MOLOTOV DEALS BLOW TO UN OPTIMISM

Peron Spikes Rumor Of Waning Authority; Saluted By Lucero

Buenos Aires — (AP) — Backed by new pledges of military and political support, President Juan Peron today pushed a dual campaign against those who tried to overthrow him in last week's bloody revolt and persons spreading rumors of upsets still to come.

To counter one persistent rumor that army Minister Franklin Lucero has supplanted Peron as Argentina's strong man, a government spokesman predicted Wednesday night that the president soon would end Lucero's special post-revolt powers as temporary chieftain of all armed services.

Lucero himself, in a broadcast, saluted Peron as "the president of the nation and commander-in-chief of all the armed forces." The general called on

the troops to "obey loyally and permanently the mandate of the sovereign people."

Statements pledging loyalty to Peron were issued yesterday by the 6,000,000-member General Labor Confederation, the president's chief political bulwark, and by both the men's and women's Peronista parties.

The roundup of "rumor-mongers" followed repeated statements by Lucero that numerous false reports were circulating and should be ignored. Federal police said 14 persons were arrested for spreading untruths in Buenos Aires province, which surrounds the capital city but does not include it.

The pro-government newspaper La Epoca reports at least six arrests in the capital—one of them turned over to police by a taxi driver and another by a barber.

The supreme war council, meanwhile, today continued daily sessions in judgment of those arrested for complicity in the revolt.

There has been no announcement so far of how many persons have been found guilty of participating in the plot, or what punishments will be allotted.

Police yesterday arrested four American correspondents who were taking pictures of a church burned after last week's revolt, but released them after two hours. The Americans said they were treated courteously but that the police seized three rolls of film.

Guerillas Bomb Again In Cyprus

Nicosia, Cyprus — (Reuters) — Britain's Middle East command headquarters was protected by a heavy barbed-wire barricade today after the third consecutive night of bombings by anti-British Cypriot guerrillas.

Terrorists tossed nine more bombs, all of them in attempts to kill British officers. Two soldiers were injured, one of them seriously.

Underground commando teams have exploded 30 bombs this week in carefully organized raids through Cyprus. The attacks, concentrated on British military personnel, evidently have been masterminded by a secret Cypriot organization which vows to drive the British out of this Mediterranean island colony and join it to Greece.

This morning Nicosia's Wolsley barracks, headquarters of Britain's Middle East land forces, was completely surrounded by thick barbed-wire barriers. A heavy guard patrolled outside.

CIL Picket Lines Open At Beloeil

Beloeil, Que. — (AP) — Supervisory and office employees were allowed to cross picket lines and enter the strike-bound Canadian Industries Limited plant here Wednesday for the first time since the walkout began Monday. The development follows a Quebec Superior Court order directing that picketing be carried out in a "legal manner."

Rambling Raft Set Adrift Today On Atlantic Cruise

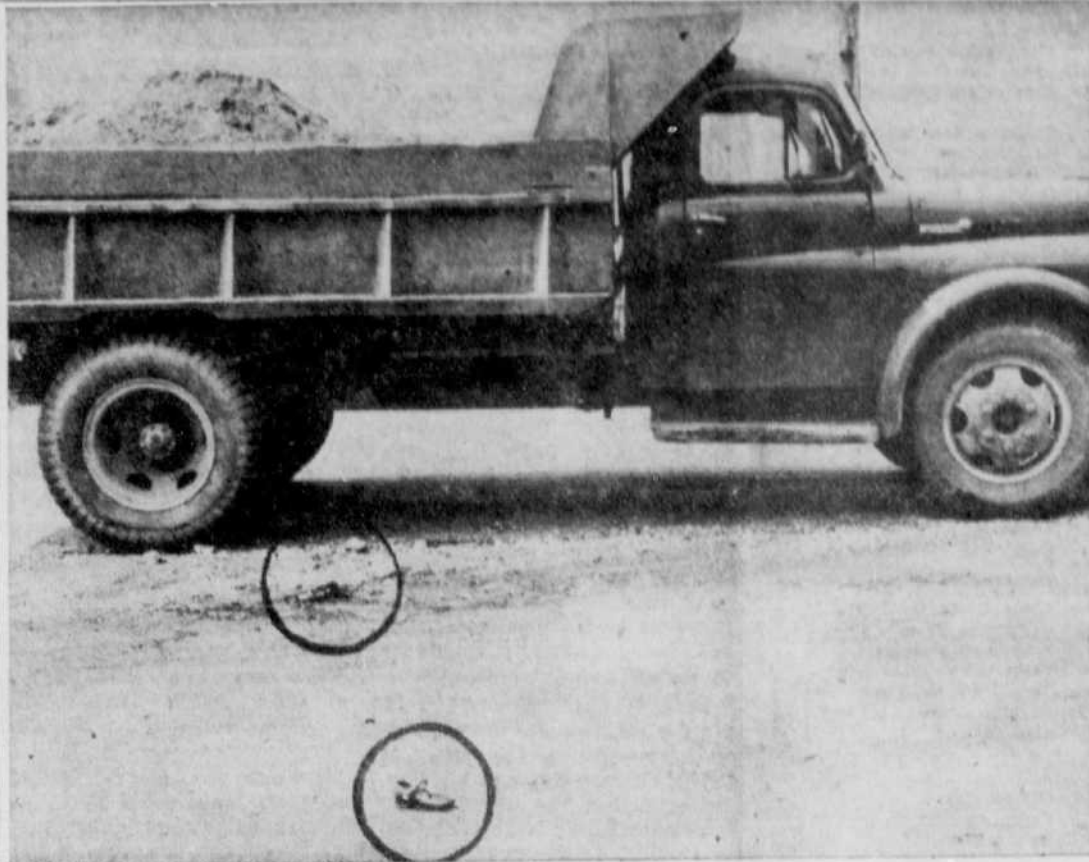

Quebec — (AP) — Four adventurers, carrying a box of pills against seasickness and medals of St. Christopher, the patron saint of travellers, were scheduled to leave today on a home-made raft for a planned trip across the North Atlantic.

The raft was to be towed by tug at least as far as the northern tip of the Island of Orleans, 25 miles down the St. Lawrence river from Quebec City.

Then the adventurers, led by skipper Henri Beaudout, 28, plan to hoist their 18-foot sail to carry them to the gulf of St. Lawrence and into the Atlantic.

The travellers, who built their 26-by-14-foot raft in Montreal, have swapped some of their bulkier foodstuffs to make a lighter load. Perishables were donated to a Roman Catholic church.

Beaudout optimistically predicted they have a "99 per cent"

Grim Evidence — Two small shoes remain as grim evidence after little three-year-old Bonnie Martin was struck and killed by this gravel truck near the Caen-Bowen Sts. intersection late this morning. The child, daughter of Mr. and Mrs. Donald Martin, 782 Caen St., was instantly killed while she and two other children were crossing Bowen St.

Three - Year - Old Child Dies Beneath Wheels Of Truck

Sudden death beneath the churning wheels of a heavy truck broke up this happy group late this morning, when little three-year-old Bonnie Martin, seated on the left, was instantly killed while playing on Bowen St. N. a few yards from her Caen St. home. In the middle of the group is Bonnie's oldest sister, Donna, 13, holding Bonnie's youngest sister, Brenda, 1. In the background is seven-year-old Steven Whatley who this morning watched helplessly when Bonnie darted out into the street to her death.

Call Off Search For Lost Merchant

Amos, Que. — (AP) — Provincial police have called off the search for a missing 45-year-old merchant amid wild rumors that the man was murdered.

Joseph Desrosiers of Amos has been missing since June 5 when he went alone into the bush 12 miles north of this northwestern Quebec centre on a trout-fishing expedition.

Lieut. Paul Coulombe of the provincial police discounted rumors surrounding Desrosiers' death and said there is no evidence to support a murder theory. Desrosiers now has been given up for dead.

100 Forest Fires Are Under Control

Quebec — (AP) — Nearly 100 small fires are burning in Quebec forests but all are under control, Henri Keiffer, chief of the provincial forest protection service, said last night. Light rain has fallen over most of the northern areas where the fires are, reducing the hazard to "between high and moderate," he said.

Deny Charge By Bandit Of Cruelty

Quebec — CP — Three provincial police officers and a hotelkeeper have contradicted the claims of Leo Cyr, 28-year-old Montrealer charged with armed robbery, that he was mistreated by police after his arrest.

The four testified yesterday at a court hearing of a request by Cyr for permission to change his plea to not guilty on grounds that his original plea was made after he had been threatened by police.

Cyr said he was beaten and starved for the first 24 hours he was in custody and that police told him to plead guilty to the armed robbery count or face a charge of attempted murder.

Two provincial policemen, Maurice Berube and Georges Joly, denied they beat Cyr after he was captured in bush country near St. Raymond de Portneuf, 40 miles west of Quebec City. They said they gave him food, water and cigarettes.

A third policeman, Gerard Cochrane, testified the only time he touched Cyr was to raise his head when he slumped in his chair refusing to answer questions.

Old Issues Becloud Peace Bid

San Francisco — (AP) — V. M. Molotov has put before the United Nations a far-reaching Russian bid for "peaceful co-existence" to end the cold war. He left the next move to the Western powers.

The Soviet foreign minister yesterday told the 10th-anniversary meeting of the UN that "we should pass from words to deeds and embark upon such steps as would lead to the establishment of the necessary trust among nations."

To the applause of delegates of 59 other countries and hundreds of San Franciscans, Molotov pledged the Soviet Union's support to the UN in its continuing efforts to cement peace and restore international trust.

As a step on that road, he urged the UN to consider calling a world economic conference to facilitate development of international trade.

Molotov's program embraced many of the major points Moscow has fought for in vain for the last 10 years. Here are some of the moves he said should be made:

1. Red China must be seated in the UN without "further procrastination" and the island of Formosa must be "returned" to the Chinese Communist authorities on the mainland.
2. Settlement of the problem of atomic weapons, renunciation of the use of atomic and hydrogen weapons, and outlawing of these weapons completely. This was part of the peace package proposed by the Soviet Union at the London session of a five-power disarmament subcommittee May 10 and now under Western scrutiny.
3. Inclusion of representatives of Red China in future discussions on the problem of reducing armaments, prohibition of atomic weapons and the "removal of the threat of a new war."
4. Agreement among the great powers to dismantle bases in foreign territories.
5. Agreement among the Soviet Union, the United States, Britain and France on withdrawal of their forces from Germany, with the exception of small contingents to be temporarily left behind, and strict limitation of local police forces in both parts of Germany.
6. Development of the peaceful uses of atomic energy and large-scale industrial, scientific and technical assistance to countries technically backward. However, Russia has not yet accepted President Eisenhower's program for using atoms for peace, laid before the UN assembly on Dec. 8, 1953.

Raise Submerged Submarine With Dead Canadian

Portland, England — AP — The sunken submarine Sidon with the bodies of 13 of its crew including one Canadian was brought to the surface today and made fast to the mother ship Maidstone.

The Canadian victim was Petty Officer Laverne D. McLeod of Dartmouth, N. S., and Stratford Ont., a Canadian sailor or serving as a volunteer trainee aboard the submarine.

Floodlights from half-a-dozen Royal Navy salvage ships glared on the oily harbor waters as the Sidon's periscope and then its bridge structure broke the surface under the pull of four "camels" giant buoyancy cylinders. By dawn the whole ship was visible.

The Sidon sank seven days ago after a practice torpedo exploded.

Navy men said they plan to beach her at Weymouth roughly a mile away and take off the dead.

"Old Broken Record" Is Label Attached To Russian's Speech

San Francisco — (AP) — Western diplomats said privately today that Russia's Foreign Minister Molotov may have dealt an unintentional blow to his own peace offensive by raising anew all the major cold war issues.

Some small countries were plainly disappointed, but one Western diplomat expressed the belief that the United Nations' anniversary meeting needed something like Molotov's speech to jolt it back to reality.

