## "INVEST IN THE BEST" IS SLOGAN

### Citizens Again Urged Purchase Bonds Locally

At the final meeting of salesmen held in the Green Room, Victoria Hall, His Worship R. Percy Adams, Mayor of Westmount, made a very stirring appeal to the citizens of Westmount to purchase their bonds at their place of residence and to await the call of their Victory Loan salesman.

While results have been fairly satisfactory for the first four days of the Eighth Victory Loan Campaign, it is reported that many citizens have asked the salesmen to call back. This may possibly retard or lose numerous sales in call backs of this nature, and the Citizen's Committee as well as the Organizers are making an appeal to the citizens of West-

mount to purchase their bonds from the salesman who calls at their place of residence. The objective set upon this City by the National War Finance Committee is one of the largest in the Province. "Westmount must not fall."

It is the bounden duty of the Victory Loan salesman to interview every person in every domicile in his territory so as to give an opportunity to every citizen to support Canada's Eighth Victory Loan. That the citizens of Westmount realize this responsibility is quite apparent as the salesmen make their returns to the Unit during the first few days of the Campaign.

Once again the Boy Scout troop of St. Matthias offered their services in distributing the numerous posters around the city. The National War Finance Committee would like to take this opportunity of thanking these Boy Scouts for their patriotic effort.

### War Prisoner Reported Safe

Private Gordon J. McCool, son of A. McCool, 19 Brook Avenue, Westmount, who on October 9, 1944, became a prisoner of war in Germany, is now reported safe in England, according to word received from Pte. McCool.

On October 16, the Minister of National Defence informed Mr. McCool that his son was officially reported "missing in action" and that he was a prisoner of war at Stalag 11B in Germany.

On December 16, he apparently wrote his last message from the POW camp expressing his appreciation of a Red Cross parcel, closing his greeting with "don't worry." The next message received by his father stated "arrived in England, will see you soon."

### CAPTURED WEAPONS

An impressive showing of captured enemy weapons opened at the Royal Montreal Regiment's Armoury yesterday.

This exhibition is on the main floor, and is open to the public today and tomorrow from 12 noon to 10 p.m.

### Library Wants Ancient Copies Westmount News

Mr. Roderick S. Robson of the Robson Press, donated the Westmount News for the years 1907 to 1914 to the Library which appreciates the gift as a valuable addition to its collection.

Should later issues of this weekly newspaper have been kept by anyone else in Westmount, the Library would be interested to be informed, declares the librarian.

### BROTHERS WOUNDED

The sons of Mr. and Mrs. C. S. Le Mesurier, 419 Roslyn Avenue, Westmount, Lieutenants Andrew and James Le Mesurier, have been reported wounded overseas, the latter for the second time.

Lieut. Andrew Le Mesurier, 22, went overseas in February 1941, as a gunner in the 5th Light Anti-aircraft Battery, and returned to Canada in October, 1942, to qualify for his commission at Brockville. He returned overseas, June 1943, and was transferred to the 48th Highlanders of Canada. He was wounded in October last year.

Lieut. James Le Mesurier, 21, enlisted in April, 1943, and qualified for his commission in the artillery. Later transferred to infantry, he was posted overseas on loan to the British Army, serving with the 5th Cameron Highlanders. He was first wounded in February, and again in late March. Both officers were educated at Selwyn House School and Trinity College School. Both were at McGill when they enlisted.

ROTARY PRESIDENT

A. A. Soire, who was elected president of the Westmount Rotary Club at the annual meeting in Victoria Hall. He succeeds A. W. Callard, whose term of office terminates July 1.

### Two Years Each In Penitentiary

Two men who gave their names as Leo P. Desmarais, 21, and George A. Pageau, 20, were arrested by Sgt. Detective H. Bolec and Detective G. Lines on a charge of breaking and entering and theft from Westmount homes.

Brought before Recorder C. A. Hale on April 21, they were tried, convicted and sentenced to serve a period of two years in the Montreal penitentiary on these offences.

### "Eyesore Area" Is Residential Opinion Given

Atwater Ball Park is a large vacant lot 222,419 sq. feet in area on which stand two large weather-beaten billboards announcing to all that this is a suitable location for stores, auto showrooms, apartments, theatres.

At present it appears to be a suitable location for a refuse dump, a resident complains, one sees there broken bottles, old papers, the discarded steel scraper from an obsolete snow plow, which has excellent salvage possibilities, old telephone poles, with no wires on them and, most dangerous, several untidy piles of broken benches, which bristle with protruding six inch nails.

### Netherlands Diplomat Tells Drama Of Dutch

Dr. J. J. Poolhekke, head of the Netherlands Government Information Bureau for Canada, lifted the curtain on the drama of the Dutch people when he spoke on "The Dutch Resistance" at the Westmount Rotary. Paying tribute to the humane qualities of Canadian soldiers, and the fairness of Canadian war correspondents, he word-painted a picture of the reaction of a free people to German rule.

He related how the students of Leyden University withdrew from classes as a protest against so-called aryazation which resulted in the expulsion of several beloved Jewish professors and the subsequent closing of the University.

### Westmount Branch Canadian Legion Receives Charter

More than fifty new members were initiated by Edward Round, Provincial Command Chairman, who conducted the meeting, opening with the traditional Legion service and the colors carried by the Vimy Patrol Team.

Hugh M. Parry, provincial president, conducted the installation ceremony, installing the officers and executive committee; and James H. Boyd, jr., past provincial president, presented the charter. Both Mr. Parry and Mr. Boyd addressed the new branch on their pledges as an organization with the Dominion body.

James Wishart, chairman of the Montreal District Council, was presenting officer during the installation and with Col. Stuart A. Rolland, immediate past provincial president; H. E. Green, provincial honorary secretary; and L. Taylor, of the Montreal Poppy Fund, assisted with the initiation of members.

Following the inaugural ceremony sound films were shown.

Officers elected were: Mayor R. Percy Adams, honorary president; Capt. Paul W. Earl, R.G.N.V.R.; Brig. A. E. D. Tremain, E.D.R.C. A.; and Air Vice-Marshal Frank S. McGill, R.C.A.F., honorary vice-presidents; Maj. N. C. McFarlane, president; F. W. G. Hale, first vice-president; R. E. Havill, second vice-president; H. C. Todd, secretary; O. R. Dalzell, treasurer; and H. C. Strachan, sergeant-at-arms.

Elected as committee chairmen to act as an executive were: S. F. Brown, James Brodie, S. H. Giffen, W. G. Muirhead, Basil E. O'Meara and C. G. Savage.

### GUEST SPEAKER

Tonight, H. S. Ross, K.C., Forum columnist, will be the guest speaker at the Huntingdon Merchants' Association Annual Dinner at the Chateau Inn, in that town, when he will address the assembled business men and their wives on the important subject of "Some Post Victory Plans."

Tuesday next, at the newly formed Brownsburg, Quebec, Rotary Club, Mr. Ross will speak on "Towards A Better World" at 6.30 p.m.

The opposition of the Christian churches to the Nazi policy of Jew baiting, was revealed with the ruthlessly suppressed strikes, the part played by the underground papers in the resistance movement and the merciless action against Dutch patriots, in which reprisals, the speaker declared, even the ordinary pretensions of Christian civilization had been ignored.

The unity and solidarity of the resistance movement is well illustrated by the fact, that, on the order of the Dutch Government in exile, shortly after D-day, all railwaymen in Holland went on strike and despite drastic compulsion have refused to work for the invaders. Dr. Poolhekke concluded.

The illustrious speaker was thanked by P. G. Delgado. An aria from Rigoletto, "La Dona Mobile" was sung by A. R. Bourdon, who was accompanied on the piano by P. G. Colcomb.

Visitors introduced and welcomed by President A. W. Callard were J. Mortimer, Toronto, and D. G. E. Middilburg.

### Local Flier Led Airfields Into Germany

Group Captain Dean Nesbitt, D.F.C., son of Mr. and Mrs. A. J. Nesbitt, 41 Forden Crescent, veteran of the Battle of Britain who opened the first Canadian air station in Alaska and commanded the first Allied airfield in Europe, led the first R.C.A.F. airfield into Germany.

His present command is the Typhoon fighter-bomber wing which has pounded German railways and communications incessantly during its five months sojourn in Holland.

Group Captain Nesbitt, whose wife, the former Sherrill McMaster, daughter of Mr. and Mrs. Ross McMaster, lives at 1269 Redpath Crescent, received his promotion to his present rank early this year. He won his D.F.C. in 1941, was wounded in an air battle shortly afterwards, returned to Canada for a rest, then commanded a station in Alaska.

### MEDAL WINNER

Len Wheatley, 359 Victoria Avenue won the intra-club debate medal for impromptu debating at the annual banquet of the Montreal Spoke Club held in the Mount Royal Hotel.

### NATIONAL VICTORY LOAN FIGURES

8th Victory Sales across Canada totalled \$75,066,450 on Tuesday it was announced here today. Combined purchases for Monday and Tuesday reached \$142,851,750. These figures compare with \$77,269,800 for the 2nd day of the 7th Victory Loan, and \$145,580,100 for the first two days of that Loan.

Question.—What is the history of the Heather Club Inc.?

Answer.—The fiftieth Anniversary in 1937 provided an opportunity for the Heather Curling Club to render tribute to the courage and vision of the Club's founders—, "They builded better than they knew."

That a small band of determined men, given true leadership, can overcome difficulties that seem insurmountable is amply manifest in the annals of the Heather Curling Club.

From a small but enthusiastic beginning it has for fifty years gone from strength to strength, is robust and vigorous today and meets the challenge of the next and following half-centuries with courage and confidence.

For when the One Great Scorer comes

To write against your name,  
He writes—not how you won  
or lost,

But, how you played the game.

### Traditional.

To Provide Healthful Recreation:—We believe reasonable exercise in a pleasant and wholesome form is not only beneficial but necessary to the well-being of every man, irrespective of his years.

To Promote Manly Companionship:—We believe that participation with others in sport, free from professionalism, yet producing keen rivalry, teaches men to know and understand others better.

To Create Enduring Friendship:—We believe that a mutual interest, with a common end, inspires and fosters in each of us a deeper and more lasting esteem for our brother-man.

### History.

Heather Curling Club, 1887-1937:—The Club was founded November 5th, 1887, and a wooden building, containing two sheets of ice was erected on leased land on the west side of Kensington Ave. just above Sherbrooke St., Cote St. Antoine.

The Rink was opened on December 24th, 1887, with the following curlers from Montreal, Caledonia and Heather Clubs taking part:

Rink 1.—D. Wilson, Caledonia, Col. Stevenson, Caledonia, Alex. Ramsay, Heather, Rev. J. Williamson, Montreal, Skip 8.

Rink 2.—Wm. Rutherford, Heather, Laird Brodie, Heather, Geo. W. Wood, Heather, J. W. Hughes, Caledonia, Skip 4.

Rink 3.—Wm. McGibbon, Caledonia, John Allan, Caledonia, A. C. Hutcheson, Heather, Sam. Greenshields, Heather, Skip 7.

Rink 4.—J. S. Archibald, Heather, D. W. Ross Sr., Heather, T. Williamson, Montreal, D. Williamson, Montreal, Skip 5.

At this time the Montreal Curling Club occupied a wooden building on St. Catherine St. between Drummond and Mountain Sts., the Thistle Curling Club was on St. Monique St. above Dorchester St. and Caledonia Curling Club was located on Mountain St. below St. Catherine St.

It was decided in 1902 to look up a site for a new Rink. Messrs. G. A. Robertson and Jas. Baillie were appointed to prepare a proposition for the Directors.

Following this the Club bought a parcel of land on Kensington

Ave. from the Estate Logan at a cost of \$7,500. The building, now standing cost \$14,383, and was furnished for \$700. The Rink was formally opened on December 4th, 1905, with 4 sheets of ice 14 ft. wide. Present equipment and furnishings are in keeping with the times and demands of modern-day comfort and elegance. In 1915-1916 Mr. W. B. Hutchison and Mr. D. W. Ross Jr. were largely instrumental in bringing about the Quebec Branch's decision to reduce the width of rinks to 12 ft. thus permitting five sheets instead of four.

Formed in 1904 by Letters Patent of the Province of Quebec, with a capital of \$20,000 or 2,000 shares of \$10 each. The Heather Club leased the rink building to the Heather Curling Club at a fixed annual rental of \$1,500.

Ninety-four new members were enrolled in 1906, making the membership 198 Seniors and 5 Juniors.

During the Presidential terms of Mr. Frank Daniels and Mr. R. A. Nixon, they, and their officers rendered real service to the Club, by purchasing all outstanding script, and transferring the ownership of the property to the Heather Curling Club (1922).

In 1928, under the Presidency of Mr. W. H. Paul, the Club installed an ice plant with capacity for five sheets, but piped only three; in 1929 the remaining two sheet were also piped. Heather thus became one of the first Clubs in Montreal to provide artificial ice for curling.

