Portage du Fort Golden Age Club

by Elsie M Gibbons

This new Club has been given permission by the School Board to use a Class Room at the St James R.C. School for their meetings and for this we are indeed very grateful.

At a late September meeting, Mrs Beth Farrell, who had just returned from a year spent in Malaui, Africa, was an invited guest and brought along a display of Crafts she had managed to bring home with her, consisting of Elephant carvings, Baskets and Soap Stone carvings and also displayed three snap shot albums of pictures showing the way of life in Africa.

A round table discussion took place with many questions and answers. She expressed her opinion that she would not like to live there but admitted it was a wonderful experience.

Each member was presented with a letter opener made from the Elephant tusks.

In October Gwen Tanguay and Elsie Gibbons convened a Euchre and Bingo party followed by refreshments. Prizes and food were donated and over $30.00 was realized.

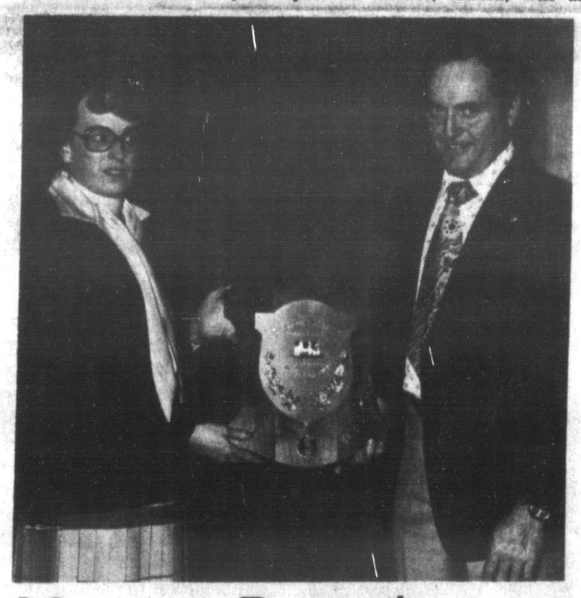
The Club received a letter from the Department of Health and Welfare through the efforts of our Federal Member Mr Tom Lefebvre that a cheque for $4185.00 would be forwarded to this Club to assist this New Club in purchasing equipment for the Club Room.

A special meeting was called in October. A motion was made to deposit this cheque in a special account and the President, secretary treasurer and one director must sign all cheques.

Simon Malette and Elsie Gibbons were appointed a committee to obtain prices on ten tables, forty chairs, electric stove, refrigerator, as well as two coffee urns and a bingo set. They were also authorized to attend a meeting of the St James School Board requesting permission to have a few electric outlets and heavy wiring installed for the stove in the Club Room and to report back to the next special meeting.

A motion of thanks was extended by letter to the Dept of Health and Welfare and Mr Lefebvre.

We were very pleased to have Mr and Mrs Hubert Ralston of Bryson present at this meeting and they offered many helpful suggestions and ideas from their experience when starting up their club in Bryson and this was appreciated.



Master Breeders

Evelyn and Don Duff were presented with their Master Breeder's plaque by Howard Dodge, National President at the Pontiac Holstein Club banquet Saturday evening.

Judd Buchanan will open federal building

Tom Lefebvre, M.P. for Pontiac-Gatineau-Labelle, is pleased to announce that the Honourable Judd Buchanan, Minister of Public Works, will attend the official opening of the new federal building in Campbell's Bay, on Monday, November 27th at 11:00 a.m.

This new modern building, which will serve all of Pontiac, was constructed at a cost of $359,743, and will provide accomodation for the Post Office and the Department of Employment and Immigration (Manpower and the Unemployment Insurance Commission).

The need for this building has been felt for a number of years and the Government of Canada has responded to the need by constructing the new facility.

Mr Lefebvre takes this opportunity to invite the general public to visit the new building, starting at 2:00 pm on November 27th.

Aylmer-Pontiac Home

An Advisory Committee must be elected soon for the Aylmer & Pontiac future Reception Center (Home for the aged).

To this effect, the Aylmer and Pontiac population groups and professionals are invited to three public information sessions.

The election's task force is formed of one representative of Pontiac Municipality, one of Aylmer Municipality, one of the CLSC Grande Rivière (Local Community Service Center) and one of the Conseil de la santé et des services sociaux (CSSSO).

These public information sessions will be held as follows:

November 13, 8 p.m., Luskville School, Luskville, Quebec.

November 14th, 8 pm, Hall of the Lion's Club, Quyon, Quebec.

November 15th, 8 p.m. Polyvalente Grande Rivière, 100 Broad St., Aylmer.

At these sessions, the task force and the Regional Council will explain the roles of the future members of the Advisory Committee, as well as the method to be used for their nomination and the voting procedure.

The proposed Advisory Committee will be composed as follows:

One Pontac resident (over 18 years of age), elected by the residents of this same Community.

Two Aylmer residents (over 18 years of age) elected by residents of this same Community.

Two persons will be designated after consultation with the socio-economic groups of Aylmer and Pontiac.

One representative (over 18 years of age) elected by the health professionals practicing or residing in Aylmer or Pontiac.

One representative of the Social Services Center (CSS).

The nominating period will be from November 13th to 20th, 1978 at 12 hrs (noon) and the presentation bulletins will be available in Pontiac and Aylmer City Halls, as well as at the CLSC Grande Rivière in Aylmer and at its service point in Quyon.

The voting, if necessary, will take place on November 26th from 10 hrs 30 a.m. to 2 hrs 30 p.m.

ONCE MORE WITH FEELING

Next Thursday at the County Council building at Campbell's Bay there will be a meeting of people who care about the cultural development of this County. Hopefully the hall will be filled with artists, writers, musicians of every kind, teachers and community leaders, and appreciaters of the finer things of life, all good responsible Pontiac citizens who know what this County is all about.

If there is a good turnout, the organization which will result will be strong and able to move forward into realms of accomplishment as yet unexperienced in the history of our County.

Either we are going to take our own cultural future into our own hands, or it is going to be determined for us by officialdom from cities far away.

We have urged the caring people of this County to attend meetings concerned with culture before, but to little avail. People generally find it a lot easier to complain about the slipping away of our cultural heritage after it is too late, than to do something about it beforehand.

Well, folks, here is another beforehand opportunity. Next Thursday, November 16, could mark a crossroad for the culture of this area. What can you do about it?

Grist and miscellaneous

There's a little contest going on to get some good drawings about libraries for a coloring book which is going to be published soon. Everyone of any age is invited to submit a drawing of their local public library, inside or outside, or of anyone thing in or around the library. One line of description should be written at the bottom and the name, age and address of the artist should be on the back. Each drawing must be in black, on white paper measuring 8½ inches by 11 inches. Take your drawing to the public library nearest you. The Shawville Library is in the Town Hall, and drawings may be left with the secretary, Mrs Evelyn Dale. Deadline for entries is Nov. 13.

Every year the Caisse Populaire movement presents a prize to someone who has demonstrated their interest in the cultural, social or economic developement of their area. The prize is an honour accompanied with some funds to continue the good works. Anyone who feels they might like to propose a candidate for this prize this year should submit their suggestion to Prix annuel Desjardins, La Fédération de Québec des Caisses populaires Desjardins, 150, avenue des Commandeurs, Lévis, Québec G6V 6P8.

