Shawville Curlers Wind Up Successful Year With Banquet

Shawville Curlers wound up the season on Wednesday night with a banquet at Pine Lodge, Bristol where some 125 people sat down to the meal. Master of ceremonies at the head table was outgoing men's president Watt Taylor.

Grace was by Edgar Hodgins; the toast to the Queen was by Watt Taylor; the toast to the ladies was by Charlie Imison, and the

Break In At Coltons In Fort Coulonge

Fort Coulonge—Colton Bros General Store was the scene of another "break-in" during the early morning hours of Easter Sunday. The burglary was discovered Sunday morning by Robert Colton, one of the owners of the business on his regular check up round.

Entrance was gained by removing storm window and prying open inside window in rear of office, which looks out towards side driveway and back yard.

No extensive damage was noticed and loss was in the line of light refreshments, ice cream and coke, chocolate bars, etc. The intruders did make a change of clothes to the extent of new jeans, sport shirts, shoes, socks, leaving old apparel scattered about the premises.

It is very much in evidence the intruders were girls (two or three) but the "brains" of the crew, was not a girl, and the girls received instructions and assistance from the male species of the "gang". It has been reported, girls have been picked up by police and held for questioning.

Investigation proceedings are in the hands of QPP Earl Bennett and QPP Sgt. Edmond Romain.

The Colton Bros. establishment was the scene of a "break-in" of a more serious nature last October.

James Judd Passes At Yarm In 86th Year

At an early hour Monday April 7th James Judd a very well known and one of the oldest citizens of this district died at his home at Yarm Que in his 86th year. He was the son of the late Mr. and Mrs. Ben Judd of Greenmount. He was married June 2nd 1897 to Eliza Woods. They celebrated their 60th wedding anniversary last year.

He is survived by his wife, 3 daughters, Mrs. H. C. Hodgins, Shawville; Mrs. R. S. Crawford, Renfrew; Mrs. Russell Lucas, Bristol; and Arthur at home; 3 sisters Mrs. C. Baugh, Lakefield Que; Mrs. R. Thompson, Bristol; and Mrs. H. Woodward, California; 2 Brothers, Robert of Shawville and Charles of Ottawa; 4 Grand Children and 2 Great Grand Children.

The funeral was held Wednesday from his home to Shawville United Church. Service was conducted by Mr. M. K. Lumbury assisted by Rev. H. G. Lester and Rev. G. Heslop. Interment was in Maple Grove Cemetery.

He was a member of Yarm United Church and served for many years on the Clarendon Council.

Pallbearers were: Herman Emmerman, John Eric Palmer, Warrnie Richardson, William B. Hodgins, Clinton Palmer, and Louis Judd.

Oldest Protestant Church Total Loss In Fire

One of the oldest landmarks in the area burned to the ground yesterday afternoon as a result of a grass fire which unnoticed caught fire to the Litchfield United Church burning it to the ground.

Men of the congregation went out to the adjoining cemetery early in the afternoon in order to perform the usual spring cleanup in the course of which they lit a small grass fire. It was watched very carefully, but in spite of this it caught onto a layer of building paper underneath the exterior shingles. The first indication of trouble was a spiral of smoke at the roof. Investigation revealed fire all the way up the wall to the roof. Help was requested and Gatineau Power, as well as the Forest Protective Service sent men and equipment. However, as there was no water available at the site nothing could be done to save the structure. When this became apparent all other furniture and other moveables were taken out of the church, and have been stored in the old Church at Murrell's. The pews, pulpit, chairs, organ and oil burner were all saved in this way.

No decision has yet been reached by the church committee as to what will be done to replace the church.

Lower Litchfield Church was established as a Presbyterian Church about the year 1829, and at the time of union in 1925 it became a United Church. The Church was generally held to be the oldest Protestant Church in Pontiac County.

Serving some 15 families of Lower Litchfield and Murrell's the Church numbered amongst its members descendants through five generations from the founders. Rev. A. F. Fokes is its minister.

The church was built of logs taken from the properties of the founders in 1829. The log exterior was later covered with clapboard and just last year was further covered with building paper and asbestos shingles on top of the building paper. It was plastered inside, and was extremely well equipped.

Church officials are: Charlie Stewart and George Stewart, elders; Board members James McLean, W. Dave Hodgins, Lorne Hodgins, Lorne Stewart, Nelles Stewart; Mrs. Nelles Stewart is recording secretary. The church W.A. has also been most active in maintaining the church through the years.

The loss is covered to the extent of about one third of the estimated replacement value of \$10,000.

