HOUSE WILL PROBABLY PROROGUE NEXT THURSDAY The Lawlessness In Hankow Is Increasing—Great Britain's Stand

Report Hankow Situation To Be Growing Worse

Lawlessness Increasing, With Apparently No Effort to Check It—Commander of U.S. Yangtze River Patrol Pressing Americans Still in City to Hasten Their Evacuation.

GERMANS AND JAPANESE LEAVING IN LARGE NUMBERS

Indications Point to a Possible Break With Russia Over Raid Carried Out on Soviet Embassy.

(Associated Press Despatch) HANGHAI, April 7.—"Situation growing worse steadily," was the wireless report received here today from Hankow where riotous anti-foreign outbreaks occurred over the week-end.

From all accounts, lawlessness in Hankow is increasing with apparently no effort to check it. The commander of the United States Yangtze river patrol is pressing Americans still in the city to hasten their evacuation. Another Japanese cruiser has arrived.

Japanese are leaving Hankow in large numbers, one hundred Germans are negotiating to charter a steamer to take them away, and the members of the Russian colony are making preparations for their departure.

At Ichang, further up the Yangtze from Hankow, one hundred Japanese, men, women and children, have taken quarters aboard gunboats and tugs because of the threatening situation.

AMERICAN MISSIONARY IS REPORTED MISSING

(Associated Press Despatch) PEKING, April 7.—Dr. C. P. Frerberg, a Lutheran missionary of St. Peter, Minn., is missing in Northern Honan province. It is feared he has been made captive by bandits.

SEVERANCE OF RELATIONS BETWEEN MOSCOW AND PEKING IS POSSIBLE

(Associated Press Despatch) PEKING, April 7.—Severance of relations between Peking and Moscow will be regarded as probable in quarters today, as a consequence of yesterday's raid on several buildings near the Soviet Embassy in Peking.

The authorities of the Ankuochin, or Allied Northern armies, stated that the raid produced "overwhelming evidence" that the Soviet Union was deeply involved in plots to overthrow law and order in North China.

It was learned that Dr. Wellington Koo, acting premier and foreign minister of the Peking Government, at Marshal Chang Tso-Lin's request had drafted a protest to the Soviet Charge d'Affaires, accusing the embassy of sheltering criminal plotters who were attempting to undermine the authority of the government.

The premises raided included the Dahl (Soviet) bank, the Eastern Railway building, and a building formerly used by the Russian legation guards in Czarist days. It is understood that during continuation of the search last night 200 pistols were found.

Comment has been aroused by the fact that while the raid was being staged by the Northern soldiers, fire broke out in one of the buildings. An unconfirmed report was circulated that the building was set afire deliberately in order to prevent records falling in the hands of the raiding party. The fire was extinguished before much damage was done.

TWENTY-TWO RUSSIANS WERE ARRESTED IN RAID

(Associated Press Despatch) LONDON, April 7.—Reuters Peking correspondent, discussing the technical official point that the area raided yesterday by the Northern authorities in Peking was not the Soviet embassy proper, says that it was pointed out in Peking that the Soviet flag was not flying over the embassy yesterday, but over the park raised.

The correspondent says that the

AYLMER BRIDGE TO BE REPLACED BY NEW BRIDGE

Rumors This Morning Are that City Council Favors Having New Bridge Between East Sherbrooke and City Proper—City Council Favors Having Public.

It is understood that as far as the City Council is concerned, Sherbrooke is to have a fine new bridge connecting East Sherbrooke with the city proper. The Council, after considering the three reports which were presented at the last regular meeting on Monday night last, decided that it is in the interests of the city to replace the present Aylmer Bridge with a new structure, rather than to carry out the extensive repairs which would be necessary to the present bridge.

The City Council, however, has not the final say in the matter. The proposal must be submitted to the people and a by-law, providing for the necessary cost of a new bridge, must be approved by the rate-payers.

According to the rumors which were heard this morning, and which are believed to be well-founded, a notice of motion of a by-law will be given at the next regular meeting of the City Council. In the meantime the city engineer will prepare plans of the approach and piers. Tenders will also be called for and all preparations will be made to have the matter brought before the public.

It is the general belief that such a by-law would meet with the approval of the rate-payers. The amount involved for the erection of a new bridge would be considerable, yet the reports of three different engineers have stated that the present condition of Aylmer Bridge is not satisfactory. The cost of making the necessary repairs would also be considerable and there would still remain an old bridge when finished.

East Sherbrooke has within its borders Sherbrooke's three hospitals, and many schools, which all need special protection. The bridge used at the present time is very narrow, and with the street car tracks and sidewalks, leaves little space for vehicles. With a new bridge this space could be much increased and a structure could be put up which would meet the demands of traffic for many years to come.

total arrests made by the Northerners were twenty-two Russians and seventy-five Chinese. A number of Canadian uniforms were reported to have been found, the correspondent says.

Marshal Chang Tso-Lin, the Manchurian war lord, whose troops made the raid, the correspondent says, has notified Northern commanders of the raid and the accompanying arrests and seizures of material.

"The main danger to the preservation of peace in Peking is now removed," the Marshal's messenger was quoted as saying. "Those arrested will be tried and dealt with according to their deserts. It must be pointed out that these rebellious mischief-makers, who are responsible for the dissemination of Bolshevism."

EIGHTY MILLION DOLLARS OFFERED BY SWEDISH-AMERICAN GROUP FOR THE MATCH MONOPOLY OF FRANCE

Syndicate's Offer Promises Revenues to French Government Far Above What It Now Receives from Match Factories—Also Expects to Lower Price to Public.

(Associated Press Despatch) PARIS, April 7.—Premier Poincare is threatened with loss of about \$80,000,000 offered the French government by a Swedish-American group for the match monopoly of France. The finance commission of the Chamber of Deputies debated the offer yesterday and then voted to a 20-20 tie on the question of accepting it. The matter will be taken before the Chamber.

The foreign syndicate's offer promises revenues to the French government far above what it now

WESTERN FARMERS WORKING ON LAND

WINNIPEG, April 7.—Looking forward to another bumper crop, farmers at different points in Saskatchewan and Alberta are commencing operations. Reports made to the agricultural department of the Canadian Pacific Railway here indicate that ploughing and dragging will be general at Hatton, Sask., by the end of the present week, and that the farmers near Cardell and Ponkix, Sask., are ploughing. Moisture conditions are reported as excellent, and rye is stated to be in very good shape.

The advance guard of farmers is already on the land at A. Gervais and Cayley, Alberta, and with continued favorable weather in these districts spring work will be general by the week-end. Ploughing and discing commenced today at Burdett and Hilda in the province of Alberta.

EXODUS TO U.S. TO DATE SHOWS A DECREASE

Figures for Quarter of Year Indicate 2,000 Less a Month—Industrial Development in Canada Believed to Be Responsible.

MONTREAL, April 7.—Immigration into the United States from Canada so far this year shows a substantial decrease as compared with the same months of last year and of the immediate previous years. Totals for January, February and March, 1927, are approximately 2,000 a month under the totals for the same months in 1926.

Figures for the first nine months of the present United States Government fiscal year were announced yesterday by the Montreal headquarters of the U. S. Immigration Service. This covers the period July 1, 1926, to March 31, 1927, for the Canadian border from the Atlantic to the eastern boundary of Montana, including arrivals at Canadian Atlantic seaports, the Pacific district only being excluded, figures for which are not available here.

For the nine months ending March 31, 1927, the total of admissions over this area was 72,155. For the nine months ending March 31, 1926, the total was 76,103. For the nine months ending March 31, 1925, the total was 81,191. Thus, the continued falling off of Canadian immigration into the United States is shown.

Following are the totals by month:

Month	1927-6, 1926-5	1924-5
July	8,314	7,277
Aug.	9,055	8,670
Sept.	12,911	11,591
Oct.	10,603	10,785
Nov.	9,299	9,549
Dec.	6,482	7,296
Jan.	5,562	7,540
Feb.	4,748	6,760
Mar.	4,981	6,993

Totals . . . 72,155 76,103 81,191
Official comment from U. S. officials was not obtainable. Canadian observers, however, regard the decreases as pointing to better conditions in Canada. Development in the north-eastern sections of the Dominion in water power, mining, and industry, is said to be having its effect. In some parts of the United States, notably New England, conditions are said to be not so good as usual.

