UNDER CANVAS AT FARNHAM.

Rain Prevented Men From Drilling Yesterday.

GENERAL HEALTH OF THE MEN IS EXCELLENT.

Farnham, June 13.—(Special)—The continuous downpour of rain all day made it impossible for the soldiers in camp here to drill yesterday.

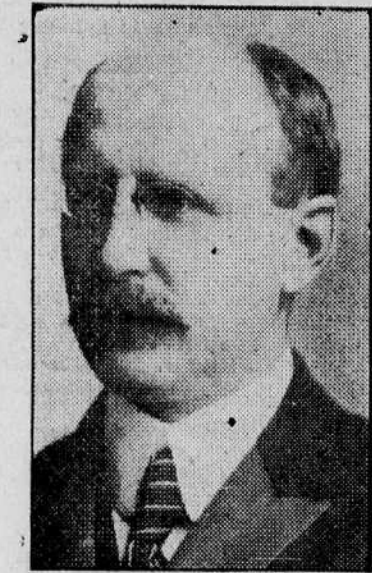

This morning, however, they put in two solid hours of hard work, and after two hours rest at noon started again at two o'clock.

GROUND VERY WET.

As would naturally be expected the grounds are very wet and not in the best of condition.

MEN IN GOOD SPIRITS.

In spite of the cold and wet nights the men are in good spirits and no

complaints have been heard. Each man is well supplied with woolen blankets and rubber sheets, and rest quite comfortably.

ALL IN GOOD HEALTH.

In conversation with Major E. J. Williams, O. C. No. 6 Field Ambulance Corps, the Record learned that the general health of the camp was excellent.

The horses are also said to be in good shape.

BACK FROM SOUTH POLE.

Two Members of Capt Scott's Expedition.

CONFIDENT THEIR LEADER HAS REACHED THE SOUTH POLE.

London, June 13.—(Special)—Two members, Cheetham and Gishold, of Commander Scott's Antarctic expedition, arrived at Plymouth last night. The men said they were confident their leader had reached the South Pole, and added that but for the early formation of ice, Scott would have reached home this year. They were greatly disappointed to learn that Amundsen had first reached the Pole, but pointed out that fine weather and a good route were great success factors in the Norseman's success.

LORD NORTHLAND TAKES A BRIDE.

London, June 13.—Lord Northland, whose name figured prominently in the sensational trial two years ago of the divorce suit brought by Capt. Sterling against his wife, an American actress, was married to-day to Miss Hilda Cooper, daughter of the late Sir Daniel Cooper, the noted English sportsman. The wedding took place at St. Margaret's, Westminster, and was largely attended.

ARMAND LAVERGNE'S POLITICS.

Quebec, June 13.—Back from Ottawa, where he spent a week, Armand Lavergne was interviewed as to a rumor current some days ago that he had made his peace with the Wilfrid Laurier and gone back to the Liberal fold. He said there was no truth whatever in the rumor, and was at a loss to understand its origin. He denied having discussed politics with any federal ministers. He believes that Hon. L. P. Pelletier, postmaster-general, has no occasion to resign his portfolio.

PREFERENTIAL TRADE FOR BRITISH EMPIRE.

London, June 13.—The Congress of Chambers of Commerce of the British Empire to-day adopted the proposal of the Toronto Board of Trade in favor of preferential trade within the British Empire by 122 votes against 9. Fifty-eight Chambers of Commerce abstained from voting. Another resolution urging trade reciprocity and close political union between the British West Indies, Canada and Newfoundland in view of the approaching completion of the Panama Canal was also adopted. The next congress is to be held at Toronto in 1915.

VOTING AT GRANBY TO-DAY.

On Montreal Southern Counties Ry. By-Law.

IF PASSED, COMPANY WILL COMMENCE WORK AT ONCE.

Granby, June 13.—(Special)—To-day the ratepayers of Granby are voting on the Montreal and Southern Counties Railway by-law.

The by-law gives street rights and other concessions in the way of tax exemption for twenty-five years to the company. The vice-president and general manager, Mr. W. B. Powell, left last evening to watch the proceedings in connection with the vote. Mr. Powell stated yesterday that he did not apprehend anything but a favorable vote, as the company had promised an immediate commencement of the work once the electorate had their say in the matter. According to the by-law the passenger cars will run along Main street, past the hotels and stores, while side lines will be built to many of the manufacturing establishments.

In the meantime the company is making good progress on their line which is being built from St. Lambert to Chambly on this side the Richelieu river, some 12 miles from the Victoria Bridge. While the steel brackets on the completed line to Chambly are all in position, the engineers reached Marieville yesterday, making levels and staking out the continuance of the pole line, which will soon be constructed to that place and on to St. Cesaire. The report received yesterday showed that the brackets are put up at the rate of a city a day. These poles, which are 120 feet apart, are placed, say, sixty to a mile, and are of cedar. The roadbed of the old Central Vermont stub line from St. Lambert to St. Cesaire is being rebuilt and everything strengthened in connection with the line, as cars will run over it at a higher speed. The distance from St. Cesaire to Granby is 14 miles, and that part of the Montreal and Southern Counties will be built anew, as the stub line of the Central Vermont ends at the former place. The company now agree to give a completed line from St. Lambert to Granby in a year's time, while a limited service will be ready as far as Chambly by the early part of August this year.

THREE MEN SHOT AT PERTH AMBOY.

Fatal Riot Among Striking Factory Operatives.

MAJOR HAS APPLIED FOR ASSISTANCE TO RESTORE ORDER.

Perth Amboy, N. J., June 13.—Serious rioting broke out here last night in connection with the strike in several of the big factories where several thousand men are out on a demand for a 15 per cent. increase in pay. Before order had been restored three strikers had been shot, one of whom is probably fatally wounded, and two policemen were severely injured by stone throwing. The rioters were violent in their demonstrations that trolley cars and a stage running to a suburb were attacked with stones, and a number of persons were hurt by flying missiles or broken glass.

APPROVED OF LEASE TO C. P. R.

Annual Meeting of Quebec Central Railway Held in London.

C. P. R. GUARANTEES INTEREST ON ALL QUEBEC CENTRAL SECURITIES FOR 999 YEARS.

A meeting of the shareholders and bondholders of the Quebec Central Ry. was held yesterday at the head office of the Company, Winchester street, London, to consider the proposed lease of the Company's property to the Canadian Pacific Railway Company.

The act passed at the last session of the Legislature of the Province of Quebec authorizing the lease, subject to the approval of the majority of the security holders of the Company, was submitted to the meeting by Mr. Edward Dent, President of the Company, and resolutions were unanimously passed by the shareholders and bondholders approving of the lease and agreement.

The lease will be submitted to the Canadian Pacific Railway shareholders at that Company's annual meeting in October next, when, if approved, it will become effective on the 31st day of December.

The principal provisions of the lease are in the direction of the Canadian Pacific Railway guaranteeing the interest on all Quebec Central securities for a term of 999 years. The Board of Directors will be appointed jointly by the Canadian Pacific Railway and by the security holders of the Quebec Central, the majority of the Board being in Canada, where the meetings will be held in future.

BY-LAW IS FAVORABLY RECEIVED.

Citizens Apparently Recognize Need of Permanent Improvements.

PROVIDES FOR ABSOLUTELY NECESSARY WORK. — NO INCREASE IN TAX RATE.

Indications are that the by-law for city improvements will meet with the general approval of the citizens. The items which concern the ratepayers in the consideration of this by-law are the following:

Extension of Market	\$10,000
Sewerage System Improvement	22,000
Sidewalk Improvement	29,400
Paving and Permanent Road Work	50,000

The balance of the \$615,000 mentioned in the by-law represents amounts for which the city has already assumed obligation and which are included in the by-law for economical reasons, as the city can save about 2 p.c. on these sums through a general loan instead of borrowing from the bank as has been done with a considerable portion of it.