Or you could telephone (418) 835-7278 for more information. The purpose of the prize is to help people who are doing something useful to the community. The prize was instituted first in 1975. So if you think there is any one person who deserves this special recognition for continued effort on behalf of the County of Pontiac, or any part of it, be sure to get their name in to the above address before the end of November. Some rather late news has come to our desk about the

Some rather late news has come to our desk about the new organization of the Pontiac Agricultural Society. Apparently 160 people who live in the judicial district of Pontiac subscribed a total of $479 and signed a declaration to the Minister of Agriculture of Quebec asking to be known as the "Société d'agriculture du district de Pontiac, and this proposition has been recommended by the Minister, with all who signed the declaration as members of the newly constituted society. This all took place on June 29th, 1978!

If anyone has an English version of the Quebec driver's instruction manual will they please bring it to THE EQUITY office. We'll make some copies for the use of those who are hoping to pass their tests later this month. Apparently Quebec "forgot" to print the usual English versions this year and only the French are available. Whoever decided to forget the English driver's instruction manuals, must be in very good standing in Government circles at Quebec where the more Pontiac people they persuade to leave the Province the better it will be for them. Where are all those people who thought it would be good for the whole County to get up and go?

The CGIT were well received around Shawville when they went out to collect for UNICEF. The total collected was $272.20, for which the girls are sincerely grateful. The money goes to help less fortunate children around the world.

The Ottawa Valley Curling Association will sponsor the 50th Macdonald Brier curling championships in Ottawa in March, 1979. During the past 49 years of the Brier, there have been 43 competitors by the name of Campbell, including Garnet Campbell who was went to the Brier ten times for Saskatchewan. In 1947, 1954, 1955 and 1957 that province had an all Campbell rink, and other winning combinations of Campbell's represented Ontario. There's no particular significance to this fact that we know of, but just thought you might be interested.

The Steele Homestead

By S. Wyman MacKechnie

John Steele was born in Hawden Parish, Yorkshire, England on February 22, 1799. Just when he came to Canada is not certain but in 1842 he married Sarah Ann McKenney at Pakenham. She had been born in County Armagh, Ireland on October 31, 1822.

He had received a sizeable grant of land on the 7th range of Onslow, presumably in consideration of previous military service. He had erected a substantial log house on the site which was then almost solid bush. It was there he took his bride and it was there their 11 children were born, ten of whom lived to grow up and there his descendants live to this day.

His oldest son, also named John, was to succeed to that property while the other 4 sons settled on farms nearby which the father owned or acquired on their behalf. In time it became known as the Steele Line, a name that appears on maps and other records although for municipal purposes it is officially the 7th line of Onslow. It is the road that divides North and South Onslow, a separation that took place in 1876. In time John Steele had sons and grandsons living on both sides of that road but he was not to live to see it.

He died in 1867 when his oldest son, John, was only 14 years of age. The two oldest sisters were both married but the responsibility of the farm and assisting his mother with the rearing of the seven remaining children fell on this 14 year old lad. That he succeeded admirably is evident as one views the steading today. Some of the neat pioneer buildings still stand in that charming setting at the foot of the mountain.

The site for house and barns was well chosen. The tree clad Laurentians, at the time of our visit glorious in autumn attire, provide a backdrop protecting the buildings from the cold north winds of winter. An ice cold stream runs all year long, fed by springs high on the mountainside. Clear, pure water is piped from that stream to house and barns.

Parking our car on a spacious, flower bordered area, we walked over a scenic, little bridge, across the side lawn and into the house to learn more of the background of this facinating homestead.

John 2nd, who had been left with so much responsibility so early in life, acquired a help mate in 1879 when he married Mary E Finlay. They in turn had seven sons, the first six born in the original log house, the youngest, Everett (1898-1975), in the present substantial and well designed brick home.

Everett's daughter Dorothy, and her husband Jerry Sadler now own the place. They are worthy successors in a worthy line for they have not only maintained the charm of this most interesting homestead but have increased it.

No harm done but many lessons learned

The results of the investigation, following a series of winter training exercises by the Canadian Forces, in Pontiac, in January 1978, are now public and Tom Lefebvre, M.P., asked the Honourable Barney Danson, Minister of National Defence to order a full investigation into the exercises. Lefebvre has learned that directives have been issued by National Defence to prevent such incidents from taking place in the future. "Because", says Tom, "all citizens and organizations must be made aware of the importance of the ecology and the environment in such an area and all possible measures must be taken to protect this valuable natural resource."

The report includes the following:

A series of winter training exercises designed to practise unit operations under cold weather conditions were conducted in the CFB Petawawa, Ontario training area and in Pontiac County from 16 - 29 January, 1978.

One of the exercises, code named "Prevailing Chill", was conducted in Pontiac County and was specifically designed for the First Battalion, Royal Canadian Regiment and supporting sub-units from the Special Services Force to practise winter operations, prior to their participation in the NATO exercise Arctic Express, which was conducted in Norway during the period Feb 14 to March 14, 1978.

During Exercise Northern Practice, the preparatory phase of Exercise Prevailing Chill, demolitions were conducted on Island Lake, Pinder Lake, Ferris Lake, and Beaver Lake to demonstrate techniques of route denial, helicopter landing site denial, and access to drinking water. These lakes were selected for the demonstrations after consultation with the party holding fishing rights in the area. Those lakes identified as being recently stocked or good fishing lakes were placed out of bounds by the excercise authorities.

On the 22nd of January, 1978, Quebec Forestry officials contacted Canadian Forces Base Petawawa and expressed concern over the ice demolitions in the Pontiac region. An explanation of the requirement for military training in the use of explosives on ice was given to the officials but, because of their concern, an instruction was immediately issued to cease the ice demolitions and an investigation of the matter was initiated.

A Board of Inquiry investiagated the circumstances surrounding the use of explosives in ice demolitions in Pontiac County and examined specifically the following aspects of the exercise:

The procedures followed to obtain permission to use the Pontiac area for training.

The use of demolitions on the lakes and the extent of the damage allegedly caused to the environment, to fish, game, and other wildlife.

The effectiveness of procedures to remove garbage from the training area.

The compilation and review of the evidence recorded by the Board of Investigation has taken several months. The following is a summary of the findings:

LAND CLEARANCE —

The land on which the exercise was conducted is Crown Land administered by right of the Province of Quebec. The E.B. Eddy Company and Consolidated Bathurst have timber rights to the land. Both companies gave permission to the Forces to use the area for manoeuvres. Permission was also sought and obtained from persons with fishing rights in the area and from owners of private land, which adjoined the main supply route, for the use of their land. A representative of E.B. Eddy Company visited the military headquarters in Petawawa and was thoroughly briefed on the extent of manoeuvres planned for the exercise. During the briefing, it was pointed out that the area was Crown Land under lease by E.B. Eddy but use for manoeuvres had been arranged through the E.B.Eddy Co on previous occasions, and no thought was given to seeking provincial authority for this particular exercise. The E.B. Eddy representative had requested that no demolitions be set off in the area of the roads, that no road blocks be set up, and that no empty casing from blank ammunition be left in the area. These restrictions were agreed to, and no others were imposed.

GARBAGE —

With the exception of one location inhabited by a small sub-unit, the area was found to be free of garbage of military origin.

It was also found that :

Because of the extensive efforts undertaken to obtain permission from the individuals and company representatives who owned property or had leasing privileges in the area, there was no intent to use the land without proper authority.

Several air and ground searches have been conducted in the area since the exercise and there was no evidence of damage to the environment, to fish, game or other wildlife. Approximately 300 Lbs of undetonated explosives were recovered from Island Lake, the only site at which unexploded demolitions were located. The persons in charge of the demolition were unaware that about half of the charges did not function. The reason for the malfunction has been attributed to the use of an inadequate detonation technique.□

A breakdown in communications resulted in garbage being left in the one area.