Figures on immigration into Canada from the United States could not be obtained. Inquiry at the Montreal offices of the Dominion Immigration Department met with the answer that no figures were on the file there and that Ottawa was the only place, possessing the full statistics.

RECEIVES FROM THE MATCH FACTORIES. IT ALSO EXPECTS TO LOWER THE PRICE TO THE PUBLIC.

Yesterday's tie vote in the committee was the first reverse which Premier Poincare has sustained in several months. After the vote, however, he said that he had no intention of making the match over a question of confidence. He emphasized, however, that rejection of the offer would mean a loss to the government of \$80,000,000 which amount would be most useful when the time comes to stabilize the franc.

\$50,000,000 NEST EGG FOR WILHELM

Here is a new picture of Mr. and Mrs. Wilhelm Hohenzollern, of Doorn, Holland, with Mrs. Hohenzollern's youngest daughter, Henriette, and the Hohenzollern dog. The former Kaiser is now one of the richest men in Europe, through a settlement with Prussia that went into effect the other day, granting Wilhelm \$50,000,000 worth of royal properties and several million marks.

Sir Austen Chamberlain Declares Britain Has No Intention Of Being Driven Out Of China—To Pursue Policy Of Conciliation

Old Position Will Be Adjusted to Meet New Aspirations in East—Ramsay MacDonald Advocates Calling League of Nations to Smooth Out Difficulties in China.

(Associated Press Despatch) LONDON, April 7.—Great Britain has no intention of being driven out of China, Sir Austen Chamberlain, Foreign Secretary, made it clear yesterday during a debate in the House of Commons on the Chinese situation, in reiterating the Government's policy.

He declared that Great Britain would pursue a policy of conciliation and adjustment of its old position in China to meet the new aspirations of the Chinese people and the conditions of the country as events progressed.

Then, after a pause, he said slowly and solemnly: "Great Britain is not prepared to be hustled out of China." His statement drew cheers from the conservative benches, after which he continued: "Nor are we prepared to withdraw our nationals from Shanghai and other up-country places, or to be treated as though they had no right to that which is theirs by treaty and as though the lives of Britishers were of no account to the British Government."

Policy Unchanged
Regarding British policy which he said was unchanged, Sir Austen asserted that it was essential that the policy could be carried further. Great Britain must know what is to be the attitude of the responsible authorities in China regarding the Nanking outbreak of two weeks ago.

Referring to a statement by the Laborite, John Wheatley, that the Foreign Office had estranged the Chinese, Sir Austen said: "I believe that all the powers concerned will be in substantial agreement that it is necessary to require redress for our subjects, and are also agreed as to the terms wherein this redress shall be demanded. The United States and Great Britain will probably agree in the future to ask for reparations, but as to the amount which should be asked for."

He gave details and further instances of reported looting and outrages upon hospitals and other buildings, and said it would be a mistake to suppose that these attacks were confined to the British as the forces which Chinese agitators had aroused were directed against foreigners indiscriminately.

Suggests Calling on League of Nations
Debate on the Chinese situation was opened by Ramsay MacDonald, the Labor leader and former premier, who declared that the sending of troops to Shanghai had considerably increased Great Britain's difficulties in negotiating with the Chinese and had not increased the security of British lives outside of Shanghai.

Mr. MacDonald asserted that no one could honestly say exactly what would happen at Nanking without

BRITAIN'S DEBT TO U. S. WOULD MAKE LUMP OF GOLD WEIGHING 6,700 TONS

(Associated Press Despatch) LONDON, April 7.—Great Britain's debt to the United States would make a lump of gold weighing 6,700 tons, Lieut.-Col. L. S. Amery, Secretary for the Dominions, estimated last night in a speech at the annual dinner of the Mining and Metallurgy Institution.

Therefore, he added, "our debt to America is more one for the prospector and mining engineer than for the financier."

(The British debt to the United States was funded in 1923 at \$4,000,000,000.)

A PERMANENT CANADA HOUSE AT WASHINGTON

Rumor Arouses Interest—Have Been Important Changes in Diplomatic Row in Recent Months.

(Canadian Press Despatch) WASHINGTON, April 7.—Rumors that a permanent Canada House will be acquired or leased are arousing interest here, but there is no indication as yet that the Canadian Government has decided on a particular building. Several have been under consideration.

There have been important changes in diplomatic row in recent months.

The British have sold the downtown embassy, preparing to build further out at a cost of about a million dollars. The Spaniards recently acquired a building downtown, designed as the vice president's permanent residence, and said to have cost half a million dollars. Another foreign power recently paid a total of \$565,000 for a Washington home.

The present Canada House is a small office building rented without lease, which provides only bare office space for a skeleton staff. Hon. Mr. Massey and his wife live in an hotel.

BRITISH COLUMBIA FAVORS OLD AGE PENSIONS

(Associated Press Despatch) VANCOUVER, B.C., April 7.—Premier John Oliver announced here last night that he was notifying the government at Ottawa of the willingness of the British Columbia government to co-operate in the Old Age Pensions Act and that the province was ready to start at any time.

for something better than a football in Wall Street."

Mr. Durant is announcing his resignation from the following "honorary positions": chairman of the board of directors of the Liberty National Bank in New York; director and member of the executive committee of the Petroleum Heat and Fuel Company; director of Loew's, Inc.; director of the American Safety Razor Company; director of the Independent Oil and Gas Company, and a number of "others of lesser importance."

No Public Financing Necessary
So far as his automobile expansion plans are concerned, Mr. Durant's statement is extremely vague. He proposes to make his new Star six, now being marketed through the present Durant organization, the keystone around which "Consolidated Motors, Inc., is being built, exactly as the Buick in 1909 was used as the nucleus and the keystone of the great General Motors." After explaining that he plans a grouping of independent companies, which he does not identify, he adds that "as each company is in excellent financial condition, and as curtailment rather than expansion is contemplated, no public financing will be necessary."

There will be less duplication of effort and energy," according to the statement, "and fighting for business among reckless and wasteful lines now prevailing will be eliminated. The plan is constructive—the fundamental purpose to stabilize, to an extent at least, America's first and greatest industry."

Does Not State That He Is Retiring From Stock Market
Mr. Durant does not announce, as many had been led to expect, that he was retiring from the stock market. He does emphasize, however, that he intends to devote his "entire time to the extensive project to which I am committed, and in line with my announced intention (now that my health is restored) of re-engaging actively in motor affairs, every other interest secondary thereto." And he is determined, he adds, "that the name Durant shall stand

RAPID PROGRESS BEING MADE IN COMMONS; REMAINING BILLS WILL BE CONSIDERED IN HOUSE TODAY

Senate Yesterday Gave Third Reading to Several Private Bills and Referred Three Measures to Banking and Commerce Committee.

LOAN TO VANCOUVER HARBOR COMMISSION

Estimates Totalling \$3,800,000 for Trade and Commerce Department and \$2,845,000 for Department of Immigration Were Approved.

(Canadian Press Despatch) OTTAWA, Ont., April 7.—In the House of Commons today the remaining bills will have precedence. The Senate will sit again this afternoon.

Yesterday the Senate gave third reading to several private bills and referred to the banking and commerce committee bills to amend the Superannuation Act, the bill to provide annuities for widows of certain civil servants and a bill to amend the Customs Act. There was a general debate on Imperial relations.

In the House of Commons third readings were given to a bill to amend the War Revenue Act, the bill to provide a loan to the Vancouver Harbor Commission and a bill to amend the Election Act. First readings were given to a bill respecting the Ottawa Federal district and estimates for the departments of Trade and Commerce and Immigration were passed. The estimates totalled \$3,800,000 for the Trade and Commerce Department and \$2,845,000 for Department of Immigration.