The finance committee contemplates no increase in the tax rate and no such increase will be necessary.

The by-law resolves itself into a question of a \$111,400 loan for permanent improvements to streets, sidewalks, sewers and market.

These improvements have been so long needed that it is not conceivable that any general opposition will develop to the proposals.

MINER FELL 225 FEET.

Cobalt, Ont., June 13.—(Special)—Frank Green, miner, fell 225 feet down No. 3 shaft at Kerr Lake Mine, yesterday, and died a few minutes after being brought to the surface. Green was jumping off a cage as it was hoisted above collar of shaft, when he slipped back and fell into the shaft.

WILL BE HANGED.

Montreal, June 13.—After being out twenty minutes the jury last night in the Court of King's Bench found Sylvio Yocollot guilty of the murder of Louise Tremblay on the 19th March, 1912, and Mr. Justice Gervais sentenced him to hang on Friday, September 20th next.

The prisoner, who took the verdict with callous unconcern, made the following statement before sentence was passed:

"I am not guilty. If the court condemns me I am ready to pay the penalty and I don't ask for any clemency."

LETTERS OF APPRECIATION

MAYOR HEBERT SAYS WHOLE PROVINCE WILL BENEFIT.

Editor of Record:—Sir, I have read with pleasure and profit your special edition: Eastern Townships of Quebec. It contains much valuable information relating to farming and stock raising. Special attention has evidently been given to our mines whose wealth is a revelation to a great many of us, who are, however, quite familiar with our Townships.

Your effort to show to advantage the immense value of our waterpower is very laudable.

The fact that so many railways centre on Sherbrooke, the hub of the Eastern Townships, together with this other important fact that the largest monetary institutions of the country have numerous branches scattered over this section but particularly in Sherbrooke, as you properly put it, is a good evidence that "there is a reason for it."

Your special number is so valuable in my mind that whilst I imagine you have "done it for Sherbrooke," the province and country at large will derive benefit from its publication. With best wishes for yourself, Mr. Editor, and the success of your enterprising Record, I beg to remain, Sir,

Yours Very truly,
F. H. HEBERT.

June 3rd, 1912.

ISSUE WILL ASSIST PROGRESSIVE MOVEMENT.

Editor of Record, Dear Sir:—

Allow me to congratulate you upon your excellent Eastern Townships Publicity Edition, specimen copy of which you so kindly sent me.

The descriptive letter press, cuts, paper, and general make-up, I consider are not only a credit to the Record Company, but to the City and Eastern Townships generally. The publicity undoubtedly will be of material assistance to the progressive movement now under way in this section. The people of the Eastern Townships must indeed be blind or dull if they do not realize the strenuous work your paper is doing in the direction of development and advancement. Good results are bound to follow and you should have your share of credit.

Yours very truly,
E. W. FARWELL,
President Eastern Townships Associated Boards of Trade.

MR. VILAS PLEASED WITH ISSUE Sherbrooke Record, Gentlemen:—

The Eastern Townships Publicity Edition of which you kindly sent me a copy is a credit to the "Record" and the Townships which you advertise. I understand this edition is to be largely distributed in Great Britain, through our representative, Hon. Dr. Pelletier, and I fully believe the results will justify the effort.

Yours truly,
W. F. VILAS.

CANADA PAPER CO WILL SUPPLY ALL TRAVELLERS WITH ARTISTIC ISSUE.

Sherbrooke Record Co. Dear Sirs:—Could you oblige us with say one dozen copies of your very handsome issue of the "Record" of June 1st? If you could do so, you would confer a favor on us as we anticipate using this issue as a sample in selling Photo Book in other directions.

Yours truly,

EXPECT RESULTS FOR LAKE MEGANTIC.

Editor of Record:—Sir, The Progress Edition of the Sherbrooke Record came to hand on Saturday and is certainly a credit to the enterprising editors. Lake Megantic's double page announcements, which is the result of the action of our progressive Board of Trade, assisted financially by the Town Council, cannot fail to have far-reaching results to the benefit of the town and will also help to boost "Lake Megantic" as a summer resort.

OFFERED TO SHERBROOKE.

Interesting Proposition From Count de Fronsac.

WOULD ESTABLISH HERE GEOLOGICAL LIBRARY AND HERALDIC COLLECTION.

COLLEGE OF ARMS OF CANADA.

The Viscount de Fronsac, herald marshal of the College of Arms of Canada, is coming to Sherbrooke this month with a view of establishing the genealogical library and heraldic collection in this city. It is very likely that arrangements may be made in connection with the public library.

The records not only apply to the families of the old regime but, also, to the United Empire Loyalist families.

The Count de Fronsac now has the library and collection at Huntingdon, Que., but desires to establish it in a more central location in this Province and has done Sherbrooke the honor of offering to come here if arrangements to this end can be made.

The officers of the College of Arms of Canada are:

Herald Marshal—Viscount de Fronsac, Huntingdon.

Registrar General—Hon. Scott Forsythe, Montreal.

Commissioners—Henry B. Stuart, Westmount; Rev. John B. Pyke, M. A., Montreal.

Solicitor-General—Sir John Calder Gordon, London, Eng.

Councillor for France—Louis de Bonnaventure.

Chief heraldic painter—H. E. St. George, Windsor, Ont.

The official publication is "The Heraldic Register of Canada and United States," published quarterly in New Jersey, also La Revue Franco-Americaine, of Montreal.

The establishment of the Herald Marshal's Record Office in Sherbrooke will mean besides the collection the records and arms of families registering in the College coming under the orders and degrees mentioned but, also, the assemblage each September of the Seigneurial Court of Canada which is attended by said families from all over the American continent. "In time," the Count points out, "many of these families may buy lots and establish residences in the vicinity of Sherbrooke, since one of our objects is to found a summer colony for these families registered."

"Another thing is, that we aim to attempt to erect at the seat of our Seigneurial Court (wherever it is finally decided to be held) statues or memorials to Itherville, the founder of Louisiana (from which 18 American States were made) to Lord Dorchester, the first British Governor-General of Canada who founded not only one of our orders (that of the Banerets of Quebec of the United Empire) but who gave life to the Seigneurial Order itself in expounding its cause in 1773, when he sent 16 names of the noblest nobles to King George III, as representatives of the nobles in Canada; and to Sir William Alexander, Earl of Sterling, who as 1st Viscount Sterling of Canada was the founder of that part of Canada in 1621 south of the St. Lawrence (including the now known Eastern Townships) then called Nova Scotia (see Encyclopedia Britannica).

"For the erection of these three statues or memorials if aided by a local historical society, we have already for the Itherville project a committee under Col. H. J. La Veigne of New Orleans forming to gain the aid of the 18 states west of the Mississippi (then parts of Louisiana) who will participate in this, our 1914 projected manner of celebrating the 100 years of peace for the Lord Sterling project, we have the participation of the Scottish Historical Society of North America, which has vice-presidents in every State and Province of the United States and Canada.

"Now these projects sound big, they seem impossible, but I believe, and those connected with me believe them not only possible, but likely of realization. Sherbrooke with a local historical society to aid us in the carrying out of these things might soon aspire to be the "Athens of Canada," for there is no other city that seems to feel interest enough in these things to act on them, for actions prevail over mere words!

"With the other cities falling over each other to make money for foreign investors who are feverishly stripping the wealth of the Provinces to put it into portable money to be carried outside for the benefit of foreigners, that city is sure to survive in the first rank where honor, stability, intellect and supremacy of race are considered more important."

