Alberta cowboy Wayne Neilsen bounces in saddle as his mount whirls out of starting chute. Neilsen stayed on the horse for his mandatory ten seconds during the jarring ride in Ormstown's Arena.

Rodeo Whoops It Up In Ormstown

Mean-eyed bulls and stiff-legged horses stirred up the dust of Ormstown's Exhibition Arena last Wednesday before 1300 rodeo fans. A troupe of 30 trick and bronco riders billed as the 4-H Ranch Rodeo and Wild West Show devoted the evening to an hour and 45 minute string of riding and roping routines.

The Ormstown Arena won't be the others donate money or used as a skating rink until winter. Bishop and his wife Jan double as trick riders in the rodeo's finale of double rolls, death drags, laybacks and horseback headstands. The trick mounts are heavily blinkered to prevent them from swerving away from distractions, and spoiling the riders' balance.

Rev. Father Pompei

Father Pompei Leaves Charge in Trout River

Jackie Rhinehart of Oklahoma used the business end of an eight-foot blacksnake whip to carefully slice paper from the teeth of an assistant.

Rhinehart also is rated as a roping marvel. He ambidextrously twirled long loops around himself and his horse while parading across the arena. He said he'd been roping from the age of five when his father ran a western act.

The calf ropers who followed Rhinehart could have used some of his practice. Seven out of nine missed their throws as the arena walls took time off from his pickup duties to win the event by dumping his calf almost as soon as it left the chute.

"If the first two or three make their catch," usually everybody makes it. But if the first couple happen to miss, so do the rest. Several riders were stepped on during the riding and bull-dogging events, but no one collected more than a headache.

According to the show's owner, Tom Bishop of Rideauville, Ontario, "If one of the boys gets a broken leg and can't ride, Father Pompei has been appointed to St. Ann's Church in New York where his address will be 312 East, 110 St. Before assuming his new charge, he expects to spend a couple of weeks with friends in the Trout River and Malone area. St. Bridget's congregation is planning a farewell party for him which will be held at the Rectory on Saturday evening, August 30.

Father Pompei is well known to many on this side of the border also. It was he who organized the weekly bingo parties that have proved an attraction to many and which have been largely responsible for restoring St. Bridget's Church to sound financial status.

After serving the congregations of St. Bridget's Church at Trout River and John Bosco at Malone for the past six and one-half years, Reverend Father Anthony Pompei is being transferred to New York City. He will be replaced by Reverend Father Peter Rofrano who arrives at Trout River from New York on September 3rd. Both priests belong to the Order of Pallottini Fathers.

Father Pompei has been appointed to St. Ann's Church in New York where his address will be 312 East, 110 St. Before assuming his new charge, he expects to spend a couple of weeks with friends in the Trout River and Malone area. St. Bridget's congregation is planning a farewell party for him which will be held at the Rectory on Saturday evening, August 30.

CONTRACT TALKS DRAG ON AT ATCO

Contract talks between Atco Thermostat Ltd. of Huntingdon and its recently unionized production staff are now in their third month. Under President Jeanne Legault of local 474 of the United Textile Workers of America, the all-woman production crew is asking for a \$1.30 an hour basic wage. The union is also negotiating for a two-year contract with yearly pay boosts of 25 cents an hour.

In a July interview, Atco General Manager Warren Travis said the wage of production personnel averaged \$1.20 an hour. Some 58 workers assemble or 100 people, we may end up with 25-30."

York Street plant. All but eight of them joined UTWO during a two-day organizing drive in March. Contract talks were begun shortly after. Now before a government conciliator, "most of the technical clauses of the contract have been agreed on," said Gagné.

Six-year-old Atco zoomed to sales of \$700,000 last year and was looking for expansion space. However, according to General Manager Travis, union demands would price him out of his market.

"Instead of expanding to 70 area, police said, but no charges have yet been pressed.

MELEE OCCURS IN PORT LEWIS CLUB

A Saturday morning donnybrook between five men at the Port Lewis Rod and Gun Club resulted in "little damage to club property" said manager Walter Kuoni.

According to police, the trouble erupted near 1 a.m. One of the combatants later briefly checked himself into hospital with what police termed "slight head injuries."

All five men were from the area, police said, but no charges have yet been pressed.

Correction!

A list of Chateauguay Valley Regional High School students published in last week's Gleaner said 113 diplomas were awarded to the school's Grade 11 graduating class of 237. In fact, only 170 of the 237 were qualified to write government exams for high school leaving or matriculation certificates. One hundred and thirteen were immediately successful and CVRHS Principal Earle Templeton has said that many of the 57 unsuccessful candidates were eligible to write supplemental tests.

Ormstown

Winners Emerge From 4-H Day

Fifteen girls competed for top honors in the handicraft department at the Ormstown fairgrounds on Saturday, August 15, as the 4-H members held their annual achievement day.

Beautiful candles, smoked pillows, seed pictures, foam dolls and a special assortment of cakes and candies were on display making the judging difficult. The first four winners were Debbie McCaig, Shirley Duncan, Karen Kerr and Linda Elliot. The cake which won first prize was baked by Sharon Elliot and used later on in the day as a special treat to celebrate the birthday of one of the members.

A departure from the usual all day activities for achievement day resulted in possibly more interest as all participants seemed keener and less tired after the day had ended. Judge Oakley McRae opened the day's proceedings at 1:30 p.m. and from then on it was hustle and bustle.

ORMSTOWN 4-H SHOW

Junior Holstein Calves: — Brian McCaffery, Michael Duncan, Mac McDougall.

Senior Holstein Calves: — Stephen Borland — Champion, Richard McDougall — Reserve, Brent Hooker, Tommy Bryson, Harold Bryson, David Greig, Ron Moore, Donnie McDougall, John Greig, Jim Bryson.

Ayrshire Calves — Alex McCaig — Champion, Murray McCintock — Reserve, Aubrey McDougall, Gordon MacDougall.

Junior Showmanship — Harold Bryson, Murray McClintock.

WOMAN DUMPED IN HOSPITAL BED BY BUTTER TRUCK

Several thousand pounds of butter were spilled into a roadside ditch near Laroque Bridge last Thursday when a Cremerie Revelation truck overturned.

Mrs. Donat St. Onge of Huntingdon, a passenger, received a broken collarbone in the crash. According to police, the truck lost a rear wheel while approaching the bridge and toppled onto its side on Highway 3.

POLICE SETTLE IN NEW QUARTERS

Grouped around a patrol car in front of new offices are Sûreté Corporal Luc Leclerc (left), Agent Louis DeFrancisco (in car) and Agent Arthur Authier.

On August 8, Huntingdon's 11-man Quebec Sûreté detachment moved its headquarters from the O'Connor building to the outskirts of town.

The police now share with the county agronomer a low lying brick structure on Highway 4 one quarter mile east of Huntingdon.

ROTARY FINALIZES PLANS FOR FAIR PARADE DISPLAY

Sixteen regular and one guest member attended the weekly meeting of the Huntingdon Rotary Club. President John Harriman chaired the meeting, and Rejean Gelin as secretary in the absence of Don Hartley.

Students Brace For Classrooms — or Vice-Versa

From tots to teenagers, Valley children will be returning to school next week. Principal Florian Tardif of L'École Polyvalente Arthur Pigeon in Huntingdon said his school will open with a teachers' meeting September 2. September 3 will be the first day for Secondary I and II students at EPAP. They will be given books and schedules on that day while Secondary III and IV pupils receive theirs September 4.

Though the outcome of the Quebec-teacher talks is still cloudy, Principal Tardif expressed hope the schedule of EPAP wouldn't be interrupted this year as it was in 1968-69. The school will be laying stress this year on the development of choir, orchestra and theatre groups within the student body.

At the Chateauguay Valley Regional High School, the 1969-70 term begins at 9 a.m. Wednesday, September 3. In neither school have dress regulations changed from last term. Long hair won't be tolerated if it covers the ears or touches the collar said Mr. F. Matheson, vice-principal at CVRHS.

"It boils down to reasonable people dressing reasonably for school," he said.

AGRICULTURE MINISTER WILL SET 1969 FAIR INTO MOTION

County fairs come and go, as the column shuffles through town and over the Lower Bridge.

Between 8 and 8:30 p.m. the Hon. Clément Vincent, in concert with Mayor Leo Cappiello of Huntingdon, will conduct the official opening.

Immediately following the inauguration, Mayor Cappiello will leave to umpire the initial playoff game in Huntingdon's new minor baseball league.

Contestants from the counties of Huntingdon, Chateauguay, Beauharnois, and, in the U.S., Franklin, will vie with one another for prizes and prestige during the balance of the fair's four day run.

According to Fair Secretary Tom Brooks of Huntingdon, this year's horse show will eclipse last year's 178 entries. The figure of 168 young exhibitors set in 1968 is also expected to be tied or broken. One hundred and thirty-seven applications had been received by Monday and a further 50 were anticipated.

THE FAIR IN A NUTSHELL

- THURSDAY**
 - 1 p.m. Local cats and dogs judged in pet show.
 - 7:30 p.m. Street parade starts for Arena and Fair's official opening by Hon. Clément Vincent.
- FRIDAY**
 - 1 p.m. Tractors wheel around fairgrounds in a farmers' rodeo.
 - 7 p.m. Area fire departments square off in tug-of-war.
- SATURDAY**
 - Morning 4-H events.
 - 1:30 p.m. Horse show in Arena.
- SUNDAY**
 - 1 p.m. Minor baseball finals of fairgrounds.
 - 2 p.m. Horse racing for balance of afternoon.
 - 8 p.m. Fair ending variety show in Arena.

Franklin Fair Finishes

The Franklin County Fair, which closed last Sunday, was for the final Sunday afternoon termed "about on a par with last year" by fair officials.

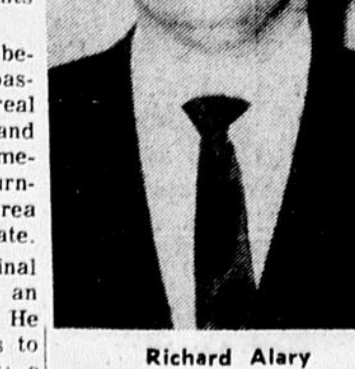

The grandstand was half full which closed last Sunday, was for the final Sunday afternoon termed "about on a par with last year" by fair officials.

Eighty-three degree temperatures discouraged a packed mid-way Sunday afternoon. Oscar Buck, co-owner of the Buck Page carnival, said customers for his 22 rides were running at the same level as the previous year.

"We've been on the road for 18 weeks and one driver with a pulled muscle has been our most serious accident."

H'DON LAWYER OPENS OFFICE

Richard Alary is a 24-year-old fledgling lawyer who is starting a practice in Huntingdon. He has just completed a year of articling with a Montreal firm during which time he specialized in divorce and separation cases.

Richard Alary

"I was the youngest lawyer in the firm so everyone gave those cases to me. My clients never lost an action."

Nabbed at Border; Ends up in Prison

A U.S. citizen trapped by a two-nation police force near Trout River last March was given a four year prison sentence in Montreal Friday.

Robert Peter Burcin, 28, was stopped for a minor traffic offense in New York State March 10. He stole an unsuspecting trooper's gun and car and made a dash for the border post at Trout River.

Detectors found that Burcin and a companion, 27-year-old Lohman Ray Mays of Dallas, were responsible for a series of armed robberies in Montreal.

After being interrogated, Burcin led police to an apartment in Lafèche where Mays was hiding. In the apartment were found rifles, pistols, burglars' tools and a large quantity of ammunition.

Total money stolen by the duo was set at more than \$25,000. Mays was given a five-year prison term.

This and That in Town

PARISHIONERS — of St. Bridget's Church, Trout River, N.Y. and the St. John Bosco Congregation at Malone learned last week that their parish priest, Reverend Father Anthony Pompei, is being transferred to New York City. (See elsewhere.)

CAROL — 13-year-old daughter of Mr. and Mrs. Tom Leayman of Ormstown suffered a fractured left arm in an unfortunate accident on Saturday. About 7:30 p.m. she tripped over a toy car one of the younger children had left on the lawn. After she fell she went into the house and said "Look Mommy, I put my arm out of joint when I fell." The fracture is just below the elbow and Carol's mother says she could feel the break. Carol was taken to the Barrie Memorial and the fracture was set shortly after admittance to Hospital.

SCHOOLS — for the most part, open for the 1969-70 term on Wednesday, September 3rd. We think parents are a lot happier than youngsters about the whole idea.

LEVEL CROSSINGS — especially in the Town of Huntingdon, have been greatly improved since the recent paving. Fact is, all the streets in Ourtown are in good condition. Congratulations to those responsible.

MCKIE CLUFF — of Bourgon & Cluff Inc., completed negotiations the past week for the purchase of the former Mrs. H. Oliver residence at 31 Henderson St., corner of Henderson and Fairview Rd. Mr. Cluff and family expect to move into their new home within a few days.

WERE TOLD — that the parade opening the '69 Huntingdon Fair on Thursday evening will be well worth seeing. See elsewhere, s.v.p.

A FREAK STORM — swept through Huntingdon and area early Saturday morning. Thunder started rolling about 2:30 and at 2:45 flashes of lightning made the sky as bright as high noon on a sunny day. This was followed by a hailstorm lasting almost ten minutes after which there was a steady down-pour of rain. Old-timers say they never saw hailstones as big before and some of the descriptions were as follows: Twice as big as golf balls; bigger around than a fifty-cent piece; the size of marbles; hard enough to go right through a bald head; larger than little green apples. Well, they were large. Some people couldn't resist rushing out in the rain after the hail stopped to gather some up. One man said he put four in a glass and they lasted longer than any ice cubes he's ever seen. Cars left in the open, unprotected by trees, had little dents in the paint. Corn and apples took a beating, but reports are that the Route 32 apples escaped. The hail was confined to a narrow belt. Cazaville didn't have hail. St. Anicet did. Chateaugay N.Y. didn't have any. Herdman did. Garth Stephen of Ourtown filled two plastic bags full and put them in the family freezer and brought them to The Gleaner on Monday morning. Despite the fact his samples were scooped up about five minutes after the hail stopped and had melted en route from Braithwaite Bros. to The Gleaner, they still measured a half-inch in diameter. Some flower fanciers, with excellent specimens being readied for the Fair this week, were also disappointed with the results of the storm.

NOW — with two severe storms in one week, let's hope the Weatherman has it out of his system and will favor Huntingdon and Havelock Fairs with the same ideal weather provided during the daylight hours this past week-end.

A REMINDER — to all who are leaving their summer homes on Labor Day to return to their city homes: don't forget your pets.

CATTLEMEN — especially Ayrshire breeders, will be grieved to learn that Donald McIntyre of Finch, Ont., one of Canada's foremost Ayrshire men, died suddenly the past week. A one-time judge at Ormstown Exhibition, he was found hanging from a rope in his barn, apparently the victim of self-destruction.

BLUEBERRIES — sweet and succulent, are at their prime. Nothing like blueberry pie! Unless it's fresh apple, of course.

FREEZE-UP — we hope that fellow from Chateaugay, N.Y. who predicts frozen ponds and streams by mid-September doesn't hurry back to this office.

GARTH STEPHEN — showed us some colored photographs he recently had returned and we think readers will be interested. He has an excellent one showing the final explosion in the July 1st fireworks display at the dam in Ourtown and we believe it's something people will want to have. Another is an aerial view of Huntingdon. Still another is a bolt of lightning drilling right into the ground less than 100 yards from where he was standing at the time. This young fellow has top-notch action shots and it just happens they're available at a most moderate cost. May we suggest you drop in at Braithwaite Bros. and judge for yourselves?

GOLF NEWS — The Malone Golf Club were the winners of the Perkins Cup for the fourth consecutive year on Sunday when they won by a thirty stroke margin over their nearest rivals Tupper Lake. Malone had a total score of 1,244 for the lowest 15 players. Tupper Lake was second with 1,264, followed by Saranac Lake with 1,274. Jon Proudfoot of Huntingdon was the low medalist for the day leading the field of 94 golfers over the Malone course with the gross score of 74. Next year

the inter-club match will take place at Saranac Lake.

PLEASE VISIT — the Gai Valley School booth at Huntingdon Fair where a lovely rose and white Afghan will be on display. Looking forward to seeing you all at the fair.

DID YOU KNOW — that 314 murders were reported to the Dominion Bureau of Statistics during 1968? This compares with 281 in '67 and 229 in '66.

INTERNATIONAL PLOWING MATCH — will be held at the farm of Ross Kelley near Paris, Ont. on October 16. This annual competition attracts a considerable number of Chateaugay Valley agriculturists each fall and no doubt some will start making plans now that the date and place have been announced.

CANADA WATER ACT — tough new legislation by the Federal Government aimed at ending the rapid deterioration of Canada's fresh water supplies will be introduced when the House of Commons opens in October. Pollution of fresh water will thereafter be a criminal offence with fines of up to \$5,000 per day.

WHEN THIS BECOMES EFFECTIVE — will the Federal Government sue the Ontario Government over the power dam at Cornwall which is responsible for grinding up game fish as well as eels and other kinds of waterlife which contribute to the pollution of the St. Lawrence?

MORE GOLF NEWS — Club Championship Days are Saturday and Sunday at the Hemmingford Golf & Country Club. 36 holes, Class and Handicap championships for ladies and men. On Monday mixed two-ball foursome club championship. This is THE big event for the year at the Hemmingford Golf Club.

EGG SHOWS 3 MEN WALKING ON MOON — just across the border at Hogansburg a little red hen laid a big white egg the other day and on its shell is clearly depicted a moon with three astronauts. Gospel truth, according to the Fort Covington Sun, who states the moon is the size of a half dollar. The story continues "Albert McDonald of the Cook Road owns the farm that harbors the hen that laid the egg and he took it to show Edgar Reymont at the laundromat who thought it newsworthy and so called the Sun."