### Trophies.

Heather has had its share of success in the winning of Curling trophies, as the following record will establish by number of wins in each:

Centenary Cup, 10 ; Chateau Frontenac (Quebec-Bonspiel), 2; District Medal, 27; Edinburgh Trophy (Granites), founded by T. Howard Stewart, 3; Elgin Trophy (Granites), 1; Gordon International Medal, 7; Governor Generals, founded by Lord Dufferin in 1875 (Runners-up 8 times), 2; Island Inter-Club Trophy, 3; Jubilee—when played with two rinks, 2; Jubilee—when played with single rink (Runners-up 3 times), 2; M.A.A.A. Trophy, 4; Munson Shield, 2; Quebec Challenge Cup (including games won in defence of Cup), 42; Westmount Bonspiel, 1.

### TROPHY FROM FORTRESS EUROPE

This formidable weapon is a German 15 c.m. artillery gun, a sample of the Nazi armament rounded up by the Allies in their drive across the Reich. Just to stress that Victory Bond subscriptions have contributed to the capture of such weapons, this and other captured enemy weapons are being placed on display here during the Eighth Victory Loan campaign.

Official opening of the display for Notre Dame de Grace and West End residents will take place tonight at the Armoury of the Royal Montreal Regiment, 4625 St. Catherine Street West, will be open until April 28th. Capt. J. H. B. Macdonald, of Ottawa, will give a running commentary of the important technicalities and demonstrate each piece.

Under the auspices of provincial headquarters of the National War Finance Committee, the battlefronts of France, Holland and Burma will be brought to the doorsteps of Montrealers. German, recaptured Russian equipment and Japanese armour are included in the display.

Among the invited guests at the ceremony will be Major General E. J. Renaud, C.B., O.B.E., Hon. F. Philippe Brail, C.B.E., K.C., M.L.C., and E. A. Macnutt, joint provincial chairmen, National War Finance Committee; Col. W. H. Kippen, D.S.O., O.B.E., M.C., E.D., Lt. Col. G. Montpetit, M.B.E., E.D., W. B. Tingle and Gerard Gingras, joint chairmen, public relations section; Ross Clarkson and Andrew Beaubien, joint chairmen, Island of Montreal.

## Book Review

by Howard S. Ross

JOHN BRACKEN SAYS, Oxford University Press, Toronto.

This attractive brochure is a collection of outstanding addresses by the leader of the Progressive-Conservative Party.

Some of the addresses are: "THE PEOPLE'S CHARTER" AND THE FUTURE OF CANADA, which was given at Winnipeg, December 11, 1942, when Mr. Bracken accepted the leadership of his Party; THE CHALLENGE TO CANADIANS, given at the Sir John A. Macdonald Memorial Services, Cataract Cemetery, Kingston, June 6, 1942; MANPOWER IN WARTIME, given at Massey Hall, Toronto, July 2, 1943; EQUALITY FOR AGRICULTURE, Lethbridge, Alberta, October 26, 1943; CANADA MUST CHOOSE, Hamilton, December 10, 1943; PARTNERSHIP FOR LABOR AND TEAMWORK IN INDUSTRY, Windsor, February 12, 1944; A NEW NATIONAL POLICY, Ottawa, March 3, 1944; A CHARTER OF RIGHTS FOR YOUTH, Hamilton, April 23, 1944, and A POLICY FOR GUARANTEEING EQUITABLE INCOMES TO PRIMARY PRODUCERS, Alliston, October 14, 1944.

Mr. Bracken is a native of Leeds County, Ontario, and went to Western Canada after his graduation from Ontario Agricultural College, at Guelph, as the gold medalist of his year. For a short period he was in the service of the Dominion and Saskatchewan governments. He then became the third appointment to the faculty of the University of Saskatchewan. After ten years in that post, he became President of the Manitoba Agricultural College.

Two years after his arrival in Manitoba he was offered the Premiership of the Province by a group of leaderless farmers who held a majority of the Legislature after the elections of 1922.

Twenty consecutive years in office was the immediate background from which he was offered the leadership of his Party. Mr. and Mrs. Bracken are the parents of four sons, three of them on active service. There is a striking, rugged portrait of Mr. Bracken by Sampson, which is reproduced by the courtesy of MacLean's Magazine.

An order for 500 new box cars for the Canadian National Railways has been placed with the Eastern Car Company Limited at Trenton, Nova Scotia, for delivery this year.

Time lost through strikes and lockouts in Canada was 38.7% less in the first two months of this year than for the same period in 1944.

## Old King "Coal" Causes Tie Up In Rush Hour

During rush hour, the differential gear of a heavily laden coal truck disintegrated leaving truck and coal stranded across the car tracks at the corner of Victoria and Sherbrooke Streets.

Constable A. Larkin attended to police duties, street car traffic was rerouted by Greene Avenue and the greatest inconvenience was endured by the truckmen, who had to shovel their load on to another truck.

The damaged truck was moved to the curb and the cause of delay speedily removed.

## Solar Club Plans On Entertainment At Victoria Hall

At a meeting of the Solar Club of Montreal held at the Homoeopathic Hospital it was announced that arrangements have been made with Eaton's. Masquers to put on their show at Victoria Hall for one night only on the 15th of May, the proceeds of which will go to the Homoeopathic Hospital. This announcement was received with a great deal of enthusiasm by the members of the club as it is felt that since this show has heretofore been exclusively for the armed services, a great many people will welcome this opportunity to enjoy it.

The main feature of the recent meeting was a highly entertaining show staged by the student nurses at the Homoeopathic which disclosed an abundance of amateur talent. Dancing and refreshments rounded out a very enjoyable evening.

featured by an enrolment ceremony of the Brownies and a "Going Up" ceremony of Cubs to Scouts. All parents and members of the congregation cordially invited.

## Boys' Brigade Pipe Band Will Have Welcome Here

The 7th Toronto's famous pipe band will be in Montreal from Saturday until Tuesday next on the occasion of Youth Week, members of the 1st Westmount Company excitedly anticipating the arrival, this being the first occasion many have seen a Boys' Brigade Pipe Band.

This band has held numerous trophies over a period of years, competing with other Pipe Bands in Ontario, where the B.B. boasts of having 9 such bands and is composed of boys from 12 years to 16, the majority at present being 14 years of age. The unit is connected with the 7th Toronto Company of Rhodes Avenue United Church and will number 12 in all. Boys of the 1st Company are also eager to see the band give a performance of Physical Training at the Battalion Review on Monday in the Black Watch Armory. These boys are unique, in that they compose both an excellent band as well as an outstanding P.T. Team. They will be given a rousing welcome Saturday upon their arrival.

The 1st Company successfully captured the senior swimming trophy at the annual swimming competition held by the Montreal Bat-

team were ill and this necessitated the remaining two doing a double portion. Sgt. Alan Keith and Cpl. Jim Dugan came through on top.

Extensive preparation is being made for the special events taking place during Boys' and Girls' Week, commencing with the parade Saturday afternoon. Every company will turn out to the Battalion Church Service and parade Sunday at 3 p.m. to Divinity Hall where Lt.-Col. Reg. Dean will bring the message and Private Monty Dugan of the 1st Company will sing during the Offertory.

On Monday, the Battalion Review and Display will take place in the Black Watch Armory, the Review Officer being Lt.-Col. W. E. MacFarlane, chairman of the evening will be Mr. F. Bramley, hon. vice-president of the Battalion. The 1st Company will take an active part in all events and their band will take a prominent place.

Construction of a new \$400,000 plant addition for the manufacture of synthetic resin will begin shortly at the Davenport works of the Canadian General Electric Co., Limited in Toronto. Plans are for full operation by July.

## "Recce" Round-up Is Hussars' Rally Raising Vet Fund

The "Recce" Roundup which is being held in the Cote des Neiges Armoury May 17, 18, 19, under the auspices of the Ladies Association, 17th Duke of York Royal Canadian Hussars and the Service Branch, Que. 175 Canadian Legion, B.E.S.L. is something new and unique in the way of entertainment in Montreal.

Games of chance, wheels of fortune and many exhibits are some of the features being planned for the roundup. These attractions are being prepared in addition to military displays which will include some of the most modern weapons in use with the Canadian Army.

The Roundup will end with a big dance which will be held Saturday, May 19, in the Armoury Drill Hall. Irvine Laing, who is in charge of the dance program, has planned an evening of entertainment that will be long remembered.

The efforts, services and enthusiasm shown by all the committee members augurs well for the success of the Roundup, which is being held to raise funds for the veterans and members of the active service regiment now overseas.

An ancient Greek myth states that the anemone sprang from the passionate tears shed by Venus over the body of the slain Adonis.

## Exchanges Expand Local Functions To Meet War Need

Connection of that last telephone call you made to some other city was probably set up in this community by one of your fellow-residents.

An old industry—65 years old next Sunday—has established a new undertaking here, but not for the promotion of any new business!

Through a new arrangement designed to relieve the unprecedented wartime strain on long distance telephone facilities, two of Montreal's large west-end exchange buildings have been equipped as supplementary centres for the completion of out-of-town calls.

Each has already taken an impressive part in maintaining the Bell Company's standard and speed of service. In so-doing there has been opened to more westend and Westmount young women a further opportunity to share in one of the most fascinating of all civilian war-jobs. When school term ends it is expected that a lot more will join them. Girls are still in demand for this type of work because telephone switchboards are now connecting a greater variety of calls than ever in the past.

### Many Direct Circuits

From the big ELwood building on Monkland boulevard that houses also the DEXter and WAlnut exchanges, and from the WIlbank premises on Atwater avenue where WEllington and FlItzroy central offices are also situated, it is now possible for westend Montrealers and Westmounters both to have their long distance calls completed directly to Ottawa, Toronto, Quebec, the Eastern Townships, the Laurentian area and to many cities and towns throughout Quebec and Ontario with which these new facilities provide direct connections.

### New Departure Works Well

Ordinarily, when any telephone user in Greater Montreal dials "110" to place an inter-city call, he is connected immediately with the Long Distance Centre on downtown Belmont street. But these are extraordinary times in the telephone business. The tremendous increase in the wartime volume of out-of-town calling has dictated a diversion of the talk-traffic load. As a result these westend exchange premises are no longer to be regarded as performing merely local functions. Their wider importance is already having a marked effect on the smoother flow of oral communications, a Bell official said today.

Westmount and westend telephone users are now enabled to have as many as six hundred of their daily long distance calls connected through their "local" exchanges, but there is no change in their customary dialing of "110" to have those connections established. If communication is wanted with a far-distant centre in the United States, western Canada or the Maritimes, for example, the opera-

tor here takes down the details in the usual way, then passes them on to a special operator at the Belmont street centre. No valuable circuit-time is lost.

### Interesting And Varied

Operators in this community, under the new arrangement, have the most interesting and varied job in telephone traffic work. Like all local operators, they en-

counter every type of caller from the most routine in business and social usage and including those who place emergency alarms, usually by dialing "O" for Operator, for police and fire services. At the same time they enjoy the wider contacts of the long distance operator's job, talking to colleagues at other centres throughout Ontario and Quebec.

Since this district is largely English-speaking, the girls do not have to be as fluent in French as regular long distance operators at the downtown centre. But they must possess clear voices, nimble fingers, have a fairly long arm-reach and be apt in spelling names and remembering numbers. They have frequent opportunities to display quick-thinking, initiative and resourcefulness.

There's lots of work to be done. We are eager to get at it . . .

The war interrupted the normal expansion of Bell Telephone service. Just as soon as men and materials are again available, nearly 70,000 deferred applications must be filled. Work will be resumed on conversion to dial telephones, on rural

expansion, on extension and improvement of present services, on restoring equipment reserves.

It all means people at work—not only our present employees and those now in uniform, but more besides.

... he is

alone

SO FAR above the earth only a twisting, twining, vapor trail marks his furious pathway through the skies, many a Canadian fighter pilot whirls his Spitfire in combat, high above the droning bombers.

In combat he is alone. But our hearts are with him as they are with every fighting son of Canada—slogging infantryman, sweating artilleryman and every sailor on every fighting ship.

Our hearts are with them. But that is not enough. Our money must be there, too, equipping them, caring for them in sickness and in health—the tangible token that, in more than spirit, they do *not* fight alone.

In every Victory Loan Canadians have shown that their hearts are in the right place. There were more than three million buyers of the 7th Victory Loan. In asking you to purchase the 8th Victory Loan Canada gives you another opportunity for your unstinted help and offers you a sound financial investment as well. You loan your money at 3% interest, paid half-yearly, until the due date. Victory Bonds are backed by all the wealth and natural resources of the Dominion. They can be readily converted back into dollars in an emergency. And they may well be the mainstay of your post-war planning.