CORRECTIVE ACTION TAKEN

As a result of the Pontiac Incident, the Department of National Defence has issued the following directives:

Procedures for obtaining land clearance prior to conduction exercises will be reviewed, clarified if necessary, and strictly adhered to for future training operations.

Ice demolitions will be carried out only on Department of National Defence Property.

Ice demolitions will be carried out only on Department of National Defence Property.

The method used for rigging explosives on the exercise will be discontinued. In addition, shallow water divers will be employed to confirm complete detonation when such future demolition training is conducted.

Exercise commanders will ensure that current orders and instructions are followed to the letter for training area clean-up and restoration.

RESTORATION AND CLEAN-UP AREA

Clean-up operations and restoration of damages have been fully completed in the exercise area to the satisfaction of the Quebec provincial officials.

Military officials, accompanied by Quebec provincial officials, have undertaken a complete inspection of the area and have confirmed the report of the Board of Inquiry that there is no evidence of damage to the environment, to fish, game or other wildlife as a result of the ice demolitions during the exercise in the Pontiac.

A weekend program of French instruction and activities is offered by the Adult Education Service for five weekends from November 10 to December 10 at St Joseph School in Hull. The cost is $45. Apply with Pierre Tardif or Ernest Tetreault at 663-2479.

And in Shawville, next Tuesday, November 14th, there will be a meeting in the Library of the Library Board and any users of the Shawville-Clarendon Municipal Public Library who wish to attend. Young members are invited to come and form a Junior Library Committee. The meeting is scheduled to start at 8 p.m. which is also the time that the Municipal Council of Shawville will meet, across the hall in the Council room.

Beginnings and Development in Candlemaking

by Lynne Raveny-Gerow

Aside from the usual grade school attempts at making candles with milk cartons for molds and pencils to hold up the wick my first serious attempt at candlemaking was guided by my husband, David. When I met David in 1974 he had been making and selling candles for four years. His beginnings had been in his mother's basement with one mold and ten lbs of wax. After many experiments and very successful sales in shopping malls, etc David and his partner had a small but profitable cottage industry going. They had expanded to three large wax melters and over 100 molds so that about 200 candles could be made in a 10 hr shift. Most sales were made by street vendors (this is where I was first employed) altho some larger orders were done for stores. Christmas of 1974 I started to sell in Toronto but then moved to Port hope to put in a midnight shift making candles so all the orders could be filled. This was the last year "Country Candle" operated as such.

In 1975 the partnership disolved and David and I continued to supply a few small craft stores and we sold again in Toronto at Christmas.

Then in 1976 we moved our shop to our farm on Calumet Island. We weren't able to make the same number of candles because of a smaller space but it was working at home that appealed to us. That year we sold in Ottawa and found a good response.

In 1977 the store in Shawville opened and I began to take over production more and more as David got involved in beekeeping and house building. Last year I went to the Shawville and Renfrew Fall Fairs and also the Toronto Christmas Craft Show. This year I've introduced a few new styles of candles - beeswax and stone coated to name a few. There are no big fairs planned this year but I intend to apply again in Ottawa for 1979.

EVA ON PHOTOGRAPHY

The six important practical differences between the way the world appear to your eyes and the way it appears in a photograph are the following:

First of all your eyes look out on the world without being conscious of an edge or frame hemming in what we see. Stop for a moment and immediately look through your camera and you will see that the world is cut down and compressed into a small rectangle or square with sharply defined edges and corners. Instead of freely scanning your surroundings you have to compose their essence within this artificial boundary.

Secondly, the camera has one "eye" only. Unlike humans the cameras we are using do not have binocular vision. When we want to show depth in scene we therefore have to imply it by using converging lines or changes in scale.

Thirdly, your camera can not select. Your camera has no brain to tell it what is important and unimportant. It can not discriminate and usually records too much - the unwanted detail along with the wanted. Drainpipes and brickwork in the background may appear just as strongly as your friend's face. Therefore you have to help the camera by changing your viewpoint or using techniques such as a wide lens aperture to give less depth of field.

Fourth, use shape and tone differences instead of colour differences, particularly when you are taking black and white pictures.

Fifth, film can not cope with the same contrast as your eyes. Photographs generally make darkest areas darker and lightest areas lighter than they appeared to the eye.

And finally subjects move but photographs are still. When things are active in front of the camera, there is a "decisive moment" for pressing the button - the moment which best sums up the situation. Once again: the camera can not think for you.

Pottery

Jackie Seaton lives on a small farm two miles south of Shawville where he and his wife Joni Seligman produce the pottery that finds its way to the Artisanat Rural Crafts store in Shawville.

After their university studies they moved to Vancouver from their native Toronto where Jackie was apprenticed to a group of working potters and Joni studied with a local weaver.

Both Jackie and Joni are strong advocates of a co-operative craft movement, an interest which first led to their involvement in a retail outlet for craftspeople in the Shawville area.

Their pottery follows more or less traditional lines. None of it is purely decorative. it always has a practical use and much of it is reminiscent of an earlier period in Canadian history when pottery served all the purposes that glass and plastic ware do today. In addition, all the ware is fired at an extremely high temperature (about 2300 degrees F) and is therefore excellent for use in the oven.

Lately Jackie has been turning to additional kinds of wares such as oil lamps, soap dishes, or cannisters with the old-fashioned wired lids which snap down to form a seal.

"I like making functional things like bean pots or coffee mugs because of the constant daily pleasure they give by their use. I find it somewhat disappointing if someone tells me they put a pot of mine on the mantle piece instead of in the kitchen cupboard. Because at least half of its beauty is related to its function."

Although they don't take individual orders (mainly because the firing process is too unpredictable and variable) they always take up ideas that people have about a certain kind of pot they either need or remember from their parents house.

"One of the nice things about producing pottery in Shawville is that you can keep in touch with what people need or want. That's also one of the good things for the craftspeople involved in the co-op store. Since each of us takes a turn running the place we can all maintain some contact with the people who buy our wares."

In addition to their involvement in Artisanant Rural Crafts, Jackie and Joni display their wares annually at the Ottawa Christmas Craft Fair along with about two hundred other craftspeople. The sale takes place at Lansdowne Park from December 7th to 16th and is well worth a visit from anyone who is interested in seeing the very best hand-made work from all over Ontario and Quebec.

Graham-Clarke wedding

Photo by Eva Andai

The marriage of Susan Lynne daughter of Mrs Ruth Clarke and the late Frederick Clarke to Bevan Wayne Graham son of Mr Hillis Graham and the late Mrs Graham of Wyman, Quebec, took place Saturday, August 26, 1978 at 7:00 p.m. in Shawville United Church. Rev Owen MacPherson officiated at the double ring ceremony.

Given in marriage by her uncle, Edgar Schwartz, the bride wore a Victorian style wedding gown featuring an aleçon lace bodice, long sheer sleeves highlighted with accordian pleated trim, a plain full skirt also encircled with wide accordian pleated trim at the hem, accompanied with an elegant train. The bride carried a bouquet of pink roses and baby's breath.

The matron of honour was Mrs Valerie Hanna, sister of the bride. She wore a long gown of blue polyester with a matching chiffon jacket.

The bridesmaids were Miss Nancy Clarke, sister of the bride, Miss Cathy Schwartz, cousin of the bride and Miss Lynn Selkirk, friend of the bride. They wore long gowns of blue polyester with matching chiffon jackets and carried bouquests of pink and white carnations.

The best man was Mr Doug Russell and the ushers were Mr Laird Graham, Mr Glenn Clarke and Mr Robert Hanna.

