

commonly called the Township of Somerset, to a Post Corner for the South Westely Corner of the said tract of Our Waste Lands  
whereof a Survey hath so as aforesaid been made commonly called the Township of Somerset and the South Easterly angle of  
the said tract of Our Waste Lands commonly called the Township of Mansfield thence North Nine Degrees Forty five Minutes East  
along the Division line between the said tract of Our Waste Lands commonly called the Township of Mansfield and the said tract  
of Our Waste Lands whereof a Survey hath so as aforesaid been made commonly called the Township of Somerset Nine hundred  
and sixty Chains to a Post corner on the South Easterly bank of the River Mecumica, Marking the North Easterly Corner of the  
said tract of Our Waste Lands commonly called the Township of Mansfield thence in the continuation of the said line North  
Nine Degrees Forty five Minutes East, Fifty five Chains, thirty links to a Post corner on the North Westely angle of the said tract  
of Our Waste Lands whereof a Survey hath so as aforesaid been made, commonly called the Township of Somerset, and thence  
thence North Fifty eight Degrees East, Four hundred and thirty six Chains, twenty five links along the Division line between  
the said tract of Our Waste Lands whereof a Survey hath so as aforesaid been made, commonly called the Township of Somerset,  
the tract of Our Waste Lands commonly called the Township of Mansfield and the said Seignory of Lotbiniere to the place of  
beginning containing about Fifty two thousand Eight hundred and Fifty two Acres and the usual allowances for Highways  
+ Now therefore Know Ye, That We, of Our especial Grace, certain Knowledge, and Mee Motion have created,  
created, and constituted, and, by these Presents, do create, create, and constitute, the tract of Land above mentioned, as an above said  
Surveyed by Our said Surveyor General, by Virtue of the aforesaid Warrant of Survey, and therein to be lawfully described, and  
every Part and Parcel thereof, a Township, for ever hereafter to be, continue, and remain a Township, and by the Name of Somerset  
for ever hereafter to be called, known, and distinguished. And Whereas, Our well beloved Grantees herein after  
named, by the Petition of Lieutenant Colonel <sup>de Comte</sup> Dupre on their behalf made, bearing date the twenty second Day of May in the Year  
of Our Lord, One thousand Eight hundred and two, have humbly requested Us to Grant unto them and their Heirs and  
Assigns for ever, in Free and Common Socage, the said Township of Somerset. And Whereas Our said Grantees  
and well beloved Sir Robert Shore Milnes, Baronet, Our Lieutenant Governor of Our said Province and Our  
Executive Council of Our said Province, having duly and Maturely considered the said Petition, have thereof approved,  
and have adjudged to be reasonable and advisable that We should Grant the said Township of Somerset unto the  
said Grantees herein after named, and unto their Heirs and Assigns for ever, in Free and Common Socage, upon the  
Terms and Conditions, and subject to the Provisions, Statutes, Orders, Restrictions, and Regulations prescribed by  
the Statute in such Case made and provided, And by Our Word, We have granted, and do hereby give in this behalf.

N. S.  
1764

And whereas, in Obedience to Our said Royal Instructions, and by virtue of the aforesaid Warrant of Survey to him for this purpose also directed, Our said Surveyor General, hath surveyed and divided the said Township of Somerset into Seven Ranges or Rows at equal Distances of seven or three Chains five Links, Numbered from the North West, towards the South East from Number One to Number Seven inclusive, and the said Seven Ranges or Rows hath subdivided into Lots of twenty eight Chains, forty five Links in Length as follows, that is to say, The first Range into seventeen Lots, The second Range into nineteen Lots, The third Range into twenty one Lots, The fourth Range into twenty three Lots, The fifth Range into twenty six Lots, The sixth Range into twenty eight Lots, The seventh Range into thirty Lots, The eighth Range into thirty two Lots, The ninth Range into thirty four Lots, The tenth Range into thirty six Lots, And the eleventh Range into nineteen Lots, Numbered from the North East towards the South West, each Lot containing as nearly as Circumstances and the Nature of the Case would admit two hundred Acres, and the usual Allowance for Highways, - Save and except the irregular Lots which are bounded and abutted as follows, that is to say, - Lot Number sixteen in the first Range, bounded and abutted as follows, that is to say, Beginning at a Post standing on the Division Line between the Township of Stafford and the said Township of Somerset, Marked 15. 16, being the Division Line between the Lots Numbers fifteen and sixteen, Running from thence South thirty three Degrees thirty Minutes East till intersected by the Division Line between the first and second Ranges, thence South fifty eight Degrees West twenty eight Chains, seventy six Links, thence North thirty three Degrees thirty Minutes West till intersected by the Division Line between the said tract of Our Waste Lands commonly called the Township of Stafford and the said Township of Somerset, thence North nine Degrees, forty five Minutes East till intersected by the Division Line between the said Township of Stafford and the said Township of Somerset and from thence North fifty eight Degrees East to the place of beginning, containing about one hundred and ninety nine Acres, including the usual Allowance for Highways. - Lot Number seventeen in the first Range, bounded and abutted as follows, that is to say, Beginning at a Post standing on the Division Line between the said tract of Our Waste Lands commonly called the Township of Stafford and the said Township of Somerset, Marked 16. 17, being the Division Line between the Lots Numbers sixteen and seventeen, Running from thence South thirty three Degrees, thirty Minutes East till intersected by the Division Line between the first and second Ranges, thence South fifty eight Degrees West till intersected by the Division Line between the said tract of Our Waste Lands commonly called the Township of Stafford and the said Township of Somerset, and from thence North nine Degrees, forty five Minutes East to the place of beginning, containing about one hundred and forty two Acres, including the usual Allowance for Highways. - Lot Number eighteen in the second Range bounded and abutted as follows, that is to say, Beginning at a Post standing on the Division Line between the first and second Ranges Marked 17. 18, being the Division Line between the Lots Numbers seventeen and eighteen, Running from thence South thirty three Degrees

