VOICE OF THE PONTIAC SINCE 1883

No. 42, 95th Year Shawville, Quebec, Canada, Wednesday, November 15, 1978 20 cents

County Council

Elections

County Council convened on Wednesday last week, which was about a month earlier than the usual custom of the December meeting. But according to new regulations it was necessary for the Mayors to meet on this Wednesday, after the municipal elections of Sunday and Monday.

Only one new face was evident at this meeting, being Mrs Lillian Chouinard, who had been elected Mayor of Rapides des Joachims, in the place of Brian Leclerc who had resigned. Another young mayor who is resigning, but who did come to this one County Council meeting, is John Brennan of Sheenboro. His intention was to hand in his resignation the following day, leaving the place to be filled by either appointment or by election, depending on the legality as interpreted by his council.

The first item of business was the election of a Warden for the coming year and Cecil Vibert, Mayor of Campbell's Bay, was re-elected to this position. The pro-warden this time will be Mansfield Mayor Ladouceur, and the County delegates will be Mayor Bechamp of Chapeau and Mayor Asselin of Calumet Island.

Leslie Park

A reply from the SAO with regard to keeping Leslie Park open during the winter months was not favorable to the County request. They said that they could not keep the park open because of two reasons. First it was not being used in winter. Second the road was still being built into the park from the highway and was not ready for use.

Mr Burke, who is a member of the County Council and also of the SAO said actually the SAO is doing some surveying in the Fort William area and making plans to spend about $30,000 on that tourist attraction, and that he would personally tell the SAO officials that the road to Leslie Park is also almost ready.

He feels that they will probably reconsider their decision to keep the park closed this winter.

Environment

A letter from the Protector of the Environment in Quebec related to the duties of Mr. Eugène Coté who has since left the County. His responsibilities were as a delegate of the Protection Service, as a liaison between divisions, to serve as technical adviser to municipalities, inspect individual sanitary equipment and to report to a Mr Garon in the Montferrand building in Hull. A new man has been appointed to take Mr Cotés place in Pontiac and he was invited to meet the Mayors at this meeting of County Council but couldn't come because he had to be in Hull. They will invite him to the next meeting of County Council.

Police

An extensive discussion about the motion which was passed at the previous meeting to ask for an investigation of the police in Pontiac revealed that after discussion with the Secretary, the Warden had decided not to make the request. The reason was that there were no specific complaints to include in the request. Some mayors were dismayed that the request had not gone forward. Complaints were aired with Mayor Soucie claiming it takes two hours to get a policeman to Fort Coulonge and that protection is worse in the County now than it was before the Justice department changes took place two years ago. Mayor Chouinard of Rapides des Joachims needs more police in her village. Mayor Piché of Bryson could do with a lot less police in his village. Mayor Piché stated vehemently that there was not much use having a County Council if motions were going to be ignored. Mayor Lornie Bechamp of Chapeau wanted a substation in Chapeau because Campbell's Bay is too remote in an emergency.

Later in the meeting Sgt Serge Barbeau in charge of the police in Campbell's Bay, delivered a two hour lecture on the work of the QPF in this County. It was interesting and kept the attention of all the Mayors right to the end.

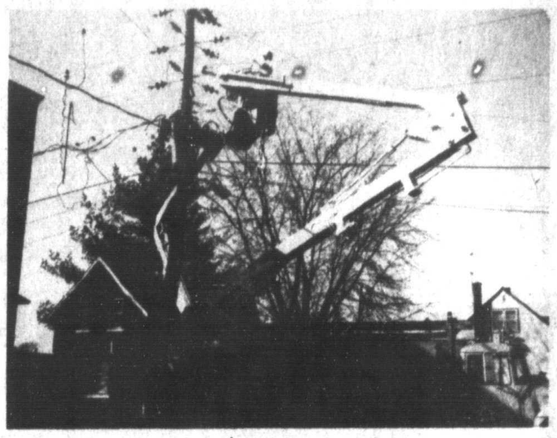
Councillor Denise Marion

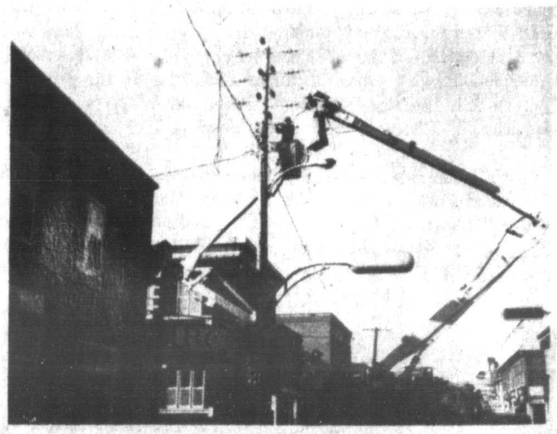
Council welcomes first woman

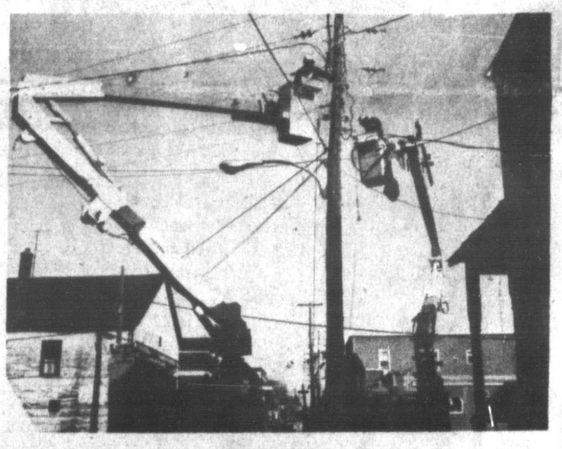
Denise's election to office represents an historic event in the Municipality of Fort Coulonge. Her victory over two other men opponents for Seat No. 1 was close 202 to 183 for Benoit Paré and 175 for Nelson Boisvert. At her first meeting on Monday last Denise was accorded a very hearty welcome by all members of the Board. Denise works at Consolidated Bathurst Ltd.

Now we have 14,000

Shawville is converted electrically speaking !







As René Latreille, local Hydro Quebec manager, puts it, electricity is like any other form of consumptive. Water is the nearest comparison. In a small municipality water and sewer pipes are usually of an adequate size until the population doubles or triples. Then the pipes are dug up and replaced by bigger ones, as is happening in Hull along the lower Aylmer road.

Originally Shawville was well served with 2300 volts but as the needs of farms and long lines into the country increased, the voltage needed to be raised to 4600, 6900 and even 8000 volts, while the populated areas were kept at 2300 volts by stepdown transformers, such as the small substation on the corner of Center and Maple Streets in Shawville.

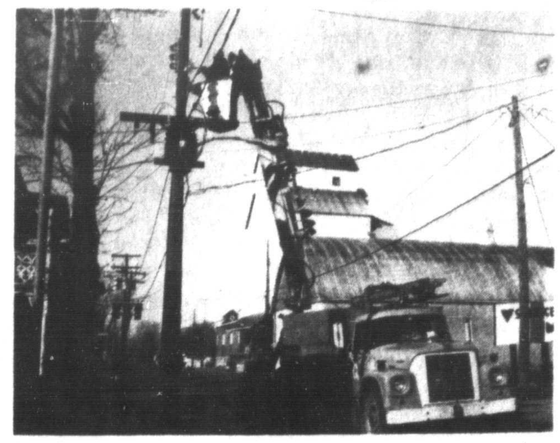
Eventually the subscribers increased their needs even in the small villages. The need has tripled in most places in the past ten years. So there was a need to increase the incoming source of primary voltage.

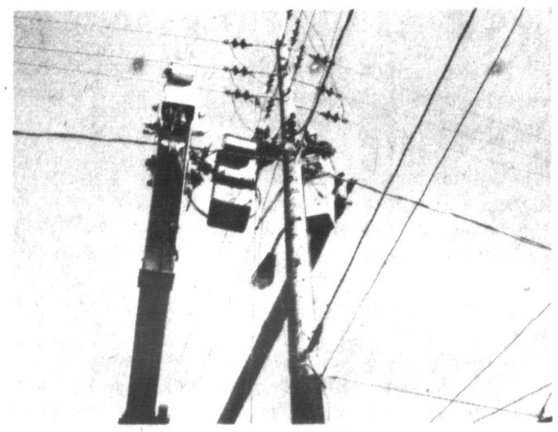
This was done in Shawville on Monday morning. All the village except the north side of Main Street and a few side streets were converted to 14,000 volts between the hours of 9 a.m. and 12:20, plus an hour during the evening when a clean-up operation was needed after a clamp came loose at the corner of Center and King. It was during the evening operation that it was discovered that wires along the east end of Main Street were not capable of containing the new surge of voltage so another session will be held on Sunday afternoon to replace the old no.6 copper wire with new no. 2-0 aluminum wire.