Harness Racing To Start At Connaught May 18

Nearly one hundred horses are already quartered at Connaught Park and it is evident that accommodation will be at a premium when the annual harness race meeting gets underway on Saturday, May 18th. Track conditions are remarkably good, for so early, and horses have been working out on both the one and the half mile strips for several weeks.

Amongst the well known owners and trainers already on the grounds are the following:

James Baskin M.P., Renfrew, Clay, Hodgson, M.P. Haliburton; Joseph O. Smith, Ottawa; Don Booth, Ottawa; Messrs Payer and Lapointe, Hull; Conrad Levesque, Ottawa, John Stewart, Aylmer, R. McConnell, Merrickville, Ernie Denault, East Templeton, Dan Stanuer, Gatineau, Giles Filion, Angers, Aurel Belanger Russell, Don Cox Sydney, Mike Craig Ottawa, Leo Houle Deschenes, Vic Luttman Toronto, Bert Clarke City View, Ralph Dore Ottawa, A. Lafleur, Buckingham, Yvon Danis Buckingham, G. Charbonneau Ottawa and A. Brunet Gatineau.

Applications are being received from many points in Quebec, Ontario and Northern New York, and in addition there will be a large contingent of horsemen here from Michigan. It will be necessary, in fact, to secure additional stabling outside the grounds.

Report On Quebec Mining Released

The Honourable W. M. Cottingham, Minister of Mines of the Province of Quebec, has released, for distribution, a report entitled: Outlined of Progress of the Mining Industry of the Province of Quebec during the Year 1957.

This publication presents to the Public a concise and accurate record of the developments which took place in this industry during the last year.

The report contains preliminary statistics on the mineral production of the Province in the year which has just closed, as well as descriptions of the many outstanding developments which assure the growth and prosperity of this industry for many years to come.

Copies of this report may be obtained on request addressed to the Department of Mines, Parliament Buildings, Quebec, P.Q.

Court Report

Golden Greer of Shawville was sentenced April 16th by District Judge Jacques Boucher, to one (1) month in jail, as well as signing a personal bail bond of \$100.00, to keep the peace for a period of 12 months, having pleaded guilty on a charge of disturbing the peace at the Village of Shawville. Greer had a lengthy record of similar offences.

Kenneth Kerfoot, 1288 Kilborn Ave., Ottawa, having pleaded guilty on a charge of having left the scene of an accident, was fined \$75.00 and ordered to pay the court costs. Kerfoot was arrested by Linden A. Young, QPP of Shawville, at the Village of Quyon, on the 5th day of April, after he was involved in a car accident and then failed to remain at the scene.

P.C.'s AND AGRICULTURAL STUDY MAY HAVE THE ANSWER

The letter to the Editor, entitled "Will the U.S.A. Control Canada", also asks the question "What will happen to the Canadian farmer in the next 25 years?" The best answers to this question now available are to be found in a book titled "Progress and Prospects of Canadian Agriculture" written by Dr. Mac Drummond of Ontario Agricultural College (he is originally from Bristol and is a brother of Neil Drummond), and by Mr. William MacKenzie of the University of Alberta. These men wrote the book as a special study published by the Royal Commission on Canada's Economic Prospects. It is available from the Queen's Printer, Ottawa.

As to the question contained in the title to the letter, Canadians rather overwhelmingly did something about it when they returned to Ottawa a Conservative government that has intimated it intends "doing something" about American financial interests in Canada. We may get a clue to present intentions on this when Parliament convenes on May 12.

Letters to The Editor Will The USA Control Canada?

St. John's Rectory,
Quyon, P. Q.
April 9th, 1958.

The Editor,

The Shawville Equity,
Shawville, P. Q.

Dear Mr. Editor:-

Yesterday the Report of the Gordon Commission was published. This is the work of a 56 year old economist from Toronto who headed a committee set up two and a half years ago to investigate Canada's economic possibilities for the next twenty-five years, at the cost to the tax-payer of a million dollars.

Having nothing but a newspaper report and not the full result of this work before me, I am not qualified to discuss the complete meaning as it affects each of us. However, with not only Canadians but Great Britain and the United States showing high interest in the matter of our economic prospects there should be plenty of opportunity for each Canadian, high school student as well as farmer, business executive, community leader and union member to study, discuss and apply this Report.

We learn that the population is to increase from 10,000,000 to 27,000,000, that our national production and services is to triple itself to \$75,000,000,000, that Canadians are to swarm to the cities and that only 20% of the population will remain in the rural areas.

Since figures do not do more than mesmerize us, what do some of these things mean to each of us and; particularly, to the whole agricultural scene?