thirty Minutes East

Thirty Minutes East till intersected by the Division Line between the Second and Third Ranges, thence South, Fifty eight Degrees West,  
Seven and eight Chains, seventy five Links, thence North Thirty three Degrees, Thirty Minutes West till intersected by the Division Line  
between the said tract of Our Waste Lands commonly called the Township of Stanfold and the said Township of Somerset,  
thence North Nine Degrees Forty five Minutes East till intersected by the Division Line between the First and Second Ranges,  
and from thence North, Fifty eight Degrees East to the place of beginning, containing about Two Hundred and four Acres,  
including the usual allowance for Highways. — Lot Number Nineteen in the Second Range bounded and abutted as follows,  
That is to say, Beginning at a Post standing on the Division Line between the said tract of Our Waste Lands commonly called the  
Township of Stanfold and the said Township of Somerset, Marked 18. 19. being the Division Line between the Lots Numbers Eighteen  
and Nineteen, Running from thence South, Thirty three Degrees, Thirty Minutes East till intersected by the Division Line between the  
Second and Third Ranges, thence South, Fifty eight Degrees West till intersected by the Division Line between the said tract of Our Waste  
Lands commonly called the Township of Stanfold and the said Township of Somerset and from thence North, Nine Degrees Forty five  
Minutes East, to the place of beginning, containing about One hundred and seventy Acres, including the usual allowance for Highways.  
Lot Number twenty in the Third Range bounded and abutted as follows, That is to say, Beginning at a Post standing on the Division  
Line between the Second and Third Ranges Marked 19. 20. being the Division Line between the Lots Numbers Nineteen and twenty, Running  
from thence South, Thirty three Degrees, Thirty Minutes East till intersected by the Division Line between the Third and fourth Ranges,  
thence South Fifty eight Degrees West twenty eight Chains, seventy five Links, thence North, Thirty three Degrees, Thirty Minutes West  
till intersected by the Division Line between the said tract of Our Waste Lands commonly called the Township of Stanfold and the  
said Township of Somerset, thence North, Nine Degrees Forty five Minutes East till intersected by the Division Line between  
the Second and Third Ranges and from thence North, Fifty eight Degrees East to the place of beginning, containing about  
Two Hundred and eight Acres, including the usual allowance for Highways. — Lot Number Twenty One in the Third  
Range bounded and abutted as follows, That is to say, Beginning at a Post standing on the Division Line between the  
said tract of Our Waste Lands commonly called the Township of Stanfold and the said Township of Somerset, Marked 20. 21.  
being the Division Line between the Lots Numbers Twenty and Twenty One, Running from thence South, Thirty three Degrees, Thirty  
Minutes East till intersected by the Division Line between the Third and Fourth Range, thence South Fifty eight Degrees West  
till intersected by the Division Line between the said tract of Our Waste Lands commonly called the Township of Stanfold and the  
said Township of Somerset and from thence North, Nine Degrees Forty five Minutes East, to the place of beginning,  
containing about Two Hundred and twenty Acres, including the usual allowance for Highways. — Lot Number

4  
Lot Number twenty three in the fourth Range, bounded and abatted as follows, that is to say, Beginning at a Post standing on the division line, between the tract of Our Waste Lands commonly called the Township of Mansfield and the said Township of Somerset, Marked 22, 23, being the division line between the Lots Numbers twenty two and twenty three, Turning from thence South thirty three Degrees, thirty Minutes East till intersected by the division line, between the fourth and fifth Ranges, thence South fifty eight Degrees West till intersected by the division line, between the said tract of Our Waste Lands commonly called the Township of Mansfield and the said Township of Somerset, and from thence North, nine Degrees, forty five Minutes East to the place of beginning, containing about two hundred and forty one Acres, including the usual allowance for Highways. Lot Number twenty five in the fifth Range, bounded and abatted as follows, that is to say, Beginning at a Post standing on the division line between the fourth and fifth Ranges, Marked 24, 25, being the division line between the Lots Numbers twenty four and twenty five, Running from thence South thirty three Degrees, thirty Minutes East till intersected by the division line, between the fifth and sixth Ranges, thence South, fifty eight Degrees West twenty eight Chains, seventy five Links, thence North, thirty three Degrees, thirty Minutes West till intersected by the division line, between the said tract of Our Waste Lands, commonly called the Township of Mansfield and the said Township of Somerset, thence North nine Degrees, forty five Minutes East till intersected by the division line, between the fourth and fifth Ranges, and from thence North fifty eight Degrees East, to the place of beginning, containing about one hundred and eighty one Acres, including the usual allowance for Highways. Lot Number twenty six in the fifth Range, bounded and abatted as follows, that is to say, Beginning at a Post standing on the division line between the said tract of Our Waste Lands, commonly called the Township of Mansfield and the said Township of Somerset, Marked 25, 26, being the division line between the Lots Numbers twenty five and twenty six, Turning from thence South, thirty three Degrees, thirty Minutes East till intersected by the division line, between the fifth and sixth Ranges, thence South, fifty eight Degrees West till intersected by the division line, between the said tract of Our Waste Lands commonly called the Township of Mansfield and the said Township of Somerset, and from thence North, nine Degrees, forty five Minutes East to the place of beginning, containing about ninety Acres, including the usual allowance for Highways. Lot Number twenty seven in the sixth Range, bounded and abatted as follows, that is to say, Beginning at a Post standing on the division line, between the fifth and sixth Ranges, Marked 26, 27, being the division line between the Lots Numbers twenty six and twenty seven, Turning from thence South, thirty three Degrees, thirty Minutes East till intersected by the division line, between the sixth and seventh Ranges, thence South, fifty eight Degrees West, twenty eight Chains, seventy five Links, thence North, thirty three Degrees, thirty Minutes West till intersected by the division line, between the said tract of Our Waste Lands commonly called the Township of Mansfield and the said Township of Somerset, thence North, nine Degrees, forty five Minutes East till intersected by the division

