World News In Brief

MIAMI BEACH, Fla. (AP) — The AFL-CIO announced plans Wednesday to shoot 120 organizers into a campaign to organize some 14,000,000 white collar workers.

The drive to organize store clerks, bank and insurance company employees, factory office help, and state, county and municipal government workers was approved by the AFL-CIO executive council.

UNITED NATIONS, N.Y. (AP) — Gen. Raymond Wheeler Wednesday night expressed hope the Suez Canal will be open by the middle of May. Gen. Wheeler, chief of the United Nations salvage operation on the canal, said: "If everything goes all right, and I am confident it will, the canal will be completely open for its entire width by the middle of May."

GEORGETOWN, British Guiana (AP) — Patients at the east coast leper colony demonstrated Wednesday following a strike by the staff against the employment of a former inmate. A long line of placard-bearing leprosy sufferers paraded through the adjoining Mahaica village, causing residents to rush indoors. Hospital authorities said the former patient who was given a job on the leprosarium staff is cured of the disease.

BONN (Reuters) — Berlin was named the capital of West Germany in a resolution overwhelmingly passed Wednesday by the West German parliament. Two other resolutions approved called for the construction of a parliament building to house West Germany's parliament in West Berlin and the drawing up of plans to move the Bonn ministries and other federal offices to Berlin as soon as possible.

LONDON (AP) — The House of Commons passed a bill Wednesday night to restrict the death penalty in Britain to murder which clearly threatens law and order. It now goes to the House of Lords for approval before becoming law. In June, 1956 the Commons voted for the complete abolition of capital punishment only to have the bill overturned in the House of Lords.

NEW YORK (AP) — American newspaper publishers Wednesday protested government restrictions against letting American reporters go to Communist China — or any other country with which the U. S. is not at war. Their resolution said American concerns should be given "freedom to travel" to "any country in the world with which the United States is not at war."

LONDON (Reuters) — A total of 31,670 Britons emigrated to Canada by sea in the first nine months of last year, C. J. M. Alport, undersecretary of state for Commonwealth relations, reported Tuesday. Alport said the numbers for Australia were 25,344, and for New Zealand 8,330.

BERN, Switzerland (Reuters) — Markus Feldmann, chief of the Swiss department of justice and police, said Wednesday "a number" of Hungarian secret service agents, who came into the country with Hungarian refugees, have been expelled. He said Switzerland will await a proper international plan for repatriation of Hungarian refugees before admitting any more. A total of 11,000 already are here.

Lilli, Rex Part
JUAREZ, Mexico (Reuters) — Actress Lilli Palmer was granted a Mexican divorce Wednesday from British actor Rex Harrison on the grounds of incompatibility, ending their 13-year marriage.

Own Atomic Warheads

Britain May Get U.S. Missiles, A-Weapons

LONDON (AP) — Authoritative sources say the United States may furnish Britain both guided missiles and artillery weapons to be fitted with British-made atomic warheads.

Mindszenty Is 'Kept Out' Of Politics

BUDAPEST (Reuters) — A United States diplomat said Wednesday night "everything practicable" is being done to prevent Josef Cardinal Mindszenty from using the U. S. Legation as a "base for conducting political or related activities."

The 64-year-old Primate of Hungary has been living in the legation since he sought asylum Nov. 4 when Soviet troops attacked Budapest to crush the Hungarian uprising.

The U. S. Legation made a statement after the official Hungarian Communist newspaper Nepszabadsag charged that the Primate is sending communications from the legation by messengers.

The newspaper complained that between Nov. 5 and mid-December he dismissed 18 "democratic-minded peace priests."

Wrong Way Round For This Housewife

TOKYO (Reuters) — A doctor Wednesday informed a 35-year-old housewife that all her internal organs, including her heart, stomach and appendix, were on the opposite side of the body to their normal position.

The discovery was made when she underwent a recent x-ray. She is in perfect health.

Moscow Goes Huckster

Spy Charges Get Slick Treatment

MOSCOW (AP) — The Madison Avenue treatment has been applied with a heavy hand to Moscow's newest spy charge.

With television cameras trained on an elaborately prepared stage setting, the foreign ministry presented a three-hour espionage activity claim against the United States. Featured were four live "spies."

The whole production smacked of the high-pressure sales and advertising techniques which New York's Madison Avenue is supposed to symbolize.

L. F. Ilyichev, head of the foreign ministry press department, conducted the lengthy presentation Wednesday before a press conference attended by some 200 Soviet and foreign reporters. Televised and broadcast live for the Moscow area, it also was filmed for later showings elsewhere in the Communist bloc.

Ilyichev charged that the U.S.

Defence Minister Duncan Sandys, just back from talks in Washington, told the House of Commons Wednesday that the two governments are studying "a possible scheme for the adoption by Britain of certain American weapons."

Sandys declined to give full details, but the informant's gave this picture of what may result from the talks:

1. The British will have to fit their own atomic warheads to any American weapons they obtain for use by strictly British military units. U. S. law prohibits turning over atomic weapons to other countries.

2. U. S. artillery units equipped with atomic warheads may be assigned to support British divisions or for temporary integration into British outfits.

3. The Americans agreed in principle to help Britain cut its \$4,000,000,000 annual defence budget and revamp its military manpower program.

4. Britain may streamline its four divisions in West Germany in accordance with requirements of the nuclear age. Their total may be cut from 80,000 men to 50,000.

Sandys told the Commons particular attention was given in the Washington talks to guided rockets and the possible adoption by Britain of "certain American weapons." He declined to say whether these would include the American intercontinental ballistic missile or the intermediate range ballistic missile.

Informants said the present negotiations concern shorter-range weapons.

falling into the spy business through U. S. inducements that included drinking, gambling, swearing and visits to houses of prostitution.

The four identified themselves as Nikolai I. Yakuta, Mikhail P. Kudrayavtsev, Adam L. Novikov and Konstantin I. Khmelitsky. They said they fell into German hands during the war, began working for U. S. intelligence agencies in post-war Germany and were trained by U. S. espionage schools there.

They surrendered or were captured in the Soviet Union between May, 1953 and April, 1954. Ilyichev said "imperialist aggressive forces" in the U. S. are operating under the guise of all sorts of private committees, foundations and unions. He named the Ford, Rockefeller, East European and Carnegie foundations as well as the Crusade for Freedom, which operates Radio Free Europe.

Reading from prepared statements under the glaring TV lights, the four told stories of

UN Asks Israel To State Case

UNITED NATIONS (AP) — Israel's conditions for pulling out of Egypt and the Gaza Strip have brought a counter-request from UN Secretary-General Dag Hammarskjöld that the Israelis spell out their own intentions.

Hammarskjöld disclosed Wednesday night that he had asked Israeli Ambassador Abba Eban to find out from his government:

1. Whether Israel will allow the UN Emergency Force to post troops on its side of the Egyptian-Israeli armistice line.

2. Whether Israel recognizes that the General Assembly resolutions passed last week-end call for the Israelis to withdraw their administrative units as well as their troops behind that line. Israel has such units in the Gaza strip and has proposed continuing her administration of that disputed area even if her troops pull out.

Hammarskjöld had separate half-hour interviews with Eban and Egyptian Foreign Minister Mahmoud Fawzi. There was no indication, however, that Egypt would give any assurances or had been asked for any.

Egypt and other Arab states meanwhile pressed for an early meeting of the General Assembly to put more pressure on Israel.

A UN spokesman said the assembly probably will meet early next week and added that Hammarskjöld is expected to issue a report on the situation before then.

Arab sources claimed fast-growing support for a move to slap a UN-backed economic embargo on Israel for not heeding the assembly withdrawal requests. One source close to the Egyptians said a resolution is in preparation which will call for stiff measures against the Israelis.

Also in the UN: British and French delegates asked Hammarskjöld for an early resumption of negotiations toward a Suez Canal settlement.

The United States lined up with France in the Algerian debate before the assembly's political committee. The chief U. S. delegate, Henry Cabot Lodge Jr., opposed an Asian-Arab resolution to ask France to negotiate at once with the Algerian rebels on self-determination for the North African territory.

Social Credit To Fight Council In Election

OTTAWA (AP) — The Social Credit party may try to make the Canada Council an issue in the federal election expected this spring.

A strong indication to that effect was given in the Commons Wednesday by Social Credit Leader Low as the House approved introduction of a bill to establish the culture-promoting council.

He said he will oppose most strenuously any attempt to impose "canned culture" on Canadians. Improvements in social

House Cat — Mrs. Glenn Diel, Anchorage, Alaska, choose the real McCoy for a house pet. The huge cat, which Mrs. Diel bought for \$1,000, is the first of her kind in Alaska. It has taken the neighbours a little while to get accustomed to it.

Harris Plays Coy With Opposition MPs Over Budget Date

OTTAWA (AP) — Finance Minister Harris has told the Commons he "cannot even hazard a guess" when he will bring in a new budget.

He made the statement Wednesday during a series of replies to persistent opposition questioning on whether he will present a budget before dissolution of Parliament and the next federal election. His answer left the Commons guessing.

The Minister said he had not intended his statements to be taken as meaning there will be no budget before this session ends. But he made no flat commitment that there will be one.

Opposition Leader Diefenbaker began the exchange by asking for assurance that the budget will be brought down "in ample time for us to have a full discussion" before dissolution.

Mr. Harris replied: "I have not completed work on the budget, and at the present time I cannot even hazard a guess as to when I shall deliver it."

Donald Fleming (PC-Toronto) asked Mr. Harris whether he intends to present a

budget this session and whether there will be the eight days of budget debate stipulated in Commons rules before dissolution of Parliament for an election.

Mr. Harris said that "under ordinary circumstances I would expect to deliver a budget during this session of Parliament." But work on the budget had hardly started.

Mr. Diefenbaker questioned Mr. Harris after he had asked Prime Minister St. Laurent to ensure that there would not be a sudden dissolution before the budget could be debated "in view of the fact that it is generally predicted that the major portion of the electioneering will be done in the budget."

Mr. St. Laurent replied that it is usual for the Finance Minister to announce the date he will bring down the budget. He added: "I do not think it is proper to regard the budget as part of electioneering."

Watch Your Feet!

OKLAHOMA CITY (AP) — Dr. F. V. Wade says that men who accidentally trim their feet while they try to trim their grass with power mowers are becoming a major medical problem.

Hubby For Merle

MEXICO CITY (AP) — Bruno Pagliai, Italian-born Mexican industrialist, said Wednesday he plans to marry film actress Merle Oberon soon but the time has not yet been decided. It would be his third marriage.

In other Parliamentary business, Trade Minister Howe informed the Commons Israel has cancelled its contract with Canadair Ltd., Montreal, to buy 25 Sabre jet fighter planes. An export permit for the \$7,200,000 order was suspended by the Canadian government when Israel invaded Egypt last October.

In the Canada Council debate, Prime Minister St. Laurent came under criticism from both Mr. Knowles and Mr. Low for his disclosure Tuesday that federal succession duties from the estates of two multi-millionaires totalled just under \$100,000,000.

The estates were those of Sir James Dunn, president of Algoma Steel Co. of Sault Ste. Marie, Ont., and Isaac Killam, Montreal, investment dealer.

Quebec Legislature Approves \$88 Million For Highway Works

QUEBEC (AP) — The Legislative Assembly yesterday voted credits of the Roads Department totalling \$88,295,000 for the coming fiscal year beginning April 1.

Roads Minister Antonio Talbot said the government would concentrate its road-building and repairing activities on the province's main highways during the coming year. He forecast an expenditure of \$50,000,000.

The roads budget is the largest ever authorized by the Legislative Assembly.

Discussion of credits gave rise to a series of points of order and decisions of Chairman Daniel Johnson of the Assembly's committee of supply.

Rene Hamel, acting Liberal leader, complained the Opposition was unable to obtain detailed information on the government's roads program.

Mr. Talbot began reading a list of projected works and Premier Duplessis halted the discussion saying the \$50,000,000 was a statutory provision which did not require the Assembly's approval.

He said the provision was listed in the government estimates for the information of the Assembly because the statute authorizing roads expenditure set no limit. Theoretically the government could spend any amount, even \$60,000,000, without seeking approval.

Mr. Hamel objected strenuously, saying parliamentary prerogatives were trodden under foot by the government.

Chairman Johnson said he continued on page 5

Those Thin Walls So Embarrassing For The Women

NEWCASTLE, Eng. (Reuters) — A group of housewives living in municipal apartments here have petitioned the local council for thicker walls because they are embarrassed by the sound of gossip and love-making in next-door rooms.

Their five-page petition says "We have lost our privacy because of this lack of sound-proofing."

The women say they cannot help hearing what the woman next door says about them.

But worst of all, they can hear the "sweet nothings" whispered by neighboring new-lweds.

Prison Hostages Released After Night Of Terror, Riot

POINT OF THE MOUNTAIN, Utah (AP) — Rebellious convicts surrendered early today the hostages after a night of terror.

Senator Blasts U.S. Oil Men

WASHINGTON (AP) — Senator Estes Kefauver (Dem., Tenn.) said today that if the voluntary program for increasing oil shipments to Europe doesn't work better, "it is going to have to be made a government program."

Kefauver voiced criticism of gasoline and oil price increases put into effect in the U. S. since the program started, and of the failure to attain the 500,000-barrels-a-day goal set for shipments of crude oil to Europe.