Of the 30 delegates who have addressed the meetings, most had voiced optimism that the end of the cold war might be in sight at last. While all agreed that tension certainly had diminished, a few Western leaders felt that some were hoping for too much.

As the session opened its fourth day, there still was little public comment on the Soviet foreign minister's speech.

It was almost certain Molotov would get a blast from Nationalist China's Foreign Minister George Yeh on his demands that Red China be seated in the UN and that Formosa be handed over to the Peiping regime. Yeh was to speak late in the day.

Among the first to comment last night was Belgian Foreign Minister Paul-Henri Spaak, who said: "The entire tone was conciliatory and the speech is certainly worthy of the West's attention."

Others said privately, however, that they felt Molotov would have been much more effective if he had stuck to his peace bid and omitted any reference to controversial issues, such as blaming the West for the cold war.

Brig. Gen. Carlos P. Romulo of the Philippines said Molotov's speech was "the same old broken record." He thought Molotov had violated the rules of the anniversary session by raising controversial questions and criticizing other countries.

State Secretary Dulles of the United States said: "I will save my reactions to Mr. Molotov's speech for my own talk on Friday."

Bulganin, Nehru Play Same Moscow Tune

Moscow — (AP) — The premiers of Russia and India came out jointly today for a ban on nuclear weapons, a United Nations seat for Communist China and the surrender of Formosa to the Chinese Reds.

The declaration, signed by India's Prime Minister Nehru and Soviet Premier Bulganin, was published this morning at the end of Nehru's 17-day visit to the Soviet Union.

The statement contained little that the two men or their governments had not said before. But it was the first time they had said it together.

Nehru and Bulganin called also for a "simultaneous and substantial reduction of conventional armaments" with "effective international control." They cited the recent Soviet disarmament proposals as a "substantial contribution to peace."

The document was published less than three hours before Nehru boarded a plane for Warsaw to spend three days before pushing on to Belgrade, Vienna, Rome and London.

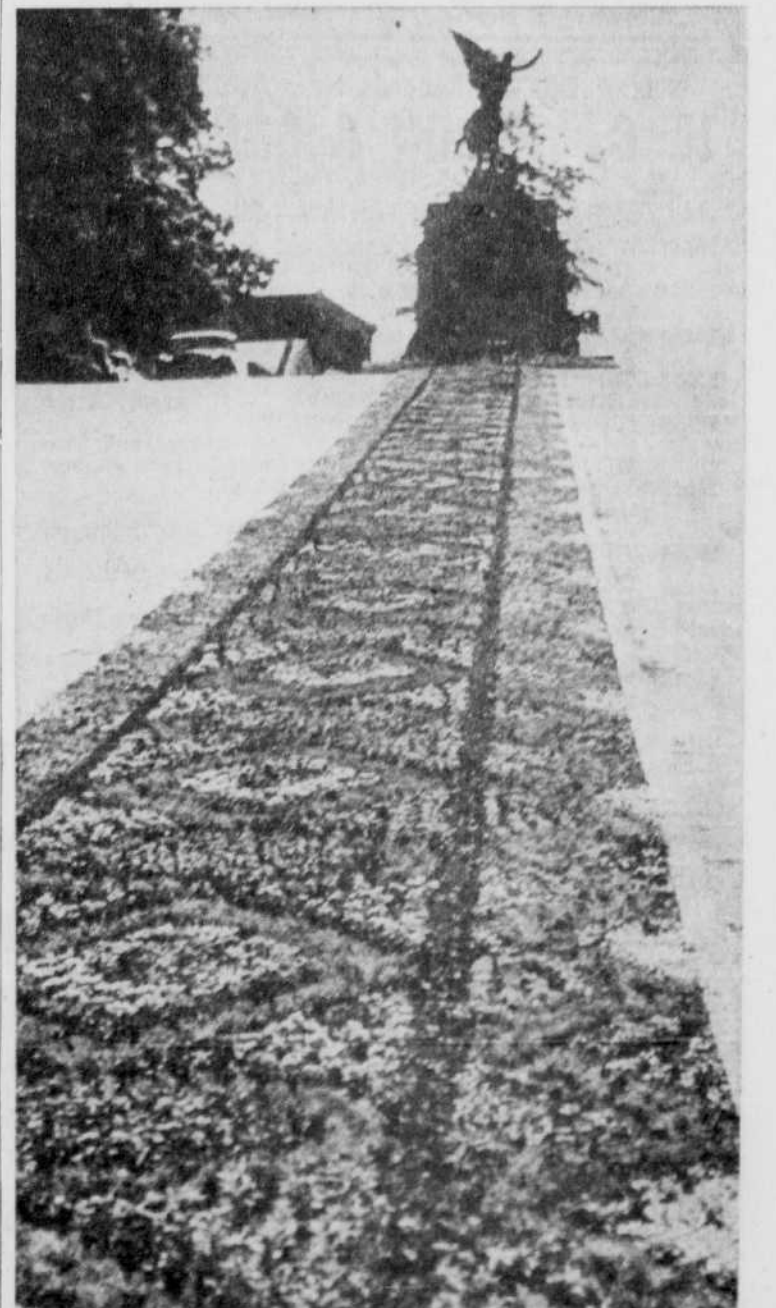

The crowds which lined the streets this morning to see Nehru off numbered far less than the estimated 1,000,000 who turned out for his arrival in the Soviet capital.

In addition to championing Red China's cause and echoing Russia's disarmament ideas, the declaration:

1. Reaffirmed the five principles of international co-existence that Nehru drew up with Red China's Premier Chou En-lai at their conference last year and which President Tito of Yugoslavia later espoused.

2. Urged full implementation of the Indochina armistice provisions calling for elections to unify North and South Viet Nam in July, 1956.

Boulevard Beauty — Sherbrooke's latest decoration will hit tourists pleasantly in the eye this summer. In past years we have had everything from crosses to flowers. This year there are millions of little plants with green, red, yellow and blue leaves making this colorful and attractive array on King hill.

OUT OUR WAY

OBITUARIES

JOHN GUY, CRAWFORDVILLE.
Crawfordville—This community lost one of its old-timers in the person of John Guy, who passed away at his home on May 27, at the age of 92 years and seven months. Mr. Guy had been in failing health for some time and had been confined to his bed, being devotedly cared for by his son and daughter.

Born in Thetford Mines October 28, 1862, he was the last surviving member of the family of the late James Guy and his wife, Agnes McKee. The deceased was married to Annie Murray, of Robertsonville, on January 26, 1904. Of this union were born three children, the eldest, Lillian May, passing away after a long illness at the age of 21. One son, Elmore James, and a daughter, Bessie Agnes, survive him. His wife passed away on November 3, 1945.

Mr. Guy was one of the pioneers who helped turn forests into fertile fields, and often spoke of the hard work and of cutting and burning the large trees to clear the land and how valuable this timber would have been in later years. He possessed a remarkable memory which was clear almost to the end.

As he attained young manhood he left Thetford Mines and in 1883 bought a farm on the second range of Leeds which he still owned at the time of his death. In 1907 he bought the Fraser farm on the third range of Leeds where he resided until he passed away. There, except for several short periods spent in Vermont when a young man, all his long life was lived in Megantic County.

Surviving are his son, Elmore James Guy, and daughter, Bessie Agnes Guy; three sisters-in-law, Mrs. Katie Jamieson, of Lennoxville, Mrs. Nellie Guy, of Kinnear's Mills, and Mrs. May Arnold, of Burbank, Calif.; one brother-in-law, Mr. Andrew Nugent, of Maple Hill, and a number of nephews and nieces.

He was predeceased by his wife and daughter, Lillian May, also a sister, Kate, Mrs. Nelson Harris, and three brothers, Alex, Tom and James.

The funeral cortege proceeded from his late home to Kinnear's Mills, where the funeral service was held in Candlish United Church, conducted by Rev. T. W. Tyson. Mrs. Lewis Eager presided at the organ during the singing of the hymns, "Abide with Me," "The Lord Is My Shepherd," and "Unto the Hills." Interment was in the adjoining cemetery.

The bearers were Andrew Nugent, Edgar Nugent, Murray Nugent, Wesley Robinson, Alvin Guy, Mr. and Mrs. Wesley Robinson, Mr. and Mrs. Edmund Morrison, Mr. and Mrs. Hugh Wallace, Mr. Ronald Nugent and Mr. and Mrs. Harold Worster, of Lennoxville; Mr. Reed Carroll and Mr.

UPPER MELBOURNE—

Miss I. Stringer Speaks To W.M.S.

Upper Melbourne—An open meeting of the Women's Missionary Society was held in St. Andrews Kirk Hall, Upper Melbourne, with the Danville and Asbestos Auxiliary attending.

Mrs. Jacques Smith, vice-president conducted the meeting. Miss J. Farquhar read the lesson and Mrs. Frazer Converse led in prayer. The offering was received and Mr. Hugh Nugent gave the offertory prayer.

Mr. Charles Townsley sang a hymn. Mrs. Smith welcomed those present and introduced the guest speaker, Miss Irene Stringer, Missionary in India for over twenty-seven years.

Miss Stringer is an educationalist and her work has been to prepare India workers to teach in the Christian Primary Schools. The speaker gave a word picture of conditions in India and the growing hostility of the government to "Westerners." She closed her talk with an appeal for Prayer on the part of all Christian believers.

Miss C. Morrison, thanked the speaker, and also the St. Andrews Auxiliary for their invitation.

The meeting closed with the singing of a hymn and Rev. J. A. Smith pronounced the benediction. A social hour was enjoyed.

Bruck Mills Tour

Over 30 girls from the Glengarry District High School, of Alexandria, Ont., were yesterday shown through the local plant of the Bruck Mills Ltd. On a six-day tour, the girls will visit different towns and institutions of the Province of Quebec, under the supervision of Miss T. Barrette, of their school. Above, G. Dufour, of Bruck Mills, is pointing out a machine to one group of girls in the weaving room, while Miss Barrette, second from left, looks on. The second group was led through the plant by G. Duggell, also of the Bruck. (Record Photo by Gerry Lemay)

Optimists Club At Lennoxville Planning Dance

Plans for holding of a Dominion Day Dance were completed at the regular meeting of the Lennoxville Optimist Club held at Elmwood Hotel under the presidency of Joe Gilbert, at which 31 members were present.

The dance, to be held at Nick Dean's barn, will conclude an active day of celebration in Lennoxville, which will comprise a parade and sports program during the day and a fireworks display in the evening. The Optimists also decided to enter a float in the parade.

Several members also indicated their intention of attending the annual convention of Optimists International being held in Montreal next week.

A vote of thanks was extended to Bolduc Manufacturing Co., McFadden Hardware and the Lennoxville and Ascot Home and School Association for material and equipment donated for the preparation of the Little League baseball diamond.

Asbestos — (Special) — The decision of the Asbestos Town Council to dismiss Albert Bell from his post as police chief of this mining centre has resulted in Bell entering an action for \$10,000 damages against Captain Joseph Dionne, also of the local police department.

In the complaint, which will be served on Captain Dionne today, Bell charges that he suffered damage to his reputation as a result of statements made by Dionne during the course of a Council investigation into the affairs of the police department held on March 29.

The inquiry resulted in a decision of the Council to dismiss Bell, the sole dissenter being Ald. Conrad Charland, chairman of the police committee. At the time he was relieved of his duties, April 29, Bell was given three months in which to find another position.

When informed of his dismissal from the post he held for the past 10 years, Bell said the action was taken as a result of personal grudges on the part of some aldermen and that he had been refused permission to appear before the inquiry and give his answer to the charges laid against him.

Bell, who has had 21 years experience in police work, had been in charge of the Asbestos force since April 2, 1945. Prior to that he served in Sherbrooke under Chiefs H. O. Camirand, Arthur Maranda and W. P. Donahue. He also worked for the Canada Paper Company at Windsor Mills as security officer and was a special investigator for the R.C.A.F. during World War II.

Bury Bovine Gives Birth To Triplets

Bessie, a Bury cow, is the proud mother of triplets.

A plump Red Durham, Bessie got mixed up with one of the Hereford boys a few months back and is now in disgrace with the rest of the Durham family.

