PLACES IN THE NEIGHBORHOOD OF MONTREAL OUTSIDE CITY LIMITS.

LACHINE

A City on the St. Lawrence and on the Island of Montreal (Seignory of Montreal), county of Jacques-Cartier. It is the summer residence of many Montrealers and one of the most prosperous manufacturing centres of the Province of Quebec. Part of the Parish of Lachine has been annexed to the city. Its works are very numerous and thousands of men are employed yearly. The chief industries are: The Dominion Bridge Co., Limited, The Copper Products Co., Limited, The Canadian Linde Refrigerator Co., Limited, The Saxon Fruit Preserving Co., Limited, The Robert Lucas Glove Co., Incorporated, The Canadian Allis Chalmers Limited, Daly & Morin Limited, Asbestos Manufacturing Co., Limited, The Dominion Wire Rope Manufacturing Co., Limited, McLaurin Lumber Ltd, Steel Co. of Canada Limited, The National Breweries Limited, The General Railway Signal Co of Canada Ltd, The Hutchins Car Roofing Co Limited, The Lee Puncture Proof Tire Co of Canada Ltd and The Compo Co Limited.

In winter months it is greatly frequented by pleasure parties, while in summer, thousands of tourists pass through Lachine to run the Lachine Rapids, also cross the St Lawrence River on the ferry for Malone N. Y., Ogdensburg N. Y., etc.

Regattas and other sporting events take place every summer and are largely patronized by visitors. Lachine is now provided with up-to-date hospitals where surgical and ordinary cases are attended to by a skilful staff of surgeons and physicians. They are known as the Lachine General Hospital and St. Joseph Hospital. They are provided with automobile ambulances that attend all emergency cases. A handsome public market has been built at a cost of \$30,000.00 and is open daily from 5 a.m. to 9.30 p.m. It is provided with the most modern refrigerators and coolers, and all perishable articles are constantly kept on ice.

A public weigh house has been built for the accommodation of the traders. The leading citizens of the city have provided a Board of Trade where all important business matters are discussed. There are four banks, viz., la Banque Provinciale, la Banque Canadienne Nationale, the Bank of Montreal and the Royal Bank of Canada, all of which are doing good business.

The Canadian National Railways run several trains daily to Montreal. Montreal Tramways have also a line of electric cars running from the City of Montreal to the western limits of the City of Lachine, in forty minutes. Cars are running at ten-minute intervals from 6.20 a.m. to 8.20 a.m. and from 4.20 p.m. to 7.40 p.m., and twenty-minute intervals during day-time, and at night until one o'clock. The Montreal Tramways Company has entered lately into contract with the City of Lachine for putting an autobus service running at 10 minutes intervals for 18 hours a day, from Lachine to Montreal and vice-versa. The tariff charged by the Company for riding with the autobus, will

be absolutely the same as that charged for the tramways. The above Company has extended its line from Stonepoint to the western limits of the City of Lachine comprising a distance of one mile. The Lachine United Church has been rebuilt and enlarged. New granolithic sidewalks have been laid on mostly all streets, and tar has been laid on St. Joseph street, to prevent dust, and make the road bed as level as possible for automobiles. A ship canal connects the navigable waters of Montreal with Lake St. Louis. Trees have been planted on all avenues, so as to give shade to the residential districts.

The Great North Western Telegraph Co., have offices here. There are two post office branches, also the Bell Telephone Co. The City is lighted by electricity, and has a fire alarm system and a complete system of waterworks and drainage. There are, besides the convent, a first class commercial college, two Catholic academies and three Protestant academies.

Distant from Montreal City Hall, nine miles. Mail three times daily. The City of Lachine is inviting manufacturers to ask for all facilities and advantages offered by Lachine, Que. Population 15,600.

LA SALLE.

A town on the North Shore of the River St Lawrence, situated between Verdun and the City of Lachine, directly connected with Montreal West and Town of St Pierre, on the north, by the celebrated Lift Bridge at Lachine, the largest of its kind in the world.

Was but recently erected into a town by the Provincial Legislature, which granted it a charter in 1912. That part of the town located on the riverside is exclusively residential and is the home of many wealthy Montrealers. There are some beautiful farms which are all well cultivated. There are also several dairies which supply cream, milk and butter to the City. The northern boundary on the Lachine Canal is an ideal location for manufacturers, several large plants being now in operation.