PREPARATIONS ARE BEING MADE FOR PROROGATION ON THURSDAY NEXT WEEK

OTTAWA, April 7.—Rapid progress was made in the House yesterday with the remainder of the legislative programme. Third reading was given to the bill to make a loan of \$4,000,000 to the Vancouver Harbor Commissioners, and the bill providing for the appointment, by a resolution of the House, of a successor to Col. O. M. Biggar as chief electoral officer, at an annual salary of \$5,000, the sum having been reduced from \$12,000 as the new appointee will confine his duties to those of electoral officer and will not act also as a Govern-

ment. There is little legislation remaining to be dealt with by the House, most of the work being confined to dealing with the main estimates and the supplementary estimates yet to be tabled by the Minister of Finance. It is expected that latter will be submitted later this week or early next week.

Preparations are being made for prorogation on Thursday of next week.

The House declined to accept the amendments by the Senate to the Government's excise bill. Hon. W. D. Fisher, Minister of Customs, in opposing the acceptance of the amendment, said that it would make the conviction of the boot-legalizer and the seizure of illicit liquor very difficult if not impossible.

Plans For A New Automobile Combine Of A Large Scope Announced By William Durant

Will Embrace "Such Independent Motor Companies as Will Be Benefited"—Announcement Caused Only Mild Surprise—Most Features Had Been Fairly Accurately Gessed.

(Associated Press Despatch) NEW YORK, April 7.—A new automobile combine of large scope, to embrace "such independent motor companies as will be benefited by the arrangement," is being created by William C. Durant, president of Durant Motors, Inc.

In view of the gravity of the Chinese situation the Easter holidays of the Cabinet ministers appear extremely doubtful. The Cabinet has agreed to remain within easy reach of the War Office for consultation at any time. Another special cabinet meeting will be held today.

EXTENSION OF CANADIAN-U.S. FLYING AGREEMENT HAS BEEN REQUESTED

Expires on April 30—U.S. Asks That It Be Extended For Another Six Months.

(Canadian Press Despatch) WASHINGTON, April 7.—Extension of the flying agreement between the United States and Canada has been asked by the State Department and the request has been transmitted by the Canadian Legation to Ottawa.

The present agreement, which governs flying and landing privileges in each country for citizens of the other country, was made five years ago and has been extended from time to time. It expires on April 30. The United States asks that it be extended for another six months, and it is likely that a new agreement will be negotiated between the two governments this year.

PARCO, Wyo., April 7.—Fifteen workmen were killed and seven injured by an explosion and fire at the refinery of the Producers and Refiners' Corporation yesterday.

CONDITION OF KING IS IMPROVED

(Associated Press Despatch) BUCHAREST, April 7.—The condition of King Ferdinand, who is suffering from influenza, continued to improve overnight. It was stated this morning that he seemed to have more strength, and that his entourage was heartened by the fact that he had been able to sleep well.

The King was able yesterday to sign a new customs tariff decree.

ment counsel, as did Colonel Biggar.

First reading was given to the bill to provide for a federal district commission in Ottawa, to take the place of the Ottawa Improvement Commission, and to provide that the annual grant heretofore has been \$250,000 a year for sixteen years; the annual grant heretofore has been \$150,000. Premier King introduced the legislation and Hon. Hugh Guthrie, leader of the Opposition, declared that \$250,000 a year was not sufficient and he favored a larger sum.

On a motion to go into supply yesterday afternoon, to deal with the estimates of the Department of Trade and Commerce, Miss Macphail (Southeast Grey) brought up the question of the law regarding British citizenship, as outlined in a resolution which has been standing in her name since the beginning of the session. Her motion urged "that a woman of British nationality, residing in Canada, should not lose or be deemed to lose her nationality by the mere act of marrying with an alien but that it should be open to her to make declaration of renunciation if so desired, and that the naturalization act should be amended accordingly."

Hon. Fernand Rinfret, Secretary of State, stated that the Government adheres to the principles of Miss Macphail's resolution, and it is only because it would be disadvantageous for Canada to have separately from the other dominions and the Mother Country in this respect, that an amendment had not been proposed by the Government this session.

There is little legislation remaining to be dealt with by the House, most of the work being confined to dealing with the main estimates and the supplementary estimates yet to be tabled by the Minister of Finance. It is expected that latter will be submitted later this week or early next week.

Preparations are being made for prorogation on Thursday of next week.

The House declined to accept the amendments by the Senate to the Government's excise bill. Hon. W. D. Fisher, Minister of Customs, in opposing the acceptance of the amendment, said that it would make the conviction of the boot-legalizer and the seizure of illicit liquor very difficult if not impossible.

Industrial Research.

Canada needed a comprehensive policy for scientific and industrial research, Hon. H. H. Stevens (Conservative, Vancouver Centre) urged upon the House of Commons when the estimates of the Department of Trade and Commerce were before it yesterday afternoon. There was a vote for \$170,000 for the honorary advisory council for scientific and industrial research. In the case of one university, sixty per cent of its honor graduates crossed the line to find employment in the United States. These high-class experts, the very cream of Canadian manhood, should, many of them, remain in Canada, if the problems of this country were attacked in a scientific way.

He estimated that it cost the country \$20,000 to educate each of these students. He did not wish to be critical, but to urge on the Minister of Trade and Commerce the need for much greater activity in regard to research work. He hoped that during the recess, a comprehensive programme of such research

Poyser, consolation prize; Mrs. Helen McCracken, first prize, five hundred; Mrs. Austin Morrill, second prize, five hundred, and Mrs. O. Shaw, consolation. At the tea hour,

ALL GROWING GIRLS

Require a Mother's Care and Constant Watchfulness.

In their teens it is quite common for girls to outgrow their strength, and mothers should carefully watch the health of their daughters at this time, for it is when strength is sapped by too rapid growth that anaemia develops. The first signs may be noticed by peevishness, languor and headaches. The face grows pale, breathlessness and palpitation follow, with low spirits.

At the first symptoms of anaemia mothers should act at once. Neglected anaemia often leads to declining, but if you see that your daughter's blood is enriched there need be no cause for anxiety. The finest blood enricher ever discovered is Dr. Williams' Pink Pills. The pure, red blood created by these pills will quickly banish all signs of anaemia. They will build up your girl's health and ensure her a robust girlhood. Give your daughter a course of Dr. Williams' Pink Pills now. Make her strong like thousands of girls and women throughout Canada who have been rescued from the clutches of anaemia by Dr. Williams' Pink Pills.

Send your name and address to The Dr. Williams' Medicine Co., Brockville, Ont., and they will send you a valuable little book, called "Building Up the Blood."

The pills are sold at 50 cents a box and may be had from any medicine dealer or by mail from The Dr. Williams' Medicine Co., Brockville, Ont.

"MUSCLES ALL TIED UP IN HARD KNOTS"

Limbers up quickly after hard ride

"After several years' absence from the saddle, I took a hard horseback ride, and the next day my muscles were all tied up in hard knots. I applied Sloan's Liniment. Right away the tenseness in the muscles began to relax and in an hour or so, they felt as limber as ever."

Became So Weak Could Hardly Stand

Mrs. Wm. Palmer, Tomahawk, Alta., writes:—"Last spring I had a long spell of sickness and became so weak I could hardly stand. I could not sleep at night as the least little noise would wake me up. I tried blood tonics and other nerve pills, but they did me no good, and I was getting worse. I wrote my mother about my condition, and she sent me three boxes of MILBURN'S HEAD NERVE PILLS."

After the first box I was feeling much better, so I kept on until I had used the three boxes, and now I feel as well as ever I did when I was a young girl."

Price 50c. a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

LOSE FAT IN THIS PLEASANT WAY

Not by abnormal exercise or diet, but by correcting the cause of excess fat, as countless people now are doing. That way is Marmola Prescription Tablets, used for 19 years. Today you see the results in every circle, in figures made girlish and slender. The use of Marmola has grown to very large proportions because of these proved results. You owe yourself the test of a scientific help which has done so much for so many. The results will surprise and delight you.

All drug stores supply Marmola at \$1 a box. A booklet in each box tells why it acts. Go get it now and watch the results on fat.

EASILY END YOUR GRAY HAIR

That your own hair. Use BROWNATONE and get a perfect color match. Apply to the roots and brush down to the ends or snip a perfect permanent wave. BROWNATONE is the only hair coloring that does not irritate the scalp.

—won't fade or rub. Buy BROWNATONE at drug and toilet counters, 50c. and \$1.50. Any shade from two colors. For full facts, send 10c. The Kenyon Pharmaceutical Co., 1028 Stearns Bldg., Windsor, Ont.