MAPLE LEAF GRANGE TUCKS FLOAT IN THE FAIR PARADE

The regular meeting of Maple Leaf Grange No. 11 was held on Tuesday evening, Aug. 19 with Worthy Master Cecil O'Connor presiding.

The Youth Committee reported they would have a float ready for the parade at Huntingdon Fair and Service and Hospitality reported two entries of needletwork. The plans for the refreshment booth at Huntingdon Fair was discussed. Mrs. Burgess offered her home to make the necessary preparations. Cecil O'Connor, Rita Kerby and Rupert Hawley stated they were drawing up a resolution re State Grange dues and it would be forwarded to the proper authorities.

Demits were granted Andrew and Helen Macfarlane and Janie Salter. Art Goodfellow thanked the members for all the work they had put into the preparation for their 25th wedding anniversary. A letter was read from Anne Cameron thanking the Grange for the party they had taken in the July 1st celebrations at the C.C.C.

Janet Levers reported the Grange exhibit at Malone Fair had won third prize and Pomona Lecturer, Eunice Jones thanked all who had assisted with its preparation, also that in the July issue of the Pomona Lecturer's Journal, special mention had been made of the Neighbour Night programme which Maple Leaf had presented at Malone Grange earlier in the year.

The literary programme was interesting. As mentioned a month ago, Janet had spent a two-month vacation with Rosemary Cosgrove in Concord, California. Janet told us in detail about her holiday and had a series of colored slides which

was greatly enjoyed by all. She also had a number of postcards that showed many beautiful buildings, interiors of churches, etc. Charlotte Paul thanked the lecturer for her programme.

The members are reminded the election of officers will take place at the usual meeting night in September. Refreshments were served by the committee in charge at the close of the meeting.

JUST THIS — we've always known there were plenty of smart little chicks south of the border but this egg bearer really had something on the ball.

DRAPER PHOTO — new in Ormstown. (See advt.)

TAG DAY — Fair Days are Tag Days for the Huntingdon County Hospital. Any donation will be gratefully received. This Tag Day effort is being sponsored by the Ladies Auxiliary of the County Hospital and if perchance the girls miss you, please look them up.

AS REPORTED — in the Ormstown news columns a few weeks ago, Milton Evans suffered a severely injured arm while haying on his farm which is located between Ormstown and St. Antoine. We have since learned that Milton was released from the Royal Victoria Hospital, Montreal, last week. The accident occurred on August 8th when Evans' left arm was crushed between a swinging arm of his hay baler and the frame of the machine. His 11-year-old son Randy was with him at the time and the lad helped his father into a truck and drove to the next field where another son, 15-year-old Ricky, took over and drove his father to the house. Mrs. Evans then rushed her husband to the Barrie Memorial in Ormstown but after preliminary treatment there he was transferred to Montreal. The results of operations there are as yet uncertain. The arm was badly crushed and a stainless steel plate has been inserted as well as a steel cord running from the thumb up his arm to near the elbow. Three casts have already been applied and on September 3rd Milton returns to the Royal Victoria where stitches will be removed and a new cast put on. He was informed he would be unable to lift even a tea cup for three months.

UNFORTUNATELY — farm accidents appear to increase as new types of machinery are introduced. Farming today ranks high as a hazardous occupation. Nine-year-old Sylvia and her father were invited to ride their horses in a three-day rodeo next week in the Paul Sauvé Arena at Montreal but, as Milton explained, his accident cancels the engagement as well as their plans for entering their mounts at Huntingdon Fair. "Shows and fun are probably over now," mused Milton thoughtfully, quickly adding "But I'll certainly be pleased if the doctors save my arm and I can work again." As noted in the Cards of Thanks columns, friends of the family have helped out generously, including the balance of the haying.

C.C.C. FINALE — with Labor Day only five days away and schools opening next week, a water show of excellent calibre last evening (Tuesday) was held as the final event at the County Civic Centre swimming pool to which the public was invited. The poolside was crowded and many youngsters and adults stood outside the fence enclosure. Despite the chill, the swimmers put on a fine performance. The three-to-five beginners delighted the audience fully as much as the most advanced swimmers or the divers. Under the capable direction of Michel Blanchette every phase of method and instruction was depicted and the evening was most successful. (More next week).

THE HON. CLEMENT VINCENT — Quebec Minister of Agriculture and Colonization, will arrive at Hemmingford at two p.m. tomorrow (Thursday) where he will be the guest of Mr. and Mrs. Alister Somerville while touring points

LUSSIER FRERES AND TIGERS VICTORIOUS IN HUNTINGDON MINOR BASEBALL PLAY

With normal Huntingdon minor baseball play terminated Lussier Frères have emerged as the bantam leaders followed by Lazure et Frères, Roch Trepanier and Legion. The Tigers led their peewee division to cop the regular season crown. Second place in the peewee section went to the Lynx team, with the Ours and Lions in third and fourth spots.

The league will kick off a full slate of fair games with an all-star contest Thursday at 8:30 p.m. on the exhibition diamond. In the game, a squad of bantam league all-stars will meet the league leaders.

Each successive fair night will see games at 6 p.m. and 8:30 p.m. leading up to final games in the bantam and peewee divisions during the night of Sunday, August 31.

Another face has been added to the line-up of potential 'Miss Baseball' queens. Merlene Smith, a 16-year-old from Huntingdon will bring to four the number of girls competing for the crown. (Continued on page 4)

What's Ormstown Doing?

Two weekend accidents cost five car owners an average of \$800 each. A 1965 convertible driven by Mr. Daignault was speeding west on Church Street when it missed the turn onto Lampton. Several cars were parked in the lot near the Presbyterian Church, and the Daignault car plowed into two of them, one a 1966 model owned by Mrs. Gowdy, a patient at a nearby home, the other a 1960 model owned by Miss Steele. The speeding car came to a halt within inches of the brick wall of the old mill, the section now occupied by Wheat and Chaff. Estimated damage to the Steele car was \$400. To the Gowdy car damages were between \$800 and \$1000 and a like amount has been quoted on the Daignault car. Provincial police investigated. The accident occurred at 1.30 a.m. Sunday.

The second smash up, occurred at 11.40 a.m. Sunday at the same corner, when a 1968 car, owned by Noël Tremblay of Huntingdon and driven by Jean Michael Dupuis, also of Huntingdon, failed to make the turn at Church and Lambton, and collided head on with a 1967 sedan owned and driven by Leopold Giroux of Mercier. Damages to the Tremblay car were estimated at \$600, and to the other at \$400. Dupuis was driving without a licence. The accident was investigated by the town police.

MARRIED AT ORMSTOWN

Huber - McCartney Wedding

The marriage of Janet, daughter of Mr. and Mrs. Baird McCartney of Ormstown, to Mr. Kenneth William Huber, son of Mr. William Huber, and Mrs. Elsie Huber Kirsch, of Regina, Sask., took place July 19th, 1969 in St. Paul's United Church, Ormstown; Rev. A. E. Lorce officiating at the double ring ceremony. Mrs. Bill Lawrence played the wedding music and arrangements of mauve and white gladioli and shasta daisies were used to decorate the church.

The bride, who was given away by her father, was in a gown of silk organza delicately trimmed with Schifflattice lace and daisies, the A-line skirt falling into a chapel train. Her chapel length veil of French illusion edged in Venice lace and daisy trim was held by a silk organza Chanel bow with daisy appliqué and she carried a bouquet of miniature carnations centered with mauve orchid.

Miss Sharon Wile, as maid of honor and Miss Candy McCartney, sister of the bride, as bridesmaid, were in lilac gowns of chiffon and cotton fashioned on A-lines trimmed with mauve and white daisies. They wore matching bows in their hair, attached to shoulder length-nylon net veils, and carried bouquets of white and mauve carnations.

Mr. Roy Knipfell acted as best man for Mr. Huber and Mr. Ken Bradley, Mr. Dennis Webber and Mr. William Frost were ushers.

Mrs. McCartney, the bride's mother, was in an ensemble of rose silk knit with white accessories and wore a single white orchid corsage.

Mrs. E. Huber Kirsch, mother of the bridegroom, was in a blue lace ensemble with white accessories and wore a single white orchid corsage.

Mrs. M. Morris, grandmother of the bride was in a powder blue crepe ensemble with white accessories and wore a corsage of red roses.

Following the reception which was held at the Legion Hall, Ormstown, Mr. and Mrs. Huber left for Moose Jaw, Sask. where they will take up residence.

Out-of-town guests at the wedding were from England, Saskatchewan, Nova Scotia, Ontario and Montreal.

Those who entertained for the bride prior to her marriage were: Miss Carol White at a miscellaneous shower in Moose Jaw; Mr. and Mrs. Ulmer and Mr. and Mrs. John Kirsch at a presentation party in Regina and Mrs. Preston Nussey, Mrs. Edward Bryson and Mrs. Edward Conrad at a miscellaneous shower held at the home of Mrs. Preston Nussey in Ormstown.

ORMSTOWN

Janitors Termed Unsung Heroes Of High School

In the usual hustle and bustle of getting ready for school opening, teachers are frustrated before the big day arrives, because the computers have not poured out the schedules. The office staff is going crazy, trying to receive and tabulate books, pencils, pads, forms, etc. etc. Parents are wondering if the money will hold out for those new shoes and clothes, so badly needed for the offspring, who seemed to grow at least two sizes during the summer. The kids —

oh the kids — they can hardly wait to get back to those spanking clean class rooms. No one ever gives much thought to how those class rooms got so bright and shining, since janitor left his ugly marks last spring.

It is the maintenance crew which works hard all summer, while you and you are enjoying those warm balmy days. The crew that starts the day after everyone has left and begins to scrape gum off floors and remove questionable messages from walls and desks. They spend hours in the carpenter shop, renewing desk tops, which have literally been

ripped from their frames by prankish lads. They tour every nook and cranny finding odd socks, shoes, underthings, mitts, books and a hundred other articles left behind by the hordes of last year's students.

CVR's maintenance corps, under the able direction of Mr. Tom Breining, has completely renewed the 143,000 square feet of floors. "And," says Breining, "If you cannot comprehend how much floor space that is, just think of 143 bun-galows". Sixteen men worked at rebuilding offices, painting walls and redoing the entire building. They cleaned the 6,

000 square yards of carpet and waxed every inch of the two thousand lockers, inside and out.

Breining says that during the year, 50 or 60 mops and brooms are completely worn out. The rooms are done on a rotation plan with a four week cycle and at least two complete floor renewals, i.e. removal of wax and a re-wax and polish. The 143,000 square feet of floor space are kept in spotless condition with the use of two huge automatic cleaning machines, which scrub, rinse, dry, wax and polish. The beautiful Terrazzo floors at CVR are of a special composition, guaranteed for many years of hard wear.

Tom Breining is a perfectionist and has instilled that quality in his staff. He likes to give his "boys" full credit for all the work which has been done during the summer months and particularly mentioned the pride they have taken in a job well done.

CVR is certainly a place of cleanliness and beauty, those surroundings will surely be an incentive to all students and teachers as they enter the portals of that massive building next week. It has to be hats off to the Maintenance Crew of CVR.

Ormstown

Mrs. Margaret Graham and Mrs. Bea McGerrigle have returned from a three week vacation in England.

Mr. and Mrs. John Rennie spent the week-end with Mr. and Mrs. Wayne Dodds in Burlington, Ont.

Mr. Norman Kerr and Mr. Bill Blair attended the CNE in Toronto on the week-end.

Mr. and Mrs. Gerald Duncan have returned from a holiday in the Gaspé, where they visited with Mr. and Mrs. Leigh Coffin and family at the home of Mrs. Miller and with Miss Dorothy Phillips and Mr. and Mrs. Dugey at Port Daniel.

Farewell For Leigh Coffin

Members of the Ormstown Ecumenical Committee met on Sunday evening to bid farewell to Mr. Leigh Coffin who left on Tuesday, (August 26th) to take up residence with his family in Shawville, Que. Mr. Coffin has held several offices in his three years on the Ecumenical Committee. In his remarks to Leigh, Father Daignault expressed regret, but

reasoned that Ormstown's loss, will surely be Shawville's gain. Miss Jane Whitehead has returned home after spending a month at Lac L'Orignal, attending Camp Colline aux Nuages.

Mr. and Mrs. Louis Carufel and their three sons were luncheon and dinner guests at the home of her cousin, Margaret McBain, Ormstown.

EDITORIAL

Education Needs Goodwill

THAT time has rolled around all too quickly when teachers, parents and students should give some serious thought to the role they must play during the next ten months. From kindergarten to final leaving, life becomes a hodgepodge of contradictions for the children, a maze of nemes, friendly and unfriendly faces, classroom schedules and lost memos, for the teachers and a den of confusion for mother who constantly answers those foolish questions as to the location of last night's homework assignment, lost shoe lace, lunch pail and jacket.

This is the time to take stock of several things, such as how and why does the attitude of a child change from his very first day away from the safe confines of home until that great day when he alone will conquer the world... his graduation day.

Are parents going to add to their children's plans for a good and complete education by making little sacrifices? or does Johnny have to compete with mother's favourite soap opera, Dad's football and hockey programmes, sis's blaring rock and roll records, and the very young fry's squabbles, while he is trying to get his home work completed?

Are teachers going to come to the class room with a responsible attitude, with assignments well in hand, or are they going to struggle through until the period bell rings and impatiently wait for pay day? Are they going to teach because they are in the business for the good of humanity, or are they going to moan and groan about norms, work overload, time tables and salaries?

Are parents going to go along with administration or are they going to make things tough by objecting to Johnny being in that class with the stupid kid from down the street who got a low 50 in grade five while clever little Johnny got 90?

Is the Government going to co-operate by fulfilling its obligation with proper courses, financial aid, the protection of language rights or will the government insist on its right to be political?

Are those outsiders, the folks with no children in school, going to lend their support by attending school functions, by lending financial as well as moral support, or are they going to condemn youth and the entire educational system, mainly on the grounds that it is wasted on kids?

We cannot have Utopia, not yet, but if we all get behind the man in front of us and give him a gentle push and at the same time keep him from falling overboard, we shall be well on our way to that mystical state. We shall have helped to get our children on the road to becoming citizens with proper morals and design.

It is the sincere hope of students, teachers, parents and administrators that the year ending in June 1970 will not be a repetition of June 1969. It is the divine right of everyone to know where he wants to go and to be able to go there by his own devices, he must not be hampered by an incompetent teacher, administrator or government. It is the divine right of teachers, parents and government to be able to carry out their functions unhampered by uninhibited actions of youth in the name of education.

Editorial Notes..

Stamp Out Jaywalking

HUNTINGDON is probably one of the worst places on the map for jay walking.

Adults do it. Teenagers do it. The youngsters copy them and so everybody does it.

Now some towns and cities in Quebec Province, and most towns and cities in other provinces, have "cross walks." Expressly created to enable pedestrians to cross from one side of a street to another without endangering life and limb, they are usually painted yellow, are about the width of an ordinary sidewalk and are criss-crossed with designs similar to an 'X'. A person wishing to cross a street merely stands at the approach of the cross walk, holds his forearm in front of him and points to the other side. All traffic stops. Pedestrian reaches the other side safely and traffic resumes. Simple.

Now, why not the same thing in Huntingdon, Ormstown, Valleyfield, Hemmingford, Howick, Chateaugay? In fact, why not in Dewittville, Athelstan, Franklin and every other village, town and city? We say these cross walks should be wherever needed in the Chateaugay Valley. Only idiots persist in passing school buses with flashing lights now, pretty soon the bulk of motorists would respect cross walks, too.

If we're not in error, cross walks started in this land of ours in Toronto. They were little more than a bother for a long time. Now drivers automatically notice signs warning of approaching cross walks and only strangers from far away places ever disregard the conspicuous yellow lines.

Probably 99 per cent of the pedestrians in Ourtown cross Chateaugay St. whenever and wherever it's most convenient. Per capita, Huntingdon is as bad as Montreal and almost everyone is shame-

fully aware of what Torontonians, New Yorkers, Londoners, etc. think of the habits of pedestrians and motorists in Canada's greatest metropolis.

We don't say that such cross walks would mean so very much on Chateaugay St. in Huntingdon. We have areas to cross, designated by white lines, and few pay any attention to them. Certainly one doesn't have to fear being ticketed for jay walking when the police can't seem to stop habitual speeders on the main drag. Not only that, but some merchants would complain that cross walks would favor their competitors. No, we escape with few accidents in our business area each year considering the hazards, so we'll just count our blessings and hope to heaven we don't get run over ourselves or worst still, knock somebody else flatter than a pancake.

We have this, thought, however:

Other people from other towns and cities pass through Ourtown and they aren't all geared for our dodge 'em and leap 'em prowess. For their peace of mind (and everyone's safety) why can't we have the recognized standard for cross walks and overhanging cross walk signs (yellow and criss-crossed with X's like the bigger towns and cities) at the main intersections such as McCoy's and the Bank of Commerce? Another place would be the exit off Henderson St. to the new Ecole Polyvalente Arthur Pigeon and if this is done we'd also suggest the crossings in the close proximity of all schools. Bilingual cross-walk overhead signs would be a requisite as well of course.

A few gallons of paint, some signs and a considerable number of hours by Town Foreman Philbert Langevin's excellent crew would do it. Will it be done?

Before some youngster crossing the street is killed?

A Sign Of The Time

DOWN through the ages man has associated changes in the seasons, or passing in time, with corresponding changes in nature. This can be plant growth, wildlife activity, or natural phenomena. The Indians counted time in terms of moon cycles. The honk of the wild goose is a sure sign of coming spring in Canada. The commencement of a new season in Capistrano is proclaimed in song by the return of the swallows.