The above extracts from letters received from the Count de Fronsac will give some idea of the importance of the proposals he has made relative to the establishment of his library and collection here.

ELECTRIC LIGHT SITUATION AT HATLEY.

Massachusetts, June 13.—(Special)—The Sherbrooke R. R. & Power Co. have a man here to look over the situation regarding electric lights in the town of Hatley. If favorable the work will soon be begun. If not it will be abandoned, which would seem a great pity. However, it is hoped that the people will lay hold of the proposition for more and better light.

BROME COUNTY AGRICULTURAL SOCIETY.

Brome, June 13.—(Special)—The directors of the Brome County Agricultural Society will meet at Brome, Que., on Friday, June 21, 1912 at ten o'clock in the forenoon, to appoint judges on farms and crops in the County of Brome, and make the necessary arrangements for the coming exhibition, the 10th, 11th and 12th of September next, 1912.

INVERNESS MUNICIPAL COUNCIL.

Inverness, June 13.—(Special)—The municipal council met on Monday in the court house under the presidency of Mayor Canning. A great deal of time was taken up with the petition presented for the rebuilding of the Mooney bridge. The matter was left to come before the county council with a view to making it a county bridge, thereby binding St. Pierre Baptiste to pay its just share, and if this cannot be done many are in favor of building a new road from the Gosford to connect with the Dublin range bridge.

RUNAWAY AT BROMPTONVILLE.

Bromptonville, June 13.—(Special)—An exciting runaway caused by Mr. Jos. Bergeron's horse getting loose from where he was hitched and tearing up Bridge street to Church St. When turning the corner near R. D. Tobin's store the wagon turned over then back again. The horse made directly for the store formerly owned by the Tobin Store Co., and fell on the concrete pavement. Had the horse not fallen he would have gone directly into the store. The wagon was badly wrecked.

BLAZE AT SUTTON JUNCTION.

Sutton Jct., June 13.—(Special)—Quite an excitement occurred at noon Monday when the roof of Mrs. Garret Safford's house was on fire. Smoke was pouring out from among the shingles and the chimney was burning out. Word was telephoned around and in less than five minutes a corps of willing hands was on the spot, armed with pails and ladders. The smoke proved to be only forced under the shingles and no blaze occurred outside the chimney. The word reached Sutton and fully 25 men came to the rescue in autos and otherwise, for which the family was very grateful. However the danger was past when they arrived.

The victim was an employee of the Canadian Explosives Co., and while at work an explosion occurred in the wheel house. He was badly burned about the face and hands. He was removed to his home, and his condition is now favorable.

IMPROVEMENTS TO DAM AT BROMPTONVILLE.

Bromptonville, June 13.—(Special)—The Brompton Pulp and Paper Co. here have plans now completed for their stone and cement wall to be built from a point near and from their dam into and partly through the town. This will be necessary to keep the water from overflowing the banks when they raise their dam 8 feet higher. This raise will give them all the power they require for their pulp and new paper mill to be built during the driest season of the year.

CHURCH PARADE AT DUNHAM.

Dunham, June 13.—(Special)—The members of Prevost Lodge, No. 8, Dunham, had their annual church parade on Sunday last at 2.30 p.m. The members and visitors marched from Masonic Hall to the Methodist Church, where they listened to an instructive sermon delivered by the Rev. Jas. Plett, chaplain of the Lodge. Among those from other lodges were noticed Mr. H. Sorberger, Stanbridge East; Mr. E. Sheppard, Freilighsburg, and Messrs. Jas. McClatchie, W. J. Bell and G. W. Summer Skin Troubles

Sunburn, blistering, and irritation are the commonest forms of summer skin troubles in the Champlain Valley. These very quickly. It works in two ways. As soon as applied, its antiseptic powers set to work and kill all the poison in a wound, a sting or a sore. This generally ends the smarting and the pain. Then Zam-Buk begins the healing process, and fresh, healthy tissue is built up. For sore, blistered feet, sore hands, heat rashes, baby's heat spots, sore places due to perspiration, etc., you can't equal Zam-Buk. It also cures cuts, ulcers, abscesses, piles, and all inflamed and diseased conditions of skin and adjacent tissue. Druggists and stores everywhere sell Zam-Buk, 50c. box. Use Zam-Buk Soap, also, 25c. per tablet. All stores, or Zam-Buk Co., Toronto.

Summer Skin Troubles

Sunburn, blistering, and irritation are the commonest forms of summer skin troubles in the Champlain Valley. These very quickly. It works in two ways. As soon as applied, its antiseptic powers set to work and kill all the poison in a wound, a sting or a sore. This generally ends the smarting and the pain. Then Zam-Buk begins the healing process, and fresh, healthy tissue is built up. For sore, blistered feet, sore hands, heat rashes, baby's heat spots, sore places due to perspiration, etc., you can't equal Zam-Buk. It also cures cuts, ulcers, abscesses, piles, and all inflamed and diseased conditions of skin and adjacent tissue. Druggists and stores everywhere sell Zam-Buk, 50c. box. Use Zam-Buk Soap, also, 25c. per tablet. All stores, or Zam-Buk Co., Toronto.

BURIAL.

Bury Methodist Church having undergone considerable repairs for two weeks, had a fine re-opening last Sunday. The services of the day were well attended, large congregations met morning and evening and were delighted to hear again their old pastor, the Rev. W. Adams of Lennoxville, who preached with all the life and vigor of a young man, his sermon being highly appreciated by the hearers. The evening praise and song service was unusually interesting. The Rev. Mr. Adams gave an address referring to the time he was in charge of this mission and to many incidents still very fresh to his mind. The choir as usual, under the leadership of Mrs. James Whitehead, delighted the audience by a number of choice anthems.

"THIS IS MY 58TH BIRTHDAY" THOMAS MACKENZIE.

Thomas Mackenzie, who has become Premier of New Zealand as a result of the victory of the Liberal party in the recent elections in that country, was born in Edinburgh, June 13, 1854. In early youth he accompanied his parents to New Zealand and received his education in the public schools there. He began his public career in 1881 as a member of the New Zealand Parliament. The following year he went to Australia as the representative of the New Zealand Government and a year later he visited England and America on a special mission that had for its purpose the extension of New Zealand's export trade. Subsequently Mr. Mackenzie filled several important posts in the New Zealand Government and was particularly successful as Minister of agriculture.

Father, Mother, Sister, Brother,
All Should Use Parisian Sage.

Prevents Baldness, Banishes Dandruff, Stops Falling Hair and Itching Scalp

PARISIAN SAGE is a family hair tonic and dressing that will do much good in every home.

The man who uses PARISIAN SAGE is only occasionally bald. Baldness is caused by dandruff germs which dig down into the roots of the hair, devour its nourishment and cause the root to die and the hair to fall and this can be remedied by the use of PARISIAN SAGE. It is a scientific hair remedy that not only kills the dandruff germs, but gives the hair root just the same nourishment that nature gives it. PARISIAN SAGE first kills the germs, then nourishes the weakened hair root and causes a growth of healthy hair.

This same nourishment (PARISIAN SAGE) causes the hair to grow vigorously which means that the hair becomes full of life and lustre, and grows radiant and beautiful.

Thousands are wasting time, losing hair and growing bald because they are using superficial tonics. While they may clean the scalp and make it feel refreshed, they do not get to the root of the hair where the real destroyer of hair, the pernicious dandruff germs, thrives and multiplies.

Try PARISIAN SAGE for all hair trouble; it means death to the germs, life to the hair. It is pleasant to use and is so harmless that it can be used by every member of the family from the oldest to the little tot.