Mrs Edgar Hodgins was the organist and Mr and Mrs John Beardsley sang "The Hawaiian Wedding, For all we Know and You Light Up My Life".

The mother of the bride wore a long gown of pink polyester with a matching lace coat and an orchid corsage.

Following the ceremony a reception was held at the Bryson Lions Hall, Bryson, Quebec.

The couple are now residing in Ottawa.

What beautiful weather we have experienced over the past two weeks. Warm sunny weather, eat your heart out Kamloops, B.C. to Ear Falls, Ont. Saturday night son Donald from Ear Falls told us it was snowing and blowing there. In fact he said if he could hold the receiver out the window we would hear the wind blowing. Don is not well enough to be at work yet and get well wishes are sent from his family and friends. Peter called from Kamloops BC where they had snow and cold weather. In fact they had snow ball fights. It doesn't last there, but up at Logan Lake BC there was a about 1½ to 2 inches of snow. Hello to all our friends out there we miss you all including Ear Falls, Princeton BC, Sudbury, Chelmsford.

Visiting with the Manson Sharpe's this past weekend were Mr and Mrs John Latiere of Sussex, New Jersey. I guess this will be their last visit until spring. They are experiencing the same weather as we are.

Mr Tom Thompson and wife Brenda of Ottawa spent the weekend at their farm here over the weekend.

Congratulations to Jim Boyd of Fort Saskatchewan who has successfully passed his exams as a mechanic. All the luck in the world to you Jimmie from us all.

Miss Tammy Sharpe spent Sunday with her friend Tracy Henderson who was celebrating her 11th birthday. Happy birthday from us all Tracy.

Birthday Congratulations to Gerald Sharpe who celebrates his birthday Nov 14 and to Hughie McDonald of Bristol as well.

Halloween passed quite peacefully here. There were quite a few spooks out including an old man and woman which kept some of our neighbours guessing. Lots of fun when Halloween is used for fun not for destruction.

Our deepest sympathy goes out to the family and friends of Mrs Robert Wilson of Bristol who passed away last week. She will be sadly missed by all who knew her.

Christmas is next and it doesn't take too long to roll around. It is a time when we wish we could have all our families and friends with us. Some are lucky enough to and others of us who can not have to make do. Wherever there are friends and reltions they will know if they can't be home our thoughts sure go out to them.

Thanksgiving in the States is Nov 24th and that is when their preparations for Christmas starts. Happy Thanksgiving to everyone down there.

Letters from our readers

November 6, 1978

Dear Editor

ATTENTION: All referees and Minor Hockey Parents.

The 1978-79 Minor Hockey season has began and we hare having the same old problem - "Hard to get Referees".

Anyone who has been involved with hockey knows that you can not play the game without referees.

This year the executive has decided that unless we can get more parents who have boys playing to come forward and volunteer their help, we will be forced to fold the entire Shawville and District Minor Hockey Association.

We do have a number of men who do not have boys playing hockey who are good to come out and help and we have to take our hats off to those people.

We also have a great need for boys playing midget and bantam to referee the smaller divisions.

This year we have a financial committee to raise money for various expenses and we have included in their budget money for refereeing so there may be money available for some divisions.

Anyone who can and will help, there will be a meeting on Wednesday, November 8 at 9 pm in the Fire Hall in Shawville.

Your help will be greatly appreciated.

Sincerely,
James Hodgins,
President,
Minor Hockey Association

Shawville town hockey league

The only thing surprising about Pontiac Electric is that they only have won one game so far this season. They are much better than that.

Friday night they upset River View Inn with a 7-3 victory for their first win of the season. Brian Holt being the leader for the team with two goals and three assists. Others doing the scoring Cyril Gilpin, Ray Lepine two goals and David Hall one. Barry Draper having to make many great stops in goal to preserve the victory. River View scorers were Shane Presley two and Don Knox one.

The second game saw Finnigan climb back into a tie for first place with Murray's, with a whopping 11-7 score. Wayne Campeau scoring four goals and two assists and Rodney Trudeau three goals, five assists, were the leaders. Other members scoring were Jack Knox two, Charlie Argue and John Russell one goal apiece.

On Halloween night River View Inn defaulted a game to Murray's for the lack of players. In the only game played Tuesday Finnigans won over Pontiac Electric 8-4. Scoring for Finnigans Maurice White with four goals, Andre Ryan two, Rodney Trudeau and Jack Knox one goal each. Pontiac Electric goal getters were Ray Lepine two goals and Cyril Gilpin and Jim Fletcher collecting one goal apiece.

Standings as of November 5- (Win, loss, tie, goals for, goals against, points). Murray's 5, 2, 0, 52, 38, 10. Finnigan's 5, 1, 0, 41, 36, 10. River View Inn 2, 4, 1, 33, 36, 5. Pontiac Electric 1, 5, 1, 32, 50, 3.

Scoring Leaders- Randy Burman 24 pts, Bryan Murray 21, R. Trudeau, M Trudeau, R Lepine 19, B Holt, S Presley 15, M White 14, M Boudreau 13, Royce Richardson 12.

Weirstead notes

There was a lovely get together at Keith Woolsey's on November 4th to celebrate Keith and Phyllis Woolsey's 22nd anniversary. Their anniversary was on November 3rd and their son Andy celebrated his 3rd birthday on November 3rd also. Visitors at the party were Howard and Grace Favreau & Derek, from Cobden, Len and Dorothy Meechum from North Bay, (both are sisters of Mrs Woolsey), Leslie, Gertie, Brenda, Richard and Debra Greenshields, Bertha, Gail and Beverly Orr, and Ron, June, Lisa and Sheri Orr. Mr and Mrs Woolsey received lots of lovely gifts and really appreciated everybody dropping in to wish them congratulations. Entertainment was provided by Howard Favreau, Ron Orr and Gertie and Richard Greenshields. They were also entertained by Derek who sang some Elvis Presley songs and by Gail and Beverly Orr who sang and played. The entertainment was really good. There was a lovely lunch served later on in the evening which was provided by the family. We would all like to congratulate Keith and Phyllis on their anniversary and also wish happy birthday to Andy.

Brenda Greenshields celebrated her 13th birthday at the party also which is on November 5th. Mrs Woolsey had a lovely cake to celebrate her birthday. Happy birthday Brenda.

Mr and Mrs Edward Gibbons from Sudbury spent the weekend at the home of Mrs Gibbons family. They also visited Frank and Marie at the Junction and also with Mrs Josie Gibbons at the farm. Ray and Brian Gibbons visited with Mrs Josie Gibons also on Saturday and with Frank and Marie.

Mr Harry Sharpe dropped in at the Junction for a cup of tea on Saturday and visited with Frank and Marie. He was guiding a group of hunters through Weirstead and decided to drop in for awhile. Mr Sharpe told Frank and Marie that he is going to attend their Christmas Social on December 16. Frank and Marie said they would really be honoured to have him attend. Advance tickets are on sale now at the Junction.

Eddy and Luella Alexander visited with Mr John Dolan and with Mrs Gertie Marks at St Joseph's Manor in Campbell's Bay.

Birthday congratulation goes out to Myrtle Hodgins who celebrated her birthday on November 6th.

Shawville "Old Timers"

A new hockey club made up of old hockey players has been formed in Shawville. Calling themselves the Shawville Oldtimers this group plan to participate in a number of exhibition and tournament competitions. With the emphasis now participation and fitness Old Timers Hockey has become a major strength in the Canadian Hockey Scene. Tournaments will be held as far away as Japan this year and in other places throughout Europe and the USA. Although Shawville will not venture that far this season the locals are already involved in the Canadian Nationals to be held in Ottawa this year. This tournament alone includes 96 Oldtimers teams from throughout Canada.

