## Rotary Club Holds Weekly Meeting

The weekly meeting of the Shawville Rotary Club was held at Pontiac House on Monday, January 10. Harland Rowat announced the Golden Anniversary Rotary Convention, to be held at Chicago from May 29 to June 2. It is expected that over 25,000 Rotarians from 89 Countries will be present at this Convention. Rotarian Harland also read a letter from the Mayor of Chicago, extending greetings and a word of welcome to the Shawville Rotarians, in anticipation of their visit to Chicago for the Convention. Orval Smart showed three films loaned to the Club by the C.P.R., and obtained through the efforts of Mr. Thompson, the C.P.R. agent at Shawville. These films, in technicolor showed (1) some of Canada's fishermen in action; (2) a visit abroad via C. P. Steamships to England and Scotland; (3) A fast moving look at Canada's ten Provinces.

Thanks of the Club were extended to Orval by Rotarian Art Winslow.

Attendance this week improved substantially over the previous week, with attendance of 96%. Mr. William Monroe, Inspector of School, was a guest of Rotarian Bill Brown.

## Shawville

Mr. James O'Reilly, Wyman, spent Christmas with his two sisters and brother in law, Mrs. Ryan and Mr. and Mrs. Macdonald.

Mr. Dean Bourgeau, Hills Port, spent Christmas with his parents, Mr. and Mrs. Frank Bourgeau.

Mr. and Mrs. Jim Ryan, spent Christmas at the home of Mrs. Ryan and Mrs. Mealer, Quyon.

## C. Bay C. Of C. Passes Important Resolution

At the meeting of the Campbell's Bay Chamber of Commerce, Monday, January 10th the following resolution sponsored by Leonard Coyne was passed unanimously.

That we ask the Government of Canada and the Provincial Government of this province, that the law be so amended that Crown Holding Companies, especially the Ontario Hydro Electric Commission and the Canadian National Railways be subject to Municipal Taxation and assessment in the Quebec Municipalities in which they are developed and located. So that Crown Holding Companies can be assessed and taxed the same as private Companies in this province.

In introducing this resolution, Mr. Coyne said he had in mind the situation as it exists between the Ontario Hydro Commission and the Municipalities of Portage du Fort and Rapides des Joachims both in this County, where huge electric power plants have been built namely at Portage du Fort, the Chenaux Power Plant which develops 160,000 HP at a cost of \$30,000,000 and the Des Joachims Plant producing 480,000 HP at a cost of \$90,000,000.

As the law now stands, being a Crown Holding Company, they are exempt from taxation from these Municipalities, although in the case of Portage du Fort Municipality, where representation was made through our local member, Ray Johnson, the sum of \$15,000 was recently paid the Municipality in lieu of taxes and \$10,000 from the Ontario Hydro to repay, water supply damages.

This gesture does not alter the fact that the Municipality of Portage du Fort and Des Joachims cannot add the property valuation and assess for taxation for Municipal and School purposes this huge investment owned by a Crown Holding Company and which is playing a large part in the development of Southern Ontario especially Toronto and these municipalities where the plants are situated derive nothing.

Whereas were they private corporations the local taxes would play a large part in the development of the local community.

Mr. Coyne advanced the idea that both provincial governments have some responsibility in the matter which can only be settled by the law being changed, so that

## Shawville Calf Club Hold Annual Mtg.

By George Pirie

The Shawville Calf Club held their annual meeting in the Starks Corners Hall on December 28 to elect officers for the coming year. Clive Smart having proved himself a popular and successful leader through the past number of years was re-elected.

The executive is Elwood Hodgins, president for the second year; Hillis Connolly vice president; Joyce Kilgour secretary-treasurer and George Pirie, publicity convener.

The members filled out application forms for 1955.

The previous year the Club sold tickets on a Holstein Calf of which the draw took place at Shawville Fair. The member selling the largest amount of tickets and the one selling the lucky ticket was to receive a prize. These being George Pirie and Clive Smart, each were presented with a fountain pen and pencil set.

After the playing of a few games which were enjoyed by all. The meeting was adjourned by Floyd Smart.

## Prov. Allocates Funds For Bridge

Raymond Johnston, Union Nationale MLA for Pontiac announced there is \$400,000 in the Quebec Public Works Department estimates for the Quebec span of the Pembroke-Allumette Island Bridge from Morrison's Island to Allumette Island.

The Pontiac member said work on the Quebec span would get underway this Spring.

This is the first concrete evidence that the interprovincial bridge project will get underway in 1955.

In his announcement, Mr. Johnston said he understood the bridge will have to be higher than originally proposed since Federal government engineers' reports indicated higher water levels than previously known.

Plans prepared by the Federal Works department have already been sent on to the Quebec and Ontario governments.

Crown Holding Companies can be made subject to Municipal taxation.

Mr. Coyne noted that the Ottawa Board of Trade submitted a similar resolution to the Ontario Chamber of Commerce for presentation to Provincial Governments and this Chamber of Commerce should associate itself through the Quebec Chamber of Commerce with the same resolution.

## Archibald Tanner Passes Suddenly

Archibald Tanner, 64, died suddenly last Friday at his home on Church Street, Shawville. The funeral was held Monday from the W. J. Hayes & Sons funeral home, to St. Paul's Anglican Church, where the service was conducted by Rev. R. G. Elliott and interment took place in the Anglican cemetery at Cawood.

For the last eight years Mr. Tanner had worked in the bush for the Gillies Company of Arnprior. Born in the township of Cawood, Quebec, he was the son of the late Mr. and Mrs. George Tanner. He spent most of his life on the farm in that township, leaving there for Clarendon township in 1943, then moving to Shawville two years later. Here he built his home where he had resided ever since.