**"ONE NIGHT OF RHYTHM"**

**Hilda Galt-Sun Life Revue Aid Montreal War Services**

Final rehearsals involving many young participants from Verdun are in full swing this week in Notre Dame de Grace and Westmount for production of the 9th annual edition of "One Night of Rhythm" at Victoria Hall on Monday, May 7.

More than usual interest attaches to this year's event since Miss Hilda Galt's announcement

of material shortages. Yet word comes direct from those in charge that the staging and costuming will be of a high order, probably unprecedented locally in any production of this kind. The wee tots and the older dancers will each have his and her particular appeal for the audience that has always been of capacity proportions.

HILDA GAULT

that the entire proceeds of the programme are to go directly to the Montreal War Services Co-ordinating Council for the maintenance and enlargement of troop entertainment throughout this district.

In furtherance of that ideal and to lend added variety and charm to the more fundamental aspects of this widely-anticipated revue of her dance pupils' accomplishments, Miss Galt will have the active support of complete dancing lines from two of Montreal's foremost troop shows—her own Hilda Galt Revue and the Sun Life Revue. Both have made outstanding successes of their regular contributions to the pleasure of service men and women throughout M.D. 4 in recent years. Each is contributing substantially to current public appearances here in aid of Canada's 8th Victory Loan campaign.

**Tots Through 'Teens**

Essentially, of course, "One Night of Rhythm" is the yearly culmination of considerable industry on the part of youthful dancers whose progress through various stages of the Hilda Galt School of Dancing studies is marked by this opportunity for parents, relatives and friends to see them in action on a large stage and amid professional trappings, including the advantages of variegated costumes, appropriate scenery, colorful lights and all the rest of the production facilities regularly associated with show business.

This year, perhaps more than ever in the past, the producer has been working against wartime

**"Nursery School" Public Welfare Subject Aired**

A group of representatives from French and English speaking organizations concerned with public welfare met and discussed the subject "The Nursery School within the Educational Framework of the Modern Industrial Community" at St. George's School last night.

Montreal like other industrialized communities is deeply concerned with the welfare of its children. In a highly industrialized centre there is much in the physical environment which is harmful to the physical, social and spiritual development of children.

The chairman of the meeting was Dean H. F. Hall and prominent speakers dealt with the subject.

The National Film Board's Trade Union Circuits serve members of some 300 trade union locals across Canada with movie showings each month.

During the month of March, 1945, 8 out of 10 newborn babies in Netherlands have died from starvation.

**Noted Educator Seeks Election Federal Campaign**

A great deal of interest has been aroused in the West End with the announcement that Miss Beryl Truax, well-known educator, will seek election in the coming Federal campaign as standard bearer for the Labour Progressive Party in Mount Royal Riding.

Miss Truax was born and brought up in Farnham, Que., where her family has lived since the time of the American Revolution, being among the first English speaking settlers in Brome and Missisquoi Counties. She has lived most of her adult life in Montreal.

Graduating from Macdonald College School for Teachers, she taught in West End schools such as Kensington and West Hill until 1926, when she left to attend

Queen's University, to finish up work on a B.A. degree which she had been working on extra-murally. In 1927 she graduated from Queen's as Medallist in French with a scholarship for Oral French. Since that time, Miss Truax has been teaching French at the Westmount High School.

Throughout her teaching career, Miss Truax has been active in teachers' organizational work, which culminated in her election to the presidency of the Provincial Association of Protestant Teachers in 1939. In her presidential address, she launched a campaign for the improvement of teachers' salaries in this Province and in 1940 helped to organize the Federation of Protestant Teachers of the Island of Montreal—of which organization she was president for two consecutive years. The salary campaign was continued through this medium with the result that the Elementary Teachers' maximum salary was increased by \$500.00 per annum, with all elementary teachers on the same scale.

Miss Beryl Truax

Miss Truax has also been prominent in broader educational fields. She has served on the executives of "Home and School" organizations and has spoken at public meetings and over the radio on

such subjects as: "Women in the Post War World", "Problems of Juvenile Delinquency", "The Role of Canadian Teachers in Building for Peace" and "Equal Educational Opportunities for All Canadian Children". She is a member of the Women's Committee on International Relations and the Canadian-Soviet Friendship League.

In 1943 Miss Truax was appointed a member of the Montreal City Council as representative of the Civic Improvement League. During her term of office at the City Hall, she spoke for such things as warm lunches for the children of working mothers, greater playground facilities, etc.

Throughout her entire career, it will be seen that Beryl Truax has been motivated by one main idea—namely, a better world for Canadian children of all races and nationalities. It was this which led her to a close investigation and study of the history and policies of the various political groupings in Canada, because she early realized that progress can come only through the medium of political action.

She has chosen to campaign under the banner of the Labour Progressive Party because she believes that its program offers the best guarantee for economic security in an enduring Peace—which is the basic requirement of the young people of Canada. Miss Truax also feels that there should be more women active in politics, to see that more and more child welfare and social legislation is enacted. In the candidature of Beryl Truax, the electorate of Mount Royal is afforded an opportunity to send to Ottawa an experienced, informed and vocal representative.

In 1865, Villemin proved that "tuberculosis is a specific affection, that its cause resides in an inoculable agent and that it belongs in the class of the virulent diseases."

*Where's Joe?*

**He's signing up for that Extra Bond!**

It's the EXTRA bond—the one more than you thought you could afford—that'll put the finishing touch to the Axis.

We can't sit back at this stage of the game—we must back up the boys as never before.

So dig deep—and smile. The knockout is just around the corner.

# Four Boys Enter Finals Rotary Speaking Contest

Addressing the impressive gathering at the semi-finals of Boys' Public Speaking Contest at the Westward Rotary, President H. F. Brewerton confessed Rotary stunned and shocked by the recent death of President Roosevelt and paid great tribute in the simple statement that a man in the hearts of all, despite physical handicaps, gave everything he had to service, Rotary's motto of "Service Before Self," being fully exemplified by the late world leader. A period of silence was observed in his honour and memory.

The three judges invited for the occasion were Claude Richardson, K.C., Lionel Sperber, K.C., and Mr. R. B. Genest. Mr. Sperber acted as convener of judges. School officials present to witness the prowess of the boys in eloquence were D. S. Penton, Headmaster, Lower Canada College, L. Unsworth, Vict-Director High Schools of Montreal, Mr. Perry, Principal at Lennoxville, C. H. Durocher, St. Leo's Westmount, and Clarence O'Gorman, Assistant Headmaster Hawkesbury, Ontario, French High School.

### Winning Boys

The four winning entry to the Finals to be held at the Montreal Rotary Club meeting at the Mount Royal Hotel on Tuesday, in the order announced by the judges were: Philippe Laurin, French High School, Hawkesbury, son of Mr. and Mrs. Hormidas Laurin, Peter Bleau, St. Patrick's High School, Quebec City, son of Captain and Mrs. Alphonse Bleau, Griffith Marshall, St. Leo's Academy, son of Sqdn/Ldr. and Mrs. Griffith Marshall and Perry Myers, Montreal High School, son of P. Myerovitch, K.C., and Mrs. Myerovitch.

The other two boys were Kenneth Hague, preliminary winner recently at the Westward Rotary first contest and representing Lower Canada College and Phillip Gale of Lennoxville High School.

Described as one of Westward Rotary's most outstanding meetings and the subjects chosen excellent, by President Brewerton, the thirty minutes of delightful Public Speaking was demonstrated by the boys, with little to choose between any, for the place awards. Chaired competently by J. M. C. Duckworth, with Willard Mace as Timekeeper, the program of more than ordinary interest caught the imagination of all present as the calibre of modern youth and what youth is thinking was presented.

### Subjects Chosen

Philippe Laurin, Hawkesbury French High, "Churchill Britain's Man."

Peter Bleau, St. Patrick's High, Quebec City, "A Thought On War And Peace."

Griffith Marshall, St. Leo's Academy, "Unity Amongst Canadians."

Perry Myers, Montreal High, "The Balfour Declaration."

Kenneth Hague, Lower Canada College, "State Medicine."

Phillip Gale, Lennoxville High, "Rugged Individualism."

### Boys Questioned

While the judges were absent deciding the points, assisted by T. Willard Mace and William T. Turner of the Rotary Club, the boys were questioned concerning the art of Public Speaking by the Chairman who himself was later complimented and congratulated on his adroit handling of the contest.

Lionel Sperber, K.C., returned the report of the judges and re-

ferred to the difficult task of selection from the splendid presentation of addresses the boys of the group slated for the finals.

"Flared skirts," writes Jill S. "are not so hard to hem if you trim the lower edge so that it hangs evenly. I turn the edge under one-fourth inch and with tension loosened and stitch lengthened, I stitch one-eighth inch from the folded-edge. I turn up the hem to the desired width, pinning at 4-inch intervals. I

gather in the full edge by pulling on the lower thread at the stitching. I stitch with the usual tension, arranging gathers evenly between pins as I go."

Envelopes did not come into common use in the United States until 1840; 10 years later practically all letters were enclosed.

## TWO WILL CALL

Soon there will be a knock at the door of the Canadian home. On the threshold will stand the Victory Loan salesman, confidently expecting an invitation to come in. It will be the eighth time that he knocks at the door and his confidence will not be badly founded. For more than three million Canadians have long since learned that he is indeed a friend and brings with him something of real value for the householder. The Victory Bonds he offers are now visualized everywhere as instruments to guide individuals towards a more secure post-war situation.

But let us not forget that there are two callers at the door when the salesman knocks. Behind him, in spirit, is the Canadian boy in uniform who is backing up the salesman in his effort to increase the size of individual Victory Bond purchases, not so much because of his concern for the future material benefits to the purchaser, but because those purchases help to guarantee the continued flow of arms and ammunition to the battlefronts.

The Canadian who decides to buy a hundred dollar Bond after listening to the Victory Loan salesman may change his mind if he looks over the shoulder of the salesman into the eyes of that sailor, soldier or airman who counts on folks at home to back up his efforts overseas. Such a look may prompt a two hundred dollar purchase.

## MAKING THE VOTERS' LISTS

A large number of enumerators has been visiting every house in the district this week compiling the voters list to be used at the coming Federal election June 11. Their work will be completed by the week-end after which the lists will be printed and a copy for the appropriate polling division sent to every home. Local residents will then scan the lists, note errors or omissions, and will later have an opportunity to have corrections made before one of several revising officers who will sit in the district. Due notice will be given of the dates and locations of such sittings by the

Returning Officer for the district. The lists as corrected by the Revising Officers will be the ones used in the polls on voting day. Local election officials report everything going comparatively well with a minimum of trouble being experienced in the enumeration. Outside of one or two enumerators listing voters outside their territory, there have been no serious hitches with the work.

## NO SENSE OF SPEED

An airplane is the fastest form of transportation, yet a sense of speed is totally lacking. Even when the plane is moving 200 miles an hour, it seems to be standing still, or nearly so. Consequently, in air travel, although you are going hell-bent, you have no feeling of hurry. The friends who may meet you at the airport are likely to be far more excited from their ten-mile dash in their automobile than you are from your 500-mile flight through the air, writes William Feather.

The air lines believe in feeding their patrons. Sandwiches, coffee and tea may be obtained free at any time. At meal times you may get the following, which is typical and also free; fruit cocktail, broiled lamb chop with jelly and lima beans; green salad and rolls; chocolate pie or cheese and crackers; coffee, tea or milk.

Pilots are strictly regulated. Their flights are standardized. They fly at designated heights and speeds, ascending and descending according to instructions as to speed and time. Automatic recording devices supply the management with a log which is a tell-tale.

Contrary to popular belief, the smoothest rides occur at night and in winter when the air currents are more likely to be quiet.

When a commercial airplane descends for a landing its speed is only a third that of a fast elevator.

## WHO IS THIS WOMAN?

"I often wonder," a married man told me, "if I'm living with the same wife I had ten or fifteen years ago. She doesn't look the same and I don't believe she has a single idea that she had when I originally started going out with her. Her tastes are all different even to the kind of clothes she likes. Of course, her physical self has changed completely, because we're said to have an entirely new body every seven years. So if her body, ideas, habits, tastes, clothes and appearance have changed, just what is the same? I don't think she's the same woman at all. But if not, who is she?" — F. C. Kelly, in Coronet Magazine.

# THE FORUM

Conducted by HOWARD S. ROSS, K.C., D.C.L.

In Which Subjects of General Interest Are Discussed

The opinions expressed in this Forum are not necessarily those of this newspaper, and it does not accept responsibility for them.

The casualties of the British Empire are as follows: United Kingdom 635,107, Canada 78,985, Australia 84,860, New Zealand 34,115, South Africa 28,943, India 152,597, and the Colonies 28,946—total 1,043,554. Russia and China excepted this represents the greatest loss suffered by any of the United Nations. For every Canadian struck down or captured nine were struck down or captured from the British Isles.

Against such as H. G. Wells and that other small philosopher, Harold Laskie, Britain's Winston Churchill stands sure and erect, the man who saved his country and in saving his country, saved the world.—Windsor Star.