The Division Line between the Fifth and Sixth Ranges, and from thence North Fifty eight Degrees East to the place of beginning  
Containing about One Hundred and Sixty One Acres, including the usual allowance for Highways. Lot Number Twenty Eight  
in the Sixth Range, Bounded and Abatted as follows, That is to say, Beginning at a Post Standing on the Division Line between  
the said tract of Our Waste Lands Commonly called the Township of Stanfold and the said Township of Somerset Marked 27. 28.  
being the Division Line between the Lots Numbers Twenty Seven and Twenty eight, Running from thence South, Thirty three Degrees  
Thirty Minutes East, till intersected by the Division Line, between the Sixth and Seventh Ranges, thence South, Fifty eight Degrees West  
till intersected by the Division Line, between the said tract of Our Waste Lands Commonly called the Township of Stanfold and the said  
Township of Somerset, and from thence North, Nine Degrees, Forty five Minutes East, to the place of beginning, Containing about  
One Hundred and fourteen Acres, including the usual allowance for Highways. Lot Number Twenty Nine in the Seventh Range,  
Bounded and Abatted as follows, That is to say, Beginning at a Post Standing on the Division Line between the Sixth and Seventh Ranges  
Marked 28, 29, being the Division Line between the Lots Numbers Twenty eight and Twenty Nine, Running from thence South  
Thirty three Degrees, Thirty Minutes East till intersected by the Division Line, between the Seventh and Eighth Ranges, thence South  
Fifty eight Degrees West, Twenty eight Chains, seventy six Links, thence North, Thirty three Degrees, Thirty Minutes West till intersected  
by the Division Line between the said tract of Our Waste Lands Commonly called the Township of Stanfold and the said Township of  
Somerset, thence North Nine Degrees Forty five Minutes East, till intersected by the Division Line, between the Sixth and Seventh Ranges,  
and from thence North Fifty eight Degrees East, to the place of beginning. Containing about One Hundred and Ninety eight Acres,  
including the usual allowance for Highways. Lot Number Thirty in the Seventh Range, Bounded and Abatted as follows,  
That is to say, Beginning at a Post Standing on the Division Line, between the said tract of Our Waste Lands Commonly called the  
Township of Stanfold and the said Township of Somerset, Marked 29. 30, being the Division Line between the Lots Numbers  
Twenty Nine and Thirty, Running from thence South, Thirty three Degrees, Thirty Minutes East till intersected by the Division Line  
between the Seventh and Eighth Ranges, thence South, Fifty eight Degrees West, till intersected by the Division Line, between the said  
tract of Our Waste Lands Commonly called the Township of Stanfold and the said Township of Somerset, and from thence North,  
Nine Degrees, Forty five Minutes East to the place of beginning, Containing about One Hundred and Forty five Acres including  
the usual allowance for Highways. Lot Number Thirty One in the Eighth Range, Bounded and Abatted as follows,  
That is to say, Beginning at a Post Standing on the Division Line, between the Seventh and Eighth Ranges, Marked 30. 31,  
being the Division Line between the Lots Numbers Thirty and Thirty One, Running from thence South, Thirty three Degrees, Thirty  
Minutes East till intersected by the Division Line, between the Eighth and Ninth Ranges, thence South, Fifty eight Degrees West  
Twenty eight Chains

