and Mrs. Cecil R. Jones, where she was lovingly cared for by Mrs. Jones, Mrs. Kenneth Cooper, Mrs. R. E. Auld and Miss Vivian Richardson.

The deceased was the eldest daughter of Mr. and Mrs. Edgar Henry, of this place, and was a half-sister of the late Mr. Benjamin Tyler, also of this place. She leaves a sister, Mrs. Minnie Foster, of Norwell, Mass., who is the last remaining one of the Henry family.

Besides the sister are two nieces, Mrs. Helen Tremblay, of Barton, Vt., and Mrs. Idelle Denters, of Montreal, and two nephews, Messrs. Earl and Cecil Tyler, both of this place.

Mrs. Phillips was seventy-three years of age, and for fifty years has lived on a small farm just south of the village, and has carried on business successfully until a few years ago, when she was ill, and since then has been obliged to live a less active life.

The funeral was held on Monday, November 6, in St. George's

Church, and was conducted by the rector, Rev. W. J. Belford.

The bearers were Messrs. Earl Tyler, Cecil Tyler, William Coffey and Albert Jensen.

Burial took place in the Ayer's Cliff Cemetery.

The deceased was a kind neighbor, and was throughout her years an active, bright, quick-thinking person, who was always interested in current events and kept up on world news by her reading. The sympathy of the friends and neighbors is extended to Mrs. Foster, who has throughout the years kept in close contact with her sister, and who reached her bedside shortly before her passing.

TORONTO GAINS SPLIT IN WEEK-END GAMES

Beat Canucks 3-1 But Lose To Detroit By 4-2 Sunday Night; Rangers Finally Leave Cellar

Rangers Topped Wings Saturday by 5-2 Score and Tied Bruins 5-5 Yesterday — Canadiens Beat Black Hawks 4-2 Sunday — Queen City Squad Still Leading League, Two Points Ahead of Habitants.

By ERIC SANDERSON,
Canadian Press Staff Writer.

Early season predictions that almost anything can happen in the 1944-45 National Hockey League campaign were borne out during the week-end when the three top teams each won and lost a game and Lester Patrick's lowly New York Rangers jumped out of the basement position.

More than 60,000 spectators witnessed five top-notch games, highlighted by the defeat of the league-leading Toronto Maple Leafs and a win—their first since last January 22—and a draw by Rangers.

The Leafs, facing their toughest assignment of the season and led once again by veteran Dave (Sweeney) Schirmer, downed the Stanley Cup champions, Montreal Canadiens, 3-1 on home ice Saturday night for their sixth successive victory, but were handed a 4-2 beating by Detroit Red Wings at the border city Sunday. Canadiens partly made up for their loss by winning 4-2 from Chicago Black Hawks on the latter's home ice Sunday.

In the only other Saturday night contest, Rangers broke a long losing streak by defeating the highly-rated Detroit Red Wings 5-2 for their first victory this year in five starts. The Patrikmen then played to a 5-5 tie with Boston Bruins Sunday to send them into a fourth place tie with Boston, each with three points.

Chicago's loss drops the Hawks into the cellar.

LEAFS TOP CANUCKS 3-1

Toronto's victory over the Canadiens was their second this season, having won 4-1 at Montreal earlier. Much of the credit goes to their rookie netminder, 26-year-old Frank McCool, who played a sensational game. Schirmer's master workmanship, however, and the all-around polished offensive continuity of the Leafs paved the way for the goals. Gus Bodnar, captain of Toronto's top line of Bodnar-Schirmer-Carr, netted the only goal of the first period and drove in one other puck in the final session. Schirmer whipped in the other goal and got an assist on Bodnar's second. Less than

three minutes before the final whistle Buddy O'Connor backhanded a shot behind McCool to rob the Leaf custodian of a shutout.

WINGS STOP LEAFS

Detroit's victory over Toronto came after a hard-fought and roughly-contested game in which 12 penalties were meted out to each team. The Wings checked the Bodnar-Schirmer-Carr combination to a standstill, and while Detroit never trailed, Leafs came from behind twice to tie the score. Rookie Jud McCauley sank the first goal of the game before Mel Hill netted for Toronto. Steve Wochy of Fort William sent the Redshirts ahead again, but Babe Pratt got the equalizer before Bill Quackenbush and Ted Kennedy netted for the Wings.