Get a 50 cent bottle to-day, and if you are not satisfied that it is just as good as claimed, your money back without any quibbling. Sold by P. T. Ansell and druggists everywhere. Girl with Auburn hair on every carton and bottle.

La Diva
NON-RUSTABLE
CORSET

The Plump Woman will be very Stylish provided her Corset is Right.

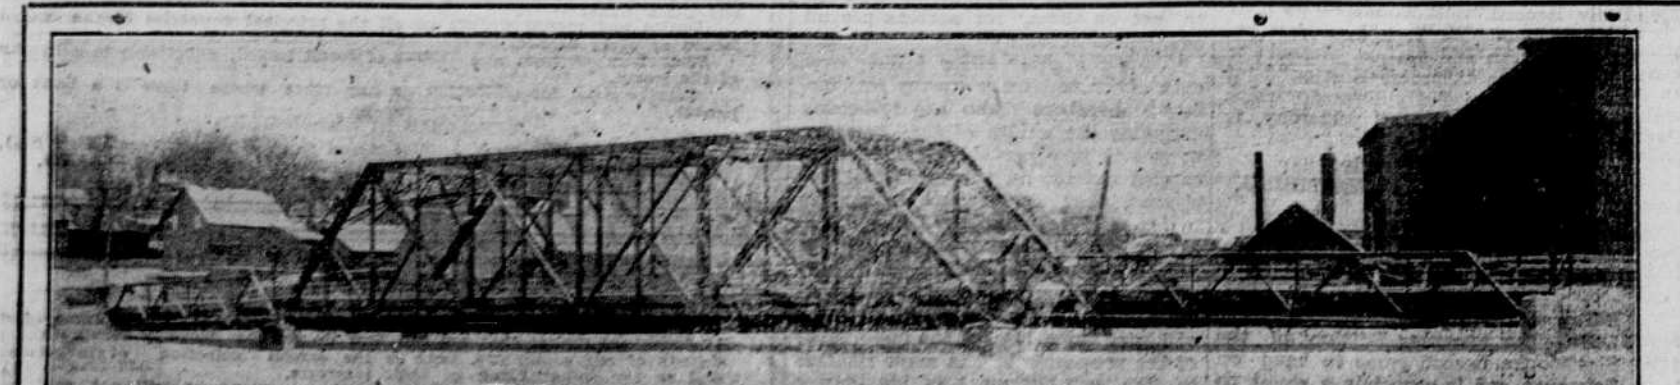

La Diva "Crest" Reducing Model No. 790 surpasses even the former ones in style, in comfort, in durability. And it is sold at \$2.75, which is \$1.00 to \$2.00 less than any imported corset which can be compared with it.

The fit of the back and hips together with the spoon clasps and the new double piece rounded effect gives the wearer the greatest amount of abdominal comfort and has the greatest amount of reducing strength. Combined with this is the unbreakable feature, a feature patented by us. This corset is made of strong imported coutil, trimmed with lace, ribbon and bow, and has six wide suspenders, hook and draw string. It is one of the best corsets that can be had.

Like all other La Diva Corsets, No. 790 is sold with an absolute guarantee as to quality. We guarantee every pair or money refunded.

According to the latest reports it
seems probable that Port Nelson will
be selected as the terminus of the
Hudson Bay Railway. A map showing
the conditions of navigation pre-
pared by the hydrographic survey
which visited the locality last sum-
mer shows that with the removal of
a few shoals a perfectly accessible
harbor, from one to four miles wide
and from 20 to 60 feet can be made.

AGED MAN SHOT HIS WIFE.

Winnipeg, Man. June 13.—(Special)
—Roderick MacDonald, gray haired
and seventy years old, a farmer of
Fisherton, one hundred miles north
of Winnipeg, shot to death his aged
wife, Sunday morning. He is now
in the provincial jail here. The affair
has about it an air of mystery, as no
satisfactory explanation of the mur-
derous attack of the old man is
known.

PREMIER IN MONTREAL.

Montreal, June 13.—The Right Hon.
R. L. Borden arrived in Montreal yes-
terday en route for the Lower Pro-
vinces previous to his departure for
Great Britain. The Premier said he
was going to London in connection
with the naval question, to discuss
transportation matters on sea as well
as on land, and also the copyright
question.

Speaking of matters in general, the
Premier announced that the vacancies
created by the resignation of Hon. A.
B. Morine, chairman of the commis-
sion for the reform of the civil ser-
vice, and the death of Judge Mahe,
chairman of the Railway Commission,
will not be filled before his return
from England.

READY MADE FARMS IN NEW
BRUNSWICK.

St. John, N.B., June 13.—(Speci-
al)—The ready made farm scheme
adopted by the New Brunswick legis-
lature at its recent session has at-
tracted some attention in the New
England States. A. B. Wilnot, im-
migration agent, has received a num-
ber of letters from people who ask
for full particulars, stating a desire
to settle in New Brunswick if the
ready made farm scheme is such as
to appeal to them. It is worthy of
note in this connection that two gen-
tlemen from England and one from
Ireland are now in the Province in
behalf of J. Norton Griffiths, M. P.,
and are investigating the opportuni-
ties for locating settlers from the
old country on some of the abandon-
ed farms of New Brunswick. It is
expected that many persons who visit
the Province in the "Back to New
Brunswick" week, July 9th to 14th,
will decide to remain in the Province
either accepting employment of some
kind or making arrangements to set-
tle upon farms.

LETTERS TO THE EDITOR

STREET PAVING BY-LAW.

Editor Record.

Dear Sir—I have waited three days
for Mr. McManamy to give us his
opinion in the Record about this by-
law.
We look upon him as the "watch-
dog" of the Council to see that our
money is properly spent. Now, what
I think he should do is this: Show
us how much extra it is going to cost
the ratepayers; whether our taxes are
going to be raised; or if the interest
we are going to pay next year is
more and how much more than we
paid last year. Of course he will
make allowances for the increased
valuation of the city property. The
valuators raised our values this last
year. How will this affect us? Some
of us are not very ready with figures
and are looking for advice to Mr.
McManamy, who is the ex-Chairman
of the Finance Committee. If he has
no time to write could he not give
the figures to your reporter.

Yours, etc.,

CITIZEN.

Mrs. Robert Hogg, Melbourne St., entertained at a little gathering, a card party and kitchen shower, for Miss Clementine Long, whose marriage was to take place in a few days. About thirty of the intimate friends of the guest of honor were present and "500" was played with much gaiety and enjoyment, the prize being won by Miss Florence Fuller. The guests comprised necessary house-keeping and culinary utensils in great number and variety and were presented with cordial words and wishes. Delicious refreshments were served before the party broke up.

The funeral of the late Jos. Pierre Labadie, whose death occurred at the home of his son-in-law, Mr. A. Lefrancois, took place Monday morning at the Cathedral, a very large number of friends and relatives being present at the solemn service. The Mass of the Dead was sung by Rev. A. L. Desaulniers, assisted by the Rev. Abbes Lachance and Furcotte, as Deacon and Sub-Deacon, and beautiful music was rendered by the choir under the direction of Mr. L.E. Codere, organist. The funeral director was Mr. T. Belanger and the pall bearers were Messrs. A. Audet, A. Gadbois, G. Fortier, E. Robitaille, Mr. Croteau and J. Deschenes. The bearers were the following: Messrs. N. Lacroix, A. Lanctot, D. Stenson, E. Dubois, J. Lacombe and W. Lacroix. The chief mourners were the three sons of deceased, Messrs. TAXES MUST BE PAID.
All those whose taxes are not paid must pay up before July 15th, or steps will immediately be taken for their collection by law.