Twenty eight Chains, seventy five links, thence North, thirty three Degrees, thirty Minutes West till intersected by the division Line between the said tract of Our Waste Lands, commonly called the Township of Stanfold and the said Township of Somerset, thence North Nine Degrees Forty five Minutes East till intersected by the division Line between the seventh and Eighth Ranges, and from thence North fifty eight Degrees East to the place of beginning, containing about two hundred Acres, including the usual allowance for Highways. — Lot Number thirty two, in the Eighth Range, Bounded and abatted as follows, that is to say, Beginning at a Post Standing on the division Line between the said tract of Our Waste Lands, commonly called the Township of Stanfold and the said Township of Somerset Marked 31, 32, being the division Line between the Lots Numbers thirty one and thirty two, running from thence South, thirty three Degrees, thirty Minutes East till intersected by the division Line between the Eighth and Ninth Ranges, thence South fifty eight Degrees West till intersected by the division Line between the said tract of Our Waste Lands commonly called the Township of Stanfold and the said Township of Somerset, and from thence North Nine Degrees forty five Minutes East to the place of beginning, containing about one hundred and seventy six Acres, including the usual allowance for Highways. — Lot Number thirty three, in the Ninth Range, Bounded and abatted as follows, that is to say, Beginning at a Post Standing on the division Line between the Eighth and Ninth Ranges Marked 32, 33, being the division Line between the Lots Numbers thirty two and thirty three, running from thence South, thirty three Degrees, thirty Minutes East till intersected by the division Line between the Ninth and Tenth Ranges, thence South, fifty eight Degrees West twenty eight Chains, seventy five links, thence North, thirty three Degrees, thirty Minutes West till intersected by the division Line between the said tract of Our Waste Lands commonly called the Township of Stanfold and the said Township of Somerset, thence North, Nine Degrees forty five Minutes East till intersected by the division Line between the Eighth and Ninth Ranges, and from thence North, fifty eight Degrees East, to the place of beginning, containing about two hundred and eight Acres, including the usual allowance for Highways. — Lot Number thirty four, in the Ninth Range, Bounded and abatted as follows, that is to say, Beginning at a Post Standing on the division Line between the said tract of Our Waste Lands commonly called the Township of Stanfold and the said Township of Somerset Marked 33, 34, being the division Line between the Lots Numbers thirty three and thirty four, running from thence South, thirty three Degrees, thirty Minutes East till intersected by the division Line between the Ninth and Tenth Ranges, thence South fifty eight Degrees West till intersected by the division Line between the said tract of Our Waste Lands, commonly called the Township of Stanfold and the said Township of Somerset, and from thence North, Nine Degrees, forty five Minutes East, to the place of beginning, containing about one hundred and sixty four Acres including the usual allowance for Highways. — Lot Number thirty six, in the Tenth Range, Bounded and abatted as follows, that is to say, Beginning at a Post Standing on the division Line between the said tract of Our Waste Lands commonly called the Township of Stanfold and the said Township of Somerset Marked 35, 36, being the division Line between the Lots Numbers thirty five and thirty six, running from thence South, thirty three Degrees, thirty Minutes East till intersected by the division Line

The Division Line between the Tenth and Eleventh Ranges, thence South, Fifty eight Degrees West, Twenty eight Chains, Seventy five Links, thence North, Thirty three Degrees, Thirty Minutes West, will intersect by the Division Line between the said tract of Our Waste Lands commonly called the Township of Stamford and the said Township of Somerset, and from thence North, Nine Degrees, Forty five Minutes East, to the place of beginning, containing about One hundred and Sixty three Acres including the usual allowance for Highways.

Lot Number Thirty seven, in the Tenth Range, Bounded and abutted as follows, that is to say, Beginning at a Post standing on the Division Line between the said tract of Our Waste Lands commonly called the Township of Stamford and the said Township of Somerset, Marked 36. 37, being the Division Line between the Lots Numbers Thirty six and Thirty seven, running from thence South, Thirty three Degrees, Thirty Minutes East, will intersect by the Division Line between the Tenth and Eleventh Ranges, thence South, Fifty eight Degrees West, will intersect by the Division Line between the said tract of Our Waste Lands commonly called the Township of Stamford and <sup>said Township of</sup> Somerset, thence North, Nine Degrees, Forty five Minutes East, to the place of beginning, containing about Seventy One Acres including the usual allowance for Highways.

Lot Number Thirty eight, in the Eleventh Range, Bounded and abutted as follows, that is to say, Beginning at a Post standing on the Division Line between the Tenth and Eleventh Ranges, Marked 37. 38, being the Division Line between the Lots Numbers Thirty seven and Thirty eight, running from thence South, Thirty three Degrees, Thirty Minutes West, will intersect by the Division Line between the Townships of Athabaska and Somerset, thence South, Seventy Degrees West, will intersect by the Division Line between the said tract of Our Waste Lands commonly called the Township of Stamford and the said Township of Somerset, thence North, Nine Degrees, Forty five Minutes East, will intersect by the Division Line between the Tenth and Eleventh Ranges, and from thence North, Fifty eight Degrees East to the place of beginning, containing about Eighty three Acres including the usual allowance for Highways.

Lot Number Thirty nine, in the Eleventh Range, Bounded and abutted as follows, that is to say, Beginning at a Post standing on the Division Line between the Tenth and Eleventh Ranges, Marked 38. 39, being the Division Line between the Lots Numbers Thirty eight and Thirty nine, running from thence South, Thirty three Degrees, Thirty Minutes East, will intersect by the Division Line between the said Townships of Athabaska and Somerset, thence South, Seventy Degrees West, will intersect by the Division Line between the Lots Numbers Thirty seven and Thirty eight, thence North, Thirty three Degrees, Thirty Minutes West, will intersect by the Division Line between the Tenth and Eleventh Ranges, and from thence North, Fifty eight Degrees East to the place of beginning, containing about One hundred and twenty seven Acres, including the usual allowance for Highways.

Lot Number Forty, in the Eleventh Range, Bounded and abutted as follows, that is to say, Beginning at a Post standing on the Division Line between the Tenth and Eleventh Ranges, Marked 39. 40, being the Division Line between the Lots Numbers Thirty nine and Forty, running from thence South, Thirty three Degrees, Thirty Minutes East, will intersect by

N. J. Phelps

intersected by the Division line between the said Townships of Athabaska and Somerset, thence South, Seventy Degrees West will intersected by the division line between the Lots Numbers Thirty six and Thirty seven, thence North, Thirty three Degrees, Thirty Minutes West will intersected by the division line, between the Tenth and Eleventh Ranges, and from thence North, Fifty eight Degrees East to the place of beginning, Containing about One hundred and Forty eight Acres including the usual Allowance for Highways.

