Outremont Council Pass Budget Figures

OUTREMONT CITY COUNCIL PASS BUDGET WEDNESDAY WITH UNANIMOUS VOTE

Report of E. T. Sampson and C. E. Lacroix Accepted
 —Highest Budget in City's History—Totals Over One Million.

Outremont's 14-month budget was unanimously passed at a meeting of the Council Wednesday night. The budget comprised estimates prepared and submitted by E. T. Sampson, city treasurer and clerk and C. E. Lacroix, city engineer.

It was the highest budget in the history of Outremont, totaling \$1,030,311.

The summary of expenditures budgeted includes: service budgets prepared by city manager, \$460,375; pension to ex-chief, \$2,100; general government excluding city manager's department, \$53,425; charities and donations, \$8,000; loan charges, \$483,377.45; guaranteed water revenue, \$650; Montreal Metropolitan Commission assessment, \$20,000; suspense accounts for public works, \$1,645; estimated surplus, \$735.55.

Estimated expenditures for the corresponding period are: general municipal tax, \$487,692; local improvement tax, \$212,550; police and fire department, \$150,447; street lighting tax, \$35,230; lane cleaning tax, \$6,000; business tax, \$14,000; tennis court fees, municipal privileges, \$409; rental \$7,000; hockey rink receipts, \$7,000; underground conduits, \$3,500; greenhouse sales, \$800; rental of firemen and electricians' cottages, \$1,575; interest on investment of \$520,620, \$27,333; interest on deposits, \$10,000; in-

terest on taxes, \$29,000; interest on mortgages, \$2,900; interest on local improvement outlays in progress, \$2,300; fines and costs in Recorder's Court, \$8,200; amusement tax, \$6,000; licenses, \$4,000; building permits, \$800; cash discounts, \$475; reimbursement of hospital charges, \$1,000; sale of plans, \$100 and commission charged to local improvements and sundry accounts, \$12,000.

Police, Fire Department
 The budget prepared for the department supervised by Mr. Lacroix totals \$448,375 and includes: public works, \$195,100; street lighting, \$22,750; police and fire department, \$153,450; health, \$14,100; building inspection, \$4,600; engineering and manager's department, \$27,700; recreation, \$29,675 and underground conduits, \$1,000.

The following amounts will be spent for public works; garbage, \$45,000; street cleaning, \$24,000; lane cleaning, \$3,500; street oiling, \$8,000; sprinkling, \$6,000; macadam repairs, \$10,000; maintenance of sewers, \$3,500; maintenance of sidewalks, \$3,000; maintenance of lanes, \$1,500; maintenance of boulevards, \$3,000; maintenance of trees, \$3,000; maintenance of buildings, \$3,000; grass cutting, \$3,500; weeds cutting, \$1,000; general snow removal, \$74,000 and snow removal in lanes, \$7,500.

PAUL ST. GERMAIN, K.C., FOR KING'S BENCH

(Special to "Examiner")
 OTTAWA, Ont.—Paul St. Germain, K.C., 349 Cote Ste. Catherine Road, Outremont, has been appointed a Judge of the Court of King's Bench, appeal side of the Province of Quebec.

The new appointment to the judiciary for Quebec Province succeeds the late Mr. Justice Allard, who died some months ago.

C. P. STATION TO OPEN SOON

Paving on Jean Talon to be Completed

The new C.P.R. Station on Park avenue in the North End of the City will probably be in operation the 27th or 28th of this month, it was learned this week.

Everything has been completed in the Station itself and the C.P.R. is now awaiting the City of Montreal, who have not completed paving yet on Jean Talon street immediately facing the new structure.

Both subways on Park avenue and Jean Talon are completed, but are not expected to be in use before the opening date of the station.

Railway officials feel certain, however, that opening of their new North End terminal will not extend beyond the 28th of this month.

EXPROPRIATIONS IN NORTH END

Widening of Jean Talon Main Feature

The North End figured quite substantially this week relative

The Weekly Boost

"I wish I had a half dozen baby carriages and gas stoves because I could have sold all of them," said a North End resident this week after she had successfully sold these articles through a Want Ad. in the "Examiner" last week.

Yes, this is only one example of the satisfaction received when you advertise in the Classified Columns.

You don't have to come to the office—just phone Miss Adtaker, CRescent 0157, and she will be glad to take your ad.

REV. BURTON ROBINSON INDUCTED TO PASTORATE OF FAIRMOUNT-ST. GILES

Impressive Ceremony at Local Church Tuesday Night
 —Large Attendance—Formerly Pastor at Chatham, Ontario—Was Lecturer in Psychology.

On Tuesday evening last a very impressive service was held in the Fairmount-St. Giles United Church, Outremont, when the Rev. Burton H. Robinson, M.A., was at one time lecturer in psychology of this church before an audience that filled the auditorium to its capacity. The service was presided over by Rev. Dr. A. S. Ross, Chairman of the Montreal Presbytery, assisted by Rev. Dr. A. Lloyd Smith, who addressed the new Minister, Rev. Dr. W. J. Clark who addressed the congregation, and Rev. Dr. J. R. Dobson who took the devotional exercises.

Special appropriate choral selections were rendered by the church choir of 40 voices under the direction of A. J. Binnie, Organist and Choir Director.

Prior to taking up his new duties, Mr. Robinson was Pastor of the United Church at Chatham, Ont. He holds the degree of Master of Arts and was at one time lecturer in Psychology at the University of Toronto.

At the close of the service a social gathering was held in the assembly hall of the church when refreshments were served by members of the Ladies' Aid Society, and musical selections rendered. Greetings from the ministers of the North End and the Ministerial Association were brought by Rev. Dr. J. G. Potter to which Rev. Mr. Robinson replied.

