CAPT. C. H. CARMICHAEL

Smoke Eater Lauds Town On Retiring

Praise for the City of Westmount as an employer came yesterday from Capt. C. H. Carmichael, of the Westmount Fire Department, at a presentation to him upon his retirement.

"It's a wonderful town to work for," he said, "and if I was just starting out again I'd do it all over."

Alderman J. A. De Lalanne, commissioner of police and fire, made the presentation at the ceremony which took place at the Fire Department.

Capt. Carmichael served with the department for 31 years. He was promoted to lieutenant in 1935 and captain in 1945.

Born in Dundee, Scotland, he came to Canada in 1914 and served overseas with the Canadian Army during the First World War.

His service with the fire department dates back to the time when there were only two autos in the department. Station 2 had a chemical wagon, horse-drawn ladder truck and hose wagon, and there was a pump, and horse drawn hose and ladder wagons at station 1.

"Only four men were on duty at each station then," he recalls. Included in the many fires Capt.

Model UN Meet Arranged At 'Y'

Four resolutions will be "debated" at the Fifth annual Model United Nations Assembly in Central YMCA tonight and tomorrow.

Groups participating include the YWCA, Southwestern YMCA students of Sir George Williams College, McGill University, and the University of Montreal, the Young Men's Section of the Board of Trade, Baha'i Youth, Adath Israel young people, and the Young Men's and Shaar Hasomayim synagogue Canadian Club.

Eighteen countries will be represented at the Model UN. Resolutions will deal with disarmament, the UN technical assistance program, the Jordan River hydroelectric project dispute, and admission of Red China to the UN.

City Move Expected On Monday

Local city officials are awaiting copy of a judgment handed down in Superior Court by Mr. Justice A. I. Smith, in which, it is reported, some of their bylaws have been ruled illegal.

It is expected the matter will be discussed Monday at a meeting of the city council, and a decision on the next move of the city may be taken at that time.

The case is one in which A. R. M. Duhamel was charged by the city with failing to obtain a permit for additions to a building, and contravening regulations dealing with a bathroom and kitchen in a local rooming-house.

He was found guilty, and it was in appeal to the Superior Court that the Smith judgment has been handed down.

According to reports the judgment is based on the fact that the city exceeded its authority in handling down laws governing additions to buildings when such authority wasn't contained in the powers delegated to them by the provincial legislature.

Thief Gets \$70 From Till

Hyman's Cigar Store, 5005 Sherbrooke street west, was robbed of some \$70 in a hold-up at 9 p.m. Tuesday, Westmount police reported.

Public Speaking Standard Is High In Rotary Contest

Kevin Larkin, 3959 Van Horne avenue, of Loyola High School, and Gordon Pape, of Three Rivers High School, won the semi-final round of the Rotary Boys' Public Speaking contest held Wednesday at the weekly luncheon meeting of the Westmount Rotary Club.

Laval Giguere of Thedford Mines High School and Scout Taylor of Lachute High School also took part.

J. Austin Murphy, Q.C., E. H. K. Hugessen and John Sheridan acted as judges. N. A. Millington was chairman.

The two winners of this contest, which was "of exceptionally high calibre" according to the judges, will take part in the finals at the Rotary Club of Montreal, April 27.

Gordon Pape, speaking on A Man Who Has Changed the World, said that Jesus Christ gave mankind a new creed to follow. Previously men had thought in terms of an eye for an eye, and a tooth for a tooth, he said.

The new principles, taught men to observe the golden rule. Jesus set an example of this all through His life.

"Another of His great teachings was humility. He also taught men a way of life, not merely how to go to Heaven," he said.

Kevin Larkin spoke on The Case of the Teenage Driver, and advocated driving courses as a preventive to the many accidents teenagers are involved in now.

"We should have to show more than competence at the wheel," he said. "Present licenses should be withdrawn, and re-issued only after passing these courses."

Laval Giguere, a French speaking Canadian who is attending an

English school for the first time this year, spoke on What I Want From an Education. He said that most important was to develop mentally, physically, spiritually and socially.

Scott Taylor discussed Thomas Edison as A Man Who Has Changed the World. He spoke on the work Edison did in the field of electrical science, much of which is included in many phases of our everyday life.

The Rotary Boys' Public Speaking contest began some 15 years ago and now includes all schools in the province and many from eastern Ontario. All boys 18 and under are eligible to compete.

Over 500 entered this year's contest, prizes for which are scholarships to further education. They total \$700 to the first four winners, who also will receive medals.

ROVING REPORTER

By FRANK FAIRVIEW

Judgment of Mr. Justice A. I. Smith on some local bylaws was a surprise to many here and hereabouts... as is word that the local municipal association has asked council to further study the Victoria avenue, Grosvenor avenue one-way street projects before making the deal final.

Speaking of the municipal association, the brain-trusters of that body are still sweating it out with the old MAAA grounds deal, and wondering whether to recommend that an artificial ice rink be constructed on the site, that it be turned into a public park, or sold.

Total snowfall in Westmount to the end of February this year reached 68 inches against an 80-year av-

erage of 51 inches. Rainfall for the same period was 1½ inches — just ¼ inch less than the 80-year average. Snow fell on a total of 32 days, on 20 of these in excess of one inch. More than 3,500 tons of cinders, sand and salt have been spread on roads and sidewalks. Almost 20,000 truck loads of snow have been disposed of, amounting to 165,000 cubic yards!

Gladstone avenue, beginning in April, will become a one-way street north from Dorchester to St. Catherine. Between 9 a.m. and 6.30 p.m., parking will be restricted to the west side for 30 minutes only... St. Sulpice road parking was restricted during the winter months to the north side only; parking is now prohibited on the north side and permitted on the south side...

Skating rinks in the community, of which there are 11, were active last month with total attendance approaching 20,000. Most popular was the King George skating rink, used by nearly 3,500 skaters.

Accidents reported on Westmount streets during February totalled 113, resulting in injuries to 33 persons. There were no fatalities. The average daily rate of 3.39 was high (the average for the whole of 1953 was 2 per day), but relatively high accident frequency at this time of year is general in the Metropolitan Area.

The Willock Bros. are wifeless these days as both Mrs. Ken and Mrs. Bill are holidaying in Florida. Mr. Willock, Sr. will retire this year and intends to live in Florida. So the daughters-in-law are doing some house-hunting, too.

Miss Merle Snowden, super-secretary at Russ Graul's Electrolux branch and a Grosvenor Avenue resident, is convalescing from an operation but is expected back to work in two or three weeks.