The hostages began filing out of the prisoner-controlled section early this morning. Billy Randall, a spokesman for the convicts, and seven or eight other prisoners accompanied the hostages into the administrative section. One freed guard was crying.

Randall said: "We were given assurance that if we turned the hostages loose, no one would be actually punished."

The riot started in the prison mess hall during the dinner hour Wednesday night. The prisoners surged through the corridors of the detention section. They captured 13 members of a church basketball team in the midst of a game with the prison team, four prison school teachers and at least 500 prison guards.

The 500 convicts smashed windows and many of them went on a tremendous binge of rubbing alcohol drinking. An explosion in the heating plant put out the lights.

The hostages were not harmed.

New Red Weapons To Egypt

WASHINGTON (AP) — Russia is reported to have resumed arms shipments to Egypt in recent weeks in what appears to be a move to rebuild President Nasser's battered armed forces.

U. S. officials who disclosed this today said, however, they could not be sure whether the shipments represent a new purchase or additional deliveries under a \$250,000 contract disclosed in September, 1955. There have been rumors of a second deal.

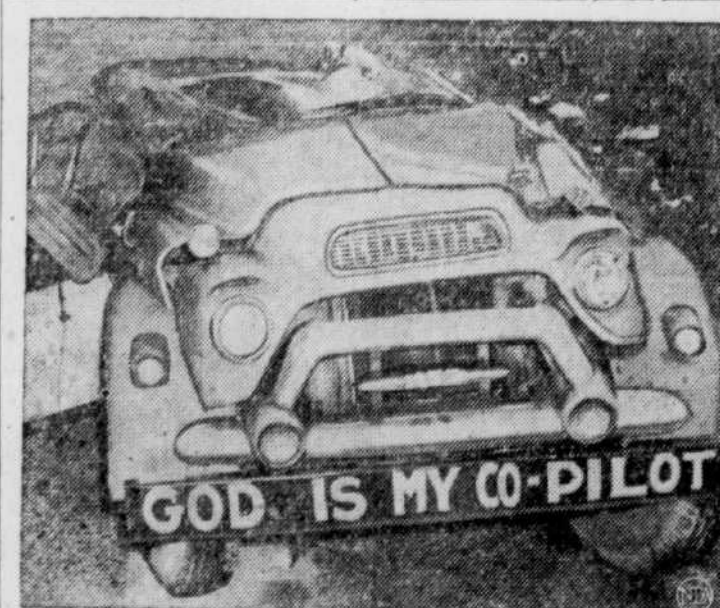

The officials said they have what they regard as satisfactory evidence that Soviet deliveries include medium tanks, artillery, personnel carriers and probably Russian jet fighters.

These weapons are understood to have been secretly unloaded from communist ships at Alexandria. The new shipments all have arrived since the Middle East fighting ended.

Any new Soviet arms shipments to Egypt would be a violation of a United Nations Assembly ceasefire resolution which called on all countries to refrain from introducing new war materials into the Middle East area.

The Children's Friend

CHICAGO (AP) — Little Johnny should get his teeth drilled on school time — not on his own play time — a dentist said Wednesday. Dr. Stanley R. Korf of Chicago said children need play and activity after a hard day at school. They don't respond well to dental treatments at that time, he added.

Driver Escaped — The legend on the bumper of this truck tractor seems a little outspoken. However, the driver escaped by leaping clear of the cab seconds before his rig careened down an embankment near Gainesville, Ga. The trailer squashed the cab but the driver suffered only minor bruises.

Late Bulletin

PETERBOROUGH, Ont. (AP) — Senator Joseph James Duffus, 80, a Liberal, died today. His Senate seat was about to be declared vacant because of his absence through illness.

Annual Reports At High Forest Red Cross Meeting

HIGH FOREST. — At the annual meeting of the Red Cross, Mrs. James McBurney assisted by her daughter, Mrs. Eric Wilson, served dinner to the 18 members present.

The business meeting was presided over by the president, Mrs. K. McBurney. The secretary, Mrs. J. McBurney, read the minutes and the correspondence and then gave the report for the past year showing 16 meetings held with an average attendance of eight; two boxes of work sent to Montreal and one to the Cecil Memorial Home at Austin.

The treasurer reported all bills paid and a good balance on hand. Fifty pieces of sewing were done, two large quilts and three crib quilts, two more tops are ready to be put together and will be completed at the next meeting. Seventy knitted articles were made during the year.

Miss Margaret Wilson brought in the slate of officers which was accepted as follows: President, Mrs. Harry French; vice-president, Mrs. L. Mackay; secretary, Mrs. V. Wilson; treasurer, Mrs. John McBurney; sewing convenor, Mrs. K. McBurney; quilts, Mrs. James McBurney; knitting, Mrs. Frank McConnell; cheer, Mrs. F. McConnell; and boxes, Mrs. V. Wilson. Miss Margaret Wilson then moved a vote of thanks to retiring officers.

The secretary was asked to send a report of the work to the East Clifton Council and also to write for donations. More yarn is to be ordered for knitting and flannelette bought for infants' wear. It was also decided to help a family who have had sickness in the family. Mrs. James Mc-

Burney donated a child's sweater which she had knitted.

Mrs. McVety was remembered with a card as she still has an interest in the branch though unable to attend.

The meeting closed and will meet with Mrs. Frank McConnell on Feb. 13, at the noon hour.

COWANSVILLE —

Those attending the C.G.I.T. conference in Montreal from here were Miss Noreen Crick and Misses Helen Mason, Marilyn Mahannah, Penny Redmile and Janet Carter.

The Friendly Society of Trinity Anglican Church met in Trinity Memorial Hall. Plans were made for a Fashion Show to be held towards the end of February. After routine busi-

ness, refreshments were served by the hostesses, Mrs. Winch and Mrs. George Baker.

DUBLIN RANGE —

Mr. Dan Melrose and daughter Rena, accompanied Mr. Clayton Melrose to Sherbrooke where he is under the care of Dr. Cadman. They were also guests of Mr. and Mrs. R. A. Owen, of East Hereford.

Mr. Hubert Cook, of Inverness, was a recent guest of Mr. and Mrs. Robert Leith. Miss Dona Learmonth, of Milby, was also a visitor at the same home.

ISLAND BROOK —

Friends of Mr. Roy Westgate will be sorry to hear he is in the Sherbrooke Hospital.

Minstrel Show Well Received In Danville High

DANVILLE — Danville residents were treated to a most enjoyable evening recently when the Richmond Danville Young People's Union presented "The Hobo Minstrel Show" in the A. D. S. High School.

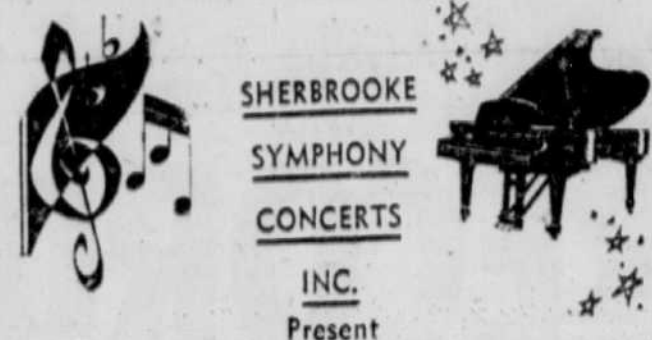

It is difficult to believe that the towns of Richmond, Asbestos and Danville abound with so much talent of professional calibre. Since the advent of T. V. any form of amateur entertainment has faded into the past, but after seeing Mr. Bones and his many friends again it is hoped that "The Hoboes" will only be the first of a long line of successful productions.

The duties of M. C. were ably handled by Roland Dewar. The program is as follows: Skits "Mock Wedding" directed by Myra Whitman; "Mr. and Mrs." with Claudia Villeneuve and Ronald Evans; "Criminal Lawyer at Home" with Murdeena Horan; "Sheila Barclay an Clair Horan"; "Two Boys meet Girl"; Loraine McQuat, Brian Gee and Gordon Alexander.

Piano selection by Claudia Villeneuve, "Tchaikovsky's Concerto 1 in A Minor, Solos, Brian Gee, "Look for the Silver Lining" "Making Whoopee", Mrs. Elleen Rattray, "Trees" and "Singing the Blues", Donald Chamberlain, "Cheer Up Chillum", "Margie"; Clair Horan, "Two Different Worlds"; Nancy Gleason, and "Cindy", by Roland Dewar.

A duet sung by Judy and Barbara Jean Barlow were "Till We Meet Again", and Judy Barlow and Ronald Evans, "Whispering Hope". The Trio consisting of Myra Whitman, Pat Grant and Nancy Gleason sang "Dear Hearts and Gentle People." Selections sung by the chorus consisted of "Sentimental Journey", "Carolina Moon", "I'm Always Chasing

Rainbows", "Whiffenpoof Song", Villeneuve gave an enjoyable demonstration of tap dancing. Miss Helen Armstrong acted as accompanist for the evening. During intermission candy was sold by the C. G. I. T.

Parson's Night Observed At Local Snow Shoe Club

"Parson's Night" was observed at the Sherbrooke Snow Shoe Club last night when approximately 85 members and guests were in attendance to enjoy the program which featured the local Parsons.

Those seated at the head table with President Art Wright were, Lt. Edson Warner, Max Long, Stan Lotherell, Rev. Ron Reeve, Ron Cotterell, Rev. Henry Matthews, Rev. Sydney Garland, Rev. Frere Kennedy, Rev. Jos. Boucher, Rev. F. R. Matthews, Gerry Dillon and Alec Rowat.

Reports were submitted by Treasurer Stan Lotherell, Captain John Bryant, Ski Captain Len Gillam, Fred Barton-Slater reported on attendance, George Jobel and Past President George Lotherell reported on the progress of the heating fund campaign.

Howard Woollierton volunteered to operate a pocket book exchange and was nominated Club Librarian. Proposals in connection with amendments to the Constitution and By-Laws were submitted for a later vote.

The guest speaker, Lt. Edson Warner was introduced by Gerry Bishop, Lt. Warner, well-known local and international marksman reviewed competitive rifle and handgun shooting and displayed some of his guns. Highlight of his address featured the actual shooting of a muzzle loading rifle of the type used in the American Civil War. Howard Woollierton thanked the speaker.

Rev. Ron Reeve acted as M.C. for the Parsons program which took the form of an imaginary radio broadcast. Rev. Frere Kennedy played a musical selection on the piano and was presented with a toy violin for his efforts. Rev. Jos Boucher related several humorous stories and was matched story for story by Rev. He joined the Company in 1910 as assistant night operator at Sherbrooke and later served as brakeman, yardman and gagaman on the Farnham Division before he was promoted trainman in 1940.

On hand to greet Mr. Vezina when he detrained were: W. Presley, assistant superintendent, St. Luc Yards; J. A. Lemire, station master; V. A. Avery, conductor; A. G. Greenshields, trainman, and Q. Basilio, news agent.

Added Benefits Are Accorded To Magog Workers

MAGOG (Special) — Some 700 employees of the local plant of the Dominion Textile Company, who were idle for seven weeks during December and January as the result of a work stoppage by 75 warp weavers, are entitled to four weeks' unemployment insurance benefits, according to an announcement made this morning by L. P. Gosselin, manager of the local National Employment Service office.

Originally it was ruled by the local officials that the employees were entitled to only one week's compensation. But following representations made in Ottawa by Mayor Maurice Theroux and Father Origene Vel the rules covering the waiting period before the receipt of benefits have been amended.

Heward Graffey Named By Brome Missisquoi Tories

COWANSVILLE. — (Special) — Heward Graffey, young businessman, was the unanimous choice of the Brome-Missisquoi Progressive Conservatives as their candidate in the approach-

S. Taylor, speaking for the 2nd Lennoxville Boy Scouts group committee extended thanks to the people of Lennoxville who made the recent paper drive a success.

In particular he mentioned the Union Screen Co., John Nichol and Sons, Hunting's Dairy Ltd., and the Town Council for the use of trucks.

He also extended a special word of thanks to the employee of the Edgar and Simmons Co. who returned to the depot after regular work hours to help unload two trucks. He also mentioned the people who gave advance information as to the location of large quantities of paper.

The committee, he said, apologizes to any household whose paper was not collected. Three streets were not visited because of a shortage of trucks, he explained.

Tentative Plans For Ulverton W. A. Activities

ULVERTON — At the United Church W. A. meeting the devotional period was taken by Mrs. C. Martin and the business session was presided over by the president, Mrs. Donald Smith.

A letter of thanks was read from St. John's H. for donations received, and it was announced that the Presbyterian meeting will be held in Sherbrooke February 12th. The W.A. will have a birthday box with Mrs. F. Doyle in charge.

Plans were made for a St. Patrick's Tea and food sale to be held Thursday, March 14th.

Mrs. Goodhue, social convener, gave the following suggested plans for the rest of the year. At the April meeting in the 23rd, the members will donate \$1.00 each, an auction sale will also be held.

In May a food sale will be held in Richmond, June, a baked bean supper; July, a strawberry and ice-cream social; August, a fashion show and a rummage sale; September, harvest supper or a collection; October, catering and the latter part of the month a tea and bazaar; November, tea and small sale.

A letter was read by Mrs. Cripps, who is on the patronage committee.

The meeting closed with prayer followed by afternoon tea.

Charter Bill Approved By Upper House

QUEBEC — (Special) — The private bills committee of the Quebec Legislative Council, Quebec's upper house, yesterday gave approval to the City of Sherbrooke's private bill providing for certain amendments to the municipal charter.