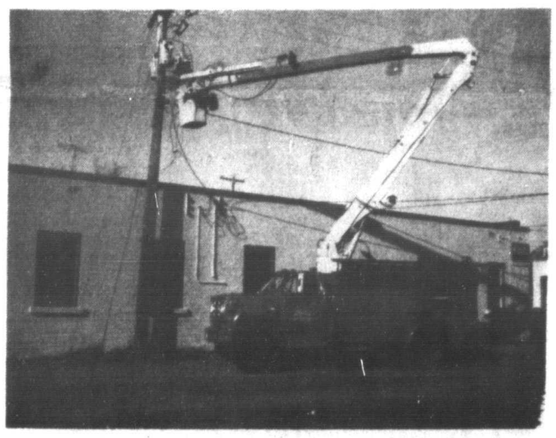
On Monday three crews from Hull, five crews from F.A. Tucker contractors, and the five Shawville crews, completing a total of 26 men with three foremen, Hewitt McCredie, Donald Bélec of Shawville and Adrian Paquin of Hull, under section head Morley Wilson, processed thirty poles in the heart of Shawville. All transformers were replaced, each insulator was changed.

The patience of the Shawville citizens was stretched as the morning drew out with unusually cold weather, wind and rain, and the pre-announced three hours invaded the lunch hour. They were once more called upon to be patient eating cold supper in the dark when the evening occurrance brought everyone once more into a non-electrical existence. On Sunday afternoon Shawville residents will be asked to spend a couple of quiet hours contemplating the wonders of electricity. Then we can all settle down to the old pattern of flicking a switch and assuming that it will turn something on to make our lives easier, or more pleasant in a thousand ways.

Few people in Shawville would have traded places with those 30 Hydro men working in the cold rainy wind on Monday, as recorded here by various photos, but all were thankful, including the Hydromen, when the job was over.







Sgt Barbeau related some pertinent statistics to show how the work he had been doing in the County was paying off in a decrease in crimes and accidents. He said his mandate was towards the population, to protect life and property and to investigate crimes and prosecute offenders.

A reduction in attempts against persons, in holdups, in break and entries and in auto theft were marked in the past year as well as in the thefts and fraud, but Sgt Barbeau is still not satisfied and intends to reduce these statistics even further. In the case of damage to property, mischief, and mainly juvenile delinquency, he had managed to reduce the numbers but he still feels it is far too high. There were 122 such cases in the first ten months of 1978 and he said that it will take a lot of co-operation from the adult citizens of every community to reduce this number.

Of the 411 crimes committed thus far in 1978, 42.3% have already been solved. The solution average for Canada is 24%, and for Quebec is 33%. Montreal's crime solution is a low 16%. But Sgt Barbeau is not resting on his 42% laurels. He is worried about the other 58% and says that is where the public comes in. Especially in the case of drug cases, though this is not high in Pontiac, the Sgt said he would appreciate help from the responsible adults. He mentioned that he gets no co-operation at all from school teachers in his drug investigations.

A review of the accident picture revealed reductions in overall accidents though there was a slight increase in injuries suffered. Despite the fact that there are more cars on the road every year, the police are trying to reduce the incidence of accidents.

Since 35% of the accidents in the County involve non-residents and also 40% of the criminal charges laid are against non-residents, the police are especially active around the bridges across the Ottawa River. The Sgt also answered some particular questions, especially from Mayor Chouinard who had specific complaints to air.

The Quebec Police Force detachment at Campbell's Bay costs three quarters of a million dollars a year, the Sgt said. As the afternoon drew on, Mr Barbearu promised that he would come back and tak for another half hour with the Mayors any time they wanted him to.

Sports and Recreation

Mr Gagné of the Quebec sports and recreation departments spoke next about a new program by which a group of municipalities could group together to form an inter-municipal recreation department and hire a recreation officer with a 75% grant from the Quebec Government. He said that if rural people don't develop their own leisure activities, the city people coming in will take over. He said that under the new policies the municipalities must take active part to keep the rural population in the area.

St. Johns Ambulance

A letter from Gilles Girard who is in charge of St. Johns Ambulance in Fort Coulonge, asked for County support for this service which is available all across the Pontiac wherever first aid or ambulance needs are anticipated.

Dog control

County Council, after years of deliberation, decided at a previous meeting this year to engage an animal control officer and did so with the consent of the mayors. Legal advice had been sought as to the legality of having one dog catcher for the whole county and the County Council was satisfied that it was proper to continue with the plan. The dog catcher built a good animal pound which has been inspected by several mayors and approved.

At this November meeting of County Council it developed that a number of the municipalities in the County had decided not to take part in the plan, notably the large municipality of Pontiac in the east end. By opting out in this way, the onus or responsibility to pay for the plan would fall on a smaller population which would mean a larger contribution per capita for the rest of the municipalities. A great deal of discussion followed this revelation, with Allumette Island, Clarendon, Calumet Island and even Danford Lake expressing a wish to opt out. But Joey Peck, the Mayor of Danford stated that though he had put up a strong argument against the project, he intended to go with the majority decision. It was his feeling that the mayors and their supporting municipalities should all stick together, because that was the purpose of County Council.

Mayor Piché of Bryson also pleaded for some solidarity in County Council. His municipality willingly supports such other matters as wolf bounties and agricultural fairs, although there are neither wolves nor fairs in Bryson. He feels in the same way that all should support the dog catcher, even if their particular municipality has only five dogs, as one mayor said his had.

Portage du Fort Mayor Manwell noted that every municipality is going to get the protection from stray dogs whether they join the plan or not. Calumet Island Mayor Asselin said he had sought legal advice, on the request of his council, and their lawyer told them they were not obligated to join the plan. This lawyer was the same one who had informed the County Council that the plan was enforceable throughout the County.

Mayor Hector Soucie, already incensed with the seeming disrespect for Council, deplored the mentality of municipal councils which would permit their County Council to proceed with a dog catcher plan without comment, and then go against the majority decision after the action had been taken.

Eventually it was decided that each municipality must pass a resolution within the next week and return it to County Council, supporting the proposed dog by-law. If one council refuses to co-operate, the whole project would have to be reconsidered but the County would be responsible to the animal control officer they hired for all his expenses, including the building of his excellent animal shelter, and also for the cost of 3000 dog tags.

Adjourned meeting

The business of the County could not be completed in the one day so the meeting was adjourned to Monday evening, November 20, by which time they hope to have dog catcher resolutions from all 22 municipalities.

Ryan would permit more use of English

Mr Claude Ryan, leader of the Liberal Party in the Province of Quebec, visited the CEGEP in Hull and the Town Hall in Aylmer on Friday.

In an exclusive interview with Mr Ryan, THE EQUITY was told that Ryan affirms the policy of his party in working towards constitutional changes, but always within the context of confederation as part of the Canadian nation.

Ryan is also in favor of English education for children whose mother-tongue is English. Hed advocates government services in English where the English population warrants it. He would permit the use of English in advertising and work towards more flexibility in the use of English than is presently allowed by Bill 101.

Mr Ryan said he finds that the student population in general leans towards the Parti Quebecois policy acceptance but even so he feels that the Liberal Party is making inroads in this sector. He was pleased by the enthusiastic reception he received at the CEGEP in Hull.

Ross Dickson, of THE EQUITY, was able to chat briefly with Mr Ryan in Aylmer last week but the leader said he intended to make another visit to West Quebec in a few months which would include a visit to Pontiac County.

Ryan said he felt the area had been neglected by the government in Quebec in the past but that he intended to correct this. He said he has the highest regard for the residents in this area who, in spite of this neglect, still feel part of the Province of Quebec.

SOLIDARITY

There are few manifestations of County solidarity in the Pontiac and new divisive influences are always at work to reduce the few to none at all.

We have the Pontiac Community Hospital, THE EQUITY, the Social Planning Council, and County Council. What else is there at the moment which serves the interests of everyone in old Pontiac? Even some of these could be deemed to be serving special interests. For instance the hospital is for people who are sick and THE EQUITY is for people who can read. There are also county-wide Historical and Culture societies for people who are interested in history and culture, and school boards and the police, for their own particular areas, the churches and other interested groups - but if you're looking for one organization which is concerned with each and every citizen of the County, it will be the County Council.

Nobody should do anything which might threaten this one great institution without which there would be no such entity as The Pontiac.

Within our County, this County Council is the highest authority and deserves the utmost respect. For the benefit of the people of this County, the County Council could take on more and more responsibility as time goes on, or it could on the other hand reduce its effectiveness to a minimum, letting Pontiac go to the dogs, as it were.

Nobody who now sits on County Council would willingly be a party to the disintegration of Pontiac County, but they could let it slip into oblivion if they don't watch out.

Warnings are coming from various quarters. If solidarity in this County is worth saving, County Council decisions must be taken seriously.

HERE'S HOW

To ensure that the decisions made at County Council are actually the best in the opinion of all the municipalities, these decisions should be discussed at the municipal level first.

How can matters which are coming up at County Council be discussed first in each municipality? As far as we can see there is only one way and that is to send the agenda in advance to each municipal council before the regular quarterly session of County Council, so the topics can be discussed by the local councillors.