Lot Number Thirty five, in the Eleventh Range, bounded and abatted as follows, that is to say, Beginning at a Post Standing on the Division line, between the Tenth and Eleventh Ranges, Marked 24, 25, being the division line between the Lots Numbers Thirty four and Thirty five, Running from thence South, Thirty three Degrees, Thirty Minutes East will intersected by the Division Line between the said Townships of Athabaska and Somerset, thence South, seventy Degrees West will intersected by the division line between the Lots Numbers Thirty five and Thirty six, thence North, Thirty three Degrees, Thirty Minutes West will intersected by the division line between the Tenth and Eleventh Ranges, and from thence North, Fifty Eight Degrees East, to the place of beginning, Containing about One hundred and sixty two Acres, including the usual allowance for Highways.

Lot Number Thirty four, in the Eleventh Range, bounded and abatted as follows, that is to say, Beginning at a Post standing on the Division line between the Tenth and Eleventh Ranges, Marked 33, 34, being the division line between the Lots Numbers Thirty three and Thirty four, Running from thence South, Thirty three Degrees, Thirty Minutes East will intersected by the Division Line, between the said Townships of Athabaska and Somerset, thence South, Seventy Degrees West will intersected by the division line between the Lots Numbers Thirty four and Thirty five, thence North, Thirty three Degrees, Thirty Minutes West will intersected by the division line between the Tenth and Eleventh Ranges, and from thence North, Fifty eight Degrees East to the place of beginning, Containing about One hundred and seventy eight Acres including the usual allowance for Highways.

Lot Number Thirty three, in the Eleventh Range, bounded and abatted as follows, that is to say, Beginning at a Post Standing on the division line, between the Tenth and Eleventh Ranges, Marked 32, 33, being the division line between the Lots Numbers Thirty two and Thirty three, Running from thence South, Thirty three Degrees, Thirty Minutes East will intersected by the division line between the said Townships of Athabaska and Somerset, thence South, seventy Degrees West will intersected by the division line between the Lots Numbers Thirty three and Thirty four, thence North, Thirty three Degrees, Thirty Minutes West will intersected by the division line between the Tenth and Eleventh Ranges, and from thence North, Fifty eight Degrees East to the place of beginning, Containing about One hundred and Eighty five Acres, including the usual allowance for Highways.

Lot Number Thirty two, in the Eleventh Range, bounded and abatted as follows, that is to say, Beginning at a Post Standing on the division line between the Tenth and Eleventh Ranges, Marked 31, 32, being the division line between the Lots Numbers Thirty one and Thirty two, Running from thence South, Thirty three Degrees, Thirty Minutes East will intersected by the Division line between the said Townships of Athabaska and Somerset, thence South, seventy Degrees West will intersected by the Division line between the Lots Numbers Thirty two and Thirty three, thence North, Thirty three Degrees, Thirty Minutes West will intersected by the Division line, between the Tenth and Eleventh

Lot Number Eleven

Lot Number Eleven in the Tenth Range, bounded and abutted as follows, that is to say, Beginning at a Post Standing on the division line between the Ninth and Tenth Ranges, Marked 10. 11. being the division line between the Lots Numbers Ten and Eleven, running from thence South Thirty three Degrees, Thirty Minutes East till intersected by the division line between the said Tract of Our Waste Lands Commonly called the Township of Inverness and the said Township of Somerset, thence South Forty seven Degrees West till intersected by the division line between the Lots Numbers Eleven and Twelve, thence North, Thirty three Degrees, Thirty Minutes West till intersected by the division line between the Ninth and Tenth Ranges, and from thence North, Fifty eight Degrees East, to the place of beginning, containing about Ninety two Acres, including the usual allowance for Highways. - Lot Number Ten, in the Tenth Range, bounded and abutted as follows, that is to say, Beginning at a Post Standing on the division line between the Ninth and Tenth Ranges, Marked 9. 10. being the division line between the Lots Numbers Nine and Ten, running from thence South, Thirty three Degrees, Thirty Minutes East till intersected by the division line between the said Tract of Our Waste Lands Commonly called the Township of Inverness and the said Township of Somerset, thence South, Forty seven Degrees West till intersected by the division line between the Lots Numbers Ten and Eleven, thence North, Thirty three Degrees, Thirty Minutes West till intersected by the division line between the Ninth and Tenth Ranges, and from thence North, Fifty eight Degrees East to the place of beginning, containing about Ninety three Acres, including the usual allowance for Highways. - Lot Number Nine in the Tenth Range, bounded and abutted as follows, that is to say, Beginning at a Post Standing on the division line between the Ninth and Tenth Ranges, Marked 8. 9. being the division line between the Lots Numbers Eight and Nine, running from thence South, Thirty three Degrees, Thirty Minutes East till intersected by the division line between the said Tract of Our Waste Lands Commonly called the Township of Inverness and the said Township of Somerset, thence South Forty seven Degrees West till intersected by the division line between the Lots Numbers Nine and Ten, thence North Thirty three Degrees, Thirty Minutes West till intersected by the division line between the Ninth and Tenth Ranges, and from thence North, Fifty eight Degrees East to the place of beginning, containing about Fifty four Acres, including the usual allowance for Highways. - Lot Number Eight in the Tenth Range, bounded and abutted as follows, that is to say, Beginning at a Post Standing on the division line between the Ninth and Tenth Ranges, Marked 8. 8. being the division line between the Lots Numbers Eight and Nine, running from thence North, Fifty eight Degrees East till intersected by the division line between the said Tract of Our Waste Lands Commonly called the Township of Inverness and the said Township of Somerset, thence South, Forty seven Degrees West till intersected by the division line between the Lots Numbers Eight and Nine, and from thence North, Thirty three Degrees, Thirty Minutes West to the place of beginning, containing about Fifty eight Acres, including the usual allowance for Highways. - Lot Number Six in the Ninth Range, bounded and abutted as follows, that is to say, Beginning at a Post Standing on the division line between the Eighth and Ninth Ranges, Marked 5. 6. being the division line between the Lots Numbers five and six, running