BLACKHEADS

Don't squeeze blackheads—disinfect them. Get two ounces of peroxide powder from any drug store and rub with hot, wet cloth briskly over the blackheads. They simply dissolve and disappear by this safe and sure method.

GENERAL NOTES OF INVERNESS AND VICINITY

Y. P. S. Held Two Successful Entertainments—News Briefs and Personals of Interest to Residents of Inverness and District.

INVERNESS, Que., April 7.—On the evenings of March 9th and 15th the Y. P. S. was merged in the oyster supper, which took place on the former date, and for which the society was responsible for the programme, and also in the ice-cream social, which was held on the latter date.

On March 23rd the regular meeting was held at the Manse and was attended by a large number of members. Business and devotional exercises being disposed of, a pleasant hour was spent in games and several items were rendered. It was decided to furnish a lunch, and ample justice was done to the liberal supply of good things which were provided by the Misses Irene Greaves, Iris Lunney and Eva Davidson. A sugaring-off was planned and held at Mr. Guy Little's on March 30th. Needless to say this was a most popular event and in spite of the stormy night, a large crowd was present. A box social is in the offing for this month, and a debate is scheduled.

Fill Ugly Hollows With Firm Flesh

New Yeast and Iron Puts on Pounds of Weight in Only 3 Weeks—or pay nothing

Women and men are amazed at the almost magic effects of IRONIZED YEAST. After a single course treatment—thin, weak bodies are brought up in weight and strength.

Flesh is made round and firm. Hollows filled out. Skin made satiny smooth with the glow of girlhood.

How is this done? Yeast and Iron have always been considered two of the greatest body and blood builders.

Yeast and Iron have always been considered two of the greatest body and blood builders. They contain those vital food elements that build up solid flesh, correct skin and digestion troubles, and enrich the blood. IRONIZED YEAST contains these two ingredients in highly concentrated form.

IRONIZED YEAST gives you all the weight-building benefits contained in cod liver oil and fish liver oil.

After taking IRONIZED YEAST you will notice an amazing improvement in your health, appearance and spirits. The skin loses its sallow, pimply, blotchy look, pounds of good flesh are taken on and your digestion and bowel action are wonderfully improved.

Don't have a skinny body that looks as though it had never been fed enough. Don't go around with an ugly skin. Take IRONIZED YEAST. Safe for everybody; contains no harmful drugs. 60 tablets to a bottle.

BURGESS BEDTIME STORIES

SALLY THE SALAMANDER

To be yourself pray be content For more than this you were not meant. —Old Mother Nature.

Some people seem never to learn this. They are forever trying to be what they were never intended to be. To Peter Rabbit's way of thinking Eft the Newt and Salamander were trying to be something they were not. He still couldn't get it out of his head that, judging by their looks, they ought to be members of the Lizard family. But Peter wasn't quite fair to Eft and Sally. They were not trying to be anything but what they really were, and they took pains to point out to Peter the difference between themselves and real Lizards.

Sally the Salamander was all black with good-sized yellow spots sprinkled over her. She wasn't handsome. No, indeed, she wasn't handsome. In fact, there was nothing pretty about her to Peter Rabbit's way of thinking. The members of the Lizard family with whom he was acquainted were graceful and quick-moving. Sally was not graceful and she was anything but quick-moving. In fact, she walked as though she had no great amount of strength.

"Where are you going?" asked Peter.

"That's my business," replied Sally. "I can find out just by watching," said Peter.

"Watch and much good may it do you," retorted Sally. "When I once reach the water you won't follow me far."

"Oh," said Peter, "you are going to the water, are you? Do you like the water?"

"I was born in it, I ought to," retorted Sally, all the time moving along slowly toward the Laughing Brook.

"Do you mean," said Peter, "that you used to live in the water altogether?"

"Why do you ask such silly questions?" protested Sally. "If I were born in the water, naturally I lived there when I was young."

"Did you look just as you do now when you were born?" inquired Peter.

Sally the Salamander stopped and smiled at Peter.

She smiled for April 18th, when three of Adderly's members are going to affirm, "that love at first sight and an early marriage is better than a long courtship". Three Inverness members will endeavor to show them the error of their views.

Tells of a Never-failing Comfort for Colds, Coughs, Catarrh

Mrs. M. E. Walford writes from East Sheffield: "For three years I suffered with a hard racking cough and bronchial irritation which annoyed me so much at night I could not sleep. I tried many remedies, catarrh tablets, sprays, syrups, etc., but they only helped for a short time. Catarrhoxone brought me wonderful comfort from the first. I inhaled its balsamic fumes every hour or two, and am now free from any trace of cold, bronchitis and catarrh. I can go out in all kinds of weather, and don't take cold."

There is no remedy so certain and safe as Catarrhoxone, but being a good remedy it is imitated. Beware of the substitute. Large Catarrhoxone lasts two months, price \$1.00; smaller sizes 25c and 50c. All reliable dealers.

The Junior Bridge Club met at the residence of Mrs. L. H. Pibus on Thursday evening at eight o'clock with three substitutes. Refreshments were served after the game and brought a most enjoyable evening to a close. The prize was won by Mrs. M. Barcello.

Mrs. Leonard Baker, of Montreal, is spending a short time with her parents, Mr. and Mrs. Wm. Harden.

The following list of books have been received from the McGill Travelling Library department and will be in circulation for the next three months: "Power of Will," by Haddock; "Etiquette Problems in Pictures," by Inge; "Correspondence," Vol. I and II; Lord Byron; "Story of the Bible," Hurlbut; "25 Being a Young Man's Candid Recollections," by Nichols; "The 20th Century," by Brendon; "Asia, Africa and America," Palmer; "The Road Round Ireland," Colum; "Modern Developments in Education," Adams; "Rebuilding Europe," Rouse; "The Haunts of Life," by Thompson; "Food Products," by Bailey; "The Nightingale," by Strackley; "Wonderful adventures of Nils," by Lagerlof; "Down and Down Derry," by De la Mare; "Mr. Fortune's Trials," by Bailey; "The Sea Captain," by Barrington; "The Flying U's Last Sland," by Bower; "Sarah of the Sahara," by Chappell; "Crotan," by Jackson; "Gravelly," by Lyndhurst; "The Thundering Herd," by Zane Grey, has been presented to the Pettes Memorial Library by Mrs. Arthur Royea, Bolton Pass, also three boys' books, "The Radio Boys Search for the Inca's Treasure," by Breckenridge; "The Radio Boys in the Thousand Islands," by Honeywell; and "The Camp-fire Boys in Muskrat Swamp," by Clifton, given by Jimmie Wilson.

Maud—I woke up last night and found a burglar in my room.

Marie—Did you catch him?

Maud—Certainly not. I am not making a collection of burglars.

GRANBY NEWS AND TOPICS OF INTEREST

Presentation Made to Mr. Rodney Clow on Occasion of Eighty-First Birthday—Personals and Brieflets from Vicinity.

GRANBY, Que., April 7.—Mr. J. G. Fuller, president of the Granby Board of Trade, is attending the banquet at the Fitz-Carleton, given by Mr. Gifford L. Laffoley, president of the Montreal Board of Trade, to the Council of the Montreal Board of Trade on Thursday, April 7th.

A fire alarm sent in at noon Tuesday from the corner of Ottawa Street drew a quick response from the fire brigade to the old Temperance Hall on Young Street. The fire originated from a spark on the roof, probably from some adjoining chimney. The damage was confined to the roof, and the fire was quickly extinguished.

Mrs. Heidler, of Richmond, Vt., who has been spending a month with Mr. and Mrs. W. A. Lewis, left for her home on Saturday. She was accompanied by her daughter, Mrs. Lewis, and two little sons.

Mrs. D. C. Horner recently entertained at a dinner party, and the combined ages of the four guests amounted to about three hundred years.

The guests were Mrs. R. W. Bradford, Mrs. George Wallace, Mrs. John Mason and Miss Mary Horner.

Mr. H. G. Shuffell, of Montreal, spent the past week in town the guest of his sister, Mrs. A. W. Mitchell.

Mrs. C. E. Savage took her little son, Billie, to Montreal on Saturday for special treatment.