RANGERS DOWN WINGS 5-2

Playing before more than 14,000 fans Saturday, Rangers looked like a real big-league team for the first time this year. They had the edge over Detroit from start to finish. Walter Atanas, rookie from Hamilton, Ont., netted once in the opening period and added another just before the final whistle to take scoring honors. Veteran Ott Heller, Phil Watson and Bob Dill got the others. Mud Bruneteau and Flash Hollett netted for Detroit. Fred Hunter, Ranger winger, was injured when spilled into the boards and may be out of action for a while.

BRUINS, RANGERS TIE 5-5

The Blueshirts continued their smart play Sunday until late in the third period, when the Bruin pressure paid off with three quick goals, two of them by Cowley, to tie the count.

Rangers were ahead 4-2 at the start of the final session and Bob Dill made it 5-2 before rookie Gino Rossi scored for Boston and was followed in quick succession by Cowley. Fred Thurier, Watson, Atanas and Ab Demarco got the other Ranger goals. Bill Cupolo and Herbie Cain netted the others for Boston.

CANUCKS BEAT HAWKS 4-2

A greatly improved Chicago Black Hawks team gave Canadiens some anxious moments in their Sunday night game before more than 16,000 fans. The score was tied 1-1 at the end of the first period on goals by Montreal's Buddy O'Connor and Harvey Fraser for Chicago.

Maurice Richard and Ray Gelliffe counted the only two goals in the second to give Montreal a 3-1 lead going into the final period. Toe Blake got another for Montreal early in the third Bill Mosienko netted the last goal for the Hawks after a three-way play with Clint Smith and Pete Horek.

The Black Hawks got to Boston for a game with Bruins tomorrow night and Detroit will travel to Toronto for a return game Wednesday.

WILDCATS GAIN 13-4 WIN OVER BALMY BEACHES

Hamilton, Ont., Nov. 13.—(C)—

An inspired Hamilton Wildcat team defeated Balmy Beach 13-4 before a crowd of 11,000 here Saturday afternoon and take a nine-point lead into the second game in Toronto next Saturday.

Led through the first three quarters by Gordon Miller, Hamilton outplayed and outscored a nervous collection of Beach athletes to pile up a 7-3 count and came back in the final quarter to add six more. Beaches played anything but good football, their judgment and ball handling being far below what was expected of them.

Miller turned in one of the finest performances of his short senior career. Coming home on leave from the Navy and without a play for more than two years, the pudgy backfielder held his own with Sammy Sward in all kicking exchanges, caught faultlessly on the backfield and took his turn at line plunging for a fair amount of success.

Hamilton went into action without the services of Joe Krol and Abe Zvonkin.

BULLDOGS WIN TITLE

Varsity Stadium, Toronto, Nov. 13.—(C)—Paced by Leading Seaman Annis Stukus, veteran quarterback, Toronto Navy Bulldogs Saturday overwhelmed Hagersville R.C.A.F. 20-1 before 5,000 fans in a sudden-death game for the Ontario Armed Services Football League championship.

Stukus, leading services league scorer this season, tallied 15 of his team's points with two touchdowns, a field goal and two conversions. Patrolman Al French, inside wing, scored the other. Sgt. Joe Rickman, of Montreal, and F/O. Bobby Coulter, one-time Toronto star making his first appearance here this season, were outstanding for the Hagersville team.

Theftford Cagers Score 56-38 Win Over Bishop's University

Take three fast-moving, sharp-shooting forwards, two expert guards, a zone defence par excellence, and a set of accurate passing combinations, mix well and practice as long as possible, and you turn out a basketball squad of championship calibre. That's the formula Coach S. L. Hodges uses on his Theftford High School quintet and it must be a good one because Theftford's goal-getting youngsters piled up a high total of 56 points to down the Bishop's University cagers 56-38 at Theftford Saturday evening. The game was the first to be played in local basketball circles this year.

Bishop's did not demonstrate all the fire and drive of last year's unbeatable combination. Nevertheless, Saturday's game showed that Coach Ozzie Clarke has the material and all his lads need is a few periods of concentrated practice before they'll be equalling the exceptional record made by the college team last year. At the beginning of the season Clarke had only two old players, Galt Pharo and McCredie around whom he had to build a new squad. However, in freshmen Budning, Cooling and McCammon he has three experienced former players and high school leagues, and it won't be long before Bishop's is really clicking. Saturday's lopsided tally can be chalked up to a number of things, foremost of which are the lack of proper practicing facilities at Bishop's University and the handicap of playing on the opposing team's home floor.