In our counties, nature provides us with a certain indication of the maturity of summer, and heralding the coming of colorful autumn. The apples are starting to redden and show on the trees. Occasional roadside stands offer them for sale, albeit somewhat green and hard at this date. But the signs are unmistakable. Summer will soon be on the wane, and Huntingdon County will be ready to yield one of its most valuable and delicious crops.

Only those engaged in the business know what complications and difficulties are involved to ultimately produce a full bodied red checked apple without blemish on the end of a healthy green branch. But these perfect specimens are being produced, and produced in quantity right here at home. There is a variety of them as well. The favourite McIntosh is joined by Delicious, Golden Delicious, Cortland, Lawfam and others.

As a connoisseur of apples, having sampled them from coast to coast in Canada and United States, we think some of our local products take second place to none. It is only our total volume produc-

tion that is less than other parts of the continent.

Some of the old favorites have fallen by the wayside. The early white apple varieties, which made such fine pies while still green and had to be eaten in a hurry during the hot summer as they did not keep, are becoming more scarce. How many young people suffered cramps and upset from filling on these too soon? Even the early Melba has now taken the firmness and appearance of later apples. One can remember the pleasure of biting into a well stored Russet during late winter, when it had just reached its peak of flavour and texture. Modern growing methods and cold storage facilities have replaced these old favorites with other varieties, and happily the new ones are just as exciting and tasty.

As one travels along Route 52 from Herdman to Hemmingford, the orchards are thick and lush, the trees heavily laden. The ground is well groomed and free from refuse. Dead or poor branches have been pruned. The ravages of last week's hail storm happily missed many growers, and cannot be noticed by the casual observer. The entire aspect is one of nature getting ready to burst at the seams, the weight of the fruit appearing ponderous and over abundant on the younger trees, some of whose branches will soon sag to the ground. It is a living tribute to the care and skill of our local growers, who have used the good forces of nature to the best advantage, and have successfully coped with her turbulent and destructive moments of caprice.

Watch Those Flashers

A new school term starts next week and because of it a few words of caution are in order. We in the Chateaugay Valley have been fortunate in the fact that very few accidents involving school buses have occurred in recent years and we believe we can safely attribute this to the prudence of the bus drivers and the motoring public alike. Let's hope that the 1969-70 school term will be blemish-free.

One step in achieving an accident-free school year is for motorists to remember that passing a school bus from either direction is illegal if the lights on the bus are flashing.

That may sound like old stuff and one's first reaction may well be "That's common knowledge, we don't have to be reminded." That may be and we trust you're right, but after all summer without that thought in mind it might be easy to forget for once and that once could possibly be the time a child runs straight into your car. You would be responsible, not the child, regardless of anything you might think or say.

Flashing lights that operate when school buses are slowing to a stop and while they are stationary are comparatively new. Most people around here remember more when ordinary stop lights were the vogue and more often than not when the bus came to a halt the driver took his foot off the brake and there wasn't a red light of any kind showing as the student left the bus.

Times have changed and for the better.

Bus operators today are trained and are safety conscious. One bus owner who had his vehicle in a local garage for a check last week told us he considers the flashing lights about the best safety precaution ever adopted. "Most car drivers stop when they see us flashing the lights. Those who don't either don't know any better or they're smart aleks trying to get away with something."

The fact is, the bus operators have the right to jot down the license numbers of the offenders and report the offence to the police. All too often, however, when the drivers see a car approaching and realize it isn't going to obey the law, their main concern is to stop the youngsters from going onto the road. They forget or haven't time to copy down numbers.

There will be more school buses than ever in Huntingdon starting next week. The same will apply to Ormstown and Valleyfield. Let's observe those rules about stopping when approaching a school bus with flashing lights and let's go a step further: be as courteous as possible to those school bus drivers. Give them the right of way whenever possible. Slow up if they're stopped at an intersection, wave them into their lane and let them get the kids to school. Those drivers have a real responsibility and any extra consideration we can show will be appreciated.

Keep in mind, too, that more children will be crossing the streets. "School zone" means exercise extreme caution. Do that and play safe.

Huntingdon Locals

Mr. and Mrs. George Laurin and Gerald Belleville, Ont. were weekend guests at the homes of Mr. and Mrs. Arthur Monique and family. Mr. and Mrs. H. Hudson and Mr. and Mrs. Kenneth Marshall, Master Gordon Laurin returned home after having spent two weeks with the Arthur Monique family.

Mrs. Elizabeth Donnelly and daughter Mary of Hamilton, Ont. visited at the home of Mrs. Mary Myre on Wednesday afternoon. Mrs. Mulvena Brooks of Syracuse, N.Y. called on Saturday and Sunday visitors were Mr. and Mrs. Bill Sheehan of Saranac Lake.

Callers at the home of Mrs. M. Darragh last Wednesday were Mrs. Grace Dottie and son Vance, and Mr. Paul Murray of Sault Ste. Marie, Ont. and Miss Ann Sparrow.

Mr. and Mrs. Everett Trembley attended the Rusford wedding in Chateaugay N.Y. on Saturday.

Mr. and Mrs. Bill Robb, Glen and Duncan of Willowdale, Ont. spent the weekend at the home of Mr. and Mrs. A. G. Robb.

Mrs. Chas. Boire of Moores, N.Y. spent the weekend at the home of her brother-in-law, and sister, Mr. and Mrs. Martin Beattie.

Mr. and Mrs. Jos. Knowles, Mrs. Lillian Ditty of Northfield, Vt. Mr. and Mrs. Orick Thurston and baby of Vancouver, B.C. Mrs. Pearl McNeill of Maryland, Que. and Mr. and Mrs. Lionel Arthur and family of Dorval spent the past weekend at the home of Mr. and Mrs. Wilber Arthur. Guests the previous weekend at the same home were Mr. and Mrs. Alvin Arthur and family of Ottawa and Mr. and Mrs. Gerald Rowat and family of Howick.

Albert Bossi sank a hole in one at the Trout River Golf Club last weekend. Mr. Bossi watched his ball hop into the cup after teeing off for the 190-yard number eight hole with a two iron.

Recent visitors at the home of Mrs. Ada McCartney, were her nephew Mr. Charles Patton and family, and niece, Mrs. Myrtle Derbridge, all of Montreal.

Next event on the fall calendar of the Chateaugay Valley Historical Society is expected to be a corn roast get-together. It is tentatively scheduled for Sept. 20 at Maple Gardens.

Recent visitors at the home of Mr. and Mrs. George Colom were Mrs. Bernard Colom of Syracuse, N.Y. Sister Joanne Fallon of Washington, Mrs. Anna Callahan and Miss Edith Hughes of Malone N.Y. Mr. and Mrs. Roger O'Dell and sons of Granville, N.Y. and Brother Elmer Fallon of Rigaud, Quebec.

Do you want to buy, sell or trade? If so, make full use of The Gleaner's reasonable classified ad rates.

Agriculture Minister

(Continued from page 1)
Agronomer J. D. Lalonde said Saturday's 4-H competition will see new sections of beef and pigs added to last year's roster.

Sunday's racing program will be double the size of 1968 said racing committee co-director Mr. F. Lalonde. This year, 30 horses will be competing in 10 races with entrants coming from places as widely separated as Ottawa and Malone.

This and That in Town

(Continued from page 1)
of interest prior to his arrival in Huntingdon to officially open the '69 Huntingdon Fair in the evening. (See from page 1)erary.

JUST THIS — the resurfacing of the Front Ridge is appreciated by all who use this busy thoroughfare.

VALLEYFIELD — one of this City's oldest and best known business houses, McDonald & Robb Ltd., is closing under present ownership within a few days. Details next week.

SUGAR AND SPICE by Bill Smiley

It's been a rough summer for every way. Has two daughters, one a fine, steady girl, the other a young rip. Why?

And everywhere you see them on the highways, dirty, bearded, long-haired. Hitch-hiking from nowhere to nowhere.

Some of them cluster in "communes" in the big cities. A commune is usually a falling-down house in a slum area. It has a kitchen of sorts, a toilet that works occasionally, and the rest of the floor space is covered by mattresses and sleeping-bags.

Theoretically, everyone contributes for food, rent and chores. In reality, there are usually two or three working and the rest just drift in and out like alley cats. This produces personality clashes and has a very unhealthy psychological atmosphere. Add drugs to this boar's nest and you have some pretty sick young people.

They claim they're opting out of a sick society. Work is a dirty word. They are meditating, seeking a higher spiritual life. There's a lot of talk about vibrations and Buddha and pure love for everyone. All this in a pig-pen?

The young people are rather pathetic, but I grieve more for their parents, who simply don't know how to cope with a way of thinking and living so alien to their own. They are loving, frustrated and helpless.

And I save a little pity for myself. Got a letter from my daughter, from Montreal, telling me cheerfully that she had one cent. Wired her some money yesterday. Got a collect call this morning, saying she couldn't cash it because she had no proof of identity. Phoned the Montreal telegraph office, told them it was OK to cash it. No can do. Confirmation had to come from our local wire office. Called them, got off a wire and presumably she cashed in, as she hasn't called back yet.

So, the original bite, plus two wires, plus two long-distance calls to Montreal. Should all kids, at birth, be placed out on a lonely hillside for the shepherds to adopt? We might be flooded with shepherd's pie, but it would certainly make life a lot simpler.

The lady is a good mother, in Toronto Telegram Syndicate

Card of Thanks

My sincere thanks to Dr. Thompson, Dr. McCallum and the nurses and staff of the second floor, Barrie Memorial Hospital, and to Dr. McCrimmon of Huntingdon for their kindness and good care I received while a patient there. I also wish to thank my neighbours, friends and relatives for their visits and flowers. A special word to the members of the Ladies' Dutch Club for the card and gift received. All was much appreciated. Mrs. Gordon Small

I would like to express my sincere thanks to all my friends for cards and phone calls while I was a patient in The Royal Victoria Hospital. A very special thank you to our friends and neighbours who turned out in great number and finished our haying. We thank you from the bottom of our hearts. Milton and Ruth Evans

I would like to thank Dr. McCrimmon and the nursing staff of the Huntingdon County Hospital for the excellent care I received as a patient: a special thanks for flowers from Rennie's U.C.W.; also phone calls, visits and gifts from my friends and relatives. Jean Furey

Sincere thanks to Dr. McCallum, nurses and staff of the 2nd floor of the Barrie Memorial Hospital for their excellent care and kindness to me while I was in hospital with a broken arm. Also to my room mates for making it more pleasant for me. Thanks to relatives and neighbours for cards, visits and gifts. Carol Leayman

My sincere thanks to all my friends and relatives who remembered me with flowers, cards, letters, gifts and phone calls during my stay in the Montreal General Hospital, and since my return home. They were greatly appreciated. Mrs. C. P. MacDonald

My sincere thanks to Dr. McCrimmon and the nursing staff of the Huntingdon County Hospital for the care I received while a patient there. Thanks also to friends and relatives for cards, visits and well wishes. All was much appreciated. Earl Pringle

I wish to express my sincere thanks to all my neighbours for putting in my hay while I was laid up. All was most sincerely appreciated. Earl Pringle

I wish to express my sincere thanks to Dr. James Shannon and associate doctors, 19th floor, Montreal General Hospital, for the very efficient treatment which I received during my stay in hospital, also to the nurses and staff, many thanks for their wonderful care; to the many kind friends, relatives and neighbours for flowers, visits, etc., and for their thoughtfulness in sending get well cards which I received during my hospitalization. All was very much appreciated. Estella M. Sharpe

We would like to express our sincere thanks to our family, relatives and friends for giving us such a lovely party on our 50th Anniversary. We also want to thank everyone for cards and gifts, also gifts of money. All was very much appreciated. Willie and Audrey Stacey

In Memoriam

COOKMAN — In loving memory of a dear mother and grandmother, Jessie, who entered into rest on August 29, 1968. Always remembered by Her family

BROGAN — In memory of a dear mother and grandmother, Mrs. John P. Brogan who passed away September 1st, 1968.

"No longer here our lives to share, But in our hearts forever there." Sadly missed and longed for Daughter Stella and grandsons John, James and Hubert Atkinson

Lussier Freres

(Continued from Page 2)
Capping the season will be a dinner at 6 p.m. September 27 in L'Ecole Arthur Pigeon. Distribution of trophies and crowning of the queen will take place then.

The proceeds of the 25 cent tickets being sold by the queen candidates and their helpers will go to wipe out the league's current \$500 debt. The league executive have announced plans to take all players to a September 21st's Expos and the Philadelphia Phillies.

Both tickets and transportation will be provided free of charge. Buses will leave from the Chateau in Huntingdon at 11 a.m. and return from Montreal at 6 p.m.

ENGAGEMENTS BIRTHS ANNOUNCEMENTS MARRIAGE NOTICES

BERGEVIN-MYERS — The marriage of Eva Sheila, daughter of Mrs. Myers and the late Mr. John E. Myers to Claude, son of Mrs. Bergevin and the late Mr. Alex Bergevin, all of Huntingdon, Quebec, was solemnized at The Little Chapel, Port Lewis, Quebec, on July 5th, 1969. Officiating was Reverend Father Alfred Bourcier, uncle of the groom.

Engagement

Mr. and Mrs. Albert Chapman of Huntingdon, Que., announce the engagement of their daughter, Judith Lynn to Mr. Alexander Kristian Dear, son of Mrs. Harold Steele of Rockburn, Que.

Mr. and Mrs. Albert Chapman of Huntingdon, Que., announce the engagement of their daughter, Peggy Lee, to Mr. Lawrence Austin Murray, son of Mr. and Mrs. Austin Murray of Huntingdon, Que.

The engagement is announced of Wendy Ann Carson, daughter of Mrs. John Rushford of Chateaugay, N.Y. and of the late Ross Carson of Rockburn, to Mr. Gerald Farquhar, son of Mrs. Greta Farquhar of Rockburn and of the late Alton Farquhar. The wedding has been arranged to take place on September 27 in Rockburn Presbyterian Church.

Mr. and Mrs. Harry Scott of Dewittville, announce the engagement of their daughter, Charmian Patricia, to Mr. Ralph A. Spear, son of Mr. and Mrs. Alfred A. Spear, of Lachine. The marriage has been arranged to take place Saturday, November 8 in Huntingdon United Church.

Dawe - Allen Wedding

The marriage of Gail-Allen, Mrs. Dawe, mother of the daughter of Mr. and Mrs. Kenneth Allen of Aubrey, and Mrs. Ross David Dawe son of Mr. and Mrs. Walter Dawe of Verdun took place on Aug. 9th at 3 o'clock in Riverfield Presbyterian Church.

Rev. William Brown performed the double ring ceremony and sang, "The Lord's Prayer" before the ceremony and "I'll Walk Beside You" during the signing of the register. Mrs. M. Logan organist, played the wedding music. Standards of white and yellow gladioli decorated the front of the church, and the guest pews were marked by large white bows.

The bride, given in marriage by her father, wore a long-sleeved formal length gown of white peau-de-soi and organza with detachable chapel train. Cotton lace covered the fitted bodice and small Juliette headpiece which held the shoulder-length veil of tulle illusion. She carried a white wicker basket filled with white and yellow daisies.

Miss Wendy Allen, sister of the bride was maid of honor. Miss Janet Maddeux and Miss Pat Hollett, friends of the bride acted as bridesmaids. They wore similar ribbed cotton with long organza sleeves, trimmed with green velvet ribbon at the empire waistline. They wore daisies in their hair and carried naturally colored wicker baskets of mixed summer flowers.

Mr. Wayne Dawe, brother of the groom acted as best man while Mr. Donald Allen, brother of the bride and Mr. Bruce Dawe, brother of the groom served as ushers. They wore white dinner jackets with yellow boutonnieres.

Mrs. Allen, mother of the bride wore a gold colored dub silk knit dress with matching jacket and accessories, complemented by a mint green hat and carnation corsage.

The reception was held at the Riverfield Curling Club. The head table was centered with a three tier wedding cake and white candles. Fragrant sweet peas and yellow candles were used to decorate the other tables.

Following the reception the wedding guests gathered at the home of the bride to watch the happy couple leave for a honeymoon in the Adirondacks. The bride travelled in a brown and white cotton dress with white accessories and a corsage of yellow daisies.

They will reside in La Salle. Previous to her marriage, Miss Allen was the guest of honour at several showers. The first one, at Verdun, given by the bridesmaids Miss Janet Maddeux and Miss Pat Hollett, included a Coronet Stainless Steel Set and other fine gifts for the kitchen.

A lovely miscellaneous shower was given by Mrs. Leslie Orr and Mrs. Gordon Easton at the latter's home, when they entertained the bride's neighbors.

Mrs. Du Vall and Miss Ella Bedford, of Verdun, aunts of the groom, gave a splendid kitchen shower at the home of Mrs. Walter Dawe. Many fine gifts of telfon were given and a variety of kitchen ware in avocado green.

On a fourth occasion, given at the home of Mrs. Clarence Forrester, assisted by Mrs. Merrill Forrester and Mrs. Howard McLean, the guests were aunts and cousins of the bride. A presentation was made of a beautiful set of dishes, an electric broom and electric tooth brushes, pillows and a white chenille bedspread.

MACDONALD COLLEGE WILL HOLD OPEN HOUSE FOR FARM AREA SEPTEMBER 9-10

On two consecutive days in Center and at the main points September, Macdonald College of interest, guides will give will welcome visitors to its Farm details on the crops, livestock, area by holding identical "Open House" programs. An information Center will be set up in the main barn area of the farm. In addition to the tours, visitors will find displays presenting as well as the farm fields of the Agronomy, Animal will open to visitors. Tours of Science, Engineering and Soil the Farm will leave the Farm Science Departments.