Mr. Tanner was a member of the Anglican Church, at Cawood being the church warden, and a member of St. Paul's here since he came to Shawville.

He was married to the former Ada Eleanor Gunn, who predeceased him in 1929. Eight years later he married Edwina Schroeder of Schwartz, who survives him.

Surviving him also are four sons by his first marriage, George of Sault Ste. Marie, Alex, Albert and Victor of Shawville; and four daughters, Mrs. Collie Murdock (Edith) Sault Ste. Marie; Mrs. Robert Walsh (Aileen) of Rockliffe, Ont.; Mrs. Percy Platt (Elsie) and Mrs. Thomas Smith (Agnes) of Leonard, Ont.; by the second marriage one son, Edward of Shawville, and two daughters, Mrs. Elburn Bean of Pembroke and Miss Ola at home; three step-sons, Charles and Rudy Schroeder of Ladysmith, Que., and Leo of Otter Lake; and two step-daughters, Mrs. Theo Bretzlaff of Shawville and Mrs. Delbert Peck of Otter Lake; also 28 grandchildren.

## Fire Destroys Davidson Home

By Rev. C. Younger-Lewis

Last Saturday morning, January 8th, anyone driving through Davidson would have noticed a nice little dwelling house on the right side of the road but on Sunday morning they would have not seen the dwelling house for on Saturday evening about eight o'clock the resident and owner of the dwelling opening the stairs door saw smoke and where there is smoke there is fire. The neighbors came to her help and were able to save some of the goods from the downstairs apartment together with the piano. One of the owners price-less possessions but all upstairs furniture and wearing apparel were destroyed and nothing remains of the residence for the fire utterly demolished it. The owner and resident was Miss Alice Armstrong, who at present is being looked after by Miss Anderson of Davidson. The sympathy of all the residents of Davidson and district go out to Miss Armstrong in her loss.

## I. O. O. F. And Rebeccas Present Chair To P. C. H.

At a presentation ceremony held in the vestibule of the Pontiac Community Hospital last Sunday afternoon at 2.30, a modern "Hollywood" wheel chair was turned over by the I.O.O.F. and Rebecca Lodges. John Howard, representing the Grand Lodge of Ottawa, made the presentation. Arthur Kilgour, Noble Grand of Shawville I.O.O.F. number 40 spoke briefly, expressing pleasure at being able to help such a worthy institution as the Pontiac Community Hospital and thanked the Rebeccas for their help in this project. Mrs. Watt Taylor, Noble Grand of Adina Rebecca Lodge number 40, also spoke.

Dr. Cowley accepted this gift on behalf of the Hospital Board and Miss Melva Moore, Superintendent of nurses accepted on behalf of the staff. Mr. James Gordon, chairman of the board, was unable to be present. About thirty five people took part in the ceremony. Placing these chairs in hospitals throughout Quebec has been a project of I.O.O.F. through their Grand Lodge. Miss Moore informs us that the chair is a special model with brakes, a lounging back and will be used mainly for convalescents in their own rooms and in the sun room.

## Clarendon No. 5 Farm Forum

Seventh Line Forum entertained No. 5, at the home of Mrs. J. R. McDowell and Everett on Wednesday, December 29. A very lovely evening was spent. Films were shown to about 50 people. The evening was brought to a close, when the hostess served a most delicious lunch.

Monday evening Clarendon No. 5 met at the home of Mr. and Mrs. Keith Brownlee. 11 members were present. A very good discussion was carried on by the groups being divided into two small groups. The subject was "Fall Fair". A very nice lunch was later served by the hostess. Next meeting at the home of Melburn Hodgins.

## Helen Knox Weds Carl Dale

The wedding was solemnized in St. Andrew's United church, Bristol on Tuesday afternoon when Margaret Mary Helen Knox, daughter of Mr. and Mrs. Samuel Knox of McKee, became the bride of Harry Carl Foster Dale, son of Mrs. Dale and the late Mr. Henry Dale of Shawville. The bride was given in marriage by her father and the officiating clergymen was Rev. Gordon K. Stewart and while the register was being signed, a duet was sung by Mrs. W. J. Murray and Mrs. Melvin Stewart.

Attending the bride was Miss Jean Judd, and the best man was James Knox, the bride's brother. The ushers were Ronald Dods, nephew of the groom and Clarence Knox, brother of the bride.

The bride wore a floor-length white lace dress over satin, a three-quarter length veil, and she carried a bouquet of red roses.

Following the wedding supper was served in the church dining hall.

Mr. and Mrs. Carl Dale are to make their home on Victoria Ave., in Shawville.

## "This & That"

We hear that people whose names appear on the Birthday Calendar issued by the Lions Club of Shawville are not taking advantage of the discounts offered by some of the merchants who have advertised on the calendars. These discounts are well worth taking, and it should be known that the merchants, for their part, are fully prepared to give the discounts.

## Shawville Juniors Score Win

In a fast moving game between the Arnprior Greenshirts and the Shawville Juniors, played last night at Shawville Arena. Shawville edged out Arnprior for a 6-5 victory. This was the third game played in the current series of the Shawville team. Last night's win moves the team to third place in the Upper Ottawa Valley Junior Hockey League.

## Free Carnival At Selly's Rink

Taking advantage of the free outdoor skating on Selly Langford's rink at the east end of King Street, two pickup teams played a riotous game of hockey last Friday evening. The final score was Shawville 12 to Radford 6. Players were mostly under fourteen and about twenty five spectators gathered to watch.

The next event at Selly's rink will be a carnival this Friday, January 14, at 8.00 o'clock. There'll be prizes for best costumes and fun for everyone. The invitation from Selly is for everyone, young or old to come and join the fun and if you haven't got skates, wear moccasins or boots and come anyway. The Carnival is, of course free. Selly is putting up the prizes and there'll be skating until eleven o'clock.