Then when the mayor comes to County Council, he will have the backing of his council for his remarks and his decisions. When there is a difference between municipalities on important issues, the majority would rule, in the usual democratic way. But you would never get into an impossible situation, such as the County now finds itself, preparing a by-law for the whole County which is not going to be accepted by some, and therefor could be rejected by all, even though it had been passed by a majority vote of all the mayors at a regular session of County Council.

This, and other discouraging situations, could persuade some of the mayors to lose interest in County Council altogether. In the past things have become so upsetting at County Council that certain mayors just didn't bother coming back, but for all the best reasons Pontiac County Council has been able to survive.

The County needs this one time and place to sit down and look at itself and work out its mutual problems. At this moment in history the worst thing that could happen in the Pontiac would be the deterioration of County Council.

This is our feeling, and the feeling of a few others in and around the Pontiac. If it is also your feeling, you could do a world of good by letting your own mayor know because for all you know he might be the first to get discouraged and let his side down in this one big institution for Pontiac solidarity, the County Council.

Library Corner

There's a whole new group of books in the town library many were especially requested. Come and take a look! McCall's Book of Quilts caught my eye immediately. It is worth looking at even if you don't have time to make a quilt before Christmas. Joan Finnigan's volume Living Together is there on display and Provencher's Last of the Coureurs de Bois. Many will have heard Provencher interviewed by Don Harron ... it is a book to interest many, recalling 50 years as a coureur de bois in the forests of Quebec. Shirley MacLaine's Don't Fall Off the Mountain is on the shelf, and I saw a new Antique Collector's Handbook. New novels are available, too - something for everyone.

Moreover, we have a new record collection. From Barbra Streisand to Leonard Cohen to "The Worst of Money Python's Flying Circus". But you must come in to see for yourself. Records in English, records in French, they are there for you to borrow and enjoy.

Letters from our readers

Toronto, November 5, 1978
Dear Editor:

Just read the article in the paper about Mr Laurin visiting the Pontiac. I 'm so mad that I have to write to you. I never wrote to a newspaper before and I often found things in them that angered me but this is the tops. I was brought up in Fort Coulonge and I expect to go back and retire there one day as I have bought a house there.

When we went to school at home, we spoke both languages. I don't remember when I learned English. I am proud to be a French Canadian but also proud to be able to speak and write English.

Why should Mr Laurin and his kind try to change the people of Pontiac. If they want Only French in the schools in Pontiac, why don't they give them jobs. They teach the children only French or almost or expect them to learn only French and then the children grow up and have to go to Ottawa, or other English speaking places to find jobs, you know that there isn't enough jobs for them around the Pontiac.

I receive The Equity that helps me keep in touch with the people of Pontiac and it is a very good newspaper.

Yours truly, Mrs Rita Proc.

Pontiac High graduates 106

Douglas Rowat was valedictorian and a winner of major prizes and awards at the graduation exercises of Pontiac Protestant High School which took place Saturday in Shawville. Douglas was recipient of the School Commissioner's Gold Watch for Highest standing in the graduating class and the Municipality of Shawville bursary, the Birks Silver medal, the E.F. Hartwick prize, the Lions Club Plaque, the prize for English 521, the Readers Digest Prize, the prize for French, the prize for History, the prize for Science.

Other prize winners were Michael Giuliani, David Keindel, Carol Ann Foley, Robert Vibert, Carole MacLachlan, Vaughn Fulford, Sharon Lang, Rudy Erfle, Dalton Cluff, Reginald Dumouchel, Sylvie Bergeron, Kathryn Karruthers, Joanne Witt, Helen Soucy, Karen Inglee, Judy Horner, Connie Maheral, Nancy Rowat, Peter Larocque, Susan Paul, Patti Dunlop, Ronald Lance, Sheila Alexander, Robbie Steeves, Terry Lyn Hodgins, Pierre Bergeron, Pamela Hahn, Wendy Hodgins, Rachel Lacroix, Lorraine Wickens, Sharon Cochrane, Rick Younge, Beverly Krose, Eric Glahs and Ernest Pasch.

Also honored with a special presentation was teacher Mrs Robina Richardson. Eva Andai was present to photograph the graduates and the presentations of awards. 106 students were graduated at this ceremony.

Ricky Younge and Terry Lynn Hodgins were presented with the John Judd Memorial for Sports Achievement from Mr John Petty. Photo by Andai

Grist and miscellaneous

The Buckingham Post has published a letter on its front page, written by André Coté of the Office de la Langue Française to the churches of the Outaouais. In this paper we noted that such letters had been written, in a small paragraph in GRIST. Perhaps we have been playing down the inroads on our way of life which this officer is trying to impose. What do you think? Here's the letter, unofficially translated: "Pastor- The Outaouais Regional Office of the French language advises all churches in our region that article 29 of Bill 101 authorizes postings of bilingual religious messages for non-profit purposes. However we wish to remind all Outaouais churches that according to article 58 of the same law it is forbidden to post a sign in English only. This is particularly applicable to signs installed in front of a good number of churches in our region. Hoping this information will help you to not transgress Bill 101, we remain, yours truly, André Coté etc ..."

The Pontiac Architectural Heritage exhibit prepared by Phil Gabriel and his group under a Federal Canada Works Grant, is being displayed in Hull all this week at the Auberge de la Chaudière, 2 rue Montcalm, from nine in the morning to ten at night, until Friday night. It is the premier exhibit as part of a special Archives Week with activities and displays in Ottawa and Hull.

Someone is always wanting free advertising, and this week it is Terry Cowan, farm manager of Dwyer Hill Farms, 8 miles west of Richmond on the Richmond-Franktown Road where the Hy-Cross Beef Breeders will hold their first annual Simmental Cattle Sale on Saturday, November 18th at 2 p.m. 65 head of cattle are being offered for public auction including fullbloods, purebreds and percentage cattle, in this first production sale in Eastern Ontario.

The Conseil Régional de la Culture de l'Outaouais has produced volume 1, no. 1 of a new publication called, temporarily, Le Bulletin Culturel. it's of interest to artists of every sort as well as librarians, teachers and other community leaders. It's free and can be obtained by writing to the CRCO, 2 rue Roy, Hull, or phoning 777-4700.

CHRO, the Pembroke television station which comes to us over channel 5, and over cable in Ottawa, is always interested in interviews with Pontiac people who are doing something interesting, or have views they would like to share. Contact Mrs Dickson, at Shawville, 647-2204, if you would like to take part in an interview or have a suggestion of someone else who would be interested. The interviews arae aired on "Take a Break", at noon weekdays.

From SAFETY CANADA we read that one way to avoid electric shock is to use great care when opening a hydro bill! They also inform us that a credit card is something which allows people to buy today what they won't be able to afford tomorrow because they are still paying for what they bought yesterday.

Senior Citizens dinner

St John's Lutheran Church Ladies Aid held a dinner at the TCRA Sunday, November 12 to honor the senior citizens and all the members of the church.

Seated at the head table were Pastor Kappes, eleven senior citizens, their wives and husbands and honored guests.

The table was beautifully decorated with long stemmed red roses and red and white candles.

A delicious turkey and beef dinner was served by the ladies and a toast was given by Pastor Kappes.

Gifts were presented to the oldest senior citizen Mrs Minna Pasch, the longest married couple Mr and Mrs Verner Rueckwalk, and the youngest senior citizen of the year Mrs Hulda Erfle. The afternoon was spent in lively entertainment which consisted of a play, The Good Old School Days and The Ladysmith Band after which the ladies of the church served tea, coffee and cake.

Pontiac Women's Inst convention

The semi-annual convention of the Pontiac W.I. was held at Beechgrove on October 25th. The meeting opened by singing O Canada and repeating the Collect and singing the Institute Carol.

The County President Mrs V Poole presided and welcomed the members. All seven branches were represented.

The roll call was answered by numbers representing each branch.

The minutes of the annual convention were read and approved.

The treasurer's report showed a bank balance of $103.77.

The correspondence was read. The Provincial Presidents newsletter was read and she explained the benefit of the Service Fund and pennies for friendship. Mrs Kilgour told us of some of her experiences when she went to Quebec Expo. She stated that we are not sure of receiving our W.I. grant. She had QWI cook books for sale. We have had 8 mohair blankets come to Pontiac. Mrs Kilgour asked us to work on the Branch Histories. We were also asked to follow our Prov. Convention outlines for the following year. The Theme this year is "International Year of the Child."

The F.W.I. Convention for 1979 is to be held June 20 - 29 in Saskatoon. There can be ten voting and ten visiting delegates. Some members are planning to attend.

Judy Smiley, our W.I. Hostess at Shawville Fair was unable to attend the meeting. She received a china cup and saucer in appreciation.

Mrs Kilgour asked us to send her names of any new members.

The J & P Coates Competition was discussed and articles made are to be judged at county level and sent to the Provincial office two weeks before the Spring Convention .

It was moved by Mrs A Tracey and seconded by Mrs Rabb that bills be paid.

Mrs Freda Horner was the winner of the Wyman W.I. Quilt.