Riverfield W.M.S. Marks 60 Years of Continuous Meetings

On Wednesday afternoon at 2:30 a large group of ladies from Huntingdon, Ormstown, Georgetown, Howick, Beauharnois, Beechridge and Montreal met in Riverfield church to celebrate 60 years of the Women's Missionary Society. The guests were met at the door by Mrs. Finlay Milne and Mrs. Donald Black.

Mrs. G. A. Roy welcomed all the ladies, giving special mention to Mrs. Margaret Stewart who has been an active member since 1909. Mrs. Roy presented a new guest book to the Church from the ladies of the church in memory of those who started this work and have been called to their eternal rest.

Hymn 586 was then sung, followed by devotions by Mrs. Wallace Craig. The offering was received by Mrs. Hiram Redick and Mrs. Wm. Allen, and offertory prayer by Mrs. Wallace Craig.

Mrs. Wm. Brown introduced guest speakers Mrs. Marge Allen and Miss Lois Cooke from Tyndale Neighbourhood House. Mrs. Allen and Miss Cooke, in a conversational manner, gave a vision for the Inter-City Ministry in Little Burgundy. They told of the pre-school education playing an important role in the personal development of the child. Teen groups are helped to build individual and group

The Engineering Department will use the livestock judging arena to display forage equipment and forage handling methods.

The Agronomy Department has specially designed plots to demonstrate field crop practices and as well as a display on Corn Production Practices.

The Animal Science Department displays will feature the Dairy Herd Analysis Service and the Feed and Forage Testing Service. All 18 D.H.A.S. Field Supervisors are expected to be present to greet subscribers who now number over 1,200 in Quebec alone.

What's Ormstown Doing?

(Continued from page 3)

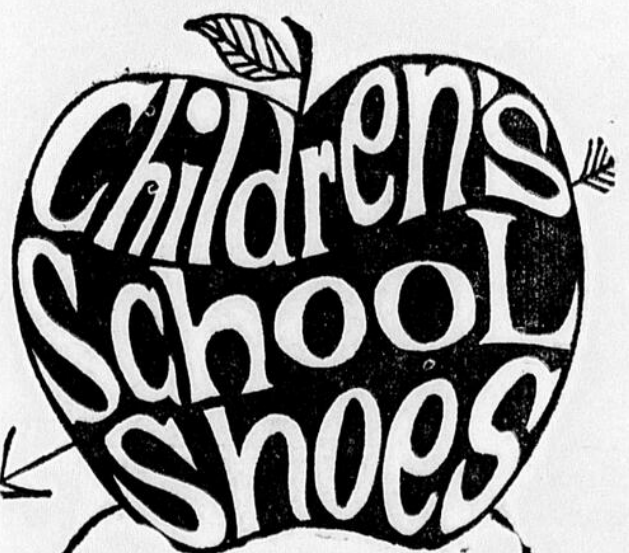

✓ This coming Saturday is the night of the "Big Do" as the beginning of the Ormstown Legion's fall and winter Saturday Night programmes. Yvonne will be there to entertain with music on the electronic organ.

✓ Congratulations to our man Bill White who made a hole in one on the golf course the other day.

✓ We have had a call regarding our report on the work being done on the old Presbyterian cemetery in Ormstown. It is believed that one of the first settlers in the area was Major Lindsay who built his home on the river road in 1825, possibly on the land owned by Merrill Lindsay or, another source says, on the property now owned by Thomas Rice. Another first settler, who left three relatives buried in the old cemetery was one Andrew Spedon (?) who owned and published the first newspaper in the area called The New Dominion. Does anyone have a copy?

✓ We have been studying reports of Charity Drives or appeals and a report in a Montreal Newspaper says that 80% of the ten million dollars collected last year went for administration. Are there 5000 families in greater Montreal in need of relief? If so let's give each family \$2000, in bi-monthly payments and do away with spending \$8,000,000 on administration. Durrill said, "The mind does nothing, the effort does everything."

✓ And we like this one from actor Ray Miland, "Poverty and slums don't make people, People make poverty and slums."

CUT TUBE PRICE

Canadian manufacturers of television and radio receiving tubes are slashing prices in an effort to meet inroads made by Japanese-made tubes in the replacement market. The Financial Post reports. Philips Electron Devices has announced a 12.6% average reduction on the 10 most frequently used tubes. The four other major replacement tube suppliers in Canada are also issuing new price lists.

Dundee

Miss Ruth DeLand of Fredonia, N.Y., and Miss Laura G. King of Medina, N.Y., are visiting at the home of Mrs. W. D. Fraser and Miss Doris Fraser for a few days.

The Japanese tubes sell at wholesale for about 25% less than comparable Canadian-made tube but, in many cases, consumers are paying the same price for them.

H'don Swimmers Show Skills

Fifty student and expert swimmers splashed through a two hour water show before a poolside crowd of several hundred at the County Civic Centre pool in Huntingdon Tuesday evening.

As chief instructor Michel Blanchet announced events, area youngsters displayed skills picked up in a season of swimming instruction at the pool.

Children ranging upward in age from three-year-old Robin Myre of Huntingdon took part in the show. Races, diving displays and synchronized swimming were watched by spectators standing both inside and outside the pool fence.

The 25 metre race was won by Jean Luc Tremblay in a time of 19.2 seconds. Trailing him were Alain Thibault, Hugh French and Serge Picard. Winner of the 50 metre race was Luc Ringuette in 37 seconds. Runners-up were Denis Guerette, André Dorais and

John Arnold. The practical aspect of swimming instruction was illustrated by a life saving demonstration put on by four members of the pool's Bronze Medallion class.

Rounding out the evening was a three minute water ballet by four of the pool instructors. Janet Evans, Nina Caldwell, Helen Anderson and Janice Goodall floated through their stylized routine after having devoted five days of practice to perfecting it.

SPECIAL BIBLES FOR THE BLIND

474 volumes of Braille and 4,942 recordings of Scripture were distributed free of charge to those Canadians who because of blindness cannot read ordinary editions of the Scriptures. A Braille Bible which has 18 volumes costs \$75, while the Bible on 67 records costs \$50.00.

Canadian Deaths By Accident Record First Drop In Decade

There was a drop in the number of fatal accidents in Canada in 1968 compared to the previous year for the first time since 1960.

Accidental deaths totalled 11,493 in 1968 compared to 11,596 in 1967 and the accidental death rate per 100,000 population dropped from 56.8 to 55.4 in the same period.

These figures were supplied by the Canada Safety Council in co-operation with the Dominion Bureau of Statistics, Vital Statistics section.

Traffic remained by far the main cause of accidental deaths, accounting for 5,375 fatalities or 46.8 per cent of the total. The 1967 figures was 5,412.

The other leading causes of accidental deaths were falls, 1,713 compared to 1,711 in 1967, drownings, 1,087 compared to 1,200 in 1967; fire and explosions, 682 compared to 729 in 1967; poisonings, 593 compared to 484 in 1967 and suffocations, 534 compared to 560 in 1967.

Of all non-transport accidental deaths, 2,305 or 40.1 per cent occurred in the home.

The ratio of male accidental deaths to those of females remained at about five to two, 8,148 compared to 3,345.

The death rate per 100,000 population varied widely within the country, from 45.4 per cent in Newfoundland to 167.7 in the Northwest Territories.

The figures for the other provinces were 78.2 in Prince Edward Island; 62.4 in Nova Scotia; 67.6 in New Brunswick, 51.3 in Quebec; 51.4 in Ontario; 52.7 in Manitoba; 62.1 in Saskatchewan; 58.1 in Alberta; 70.6 in British Columbia and 146.7 in the Yukon.

For purposes of comparison, these figures in 1967 were: Nfld. 53.2 P.E.I. 78.9; N.S. 70.5; N.B. 65.8; Que. 52.8; Ont. 52.7; Man. 58.5; Sask. 63.6; Alta. 57.4; B.C. 69.5; Yukon 106.7; and N.W.T. 141.4.

65.8; Que. 52.8; Ont. 52.7; Man. 58.5; Sask. 63.6; Alta. 57.4; B.C. 69.5; Yukon 106.7; and N.W.T. 141.4.

Traffic fatality breakdowns show that 39 per cent of the deaths occurred in multiple car crashes; 24 per cent were pedestrians and running off the road accounted for 21 per cent. Of the 1,289 pedestrian deaths, 39.4 per cent were under the age of 15 and 30 per cent over the age of 55.

The potential benefits to be derived from quitting smoking place it a level of importance in preventive medicine with pasteurization of milk, the purification and chlorination of water, and immunization, says the Canadian Medical Association.

The Institute notes that the increase is due in part to an increase in the volume of cotton and man-made blends being shipped which are classified as man-made fabrics.

FABRIC YARDS UP

Canadian textile mills shipped more fabrics of man-made fibre during June than in the corresponding month of last year, Canadian Textiles Institute reported today.

June shipments totalled 19,953,000 square yards this year, compared to 17,803,000 last year. Cumulative total for the first half of this year was 124,094,000 square yards, up from 115,283,000 a year ago.

The Institute notes that the increase is due in part to an increase in the volume of cotton and man-made blends being shipped which are classified as man-made fabrics.

The request was from the Geological Survey of Canada whose scientists are among those selected to receive a sample of the moon soil for study.

The sample, like the rest of the lunar material brought back by the astronauts, currently is in quarantine at the space center at Houston, Texas.

MOON ROCK

The feat of U.S. astronauts Armstrong and Aldrin, the first earthlings to set foot on the moon, has led indirectly to the first request of its kind to be received by the Canada Department of Agriculture's Plant Protection Division — a request for clearance to bring into Canada some of the lunar soil brought back by the spacemen.

ST. CHRYSOSTOME WOMAN DIES AT 89

Mrs. Wilfrid Payant, 89, died recently at Barrie Memorial Hospital after a few weeks illness.

Mrs. Payant was a life long resident of Russellton. At the time of her death she was residing with her son Lionel and his wife and family, Born Flora Laroche, she was predeceased four years ago by her husband.

Mrs. Payant is survived by: Mrs. Walter Smith (daughter) and Mr. W. Smith of Hemmingford; Mr. and Mrs. Romeo Payant of Huntingdon; Reverend Father Roma Payant, O.M.I. of Ville Marie; Mr. and Mrs. Lionel Payant, brother Huldge Laroche of Ste. Rose; brother-in-law Armand Payant and Miss R. Viau of St. Chrysostome, nephew Oswald Payant, home on turlough from Africa.

Funeral was in St. Chrysostome parochial church. Rev. Father Roma Payant officiated assisted by Rev. Oswald Payant and Rev. Ivanhoe Poirier, with Mgr. H. Aganier present as well as eleven other priests friends of the family.

Rev. Oswald Payant spoke a few fitting words recalling what a wonderful mother the late Mrs. Payant had been - words which brought back happy memories to friends who had known her cordial hospitality.

Two grandsons led the mourners Guy Payant, and Gerald Smith.

Bearers were neighbors and Rai and Angelbert Payant, Simon Turcot, Fernand Henderson, Reginald Boudreau and Guy Provost.

The many visitors, beautiful flowers, Mass offerings and other marks of sympathy attested to the esteem for the deceased. The remains were laid to rest in the family plot of St. Chrysostome Cemetery.

Much sympathy goes to the Smith and Payant families in their bereavement. Paul and Aldo Laroche of Ste. Therese, Hildge Laroche, Mr. and Mrs. Vanier, Lawrence Laroche of Ste. Rose, Mr. and Mrs. Albert Payant Mr. and Mrs. Jerome Primeau of Montreal, Mrs. Roland Chevrete, Mrs. Raoul Chevrete and son Mrs. Paul Gagne, Mrs. Georges Beaudin, Mr. and Mrs. N. April of Ste. Martine, Mr. and Mrs. Real Germain from Candiac, Gaston Payant of Granby Mr. and Mrs. M. Brosseau of Laprairie, Mr. and Mrs. Gerald Smith of Hemmingford, and P. Benoit of Lacolle were in St. Chrysostome owing to the death of Mrs. W. Payant.

Mr. and Mrs. Simon Rebette of Montreal have been recent guests of Mr. and Mrs. Damien Machabee. Rev. Sister Annette Beaudin, home from Africa, has been enjoying a visit to her sister, Mrs. Guite and family at Perce in Gaspé. She visited Mr. and Mrs. W. Laberge prior to going to the White Sisters Convent at Quebec for a few weeks.

Michel and Benoit Couture from Sherrington spent the week-end with their cousin Denis Guay. Louise Guay is enjoying a holiday with the Couture family. Mr. Thomas Murray visited in Sherrington calling on Mr. and Mrs. Arnold Murray and family - Marc Murrays Coutures and N. Roberts.

Mr. and Mrs. Ernest Bourdeau, Mr. and Mrs. Gontran Bourdeau, Mr. and Mrs. Roger Lefort motored to Longueuil Sunday, to pay their last respects to their cousin André Richer aged 44, manager of personnel at Maisonneuve Garage, who passed away suddenly. Much sympathy goes to his be-

reaved wife and family.

Mrs. Aime Lefort of Laprairie has been visiting Mr. and Mrs. Roch Bourdeau and family.

Mr. and Mrs. Arthur Gingras of Verdun visited friends in this locality on Sunday.

Recently married at St. Chrysostome were Fleurette Deneault only daughter of Mr. and Mrs. Zephyr Deneault to Pierre son

of Mr. and Mrs. C. Rochefort. After the religious ceremony a grand reception was held at the Napierville Motel. Mr. and Mrs. Rochefort leaving later by plane for Bermuda. On their return they will take up residence in their newly built home in St. Chrysostome.

Best wishes for your future happiness Fleurette and Pierre.

NATIONAL HOCKEY LEAGUE CONTRACTS FOR TV IN U.S.

The CBS Television Network and the National Hockey League have entered into a new one-year contract giving the network broadcast rights to an NHL Game of the Week during the 1969-70 season as well as the first negotiation rights to the broadcast of any international games that may be scheduled between the NHL and foreign hockey powers, such as Russia, Czechoslovakia and Sweden.

The announcement was made jointly by William C. MacPhail, vice-president, CBS Television Sports, and Jack Bent Cooke, owner of the Los Angeles Kings hockey team and chairman of the NHL's television committee.

The network said it plans to broadcast one NHL game each Sunday afternoon for a minimum of 13 weeks, starting in early January, plus a game each Sunday afternoon during the Stanley Cup Playoffs.

MacPhail said, "We are happy to have reached this agreement with the National Hockey League. We enter a new broadcast season with a great deal of anticipation. Hockey is booming in the U.S. We feel the impact of the NHL's expansion two seasons ago from six to 12 teams is just now starting to take hold. Attendance was up in every NHL arena, reaching a new record last year of approximately 6,000,000 spectators. We expect that growth to continue."

Cooke stated, "We are getting close to scheduling international games. And to televise such a hockey game around the world would have to rank as one of the most exciting sports events ever broadcast. I think the broadcast of a game between the NHL and Russia, for example, would reach the greatest worldwide sports audience in the history of television."

During the 1969-70 season the National Hockey League will again operate with 12 teams divided into two divisions. The East Division is made up of

the Montreal Canadiens, Stanley Cup champions the past two seasons, Boston Bruins, New York Rangers, Toronto Maple Leafs, Chicago Black Hawks and Detroit Red Wings. The six West Division teams are St. Louis Blues, Los Angeles Kings, Oakland Seals, Philadelphia Flyers, Minnesota North Stars and Pittsburgh Penguins.

Sunny Problems

Too much sun may cause heat sickness? It can vary from the milder form of heat cramps to more severe heat exhaustion or heat stroke. Susceptibility to heat sickness is increased by such factors as old age, fatigue, overweight, heart and circulatory disease, digestive disorders, general ill health and lack of acclimatization to heat.

Whenever you can think of it, pull in your stomach (tighten your shoulders and back muscles. It's good for you and you'll look better too, says the federal health department.

The federal health department cautions that plastic bags, such as those used on dry cleaning, should be kept away from babies and children. The best plan is to throw them away immediately. It is not safe to use thin plastic to cover a mattress. It clings to the baby's nose and mouth and can cause smothering.

QUEBEC PENSIONS UPPED NEXT YEAR

The Quebec Pension Board has announced all retirement pensions, and all widows', orphans' and disabled widowers' pensions being paid at the end of 1969 will be up 2% in 1970.

Widows' and disabled widowers' pensions are comprised of a flat rate amount, to rise from \$26.01 to \$26.53 monthly, and an amount based on the contributor's retirement pension which will also be increased. The orphan's pension, now \$26.01 per month, will be \$26.53 next year.

W.C.T.U. In Huntingdon Deplores Drug Abuse

Huntingdon W.C.T.U. met on Thursday, August 21st at the home of Mrs. Marion Coulter, with 12 ladies present. The president, Mrs. William Todd, conducted the devotional exercises. The main item of business was making arrangements for the W.C.T.U. booth at Huntingdon Fair. The study programme consisted of readings from the magazine "Listen," which brought before us the evils of the use of the drug marijuana, which is making such inroads on the health and morals of the youth today.

We must educate our youth on the harmful effects brought about by the use of marijuana, or "pot," which leads to even more deadly drugs. We must show them that a happy, successful life can be theirs by their own efforts, without the use of drugs. Following the close of meeting refreshments were served by the hostess, and a social time enjoyed. The September meeting will be at the home of Mrs. Wm. Todd.

Dewittville

Recent guests at the home of Mr. and Mrs. Angus McNaughton were: Mrs. Garth Coffin of Storrs, Conn., Mrs. Dave Kie, Mrs. Bertha MacCracken, and Mrs. Anne Perry of Toronto, Mr. Bradley and Richey Arthur of Chelsea, Que., Miss Heather McCaig of Norval, Ont., Mr. and Mrs. Russel Flemming, Karen and Janet of Lafayette, Indiana, Mr. Milton Hooker of Préville, Que., and Mrs. Grace McCracken of Potsdam, N.Y.