The Federal Government has lately opened a branch of its Savings Bank. There are also a Post Office Branch; two Catholic churches, two Catholic schools and one Protestant school, telephone and telegraph communication with the City of Montreal.

The town of LaSalle is a beautiful summer resort and was formerly the Parish of Lachine. It has fine views of the Lake St. Louis, Lachine Rapids and the Nuns Island as well as Laprairie, Caughnawaga or the Indian Village and the Western part of the City of Montreal. The population is about 1200.

The Town Hall is located at No. 13 Strathyre av. Council meets on second Wednesday of each month. Fire and police departments are located at Town Hall. The C. P. R., N. Y. C. and Delaware & Hudson R. Co., supply service. "Highlands" being Railway name of town.

Town Council: Louis Chatelle, mayor. Aldermen: Edmond Dumas, Albert Boivin, J. H. Dixon, Frederic Lafleur, sen., F. X. Belanger, L. A. Vachon. Recorder & Legal Adviser: A. S. Pelletier. Town Clerk: Stanislas Lefebvre. Chief of Police and Roadmaster: W. Larente. J. Rene Roy, town eng.

MONTREAL WEST

(Incorporated as a Town, 1897).

This beautiful suburb is so easy of access that it is in great favor for residential building. Trains connect with the City at almost all hours both by the Canadian Pacific and Canadian National Rys. while the Upper Lachine and Sherbrooke Boulevard roads afford delightful drives. The Montreal Tramways Co cuts through the lower part of the Town affording a 20 minutes' service with the city, and also enters the Town by the Sherbrooke Boulevard with a 5 minute service. There is also a frequent motor bus service between Montreal West and Lachine operated by the Montreal Tramways Company. It has three churches: Church of England, Presbyterian and United, two schools—High and Public—and a Post Office. Postal delivery twice a day. There are drains, water, electric light and Bell Telephone. Population 2574.

CORPORATION OF MONTREAL WEST

Commissioners—Harry Aird, H. H. Black, E. B. Luke, George E. Templeman.
BOARD OF SCHOOL COMMISSIONERS
 (MUNICIPALITY OF COTEAU ST. PIERRE)

Chairman—H. E. Reilley.

Sec-treas—H. E. Brown.
 For names of residents and side of the streets, see Montreal Street and a Phab-tical Directory.

TOWN OF MOUNT ROYAL

THE MODEL CITY

Ten minutes from the heart of Montreal via the electrically-operated Tunnel of the Canadian National Railways.

Lying on the northwest slope of Mount Royal and adjoining the cities of Montreal and Outremont

The Town is conveniently reached by automobile from Outremont by following the Cote St Catherine road to Rockland avenue, crossing the Canadian Pacific Railway tracks. The Town of Mount Royal's territory commences at this point. To the westward it can be reached by the Cote des Neiges rd which is the continuation of Guy street.

Tramways—The Cartierville Branch of Montreal Tramways crosses directly through the Town. An hourly motorbus service to Mount Royal connects with the Bleury street car at the corner of Park av and Atlantic av., Montreal.

Water Supply—Water consumed in the Town of Mount Royal is supplied by the Montreal Water & Power Company and is metered to the residents at twenty-five cents per 1000 gallons.

Sewers—All streets in the developed portion are laid with the most modern domestic sewage system.

Streets—All streets are at least sixty-six feet wide, and the main boulevards, Graham Road and Laird Avenue, are eighty feet wide. The main thoroughfares are concrete and tarvia macadam. Special attention is given to the roads in the winter months, so that at all times they are kept open and free from snow by the most modern caterpillar tractor equipment.

Building Restrictions—All residences are placed 15 feet back from the street line and must be either detached or semi-detached, must be well built on stone or concrete foundation with substantial walls. All residences constructed to date are roofed with slate and are of high-grade construction. No stores or flats are permitted in the residential section, but arrangements are made to take care of these on the main arteries of the Town. Outside stairs are not permitted.

Education—For Protestant and Catholic School purposes the territory of the Town of Mount Royal has been erected into a separate school district. The School Commissioners have built one unit of a fireproof two-story and basement school, built of brick and reinforced concrete. The classes are conducted by teachers of high scholastic degree. The Catholic education is taken care of by a new Catholic School.