Mrs Poole, Co. President, called a short intermission while the Home Economics convenors decided on a list of items for the Fall Fairs.

Mrs Isobel Graham read the following-

Swedish weaving (huck) tote bag (unlined). Crib Quilt, embroidered, 45 x 36 inches, not appliqued. Bib apron, trimmed, machine sewn. Ladies slippers, knitted, not phentex.

Crocheted hot dish mats - set of two. Smocked cushion, filled, any size or material. Baby set, bonnet, sweater, bootees, baby wool. Christmas wreath made of cones and ornamented.

Moved by Mrs I Graham and Mrs L Dean that this list be accepted.

The Spring Convention will be held in Beechgrove April 25, 1979.

The meeting closed by singing The Queen after which lunch was served by the Beechgrove ladies.

Mrs. Arthur McDowell will be 101 next Tuesday

Pontiac's grand young lady

Mrs Arthur McDowell of Ladysmith, Quebec, was born at Westminister, Mass, U.S.A., on November 21, 1877.

She came to Canada at the age of ten and lived at Beechgrove, Quebec. She was the fourth and last child of Henri Cornu and Marie Rackliffe.

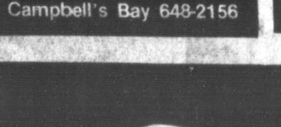
She was born premature and was not expected to live. She was so small that her father told stories of standing her up in a tea kettle and putting the lid on it. She was called Annie after three friends of her mother.

She is very bright and alert. She also enjoys talking of her school days and who she went to school with. She had a mile and a half to walk to school in Beechgrove. She has many happy memories of those days.

She met Arthur McDowell at Charteris, Quebec, while working on the McDowell farm. They were later married. They had five children-- four girls and one boy. They are Lulu, Clara, Ryarson, Evelyn and Joyce. She has seen many changes around the area throughout her years.

Mrs McDowell resides with her grand daughter, Dorene Schock of Ladysmith, Quebec.

We all join in wishing Mrs McDowell many more happy birthdays.



When driving, watch for pedestrians who step out from between parked cars.

Bristol W.I.

The November meeting of the Bristol W.I. was held at the home of Mrs Nobel Rusenstrom.

The President, Mrs Carmichael presided and opened the meeting by singing the Ode and repeating the collect in unison.

The minutes of the last meeting were read and approved.

The roll call was answered by nine members. Wear a poppy or pay a fine. There were no fines. There was also a bring and buy sale.

It was moved by Mrs F Russell and seconded by Mrs M Russell that a donation of $15.00 be given to the Quyon Legion along with the money from the sale of poppies.

It was suggested that gifts be brought to the next meeting to be distributed to the Ade Home for Christmas. This motion was made by Mrs E Findlay and Miss B Armstrong and carried.

Mrs R Rusenstrom gave a report on the fall convention at Beechgrove.

Mrs Findaly read an article on Miss Canada of Manitoba, Mrs F Russell an article on Acid Apple and Miss B Armstrong an interesting reading on Quebec striving to become self-sufficient in Agriculture.

Pennies for Friendship and supper money were collected.

Mrs E Russell adjourned the meeting followed by lunch served by the hostess Mrs R Rusenstrom.

As Mrs F Russell had recently had a birthday she was surprised by the members with a lighted birthday cake and gift. All wished her many more birthdays. She graciously thanked the members for their kindness.

Next meeting to be held at Mrs E Russell.

Shawville old timers

The Shawville Oldtimers were in action three times during the past week winning two and losing one.

In the weeks opening game Bryson Braves of the Pontiac League were the opposition. Young legs and speed were too much for the Oldtimers and Bryson won 7-3.

Shawville & Dist. Snowmobile Club notes

Shawville and District Snowmobile Club held their meeting on Thursday, November 9th at the Fire Hall.

Trail bosses for each section of the trail which Shawville Club maintains, were appointed. These men will report to Morley Hodgins.

The Snowmobile Club plan to maintain a trail to Bryon this season, as the Bryson snowmobilers expressed a wish to join the Shawville Club.

The representatives to P.D.S.A. are Glen Morrison, Morley Hodgins and Watt Taylor.

On Saturday evening 150 landowners were entertained with a banquet and dance at the Shawville Agricultural Hall.

Goaltenders Brian Poupore for the Oldtimers and Murray McDonnell for Bryson were especially sharpe as the action was wide open which created a lot of scoring chances. Scoring for the Oldtimers were Bryan Murray with two and Ken Stanton had a single goal.

On Sunday night, Shawville hosted Campbell's Bay again of the Pontiac Hockey League.

In a fast well played contest the Oldtimers tightened up on their defensive play and won 4-2. Scorers for the oldtimers were Royce Richardson with two, Ken Stanton and Ivan Saunders with one each.

Monday night Shawville travelled to Arnprior to play the Oldtimers from that area. In a convincing scoring display Shawville beat a previously undefeated Arnprior Club 10-0.

The earlier contests against younger and faster opposition proved beneficial in this outing as Shawville dominated the game in every aspect. Art MacIntyre who filled in for ailing goaltender Brian Poupore made several outstanding stops to register the shutout. Goals were scored by Bryan Murray with three, Carson Ryan, Royce Richardson and Dick Meisner with two apiece and Dave Pilgrim with one.

Shawville Bantams

Shawville Bantams opened the 1978-79 season on a losing note as they dropped an 8-0 decision to Arnprior on Sunday afternoon, November 12th.

Paul Newman, Barry Egan and Brian Chenier each scored two goals for the winners, with Steve Oatles and Tony Andrews adding singles. The loss was somewhat disappointing since Shawville had played two excellent exhibition games - defeating Fort Coulonge 8-2 and losing a close one to a strong Renfrew team 3-1.

This year's team includes six players who graduated from last year's very successful Pee-Wee team and while they may be smaller than most of their opponents, they are certainly not going to be outskated. We look forward to continued improvement as the season progresses and hopefully the next home game against Arnprior this Saturday will be a much closer one.

Next games for the Oldtimers will be in the Pembroke Tournament this weekend. Their work will be cut out. For some unknown reason the Pembroke organizers have placed Shawville in the top bracket of the Tournament. Their opposition will include the Ottawa Old Pros, Galt, Toronto, Trenton, all established top notch clubs.

Finally the Old Timers will be holding a Grey Cup party at the Riverview Inn. For all interested people, tickets are $6.00 a couple and tickets may be purchased from members of the hockey club or from Lois Findlay.

60th anniversary

Mr and Mrs Charles Zimmerling celebrated their 60th anniversary on October 8th having been married in Schwartz, Zion Lutheran Church on that day in 1918.

They were attended by Amil Zacharias, Adolph Zimmerling, Hannah Zimmerling, now Zacharias, and Margaret Mielke, Mrs Freddie Fierobin.

The Charlie Zimmerlings have six sons and a daughter, Theo in Arnrpior, Denzil at home, Hulda, Mrs Emil Yach, Eldon and Eric, of Shawville, Clarence in Ottawa, Lennice in Bristol, Adeline, Mrs Jean Frechette of St Thomas, and they have 26 grandchildren and 20 great grandchildren.

A family service was held at 9:30 a.m. in St Thomas Church, Bristol with Rev Ed McColl and Rev John Hilton conducting.

Marie and Mark Frechette and Randy and Rickey Zimmerling, and Ray and Darwin Zimmerling all helped with the service.

Kathy and Karry and Cheryl Zimmerling sang. Ben Thompson presented Mr and Mrs Zimmerling with a hand painted picture of their church. Open house was held at the TCRA center at Ladysmith where a lovely lunch was served. Hostesses were Mona Yach, Barbara Ann Zimmerling, Karry and Kathy Zimmerling, Darlene Bohen and Maxine Majaury. On behalf of his parents, Clarence thanked all for making the celebration such a success and at the close of the day another lunch was served to the family by the ladies of the TCRA after which they all went to Bristol for the evening.

A large number of cards and flowers and gifts were received by the celebrants and greetings came from Ottawa, Prescott, Brockville, Kingston, Prince Albert, Arnprior, Braeside and St Thomas.

Central Hospital Auxiliary

The meeting was held November 3rd with six persons present. The meeting opened with the Lord's Prayer.

Mr D Mackenzie visited the meeting and reported that the gowns had been purchased for X-ray room.

Clarendon Institute- Clarendon Fees $16.50, Magazines, pyjamas and sweater.

Campbell's Bay - Cheque $425, 2 prs childs pyjamas, 2 prs girls pyjamas, 2 pyjamas tops, 2 girls nighties, one heavy house coat.

Moved by Mrs Dagg, seconded by Mrs Corrigan that $425.00 be given to donation fund. No report on cart or soft drink machine this month.

Mrs Dagg moved adjournment.

Bristol

Anniversary congratulations to Mr and Mrs Michial J Sammon, formerly of Bristol, Quebec, and his wife Bibiana Quinn of Vinton, Quebec, on their 52 wedding anniversary. A family party was given by their son and daughter, Mr and Mrs Arnold Sammon and Mr and Mrs Thomas Behrend at On the Nights Spots in Farmington, Michigan. Many of their relations and friends attended.