Eryl Jones, owner of the Westmount Garage, has returned from a two week's combined business and pleasure trip to England and his home in Wales. By air, of course.

AN CHURCH: REV. PAUL CHAN of the Chinese Presbyterian Church will report on the work of his mission to the congregation of Stanley Presbyterian Church Sunday evening, following which there will be a round table discussion. Mr. Chan is a graduate of the Theological Seminary in Canton, China. For several years he was in charge of Chinese work in Ottawa from where he came to Montreal and has been minister of the Chinese Presbyterian Church here since January 1940. He is the son of the late Nam Sing Chan, who was the founder of the Chinese Presbyterian Church in Montreal.

Rev. J. D. Wilkie, the minister will preach at the morning service, next Sunday, the subject of his sermon being "What We Cannot Love, We Hate".

W. Moxley Heads Unity Boys Club

William G. Moxley was elected president of the Unity Boys Club at the annual meeting held Monday.

Formal presentation was also made to him of the Silver-Key-stone award of the Boys Clubs of Canada for his "extraordinary and outstanding service to youth."

The presentation was made by Alan D. McCall, president of the Boys Clubs of Canada.

Television was credited with playing a major role in preventing crime among youngsters here by Maurice Mariasine, executive director of the club.

He said that although it has caused a drop in attendance at some boys clubs, it has been responsible for keeping them at home.

One of the main purposes of the Unity Club, he said is to supplement the role of the church, the school, and the home in the lives of these children. The results are making for better future fathers, mothers and citizens. "Canada's greatest asset is the youth of the nation," he claimed.

J. C. Nelles, chairman of the Eastern Area Council, Boys' Clubs of Canada, outlined club activities on a national and international scale.

He recalled the first boys club on the continent started in Boston in 1906, and later Montreal's first, in 1908, at Griffintown. "Progress has been at a very fast clip over the years," he said. "There are now 40 clubs in Canada alone and more being organized all the time."

Mr. Nelles said that 10 new boys' clubs will soon be added to the 40 clubs already in existence in Canada "doing such magnificent work and providing such needed leadership."

Other officers elected were J. Lawson, vice-president; D. T. Youngson, honorary treasurer; and W. W. Allison, honorary secretary.

National Boys' Club Week

A series of special events is scheduled to take place at the Unity Boys' Club beginning Monday, March 20, and ending Saturday, April 3.

On Friday, April 2, the annual Hobby Show will be held and articles produced in the club workshops will be on display. Ribbons will be awarded for good workmanship and originality.

On Saturday, April 3 the Barn Dance with the Mel-O-Trio in attendance will go on as advertised starting at 8.30 p.m. but the scheduled basketball series with the Ottawa Boys' Clubs has been cancelled. Word was received from Ottawa that it is impossible for their teams to compete this year. Plans are underway to have the Malone, N.Y. National Guardsmen come here to play their return match with Unity's intermediates on that date.

Children's Theatre

To-morrow afternoon, Elizabeth Anderson will be taking a group of boys and girls to see Beauty and the Beast at the Victoria Hall. All youngsters planning to go are asked to be at the Unity Boys' Club at 1 p.m.

Plans for the future include short trips to Ontario, Nova Scotia, and Northern Quebec. After that he plans to get into something active. "After all, I'm still much too young to retire," Carmichael argues.

At one time a soccer enthusiast, he contents himself now with fishing, and intends to do a lot now.

Lack of home-care for the sick; lack of low-rental housing; broken homes which in turn breed more broken homes, and unemployment already rife among the elderly (who are first to be hit in any business recession) will be topics at the 53rd annual meeting of the Montreal Family Welfare Association.

N. A. Millington Named President Education Body

Norman A. Millington, executive secretary of the Westmount YMCA, was re-elected president Tuesday of the Council of Christian Education of the Province of Quebec at its 117th annual meeting in the Central YMCA.

Other officers elected were: Rev. Dr. H. H. Walsh and Rev. R. S. Dunn, vice-presidents; Rev. P. A. Ferguson, honorary secretary; and Fletcher Kerr, honorary treasurer.

In its report the board of directors noted church-centred boys' work in Canada was in serious recession.

It was pointed out "there is a great opportunity, through more whole-hearted denominational co-operation in the council's boys' work program, for Quebec to make an advance in this area of Christian education."

The Canadian Girls in Training committee reported more than 800 girls had registered in 80 groups, compared with 770 girls in 78 groups the previous year.

One of the highlights of the year was the 11 local teacher training schools held during the year at the request of clergymen and teachers. Courses were provided at Arvida, Beebe, St. Eustache-sur-le-Lac, St. Laurent, Farnham, Grand Ligne, Knowlton, Mount Royal, Pointe Claire, Rosemere and at Presbyterian churches on the South Shore. Total registration was 846.

More than 200 attended the Divinity Hall leadership course, it was reported.

Other reports were presented by

"THE NEWSVENDOR", a painting in oils by Harry Mayerovitch, M.R.A.I.C., whose work is currently on exhibition at the Montreal Museum of Fine Arts, 1379 Sherbrooke Street West. Mr. Mayerovitch, a well-known local architect, is a resident of Westmount whose contributions to the arts range from town-planning to sculpture. A by-product of the latter, — a group of original puppets — is being shown at the Art gallery in addition to the artist's major paintings and drawing. The Mayerovitch show will continue until April 11th.

A. D. Turnbull, Mrs. Winston Curry, Warren Brown, Miss Mary Parker, Mrs. Robert Creighton and Miss Daphne Coombe.

Committee chairmen named were A. D. Turnbull, finance; Robt. E. J. Layton, boys' work; Mrs. S. C. Dobson, children's work; Miss Frances Wallace, CGIT; Mrs. Guy Lortie, girls' work; Rev. M. W. Booth, leadership training; and Rev. H. L. Hertzler, religious education in schools.

Meeting Of Potters To Be Held Tonight

To fill a need for a central organization for all potters in Montreal and district, a preliminary meeting was held recently under the auspices of the Canadian Handicrafts Guild and a Committee was named to make initial plans. As a result a second meeting will be held tonight in the Exhibition Hall of the Guild at 2025 Peel Street.

This meeting is open to all potters and all are urged to attend. There will be an election of officers and future activities will be discussed.

Local Residents Robbed In Miami

Mr. and Mrs. A. S. Liverant, of 476 Roslyn avenue, reported last week that they were the victims of a \$21,500 jewelry theft in Miami Beach, Florida.

The couple told police that the jewelry disappeared from their hotel room.

