Articles of Association of the MONTREAL BANK.

To ALL TO WHOM THESE PRESENTS SHALL COME.

BE it known and made manifest, that we, the Subscribers, have formed an Association or limited Co-partnership, and do hereby agree with each other, to conduct BANKING Business in the manner hereinafter specified and described, by and under the name or style of the

MONTREAL BANK;

And we do hereby mutually covenant, declare and agree, that the following are and shall be the fundamental Articles of this Association and agreement with each other, by which we and all persons who at any time hereafter may transact business with the said Company, shall be bound and regulated.

First. The Capital Stock of the said Company shall not exceed Two Hundred and Fifty Thousand Pounds current money of this Province, divided into five thousand shares of Fifty Pounds each; and for the purpose of raising the said Capital stock, a book of subscription shall be opened in this city after thirty days previous notice in at least four of the Provincial News-Papers, under the superintendance of John Richardson, George Gardiner, George Moffatt, Thomas Andrew Turner, Robert Armour, James Leslie, Joseph Bates, John C. Bush, and Austin Cuvillier, or any three of them; and to continue open under their superintendance until there shall have been an election of Directors as hereinafter provided, which book shall be headed with the present Articles of Co-partnership or Agreement, and shall continue open until the whole of the said Capital Stock shall have been subscribed. Every person or persons, co-partnership, body politic or corporate, who may or shall become members of this association, may subscribe for such and so many shares, as he, she, or they shall think fit, not however exceeding in the first instance twenty shares, and it is hereby agreed that the shares respectively subscribed, shall be payable in Gold or Silver coin, current in this Province, in the manner following, that is to say: five per centum, as a deposit at the time of subscribing; ten per centum to the Directors, within ten days after they shall have been chosen in manner hereinafter provided; another payment not exceeding ten per centum, whenever they shall require it, at such time and place as they shall appoint for that purpose, giving thirty days previous notice as aforesaid; and the remainder shall be payable in such instalments as a majority of the Directors shall agree upon; but no after instalment shall exceed ten per centum upon the capital stock, for the payment of which, thirty days notice shall always be given.

Second. It is further mutually agreed upon, that whenever the sum of Five Thousand Pounds shall have been actually deposited or paid in on account of the subscriptions to the said stock, notice thereof shall be given by the persons under whose superintendance the same shall have been received, in at least two of the Montreal News-Papers, and the said persons shall at the same time in like manner, notify the time and place of holding a meeting of the subscribers, which shall be at the distance of not less than thirty days from the time of such notification for proceeding to the election of the number of Directors hereinafter mentioned; and such election shall there and there made by a majority of shares voted for, in manner hereinafter prescribed, in respect to the annual elections of Directors; and the persons who shall then and there be chosen, shall be the first Directors, and shall be capable of serving until the expiration of the day fixed for making the annual election; and the Directors so chosen, shall as soon thereafter as circumstances can conveniently allow of, commence the business and operations of the said Bank, but no Bank Bills, or Bank Notes shall be issued or put in circulation, nor any Bill or Note be discount at the Bank, until Twenty Five Thousand Pounds in gold or silver, shall be actually paid in and received on account of the subscriptions to the said Capital Stock.

Third. For the good management of the affairs of the said Association or Company, there shall be thirteen Directors, who shall be annually elected by the proprietors or holders of the said capital stock, at a general meeting thereof to be annually holden on the first Monday of June, at which annual meeting the said proprietors and stockholders shall vote according to the rule hereinafter established, in respect to voting at general meetings; and the Directors so chosen by a majority in conformity to such rule, shall be capable of serving as Directors, for twelve months (unless any of them shall be removed for mal-administration before the expiration of that period by a general meeting of stockholders, or unless suspended as hereinafter provided) and at their first meeting after such election, shall choose out of their number, a President and Vice-President, and their places respectively, from time to time, fill up when vacant by death, resignation, absence from the Province, or removal as aforesaid. In case of death, resignation, absence from the Province for three months at a time, or the removal of a Director by the stockholders, his place in case of such removal shall be filled up by the remaining Directors, and in the other cases by the remaining Directors, or a majority of them, to serve however, only until the succeeding general meeting as aforesaid.

Fourth. The Directors for the time being shall have power to appoint such officers, clerks, and servants under them as shall be necessary for executing the business of the said Company, and to allow them such compensation for their services respectively as shall be reasonable and proper; all which, together with the expenses of building, house-rent, and all other contingencies, shall be defrayed, out of the funds of the said Company. The said Directors shall likewise be capable of exercising such other powers and authorities for the well-regulating and ordering of the affairs of the said Company, as shall be prescribed by the By-Laws, and Regulations thereof.