Low notes

Congratulations to Mr and Mrs Barry Collins of Low who celebrated their 9th wedding anniversary November 15th.

Congratulations to Mr and Mrs Bill Pilon of Low who celebrated their 51st wedding anniversary on November 16th.

Congratulations to Mr and Mrs Leonard Delgrosse of Kazabazua who will celebrate their wedding anniversary on November 17th.

Congratulations to Mr and Mrs John Reid of North Bay and Venosta who will celebrate their 13th wedding anniversary on November 20th.

Congratulations to Mr and Mrs Neil LaCharity of Alywin who will celebrate their 25th wedding anniversary on November 21st.

Happy birthday to Miss Theresa O'Connor of Low who celebrated her birthday on November 6th.

Happy birthday to Danny St Jean of Low who celebrated his birthday on Nov. 8th.

Happy birthday to Miachael Delgrosse of Kazabazua who celebrated his 14th birthday on November 11th.

Guess who flew in for lunch?

Leonard Belsher left Kingston at 9:45 a.m. last Wednesday, made a couple of stops, at Brockville and Carp, spent a half hour at each place, and landed in Shawville at 12:50 p.m. Then he had lunch with his family, the Perley Belshers, and returned to Kingston, the 83 mile trip taking him 76 minutes.

You may have thought Kingston was more than 83 miles from Shawville, but as the crow flies, or as Leonard flies, that's just what it is, 83 nautical miles. And Leonard travels at 75 mph.

Leonard has completed most of his course for the Commercial Helicopter Pilot's licence which he will receive in a few weeks. The trip to Shawville alone was a flight he has been looking forward to since he started the course in September. It has been an intensive course, with actual helicopter flying commencing on the first day of the course, September 11th. Leonard flies at about 500 feet above the ground.

As a student at the course, he was taught aerod namics, meteorology, air regulations, among other technical studies. He already had his private fixed wing pilot s licence, which he received in July, 1977.

With a helicopter pilot's licence the job prospects are very good. He will probably start with some flying job up north, checking power lines, flying hunters into the bush and so forth, in order to accumulate flying hours.

1500 hours of flying experience are needed before you are likely to get a job flying around more populated areas.

Leonard found the solo trip to Shawville very exhilerating. He said when he took off after a brief stop in Carp he could immediately see the Hilton Mine Pit and Norway Bay.

Looking down on familiar places from the sky is, to put it in Leonard's word, "fantastic".

He showed his family and friends in Shawville some of the workings of the machine and demonstrated the routines of taking off and landing. He said the pilot has to do a walk-around the helicopter before each take off to check that everything is working. After lunch, Leonard Belsher did his walk-around, checked everything, climbed aboard, and took off.

Well, flying a helicopter home to lunch may not be the most exciting thing in the world a teenager could do, but for this 19 year old Shawville boy it was his most exciting adventure thus far.

EQUITY PHOTO

Peter Larocque chosen for Rotary tour

Pontiac High student Peter Larocque was chosen recently by the local Rotary Club to attend a four-day immersion tour of heavy industry in the Brampton area. Peter was shown each step in the industrial chain from raw materials to processing to the final product. He toured the steel mill and followed the process from there all the way to production of a new Ford car on the assembly line. Peter was recommended for the trip by staff and students on the basis of his overall academic excellence and his interest in physics and current events.

Carol Ann Cameron, a Special Commercial Course student at Pontiac High School, won first prize in The Canadian Congress of Christmas and Jews Essay Contest. Carol Ann's work was judged best in the English Essay in Québec category, and she wins a five-day tour of Ottawa and Quebec for herself and her mother. Another Pontiac student, Carole MacLachlan, was surprised recently to learn that The Reader's Digest had purchased an article from her. Carole had written a witty account of events at the school during a power blackout, and was urged to submit it for publication. The Reader's Digest liked her work as much as her fellow students and the staff did, and promptly purchased the article for $150.00.

For the first time in the school's history, Pontiac High has a Boys' Soccer Team for 14-year olds. The team has joined the Pontiac County High School Soccer League, and the school hopes to expand the overall effort as enthusiasm for the sport catches on.

Weirstead notes

Louella and Joan Alexander visited with Mrs Francis Bennett last Saturday.

Mrs Bill Curley of Ottawa celebrated her 88th birthday on Friday, November 10th. The family all got together to honour her birthday. Mrs Curley was once a resident of Weirstead. We all wish her congratulations and hope she has a lot more to come. Happy birthday Mrs Curley.

Mr and Mrs Al Baley attended 24th anniversary of Mr and Mrs Al Peletier of Vars on Sunday.

Lloyd Telford received a lovely letter from Pat Sammon last week. He says everything is fine in Kamloops but still wishes he was here. Pat, it sure is nice to hear from you now and then. Every one appreciates the time you take to sit down and write a letter to your friends.

Mrs Erwin Armitage and Eleanor Sutton spent a lovely holiday in Florida recently.

Mr and Mrs Ron Milson visited recently with Jim and Merdella Telford.

Mr and Mrs Rene Gendron and family from Aylmer visited with Leslie and Gertie Greenshields this weekend.

Gail Orr spent the weekend with her family.

I would like to send birthday congratulations out to Mr Christie Hughes, Mrs Bruce Wallace and also to Eddy Alexander and Lillian Beattie, (the Alexander twins) who celebrated their birthdays this week. Happy birthday to you all and I hope you have a lot more.

I would also like to wish happy birthday to Reggie Tubman who will celebrate his birthday on Nov. 17th. Happy birthday Reggie.

Earl, Mildred, Donna, Carol and Clifton Queale motored to Almonte, Ont. to visit with their daughter Glenda last weekend. Glenda will be starting at Fairview Manor in Almonte this week. Glenda had been working at the old nursing home for four years. Good luck Glenda.

Birthday congratulations goes out to Clifton Queale who celebrated his 14th birthday on Nov. 10th. Happy birthday Clifton.

Pontiac Historical Society

The Pontiac Historical Society met in the McDowell School on Monday, October 16 at 8 p.m.

Twenty members and three visitors were present.

The President, Miss Annie Gamble welcomed all and expressed a wish for an enjoyable evening.

Minutes of the September meeting were read and approved.

Lloyd Armstrong reported on the progress of the work on the museum.

A cheque for $10.00 was acknowledged from Mrs Dorothy Ahlgren who was a visitor to our museum during the summer.

The treasurer reported a balance of $1476.50. The report was accepted on motion by Peal McCleary and Lloyd Armstrong.

Discussion on the annual pot luck supper followed and it was decided on Thursday, November 23 at 6:30 pm in the United Church Hall.

The next meeting will be November 20th at 8 pm.

Motion to adjourn was by Clarence Wilson.

Lloyd Armstrong showed pictures of their trip to cities in England, Scotland and Wales.

Delicious refreshments were served by Pearl Elliott, and Lorna Hodgins to close an enjoyable evening.

Caldwell Clarion

Get well wishes are sent to Mrs Gordon Orr who is a patient in Shawville Hospital.

Mr and Mrs Leo Doherty and family of Port Colborne, Ont are visiting with the friends and relatives in this district. While here they are visiting with Mrs Doherty's mother, Mrs Gordon Orr in Shawville Hospital.

Mrs Jim McGee and daughter Natasha visited with her parents The Manson Sharpe's this past week while her husband Jim was hunting in Pennsylvania.

Happy birthday to Mrs Robert Sharpe, Carl, who celebrated her twenty-fifth birthday this past Friday.

Miss Sherry Russett of Ottawa and Mr Robert Lacourse visited with Susan Sharpe and Fred Wilson at the Manson Sharpe's on Sunday.

About five months ago when we were planning our trip west we had a very treasured black persian cat which we wondered where we could place. Someone kindly offered to take care of him. All at once he disappeared and after looking for him we came to the conclusion that he had been killed, died from some disease of something. Last Sunday night we had company and one of them said to us, have you or your neighbours a cat as there is one at the front door wanting in. I went to the door thinking it was a stray cat and in walks our brave cat with his collar still on him and in the best of health. Whoever had him gave him the best of care which we certainly appreciate and wish to say thank you but puss is really happy to be home and we're sure glad to have him back.

Mr and Mrs Clarence Sparling and family of Elliott Lake visited with friends in Shawville this past weekend. Welcome home.

We heard from son Donald, wife Joanne and Scott of Ear Falls, over the weekend, where all are well. Also from Robert and Carl and children in Kamloops. All are well there. Hear that Earl Powell's have bought a home in Kamloops. We all wish them the best in their new home.

Mr and Mrs Brent Acres of Shawville spent Sunday visiting with Brent's sister in Perth.

Anniversary congratulations to Mr and Mrs Wilson Tracy of Shawville who celebrated their anniversary last week.

Birthday congratulations to Mrs Keith Emmerson and daughter Judy who celebrate their birthdays this week.

