Welcome to our Region

Discover the Outaouais

The Outaouais is a sunset by the water, a street festival, a great microbrewery beer, a multitude of trails to explore. It's an immense territory where urban life and nature meet. It's the promise of adventures, amazing food, cultural delights and unforgettable discoveries. And it's waiting for you!

The Outaouais is one of three gateways to Québec. Located in the south-west of the province and bordered by the Ottawa River, this region is surrounded by Abitibi-Témiscamingue, the Laurentians, Montréal and Ottawa, Canada's capital. The region is on traditional and unceded Algonquin lands, specifically the territory of the Anishinabeg Nation, whose rich history has shaped the region and influence its culture.

There are plenty of great ways to come and spend a few days. The Outaouais is accessible via several highways, the Ottawa International Airport and a VIA Rail train station and also boasts hundreds of kilometres of bike paths!

The Outaouais region's 33,000 km² is divided into five territories: Petite Nation, Collines-de-l'Outaouais, Vallée-de-la-Gatineau, Pontiac and Gatineau, the urban hub. Each has its own character, and offers you a wide range of experiences and attractions to visit. Whether you're in the city or in nature, escape for a walk and admire the scenery. Relax at the spa and sample the local flavours. Have a night of fun at the casino or stay in a unique accommodation. A beautiful destination year-round, the Outaouais invites you to make the most of every single moment through countless gourmet, sports, cultural, artistic, and historical activities!

LES CHEMINS D'EAU

OUTAOUAIS TOURIST ROUTE

Follow the canoeist on the blue signs!
He'll lead you through the history of the
Great River and the founding peoples
who used it. From Pontiac through the
Collines-de-l'Outaouais to Petite Nation,
Les Chemins d'eau (Waterways Route)
invites you to discover the cultural and
natural heritage of the Outaouais.

Accessibility

Québec for All: Discover Accessible Activities

514 252-3104
QuebecForAll.com

Kéroul assesses the accessibility of different businesses based on a set of criteria recognized by the Ministère du Tourisme du Québec. It's platform *Québec for All* offers a wide range of cultural and tourist information for visitors with restricted physical abilities.

Québec for All
Powered by Kéroul

The accessible rating means that the establishment meets all the accessibility criteria and offers a satisfactory visitor experience for the majority of people with a mobility impairment.

A partially accessible rating means that the establishment meets the main accessibility criteria related to a visitor's route but has some missing elements that could affect the experience of some people with a mobility impairment.

Tourism and Leisure Support for People with Disabilities

1 833 693-2253 – carteloisir.ca

The Companion Leisure Card grants free admission to the accompanying party of a disabled person and is recognized by leisure, cultural and tourist organizations.

Travelling in Québec

Bars, Casinos and Purchasing Alcohol

You must be at least 18 years old to enter bars, pubs, nightclubs and casinos, as well as to purchase or consume alcohol (be prepared to produce ID if asked). Wines and spirits are sold through the Société des alcools du Québec (SAQ), the provincial liquor board. Beer is available at grocery and convenience stores, which also stock a limited selection of wines.

Canadian Currency

The legal currency in Québec is the Canadian dollar (CAD), which is divided into 100 cents. Bank notes are available in denominations of 5, 10, 20, 50 and 100 dollars, and coins in denominations of 5, 10 and 25 cents as well as 1 and 2 dollars. Bank cards and major credit cards are also accepted almost everywhere.

Cell phones

Use of a cell phone is prohibited while driving.

Currency Exchange

There are numerous exchange offices in Québec's main urban centres. Airports also offer exchange services. Some businesses accept American money, but tend to offer a less competitive rate than the exchange offices.

Driving in Québec

Since Canada uses the metric system, speed limits and distances are posted in kilometres per hour (km/h) and gasoline is sold by the litre (l).

It is illegal to transport or use radar detectors in Québec.

Drugs and Driving

According to the law, you must be at least 21 years old to purchase or consume cannabis (be prepared to produce ID if asked). The legislation also includes other measures, such as the prohibition from consuming drugs (cannabis or any other drug) in a road vehicle, on an off-road vehicle or on a bicycle.

Making a Comment or Conveying Dissatisfaction

If you wish to comment on or are dissatisfied with the tourism services you received in Québec, please contact:

Alliance de l'industrie touristique du Québec

Road Conditions

For information on road conditions or other aspects of trip-planning, call 511 or 1 888 355-0511, or visit quebec511.info.

Taxes

Québec has two taxes: the 5% federal goods and services tax (GST), and the 9.975% Québec sales tax (QST). An accommodation tax of 3.5% of the room price per night also applies in our region.

Emergencies

Emergency

Tipping

Tipping is customary in restaurants, bars and taxis. The amount, which is not included in the bill, is generally equivalent to 15% of the total bill before taxes. For quick tip calculations, Quebecers normally add up both taxes. Tipping bellhops or porters is at your discretion (generally, \$1 per bag).

Tourist Routes

The official tourist routes are clearly marked with blue signs. They are designed to highlight the attractions of the regions through which they pass, and to enable visitors to discover the extent of Québec's natural and cultural treasures. bonjourquebec.com.

Tourist Signage

In Québec, tourist regions and directions to services, attractions and activities are indicated by blue road signs. For more information, visit panneaubleu.com (in French only).

Village-Relais Accredited Services

If you feel like taking a break or require assistance while on the road, look for the Village-relais signs. These point to villages that, together with local businesses, offer a range of accredited services and a safe and pleasant place to stop. villages-relais.qc.ca.

Voltage

In Québec, the standard voltage is 110 volts/60 cycles, as it is throughout North America. Since the outlets cannot accommodate European plugs, you will need to bring or buy an adaptor.

Winter Tires

From December 1st to March 15, all taxis and passenger vehicles registered in Québec must be equipped with winter tires. This requirement also applies to rental passenger vehicles in Québec.