Public notice to this effect has been given by Mr. F. J. Griffith, Secretary Treasurer.

ADDRESS ON FIRST AID.
An interesting address on First Aid work was recently given by Mr. Gidlow, of St. John's Ambulance Society, at the Y.M.C.A.

Mr. Gidlow spoke here under the auspices of the C.P.R., his remarks being directed especially to the employees of the road, a large number of whom were present.

The address was most interesting, and will no doubt prove of great value to those who heard it, the majority of whom are engaged in the rather hazardous work of railroad engineering.

ASSOCIATED BOARDS OF TRADE.
Plans are being advanced for the meeting of the Associated Boards of Trade at Lake Megantic, Tuesday, June 18th.

It is hoped that all the boards will be fully represented at this meeting. The Secretary has issued the following notice in this connection:

"The Constitution provides that each Board shall be represented at the Quarterly meetings by the President, 1st Vice-President, immediate Past President, Secretary, and one delegate for each hundred members of the organization, or part thereof."

"Be sure and see that the full number of representatives attend from your organization. If the regulars can't attend, send substitutes."

MOVE FOR RECALL OF OFFICIALS.
Concord, N.H., June 13.—At yesterday's session of the constitutional convention many more amendments were proposed. The recall, the taxation of incomes and increased legislative control of corporations were among the subjects included for the first time. After a discussion of the amendments relating to a reduction of the State House of Representatives, a motion that all of them be reported unfavorably was defeated on a viva voce vote. The time limit for proposing amendments to the constitution expired in the afternoon. The total number of amendments admitted numbered fifty-seven.

BAPTIST EASTERN ASSOCIATION ANNUAL.

Largely Attended Meeting Held at North Hatley.

MEMORIAL WILL BE ERECTED TO MEMORY OF LATE MRS. T. JAMES CLAXTON.

The annual meeting of the Ladies' Mission Circles of the Baptist Eastern Association was held at North Hatley Tuesday afternoon and evening.

In the absence of the President Mrs. Chandler, of Coaticook, presided very ably during the sessions.

The devotional service was led by Mrs. McKenzie, of Coaticook. An address of welcome was given by Miss Bryant, of North Hatley, who very appropriately and warmly welcomed the delegates, and this was ably replied to by Mrs. G. A. Williams, of Sherbrooke. A paper was then read by Mrs. Kirkland, of Montreal, on "How to interest uninterested women in Missions." She emphasized the necessity of having an ideal president, an ideal secretary and an ideal treasurer and members so deeply interested in the work that they would be on the alert to win new members to their Circles. This was followed by a discussion in which many helpful things were brought before the delegates.

A paper was then read by Mrs. Pollock, of Moe's River, from the Mission Circles and Bands. In her report she stated that the Circles had raised during the past year: Foreign Missions, \$802.28; Home Missions, \$479.48; Grand Ligne Missions, \$88.38; Western Missions, \$52.25; Kenora Indians, \$12, making a total of \$1,434.39 for Missions.

While much progress has been made by many of the Circles, some have fallen below the standard, and she closed her report with a very effective appeal for even better work during the coming year.

Mrs. Ramsay, from Westmount, gave a paper on Band Work, which was full of helpful suggestions and inspiration to those who are interested in the organizing and conducting of Mission Bands.

Mrs. Manderson rendered a solo, which was listened to with much delight.

The matter of raising funds for a memorial to Mrs. Claxton was introduced by the president and was referred to the delegates and a committee was appointed to make a resolution. Then came the motion to adjourn.

EVENING SESSION.

The evening session opened with a song service conducted by Mr. Dick, of North Hatley. The following resolution was introduced and passed by the delegates: "At a meeting of the Women's Baptist Foreign Mission Society of Eastern Ontario and Quebec held March 8th, it was unanimously resolved that a fitting memorial be raised in honor of our late beloved President, Mrs. T. James Claxton, who held office for nearly thirty years, and was called to higher service Jan. 26th, 1911, therefore, be it resolved: That it is a recommendation from this annual meeting to all the Circles and Bands, that we unite with the W.B.M. Board in carrying out the purpose of this memorial and ask your various Circles to secure pledges from the members in aid of this object. Further, as the time for securing pledges is limited, it is requested that the members of the Circles respond to their appeal liberally and promptly."

A report of the Home Mission Board work by Mrs. Parsons, was read in her absence by Mrs. Manderson, of Barnston. This report showed that great progress had been made in our home fields under the care of the Women's Home Mission Board.

The evening was brought to a close by a very able and interesting address given by Miss Rolleston, a missionary from Telegu, India, whose presentation of the work; its needs, its possibilities, aroused deep interest in the hearts of those present, and a deep longing to assist in every way possible to further the work of our Master in the extension of His Kingdom among the heathen lands.

FARNHAM.

A son of Mr. A. Giroux fell off a pile of lumber and injured his thigh.

Miss I. Slack returned this morning from the Royal Victoria Hospital, where she has been nursing her brother, Dr. Malcolm Slack, who will return this week.

The Rev. A. H. Moore of St. Johns will preach in St. James Church next Sunday at both morning and evening services.

night to Sheriff Bollschweiler for assistance in restoring order. The sheriff at once took charge of the situation, and is expected to have a large force of deputies on hand by morning. The serious trouble last night followed minor demonstrations and assaults on non-strikers when the latter quit work for the day. The signal for the late outbreak was the arrival of thirty men said to be strike-breakers at the plant of the American Smelting and Refining Company. The new arrivals were armed, and when they were threatened they drew revolvers and walked into the plant without actual molestation.

PRISONERS OF WAR WERE HANGED.

Execution at Hands of Rebels Followed Battle With Federals.

150 KILLED IN BATTLE NEAR POTRERO, YESTERDAY.

Juarez, Mexico, June 13.—One hundred and seventy-five Mexicans, federals and rebels, were killed in battle in the heart of the Mormon colony at El Valle, near Colonia Dublan, yesterday. The fight opened at dawn, when a federal detachment, presumably from Casas Grandes, attacked the rebel garrison. The federals were repulsed with a loss of ninety killed and twenty-six prisoners, many of them wounded. The prisoners were promptly hanged to the telegraph poles along the line of the Mexican Northwestern Railroad which is owned by Dr. F. S. Pearson of the English syndicate.

Orders for the execution of the prisoners came from Chihuahua, declare the rebel commanders in the field. When Col. Orozco, father of the rebel leader, was asked here yesterday if his son had ordered the execution of all federal prisoners of war, he refused to answer.

In the Juarez military prison last night under sentence of death were fourteen federals, all accused of being Madero spies. The identity of these men is unknown, as the rebel authorities refuse to allow anyone to communicate with them.

INDIANS ATTACK TRAIN.

Tucson, Ariz., June 13.—Eight Yagui Indians were killed and many were injured yesterday in a battle between a band of 150 of their tribe and the crew of a work train of the Southern Pacific of Mexico between Limones and Potrero, Sonora.

J. Jackson, the conductor of the train, and members of his crew repulsed the Yaguis, and though many of the Indians' bullets found lodgment in the train, none of the trainmen were injured.

In retreating the Yaguis destroyed the telegraph lines and burned bridges. Railroad officials have asked the government of Sonora for permission to send out a pilot train to fight the Yaguis.

ed and badly shaken up. Mrs. West and badly shaken up. Mrs. West, over being advanced in years feels the shock more than the young ladies.

The gentlemen in the auto did all that could be done for them, bringing them in here, where a wagon was found for the ladies to get home with. When seen later in the evening all the ladies were feeling better and do not attach any blame to the auto driver. The accident occurred near Highland Farm.