Mr. and Mrs. E. Gauvin spent the week-end in St. Hyacinthe with Mr. Gauvin's mother, who has been seriously ill. This community is pleased to hear that she is recovering.

Much sympathy is felt for Mr. and Mrs. Dorion in the death of their little son, which occurred on Saturday after an illness of only a few hours.

Mrs. L. G. Jack entertained at five tables of bridge on Monday evening. The pretty prizes were won by Mrs. Smith and Mrs. Browne.

Mrs. Annie Kent, of Montreal, is in town, assisting in the care of her mother, Mrs. Marcus Lynch, who is seriously ill.

Miss Clara Tyrrell, of Westmount, was the guest of Mrs. Watson for the week-end.

On Saturday a large number of the friends of Mr. Rodney Clow gave him a pleasant surprise at the home of his daughter, Mrs. Edward Bradford. The occasion was the eighty-first anniversary of Mr. Clow's birth. "Five Hundred" was played at six tables, and at the close of the game the guest of honor was presented with a beautiful gold-headed cane engraved with his name. Mr. J. Bruce Payne made the presentation on behalf of Mr. Clow's many friends. Mr. Clow happily responded after which delicious refreshments were served.

It would be hard to think of a better rug pattern for kitchen use than this neat tile effect in blue and soft buff tones with its delightful border—it is Congoleum Gold Seal Art-Rug pattern No. 568.

Because the kitchen floor receives hard wear, is all the more reason for your having a genuine Congoleum Gold Seal Art-Rug with the improved longer-wearing surface.

Because that same floor must be swept and washed more than any other in the home, you'll appreciate the freedom from these tiresome tasks which Easy-to-clean Congoleum Rugs afford you.

With all their modern advantages, Congoleum Gold Seal Art-Rugs are decidedly inexpensive.

Nujol treatment now recognized method of relieving constipation say medical men

Doctors Advise Nujol

Eight doctors out of every ten told us they were advising the Nujol type of treatment for their patients in place of laxatives—and for these reasons:

1. Nujol is not habit-forming.
2. A more natural method.
3. A lubricant is better than a laxative.
4. Does not gripe.
5. Is not irritating.
6. Nujol gives lasting relief.

Nature-given remedy

Nujol appeals to the medical man because it is a simple, scientific and safe remedy for constipation, no matter how severe the case may be. It is gentle in its action and pleasant to take. Children love it! Get a bottle of Nujol from your druggist today. Doctors advise it for constipation, whether chronic or temporary. Avoid substitutes.

Farmers now have a chance to solve their domestic servant problem. Apply at once to W. M. Hillhouse, Secretary E. T. Immigration Society, Sherbrooke, Que.

CHICKENS PASSING THROUGH THE CITY GAVE SEVERAL LOCAL MEN A RUN.
Yesterday afternoon several local men were seen madly chasing a number of chickens at the Canadian National Railway station. The chickens, (no play on the word), just plain everyday chickens, were being shipped to some outside point, but through transportation while in the city, one of the crates was accidentally dropped and soon the chickens were enjoying unexpected freedom. They ran in every direction and for a while caused considerable excitement.

SALVATION ARMY APPEAL FOR FUNDS

The local branch of the Salvation Army are about to make an appeal to the public for financial aid to help them to maintain their philanthropic work in this city.

The good work done by the Army among the poorer classes to raise their standard of life is well known, while their attention to the soldiers, both friends and foes alike, during the past war, has been praised by the highest officers in the armies of the Allies.

In the past the people of Sherbrooke have contributed generously to this cause and in the course of a few days a committee of business men will commence their task of soliciting the support of the public of Sherbrooke, and it is hoped by the officers that they will be well received, even if it is impossible to help financially.

INTERESTING DISPLAY IN RECORD WINDOW.

A display of exceptional interest is at present on view in the Record window and is attracting much interest. It is a collection of two sets of pictures especially interesting to Canadians. In one of the series are the pictures of the numerous British War Memorials which stand today on foreign soil, telling to the world the great and noble part which the British Empire played in the cause of civilization between the years 1914 and 1918.

In the second collection are pictures of British War Cemeteries, which show how the remains of the country's heroes have been tenderly laid to rest amid the most peaceful and delightful surroundings.

The collection of pictures are indeed very interesting and well worth viewing. An article on "Belgium nine years after the war" written by Mr. V. E. Morrill, will appear shortly in the Daily Record.

APRIL'S SMILES AND EARS

Once, not long ago, a poet while in an effusive mood wrote a few verses entitled "And the Next Day it Snowed." The words are most applicable to what happened last night, for after a few days of balmy spring the weather man "made boreal fuss and slushy muss, and whistled shrilly through the attic." During the night doors and windows banged and rattled, and a few residents found this morning that panes of glass had suffered from the "boreal fuss."

Sunshine and high temperature has prevailed so far this month, but reliable weather prophets felt assured of the change in atmospheric doings, and while it is necessary to again don the great coat and rubbers, all may revel in the thought that it is better to have it now and get it over.

Reports from country districts show that there has been an excellent run of sap during the past week or ten days, and the pessimistic sugar-makers who decided that it was to be a "no-good" season and packed up their kit, have undoubtedly regretted their hasty decision. For a few days in some sugar places it was impossible to take care of the "run," while in others extra help and extra hours resulted in a large quantity of syrup and sugar.

This morning the brown earth was covered with what is often called sugar snow, and though it soon disappeared in the streets, the hillsides and fields remained white, while a nor'easter gave promise of more snow.

EXHIBITION IN SWIMMING SEEN AT Y LAST NIGHT

Captain George H. Corsan Demonstrated Different Strokes Used at Present—Several Excellent Aquatic Tricks Seen.

The Y. M. C. A. tank room was crowded to capacity last evening to witness Captain George H. Corsan, internationally known swimming instructor and swimmer, give an exhibition of swimming and aquatic tricks.

The features of the evening were perhaps the Houdini sack trick, swimming with the hands and feet tied and smoking a cigar under water.

The sack trick was perhaps the most difficult for the onlookers point of view to accomplish. The swimmer's hands and feet were tied and he was then placed in a large sack, which in turn was securely tied with a piece of stout cord.

The lights were then turned off and Captain Corsan was lowered into the water. In less than a minute he freed himself, and when the lights were again turned on the sack and cords were seen floating on the water.

In the cigar trick the swimmer and went to the bottom of the tank, placed a small cigar in his mouth which he exhaled the smoke, which rose to the surface and, on his reappearance, the cigar was still lit.

Captain Corsan also swam around in the tank with his hands and feet tied in the same manner in which he covered two and a half miles of Toronto Bay.

About twenty different styles of swimming were demonstrated by Captain Corsan, among which was the celebrated Australian crawl, now used by all the famous swimmers for both long distance and sprinting.

An exhibition of fancy diving completed the performance, which was apparently enjoyed by everyone present, especially the younger boys.

BOY SCOUT NEWS

2nd Troop Wolf Cubs Held Fine Meeting.

The Cubs of the 2nd Pack held an excellent meeting on Tuesday evening last, when a strenuous programme was carried out under the direction of "Akela" and "Bagheera." The former is the "old wolf" in the person of C. M. Price, and the latter is known as Bagheera the "Panther," personified by Acting A.C.M. Harold Rooke.

Enthusiasm was so great at this meeting that it was necessary for "Akela" to interject "steam-off" games every few minutes in order that the "working" part of the programme could be run off to the best possible advantage. Jungle dances, songs, stories, games and instruction comprised the evening's activities.

It was announced that the meeting night will be changed for the future from Tuesday to Monday evenings. This is reverting to the old meeting night, which seems to prove so suitable for the majority of the Cubs.

District Leaders "Pow-wow." The leaders of the district joined together for an informal "pow-wow" last evening to discuss the annual Spring Rally for the Eastern Town-

ships and other matters of importance, including summer camps for the local units. District Scoutmaster Giovetti outlined the plans for the proposed rally, and it was decided that a letter be issued to all members of the Eastern Townships Scout Officers Association inviting them to Sherbrooke on the sixteenth instant for the purpose of entering into a full discussion of this important proposition. After the business of the meeting had been dispensed with, the leaders adjourned to the meeting of the Mothers' Auxiliary at the home of D.S.M. Giovetti, where refreshments were partaken of.