City Officials Say "Neigh" To Horse-play

A team of horses, named Guy and Dan, may have been well-conditioned steeds at one time, but shortly after the City of Outremont took them over to try them, Dan developed a bad cold coupled with a cough, and Guy took to limping, so that medical aid had to be summoned. Subsequently Dan died, but Guy still retained his limp. In the Superior Court the owners sued for \$600, as value of the span of horses.

In refusing the pay for the horses the City of Outremont insists that the pair were accepted

only on trial according to established custom. When the condition of the animals was reported to the owner, he pleaded that Dan's cold was probably only an ordinary affection and that he would recover if given a little time. He had even offered to pay one-half the cost of treatment, but the corporation insisted that they would have nothing more to do with the affair and notified the owner to take them back, it is claimed.

Not only does the corporation refuse to pay for the horses, but they are reserving the right to sue the owner for the cost of medical aid for the deceased animal as well as for hay and oats consumed, while the pair were in the city stables.

SMALL CHILD IS BITTEN BY DOG

While playing opposite her home last Friday afternoon, Sarah Raiter, 10 years old, 5727 Esplanade avenue, was bitten by a police dog.

The girl was removed to the Royal Victoria Hospital where she was treated for lacerations on the arms and shoulders.

Police are endeavoring to determine the dog's owner.

ST. RAPHAEL'S PARTY FRIDAY

Card Party Arranged for Fair Prize Drawing

The automobile prize in connection with St. Raphael's recent Church Fair will be drawn

**LOCAL RESIDENT
 LOSES MOTHER**
 The funeral of the late Mrs. N. Langlais took place from the residence of her son N. O. Langlais, 4426 De Lanaudiere avenue, last Saturday morning. Services were held at the Immaculate Conception Church and interment was at Cote des Neiges Cemetery.

for next Friday night at a card party which has been especially arranged for this occasion.

A beautiful oil painting donated by Archbishop Gauthier of Montreal as the door prize will also be drawn for.

Members of the Holy Name Society are taking care of the evening's affair which will be honored with the presence of Ald. A. J. Gillett and the pastor of St. Raphael's, Rev. Father John L. O'Rourke.

Winners of the two valuable prizes will be announced during the course of the card party, taking place at 63 West End Ave., in the Parish Hall

The United States produces only one per cent of the world's tin, but, a California paper claims, uses 50 per cent of it. Isn't it too bad that our neighbors have to buy anything at all abroad!

Quebec Roads

During the past few weeks citizens of Quebec have heard a great deal about the merits of Quebec's roads as compared with the roads in Ontario. While this province can hardly claim to be at the head of Confederation as far as highways are concerned, it is only fair, however, to state that Ontario lists among her "improved" roads practically every passable road in the province and some that come mighty close to being impassable; while Quebec, on the other hand has many fine back roads that are listed merely as "unimproved". According to official figures Ontario has three times the mileage of good roads that Quebec boasts, but this margin would be greatly modified were an equitable basis of comparison used. In one respect, however, Ontario leads Quebec without a doubt, and that is in the quality of construction of her first class through highways. In the one case there are roads built for years of service, while in the other a coating of asphalt over the old gravel road frequently suffices—a good surface, but not so durable.

Time is Money

By Ernest Pitt

A regional survey of New York showed a loss of \$500,000 per day through street congestion and \$1,000,000 per day was lost by greater New York. This figure only covers trucks, there being no estimate available for automobiles. These amounts are very considerable and give one food for thought, says Mr. Ernest Pitt in his weekly review.

One wonders how much is lost daily in Montreal on account of street congestion. Taking into consideration the tie-ups caused by railway crossings, the Lachine canal swing bridges, etc., the amount must be tremendous. Of course, efforts are being made to relieve this situation through street widening, placing of subways under railway tracks and tunnels under the canal, but there still remains a lot to be done.

Park Avenue, from Pine to Mount Royal, is a splendid example of what can be done to alleviate traffic troubles. With the street widened and the car tracks placed to better advantage, it is now a pleasure to drive along that thoroughfare, where formerly one was almost certain to be held up by the traffic jam.

With sky scrapers here to stay and another huge building of 32 storeys being planned for Dorchester Street, it is obvious that conditions will get worse. One building on Dominion Square, when completed, will house 10,000 people, which in itself is equivalent to the population of a good-sized town, and the most plausible solution to the problem is to them away out of the congested district with a little loss of time as possible, in order to preclude the danger of overcrowding.

The district between Pine Avenue and the waterfront cannot be enlarged, but the streets can be widened to afford as much relief as possible. If something is not done the business centre will suffer. It is most important that the areas housing the business and commercial con-

cerns be protected against traffic congestion so that they may be easy of access, for, though we recognize increased traffic as a criterion of expansion and progress, we must take the necessary precaution not to let this same expansion be the means of bottling up the sections devoted to the business life of our city.

Mr. Pitt points out that Montreal has lost business through new companies locating in adjacent towns, and that we are likely to lose still more unless overhead costs are kept down. Time means money and probably one of the money savers first taken into consideration in industrial and commercial life, is rapid transit. Present indications are that this is a most opportune time to take the necessary measures to overcome traffic congestion.

plause, at Monday night's meeting of the Laurier-Outremont Liberal Club, when ex-Ald. Napoleon Turcotte presided.

Joseph Mercier, M.P. for Laurier-Outremont said outright that the Liberal victory of August 24 was but a sample of what was awaiting the Houde administration. The people's confidence is solidly behind Mr. Taschereau, he said. It is diametrically opposed to the tenets of the present municipal regime, whose head is also leader of the badly-beaten opposition, and it will speak in no uncertain voice when the time comes.

Notary F. S. Mackay went into details of the provincial election, giving an itemized post-mortem, as he said, of the defunct Conservative body, corporeal and spiritual. Like Mr. Mercier, he went on to say that "thus bad befalls, but worse remains behind"—that, in short, Mr. Houde was in for the beating of his life next spring.