Running from thence South, Thirty three Degrees, Thirty Minutes East till intersected by the division line between the said tract of Our Waste Lands commonly called the Township of Inverness and the said Township of Somerset, thence South Forty seven Degrees West till intersected by the division line between the Ninth and Tenth Ranges, thence South, Fifty eight Degrees West till intersected by the division line between the Lots Numbers six and seven, thence North Thirty three Degrees, Thirty Minutes West till intersected by the Division line between the Eighth and Ninth Ranges and from thence North Fifty eight Degrees East to the place of beginning, containing about two hundred and five acres, including the usual allowance for Highways. — Lot Number five in the Ninth Range, Bounded and abutted as follows, that is to say, Beginning at a Post standing on the division line between the Eighth and Ninth Ranges, Marked A. 5. being the division line between the Lots Numbers four and five, turning from thence South, Thirty three Degrees, Thirty Minutes East till intersected by the Division line between the said tract of Our Waste Lands commonly called the Township of Inverness and the said Township of Somerset, thence South Forty seven Degrees West till intersected by the division line between the Lots Numbers five and six, thence North, Thirty three Degrees, Thirty Minutes West till intersected by the division line between the Eighth and Ninth Ranges and from thence North, Fifty eight Degrees East to the place of beginning, containing about One hundred and Ninety One Acres, including the usual allowance for Highways. — Lot Number four in the Ninth Range, Bounded and abutted as follows, that is to say, Beginning at a Post standing on the Division line between the Eighth and Ninth Ranges, Marked B. 4. being the division line between the Lots Numbers three and four, running from thence South, Thirty three Degrees, Thirty Minutes East till intersected by the division line between the said tract of Our Waste Lands commonly called the Township of Inverness and the said Township of Somerset, thence South Forty seven Degrees West till intersected by the division line between the Lots Numbers four and five, thence North Thirty three Degrees, Thirty Minutes West till intersected by the Division line, between the Eighth and Ninth Ranges and from thence North Fifty eight Degrees East, to the place of beginning, containing about One hundred and Seventy three Acres, including the usual allowance for Highways. — Lot Number three in the Ninth Range, Bounded and abutted as follows, that is to say, Beginning at a Post standing on the division line, between the Eighth and Ninth Ranges, Marked C. 3. being the division line between the Lots Numbers two and three, running from thence South, Thirty three Degrees, Thirty Minutes East till intersected by the Division line between the said tract of Our Waste Lands commonly called the Township of Inverness and the said Township of Somerset, thence South Forty seven Degrees West till intersected by the Division line between the Lots Numbers three and four, thence North Thirty three Degrees, Thirty Minutes West till intersected by the Division line between the Eighth and Ninth Ranges and from thence North Fifty eight Degrees East to the place of beginning, containing about One hundred and Fifty six Acres, including the usual allowance for Highways. — Lot Number two in the Ninth Range, Bounded and abutted as follows,

That is to say,

N. J. [Signature]

That is to say, Beginning at a Post standing on the Division Line, between the Eighth and Ninth Ranges Marked 1. 2. being the Division Line between the Lots Numbers One and Two, Running from thence South, Thirty three Degrees, Thirty Minutes East till intersected by the Division Line between the said tract of Our Waste Lands Commonly called the Township of Inverness and the said Township of Somerset, thence South Forty seven Degrees West till intersected by the Division Line between the Lots Numbers Two and Three, thence North Thirty three Degrees, Thirty Minutes West till intersected by the Division Line, between the Eighth and Ninth Ranges, and from thence North, Fifty eight Degrees East to the place of beginning, Containing about One hundred and thirty six Acres, including the usual allowance for Highways.

Lot Number One, in the Ninth Range, Bounded and allotted as follows, That is to say, Beginning at a Post standing on the Division Line between the Eighth and Ninth Ranges Marked 1. 2. being the Division Line between the Lots Numbers One and Two, Running from thence South, Thirty three Degrees, Thirty Minutes East till intersected by the Division Line, between the said tract of Our Waste Lands, Commonly called the Township of Inverness and the said Township of Somerset, thence North Forty seven Degrees East till intersected by the Division Line between the Townships of Nelson and Somerset, thence North, Thirty three Degrees, Thirty Minutes West along the said line till intersected by the Division Line, between the Eighth and Ninth Ranges, and from thence South, Fifty eight Degrees West to the place of beginning, Containing about One hundred and nineteen Acres, including the usual allowance for Highways.