Dr. Spencer Training First Aid Team.

A well attended and enthusiastic practice of the first aid team of the 2nd Troop was held last evening at the Y.M.C.A., where Dr. H. Spencer coached the boys in various matters appertaining to a first aid competition. It is hoped that this team will be enabled to enter into the Hugh Paton ambulance competition to be held at St. Anne de Bellevue on the 30th of April. The 2nd Troop came third in this contest last year and are entertaining great hopes that they will be able to capture the trophy in the approaching competition.

CLEANING THE CITY STREETS AND SIDEWALKS

The suggestion put forward by Alderman E. R. Newton before the City Council that the road department immediately have the streets and sidewalks cleaned undoubtedly meets with general approval. During the winter months sand is placed on the ice covered sidewalks to prevent accidents and considerable refuse gathers. With the disappearance of the snow the sand and refuse are left deposited on the streets and sidewalks. Consequently the streets, not only present a disagreeable appearance, but the condition is anything but conducive to good health.

The streets and sidewalks should be given a thorough spring cleaning every year. Alderman Newton has brought out a good suggestion and one which is heartily supported by all. Let the road department do its share and soon the difficulty will have vanished.

Employees of the road department have been seen at work on certain streets clearing away the sand and refuse, but they were working with scrapers. This system is slow and does not bring out the results which the sprinkler with its hose equipment would.

In a number of cities the fire and road departments co-operate in the spring cleaning work. During the early hours of the morning, while the great majority of the residents are in the "lan of slumber," lengths of fire hose are attached to the hydrants and the men give the sidewalks and streets a thorough washing. Perhaps such a scheme could be carried out here with success.

L'AIGLON MAY RETURN TO PARIS.

Now it is proposed to bring back from Vienna the body of Napoleon's son, the little King of Rome, and place it in the Invalides, besides the tomb of the great Emperor. It would be a fitting thing to do. The personality of Napoleon dominates Paris today as it did during the Imperial regime. The son born in 1811 was his hope. With the fall of the Empire, however, he was carried off to Vienna and died at the age of twenty. The news despatch announcing the project just launched says:

One hundred years after his death in Austria, the Aiglon immortalized by Edmond Rostand, may sleep near his father, Napoleon I, in the Invalides of Paris. Bearing the name of "Napoleon II," "King of Rome," titles which the Bonapartists hoped to establish him as Emperor of France, yet which at the same time kept him from the throne to which his father was to see him, the Duc de Reichstadt, whose body now rests in a mausoleum, may find an equal place of honor.

General Lachoux, director of the Invalides, says that this should be so, and if he can bring it about the Vieilles Tiges, association of the greatest past and present aviators of France, claim the honor of bringing the remains of the "Eagle's offspring" back to his native land by air. M. Pelletier-Daisy and M. Sad-Lecomte, France's leading aces, are named for this spectacular mission, strongly supported by "L'Intransigeant."

Jerome, King of Westphalia, and Joseph, King of Spain, both rest with Napoleon I, in the Invalides, and General Mariaux would accord the unfortunate heir the same place of honor. "Is it not better," the General asks, "that the body should be near the father he loved than buried at the side of the mother who abandoned him in a foreign country?"

The Duc de Reichstadt was born in the days when Napoleon was confident that the world was his. At his birth in the Tuilleries Palace, March 21st, 1811, the cannons of the Invalides announced the event with a salute of twenty-two guns. His first cry had hardly sounded when the Emperor proclaimed him "roi de Rome." Outside the palace the crowd returned cheer after cheer.

The "King of Rome" had not lived many months when his title became an empty one. Napoleon I marched to Moscow in the early fall of 1812 and came back with the rags and tatters of a once invincible army. In 1814, when the "Eagle" abdicated the first time, he reserved the title of King of Rome for his son and proclaimed him Emperor Napoleon II, with Marie-Louise as ruler, but the boy was consigned to the care of his grandfather, the Emperor of Austria, who gave him the title of the Duc de Reichstadt.

From this time on the young heir lived apart from the world. No word was given him of his father's death, nothing concerning his country, France, was allowed to reach his ears. His mother, who did not like the country of which she had been Empress, saw to it that he did not study that nation's history, nor indeed did she give him any instruction until he was fifteen.

From somewhere he caught an inkling of his station and once he asked what plans they had for him. Letters to him were answered perfunctorily, apparently under citation. He was weary and quite sick when, at the age of twenty, he said, "I wish they would let me die in peace." A little over a year later his wish was answered, for he died July 22, 1832, at Schoenbrunn, and was buried there.

BAD JOURNALISM

(By Dr. Frank Crane)

I recently read two articles which illustrate the difference between bad journalism and good.

The poor article was by one who shall be nameless and the good one was by Damon Runyon, a well-known writer and justly famous.

Mr. Runyon was to report the Browning case and in his first article about it he tells just what Browning's real name is and what the trouble is all about; and this notwithstanding the fact that everybody is supposed to know it.

It shows that a good article in a newspaper ought to furnish in a resume all about a case and not assume knowledge on the part of the reader which many readers do not possess.

The poor article was one written about henequen. It goes on to tell all about henequen's decline in Mexico because of the great supply from the Philippine Islands. It discusses learnedly the whole matter, in which it says that every resi-

dent of Yucatan has a vital interest and it is also of interest to the world.

Notwithstanding there are thousands of people who do not know what henequen is, the article never explains this matter.

Of course you can look up the word in the dictionary and find out about it in the encyclopedia, maybe. But newspaper readers do not have encyclopedias and dictionaries handy always. The article should first have explained what it was all about.

Too many newspaper articles are written on the same theory that the negro barber had who once shaved Senator Mason of Illinois. The Senator had gone into a town in Southern Illinois to make a campaign speech during an election. He went into a barber shop to get shaved and to change his collar. It was about noon. As the barber was shaving the Senator he said, "Senator, you oughta bin heah this mornin'. Mr. Jones of Kentucky, made the finest speech I ever heard. He spoke for two hours. I could listen to that man all day. It was the most eloquent's speech I ever heard."

"Well," said the Senator. "I am sorry I wasn't here. What did he talk about?"

"Well," said the colored barber, scratching his head, "he didn't just say."

Too many articles are written without just saying what they are all about.—Cpt. 1927.

PRESS COMMENT

THE JOY OF LIVING.

(Toledo Blade)

Human beings who are not prepared to admit they have become hard-boiled inside are involuntarily moved by the spirit that stirs all live natural things into new life at the first warm breath of approaching spring. It is then, if we could only find some way to measure our emotions, we would find the joy of living increased a hundredfold.

"The holy spirit of the spring is working silently."

It is rather bewildering, mystifying, this impulse that sets the heart to singing a song of hope. Perhaps we ought to accept it as proof of our relationship to all created things, the soul's kinship with the spirit of God.

Spring has a melody of its own. If we are normal we feel a new tenderness creeping into our hearts. It is not remarkable that so many want to rhyme their emotions. It is the heart's desire to find expression. But only about one in a million has the art to express himself in verse and make a good job of it.

NEVER AGAIN.

(Philadelphia Public Ledger)

In the sixty-five years of his life, Charles M. Schwab has crossed the Atlantic one hundred and forty times. He says he will never cross it again. His recent and seventeenth trip to Europe was his last. He is home, so far as Europe is concerned, to stay. He will retire to his farm with its horses, pigs and chickens. Europe, he believes, is getting its feet on firm ground. Nevertheless, he has "bad news" from the Old World for America. He says:

The unhappy things I have to report is the feeling—disguised as it may be—of the great mass of the citizens of Europe toward Americans. It is not what might be called animosity. It is more like that of the more unfortunate of two men who start out in life together and one becomes rich, while the other remains poor.

Evidently, Europe plays the role of the man who "remains poor." What Mr. Schwab has to report is hardly "news." A good many thousands of Americans have observed it. For years it has colored the politics and the thinking of Europeans. A very great many of his fellow citizens feel as Mr. Schwab feels when they return home: that never again will they expose themselves to the chill of that enmity.