They said that the jewelry was in a zipper bag in the pocket of a dress hanging in a closet of their room at the Empress Hotel, when they returned to it at night the bag was gone.

Included in the theft were two diamond bracelets valued at \$7,500 each, a pair of diamond earrings worth \$2,500, a \$3,000 brooch and a \$2,000 cocktail ring.

Local Hi-'Y' Clubs Met With Parents

The Westmount Boys' and Girls' Hi-Y clubs held their third annual Parent-Youth dinner and panel discussion last Thursday. 80 members and parents of club members entered into the discussion.

The topic was The New Education Versus The Old. Members of the panel were Mrs. Swan, Rosemary Gagnon, Mr. Carr and Bob Aiken, N. A. Millington chaired the discussion.

Among the topics discussed were curricula, progressive education, religious education and the purposes of education.

The meeting was organized by the joint program committee of the Westmount Hi-Y clubs. These committees are chaired by Liane Roberts and Jack Annesley.

Iverley Settlement Value Related At Annual Session

Sincere interest of grownups is necessary to young people today, Miss Anne Vail, executive director of the Iverley Community Center, said Monday.

She said that the center has succeeded in its aim to provide a second home for young people of the area, and teach them rules of life which their parents are often unwilling or unable to do.

Speaking at the center's annual meeting, she pointed out in her report that many parents, who refuse to co-operate with schools, churches or social agencies, were not giving "their children the basic training they need."

"Iverley therefore becomes a home", she said, "where boys and girls expect to find the sort of response they should receive at home."

She said that Iverley's "most cherished dream" is to establish a camp in the country.

Curtis B. Ross, re-elected president, stressed in his annual report a program of "self help through service to others." He reported that after 30 years in operation, Iverley has a volunteer staff of more than 90 volunteers took part in the agency's activities.

Other officers are: A. M. Walsh and E. R. Chaffey, vice presidents; Mrs. K. C. Berwick, honorary secretary; Mrs. McC. J. Cooper, assistant honorary secretary; and John Lewis, honorary treasurer.

Named to the board of directors are: D. R. Anstice, Arthur W. Bell, Mrs. Florence S. Bell, Mrs. K. C. Berwick, Dr. K. C. Berwick, Dr. Lauder Brunton, A. J. Cameron, Mrs. McC. J. Cooper, E. R. which one-third were formerly members of Iverley junior clubs.

COM. J. J. ALLAN

Salvation Army's Citizens' Rally Sunday Afternoon

Commissioner and Mrs. John J. Allan will visit this city Saturday, Sunday and Monday, March 27, 28 and 29 and address public and private gatherings.

Sunday afternoon, at 3:00 p.m., in the Salvation Army Citadel, 1485 Drummond Street, he will give a lecture on the topic, "Can We Have a New World?" Major General A. Ernest Walford, C.B., C.B.E., E.D. will be chairman of this meeting. Among other prominent citizens invited to attend are: Mayor Camillien Houde, Douglas Bremner, Rev. Dr. F. W. Norwood, Mrs. G. Gordon Hyde, Mrs. Sydney, A. MacSween and Mrs. R. G. Gilbride. The public is cordially invited to this "Citizens' Rally".

Commissioner John J. Allan is the son of early-day Salvationists, his mother, the former Captain Phoebe Strong, having pioneered Salvation Army work in Ireland.

Commissioner Allan was one of the first of The Salvation Army's boy cornetists, and was born in Hazelton, Pennsylvania, becoming a famous soloist of the New York Staff Band.

He was awarded the Croix de Guerre while serving as a chaplain with the American Forces in World War No. 1, when he was promoted to the rank of Major, the highest possible rank for chaplains, and placed in charge of all religious work in the advanced areas.

During the Second World War, the Commissioner was principal assistant, Chaplain-General's Department, United States Army, until October, 1942, when the special leave from Salvation Army duty granted him for this purpose expired. Had he not been urgently required for Salvation leadership, he would have doubtless had a second world war career among the VIPs of America. He speaks now of the profit gained by being in conference with such men as Generals Marshall and Eisenhower and watching their methods.

Perhaps most significant of all is the fact that for a decade the new chief was in charge of New York's famous Bowery Corps, mingling with the stream of outcasts drifting endlessly through that notorious area.

After terms in charge of Salvation Army operations in the Central and Eastern Territories of the United States, Commissioner Allan was called to London to become Chief of the Staff, in which position he gave administrative oversight to Army operations in all parts of the world.

Mrs. M. Symons will be the soloist on this occasion.

By GORDON WASSERMAN

It seems that our comments about school spirit at W.H.S. aroused much discussion among our readers... in fact, we received a letter from one of our teachers — now retired... who, we learn, has been a faithful reader of this column for some time... he writes as follows...

"It gave me a great deal of pleasure to read your article in The Examiner of March 19.

"In particular, I agree absolutely with all you wrote about school spirit. In my opinion public spirit should be one of the most important elements in school life, which can be developed by the support of and by the participation in the extra-curricular activities. By these things, loyalty and tradition are built up. I am sure that I am expressing the opinion of the Old Boys, of whom I am the oldest.

(Signed) Henry H. Worsfold

We thank Mr. Worsfold for his interest and hope that more of our readers will take the time to write us and express their opinion on any phase of school life... this is your column... we appreciate your co-operation...

West End Residents Will Assist In Joint Fund Campaign For Blind

Campaign workers in Notre Dame de Grace and the west end of the city are being lined up this week in preparation for the Combined Appeal for the Blind. The drive, the only officially recognized appeal for the blind this year, is being held from April 26 to May 8.

The three uniting organizations are the Montreal Association for the Blind, the Canadian National Institute for the Blind, and L'Association Canadienne - Francaise des Aveugles, Inc. The quota of the three organizations together is \$250,000.

The joint campaign chairmen, Maj.-Gen. R. O. G. Morton and Jean Joubert, listed this week some of the work these agencies are doing.

A home is maintained for the aged blind. Places are found for the blind in industry. There is a residential school for blind and partially blind boys and girls. An industrial workshop is operated for blind and partially blind men and women. An extensive Braille library is maintained, and there is a home teaching service. Advice and treatment in preventing blindness are arranged.

No distinction is made as to race, creed or color in the work among the blind. The underlying principle of the entire project is to help the blind to help themselves.

Two residents of the west end

have been named among the leaders of the campaign. They are R. H. Perowne and E. R. Complin, who have been chosen to head up the employees division this year.