Fifth. It is further covenanted and agreed upon by and between the parties to this agreement, that if the said Capital stock of Two Hundred and Fifty Thousand Pounds, is not subscribed within three months after the said Book of subscription shall have been opened, then and in such case it may be competent for any former subscriber or subscribers, to increase the same, or their subscriptions to forty shares; and if the aforesaid Capital Stock is not subscribed within four months after the said Book of subscription shall have been opened, then, and in such case, the deficiency may be subscribed for by any person or persons, body politic or corporate, but they shall not be permitted respectively to hold more than fifty shares in the whole, unless the same be acquired by purchase, after the said Bank shall have commenced its operation.

Sixth. It is hereby expressly and explicitly declared, that be the object and intention of the parties who associate themselves under the style or name of the Montreal Bank that the joint stock or property of the said Company (exclusive of divi-

dends to be made in the manner herein after mentioned) shall alone be responsible for the debts and engagements of the said Company. And that no person, who shall or may deal with this Company, or to whom they shall or may become in any wise indebted, shall on any pretence whatever have recourse against the separate property of any present or future member of this company, or against their persons, farther than may be necessary to secure the faithful application of the funds thereof, to the purposes to which by these presents they are liable. But all persons accepting any bond, bill, note or other contract of this company, signed by the President, or Vice President, and countersigned or attested by the Cashier of the Company, for the time being, or dealing with it in any other manner whatsoever, thereby respectively give credit to the said joint stock or property of the said Company, and thereby respectively disavow recourse, on any pretence whatever, to the person or persons property of any present or future member of this Company, except as aforesaid. And all suits to be brought against this Company (if any shall be) shall be brought against the President for the time being; and in case of his death or removal from office, pending any suit against him, measures shall be taken at the expense of the company for substituting his successor in office as a defendant; so that persons having demands upon the company, may not be prejudiced or delayed by that event, or if the person suing, shall go on against the person first named as defendant, (notwithstanding his death or removal from office) this company shall take no advantage of such proceeding on that account; and all recoveries had in manner aforesaid, shall be conclusive upon the Company, so far as to render the Company's said joint stock or property liable thereby, and no further; and the Company shall immediately pay the amount of such recovery out of their joint stock, but not otherwise. And in case of any suit at Law, the President for the time being shall have full power in his own name, and on behalf of the Company, to prosecute to judgment and execution in the manner and form as by the laws of this Province it is provided; it being expressly understood and declared, that all persons dealing with the said Company, agree to these terms, and are to be bound thereby.

Seventh. These articles of agreement shall be published in at least one of the news-papers printed in the cities of Quebec and Montreal for three months, and for the information of all persons who may transact business with or in any manner give credit to this Company, every Bond, Bill, Note, or other instrument or contract, by the effect or terms of which, the Company may be charged or held liable, for the payment of money, shall specially declare, in such form as the Board of Directors shall prescribe, that payment shall be made out of the joint funds of this Company, according to the present articles of association, and not otherwise; and a copy of the sixth article of this association, shall be inserted in the bank book of every person depositing money, or other valuable property, with the Company, for safe custody, or a printed copy shall be delivered to every such person, before any such deposit shall be received from him. And it is hereby expressly declared, that no engagement can be legally made in the name of the said Company unless it contain a limitation or restriction, to the effect above recited. And the Company hereby expressly disavow all responsibility, for any debtors engagement, which may be made in their name, not containing a limitation or restriction to the effect aforesaid.

Eighth. The number of votes to which each Stockholder or Stockholders, Co-partnership, body politic or corporate, holding stock in the said Company, shall be entitled on every occasion, when in conformity to the provisions and requirements of these articles, the votes thereof are to be given, shall be in the proportion following, that is to say, For one share, and not more than two, one vote; for every two shares above two, and not exceeding ten, one vote, making five votes for ten shares; for every four shares above ten, and not exceeding thirty, one vote, making fifteen votes for thirty shares; and for every six shares above thirty, and not exceeding sixty, one vote, making fifteen votes for sixty shares; and for every eight shares above sixty, and not exceeding one hundred, one vote, making twenty votes for one hundred. But no person or persons, Co-partnership, body politic or corporate, shall be entitled to a greater number than twenty votes, and all stockholders resident within this Province, or elsewhere, may vote by proxy, if he, she, or they shall see fit, provided that such proxy be a stockholder, and do produce a sufficient authority from his constituent or constituents, for so representing and voting for him, her, or them, provided also, that after the first election of Directors, no share-holder of the capital stock of the Company shall confer a right of voting, either in person, or by proxy, which shall not have been holden during three Calendar months, at the least, prior to the day of election, or of the general meeting, where the votes of the stockholders are to be given.