C.G.I.T. activities planned

Shawville Canadian Girls In Training have reorganized for the year 1978-79. Their first meeting was held on September 27, 1978. Girls age eleven to seventeen are welcome. There are now 47 members enrolled. The girls have four leaders who are Mrs Dods, Mrs Belsher, Mrs Paul and Mrs Finnigan.

The officers elected for this year are: President Susan Paul, Vice President Nancy Rowat, Secretary Cheryl Belsher, Treasurer Nancy Wilson, Corresponding Secretary Debbie Morrison.

The convenors appointed are: Social Cindy Coles, Publicity Frances McDowell, Entertainment Elizabeth Horner, Clean up- Allana MacIntosh and Marina Webster, Membership- Mary Lou Horner.

Some of the activities that the C.G.I.T. have done so far this year are: A memorial service on October 1 for Ruth Hobbs at the Pentecostal Church at which time they dedicated two collection plates in her memory. The girls have had a weiner roast along with a soccer game at Mill Dam Park. They also raked the Memorial Park followed by a pot luck supper. They have also been collecting for UNICEF and collected $272.20

Some of their activities for Christmas are: stocking stuffing and supper for little friends, caroling at the hospital and Christmas vesper service on December 17.

They have also planned "Crafts Nights" at which time they will be candle making and making stuffed animals. Leaders and girls are anticipating a rewarding year together.

Campbell's Bay News

Visiting at the home of Mr and Mrs Andrew Flood on the weekend were Mr William Flood and son Bill from Rochester, New York, Mr and Mrs Robert Flood and son Robert Jr from Ottawa, Mr and Mrs Dwight Thompson from Shawville, Mr and Mrs Bill McTiernan, daughter Connie and son David of Cambpell's Bay.

Dagenais - Telford wedding

St Andrew's United Church, Campbell's Bay, Quebec, was the scene of a pretty candlelight wedding on Saturday, October 7, 1978. Lynn Audrey, daughter of Mr and Mrs Lionel Telford of Campbell's Bay, became the bride of Raymond David Dagenais Jr, son of Mr and Mrs Raymond Dagenais Sr. of Vinton, Quebec.

The double ring ceremony was performed by Rev James F Stevenson of Campbell's Bay with Mrs Iris Smith as organist and Jo-Anne Telford and Jill Smith as soloists.

Given in marriage by her father, Lynn was attended by her sister Connie Telford of Ottawa, as maid of honor with O'Dell Dagenais of Vinton and Kathy Lunam of Campbell's Bay, as bridesmaids. Her flower girl was her niece Kim Telford of Mountain, Ontario.

The best man was Donnie Dagenais of Vinton, Quebec and ushers were Orville Telford of Cambpell's Bay and Raymond Lance of Calumet Island.

The bride wore a gown of white polyester knit jersey with a sweetheart neckline and full length train. Her finger tip length veil was held in place with a rhinestone tiara. She carried a bouquet of red roses and baby's breath.

The maid of honor, bridesmaids and flower girl wore identical blue gowns with matching floral chiffon capes and carried baskets of yellow and white daisies.

The groom and his attendants wore blue tuxedos.

For her daughter's wedding, Mrs Telford chose a floor length gown of cherise chiffon and matching pleated cape with a corsage of pink carnations. Mrs Dagenais, the mother of the groom, wore a dark blue floral gown with a corsage of yellow daisies.

Following the ceremony, a dinner was served at St Andrew's United Church Hall. An evening reception was held at the Royal Canadian Legion, Campbell's Bay.

On their return from Niagara Falls, the bride and groom took up residence in Bryson, Quebec.

A LA PAGE

La nouvelle plaque d'immatriculation

La plaque d'immatriculation 1979, au Québec, sera semi-permanente. Ainsi en a décidé le ministre des Transports, M. Lucien Lessard. A l'instar de nombreux Etats américains et provinces canadiennes, le Québec se dote d'une plaque valide pour plus d'une année. La nouvelle plaque a été conçue pour demeurer en usage pendant quatre ans.

Selon le ministre, l'adoption de la plaque semi-permanente s'imposait comme mesure de saine administration. Son introduction dans le système d'immatriculation contribuera à simplifier les opérations de la Direction générale du Bureau des véhicules automobiles. Le nombre d'immatriculations s'est accru en vingt ans de 890 000 à plus de 3 706 000.

Fabriquée d'un matériau plus solide et résistant que celui de la plaque traditionnelle, la nouvelle plaque d'immatricultation 1979 à fond crème et aux chiffres bleus, sera aussi plus épaisse et plus lourde bien que de même format.

Déjà 60 clubs privés ont eu la visite du MTF

Dans le cadre de l'opération déclubage, l'administration régionale du ministère des Terres et Forêts a déjà visité 60 anciens clubs privés de chasse et pêche de la région de l'Outaouais afin de compléter les dossiers nécessaires à la normalisation des bâtiments sur les terres publiques. Près de 260 emplacements ont ainsi été repérés et inspectés, au cours des trois derniers mois.

L'administration régionale estime qu'environ le cinquième des anciens clubs privés de la région ont eu la visite du MTF. On sait que toute l'opération normalisation doit être complétée d'ici 1980 . Il est à noter que les membres des 197 anciens clubs de la région dont les bâtiments n'ont pas encore été inspectés bénéficient toujours d'un droit temporaire d'utilisation.

Environ une dizaine d'hommes exécutent présentement ce travail, sur les territoires non municipalisés de Pontiac, de la Haute-Gatineau et de la Lièvre Supérieure. Les inspections devraient cesser vers la fin du mois de décembre; on prévoit qu'ils recommenceront dès le début du mois de mars. Durant la période d'arrêt, les premiers dossiers seront complétés et la situation des bâtiments visités sera régularisée par l'émission d'un bail aux propriétaires concernés.

Gouvernement du Québec

Propriétaires de

machinerie lourde

Le gouvernement du Québec fait appel à vos services.

Depuis le 1er avril 1978, tous les ministères doivent utiliser le «Répertoire des loueurs» pour octroyer leurs contrats de louage de machinerie lourde.

Ce répertoire est mis à jour suite à un appel d'offres public annuel invitant les propriétaires de machinerie lourde à soumettre leurs taux. Les soumissions reçues permettront de constituer l'édition 1979-80.

Tout propriétaire de machinerie lourde désirant inscrire sa machinerie au répertoire (édition 1979-80) doit présenter sa soumission sur le formulaire officiel.

Les taux soumis s'appliqueront aux contrats de louage octroyés entre le 1er avril 1979 et le 31 mars 1980.

Conditions d'admissibilité:

1. avoir sa principale place d'affaires au Québec
2. avoir un bureau d'affaires dans le district ou l'on désire inscrire de la machinerie
3. détenir à son nom un numéro d'immatriculation du Bureau des véhicules automobiles pour chaque machine, lorsque requis par une loi ou un règlement.

Le Service général des achats ne s'engage à accepter ni la plus basse, ni toute autre soumission.

Machinerie lourde visée par l'appel d'offres

Niveleuse	Pelle mécanique	Compresseur
Bulldozer	Pelle hydraulique	Foreuse sur chenilles
Chargeur sur chenilles	Pelle télescopique	Vide-puisard
Tracteur sur roues	Grue mécanique	Écureur d'égout
Chargeur sur roues	Grue télescopique	Souffleuse
Débusqueuse	Rouleau compacteur	
Décapeuse	Paveuse	

Clôture des soumissions: le 18 décembre 1978, 16:30 heures

Twins celebrate 80th birthday

Mrs Archie Tanner and Mr Fred Firerobin were eighty years old on October 20, 1978. They are holding their birthday cake that was baked and decorated by Mrs Gerald Firerobin, a niece of the twins.

Municipal Corporation of Sheen, Esher and Malakoff Special Meeting

A Special Meeting was called by Mayor John Brennan to discuss the work to be done on Berrigan's Swamp Road as provided for by subsidies. It was held on Thursday, October 26, at 8 pm at the school.

Present were Mayor John Brennan, Councillors George Carroll, Raymond Morris, Wallace Pilatzke, Lawrence Meehan and Myrtle Sullivan as well as Arthur Fleming and Verdon Kidd.

Mayor Brennan stated that only Arthur Fleming and Verdon Kidd had contacted him. No one else had approached him on the tender.

He also stated that he had received permission in writing from Thos J Berrigan to use the land to widen the road where necessary.

He had a letter, duly witnessed, from Mr and Mrs Clifford Lavallee, by which they agreed to sell to the Municipality of Sheen, Esher and Malakoff a strip of land, up to 30 ft wide,for the sum of $100.00.

Councillor Jennings entered and took her seat.
Discussion followed.

Mr Arthur Fleming entered and gave his opinion of the work to be done. He also mentioned that for gravelling, it would cost an extra $1.00 per yd for crushed gravel over the price of pit-run due to the cost of having it crushed. He said that he would be available to start on Monday, October 30th to start work. Mr Fleming then departed, and Mr Verdon Kidd entered.

Mr Kidd discussed what he thought needed doing and said that he had the equipment available to start immediately.