WOMEN'S CLUB PLAN FOR BUSY SEASON 1931-32

Many Notables Among
List of Speakers

BUSINESS MEETINGS

W. G. Percival Addresses
Opening Meeting of
Year

The Outremont and North End Women's Club, which re-opens for the season on Friday afternoon, October 9, has its schedule for 1931-32 practically completed, with provision for lectures on an interesting variety of topics. The speaker at the opening meeting will be Dr. W. G. Percival, Deputy Minister of Education for the Province of Quebec.

One of the speakers, whose coming is awaited with interest, is Miss Jenny Lee, LL.B., M.P., for North Lanark, the daughter of a miner, and the youngest woman in the British Parliament, who will address the club on January 29. During the season general meetings will be addressed by Dr. J. P. Gendreau, of the Hotel Dieu, on "Radium," and Rev. Lawrence Clare, on "George Bernard Shaw." Very Rev. Arthur Carlisle, Dean of Montreal, will be the guest speaker at the charter day luncheon, to be held in the Mount Royal Hotel November 18. A musicale, a travelogue by courtesy of the C. P. R., and a dramatic entertainment by the class in diction under direction of Mrs. William Evans, are other events of the club year.

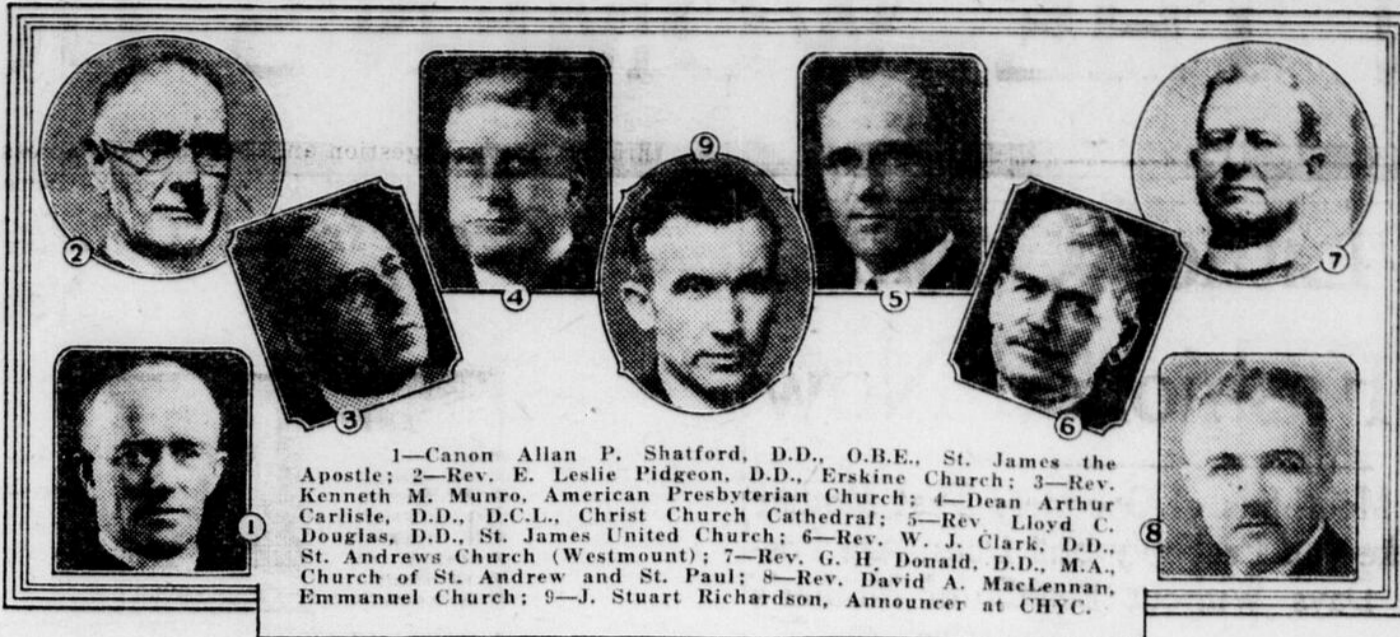

Speakers at the business meetings will include: Howard S. Ross, K.C., D.C.L., on "Some Poets I Have Met and Poems in

New Administration For Police and Fire Depts.

The administration of the Police and Fire Departments will likely be changed, it was learned at the City Hall this week at a meeting. Officials are studying the question which proposes to relieve the Council of responsibility in this matter by placing full control with the Manager of the City, C. E. Lacroix.

Lighter Vein"; Mme. Pierre F. Casgrain, who will speak on "Things of Special Interest to Women"; Dr. J. A. Macdonald, field secretary of the Canadian Institute for the Blind, speaking on "The Blind and Their Outlook on Life"; and Mrs. C. R. Bourne, president of the Local Council of Women, on "Mothers' Allowances and Old Age Pensions."

Broadcasting Ministers of Montreal

1—Canon Allan P. Shatford, D.D., O.B.E., St. James the Apostle; 2—Rev. E. Leslie Pidgeon, D.D., Erskine Church; 3—Rev. Kenneth M. Munro, American Presbyterian Church; 4—Dean Arthur Carlisle, D.D., D.C.L., Christ Church Cathedral; 5—Rev. Lloyd C. Douglas, D.D., St. James United Church; 6—Rev. W. J. Clark, D.D., St. Andrews Church (Westmount); 7—Rev. G. H. Donald, D.D., M.A., Church of St. Andrew and St. Paul; 8—Rev. David A. MacLennan, Emmanuel Church; 9—J. Stuart Richardson, Announcer at CHYC.