Dr. A.E. Moss Urges Action On Seaway For Steel Supply

An adequate ore supply for our steel mills is dependent upon the deepening of the St. Lawrence waterways, Dr. A. E. Moss, chief geologist of the Iron Ore Company of Canada said yesterday.

It is especially necessary, he said, if we become involved in a third world war.

"The United States is estimated to require 30-40 million tons of foreign ore annually within 10 or 15 years," he said, "and most of this will be supplied by Canada."

"In Wartime", the demand will be much greater and it will be essential that iron ores from New Quebec and Labrador be available."

Discussing A New Iron Ore Empire in Canada's Northeast Dr. Moss said that while the first high grade ore was discovered in Labrador in 1929, a geological survey of Canada had stated that

the region was favorable iron ore prospecting ground in 1895.

"It was not until 1946, though, that an intensive drilling program was undertaken to prove up the vast ore tonnage required to justify the enormous capital expenditures required to bring these properties to the production stage," he said.

Dr. Moss cited two major reasons for this long delay — the inaccessibility of the region and the lack of adequate iron ore markets until after World War II.

He said that it was not until five American steel companies together with Hollinger and Hanna interests formed the Iron Ore Company of Canada, to supplement American iron ore reserves, that the region came under intensive study.

"This company agreed to provide the necessary capital to build and equip the 360 mile railroad between Sept Iles, to build hydro power plants, to erect townships and to provide all other monies required to bring the deposits into production. They also guaranteed a market for the iron ore," he said.

Dr. Moss said the company spent over \$10 million on preliminary exploration — risk capital spent during the search for ore before there was any assurance of ultimate success.

B. W. P. Luncheon

The annual meeting and luncheon of the Business Women's Unit of the Catholic Women's League of Canada will take place at 12.30 p.m., on Saturday, April 24, at the Ritz Carlton Hotel.

The election of officers for the coming season will take place, and the attendance of all members is requested.

The president, Mrs. James B. Shanahan, is chairman for the occasion.

The cast includes Anne Wright Robertson, Johanna Dorfler, Felcia Bonaparte, Lennox MacFarlane, Ken Coles, Peter Martin, Alexis Sokoloff, Sam Hitelman and Albert Bermel.

Former CBS Official Speaks Here Sunday

Robert Walter, a former Columbia Broadcasting System station manager, now engaged in producing religious radio and TV productions for the World of Life Fellowship of New York City, will speak Sunday night at 7 p.m., at Evangel Pentecostal Church, Closse and Tupper Streets.

Formerly manager of the CBS radio station at Corning, N.Y., Mr. Walter was born in Watertown, N.Y., and began his radio career in that city, later being

associated with stations in Syracuse, New York, Philadelphia, Johnstown and Altoona, Pa., in addition to Corning, N.Y.

Not finding the answer to life and its problems in his professional success in the radio field, his quest ended with the decision to accept Christ as His Saviour, three years ago, through the influence of a Christian friend. Because of this decision and his desire to tell others, he has entered into full time Christian work — still in the radio and TV field.

Unions and Wages

High Degree of Unionization Doesn't Mean Higher Standards

An interesting point was made by Dr. Leo Wolman, economist at Columbia University, New York, when he appeared as witness for Santa Fe Railway in its legal battle against union shop. Dr. Wolman argued that wage increases in the U.S. economy generally had resulted not primarily from union activity but from good management, good productivity and shortages of labor. He pointed to the U.K. as an example that a high degree of unionization does not necessarily bring a comparably high standard of living.

Figures support Dr. Wolman. The U.K. with a population of 50 million, has 10 million unionists — one in five. The U.S. with a population of 160 million, has 15 million unionists — one in eleven. Thus, the U.K. is

twice as heavily unionized as the U.S. But U.K. workers get only one-half to one-third the real wages of U.S. workers.

Australia is even more heavily unionized than U.K. But its workers are still well below U.S. level.

Election Expenses

Saskatchewan CCF Candidates Were Biggest Spenders

Federal election expenses, tabled in House of Commons, have aroused interest in Saskatchewan. They show that CCF candidates in that province had more money to spend than Liberals or Conservatives who, according to Socialist propaganda, are richly financed by the "big interests."

Figures for 15 Saskatchewan ridings show that CCF candidates spent a total of \$45,566; Liberals, \$43,282; Conservatives, \$31,442. Average spending per candidate was \$3,031 for Socialists; \$2,885 for Liberals; \$2,240 for Conservatives.

Commenting on this show of wealth, the Regina 'Leader-Post' remarks: "Naturally, the amounts expended from provincial headquarters on radio, newspaper advertising and pamphlets do not show in these returns. Nevertheless as electors no doubt noted at the time, the CCF had more paid air time in Saskatchewan than any other party, and did not suffer by comparison with respect to newspaper advertising and pamphlets."

A Study In Isaiah III

By Rev. Canon R. Kenneth Naylor
 (Rector of Trinity Memorial Church)

So at a certain stage in the History of Judah, in a certain set of circumstances, when the State was disturbed by the political changes which were taking place, a young man named Isaiah went up to the Temple. We may speculate as to why he went up. Possibly he went to admire the beautiful doors of the Temple and the pillars of brass and all the other things which tempted the cupidity of the King of Babylon. Jerusalem was very proud of its Temple, and the people felt that it was their sure protection; many a young man might go up to admire it. And because so many made their way there it would also be a place of gossip, a place where the wealthy young men might forgo their exchange of the news of the day; what was going on in Israel and Syria, or even in Egypt and Assyria; and the brilliant politics of the King and his advisers in playing off Syria against Israel and Egypt against Assyria. It was a dangerous game and an exciting one, and the convenient place to meet would be at the Temple.

But considering what we have said about God's use of men I think it is much more likely that Isaiah went up to the Temple for the normal purpose of the Temple, to take part in the daily sacrifice, or even to take refuge in one of the courts in order to meditate. We sometimes belittle the formal worship of the Temple in order to magnify the religion of the prophets; but we get a much better picture of the religion of Judah and of religion in general if we

keep them in balance. There were priests who were unworthy and who would have reduced religion to sheer formality, but even at the end of the Old Testament the prophet Malachi can say, "The priest's lips should keep knowledge and they should seek the law at his mouth: for he is the messenger of the Lord of hosts." (Mal. 2) No doubt there were failures, but the ideal was still there.

