Back of the "R" Shield watermark in Rolland's comprehensive line of fine papers lies more than three-quarters of a century of experience —and a tradition of excellence.

The watermark signifies that each paper is, in its class, the best that craftsmanship and modern machinery can produce.

This applies all the way down the line from Superfine Linen Record, Canada's finest all-new-rag bond, to such all-sulphite bonds as Service Bond and Rockland Bond.

PLEASE!

DO NOT LEND YOUR CITY DIRECTORY

IT COSTS YOU MONEY — Every Time It Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

This Directory is leased to the Subscriber and remains the property of the Publishers