## Fort Coulonge W.I.

The Fort Coulonge Women's Institute met on Thursday, January 6th at the residence of Mrs. Ann Fumerton. Mrs. B. Dorff the president was in the chair, assisted by Mrs. Richard Kenny, secretary and Mrs. Gerald Smith, treasurer. The meeting opened with the singing of the Institute Ode and the presidents New Year Greeting. The motto for the meeting was "Don't walk this year in last years rut." The usual routine of the reading of minutes was carried out and matters of importance were discussed. The chief, was the question of exhibits to be shown at the next Shawville Fair and each member was given direction as to the article she should contribute to the display at the exhibition. Mrs. Ira Whalen then gave a demonstration of useful household hints among which were "Dust your plate with icing sugar before you put the cake on and it will not stick; put a tablespoon of epsom salts in the rinsing water when washing woollens; for removing shells of Brazil nuts put the nut in hot water for three minutes and then in cold for one minute." The roll call was answered by each member, bringing a jar of preserves or pickles. The meeting closed with the collect and the National Anthem being sung after which Mrs. Gerald Smith and Mrs. Fumerton entertained the members by serving a delightful repast. Next meeting to be held at the home of Mrs. C. Younger-Lewis.

LIGHTS OUT!

What should you do? Follow these steps each time:

1. Find out if your neighbours' lights are out too. If they are not, it is quite likely that the trouble is in your own wiring.

2. Pull the main switch and examine the fuses. If a fuse is burned, look for the cause. It may be due to too many appliances on the same circuit or due to a short circuit in the wiring. Be sure to find out the cause as a burned fuse indicates trouble somewhere.

3. If there is lightning or heavy winds in the district and your neighbors' lights are out, it is probably due to trouble on the Power Company lines.

Wait for a few minutes to see if the power is restored; if not, call the local office of the power company and report the trouble.

4. If it is a clear day, the Power Company may be working on the lines, a car may have struck a pole or someone may have felled a tree over the lines. Wait for a reasonable time to see if service is restored. If it is not, please report your trouble to the local office of the Power Company.

By reporting directly to the Power Company you are taking the most effective method of correcting the trouble.

## This is THE MARK OF A NEW AGE!

That big, bold Sweep-Sight Windshield—curving back to vertical corner posts—is easy-to-see evidence that Chevrolet has cast aside the tradition of the past to start a whole new age of low-cost motoring. It's smarter to look at—safer to look out of—and it's only part of Chevrolet's new outlook for '55!

Yes, Chevrolet brings you a whole new outlook in low-cost motoring for 1955! It's best symbolized, we think, by the sweeping expanse of windshield that widens your view of the road and lets you "see through" the corners for greater safety.