What does it mean to the Canadian farmer who works a 100 acres, and carries on mixed farm-

ing? What are his prospects for being able to educate his children, probably to send them to university, to provide for his old age, or even to be able to ensure himself that he can continue farming as he has done for many years? As I read the main points as they are contained in the daily press

the question which breaks forth is "Are we, as Canadians going to work out our own destiny or are American financial interests to control us and our future?"

We say that we believe in Canada and all that it means, but what are we doing about it?

Faithfully yours,
Edmund N. McColl

Farmers Urged To Spray Cattle

Shawville, Que.
April 16, 1958

Editor, The Equity,
Dear Sir,

Last night at the joint meeting of Pontiac Farm Forum and the Pontiac Division of the Quebec Farmers Association, a motion was unanimously adopted requesting Pontiac farmers, who have not already done so, to spray or in some other manner ensure the eradication of the warble fly in their cattle.

It is important that EVERYONE take immediate steps in this regard, so that district cattle will be protected.

Thanking you for your co-operation,

Yours sincerely,
Walter Kilgour,
Chairman, Q.F.A.

Spring Is For The Country

oats, harnesses, stable and milking equipment and some lumber was destroyed by fire. There was no insurance. No one was hurt.

Saved were 42 cattle, a machine shed and some 75,000 feet of lumber in the yard.

Observers say the lumber ignited several times but was extinguished by neighbours and FDC firemen.

Origin of the fire is not known.

By Helen Towell

There is an old tradition that spring is for the country.

It comes barreling along in a great cloud of sunshine as eager as a new colt on grass, or an old farmer in the blue overalls. It is a gay joyous country time, trimming with big bright hopes. It is a fishing tackle salute and songs for the birds.

Spring will occasionally behave like the weather.

If the sun is expected to glow, it glowers.

If a shower of rain is expected, it's absent.

If Easter is late there is a strike in the millinery business or the wife did not shoot enough (Doe) last fall to pay for a hat.

There may be more trouble in recognizing its arrival.

The new season even when its existence is as uncertain as to-day, becomes a time for toil and tillage and license.

The man in town too, must be up with the dull dawn, without the challenging call of the rooster to bring tidings of spring.

In town you know it's spring when Grandma stops asking for oil.

And we see the eager city people rushing off to their daily labor with barely a thought of sunrise.

Spring is in their step huddled in shivering groups at the corner hoping for a bus as erratic as the new season.

Back to the farmer as he plans his season over his second cup of tea.

He may even hesitate at the stoop and come back for another; if a spot of rain is expected He'll be off to town.

Willing Workers Meet

The Willing Workers held their regular meeting in Knox Church, Bristol, Tuesday afternoon, April 8th. With the President Ann Draper in charge, assisted by the secretary Claudia Kelley.

The meeting opened by the Mission Band repeating The Mission Band Purpose and the hymn, 'There is a green hill far away'. After the reports by the Secretary and Treasurer, Ronald Ross read the Scripture taken from Matthew 28 1-10. The hymn "Jesus loves me" and a reading by Royce Henderson entitled "The lost sheep", was followed by the Theme Prayer.

Lily Hudson read an Easter reading. Rev. E. R. Taylor led the Mission Band in several choruses.

A short Easter worship service entitled "We would See Jesus", also an Easter prologue was conducted entitled "Jesus Lives". Mrs. Everett McCorriston gave a beautiful lesson by flannelgraph on the Crucifixion and Resurrection, which was very fitting for the occasion. The parents and friends of the Mission Band members attended the meeting.

Rev. E. R. Taylor closed the meeting with Prayer after which the National Anthem was sung.

The offering amounted to \$9.55.

Mildred Draper Parker Dies Suddenly At Lachine

Mrs. Frank Parker died suddenly April 6 at her home in Lachine in her 65th year.

Born and educated at Shawville, Mdred was a daughter of the late Trueman Draper and Amanda McNeil. She married Frank Parker of Montreal in 1924 who survives.

A member of St. Paul's Anglican Church, Lachine. Also surviving are two sons, Gerald, Burlington and Jim, Detroit; one daughter, Doreen (Mrs. E. N. Anderson) of Brampton; three brothers, Sydney, and Gerald of Shawville.

Students To Conduct Church Services

College students from the Free Methodist College, Port Credit,

Edgar, Bells Corners; Mrs. Howard Storey, Almonte. One brother Duncan was killed overseas in 1916.

Funeral services were held in Leather's Funeral Parlors, Lachine. Interment was at Mount Royal cemetery. Rev. A. J. Marshall of St. Paul's Church officiated.

Among those attending the funeral in Lachine were Mr. and Mrs. Sydney Draper, Gerald Draper, Mrs. Clarence Knox and Marie Draper.