She doesn't really care though as it isn't very often cows have triplets. In fact Bury farmers can only recall having heard of such an event in this district once before. As far as they know Bessie is a phenomenon.

She is owned by a Bury farmer, Sylvio Lapointe, who seems to be just as pleased about the blessed event as Bessie herself. The three calves arrived last Monday morning and are just beginning to wobble around on their four-day-old legs.

The Durham family came to Canada from Durham, England and first were a dairy cattle and good milkers. Now, however, they are bred largely for meat production.

Plymouth Group Planning Picnic

Plans for the annual picnic of the Double or Nothing Club of Plymouth United Church are complete and weather permitting, it would appear that this one will be as big a success as last year. The picnic will be held at the cottage of Mr. and Mrs. Nelson Lothrop, Shore Acres, on Saturday. A buffet lunch will be served at 1:00 P. M. after which games, swimming, races etc. will be enjoyed. Members are asked to bring a card table and chairs if desired.

The picnic committee has spent considerable time arranging the picnic, therefore, it is hoped that all members will be present. Prospective new members also are cordially invited.

Camp Opportunity Offered Twelve Crippled Children

Twelve needy crippled children are in for a treat from Sherbrooke Kiwanians this summer.

It's not a competition, and no skill is involved in this treat which consists of a seven weeks' vacation at the Ayer's Cliff Crippled Children's Camp.

The camp, which is sponsored by the School for Crippled Children in Montreal, includes a new 12-room hut which was built by the local Kiwanis Club last year at a cost of \$3,000.

The camp not only provides a sunny holiday for the boys and girls, it also provides the individual attention of a doctor, nurse, and physio-therapist for each child. Results in the past have shown tremendous improvements in most children.

At the moment Kiwanians are looking for children that are the most handicapped and whose parents are not in a position to give them the opportunity of such a

Local Youngster Seriously Hurt By Automobile

Six-year-old Michael Prevost, who heads the list of accident victims in the city and district yesterday, is still in serious condition at Hotel Dieu Hospital today.

He was hit by a car yesterday afternoon as he ran across Wellington South and received a bad head injury, resulting in concussion, and deep cuts to his forehead and face.

Michael was crossing Wellington near Short St. when he was hit by a car heading south. The child is the son of Mr. and Mrs. Charles Prevost, 231 Alexander St.

Real Vachon, 13, of 372 9th Ave., suffered similar injuries when he fell off his bicycle and landed on his head. He was taken to Hotel Dieu yesterday morning and hospital authorities report his condition as improved today. He is the son of Mr. and Mrs. Eugene Vachon.

A Bury man, Alfred Lizotte, 59, was brought into Hotel Dieu Hospital yesterday morning with a badly cut hand and fingers. Lizotte, who is a woodcutter, was working in the woods near his home when he accidentally sliced his hand and fingers.

E. T. Painting Wins Honors In National Event

The winning entry in the painting section of the Quebec Tweedsmuir Competition was placed second in the National Competition. This was an oil painting, "Spring in Bolton Pass," by Mrs. J. B. Hamilton, South Bolton Women's Institute.

Mrs. G. V. McBride, Port Arthur, Ont., won first place.

The contest was keen and the Q.W.I. is proud to have the second place entry in competition with all other provinces.

The awards in all three sections of this biennial competition, named after Lady Tweedsmuir, who inaugurated it in 1945, were announced at the biennial board meeting of the Federated Women's Institutes of Canada, which closed last week in Winnipeg. The Homemakers' Club, Pense, Sask., won double honours, taking top place in the other two sections, village history and handicrafts. Runners-up in these were, handicrafts, Churchill W. I., N. S., and village history tied between Blue Lake, Auburn and Thamesford.

Finishing Touches Applied

Two busy painters are shown above putting the finishing touches to the ceiling with the last of the 250 gallons of paint used to decorate the huge Steinberg's supermarket opening on Frontenac St. at the end of Wellington South on July 7. (Record Photo by Gerry Lemay)

The construction of any building always requires a prodigious amount of men and materials. But for sheer weight of numbers, the new Steinberg's supermarket on Frontenac Street at the end of Wellington Street, compels something like awe, particularly when it is kept in mind that it is only a two-storey structure, and not a full-fledged building.

The reinforced concrete and steel structure required a total of 4,459 tons of poured concrete, including 1,008 tons of heavy concrete for the caisson "legs," 2,451 tons for the building itself, and 900 tons for floor fill, reinforced with 650 tons of steel. Eighty tons of structural steel were used.

The huge floor of the supermarket proper is 11,083 square feet in area, and is lined with 5,040 feet of shelves. Over 900 fluorescent tubes are required to light this large space, and over 250 gallons of paint have been used.

The front of the ultra-modern store is lined with 3,000 square feet of plate glass. There are 700 square feet of mahogany facing in the meat-packing department.

Figures border on the astronomical in describing the sprawling air-conditioning system which will be used in the store, and the refrigeration equipment. Over 6,000 feet of copper tubing have been used with 150 tons of refrigeration equipment. The \$60,000 circulation system circulates 2,000,000 cubic feet of air a day and is cooled by 600,000 gallons of water a day.

And so the customer can navigate in the midst of all this, there are 350 shopping carts, many more than in any other Sherbrooke supermarket.

Summer Program Is Reviewed By Y. W. C. A. Board

Reports on the summer activities were presented at the regular meeting of the Y.W.C.A. Board held at the Howard Residence under the chairmanship of Miss Gwen Norris.

During the month of July, the MacKinnon Memorial building will be closed in order to do the necessary cleaning of the pool, gymnasium and clubrooms.

The health education and the camp committee reported that the Red Cross swimming classes were in their final stages, the tests being conducted this week.

The summer camp committee reported a full camp is expected for the month of July and that the stay-at-home camp will commence on August 1 and continue for a four-week period from 9:30 to 11:30 Monday through Friday mornings. The program, for girls from six to 12 years, will consist of games, handicrafts, dramatics, singing and swimming period with instruction. Mrs. Harold Runions will be the director for this project.

Miss Margaret Haight gave the report on the developments of the joint Y.M.-Y.W. committee on amalgamation. She stated that the main committee had been divided into sub-committees to study the pros and cons on the following: Finance, building, administration and program.

Mrs. Don Howard gave a report on the plans for the fall money raising scheme, a Fun Fair to be held at the MacKinnon Memorial on September 17. The proceeds will go toward the allocation to the Y.W.C.A. World Service Fund, and the National Allocation.

Mrs. V. Dawson and Miss Gwen Norris were appointed to represent the Y.W.C.A. at a meeting of the Sherbrooke and Lennoxville Community Chest executive committee.

Refreshments were served by the hostesses, Mrs. J. Burns and Mrs. C. Conley.

Hereford Group Meets Saturday At Georgeville

The Quebec Hereford Association will hold its first annual picnic this Saturday marking the event with a judging competition, cattle show, and parade by the Magog Pipe Band.

Jim Routledge's estate near Georgeville will be the scene of the all-day affair and over 150 cattlemen and their families from all over the province are expected to be present.

Sponsored by the Quebec Hereford Association, it is hoped the event will encourage young farmers to breed Hereford cattle. The main attraction will be the showing of Mr. Routledge's prize cattle and the judging of the animals by 4-H Club members. From 40 to 60 boys and girls are expected to take part in the judging competition and prizes will be awarded to the ten best judges.

The young competitors will be required to place the animals in their right class. They must also give their reasons for their decisions, and the ten top judges will carry off the prizes.

W. S. O'Neil, London, Ont., Eastern Canada field man, will judge the competitors and give a brief talk on the various aspects of Hereford breeding and what the perfect Hereford should look like.

J. A. Ste-Marie, a former superintendent of the Experimental Farm in Lennoxville, will speak in French.

Those attending the picnic are expected to bring their own picnic lunches and their bathing suits as the many wharves and beaches on the Routledge farm will be available for swimming.

Modern, But Not New

The human mind is undoubtedly the most pliable element in creation. High among the hundreds of new realizations that have emerged in our modern era is this adaptability of man's intellect. And nowhere is it more manifest than in the war of ideologies. Rack and torture chamber have virtually disappeared, to be replaced by more effective and, at times, more deadly forms of psychological persuasion. "Brain-washing" and "indoctrination" — terms almost unknown a decade ago — have become household words.

However terrifying the consequence of this new-found mental malleability may appear, a realization that, given the proper conditions, the average man's mental faculties are capable of adaptation to almost any circumstances, sheds a new light on and gives greater value to the meaning of freedom and free enterprise. Above all, this new knowledge should go far towards dispelling complacency and despair.

Although at times it becomes the butt of somewhat witless wits, this quasi-amorphous quality of the mind is mirrored most significantly in the modern arts — music, painting,

poetry — which, to be progressive, must be subjective. The composer or painter may have one particular subject in mind, but the idea conveyed to the listener or viewer is not necessarily the same subject.

The make-what-you-will-of-it approach is more than a whim. It mirrors, as already noted, an independence of thought that is both healthy and in step with man's nature. It lies, essentially at the very root of our free enterprise system. For if men will be free in their thoughts, they must logically be free in what they do. And this is free enterprise. It isn't something synthetic, devised by businessmen to give them free reign in profit-making. It is not the product of a highly doubtful historical evolution, destined to endure for the life span of a fad, then to pass from reality to the pages of a history text. Free enterprise belongs to every man's nature and whoever would throw it away is going to cripple that nature. To be healthy we must be free.

Free enterprise is not good because it is modern. It is modern, and always will be modern, because it is good.

Suicidal Heroism

There are few deaths that seem more needless than those of "hero citizens" who are killed resisting gun-toting bandits.

Heroes, they are, perhaps; but dead heroes. Small consolation that through their efforts a bandit or two is more easily apprehended by the police. And small consolation that murder charges result.

Undoubtedly, impulse is the major factor that prompts unarmed citizens to throw themselves in the paths of heavily armed thugs — men who would snuff out a life as quickly as they would squash a spider.

For surely, no thinking man would of his free will move into combat against such heavy odds. The mental condition of the hold-up man, perhaps deranged by dope or alcohol, pile the odds even more heavily against the unwise hero.

And for what do honest, hard-working husbands and fathers lay down their lives? Usually for just a few dollars. Frequently the money doesn't even belong to them and rarely is it uninsured.

A druggist we once met had a pretty sound philosophy. He had been robbed several times.

"First of all, I don't keep much money around," he said. "But when I see anything that looks like a gun, I just raise my hands and do what I'm told. The money is insured and my taxes pay for the police to apprehend the bandits. I find that the police usually get them."

A coward? On the contrary. He merely feels that his staying alive to care for his family is more important than any suicidal heroics. Isn't it?

Bible Thoughts

It is no sin to be tempted; the wickedness lies in being overcome. — Balzac.

But there was none like unto Ahab,

which did sell himself to work wickedness in the sight of the Lord, whom Jezebel his wife stirred up. — I Kings 21:25.

Story Book Career

Sydney - Born Man Had Fabulous Life

Ottawa—The death here of Gabriel Henry George Smythe was like a whisper from the roaring 20s.

Although his passing was almost unnoticed, many remembered him as the man who set out from Sydney, N.S., in 1925 to paddle his frail canoe around the world. He didn't paddle it all the way, but he took it in many strange places and had his day out of that.

He was prospecting for gold in the Cobalt and Porcupine areas of northern Ontario when he decided to see the world by canoe. Born in Paris, his father Canadian and his mother French, he was sent to Canada at the age of 10 to be educated at Ridley College, St. Catharines, Ont.

He lived with an uncle in Toronto for a number of years. Then he left Canada, returning only twice—once in the 1920s. He set out from Sydney in May, 1925. He won a battle against 60-foot Bay of Fundy tides, then paddled down the Atlantic seaboard to New York. There he and his canoe boarded an ocean liner to cross the Atlantic.

From Southampton, England, he propelled his flimsy craft across the choppy English Channel to France, making his way then along a network of rivers to the port of Marseilles. He paddled along the south coast of Italy and up the Tiber river to Rome. They greeted him with roses.