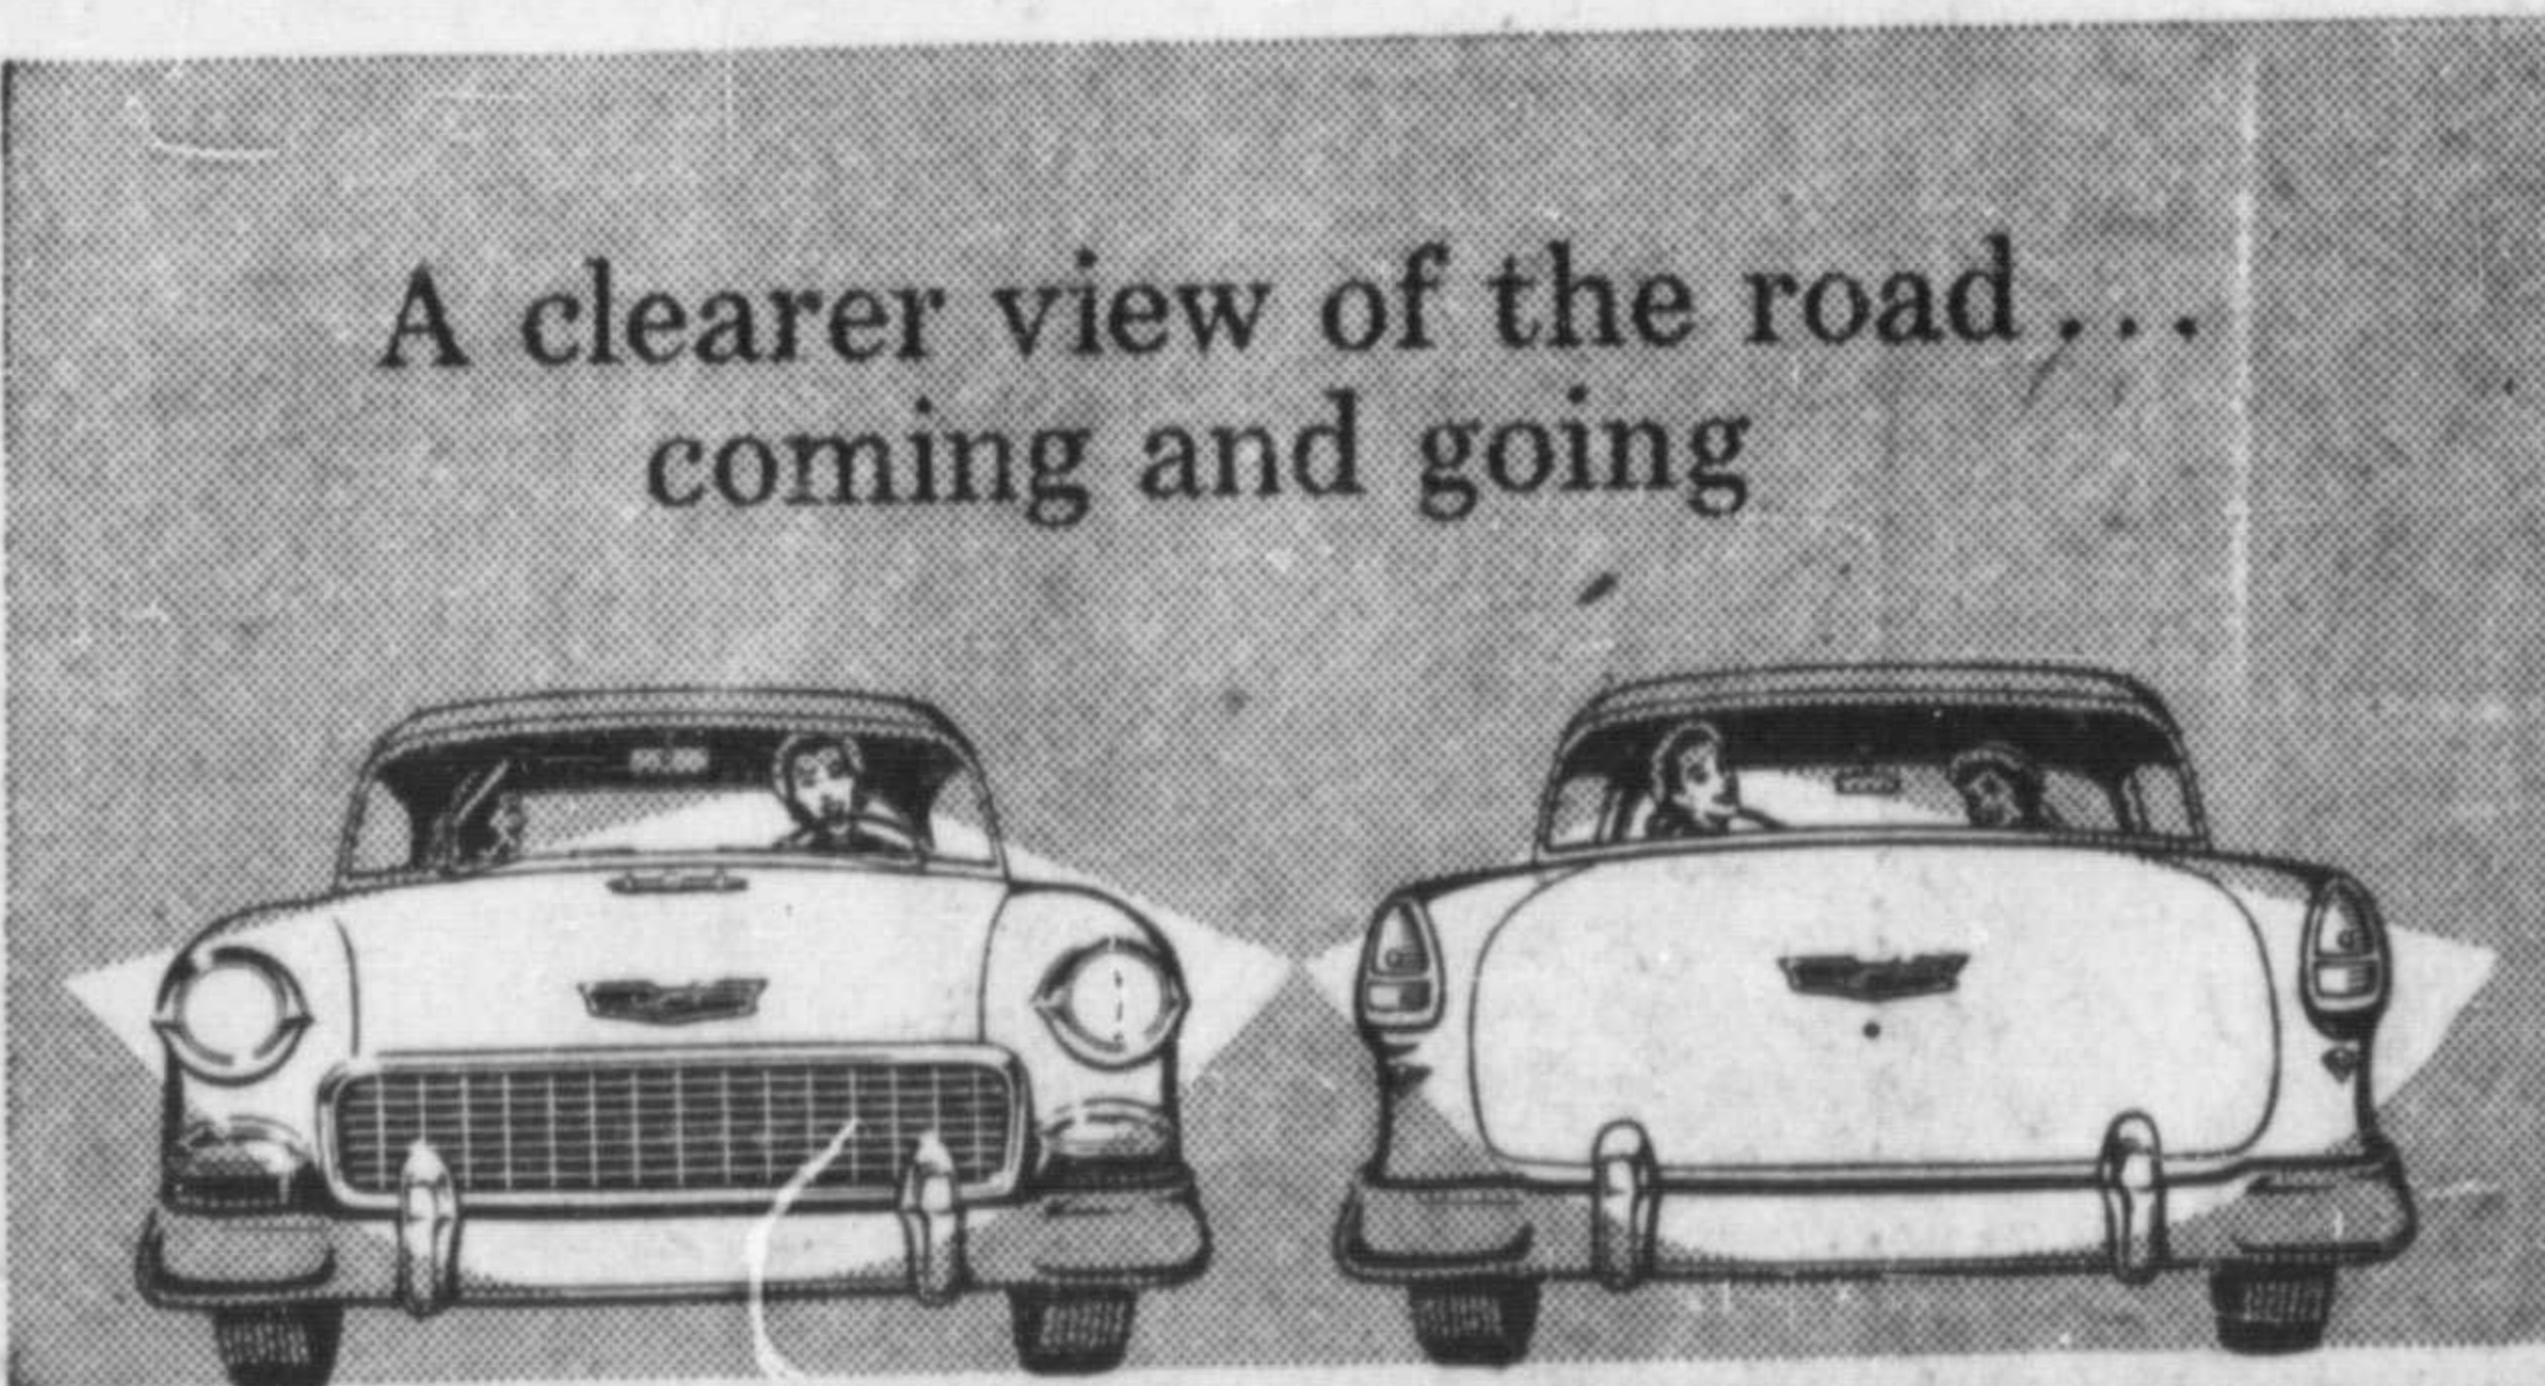

The car with the new idea! Besides widening your view of the road, the Motoramic Chevrolet broadens the whole horizon of the low-priced car. It was built around the idea that a car doesn't have to be high-priced to look, ride and

perform like it. A lot of time and sweat went into the building. A lot of old traditions went out the window because they didn't measure up to this daring new concept. Trust Chevrolet to have the resources and the skill—yes, and the courage—to break so completely with the past.

Everything's new in Chevrolet! Everything—from its tubeless tires to its lower top. There's new beauty with that long, low "let's go" look! New fun underfoot with the new "Turbo-Fire" V8 and the new "Blue-Flame" six! A new

choice of drives—new Overdrive, Super-Smooth Powerglide (extra-cost options), and new standard transmission! A wonderful new ride! New High-Level ventilation! But we can't even begin to give you the whole story here.

Look who's stealing whose thunder! Chevrolet's stealing the thunder from the high-priced cars in more ways than one! Come in, drive it, and you'll see why the Motoramic Chevrolet starts a new and exciting age of low-cost motoring. This you're going to love!

## Among the satisfactions of a Bank Account . . .

It's reassuring to watch savings grow . . . to have your bank book record your progress.

You feel more secure with your money safe and readily available when you need it.

It's a comforting feeling to have cash on hand for opportunities, emergencies.

Multiply by 9,200,000 deposit accounts the satisfactions you enjoy from your bank account. The grand total of comfort, security and peace of mind shows, better than a dollar total, the essential value of a bank account. More deposit accounts than there are adult Canadians, with new accounts opening every day, reflects the confidence of the nation in the chartered banks.

• **THREE TRANSMISSIONS**—Wide transmission choice—Synchro-Silent is standard equipment; PowerFlite automatic transmission or Overdrive are optional at extra cost.