CITY BRIEFLETS

LOCAL W. M. S. SEND INVITATION TO HAVE CONFERENCE HELD HERE

Societies of Lennoxville, Plymouth and Trinity United Churches was held in Wesley Hall. There was a good attendance and the meeting was presided over by Mrs. Pergan, of Lennoxville, with Mrs. W. H. Abbott conducting the devotional exercises.

The chief matter of business before the meeting was to consider having the conference branch of the society meet in Sherbrooke in 1928. After discussion it was decided to send the invitation to Ottawa before this year's annual meeting, so it may be put before that session.

ACTIVITIES ARE QUIET THROUGHOUT THE CITY

According to reports received this morning, conditions generally throughout the city yesterday afternoon and last night were quiet. The police department this morning stated that everything in connection with their duties was quiet, while the report that no fire calls had been received showed that the firemen also enjoyed a rest.

SPECIAL MEETING OF COUNCIL THIS EVENING

The City Council will meet at eight o'clock this evening at the City Hall when a special general meeting will be held regarding the adoption of two by-laws. One by-law provides for the renewing of a loan and the other is in connection with the Westbury basin matter.

OLD FIRE ENGINE WAS OUT YESTERDAY

Yesterday afternoon, many local citizens had an opportunity of again seeing the city's old fire engine going along the street. This part of the equipment has had its active day, and now is enjoying a well-earned rest at headquarters where it has been given a special corner. The engine attracted quite a lot of interest as it passed along the street while being taken from one station to another.

ST. GEORGE'S CLUB ELECTED OFFICERS

The annual meeting of St. George's Club, Inc., was held last evening and was very largely attended by members of the club. Apart from the reading and adoption of the report and financial statement, the election of officers also took place, resulting as follows: Hon. president, Mr. E. W. Farwell; president, Mr. W. E. Paton; vice-president, Mr. H. A. Hyndman; Messrs. Paton and Hyndman being re-elected. The governors include Messrs. H. A. H. Baker, Dr. F. H. Bradley, S. R. Fuller, Jr., Col. M. W. McAuliffe, Wm. McManamy, C. L. Spafford and D. J. Steele. The board of governors is composed of the above seven governors, together with Messrs. J. H. Blue, J. A. McKechnie and C. Wolff.

VARIOUS DEPARTMENTS OF W. A. GAVE REPORTS

A special meeting of the W. A. of St. Peter's Church was held yesterday afternoon in the church hall in co-operation with the two guilds of the church, the Women's and St. Faith's, and to which all women of the congregation were cordially invited. Miss Annie Twose, Branch Treasurer, explained how the money was raised, and how it was applied to this year's work, which was most interesting and instructive. Mrs. Stewart-Patterson, for the Dorcas Society, told of the work of this department, which includes the supplying of clothes for the children of Indian schools in the Dominion; church furnishings, and furniture for Missionaries' homes. Mrs. E. W. E. Wright, of Lennoxville, Diocesan Secretary of the United Thank-offering, which is the practical expression of thankfulness for special mercies, reported that the contributions to this fund amounted to nearly \$12,000, as given at the last Dominion annual meeting. Mrs. Fred Hall spoke on the leaflet, "Living Message", which is the official organ of the Auxiliary. Mrs. Hall showed those present a small bound volume of one of the first issues of the leaflet, this in itself giving evidence of the growth of the work with the years. Mrs. S. A. Dyer, Diocesan Literature secretary, had a table on which was displayed W. A. literature. Pamphlets describing the various mission fields and work taken up by missionaries of the Anglican Church were there for distribution among those interested. Mrs. Jones explained that the Diocesan Library contained about four hundred volumes and these were free to any member who wished to read them. The summer schools were also referred to by Mrs. Jones who spoke of their educational value, and also of the opportunity for meeting and becoming acquainted with the missionaries, as one or two who were on furlough, attended the sessions. The meeting, a most interesting one in every detail, closed with a few remarks by the president, and the benediction.

Miss Mary Twose, in her report

Social and Personal

The Union Sewing Circle met last evening at the home of Mrs. Ernest Hodges, London Street, with a very good attendance. Sewing was continued on the various articles and a social hour was enjoyed. The hostess being assisted in serving refreshments by her mother, Mrs. Hole. The members were invited to hold the next meeting with Mrs. M. J. Foster, 13 Esplanade Avenue.

Mr. A. G. Cherrier, who has spent the past six weeks in England, has returned home. Mr. and Mrs. Carl Covey, of Megantic, who have spent the past winter in Florida, were in the city yesterday on their way home.

The ladies of the Guild of St. Peter's Church served tea yesterday afternoon after the meeting of the W. A., which was held in the church hall. Mrs. H. R. Bigg, Mrs. Peter Dunsmore, Mrs. Harmer and Miss Hunt were the hostesses.

At the meeting of the Young People's Association of St. Peter's Church, tomorrow evening, Mr. Stewart-Patterson will give an address on the Chinese question, a topic of particular interest at present. The address will commence at nine o'clock, following a business meeting of the Association, at which nominators of officers will take place. Parents and friends of the young people are cordially invited to come at nine o'clock for the lecture and the social hour that follows.

The fortnightly meeting of the Mothers' Auxiliary of the 2nd Troop Scouts was held last evening at the home of Mrs. Wm. Giovetti, 140 London Street, with a good attendance of members. The vice-president, Mrs. Bert Jones, presided in the absence of the president, Mrs. J. Thissen. Several business items were discussed and disposed of, with particular attention being given to the possibility of another rummage sale being held in the near future. It was announced that a Mothers' Auxiliary was contemplated being organized in Lennoxville to assist the Scouts and Wolf Cubs in that place, and in response to a cordial invitation issued by the Lennoxville Scout officials a number of the officers and members of the 2nd Troop Auxiliary will attend the initial meeting scheduled to take place next week, with the object in mind of assisting those interested in organizing this new auxiliary. Following the business routine, refreshments were served by the hostess, assisted by Mrs. F. Jackson and Mrs. A. Giovetti. It was decided that the next meeting, which will be held on April 20, will take place at the home of Mrs. C. F. Waller, 3 Montcalm Street.

Among the guests registered at the New Sherbrooke House are: Mr. and Mrs. Carl Covey, Woburn, Que.; Mr. H. A. Wilson, Montreal, Que.; Mr. M. F. Leonard, Falmouth, Mass.; Mr. W. P. Roper, Montreal, Que.; Mr. A. Findlay, Quebec City, Que.; Mr. A. Livingstone, Toronto, Ont.; Mr. James W. Ward, Boston, Mass.; Mr. C. B. Nellis, Rome, N.Y.; Mr. W. Eddy, Montreal, Que.; Mr. R. E. Walther, Buffalo, N.Y.; Mr. L. Guttman, Quebec City; Mr. J. E. Trebbutt, Three Rivers, Que., and Mr. J. A. Gratton, Hall, Que.

LOCAL FIRM INSPECTED YESTERDAY

Members from Board of Trade and Representatives from City Council Spent Part of Yesterday Afternoon at the Anderson Manufacturing and Rubber Company, Limited.

Members of the Sherbrooke Board of Trade and representatives of the City Council yesterday afternoon paid an official visit to the Anderson Manufacturing and Rubber Company, Limited, of London, Ont., who recently opened up a factory here, in the premises formerly used by the Sherbrooke Footwear Company, Council street. The visiting delegation comprised: Messrs. E. W. Farwell, president of the Sherbrooke Board of Trade; C. Picard, vice-president; D. J. Steele, chairman of the industrial committee; E. A. Bernard and A. M. Sangster, vice-presidents of the Board, and Aldermen Newton and Tetrault, representing the City Council. Upon arrival at the plant, the visitors were welcomed by Mr. N. W. McBirnie, local manager of the Anderson Company. Mr. Farwell, on behalf of the delegation, expressed the nature of the visit, telling Mr. McBirnie that the Sherbrooke Board of Trade had never before paid their newly-organized company an official visit. The Board of Trade president informed Mr. McBirnie that any assistance which the Board could render he could be assured was at his service. Mr. McBirnie replied to the president's remarks, thanking the delegation for their visit, and expressed himself as being very well satisfied with local conditions. Mr. McBirnie then took the visitors on a tour of inspection of the new factory, where they found much interest in watching the different articles in the course of manufacture. The Anderson Company manufacture practically all kinds of rubber goods, especially rubber aprons, rubber goods for children and other rubber lines.