These ministers have a parish almost as wide as Wesley whose parish was the world, for when they broadcast, as they do in turn once in two months, their messages are heard in the four corners of this continent and even onto the Islands of the Pacific Ocean. Letters of appreciation have been received by this station from Mexico, Hawaii and the far north, testifying to the helpfulness of these broadcast services.

NEW MARCONI PLANT SEEN BY VISITORS

Many Take Advantage of
"Visitors' Week"

LUCKY NUMBER

In Conjunction With Com-
ing Radio Show

The new Marconi Factory on Trenton Road, Town of Mount Royal was the objective of numerous radio fans who crowded the building with eager curiosity and much surprise this week.

Few of them apparently realized that this make of radio which they were daily using in their homes, was actually manufactured almost next door to them.

According to the officials of the Company which offered to outsiders the privilege of visiting the entire plant, several thousand took advantage of the opportunity.

Every conceivable form of radio equipment and apparatus required in the manufacture of same were on display to visitors to the plant.

In addition, lucky number were inscribed on every ticket entering the building, and it was noted that the name and address of the holder was written on same and handed to the doorman to be later drawn for a new super-heterodyne Marconi radio, given by the Company.

James A. Ogilvy's Are Holding Appliance Show

Jas. A. Ogilvy's Modern Appliance Show opened Thursday in Tudor Hall. Every appliance necessary to the up-to-date housewife is to be found at this show, all manufacturers in these lines having taken space to present their most recent products.

The main attraction will no doubt be demonstrations with a television set, operated by Ogilvy's recently founded station "VELOAM". Although the demonstration can be but of an experimental nature, it remains an interesting proof of the transmission of pictures over air waves.

Ogilvy's Annual Modern Appliance Show will remain open today and tonight. During these days and public were admitted from nine a.m. until 10 p.m.

ADDRESSES ON COMMUNISM

Father Bryan to Speak at
St. Michael's

Rev. Father Bryan, S. J. professor of philosophy at Loyola College, will deliver a special course of lectures in St. Michael's Church at eleven o'clock on the four Sundays of October, and has selected as his subject, "Communism."

This subject which Father Bryan has chosen for his topic is now being universally discussed, and should prove of interest to all listeners.

The announcement was made

at all the masses last week, and parishioners appeared to receive it well, considering that it was authoritative enough from a Catholic viewpoint.

A special invitation was extended to non-Catholics who would like to follow the course, and members of the parish were asked to bring their friends outside the Church.

The chancel choir which created a favorable impression when it made its initial appearance last June, will take part in the services, and will sing a processional and recessional hymn.

An Indian tribe claims the land on which Chicago stands and one can only hope they get it and tomahawk Al Capone and all the racketeers. It is a way out for Chicago and its possibilities ought to be looked into.

IN THE WOMEN'S DOMAIN

Tasty Little Cookies Easily Fashioned Now

Crisp, Crunchy Mouthfuls of Goodness That Mother Used to Make and Probably Still Does, Are Possible These Days Without Benefit of Mother's Rolling Pin.

Cookie making is not the tedious task that it used to be. The old-time cook rolled her dough, cut the cookies, then rolled the scraps—all of which required much time. The modern cook makes many of her cookies without benefit of rolling pins. She drops the dough from a spoon, or forms it in rolls, chills and slices it, or spreads the batter over the pans and cuts it after it is baked. These three methods make it possible to bake a large batch of delicious cookies in just a fraction of the time required to make cookies by the old method.

One Egg Cookies

For one egg cookies, use ½ cup shortening, ½ cup sugar, 1 beaten egg-yolk, 3 tablespoons milk, 1½ cups bread flour, sifted before measuring, 1½ teaspoons salt, ½ teaspoon vanilla.

Cream the butter, add the sugar gradually beating between additions. Add the egg—unbeaten—then add the flour—which has first been sifted with the dry ingredients. Add the flour a little at a time—alternately with the liquid. If fruits or nuts are added—fold them in at the last.

For rolled cookies, chill the dough thoroughly—then roll to about 1-8 inch thickness. Bake in a moderately hot oven—375 to 400 deg. F. When baked, place the cookies on a cooler and do not pile until cold. When storing them for a length of time—to ripen in a covered tin box—place sheets of wax paper between layers of cookies.

Butterscotch Cookies

½ cup butter
1 cup light brown sugar
1 egg, unbeaten
1½ to 2 cups bread flour, sifted before measuring.
¼ teaspoon salt
½ teaspoon baking soda
½ teaspoon vanilla.

Chill the mixture very thoroughly. When eggs are large—slightly more flour may be required. For a richer cookie, use 2-3 cup of shortening and 2 cupfuls of flour. For a less sweet

cookie, reduce the sugar to 3-4 cupful.

This mixture makes a delicious ice-box cookie. Additions of fruits, nuts, spices, etc., may be made—or chocolate, etc.

Crisp Icebox Cookies

2-3 cup shortening
1 cup sugar
2 eggs
1 teaspoon vanilla
1-3 teaspoon salt
2½ cups, or slightly more of bread flour, sifted before measuring.

2½ teaspoons baking powder
Chill the dough, roll very thin. Bake in a hot oven, 450 to 500 deg. F.

Shortbread Cookies

1 cup butter
½ cup powdered sugar.
1 egg yolk
¼ teaspoon salt
Flour

Soften the butter slightly, but do not allow it to become oily. Stir in—do not beat—with a wooden spoon, the sugar, salt and egg-yolk. Now stir in the flour—a little at a time—until the mixture is too stiff to work. Take it out of the bowl and knead it on the floured board—drawing in flour all the time, until the lump just begins to crack. Form in a roll, chill thoroughly, then cut in thin slices and place—well apart—on cookie sheet. Roll gently with rolling pin—until very thin. Bake in moderately hot oven—375 to 400 deg. F.