The late Benito Mussolini led the enthusiastic flower-throwing crowd that lined the river's banks to greet Smythe.

He is credited with establishing the first canoe club in France and was known in Paris for his feats with the craft, a favorite stunt being to leap off a bridge spanning the Seine holding a canoe over his head. In about 11 seconds after hitting the water he was able to empty the canoe and clamber into it.

Smythe returned to Canada the second time three years ago. He had since spent his time as a language teacher in Toronto, his linguistic talents including Arabic, Chinese, Spanish, French, English and Italian. He was here to set up a school of languages when he died. His widow and 16-year-old son, Harold Donald George Smythe, returned to Toronto after the funeral.

In his 64 years Smythe had travelled widely, his journeys taking him across the Atlantic 33 times. He had worked on a rubber plantation in Burma and taught languages in China. He also worked in South America, England, Texas.

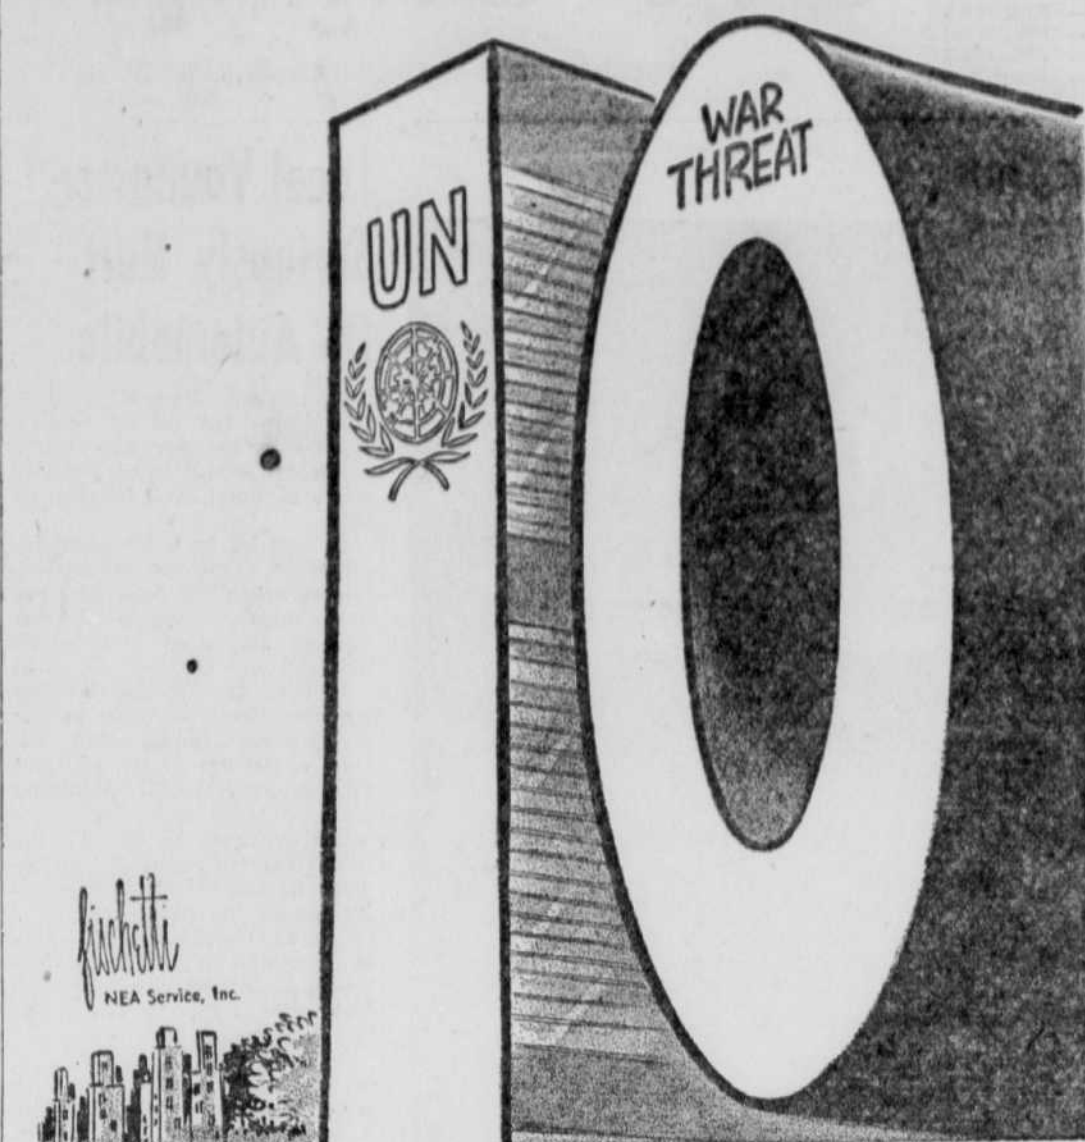

It was Texas he left to go to England and join the Royal Naval Air Service during the First World War. He and his plane were badly shot up in a dog fight over France one day and he was forced to crash land. During the Second World War he worked in London as a BBC translator.

Cardinal Begin, Archbishop of Quebec has withheld an interdiction of the Rotary and Kiwanis Clubs until he has heard from the Vatican, on his letter seeking further information on the general status of these clubs.

Mussolini has given a decidedly cool reception to the British views on a naval agreement with Germany and it is expected that he will demand a higher battleship limit for Italy during his forthcoming talks with Anthony Eden.

The Supreme Court of Canada yesterday ruled that the Redeemerist Fathers must pay school taxes in support of the Protestant School Board of Aylmer, Que., on property it now owns in the town. Court ruled, however, that the taxes should be based on the valuation of 1925 when the order purchased the property from a Protestant, R. H. Wright, and built a seminary on it.

U.N.'s Tenth Anniversary—Still Coexisting

With Billy Graham

By GEORGE BURNHAM

Lucerne, Switzerland—Leaders of the world will sit down at a table in Geneva next month and attempt to work out a formula for peace. And sitting on the sidelines in an unofficial capacity will be a young man who has travelled around the globe breathing new life into a bold old plan for peace that has been rejected by the world for 2,000 years.

Dr. Billy Graham, the most listened-to man on earth today, has cancelled all appointments in order to be in Geneva for the five days of the peace conference. He had been scheduled to attend the Baptist World Alliance in London, July 17-22. He will, however, address the 1,000 delegates at their closing rally.

"I will be happy to be of service to anyone in Geneva at the peace talks," he said, "but my principal reason for going is to be an observer."

Those inclined to poo-poo the presence of a preacher in the midst of such distinguished world powers may benefit by glancing over the record.

Dr. Graham has been heard by the masses of millions. But it hasn't stopped there. He has been listened to with respect by

the world leaders, some of whom will be major voices at the Geneva conference. He has had several audiences with President Eisenhower and has discussed the Bible plan for peace with the chief executive. The President read this nutshell verse at his inauguration: "If my people which are called by my name shall humble themselves and seek my face and turn from their wicked ways then will I hear from heaven and will forgive their sin and heal their land."

Queen Elizabeth invited Dr. Graham to speak at her private chapel recently after he had concluded a campaign that revitalized the land she rules. Members of Parliament and chimney sweeps had stood side by side to try God's way after their own had failed.

In France the results of his meetings were greater, percentage-wise, than in America or Great Britain. Again he was heard by the leaders of government.

There have even been rumbles from Russia that an invitation may be extended to Dr. Graham.

Those are the four great powers that will be sitting around the table in Geneva and all are aware of the young man with a message that has never been tried by the world even though all intellectual schemes have failed.

It was Sir Winston Churchill who said our problems have gotten quite beyond us. The human mind is not capable of solving the problems that face the world today.

And during the peace conference President Eisenhower may recall his statement that a return to God is the only hope for peace. "Scientific achievement has somehow created a situation that is out of human control and the world is not fit for heroes or indeed anyone else to live in," said Dr. Graham.

On the subject of Communism he had this to say:

"The Communist revolution

that was born in the hearts of Marx and Lenin is not going to give up or retreat. No amount of words at the United Nations or peace conferences is going to change the mind of Communism.

It is here to stay. It is a battle to the death. Either Communism must die or Christianity must die because it is actually a battle between Christ and anti-Christ. Everything Communism teaches, every strategic move it makes, every philosophy it advocates is designed to strip Jehovah God of his deity, rob Him of His holiness and reduce Him to the proportions of a heartless, shapeless and meaningless God.

"Denying their faith in all ideologies except their religion of revolution the diabolically inspired men of Russia seek in devious ways to convert a peaceful world to their doctrine of death and destruction. The mysterious pull of this religion is so strong that it has caused some citizens of America to become traitorous, betraying a benevolent land which had showered them with blessings. It has attracted some of our keenest politicians and some of our outstanding educators. Our experts agree that bombs and bullets are powerless to cope with the threatening menace of Bolshevism. There is only one antidote for the poisonous venom of Sovietism and that is the truth. And the Gospel of Jesus Christ, the prince of peace.

"That truth must be demonstrated to a hungry, fearful, perplexed, confused world. Too long we have theorized and not demonstrated. The world must not only hear that Jesus lives, but it must see Him living in us. The fanatic loyalty as witnessed in the lives of those who live behind the Iron Curtain should inspire us to a new, deeper loyalty to Christ. The choice is clear cut. It is either revolution and chaos or Christ and righteousness. Every individual in the world is being asked to make this choice."

These will be the thoughts again of Dr. Graham as he sits on the sidelines in Geneva and listens to intellectual men talk about a new plan for peace. And he will pray for the men to consider the old one.

Bygone Days

THIRTY YEARS AGO

From the Record Files of Saturday, June 23, 1925. The following committee have been named to take charge of the annual regatta of the Sherbrooke Canoe Club: R. E. Richardson, Walter Irwin, L. Turcotte, Frank Norcross, Jack Lunn, William Peak, and W. L. McGannon.

Cardinal Begin, Archbishop of Quebec has withheld an interdiction of the Rotary and Kiwanis Clubs until he has heard from the Vatican, on his letter seeking further information on the general status of these clubs.

TWENTY YEARS AGO

From the Record files of June 23, 1935.

Continued heavy rains have greater retarded farm work in the Eastern Townships. Sunshine has been very much absent and the rainfall for the month totals 4.06 inches. Sports schedules have also been greatly interfered with.

Mussolini has given a decidedly cool reception to the British views on a naval agreement with Germany and it is expected that he will demand a higher battleship limit for Italy during his forthcoming talks with Anthony Eden.

TEN YEARS AGO

From the Record files of June 23, 1945.

G. N. Charland, French Specialist at the Sherbrooke High School for the past six years, during which time he has also been supervisor of French language instruction in the Protestant Schools of this City, will leave Sherbrooke to join his family in their new home in the United States.

The Supreme Court of Canada yesterday ruled that the Redeemerist Fathers must pay school taxes in support of the Protestant School Board of Aylmer, Que., on property it now owns in the town. Court ruled, however, that the taxes should be based on the valuation of 1925 when the order purchased the property from a Protestant, R. H. Wright, and built a seminary on it.

DISCARD BETTER THAN RUFF TRICK

West's energetic bidding in today's hand was perfectly proper and sound. At worst he could hope to take his six diamonds and a heart or two, and he had honors to reduce the loss at his sacrifice bid of five diamonds. If he had been doubled at five diamonds, he would have been set only two tricks, thanks to his partner's queen of hearts, and the loss would have been only 200 points.

South didn't expect to collect much with his black two-suiter against West's announced red two-suiter. Hence South boldly went on to five spades. West then passed, knowing that he had pushed the enemy to the danger point.

West opened the king of diamonds, holding the first trick, and continued with the ace of diamonds. It was at the second trick that South had the chance to show whether or not he was a bridge player.

South rose to the occasion by discarding a low heart on the ace of diamonds. Now West could not profitably lead a third diamond, since dummy would save the day by ruffing with the five of spades. No matter what else West led, declarer could win, draw all of the trumps, and then run the clubs. There was no way for the defenders to defeat the contract.