So I assume that Isaiah went up to the Temple to pray. He went in a state of readiness. He would seek the Lord, or possibly he would hear what the Lord God would say to him. He went in a state of expectancy. And as in the days of our Lord when men were in expectation, things happened. It might be some great thing outside or almost outside one's life; or it might be at the very centre of one's soul; in either case one does not wait upon the

Lord without result. As Isaiah was to put it years afterwards, "They that wait upon the Lord shall renew their strength." By the goodness of God something may happen to us when we come to Him casually or formally; but by the promise of God something is bound to happen when we come to Him in expectation.

Work Among Lepers Subject of Rally At St. James United

A city wide interdenominational rally under the auspices of the Montreal branch of the Mission to Lepers will take place to-morrow evening at 8 p.m. at St. James United Church St. Catherine street west.

An address entitled "Life In a Leper Colony" will be given by Dr. R. B. Gullison, B.A., M.D., C. H.E., outstanding Canadian missionary leprologist, who has spent some 20 years working among the lepers in southwest India.

Dr. Gullison will also tell of the latest in medical research and treatment of leprosy, more modernly known as Hansen's disease, which has baffled mankind since early Biblical times. This lecture will be of special interest to all doctors, nurses, and medical students.

The mission to lepers founded in 1874 is now working in close co-operation and fellowship with some 75 mission societies and de-

nomination missionary boards in nearly 50 different countries to provide spiritual succor to the victims of leprosy.

There are now some 35,000 lepers within the missions own homes, and the leprosaria which it supports.

The mission to lepers contributes financially to nearly all the Christian missionary enterprises of all the Protestant Church denominations in Canada.

The public is welcomed to attend this rally, and further information may be had by telephoning ELwood 6051, or Fitzroy 4201.

At a meeting held earlier this week Mr. Robinson expressed the view that now that N.D.G. has a Sea Cadet unit of its own, increased interest and financial support might reasonably be looked for from this flourishing community.

"From Here To Eternity" Won Academy Award

★ Walks Off With 6 Other Awards

Daring "From Here To Eternity"

Oscars for: Donna Reed, Best Supporting Actress—
— Frank Sinatra, Best Supporting Actor — also,
— Best Photography — Best Screen Play — Best
Achievement in Direction — and Best Sound

Now At Snowdon - Outremont - Strand

Seldom if ever has there been brought to the screen a motion picture of such brutal forcefulness, powerful drama, flaring passion and flaming excitement as in Columbia Pictures' "From Here To Eternity" which is now at the Snowdon, Outremont and Strand Theatres. A screen masterpiece based upon James Jones' literary sensation, "From Here to Eternity" declared Academy Award winner as the Best Picture of 1953. Furthermore, its star-studded cast were all nominees for one or more of the many 'Oscars' which were awarded last night. The stars of the film are Burt Lancaster, Montgomery Clift, Deborah Kerr, Frank Sinatra and Donna Reed.

Burt Lancaster is seen as Sergeant Warden, a pre-war professional soldier, a man at home in any situation, bound by the rules but capable of breaking

them. Montgomery Clift is cast as a brooding, proud young bugler who is perfectly willing to fight . . . but not for the sake of fighting. Deborah Kerr abandons her hitherto regal and proper characterizations to appear as the lush, sweater-clad and unhappy army wife whose chance amour with her husband's first sergeant turns into something unexpected but understandable. Frank Sinatra plays the part of a likable Private, a little guy with a heart and Donna Reed is cast as a somewhat tarnished girl whose plans for the future had no room for a romance with a soldier.

★ A Great Hemingway Story

"The Snows Of Kilimanjaro"

Gregory Peck, Ava Gardner and Susan Hayward Star At The Westmount

"The Snows of Kilimanjaro," 20th Century-Fox's Technicolor production of Ernest Hemingway's classic story starring Gregory Peck, Susan Hayward, Ava Gardner and Hildegarde Neff is at the Westmount United Theatre until Tuesday.

This is the story of a famous writer and big game hunter who reviews his life, loves, adventures and frustrations while awaiting possible death beneath the shadow of Mt. Kilimanjaro in Africa. Via the use of the flashback, the writer traces his

career through Paris, the French Riviera, Africa and the Spanish Civil War.

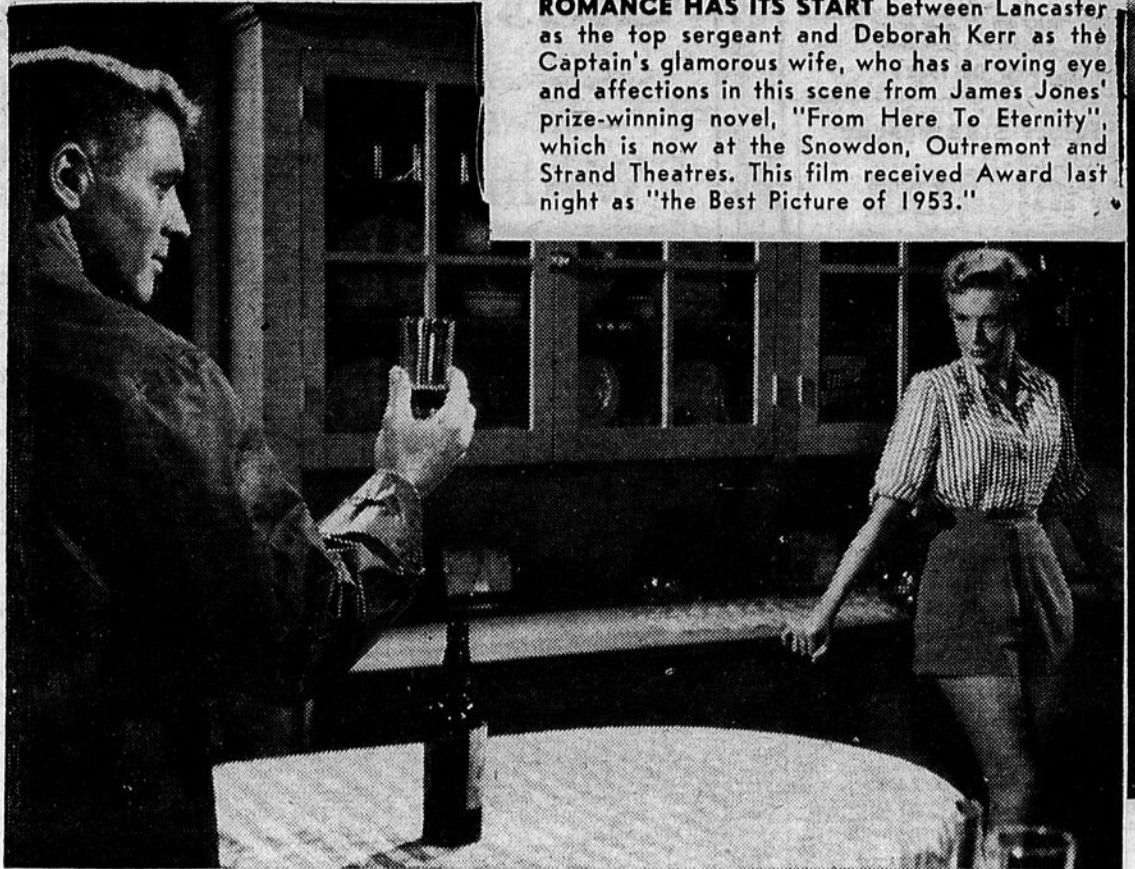

As the writer-hunter who searches the world for truth, Gregory Peck plays the most romantic role of his brilliant career.