The war is costing Great Britain \$64,125,000 a day.

Toronto Telegram's comments on political events are often worth while but it does seem a pity that Premier King is almost always referred to as W. L. M. King. Recently appeared the following: "W. L. M. King's reference to Rt. Hon. Arthur Meighen". This is extreme partisanship.

## Coal Industry Lags

British industry is having a thorough shake-up from war circumstances and especially from the wartime impact with American industrial methods.

Some unpalatable home-truths are coming to light as a result of trans-Atlantic comings and goings of experts on coal, and cotton who are comparing methods in the United States and Britain.

The latest contribution comes from Britain's portal coal commission which, after a 5,000-mile tour of America's open-cast coal fields has just reported on an unsatisfactory state of machinery in the British coal fields.

The report throws a revealing searchlight on British industrial methods and may be instrumental in achieving the necessary spurt in industrial efficiency to make up for the lag of the past 40 years.

The mission was especially impressed by the great importance attached by Americans to the efficient maintenance of equipment on all operations which enables machinery to work continuously seven days a week on three shifts. Specially emphasized in the report is a British need to be better supplied with spares for machinery in the future.

Meanwhile, the British cotton trade is busy studying how to put into practice lessons which the British cotton trade mission has learned in the U.S.

## Trusts Too Powerful

British Labor is expected to protest vigorously against the dropping of anti-trust legislation promised some months ago by Dr. Hugh Dalton, president of the board of trade and a leading member of the Labor Party.

The conservative majority in the Churchill cabinet, it is alleged, has been able to block the promised measure, and this strengthens the view of many that no real social reform can be expected from the present government.

Trusts, cartels and monopolies in Britain are on a huge scale but so little is ever heard about them that the bulk of the public hardly knows they exist. There are trusts, rings and trade associations controlling chemicals, soap, coal, engineering, margarine, tea,

steel, iron, and scores of other products and commodities. So far no government, largely because its wealthiest supporters have been interested in these businesses, has ever lifted a finger against them.

Only recently the old-established journal, The Economist, protested against what it called the "citadel of monopoly" in Britain, declaring parliament should investigate forthwith the dangerous expansion in recent years of "combines, trusts, cartels and other organizations in restraint of trade" that serve to exploit the consumer.

"The failure of the board of trade to get the cabinet's assent to its very modest proposals for anti-monopoly legislation," says the Economist, "is not very encouraging."

My philosopher friend said: "Many have learned to put business before pleasure and now all of us must learn to put people before both."

## Calvary Church

The service in Calvary United Church, Westmount, on Sunday next, will be of an unusually interesting character. The Church School will meet in all departments from Beginners to Seniors at 10 a.m.

The guest preacher at the morning service at 11 a.m. will be the Rev. J. Arthur Steed, M.A., B.D., minister of Carmen United Church, Toronto. Mr. Steed will be remembered as a former student Pastor of Crystal Springs Church and later as a missionary of the Congregational Church and of the United Church in Chissamba, Angola, Portuguese West Central Africa. There he carried out extensive pioneer missionary work and rendered signal service in the field of missionary extension. Mrs. Steed will accompany her husband and will assist in some of the services of the day in Calvary. Sermon theme: "African Diamonds."

The evening worship at 7.30 p.m. will take the form of a musical service by the choir of Calvary Church; anthems, choruses and spirituals will be rendered under the direction of the organist, Mr. A. J. Binnie. Mr. Steed will tell the thrilling story of the great African choir of 5,000 voices, singing the Hallelujah Chorus at an outdoor night service. Mr. Steed himself trained the choir and directed the singing during the darkness by using a flashlight at a baton.

On Monday night at 8.15 p.m. in the church parlors, Mr. Steed will deliver an illustrated lecture with lantern slides on "Chissamba—in Angola, the land of a King." Curios from Africa will be on display and African games will be shared during the social period following the lecture. All are invited to attend.

The regular meeting of the W.A. will be held on May 2nd at 2.30 p.m. while the Red Cross will hold its regular work meeting on Thursday, May 3rd from 10.30 a.m. to 4 p.m. in the church parlors.

At Dominion-Douglas Church next Sunday morning, Dr. Lloyd Smith will take as his sermon topic "Undergirding our Citizenship."

Church school meets in all departments at 3 p.m. At 7.30 p.m. the preacher will be Mr. Leonard Griffith, B.A. Subject: "Andrew Simon Peter's Brother." The Young People's Union invites all young people to their meeting in Friendship Parlor after the evening service.

On Monday at 2 p.m. Sewing Circle will meet for the last time this season. It is hoped there will be a large attendance. The Women's Association meets on Tuesday at 10 a.m. with luncheon at 1 p.m. This is to be a special meeting to which all members of the Red Cross Unit are invited. Red Cross Unit will hold its regular meeting on Wednesday from 10 a.m. till 5 p.m. A great deal of work is waiting to be done and anyone who can help for even a little while will be most welcome.

### Westmount Baptist

The themes announced for Sunday services in Westmount Baptist Church are both vital and interesting. At the morning service, Dr. J. A. Johnston will speak of "The View From Pisgah's Lofly Height". Among the mountain peaks in the landscape of the Old Testament, Pisgah is the Mount of Clearest Vision.

In the evening the address will have as its theme "A Woman Lawyer Pleads For a Handsome Young Prince". This will be the message of the gospel presented amid a striking scene in an ancient Court of King's Bench.

On Sunday, May 13th, Westmount will present another of its delightful recitals of sacred music. On this occasion the programme will be sustained by the Montreal Men's Choir, under the direction of Mr. John Robb, and Westmount Baptist Choir under the direction of Mr. Hibbert Troop. Music lovers will anticipate such a programme with great interest.

The regular weekly programmes of the Church are carried on with devotion and enthusiasm. The Young People gather on Monday evenings. The Week-Night service of the Church is held each Wednesday at 8 p.m. The Mission Circles and the Women's Association have their regular monthly meetings, and the Red Cross Group carries on most faithfully. The Church is planning its Fall programme, which will be launched with services conducted by Prof. R. J. McCracken, M.A., B.D.

(except Saturday) there will be an informal mission service, when Father Smye will preach. Every morning the Holy Eucharist will be celebrated. The special objective of the mission is a challenge to church people to be ready for the peace.

## Social and Personal

Mrs. A. W. Green is holding a bridge for the members of the Westmount C.C.F. Club at her home, 170a Selby Street, on Saturday evening. Mrs. William Hamilton, daughter of Mrs. Green, who is at present residing with her, will act as joint hostess.

Mrs. Arthur Tyner, formerly of 22 Burton Avenue, accompanied by her three little girls, Anne, Judith and Patricia, left a few days ago for St. Johns, Que., to take up residence with her husband, Lieutenant Tyner, who has been stationed there for the past two years.

Lieutenant and Mrs. W. R. Christmas and their two sons, Billy and Jerry, formerly of Western Avenue, have now taken up their residence at 64 Third Avenue, Ottawa, Ont.

A "sunshine" tea was held on Tuesday by the Ladies' Aid Society of Melville Presbyterian Church in the church hall. An enjoyable program was also presented.

Invitations have been issued for the graduating exercises of the Phillip's Training School for Nurses, Homoeopathic Hospital, which are to be held on Thursday, May 10th, at half-past eight o'clock.

The Alumnae Association is entertaining the graduating class at a dinner on Monday evening, May 7th, at the Queen's Hotel; and the Board of Management of the hospital is entertaining at a dance on May 16th.

Mrs. S. Tack Ryan, of New York City, who was the first president of the Union of Auxiliary Services of St. Mary's Memorial Hospital, is expected in town to attend the Union dinner on Monday evening.

Mr. and Mrs. D. R. Hourston, of Moncton, N. B., will be guests at the Windsor Hotel while here for the Barnes-Lorimer wedding on Saturday.

Miss Olive Nightingale, matron dietician at the Mackay Institute School, is a patient at the Montreal General Hospital where she underwent an operation. Miss Nightingale is now making a good recovery.

Mr. and Mrs. W. E. Barnes, of Moncton, N.B., who are coming to town to attend the wedding of their son, Flight Sergeant Robert L. Barnes, R.C.A.F., to Miss Helen Mary Lorimer, will be guests at the Windsor Hotel.

Mrs. H. Walton entertained at tea on April 22nd in honor of her daughter, Miss Vera Walton, whose marriage to Mr. James Barclay Allen is taking place on Saturday. Others who have entertained for Miss Walton are Mrs. D. H. Black, who gave a bathroom shower; Mrs. E. McCready, a linen shower; Miss Marjorie Lewis, a kitchen shower; Mrs. William Hay who was joint hostess with Mrs. Alex Watson at a cup and saucer shower. The Misses Marlyn Tansey and Brenda Tolan gave a luncheon at the Ritz Carlton Hotel for the bride-elect, at which there was a presentation; and the staff of Empire Universal Films entertained Miss Walton and guests with a screening after which there was a presentation and refreshments were served.

### SHOWERS

Mrs. Horace Merrick, Earncliffe Avenue, entertained at her home on April 18th at a pyrex shower in honor of her niece, Miss Margaret Fredrica Sticht, bride elect.

The decorations were carried out in pink and white, the table being centred with a miniature bride's cake. Among those present were Mrs. James Arnold, Mrs. John Denman, Mrs. E. J. Gardner, Mrs. William Smith, Mrs. Douglas McGimpsey, Mrs. D. Angus, Mrs. R. Denman, Mrs. H. Denman and the Misses Olive Grimsdale, Phyllis Gardner, Ella Forster, Peggy Hornbach, Barbara Tindal and Evelyn Denman.

A shower was held on Friday evening at the home of Mrs. J. McGivern, Wood Avenue, in honor of Miss Jean Baillie who is leaving some time in May for Scotland where she will be married. Mrs. A. MacGregor was hostess. A presentation was made during the evening.

Mrs. A. Baillie, sister-in-law of the bride elect, poured tea, while Mrs. M. Dawson poured coffee. The table was centered with a two-tier wedding cake, with yellow and mauve decorations and Sweetheart roses.

DEMURE

Seen above in the costume of a flower girl, which she wore at a recent wedding, is seven-year-old Beverly Mae Jones, daughter of Mr. and Mrs. Leonard W. Jones.

### APPROACHING MARRIAGES

The marriage of Miss Helen Moreau, daughter of Mrs. Moreau and of the late J. H. Moreau, to Mr. Albert Rich, son of Mrs. Rich and of the late Sidney, will take place at half-past four o'clock tomorrow afternoon in Westmount Park Church, the Rev. George W. Goth officiating. The bride will be given in marriage by her brother, Mr. Henry Moreau, and will be attended by her sister, Mrs. O. Rohden, as matron of honor. Mr. Harry Martin will act as best man for the groom. The soloist will be Mr. Barrie Galbraith.

### SILVER WEDDINGS

The Misses Mary and Kathleen and Master Joseph Unsworth entertained, on Saturday evening, at a delightful surprise party for their parents, Mr. and Mrs. H. R. Unsworth, in honour of their twenty-fifth wedding anniversary. Mr. and Mrs. Unsworth received the congratulations and best wishes of their friends in the living room which was given a festive appearance by a profusion of roses.

A toast to the happy couple was proposed by Mr. Bernard J. Brady. Reverend Father Reid also addressed best wishes and congratulations and Mr. Unsworth, in his usual happy manner, replied to both.

The couple received cables from their sons, W.O. Robert B. Unsworth, R.C.A.F., stationed in India and O/Smn. John H. Unsworth, R.C.N.V.R., at present in Scotland. Messages were also received from Mrs. Unsworth's brother, Sgt. Dignan A. Brady, R.C.A.F., Newfoundland and Mrs. Brady of Sherbrooke; Miss Geraldine Hebert, Miss Vivian Powers, Miss Cecile Jutras, Sherbrooke and Mr. and Mrs. Jack Powers of Quebec.

Out of town guests were Mr. Bernard J. Brady and Miss Aileen Brady, Windsor Mills and Mr. and Mrs. Rolland J. Brady, Drummondville.

On the occasion of the 25th wedding anniversary of Mr. and Mrs. A. H. Price, eighty relatives

and friends gathered on Saturday evening in the Oak Room, Victoria Hall, to entertain the couple. Buffet supper was served at a table decorated with white candles in silver candelabra, arranged with bowls of pink snapdragons, and centred with a three-tier wedding cake.

A presentation was made of a Venetian crystal table lamp, and a corsage of 25 Sweetheart roses was given to Mrs. Price.

Mrs. H. McDevitt, Mrs. H. Cantwell, Mrs. Charette and Mrs. F. D. Crowley received the guests, among whom were relatives and friends from Beauharnois, Valley-

## Women Volunteers Help Stores Turn Paychecks Over To Club

Housewives of Cleveland are doing a praiseworthy wartime job of alleviating the shortage of workers in civilian establishments through the operation of a plan which could be successfully adopted by any community, any where.