South's play at the second trick cost him nothing, of course. No matter how the hand developed, South was sure to lose a heart trick sooner or later. The important point of the play was that it allowed declarer to keep all four of his trumps. If South had ruffed the ace of diamonds at the second trick, he

Spades 7-3, Hearts K-9-6-2, Diamonds 8-5-4, Clubs A-Q-9-3.
What do you do?

A—Bid three clubs. This shows good clubs and more strength than North can reasonably expect for the first response of one no-trump. If North carries on to three no-trump, you will be quite satisfied.

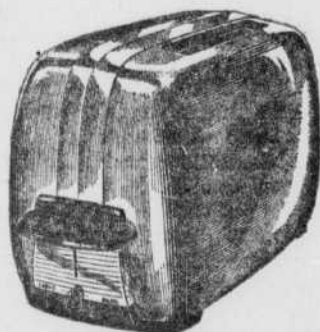

TODAY'S QUESTION

The bidding is the same as in the question just answered. You South, hold:
Spades 1-7-3, Hearts K-9-6-2, Diamonds 8-5-4, Clubs A-9-3.

Religion Important Aid To Medicine W. I. Rally Told

Ste. Anne de Bellevue — (Special) — Great strides have been taken in the field of medical science, Dr. Anis Harrison, of North Hatley, this morning told the annual convention of Quebec Provincial Women's Institute meeting at Macdonald College here, but "it may well be that the discovery of the connection between religion and health will prove to be one of the greatest steps of the past fifty years."

Speaking on modern trends in medicine, Dr. Harrison outlined the history of medical development in the surgical, chemotherapeutic and preventative fields, commenting on the most recent developments in each. However, she noted, "let us in all humility realize that our papers may seem off the mark in 200 years time, and in thankfulness realize that by the work and achievements of doctors in the past so much has already been done to alleviate human suffering."

The phase of modern surgery was entered with the discovery of anaesthetics in the middle of the last century. Careful techniques were developed and perfected, and by "about 1910, the main outlines of surgery as we know it today had been laid down."

Dr. Harrison mentioned new techniques on the human blood which permit of safe incisions, and the use of anaesthetics which not only protect the patient from pain, but also aid the doctor by relaxing the patient, and reducing the flow of blood from the heart to a minimum. In addition, these new anaesthetics do not produce nausea after effects in the patient.

"By operation on the brain," Dr. Harrison said, "on the personality part of the brain, some mania can be turned into socially acceptable people, and the removal of scar tissue in the brain can turn an epileptic into a useful citizen."

In the field of chemo-therapy, Dr. Harrison mentioned the use of sulphur drugs, penicillin and mycine drugs, warning, however, that "by eliminating some certain sensitive organism, the world is being gradually populated by a new race of bacteria."

Natural Fibres Still Dominate Canadian Market

Montreal — (Special — Synthetic fibres are not as yet a threat to natural fibres, G. B. Gordon, president of Dominion Textile Co. Ltd., told shareholders at an annual meeting here yesterday.

He said the market for textiles in Canada is broad enough to provide room for the new synthetic fibres without undue displacement of the natural products. So far no fabric has been developed which vies with cotton for price, quality and usefulness over a wide range of products.

Conditions of the textile situation have not improved, however, Mr. Gordon said and added that a common stock dividend would not be issued this quarter.

We have consumed more raw cotton, produced more goods and paid for more working hours but our shipments are much less than our production and the price situation has shown little or no improvement."

The demand for cotton is still heavy, especially at this time of year he said, but the cost of doing business as related to the prices the goods bring constitutes the problem.

"The price we get for our goods," Mr. Gordon said "is set in all too many instances by the price at which distress goods from the U.S. can be landed in Canada." Such narrow confines, he said, leave no room for profit.

often more dangerous than the first. Until yet a new antibiotic appears which will cope with them, they will prove most dangerous."

The field of vaccination and inoculation, one of the most modern in medicine, has produced such drugs as the recent Salk vaccine, and those which immunize against smallpox, whooping cough, diphtheria, tetanus, typhoid, yellow fever and others. Other drugs include pain killers, hormones and insulin, the last being used in the treatment of diabetes.

X-Ray and atomic treatment are among the latest developments in the therapeutic field in the treatment of cancer.

The field of preventative medicine is one which is usually tackled by public health authorities. Part of this program consists in the immunization and vaccination of citizens against certain contagious diseases; part in sanitation programs, and part in the development and use of insecticides.

The problem of modern food is one of preventative medicine, too, with regard to which, Dr. Harrison said "the wisdom of removing naturally-occurring vitamins and replacing them with a limited number of synthetic ones is open to question. The danger is this — are there any more vitamins, not yet recognized, which we have taken out and do not put back?"

In conclusion, Dr. Harrison stressed "it is now fully established in the medical world that man must be treated as a spiritual animal that he is, and that disease of the body cannot be separated either from disease of the mind or disease of the soul. In fact, it is now clear that many illnesses which have hitherto been treated without success as bodily ailments are in reality the consequence of a person's inadequate adjustment with spiritual realities."

May Boost Fighter Squadrons

Ottawa — The defence department is studying closely the possibility of increasing the number of regular RCAF fighter squadrons in Canada.

Officials said Wednesday no decision has yet been reached. It may not come for several weeks. The new policy study stems from a decision, announced in the Commons last week by Defence Minister Campney, that the air force's 10 auxiliary—or reserve—fighter squadrons can't cope with new jet aircraft, especially the CF-100 long-range interceptor.

The reason for this, officials explained, is that new planes are getting more and more complicated, with more equipment. Pilots require long hours in the air to master them and reserve airmen simply haven't the time to devote to this kind of training. It was originally planned to equip these 10 reserve squadrons with the CF-100, but this now won't be done. The defence department is studying a new role for them.

There are several possibilities. They might take on transport work, maritime reconnaissance, tactical support for the army's airborne brigade or primary training.

With the 10 auxiliary squadrons out of the fighter picture, the defence department is faced with the possible need of supplying more regular interceptor units for North American defence, on which increasing emphasis is being placed. There now are nine regular CF-100 squadrons and they are to be completely equipped by the end of the year.

There is no present intention of withdrawing any of the 12 RCAF Sabre jet fighter squadrons from Europe, though the possibility of bringing home at least some of them in the future is not discounted.

Bee Planned For Cemetery Work At Fitch Bay

Fitch Bay—The annual cemetery meeting was held in the Town Hall. Those attending were V. A. Davis, Mrs. E. E. Temple and Miss Lena Gustin, of Ayer's Cliff; Hamilton Rider, Valleyfield; Mrs. F. H. Rider and Miss Madelyn Rider, Montreal; from Fitch Bay and vicinity, Miss Clara Wyman, Mrs. John Wharry, D. A. Dolloff, secretary-treasurer, Roy Heath, Harry Dolloff, Rev. R. A. Carson, Mr. and Mrs. Gordon Temple, Lee Gustin, and A. B. Bissell, who will be 90 years old in October. Mr. Bissell expressed his appreciation of the work of the association, adding that he was pleased to see the cemetery in such splendid condition.

It was reported that the entire grounds have already been mowed twice this season, making a great improvement. Another encouraging feature was the announcement by D. A. Dolloff that \$86 had been received for care of lots, instead of \$46, as last year.

Owing to the absence of the vice-president, Hamilton Rider, presided. Reports were read and the usual routine work given attention. All bills were reported paid. Special donations were received after the circular letter was sent out in September, 1944, amounting to \$44. In January an appeal was made, from which \$115 was realized. This, with \$26.15 contributed by two others, made the total amount of \$141.15, which covered the cost of the power mower, leaving a balance of \$107.83. The year's income from the endowment fund was \$114.98.

These reports were very encouraging and the increased attendance showed improved interest. The small balance on the right side of the ledger was made possible by 31 people contributing to the special fund.

Rev. R. A. Carson is to attend to the finishing of making the cemetery chart, to which he and Everett Sheldon devoted considerable time in preparation work last season. Mr. Carson's interest in giving this assistance is most appreciated by the Association, as it is extremely important to have a complete chart of the grounds.

The necessary repairs and improvements on the main entrance driveway, are to be in charge of Gordon Temple.

One endowment was made this year by Mrs. R. D. Brodie for the perpetual care of the lot of David Peebles.

The use of tractor and trailer was offered by Mr. and Mrs. Bob Jones, nee Evelyn Wilson, for one day with operator, Gordon Wilson also offered his services. This proved an incentive to the men to arrange a "Bee" on June 25. A gravel path is to be made from the street to the footbridge, which this season has been properly reinforced. There are many graves which require levelling and seeding, also several stones are needing attention. So much worthwhile work can be done by the willing workers who attend.

Roy Heath has been engaged this season as caretaker. Miss Clara Wyman was appointed as advisory superintendent of general work. The same officers and trustees were elected and appointed with the addition of Harry Dolloff on the board of trustees.

The next annual meeting will be held June 12, 1956.

List Program For Concert Tonight

The following program will be given this evening at 8 at Jacques Cartier Park by the Sherbrooke Harmony Band under the direction of Prof. Sylvio Lacharite:

O Canada; God Save the Queen; Jean, march, Leon Ringue; Italiane a Alger, overture, Rossini; The Lost Chord, Sullivan; Souvenir de Quebec, C. O'Neil; Symphonie Militaire, Gossec; A Thousand and One Nights, J. Strauss; French National Defile, Planquette; The Father of Victory, Louis Ganne.

Transport Act

Ottawa — The Commons yesterday gave second reading—approval in principle—to a measure which is expected to be strongly opposed by the trucking industry.

It would amend the Transport Act to give railways greater freedom to set agreed charge freight contracts under which they grant shippers special low rates in return for an agreed share of their haulage business. It was referred to the railway committee where interested parties, including truckers, will be heard.

The House passed another bill to finance federal supervision of pari-mutuel race track betting by a levy of one-half of one per cent on all wagers. At present, tracks are charged an average of \$27 a day for each supervising RCMP officer.

U. N. Pilgrimage

ROBERTA SMITH, of Asbestos, one of a group of fortunate young people chosen from this area to visit the United Nations this summer. The project, known as the "United Nations Pilgrimage of Youth," is sponsored by the world youth committee of the Independent Order of Odd Fellows.

This is the sixth consecutive year of the pilgrimages to New York. They have attained such broad scope that nearly 600 boys and girls will be making the journey. The young delegates are 16 or 17 years of age and expect to be juniors or seniors in high school this fall. They come from every province of Canada and all parts of the United States.

To accommodate this large number, the pilgrimage has been divided into six periods of six days each. Miss Smith will take part in the period beginning June 25. The daughter of Mr. and Mrs. D. P. R. Smith, of Asbestos, she attends the Asbestos-Danville-Shipton High School and is active in the United Church Sunday School, junior and senior choirs and many other community activities.

Delegates are usually chosen from the community at large, selected on the basis of character, leadership, scholarship, interest in civic affairs, participation in young people's groups and interest in world affairs.

Miss Smith will travel to New York by air. She will have a three-hour boat trip around Manhattan Island, make a guided tour of Rockefeller Center, enjoy a reserved seat at Radio City Music Hall and make a trip to the Statue of Liberty.

These recreational and educational aspects of the project, however, are incidental to making a first-hand study of the functioning of the United Nations. Delegates will see councils and commissions of the United Nations in action at the permanent headquarters buildings. There they will be instructed with charts and diagrams about the 60-nation U.N. and the interrelation of its various parts and agencies. They will actually sit in council chambers with ear phones on which they may tune in on any one of the five official languages.

They will have interviews with representatives from various member countries and visit some of the national secretariats in their headquarters. They will mingle with U.N. personnel from all over the world as they eat at the delegates' dining room. Canadian delegates will be guests at the headquarters of the Permanent Delegation of Canada.

The pilgrimage is sponsored by the youth committee of the Sovereign Grand Lodge and the Association of Rebekah Assemblies of the Independent Order of Odd Fellows. The committee includes Mrs. Beatrice Dever, Montreal, vice-chairman, who will accompany the Canadian group to New York.

