MRS. LOVELL'S YOUNG LADIES' CLASS

Will Re-open on 5th September next.

THE plan adopted by MRS. LOVELL is that so successfully pursued by the late MISS LYMAN in this city, (previous to her appointment as Lady Principal of Vassar College), and aims to unite the advantages of sound literary training with the pleasures and safeguards of home. Only those are admitted who have already been thoroughly grounded in the elementary branches. The Class is limited to such number as will permit of personal supervision to each member.

MRS. LOVELL'S scheme of education is based upon the principle that the office of instructor is not simply to teach the pupil what to remember, but how to think; not so much to make the scholar, as to show her how to make herself. To this end her special aim is the development of the powers of acquiring and reasoning, and stimulating the desire to use them.

Critical discussions on literature, art, and current events, form an important feature of the course, serving to secure from the pupils intelligent and practical interest in their studies, and at the same time cultivating fluency in expression and the habit of correct speech.

The regular course of study embraces History, English Literature, Composition, Rhetoric, Mathematics, reading aloud from the British Classics and other standard works, and Vocal Music, (Singing at Sight). Extra course includes the French and German languages, and Instrumental Music.

An evening of each week is devoted to French Conversation exclusively, on a subject previously selected, and under the direction of the Master. The Class generally is expected to take part in the conversation.

Music receives special attention, supplemented by weekly rehearsals, at which the pupils are called upon to perform. These rehearsals secure the double object of arousing a spirit of emulation in the Class, and overcoming the nervousness to which many are subject when called upon to perform outside their immediate family circle.

While sectarianism is studiously avoided—the Bible is made the standard and guide, and every effort is made to impress upon the pupils a full sense of their duties and responsibilities as Christian women.

MRS. LOVELL'S aim will be to supply to her pupils, as far as possible, the gentle restraints and influences of home.

A few young ladies will be received as boarders.

There will be four Sessions:—

1st. From September 5 to November 10.	3rd. From February 2 to April 11.
2nd. " November 11 to February 1.	4th. " April 12 to June 15.

Hours of Attendance from 9 a. m. to 1 p. m. The Class will re-open on Thursday, Sept. 5.
For terms, apply to

MRS. J. LOVELL,

MONTREAL, 25th June, 1878.