In September, 1943, the Federation of Women's Clubs of Greater Cleveland first took official cognizance of the shortage of hands in the local department stores, restaurants, tearooms, cafeterias, hospitals, and private clubs. Something should be done, they agreed, to show the city that woman-power, even on a part-time basis, could be recruited out of kitchens and homes.

Acting accordingly, the Federation organized the Civilian Service Corps, comprising housewives and mothers — many of the latter having sons and daughters in the armed services—who were willing to donate their services several hours daily and weekly, no matter how menial the task, in local business establishments hard hit by the labor shortage.

Through the medium of 12,000 letters and questionnaires, the project was introduced to civic organizations whose members were eligible for such work. In a comparatively short time, 1,500 women had been enrolled, and the Civilian Service Corps was on its way.

These volunteers agreed to donate their efforts without monetary remuneration. Their pay checks, as agreed at the outset, were turned over to the Federation and to their own organizations to be used for betterment of the community, to buy War Bonds and for rehabilitation work.

**Immediate Success**  
First assignment was from a department store, requesting 25 women to serve the Women's Division of a War Chest luncheon. The assignment clicked, proving the practicability of the program.

This was followed by many other examples of sufficient help supplied by the Corps to business firms during the current emergency, as for instance the situation at the cafeteria of Cleveland's City Hospital. Busy hospital staff members stood daily in long lines as they waited to be served. One section of the cafeteria had to be closed as the list of employees

dwindled. But today, supplied with 60 members of the Civilian Service Corps each week, the hospital's cafeteria is an acme of efficiency where 1100 persons are served meals every day.

For several weeks, three members of Ohio's Governor-elect Frank J. Lausche's family shared in this particular job—his wife, Mrs. Jane Lausche; his sister, Mrs. Josephine Wolf, and his brother's wife, Mrs. William Lausche. They worked over steamtables, and when the chef failed to show up, took over the kitchen and prepared cakes, pies, rolls and bread for the hospital staff.

Mrs. Seltzer, president of the Federation of Women's Clubs of Greater Cleveland, first took official cognizance of the shortage of hands in the local department stores, restaurants, tearooms, cafeterias, hospitals, and private clubs. Something should be done, they agreed, to show the city that woman-power, even on a part-time basis, could be recruited out of kitchens and homes.

CARLYE RAMEY: Enchanting.

Hoisting a pair of feet higher than your head — when you're alone and can do so without sacrificing dignity — will ease up pressure on these down-trodden members and make them more willing to leap to your bidding.

Nobody backs up the idea of the elevated foot rest more wholeheartedly than dancers who in performance and rehearsal use feet muscles steadily from four to six hours a day. To give hers relief, ballerina Carlye Ramey — she enchants Broadway's "Song of Norway" audiences—uses the arm rest of a couch as a foot rest; sinks her head fully 15 degrees lower than her toes; keeps this position until feet feel revived.

Another trick Carlye suggests for coaxing a spirited gait out of wooden tread is to massage your feet when you give them a bath. To give slide to hands, she says, lather well with soap and then pull upward from toes.

### HOUSEWIVES PINCH-HIT IN RESTAURANTS

Housewives and mothers in some localities in the United States are donating several hours daily and weekly to alleviate the labor shortage in department stores, tearooms, etc. These volunteers donate their services without remuneration, their pay checks being turned in to their own clubs, etc.

## TRAINED ATTENDANTS RECEIVE PINS, CAPS AT GRADUATION

Seventeen graduates of the Trained Attendants' Association of Canada Inc. received their pins and cap bands at the association's eleventh graduation ceremonies in the Allan Shatford Hall recently.

Mrs. Rebecca Falconer, president of the Association, was in the chair. Mrs. Mona Lennon, R.N., instructress of Trained Attendants, gave her report of the school and examination.

Dr. Walter Mingie, in his remarks to the class extended a welcome to them in the field of nursing. The Rev. Gordon Burgoyne addressed the graduating class, stressing the moral qualifications of nurses and the part they play in ministering both to the body and mind of the sick.

Mrs. Falconer, president, presented the velvet bands to the

class and Mrs. Mona Lennon, R.N., the pins.

Mrs. Myra Hamilton was soloist and Mrs. F. J. Kemp accompanist. Miss Fannie Black extended the vote of thanks to the speakers. The new trained attendants are:—

Miss Denise Arsenault, Miss Mildred Bowring, Miss Helene Chagnon, Miss Dorothy Davis, Miss Marita Elliot, Miss Lena Chagnon, Westmount, Miss Dorothy Davis, Verdun, Miss Marita Elliot, Miss Lena Gannon, Miss Elise Gavin, Miss Betty Hill, Miss Pearl Penny, Verdun, Miss Hilda Macdonald, Miss Isobel Macdonnell, Mrs. Annabelle Naismith, Mrs. Mary Niditch, N.D.G., Mrs. Marianne Riepert, Westmount, Mrs. Mary Wark, Westmount, Miss Ruby White, N.D.G., and Miss Grace Wilson.

Diplomas to those who have successfully completed the requisite time as trained attendants were presented to the following: Miss Adrienne Connell; Miss Helen McRae, Miss Jeanne Racine and Miss Elizabeth Allard.

Notices of Women's Meetings must reach this office by Tuesday of the week of publication. To get in touch with the Social Editor, telephone WA. 2778.

## Mrs. Edmund Foster Re-Elected By Westmount Subdivision CWL

A particularly active year in all branches of work was noted at the annual meeting of the Westmount Subdivision of the Catholic Women's League held on Friday afternoon in St. Leo's School Hall, with the president, Mrs. Edmund Foster presiding.

The treasurer, Mrs. John Colford, reported that total receipts amounted to \$2,497.90 and expenditures, \$1,865.70, leaving a balance of \$632.20. Donations amounting to \$1,227.00 were made, the principal ones being:—

St. Mary's Hospital, \$25; Federation of Catholic Charities, \$25; Children's Memorial Hospital, \$5; Little Sisters of the Poor, \$10; Sisters of Service, \$55; Catholic Girls' Association, \$10; The Land Circle, \$10; Girl Guides, \$15; Catholic Mother's Club, \$10; Christmas baskets, \$20; Prize for St. Leo's Academy, \$10; C.W.L. Magazine, \$25; C.W.L. Diocesan Scholarship, Marianapolis College, \$10; Cigarettes for overseas, \$341.84.

The principal war services donations were:—

Canadian Red Cross Society, \$150; H.M.C.S. "Westmount", \$25; Honor Chapel to Armed Forces, Church of the Ascension of Our Lord, \$500; Boxes, etc., for men in the Services, \$29.41; Post War Reconstruction, \$50.

The war services convener, Mrs. G. V. Roney, reported that donations of clothing, knitted goods, sports equipment, playing cards, soap, books and magazines, totaling 181 articles had been sent to the Merchant Marine. On the first Friday of every month a Mass is said for the members of the armed Services. Besides this, many members work at the ration board during the distribution of ration books, and at each monthly meeting leaflets, published by the W.P.T.B. are distributed.

Mrs. J. P. O'Reilly, cigarette list convener, announced that 115,200 cigarettes have been sent overseas to the men of the armed forces. An additional \$330. has been allocated for sending more overseas during the summer months.

### Red Cross

The Red Cross convener, Mrs. Chas. Rowlands, reported 473 articles of sewing completed, and 87 articles in process of completion. Twenty-two knitted articles were finished. Members have put

in 182 hours of work since last September at Red Cross House on Olivier Avenue. Here also a committee of three did canteen work serving sixteen meals per week for forty-eight weeks, netting \$100 for the Red Cross. Also three members are regular workers at the Blood Donors Clinic on St. Catherine Street. In the recent Red Cross drive, team No. 17 was composed of 23 members of this subdivision. They collected a total of \$3,022.50 which was approximately 109% of their objective.

Mrs. J. T. Rogers, convener of the drama group reported that \$346.50 had been realized from the play "Sinister House". A one-act play, "Hearts" was given at one of the monthly meetings. Later on, this play was repeated, for the Artillery Auxiliary, the University Women's Club, the Business and Professional Women's Club, and for the Canadian Women's Press Club, Montreal Branch.

The membership convener, Mrs. Wm. Boyd, reported 250 members in good standing, of whom 51 are new members in the subdivision. The bridge clubs under the convener'ship of Mrs. Ed. Palmer netted \$303.65, while the annual St. Patrick's card party and tea realized \$480.46. A rummage sale, with Mrs. J. P. O'Reilly in charge, netted \$131.13. In the C.W.L. annual literary competition, two of the subdivision's members won honorable mentions. Several members are regular workers in various departments of St. Mary's Hospital.

Reports were read by the other conveners as follows:—Miss L. Cox, recording; Mrs. E. F. Kieran, corresponding; Mrs. A. I. Peterson, Sister of Service; Mrs. J. P. O'Reilly, magazine; Mrs. G. V. Roney, Girl Guides; Mrs. C. J. Lovett, refreshments and Social Service Christmas Tea; Mrs. H. P. Nightingale, civics; Mrs. D. K. Donnelly, publicity. The president

MRS. EDMUND FOSTER

At the annual meeting of the Westmount Subdivision of the Catholic Women's League on Friday, Mrs. Edmund Foster was re-elected president.

### FLIGHT LIEUTENANT W. B. COUCILL AND BRIDE

An English wedding of interest to many local friends here is that of Flight Lieutenant W. B. Coucill, R.C.A.F., who is shown above with his bride, the former Miss Ethel Margaret Tappin, after their recent wedding in St. Nicholas' Cathedral, Newcastle-on-Tyne, England. The bridegroom is the son of Mr. and Mrs. W. Coucill.

Thanked Mrs. J. P. O'Reilly and Mrs. E. Ryan for their assistance with the musical program during the year.

The child welfare report stated, that among other donations, one hundred baby garments and various other hospital supplies were made by Mrs. John Colford for St. Mary's Hospital.

### Officers Elected

The following members were elected to office:—

President, Mrs. Edmund Foster; past-president, Mrs. J. T. Rogers; first vice-president, Mrs. Ed. Palmer; second vice-president, Mr. A. I. Peterson; third vice-president, Mrs. Wm. Boyd; recording secretary, Miss L. Cox; corresponding secretary, Mrs. F. Kennedy; treasurer, Mrs. John Colford.

Councillors:—1. Mrs. J. P. O'Reilly, 2. Mrs. C. J. Lovett, 3. Mrs. J. King, 4. Mrs. D. K. Donnelly, 5. Mrs. G. Lafontaine, 6. Mrs. R. M. Macaulay, 7. Miss M. Meikle, 8. Mrs. J. Belcourt.

The Rev. Father W. McDonagh, pastor of the Church of the Ascension of Our Lord and chaplain of the subdivision, addressed the members, after which tea was served.

## LADIES' AUXILIARY C.P. LEGION NO. 96 DONATES COMFORTS

The Ladies' Auxiliary Canadian Pacific (Quebec No. 96) Branch of the Canadian Legion held its regular monthly meeting at the club rooms on Thursday evening. The president, Mrs. A. Lyle, was in the chair and opened the meeting with the Legion Ritual following which the members were welcomed and congratulations extended to Mrs. R. Greenfield, whose brother A/S. J. Hudspeth, R.C.N.V.R., has recently arrived home. An initiation took place and the following new members were enrolled: Mrs. C. Hassal, Miss Natalie Moffat, Miss Cicely G. Pearson and Miss Thelma C. Skelton. The financial statement, which had been audited and certified correct by Miss Edith F. Storrier and Mrs. B. Miller showed a substantial cash balance.

Mrs. N. H. Chalmers reported for the hospital committee that she, accompanied by Mrs. R. Thomas and Mrs. E. S. Sutherland, had visited and distributed comforts to thirty-eight veterans who are patients at the Montreal General Hospital.

Mrs. Chalmers who had attended the March meeting of the Canadian Legion Montreal Hospital Committee, said that owing to the ever growing demand for comforts the branch should, if possible, make a donation to this work and it was decided to make a regular monthly contribution.

Mrs. R. Greenfield, Miss Cicely

## Catholic Festival

Eight groups each presenting a one-act play, will participate at the Catholic Drama Festival, which will take place at Loyola College Auditorium on three evenings, May 2nd, 3rd and 4th, under the sponsorship of the Cathespian Guild, when the adjudicator will be Mrs. Christopher Wyatt, of New York City.

Among the groups appearing are The Queen's Players, under the direction of Rudolph W. Stoeckle, who should give a good presentation of their choice "The Table set for Himself". This play, written by Elene Wilbur, concerns the old Irish legend that the little Christ Child visits the earth on Christmas Eve, and may even partake of refreshment in the home that has a table set for Him.