The other feature attraction on this program, "The Affairs of Dobie Gillis," the gay, youthful Metro musical starring Debbie Reynolds, Bobbie Van and Bob Fosse.

One problem producer Stanley Kramer wasn't faced with in making "The Wild One" was preparing Marlon Brando for the motorcycle riding the part required. During the entire run of "Streetcar Named Desire", Brando travelling through city streets on a motorcycle was a familiar sight. Kramer, however, did make one minor stipulation — no motorcycle riding off the set.

Barbara Stanwick will be galloping thataway in her next two pictures. Originally signed to star in "The Bandits" at Columbia, she will follow with "Cattle Queen of Montana" for RKO.

★ THE THEATRE IS YOUR BEST ENTERTAINMENT

ROMANCE HAS ITS START between Lancaster as the top sergeant and Deborah Kerr as the Captain's glamorous wife, who has a roving eye and affections in this scene from James Jones' prize-winning novel, "From Here To Eternity", which is now at the Snowdon, Outremont and Strand Theatres. This film received Award last night as "the Best Picture of 1953."

Robert Louis Stevenson Novel

"Master Of Ballantrae" Stars Errol Flynn Saturday

When Errol Flynn has a sword in his hand, the gleam of the blade is matched only by gleam in his eyes. And, once again, Flynn has a foil in his hand in the Warner Bros. Technicolor production of Robert Louis Stevenson's immortal novel of deviltry and passion, "The Master Of Ballantrae", which opens at the Monkland United Theatre this Saturday to run four days until Tuesday.

Flynn's particular weapon in "The Master Of Ballantrae" is from an Edinburgh collection, borrowed for the film by Warner Bros. while the Technicolor ad-

venture-drama was on location in England and Scotland.

The two lovelies with Flynn in this production are Beatrice Campbell and Yvonne Furneaux.

A riot of laughs is supplied on this program by Dean Martin and Jerry Lewis in Paramount's uproarious comedy, "The Caddy", in which Donna Reed is co-starred. Barbara Bates, Joseph Calleia and Fred Clark are also in the cast.

★ "Bugle's Wake" Bought As Montgomery Starrer

Columbia producer Sam Katzman has purchased "Bugle's Wake," a novel by Curt Brandon published by E. P. Dutton, for George Montgomery starrer. The story concerns a ring of border munition runners operating during the Mexican War and is slated to be made in Technicolor.

Do words like "personalize" and "finalize" cause you pain? Then join forces with writer A. P. Herbert, who urges all true word lovers to buckle on their dictionaries and declare war on Jungle English.

The Jungle English exponent doesn't speak of "fun" but of "entertainment values". He never "works together", but "co-operates according to a co-ordinated plan". He's not "hungry", but "exhibits evidences of malnutrition". And so on.

It's when talking of international affairs that he really comes into his own. He doesn't see big changes this year but "feels it may be differentiated by substantial eventualities". Never give the ambassador a gift, he cautions. Instead, make him "the recipient of a presentation".

Here's how to conduct your own private word warfare. Mrs. A. Turner Bone Returns From Presidential Tour Of B.C.

Greatest unifying force among Canadian women today, the National Council of Women of Canada provides an extremely strong link between the east and west, president Mrs. A. Turner Bone of Montreal, re-affirmed recently, following completion of a presidential tour around British Columbia's Council groups on all three levels, local, provincial and national.

REV. ROBERT LENNOX, M. A. Ph. D. who will be guest speaker with "News and Views of the Holy Land" at the Easter Thank-offering meeting of Stanley Presbyterian Church W.M. S., and the Isabel McConnell Auxiliary on Tuesday at 8:15 p.m. in Franklin Hall Memorial. The soloist will be Mrs. Fred Walker.

During her term of office, Mrs. Turner Bone has visited all provinces but Newfoundland. "The volunteer woman in service to her community is joined by common projects of work to every other woman working in every other group from the Atlantic to the Pacific," she states, "and I, for one, have really become conscious of Council's far-flung strength."

"Council has a good part of the answer, I believe, to the seemingly insurmountable difficulties which this great country presents — with our tremendous distances, Canadians are not privileged to meet often enough to resolve differences in opinion and ways of living on a personal basis."

"However, despite the fact that we are not enticed to enter Federal Parliament in any great number — despite the unwillingness of the homemaker to leave her responsibilities at home for any great length of time; or to be absent at any great distance from them, and the reluctance of the business woman to sacrifice

American Women's Club Holds Annual Meeting — Social Service Committee Donates To 28 Charities

The annual meeting of the American Woman's Club of Montreal was held on Wednesday, March 24, at the Ritz Carlton Hotel with Mrs. Alan Chippindale, president, presiding.

Reports were presented by chairman of various committees showing a year of wide community aid and activity, in which all branches of the Club's work received enthusiastic support of the members.

Miss Edna Martin, membership chairman, announced the Club now numbers 293, including 28 new members and 15 complimentary members, wives of United States Consular Service in Montreal.

Donations, given through the Social Service Committee, to twenty-eight established Montreal charities, as well as Post War, totalled \$1,047.71. The money, making these donations possible was raised at the annual rummage sale and the Social Service bridge.

Mrs. C. T. Roach, retiring treasurer, reported: The Club had again been able to purchase a Dominion of Canada Bond and thanked the chairman for keeping within their budgets, thus enabling the treasurer to report a surplus for the year.