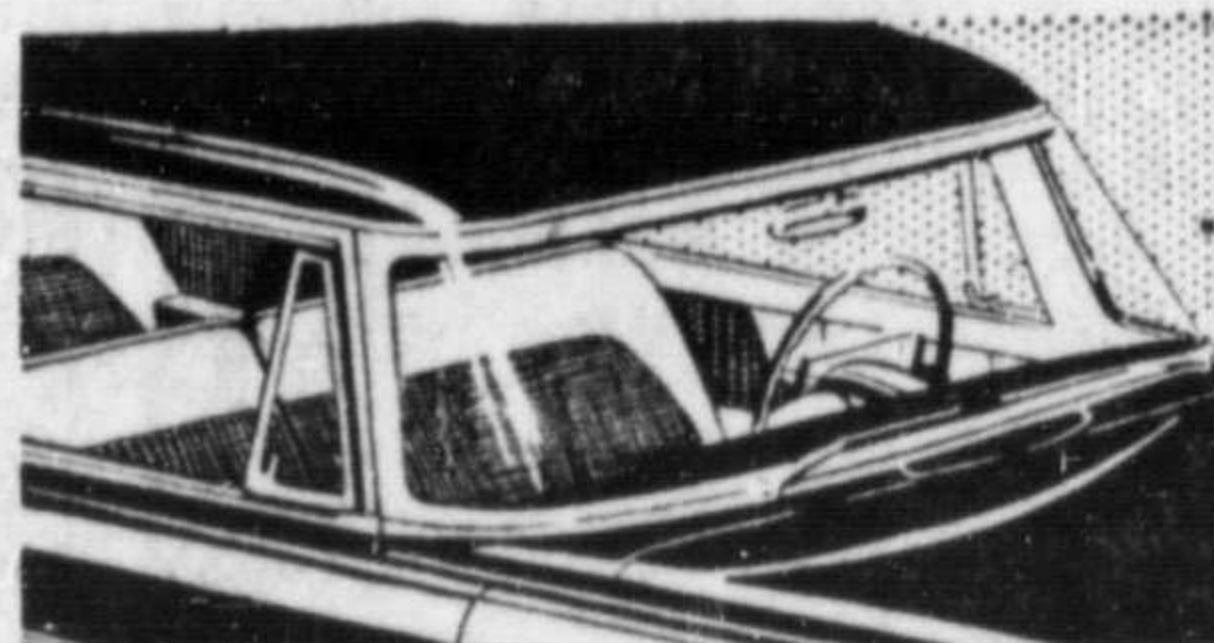

• **POWER ASSISTS**—Make your driving as automatic as you wish with Plymouth Full-Time Power Steering, Power Brakes, Power Windows, or Power Seats, available at extra cost.

**Here's the car to measure against!** Plymouth is more than ten inches longer this year . . . by far the longest of the three leading low-priced cars. Roomiest, too! Most over-all interior space, from instrument panel to rear seat back . . . most room in the luggage compartment.

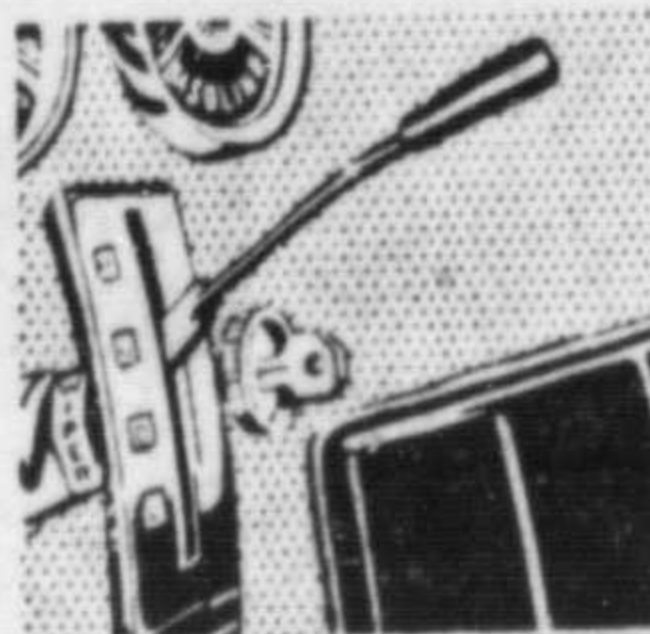

**Years ahead in style!** Lowest and sleekest of all three. Longest hood . . . most massive grille . . . most impressive headlights, set deep in the rakish angle of the front fenders.

**Built to stay young!** When you compare all three for ruggedness and lasting value, consider that Plymouth weighs the most because it's built more solid, stronger. Many extra-value features such as widest rear springs, electric windshield wipers, independent parking brake.

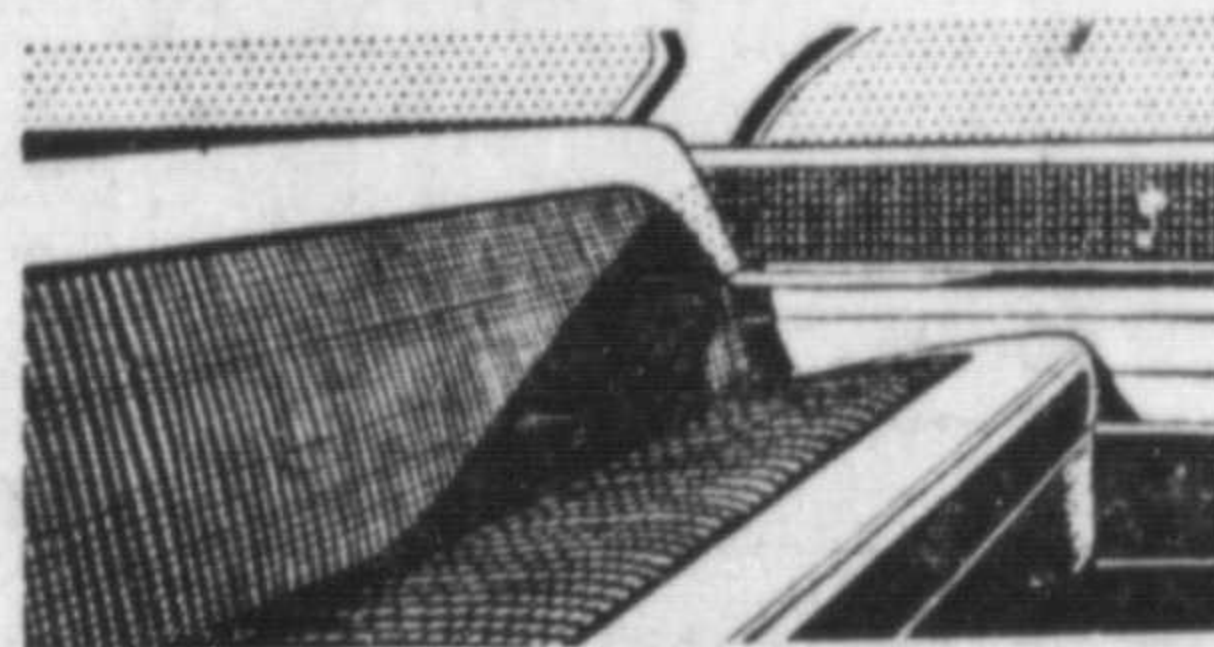

Your Chrysler-Plymouth-Fargo dealer invites you to compare all three. Because, if you do, chances are you'll change to Plymouth!