And whereas also, Our said Surveyor General, in Obedience to the Statute in such Case made and provided, and to Our said Royal Instructions in this behalf, and by virtue of the aforesaid Warrant of Survey to him for this purpose also directed, hath set off, made and reserved a proportionable allotment and appropriation of Lands within the said Township of Somerset, as well for the maintenance and support of a Protestant Clergy within Our said Province, as for Our future disposition; And further in respect of the Lands to be hereafter granted, both for the maintenance and support of a Protestant Clergy, within Our said Province, set off and reserved in the said Township of Somerset Forty One Lots hereinafter particularly described, being as nearly as Circumstances and the Nature of the Case will admit of the like quality as the Lands hereinafter granted, in respect of which the same are so set off and reserved and are hereinafter allotted and appropriated, and as nearly as can be estimated equal in value to One seventh part of the Lands hereinafter granted; And further in respect of the Lands to be hereafter granted, both for Our future disposition also set off and reserved in the said Township of Somerset, Thirty Nine Lots hereinafter particularly described, being as nearly as Circumstances and the Nature of the Case will admit of the like quality as the Lands hereinafter granted, in respect of which the same are so set off and reserved, and as nearly as can be estimated, equal in value to One seventh part of the Lands hereinafter granted. And whereas Our said Surveyor General, by his Return to the aforesaid Warrant of Survey, bearing date the Fifth day of February, now last past, hath certified and returned to Our said Lieutenant Governor of Our said Province, a full and true description of the said Township of Somerset to the said Return Annexed, specifying the Outlines of the said Township of Somerset, the several Ranges of Lots and the several Lots into which the said Township of Somerset is so aforesaid subdivided, and further is distinguished by numbers

N. F. 7/16

and likewise

and likewise the several Lots within the said Township of Somerset, set off and reserved by Our said Surveyor General, on  
Our behalf, for the maintenance and support of a Protestant Clergy within Our said Province, and for Our future disposition, as by  
the said Warrant of Survey is more fully expressed and Commanded, a Duplicate of which said Plot or description of the said Township of Somerset,  
specifying the Outlines of the said Township of Somerset, the several Ranges of Lots and the several Lots into which the said Township of  
Somerset is to be surveyed and subdivided, severally and respectively distinguished by Numbers and likewise the several Lots within  
the said Township of Somerset set off and reserved by Our said Surveyor General, on Our behalf, for the maintenance and support of a  
Protestant Clergy within Our said Province, and for Our future disposition, is hereunto annexed, Signed by Our said Surveyor General  
for the purposes herein contained. And Whereas, in further Obedience to Our Royal Instructions above mentioned,  
John Coffin Esquire, Our Surveyor General of the Woods of and for Our said Province, hath Certified under his Hand and Seal that the  
part of the said Township of Somerset so as aforesaid surveyed, laid out, set off or reserved, is included in any District marked out as a  
reservation for the growth of Timber for the Use of Our Royal Navy. And Whereas also, in further Obedience to Our  
Royal Instructions, Our Commissioners by Us appointed for making enquiries into the Character and Circumstances of all and  
every applicant for any part of Our unoccupied and Waste Lands lying within Our said Province, and for administering and  
receiving the several Oaths, Affirmations, and Declarations required by Our said Royal Instructions, have Certified to Our said  
Lieutenant Governor, that Our said Grantees, hereinafter named, are persons of loyal principles and good Character, and that they and  
each of them, have in the presence of them Our said Commissioners, taken the usual Oaths directed by Law, and also made and subscribed  
the Declaration by Our said Royal Instructions in this behalf required, whereby severally and respectively they do promise and declare  
that they, and each of them will maintain and defend, to the utmost of their power, the authority of Us and of Our Parliament, as the  
supreme Legislature of Our said Province. Now therefore Know Ye further, that We, having taken the premises  
into Our Royal consideration, have saved and reserved, allotted and appropriated, and hereby do expressly save and reserve to Us Our  
Heirs and Successors, and allot and appropriate the aforesaid several Lots of Land in the said Township of Somerset, so as aforesaid,  
in respect of the Lands to be hereby granted, set off and reserved by Our said Surveyor General for the maintenance and support of a  
Protestant Clergy within Our said Province and for Our future disposition, that is to say, more particularly and according to the form  
of the Statute in such Case made and provided for a Specification of the Land so by Us saved and reserved, allotted and appropriated  
for the maintenance and support of a Protestant Clergy within Our said Province, and for Our future disposition, in respect of the Land  
to be hereby granted, We, of the several Lots in the aforesaid Seven Ranges of Lots, so as aforesaid surveyed and laid out by  
Our said Surveyor General, in the said Township of Somerset, and on the said Plot or description of the said Township of Somerset  
hereunto annexed, described, have saved and reserved, allotted and appropriated, and hereby do expressly save and reserve to Us,  
Our Heirs