The maximum death benefit will be \$50 in 1970 instead of the present \$20.

QUEBEC INCREASES FARM LOAN LIMITS

The ceiling on loans and mortgages available to Quebec farmers was lifted August 15 by the Quebec legislature.

An amendment to the Farm Credit Act raised the maximum amount to a mortgage loan which the Quebec Farm Credit Bureau may grant from \$15,000 to \$25,000, or up to 90% of the mortgageable value of an economic farm operated by any farmer between 21 and 40 years of age (or by joint borrowers, one of whom is in that age group) or by farmers who enlarge their farms or carry out improvement programmes. Previously the ceiling was set at 80% except in the case of settlement loans.

The ceiling on loans granted by the Bureau is still maintained at 2 1/2%, leaving the interest payable on the remainder to be set by regulation.

A second amendment raised the maximum of loans granted by chartered banks and credit unions and eligible for the government's guarantee and 3 per cent interest rebate, from \$7,000 to \$10,000, and also increased the repayment period of such loans to ten years in cases where it was previously five.

The benefits of both amendments have been extended to farming corporations and partnerships and, on certain conditions, tenant farmers may now take advantage of the Farm Improvement Act.

CANADIAN RABIES

Confirmed cases of rabid animals numbered 771 in Canada during the April 1 to July 31 period, reports the Canada Department of Agriculture's Health of Animals Branch. This compares with 507 cases diagnosed during the same period last year.

Ontario had the most cases - 622. Quebec had 81, Manitoba, 28, Saskatchewan, 20, and the Northwest Territories, one.

Ormstown

Weekend visitors at the home of Mr. and Mrs. Thomas Leayman were Mrs. J. P. Sovinski Mr. and Mrs. Walter Raykovich, Mark, Scott and Eric, all of Union City, New Jersey. Saturday night Mrs. J. A. Farquhar and Mr. George Caza were also supper guests. At about 7.30 p.m. Carol Leayman met with an unfortunate accident when she fell over a toy car in the yard and fractured her left arm just below the elbow. She was taken to the Barrie Memorial Hospital where Dr. McCallum set the bones and placed a cast on her arm. She was hospitalized for 3 days, and is now home and resting as comfortably as possible.

SPECIAL SUNOCO INSURANCE PLAN
ON PARTS OF YOUR HEATING SYSTEM
your Sunoco Heating Oil Distributor, hereby offers for the sum of \$13.95 to replace or repair any of the parts listed herein of your domestic automatic heating equipment fired by a powered oil burner located at the address shown on your acceptance card, that become defective during the period of one year from the date of your acceptance of this offer.
The Distributor shall be the sole judge of whether a part should be replaced or repaired and of whether a new or rebuilt part should be used.
This offer applies only to parts which must be replaced or repaired through failure due to normal usage and does not apply to parts which must be replaced or repaired for any other reason.
This offer shall not be binding upon the Distributor until you have signed and returned the attached acceptance card and the Distributor has satisfied itself that such equipment is not below its minimum standards. If, after examination, the Distributor concludes that your oil heating equipment is below its minimum standards, it may decline your acceptance of this offer by sending notice to you and refunding any moneys paid hereunder.
The Distributor's obligations under the Plan shall automatically terminate if fuel other than Sunoco Heating Oil as provided by the Distributor is used in your oil heating equipment and all moneys paid here-

under may be retained by the Distributor as liquidated damages.
The Distributor shall not be liable for any failure to perform its obligations under the Plan due to any cause beyond its reasonable control and, in any event, shall not be liable for any secondary or consequential damages resulting from any failure to perform such obligations.
This offer covers replacement or repair of the following parts:
inside oil storage tank and lines • oil filter cartridge and housing • oil burner housing and parts • ignition assembly • oil burner nozzle • oil burner motor • fuel pump • air circulating fan • air circulating fan motor • fill and vent assembly • draft regulator • damper motor • circulating pump motor • transformer • protector/relay • thermostat (standard models only) • upper and lower limit controls • combustion chamber or hearth.
Only parts supplied by the Distributor or its representatives may be installed on your oil heating equipment.
If you wish to accept this offer, please sign and return the attached card. This offer together with the signed acceptance card will constitute the only Agreement between us for the replacement or repair of parts.

INDIANS TO TACKLE WEST IN THORPE TROPHY TUSSLE

The Caughnawaga Indians take off to Vancouver Friday afternoon for a series of games with the Squamish North Shore Indians and the Thorpe Longboat trophy is the prize that both the teams will be reaching for.

The trophy, named after two of the greatest Indian Athletes who ever lived has been competed for only by eastern teams before this year, and the host team will be making a strong bid to bring it west on their first attempt.

The Caughnawaga team also has a burning desire to capture the honors that have eluded them in the past, and will take 19 first rate players with them on the western jaunt.

The teams will hook up in a Saturday afternoon series opener, with Sunday seeing them take to the outdoors for a field lacrosse game. Tuesday and Thursday contests are also on the itinerary, with the Indians coming back home by plane off to Vancouver Friday afternoon.

On Saturday the Indians take off for Syracuse to play against teams from Rochester, Syracuse, Buffalo and St. Regis in an elimination series. The series has been arranged to assist in financing an arena at Hogansburg, with the site to be the future home of teams from the St. Regis reservation which is located in Quebec, Ontario and New York State. The reservation is at a point at which the two provinces and the state of New York come together.

After the Syracuse tourney the Indians return home to host a team from Ontario or British Columbia for the Canadian Senior Lacrosse Championship. A series will be played in its entirety in the Chateauguay arena after representatives of the C.L.A. reached agreement with the Town on playoff and playing conditions.

-Chateauguay Minor Hockey-

Only six weeks remain until the opening of the Chateauguay Minor Hockey League and much remains to be done to ready teams for the season. Registration still remains a question with Pee Wee rosters completely full, and a few spots remain open for Atom, Mosquito and Bantam. Midget and Juvenile registration is far below the necessary number, and boys in this age group may be in for a sad surprise if the league decided to give their time to boys who are really interested in enjoying the first full season in the new Chateauguay Arena. No actual decision has been reached on what action will be taken if the response remains slow.

The fair set will be invited to bring along their fresh ideas to the league when a women's auxiliary is formed. Two ladies, Mrs. Janet Currie and Mrs. Gail Davies have agreed to assist in the setting up of the auxiliary until an election can be held to determine permanent positions on the group. Mrs. Currie can be reached at 692-2469, while Mrs. Davies phone number is 691-4524.

Volunteer referees are being sought out by the league in the hopes of retaining the fees usually paid to the officials to further the welfare of the league's boys. The league has hopes that referees will cooperate in devoting their time freely as the coaches of the teams have done for many years. Anyone wishing to assist in this important work on a volunteer basis can call Bud Roper at 691-3579.

Tankmen Take A Break

Popping their heads out of turrets to get a fix on their position, men of the Mobile Command Reserve call a brief time out during recent field exercises near Valcartier. Shown at far left is Royal Canadian Hussar Trooper Robert Bruce of 56 Lemoyne, Chateauguay.

Valley Historians Conduct Lightning Tour

A capacity turnout marked last week's bus tour of northern Chateauguay Valley by members of the Chateauguay Valley Historical Society.

Members voted the trip, under the direction of historian G. A. Rogers, an outstanding success on all counts. Many of the participants are already planning individual returns to some of the sites.

The tour was arranged by President Robert McGee of Huntingdon.

The busload of members departed from Allan's Corners, site of the Battle of Chateauguay in 1813. First stop was the Jean town Mr. Rogers presented a Leclerc house downriver. Built in 1775, it was occupied by the rebels in the Rebellion of 1838.

They were soon dislodged by the famed Huntingdon company of the local militia of the day.

Now occupied by the White family, it has been considerably but charmingly restored. The interior is a treasure trove of antique pieces.

The next focal point, Beauharnois, as the headquarters of the seigneurie acquired by Alexander Ellice in 1795, is the cradle of much of the history of not only Beauharnois but Chateauguay and Huntingdon counties of today.

In an all-too-brief tour of the town Mr. Rogers presented a sparkling running commentary on the major points of interest. These included St. Clement's Church (1845), the Ellice seigneurial manor (1810), St. Edward's Presbyterian Church (1835), the original Kilgour furniture works (founded by the great, great grandfather of the Historical Society's honorary president, C. W. Kilgour), and the Joseph Robert grist and woolen mills.

It was Joseph Robert's son Edmond who realized the possibilities of Beauharnois as a power site. He interested R.O. Sweezy and Max Aitken (Lord Beaverbrook) in the region and thus helped bring about the founding of the forerunner of today's Hydro-Quebec.

The original grist mill stands on the grounds of the Howard Smith (Damtar) paper mill. The latter, Mr. Rogers pointed out in a non-historical note, produces much of the paper on which our dollar currency is printed.

On to the remnants of the old Beauharnois Canal (1842-45), now mostly a grass-grown ditch which is the repository for car wrecks. It was suggested that one short stretch, with the remains of a lock, should be restored as a historical project.

The party then moved to the National Historic Site at Coteau du Lac. Those who had not visited this area previously were impressed by the amount of restoration which has been done to the canal, locks and storehouse, built during 1779-80. The knowledge and courtesy of the staff, too, were particularly commented upon.

The journey had already been broken by a rest-and-refreshment period, and therefore the shadows were growing longer. The tourists had to press on to the McDonald and Robb Flour Mill (1880) and the Valleyfield Paper Mills (1853) with only passing comments. The same went for St. Louis de Gonzague and then it was back to Allan's Corners just in time for home and dinner.

The group passed a unanimous vote of thanks to Mr. Rogers for his colorful and able commentary throughout the afternoon, and Mr. McGee, as organizer, received similar plaudits.

Lee Ann Chartrand Is Bronze Medalist At Canada Games

Sixteen year old Lee Ann Chartrand has been awarded a Bronze Medal along with the other three members of her Kayak 4 competition at the first annual Canada Games in Halifax. Lee Ann is a resident of Carlisle Street in Chateauguay Heights, she was joined by a Lachine girl along with two Quebec City teenagers in the competition.

Miss Chartrand is a student at Howard S. Billings Regional High School and was a runner up in the competition for Queen Carliste Street in Chateauguay Heights, she was joined by a position in the Chateauguay Arena last May.

Colonia News

By BUD ROPER
Phone 691-3579

The failure of the engineering firm of Lalonde, Girouard and Letendre to have a representative at last Tuesday evening's committee meeting at the Town Hall has delayed a final solution to the flooding problems that have plagued home owners in the east end of Colonia development for these many years.

The Town had been informed that the answer would be available at the time, but it now appears that at least an extra week will pass before the report is available.

The long awaited fence at the Theberge St. entrance to the Colonia Park will at last be installed. The fence was requested many times by Phil Bonneau in recent years in order to prevent motorists from driving their cars on the field and to protect the children making use of the park. Many hair brained individuals drive their car across the field to save themselves a few steps, not caring whether or not they are damaging the taxpayers property or creating a hazard to the children, and for that reason it is necessary to put up the fence.

The contractor who was awarded a sod laying contract at Howard S. Billings Regional High School will be told to hurry it up. The Town secretary was requested to inform the contractor that they wish the work done immediately. The sod was destroyed when the Town renewed sewerage piping across the school yard, and the contract, awarded several weeks ago has not been fulfilled. With school opening drawing near, the Town wishes to discharge its responsibilities toward the institute of learning.

Maple Street should be completed by September 1st, or so say those responsible for the work. At present the possibilities look real with the cement work completed at all places except where the pedestals for the lighting have yet to be placed, and if this is completed on time, so will be the new roadway.

The shopping center is slated to open in October, and then we can spend some of our dollars in our town and take advantage of the two per cent tax rebate from Quebec. At present, most shopping with one exception, is done in Chateauguay Center, and the \$50,000 profit on the water we must sell them is enough of a donation from the Town.

A hole about three feet in diameter and about four feet deep is still located near the site of a new house under construction on Mitchell Street. The tangle of Ross Hill and Ernie McAuliffe. The two coaches have requested that last year's coaching staff supply them with a listing of qualifications of boys who will be Pee Wee age this year, and assist in getting these boys out to the practice.

The Bantam House League will become a reality this year, and all boys born in 1954 or 1955 who have not as yet registered may call Bud Roper at 691-3579 to have a spot reserved for you on the teams. Coaches are needed to round out the staff in all sections including Bantam, and referees are still required. Persons interested in coaching may call Euard Read at 692-8752, while prospective referees should contact Reg Hovie at 691-0406.

Minor Football Gets Underway

The 1969 minor football season opens on Friday August 29th when the Bantam travelling team plays the Town of Mount Royal in a game at Leger Park. The local team has been completely rebuilt from the 1968 Chateauguay standard bearers and they have given every indication of being a threat to the other teams in the league.

On the preceding evening, the Football League will sponsor a dance at St. Willibrod's gymnasium featuring the Canadian Premiere of the T.C.B. a nine piece super group who will unveil the Traffic Label Album. Open for Business along with providing something different in the way of entertainment to the local teen set.

Another Thursday event on the Football calendar will be the opening practise of the Pee Wee travelling team under the tutelage of Ross Hill and Ernie McAuliffe. The two coaches have requested that last year's coaching staff supply them with a listing of qualifications of boys who will be Pee Wee age this year, and assist in getting these boys out to the practice.

The Bantam House League will become a reality this year, and all boys born in 1954 or 1955 who have not as yet registered may call Bud Roper at 691-3579 to have a spot reserved for you on the teams. Coaches are needed to round out the staff in all sections including Bantam, and referees are still required. RAMBLERS LOSE CLOSE TILT

In their second game of the Quebec Juvenile Football Conference schedule last Sunday, Chateauguay Ramblers came tantalizingly close to another victory.

The opposition was the LaVal Scorpions, who built up what seemed to be an unassailable 20-6 lead.

But Ramblers, looking for a repeat of their previous week's coming up from behind victory, outscored the Scorpions 19-6 in the second half, thus losing by the narrowest of margins — a single point.

Ramblers recruited four more players prior to last Sunday's game, bringing their signed strength to 30. Permissible strength is 40, and Ramblers had to settle for dressing 27 players, instead of the normal 30. With the game ending so closely, it is at least possible to theorize that had the Ramblers been up to strength they could very easily have won.

Weakness showed in the conversion attempts. Two more conversions would have turned the game into a victory by one point instead of a loss.

Leading scorer for Ramblers this season is flanker Gilles Thibault, who scored two touch-downs in the third quarter. Thibault is also leading scorer in the Conference.

Ramblers travel to Farnham next Sunday to meet Farnham Frontenacs.

V'FIELD RETURNS FROM WORLD WIDE BASEBALL SERIES

Valleyfield Little Leaguers had a tough break in their opening last Wednesday at the Little League World Series held in Williamsport Pa. Valleyfield earned the honour of representing Canada at the series, but in their first contest came up against the Republic of China who then went on to win the series. In spite of having to meet the ultimate champs first off, Valleyfield put up a remarkable display, keeping China off the scoreboard until the overtime 12th inning, making Valleyfield's in LL world series. The final City Hall is scheduled for Friday afternoon.

ada's entry obtained one hit during the game, a single by Robert Gauthier.

In their consolation game, Valleyfield lost 13-0 to a powerful team from Puerto Rico. The Canadians had three hits during the game, but were badly outscored by the Puerto Ricans who had 14 hits including five homers.

In their final game, the Valleyfield club outscored a German team 3-1 behind the home run of winning pitcher Pierre Rochefort.

The 15 players arrived back home Tuesday afternoon for a reception by their fellow little leaguers in Parc Saue. An of this longest game recorded reception at Valleyfield's in LL world series. The final City Hall is scheduled for Friday afternoon.

Verville News

Mrs. Jalbert, 691-4373

Saturday Aug. 23th Mrs. F. Wyatt of the Somme, left for Atlantic City, will be gone 8 days.

Miss Carolyne Ernst left for New York, Saturday August 23th.

Mr. M. Will and Mr. B. Parker are much better, as I write this, hope to see you both home soon.

Monday August 25th there will be a general meeting, at 10:30 a.m. at the Community hall, for the heads of Bingo, Cards and Carpet Bowling more of this also.

Welcome to Mrs. Bushy of the Somme, hope you will find all your happiness with us.

Mr. and Mrs. Jalbert, of Ville St. Laurent, are spending a few days with his parents, at the Somme.

Mr. George Haas of Montreal underwent surgery at the Jewish General Thursday August 21st.

A speedy recovery to Mrs. W. Looker, who is confined to bed also to Mrs. D. Finlayson.

Chateauguay Girls Softball

Playoff action continued amongst the girls last week at Colonia Park, with the only break in the schedule coming on Wednesday afternoon when the Town took over the field for its track and field show.

On Tuesday the Pussy Cats and the Puppets hooked up in a real struggle with the Pussy Cats coming out on top by a count of 8-7 in the hard fought contest, and on Thursday, another close one saw the Bubbles play their way to a 15-12 win over the Bambis.

The Rebels, with Debbie Kaye hitting a grand slam home run, scored a convincing 19-5 win over the Supremes who got a home run from Donna Wall, and the Supremes returned a night later to bomb the Bunnies 23-9 as Joanne Della Porta homered for the losers, and the victors got five four baggers, two each by Sylvia Bergeron and Ann Deprae.

ter and another by Donna Wall. The seniors' next game will be played at 8:15 August 28th.

Susan Maude hit a pair of home runs in a Friday night contest, but her heroics fell far short as the Expoettes beat the Dollies 14-4 in a game played on Saturday morning.