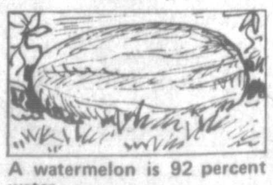
He estimated that it should be possible to make the road passible in the spring for $3000.

Secretary was asked to contact Mr Lamarre to ask him to come to Sheenboro to meet with Mayor John Brennan to give the approval of the actual work to be done, and to ask him to contact Mayor Brennan to make the arrangements. Mr Kidd departed.

Further discussions followed.

Motion by Cnclr Raymond Morris to get Verdon Kidd to do the grading, and to get Arthur Fleming to do the Gravelling up to a maximum cost of $2900. including culverts. Motion was seconded by Cnclr George Carroll.

Motion to adjourn, by Cnclr Lawrence Meehan seconded by Cnclr Myrtle Sullivan. Meeting adjourned at 11:30 p.m.



A watermelon is 92 percent water.

EVA

ON PHOTOGRAPHY

I am quite frequently asked how to shoot a really sharp picture? Well, this is a very pertinent question. Usually you want detail to be clearly recorded- at least for the important part of the picture. Accidental unsharpness may be caused by: camera or subject movement; incorrect focusing, or too great a subject distance range for one focus setting; and grease, condensation or other dirt on the camera lens.

You must hold the camera really steady and squeeze the release button gently - don't jab it. Simple cameras usually expose for about ?-40 - 1-80 second; and it is quite easy to blur the picture by camera movement at this speed. With a range of speeds it is safest to use 1-125th second or faster when holding the camera. If you need to use a much longer time, either use a tripod or try one of the steadying methods: for example, hold the camera as steady as you can, bracing it against your head or body. Operate the shutter release with a squeezing jarless pressure. If you press your camera against a post or wall blurfree exposure at 1 second or longer are possible.

Blur also comes from subject movement. The actual shutter speed required to "freeze" action depends on how far away you are from the subject, its speed and the direction of its movement relative to the camera. With slow speeds, you may get a sharp picture by exposing, whilst swinging (panning) the camera in the same direction as the subject. In this way you can record details even at 1-60 or 1-30 second. Since the backround then blurs, the picture gives a good impression of speed.

Stained glass an art form

Donna Ager, a stained glass artisan, is the newest member of the co-operative group of craftspeople who run the Artisanat Rural Crafts store in Shawville. Donna, who is 27, is a very creative and inventive person. She studied music as a university student, is a qualified nursery school teacher, and has travelled widely throughout the United States.

Although she claims she has always had a liking for her chosen medium it was the great coloured windows of the old churches in Boston and San Francisco which really sparked her interest.

On her return to Ottawa she immediately enrolled in a three-month course at the "Grass Roots Studio" and there acquired the basic skills and design principles related to her craft.

Donna uses what is known as the "copper foil" technique to bind together the bits of glass rather than holding them together in lead channels. She feels this gives a finer effect to the overall piece when finished.

After cutting the glass she wraps the edges in copper foil. This she fluxes with a liquid solder flux. Often, when the piece calls for it, she will give an older and darker look to the silver coloured seams by adding copper sulphate to the solder.

Her normal production consists of items such as terrariums, suncatchers or small window hangings, and glass boxes. She is currently preparing a lot of new work for the coming Christmas season including many small and delicate items such as Christmas tree decorations.

Donna is able and willing to take on special custom orders such as stained glass windows or tiffany lamps. She can be reached by writing to her at RR 2, Shawville, or by leaving a message at Artisanat Rural Crafts (located on Lang Street behind the JR Shop). The store is only open on Fridays and Saturdays during November but will be open every day except Monday throughout December until Christmas.

Vitamin Facts And Fancies

Vitamin requirements can be increased by long-time stomach or intestinal trouble, infection or metabolic disease. Even emotional stress, when accompanied by poor eating habits, can result in decreased vitamin intake.

* * *

More and more people are considering vitamin fortified foods as insurance against vitamin insufficiencies. This is especially important for people with special problems or needs—like finicky eaters, pregnant women and people on restrictive diets.

The FBI has 169 million fingerprints on file—no two of which are exactly alike.

IN MEMORY

HORNER — In loving memory of parents and grandparents, Mary Elizabeth and James Duncan, who entered into rest November 11, 1964 and December 23, 1966 respectively.
There is a long and winding road
Along which each must go;
It leads beyond the hills of time
Into the sunset glow.
But only for a little while,
Our loved ones leave our sight.
For just beyond the hills they wait,
In God's eternal light.
Always remembered,
Syd, Ruth, and Beth Barclay.
30335B1N15

MOUSSEAU— In loving memory of Earl Mousseau who passed away Nov 16, 1973
No space of time, no lapse of years,
Can dim the treasured past,
A loving memory keeps it dear,
Affection holds it fast.
Sadly missed and ever remembered.
Margaret and family
0097X1N15

MURPHY — In loving memory of a dear brother and uncle, Joseph Murphy, who passed away November 12, 1977.
A cluster of precious memories
Sprayed with a million tears
Wishing God had spared you
If only a few more years
It broke my heart to lose you
But you did not go alone.
For part of me went with you
The day God called you home.
Sadly missed by Arnold, Wanda, Velma.
30364B1N15

QUIGG — In loving memory of my father Justin who passed away October 7, 1974 and Mother Mary, who passed away November 18, 1975.
A little tribute small and tender
Just to say we still remember.
Alcide, Pat and Randy
0113X1N15

RICHARDSON — In loving memory of a dear Dad and Grandpa, Jim who passed away November 10th, 1974.
Peacefully sleeping, resting at last,
The world's weary troubles and trials are past,
In silence he suffered, in patience he bore,
Till God called him home to suffer no more.
Always remembered,
Garry, Brenda, Scott, Jim and Troy. 30251BN15

STEWART — In loving memory of a dear brother, Leslie, who passed away November 20, 1976.
Our family circle has been broken
A link gone from our chain
But though we've parted for awhile
We know we'll meet again some day,
We know not when.
We shall meet in a better land
Never to part again.
Ever remembered,
Mervin, Irene, Brent and Scott.
30347B1N15

STEWART — In loving memory of a dear brother Leslie Stewart who passed away November 20, 1976.
We do not need a special day
To bring you to our mind,
For the days we do not think of you,
Are very hard to find.
Revel and Karen
30355BN15

STEWART — In loving memory of a dear son Leslie who passed away November 20, 1976.
A special day another year
A loving thought, a silent tear
Time may fly, tears may dry
But loving memories will never die.
Ever remembered,
Dad and Mother
30347N1N15

IN MEMORY

STEWART — In loving memory of a dear brother Leslie who passed away November 20, 1976.
Sadly missed,
Margaret and Carmen.
30347B1N15

ZIMMERLING — In loving memory of a dear brother, brother-in-law, and uncle, Julius, who passed away November 23, 1975.
This month comes back with deep regret
It brings a day we'll never forget
He went away without saying good-bye
But our memories of him will never die.
Betty, Fred, Danny and Steven
0128X1N15

THANKS

WE, the family of the late Clarence Thompson wish to express our sincere thanks and appreciation to our relatives, friends and neighbours for their many acts of kindness and sympathy shown to us during our recent bereavement.
Gert Thompson and family
30361BN15

DAGG — I wish to thank the people who nominated me and supported me in the recent election in Portage du Fort. ROY DAGG.
99XN15

McKNIGHT- I wish to thank everyone for their prayers, flowers, gifts, cards, get well wishes, the ambulance service, nurses, and Dr Potvin, Pontiac Community Hospital. Also the excellent care at Civic Hospital during my recent illness. Special thanks to my family who were so thoughtful and good to me.
Clarence mcKnight
66XN15

WILSON — I wish to express my sincere thanks and appreciation to Dr Potvin, Dr Margo Morissette, nurses and staff of the first floor for their care and kindness while I was in hospital for surgery. Thanks to the clergy for their visits and prayers, to all those who sent cards, gifts and flowers and came to visit.
Harold G Wilson
0092X1N15

Ladysmith notes

Mr and Mrs Mel Mielke and Rondalee from Arnprior spent Sunday at their cottage here.

Visitors on Sunday with Mr and Mrs Mano and Ahart Fierobin were Mr and Mrs Ron Lassenba and family.

On Sunday Nov. 12 a dinner was held in the TCRA in honour of the senior citizens of the congregation, sponsored by St John's Lutheran Ladies Aid. The full course dinner closed with toasts and an address read by Mrs Emma Krose. Later a sing song was held and music, singing and plays were held under the direction of Pastor Kappes who also was M.C. for the event. Supper was served in the evening. An enjoyable Sunday was spent.

Best get well wishes to Mr Walter Bretzlaff, Mr Aron Hahn and Mrs F Rosinski who are at present patients in the Pontiac Community Hospital.

An egg is about 74 percent water.

Sheen Municipal Council

The regular monthly meeting of the Municipal Council was held on Tuesday, November 7, at 8 pm in St Paul's School in Sheenboro.