The Catholic Teachers' Guild Players will offer "Shall we Join the Ladies?" by Sir James M. Barrie. St. Gabriel's Holy Name Society Guild Players will present an original play. The theme of "The Seed" by Rev. Edward Sheridan, S.J., is timely—life under Nazi regime. This play, already presented in other centres with marked success, will have its premiere in Montreal at this Festival.

The Dramatic Group, Business Women's Unit, Catholic Women's League, have chosen as their offering "Minerva Moody", a costume play of appealing charm. This group of talented young players, who recently were accorded high praise by discerning critics for their presentation of "The Song of Bernadette", directed by Clarence I. Jones, will play under the same director during the Festival.

### MacGillivray

The MacGillivray Auxiliary of St. Andrew's Church will meet on Tuesday, at 3 p.m.

Mr. C. A. Wylie will speak on "Citizens of To-morrow".

This address comes at an opportune time when the youth bur-

eau is putting emphasis on the needs of youth and Mr. Wylie is very familiar with the whole question.

### WOMEN'S RESERVE CHORUS TROUPE SCORES HIT

The chorus troupe, under the direction of Captain "Bobby" Rice, gave a successful concert on April 20, in Westmount Central United Church Hall. The guest artists on this occasion were Dorothy Clements and Mr. Jackson. Mrs. M. Wareham, voluntary pianist of the W.V.R.C., gave two piano selections. The chorus troupe have several engagements

arranged for the future which will be announced at a later date.

The regular drill which has been held on Tuesday evenings in Queen's School, has been changed to Wednesday evenings at St. Leo's School. The cadets will also meet on Wednesday evenings as usual at 7.45 p.m. The "Quiz," which has been in process for several weeks, is drawing to a close, and shortly the name of the winner will be announced.

A reception committee is again on duty at our Headquarters, 14 Weredale Park, where all ladies who may be interested in the work done by W.V.R.C. will be cordially welcomed. For further information call FI. 9746.

## about SUGAR FOR CANNING

For tasty, nourishing and economical winter desserts, most Canadian housewives will again do some preserving this year... jams, jellies and all kinds of fresh fruits.

Sugar is still very scarce. We must continue to conserve our supplies.

This year, the allowance for home canning will be the same as in 1944—ten pounds per person. Be sure to use your ration sparingly.

### HOW TO GET SUGAR FOR CANNING

Instead of special home canning sugar coupons, twenty extra preserves coupons in Ration Book No 5 are being made available for the purchase of sugar for canning.

These coupons are good for half a pound of sugar each or the stated value in commercial preserves, for they are the same as any of your preserves coupons.

You may use any other valid preserves coupons to

purchase sugar, also at half a pound each.

No exchange is necessary. Your grocer will accept any valid preserves coupons when you purchase sugar for canning.

There are now only two kinds of coupons for sugar. The regular sugar coupon, good for one pound of sugar, and the preserves coupon, worth half a pound of sugar.

### SUGAR FOR CANNING COUPON CALENDAR

For the balance of the year, two "P" coupons for preserves will become good each month.

### USE ONLY AS REQUIRED

The twenty extra preserves coupons for sugar for canning will remain valid until declared invalid by the Ration Administration. You do not have to use them immediately. You will be given plenty of notice of their expiry date.

### GUARD YOUR RATION BOOK

If you lose your ration book, the extra preserves coupons which have already been declared valid will not be replaced. It is up to each consumer to look after his or her ration book.

## Double-Duty Menus Are Boon As Timesavers To Busy Cook

Don't drive yourself crazy cooking separately for the family and children. Dovetail foods for both into the family meal pattern. When every minute counts, don't spend unnecessary minutes in the kitchen.

Plan meals ahead, a few days at a time. Then children's meals can easily be adapted to family dinners and much double cooking avoided. If, for example, your children's routine includes a heavy meal at noon, choose for the family's meal foods suitable for both adults and children, and cook enough to leave a noon dinner for the next day.

Adults foods can be adapted for children in countless ways. Spices, pie-crust and fried foods are not meant for youngsters so, of course, certain dishes must be modified. But meat loaf and stews are children's foods if spices are omitted; and pie fillings are also suitable, which means making a little extra filling into a pudding. Cream sauces and cream soups take care of vegetable reheating. Everyone will be happy this way — the youngsters get nutrition, adequate food and the others won't be clamoring, "Where's the flavor gone in this meal?"

### Floating Crunchy Pudding

One-half cup molasses, ¼ cup sugar ¼ teaspoon salt, ½ table-

spoon butter, 6 cups cornflakes. Combine molasses, sugar and salt and boil to 250 degrees F. or until mixture forms a firm ball when dropped into cold water. Add butter. Pour over cornflakes and toss together lightly with a fork. Then form mixture into 1-inch balls. Serve 3 or 4 balls on top of each serving of Spanish cream or chilled soft custard.

### Cream of Vegetable Soup (Serves 6)

Three tablespoons butter, 3 tablespoons flour, 3 cups milk, 1 teaspoon salt, 2 cups vegetable pulp and liquid.

To make vegetable pulp, dice or slice vegetables and cook until soft in just enough boiling salted water to cover; force through sieve. Melt butter; add flour and cook until well combined. Add milk and salt. Cook, stirring constantly until mixture thickens. Add strained vegetable pulp, re-heat and serve.

## HOMOEOPATHIC W.A. ANNUAL BRIDGE SUBSCRIBERS

The following are additional subscribers to the annual bridge being held by the Women's Auxiliary of the Homoeopathic Hospital of Montreal, in Victoria Hall on Tuesday afternoon at 2.30 o'clock:—

Mesdames W. P. Crites, Geo. G. Wakeman, S. A. MacSween, Norman Seath, J. C. Snowden, Wallace Gray, H. Nellis, D. H. Mapes Jr., Leonard Ferdon, F. T. Cuttle, C. E. Hull, Ruth Antliffe, Miss E. ### WESTMOUNT DISTRICT

One hundred and fifty Guides attended the rally and competition of Westmount district, which took place Wednesday evening, April 18th, in Stanley Church Hall. One of the most interesting features of the rally was the presentation, by each company, of their Guide Gift for Britain. This comprised the total number of 95 articles— as follows: 4 baby sweaters, 8 pairs of booties, 3 baby bonnets, 2 scarves, 6 pantie dresses, 14 stuffed animals, diapers and woolen pants, 2 afghans, one full size one, and a small crib one, 16 flannelette nightgowns for babies, trimmed in blue and pink, 32 washcloths.

All the articles were placed on displayed and marked. The 53rd Company from St. Paul's Academy was awarded the highest marks for the quality and quantity of their work.

Then followed a demonstration of Guiding Games on First Class work, on Tenderfoot work, on Morse, Stalking, Nature, First Aid and Knots. Each company demonstrated a game. The stalking game done by 17th Company from Stanley was judged the best. Each Company then gave a song and the 16th Company from St. Andrew's United Church won this part of the competition.

The 17th Company of Stanley Church were adjudged the final winners of the District Competition, various other parts of the competition having been contested by the companies during the past few weeks. Joan MacNeill, Senior Patrol Leader, received the cup on behalf of her company.

At the Westmount United Sunday!

Phyllis Thaxter and Van Johnson in a scene from "Thirty Seconds Over Tokyo," which opens Sunday at the Westmount United Theatre playing until Tuesday night. The cast also includes Spencer Tracy, Robert Walker, Scott McKay and Tim Murdock.

### Paratroopers Saga Told In Warner Film at Westmount

In a struggle as universal as the one in which we are engaged at present, the small sacrifice, the unpublicized gallantry, the commended but not decorated soldier, is oft forgotten. While his deed is lost to us, outweighed by similar acts of courage, the stakes with which he gambles and the life he places across the boards can be no more precious to any other man.

It is of such a gamble and of such men that Warner Bros. have fashioned "Objective, Burma," the current attraction at the West-

mount United Theatre. Starring Errol Flynn and featuring an all-male cast that includes William Prince, James Brown, George Tobias, Henry Hull, Warner Anderson, John Alvin and many other capable character actors, "Objective, Burma" is the saga of one parachute company and of the brand of valor. It is to these men of the parachute battalions and airborne infantry that "Objective, Burma" is humbly dedicated.

Laden down with grotesque jump equipment, the men slowly file into the hollow belly of a

### "Candle Light" Last Production Of MRT Season

When the master's away the valet will play, and when Joseph, the gentleman's gentleman begins to frolic in "Candle-Light," which opens at the MRT Playhouse tomorrow, problems arise which even the famed Mr. Anthony would call in a consultant to solve.

Siegfried Geyer's continental comedy will be directed by Mildred Mitchell and will feature a trio of experts in the art of broad comedy, Joy Lafleur, Tom McBride and Neil Little, supported by Rosanna Seaborn, Eileen Clifford, Harold Kelley and Ronald Grant. "Candle-Light" will be the last production of MRT's 1944-45 theatre season.

giant transport plane that is to vomit them forth, somewhere above the earth, each man resembling an automaton. Yet behind their jumpers' combat goggles, no two faces are alike, no two hearts beat the same. Enter the plane with them, live with them but for a moment, mingle freely, for some of them will not return.

Last to enter, and first to jump, is their Captain, Charles R. Nelson (Errol Flynn), holder of the D.S.C. A veteran of many jumps, hardened by the gnarled fist of war, his first thoughts are for his men. He watches their tense faces, pats a shoulder, grubs a butt, gently eases the tension that is like a taut wire. Yet he, too, must fight the gnawing pain that is eating at his stomach, and his thoughts are far away. He tries to pretend that the chill that surrounds him is that of ice cold water tumbling over little stones and his equipment is for fishing, not fighting, and he is home again, in Maine.

You cannot see Lieut Jacobs (William Prince), second in command, for he is flying with another squad, but his calm, his unemotional confidence is with these men now. It is just as well that you do not know him, for he is among those who will not jump again.

Then there is tall, good-looking Sgt. Treacy (James Brown). Not so long ago he was slinging hash in a college town. Now he is the second man to jump, the second sight for the waiting gunners on the ground. Warm and friendly Gabby Gordon (George Tobias) is there too, always ready to laugh, ready to fight; and there's "Ne, braska," slightly cornfed, but quite a man for all his eighteen years. More identical jump suits and they hide Mark Williams (Henry Hull), combat correspondent who has raced off to the wars as if in answer to a fire-alarm.

But now the red light on the cabin cowl is blinking on and off, the men are rising, lip muscles twitch, their hands are slightly moist. It is best to leave them now, for you do not listen while men pray.

"Objective, Burma," adapted from an original story by Alvah Bessie, was directed by Raoul Walsh. Photographed by James Wong Howe, the entire production was produced by Jerry Wald of "Destination Tokyo" fame. The make-up assignment—a difficult job in a war film—was competently handled by Perc Westmore, a veteran of Hollywood motion picture technique.

# Paulette Goddard Taboos Title of "Glamour Girl"

One of America's foremost glamour girls—and we will probably have to apologize to the lady for using the word to describe her—emphatically insists that she doesn't want to be called a "glamour girl," for good and sufficient reasons. The girl is Paulette Goddard, who advanced three reasons during a wait in the filming of the second Paramount picture in which she has been co-starred with Bob Hope, "The Ghost Breakers," which is now playing at the York United Theatre.

"Primarily, I want to be a good actress," Miss Goddard declared. "I do not want to be a glamour girl, and, what is more to the

point, I would rather not be called one. Acting is my profession, and should therefore be my main attraction—not eye appeal. Recently, out of curiosity inspired by reading and hearing the term used so frequently and vigorously, I looked up 'glamour' in the dictionary and found the definition to be: '... a spell, or charm, as one which deceives the sight.' I want to be real—not a phoney."

Appeal — that mystical and, frequently mythical, something which some women possess and others do not—also came in for dissection by this beautiful actress (and, again we almost said glamorous). She points out quite

logically that appeal is something you may have for a few years and then—it's gone—and if you have based your career on it, that also departs forthwith. Rather than build her cinematic future on such a treacherous foundation, Miss Goddard says that she would accept almost any type of role which would provide her with an opportunity to disclose such versatility and histrionic talent as she may possess.

As an example of that versatility which she values so highly, one has only to consider her three most recent roles. In Cecil B. De Mille's "North West Mounted Police" she plays a half-breed girl; in Charlie Chaplin's unusual picture, "The Dictators," she portrays an unsophisticated child, wild-eyed with wonderment at the ways of the world. And in "The Ghost Breakers," she is an American heiress who inherits an eerie, haunted and horror-ridden castle on an island off Cuba, a part which calls for both dramatic intensity and sheer comedy.

A perfect companion-piece for "The Cat and the Canary," in which Miss Goddard and Bob Hope achieved such a sensational success, "The Ghost Breaker" is another mystery-comedy-thriller, produced by Arthur Hornblow and directed by George Marshall. A strong supporting cast features Richard Carlson, Paul Lukas, Anthony Quinn and Willie Best. The screenplay was written by Walter DeLeon, based up a play by Paul Dickey and Charles W. Goddard.