CHATEAUGUAY BOND ISSUE FLOATED

A \$607,000 bond issue by the Town of Chateauguay was bought August 5 by a group of investment firms based mainly in Quebec. The bonds, issued at a price of \$93.06, carry eight and one quarter per cent interest and are redeemable in series over the next ten years. At this rate, the Town obtains the money at an average net cost of 9.8613 per cent. Of the loan, \$294,000 can be renewed in 1979 for an additional 10 year term.

Buyers of the issue were a syndicate formed by: The Canadian National Bank, Bélanger Inc., Provincial Bank of Canada, Bouchard and Leblond Inc., Dominion Securities Corp. Ltd., Florida Matteau Inc., Cliche and Associates Ltd., Credit Quebec Inc., Durocher, Rodrigue and Company Ltd., J. E. Laflamme Ltd., and Grenier, Ruel and Company Ltd.

Last April the Corporation had negotiated a transaction where \$826,500 worth of bonds were sold at a price of \$91.71 with eight per cent interest, 10 year series. Net cost for financing was 9.5496 per cent.

The latest bonds become due in series from August 1, 1970 to August 1, 1979 and cannot be cashed before maturity. The principal and bi-annual interest fall due February 1 and August 1 and are payable at all chartered bank branches in the province of Quebec and at the Florida Matteau Inc., Cliche and Toronto head offices of the same Associates Ltd., Credit Quebec banks.

Authorized by by-laws 126, 127, 132, 133, C-5, C-8, C-9, C-11 and C-11, the loan was made with provision for the renewal of unpaid balances of \$10,000, \$190,000 and \$75,000 on the original loans of \$20,000, \$234,200 and \$135,000. These were authorized under by-laws 126, (127) for a period of 15 years, under by-law 132 for a 30 year term, and under by-law 133 for a period of 20 years although this last was issued in 1959 for a period of 10 years only, for water, sewage and road work.

The taxable value of the Town in 1968 stood at \$41,658,700. On December 31, 1968, the consolidated debt of the Corporation amounted to \$8,009,000.

GRAVEYARD IN CHATEAUGUAY

Close to 50 bicycles or parts of bikes, are parked behind the Town of Chateauguay's Police station.

Some of the newer bikes had been stripped of thieves and only the frames remained. Town police have been gathering their store of bikes since last April and there are still no owners to claim their property. The main reason is that all the bikes stored in the garage were unlicensed.

There are three different ways that police can identify bicycles but they are not used when it comes to identifying the owners unless a complete description of the bike and serial number is given, where there is no license.

Come To The Fair

Only eleven days to go for the greatest show on earth, Man and His World, 1969 version. The feeling of sadness is tempered somewhat by the growing certainty that there will be a 1970 version. This should be confirmed within the week.

It has already been announced that La Ronde will stay open on week-ends until early October. That is good news for the fun crowd of which there are many thousands, as any one can tell if he is there on a Saturday night. And all ages, too.

Still, we are at the end of the season for this year and you may be looking for "specials" for that last visit or two. We hope we have briefed you on the best around and would like to suggest a last day of film. There certainly are a lot of them around. Something like forty in all pavilions that is.

For example, the Woman pavilion alone has a 15 minute film called "Portraits", plus four five-minute films on fashion through the ages and another five minute job on the dance. Then there are 21 shorties, one to one-and-a-half minute films on women in advertising. Not bad for one exhibit.

Man, his Planet and space has four films with special effects on such subjects as geophysics, anthropology and space.

Time limitations prevented the organizers from producing all new films. Some were put together from film libraries using stock shots. The best of these is probably the fine film, five screen presentation for the cinema of the Sports Pavilion. It is called "When playing leads to stardom". There are original Expo 67 films such as the third show from Labyrinth, now being shown where "We are Young" was once presented. Many missed this outstanding film in '67 and you should grab what may be a last chance to see it.

There are, of course, dozens of others. There is Multiple Man, previously described here, the bird films in the Biosphere, the auto films in the Belles of Yesteryear, ski films in Austria and on and on.

Why not plan a day of film fair. A relaxing way to pass the time in air-conditioned comfort when you come to the Fair.

Chateauguay News Notes

✓ The H. S. Billings Regional High School is expecting an increased enrolment when classes resume next week. A staff of 135 and over 2,300 students will fill every available inch of the building. Teachers' nationalities represent quite a few countries of the world besides Canada — i.e. England, Australia, East and West Indies, Israel and Egypt (how's that) They will no doubt work in harmony during the 69-70 school year educating our future leaders.

✓ And while we're on the subject of schools, the prefabricated buildings at the back of St. Willibrod's are almost all carted away now. Students (English Catholic) are to be housed in Marguerite Bourgeois School on rue Principale this season.

✓ All sorts of activities are starting up once more in the area and we'd like to remind executives of all the associations, clubs, groups of all types, that The Gleaner does a fine job of printing tickets, advertising up-coming events and things in that line. Just telephone the number listed on the top right hand corner of this section.

✓ Mary Gardner Home and School Assoc. is to have its first executive meeting of the new season on September 9th. At that time plans for a membership campaign are to be finalized. Incidentally while we are on the subject of Home and School, I would urge ALL parents to join your local association. It's your only voice to Quebec and past experiences have proved this over and over again. Catholic parents recently adopted a new name for their association. Instead of P.T.A. it is now PACE — "Parents' Association for Catholic Education."

✓ Another activity starting off is the Parvieu Bowling League. It's a mixed group and they are to start rolling on Sept. 11th. If you are interested call Bill at 691-2960 or Marie at 691-2135.

✓ A Quebec Roads Dept crew is digging up one of the weed-grown islands at the junction of highways 3 and 4 and is to install new lighting. The island is the one curving into highway 3 and the largest of the four in that section.

✓ At a committee meeting of Town Council last week, discussion was held on street lighting on Stanton and Watt St. between Maple and William Streets. The subject will be brought up at a regular Council meeting this week.

✓ Congrats to Lee-Ann Chartrand of the Heights, who won a bronze medal at the Canada Games last week in Halifax. Sixteen year old Lee-Ann competed with three others in the Kayak contest.

✓ Caughnawaga's Lacrosse Team travelling far and wide these days. They are off to Vancouver this week for a series of games with the Squamish team for a valued trophy.

✓ Town Police report a few minor traffic mishaps and one major accident during the past week. Piecing details together of a Sunday noontime accident on Craik St. opposite the C.P.O.A. pool are a bit difficult. It seems that a car, driven by a resident of the Basin, glanced off a four year old boy on his way to the pool, and in turn the car was struck from behind by a 17-year-old motorcyclist. All three were taken by Metropolitan Ambulance to Lachine's St. Joseph Hospital. The car driver was suffering from nervous shock, the motorcyclist light injuries and the little boy leg abrasions.

✓ Last Friday evening shortly before 9 o'clock, a truck parked at Leo Ste. Marie's shop on Youville Blvd., slid backwards, when the parking brake failed and toppled into the drink, taking with it several boats anchored along the shoreline. The truck, owned by Florian Jodoif of Crepin St. was badly damaged as well as most of the boats — fortunately no injury to anyone.

✓ Centre Police picked up three youths in a car reported stolen over the weekend. The car was stolen in Montreal and as of Monday last, police were awaiting arrival of Montreal police to pick up suspects and the car. A few minor traffic accidents kept Centre police occupied during the past week.

(Continued on page 10)

THE PRO SHOP

It did not take them long to create a new career for the retired (Temporarily, we hope) Arnold Palmer. He turned up last week only a few days after his announcement as color man on T.V. broadcasts of the AVCO Classic in Massachusetts. And there was Arnie describing a situation which has become common since he and Nicklaus lost their late round ability.

Tom Shaw went into the last round with a record seven stroke lead at 13 under par. He needed every stroke as he shot a 77, five over for the day and only one stroke over runner-up Bob Stanton at seven under. It was no great effort for Stanton who had a 71 for the round. This kind of collapse has become the regular thing during the past few months as there seems to be nobody left to put together a real charge. Of course old pro Tom Weiskope did come through with a 65 for third place but what the heck, he was one over after three rounds. And 14 strokes back. He picked up 12 of those. This is golf?

So the Alouettes put on a great show against the Roughriders, losing only by 17-15. Big deal. How many points does that give them? Sure, the defence was great but it was a trick defence which can't last for a season. Toronto's Dave Raimy would kill it in the first quarter. And what of Sonny Wade? A good man, a very good man but right back where Williams was a year or two ago. And he still didn't have even a fifty percent passing average. Sorry folks, the A's ain't going any where this year unless they get some real

SEIGNIORY PARK CAPTURES SWIM COMPETITION TROPHY

Seigniory Park Country Club took first place honors in a swim meet at their pool on Sunday afternoon when they out-pointed teams from the Chateaugay Property Owners Association, Chateaugay Terrace Recreation Association and St. Jean Baptiste Pools to capture the Gilbert Trophy in its inaugural year.

The host club scored 98 1/2 points, twenty ahead of the C.T.R.A. total of 78 1/2, with CPOA taking third place at 56 1/2 points, and the St. Jean club trailing with 36 1/2.

The trophy was donated by the Chateaugay based pool maintenance company and is to be an annual challenge event between the pools.

First, second and third place finishers are listed below.

Boys 12 and under freestyle
1. David Yeudall, SJB 2. Stuart Ritchie, CPOA 3. Tom Tuzger, SPCC.

Girls 12 and under freestyle
1. Donna Campbell, SPCC 2. Natalie Husin, CPOA tie Camille Croteau, CPOA 3. Colleen Flanagan, SJB.

Boys 14 and under freestyle
1. Allen Campbell, CTRA 2. Mike Verhey, CPOA 3. Steve

Boys 14 and under breast
1. D. Tremblay, SJB 2. Mike Verhey, CPOA 3. Frank Toth, SPCC.

Girls 14 and under breast
1. Peggy Read, SPCC 2. Betty Ann Packer, CPOA 3. Kim Doo-ley, SJB.

Boys 16 and under breast
1. Derek West, CTRA 2. Peter Palmer, CPOA 3. Gilles Blanchette, SJB.

Girls 16 and under breast
1. Betty Ann Wachtla, SPCC 2. Peggy Read, SPCC 3. Betty Ann Packer, CPOA.

Boys 10 and under freestyle
1. Peter Meloche, CTRA 2. Gordon Ward, CTRA 3. Tie Maurice Riendeau, CPOA, Ron Tessier, SPCC.

Girls 10 and under freestyle
1. Cathy McKee, SPCC 2. Denise Duncan, CTRA 3. Cathy Flanagan, CTRA.

Boys 10 and under backstroke
1. Ricky Hill, CTRA 2. Gaston Jay, SJB 3. Bruce Kyle, CTRA.

Girls 10 and under backstroke
1. Cathy McKee, SPCC 2. Denise Duncan, CTRA 3. Elaine Campbell, CTRA.

Boys 12 and under backstroke
1. Stu Ritchie, CPOA 2. Steve Campbell, SPCC 3. Jeff Reid,

Chateaugay News Notes

(Cont. from Chat. Front Page)

✓ **Town of Mercier's Police Chief Tremblay told The Gleaner last Monday morning that a "Shooting Clinic" sponsored by the Minister of Games and Fisheries, Gabriel Loubier is to be held in that area on Sept. 5th, 6th and 7th from noon until 8 p.m. each day. Specialists in the care of rifles will be on hand, and anyone may attend, it's free. Hunters are invited to come along, and bring their rifles with them where advice and alignment of rifles will be given. The clinic has a two-fold purpose; (1) to eliminate use of a wrong rifle and (2) for the personal satisfaction of the hunter. Sessions will be held at the gravel pits near Mercier's Parish Church. It's easy to find and once again, all those who have rifles may attend. Chief Tremblay says these men who go all over this province holding the Clinics are really experts.**

✓ Does anyone want any iris roots? Colors pale mauve and purple. Call 691-3029. I've lots to give away free.

✓ And finally we'll see you at the Huntingdon Fair this week!

Lacolle

Mr. Peter Hadley of Bramalea, Ont. is spending two weeks vacation with his grandparents. The relatives of the late Mrs. Mr. and Mrs. W. E. Grant, Olive George, mother of Mr. Al Mr. and Mrs. Richard, McGeorge of Canadian Customs Club of Toronto were dinner guests on Monday of Mr. and Mrs. Elmer Robinson.

Miss Freda Ferguson of North Belfast Ireland, has been spending the summer with her cousin Miss Dixie Ferguson. They brother Mr. Lawrence Van Vliet have also visited cousins on the west coast of Canada.

PROTESTANT SCHOOL MUNICIPALITY OF CHATEAUGUAY

SCHOOL OPENING

The following information concerns those students who will be attending the elementary schools under the jurisdiction of the Protestant School Municipality of Chateaugay.

ADMISSION AGES: KINDERGARTEN:

5 years of age before October 1, 1969.

PRIMARY, FIRST YEAR:

6 years of age before October 1, 1969.

REGISTRATION:

Only students who have NOT attended Chateaugay Protestant Schools before June 30, 1969 need to pre-register. This may be done at the school which the child will attend on Tuesday, September 2, 1969 between 10:00 A.M. and 12:00 noon and 2:00 P.M. and 3:30 P.M.

Kindergarten children who were not registered prior to June 30, 1969 should register at the same time. Please bring birth and vaccination certificates. Children must be accompanied by an adult.

COMMENCEMENT OF CLASSES:

Regular classes for all students (except Kindergarten) will commence on Wednesday morning September 3, 1969. Children will be dismissed at noon on Wednesday.

Kindergarten students will attend in small groups on Wednesday, Thursday and Friday September 3-5 for orientation following instructions to be given by each school.

BUS TRANSPORTATION:

Transportation to school will commence September 3, 1969. The same routes that were in effect at June 20, 1969 will be used.

FOR FURTHER INFORMATION, YOU MAY CONTACT:

D. H. ROUSSIE, Supervisor of Schools.

Mrs. Frank Mason Visits Nfld Birthplace After Many Years

Mrs. Frank Mason has just returned from a very pleasant holiday in Newfoundland where she was the guest of her cousins Mr. and Mrs. Eli Abbott and Nellie's first visit home since she left at the age of four. At that time it took four days to travel by boat and train to Montreal but now it takes only two hours from Dorval until touchdown in Torbay, Nfld.

It was quite a thrill for Nellie to visit her late grandparents' house where she was born and to meet again her cousins who still live there. One of the highlights of the visit was attending services at Bonavista Memorial United Church where a seven-year old cousin, Ross Abbott, is organist. Few empty pews there, for choir is made up of forty regular members and both morning and evening services were well attended. Newfoundland is a picturesque place with its picket fences, winding roads, the ever-present ocean, and friendly people. Life seems to be lived at a more leisurely pace than we know it here and everyone greets a stranger as a friend. In spite of the rocky terrain gardens are lush and there is an abundance of blueberries, raspberries, partridge berries and numerous other varieties. There are few deciduous trees but many evergreens.

During the two weeks the weather was ideal with sunny skies, cool breezes and clear bracing air. Certainly Nellie agrees with John Cabot, the discoverer of Newfoundland, who named the place where he landed Bonavista, meaning O Happy sight."

Wanted FULL TIME babysitter, 5 children, 4 school age. Live in or out. Telephone 691-2946, Chateaugay.

Anything to buy, sell or trade? If so, make use of the Gleaner's reasonable classified advertising rates.

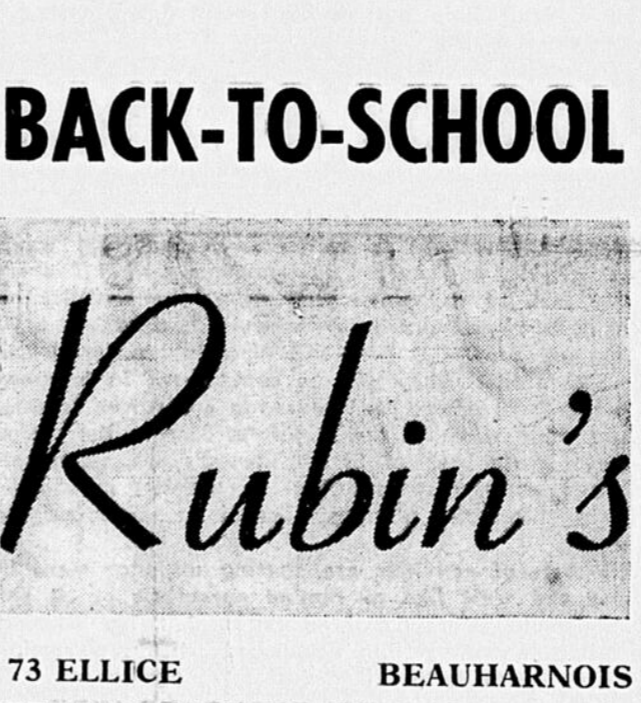

Mr. and Mrs. Myrl Wells of Greenfield Park spent a few days guests at the home of Mr. and Mrs. Ralph Smith.

Mr. and Mrs. Bill Dawson are spending a few days in Toronto and Orangeville.

Miss Merna Nugent of Howick is a guest at the home of Mr. and Mrs. Gordon McCleanahan.

Mr. and Mrs. Bruce Cookman and boys have returned to their home after having spent the summer at their cottage at Missisquoi Bay.

- 6 suits for boys and men,
- 9 bicycles,
- 16 rubber shoes,
- 1 briefcase.

Given under my hand and the seal of the Town of Chateaugay-Centre, this twelfth day of August 1969.

Laurier Legault, Town Clerk
Town of Chateaugay-Centre

FORMER HOWICK MINISTER DIES

At the United Church service on Aug. 17 a tribute was paid and silence observed in memory of the late Rev. John McPherson, minister of this church in 1946.

During the intervening years he was the head of the department of Semitic languages at Victoria College, Toronto. A progressive disease had been detected in 1967 but he carried on since then, working most of the time from a wheel chair. The sympathy of the congregation was extended to Mrs. McPherson and the family.