TO HAVE AND TO HOLD the said several lots of Land and premisses above described and herein before given, granted and confirmed unto Our said several Grantees above named, severally and respectively, of Us, Our Heirs and Successors unto them Our said Grantees, and to each of them severally and respectively, and to the Heirs and Assigns of them Our said Grantees and of each of them severally and respectively; to the use and behoof of them Our said Grantees severally and respectively, and to the use and behoof of the Heirs and Assigns of them Our said Grantees and of each of them severally and respectively, for ever, in free and common Soccage, by fealty only, in lieu of all other and all manner of rents, services, fines, rights, dues, duties, claims and demands whatsoever, in like manner as Lands are now holden in free and common Soccage in that part of Great Britain called England. And We do hereby give and grant for Us Our Heirs and Successors unto Our said Grantees, and each of them their Heirs and Assigns and the Heirs and Assigns of each of them respectively full power and liberty to use, occupy cultivate and enjoy the lots of Lands and premisses hereby to them granted in any manner which he or they shall think fit by cutting down the trees growing thereon, by cultivating the surface of the ground thereof or by any other method of improvement whatsoever and to apply the profits thereof to their own use and benefit. **Provided always** and We do hereby expressly reserve to Ourselves Our Heirs and Successors all mines of Gold and Silver which now are or which shall be found upon the said lots of Land and Premises hereby granted or any of them or any part thereof so that the said mines and each of them shall belong to Us Our Heirs and Successors in as full and ample manner as if the present Grant had never been made. And We do hereby likewise expressly reserve to Ourselves, Our Heirs and Successors full power, right and authority to make and use all such roads, ways and passages over the said lots of Lands and premisses hereby granted or any part thereof and also to take, stop, divert and use all such Rivers, Streams, Ponds and bodies of water as shall by Us or them be judged necessary or convenient for working and improving the said mines or any of them. **And Provided further,** if any mine or mines of Gold or Silver shall be found upon any lot or lots of Land hereby granted, the Grantee or Grantees possessing such lot or lots or his or their Heirs or Assigns possessing such lot or lots or one of them shall within the space of six months after the discovery thereof give notice of such discovery to Our Governor of Our said Province or to Our Lieutenant Governor or Person administering the Government of Our said Province for the time being; and if he or they shall make default therein the present Grant so far as the same doth or shall in any wise respect such lot or lots shall at the end of the said six months next ensuing after such discovery of any mine or mines of Gold or Silver become void and such lot or lots and every part thereof hereby granted shall revert and escheat to Us, Our Heirs and Successors and shall thereupon become absolute and entire property of Us or them in the same manner as if the present grant had never been made any thing herein contained to the contrary in any wise notwithstanding. **And Whereas** it may hereafter become expedient for the Inhabitants of the said Province of Lower Canada that one or more public Roads or Highways should be made through some parts of the Premises hereby granted, WE DO therefore hereby reserve to Ourselves, Our Heirs and Successors a right of making any number of public Roads or Highways of a breadth not exceeding one hundred feet through any part of the said Premises excepting such parts whereon any dwelling House or other Houses or other buildings shall be erected. **And Whereas** it may likewise at some time hereafter become expedient for the Peace and Safety of Our said Province of Lower Canada to erect and build Forts and Fortresses or to make other works of military defence in various parts of Our said Province, WE do therefore also hereby reserve to Ourselves, Our Heirs and Successors full Power and Authority to erect and build any Forts or Fortresses or to make any other works of military defence on any parts of the said Premises hereby granted and to take use occupy and retain in Our hands as long as We shall think fit such parts of the said Premises hereby granted as may be necessary for the said purposes whenever We or Our Heirs or Successors shall

signify it to be Our or their Pleasure so to do by an Order given by Us or them in Our or their Privy Council in Great Britain or whenever it shall be judged adviseable and expedient so to do by Our Governor, Lieutenant Governor or Person administering the Government of Our said Province by and with the advice and consent of Our Executive Council of Our said Province. **And Provided always** and these Our Present Letters are upon this express condition that if the said Grantees their Heirs or Assigns or some or one of them shall not within one year next after the Date of these Our Present Letters settle on the Premises hereby to them granted so many families as shall amount to one family for every twelve hundred Acres thereof or if they the said Grantees, their Heirs or Assigns or some or one of them shall not within three years to be computed as aforesaid plant and effectually cultivate at least two Acres for every hundred Acres of such of the hereby granted Premises as are capable of cultivation and shall not also within seven years to be computed as aforesaid plant and effectually cultivate at least seven Acres for every hundred Acres of such of the hereby granted Premises as are capable of cultivation that then and in any of these cases this Our Present Grant and every thing therein contained shall cease and be absolutely void, and the Lands and Premises hereby granted shall revert and escheat to Us, Our Heirs and Successors and shall thereupon become the absolute and entire property of Us or them in the same manner as if this Our Present Grant had never been made any thing therein contained to the contrary in any wise notwithstanding. **And Provided also** that no part of the said parcel or tract of Land hereby granted to Our said Grantees and their Heirs be within any reservation heretofore made and marked for Us, Our Heirs and Successors by Our Surveyor General of Woods or his Lawful Deputy in which case this Our Grant for such part of the Land hereby given and granted to Our said Grantees and their Heirs for ever as aforesaid which shall upon a survey thereof being made be found within any such reservation shall be null and void and of none effect any thing herein contained to the contrary in any wise notwithstanding. **AND WE DO** hereby direct and appoint that within six months from the day of the date of these Presents a copy of this Grant shall be registered in Our Register's Office in Our City of Quebec in Our said Province and that a Docket thereof shall be also entered in Our Auditor's Office in Our said City of Quebec in Our said Province and that in default thereof the whole Premises hereby granted shall revert and escheat to Us, Our Heirs and Successors and become the absolute property of Us or them in the same manner as if this present grant had never been made, any thing therein contained to the contrary in any wise notwithstanding. **AND WE DO** moreover, of Our especial Grace certain Knowledge and meer Motion consent and agree that these our present Letters being registered and a Docket thereof made as before directed and appointed shall be good and effectual in Law to all intents, constructions and purposes whatsoever against Us, our Heirs and Successors notwithstanding any misreciting, misbounding, misnaming or other imperfection or omission of, in or any wise concerning the above granted or hereby mentioned or intended to be granted lots of Land and Premises or any part thereof. **IN TESTIMONY WHEREOF** We have caused these our Letters to be made Patent and the Great Seal of our said Province of Lower Canada to be hereunto affixed. Witness our Trusty and Wellbeloved

*Sir Robert Shore Milnes, Baronet,  
Our Lieutenant Governor of Our Province of Lower Canada, at the Castle of St. Lewis, in the said City of  
Quebec the Twenty first day of August in the Year of Our Lord, One Thousand Eight Hundred and four  
And in the Forty fourth year of Our Reign.*