The Councilors offered no amendments to the bill as it came from the Legislative Assembly and all that awaits the measure to make it law is the formal third reading and signature by the Lieutenant Governor.

The main provision of the bill defers the date of the civic elections from the last Wednesday in April to the second Wednesday in October, effective in 1958.

The bill as originally presented to the Legislative Assembly proposed that the change in election date become effective this year.

Two clauses were struck out of the original bill by the Assembly's private bills committee — the first asking permission to levy a tax of three per cent on pari-mutuel betting at the local race track and the second to impose a water tax of twelve dollars annually on vacant lots.

The Sherbrooke bill was sponsored by Hon. Jacob Nicol and explained to the committee by Mayor Armand Nadeau, who was accompanied by City Treasurer Pierre Bachand.

The mayor acted as spokesman as City Attorney Albert Rivard is in Ottawa appearing before the Supreme Court of Canada in connection with litigation over the taxation of industrial machinery for education purposes.

Community Club At North Hatley Sponsors Party

NORTH HATLEY — The North Hatley Community Club sponsored a benefit card party in the community hall the proceeds of which were given to the Lennoxville Wing of the Ladies' Auxiliary of the Sherbrooke Hospital.

Bridge and 500 were played and the special feature of the evening a Chinese auction, proved to be highly successful. The event was well attended and over \$190 was realized.

Mrs. C. J. Reed convener, was ably assisted by Mrs. Lawrence Taylor and Miss Hazel Cinnamon. The distribution and sale of tickets was in charge of Miss Emily LeBaron, and refreshments, Mrs. R. Reed. The Chinese auction had been arranged by Mr. Stanley Cuthbert, who acted as auctioneer, with Mr. B. Hopcraft as his cashier.

Mrs. R. W. Bowen, treasurer of the Club was cashier at the door. Several large items were auctioned off by Mr. Tom Andrews.

The prizes in bridge were won by Miss Margaret Phillips and Mr. C. J. Reed, and in 500 the lucky winners were Mrs. Lawrence Bennett and Mr. E. Nelson.

The committee in charge gratefully acknowledged the co-operation and interest of all, and of the support of merchants and friends of North Hatley and out of town, all factors combining to make this a most successful endeavor.

Canadian Artists — Miss Fernande Chiochio, left, and Miss Claire Duchesneau, both of Montreal, are two of the artists who will appear with the Sherbrooke Symphony Orchestra in a program of opera on Tuesday evening in the St. Charles' Auditorium. The second concert of the series is featuring all Canadian artists and a Canadian written Cantata in a program differing considerably from the usual Symphony presentations. Sylvio Lacharite will conduct.

Thirty Restaurant Owners Appear On Pinball Charge

Four of 30 establishment owners where pinball machines were seized in a raid by Provincial Police last year were fined \$80 each, including court costs, and had their machines confiscated, as they appeared before Judge Joseph Marier in Court of Sessions this morning.

Twenty-six more are scheduled to appear this afternoon and tomorrow on similar charges. The accused are owners of restaurants and the like from Sherbrooke, Magog and Bromptonville.

Last December, Provincial Police authorities raided establishments in various communities of the Townships seizing about 100 machines totally valued at \$100,000.

The formal charge laid against the owners was illegally running gambling houses by operating pinball machines.

Crown Prosecutor Roland Dugre suggested that flat fine of \$80 be levied with the court costs included. The fine used to be \$50 with court costs, bringing the total fine to some \$75, he added. He also recommended that the machines be confiscated.

The four owners who appeared this morning were Jacob Batrice, J. A. Beaudoin, Claude Frechette and Bob Zako.

Japanese Want Okinawa Back

TOKYO. — (Reuters) — Japan Wednesday made a new bid to regain Okinawa, America's chief hydrogen bomb base in the Far East.

Foreign Minister Nobusuke Kishi told the Upper House of Parliament it is the "general wish of the Japanese people" that the 140 islands in the Ryukyu chain and the volcanic Bonin Islands be returned to Japan by the U.S.

The Alliance Restored

Restoration of cordial relations between Britain and the United States bodes well for the future of the Western alliance and the free world.

British Defence Minister Duncan Sandys said on his return to London from his talks in Washington and Ottawa that the Americans seemed anxious to restore the "special and intimate relationship between our two countries which was momentarily interrupted by recent events."

The recent events he referred to were Suez and its aftermath. The split which took place then among the Western allies shook the free world. A cold chill was sent through the capitals of the Atlantic alliance when the United States and the Soviet Union voted together in the United Nations against Britain and France.

As a result of the economic setback caused by the failure of the

Anglo-French invasion of Suez, Britain has decided to cut its defence spending. The cuts might have been inevitable, but Suez certainly brought into sharp focus for the British people the cost of maintaining extensive commitments at a time when their economy was hard pressed at home.

Mr. Sandys took back with him the welcome news that the United States understands now the reason for these defence cuts. Closer co-operation between the two countries in the field of defence—presumably a franker exchange of information on new weapons such as nuclear arms and guided missiles—will result.

The renewed co-operation between Britain and the United States will also give Canada an opportunity to shoulder a greater share of the responsibility which it has inherited as a result of the Suez crisis.

An Old Canadian Custom

Pravda, the newspaper of the Soviet Communist Party's central committee, complains that party workers are standing idly by while Russian citizens are being corrupted by anti-Soviet elements.

"Some people in our country," Pravda says, "are trying to make use of existing difficulties and deficiencies for their own anti-Soviet purposes by spreading all kinds of provocative rumors under the guise of criticism and self-criticism and slogans of struggle for democracy."

Stripped of its party doubletalk, the complaint seems to boil down to the fact that the Russian people are indulging in that time-honored pastime

of grumbling and blaming the government when things go wrong.

Canadian politicians, who have been putting up with this sort of "subversion" for years, may wonder why the Kremlin is making such a fuss. But this old Canadian custom is new to the Russians. Under Stalin's rule, the downtrodden Soviet citizen didn't dare grumble out loud. If the police didn't get him, his own children—trained to squeal on their parents—might.

We don't know how long grumbling will be tolerated in the Soviet Union. But in the meantime, we welcome the Russian people to the Ancient and International Order of Grouchers.

Hobo Becomes A Bum

It's a little early for talk of baseball even among those who imagine that if you turn TV on in winter you'll just get a picture of an empty ball park. But sometimes events simply demand attention.

In that category is the Brooklyn Dodgers' signing of the famous circus clown, Emmett Kelly, who for many years has delighted circus audiences with the hurt look of a wounded moose.

Kelly's assignment isn't too clear, but apparently it's to be rather taxing. He's been asked to show up for spring training in Florida a few weeks hence.

He's an old hand with pool balls, and possibly with a quick switch to

baseball he can look pretty tricky and amusing on the field in almost no time.

Other clowns have worked for baseball teams, but they had been players first. The most noted were Al Schacht and Nick Altrock, who cavorted for the Washington Senators.

Some baseball sages would go so far as to suggest there have been quite a few unintentional clowns on the field, too. And they would add that the Dodgers have had perhaps more than their share.

Kelly may feel quite at home with the fabled Bums. And don't be surprised if that day comes when the announcer says: "Emmett Kelly now playing left field for Brooklyn."

PRINCESS CAROLINE
(Washington Post)

Not every little girl is born to a 21-gun salute. But neither is every little girl born to a real prince and princess, or in a palace.

Princess Caroline—described as dark-haired and blue-eyed—is beginning a life in which royalty and palaces will be quite normal. Unless she has a brother, she is born to reign over a sort of story-book principality—Monaco, on the French Riviera.

Indeed, even if she has a

brother, Caroline Louise Marguerite is likely to reign—over a household at least—with all the powers that go to a first-born almost certainly assured of beauty and charm. For everybody knows that little girls are made of "sugar and spice and all things nice" and a younger brother—necessarily fashioned of "snips and snails and puppy-dog tails"—would find it hard going to assert his royal prerogatives.

THEY ARE REFUGEES, NOT IMMIGRANTS
(Le Devoir Montreal)

The Hungarians who are coming to us did not decide to

change their country: they took refuge in Austria, counting on returning to their own country when circumstances permit. They are not coming to Canada to settle down for life but to get along as well as possible during the years of exile. It appears probable moreover that most of them found it difficult to decide to come to America, simply because they did not want to leave their country. They are not immigrants by choice but by necessity. It may be that a number of them will end up by permanently establishing themselves in Canada through force of circumstances, if the communist system continues

too long in Hungary. That should not be counted on too much. Especially, it must not be expected that they will soon forget their preoccupation with Hungarian politics, that they will quickly put aside their memories, their passions and their hopes. They are refugees, not candidates for Canadian citizenship. By welcoming thousands of Hungarians, Canada does an act of human fraternity and Christian charity. It is going to the aid of Austria which has carried out that fraternity and charity on a heroic scale. We should not make this an undertaking in immigration. That would be to lessen the spirit of the act, as well as to expose ourselves to serious misunderstandings.

BATTERY UNDER THE BED
(Fort William Times-Journal)

An insurance adjuster was called to investigate a fire in a home a few miles from Fort William. The lady who opened the door and invited him in gave the following explanation:

Her husband brought the car battery indoors when the temperature was well below zero. He put the battery under the bed.

When the husband and wife retired for the night their weight pressed the bedsprings against the battery causing a short.

The battery began to burn and ignited the mattress.

JACOBY On Bridge

END PLAY SAVES UNSOUND RAISE

North pulled his raise out of the bottom of the barrel. It would have been a sound raise with no score. But North and South had a part score of 90 and the raise was a definite slam invitation, although a mild one.

South accepted with a vengeance. He held nineteen high card points, six good trumps, three aces and the king of the fourth suit. That one little peep out of his partner was all he needed to bid six.

Actually he had ideas about seven. Therefore he used the Blackwood convention to check for aces and kings. But when North could only show one king he contented himself with six.

It was well that he did. In fact he needed to develop an end play in order to make the small slam.

The end play was developed as follows: South won the opening heart lead with the ace and exhausted the adverse trumps with two leads of that suit. Three rounds of diamonds followed and he discarded his losing heart. The next step was to trump dummy's heart—whereupon he was ready for the end play.

He entered dummy with a spade, led a club and finessed the ten.

West won with the jack but was now helpless. If he returned a club, South would make his queen; if he returned a red card, South would ruff in dummy and discard the queen of clubs.

Japan Takes Lead

(London Free Press)

For the first time in history, Japan has out-paced Britain in the building of ships. Last year Japanese shipyards produced 5,311,700 tons of shipping compared to Britain's total of 4,179 tons. Japanese yards have been able to double their production within a 15-month period. These figures are those in Lloyd's Register, the accepted world authority.

However, at the end of the last quarter of 1956 British yards had 328 ships under construction compared to Japan's figure of 156, and there is every likelihood that when totals are completed for 1957 Britain will again be in the lead. An interesting change in shipbuilding is the number and size of oil tanker. Britain is now building 63 of these with a tonnage of 908,189 and Japan has 43 vessels with a tonnage of 693,395.

Japan, Italy and Germany have the advantage of lower labor costs than British yards and these in turn have the benefit of lower labor costs than American yards. The significant feature is that with growing world trade there is an increasing demand for ships, and that the new vessels are economic in fuel, fast, and made for quick turn around in ports.

QUEBEC LEGISLATURE

Continued from Page 1
cause the provision was statutory it could not be the object of a resolution and therefore any discussion was pointless since no vote was required. Discussion was allowed only when there was unanimous consent. This had been withdrawn and the debate was closed.

Mr. Hamel appealed the chairman's decision which was upheld by a vote of 53 to 13. Earlier three votes were taken on the chairman's decisions, two of them concerning documents in the hands of Mr. Talbot.

Mr. Hamel said assembly rules provided that any document or report read by a Minister had to be produced if a request was made.

Mr. Talbot said the documents he was referring to were memos prepared for study of Roads Department estimates and were not official documents. Mr. Johnson upheld Mr. Talbot's views and Mr. Hamel again appealed to the assembly. All decisions were maintained.

Oswald Parent (L-Hull) asked how the government was proceeding on the construction of its share of the Trans-Canada Highway.

Premier Duplessis answered that Quebec's share of the Trans-Canada Highway was more advanced than in any other province. He said the government had refused to share in the agreements accepted by all other provinces.

If the federal specifications had been followed, he said, the highway would have had to be wider and huge sums would have been required to expropriate property on both sides of the route. This would have deprived the Roads Department of sums needed for highway projects in rural districts.

Mr. Duplessis said Quebec has built, without federal aid, most of its part of the Trans-Canada Highway and feels that the Federal Government should cease its encroachments in Provincial taxation fields so the province would collect the sums to which it is entitled.

The new social committee was appointed with Mrs. G. Bishop and Mrs. Alex MacArthur as joint conveners; the committee consists of Mrs. R. N. Cruise, Mrs. E. Cockerline, Mrs. N. Creller, Mrs. Victor Norris, Mrs. Ivan Robinson and Miss Lettie Casey.

Mrs. J. Gough chose Miss Dorothy Perault as helper on the visiting committee.

A meeting of Dominion Women's Council of the United Church of Canada was announced to take place in the Queen Mary Road United Church on February 22nd.

It is hoped that several can attend. Mrs. K. J. Best was suggested as a delegate.