Social Service Donations

Mrs. Joan Bayer, chairman of the Social Service Committee, stated the year's work covered; 18 layettes, each one composed of 27 articles of clothing and 4 toilet articles. These were disposed of as follows: 5 to Catherine Booth Hospital, 5 to the Reddy Memorial Hospital, 5 to the Queen Elizabeth Hospital and 1 to Western Division of the Montreal General Hospital, sent on request. 38 bed jackets to the Children's Memorial Hospital. Following up last year's interest in the Children's Service Centre, the donation given, was specified for supplementary training among older girls who have

proven their ability to complete certain vocational training. Through the personal interest of Miss Edna Martin, a few members of the committee undertook a new project this year; Cuddle Toys. This resulted in 28 Raggedy Ann dolls and 31 stuffed animals being sent to the Tuberculosis Hospital in Korea, through the Woman's Voluntary Services, in time for Xmas; plastic dolls in knitted outfits, blocks made of oilcloth and stuffed toy animals were recently delivery to the Children's Memorial Hospital. Post War; For the Veterans Hospital at St. Hyacinthe, 3 parties, 20 Xmas boxes and 4 magazine subscriptions. A donation for the Silver Cross Mothers and aid for parties, through the Woman's Voluntary Services, at St. Anne's Hospital. It is of interest to note that many of the members, besides giving their time, contribute financially to promote the efforts of this committee.

Reports were presented by chairman of the following committees: courtesy, Mrs. Albert Tousaw; groups, Mrs. Peter Barry; hospitality, Mrs. Earl Dartt; membership, Miss Edna Martin; press, Mrs. C. A. P. Leahey; printing, Mrs. E. J. Whitson; program, Mrs. E. C. H. Harder; music, Mrs. C. N. Stevens; reception, Mrs. Ray Benedict; social service, Mrs. Joan Bayer; telephone, Mrs. H. M. Westaway; second vice-president, Mrs. F. E. Holland; recording secretary, Mrs. G. M. Hawthorn; corresponding secretary, Mrs. C. J. R. Crossman; treasurer, Mrs. C. N. her personal career and her livelihood to what could be the greater duty, the nation's business — the women of Canada make known their demands on the nation's legislators through their organizations," the national president continued.

"Over 60 years of continuous growth in the voluntary field of community endeavor have gained Council women recognition on every level of government, so much so that it may be said women serve their municipality, their province, and their nation by holding active membership in the various levels of Council."

Summarizing the impressions she had gained on her British Columbia visit, Mrs. Turner Bone said that "on the whole, the women of B.C. are most community-minded and alert. They have had to deal with the problem of an enormous influx of immigrants, 10,000 into the Fraser Valley, in addition to their old Mennonite and Doukobour troubles. They are steadfastly trying to work their way out by investigation, study and recommendations, and the commission they have set up has the support of University-qualified members."

"They have under current discussion and action care of the aged, subsidized housing, and the need for bigger and better hospitals."

She was most impressed, she said, with their ready friendliness and their eager hospitality, and their interest in information about "the easterers".

Brown, Bourassa Lead MacRae To 8-2 Win Over Druggists

By CLIFF FARNWORTH

Westmount MacRae Electric blasted Royal Pharmacy 8-2 Saturday to take a one game lead in their best of three series for the Dr. Rondeau Medical Trophy, for the championship of the St. Laurent Intermediate Hockey League.

The first game of the final series was tied 1-all. Third game is scheduled for Saturday at 2 p.m. at the St. Laurent Arena. MacRae scored two goals in each of the first two periods, then added a quartet of markers in the third to sew up last week's contest.

Bussière Druggist Star

Redhead Don Bussière supplied all the scoring punch for Royal Pharmacy notching one goal in both the second and third periods.

Bobby Brown and mighty mite Mickey Bourassa, each with two goals, paced the MacRae attack. Bud Selby, Al Turner, Jim McCarthy and Harry Wolfe all counted singletons.

Bourassa also picked up two assists and Brown aided on one effort.

Referees Mosdell and Harvey handed out seven penalties in the game, six against Royal Pharmacy. MacRae scored three times while holding a man advantage.

series. They can tie the third contest and still win the championship. The Druggists must win to stay in the running.

In a second game this week, St. Laurent Laurels and NDG Regents will hook up in an exhibition. Last Saturday the Regents defeated the Laurels for the second straight time.

Malone Cagers Here April 3

Unity Boys' Club intermediate basketball team will play Malone, New York in an exhibition game Saturday, April 3, as part of National Boys Club Week.

The American National Guard squad beat Unity previously 67-66.

A banquet will be held the same day to honor the intermediate team, city champions. All club basketball teams will attend, while Mayor Roy Campbell of Westmount is also expected to be present.

Bantam Playdowns Sunday

St. Leo's bantams will play Town of Mount Royal in QAHA playoffs Sunday at 4 p.m. in the Lachine Arena. The Academy squad won the Westmount Municipal hockey league championship.

The old one-two punch — in hockey a goalie to keep the puck out and a forward to put it in — came through once again for St. Leo's senior B hockey team Friday.

The Academy climaxed a long uphill drive then when they whipped Chambly County 5-1 to win the two game total goal series for the high school senior B championship by a 7-3 count.

Tommy St. James, who has been coach Andy McGillis' clutch player all through the season, banged in three goals to pace the attack, while goalie Kevin Dunnigan played a stirring game in keeping the Chambly attackers at bay.

The two teams had tied the first game of the series 2-all.

Howe Breaks Shutout

Brendan Guilfoyle and Sandy Morrison accounted for the other two St. Leo's markers, while Bob Howe broke up Dunnigan's shut-out attempt.

Hampered from the start of the season by a lack of regular time on artificial ice, McGillis threw together a lineup including two bantams, five juniors and only half a dozen seniors. They scraped their way through the "big" game time and again to wind up the current campaign in second spot.

Click in Clutch

Captain St. James and Dunnigan clicked in every clutch tilt, and it was only fitting that in the finale they should be so impressive.

McGillis was a mighty dour mentor at the start of the season, when immediately after learning two of his better players had transferred schools, the regular ice time was curtailed.

The team whipped themselves into shape during the Christmas holidays, taking ice whenever they could get it. Far from impressive in their opening games, they progressed in efficiency and were holding their own with the other teams in the loop.

Defence Improves

Biggest improvement was made by the defence corps, who despite the loss of steady Dave Farrell with a broken collarbone stood up

throughout in formidable fashion.

Dave Orr came along to fill the gap and played well on the blue-line along with Dave Donohue, Jacques Lefebvre and Karl Hurley. Plenty of opposition along the

break with the tight league, as no team was able to show enough definite superiority over the other top contenders to break very far away.

John Roche, Mike McNally, Gerry Ramsey, Joe Frolo, Phil Drummond and Frank Rooney all played well in the big push.