Other tournaments will also be included in the teams program for the coming season. The first one of a major level will be the Pembroke Tournament which starts Friday, November 17th with 28 teams involved.

To tune up for these major competions the Oldtimers have a series of exhibition games lined up.

The first game was played Friday night in Renfrew against a well organized Renfrew Squad. The Renfrew Club was fresh off a major tournament victory in Kingston the week before and they showed why by jumping into an early lead in the first period. After one period Renfrew led 3-2 and except for some fine goaltending by Shawille's Brian Poupore could have been further ahead.

For the second frame Shawville played on equal terms with Renfrew but couldn't score so after the second the score was still 3-2.

In the third period Shawville showed why they should be a threat in tournament play as they fired five unanswered goals to win going away by a score of 7-3.

Shawville goal getters were Don Lavallee, Peter MacIntosh, Royce Richardson, Ivan Saunders, Ken Stanton, Carson Ryan and Albert Armstrong.

Curling Club notes

The Shawville Curling Club opened the season Friday night and continued playing Saturday afternoon and evening for the Murray Trophy.

Top Team was Ernie Preston, Di Steeves, Jerry Hearty and Geri Murray. Runner up was Morris Mahesan, Mary Allen, Laird Murray and Thelma Kuehl.

President Dorothy Cowley and Linda Smart were in charge of a delicious pot luck supper assisted by the ladies. All enjoyed a social evening.

The mixed schedule for the Fraser Trophy will begin Wednesday, November 8th. It was nice to see some new members present. Hope they will enjoy curling.

Otter Lake notes

Belated birthday wishes go to Mrs Minnie Shrankler who had a birthday last week.

Recent visitors with Mrs Augusta Krutz was Mrs Minnie Stephens.

Recent visitors with Mr and Mrs Clifford Hahn were Pastor and Mrs Bresnahan, Mr and Mrs Pat Hahn of Pembroke and Miss Pamela Hahn also of Pembroke.

Ice Capade auditions

Lynn Nightingale

Do you have skates, jumps, spins, at least seventeen candles on your last birthday cake and figure you can be a star?

In the wide range of jobs open to young people's today, there is a promise of glamour and travel for those who try out as ballet skaters for the Ice Capades opening at the Ottawa Civic Center, Wednesday, November 22, through Sunday, November 26,1978.

Many a teenager, going around in the endless circles of a "figure eight" on the ice, has dreamed of attaining perfection sufficient to take him or her into the professional world. And I Ice Capades" scouts asre constantly searching for new talent for the show.

Ice Capades will hold auditions at the Ottawa Civic Center on Friday, November 24th at approximately 10:30 pm immediately following the evening performance.

The first requirement is a basic knowledge and training in figure and free style skating. Beyond that, appearance and enthusiasm, as well as a background of training in ballet and or modern dance are plus factors. Those who do not pass the initial audition may try again next year after following the prescribed recommendations.

Performing with the Ice Capades offers young people a unique opportunity to travel throughout the United States and Canada, and occasionally other countries.

Fort Coulonge W.I.

The regular monthly meeting of the Fort Coulonge W.I. was held at the home of Mrs H.R. Rabb. Mrs Rick Routliffe presided. The members joined in repeating the Ode and Collect. The motto for the day was "Be not the first by whom the new is tried, nor yet the last to lay the old aside". Six members responded to the roll call giving the premiers of a province, and naming the province.

A letter was read from the Pontiac Agricultural Society regretting the damage to Fort Coulonge fair exhibits at the fall fair. All felt that the damage was minimal compared to what could have happened. The fire might have easily destroyed the fine old fair building.

A letter was read from the Provincial President, Mrs Walter Kilgour.

A list was made of suggested articles for the 1979 fair exhibits. The convenor of Home Economics will submit the suggestions at the semi-annual convention in Beechgrove.

The Raggedy Ann doll to be raffled was brought in to be displayed at a local store.

Several articles from Covered Bridges of Central and Eastern Canada" were read. It was interesting to know that the covered bridge in Fort Coulonge is unique in having a few remaining pegs or "treenails". Also it has stepped-back portals, which occur on only a few Quebec bridges. It was gratifying to learn that none of the bridges in our province carry vugar graffiti.

Readings were given on current events and a few household hints were presented.

A contest of questions about Canada was held.

It was decided to hold a sale of jam, jellies, etc at the November meeting.

The meeting closed by repeating the "Hymn of All Nations" and a delicious lunch was served by the hostess.

Wyman W.I.

The October meeting of the Wyman W.I. was held at the home of Mrs Jas. Campbell. The meeting opened with the usual opening exercises. The President welcomed all to the meeting and asked Mrs R Graham to record the minutes in the absence of the Secretary.

The roll call was most interesting hearing of the first W.I. meetings attended. Mrs Jas Campbell attended the first meeting of the Aylmer W.I. Mrs Melvin Stewart joined the Elmside W.I. over 60 years ago and Mrs S.W.MacKechnie joined the Wyman W.I. over 60 years ago.

The correspondance consisted of letters of thanks from The Canadian Save the Children for Handi-bags and knitting which they had received. The Prov. President's letter was full of information. The J & P Coat's competition items were read as was the Prov. Citizenship Convener's letter. The 1978-79 Outlines were distributed.

The Conveners items were as follows: Mrs S.W. MacKechnie told of her trip to Dunham, Quebec to see the Cairn erected in honour of the first W.I. in the Prov. of Quebec. They stayed overnight in a beautiful old home built in 1855 by a family of Scottish descent and presently owned by Miss Violet Armstrong, a sister of Lloyd Armstrong of Clarendon. At Stanbridge East they toured an old museum where an old store had been restored as it was in the early 1900's. It was similar to the Pritchard Store where Miss Abbie Pritchard worked for many years.

Home Economics read an item on potatoes. We have been looking for an excuse to write something nice about potatoes, we resent people leaving potatoes uneaten on their plates or saying "no potatoes please" by some dieters. They are not fattening-- it's the butter, gravy and sour cream that puts the pounds on your hips and tummies. Potatoe growers are among the finest contributers to health of the nation. Potatoes have lots of vitamins and minerals and have a high protein content too- more than beef, and among vegetables are only surpassed by soya beans. We have nothing good to say about French fries or vinegar flavoured chips, we praise baked, roasted or boiled potatoes with their skins on. We should grow and eat more of our own nutritious foods.

Citizenship read her outline while Education told of the similarity of problems in the P.A.P.T. in 1866 and today.

Welfare and Health said we should ask our Dentist what his Fee is before we get our work done, not after.

Several members volunteered to look after the Hospital Cart for the month of October. Squares and sandwiches are to be taken to the Semi-Annual meeting in Beechgrove United Church, October 25, at 7:30 p.m.

A letter of appreciation is to be sent to several stores for their wonderful help in selling our Cook Book. A reprint of our 1953 W.I. Cook Book is being prepared and we hope will be ready for Christmas.