The devotional was led by Joyce McKell who spoke about a fragrant gift. Loving and giving go together. You can give without loving but you cannot love without giving.

Martha McIntyre gave thoughts on Stewardship. Christian Stewardship is permitting the love of God to pour into and through one's life, so that the blessings received may also be made available to others.

Three girls were present, Lynn MacFarlane, Kathy Greig and Sandra Orr. They took the parts of two boys in a family, and a girl friend, who read a play, "The search for power."

The roll call, using the text word, friendship, and a short business meeting followed. Mrs. Kenneth Lamb, president of U.C.W. was an invited guest and expressed her pleasure and thanks. The meeting closed with the Mizpah.

A quiz on people found in the Bible was conducted by Mrs. Tolhurst and Mrs. Bradley and won by Mrs. Math McKell.

The people divided into five groups for the next half hour. They were invited to laugh, talk and enjoy themselves as they

Unit B met in the church hall on Tuesday evening under the leadership of Joan Ness. Seventeen members and three visitors were present.

The devotional was led by Joyce McKell who spoke about a fragrant gift. Loving and giving go together. You can give without loving but you cannot love without giving.

Martha McIntyre gave thoughts on Stewardship. Christian Stewardship is permitting the love of God to pour into and through one's life, so that the blessings received may also be made available to others.

A quiz on people found in the Bible was conducted by Mrs. Tolhurst and Mrs. Bradley and won by Mrs. Math McKell.

The people divided into five groups for the next half hour. They were invited to laugh, talk and enjoy themselves as they

Unit C met at the home of Anne Logan with seven mem-

bers present under the leadership of Sharon Fletcher. The devotional taken by Anne Logan used a reading from 1 Corinth 2:6 - A story, "Friends, go up higher" told of a young man who climbed the Eiffel tower. He went up, higher and higher, until finally he saw things he had never expected to see and so it can be with us as we go through life. The coming fashion show was discussed. Sharon Fletcher conducted an interesting Bible quiz, arranged by herself.

Fresh corn was served and declared delicious. Social

Yesterday our fire chief was out selling tickets for their annual Corn Roast, a good cause which should be supported by everyone.

Mr. and Mrs. Claud Cook of Winnipeg spent a day with their friends Mr. and Mrs. C. Glynn, en route to the maritimes by bus.

Jim Crawford has been seeing hailstones for almost ninety years but can't remember larger ones than those he found last Monday when he ran through the storm to pick up some of the big ones. They were clear with a spike surface and at least 1 inch across.

Colonia News (Cont. from Chat, Front Page) the early week was supplanted by some summery condition on the weekend, much to the delight of swimmers. We for one could get along with the hot days year round, and consider the cooler days more suitable for some one else.

The C.P.O.A. will hold family day on Saturday, prior to the Labor Day closing of the 1969 pool season. Many members have enjoyed a fantastic summer at the pool, and it is a shame that it is nearly over. The family day will allow members to bring along air mattresses and other water toys to the pool for a final 1969 fling and the C.P.O.A. executive plans on a corn roast to round out the day.

A twenty minute power shutdown while we were away left us very confused last week. The old alarm clock has been relegated to a dust collector during vacation time, and the electric clock sort of let us down when we were supposed to be in a certain place at a certain time and showed up late. It proves that the old time pendulum

Noyan

Mr. and Mrs. John Waidhouser, Kenny and Davey returned to their home in Calgary after spending their vacation with her parents, Mr. and Mrs. William Moersfelder.

Several from this community attended the U.C.W. Tea and Sale in Clarenceville on Saturday afternoon.

Mr. Rodney Derick motored to Farnham on Wednesday, evening to pay tribute to the late Mr. Germain Fréreau who lost his life in a truck accident on Monday. There were some twenty-five members of the National Association of Independent Truckers present of which the late Mr. Fréreau was a member.

Mrs. Gerald Hislop entertained at a birthday party on Sunday afternoon in honour of her son Bruce's third birthday. Several of his little friends arrived and played for the afternoon.

clocks should be more often activated, since a power failure can really throw you off at other times.

And don't you really wish that we were just approaching the end of June instead of the end of August. Summer is certainly great.

Bruce's mother served refreshments and the traditional birthday cake. Bruce received many nice gifts and he thanked all his little friends for coming to his party and playing with him.

Mr. and Mrs. Norman Simpson went on the Chateaugay Valley Historical Bus Tour on Saturday. They stopped at many points of interest and enjoyed the beautiful warm weather.

Mr. and Mrs. Edwin Baskin and Mr. Jeffery Tipping of Ormstown were Sunday visitors at the home of Mr. and Mrs. Norman Simpson.

Mrs. Anna Stearns, Miss Alice Peters, Mrs. H. Elgar, Mrs. J. Mosher and Mrs. Stanley Emrick motored to Isle La Motte on Thursday where they attended the 50th anniversary dinner of the United Methodist Church. A sumptuous hot chicken pie dinner was enjoyed by all.

Mrs. H. H. Derick and Mrs. Hazel D. Brash returned to their home in Hartford after spending a week at Duck Inn.

Mr. and Mrs. Newton Butts of Salem, Mass. are spending a holiday at the summer home of Mr. and Mrs. T. W. Breckles. They visited at the homes of Mr. and Mrs. Robert Coulter, Mr. Stuart Derick, Mr. and Mrs. Rodney Derick.

Mr. Robert Simpson of Frank-

lin Centre spent Sunday with his parents, Mr. and Mrs. Norman Simpson.

Mr. and Mrs. Clifford Dean of Phillipsburg were visitors during the week of Mrs. J. Mosher.

Mrs. J. Mosher, Mr. and Mrs. Gordon Mosher, Robert and Donna were Sunday dinner guests at the summer home of Mr. and Mrs. Russell Mosher and family.

Howick

Edith and Bruce Cleland of Montreal have returned from a six-week holiday, which must have been one of the busiest on record. During that time Edith broke a rib and had to visit the hospital. At another place they missed their flight, but made a hurried trip across country to catch the plane and arrived on the exact minute of departure. They visited Scotland, Ireland, England, Copenhagen, Cologne, Amsterdam, Frankfurt, Lucerne, Vienna, quiet table centered by a

Wednesday, August 27th, 1969

Venice, Florence, Rome, Athens, Tel Aviv, Haifa and Jerusalem and have many fine pictures and stories to tell. Mrs. Nellie Tolhurst and Mrs. Hazel Bradley enjoyed hearing about this trip when the Clelands visited their home on Sunday.

Mr. and Mrs. William Turner spent two weeks with brother-in-law and sister, Mr. and Mrs. J. Trimm of Chazy New York. Mrs. J. Gushue and family spent two weeks with her brother Bill Turner, Victoria B.C. The Gushue family have been living on Laford St. Howick since May 1.

Mr. and Mrs. J. A. Logan from Daytona Beach, Florida, are in Howick visiting friends and relatives for one month. On Sunday, at the home of his nephew where Claude Logan still farms, the Logan family got together to celebrate Mr. Logan's 75th birthday. The banquet table centered by a

beautiful birthday cake from Mr. Charles Grant was a pleasing sight and a good time was had by all.

Rev. and Mrs. Peter Mason and little daughter Patricia are holidaying at Virginia Beach.

Miss Ethel Williams went by plane to Toronto on Friday to visit her nephew, John (Jack) Jamerson, who is the son of the late John Jamerson of Bridgeport, Conn.

Mr. and Mrs. Keith Hamilton of Plattsburgh, N.Y. visited with Mrs. W. J. McKay on Friday. Friends in this area were pleased to see Mr. Hamilton after his recent illness when he was a patient in the Champlain Valley Hospital.

Mr. and Mrs. A. M. Trotter and Bonnie Beth of Lachine returned on Sunday after enjoying a week at Portland, Maine. They also visited for a few days with Mrs. W. F. Orr.

Mrs. Reginald de Moulplied of Rexdale, Ont. is visiting Mr. and Mrs. Rufus Fisher.

The Gleaner - 11

Couple Return To Celebrate A Howick Wedding Of 1919

Mr. and Mrs. James D. Harrison of Bury, Que. were at home to their friends and relatives on Saturday afternoon, and evening, Aug. 23 to celebrate the 50th anniversary of their marriage which took place at Howick, on Sept. 3, 1919.

Harrison Home farm is located on Hardwood Flat road with a grand view of the surrounding trees and hills, and Megantic Mountain in the distance. The small home in which the retired couple lives is within a few yards of the old homestead where son Garth and his family reside.

The large lawn with many shade trees, beds of summer flowers and many comfortable garden chairs was a pleasant place to visit. One bed of white alyssum was centered with a large 50 in yellow marigolds, which had been planted with this party in view.

Tea was served in the living room which was decorated attractively with gladioli, yellow, white dahlias and daisies. The tea table was centered with a three-tier anniversary cake which was a work of art, made by Mrs. Garth Harrison and decorated by a friend, Mrs. Good. Tall vases of roses and golden candles were in the background.

Tea was poured by Mrs. Viola Lawrence, Miss Christina Cameron, Mrs. Beth Stokes, Mrs. Harold Hope, and Mrs. Wilfred Bryson. Dainty refreshments were served, both inside and on the lawn, by Mrs. Robert Harrison, assisted by several young ladies. The honoured couple circulated among the guests, many of whom had driven miles to visit them on this happy occasion.

Through the years, Jim and Isabel Harrison have given a warm welcome to all who visited their home. They have come through many trying experiences but led such busy useful lives on the farm and in the community, there was little time left to dwell on their own troubles.

About 175 friends signed the guest-book which was in charge of Miss Marjorie Bryson. Many cards were received and lovely gifts, suitable for the occasion. The Harrison family gave their parents a handsome and comfortable chair.

Twenty-seven members of the Harrison and Cameron families continued the festivities on Sunday when a sumptuous buffet lunch was served on the lawn. Mr. and Mrs. Donald Harrison and son Bruce, grandson Neal Stretch were unable to be present.

Relatives from the Roy and Cameron families who called on Saturday were Mrs. William Ness, Aurora, Ont., Miss Lois Elliot, Mr. and Mrs. Wallace Elliot, Mr. and Mrs. James Crawford, Mr. and Mrs. Harold Hope, Kerr Hope, Mrs. Albert Hope, Hugh Cameron, Mrs. Lincoln West, Miss Helen Wilson,

Ski-doo 1970 is here

The sooner you deal the better...

better selection
No snowmobile gives you a better choice of models. For 1970, Ski-Doo offers five exciting series - each with a totally different personality. We're sure you'll find one to match your own. There's the luxurious Nordic, the sporty Olympique, the twin-track Invader, the action-packed TNT and the economical 12.3.

better service after the sale
No one looks after a snowmobile better than your Ski-Doo dealer. He's the man to see for all repairs - from minor tune-ups to major overhauls. He's the man who has a complete line of genuine Ski-Doo parts and accessories. He's the man who has the snowmobile warranty that works and the free 15 hour service check to new Ski-Doo owners.

better prices
No snowmobile gives you a wider range of prices, starting from the lowest in the industry. Our 12.3 model is so inexpensive, a lot of people are buying two or three. Even our luxurious Nordic is priced lower than you'd expect and a lot lower than our competitors would like.

better hurry!
No snowmobile is selling faster than the 1970 Ski-Doo. So come and get the model you want now, while your Ski-Doo dealer is in a dealing mood. And get him to show you his full line of genuine Ski-Doo sportswear and accessories. But don't wait too long... the sooner you deal, the better!

Soirée d'adieu pour le père Anthony Pompei

Les responsables et les paroissiens de la Paroisse St-Bridget de Trout-River, organisent une fête en l'honneur du Père Pompei à l'occasion de son départ pour un autre champ d'action. Il était curé de la paroisse St-Jean-Bosco de Malone, N.Y. et desservant à Trout-River depuis six ans et demie. En reconnaissance de son dévouement, les paroissiens et amis se réuniront au presbytère, samedi, le 30 août afin de lui offrir un cadeau-souvenir. Un goûter-cocktail sera servi, suivi d'une soirée. Bienvenue à tous.

Appel d'offres

Les expéditions de juin de cette année se totalisent à 19,953,000 de verges carrées au regard de 17,806,000 l'an dernier. Le total cumulé pour le premier semestre de cette année se chiffre par 124,094,000 de verges carrées comparativement à 115,283,000 l'an dernier.

L'Institut signale que l'augmentation est, partiellement, le résultat de l'augmentation du volume des mélanges de coton et de fibres synthétiques expédiés et qui sont classifiés comme tissus synthétiques.

Canadian Textiles

Les filatures canadiennes de textile ont expédié 3,941,000 de verges carrées d'étoffes de laine, de tissus de laine et laine peignée — au cours du mois de juin, comparativement à 2,451,000 durant le même mois l'an dernier.

En rendant publiques au jourd'hui ces statistiques, l'Institut Canadien des Textiles rapporte que le total cumulé pour cette année accusait une augmentation sur l'an dernier: 20,165,000 de verges carrées au regard de 18,109,000.

Les filatures canadiennes ont expédié plus de tissus faits de fibres synthétiques en juin que durant le mois correspondant de l'an dernier rapporte l'Institut Canadien des Textiles.

Les expéditions de juin de cette année se totalisent à 19,953,000 de verges carrées au regard de 17,806,000 l'an dernier. Le total cumulé pour le premier semestre de cette année se chiffre par 124,094,000 de verges carrées comparativement à 115,283,000 l'an dernier.

Madame Gaston Taillefer donne ici une démonstration de tissage sur un métier vieux de cent ans. A droite Mme Conrad Ringuette et à gauche, Mme Marcellin Demers du Cercle de Fermières local.

Le Cercle de fermières de Huntingdon tenait la semaine dernière sa deuxième exposition annuelle dans la salle de l'école Notre Dame. Un métier vieux de près de cent ans mais en bon état, était une des attractions principales. Plusieurs fermières apprirent à tisser au cours de l'année sous la direction de Mme Gaston Taillefer. A en juger par les articles en montre professeur et élèves méritent des félicitations. On pouvait aussi admirer un grand nombre d'articles de couture, de dentelle, des couvre-pieds par Mme Jeannette Cadoret. Les piqués très bien réussis et des vêtements pour dames et enfants qui feraient l'envie de nos jolis mannequins. Dans la section des aliments, nos cordons bleus étaient aussi bien représentés, tartes, gateaux, biscuits et bonbons vous en donnaient l'eau à la bouche. Malgré la saison un peu tardive cette année, les légumes y étaient de belle apparence et en variété.

VOYAGE ET BANQUET POUR LES JOUEURS DE BASEBALL

En récompense du beau travail fourni pendant la saison, les jeunes joueurs de la Ligue de Baseball Mineure de Huntingdon auront l'occasion d'aller assister à une partie de baseball professionnel majeur à Montréal. En effet, M. Marcolte nous apprend que les Expos de Montréal, par l'entremise de M. Jim Fanning, ont mis à la disposition des jeunes membres de la Ligue de Huntingdon cent billets gratuits pour la partie qui doit se disputer entre les Expos de Montréal et les Phillies de Philadelphie, dimanche, le 21 septembre, à 1.05 p.m., au Parc Jarry. Le départ se fera à 11 heures le matin, du parc derrière le Château et des autobus seront fournis à cet effet. Les responsables de la Ligue de Baseball Mineure de Huntingdon reçoivent en ce moment des commanditaires pour défrayer le coût de ce voyage qui devrait s'élever à environ \$100.00. Le comité exécutif de la Ligue a déjà promis d'en payer une partie.

Avis Medical
Lundi, le 1er septembre, (Fête du Travail) notre bureau sera ouvert dans l'après-midi pour les cas urgents seulement. Il n'y aura pas d'heures de bureau lundi soir.

BENEDICTION DES BATEAUX

La bénédiction annuelle des bateaux avait lieu à l'Hôtel Bel Air de Ste-Barbe, dont le propriétaire, Monsieur Alcide Benoit est jella Suprenant. Marielle Frappier, Irène Daignault, Li-Vallée de Ste-Barbe présidente de cette journée organisée annuellement par les Chevaliers de Colomb du Conseil 3957 de Huntingdon. Nous remercions les propriétaires des nombreuses embarcations qui se sont rendus sur les lieux pour cette journée ainsi qu'un certain nombre de chevaliers, quoique pas très nombreux, comme d'habitude dans les activités organisées. Excusez le petit reproche mais c'est vrai. Félicitations à l'organisation de cette journée très bien réussie et au gagnant de la tournée, M. André Ledue de Ste-Barbe, avec le billet No 2137.