POOR FISHING SEASON.

Lake Megantic, June 13.—(Special)—The early grivals at the Megantic Fish and Game Club house have almost all left for their homes again, the fishing season has been so far very discouraging on account of the high water in the Ponds and Rivers on the preserve. Some very fine catches of the imported land locked salmon have been made running up to 5 pounds. Several of the members who have been here will return later.

WILL BE ENTERTAINED AT MEGANTIC.

Lake Megantic, June 13.—(Special)—The first general meeting of the Associated Boards of Trade of the Eastern Townships will be held at Lake Megantic next Tuesday, June 18th. The meeting will probably be held in the Town Hall. The preliminary meeting being in the forenoon, the afternoon being devoted to a trip in motor boats to different points of interest around the lake, and the general business meeting in the evening. It has not yet been finally decided if the banquet will be held at noon or at night. However the visiting delegates will be sure of a right royal welcome.

LATE G. H. DALZIEL, RICHMOND.

Richmond, June 13.—(Special)—The death of the late George Hume Dalziel which occurred on Sunday, June 9th, at the home of Mr. John McMorine, College St., removed from our midst one of Richmond's most respected citizens and friends. Deceased was a son of the late George Dalziel and N. McMorine of the Holm of Drumharg, Dumfriesshire, Scotland, and came to Canada 30 years ago. He was manager of the People's Bank of Halifax for many years and has been with McMorine Bros. as head clerk for the past 18 years. The funeral took place Tuesday afternoon at 2:00 p.m. from the residence of Mr. John McMorine, where the service was conducted by the Rev. Dr. Kellock. All branches of the McMorine family were represented as well as a large number of citizens of all denominations, showing the high esteem and respect in which the deceased was held by all. He leaves to mourn his loss a brother and sister, James Dalziel and Katie Dalziel both of Winton, Queenstown, Australia. The bearers were Messrs. K. McRae, W. E. McIver, R. Hall, W. Munroe, A. S. Rainback and J. D. Smith, all personal friends of deceased. The coffin was profusely covered with flowers, a token of sympathy from sorrowing friends and relatives. Interment in St. Andrew's Cemetery, Upper Melbourne.

MARRIAGES

SNOWDON-TAYLOR.

The marriage of Miss Annie I. Taylor, daughter of Mr. and Mrs. B. Taylor, Winnipeg, formerly of Sherbrooke, to Mr. Vernon S. Snowdon, Guelph, Ont., now of Canadian Bank of Commerce, Winnipeg, took place on June 4th at Home Street Presbyterian Church.

VELLIEUX-LACROIX.

Norton, Vt., June 13.—(Special)—The rising sun, Monday morning, witnessed the most brilliant affair that has taken place at Norton Mills, Vt., for some time. It was the uniting in holy matrimony of Miss Amanda Vellieux and Mr. Fred Lacroix. The couple and immediate friends were conveyed to St. Bernard's Church in tastefully decorated automobiles driven by Messrs. Elmer Marsh and Harold Carrière.

The officiating clergyman was Rev. Father Guay, P.P. The bride was prettily gowned in a pearl grey travelling suit and white hat. They were attended by the groom's sister, Miss Eva, and the bride's brother, Mr. Alphonse.

After the ceremony the contracting parties were driven to the bride's home where a most delicious breakfast was awaiting them. At eight o'clock amid the showers of rice and good wishes of their many friends who were gathered at the G. T. R. station, they left for Kingston, P.Q., on their bridal tour. The reception will be held at the Foresters' Hall on their return.

SPENCER—WRIGHT.

A pretty wedding took place yesterday at one o'clock at the residence of Mr. and Mrs. C. J. Wright, when their daughter, Miss Jessie M. Wright was united in marriage to Mr. F. E. Spencer, of Bangor, Me.

The drawing-room was tastefully decorated with flowers, roses, lilies, and palms, and at one end of the room an arch of white lilacs and ferns was arranged beneath which the bride and groom took their places. The ceremony was performed by the Rev. George A. Williams, pastor of the Baptist Church, and the bride, who was unattended, was given away by her father. She wore a becoming gown of white point d'esprit over white satin and carried a bouquet of roses and lilies of the valley. The wedding march was played by Miss Hopson. An elaborate luncheon was served in the dining room, the table being gay with flowers. Mrs. C. J. Wright, mother of the bride, wore a brown silk gown, with lace yoke and black hat trimmed with plumes. Mrs. Howe, sister of the bride, wore cream marquisette, with touches of gold over pink and a black hat. Miss P. Wright wore voile, hand-embroidered with old rose and rose and white hat to match; Miss Maude Bean was gowned in cream mull over pink with white hat.

Among the guests were Mr. and Mrs. L. W. Wright, Mr. and Mrs. H. S. Wright, Mr. and Mrs. J. Gilson, Mr. and Mrs. G. L. Wright (Dixville), Mr. and Mrs. C. T. Wright, Mr. and Mrs. J. E. Wright, Mr. and Mrs. N. T. Moffatt (Montreal), Rev. and Mrs. George A. Williams, Sherbrooke, Mrs. L. Bowen, Mrs. W. Robinson (Newport, Vt.), Mr. and Mrs. E. F. Spencer, father and mother of the groom, Mr. and Mrs. O. P. Watson, Mr. and Mrs. E. Watson, Mr. and Mrs. Chas. Libby, Mr. E. Spencer, Mr. Ralph Spencer, Mr. and Mrs. J. T. Higgins, Miss Woods (Bangor, Me.), Mr. and Mrs. H. W. Chick (Hamilton, Ont.), Mr. and Mrs. Geo. Gill, Mr. Willie Gill, Mrs. Hunting, Miss Alice Pareno, Sherbrooke, Mr. and Mrs. C. A. Baldwin, Mr. and Mrs. E. Baldwin, Misses Cora Lovell and A. Baldwin (Caticook), Messrs. W. Atkinson (Toronto), Will and Harold Bean, L. Bean (Norton Mills), Mr. F. C. Turner, Military Academy, St. Johns, and others.

Mr. and Mrs. Spencer left for a wedding trip to Boston and New York the bride travelling in a suit of gray cloth, with silk blouse and black hat trimmed with yellow flowers. The wedding gifts comprised cut glass, sterling silver, china, linen and several cheques.

THOMPSON—LONG.

A charming June wedding was solemnized yesterday at the residence of Mr. George Long, Wolfe street, when his daughter, Miss Clementine Maria Long, was married to Mr. Howard Oscar Thompson, son of Mr. and Mrs. Fletcher Thompson, of this city. The officiating minister was the Rev. W.T.G. Brown, pastor of the Methodist Church, and a large number of guests were present, over a hundred invitations having been issued. The drawing-room, hall and dining room were beautifully decorated with early summer flowers, lilies, lilies of the valley and orchids with palms and potted plants. The large bay window was banked with blossoms and greenery, and a wedding bell of lilies of the valley was suspended in the centre. The bride entered the room on her father's arm, looking very sweet and graceful in her wedding gown of shimmering white satin, with court train trimmed with baby Irish lace and pearls. She wore a long tulle veil, which fell to the hem of her gown, confined with sprays of lilies of the valley, and carried a shower bouquet of the same flowers, and roses. The maid of honor was Miss Lucile Long, sister of the bride, who wore a pretty yellow marquisette frock over yellow mesaline, with surplice effect, and elbow sleeves. Her black hat was trimmed with yellow roses and white ostrich feathers and she carried

pink carnations. The bridesmaid, Miss Doris Stevens, was in white crepe-de-chene over silk, and black hat with white ostrich bandana. Her bouquet was also of rose-colored carnations. The best man was Mr. Brown Hopkins, of Caticook, cousin of the groom. As the bridal party descended the stairs and entered the parlor the Wedding March was effectively played by Miss Nellie Armitage. At the close of the brief ceremony the young couple received the hearty congratulations and good wishes of their friends and the wedding luncheon was served, the table being arranged in braid white and green, with quantities of lilies of the valley and foliage. The guests were seated at small tables placed on the broad verandah in the hall and parlor. Punch was served by Mrs. J. H. Bell, who was gowned in black lace over yellow silk with white leghorn hat trimmed with black willow plumes and yellow roses. Mrs. E. S. Stevens, wearing a grey silk gown, with flower hat, poured tea, and ices and jellies were served by Mrs. Burge, who was attired in white crepe de chine and broad white hat with willow plumes. Mrs. Fletcher Thompson, mother of the groom, wore black chiffon over satin, with white flower-trimmed hat; Mrs. Lovell, Caticook, grandmother of the groom, was in grey silk with black hat; Mrs. B. C. Howard, who with Mrs. Thompson, received the guests, wore black chiffon over mauve silk, with flower-hat to match.