Sour Cream Cookies

1 cup butter
2 cups brown sugar
1 egg, well beaten
1 cup sour cream
½ teaspoon baking soda
4½ cups bread flour
1 teaspoon baking powder
1-3 teaspoon salt

Mix same as one-egg cookies, adding the sour cream after the eggs. Place spoonfuls on cookie sheet, spread with a fork dipped in flour, and bake in a moderate oven—375 deg. F.

Twelvetrees' Coiffure Well Suited To New Type Of Hats

HELEN TWELVETREES, RKO Pathe Star

The coiffure shown in this picture of Helen Twelvetrees is particularly well suited to the new type of hat which is tipped pertly over the right eye, and reveals almost half the head on the other side. The waves are even and smooth and the ends of the hair, which are well curled, are pinned behind the ears. Notice that the hair is parted on the left side, for the hat should be tipped on the side where there is an abundance of hair.

Miss Twelvetrees knows that long ear-rings are well suited to the hair-comb which reveals the ears. Those she wears are a combination of rhinestones and pearls with a single pearl at the lobe of the ear. There is a matching necklace, of course.

Since "Millie" and "A Woman of Experience," Helen Twelvetrees has made "Bad Company" for RKO Pathe, in which she plays the starring role.

Social & Personal

The marriage of Rollande, daughter of Mr. and Mrs. J. H. Lemieux, of Outremont, to Mr. Leopold C. Gervais, son of Mr. and Mrs. J. P. Gervais, took place quietly last Saturday morning at half-past eight o'clock, at St. Viateur church, the Rev. Fr. Roy, C.S.V., officiating. Gladioli roses, delphiniums and ferns were used in decorating the church.

The bride was given in mar-

riage by her father, and wore an Augusta Bernard model gown of lobelia blue georgette crepe, fashioned in long lines with a bow of chiffon velvet, worn with a short coat of the same material and an Empress Eugenie model hat with ostrich feather trimming of the same shade and blue slippers to match. She carried a shower bouquet of Ophelia roses.

The Misses Jeanette and Yvette Lemieux, sisters of the bride, attended her as bridesmaids, the former being gowned in a Vionnet model of black satin trimmed with rhinestones, and black satin slippers; the latter wearing a Boulangier frock of Royal blue georgette crepe fashioned in long lines. Their hats were Empress Eugenie models of felt to match their dresses and their bouquets were composed of Ophelia roses and sweet peas. The ushers were Mr. Lucien Lemieux and Mr. Joseph Bourdon.

Mrs. Lemieux, the bride's mother, wore a gown of black crepe, with a chiffon velvet hat to match, and a corsage bouquet of sweet peas; Mrs. Gervais, mother of the bridegroom, being gowned in brown lace fashioned in coat effect with a hat of chiffon velvet. She also wore a corsage bouquet of sweet peas and roses. A reception followed the ceremony at the residence of the bride's parents, 385 Bloomfield avenue, where the decorations were composed of gladioli, del-

phiniums and roses. Later Mr. and Mrs. Gervais left for Niagara Falls, Toronto, Buffalo and Rochester, N.Y., the latter traveling in a navy blue velvet coat trimmed with Japanese squirrel, worn over a dress of a similar shade with a felt hat, shoes and bag to match. They will reside in Montreal.

The marriage of Miss Irene Brassard, daughter of Mr. and Mrs. T. Brassard, of Outremont, to Mr. Maurice Guay, son of Mr. T. P. and the late Mrs. Guay, will take place on Saturday morning, October 3, at nine o'clock at St. Viateur Church, Outremont.