Ontario, will be in charge of the services of the Holiness Movement Church at Campbell's Bay on Sunday, April 20th at 11 a.m. and 7:30 p.m. These are Divinity Students and have a message for today. There will be singing by a Trio, accompanied by guitar, as solos by the lady of the group, Bay.

The entire evening service will be given over to singing the Gospel—So come and join us this Sunday. The Pastor, Rev. A. Wilkins extends a cordial invitation to all, regardless of church affiliation to worship with the Holiness Movement this Sunday at Campbell's Bay.

**"Want to make farm improvements?
The BNS can help you."**

LIKE ANYONE who is in business for himself, a farmer has to spend money to make money. And Ralph MacDonald wanted to spend money—on a badly needed tractor—at a time when his own funds were all tied up.

After a chat with Ralph, his local BNS manager agreed that this tractor was a good investment. And a low-cost Farm Improvement Loan enabled Ralph to have it in plenty of time for the next plowing.

The BNS sees it this way: if some construction work or new equipment is good business for you, the loan you want is good business for the bank. You'll find your BNS manager is easy to deal

with—and a good man to consult on any money matters.

Is your banking service complete?

Wondering where your money goes? With PSP—the BNS's guaranteed way to save—you can plan your spending by planning your saving.

Are you paying your bills by cash? Save time and keep a record of purchases and expenses—pay bills by mail with a BNS Personal Chequing Account.

Keeping valuable papers at home? Protect them against loss for as little as 1½¢ a day—use a BNS Safety Deposit Box.

Planning a trip? Safeguard your money with BNS Travellers Cheques.

THE DIESEL FIREMAN DISPUTE ON CANADIAN PACIFIC

TWO YEARS AGO, in April 1956 the Firemen's Union demanded wage increases and other benefits involving substantial increased costs.

AT THE SAME TIME Canadian Pacific proposed that, as firemen were not necessary, they should no longer be carried on diesel locomotives in freight and yard service.

CANADIAN PACIFIC also proposed dropping both arbitrary wage payments for which no service was rendered and differential wage rates in mountain territory.

IN DECEMBER 1956 a Federal Board of Conciliation recommended substantial wage increases and other benefits. At the same time, it found that firemen were not required on diesel locomotives in freight and yard service and made provision for protection of their employment. It also found that payment of arbitraries and mountain differential should be modified.

CANADIAN PACIFIC accepted the Conciliation Board's report.

THE FIREMEN'S UNION rejected the report and called a strike on January 2, 1957.

THE STRIKE WAS ENDED on January 11, 1957 on the following basis:—

1. Canadian Pacific agreed to pay the substantial wage increases retroactive to April 1 of the previous year and other benefits recommended by the Conciliation Board.
2. The Union and Canadian Pacific agreed to refer the DIESEL ISSUE as well as payment of arbitraries and mountain differential to a ROYAL COMMISSION.
3. The Union and Canadian Pacific agreed to negotiate these issues in the light of and immediately following the publication of the ROYAL COMMISSION'S Report.

THE KELLOCK ROYAL COMMISSION of three senior judges devoted ten months to hearing 119 witnesses and, at the request of the Firemen's Union, made on-the-ground investigations across Canada and also made observations on four major European railway systems. It was the most extensive and thorough investigation in the history of labour relations in Canada.

IN ITS UNANIMOUS REPORT published February 4, 1958 the ROYAL COMMISSION found that:—

1. Firemen are not required on diesel locomotives in freight and yard service on Canadian Pacific either for safety or any other reason.
2. The proposal of Canadian Pacific for protecting firemen from loss of employment and seniority is fair and generous.
3. Arbitraries have become unrealistic and should be dropped and payment made on the basis of service rendered.
4. Mountain differential payments should be dropped and replaced by valley differential.

CANADIAN PACIFIC accepted the report of the KELLOCK ROYAL COMMISSION as it had undertaken to do when the Commission was appointed.

THE UNION rejected the report, stating that nothing in it was acceptable to them. They did so knowing that not one fireman would suffer loss of railway employment who was hired before the proposal to discontinue firemen on freight and yard diesels was made in April, 1956. All across Canada there are less than 100 firemen hired after that date and now working who face possible lay-off.

ALL EFFORTS of Canadian Pacific to settle the dispute through negotiations with the Firemen's Union have failed.

FOR TWO YEARS firemen have enjoyed substantial wage increases. During these two years action on the diesel issue has been postponed while the Union had every contention it could advance investigated by two enquiries.

CANADIAN PACIFIC has a duty to the public to operate the railway efficiently and economically.

CANADIAN PACIFIC, to fulfill this duty, has given notice to the Firemen's Union that the findings of the KELLOCK ROYAL COMMISSION will take effect on May 11, 1958.

THIS ACTION is in accordance with Federal labour law.