The Theftford players, who not only play basketball, but eat, sleep and live the sport, even up an old score with the Bishop's squad. They were beaten in both their encounters against the University last year and went on the floor determined to do better—they did. Big guns in blast, the visitors to defeat were stary forwards Nakash, Johnston and Vaudry. Quick-shooting centre A. Nakash found the range in the second half after getting the first quarter out, and his deadly in-shooting was good for eighteen points. This was the best single total for either side. S. Vaudry and G. Johnston each came through with fourteen. "Squirt" Johnston, only sixteen, sank them far and near to keep the Bishop's guards hopping all the time. E. Pharo, another young player, put three in for his team. Clayton McCredie and Gale Pharo, two old reliables of last year's Bishop's once squad, were the mainstays of their team's attack. Pharo earned a high total of thirteen points but wasn't in as good form as he had been. He was a Theftford boy and his former school chums seemed to have his number, spilling a good many of his usually accurate close shots. McCredie played the whole game, worked like a Trojan guarding the fleet-footed Theftford

Royals Defeat Ottawa Twice To Retain Q.S.H.L. Leadership

The Montreal Royals racked up a double triumph over the week-end in the Q.S.H.L. as they topped the Ottawa Commandos yesterday afternoon at Montreal 8-4 after winning Saturday's engagement at Ottawa by a 9-6 count.

The double win gave the Royals three straight victories this year to give them the undisputed lead in the Quebec Senior Hockey League.

In the only other Q.S.H.L. game over the week-end, the Quebec Aces, last year's Allan Cup champions, blasted the Hull Volants for a crushing 16-3 triumph.

In yesterday's Royals-Commandos game, Henry Hayes and Jack Carthy shared the scoring honors, each netting two goals. Other Royals scorers were Alec Smart, Porteous, Mer-

onek and Mahaffey.

The game between the Royals and Commandos Saturday was a runaway with the Montreals chalking up 22 scoring points as they swept to a fast 9-0 win over their opponents.

QUEBEC WINS

The Quebec Aces made a rout of their game with Hull as they slammed 16 goals past a bewildered Volants goalkeeper.

Frank Darinell starred for the Aces with six goals while Neil Tremblay scored three. Bill Reay and Edward Tremblay scored two each.

Tremblay, Tremblay and L. Tremblay added the other Quebec markers. Maundrell scored twice for Hull while Bastien sniped the third goal.

MONTREAL NAVY BEATS HALIFAX BY 13-0 SCORE

The combines of H.M.C.S. Doncona and St. Hyacinthe defeated the Stadacona of Halifax 13-0 on Saturday afternoon at Moulson Stadium to capture the Eastern Canadian Navy Championship.

The winners showed fine form as they raced to the win over the Halifaxians. Their touchdowns came in the first and second quarters, and it was easy from there on.

Halifax fumbled the ball behind their own goal line in the first and second quarters, and Steve Levantis hopped on the ball for a Montreal major Dutch Davy booted the convert. Just before the quarter ended, Davy kicked a rouse to bring the score to 7-0.

Kirbyson went around short end in the second for the second Montreal touchdown while Davy again converted, leaving the Montreals with a 13-0 lead which they maintained till the end of the game.

The initial stanza was by far the best of the four. The play was fast, clean and quite close. Theftford showed its passing superiority right from the start, Vaudry and Johnston being on the receiving end. Pharo and Budning did most of the point-getting for the college team in this quarter. The score stood at 2-0-18 to 15 for Theftford at the end of the quarter.

In the second frame the Theftford lads began to pull away from the visiting team, plunking six through the hoop, while they limited Bishop's to three baskets. Here again the college team misjudged the power of a zone defence, trying to get in under the basket when they should have used long shots.

In the last half, with Nakash hitting his stride to garner sixteen points, Theftford turned on the steam, outscoring their opponents 26 to 17. McCredie, making his time on well aimed shots from almost the centre of the floor, was the most effective man on the Bishop's lineup. Forwards Pharo, Cooling and Budning fought hard but many of their tries were wide. Theftford's Vaudry and Johnston added eight to the sixteen points earned by Nakash in this half.