**NEW VISIBILITY** is yours through the New Horizon windshield with its rakish slant and swept-back corner posts. It's the first true wrap-around . . . gives you extra visibility at top corners, where you really need it, as well as at the bottom.

## PONTIAC DRY CLEANERS

Facts you should know about clothing: There are many good pre-shrinkage treatments for most types of fabrics needing them. Therefore, truthful labelling describing fabrics as pre-shrunk, or by other terms or names meaning the same, is important to wise buying.

## What to do...

### TO SAVE MONEY WHEN SICK

When someone is ill in the home it's important to have the sickroom as comfortable as possible. St. John Ambulance says there are lots of ways you can improvise useful sickroom equipment—and it won't

cost you a penny.

For instance, a bed table is a mighty handy thing on which to place meals. An easy way to make one is to knock out the two long sides of a light wooden box. It can be covered with chintz or some

pretty cloth if you really want to be fancy.

Another way to make a bed table is with an ironing board. Put a chair with a square back on each side of the bed and extend the ironing board between the backs of the chairs.

If the sickroom is not near the bathroom you can improvise a washstand from a wooden crate. A screen for the patient can be made from an old fashioned clothes covered with a sheet or bedspread.

If your patient is not able to walk you don't have to buy a wheel chair. A lightweight armchair on heavy casters serves very well. If you need a footrest you can tie or fasten a narrow board to the front of the chair slightly above floor level.

A marked measuring bottle is another piece of medical equipment that is easy to improvise. Just attach a piece of adhesive lengthwise to the side of a wide-mouthed glass bottle and pour two tablespoons of water (equal to an ounce) into the bottle and mark the level of water on the adhesive. Continue pouring and marking the level of each extra ounce up to the top of the adhesive strip.

If the patient is going to bed for quite a while it will make things easier for the person who

### Printing Week

International Printing Week is to be celebrated January 16 to 22 this year. To celebrate this important special occasion fittingly, the Pontiac Printshop is doing a remodelling job on its front office. People who, in the past, have floundered around at the front of the printshop, looking for a desk, a counter or even an official looking chair will flounder no longer. At present they are confronted with wet paint and stacked furniture but by the time this Printing Week is over there'll be some obvious changes to be observed. There'll actually be a front office. Customers will no longer get lost among the presses and type drawers and they won't be losing their children under the folders and in the trash bins.

But, this is all very local. It just seemed the least we could do for our trade—that is to bring it's outward appearance up to the high standards set for us by the other business establishments in our town. Starting with Printing Week, 1955, we hope everybody will see the printing business in a new light. They will see the shiny new office with its showcase displaying some of our work and they will, we hope, gain a new confidence in the products of Shawville's up and coming printing business.

Mighty force that it is today, printing owes its start to a man who, over 500 years ago, invented what we call moveable type. This man was Johann Gutenberg. In Mainz, Germany, between the years 1440 and 1450, Gutenberg invented a way of making large numbers of individual pieces of type so they could be put together to form words, paragraphs and pages. The assembled types were inked, printed on paper in as many copies as desired, then broken down and used again for other printings.

All previous forms of printing could not be quickly duplicated and reached the eyes of only the few. Gutenberg's invention was revolutionary. His moveable types made mass production possible. Previously, playing cards, for instance, were printed in France with each card a separate and individual job. Pages of Scripture were hand lettered and illuminated in the monasteries of Europe. The Chinese and Egyptians also produced printing of a kind.

One of Gutenberg's first tasks was to make and set type to print pages for the now famous Gutenberg Bible. This was, then, a gigantic job, but once all the type was set, prints could be made for distribution throughout the land. Today over 7,000,000 copies of the Bible are printed yearly, in 1084 languages, for distribution the world over. Processes and production methods have changed but in most cases individual pieces of type are still used.

As early as 1539 printing was first introduced into North America. Juan Cromberger, leading printer at Seville, Spain, started a printing office and contracted with one Juan Pablos to go to Mexico. The first printing office in the United States followed the landing of the Pilgrims at Plymouth Rock in 1620.

Canada's first printer was John Bushell and

## A. B. A. Organize

Preparations are organized for the annual meeting of the Canadian Ayrshire Breeders Association which has been fixed for Thursday, February 10, in the Queen's Hotel, Montreal, starting at 10 a.m., with directors' sessions scheduled for the preceding and following days.

In charge of proceedings will be the president, S. Wyman MacKechnie of Wyman, Que., assisted by Secretary Hugh G. Hunt, Ottawa. Directors of Eastern Ontario who will be taking part in the deliberations are J. C. Watt, Lancaster, and John McLennan, Martintown. Directors have already been elected by mail vote for the Maritime Provinces in the naming of Fred F. Clark, Meadwovale, N.S., to succeed Howard Trueman of Aulac, N.B., and Col. F. I. Andrew, Charlottetown re-elected.

One who is expected to attend the Montreal convention is Dr. Rene Trepanier, deputy minister of Agriculture for Quebec, who is a Veteran Ayrshire breeder at Oka. His interest in the breed was emphasized when he made the purchase of three females at the Sale of the Stars in conjunction with the 1954 Toronto Royal.

As for association development it has been suggested that membership fees may be raised and a greater promotion program launched to publicize activities.

Ayrshire breeders, generally, have enjoyed a year of real progress. Marked success has attended showing competitions, including the accomplishments of Ontario exhibitors at the International Dairy Show, Chicago.