Miss Lovering led in the devotionals in the W.M.S. programme. Mrs. K. J. Best, Mrs. Ames and Mrs. Alex MacArthur gave interesting papers on the Philippines and Indo China.

The hostess was assisted in serving refreshments by Mrs. Bishop, Mrs. Cockerline, Mrs. Cruise, Mrs. Alex MacArthur and Mrs. Ivan Robinson.

The next meeting will be held at the home of Mrs. G. Bishop on February 21.

LOWER IRELAND

Mrs. George T. Little has returned home from Sherbrooke, where she visited her sister, Mrs. W. Christie, who is a patient in the Sherbrooke Hospital.

Campaigns will be held next May in Rock Island, Stanstead and Beebe, and next April in Asbestos and Magog.

Dear Friend:

We of the Canadian National Institute For The Blind feel confident that you will again support us in our drive for funds, the same as you have in the past. Your generous contributions are desperately needed in order that we maintain our services at their present level, and at the same time meet the increased demands laid on us. Of course, at the same time, we are always anxious to lend even greater efforts toward the prevention of blindness. We are sure you understand how difficult it is for us to operate without sufficient funds, and at this time we are appealing to you to give generously to our request for help. Every cent given will be deeply appreciated.

Enter the RED ROSE \$1,000 DIAMOND RING CONTEST

A \$1,000 Diamond Ring can be yours—just by doing this:

Add two words in your own writing to the last line of the Red Rose jingle—so that it rhymes with the second line. That's all!

Use this handy entry form. Get more entry blanks from your grocer.

Read the rules carefully, then start mailing in your entries.

The more you send the more chances you have of winning this exquisite Red Rose \$1,000 Diamond Ring.

RED ROSE

Good tea...Good coffee

FIRST PRIZE:

\$1,000 DIAMOND RING

SECOND PRIZE:

\$250 DIAMOND RING

FIVE OTHER PRIZES:

\$100 DIAMOND RINGS

To: DIAMOND CONTEST, P.O. BOX 8500, MONTREAL.

In my own writing, here is my answer:

Look for.....

Name.....

Street or R.R. No.....

Town.....

Don't forget to include the red rose from a tea or coffee container with your entry.

EASY-TO-FOLLOW RULES

(1) Just fill in the last two missing words of this jingle in the accompanying coupon. Entries will be judged on neatness and legibility.

For real refreshment
Everyone knows
For good tea and coffee
Look for.....!

(2) To enter as often as you like, get extra entry forms from your grocer, or use a plain sheet of white paper.

(3) Mail your entry to Diamond Contest, P.O. Box 8500, Montreal, enclosing the red rose from any package or container of Red Rose Tea or Coffee or a metal strip from a coffee can. If in doubt send the complete empty package.

(4) Make sure you use enough postage on the entry.

(5) All entries for the current contest must be postmarked by midnight, February 16th, 1937.

(6) All entries will be judged by an independent organization.

(7) The decision of the judges is final. All entries become the property of Red Rose. No correspondence will be exchanged with the contestants.

(8) Everyone in the Province of Quebec is eligible to enter except employees of Red Rose, its Advertising Agency and the judging organization and their families.

(9) You may enter as many times as you wish, but each entry must be sent in a separate envelope with the red rose from a container or package, or the metal strip from a coffee can.

Coaticook High School News Letter

The first, in what may develop into a series of informative, chatty, regular news-letters was distributed through the pupils of the High School this past week. Prepared through the co-operation of the Board and the staff, the first issue of two pages was intended to introduce parents and ratepayers to the men and women behind the scenes in running an efficient school.

Members of the Board of Trustees are J. N. White, chairman, Lyman Armitage, Stanley Cromwell and S. A. Meade, secretary-treasurer. The supervisor of schools for the County is J. L. McKee, of Magog.

The school doctor, Dr. J. K. Rafal, and the school nurse, Mrs. Claire Shipway, R.N., of Princess Elizabeth High School, Magog, examined the scholars as recently as January 24th and reported the health of the children as generally good.

The present staff consists of Miss June Fraser, Grades I to IV; Mrs. Arnold Wheeler, grade III; Miss Jean Donaldson, grade IV; Mrs. George Sarasin, grade IV; Mrs. Clarence Davis, grade VI; Mr. James Davis, grade VII; Miss Marjorie Waldron, grades VIII and IX; Mr. Philip Lawrence, principal and teacher of grades X and XI; Miss Alice Parker, French specialist; Mrs. James Barron, household science.

The janitors are Armand Grenier and Vernore Lyon. Seventy of the pupils attending the school come from outside points in school buses driven by Mr. Lyon, of Baldwin's Mills and Merriman Mayhew, of Dixville. Norman McCoy also brings several pupils daily from the Stanhope area. The total enrolment at present is 190. Mrs. Elizabeth Bailey and Mrs. Gordon Drew are responsible for serving the hundred or so meals daily from the school kitchen.

Of last year's graduating class all of the girls are busy continuing their studies elsewhere or have started on business careers. Melba Andrews is taking a business course in Toronto. Ethel Davis is a nurse in training at the Sherbrooke Hospital. Patricia Mayhew is working for the Bell Telephone Co in Montreal and attending classes at Sir George Williams College evenings. Georgina Richards is teaching school in the Magdalen Islands while Shirley Williams is taking teachers training at Macdonald College.

This winter for the first time, the pupils have been given vitamin pills daily, at moderate cost and an improvement in general health with less loss of time for colds, etc., has been noticed. This week the school is being visited by Miss May Hoxall, a helping teacher from the Department of Education.

Annual Meeting Of Canterbury Ladies' Guild

CANTERBURY — The annual meeting of Christ Church Ladies' Guild was held at the home of Mrs. Thomas Chapman, with a good attendance of members.

The meeting was opened with prayer by Rev. W. Walker and the minutes and financial statement were read by Mrs. E. Goodin, secretary-treasurer.

Receipts of the past year amounted to \$486.14 and after all obligations had been met a small balance was left to start the new year.

Prior to the election of officers, Mr. Walker congratulated the members for a successful past year.

The president, Miss Laura Goodwin and the secretary-treasurer, Mrs. E. Goodin were both re-elected, with Mrs. Prens Jacklin elected vice-president.

Plans were made to have a card party in the near future and the next meeting will be held at the home of Mrs. Maurice Goodin.

General Notes

Mr. and Mrs. Thomas Chapman entertained at a card party in aid of the Ladies' Guild, when 500 was played at four tables. Ladies' first prize was won by Mrs. E. Goodin, and Mr. Harley Asker the gentleman's consolation prizes were won by Mrs. Harold Mayhew and F. Chapman. Mrs. Chapman assisted by some of the ladies, served refreshments at the close of the evening.

CONFIDENTIALLY YOURS

—by Byrne Hope Sanders

MONTREAL, Feb. 7th — Had a triumph last night! Served family and special guests the thrilling new LIPTON SOUP—Lipton Green Pea Soup! It's a velvet-smooth puree of peas with spicy, "smoky" flavor that's so difficult to get. The chefs at Lipton's have created this new delight to add to their other triumphs—Chicken Noodle, Tomato Vegetable, Beef Noodle and Onion Soup. But try this new Lipton Green Pea Soup for yourself. It's so easy! You simply add the contents of the handy Lipton package to cold water, bring to a boil, let simmer for a few minutes... and serve. I know you'll enjoy Lipton's Green Pea Soup... its real homemade flavour!

I Believe Every Family should own a dog. Personally, I favor the mutt variety, but, whether you prefer a pooch or pedigree there's one thing we all agree on: we want our dogs to be healthy, happy and playful. Now I've found that the one sure way of assuring this is by feeding my dog exclusively on DR. BALLARD'S CHAMPION DOG FOOD. You see, it's prepared by a veterinarian to provide the perfect balance of proteins, minerals, vitamins and the other food elements every dog must have. Dr. Ballard's Champion Dog Food comes in three flavors... Chicken, Liver and Regular... each one a favorite. So for your pet... better get some Dr. Ballard's Champion Dog Food, next time you shop.

Hanging Out The Laundry? Then don't neglect the little care you need to keep your hands soft and pretty. Use Campana's ITALIAN BALM, right away. I hope you have the household size, with the new handy dispenser—both are only 50¢! With a quick thumb pressure, just enough Italian Balm is released to rub briskly into your hands—to keep them nice. Use famed Italian Balm after every exposure to wind—water—weather. Make sure your children use it when they've been playing, or working outside. It really keeps away that chapped roughness we all dislike. At drug counters everywhere.

Oh Joy! Another Pound Gone! Thousands of men and women are losing weight steadily, and easily, with AYDS and the Ayds Plan—and so can you. Taken just before meals, as directed, Ayds curb your appetite. You just naturally eat less—and so lose weight... with no nervousness, sleeplessness or unpleasant "side-effects". Made under medical supervision, Clinical Tests have shown that men and women lose weight more effectively with Ayds and the Ayds Plan—than on any other reducing methods. You must lose weight with your first box—or your money refunded. At all drug stores.

Last-Minute Brain-Wave!... here's the best way to make the most satisfactory cranberry jelly ever! Use DAVIS GELATINE with this recipe. Economical—5 packages in each box instead of four. Low-low calories, too, if you're weight-watching!

CRANBERRY JELLY

1 envelope Davis Gelatine 2 tbsps. lemon juice
1 1/2 cups hot water
1 1/2 cups cooked cranberries sweetened to taste

Dissolve gelatine in hot water. Add salt to cooked cranberries. Press through sieve. Add lemon juice and dissolved gelatine. (1 tsp. grated orange rind improves flavor.)

Four into moulds. Ideal when served with any poultry.

Your Precious Baby... needs a milk formula that is exactly right... and that means, without doubt, one of the fine FARMER'S WIFE Formula Milks. There are three types—and your doctor will tell you which one to get for your own child. Skimmed Milk (Yellow Label), or Whole Milk (Red Label)... or perhaps Partly Skimmed Milk (Blue Label), which was created originally at the request of baby doctors for a high-protein, low-fat concentrated formula. All are Vitamin D increased and vacuum packed in the most modern type of milk container.

A SMASH HIT: This beige bolero suit in a crisp viscose/acetate blended fabric, worn with a pale mauve organza blouse and hat scored a hit for a young talented Montreal designer, Bianca Gusmaroli, at the showing of the A.C.C. Spring collection.

Inspiration Harks Back To 30's In ACC Stylings

MONTREAL.—The Association of Canadian Couturiers, founded three years ago, reached back nearly three decades for inspiration for its 1957 spring and summer designs.

"This model shows the 1930 influence," said commentator Iona Monahan on several occasions Tuesday during a special showing of 42 original designs. She referred to dresses and suits having very full bloused backs and sleeves, suits which were really dresses made of contrasting materials with matching jackets, and the "new" suit line consisting of a straight, hip-length jacket wrapped around an equally straight skirt.

The couturiers—15 of the country's top designers who twice yearly present their collections, made entirely from Canadian fabrics—said this time they are aiming primarily at softness of line. Thus the shadow of the '30s and sometimes earlier eras was used with empire waists, back-dipping skirts, and pleats in all sorts of unusual arrangements.

Most preferred the neutral shades of grey, stone, ecru and beige, with sometimes a single bright splash of color in hat or scarf.

Skirts, despite some earlier predictions, remained a normal height above the ground, except for occasional back dips.

There are other older persons in the neighborhood. A neighborhood consisting entirely of young couples with young children, busy with the many demands upon their time, could be a rather lonely place for the older person, living alone.

"Also, try to pick a neighborhood that is convenient to town or within easy walking distance of a shopping center. It will make life easier for you, a fact that will become increasingly important the longer you live."

"Once you have moved into your new neighborhood, make every effort to become a real part of it. Be quick to invite the casual caller in for a cup of tea or coffee. Have treats on hand for the children."

SHOW THE WAY TO FRIENDSHIPS

"Overlook small annoyances, like an occasional late party, children running through your yard, a neighbor's cat or dog. You gain good neighbors by being a tolerant, understanding neighbor, yourself."

"Take every opportunity to do little kindness for your neighbors. You'll soon find that you can count on them to keep a friendly, protective eye on you."

"Above all, don't be critical or gossiping. That will merely build a wall between you and your neighbors. A wall is what you do not want, if you aren't to be lonely, living alone."

That is good advice and sorely needed, since each year there are so many widows faced with the problem of trying to live alone and not be too lonely.

Harvey is arriving in town in time to attend this earlier gathering.

Provincial Q.W.I. Board To Meet In Montreal

The Provincial Board of the Quebec Women's Institutes is meeting this week, Feb. 9-9, at the Y.W.C.A., Montreal.

The provincial president, Mrs. G. D. Harvey, Stanbridge East, will open the meeting Friday afternoon and welcome representatives of the Montreal Council of Women. It has become an annual event to set aside one period of this meeting for a discussion of projects of concern to both groups, with policies formulated for carrying them out. Mrs. H. F. Reusing, Council president, and Mrs. H. Ellard, Ottawa, Q. W. I. 1st vice-president, will be co-chairman for this session.

Among the topics to be discussed are Installment Payment of Fines, Welfare and Integration of New Canadians, Employment of Older Women, Highway Safety and Sexual Psychopaths.

The Q.W.I. meeting will carry through to Saturday afternoon. It is anticipated nearly all board members will be present, representing all parts of the province.

Mrs. A. Cameron, Sawyerville, Junior Supervisor, is calling a meeting of Junior Councilors today at the same place, Mrs.