## Gary Cooper Adds to His Film Laurels

Laughter is given priority rating in Nunnally Johnson's production "Casanova Brown," starring Gary Cooper and Teresa Wright, which opened yesterday at the Monkland Theatre.

Gary Cooper has the role of Casanova Brown, a literary professor who, on the eve of his wedding to Madge Ferris learns that he is the father of a child of a previous marriage to Isabel Drury (Teresa Wright). The baby arrived after Isabel's parents had had the marriage annulled; they never had liked Casanova, after he put a lighted cigarette in his pocket and accidentally burned down their mansion!

Casanova dashes off to the maternity hospital in Chicago to see his child, and learns that its mother proposes to offer it for adoption. He refuses to hear of this, and, in desperation, seizes the child and takes it to a cheap hotel. Here he looks after it as best he can. He telegraphs his fiancée to postpone the wedding, but he is finally traced to the hotel and is confronted by Mr. and Mrs. Ferris and Madge, and Mr. and Mrs. Drury and Isabel. How he is extricated from these somewhat amazing complications is told in the hilarious climax.

Among the supporting players, Frank Morgan is at his best as Madge's father (who robs kids' piggy banks), Isabel Elsom is unpleasantly domineering as his wife, Anita Louise evokes sympathy as Madge, the girl who nearly weds Casanova. Patricia Collinge and Edmund Breon play Mr. and Mrs. Drury respectively, and Monica, the chambermaid who also nearly weds Casanova, is played by Mary Treen.

### Find Relaxation In Recreation

"Invest in the Best" is the slogan of the 5th Victory Loan Campaign which is now in progress. We are asked to buy Bonds to the maximum of our resources and, by so doing, help our boys overseas attain the victory that's within their grasp. "Invest in the Best" may also be used, long after victory is won as a reminder for each and everyone of us to take care of our health, our most precious and prized asset. A Healthy Nation is a Wealthy Nation.

Relaxation is absolutely essential to the welfare of mankind and there's no greater and more beneficial form of relaxation than recreation. Those who spend long hours in offices, factories and war plants need some good clean fun when the day's work is done so they can return to their tasks on the morrow feeling refreshed and invigorated... thus being doubly capable of doing their best work.

This fact has long been recognized by various concerns which have encouraged picnic outings at Belmont Park for their employees, resulting in an ever increase in picnic reservations. Belmont Park is ideally situated on the banks of the Back River and, inter alia, boasts spacious grounds, every imaginable picnic facility and numerous "Rides" in addition to the finest, most thrilling and most expensive free outdoor attractions on the North American Continent.

Thus Belmont Park has long been recognized as the ideal spot for moments or hours of relaxation. The Park is scheduled to open for the season on Saturday, May 12th, with the special preview taking place the previous week-end, Saturday May 5th and Sunday May 6th.

National Film Board cameramen are assigned to various productions including World in Action, Canada Carries On, Reportages, newsreels and non-theatrical productions.

A device with a weight only one-thousandth that of a drop of water is used to measure heat of the stars.

### At the Seville United Saturday!

Loretta Young and Alan Ladd in a scene from Rachel Field's best-selling novel, "And Now Tomorrow," which opens at the Seville United Theatre on Saturday playing until Tuesday night.

### Bing and Dottie Thrill In Technicolor "Dixie"

"Dixie" came to the Seville United Theatre last night and the rafters rang with some of the sweetest and hottest music heard in a long time! The Paramount Technicolor musical glorifies America's oldtime favorite entertainment—the minstrel show—with King Crooner Crosby himself playing Dan Emmett, the first of the nation's beloved minstrel men. It's romance to music.

Bing, who is co-starred with Dorothy Lamour, does a lot of singing and all of it in his best and most ingratiating style. He is perfectly cast as the lovable troubadour, Emmett, whose music has lived a hundred years so far and will probably live forever. Dottie and Marjorie Reynolds are the two women in Bing's "Dixie" life. You remember Marjorie—she was his sweetheart in "Holiday Inn."

The story of "Dixie" is the story of how the song came to be written and how the first minstrel show shocked and then thrilled the South and subsequently, all America. It tells of Bing who leaves his fiancée, Marjorie Reynolds, in their home town while

he goes to New Orleans to make his way. There he meets Dorothy Lamour, landlady of a boarding house for deadbeat actors. Dottie's father, Raymond Walburn, is an ex-actor who, much to his daughter's disgust, attracts members of that profession to their house, among them Billy de Wolfe, Lynne Overman and Eddie Foy, Jr.

Bing conceives the idea of a minstrel show for which he writes the words and music. He puts the show together with the help of the actors mentioned above. How the little group grows to a successful troupe of forty blackface song-and-dance men and how the Crosby-Lamour-Reynolds triangle works out, is entertainment at its very best.

The minstrel show numbers, oddly enough, offer something entirely new in screen fun. We say "oddly" because the minstrel show hasn't been new since 1843, a hundred years ago. It's so old

that to this generation it's new, and we've a hunch that some of the old tunes by Bing in "Dixie" are going to make the Hit Parade just as will the new ones. There are six of each.

## Parent and Son Night

Westmount Y closed its gym season for the boys last Friday with a Parent and Son Night. Parents and Sons sat down to supper—then the boys put on a display in the gym—and rounded off the evening with a splash and swim. Mr. G. Atkinson, Chairman of the Boys' Committee, was Chairman. With him at the head table were Mr. and Mrs. Spearman, Mr. Wearing, Mr. J. Lewis, Captain Max Ford, Miss Davidson, Mr. Kinrade and Mr. R. Beal.

Andy Smith said Grace, and after the meal the programme progressed. Ian Smith gave welcome to the parents; John Smith spoke for the Preps; Tom Parrott for the Juniors and Dave Crombie for the Seniors and Intermediates. Parker Wearing, assisted by Miss Davidson, led the sing-song.

Captain Max Ford gave the address and centered his talk around the need for an understanding heart.

The gym display was in three sections: Preps: — fencing, apparatus, drills and tumbling. Andy Smith, Ron George, John Phillips and Sedgwick staged a duelling bout. The highlight of the evening was the apparatus work under the leadership of Ross Seaman and Gerry Wright. The following boys took part: Derek Hannaford, Tom Sparrow, Dave Crombie, Tom Parrott, Ron George, Ian Smith, Carleton Peirce and Andy Smith. These lads put on a grand display. To see them do a swan dive through hoops was something, and Tom Sparrow starred with a high dive through a small paper covered hoop. Tom is a capable performer on all apparatus and tumbling work.

Business Girls' class of the Y. M. C. A. will close the Winter season with a supper on Monday night. Major General C. B. Price, D.S.O., D.C.M., will speak on "Some Impressions of Five Years Overseas." Special musical features are being arranged.

## Win Gives "Y" Advance Toward Basketball Crown

The local "Y" took another step toward the winning of the Inter-"Y" Intermediate Basketball crown, trouncing Southwestern 48-29 on the west end floor. This was the first game of a best-of-three final series, which is to be resumed on the Verdun floor on Saturday at 2 p.m.

The game started off fast, with Westmount piling up a 10-1 lead, which they never relinquished. During the first half the two teams traded point for point, the Westenders being on the top end of a 26-16 score at intermission. When the play was again started the home team resumed their out-scoring the visitors, by 9 points, bringing the final score 48-29.

Captain Jack Dudley led the Westmount team to victory, scoring 35 points, 18 of them in the first half. Putting their advantage in height to good use, the Westenders constantly got the rebounds off both baskets. Putnam got 6 points for the winners, while Lamb and McFarlane each tallied 8 for Southwestern.

Southwestern: (29) Cooke 1; Stewart, Hughes, Lamb 8, McFarlane 8, Whiteford 2, Slater 6, Howe, Brocks 4, Reilly.

Westmount: (48) Young 8, Greenbaum, Dudley 35, Siemers 8, Putnam 6, Fee 2, MacLeod.

# WESTMOUNT HIGH LIGHTS

By GEORGE COCHRANE

Going to the polls for the second consecutive Wednesday, Westmount Highers elected Bill Milne secretary and Chuck Kennedy treasurer of 1945-46 Students' Council executive.

Milne, a newcomer this year after being elected president of his class at Ottawa's Glebe Collegiate Institute last term, had only one opponent. She was Chippy Batshaw. Both of the candidates for the secretary's post had been defeated in the presidential elections last week. Blonde Bill was elected with a majority of 20.

Treasurer Kennedy had two opponents. They were John Bishop and Judy Knowles. Judy finished in third place and the second choices on her ballots, added to those who had given their first choices to Kennedy and Bishop, gave winner Chuck 174 votes, loser John 128.

A boys' and girls' vice-president will be elected from tenth grade in the fall.

### HI-Y JAMBOREE

What HI-Y Grand Chapter President John Patterson, of the Lachine HI-Y, describes as "the biggest and best event ever planned by the HI-Y Clubs of greater Montreal" will be held at Montreal West High School next week when the HI-Y Jamboree will be in the spotlight.

His name won't appear in any of the publicity stories or when the affair is being discussed because he's that sort of a guy, but the man behind the whole idea is Ernest Taylor, former executive secretary of the Westmount HI-Y and now serving in a similar capacity at the International branch.

Ernie has lined up quite a program. The entertainment part of the evening consists of five parts, a Chinese dragon dance, a Ukrainian mandolin band, music by the Venetian Gondoliers, an Italian orchestra that is really good, a South American song and little item entitled "Oiga of the Volga." From ten to one there'll be continuous dancing to the music of the Westernaires Orchestra and the Venetian Gondoliers. The two groups of music-makers will alternate.

The Gondoliers are strictly hep to the jive. They play modern music but they play it in their own way that has earned them enthusiastic plaudits wherever they have performed. They're so

good that at some places the dancers have actually stopped their footwork to listen to the music and then have joined vocally in the chorus. Not many bands can boast of such response to their efforts.

Little need be said about the Westernaires. Though only formed last fall, they have played at several Westmount dances in a way that has met with the whole hearted approval of local social whirlers.

All the performers as well as the two orchestras are contributing their services in the hope that by so doing they can help the YMCA, world service fund, to which all the proceeds will be given. The use of the hall has also been granted with no dollar signs attached.

### HI-Y

The Westmount HI-Y season came to an official end at the "Y" last night when the males held their final get-together of the year. Principal R. O. Bartlett, Leonard Griffith, who delivered one of the best addresses the club has heard all year, as well as a few grade nine boys, were all present.

The grade niners turned up as a result of an invitation in the Junior High auditorium Monday morning when Wolf Siemers and myself spoke to all grade nine boys on what the HI-Y Club is and does. The idea is that when the lads become eligible for membership next fall they'll have a notion of what membership in the Westmount Boys' HI-Y club entails.

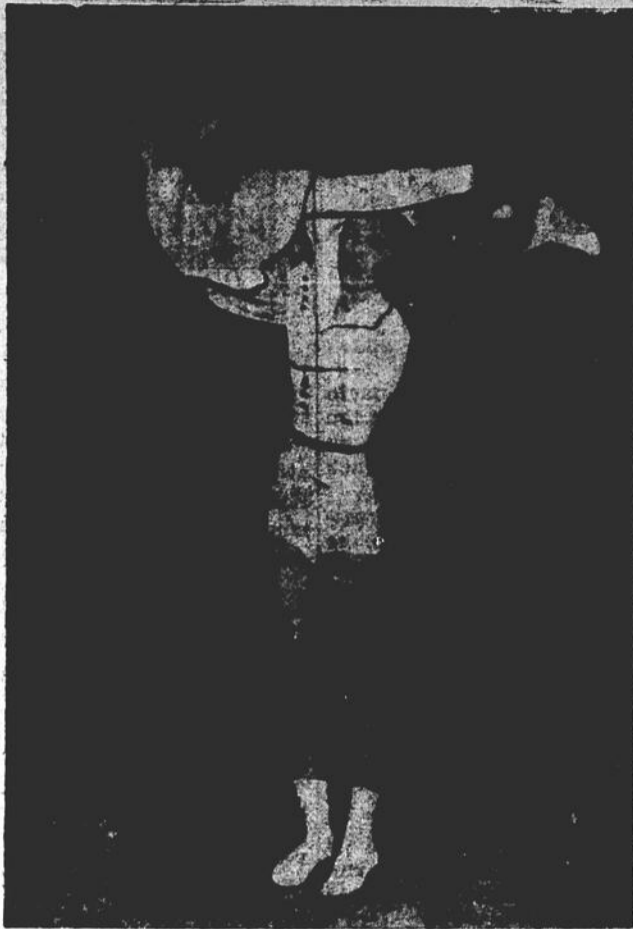

The 1945-46 executive was inducted last night. They are Wolf Siemers, president, Bill Milne and John Bishop, vice-presidents, Don Macauley, secretary, and Chuck Kennedy, treasurer.