Trip To Newstand Is Fatal To Man

Ludovic Hebert, a 54-year-old Sherbrooke man who left his home last night to buy a newspaper, never reached the newstand.

After leaving his home at 640 Murray St., Hebert was walking along Murray St. when he suddenly fell on the sidewalk. A neighbor, Miss Lucille Tanguay, saw him fall and remain still so she phoned police and ambulance, but Hebert was dead when they arrived. He had been suffering from a heart condition.

The guest of honor received numerous gifts, cards and messages of congratulations, including a dedication over radio station CJAD in Montreal. The rooms were decorated with spring flowers and the tea table was centred with the decorated birthday cake, flanked by vases of rose-pink peonies. Mrs. Corey, thanked her friends for the gifts and good wishes. Guests included Mrs. Stolliker, Mrs. Domingue, Mrs. Hodge, Mesdames R. and G. Fortin, Mrs. Thomas Baker and children, Mrs. Fairfield, Misses Marion and Brenda Heney, all from Stanbridge East; Mrs. Stanley Soule, of Mystic; Mrs. M. Russell, of Bedford; Mrs. Callaghan and Mrs. Westover.

Coaticook Legion Branch Sponsors Annual Tombola

Coaticook — The annual tombola, sponsored by Branch 26, Canadian Legion, came to a climax with the drawing of the six lucky tickets in the raffle booth, a feature of the indoor fair for the past several seasons. The winners of the \$5 prizes were Burton Mosher, Miss Helene Boutin and Raymond Guay, of North Coaticook, Mr. Norman Lucier, of North Troy, Vt., and George Engelhardt, of Coaticook. The winner of the \$100 prize was Philip Miller, of Sherbrooke.

The event opened on Friday evening with a parade and short concert in front of the Armories by the Coaticook Harmony Band. Several of the booths proved very popular, among these being the dart booth, where prizes were awarded for breaking two or more balloons with darts, the cane booth, where fancy swaggar sticks could be won by tossing a ring, the ever popular baseball throws to knock over wooden milk bottles or stuffed cats.

The tastes of the public having changed from past seasons it was discovered that the double-double booth, which was a popular one at other Tombolas, did not attract this time. Neither did the new jewellery booth or the ham booth get much attention.

The ever popular nickel pitch stand, where fancy glass articles could be won by tossing a coin into them, again attracted many patrons. The fish pond, run by the Ladies' Auxiliary on the two evenings and also at the Saturday matinee for the kiddies, did a brisk trade and their stock of prizes was exhausted by closing time.

The girls of the St. John Ambulance Corps, several girls from the High School and many none members assisted the Legion during the event and their efforts are greatly appreciated by the branch.

UNITED CHURCH MEETING
An informal meeting was held at the United Church to discuss current and forthcoming happenings at the church and Manse.

Present were A. Hopkins, El-

Mrs. E. B. Sims Reports On IODE National Meeting

At the monthly meeting of the 53rd Regiment Chapter, I.O.D.E. held at headquarters, Moore St. Mrs. E. B. Sims, municipal regent and delegate gave a very interesting and informative report on the proceedings of the National Chapter held in Winnipeg in May.

The Chapter received a very cordial welcome from the Mayor of Winnipeg at the banquet held the opening evening. Mrs. Sims expressed the hope that this chapter would send a delegate from the 53rd Chapter to the next national meeting and as many of the members as possible would attend, so as to more fully realize the aims and objects of the Order and of the work for the coming year.

The speaker was welcomed by the regent, Mrs. R. M. Loughheed and thanked by Mrs. P. R. Blick.

Routine business followed, the business meeting being presided over by the regent.

The convener of services at home and abroad, Mrs. P. R. Blick, reported 14 nursery bags made and filled.

A letter was read from the provincial secretary, Mrs. Edith Gibault, stating that the convener of services at home and abroad will become an elective officer and will be called services at home and abroad secretary, entitling her to attend all municipal general meetings.

Mrs. Leslie Humphries, immigration and Canadianization, reported on a meeting held at the home of Mrs. Francis Kenalty. On June 8 two immigrant families were welcomed as Canadians at a ceremony held at the City Hall. Mrs. Jack Grundy and Mrs. Leslie Humphries presented each with citizenship cards, welcoming them to Sherbrooke on behalf of the I.O.D.E. In future the scrap books presented to the immigrant children are to be smaller in size for easier packing.

The chapter decided to sponsor a girl at the Y.W.C.A. camp for one week.

Mrs. R. B. Bell reported six members had attended the Cancer Dressings Service when 38 pads were completed.

Through the kindness of the Superheater Co., the chapter will have a refreshment booth at the Sherbrooke Fair, in the fall.

The meeting closed with the lowering of the Standard and refreshments served by Mrs. R. B. Bell.

WALDRON—MUNDAY

The marriage of Miss Gertrude Elizabeth Munday, daughter of Mr. and Mrs. Alfred Munday, and Mr. Norman Albert Waldron, son of Mr. and Mrs. Hartley Waldron, of Richmond, took place on Saturday, June 18, in the Anglican Church of St. Paul the Apostle, the Rev. A. V. Ottwell officiating. The wedding music was played by Mrs. Pearl Robinson, organist, and peonies in various shades were used to decorate.

The bride, given away by her

father, wore a ballerina length dress of white lace and nylon tulle over satin having a very full skirt and matching lace bolero with long sleeves ending in points over her hands. Her fingertip veil of nylon tulle, was held by a crown of seed pearls and she carried a bouquet of red roses.

Miss Kathleen Munday and Miss Barbara Munday were bridesmaids for their sister. They were dressed alike in white nylon gowns, the former's being worn over dusty rose taffeta, and the latter's over lemon colored taffeta. They wore boleros matching their slips and carried bouquets of carnations harmonizing with their gowns.

Mr. Barry Fielding, of Cornwall, Ont., was best man for Mr. Waldron, and the ushers were Mr. Gordon Munday, brother of the bride, and Mr. Douglas Luce, cousin of the groom.

Mrs. Munday, mother of the bride was gowned in a dress of magic blue silk, and she wore white accessories and a corsage of red Sweetheart roses.

Mrs. Waldron, the groom's mother, wore a blush pink nylon dress with navy blue accessories and a corsage of pink rosebuds.

The reception was held at the home of the bride's parents, St. Catherine Road, where peonies were used to decorate. The bride's table, centered with a three-tier wedding cake and

lighted by white candles in silver candelabra was decorated with white columbine in crystal vases.

Later Mr. and Mrs. Waldron left by car on a tour of the Province of New Brunswick, the bride wearing a light blue gabardine suit with matched beige accessories and a corsage of yellow carnations.

Out of town guests were, Miss Claire Villeneuve, of Mr. Barry Fielding, of Cornwall, Ont.; Miss Shirley Spackman, of Ottawa; Mr. and Mrs. Arthur Merrill, Mr. Albert Merrill, of Richmond; Mr. and Mrs. I. Waldron, Mr. D. Luce, Mr. and Mrs. J. Brennan, Mrs. W. Wallace, of Coaticook; Mrs. S. Pocock, Mrs. C. Burton, of Waterville; and Mr. and Mrs. A. Millier, of Winthrop, Me.

Upon their return, Mr. and Mrs. Waldron will take up residence in Cowansville.

HAYES—GINGRAS

The marriage of Denyse, daughter of Mr. and Mrs. J. Henri Gingras, of Sherbrooke, to Mr. Mark D. Hayes, son of the late Harold J. Hayes and of Mrs. Hayes, also of Sherbrooke, took place on Saturday morning at half past nine o'clock in the Notre Dame de Liesse Church of Deauville. Mr. Jack Lenaghan played the wedding music and Miss Celine Gingras, Mr. Aime Vanier, Jr., and Mr. Rene Fontaine sang during the ceremony. Rev. Marcel Berger performed the ceremony and Msgr. Rosario Moisan, c.s., celebrated mass. Pink and white peonies and greenery were used as decorations.

The bride, who was given away by her father, was in a waltz-length gown of white nylon lace and pleated tulle, having a fitted bodice buttoned up to a Peter Pan collar embroidered with pearls. Her veil of tulle illusion was held by a small cap of lace and pearls and she carried a semi-cascade bouquet of pale pink carnations and Sweetheart roses.

Mr. Ransom Hayes acted as best man for his nephew and the ushers were Mr. Pierre Gingras, brother of the bride, and Mr. John Hayes, brother of the groom.

Mrs. Gingras, the bride's mother, wore a gown of Dior rose or-lon taffeta with a hat of French straw and matching accessories. Pinned to her bag was a bouquet of pink feathered carnations.

Mrs. Hayes, mother of the bridegroom, was in a gown of Elizabeth blue shantung silk with a matching hat, navy blue accessories and a corsage bouquet of white carnations and stephanotis.

The reception was held at the Beau-Site Hotel where pink and white flowers were used as decorations.

Later Mr. and Mrs. Hayes left by motor for the Laurentians, the bride travelling in a pink and grey two-piece ensemble with a

Beebe Church WA Reports Activities At Picnic Meeting

Beebe — The Woman's Association of Wesley United Church met at the summer cottage of Mr. and Mrs. Beverley Haselton at Cedarville, Lake Memphremagog.

The president, Mrs. Frank Stanton opened the meeting with prayer and Mrs. Gordon Laberee led in the devotions, the theme of which was "The Vine".

The secretary read a letter from the United Church of Canada committee on overseas relief, expressing thanks for three parcels of clothing received in Toronto.

A report was given that the dining hall has been cleaned and new curtains, a gift from Mrs. A. J. Pocock, have been put on the dining room windows. The stairwell and entrance to the dining hall also have been painted.

Mrs. F. C. Millar reported that the sum of \$85 was realized from the dime cards which were distributed in January. This money will be donated to the Sunday School.

Mrs. H. S. Beane who attended the annual meeting of the Quebec-Sherbrooke Presbyterian Women's Association in Lennoxville brought back many interesting and helpful suggestions. At the election of the officers for 1955-56, Mrs. Beane was nominated as treasurer.

It was decided that food sales be held June 25, August 6 and 27. Committees for these sales were appointed. An afternoon tea is planned for July 13, the proceeds of which will be used to decorate and improve the kitchen.

At the close of the meeting a

CONFIDENTIALLY YOURS

—by Byrne Hope Sanders

MONTREAL, June 23rd — Poised and fresh... isn't that one of the ambitions of every girl and woman? One sure way of attaining poise and freshness is to let ARRID cream deodorant protect you from any fear of odour. Arrid is now made with Perotol, the really effective, exclusive new ingredient. Absolutely safe and it won't dry out in the jar! Canadians prefer Arrid because they've found that this creamy, antiseptic deodorant stops both perspiration and odour... for 1 to 3 days. Just rub Arrid in—rub odour out. It deodorizes instantly, and saves your clothes from perspiration stains. Only 53c a jar.

This Is Exciting! For a brief time you can buy the famous WOODBURY COCOANUT OIL SHAMPOO—at half price!... If you've never used this wonderful shampoo—here's an "introductory half price sale"—to enable you to buy the regular \$1.20 size for only 59c. If, like so many thousands of big girls—and little girls, too—you know how soft and glossy your hair is after a Woodbury Shampoo—then here's your chance to lay in a supply at half price! Gentle Woodbury Coconut Oil Shampoo cleans all types of hair shining clean, yet it does not dry out the natural oils which give body and life to your hair. Do get a supply of Woodbury Shampoo—while it lasts at this price!

Nothing Worse—than hot weather for aggravating the troubles of burning corns and calluses. That's why, around the corner, I suggest you lay in a stock of Blue-Jay Corn Plasters—with the exclusive medication, Phenylum. Blue-Jay's medication gets right down under your corn—through the action of Phenylum—and helps push it out from underneath! You'll find quick and lasting comfort in the comfort-bringing BLUE-JAYS. They get rid of corns fast! So make sure of a "foot-happy" summer by getting your supply of BLUE-JAY right away!