Ninth. None but a stockholder, actually resident in the city of Montreal, and holding at least ten shares in the capital stock, and being a natural born subject of His Majesty, or a subject of His Majesty naturalized by act of the British Parliament, or a subject of His Majesty, having become such by the conquest and cession of this Province, or any person who shall have resided seven years in the province, and in any of the above cases, who shall have resided three years in this city, one of which shall have immediately preceded the day of Election, shall be capable of being elected or chosen a Director of the said Bank; or shall shall serve as such.

Tenth. Nine of the Directors in office shall be re-elected for the next succeeding twelve months, of which the President and Vice President shall always be of the number.

Twelfth. Not less than five Directors shall constitute a board, for the transaction of business, whereof the President or Vice-President shall always be one, except in case of sickness and necessary absence, in which case their places may be supplied by any other Director whom the President or Vice President so sick or absent, shall respectively by writing, under their hands, appoint for that purpose. The President and Vice President, shall vote at the board of Directors, and in case of their being an equal number of votes for and against any question before them, the President, and in his absence, the Vice President, shall have a casting vote.

Thirteenth. Any number of stockholders, not less than fifty, who together shall be proprietors of two hundred and fifty shares, shall have power at any time by themselves or their proxies, to call a general meeting of the stockholders, for purposes relative to the said Association, giving at least six weeks notice thereof in at least one of the News-papers published in this city, and specifying in such notice the time and place for such meeting, with the object or objects thereof; and the Directors, or any seven of them, shall have the like power at any time (upon observing the like formalities) to call a general meeting as aforesaid. And if the object for which any general meeting, called either by the stockholders or Directors as aforesaid, shall be to consider of a proposal for the removal of the President, Vice-President, or other Director or Directors, for mal-administration, then and in such case the person or persons so proposed to be removed, shall from the day on which such notice shall first be published, be suspended from the execution of the duties of his or their office; and if he be the President or Vice-President, his place shall be filled up by the remaining Directors, to serve during the time of such suspension.

Fourteenth. Every Cashier and Clerk of the Bank, before he enters upon the duties of his office, shall give bond, with two or more sureties, to the satisfaction of the Directors; and he to say, Every Cashier in a sum not less than Five Thousand Pounds, with condition for his good and faithful behaviour; and every Clerk with like condition, and sureties, in such sum as the Directors shall consider adequate to the trust to be reposed in him.

Fifteenth. Sixteenth. The total amount of the debts which the Company shall at any time owe, whether by Bond, Bill, or Note, or other contract whatsoever, shall not exceed the amount of the capital stock actually paid in, (over and above a sum equal in amount to such money, as may be deposited in the Bank for safe keeping) and in case of excess the Directors, under whose administration it shall happen, shall be liable for the same, in their natural and private capacities, but it shall in no case exempt the Company or the said Directors, from their liability for such excess; such Directors, however, as shall have been absent when the said excess was contracted, or shall have entered their protest against it, upon the minutes of the proceedings of the Board, may respectively exonerate and discharge themselves therefrom, by pleading and proving such absence, or showing such minutes.

Seventeenth. The shares of Capital Stock shall be assignable and transferable, according to such rules and forms, as may be established in that behalf, by the board of Directors, but no assignment or transfer shall be valid or effectual, unless such assignment or transfer shall be entered or registered in a book or books, to be kept by the Directors for that purpose, nor until the person or persons making the same, shall previously discharge all debts actually due by him, her, or them, to the said Company, which may exceed in amount the remaining stock belonging to such person or persons, and in no case shall any fractional part of a share, or other than a complete share or shares, be assignable or transferable. And it is hereby further expressly agreed and declared, that any stockholder, who shall transfer in manner aforesaid, all his stock or shares in this Company, to any other person or persons whatever, shall ipso facto cease to be a member of this Company, and that any person or persons who shall accept a transfer of any stock or share in this Company, shall ipso facto become and be a member of the said Company, according to these articles of association.

Provided that the rendering of such statements shall not extend, to give any right to the stockholders nor Directors, to inspect the account of any individual or individuals, with the Company.