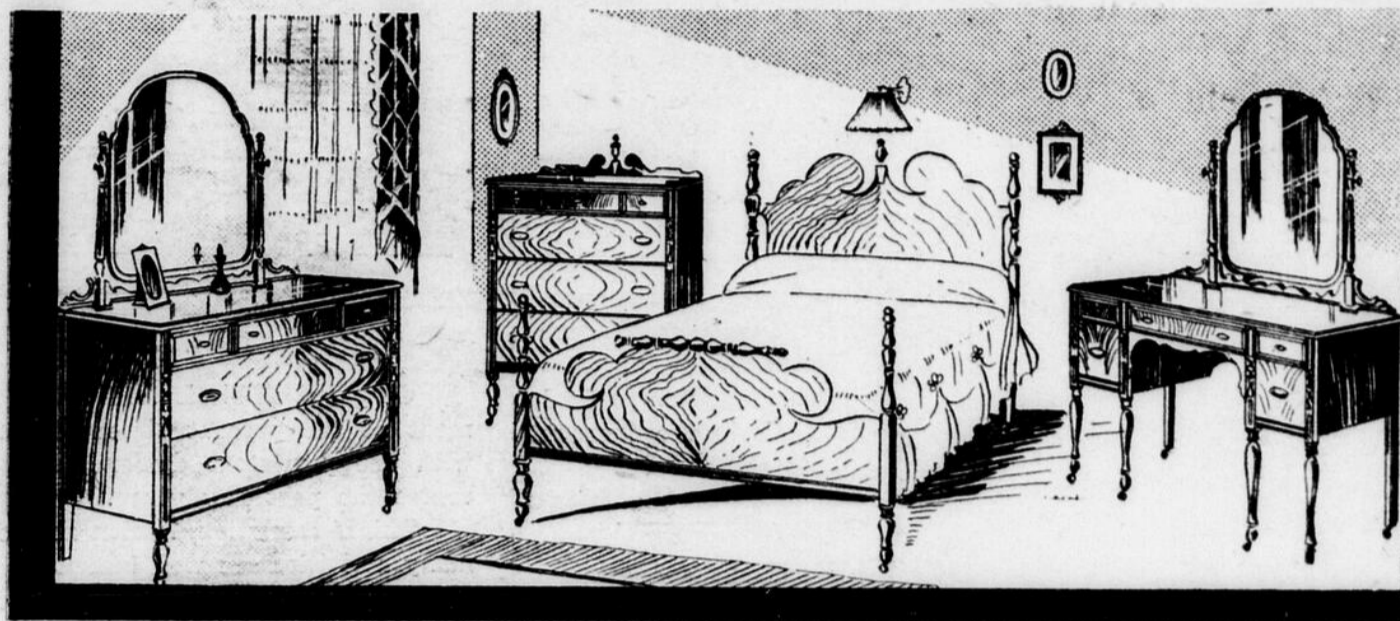

Mr. and Mrs. Duchastel de Montrouge, of Outremont, are leaving next week for Lucerne-Quebec, where the former will attend the meeting of the Good Roads Association. Miss Marguerite Duchastel de Montrouge, who has been the guest of Miss Patricia Wickham, at St. Gabriel de Brandon since the beginning

of the month, is returning home next week.

The marriage took place on Friday afternoon, September 11th in the Calvary Baptist Church, Outremont North, of Grace Norbury, only daughter of the late Herbert Hart and of Mrs. Hart of Montreal, to George McMillan Linton, B.A., son of Mr. and Mrs. John Linton of Hamilton, Ont., and newly appointed pastor of the church. The ceremony was performed by the Rev. Charles George Smith, of Temple Baptist Church.

The church was decorated with gladioli and ferns. Mrs. Isa Mitchell presided at the piano and accompanied Mrs. Norman Hynes who sang "O Promise Me." The bride, given in marriage by her brother, wore a gown of shell pink chiffon with hat and shoes to match, and carried a bouquet of pink roses. Following the ceremony a reception was held at the residence of the bride's mother, 5261 Waverley street. Later Mr. and Mrs. Linton left for the Laurentian Mountains.

Local Entry In Water-polo League

NORTH END Y.M.H.A. ARE REPRESENTED IN POLO ASSN. AGAIN THIS YEAR

Blues Train in Preparation for Competition—Will Meet M.A.A.A., Columbus and McGill—Many Favorites on Team.

The North-end will again be represented in the Canadian Amateur Aquatic Polo Association by the Y.M.H.A. Swimming Club. Because of their win in the junior series last year the "Y" Blues are compelled to move up into senior company. With but one year of experience they will have their work cut out to compete with the experienced M.A.A.A. Columbus and McGill squads. Under Coach Morrie Bruker, the entire squad of senior and junior candidates have been working out for the past three weeks. With the season but three weeks away, the Swimming Club executive are preparing a series of swimming events to run off in conjunction with the double-headers that compose the schedule of the C.A.P.A.

The Swimming Club, headed by Dr. J. Fineberg and having the following officers, I. M. Fleishman, vice-president; Oscar Halzberg, secretary; A. Sourkes, P. F. Stein and Maurice Sohmer committee-men, are in complete charge of the details of the year's program. At a recent meeting Oscar Holzberg was appointed manager of the senior squad and P. F. Stein will look after the destinies of the junior squad.

The home games of the north-end representatives will be played in the "Y" pool. Between games a series of races will be featured. It has been proposed that one such race be reserved for those residing in the north-

end of the city. If enough enquiries and entries are made, then this event will be definitely placed on the program each time races are offered at the Y.M.H.A.

The squad to date includes: A. D. Campbell, B. Silverman, L. Tucker, A. Kushner, B. Saibil, A. Ofshitzer, Butch Goodman, N. Cohen, H. Sloan, M. Sherback, D. Sherback, F. Aronovitch, A. Tafler, Seymour Fargeon, Max. Fargeon, Benny Seigil, Harry Smilovitch, Jackson Pepper, Irving Shapiro, Don Bourne, and Abe Sohmer. Practises are held each Monday and Thursday evening at 8:45 p.m. and on Saturday at 6.00 p.m. Spectators are permitted to watch the workouts.

Under the Honorary Presidency of Messrs. H. E. Herschorn and A. N. Silver, the "Y" aquatic representatives expect to go a long way in putting over their program. Read the "Examiner" for more information relative to the north-end senior representatives.

RANGERS BOW TO INVADERS

First Rugby Game is Well Attended

Invaders rugbyists prefixed their first season's activities with a 15-4 advantage over North End Rangers in a keenly played

BROTHER AND SISTER ACT ANNEXES CUP

Gerald and Annette Kahn received civic honors at the last Council meeting in Outremont, when they were presented with the city's trophies for winning the recent Querbés Tennis Tournament.

Alderman Ernest Pitt made the presentation in the presence of the Council and Mayor Joseph Beaubien.

Both recipients were praised for their work in the tournament by the aldermen.

NEW HEAD FOR Y.W.H.A. DEPT.

Bessie Kapusta, graduate of the McGill School of Physical Education of Montreal, has been appointed to the post of Athletic Director of the Young Women's Hebrew Association. She holds the Royal Life Saving Award and American Red Cross Senior Life Saving medals and has specialized in badminton and tennis. While at McGill, Miss Kapusta acted as manager of the McGill Basketball team.

Being a sportswoman herself, winning distinction in many athletic events and having had experience in "Y" work at the Sherbrooke Y.W.C.A. where she acted as assistant athletic and swimming director it is felt that she will feel at home in this work and make a success of this department in the Y.W.H.A.

All classes in the Athletic Department of the "Y" opened Monday. A tentative schedule has been arranged, and will include instruction in swimming, badminton and indoor tennis.

game last Sunday afternoon at the North avenue grounds.

Line-ups:
Invaders: Beaupre, Mercier, Dobbigan, A. Haynes, Boston, B. McCartan, Colvey, Dorais, Webster, Swift, Poirier, De Paul, Mulcair.