A Valentine Surprise

Valentine's Day is just around the corner and we have the perfect recipe for the occasion, Cherry Mystery Pudding. Here's a dessert—heart-shaped, if you please—that's magic in the oven and a miracle on the table. A part of it is an utterly delicious sauce of cherries and pineapple which magically bakes right through the cake batter. And when you serve your surprise, warm and sweet, along with plenty of your very best coffee, it will miraculously disappear! There the mystery ends.

CHERRY MYSTERY PUDDING

1/2 cup butter or margarine, 1 cup granulated sugar, 2 1/2 cups sifted enriched flour, 2 teaspoons baking powder, 1/2 teaspoon salt, 1 cup milk, 1 teaspoon vanilla, 1/2 cup chopped Maraschino cherries, 1 can (8-oz.) crushed pineapple, 1 tablespoon butter, 2 cups firmly packed light brown sugar, 2 cups boiling water.

Cream 1/2 cup butter or margarine to consistency of mayonnaise. Add granulated sugar gradually, beating until light and fluffy. Mix and sift flour, baking powder and salt. Combine milk and vanilla. Add dry ingredients alternately with milk to sugar mixture. Spread batter in greased heart-shaped cake pan 3 inches deep and 9 inches across at widest part (or in greased baking pan 12x7x2 inches). Drain cherries and pineapple and sprinkle over batter. Dot with 1 tablespoon butter or margarine. Cover with brown sugar. Pour boiling water over all. Bake at 350° about 1 hour or until done. Turn out on platter and serve warm. Makes 6 servings.

The flour milling industry, which has existed for more than 300 years, is one of Canada's oldest businesses.

MANNERS MAKE FRIENDS

No matter how much you love cats, if you own one you should realize that some people are deathly afraid of them. If you see a guest draw back when your cat approaches, get the cat out of the room.

And if you want to be charming about it don't say in a tone of surprise, "Oh, don't you LIKE cats?"

Bringing Up Baby

HINTS COLLECTED BY Mrs. Dan Gerber (MOTHER OF 5)

Exciting day when your little tyke turns traveler and learns that walking opens up a whole new world for him. However, since your self-styled explorer can't understand what is dangerous and what is not, it's wise to safety-proof his traveling grounds. A few reminders:

- Keep sewing kits, scissors, medicines, etc., out of reach. Ditto for lighters, matches.
- Don't store cleaning compounds and the like in close-to-the-floor cupboards.
- Close off open stairways with gate when baby's on the prowl.
- Cover unused electrical outlets with safety guards.
- Don't leave iron or toaster cords dangling.

Smiles and coos are usually in order when you serve Gerber Strained Bananas. For this delightful fruit has a delicious, true-banana color—plus a texture so smooth

baby will adore it. Only fully ripe fruit (so important to digestibility) is used. Ripening is controlled so you are always assured of uniform ripeness. Delicious "as is" or when used as topping on baby's cereal.

For mealtime trimmings, don't forget Gerber Junior Fruits and Desserts. 8 true-flavor fruits and 3 tempting puddings make treat planning simple.

P.S. Any Gerber Junior Fruit, mixed with cream cheese or peanut butter, makes a festive sandwich spread for a toddler party; a lunch-on snack for you.

Shoe cue from a column-reading mother: "I starch the laces of my little girl's shoes. They stay clean much longer, keep a better tying grip." Worth a try. Gerber Baby Foods, Niagara Falls, Canada.

MURDO MACLENNAN OF SCOTSTOWN.
SCOTSTOWN — One of the oldest residents of this place, Murdo MacLennan, passed away on January 11th, 1957 at the Sherbrooke Hospital after a short illness. He had been in poor health for the past two years but tried to continue his activities until he entered the hospital on December 26th.

Tea Plans Made By Ayer's Cliff Church Guild

AYER'S CLIFF — Mrs. Ivan Wood and Mrs. James Atkinson were co-hostesses of St. George's Guild at the Wood home, when the meeting convened with the newly elected president, Mrs. N. Claude Whitcomb, presiding.

Following the routine opening, plans were made for a St. Patrick's Tea to be held on March 14th, and a Military Whist party to be held in the Parish Hall in the near future.

A discussion arose re the installation of a new heating system in the Guild Hall, but nothing definite decided upon.

The altar Guild list was prepared for the ensuing year. A delightful social hour was spent when the hostesses, assisted by Mrs. L. A. Despres and Mrs. E. H. Chadsey served refreshments.

General Notes
Mr. and Mrs. Wesley Slack and Heather, of Rosemount, spent the week-end with Mr. Slack's parents, Mr. and Mrs. A. H. Slack.

Mrs. R. M. Thompson entertained at dinner the following guests, Miss Golda Thompson, of Abbotsford, Mrs. Rudy Miller and Mrs. Elsie Standish, of Rock Island, Mr. and Mrs. J. B. Robinson, and Mr. and Mrs. L. R. Thompson, Bobby and Jimmie of this place. The occasion being the 85th birthday of her mother, Mrs. C. H. Robinson, who received the best wishes of her friends.

The friends of Mrs. Kenneth Cooper will be interested to know that she is a patient in the Sherbrooke Hospital in Room 320.

Mr. Arnold Goode has been accepted in the Navy and left on Sunday for Cornwall, N. S.

Mrs. Charlie Achilles and family left last week to reside in Ottawa, where Mr. Achilles has had employment for some time.

The many friends of Mrs. F. J. Brown will be pleased to learn that she is making a satisfactory progress from her illness.

Mr. and Mrs. Roy Temple, of West Lebanon, N. H., were visitors of Mr. and Mrs. G. L. Temple and Mrs. F. J. Brown.

Friends of Mr. Gordon Temple will be pleased to know that he is much improved after being confined to his bed for a time.

Mr. G. R. Johnson went to the Queen Mary Veterans Hospital for observation and a check up. Miss Adelaide Belyea, of Quebec City, has been spending a few days with her sister, Mrs. Lucien Despres and family.

HATLEY —

The annual congregational meeting of the United Church was held in the vestry following a hot dish supper served by the members of the W. A. Rev. Mr. Mallalieu presided over the meeting when the various reports given showed a very satisfactory year in all organizations.

Mr. Charles Graham recently received word of the death of his aunt, Mrs. Sarah St. Marie, nee Leslie, at North Berger, N. J.

Mr. and Mrs. George Hartwell and little son and Mrs. Nellie Hartwell, of Waterville, were guests of Mr. and Mrs. Wallace and family to help celebrate little Wendy Hartwell's second birthday. Recent guests at the same home included Mr. and Mrs. Ernest Huff and Mr. and Mrs. Larry Huff, of Compton.

Mr. and Mrs. Elwyn Bliss, of Lennoxville, were week-end guests of Mr. and Mrs. C. Drew. Mrs. Bliss remaining with her parents for a few days. The Drew family were visiting their grandmother, Mrs. Susie Drew, at Rock Island; and found her much improved in health. Mr. Harvey Drew is helping to care for his mother.

He was a member of St. Paul's

Presbyterian Church, Scotstown where the funeral service was held with Rev. Ivor MacIver officiating.

Mr. Angus A. MacIver led in the singing of the 73rd Psalm in Gaelic. The hymns in English were "The Lord's my Shepherd" and "I waited for the Lord my God," which were favorites.

The beautiful flowers as well as several contributions to the Children's Hospital in Montreal instead of flowers, were silent tokens of the love and deep regard in which he was held.

The bearers were Messrs. Daniel MacRae, John Nicholson, Harvey MacRae, Dan Paul Murray, John MacRae and Rodney MacDonald. Interment was in the family lot in Lingwick Cemetery.

Among the out of town friends and relatives attending were, Mr. and Mrs. Herbert Bell, of

Montreal, Mr. and Mrs. Tom Moran, St. Alban's, Vt., Miss Joan Driscoll, Brattleboro, Vt., John MacKinnon, Way's Mills, Dr. Bennett and Mrs. Dixon, of Cookshire.

MRS. JAMES F. THOMPSON, OF BROME.

BROME — Following a six months illness, Annette Lillian Thompson passed away on January 24, 1957, at the Courville Rest Home, South Stukely, where she had been cared for by Mrs. Courville.

The funeral held on Saturday, January 26, at St. John's Anglican Church, Brome, was preceded by prayers at Robb's Funeral Home, Knowlton. Rev. F. W. Gedy officiated. Mrs. George Soles presided at the organ and the choir sang the hymns, "Abide With Me" and "Safe in

the Arms of Jesus." Bearers, all old friends of the deceased, were David Tracey, Munden Barnes, George Johnston and George Soles. The floral tributes were numerous and very beautiful.

Interment took place in the family lot in the Sweet Cemetery, West Brome.

Mrs. Thompson, who had attained her 85th birthday in November, was married to James F. Thompson and they had celebrated their 50th wedding anniversary in 1945. Mr. Thompson died in 1947. Two sons also predeceased Mrs. Thompson, Archie in 1924 and Harold in 1956.

Surviving are a son, Cecil, of Waterloo, two daughters-in-law, eight grandchildren, great-grandchildren, brothers-in-law, sisters-in-law, nieces and nephews. Present at the funeral were

relatives from Verdun, Sutton, Highwater, Farnham, Sutton Junction and Waterloo.

ERNEST E. CLARKE, OF COOKSHIRE, FORMERLY OF MONTREAL.
COOKSHIRE — The community was shocked to hear of the sudden passing of Ernest E. Clarke, on Wednesday, January 23rd.

Mr. Clarke was born on February 20, 1899 in Surrey, England, and came to Canada in 1905 with his parents.

For many years he was employed by the Canadian Car and Foundry Company as draughtsman. In 1934, he became affiliated with the Metropolitan Life Insurance Company, with which company he enjoyed service until his demise. He served the company in St. Lambert and dis-

trict, where his kindness made him a friend to all. His greatest interest was in the young people, and especially with Sunday Schools, serving unceasingly for 40 years in St. Aidan's, Montreal, and in St. Barnabas, St. Lambert.

For the past two and one half years he has been inactive, living in the town of Cookshire, where he made many friends in his own inimitable way.

Mr. Clarke is survived by his wife, the former Olive Comber, and his daughter and son-in-law, Mavis and Mallin Westgate, and their two children, Pamela and Geoffrey, a sister, Mrs. Madge Gillespie and family, of St. Lambert, and a brother, Harold G. Clarke and family, of the Town of Mount Royal.

The funeral service was held in St. Peter's Anglican Church, Cookshire, on Saturday, January 26th, with the Rev. Canon William C. Dunn officiating. The choir led in the singing of "Unto the Hills," and "Love Divine, All Love Excelling," with Mrs. G. Gill as organist. The pall bearers were H. C. Barter, Colin and Donald Standish, Maple Westgate, Hollis Burns, James French. Interment was in the Cookshire Cemetery.

Magog To Launch National Electrical Week

Electricity Campaign Outlined By Chairman

Magog — (Special) — Reginald Urwick, councillor for Ward No. 2 and chairman of the Electricity Department, gave his views this week about some of the questions that arise in the public's mind concerning National Electrical Week to be held here, as elsewhere across the country, from Feb. 10 to 16.

Here are the questions with Mr. Urwick's replies:

WHEN DID THE PRESENT ELECTRICAL CAMPAIGN ACTUALLY START?

"The present campaign is merely an extension of the efforts of our American cousins and was started over a year and a half ago in the United States by many farsighted business men who realized that a vast program aimed at all segments of the electrical industry was necessary to avert bottlenecks in production, to assure a continuing healthy expansion of all branches of the industry.

WHAT FORM DID THE EARLY CAMPAIGN TAKE?

"The early campaign was mapped out by experienced advertising men and consisted of articles which appeared to be of a news nature to catch the eye and the imagination of many thinking people in responsible positions who would be in a position to influence and direct policy of related industry. Also, by advertising carried in national magazines which carried the story to the desks of individual

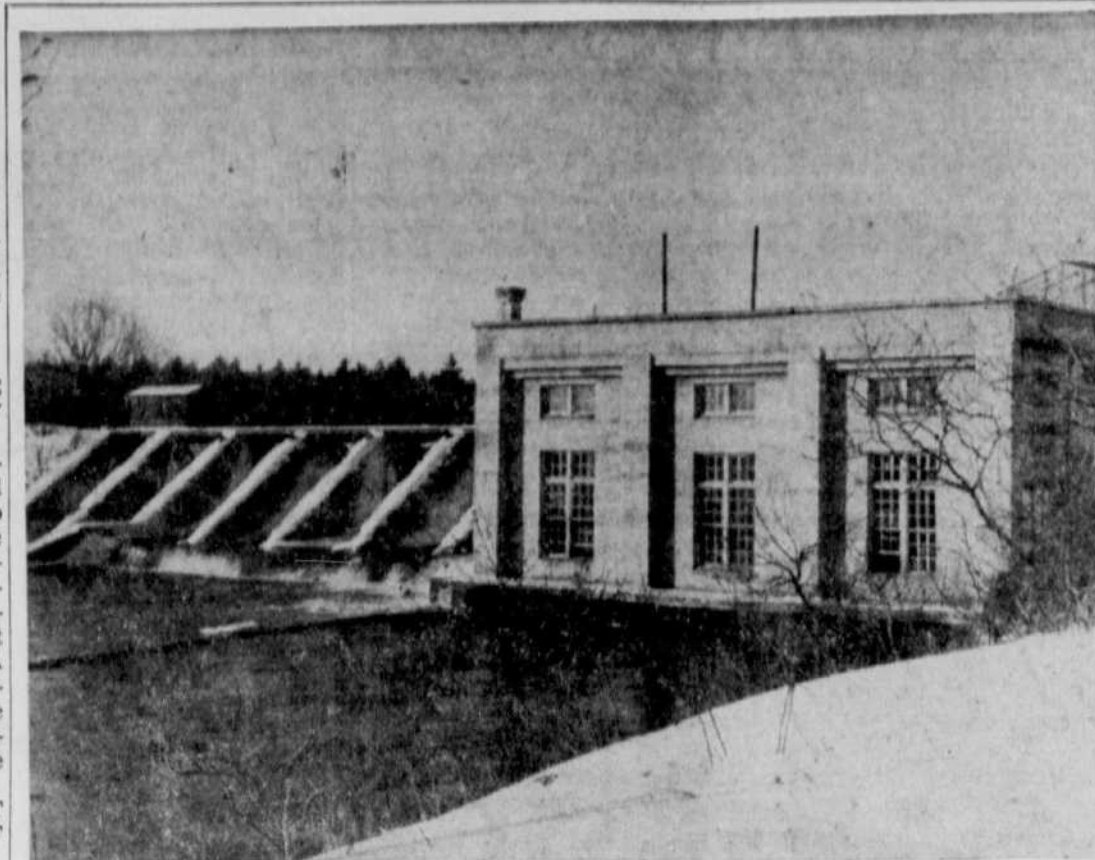

HOW EFFECTIVE WAS THE CAMPAIGN IN THIS EARLY STAGE?