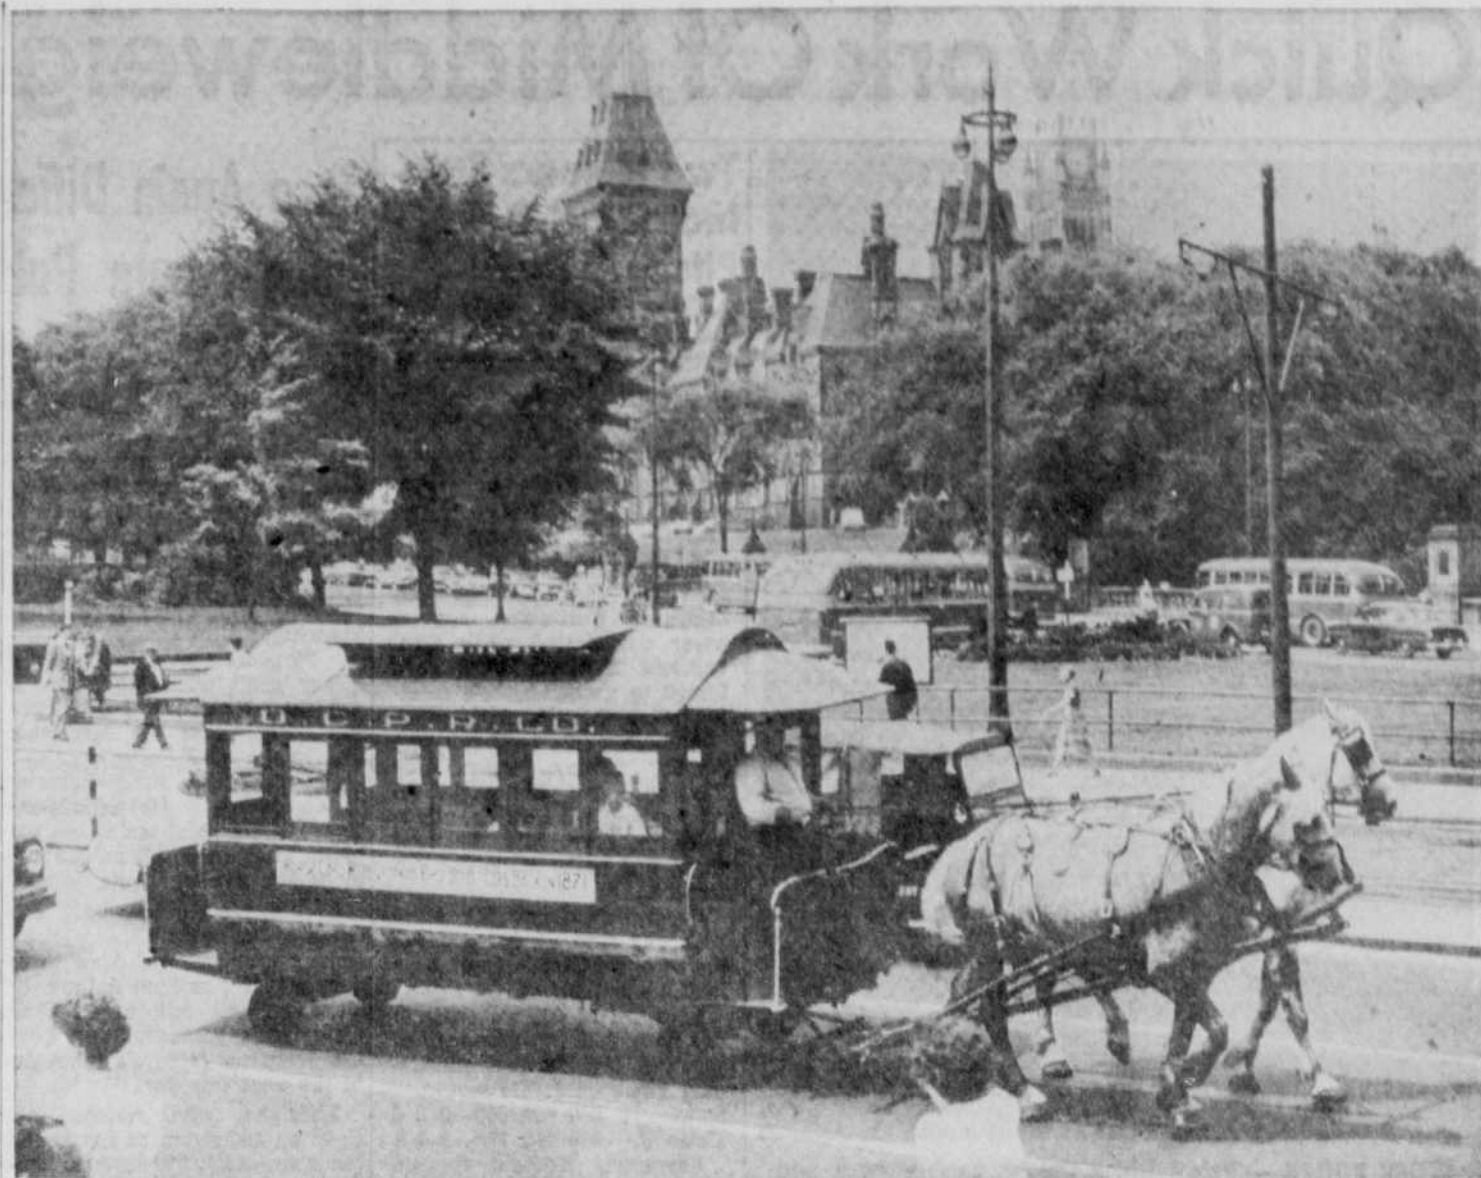

Are You One Of The Wise Ones who opened a Sunshine Account at the BANK OF MONTREAL some months ago? If so, you're probably all set for a wonderful holiday with no worries about paying for it. You can make your vacation even more carefree with the help of the B of M's special travel services. For instance, the best way to banish wallet-worry is to carry B of M Travellers Cheques... Easy to carry, they can be cashed almost anywhere... and are worthless if lost or stolen. And, while you're away, why not take advantage of a B of M Safety Deposit Box to keep your jewelry and other valuables safe from fire and theft? Costs less than two cents a day on yearly rental.

Like You... I've been ironing since I was a little girl... and, like you, have learned a lot of tricks, to make the task easier. I've memorized a lot of poetry—asked my husband to read to me—and, just as important, always use GLIDE LIQUID STARCH. It gives a professional look to cottons—shirts—youngsters' clothes—linens—curtains. And it only takes a jiffy to use! All you do is add water to Glide—hot or cold. You'll find that the blue in Glide adds whiteness to your wash; and the wax in it smooths your ironing! I buy Glide in the giant economy size—64 ounces... but you can get it too, in the 32 oz. size for smaller families.

Women's Institute

The monthly meeting of the Women's Institute was held at the home of Mrs. Ezra Woodard. The president, Mrs. Leon Miller opened the meeting in the usual manner and the routine reports were given.

Letters of thanks were read from the Sherbrooke Hospital and the St. Vincent de Paul hospital, Sherbrooke, and the Orleans County Memorial hospital, Newport, for donations received.

It was the request of the Branch that this money be used in the nurseries.

Mrs. D. Halsall, Education convener, reported that two samples of new school desks have arrived and anyone wishing to may see them. She stated that plans are being made to obtain a music teacher for the school next year and that gym classes will be held under the instruction of the teaching staff. Mrs. Halsall made mention of the trophy won by Beebe school in the County track meet.

It was decided that a course in millinery be held from November 14 through 18 with the handicraft technician from Macdonald College as instructor. It was also decided to enter a float in the Dominion Day parade and Miss Linda Kearns was appointed as chairman of that committee. Mrs. Ezra Woodard was appointed as delegate to the County meeting in August.

At the close of the business meeting Mrs. B. Brown of Stanstead showed colored slides and gave a most interesting talk on her recent trip to England and Holland. Mrs. Brown was introduced by Mrs. Ruth House and thanked by Mrs. Rivett.

Archie Moore Makes Quick Work Of Middleweight King

Robin Roberts One Of Few Pitchers To Yield Three Homers In First And Win Game; Dodgers Edge Cubs 3-2

Robin Roberts may be the only pitcher in baseball who figures to be around for the second inning after betting clobbered for three home runs and blowing a 3-0 lead in the first.

That's Robin's way. The ace of the Philadelphia Phils staff gets hit the hardest, yet wins the most.

Wednesday night at St. Louis, Roberts trailed 4-3 after cards whacked him for three homers, two in succession, in the first frame. Yet he stayed around and wound up with his 13th complete game and 10 victory of the season, 9-6.

That put the Phils back in fifth place, a percentage point ahead of Cincinnati in the National League.

The Redlegs lost 4-3 to New York Giants, who ended a six-game losing streak. First-place Brooklyn edged Chicago 3-2, leaving the Cubs just half a game ahead of the third-place Milwaukee Braves, who whipped Pittsburgh 6-0.

In the American, New York Yankees held their two-game lead by beating Kansas City 6-1. Runner-up Chicago trimmed Washington 3-0 and third-place Cleveland rapped Baltimore 5-0. Fast-climbing Boston defeated Detroit 12-7, leaving the Red Sox just a game short of the fourth-place Tigers.

Roberts got a three-run rally going in the seventh that brought his victory, leading off by a double. In all, the Phils had 14 hits — three by Roberts — off six St. Louis pitchers.

The Cards got 10 from Robin, including another homer — second of the night for Stan Musial, who also tripled. That was the 20th circuit job off Roberts in 17 games, well ahead of the pace that made him the league's gopher-ball king last season with 35.

Yet Roberts, who has lost six, is even with his winning pace of 1952 — the season he won 28. Roberts also won his 10th that year in his 17th game. The 28-year-old ace is working on his sixth straight season of 20 or more victories.

The Dodgers won behind Ed Roebuck's relief work after scoring an unearned run in the eighth on an error by Hal Jeffcoat, who lost in relief. The

EMERY FACES FARRELL TOMORROW AT WINDSOR MILLS

Burke Emery, hard-hitting light-heavyweight from Sherbrooke, faces tough Ossie Farrell, of Montreal, for the second time within a month at Windsor Mills tomorrow night. In their last fight, Emery was awarded the decision by the narrowest of margins. This bout, one of the two main attractions will be over the eight-round route.

In another eight-rounder, Marcel Piau, fistic pride of Windsor Mills and former Canadian amateur middleweight champion, tackles Bob Croxer, of Montreal. Piau has won five straight fights since turning pro and ranks with the best in the country at his weight.

Yvonne Turanne, Montreal, faces "Tarzan" Beaudet, of Sherbrooke, in a six-round middleweight scrap.

Other bouts on this well-balanced card are, Robert Piau vs. Bob Tessier; Ben Pelouquin vs. Leo Sawyer and "Killer" Cormier vs. Gilles Gamache.

The bouts are slated to get underway at 8:30 p.m. in the Canada Paper Mills Arena.

Game Called, Score 61-0

Battle Creek, Mich. — (AP) — Darkness finally took mercy Tuesday night on the hapless, baseball team sponsored by the Urbandale Kiwanis club.

When the umpire called the game at the end of the fourth inning, the Eaton Manufacturing Company nine was leading the Kiwanians 61-0.

Eaton pitcher Alan Gibbs had pitched a no-hit game to that point.

Frank Hayes Dies In New Jersey

Point Pleasant, N.J. — (AP) — Frank Hayes, 40, former big-league catcher died in hospital Wednesday.

Hayes had his greatest years as a battery mate for Bob Feller of Cleveland. He held the major league record of catching the most consecutive games—312. Hayes' streak started with the Browns in 1943 and continued with the Athletics and Indians through 1946.

DEAD-HEAT CLOSING TRIEME (FOURTH) POSITION

CLOSE FINISH — Prince Dillon Brooke, number seven, and Leon Dewy are caught by the photo finish but even at that it was impossible to determine what horse crossed the wire first. The judges ruled it a "dead heat" and split the two shares of the purse evenly for fourth place in the third race last night.