Elated by Win

McGillis was highly elated with the team victory and lavishly praised his charges. Queried as to chances for the future he went right back into more characteristic tones.

"Next year six of our best players will be lost through graduation. This time we travelled through on the inspirational play of Dunnigan and St. James, but without the boys to back them up things will probably be a lot different next time around," he said.

This is the fifth time since 1943 that St. Leo's has won the senior B championship, an excellent record for a school that averages an enrollment of only some 100 students.

The team will celebrate their victory at the annual hockey social tonight at Victoria Hall — a fitting finish to a more than successful season.

Westmount Ends Season Losing To St. Lawrence Juniors 45-32

By GORDON WASSERMAN

Westmount High School's senior B basketball team ended up on the short end of a 45-32 count Friday in the annual game against St. Lawrence High School, of Cornwall, Ont.

Coach Ron Sharp's cagers played the junior team in one

of the events on the Cornwall Schools' Athletics Night. Catholic High's senior A team beat the St. Lawrence seniors in a second game.

Marty Raff paced the Westmount squad with 13 points. The locals had difficulty in maintaining the hard-driving pace set by the man-to-man Cornwall defence, and were down 28-14 at half.

Switch to Zone

Mentor Sharp switched to a zone defence for the second half, much against his will as this strategy is outlawed in Cornwall high school basketball.

Using it the locals held St. Lawrence to seven points in the third half, but despite a hard drive in the last canto, they found they had dropped too far behind.

Catholic High rallied strongly in the third quarter behind Tony Pajkowski to beat the St. Lawrence seniors.

Dance at End

A dance was held after the games, and the Westmount team left for home in their chartered bus at the end of the evening.

The Purple and White squad, with only one win to their credit this season, are looking forward to more success next campaign, as the majority of the team members are in the 10th year, and will return.

Westmount: — Raff 13, Mendelsohn 9, Thomson 4, Golden 3, Wasserman 2, Ancrum 1, Smith 1, Cote Job, MacFarlane.

Softball Entries Wanted

A four team intermediate softball league is being formed by the Westmount Recreation Department, formed of players not connected with leagues of higher calibre. Anyone interested in entering a team or playing in the league is invited to contact Rocky Rothwell or Johnny Garland at FI. 6975.

Fouls Feature Lion's Victory, Stayner Leads

Lions used a big manpower advantage to good stead Wednesday to gain first win in Westmount Municipal Intermediate basketball, a 50-47 victory over Royals.

Starting with only five men, Royals held a 28-13 lead at half, but saw two of their players foul out after three minutes of the third canto. Another joined them on the sidelines with five minutes left in the tilt.

Despite this handicap, they led 37-28 at three quarter time, and the game was still a tossup in the final moments.

O'Brien, Leslie and Graham left the game via the foul route, in that order. Barnard led the losers with 15 points, Duncan the Lions with 17.

Royals: Leslie 10, Barnard 15, O'Brien, Graham 11, L. MacDonald 11.

Lions: Blackie 8, Bluden 6, Ouimet 5, Watson 12, Day, Dyer 2, Klassen, Duncan 17.

STAYNER TALKS THIRD

Stayner won their third consecutive game in the Municipal Basketball League Tuesday by downing Avenue Stars 67-38.

The Stars, minus the services of Ron Brambell, and after losing Willie Manolson in the first quarter with a sprained ankle, were no match for their opponent.

Earle McDonald led his squad with a 28 point performance. Bobby Brown was deadly with his corner set shots and aided the Stayner effort by picking up 11 points.

Al Turner topped the Stars' scoring with 12 points. Hughie MacDonald also worked well in a losing cause.

Stayner: McDonald 28, Brown 11, Easton 1, Seimers 11, Alexander 10, Brambell 3, Selby 3.

Avenue Stars: Lomasney 7, Manolson 2, Gurner 12, Guilfoyle, McFadden 7, MacDonald 10.

Unity Intermediates Garner City Laurels, Dropped by MAAA In Provincial Playoffs

SHAWINIGAN FALLS—Unity Boys Club cagers, city intermediate champions, got as far as the semi-finals in the provincial basketball tournament held here last week-end. The UBC'ers were sidelined by the power-packed MAAA team that went on to win the provincial crown for the second consecutive year. Unity dropped their game to MAAA by a 65-52 count, giving the Peel street brigade their toughest battle of the week-end.

Unity Boys Club cagers walked off with the city intermediate basketball championship when they downed a battling HMCS Donnacona quintet 58-54 last Thursday night at the UBC'ers home court. The win gave the Unity aggregation the two-game, total points series 109-106. Navy won the series opened 52-51.

Unity won their first game over Sherbrooke by a 61-44 score. Their initial tilt, played early Saturday afternoon, was delayed in starting by the late arrival of half the unity club.

Last Thursday's tussle was a thriller-diller all the way with the issue in doubt right up until the very last whistle. Throughout the contest the emphasis was on close checking and ferocious battling for rebounds under both baskets.

Unity overcame the one-point deficit early in the game and latched on to a pencil-slim lead to which they managed to cling throughout the spine-tingling first quarter.

Navy Takes Lead

In the second canto, however, the sailor boys put on a spurt and when the buzzer sounded for the halftime respite the tars were ahead 35-27.

With a minute to go, George Presho's Phabulous Phellows were nursing a scant one-point lead on the round when Teddy Rice was awarded two free throws. The cool-headed Theodore, a West Hill High School product, swished both shots through the mesh to give the UBC aggregation something a little more substantial in the way of a lead.

SWAMP VALLEYFIELD

Saturday night George Presho's club swamped Valleyfield 81-23, the most decisive win of the entire tournament. Unity led 37-14 at the half, never looked back in the final two quarters of the ball game. Grant Peterson led the winners' scoring parade with 15 points while Hugh Sutherland, turning in most impressive display of the season, was next in line with 13.

The Unity—MAAA contest was the best game of the entire tourney as the underdog UBC aggregation came up with one of their best games of the entire season.

It was a bitterly fought battle all the way with the issue in doubt until the last four minutes of the well-played ball game.

With four minutes to play, the MAAA aggregation was leading by four points and the Unity quintet were very much in the ball game. Then the MAAA

brigade broke through for three quick baskets and that outburst of point-getting wrapped up the ball game.

Big Doug McNichol, the Montreal Alouettes' end, proved to be the difference between the two clubs. The burly centre sank 14 points, grabbed rebounds under both baskets, set up plays in abundance, and performed outstandingly on defence.

The big fellow played the entire