"The campaign was so effective and told the story so well that the idea spilled over into Canada but nothing concrete happened in the Canadian electrical world until action was taken by our large national organizations such as the present magnificent effort by the CEMA or Canadian Electrical Manufacturer's Association who have contributed 175,000 dollars towards the task of educating the public.

HOW DO YOU ACCOUNT FOR THE EARLY LACK OF ENTHUSIASM IN CANADA?

"It is very simple. Canada is a young country and very rich in natural resources the development of which has created a fantastic business growth. We are enjoying such prosperity that we are all just too busy to face problems concerned essentially with future growth. It remains for some one who has already experienced the problems which will confront us and which have already confronted us in a measure, to point out where and how we should act to avoid a similar situation. After all, the electrical industry is a giant, a very young giant and it has grown to its present proportions in the brief span of a man's lifetime or approximately 70 years.

"We of the electrical world while closely interrelated actually are engaged in dozens of different enterprises which makes it very difficult to get a clear over-all picture of the industry. For example, the appliance manufacturer faced with all the problems of production cannot be expected to appreciate

Power Plant — Pictured above is Magog's source of electricity. The dam east of the city. The facilities are municipally-owned and are run by water supplied from Lake Memphremagog. (Photo by Charlie Catchpaugh)

the problem, say, of the appliance dealer who find that the public cannot or will not absorb all the appliances produced because the average householder is unwilling or unable to pay the cost of rewiring his premises to receive the appliances.

"The real cause of the bottleneck may be inadequate wiring but who is to be blamed? Certainly not the manufacturer of the appliance nor the appliance dealer. It might be lack of salesmanship on the part of the electrical contractor in not selling the customer an adequate wiring installation in the first place.

"So you see, while all these people mentioned are engaged in one phase or another of the electrical world, each has his own particular responsibility and while what one branch of the industry does is a distinct and separate operation, the manner in which that operation is carried out can and does seriously affect a neighboring segment of the electrical industry. It follows then, that what might be considered as lack of enthusiasm on the part of the Canadian electrical industry for the present educational campaign, could be a general unawareness of the need of over-all co-ordination of effort.

DO YOU FEEL THAT THE PRESENT CAMPAIGN WILL BE SUCCESSFUL?

"My answer is a most emphatic 'Yes'. Considering the support which the CEMA is giving this campaign, considering the response to the program from the various segments of the electrical industry as evidenced by the comments in the various trade journals it is obvious that there is a general awakening to the importance of the campaign and an appreciation of the need for an over-all co-ordinating program.

WHAT PART SHOULD PUBLIC UTILITIES PLAY IN THIS ADEQUATE WIRING PROGRAM?

"Those utilities concerned chiefly with the generating, transmission and distribution of power have a very important part to play in the whole scheme of things. I say without hesitation that at the generating level, the men responsible for efficient design and operation are in constant touch with the demand requirements of our rapidly changing economy, and as a result, generating capacity is being added in advance of our requirements. The same situation exists in the transmission field, and one has only to glance around the country at the many power lines with their towers striding across the land with seven league boots to be aware that here the electrical world is on the march. "In the distribution field, however there is a different picture.

Here much could be done that is not being done to assure that our abundant kilowatt product reaches customers premises in good condition. Certain obsolete methods are still being employed and there is perhaps a reluctance to accept and to at least try new methods and materials. Change and improvement in the distribution field methods could be effected by a change in the thinking of a few key men directly responsible for the installation and maintenance of this important link in our system, and it is to be hoped that the adequate wiring message gets through to them.

"Speaking from my experience over the years in the electrical world, I see a very real need for a public educational program such as has been launched recently to create in the minds of the public a picture, however dim, of how inter-dependent the great and complex system of generating, transmission and delivery of power is.

"The consumers in an area affected by a decrease in voltage for example, might better understand that the reason for the temporary condition is not local but caused by a situation which exists entirely in an area remote from the area affected, but served by the same inter-connected transmission system. An effective campaign aimed at the consumers with the object of illustrating the increase in efficiency of equipment to be obtained through adequate wiring might simplify the task of the utility man who in investigating customer complaints of insufficient power finds that the fault is not in the distribution system but in the customers own premises and is obliged to explain this or try to.

WHERE IN YOUR OPINION CAN THE MOST EFFECTIVE RESULTS BE OBTAINED FROM THIS CAMPAIGN OR, PERHAPS, AT WHAT GROUP OR GROUPS SHOULD THE PROPAGANDA BE AIMED?

"I repeat that a definite effort should be made to educate the public at the consumer level, first for safety reasons, secondly for personal well-being, and thirdly, for efficiency. "The group most guilty perhaps and in need of instruction more than any other, chiefly because they are in a key position, are the electrical contractors. The master electrical corporation

of the Province of Quebec have done an admirable job towards organizing this group, and towards educating them in business as well as electrical principals, but even though electrical contractors have been given the state of professionals they have yet to learn to carry out their duties in a professional manner.

"They should learn, for example, that the Canadian Electrical Code is a set of minimum standards on which they are to govern themselves and their work rather than a set of standards which they are barely to meet.

"While I am on the subject of the Canadian Electrical Code I cannot stress too strongly the necessity of putting the new edition of the code in force.

"Why should the Province of Quebec lag behind the rest of the Dominion in this detail when it leads the Dominion in so many other phases of electrical industry? We know that our electrical inspection officers have large territories, we all know that the local offices are perhaps understaffed, so here again is an opportunity for co-ordination and co-operation between inter-related groups of the electrical world."

St. Luke's Guild An Active Group

MAGOG — St. Luke's Women's Guild met at the home of Mrs. Maude Gustin, Pine St., with a good attendance.

Mrs. Campbell, president, presided at the meeting and the minutes were read by the secretary, Mrs. Moynan.

Articles were brought in for the tables for the coming sale and final arrangements were made for the sale.

Refreshments were served by the hostess assisted by Miss Whitcomb, Miss Perry and Mrs. Moynan.

Next meeting will be held at Mrs. Carl Buzzell's, Merry St. On Saturday afternoon a Candlemas Tea and Sale was held in St. Luke's Church Hall by the Women's Guild.

Mrs. Campbell, president and Mrs. Comfort received the guests at the door.

Miss M. Hall poured tea at the attractive table centered with yellow mums.

There was a food table, work table, gift table and candy table which were all well patronized.

Mrs. Helen Webster was the winner of the raffle.

BOLTON CENTRE —

Mrs. John Seymour of Knowlton, spent the week-end at the home of Mr. and Mrs. Leonard Eldridge and family.

Mrs. F. Eldridge of Bonville, who is spending an indefinite time with her son and family, recently celebrated her 87th birthday.

Mr. J. P. Terrio was in Montreal on business recently.

Mr. Herbert Harper of Sherbrooke, spent the week-end at his home here.

Miss Persis True of Mystic, spent the week-end at the home of her parents, Mr. and Mrs. G. True.

Mr. and Mrs. T. Manson and son Neil, attended the birthday party of Mrs. Vernon Manson in Mansonville.

Mr. G. McCaig had the misfortune to break his wrist as he fell on a slippery patch of snow covered ice.

The many friends of Mrs. H. Cousens will be sorry to learn that she has been ill.

Miss Eda Bisson of Sherbrooke, is spending an indefinite time at the home of her parents, Mr. and Mrs. Donald Bisson, at Trousers Lake, due to the ill health of Mrs. Bisson.

Mr. and Mrs. I. Burnham and two children, of Bonville, were recent guests at the home of Mr. and Mrs. Earle Paige and family.

Miss Violet Gavin of Knowlton, was a visitor at the home of Mr. and Mrs. W. Gavin.

St. Paul's Held Congregational Meeting

MAGOG — The annual congregational meeting of St. Paul's United Church, Magog, was held in the Church Hall recently.

The evening began with a supper, prepared and served by the ladies of the congregation. The supper was bountiful and delicious and was enjoyed by all.

While the tables were being cleared community singing, led by Rev. R. A. Mitchell was enjoyed. Then followed the business of the evening.

The reports of secretaries and the financial statement of all groups, showed that again a happy and successful year had been enjoyed by St. Paul's United Church. The financial statement of the committee of stewards was most encouraging and prospects look bright for a good year in 1957.

In presenting the financial statement for the board of trustees, Mr. J. B. Connor said that the congregation could expect a mortgage burning service in the spring as by that time the indebtedness on the manse would be cleared. At its last meeting, the board of trustees had unanimously voted that the building fund be continued to provide money for Sunday School rooms and other improvements. The congregation fully approved this motion and voted that, with these improvements in view a committee on plans be formed.

On behalf of the church, the board of trustees had received two collection plates to be used in the regular services of the church. These were donated by Mrs. Henry Chamberlain in memory of her husband and the other in memory of his brother, Mr. C. V. Chamberlain. The cabinet to contain the book of remembrance was received and installed during this year.

The Mission Circle reported that many parcels had been made up by the members and sent to various missions. These included parcels to Miss Ida Drake at an Indian mission in Saskatchewan; Miss L. Mayora, Port Worker; R. W. Large Hospital at Bella Bella, B.C.; and the Cecil Memorial Home at Austin, Que.

The two retiring members of the session were Mrs. C. Harris and Mr. W. D. Kirk. Mrs. Harris has served for eight years on the session and was one of its first members. She was given a vote of thanks and of appreciation for her faithful service. She will be replaced by Mrs. R. Moffat. Mr. Kirk, had completed a term of two years for a member of the session who had moved from Magog and was re-elected.

The four retiring members of the committee of stewards were unanimously re-elected. They were Mr. J. B. Connor, Mr. C. Ruck, Mr. E. Robinson and Mr. G. Smiley.

Mrs. Smiley stated that Mrs. F. Wilson had resigned from her position of secretary of the official board of St. Paul's United Church. Mrs. Wilson has been secretary of this board for the past six years. Mr. Smiley thanked Mrs. Wilson for her cheerful, willing and efficient service. Mrs. J. Richardson has been

appointed the new secretary of the official board.

In July a "Welcome Home" reception was held for Miss Ada Sandell, who returned on a year's furlough from her missionary service in Korea.

Following the business of the evening Rev. R. Mitchell closed the meeting and all joined in repeating the Mizpah benediction.

OTHER ITEMS
The W.M.S. held its first meeting of the year at the home

of Mrs. W. D. Kirk. The reports of the past year were read. Rev. R. Mitchell officiated at the installation ceremony of the officers for 1957. There were few changes. The past president, Mrs. W. D. Parker was replaced by Mrs. W. D. Kirk.

The Explorers held a very successful "Penny Tea," in the Church Hall on Saturday afternoon, January 26. There was a very good attendance and guests reported a very good and excellent service by the Explorers.

NATIONAL ELECTRICAL WEEK

February 10th to 16th

The Electrical Department of the City of Magog wishes to draw the attention of its customers to the coming NATIONAL CAMPAIGN starting on Feb. 10th with "NATIONAL ELECTRICAL WEEK".

The purpose of this campaign is to acquaint the public with the advantages to be obtained from Adequate Wiring and of the necessity of renovating existing electrical installations which are known to be defective.

There is an unbroken electrical path from your appliance to the generator in the power-house and this path is only as efficient as its weakest link. Your public utility is taking steps to ensure reliable service. See that your part of the path is adequate and in a safe condition.

Have your wiring checked by a reliable electrical firm. For more information on the campaign, listen to your radio, watch your TV and follow the releases in your local newspapers.

Business Courses To Start

MAGOG (Special) — A three lecture course, sponsored by the Magog Retail and Service Association, will get under way Wednesday evening, at the city hall, when Raymond Marcel, C.A., assistant director of the school of accounting at the University of Montreal, will lecture on the formulating of yearly statements, how business statements should be written, the proper manner of arranging budgets, and instruction on income tax reports.