Rangers: Bonneville, Burgess, Towne, Wenger, R. McMullen, Boyne, Beaudry, Davis, Barry, Mirdock, MacNulty and J. McMullan.

BOB MURRAY IS COACHED BY CROCKER

It was learned this week at Stuart Courts, where both players figured prominently in the tournament, that Willard Crocker, the Davis star, will coach Bob Murray, junior provincial champion.

This young lad showed great promise in the opinion of Crocker, in Tuesday night's match, and the star decided to hold the reins for this young exponent to determine a more successful tennis career for him.

SPORT BRIEFS

By H. W. SYLVESTER

NEW LOCAL ASSOCIATION

Only one Athletic Association is known to exist in Outremont at the present time which is hardly adequate to cope with the persistent demands for a vastly improved sporting centre the past few years.

This Association, known as the Cercle d'Outremont, and its many activities are well inscribed in the pages of sporting development here, but now the time has come for additional provision for our growing athletes.

Almost a thousand sporting enthusiasts would hardly express the number of sporting minds here, and it would seem almost beyond reason to believe that the majority of these are in any way connected with the above Association. Firstly, because Cercle d'Outremont is so strongly associated with the school to which it is adjoined and that most of the members are or have been constant supporters for a number of years, that it is obvious the drive for membership could hardly extend to the great number that would be well qualified to enter this organization. And, too, lest we forget, every club has certain regulations governing new members, and perhaps a great many who would like to join would not be admitted for various reasons.

Let us presume that these reasons may be only the lack of facilities for additional members which today rings true in many associations of this kind.

The lack of proper athletic quarters here has become so pronounced lately that it would be indeed in the best interests of our worthy and generous Civic guardians to delve into this matter without further delay.

I know of no other City like Outremont that is better equipped with parks than it is for its size, but only one sporting centre really exists here—the North avenue grounds.

A better site than this could not be chosen for the centralization of all future sporting activities, and as soon as permanent quarters are established (similar to Trenholme Park) definite steps will have been taken towards the promotion of a great cause.

COACH FOR ST. RAPHAEL'S "SAINTS"

The big moment for St. Raphael's "Saints" hockey team has come with the timely arrival of Harry Nicholson as manager and coach for the coming season.

It is a sure thing that no mistake was made in appointing or rather requesting the services of this well-known sportsman. He has the fine qualities of being an all-round, at one time associating his endeavors with provincial championships in softball, baseball, hockey, not to mention many other phases of the sporting racket.

A no more efficient and mutually understanding promoter of his type could be available for the local team in their first ride out this season. Harry is very frank, too, for when he says you're no good, he means it. So there's no use beating about the bush for an easy time of it this year at St. Raphael's, for you'll probably find out sooner or later that your unfair relaxation may cause some annoyance. Better be on your toes when the time comes.

PROVINCIAL JUNIOR CHAMPIONS

Verdun Juniors are all flustered over their recent victory in the Junior Provincial Lacrosse Championship at Trenholme Park. Outremont was reported defaulted in the semi-final round because of their preference to play at Oka, and for this reason lost all chances of a trial for the coveted championship.

It does not seem fair that Outremont should be obliged to play on any other grounds than neutral, and for not doing so to be disqualified.

In the first place Outremont can claim equal right to challenge Verdun for the Provincial title, because of certain negligence of the President of the Lacrosse League in writing reports, thereby not giving official notice of the game at Verdun for the semi-final when an interruption in schedule occurred. No team in a league should be held responsible for an oversight on the part of a director and thus be disqualified.

Outremont has already beaten Verdun, and feel that considerable unfairness has been their reward in the above matter, perhaps due to certain favoritism and an uncontrolled mind on the part of someone.

BOB MURRAY IS COACHED BY CROCKER

It was learned this week at Stuart Courts, where both players figured prominently in the tournament, that Willard Crocker, the Davis star, will coach Bob Murray, junior provincial champion.

This young lad showed great promise in the opinion of Crocker, in Tuesday night's match, and the star decided to hold the reins for this young exponent to determine a more successful tennis career for him.

MANY CHANGES IN "Y" STAFF

C. J. McGerrigle Takes Over Boys' Division

Mr. George Porteous, who has given such splendid service as Secretary of the North Branch Boys' Division during the past four years has been transferred to the Secretaryship of the Young Men's and Business Men's Divisions. In co-operation with the Committees he will give strong leadership to all the activities of the men's groups.

In Mr. Porteous are happily combined the energy and enthusiasm of youth with the training and experience of ten years in college life and the Y.M.C.A. profession. His achievements as a rugby player, gymnasium leader, camp director, swimming instructor and Sunday School superintendent are of a high order.

Announcement of this appointment has been enthusiastically approved and it is confidently expected that the membership and program of the Men's sections of the "Y" will as a result be enlarged and enriched.

Mr. C. J. McGerrigle has been secured as the new Secretary of the Boys' Division and will give leadership to the entire program

MOUNT ROYAL COUNCIL MEET WEDNESDAY

Little more than the usual agenda occupied the Council in the Town of Mount Royal Wednesday night.

A number of contracts for the lighting system were awarded, and the Council disposed of numerous general items.

The type of light standard to be adopted for the Town received the hearty as well as agreeable commendation of the Council, since citizens had some choice in the matter.

Mayor Darling presided and all aldermen were present.

for boys 10 to 17 years of age.

Mr. McGerrigle is an Orms-town boy, a graduate of McGill University and the United Theological College. For two years he was on the teaching staff of Stanstead College and has had several years' experience in Community and Boys' Work in connection with other branches of the Montreal Y.M.C.A. He was a member of the McGill Hockey Team and is keenly interested in all sports.

The 500 boy members of North Branch and their parents are gratified to know that a man so eminently qualified has been engaged to take charge of the Boys' Division.