The Ontario entry placed first in the state herd feature there and among those responsible for this victory were S. S. Rose and Sons, Mountain, and J. C. Watt and Cumming Bros., Lancaster.

The Montreal convention February 10 follows the annual meeting of other breed associations which are taking place Feb. 1-4 at the Royal York Hotel, Toronto.

## Mrs. W. D. Lough

A well known resident of Fort Coulonge, Mrs. William John Lough died Wednesday in a local hospital at the age of 83. She was ill a short time.

The former Mary Davies, she was a daughter of the late Rev. William Davies, for many years rector of Rawdon, Que., Anglican Church.

She was a member of St. George's Anglican Church, Campbell's Bay for many years.

A native of Swansea, Wales, Mrs. Lough moved to Rawdon with her family as a child. She taught school at Shawville for four years and in 1901 married the late William John Lough at Shawville. He died in 1945.

Mrs. Lough leaves a son, William D. of Fort Coulonge; two daughters, Mrs. S. M. (Eleanor) Craymer of Port Arthur, Ont., and Mrs. R.B. (Gwen) Heslop of Ottawa; two brothers, Jack Davies of Burlington, Ont., and William Davies of Saskatoon, Sask.; also six grandchildren and a great grandchild.

The funeral was held in the Hulse and Playfair Limited chapel in Ottawa Friday at 10 a.m. with

his operations commenced in Halifax in 1752. Quebec's first printer, Fleury Mesplet, founded the Montreal Gazette in 1776.

Today there are 2665 printing plants in the Dominion of Canada, not the least of which is the Pontiac Printshop in Shawville. For January 16 to 22, we salute the other 2664 printshops in honor of International Printing Week, along with the uncounted printing establishments in every other country of the world.

## Cap's Corner

News this week is rather small from the Scout Units but both the Wolf Cubs and the Boy Scouts were on the job, starting the New Year in the proper spirit. Two boys have left the Pack to become Scout Chums and their names will be advertised next week when it is hoped we will have a better column. The Scouts, who are eligible are getting the final set-up for the World Jamboree next summer. Byson have two, Starks two and it is hoped Shawville will take up the rest of the quota with some Rovers having in mind work at the Jamboree which does not come actually under the quota of six. The final day when names have to be in Provincial H. Q. is January 15th and they must have been recommended by the District Selection Board before that. If the whole quota is not taken, the extra will be taken up by some other District. Come on fellows, get those names in there!

Mrs. Reuben Smith has advised that the Home Nursing Class will be starting next week, the exact date has not yet been set. So far she has a Class of 12 but can use more if more want to start. The First Aid Course starts next Friday evening, January 14th at 7.30 p.m. in the Scout Hall. Will those who intend to join, please come early and get registered before the lecture starts. We can use up to 30 and so far we have about half that. We will need twenty to start. The reason it is important to get your names in, is because books and bandages have to be ordered and that can not happen in one day. So please give your names to Mrs. Morley Wilson. There are a number of Queen's Scouts who require this course to continue to be in that grade. In fact there are a number who are no longer rated at Queen Scouts for that reason.

The Regional Meeting of the Ground Observer Corps will be held in the Anglican Parish Hall on Monday the 17th. The main subject will be Aircraft Recognition and in addition there are a number of Observers who will be receiving their Wings. We would like 100% turnout at this meeting so please arrange to have your transportation from outside points. It is more and more important to know your Aircraft. Great credit must be given to our Bristol Post for their splendid work during the recent crash which happened in their area. There was no hesitation on the part of anyone and the Filter Centre was alerted before the dust had settled and the Pilot hit the ground. Immediately the Post was alerted and a number of guards placed on the wreck with all roads leading to it patrolled to prevent congestion of traffic. Chief Observer Bb Russell and his Official Observers of Bristol Post are certainly deserving of a lot of credit for the way they handled this nasty situation. Well done Bristol!

Lets all give them an ovation when we meet here on the 17th for the Regional meeting starting at 2000 hours. (8.00 p.m. to you).

Rev. Wilfred Bradley officiating. Interment was in Fort Coulonge.

## The Way I See It - (a weekly column)

by  
Rev. C. Watson

One of the more interesting social phenomena in England is the system of controls on housing. I do not know the rules and regulations as laid out in a pamphlet readily procured from post offices for a small charge. But coming from a country that claims to dislike and certainly avoided as much as possible any limiting of "Free enterprise" even when a case could be made for the need of supplementing private capital in order to provide a sufficient supply of low-cost housing, I am interested in the attempt to find a better answer to this problem. As far as I know the only action of the Canadian government to help people to obtain adequate housing has been the providing of low-interest mortgages through the Central Mortgage and Housing offices. This is only an attempt to enable people to purchase homes and I feel does very little to stimulate the rapid building of new homes. As far as I know it does not help those who have no capital to invest to procure decent adequate housing. In my opinion the Canadian government has never acknowledged the fact which is basic to the situation over here and probably only to a lesser degree in Canada, that housing is a social problem insofar as it affects the efficiency, health and moral welfare of the nation as a whole.

The British have attacked the problem, admittedly a more acute and immediate one, by encouraging municipal and county authorities to enter the housing field by erecting whole new building "estates" which are rented for what seem to me to be very reasonable rents to those whose need is greatest. A young couple normally living with "in-laws" put their name on a list for a house and wait, sometimes as long as five years but then they have a clean modern home to move into at a rent they can really afford (usually less than \$5. per week). These estates are very attractively laid out with garden plots, convenient shopping centres and instead of rows of identical houses along a straight uninteresting street you find a great variety of dwellings sitting well back from a gently curving well-paved roadway. These houses are maintained by the municipal or county authorities and in the summer they have very attractive public gardens and lawns besides the private "allotments" which seem to be found everywhere and keep England, "a beautiful garden for all to admire."