Championnat baseball Bantam

Les quatre équipes de la section Bantam de la Ligue de Baseball Mineure de Huntingdon s'affrontaient dimanche en deux parties décisives pour découvrir l'équipe qui s'approprierait la première place. La lutte fut serrée tout le long de la saison et trois équipes se retrouvaient jusqu'à dimanche en première place, celle de Lussier & Frères, de Roch-Luzier & Frères, de Lussier & Frères. L'équipe de la Légion occupait seule le deuxième rang. La première partie disputée dimanche devant de nombreux et fervents spectateurs débuta vers 1.30. L'équipe de Lussier & Frères rencontra celle de la Légion. Les instructeurs de Lussier & Frères, MM. Gilles Alarie et Réjean Racine, conduisaient dans la lutte les joueurs suivants: Bruce Gill, lanceur; Cyrille Alarie, receveur; Douglas Blake, premier but; Denis Racine, 2e but; lanceur de relève et Capitaine de l'équipe: Gerald Lefebvre, 3e but; Marc Renaud, arrêt-court; Guy Derentigny, champ gauche; Donald Deme, champ centre; Albert Martin, champ centre; Michel Lefebvre, champ droit; Denis Chartrand, receveur et Peter Cameron, champ droit. L'équipe de la Légion, avec les instructeurs MM. Tony Ro-

'Unisex' Look Is Going To School

Boys and girls will be going back to school this year wearing the same style clothes. The Unisex trend - or as some prefer to call it, "the equality look" - is most remarkable in fabrics used to create children's fall clothing. Unisex fabrics in Canada include woven stripes, houndstooth, plaids, and checks of all types, twills, cover cloth and the newest "wet look" shiny cire nylon. There are still some fabrics that little girls have the best of both worlds at last. Fashion designers seem bent on equality in other ways. They create to make the young look sophisticated and the old look younger. They also use ideas from the past - peasant and country looks - as well as space age concepts like sleep jump suits in shiny metallic finish. There is no such divergence in one aspect of children's clothing. The fabrics must not grow old and are universally easy care. Children's wear manufacturers demand the most in wrinkle shedding, durable wash and wear qualities in all fabrics, whether man-made or specially treated natural fibres. Colors in children's wear for fall are to be darker than for last spring, but not quite as garish as in seasons past. Warm clear tones in reds, greens, navy and jewel tones are seen. The big message in new children's coat styles is fake animal. The pile fabrics are big and they come in imitations of hamster, kidskin and sheepskins, in classic blazer or reefer styles for boys and girls. The kids dig the furry look of pile fabrics and also the smooth look of fake leather. Nylon cire fabrics create this space age leather look especially in gold, copper or silver metallic finishes. Unisex school clothes include pants with dresses, pants with tunics, pants with vests, pants with coats, pants with jackets - pants and more pants flared wide, wider and widest. For the littlest girl or boy the outfits are carefully co-ordinated. Canada is producing a nation of fashion conscious youngsters according to a children's wear buyer for a large retail store. One of the biggest items is a co-ordinate outfit of slacks, turtle neck sweater and mini dress for tiny babies which resembles pant outfits for grown-ups. The tunic that can be worn alone as a mini dress or as a top with pants is another favorite. The youthful fashions dresses, suits and coats for both sexes are all available in knits of great variety which are also without exception the easy care type.

The Last Picture of Johnny

JOHNNY WON'T START SCHOOL THIS YEAR

ON THE FIRST DAY EVERYONE NOTICED THE VACANT DESK — JOHNNY'S DESK. IT STOOD OUT LIKE AN EMPTY CHASM TO HIS CLASSMATES. WHAT HAPPENED TO JOHNNY HAPPENS TO MORE THAN 3,000 BOYS AND GIRLS OF SCHOOL AGE WHO ARE KILLED EACH YEAR BY AUTOMOBILES. THROUGH THEIR OWN HEEDLESSNESS AND CARELESSNESS OF MOTORISTS.

A CHILD'S IRRESPONSIBILITY ADDS TO A DRIVER'S RESPONSIBILITY.

LET US DO OUR PART TO SAVE THE LIVES OF OUR CHILDREN.

LET'S REDUCE TRAFFIC ACCIDENTS BY TRAINING OUR CHILDREN TO BE CAREFUL WHEN CROSSING STREETS AND TRAIN OURSELVES TO DRIVE SLOWLY.

WHAT HAPPENED TO JOHNNY HAPPENS TO MORE THAN 3,000 SCHOOL AGE CHILDREN EVERY YEAR.

Athelstan Social Notes

The August meeting of the Women's Missionary Society was held at the home of Miss Bessie Graham on Thursday afternoon August 21st, with seven members present.

The President conducted the meeting. Mrs. Tully read Psalm 121 and Mrs. Smyth led in Prayer.

Members were reminded to bring their offerings for the supply fund; also the Biafra relief fund to the September meeting. 1 birthday was reported.

Bessie Graham gave the lesson entitled "Encounter with people."

After the meeting a social hour was spent.

A family surprise party was given to Roger Campbell on his 74th birthday. The evening was spent playing cards. Lunch was served by the hostesses and the party broke up at midnight. Callers at the same home were Mr. and Mrs. Stanley Currie of Franklin Centre, Mr. and Mrs. Ronald Williams of Rockburn, Mr. and Mrs. Andy Kosturik of Montreal and sons Stephen and Brent.

W.O. W.S. and Mrs. Blackwood of Trenton were guests over the week-end of Mr. and Mrs. F. W. Hutchings and family and of Mr. and Mrs. S. Milne and Betty Chalmers. The Blackwoods are being moved to Edmonton.

Mr. and Mrs. S. Milne and Donald of St. Lambert, Miss Muriel Russel of St. Lambert and Miss Betty Chalmers of Montreal spent the week-end at their cottage.

Mr. and Mrs. Krushler of Malone were callers at the home of Mrs. Fred Roy. Mr. Pilon, Mr. and Mrs. D. Pilon and two sons of Lasalle were callers at the homes of their

GUNS ON EXHIBIT

The Winchester Gun Museum, housing one of the finest collections of small arms in the world, is currently celebrating its tenth anniversary.

The museum collection was originally compiled as a record of firearms development in America but has evolved into a study of projectile arms and firearms of every type and origin, containing over 5,000 different pieces with an estimated worth of more than \$1,000,000.

Oliver Winchester, the founder and first president of the Winchester Repeating Arms Company, is thought to have started the original collection in the late 1850's. Some of the pieces in the museum today were among those originally gathered by Mr. Winchester.

The collection was first placed on exhibit in 1910 when Thomas C. Johnson, a gun designer, decided that Winchester employees should have a chance to see it. The guns were privately displayed in the Winchester plant in New Haven until the outbreak of World War I, when the demand for plant space necessitated putting the exhibition back in storage until after World War II.

During this period, the main emphasis of the collection remained on American firearms developed during the 19th and 20th centuries. This, however, changed in 1951 when Winchester purchased the Edwin Pugley collection of over 2,268 guns and 600 accessories. The addition of the Pusley firearms, one of the most representative private collections in the world, plus subsequent selective buying have made the exhibition at the museum one of the most complete assemblages of both European and American armaments in the world.

WOOLLEN VOLUME JUMPS FOR JUNE

Canadian textile mills shipped 3,941,000 square yards of wool cloth — woollens and worsteds — in June, compared with 3,451,000 in the same month last year.

In releasing these figures today, Canadian Textiles Institute reported that cumulative total last: 20,165,000 square yards to 18,109,000.

got a call which proved to be a brush fire, at first it was supposed to be a house fire, but unfortunately it proved to be only an attended brush fire. It is always better to be safe than sorry. An early call can save a home.

Covey Hill

COVEY HILL — Mr. and Mrs. Harold Waite of Middleboro, Mass. spent a few days with Mr. and Mrs. K. M. Sample and also called on friends.

Service was held at Russelltown Church on Sunday, August 24th.

Mr. and Mrs. Ross Baskin of Montreal were Thursday callers of Mr. and Mrs. George McKee.

Sorry to report: Mrs. Robt. Whyte fell and is in the Barrie Memorial Hospital.

Mrs. Edna Hanna of Scarborough, Ont., is spending her holidays with Mr. and Mrs. H. K. Curran.

Rockburn

ROCKBURN — Recent guests of Mr. and Mrs. Neilson and family were Mr. and Mrs. John Rutledge and family of Framingham, Mass., and Mr. A. A. Johnson of Albany, Mrs. Stanley Waite of Montreal, was a Sunday guest at the same home.

Mr. and Mrs. James Lamb were pleasantly surprised on Tuesday afternoon when Mr. and Mrs. L. Cusson of St. Martin, former neighbors whom they had not seen for thirty-five years called in to visit with them.

Mr. and Mrs. Merrill Rose were Friday guests at the home of Mr. and Mrs. Albert C. Rosevear, Montreal.

Mr. and Mrs. Eric Lamb and family of Churubusco, were Sunday afternoon visitors at the home of Mr. and Mrs. Ronald Maither.

Mr. and Mrs. K. J. Sutherland and nephew Robert Sutherland of Montreal were Saturday afternoon and supper guests at the home of Miss Jean and Mrs. Trainer. Wednesday evening visitors of the same home were Dr. A. White and Mrs. M. Shattuck of Huntingdon.

UCW In Covey Hill Talk Over Slum Situation

The Wesley Knox U.C.W. held its monthly meeting at the A.B. Fraser home on Thursday afternoon Aug. 14th. Due to illness and vacations, there was a very small attendance. The devotions were taken by the pres. Mrs. K. M. Sample. Mrs. Stewart reported that the quilt which had been done earlier had been sold. Letters were read acknowledging cards and gifts sent to shut-ins. Mrs. Sample related how Dr. D. Bruce Johnson, minister of the 5th Ave., United Church, Medi-

LOCUS LOSES ITS FOCUS

Well, it had to end sometime. About midsummer, the Locus Youth Club people took down their posters, shouldered their ping-pong table, and vacated the erstwhile "LOCUS" clubhouse, Huntingdon's Heath Hall, in search of another meeting place.

They're still searching. Heath Hall is now leased as a warehouse and the town's youth will gather there no more. BUT —

Mrs. Heath's generosity in giving the Locus club the use of her hall, during the entire past school year, has won her the deep gratitude and respect of Locus members. Locus has served a very useful function in the community, but such a club would have been inconceivable without a meeting place. The youthful energy of the ever-increasing number of members was channelled into constructive entertainment, involvement, and enjoyment through various club-based activities; Heath Hall was poster, painted into a true-to-life clubhouse by Locus youth.

Today the Locus Club is homeless: a summer-long search has brought forth only a tentative possibility of a part-time hall for the club.

This is not what the Locus really needs; what it needs is a full-time, home-away-from-home type of place, a place to be molded into a true LOCUS.

Aubrey-Riverfield

During the summer months special music has been heard each Sunday at the United Church and several children have been heard. On Sunday Aug. 17 Janie, Mark, and Scott Templeton sang, "It is no secret what God can do" with Mark harmonizing and playing the guitar. The trio was accompanied by Mrs. Crawford at the organ.

Mr. and Mrs. Kenneth Allen accompanied by Mr. and Mrs. Clarence Forrester of Ormstown enjoyed a trip last week to Prince Edward Is. going via

the U.S.A. and returning by Matapedia Valley, a tour of Quebec City and home.

Mrs. Fred Armstrong and Martha, Dundee, were Friday dinner guests of Mr. and Mrs. E. M. Wood.

Weekend guests of Mr. and Mrs. Brisbane were Mr. and Mrs. David Mules of Dorval. Sunday visitors at the Koski home were Mr. and Mrs. Raymond Thompson Chateaugay, N.Y.

Mr. and Mrs. Derwent Lewis and three children of Toronto were Friday guests of his

Powerscourt

Mr. and Mrs. Wm. Willock, Temple City, California are guests of Mr. and Mrs. John Koski.

Mr. and Mrs. Maitland Lewis and three children, Gault St. Marie, spent a week with his mother, Mrs. Wm. Lewis.

Mr. and Mrs. Derwent Lewis and three children of Toronto were Friday guests of his

CERCLE DE FERMIERES HOLD EXPO

A century old hand loom held centre stage at the Cercle de Fermieres exhibition in Huntingdon last week. Tables laden with quilts, flower arrangements, sewing and cooking filled the gymnasium of Notre Dame School during the Wednesday and Thursday affair.

Thirty-three carpets, some turned out on the antique loom, formed the largest single display. Ten Fermieres have become proficient on the weaving loom under the tutelage of Mrs. Gaston Taillefer of Godmanchester. It was acquired in July from Mr. Nelson Brunet.

Judges at this second annual exhibition were Huntingdon agronomer J. D. Lalonde, Mrs. Beatrice D'Aous, of St. Stanislas de Kostka, and Mrs. Carmen Brazeau of Beauharnois. Section winners were:

Bed cover, not quilted — R. Brunet, M. A. Thibeault, Leandre Racine.

Bed cover, hand appliqued — C. Ringuette, A. Latulipe.

Bed cover, crocheted — R. Payant.

Bed cover, knitted — G. Leduc.

Bed cover, made of wool — A. Latulipe, A. Racine.

Braided rugs — A. Latulipe, R. Brunet.

Assorted rugs — G. Taillefer, M. Laberge, M. A. Thibeault.

Two-piece, skirt and blouse — M. Lecavalier, L. Racine, R. Taillefer.

Slacks, blouse — Lecavalier.

Dress, individual choice — M. Ricard, R. Duranceau, G. Lettre.

Dressing gown — Daigneault.

Fancy apron — M. Lecavalier, L. Racine, F. Daigneault.

Pot holders, any material — Daigneault, Brunet.

Pot holders, crochet — Thibeault, G. Leduc, O. Perras, A. Latulipe, G. Leduc.

Cushion, crochet — G. Leduc, L. Racine, P. Carriere.

Shoe Bag — G. Leduc, M. A. Thibeault, M. Ricard.

Handbag, crochet — R. Payant, G. Taillefer.

Ladies slacks — L. Racine, R. Brunet, G. Taillefer, R. Brunet.

Sweater — R. Taillefer, R. Brunet.

Slippers — T. Daigneault, M. Ricard.

Knitted slippers — M. A. Thibeault, G. Leduc, C. Ringuette.

Girl's Coat — G. Taillefer.

Centre-piece, crochet — C. Ringuette, R. Brunet, G. Taillefer.

Embroidered center-piece — M. Laberge, L. Daigneault.

Framed painting — R. Brunet, C. Ringuette, L. Racine.

Hooked rugs — A. Latulipe, R. Duranceau, C. Ringuette.

Fur Rugs — L. Racine, R. Brunet.

Woven Cushions — G. Leduc.

Tea Cloths — G. Leduc.

Dollies — G. Leduc.

Woven rugs — G. Taillefer.

Woven drapes — G. Taillefer.

Carpets — G. Taillefer, C. Ringuette, M. Lecavalier.

Plain woven rug — M. Ricard, G. Taillefer.

Fancy woven rug — Gaston Taillefer.

Sugar pie — L. Racine.

Apple Pie — M. Ricard, L. Racine, M. Demers.

Lemon Pie — L. Racine, R. Brunet.

Fudge — L. Racine.

Fudge — R. Brunet.

Macaroons — R. Brunet.

Date Squares — R. Brunet.

Assorted jellies — G. Leduc, R. Brunet.

Green Relish — R. Brunet, G. Leduc.

Pickled cucumbers — A. Latulipe, M. Demers, O. Perras, G. Leduc.

Doll — L. P. Larin, G. Taillefer.

Odd articles — G. Taillefer, L. Racine, M. Laberge.

Fern — M. A. Thibeault, G. Taillefer.

Palmtree — M. A. Thibeault.

Wild flowers — W. Ricard.

Cut flowers — W. Ricard, A. Latulipe.

Begonia — M. Ricard, G. Taillefer.

Rubber plant — M. A. Thibeault, G. Leduc, G. Taillefer.

Begonia — M. Laberge.

Table Decoration — W. Ricard, G. Taillefer, C. Ringuette.

Cactus — W. Ricard, G. Leduc.

Tuberous begonia — M. Ricard, G. Taillefer, P. Carriere.

African viole — A. Latulipe, G. Taillefer, C. Ringuette.

Geranium — M. Ricard.

Coleus — M. Laberge, M. Ricard.

Potatoes — G. Leduc, A. Latulipe.

Onions — A. Latulipe, M. Lecavalier, M. Ricard.

Corn — R. Duranceau.

Red tomatoes — L. Racine, R. Brunet.

Green tomatoes — G. Leduc, A. Latulipe, R. Brunet.

Beans — G. Leduc, A. Latulipe, M. Ricard.

Squash — M. Ricard.

Beets — M. Ricard, A. Latulipe.

Peppers — A. Latulipe.

Carrots — M. Lecavalier, A. Latulipe, R. Brunet.

Ripe cucumbers — W. Ricard.

Garlic — A. Latulipe.

Green cucumbers — R. Duranceau, M. Ricard, L. Racine.

Mrs. Conrad Ringuette, first vice-president, said 117 visitors attended the show on its first day and 230 during its second. According to Vice-President Mrs. Marcelin Demers, the turnout eclipsed last year's attendance even though Fermieres membership figures slipped slightly during the year.

A quilt drawn for at the end of the show was won by Mrs. Jeanette Cadoret of Huntingdon. The Cercle intends to put draw proceeds into a new sweater, Mr. William Dunlop.

Recent visitors at the Brady home were Mr. and Mrs. Carter Brady, Saranac Lake, N.Y., and Mr. and Mrs. Charles Dolphin and daughter, Ann, New Jersey; also sister Loyola from the Ursuline Academy, Malone, N.Y., and sister Consolata, Nashua, New Hampshire. Sister Loyola and sister Consolata are the daughters of the late Mr. and Mrs. Thomas Shane, Westville, N.Y.

Mrs. Jean-Pierre Leduc, Louise Plante, Jean-Louis Hart and Mr. and Mrs. Clarence Platt.

Mr. Percy Brownrigg, L'Acadia and Mrs. Florence Davis, Montreal spent Thursday afternoon with Mr. and Mrs. Henry of Quebec were Sunday guests of Miss Blanche Chartrand, and Mr. and Mrs. Orville Diotte kets.

For added storage protection for your blankets, after laundering, add a cup of mothballs to the rinse water. The mothballs dissolve in the warm water and evenly saturate the blanket.

Miss Joanne Hunter spent a week with her brother and sister-in-law, Mr. and Mrs. Kenneth Hunter, in Ayers Cliff. Mrs. Phyllis Horn and Mrs. Elinor Crosby of Huntingville were week-end guests of Mr. and Mrs. B. A. Rankin.

Miss Blanche Chartrand enjoyed a visit with Mr. and Mrs. Real Himbeau and family at Mont Roland.

Mr. and Mrs. P. Dufresne of Quebec were Sunday guests of Miss Blanche Chartrand, and Mr. and Mrs. Orville Diotte kets.