The lectures will be run in conjunction with the Quebec Food Distributors Association and is open to all members of the Magog Retail and Service Association and their employees. Members of the merchants organization feel that such a course will assist local retailers and probably aid them in their effort to make Magog a more attractive shopping centre for outsiders.

On Wednesday evening, February 20th, Mr. Hamaranger of the Province of Quebec's Department of Fisheries will lecture on the retailing of fish. He will suggest ways in which to present

\$300 in winner's money. The club won \$50 in the tournament by placing seventh. Prizes will be awarded at 8.30 in the Chateau du Lac Hotel.

On the same occasion, the club directors for 1957 will be elected. J. A. R. Charland, Molson representative, will show a film.

During the past season the club had 258 members on its roster. The money in the bank at the beginning of year was \$232 while at the end \$455.

Winners of the tournament were as follows: Roland Benoit, salmon, \$15; Raymond Vachon, salmon, \$5; Yves Forest, salmon, \$30; Gilles Lajoie, salmon, \$15; Charles Tobey, bass, \$5; Raymond Vachon, bass, \$5-rainbow trout, \$50; Lloyd Styan, rainbow trout, \$5; Gerard Tremblay, rainbow trout, \$5; Donald Brousseau, rainbow trout, \$5; Yves Forest, rainbow trout, \$5; Leo Doucet, rainbow trout, \$5; Grant Burnett, rainbow trout, \$5; H. Andy Bathgate, Slated For A Trade In Early Season, Is Big Boy For Rangers; Leafs-Canadiens Tie 1-1

The best-laid plans of National Hockey League general managers sometimes go awry. It happened to Muzz Patrick of New York Rangers last summer and he's glad.

Patrick was willing to trade Andy Bathgate to Detroit Red Wings but Detroit wouldn't go for the deal.

Wednesday night at New York, Bathgate scored his 20th goal of the season and set up the winner as Rangers nipped Boston Bruins 3-2. The victory, coupled with a 1-1 tie between Toronto Maple Leafs and Montreal Canadiens, moved the fifth-place Blue-shirts to within a point of Leafs in the battle for the fourth and last playoff berth.

Bathgate, 24-year-old top scorer for Rangers, set two club records last season when he scored 66 points. It was the highest point-total a Ranger had ever made during a season and his 47 assists were also tops for the team. He scored 19 goals, one less than his 1954-55 output.

Rangers, who have 42 points, visits Chicago tonight and a victory would move them into fourth place, a point ahead of Toronto. Bruins visit Detroit in the only other game.

Defenceman Jack Evans and left winger Dean Prentice scored New York's other goals Wednesday. Centre Cal Gardner and Fleming Mackell tallied for Boston.

Ranger goaltender Gump Worsley thrilled the crowd of 12,039 with his acrobatic work. Although he made only 25 saves—he has had as many as 48 in a game this season—he didn't find many easy shots to clear. Don

Simmons made 16 stops.

It was the first Bruin loss in five games and left them in third place with 58 points, five behind the runner-up Canadiens.

A crowd of 14,046 turned up for the game at Toronto. Centre Don Marshall of Montreal and Toronto centre George Armstrong exchanged goals, the latter tying the score in the second period after Marshall had given Canadiens a lead.

Goaltender Jacques Plante was kept busy throughout the game, making 23 saves compared with 20 by Ed Chadwick. Plante had to leave the ice midway through the second period when he was cut near the left eye by a flying puck. He needed one stitch to close the wound and returned to the ice within a few minutes.

It was the third straight game without a win for Canadiens, who have 63 points, two fewer than Detroit. Leafs have gone six games without a win, tying three.

GOVERNOR GENERAL TROPHY WINNERS

The above photo shows the two rinks who won the Governor-General's Trophy at Ottawa last Saturday. This is an annual event and is based on the combined score of both teams. Stan Hamilton's rink dumped Arnie Butterworth of Ottawa 15-9 while Sonny Mooney's quartet dropped a close 9-8 decision to Tiny Hermann to win the trophy 23-18. In the front, left to right, Garth Crosby, lead, Charlie Warner, second, Darcy Bennett, third, and skip Hamilton. In the rear, same order, Howard Leslie, lead, Bob Nugent, second, Doug MacDonald, third, and skip Mooney.

Today Could Be Day The Underdogs Howl In 44th International 'Spiel; Campbells Clash With Muth In Main

QUEBEC — (P) — Today could be the day the underdogs howl in Quebec's 44th International bonspiel.

The bonspiel enters its fourth day with the semi-final round in the Chateau and Omega trophy events and second-round play for the Lieutenant-Governor's Trophy. Only five clubs boast unbeaten records and three of them could surprise the early guessers.

Two of the rinks with 5-0 records — Garnet Campbell's Avonlea, Sask., team and Alf Muth's Quebec Victoria entry — were pre-bonspiel favorites. The three other rinks, ignored earlier, are Nelson Findlay's Toronto Royal Canadian, Oscar Bigford's Brockville, Ont., club and Charlie Cassels' Hamilton Thistle.

The big match today will see Muth, winner of 1956 of the Lieutenant-Governor's and Grand Aggregate — going against the Campbell brothers team in a second-round draw for the Lieut-

enant-Governor's Trophy.

Most play Wednesday was for minor trophies. The first round of the Lieutenant-Governor's also was played. In this draw Cassels crushed Gaston Amyot's Quebec Jacques Cartier crew, another pre-bonspiel favorite, 18-2. Findlay's rink downed G. Moore's Sudbury, Ont., rink 8-7. The Campbell-led Chester Cunningham's Walkerton, Ont., squad 9-7; Bigford's team squeaked past D. Labbe's Quebec Jacques Cartier rink 6-5 and the Muth quartet defeated Dr. Perrier 12-7.

The 124 teams from six provinces and several United States cities are competing for 15 trophies and awards. Final rounds in the week-long bonspiel will be played Friday and Saturday. It is possible for teams to win three awards — the Omega, Chateau or John — and the Lieutenant-Governor's and Grand Aggregate, but no team has ever accomplished this.

Joey Giardello Forced To Come From Behind To Earn Decision Over Tough Randy Sandy Last Night At Chicago

CHICAGO — (P) — The 5-to-1 odds went to Joey Giardello's head Wednesday night.

Joey, the overwhelming favorite, was lucky to get a split 10-round decision over Randy Sandy in a televised bout at Chicago Stadium.

He didn't look anything like the No. 2 ranking middleweight that he is. A ferocious last two rounds saved the victory for him. Under the five-point system of scoring, referee Walt Brightmore voted for Giardello 48-44 and judge Frank McAdams favored him 47-45. Judge Frank Clark called it for Sandy, 47-46.

"I trained well for this fight,

but I just couldn't get my second wind," said Joey, who last September beat top-ranked Bobby Boyd into submission in five rounds.

"I just didn't have in my mind that this would be a tough fight. I read in the papers that Sandy wasn't much — and I read where I was a 4-to-1, 5-to-1 favorite. I just got overconfident . . .

"Before I went out for the ninth round, they told me I had to get him," said Giardello, who outweighed his swarming foe 159½ pounds to 157½. "I think I hurt him in the ninth and 10th."

Top Pros Fail To Turn Up For \$15,000 Tucson Open Golf Event; Eight Canadians Are Entered

TUCSON, Ariz. (P) — Good putting was at a premium as the \$15,000 Tucson Open Golf tournament opened today on the straight and easy El Rio Country Club course.

The sponsors' ire was softened somewhat when a few more top golfers showed up Wednesday, but none of last year's top money winners are still missing.

After the U. S. Professional

Golfers Association was accused of a "breach of faith" for not providing top players, Gene Littler flew in from San Diego, Doug Ford returned from his sick son's bedside in New York and Fred Hawkins came from El Paso, Tex.

The 6,434-yard El Rio layout has never been a mystery to the touring pros. Recent rains have softened the usually hard fairways and made it even more to their liking.

Eight Canadians are entered in the tourney. They are: Murray Tucker, Toronto; Bill Mawhinney, Vancouver; John Hendricks, Ottawa; George Knudsen, Winnipeg, amateur; Al Balding, Toronto; Bob Wylie, Calgary; Gerry Keserling, Toronto; and John Kay, Montreal.

ROCKEY'S BIG SEVEN

Andy Bathgate of New York scored a goal and an assist Wednesday to climb into a tie with North Ullman of Detroit for fourth place in the National Hockey League scoring race.

Man-United Wins Europe Cup Round In Soccer

MANCHESTER, Eng. — (P) — Manchester United defeated Atletico de Bilbao of Spain Wednesday night 3-0 in the European Cup soccer championship. The victory gave the English team a decisive 6-5 edge in total goals scored.

Manchester now moves into the next round of European Cup play.

Bilbao defeated Manchester United 5-3 Jan. 16 when they played in Bilbao.

The teams play twice, once at each home ground and in cases of scoring a victory each, the total goals determine the winner. A crowd of 65,000 turned out. Manchester United, leading the first division in regular play in the English Football Association, was the favorite.

The field was muddy.

Hubcap Rolls To Hialeah Purse Win, Cops \$20,000

MIAMI — (P) — Hubcap sprinted to a quick victory Wednesday in the \$20,075 Florida Breeders' Stakes at Hialeah, a race for two-year-olds.

Hubcap covered the three-furlong course in 0:33 and paid \$6.20 to win.

At Arcadia, Calif., Sully's Trail won her sixth straight race by capturing the \$15,000 Santa Ynez Stakes at Santa Anita.

The three-year-old filly, daughter of Mr. Sullivan who was one of the fastest of the Irish imports, has yet to lose her first race.

She paid \$2.80 to win and covered the distance in 1:10 1-5 while carrying 116 pounds.

Star PCL Hitter May Retire After Hearing Of Sale

VANCOUVER — (P) — Outfielder George Metkovich, rated Vancouver Mounties' No. 1 player in their first season in the Pacific Coast League in 1956, has been sold to Charleston of the American Association, general manager Cedric Tallis announced Wednesday.

Metkovich led PCL hitters in 1955 with a .335 average while with Los Angeles but dropped to .294 last year.

There was some doubt here whether Metkovich would report to Charleston. He owns a restaurant near Los Angeles and may retire soon.

LAST NIGHT'S STAR

Dean Prentice, New York, scored the winning goal and assisted on another as Rangers defeated Boston 3-2.

Plans Completed For Tonight's Minor Hockey Bill; First Game Slated For 7:00; Five Tilts Listed On Program

Final plans are completed for tonight's feature in connection with "Young Canada Hockey Week" celebrations. In all 11 clubs will participate in all sections of minor hockey starting with Mosquitos (boys under 10 years of age) to Juveniles (under 18 years of age).

The West Ward Blues of the Optimist Mosquito league will open activities at 7:00 against a mosquito club from St. Patrick's Academy. This game will be followed by the Optimist Pee-Wee club against a team from the St. Patrick's Academy Pee-Wee league. A regular bantam league game will be played following this between Sherbrooke High School and St. Patrick's Academy.

In the midjet section a slight change has been made, thereby improving the evening. East Angus Midjets who are leading the Midjet league with 8 wins and no defeats will play one period against the Optimist Midjets and one period against the St. Pat's Midjets.

The Optimist Juveniles and the Pour Vous Messieurs, who are in the semi-finals of the E. T. Juvenile League, with Optimist leading 2-0 in the best-of-five series will meet in the third game of their series. Pour Vous Messieurs intend to extend this series and, should put up a very good game. In all approximately 150 players will take part in this evening of hockey and as the admission is free a banner crowd is expected to be on hand.

In all probability Mayor Armand Nadeau and his council

will be on hand to face off the puck. Mayor Nadeau has endorsed minor hockey as being one of the best sports to develop youngsters.

Another Dose Of General Rundown

On third base — "Tell me

Casey Stengel, The Old Master, Comes Up With Another Dose Of Double Talk; Gives General Rundown

By WHITNEY MARTIN
NEW YORK (P) — Stengelisms, as voiced by the old master, Casey himself:

On Yogi Berra — "Well, I tell you now, I got four men who can hit for distance, and they can run. My catcher can run if he wants to. The trouble is he gets to first base and he gets tired, wants to talk to somebody, get the news."

On Don Larsen — "Who would I say is my No. 2 pitcher? I'd have to say Larsen. I said the same thing early last year."

On right field — "Is it safe to say Hank Bauer will play right field? Well, I'll tell you, somebody's got to beat out Gil McDougald at shortstop."

On other clubs — "Everywhere I go people tell me you better look out for that Detroit club or it will give you a good whacking over. Now the Red Sox. I tell you two years ago they were good, but they fell off last year. If Williams reports in good condition they will have an outfield which is hard to beat. And Baltimore is going to win some ball games."

On third base — "Tell me who's a better third baseman in the league, either league, than Andy Carey. I know he fell off in hitting last year, changed his stance 78 times. But two years ago he hit .300. Nothing wrong with him."

On Kerby Farrell, new Cleveland manager — "I understand he comes up with his own ideas. Good ones, too. Yeh, I gave him his smashed nose. We was practicing indoors. I was knocking ground balls to him, and you know my power. Boom, I disfigured him."

On Enos Slaughter — "He has that spirit and disposition he had with the Cardinals. If there's anything against him it's his age. He's a good pinch hitter, a good man to have around."

Fifty Entries For Aintree's Grand National

LONDON. — (P) — Entries for the 11th running of the Grand National Steeplechase were cut to 50 Wednesday after one jumper was scratched and nine nominees were not entered on the first acceptance list by owners.