Mr. and Mrs. Thompson left by automobile for North Hatley where they took the B. & M. train for New York and other points to spend the honeymoon. The bride's travelling gown was brown woolen, with coat and modish "Tam" of beige Tuscan straw, trimmed with green. The presents, which included much cut glass, silver, etc., with a number of substantial cheques, were very numerous, both bride and groom having a large circle of friends. The gift of the groom to the bride was a sterling silver set; to the maid of honor he presented a gold fob; and to the

bridesmaid a pretty brooch. On their return from their wedding journey the newly-married pair will take up their abode on Stanley street.

PROVISION MARKET.

DRESSED HOGS FAIRLY ACTIVE AND STEADY AT RECENT DECLINE.

Montreal, June 13.—Receipts of provisions yesterday were 14,563 packages lard; 691 do tinned meats, and 2 hogs hams and bacon. A fair trade continues to be done in most lines of smoked meats, the demand being principally for hams and bacon of which supplies are ample to fill all requirements. The tone of the market is easy, but no actual change in prices has taken place. Heavy-weight hams are selling at 14 1/2c to 15 1/2c, and medium and lightweights at 17c to 17 1/2c per lb. Selected boneless breakfast bacon is quoted at 17c. Windsor bacon at 18 1/2c per lb.

COUNTRY PRODUCE

MAPLE PRODUCTS.

Montreal, June 13.—A steady feeling prevails in the market for maple product with a fair volume of business passing. We quote—Maple syrup, in wood, at 7c to 7 1/2c per lb., and in tin, 7 1/2c to 7 3/4c, as to size.

A Novel Catarrh Remedy Cures Without Drugs

THE HEALING VAPOR OF CATARRHOZONE LOOSENS THE COUGH, STOPS ALL DISCHARGES, PREVENTS SNEEZING.

The real danger of Catarrh lies in getting off treatment. You may have Catarrh yourself, but you may not know it. Before the disease spreads from your nose to the stomach, lungs, or bronchial tubes, root it out—cure it with "Catarrhozone." Look over the following symptoms—then examine yourself:

Bad Breath Stuffy Nostrils
Frequent Sneezing Ears Buzzing
Watery Eyes, Hacking Cough
Bad Taste Droppings
Raising Phlegm Difficult Breathing

Don't continue to burden your system for another day with the serious effects of such a filthy, loathsome disease as Catarrh. Get Catarrhozone to-day—inhale its soothing vapor, fill your breathing organs with its balsamic essences, and all trace of Catarrh will forever depart. Read what Edward S. Lee, of Sydney, Ont., says of his cure with Catarrhozone:

"I was a chronic sufferer from continuous colds in the throat and nose, and for many years have constantly had Catarrh. I was recommended to try Catarrhozone and find that by using the Inhaler on the first touch of a cold or a gripe I am able to stay it in a few hours. I have been able to breathe through my nose freely since using Catarrhozone; in fact, I am completely cured. Signed, EDWARD S. LEE."

Once you try Catarrhozone you'll realize how indispensable it is—the large dollar size contains an indestructible hard rubber inhaler and sufficient medication to last two months. Beware of the substitutor and imitators of Catarrhozone—use the genuine and you'll get cured. By mail from the Catarrhozone Company, Buffalo, N.Y., and Kingston, Ont.

LAKE MEGANTIC.

Mr. Stevens Tetrault is just finishing a fine new 30 foot barn on his farm near the Popplis Wharf. There are quite a number of these large barns, 80 by 100 feet long, around this district now.

Farmers are becoming quite discouraged with the continued wet weather, as it is impossible to get through with seeding and planting; low soft lands are saturated with water and many have not got their potatoes and other crops planted yet.

The marriage of Mr. Geo. Bouselle, of Mr. Alphonse Bouselle to Miss A. Bouselle of Montreal, formerly of the Bijou Theatre, took place here last week.

It is reported that Mr. Ed. Hider shot a fine black bear in the woods back of the 5th range of Ditch field, and two of his brothers caught two bear cubs, which are doing fine in confinement.

Mr. E. O. Renaud has purchased the property and store in which he is now doing business from Mr. Arthur Clement. This is the property on which Mr. Clement proposed building a modern building for his increased business.

The funeral of the late Mrs. Alex Murray took place on Wednesday after a very impressive service by the pastor of the Presbyterian Church, Rev. J. R. Douglass. There was a large gathering in the Church although the weather was unfavorable and quite a number of teams followed the remains to the place of interment in the Echo Vale Cemetery. We extend our sympathy to Mr. Murray and other relatives in their bereavement.

STANDARD OIL IN KANSAS FIELD.

Crowds All the Smaller Producers Out.

INDEPENDENTS ARE NEATLY "TRIMMED."—PRICE ADVANCED AND LIKELY TO GO HIGHER.

Kansas City, Mo., June 13.—After having nearly "trimmed" the oil producers in the Kansas field, the Standard Oil Company, through its subsidiary, the Prairie Oil & Gas Company, now has bought practically every well in the field. Oil men say that, as a result, the price of oil, which has been advancing steadily since Jan. 1, will continue to go up, and that consumers may just as well resign themselves to paying higher prices. Men who are considered authorities say the price probably never will go as low for gasoline, kerosene and lubricating oils as it was last year.

The oil men admit they were "trimmed" by the Standard, but they say they couldn't do anything to help it. "The Standard had the money and plenty of oil. We had lots of oil and no money," they say. "The usual thing happened. We had to sell at the Standard's price or keep the oil, which was costing us money every day." The oil men have the figures, too.

These figures show that Jan. 1, 1909, independent oil producers had in storage tanks 10,000,000 barrels of oil, holding it for higher prices. The Standard, or rather the Prairie, had 28,000,000 barrels in storage. Oil was very cheap and the independents were holding it for higher prices. However the Standard fixes the price of oil, and so long as it had a large supply prices did not advance. Meanwhile, with their tanks full, the independents had to close their wells. The Standard began quietly to buy them and to put them to producing. Seeing themselves facing a loss, the independents sold out their stored oil, getting a little more than fifty cents a barrel on the average. Then prices began to go up, two and three cents a barrel at a jump, but nobody had any to sell.

The records show that Jan. 1, 1912 the Standard had in storage in the mid-continent field 43,000,000 barrels of oil, while the independents had only 300,000 barrels. Since then oil has jumped from sixty cents to ninety cents a barrel. The price of refined oils also began to rise in sympathy, although the Standard was pumping its own oil, and nobody had any quantity worth selling. In other words, the Standard, which owns all the oil in storage, which owns practically all the producing wells, and which produces nearly all the refined oil, is paying itself fancy prices for the crude product and taking it out of the producer's pocket.