Mrs R Graham, Publicity Convener was in charge of the program and introduced her guest speaker Mrs David Dickson who was born in Halifax, married David Dickson in Montreal and thus purchased "THE EQUITY" in Shawville in 1952. The topic of her talk was "One thing leads to another". She told of experiences they had in their first few days and weeks as inexperienced people and quickly learned by trail and error. She has written features for the Journal and Citizen also Frank Ryan's Radio station C.F.R.A. in its first years on the air. She was on the first live T.V. PROGRAMME ON C.J.O.H. interviewing a man about Cheese. She appears on C.H.O.V. Pembroke "Take a Break" and has interviews every Friday at 2:30 pm so if you would like to be on T.V. and publicize anything of interest that you have done or are going to do, get in touch with Mrs Dickson. In 1952 there were 900 subscribers and now there are 4,500 going all over the world. Mrs H Ross thanked Mrs Dickson for her amusing and informative talk also for the coverage of our meetings in The Equity. She presented her with a small gift on behalf of the W.I. Delicious refreshments were served by the hostesses Mrs Jas Campbell and Mrs Harold Fulford.

Aylmer Womens Institute

The October meeting of the Aylmer Women's Institute was held at the home of Mrs J Campbell, assisted by Mrs S Beattie and Mrs A Hood. They served a delicious lunch to ten members and five guests.

The president, Miss H. Graham, opened the meeting with the collect.

As the secretary was absent, there were no minutes read. The treasurer gave her report.

The convenors gave their reports. Agriculture, Mrs C Faris, Vegetables you should grow. Citizenship, Mrs C Lusk, a poem - Pioneers. Education, Mrs Wideman - Board Blames Quebec. Home Economics, Mrs C Wright, Economy of Fluorescent Lights. Health and Welfare, Mrs C MacKenzie, Surgery of Seniors.

Miss Graham, read a letter from our Provincial President, also the list of J.P. Coats Competition and Quebec Expo.

We held a sale of plants and books.

The next meeting will be at the home of Mrs B Radmore.

Seventh Line notes

Neil and Emily McDowell and Walter and Ina Kilgour attended the annual meeting of Quebec Farmers Association at Macdonald College last Wednesday.

Walter Kilgour attended the semi-annual meeting of the Royal Black Preceptory of Eastern Ontario at Smith Fall's on Saturday while Ina spent the day with her daughter, Mrs Mary Allan at Perth.

In the evening, Messrs Lee Murphy, Ervine Gilpin and the Kilgours attended a testimonial dinner for the Grandmaster Sir Knight Fred Alexander of Osgoode which was held in the Masonic Hall in Winchester.

Portage du Fort Council

Minutes of a general meeting of Portage du Fort Council for the month of October 1978 held the usual hour and place on Wednesday, October 4, 1978.

Present Mayor Gerald Manwell, Councillors Lenthen Vaughan, J J McCallum and Garnet McCallum.

Moved by J J McCallum and seconded by Garnet McCallum that the minutes of the September meeting be adopted as circulated and recorded.

Notice of motion having been given at a previous meeting, Council proceed with the introduction of by-law 222.

Moved by Garnet McCallum and seconded by Lenthen Vaughan that by-law 222 be introduced, read and adopted.

BY-LAW NO. 222 —

By-Law 222 is a by-law to amend by-law 210 that amended the original by-law 198 known as the water works maintenance by-law. From and after the coming in force of the present by-law the following changes will take effect in this municipality:

1) WHEREAS, it has become necessary to control the amount of water being run off during the winter months to avoid freezing, due to the cost of chlorination and wear and tear on the pumps and motors it is hereby ordered that the water users who customarily have freezing-up problems be required to install or have installed on their water line a contraption made up of a control valve and a drainage pipe not to exceed three-eights of an inch in size that can be used to allow the water run at a sufficient flow to avoid freezing but not waste water. An officer will be appointed by the Municipal Council whose duty will be to enter into any residence or building he or our council deems necessary, to inspect the hitch up and to verify that water is not being wasted.

If the inspection reveals that the necessary equipment is not installed and or, that water is being wasted, it will be his duty to report to council. Council will give 15 days registered notice to the offender giving him this delay of 15 days to:

First: have the necessary equipment installed or the municipality is authorized to install the necessary equipment and charge the cost to the owner of the property.

Second: All water valves in the municipality must be so improved that they are visible and free and clear of all earth, etc. so that they are readily available for shut-off or thawing at all periods of the year. In future, all water valves covered will be uncovered at th expense of the ratepayer.

An inspection will be made by an officer of the corporation who will report to Council on the condition of the water valves and if after 15 days registered notice the works have not been completed to the satisfaction of this officer, council will proceed to have the work done and the cost added to the taxes on the property.

Thirdly: in future no charge will be made for turning off or on water valves, but yearly water rates for the full year shall be charged to all owners where the water is available and used at any time of the year on a yearly basis.

The present by-law shall be promulgated forthwith and come into force in the time limit granted by law.

Portage du Fort, October 4, 1978.

Notice of motion is given by Councillor J J McCallum that at a future meeting he will introduce a by-law to amend the building by-law 215.

Moved by Lenthen Vaughan seconded by J J McCallum that the following street signs be purchased: 2 yield, 2 dead end, 5 stop, 1 50 kl speed signs and 5 - 6ft street posts.

Moved by J J McCallum seconded by Garnet McCallum that tenders be called for snow plowing and sanding of the streets for 1978-79 (Separate tenders for snow plowing and sanding).

Moved by Lenthen Vaughan seconded by J J McCallum that the Portage du Fort Council have no objections to the Portage du Fort Recreational Association obtaining a license for the sale of alcoholic beverages for a halloween dance to be held October 28, 1978.

Moved by Garnet McCallum seconded by Lenthen Vaughan that whereas the Municipal Corporation of the County of Pontiac have hired a County Animal Control Officer it is hereby established that for the year 1979 the dog tax license will be $10.00 for the first dog owned and $15.00 for each additional dog.

Secretary advises that nominations for the election of Councillors will be held on Monday, October 31st for seats 4, 5 and 6.

Moved by Lenthen Vaughan, seconded by J J McCallum that bills amounting to $749.19 be approved for payment.

Moved by Garnet McCallum seconded by J J McCallum that this meeting now adjourn.

Get into the real thing: Make friends with your Moto-Ski Man.

"I wanted an all-time action sled that took off while those other machines were still turning over. My Moto-Ski Man pulled the wraps off the Grand Prix*Special."

Jon Spees. Snowmobile speed buff.

"The Grand Prix Special and I met at Howie Fairbanks. He's my Moto-Ski Man. And the day I saw him uncrating this sleek, low-slung sports sled, I was hooked. It has the look of a Formula One Race Car. And it sure goes like one.

"Ever been blasted clear across a lake? It happens on the Grand Prix Special. Nearly 500 cm³, rubber mounted deep down in the hull, spit out all the energy you'll ever need. **Twin Mikunis breathe** through a tuned and calibrated air box. Spent gas flies out of a new Forced-Flow exhaust system.

"Bumps come fast, but that free-wheeling Torque Reaction slide suspension damps out most of them. The thick multi-layered seat takes care of the rest.

"The "V" shaped track gives you one heck of a grip. And with those wide-stance skis – nearly 34 inches across – you can hurtle around turns.

"In six years, I've gone through five sleds. Never found the perfect machine. As I told Howie, with the Grand Prix Special, it's time to stop looking."

Aux fins du Régime d'assurance-chômage

On n'a plus les régions qu'on avait. On en a trois fois plus.