Quinella Pays \$102.40 For Top Price At Local Racing Fixture; Dr. Taylor Places Five In Money

Dr. Charles Taylor, the veteran driver from Ayer's Cliff, made his presence felt last night at the local racing oval when he teamed five of his entries into the money circle at the mid-week fixture of the Sherbrooke Racing Club.

Direct Song, a little black mare, placed second in the first half of the Trot and Pace event and then walked off with the favorite spot in the second half despite the heavy track. Dr. Taylor then drove Baden's Ray to finish second in both ends of the "D" Trot. He completed his evening's work in the mud when he drove Honor's Rogue under the wire in the closing class

The big upset of the evening was in the third race when the Desrochers brothers, Fern and Guy, finished first and second to pay the top price of \$102.40 for the quinella. Eddie McElwyn finished second while Prince Dale, Jr., came through in second spot to cause the upset. He paid \$27.30 place and \$14.20 to show.

The pickers of the daily double, Noreen Inworthy in the first and Del Miller in the second, gathered the sum of \$75.40 for their small investment. In the sixth the quinella, Thrifty and Baden's Ray, paid \$17.15 while in the final class of the night Honor's Rogue and Little Carmie were the favorites and only \$5.70 was collected by their backers.

In the fifth and eight races Miss Gisele Bing, the favorite of the class, failed to start as the little chestnut mare was injured when moving in by truck from Coaticook. Empire State also failed to start, leaving only five horses in the class. Only win and place bets were taken.

Durocher To Stay With N. Y. Giants

Minneapolis — (AP) — Rumors that he would leave the slumping New York Giants to manage the St. Louis Cardinals followed Leo Durocher to Minneapolis today where his team meets the Millers in an exhibition game.

"It just has to be no comment," Durocher said when asked if he had heard reports circulating in New York that he was going to leave the Giants.

The report was that Bill Rigney, a Giant infielder for eight years and manager of the Minneapolis club — a Giant farm — would move into Durocher's post at the Polo Grounds. Horace Stoneham, president of the Giants, said in New York Wednesday night:

"There is absolutely nothing to the story. I have never mentioned Leo's name to any of the officials of the Cardinals except in the usual course of baseball chit-chat."

Rigney also said he was in the dark. Durocher became manager of the Giants July 16, 1948, resigning as pilot of the Dodgers in a switch that startled the baseball world.

Eddie Stanky was fired as the Cardinals' manager May 28, and was replaced by Harry (The Hat) Walker, manager of the Cardinals' Rochester farm club.

Stan Musial, Cardinals, hit two home runs and a triple in four trips, but it proved too little in 9-6 defeat by Philadelphia.

Two Homers Stop Indians 4-0 In Pitcher's Duel

Three Rivers, Que. — (P) — Roger Amodio hurled a three-hitter and Rudy Paparella clicked for two homers Wednesday night as Three Rivers Phillies blanked Sherbrooke Indians 4-0 in the only Provincial League baseball fixture.

Rain washed out two other scheduled games. The St. John's at Burlington contest never got started while Quebec and Thetford Mines were forced to postpone their meeting after three innings.

Amodio pitched all the way for the victory. Loser Dick Raymond and his eighth-inning relief, Vic Kovacic, allowed only four hits between them, but walks made the difference.

Paparella's circuit hits came with one man on base in the fourth and with the bases bare in the seventh.

A crowd of 483 sat through one hour and 40 minutes of baseball, the shortest nine-inning game here this season.

Bobby Coates Hurls No-Hitter In Little League

No-hitters seem to be the fashion in the Sherbrooke Little League.

Last night, Bobby Coates set the St. Pat's White Sox down with nary a hit as Sherbrooke Optimists' Red Sox took a 6-1 verdict. It was the Red Sox' first triumph of the season.

The Red Sox jumped into a two-run lead in the second inning and added four more in the fourth. The White Sox pushed across their lone run in the bottom of the sixth.

The game was played at the Parade Grounds.

Tonight in the P.O.N.Y. League Kiwanis travel to Lennoxville while the Lions meet Rosenbloom's at Sangster Park.

Dow Downs Magog Hotel In Softball Fixture

Dow downed Magog House 5-1 in the only game played last night in the Senior Softball League. The game went only five innings being curtailed by rain.

The second game of the evening was also washed out.

Dow jumped into a two-run lead in the opening inning on 3 hits, and added three more runs in their half of the third. Magog House got their only run in the top of the fourth inning. Carmichael was the winning pitcher. Hebert being charged with the loss.

Next Monday night Dow plays Block-Vibre at 7:00 followed by Moulin Rouge going against No Claims in second.

No Question Of Fighting Moore, Says Marciano

Brockton, Mass. — (AP) — Rocky Marciano said Wednesday night "there's no question that arrangements will be made to defend my crown against Archie Moore in September," after watching Moore knock out middleweight king Bobo Olson on television.

"I thought Moore landed a good body punch which weakened Olson before landing the left hook that kayoed him," Rocky said.

"But that improved showing," Rocky added, "there's no question that arrangements will be made for me to defend my crown against Moore in September. However, those details are the responsibility of manager Al Weill. I expect a call from him tomorrow morning."

Ottawa Drops From Q. R. F. U.

Montreal — (P) — Ottawa Second Wednesday night formally announced their withdrawal from the Quebec Rugby Football Union but the Three Rivers football club came forward to fill vacancy in the four-team loop.

The executive empowered vice-president Myer Insky to survey football in Halifax with a view to possible future affiliation with the Quebec league. Insky will leave for Halifax next month.

A meeting of the executive was called for here July 5.

Once Again Difference In Weight Tells; Moore Puts End To Olson In Third; Ready For Marciano

New York — (AP) — Archie Moore's explosive punches today, had accomplished what all his oratory couldn't — earned him a shot at Rocky Marciano's heavyweight crown.

The 38-year-old light-heavyweight champion wrote success to his long campaign for a crack at Marciano with three punches. The right, right and left to the jaw demolished middleweight king Bobo Olson in 1:19 of the third round at the steaming Polo Grounds Wednesday night and set old Archie on the path to a September title scrap.

"I guess that's it, the end of my long campaign," said Moore. "They can't duck me now. Marciano is a great fighter. But any man I can hit, I can lick — and there's not a man I can't hit. That goes for Marciano. I think I can beat him and knock him out."

There's still a little dickering to do before a Marciano-Moore fight is signed and sealed but promoter Jim Norris left no doubt as to what's coming next:

"It's got to be those two," said the president of the International Boxing Club. "It will draw three-quarters of a million dollars. I'll sit down and talk to Al Weill (Marciano's manager) and Charley Johnston (Moore's manager) in the next few days."

Marciano, who watched the fight on television at his Brockton home, said, "There's no question that arrangements will be made for me to defend my crown against Moore in September."

The crestfallen Bobo, beaten for the first time in more than three years, moved back into his own division. He didn't even wait around to talk to reporters but rushed to Idlewild field for a plane to San Francisco.

The first hard blow of the fight started the blown-up middleweight king on the way out. It was a jarring right to the jaw that shook Bobo from head to heels.

Another swift right thudded against Bobo's jaw and then a left hook dropped the jiggling Hawaiian on his back.

He tried desperately to get to his feet, but his brain was numbed and his legs wouldn't respond as referee Ruby Goldstein tolled the full count.

Nothing much had happened in the first two rounds except

Unseeded American Gil Shea Upsets Favorite Vic Seixas At Wimbledon; Drobny And Rosewall Move Ahead

Wimbledon, England — (P) — A young unseeded American Gil Shea of Los Angeles, tripped up third-seeded Vic Seixas of Philadelphia Wednesday as the seven other seeded players passed the second-round of the men's singles in the all-England lawn tennis championships without mishap.

The 26-year-old Shea set back the 1953 Wimbledon champion 3-6, 6-4, 6-4, 4-6, 6-4 before a record crowd.

Among the favorites, only defending champion Jaroslav Drobny of Egypt and second-seeded Ken Rosewall of Australia had any difficulty in winning their matches.

Drobny fought an evenly-matched game with Australia's Mervyn Rose until the third set when the younger Rose, unseeded for the first time in years, fell apart. Drobny won 6-4, 3-6, 11-9, 6-4.

Rosewall led a set to a fellow Australian, George Worthington, in winning 6-0, 5-7, 6-1, 6-2.

Fourth-seeded Lew Hoad, usually a slow starter, lost no time in whipping the Belgian Davis Cupper, Philippe Washer, 6-1, 6-3, 6-2 and top-seeded Tony Trabert of Cincinnati breezed past Trevor Fancutt of South Africa 6-1, 6-2, 6-2.

The seventh-seed, Budge Patty of Los Angeles and Paris, 1950 champion, took a 6-0, 6-4, 6-3 victory over Peter School of Germany.

Sweden's Sven Davidson, eighth-seeded, defeated the Argentine giant, Enrique Moreau, 6-4, 6-4, 6-2 and Australia's Rex Hartwig turned back Britain's Gerald Oakley 6-0, 6-4, 6-3.

Among the non-seeded players Herbie Flam of the United States, who beat Bob Bedard of Sherbrooke, Que., Monday advanced into the third round when 20-year-old Gordon Forbes of South Africa defaulted because of the death of his father.

Others, who came through, were last year's finalist Kurt Nielson of Denmark, Giuseppe Merlo of Italy, Adrian Quist of Australia and Luis Ayala of Chile.

Completing the first round of the women's singles, Hungary's 35-year-old Suzi Kormoczi upset Britain's Angela Mortimer, fourth-seeded, 7-5, 6-2.

Waterloo Club Conducts Annual Family Service

Waterloo-- The Waterloo Kiwanis held its annual family church service in St. Paul's United Church. The entire service was arranged and conducted by members of the club, with the pastor of the church, Rev. Colin West, officially welcoming the members and offering prayer.

The speaker, Rev. Art Spent, a hard working member of the club, was the guest speaker. His subject was "Life Elusive Ingredient," which he described as service. "We must give ourselves to the complete service of God, and be so content with the results," stated the speaker.

The choir, under the direction of the organist, Kiwanian Roger McKergow, was made up entirely of Kiwanians, numbering seventeen. Strictly non-denominational in character, there were members of the United Church, Adventist Church Anglican Church, Catholic Church and Russian Orthodox making up the choir.

Familiar hymns were sung during the evening, and the offering was received by four Kiwanians, Pete Gunter, Fernand Bouchard, Pete Hulet and Les Hopperton. President Al Grainger read the lesson.

The Sunday School of St. Paul's

OUR BOARDING HOUSE with Major Hoople

United Church came to a close for the summer months with the holding of a successful picnic. The day, while hot, was perfect for such an outing, as over 100 children met at the private beach at Chrystal Lake in Eastman for a happy occasion.

Following a short swim, lunch was served, during which soft drinks and ice cream cones were furnished by the Sunday School. Immediately following the picnic, games were organized for children of all ages and prizes were distributed to all children present.

At the last session of Sunday School awards for attendance and co-operation were made. The superintendent, Roger McKergow, presided over the distribution and 92 children received either a diploma or seal.

Two members of grade 11, as is the practice in St. Paul's School, were remembered and Miss Janet Russell and Mr. Roland Jackson, who is the school's

secretary treasurer, received suitable gifts.

Mr. McKergow, who after three years' service as superintendent, is resigning office, was presented with a gift by Rev. Colin West on behalf of the staff and members of the Sunday School. Mr. McKergow warmly thanked all for their thoughtful gesture, and at the same time thanked all his teachers and officers for their untiring and patient work during the past three years.

A successor to Mr. McKergow has not been named as yet by the Board of Sessions.

KING COLE COFFEE

For forty years the favourite!

When children's eyes are bigger than their stomachs

There is no need now to administer drastic, old-fashioned laxatives which may shock a child's system and leave them feeling weak and listless. Try the new modern help—Children's Own Tablets—your assurance of a reliable product. They go to work at once to help sweeten the stomach, relieve distress and bring about a thorough performance of the bowels in a gentle manner. Get a package today at your drugist.