FOUGHT CUBAN REBELS.

GOVERNMENT TROOPS KILL TWO LEADERS.

Santiago, Cuba, June 13.—The Government troops yesterday fought a battle with a force of rebels numbering 200 in the vicinity of Daquiri, fifteen miles from this city. Two of the rebel leaders were killed and twenty horses and eighteen rifles captured, as well as some supposedly important documents.

LONG BATTLE FOR DEMOCRATIC CHOICE.

Wilson and Clark Clash Will Delay Nomination.

THIS MAKES UNDERWOOD FORCES MORE HOPEFUL.—AFTER FIRST BALLOT THEY EXPECT MANY RE-CRUIITS.

Washington, June 13.—Democratic leaders in Congress fear a long deadlock at the Baltimore National Convention over the presidential nomination. With no candidate entering the convention with a majority of the delegates, and with Wilson and Clark controlling more than one-third of the vote, they cannot figure out how the Baltimore gathering will finish up its work within three days of allotted time.

One obstacle, it is pointed out, in the way of an early agreement for the nomination is the feeling between the Wilson and Clark forces. Somehow or other the rivalry between these camps of the New Jersey and the Missourian is keener and the feeling is more intense than between the other aspirants. Whatever chance there may have been to smooth out the ruffled feelings, the statement issued a few days ago by the Wilson forces bitterly attacking the Clark statement of claim of delegates has not served to patch up the differences.

The Underwood forces are sitting quietly on the lid. They haven't ruffled anybody's feelings. They are not saying anything to cause a flare-back. Dr. Thomas Owen, the assistant campaign director for the smiling Alabamian, says what's more they don't intend to do so. He said they intend to conduct a contest for the nomination that will truly represent Mr. Underwood—a calm, dignified contest with facts and figures and constructive statesmanship as their arguments.

To show how confident the Underwood people are as a result of the feud between Clark and Wilson forces is the statement made by one of the leading Underwood supporters that they have promises from Texas, Pennsylvania, New Jersey, Virginia and South Carolina that these States will flock to Mr. Underwood in the event the nomination of Mr. Wilson becomes an impossibility. This is the first time that the Underwood people have laid claim to the Wilson delegates. The Alabama forces also assert that New York will come to their side of the convention hall after the third or fourth ballot. With New York, the eighty-odd Southern delegates instructed to Underwood and the Wilson delegates, the Underwood forces claim they will present a showing in the convention which will cause a stampede on the next ballot.

The statement of Josephus Daniels of North Carolina that he is organizing a movement to nominate for Vice President the second highest man in the balloting at Baltimore has caused keen interest here. It is not believed the movement will carry, but it has the Democratic leaders talking all the same.

IRISH SUFFRAGETTES COME TO GRIEF.

Eight Window Smashers Arrested in Dublin To-Day.

TRIED TO IMITATE THEIR ENGLISH SISTERS, BUT CAME TO GRIEF.

Dublin, June 13.—(Special)—A campaign of window smashing was opened today by Irish suffragettes, who tried to imitate their English sisters, but came into vigorous defeat by the authorities. After the women had made an energetic attack on most of the public buildings, eight of them, who were armed with bags of stones, were arrested and are to be brought up before the police magistrate. The women, before the police came on the arrived last night to watch the proceedings to shatter the four hundred windows of the custom house, post office, land commission office, and the police and military barracks.

THE BUNKER HILL GUN

AMERICANS DON'T REALLY EXPECT TO GET IT.

Boston, June 13.—President John Collins Warren and Secretary Francis H. Brown, of the Bunker Hill Monument Association, said yesterday that the organization had received no word recently regarding the return to Boston of the historic Bunker Hill battle gun, which now rests upon the Citadel at Quebec.

The Massachusetts Historical Society, it was said, has never actively undertaken to secure the return of the old time gun. The Bunker Hill Monument Association, on the contrary, has tried several times to induce the proper authorities to return the field piece.

The matter has lain apparently dormant for several years and no direct information has come to the societies in this city that the Canadian Government has agreed to return the gun. The officers of the Bunker Hill Monument Association feel there is little probability of its return.

CROWDS GATHER IN CHICAGO.

To Attend National Republican Convention.

EXPECTED THAT A NEW RECORD FOR CROWDS WILL BE ESTABLISHED.

Chicago, Ill., June 13.—(Special)—An army of visitors that is expected to surpass all records for a national political convention week in Chicago already is marching into the city by companies and regiments, and by Saturday the hotels in the downtown section will be filled to capacity.

Within two weeks after the national committee decided last winter to give the convention to Chicago every room in the Congress Hotel, where both the Taft and Roosevelt headquarters have been located, had been sold out for the convention week, an indication of the crowds that are expected to be attracted to the city by the big quadrennial meet of the Republicans.

The Blackstone, LaSalle, Sherman House, Great Northern, and other big hotels report a similar demand, on capacity, and the proprietors predict that by Saturday night every downtown hotel, both big and little, will be hanging out the sign, "Cot Room Only." Officials in charge of the passenger traffic of the railroads entering Chicago likewise, are of the opinion that a new record for crowds will be established in Chicago this week and next.

No matter how great the throngs, however, Chicago expects to be able to give them accommodations. More than 15,000 visitors are expected to be cared for in the big hotels in the loop district, additional to the ordinary run of patronage. Outlying hotels and the larger rooming-houses will take care of almost as many more, according to the statements of hotel experts, while thousands of other visitors will be quartered in private homes with friends or relatives.

SHERBROOKE COUNTY COUNCIL MEETING.

Regular Quarterly Session Held Here Yesterday.

SATISFACTORY REPORT SUBMITTED RE ROAD IN ORFORD.

The quarterly meeting of the Sherbrooke County Council was held yesterday at the Registry Office, those present being Mr. Jolin Manson of Waterville, Mayor of the Township of Compton and Warden of the County, in the Chair; Arthur Mills, Mayor of the Township of Orford; F. G. Gale, Mayor of the Village of Lennoxville; D.L. Herbert, Mayor of Lennoxville; G. G. McCurdy, Mayor of the Township of Ascot; O. Desruisseaux, Mayor of Ascot Corner; Peter Verpaalst, Mayor of St. Elie d'Orford and W. W. Page, Mayor of Village of Compton. Mr. Geo. B. Borsase, Secretary, was in attendance. Certain accounts were ordered paid, and the settlement of the stone-crusher account approved. Mayors Manson and Herbert, who had been appointed delegates to investigate a road in Orford, rendered their report which was satisfactory. No further business being brought forward, the meeting adjourned.

NEW COUNTY BUILDING PROPOSED.

Matter Discussed By Compton County Council.

COMMITTEE WAS APPOINTED TO REPORT ON THE MATTER.

Cookshire, June 13.—(Special)—The regular meeting of the Council of Compton County was held here yesterday afternoon, Warden Desjardins, of St. Edwidge, in the chair. With the exception of one member a full board was present.

The most important matter before the Council was the question of a new County Building. At a recent meeting a committee was appointed to report on the repairs necessary to the present building. The committee reported that they could not recommend the spending of any money on the present building. The members were of the opinion that a new building was necessary. A committee composed of Messrs. Herman Stevenson, Clyde French and Hollis Cairns was appointed to look carefully into the matter and prepare a report to be submitted at the next meeting of the Council.

There were safe, but it is thought that seven fishing villages, with a total population of two hundred on the Alaskan Peninsula, in the immediate vicinity of Katmai Volcano, were destroyed by the eruption of last Thursday.