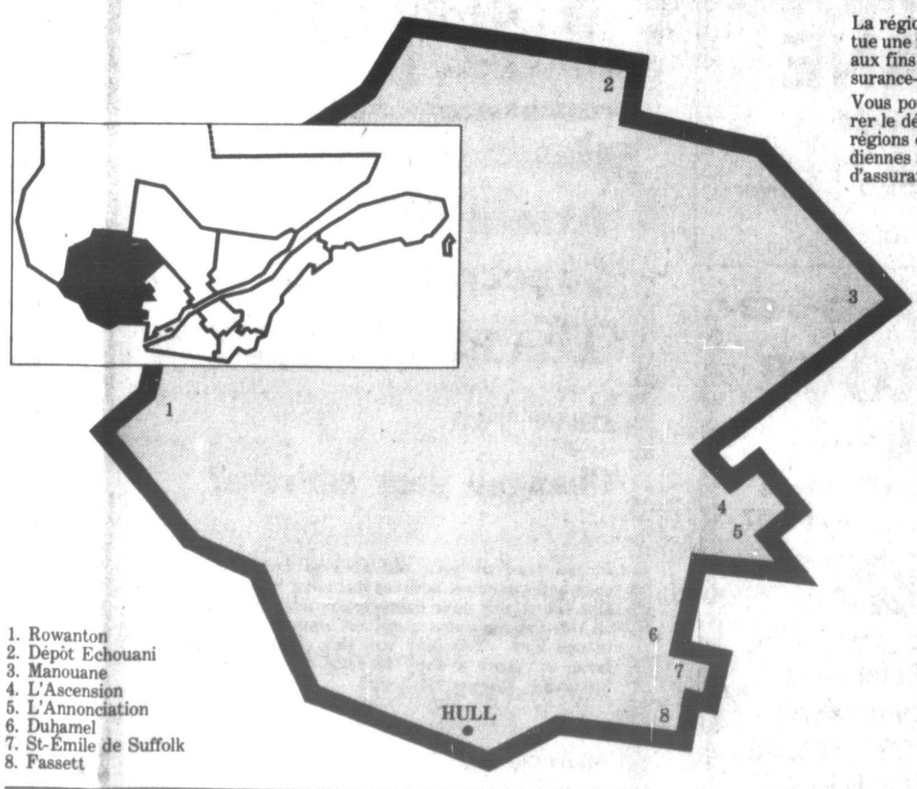
48 régions économiques au Canada au lieu de 16, soit trois fois plus, serviront désormais à déterminer l'accessibilité aux prestations d'assurance-chômage.

Déjà, dans les régions où le taux de chômage est élevé, donc où il est plus difficile pour l'individu de trouver et de conserver un emploi, le prestataire a accès plus facilement et plus longuement aux prestations s'assurance-chômage. L'augmentation du nombre de régions économiques aux fins du Régime d'assurance-chômage permet maintenant d'avoir un reflet plus fidèle des conditions d'emploi spécifiques à chaque région et d'ajuster en conséquence l'accès aux prestations.

Ce changement, qui a été annoncé il y a un an, ne touche pas les prestataires actuels. Il ne s'applique qu'aux demandes de prestations effectuées après le 12 novembre 1978.

D'autres changements au Régime d'assurance-chômage ont été proposés au cours des derniers mois. Cependant, les modifications n'entreront en vigueur que lorsqu'elles auront été approuvées par leParlement canadien.

Au Québec, il y aura 7 régions économiques au lieu de 4 à compter du 12 novembre prochain.



1. Rowanton
2. Dépôt Echouani
3. Manouane
4. L'Ascension
5. L'Annonciation
6. Duhamel
7. St-Émile de Suffolk
8. Fassett

La région de **Hull** constitue une région économique aux fins du Régime d'assurance-chômage.

Vous pouvez vous procurer le dépliant sur les 48 régions économiques canadiennes à votre bureau d'assurance-chômage.

Tasty Tips from Checkerboard Kitchens

PLEASE THE CROWD WITH BONUS BURGERS

Serve Bonus Burgers and please everyone at your next barbecue. Bonus Burgers are really hamburgers plus a choice of flavorful fillings. The juicy burgers get their good taste from bite-size crispy wheat squares and a savory blend of seasonings. The complementary fillings start with a small package of cream cheese. Flag or garnish according to their filling and let everyone choose a favorite. Serve any leftover filling with crackers. They make delicious spreads.

BONUS BURGERS

2 eggs, slightly beaten
1/2 cup milk
2 tablespoons soy sauce
2 tablespoons barbecue sauce or catsup
1 1/2 teaspoons onion powder
1 teaspoon seasoned salt
1/2 teaspoon celery salt
1 1/2 cups Wheat Chex cereal (bite-size crispy wheat squares) crushed to 3/4 cup
1 1/2 pounds lean ground beef
1/2 cup filling (recipes below)

Combine first 7 ingredients. Stir in cereal. Add ground beef. Mix lightly. Shape into 12 thin patties. Spread tablespoon filling over centers of six patties. Top with remaining patties. Seal edges. Broil or grill 8-10 minutes. Turn carefully midway. Makes 6.

FILLINGS: To 3 ounces softened cream cheese, blend in one of the following:

2 teaspoons barbecue sauce and 2 tablespoons chopped green onion or,
1/4 cup crumbled blue cheese or,
1/2 teaspoon prepared mustard and 3 tablespoons pickle relish, drained or,
1/3 cup sauteed chopped mushrooms
1/4 teaspoon seasoned salt and 1 tablespoon snipped parsley

IN MEMORY

O'MALLEY - In fond and loving memory of a dear uncle and godfather Joseph O'Malley who passed away November 12, 1972.
A little tribute small and tender,
Just to say we still remember.
Theresa Lapierre 30198BN8

WALSH — In loving remembrance of our dear parents Stanley and Sadie Walsh who went to be with the Lord, Mother November 8, 1977 and Dad December 31, 1965.
Softly the leaves of memory fall,
Gently we gather and treasure them all,
Unseen, unheard, they are always near,
Still loved, still missed, and ever dear.
Norma and Edna 30169BN8

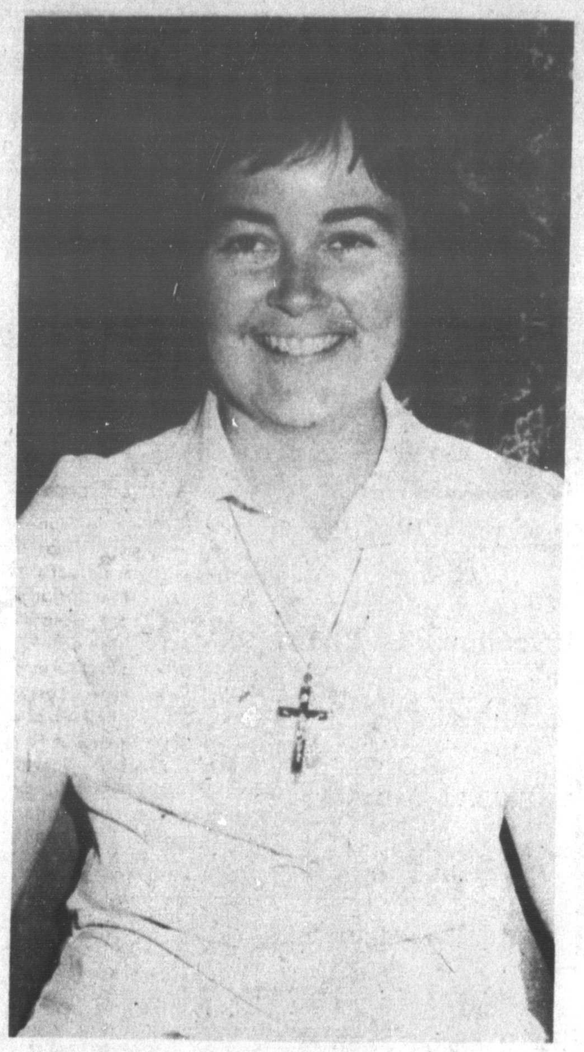
YOUNG — In loving memory of a dear Dad and Grandpa, Jim who passed away Nov 10th 1974.
Peacefully sleeping, resting at last,
The world's weary troubles and trials are past,
In silence he suffered, in patience he bore,
Till God called him home to suffer no more.
Always remembered,
Garry, Brenda, Scott, Jim and Troy. 30251B1N8

Quyon note

Mr and Mrs John Telford recently have returned from a trip to Calgary where they visited their two sons Rick and Glen. They also visited Banff, Lake Louise and Jasper. They had a wonderful flight.