Saturday's affair was a bang-up basketball game from every point of view. The best team won, but the Bishop's players left promising to make up for the loss when Theftford comes to Montreal for the second match. The Theftford people were the perfect hosts to their visitors, who were well looked after while they were in Theftford. Following the game refreshments were served in the High School gymnasium and later on there was dancing. The evening was a great success as everyone agreed.

The teams:
Theftford High School: A. Nakash, 18; S. Vaudry, 14; G. Johnston, 14; E. Pharo, 6; L. Jenkinson (Capt.), 2; J. Visser, 2; W. Lynn; G. Jenkins; K. Roth; S. Year. Total, 58.
Bishop's University: G. Pharo, 13; C. McCredie (Capt.), 10; C. Budning, 8; R. Cooling, 6; J. Oullet, 1; Z. Posman; J. McCammon; W. Riese; J. Kenedy; W. Bailly, Total, 33.
Officials: Referee, J. R. Oddy; Scorekeeper, P. A. Wood.

VALLEYFIELD TOPS BRAVES 5-4

Lachine Rapids gained a 5-4 decision over the Valleyfield Braves in an Inter-Provincial League game at Valleyfield yesterday. Jack Mercan netted the winning goal on a pass from defenceman Gordie Whiteman. Mercan slapped home his goal when his own squad was two men short. Other Lachine goals were counted by Champagne, with two, and Payette and Whiteman. Valleyfield scorers were Connolly, Anderson, Brennan and Jennetta.

McGILL SQUAD DOWNED VERDUN BY 11-10 COUNT

McGill scored an 11-10 triumph over the Grads at Moulson Stadium on Saturday in the final game of the Q.R.F.U. schedule. The Collegians were hard put to stave off a Verdun Grads rally in the last half, but were successful and emerged victors by a slim margin.

The McGill boys opened early with all their points being scored in the first quarter. Johnny Dixon went over the first major while D'Arcy Quinn galloped 60 yards for the next touchdown. Manny Schacter booted the convert from placement to bring the score to 11-0.

Mike Oker scored for the Grads in the second quarter, with the convert being completed. In the third, Ladins got a rouse and in the last quarter, finally managed to get it between the posts for a field goal.

HERSHEY BEARS DEFEATED 5-1 BY INDIANAPOLIS

Indianapolis Capitals put a sudden end last night to Hershey Bears' winning stride in the American Hockey League by netting five goals in 10 1/2 minutes in the third period of a scheduled game that yielded a 5-1 victory for the Caps.

Thus Indianapolis moved within a single point of the league Western Division leadership now held by Pittsburgh. The Bears retain the leadership in the Eastern Division, a position into which they moved back Saturday after white-washing Buffalo Bisons 6-0.

Providence Reds, coming from behind twice, gained a 3-3 tie with Cleveland Barons. It was the second tie in four home games this season for the Reds whose only victory was scored at Cleveland.

Saturday night, Cleveland Barons defeated Pittsburgh Hornets, league leaders, 2-1 before a crowd of 9,525 largest of the season gathered at Cleveland. The game was featured by a tussle in which one spectator got excited and drew a punch in the mouth from one of the Hornet players.

E.T. Intermediates Will Hold Meeting At Richmond Tonight

The Eastern Townships Intermediate Hockey League will hold its second meeting of the season tonight at Richmond at the Brunswick Hotel at eight o'clock.

Main item on the evening's agenda will be the election of a new president to succeed Gerry Wiggett, who has indicated that he no longer wishes to act as president of the league. Although no written resignation had been received from him at that time, last Monday night it was announced by Ernie Taylor, league secretary, that the president would not be able to continue in his post, due to pressure of business.

Tonight a whole new slate of officers is expected to be elected to replace every effort is to be made to retain Ernie Taylor as secretary.

Other matters to be discussed tonight will be the cards which are being printed at the present time. It is expected that these cards, which the players will have to sign, referees' reports and other stationery will be ready by this week.

Ernie Taylor will also submit a league schedule tonight. He informed us Saturday that it was ready and he expects it to be approved at the meeting tonight.

It was previously announced that the league will begin operation in Sherbrooke on December 3. This, however, is not certain although the Rand and the Indians are scheduled to play if both teams are ready and complete.

as Rangers defeated Detroit Red Wings 5-2 Saturday for their first win of the season.

Bill Cowley, Boston, whose two third-period goals Sunday put Bruins into a 5-5 tie with New York Rangers.