Y. W. H. A. DRIVE NOW UNDER WAY

Committee Formed to Con- duct Campaign for Members

A drive to increase the members of the Young Men's Hebrew Association is planned to take place from Tuesday next to October 10.

The campaign committee is under the chairmanship of Mrs. S. Bronfman, president and Mrs. P. Levy, vice-president. The associate division, which includes governors, sponsors, associate and contributing members, is captained by Mrs. Julius Block and Mrs. Harry Levinson, members of the board of the Y.W.H.A. The active division, including day members, seniors, intermediates, juniors and midgets, will be headed by Miss Libby Selinger, president of the senior interclub council and Miss Ann Deskin, board director.

The objective of the drive is 700 new members. The campaign will be inaugurated on Tuesday night, September 22, at 8.30 o'clock, when Clarence Michaels will be the speaker. Assisting captains are: Mrs. S. Wener, Miss Gertrude Wener, Mrs. H. Kaufman, Mrs. P. Abbey, Miss H.

RACHEL CHAIT MEDAL WINNER

Local Resident Gains Shakespeare English Award

Miss Rachel Chait, daughter of Mr. and Mrs. M. Chait, 5814 Durocher street, who graduated with her B.A. from McGill University in 1929, has been awarded the Shakespeare Gold Medal for the highest standing in English.

In June this year, Miss Chait received the degree of A.M. from Harvard University, where she was appointed a Fellow of Radcliffe College.

She was recently named a Fellow of the University of Toronto, where she will study this coming term.

Kellert, Miss M. Vineberg, Miss Z. Bronfman, Miss E. Berlind, Miss E. Hirsch, Mrs. Ralph Cummings, Miss Don Caplan, Miss Yetta Manis, Miss N. Schwartz, Mrs. I. Diner, Mrs. M. B. Weinstein, Miss Belle Kushner, Miss Dorothy Boyanner, Miss Rose Cohen, Miss Sarah Lakien.

Invaders Journey to Greenfield Park

Invaders Softball team will probably journey to Greenfield Park tomorrow to play Kings Own A. C., champions of Greenfield Softball League. If weather permits, it is expected the local team will be prepared for a good afternoon at softball; a part of their versatile qualities in sport.

The following are scheduled for the local ball team: F. Charbonneau, pitcher; J. Webster, catcher; B. Boston, first base; H. Haynes, second base; B. McCartan, third base; D. Blampied, right field; P. Marcel, centre; F. Poirier, left field; R. Durocher, short-stop; Dorais, sub centre.

ENZYMES STRONG AND BODIES!

BUILD HEALTHY

ENZYMES

These are essential substances, present in digestive juices and in certain foods, that turn the nourishing elements of food into forms that living cells can assimilate.

Without their aid, most living things would derive no nourishment from food.

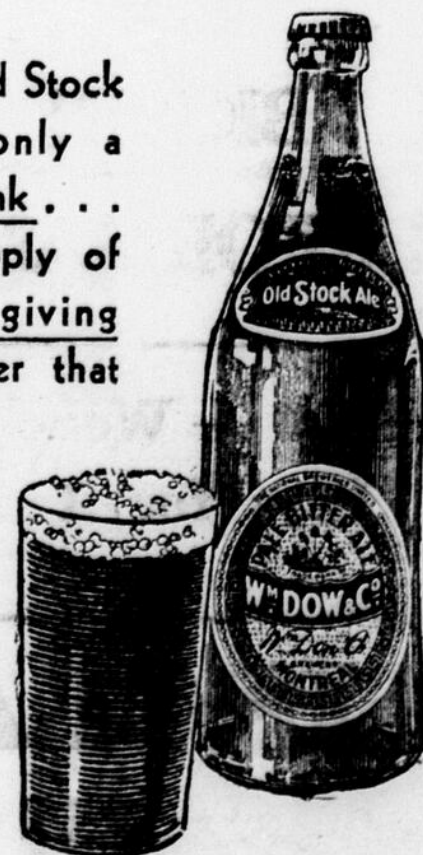

Their action is part of Nature's life process that supports all growth, development and maintenance of strength.

Malted barley, the foundation of the brew of DOW OLD STOCK ALE, is rich in ENZYMES, which turn the nourishing elements of the barley into forms that the human system can absorb.

The Dow brewing process makes it possible for the Enzymes to act fully and cause all the goodness of the malted barley to pass into Dow Old Stock Ale.

That's why, in Dow Old Stock Ale, you get not only a refreshing, mellow drink . . . but an additional supply of health and strength-giving qualities—small wonder that those who give heed to their health favor Dow Old Stock Ale!

**C. W. LESLIE IS
NELSON WINNER**

**Defeats Leo Boucher by
Score After Four
Sets**

Leo. Boucher, provincial inter-
mediate champion, was defeated
in the final of the Nelson Invita-
tion Tournament of last week,
by C. W. Leslie, Canadian inter-
collegiate champion by a score
of 3-6, 6-4, 6-3, 6-4.

After a little shakiness in the
first set, Leslie hit his stride
and won a fine victory before a
crowd of close to two thousand
who witnessed the game from
every vantage point.

Boucher, who has been playing
the best tennis of his career this
summer, made a fight of the
match all the way, and he all
but held his own in long base-
line duels with his accurate hit-
ting opponent. Leslie's back-
hand, probably his finest stroke,
helped him to victory in the
pinches, however, and after the first
set he carried the play all the
way.

In an exhibition match follow-
ing the singles final, Dr. Jack
Wright, Canadian champion, de-
feated his Davis Cup team-mate,
Marcel Rainville, 6-4, 6-2.

The final was umpired by C.
S. Bann.

Idleness wears out many men
and machinery, and also has a
sad tendency to age a last win-
ter's felt hat.