Weirstead note

Bertha, Gail, Beverly and Raeburn Orr motored to Smiths Falls on Sunday to visit with Mrs Margaret Doherty and family and also with Mrs Rose Halverson and Mrs Helen Donnelly who was also visiting with Mrs Doherty. Everybody enjoyed the trip and were glad to see everyone.



Religious Vows Taken

"I promise to be faithful to the evangelical counsels of poverty, chastity and obedience as expressed in the Constitutions of the Sisters of Saint Joseph for the Diocese of Pembroke in Canada. In poverty- that I may live simply and that I may come to know the true poverty of my being. In Chastity- that my love for you, Lord, and for all my brothers and sisters be genuine, and be expressed practically in action. In obedience- that I listen to and follow you always; that I be obedient to my superiors; and that I be gentle and respectful with all those whom you choose to be a part of my life."

This Promise of Fidelity was made by Sister Maureen Aubin recently in the chapel at St Joseph's on the Lake, Pembroke and received on behalf of the Congregation by Sister Maria Mousseau, General Superior. This Promise is an expression of Maureen's desire to be more deeply committed to Jesus and of her intention of realizing this as a Sister of Saint Joseph. Maureen's immediate family were among those who shared in the joy of this moment by joining together in the celebration of the Eucharist. Reverend David Hale was the celebrant. Maureen's gentle and joyous response to God touched the hearts of many, and the ceremony itself created a spirit of fellowship in which God's gifts of love and unity were experienced. Afterwards an informal reception was held outdoors under sunny skies.

Sister Maureen Aubin is the daughter of Mr and Mrs Raymond Aubin of Ottawa. She attended Notre Dame High School in Ottawa and is a graduate of Carleton University, where she obtained an honours degree in Science. Sister Maureen will join the pastoral team of St John Vianney Parish in Pentiction, B.C.

Jean Annie Baker Obituary

Jean Annie Baker died at St Joseph's Hospital on Sunday, October 15, 1978.

She was the dear wife of Joseph Baker and loving mother of Dean and Terry of New Toronto and also survived by one brother Harold Wilson of Campbell's Bay, Quebec, and two sisters, Pearl (Mrs O. Malmberg) of Ottawa and Marion (Mrs D.G. Crawford) of Frankford, Ontario.

The funeral services were held at St Margaret's Anglican Church. Interment in Toronto.

Zion Lutheran Ladies Aid

The Zion Ladies Aid held their November meeting at the home of Mrs Martha Schwartz.

The President, Mrs Walter Yach, had a warm welcome to all and thanked Mrs Schwartz and her son Stewart for having the meeting at their home.

Rev Kappas opened the meeting with a prayer. The Lord's Prayer was said responsively. Two hymns were sung. Rev Kappas closed with a prayer.

The president proceeded with the business meeting. Ten members were present and some visitors.

Secretary Mrs Minnie Shrankler read the minutes. They were approved as read by Mrs Martha Schwartz, seconded by Mrs Ernest Bretzlaff.

Treasurer Mrs Paul Bretzlaff gave her report which was also approved as read by Mrs W Yach.

December meeting will be held in the Zion Lutheran Church Parlor.

Moved by Mrs Charlie Schroeder to adjourn meeting

The highlight of the evening was Rev Kappas showing films. Also celebrating Mrs Minnie Shrankler's birthday. She received many lovely gifts. A lovely birthday cake was baked by Mrs Midas Richard.

Everyone sang Happy Birthday. A delicious lunch was served by the ladies.

Shawville Hospital Auxiliary

The October meeting of the Shawville Hospital Auxiliary was held at the home of Mrs Melbourne Elliott with 24 members and 4 visitors present.

The meeting opened with a Thanksgiving prayer.

Minutes were read by Margaret Lang and approved.

Miss Annie Gamble gave the Treasury Report.

The President read a letter from the C.L.S.C. outlining their program and request for voluntary aid.

Mrs Sturgeon and Mrs McCagg were appointed to visikt The Home on the Hill for information on the needs and entertainment of the patients.

The book planned by the the Auxiliary, "The History of our Hospital" is progressing. Anyone having photos, papers or materials that might be useful in planning this book, they would be gladly received and could be returned to you.

A valuable Sewing Machine was donated many years ago to the Hospital Auxiliary by the late Mrs Evelyn McIntosh.

By consent of Mrs Russell Elliott, aunt of Mrs McIntosh, it was decided to donate it to the Historical Society Museum in Shawville.

Following the business meeting an auction sale was held of home cooking, hand made gifts and other articles.

Delicious refreshments were served by the hostesses, Mrs Melbourne Elliott and Mrs Christine Armour.

The November meeting will be held Tuesday, November 14th at the home of Mrs Erwin Beck.

Obituary

Roger Dagenais

Roger Dagenais of St Catherines, Ontario, passed away in the General Hospital of St Catherines on October 25, 1978 in his 51st year, after a lengthy illness.

He leaves to mourn his death, his wife, and eight children from St Catherines and Hamilton, Ontario and his parents Mr and Mrs Jules Dagenais, four brothers and two sisters- Raoul, René, Rollande (Mrs Lionel Leblanc), Reina (Mrs Omer Moncion), all of Pembroke and Remi and Ronald of Ottawa.

Miss Annie B. Lunam

On October 24, 1978, in Scarborough Centennary Hospital, Miss Annie B Lunam died. She was born November 5, 1898 in Litchfield, Quebec, the eldest daughter of the late John Lunam and his wife Jean Macfarlane.

Miss Lunam taught school in the Campbell's Bay area before moving with her family to Regina, Sask., later transferring to Toronto with the Federal Income Tax Department, where she worked until retirement.

Miss Lunam is survived by one sister, Margaret (Mrs Geo. Lunn), of Vancouver, B.C., and is predeceased by eight brothers.

The officiating clergy was Rev James Stevenson. Interment was on October 28, in St Andrew's United Church Cemetery.

Vinton CWL

The October meeting was held in the Parish Hall on the 11th with six members present.

Rev T.G. May opened the meeting with the recitation of the League Prayer followed by scripture reading by Mrs Janet Hearty.

Carol Sauroil read the minutes of the previous meeting, financial report was given, both were approved.

The convenors then gave their reports.

Members will attend Mass each night the following week, Rosary to be recited before Mass and Scripture reading during Mass.

It was decided that a card party be held on the third Sunday of each month during the winter.

There will be a Halloween Party for the Children on October 31 in the Parish Hall.

Ladies to visit St Joseph's Manor on October 24th.

There being no further business the meeting ended with prayer and Father May's blessing.

Thank You

My sincere thanks to the people who nominated and supported me on Monday in the Shawville Municipal election.

Everett Arthurs

Thank You

Thank you to everyone who supported me Sunday in the municipal elections in Fort Coulonge; and especially Mrs. Geraldine Romain, Mrs. Lucie Graveline, Miss Cathy Doyle and my husband Pat.