Police—The Town is well policed by an efficient and experienced police department, assisted by a motorcycle patrol.

Taxes—The taxes are lower than in other well-developed adjacent municipalities.

Recreation—Ample parks and playgrounds have been provided and there are tennis courts and a bowling green. As a healthful, convenient residential district of easy access by either motor or by the especially quick service of the Tunnel, the Town of Mount Royal offers unusual inducements to those who wish to live in a quiet, well-planned and well-managed residential section where their investments are safeguarded by the best of restrictions and surroundings. Population 1,285.

OUTREMONT

(Incorporated in 1876.)

A city situated near the west end of Mount Royal Park, forming part of the parish of Montreal, county of Hochelaga. It is bounded on the East and North by Laurier Ward, on the West by Notre Dame de Grace ward, and on the South by Mount Royal Ward. Two routes of electric car service are provided by the Montreal Tramways Co. (Laurier Av., St Catherine Rd. and Bellingham Rd. for southern section; Bernard Av., Outremont Av. and Van Horne Av for northern section). A five minute service is provided on each route. Electric cars going around the mountain to St. Laurent, and Cartierville, pass through the city. The city contains five very fine schools, two Catholic (Querbes Academy and Lajoie School) three Protestant (Strathcona Academy, Alf Joyce and Guy Drummond Public Schools) and three large convents, a City Hall and the Outremont Curling, Tennis and Bowling Clubs. A municipal plant lights the city with electricity. It has an ample water supply a thorough system of drainage, and an efficient police and fire brigade is maintained for the protection of the city. Building operations have been carried on extensively during the past years. Easy of access from the city, no finer suburb can be found. Distant from Montreal, two miles. Population 21,000.

ST. LAMBERT.

A city on the south shore of the St Lawrence directly opposite Montreal, two miles from the centre of the city, in the county of Chambly, district of Montreal, with a population of 6,000 and growing rapidly. It is an important railway centre, with an electric railway to Montreal, operated by the Montreal & Southern Counties Railway Co., making 50 trips each way; fare single, 20c; return 30c; ten trips \$1.00, 50 trips, \$3.50. There is also an excellent train service by the Canadian National Railways with over twenty-five trains each way daily. The Victoria Jubilee Railway Bridge with driveway for vehicles spans the St. Lawrence here, and all trains to and from the City stop at the railway station. Several lines of railway run here, viz: Can National for points South, East and West; Central Vermont for New York and Boston; Rutland Railroad for New York; Quebec, Montreal & Southern Railway for Sorel; and the Montreal Southern Counties Electric Railway. Distance to Longueuil, the county seat, three miles; communication by elect-

ric railway. There are five churches, United, Episcopal, Roman Catholic, Presbyterian and Baptist, with resident ministers and cure. There is a High School with two additional elementary schools conducted by the Protestant School Commissioners affiliated with McGill University with a staff of twenty-one teachers, including several University graduates. The Roman Catholic Commissioners' school for girls and convent are conducted by the sisters of the Holy names of Jesus and Mary with a competent staff of fifteen teachers, and St Michael's Academy for boys with a staff of sixteen teachers of the Clercs de St. Viateur. The Academy was erected at a cost of over \$80,000 and the girls' school at a cost of \$67,000, both having the very latest equipment. There is excellent boating on the river, and the St Lambert Boat Club is recognized as one of the best clubs in the vicinity of Montreal and in addition to boating there is a large assembly hall for entertainments, also a six rink bowling green and tennis courts for use of members which are the centre of social activity. The well known Country Club Golf Links adjoin St. Lambert. The residents are mostly employed in the City of Montreal and select it for a suburban home from its favorable situation and excellent means of communication at all seasons with Montreal. A walk along the river bank gives the City a fine promenade of over 3,000 feet in length from which the view of Montreal, lighted at night by thousands of electric lights, is magnificent. A bathing beach with an instructor and dressing booths is provided during summer months. St. Lambert is an up to date residential City and is being rapidly built up, and is already a very important suburban point. The City owns an efficient system of water, drainage and electric light. There is also fire and police protection. Mail delivery twice daily. The G.N.W. Tel. Co. has an office and the Bell Telephone Co have an Exchange.