Sue Haire and her serving committee, who have carried uncountable pounds of food from kitchen to eating room in the last few months, were also in the limelight for a short while. The HI-Yers had all chipped in to purchase them a small token of appreciation for their efforts. It was a box of chocolates and five foot eight committee head Sue Haire graciously accepted the gift on behalf of her aides and herself.

The fifth issue of the ever-popular "The Monthly," published by the club, hit the stands yesterday and was well received. It was largely the work of new co-editors Chuck Kennedy and Wolf Siemers. The sixth and last issue is expected to appear early in May.

## Record Hit Rally Fails To Block Stars Winning

Bill McVey's Stars took a double-header from Lunny's Bombers at St. Leo's school grounds. Stars won the first game by a score of 10-7, and the second game 11-6. Hits by Lennon, Hilton, Punt, Gutelius, Wickham and McLanders in the first two innings gave the Stars the lead, and despite a rally sparked by Doug McGillis, who set a record hit for the Inter City Hardball League, the Bombers failed to catch up.

Hits by Punt McLanders and Wickham in the first inning of the second game made the score 7-1 in favour of Stars, despite the tactics of Lunny, who replaced pitcher Bourassa with Dubois in a determined effort to draw even. The game was called by Umpire G. Mulligan at the end of the 4th, the score being 7-5 in favour of McVey's Stars. Johnny Dubois was the outstanding player of both teams.

## Official Finale Hockey Season

The activities in the Westmount Municipal Hockey League for the season of 1944-45 was brought to an official close last Wednesday, at the Victoria Hall when the trophies and crests won by the championship teams during the season were presented.

Those present included His Worship, Mayor Percy Adams; former mayor, Walter A. Merrill; Brother Bernard, director of St. Leo's Academy; E. Connolly, assistant director at St. Leo's Academy; George Marsh, president of the Q.A.H.A. minor section; F. B. Whittet, representing the Inter-troop section of the league; Ozzie Dalzell, chairman of the juvenile section of the league; Beau Thurston, supervisor of hockey at Staynor; Andy McGillis, director of athletics at St. Leo's Academy; W. R. Hill, P. R. Minto, E. J. Anderson, Superintendent of Parks and James B. McCormick,

Johnny Holmes' famous pianist, is having some records made by Victor. They'll be on sale in the United States and Canada in the summer.

### Recreation Supervisor.

Close to two hundred youngsters attended the presentation and they were entertained with two hours of fun and laughter supplied by emcee Jack Adams.

Dougie Alexander's Golden Eagles juveniles received the "Johnny Hill Memorial Trophy" from W. R. Hill along with the crests for winning the juvenile title. The Golden Eagles' midget "A" team, champions in their section, received the "Russ McConnell Memorial Trophy" and their crests from Mayor Adams. Yves Hudon's St. Leo's Academy midget "B" club won the newly presented "George C. Marler Trophy" and crests which were presented by Mayor Adams. Former Mayor Walter Merrill presented his trophy, the "Walter A. Merrill Cup" to Andy McGillis' St. Leo's Academy bantam team, along with the championship crests. F. B. Whittet made the presentation of the "B. W. Roberts Trophy" and crests to the members of the St. Leo's scout team, titlists in the Inter-troop section. Brother Bernard presented the "Jack Rimmer Trophy" to the St. Leo's Academy

## Queen's School Add Trophies To Array Won

The Elementary Interschool Hockey Trophy, the Girl's Basketball Trophy and the Boy's Senior Basketball Trophy have been added to the already imposing array won by the scholars of Queen's School.

Winners of the Hockey Trophy were B. Kelly, captain; A. Turner, J. Noel, L. Groove, J. Kool, S. North, F. Wralin and D. Kerr.

Players on the Eagle hockey team were E. Kalll, captain; F. MacDonald, B. Cowie, K. Whiteside, D. Marshall, J. Stewart, J. Smith, J. Craig, G. Besant and J. Besant were awarded crests from the City of Westmount.

The Senior Basketball Trophy winners were B. Kelly, captain; L. Groove, J. Noel, G. Onyshkvwich, A. Turner, J. Kool and R. Manning.

Winners of the Girl's Basketball Trophy were Elna Anderson, R. Bird, H. Trott, J. Smith, J. Acott and B. Squire.

Mr. R. N. Bagnell, M.A., the Principal, presented the trophies at the monthly school assembly, and decreed a half day holiday as a token of his pride in the scholars' athletic process.

At the regular monthly assembly of Queen's scholars, the pupils of 4G. and B. presented a play "Vitamins on Parade." The purpose of these assemblies is to foster the growth of the school spirit amongst pupils, and encourage all scholars to take part in school activities. Parents are invited to all these gatherings and are welcome.

Greens, emblematic of the pee wee championship along with their crests while George Marsh gave out the "Westmount Rotary Club Trophy" to the Roslyn Grosvenors, the runners-up in the pee wee group. The Panthers and Eagles, division champs in the Prince Albert and Staynor pee wee sections, were awarded their championship crests by E. Connolly.

Wheat, one of Canada's leading export commodities today, was exported from Canada as early as the middle of the 18th century. In 1754 shipments amounted to 80,000 bushels. Newfoundland and the French West Indies were the chief markets.

# THREE OPENING GAMES IN BANTAM SOFTBALL WON BY HIGH SCORES

## BANTAM SOFTBALL

The three opening games in the bantam section of the Westmount Municipal Softball League were won by cricket scores, Ross Gillingham's Panthers defeated Jim Brow's Flying Tigers 45-3; Meyers' Red Sox swamped George Gough's Royals, 30-0; Eddie Lafontaine's Greys beat Gordie Fehr's Corvettes, 42-2.

From the scores indicated it would seem that there are two calibres of ball played in the section and that closely contested games will result when teams in the same stratum meet each other.

The following games are scheduled for this week:

- This afternoon: Hoods vs. Red Sox; Greys vs. Flying Tigers.
- Sat., April 28: Panthers vs. Red Sox; Hoods vs. Royals.
- Mon., April 30: Royals vs. Greys.
- Wed., May 2: Corvettes vs. Red Sox.

## PEE WEE SOFTBALL

Bob Bunten's Rinkydinks, Phil Martin's Reds and Morton Rosengarten's Dwarfs all came through with wins in the first three games played in the pee wee section of the Westmount Municipal Softball League. The Rinkydinks defeated Stan Hatch's Wildcats 21-11, the Reds won a good game from Don MacNamar's Dodgers 8-2 while the Dwarfs downed Stan Hatch's Wildcats 10-1. The last two games were played at King George Park while the first tilt was staged at Westmount Park.

In addition to these three games, two tilts were postponed, the Dwarfs vs. Maple Leafs and Giants vs. Reds encounters. Both of these postponed fixtures will be played tomorrow morning, the Giants-Reds game will be played on diamond No. 1 at Westmount Park, starting at ten o'clock while the Dwarfs-Maple Leafs encounter will go on at the same diamond one hour later.

Of the three games played last week, the Reds-Dodgers tilt was by far the best. Phil Martin on the mound for the winners allowing but three hits while the Reds gained but six off McDougall, who hurled for the Dodgers. The Dodgers tallied two runs in the first inning on McDougall's triple, a walk to Wilson and a single by Bailey. The Reds got one of these runs back in the second when Phil Martin walked and eventually crossed the plate before three men were put out. The winners won the game in the fourth inning when they scored three times, Marty Kay, Hitchins and Phil Martin all hit safely in this inning. The Dodgers made the score read 4-3 when John Swaine tripled to knock home Robertson in the last half of the fourth but the Reds put the game on ice with four more runs in the fifth frame.

The following games are slated to be played this week:

- Tues., May 1: Reds vs. Dwarfs at King George; Wildcats vs. Dodgers at King George.
- Wed., May 2: Dodgers vs. Giants.
- Thu., May 3: Rinkydinks vs. Maple Leafs.

## MIDGET SOFTBALL

The opening games in the midget section of the Westmount Municipal Softball League were played on Saturday morning at Westmount Park. Richard Lord's Eagles won the "A" division game over Brian Tiffin's Cyclones by a score of 8-3 while Mike Tucker's Tigers downed Donnie McDonald's St. Leo's nine, 11-5 in a "B" division game.

A big fifth inning, when they

scored four times was the main factor in the Eagles win over the Cyclones. Earle MacDonald, on the mound for the winners, struck out eight of the Cyclones.

The St. Leo's club only threatened once in their game with the Tigers when they pushed three runs over the plate in the second inning but from then on the winners took command of the play and scored in all but three of the seven frames.

The line score of the two games:

Midget "A"		R. H. E.	
Cyclones	101 100 0	3	7 0
Eagles	110 042 x	8	15 0
Batteries: Ned Jackman and Brian Tiffin; Earle MacDonald and Richard Lord.			

Midget "B"		R. H. E.	
Tigers	022 403 0	11	14 3
St. Leo's	030 101 0	5	4 3
Batteries: Mike Tucker and Robin Upton; Mickey Bourrassa and Donnie McDonald.			

The following games are scheduled for this week:

- Midget "A": Sat., April 28—Monarchs vs. Cyclones, Westmount Park, 11 a.m.
- Midget "B": Sat., April 28—Tornados vs. Tigers, Westmount Park, 11 a.m.; Thurs., May 3—St. Leo's vs. Tornados, Westmount Park, 4 p.m.

## SENIOR SOFTBALL

The situation in the senior section of the Westmount Municipal Softball League remains the same, word is still awaited from Ozzie Dalzell as to whether a second civilian team will be forthcoming, otherwise the loop will operate as an 11 team affair. The nines already signifying their intention of

## BASEBALL STARTS AUSPICIOUSLY

Attendances during the first week of baseball's fourth wartime season indicate that the national sport is due for one of its most successful seasons, even though the quality of play is below the pre-war standard. These are times of financial prosperity. They are also times of anxiety, worry and apprehension. People need relaxation, and they are flocking to the ball parks to get it. There are few more pleasant ways of spending an afternoon than relaxed in the warm sun watching the antics of both players and crowd.

## Integrity of Baseball

It is expected that the new Commissioner, if there is to be one, will be elected at the major league meetings being held this week at Cleveland. There is considerable controversy and differ-

ence of opinion as to whether a Commissioner should, or will, be appointed. Most baseball writers of prominence believe that the selection of a Commissioner will be deferred until the war is over, in which event the game would be governed by the present three-man commission composed of Ford Frick, Leslie O'Connor and Will Harridge.

The late Judge Landis was made baseball czar following the Black Sox scandal back in 1919, being given absolute powers in government of the game. Professional baseball had been given a jolt by the revelation of thrown world's series games, and many thought its days were numbered. Drastic measures were called for, and the owners didn't hesitate to take them. Landis had won national fame in arbitrating several cases involving baseball that had reached the courts, and he was asked to take supreme command to save the game. His appointment restored the confidence of the paying customers, and his subsequent rulings were made almost without question or criticism by owners or press or public.

The integrity of baseball is today without question, and it is debatable whether another czar is necessary or desirable. It seems the leagues could revert to self-

playing this season are the M.T. Garage, Provost Corps, Longue Pointe Ordnance Depot, M.D. 4 (Sun Life Bldg.), District Depot (Montreal South), R.C.A.F. Lachine "Spitfires", R.C.A.F. St. Hubert, R.C.A.F. No. 12 Equipment Depot, R.C.A.F. No. 11 A.I.D., H.M.C.S. Donnacona and the Dodgers.

The league's schedule will open on Monday evening, May 14 at Westmount Park and games will be played each Monday, Wednesday and Thursday for the rest of the summer.

Artie Mann's Dodgers need a pitcher, this is the request sent in by the Dodgers' manager. The local club would also welcome any players from last year's junior loop who would like to try out with the team, they practice tomorrow afternoon on diamond No. 1, Westmount Park, starting at two-thirty o'clock. At the present time manager Mann has tentatively signed up Syble Munday, Emmett Millen, Johnnie Mahafey, Tom Brennan, Doug Maher all of last year's team along with rookies Jackie McKisrock, Bob Lord and Donn Bussiere.

governing system without criticism.

## The Doubting Thomases

Since the Brooklyn basketball scandal of last February, more and more fans are ready to yell "fake" every time an upset is scored in any sport. We heard it at the Forum when Canadian bowed to Leafs. And we hear it in respect to local wrestling. Yvon Robert, so-called world wrestling champion, is the target. Robert usually wins his matches in Montreal, many of them by disqualification of his opponent by home-town referees. Couple this with the fact that like some baseball and hockey teams, Robert doesn't do so well away from home, and you have a situation that the suspicious-minded customers are only too ready to grab hold of and holler. Sport has to put up with such things.

British Columbia Japanese have been advised by their own newspaper, "The New Canadian," to obey the Canadian government's plea to relocate east of the Rockies as soon as possible.

Feldspar, widely used in the ceramics industry, chiefly the glass trade, was produced in Canada last year to the extent of nearly 25,000 tons with a value of \$205,000.