The National will be run over the 4½-mile, 30-obstacle course at Aintree March 29.

Former All-Star Short-Stop Turns To Pitching Now

CLEARWATER, Fla. — (P) — The baseball season gets underway here today when Philadelphia Phillies open their rookie school under the direction of manager Mayo Smith.

Fifty players, including several veterans, will work out. The camp runs through Feb. 28, two days before the regular squad reports for the March 1 training camp opening.

Of chief interest at the school is the attempt by former all-star shortstop Grady Hamner to become a pitcher. Hamner suffered an injury to his left shoulder which hampers his batting and apparently has ended his career as an infielder. He'll try to make the club as a right-handed pitcher.

"It's been pretty good," said John. "But I still have a little trouble with it. Like when I go fishing and sit down quite a while. After I stand up, it feels a little better."

"They told me in the navy I might have to have an operation. I suppose I will eventually but there's no telling when. It might be two years and it might not be for five or 10."

A phone call to Whitehouse, N.Y., brought the information that Podres was out ice fishing on Lake Champlain.

"Got a load of what we call Lake Champlain ice fish," he said later. "They run about seven or eight inches apiece."

It wasn't easy to switch the conversation to baseball and a bad back.

"I've been pretty good," said John. "But I still have a little trouble with it. Like when I go fishing and sit down quite a while. After I stand up, it feels a little better."

Podres suffers from spondylitis, a disintegration of the small bones that link the spinal column with the body. He's had it most of his life. Before his discharge from the navy he had been in a hospital for five weeks.

Hershey tops Springfield in 13-goal match.

HERSHEY. — (P) — Hershey Bears defeated Springfield Indians 7-6 Wednesday night in the American Hockey League.

Bob Solinger, Willie Marshall, Dunc Fisher, Obie O'Brien and Ed Panagabko with two each were the Hershey scorers. Bob Bailey, Ed Slawinski, Jimmy Anderson, Gerry Ehman, Doug McCurdy and George Bouchard countered for Springfield.

Outcome To Have Big Bearing On League Standing As Teams Battle For Choice Spots In Final Week

Richmond Braves can gain some valuable ground on the idle Sherbrooke Beavers this evening in their duel with the Waterloo Maroons in one of the games on tap in the Massawippi Valley Hockey League. In the only other tilt Brompton-East Angus Flyers travel to Asbestos.

The Maroons and the Flyers are at present staging a battle for fourth position in the O'Donnell loop. At present the Waterloo squad is one-point ahead of the twin-city combination and they hold two games in hand over the Flyers.

Richmond is also entangled in a battle with the Sherbrooke Beavers for the final playoff berth in the circuit. The Bedford club has one more game to play against the Waterloo Maroons Sunday afternoon while the Braves have three more on the agenda and if they can win two of them with the Sherbrooke club losing their final tilt they will take over.

It is hard to predict any outcomes just now as it seems that the clubs are more interested in trying to finish in certain positions in order to meet their own selections in the playoffs. Magog can do no worse than finish in

a tie for second providing of course that Windsor drops one of the three games. If the Paper Makers should cop all three then the Aces will be obliged to go out in their final tilt.

The race is so close that it will go to the final game to decide just how the teams will finish and in what position. Asbestos Meteors is the only club sure of their spot on top of the heap and they can't be touched no matter what happens. The rest is doubtful and won't be decided until Sunday evening when the Aces tangle with the Maroons in Waterloo.

Ted Williams, 38-Year-Old Slugger For Boston, Signs For Another Top Salary Of \$100,000; Likes The Game

BOSTON (P) — Ted Williams, brilliant career, is mellowing with age—or maybe it's just the off season.

The 38-year-old Boston slugger indicated Wednesday that he has had a change of mind and might like to stay in baseball after his playing days.

Williams displayed a beaming grin after signing a one-year contract for about \$100,000 which continues him as baseball's highest paid player. But he turned off the grin and became serious when asked whether he would like to remain in baseball when he has to quit as a player.

"After my playing days are over I will do everything possible to help the game," he said. "Other than that I want to fish any time in any place I want."

He thought the matter over carefully for a few more seconds and added:

"Put it this way. I would stay in the game if I wanted. As you get older you start realizing there isn't a whole lot of things you know better than baseball."

Ted indicated he would prefer to become

Coaticook Jaycees To Publicize District Beauty Spots For Tourists

COATICOOK. — Members of the Coaticook Junior Chamber of Commerce are taking steps to make certain that the scenic beauties of the community and the lakes, streams and hills round about will not in future be overlooked by tourists.

Folks living in the Townships often fail to notice that the views, which have to them become commonplace, are not surpassed anywhere in Canada and this particular corner of the area is no exception. At least that is the way the J.C.'s feel about it and have formed a committee to do something about it.

The chairman is Mr. Louis Roch Seguin, of Coaticook, who first brought the idea into public view. Mr. Seguin is biologist at the government fish hatchery at Baldwin's Mills, a spot which will be brought to the attention of tourists by publicity folders being prepared by the committee. Other members of the committee are Mayor Roland Frechette, Fernand Houle, president of the J.C. group, Ald. Gerard Couillard, Leger Cameron, Rosaire Daigle, provincial police officer, A. Ross, photographer, Lucien Bouchard and L. Belanger, publicity, and Miss Marguerite Telmesse, secretary.

Plans are now under way to have a "Journalists Day" with representatives of newspapers throughout the province being invited to attend. The program

will include a scenic tour of Coaticook, a visit to the hatchery at Lake Lyster where stocking of streams will be demonstrated as well as the many wonders of the procedure of raising fish from tiny eggs to large table-size trout. A banquet will wind up the event. Illustrated brochures will be distributed to all tourist information booths, motels, etc.

SCOUT COMMITTEE

Members of the Group Committee of the First Coaticook Troop of Boy Scouts met in the office of Roland Racicot. Others present were Rev. N. Tucker, Rev. F. Cant, Stanley Beerworth, Robert McAlpine, George Engelhardt, Stuart Low, Jas. Barron, Ralph Hayes, Cub Pack leader, and Wilfrid Lepitre, troop leader.

The meeting was presided over by the chairman, Stan Beerworth. The minutes were read by the secretary, Geo. Engelhardt. A report from the treasurer, Bob McAlpine, was heard and a bill of \$24 for troop supplies was paid.

The main discussion of the evening was the need of securing assistant leaders for both the Scout and Cub leaders. Several names were suggested and these will be contacted to see if they are willing to give an evening a week to guide the boys in this worthwhile work.

Rev. N. Tucker outlined proposals for observance of "B.P." Day in memory of Baden-Powell, the founder of the movement. Rev. Cant also gave suggestions for the special day in which the Guides, Brownies and C.G.I.T. groups will join with the Scouts. Another meeting is to be held next Monday evening to finalise the plans.

The meeting was closed with a word of prayer by Rev. Tucker. Members of the committee signed the form for renewal of the Troop charter at this meeting.

TRUSTEE MEETING

A special meeting of the trustees of the Coaticook United Church was held at the Manse presided over by Rev. F. Cant. Present were Geo. Engelhardt, Robert McAlpine, Elwin Akhurst and Mr. Dukelews, of Granby, a representative of the firm of Nesbitt and Thompson, of Montreal. The investments held in trust by the committee were reviewed and suggestions made for re-investing some of the monies at better interest rates.

CLOSE CALL

Coaticook seems to have had an unusual number of freak ac-

cidents during the past few months. Two cars have fallen into various sections of the Coaticook river gorge with varying degrees of injury to the occupants and a few days ago a car performed gymnastic tricks from which the driver escaped injury by a miracle. The car, a late model Plymouth operated by Mr. Lemay as a taxi, failed to make the sharp curve on the steep hill leading to North Coaticook near the Penman plant. The vehicle, in falling down an embankment of several feet, turned over and struck a corner of the Penman factory office building, doing minor damage to the brick structure, but making a complete wreck of the car.

GENERAL NOTES

Rev. Frank Cant and Mr. S. Beerworth attended sessions of the Quebec-Sherbrooke Presbytery of the United Church of Canada held at Plymouth United Church, Sherbrooke, on Tuesday and Wednesday.

A meeting of the Women's Association of the Coaticook United Church was held at the home of Mrs. Charles Akhurst with Mrs. V. Tousaw as joint hostess.

The girls' basketball team of the High School recently played a team from Sunnyside School, Stanstead, Friday evening. The local girls were without the ser-

vices of one or two of their more experienced players, absent through illness, but nevertheless they gave a fine exhibition and lost by only two points, 17 to 15. The next morning the girls played a team from Beebe and won by a score of 60 to 10. The visiting team has not had too much practise but they have a good team in the making. Mr. Robert McAlpine, coach of the Coaticook team, acted as referee for the games.

Friends of Miss M. Waldron, teacher at the High School, are sorry to learn that she is in the Sherbrooke Hospital for treatments.

BEEBE —

Mr. and Mrs. Bernard Laberee, accompanied by Mrs. Adelaide Laberee and Miss Ruby Laberee, of Rock Island, motored to Point Aux Trembles where they visited Mr. and Mrs. Rex Rich and family. Master Gordy Rich returned with them to spend some time with his aunt, Mrs. Carroll Cooper, Mr. Cooper and Gary.

Mr. Clarence Nutbrown is enjoying his winter vacation from Butterfield Division, Union Twist Drill Co. and spent a few days with his parents, Mr. and Mrs. William B. Nutbrown in Leeds

Village.

Mr. and Mrs. Wayne Campbell are vacationing in Florida.

Recent visitors of Mrs. Edna MacArthur were Mrs. Muriel Derusha and Miss Phyllis Derusha of Newport, Vt. and Miss Mary Hokaanson of Holland, Vt.

Mrs. Carroll Cooper recently entertained the Young Mother's Club at her home. A delightful social evening was spent and Mrs. Roger Choquette was pleasantly surprised when presented with "pink and blue" gifts which upon being opened, revealed lovely articles for a new baby. Refreshments were served included a decorated shower cake.

Friends of Mrs. Mary Wilson will be pleased to learn that she is gaining favourably at the Orleans County Memorial hospital, Newport, following surgery.

The Beebe Craftsmen 4-H club regular meeting, it was decided that the members make scrap books for orphans at White River Junction. Dennis Lawson was received as a new member. The next all day meeting will be on February 9.

Mr. Ralph Cooper while enjoying his winter vacation from the Butterfield Division of Union Twist Drill Co., visited his daughter, Mrs. George Smith, Mr. Smith and children in Swanton, Vt.

WARDEN —

The annual vestry meeting of the Church of St. John the Divine was held with the rector, Rev. P. Busing presiding. Minutes were read by Miss Alice Ashton and the financial report showed a small balance on hand. The report of the Ladies' Guild showed that all bills had been paid and a very satisfactory balance on hand. Mr. A. T. Barnes was appointed by the rector as his warden and Mr. Kenneth Ashton re-elected as people's warden with Miss Alice Ashton to continue as secretary-treasurer. Mr. Hugh Chambers of St. John's was again appointed to represent the Warden church as their delegate to Synod. Some repairs to the church were discussed after which the meeting closed with the benediction.

Miss Mabel Kilton and Mrs. H. Caswell of Montreal, were recent guests of Miss N. E. Kilton. After many months of ill health Mrs. Alida Ashton passed away at her home at the age of 90 years.

Miss Joyce Talbot of Johnson, Vt., and Mr. and Mrs. Robert Lasalle of Swanton, Vt., spent a week-end with Mr. and Mrs. K. Talbot and family.

Church Groups Hold Meeting At South Durham

SOUTH DURHAM. — The W.M.S. and W.A. met in the church hall with the president, Mrs. B. Skillen in the chair. The devotional was taken by Mrs. Annie Mountain in the absence of Mrs. Massey.

The minutes were read by Mrs. E. Montgomery, secretary, and Mrs. A. Mountain acted as treasurer for Mrs. F. Richmond.

It was decided to raise the W.A. supper ten cents; a travelling towel, donated by Mrs. Winget, has started on the rounds and when finished will be opened at a supper on March 13; a parcel post or mystery table and work table will also be held on the same date.

The Holiday Bags for the men of the congregation will be opened at the W.A. December meeting.

Mrs. A. Mountain invited the W.A. to meet at her home on February 13.

A hot supper was served to visitors and friends and an enjoyable social hour was spent.

ANNUAL MEETING

A congregational meeting was

SHERBROOKE DAILY RECORD, THURSDAY, FEB. 7, 1937. 13

held in the church when the annual reports of the treasurer and committees of the church were given.

Officers elected for 1937 are: Board of Stewards—Henry Winget, chairman; G. Coote, treasurer; Mrs. A. Mountain, secretary; Mrs. E. Montgomery, W.

Millar, P. Gunter, Mr. and Mrs. B. Skillen, manse committee; A. Mountain, caretaker; Mrs. Annie Mountain, organist; W. H. Richmond, cemetery.

A vote of thanks was given by Rev. Corey Martin to those who had helped to carry on the work of the church in the past year.

It is a great pleasure for me to thank the English speaking population of Waterloo, owners and tenants alike, for their support in the recent election.

I wish also to congratulate all voters who went out of their way to cast their vote in one of the heaviest ballots of Waterloo's History, thereby showing, for or against me, their deep concern for civic affairs.

May all rest assured that I am at the disposal of every citizen in the fulfilment of my duties as alderman of the Town of Waterloo.