Present were Mayor John Brennan, Cnclrs George Carroll, Raymond Morris, Barbara Jennings, Wallace Pilatzke, Lawrence Meehan and Myrtle Sullivan. Also in attendance were Fred Lemire, Verdon Kidd, Michael Dunn, Garnet Gagnon and Arthur Fleming.

Councillors George Carroll, Raymond Morris and Myrtle Sullivan took their respective oath of office for their terms of Councillor for the next two years.

Motion to accept the minutes as circulated by Cnclr Meehan seconded by Cnclr Sullivan.

Mr Fred Lemire addressed the meeting requesting permission to use the school on Friday nights, Saturday and Sundays. He also asked if the school would be heated all winter.

Following a discussion, this motion resulted: Motion by Cnclr George Carroll - to give the Sheenboro Recreation Association permission to use the school, and to donate $300.-- towards the cost of heating. Motion was seconded by Cnclr Wallace Pilatzke, and carried. The donation to come out of the recreation fund.

Garnet Gagnon said that he would be interested if some one was needed to help work on the roads.

Mayor John Brennan stated that following this meeting with a representative of the Dept of Transport, the $3000 and the $10,000 subsidies are assured. Councillors agreed that they are satisfied with the work done to date. Verdon Kidd mentioned that a total of $3655.10 had been spent so far.

Discussion re: Tender as advertised in The Equity.

Motion by Mayor Brennan since there was no written tender received, Council give out the balance of the subsidies on an hourly basis, plus the material purchased at a price per yd. Motion seconded by Cnclr Pilatske and carried.

Motion by cnclr Carroll to finish Berrigan's Swamp Rd seconded by Cnclr Sullivan.

Motion by Cnclr Meehan that Arthur Fleming finish the graveling from the mill gate to the first hill seconded by cnclr Carroll and carried.

Discussion re ICO Rd and Trout lake Rd. Motion by Cnclr Morris to authorize Verdon Kidd to purchase whatever culverts are needed for the ICO Rd., and to install them. Motion seconded by Cnclr Jennings and carried. Cnclr Meehan will help Mr Kidd find the old culverts.

Discussion re gravel needed to complete from first hill to town line on Berrigan's Swamp Rd.

Quotes received as follows: Michael Dunn $1.25 yd (pit run) delivered. 0.40 yd. loaded 15 yd box. 2.75 yd (crushed) delivered. 1.75 yd loaded. He suggested pit run for a base and topped with crushed gravel.

Arthur Fleming 0.50 yd (pit run) loaded. 1.75 (crushed) loaded (15 yd. box).

Discussion followed.

Motion by Cnclr Morris to have Arthur Fleming put 6 inch of crushed gravel from the top of the hill to the culvert and to have Michael Dunn put 4 inch of crushed gravel from the culvert to the town line. Motion seconded by Cnclr Carroll.

Vote taken to decide if "Special Meeting" be called to discuss the spending of the balance of the subsidies after Berrigan's Swamp Road is completed - Decision "Yes" on a vote of 5 to 1 with Cnclr Jennings objecting.

Motion to hire Garnet Gagnon- by Cnclr Pilatske, seconded by Cnclr Carroll and carried. Secretary to find out the wage paid to Dept of Transport employees for person taking slips from truckers.

Cnclr Pilatzke mentioned that there wasd a hole in the Fort Rd Garnet Gagnon to be informed, and to arrange to put approximately half load or whatever necessary to fill the hole, as soon as possible.

Letter - H.B. Hawkins re: his trailer. Trailer Inspector is to verify that it is a storage trailer only.

Letter - from Ned Sullivan re Pontiac Club. Council decided to take no action on his request.

Mayor Brennan showed Council some papers which had been given him by a taxpayer and which had been found dumped along Trout Lake Rd. These papers belonged to Gerald Hayes. Secretary was instructed to write a letter to Mr Hayes.

Motion by Cnclr Jennings to send a registered letter to Mr Gerald Hayes explaining that numerous papers have been found fumped along Trout Lake Rd with his name on them. Council would appreciate it if he would clean it up. Also, Mr Hayes is to be reminded that there is a by-law which prohibits littering, and the fine is $100. Motion was seconded by Mayor John Brennan and carried on a vote of 6 to 5 with Cnclr Myrtle Sullivan objecting.

Motion to hire Labelle and Labelle as Auditors by Cnclr Morris seconded by Cnclr Meehan.

Secretary Treasurer Ann J. Dunlop then read her resignation, stating that due to her husband's illness, it was necessary to resign her position as of November 15, 1978. She thanked the members of Council for the opportunity of serving as Secretary Treasurer during the last two and one half years.

She explained that a Public Notice had been posted, and an ad placed in The Equity requesting applications for the position. Only one application had been received, and that was from Eldon Jennings. She explained the article applicable to personal interest and that Council must decide whether or not there was such since Eldon Jennings is the husband of Cnclr Barbara Jennings. On a vote of 5 to 5, Council decided that Cnclr Jennings had a personl interest and should therefore not be allowed to vote.

In the letter of application Eldon jennings explained his previous experience and that he would be prepared to accept the position of Secretary Treasurer at the rate of pay now being paid to the present Secretary Treasurer.

Motion by Cnclr Morris to hire Eldon jennings starting November 16, 1978 to fill the position of Secretary Treasurer. Motion seconded by Cnclr Pilatzke and carried.

Letter from the Salvation Army requesting a donation. Motion by Cnclr Pilatzke to donate $10 to The Salvation Army. seconded by Cnclr Sullivan and carried.

Invoices for the month totalled $784.84. Motion to pay the invoices by Cnclr Pilatzke seconded by Cnclr Carroll.

Letter from Dept of Lands and Forest stating that the cost for 2 years for the lease at the Trout Lake Picnic area is $301. Motion to pay the Dept of Lands and Forest by Cnclr Pilatzke, seconded by Cnclr Mehan and carried on a vote of 6 to 5 with Cnclr Jennings objecting. The money to come from the recreation fund.

Motion by Cnclr Meehan to appoint Raymond Morris as Fire Chief seconded by Cnclr Sullivan. Motion by Cnclr Jennings to appoint Lawrence Morris as Deputy Fire Chief seconded by Cnclr Pilatzke.

Motion by Cnclr Carroll to adjourn this meeting seconded by Cnclr Meehan and carried at 11:59 pm.

November 9, 1978- Note: Received resignation from Mayor John Brennan on Thursday, November 9, 1978 effective immediately.

Nov. 9, 1978, Note: Received resignation from Road Inspector, Cecil Morris on Thursday, November 9, 1978, effective immediately.

Nov. 10, 1978 Note: Special Meeting called for Thursday, November 16, 1978 to :

?- choose a replacement for mayor.

2- discuss roads.

3- Decided on dog catcher motion.

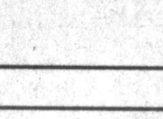
Called by Pro-Mayor, Lawrence Meehan and Secretary Treasurer Ann J Dunlop.

Otter Lake notes

Weekend guests with Mr and Mrs Clifford Hahn were Mr and Mrs Carson Russell of Ear Falls, Ont., Mr and Mrs Sam Gravelle and their son David of Braeside, Mr and Mrs Ramy Gravelle and their son Gilles of Norway Bay, Mr and Mrs Edmond O'Malley and their son Johnny, Mr and Mrs Edgar Mayhew, Mr Wayne O'Malley, Miss Collette Racine, Mr Pat Hahn of Pembroke, Miss Pamela Hahn of Pembroke, Mr Randy Thoms of Shawville, Mr and Mrs Gary Russell of North Gower, Mr and Mrs Ron Kluke of Ottawa.

Congratulations to Pamela Hahn and Wendy Hodgins on winning the Business Men's Bursaries at the Pontiac Protestant High School Graduation Exercises on Saturday November 11th.

The earliest forerunner of the motor car is believed to be a three-wheeled steam-driven carriage built in 1769-70. It ran for about 20 minutes at two to three miles an hour.



25th Wedding Anniversary
The family of
ERWIN and EDITH TUBMAN
invite their relatives, neighbours and friends to help them celebrate their parents' 25th Wedding Anniversary at
Beach Barn, Quyon, Que.
Saturday, Nov. 25th at 8:30 p.m.

ACCOUNTANT

Chromasco is a Canadian diversified producer of ferrous and non ferrous metals and chemical products, with plants located in Ontario, Quebec and Tennessee. The Company, with annual sales in excess of $80 million, has established markets in Canada, the United States and throughout the world.

We are presently recruiting for an accountant for our Haley, Ontario location. Haley is located a short distance from Renfrew, Ontario. The successful candidate would possess a Bachelor of Commerce or would be in the process of obtaining an R.I.A. certificate.

The accountant would report to the Plant Controller and would primarily perform duties in costing. Previous experience with computerized accounting systems and exposure to computer programming would be desirable. The incumbent would participate in all facets of the accounting function as it relates to the Plant.

The Haley location produces magnesium metal and alloys, calcium metal and alloys, strontium metal, magnesium extrusions and other related products.

Chromasco offers a comprehensive benefit package and salary will be commensurate with experience.

Please reply in confidence giving full personal details to:
