Games are for all Quebec and that still includes Pontiac

For the past several weeks, this paper has been publishing information about the Quebec Games, or as the majority of Quebec people call it "Les Jeux du Quebec". Most of the propaganda here is to urge Pontiac athletes to take part in the regional games. If any of these do succeed in any of the events to be included in the regional games, they will then go on to the finals at River du Loup in August. Meanwhile, that town is undergoing great preparations for their task of hosting the first Quebec Summer Games, August 14 to 22 1971. The symbols of the event are "Piloup" the mascot and the Quebec Games emblem is red, white and blue. If any Pontiac athletes make the Games this year, they will wear the emblem in the Outaouais colors: purple for the Laurentian foothills and aqua for the Ottawa River

Shawville Trade Fair

Trade Fair plans are developing this week with the Pontiac Agricultural Society going full blast ahead on this ambitious project.

The dates will be Thursday, Friday & Saturday on July 22-23-24, and arrangements have been made to have an exciting Midway on the grounds at the same time.

Admission will be free of charge and there will be three grand gate prizes, one each day of the Fair, the lucky winners to receive four dinners courtesy of Pontiac House, four dinners courtesy of the Golden Shasta and a lady's or gent's snow suit courtesy of Bean's Fina Station.

Allan Dean and John Langford are in charge of exhibit space in the arena and also in the new horse barn where livestock will be displayed. The Trade Fair will include Dairy Products, Furniture, Automobiles, Farm Machinery, Organs, Snow Machines, Boats and Motors among other items of interest.

On the Friday of the Fair a teen age dance will be held in the upstairs hall and on the Saturday night there will be an adult dance with refreshments. Both dances will start at nine o'clock.

The Fish Hatchery at Ted Lance's farm in Charteris was the beautiful setting of a school-closing excursion for the fifth and sixth graders of Dr S E McDowell School, Shawville.

Harry Hodgins golden wedding

Mr & Mrs Harry Hodgins, lifetime residents of Clarendon area, were honored on the occasion of their fiftieth wedding anniversary on June 12th, 1971. The reception, arranged by their family was held at their home, Portage du Fort Road.

The bride, the former Marcella Horner, was the eldest daughter of the late Mr Edward Horner and his wife, Jane Ann Richardson of Radford, Que.

The groom was the fourth son of the late Mr George G Hodgins of Shawville and Rebecca Annie Guest of Haleys, Ontario, who also celebrated their fiftieth wedding anniversary at the same place in 1934, which was the Hodgins family home.

Mr & Mrs Hodgins were married April 6th, 1921 in St Paul's Church, Shawville by Rev. A T Phillips. The attendants were Mrs Harry Eades and Mr Lloyd Hodgins, who were present for the happy occasion.

They have one son and three daughters, Royce Hodgins at the family farm, Shawville, (Margaret) Mrs Elmer Wall of Bryson, (Sheila) Mrs John Draper of Vancouver, B. C. (Elizabeth) Mrs Percy Delarge of Pembroke and seven grandchildren, Carl Wall of Sudbury, David Wall of Bryson, Connie, Karen and Wendy Delarge of Pembroke Ont.

The tea table was centered with a lovely three tiered anniversary cake baked by their daughter, Margaret and long gold tapers. Several arrangements of gold & white mums and carnations were used as decorations.

Assisting at the tea table were Mrs Earl Hodgins, Mrs Clarence Wall, Mrs Dorothy Presley, Mrs Jean McLaughlin, Mrs Harry Eades, Mrs Willie Hanna, Mrs Lennis Barr and Mrs Irwin Hayes and many others helped serve.

About two hundred guests were present, many from a distance, Ottawa, Kinburn, Renfrew, Pembroke Haleys, Sudbury, Central Sq. N.Y. Vancouver, B.C. Campbell's Bay, Bryson, Quyon, Portage Du Fort & Otter Lake.

A number of gifts and numerous cards were received, as well as telephone calls, telegrams and written messages of congratulations from the Rt. Rev. W.J. Robinson, Bishop of Ottawa, Gov. General and Mrs Mitchener; Rt. Hon. Pierre Elliott Trudeau, P.M. of Canada, Robert Bourassa, P.M. of Quebec; Jean Guy Lariviere, MNAC of Pontiac, Quebec, and Thomas H Lefebvre, M.P. Pontiac Co. Que.

Dubeau Anniversary

Mr & Mrs Narcisse Dubeau of Campbell's Bay recently celebrated their fiftieth wedding anniversary at a reception held in their honor at the Lions Hall in Bryson. Present were all their children and grandchildren friends and neighbours.

Weldon Hobbs new Rotary president

It was indeed a good year for Rotary; we obtained a yearly average of 70% in attendance, increased our membership by 3 new members and finished the year with $1547.00 in our special account and $577.82 in our general account.

Next Monday all our committee chairmen will be named and enter into their functions. It will be our special endeavour to increase our membership by at least 25%. Rotary meets every Monday night at 6 PM at the Pontiac House in Shawville.

Monday evening June 28th was the last meeting to be chaired by the outgoing executive of the Shawville Rotary Club.

In his farewell remarks outgoing President W. Arthur Hodgins thanked the membership at large for the cooperation during the past year and in particular the executive who had given him their help at all times. He said that it had been an enriching experience and one that would help him to become a better rotarian and a better citizen.

The incoming executive for the term 1971-72 are as follows:

President - Weldon Hobbs
Vice Pres- Rene Latreille.
Secretary - Edward A. Christie.
Treasurer - Wm. Main
Directors Traill Woodman, Wilfred Tipping, David MacKenzie, Kenneth Smith.

River cruise by Quyon Ferry

Just before the school holidays began the Quyon Ferry was used for another purpose. The owner, Ed. McColgan, in full cooperation with his comrades of No. 231 (Quyon) Branch, The Royal Canadian Legion, took over 300 children from St Mary's and Onslow Schools on a cruise. Such a number made it essential to make the run in three parts.

This was both educational and enjoyable because the travellers saw Quyon with its neighbourhood in full summer beauty from an entirely new angle. The whole scene must have had its effect on the children whose conduct that morning rated A plus.

Ashore, afterwards, Pam Komm, President of the Legion Auxiliary, and her committee served hot dogs in an endless stream, to which President Tony Kilbride of the Quyon Branch and his associates added many, many cases of soft drinks.

Still room for more in Lions swim classes

The Lions Club will be receiving additional registration at the Secretary's office on the Shawville Fair grounds from 10 to 12 noon on Saturday morning.

Registration for swimming lessons was held last Saturday. There will be room in the various swimming classes for more children and registrations will be accepted at Green Lake any morning next week starting July 5th, or by contacting Barrie Murray, Phone 647-3852, any evening after six o'clock.

The classes will start at ten in the mornings, with the senior classes coming first and the beginners later on when the water has warmed up. Last year the beginners were using the lake at nine in the morning and many of them found it too cold for comfort.

The cost is $4.00 for one child, $7.00 for two and $10.00 for a family any size and the facilities are provided and the program sponsored by the Shawville Lions Club on the beach donated by Mr Jack Argue.

Past President Hodgins also reviewed some of our accomplishments of the past year, the main ones being the supplying of a special wheelchair for a crippled child, special orthopedic boots for a crippled boy and 9 bedside tables for the Ade Home. It was also noted that the Rotary Park on Centre Street has been turned over to the town for administering and that we are now working on another park on the outskirts of town through the obtaining of a federal grant and the hiring of local university students. This new park will supply Shawville with further recreational facilities.

In his accepting comments incoming President Weldon Hobbs thanked the former president and executive for leaving the club in a good state of operations. He stressed that he would like to see a year ahead of total involvement by all the membership through effective committees and many special projects. One of the major points to bear in mind is that 1971-72 will be the 25 anniversary of the founding of Rotary in Shawville. There are a further dozen projects which will be tackled by our club.

McCann majority

At Quyon and Bristol the electors of the St. Mary's School Municipality voted 204 for McCann and 95 for Bennet to fill the vacant seat on the local School Board.

At Bristol Poll only 40 people voted with 28 for McCann and 12 for Bennett.

At Quyon 176 voted for McCann and 83 for Bennett. There are approximately seven hundred eligible voters in the municipality and three hundred voted.

Trip for Volunteer Firemen

They participated in a parade of firefighters through the Village of Lyn and attended a chicken barbecue at Lyn Fire Hall. They were given a cordial welcome to the Village and met its fire chief George Williams, Campbell's Bay Fire Chief Athol Smith was very impressed with the great team spirit and co-operation of other volunteer departments and hopes that Campbell's Bay Volunteer Department may sone day enter some of the contests and fire races which took place and maybe win some of the trophies which were given that day. School picnic by the fish pond

Photostory by Eva Andai

Teacher, Mrs Norma Stewart holds a big bullfrog in her hands while Billy Telford, Suzanne Rutledge, Bonnie Towell and Diane Telford are satisfied to just look without touching.

Everybody had to pet the horse at the farm and fortunately for all concerned, Ted's young colt was a quiet one.

The feel of the furry rabbit was too much to resist and Suzanne Rutledge, Cindy Smith, Doreen Craig, Sally Mayhew and Carolyn Druve all had their fill.

A MATTER OF LIFE AND DEATH

Things couldn't be much worse, medically, than they are now in Pontiac County. It reminds one of the situation concerning teachers a number of years ago. It used to be very hard to get teachers to come here at one time until the school boards came up with a rather ingenious scheme.

They would finance the training of a teacher on condition that she, or he, would then return to teach here and a repayment schedule was set up to provide funds to assist another group of teachers the following year.

This brings up a possible solution to the doctor shortage. Suppose some organization, preferably a municipal council or several councils together, were to provide financial assistance for a group of medical students, sufficient for them to complete their training, on condition that they then set up practice here.

The community would have a vested interested in these doctors who would then repay the fund over a number of years. The money could then be returned to the original lender, presumably a community-minded bank, or it could be retained as a loan indefinitely, to be used in the financing of more doctors as the need increases and also possibly for other necessary professional people, such as social workers, an orthodondist, medical specialists and so forth.

This scheme could be worked out on a County-wide basis through the Social Planning Council or County Council, or by the Hospital Board, but it would seem more practical for it to be handled by municipal councils for particular locations.

The County falls naturally in five sections centred around Chapeau, Fort Coulonge, Campbell's Bay, Shawville and Quyon, if Quyon is still in Pontiac. Each of these villages and their surrounding municipalities could combine forces for this project and within a few years it is possible that this County would have the doctors it needs.

There are many pressing problems in Pontiac today but it seems that this one is vital. It is really a matter of life and death, not perhaps for the County, but for the individuals who live here.

IN MEMORIAM

BRONSON — In loving memory of our darling son, Michael, who joined the angels on June 29th, 1967.

Along the road of yesterday
That leads us straight to you
Are memories of the happy days
Together we once knew
Though your smile is gone forever
And your hand we cannot touch
Still we have so many memories
Of the one we loved so much.
Your memory is our keepsake
With which we'll never part
God has you in His keeping
We have you in our hearts.
We cannot bring the old days back
When we were all together,
But secret tears and loving thoughts
Will live with us forever.
—Always remembered and sadly missed — Mommy, Daddy, sisters and brother 71313x

HODGINS — In loving memory of a dear sister and aunt Mrs. Pearl Hodgins who passed away July 3, 1969.

Gone from us but leaving memories
Death cannot take away
Memories that will always linger
While upon this earth we stay.
Ever remembered
Sisters, Willa, Lucy, Vera,
Niece Genevieve. 9204x

O'NEIL — In loving memory of Gary, a very dear son and brother, who died accidentally in Campbell's Bay at age 16 on 3rd July 1968.

We will always remember the way he looked
The way he walked and smiled
The things he always said and did
Are with us all the while.
Though time may smooth the heavy blow
A cure is something we will never know.
Time performs wonders and miracles too
But there are many things time cannot do.
Time cannot fill that empty chair
That holds an empty space.
Time cannot make our home the same
Without him in his place.
Gary, if love could build a stairway,
And memory a lane,
We would walk all the way to Heaven
To bring you back again.
Mom, Dad and Dougie 71255b

O'NEIL — In loving memory of Gary O'Neil who died accidentally July 3, 1968.

Today recalls sad memories
Of a dear one gone to rest.
And the ones who think of him today,
Are the ones who loved him best.
Larry, Gwen
Donna, Dorothy, Deanna 9199x

PILGRIM — In loving memory of our dear wee son, Bobby, who was taken from us so suddenly June 30, 1967.

The memory of his dear wee ways
Will linger with us all our days
Sweetest flower too sweet to stay
God took him away.
Always remembered by
parents Shirley and Beatty 71336b

PILGRIM — In loving memory of our darling grandson, Robert Beatty, (Bobby) who died so suddenly June 30, 1967.

We love to think of your dear Bobby
In mansions bright and fair
There Jesus reigns in glory
There is no sorrow there.
Sadly missed by grandparents