DECLARES BRITAIN HAS PLAYED A WONDERFULLY PATIENT GAME IN CHINA

(Canadian Press Despatch) PICTON, Ont., April 7.—"I do not know what we would have done without the British Navy behind us," states L. C. Walsley, lately a missionary of the United Church of Canada, at Changai, Szechuan, China, in a letter to Percy Clark, of Elmbrook. "Britain has played a wonderfully patient game and has endured much from the Chinese. I believe she is much misunderstood at home, too, but as far as I can see we have every reason to be proud of her." Mr. Walsley is a son of James F. Walsley, of Milford, Ont., and his wife is a daughter of the late Dr. Kilborn, of the West China Medical Mission of the United Church. Mr. and Mrs. Walsley will sail for home on April 15.

HATLEY TOPICS
AND PERSONALS
FROM DISTRICT

Brieflets and Happenings of Interest to Residents of Hatley and Surrounding Vicinity.

HATLEY, Que., April 7.—The members of the Junior Guild and Auxiliary, in connection with St. James' Church, are preparing a highly entertaining programme, under the personal supervision of Mrs. Eardley-Wilmot, to be given in the Guild Hall, shortly after the great festival of Easter.

An old and familiar landmark at North Barnston, has been removed through the destructive agency of fire. For a long time this old structure has been known as the McAllister property, having been owned and occupied by the

late Robert McAllister, grandfather of Hatley's Mayor, George C. Poole. It was afterwards purchased by the late Oscar Henry, whose property received from his father, the late David Henry, adjoins and is now controlled by Mrs. John McLean, of Coaticook. At the time of its burning, it was leased and occupied by Mr. and Mrs. C. Hunter. The fire was first discovered in the barn, but, too late to save the contents of either that or the dwelling, as unfortunately, Mr. Hunter was in the sugar bush and Mrs. Hunter, also away. Mr. M. B. Corey, of Kingscroft, lost a horse at the same time, which was stabled there by his children, while in attendance at the nearby school.

Mrs. F. Wyman, of Ayer's Cliff, was a week-end visitor at "Highland Place," with Mr. and Mrs. Young and attended on Sunday morning, the service at the United Church.

Mrs. W. J. Whitecomb and young son, Robert, drove to the Country Seat on Monday.

Mr. Douglas Spafford, who has been for some time in New Jersey, paid a short visit to his father, Mr. Dudley Spafford, before leaving

AN IMPORTANT
COUNCIL MEET
HELD AT BURY

Province Asked to Take Over Maintenance of Improved Roads—License to Operate Pool Table Renewed—Tax Rate Not to Change.

BURY, Que., April 7.—The Municipal Council for the Township of Bury held their usual monthly sitting on Monday last with the following members present: The Mayor, Jas. W. Dawson, and Councillors A. Brouillette, F. G. Bennett, F. G. H. MacLeod and S. J. Prangley.

A resolution was passed asking the Provincial Government to take over the maintenance of the following improved roads, namely, the Bury-Scotstown road, 42,603 feet; the Dudsell road, 38,500 feet; the Flat, (Bury Village) 3,177 feet; the Station road, (Bury village) 2,943 feet, and a part of the Gould Station road, 15,840 feet.

A letter of resignation from Mr. Jas. H. Saunders as a member of the Bury Board of Health, was before the council; the resignation was accepted and Mr. Omer Lapalme was appointed to the board in Mr. Saunders' place.

Mr. Alden Allison applied for a continuation of his permit to operate a pool room and the same was granted on the same terms and conditions as in previous years.

Pursuant to notice Councillor Brouillette introduced a by-law levying the rate of tax for the current year. After study and discussion of the estimated budget, as prepared by the secretary, it was decided to leave the rate at the same rate that has held for the last three years, despite the fact that the valuation of the township has been reduced. The by-law therefore calls for a rate of eleven and one-half mills on the dollar. This rate keeps Bury very near the bottom of the list of the tax rate for the municipalities in the County of Compton.

to join his brother in Saskatoon. Together, they visited old friends in their former home at Hillhurst, staying for a brief period with Mr. and Mrs. L. Huntington.

Before returning from North Hatley, Mrs. Impey spent a day with friends, in Lennoxville, and Sherbrooke.

The Misses Alice, and Lena Ayer, together with friends from Stanstead, were at "Comfort Cottage" over the week-end.

Mr. Alfred Auger, whose barn was lately consumed by fire, was at one time a resident of North Barnston, in close proximity to the Hatley line, when occupying the property owned by the late O. Poole. Since that time, Mr. and Mrs. Auger's home has been the homestead of the late Lucius Call, between Abbott's Corner and North Hatley.

After an extended stay at North Hatley with her son, Mr. O. R. Bowen, Mrs. J. P. Bowen is again at Fairview Farm with Mr. and Mrs. A. E. Bowen.

After the past few years across the border, Mr. Myron Huntington has returned to Hatley, where he has entered the employment of Mr. C. W. Moulton.

Upon the invitation of Mr. and Mrs. J. S. Webster, a number of the villagers paid an enjoyable visit to their well equipped sugar camp on the Barnston road on Saturday afternoon.

After a few days in Waterville at the home of Mr. and Mrs. Kenneth Spafford, Miss Mona Perrings has returned to "Rubicon Farm."

Mr. and Mrs. F. A. Hall were called to Rock Island by the death of the latter's brother, Mr. Sewell Bryan.

After the winter months at the home of Mr. and Mrs. E. A. Hodges, Mrs. Currier has reopened her village home.

Mrs. M. Dezan is slowly recovering from painful injuries received when in crossing the lawn at "Brookdale", she was thrown with much force to the ground, though tripping over a long rope attached to the watch dog, which suddenly and unexpectedly ran in front of her.

Mr. Moses Raymond, of Richford, Vt., who has lately returned from California where he spent the winter months, recently made a short stay with his mother-in-law, Mrs. McCoy, who is staying at "Maple Row", with Mr. and Mrs. J. W. Foote.

Master Raymond Loveland, of Sherbrooke, has spent a short time lately with his great grandmother, Mrs. McCoy.

Services on Sunday next at the United Church, April 10th, will be held as follows:—10 a.m., service of worship, preacher, the minister; 11 a.m., the church school will hold its weekly session; 7:30 p.m., fellowship meeting, speaker, the minister.

Special services of worship will be held in the United Church on Easter Sunday, April 17th. At the 10 a.m. service, the minister will be assisted by the cantata, "Jesus of Nazareth"—"Blessed and Jesus, are the humble", (adapted from Mozart) "Hear Ye Now", recitative and chorus, "Hosanna To The Son Of God", choral march. At the 7:30 p.m. service, the Easter story will be illustrated with lantern and beautifully hand colored slides depicting the principal events in our Lord's life, leading up to the Resurrection.

NEWS OF SPORTING WORLD

SENATORS AND BOSTON READY FOR BIG SERIES

Managers of Both Teams Declare Their Men Are in Good Condition for Opening Clash of Series This Evening.

(Associated Press Despatch) BOSTON, Mass., April 7.—For the first time in nine years a Boston professional athletic team will swing into action tonight as a finalist in a world championship series. When the Ottawa Senators in the first round of a five game series for the Stanley Cup, hockey's title trophy, they will strive to emulate the Red Sox of 1918, who landed Boston's

last world title in baseball. The Senators, who held an easy lead in the Canadian division of the National Hockey League during the winter schedule, are famed for their cool defensive play, team strategy and steadiness in a pinch. The Bruins by sheer power and aggressiveness drove to the front in the American division of the League by eliminating the New York Rangers in the semi-finals.

Their partisans believe the Boston team has the punch to pierce the puzzling "Ottawa system" of defense by wearing down the Canadian players. Managers of both teams declared their men in good physical condition for the series. The Bruins came out of their series with the Rangers battered but without serious hurt, while the Senators eliminated the Montreal Canadiens in their semi-final without a casualty. The second game will be played here on Saturday night, and the third in Ottawa on April 12th. Should a fourth game be necessary, it will be staged in Ottawa on April 14th. If the teams are then tied a fifth and deciding contest will be played on neutral

ice, probably in Montreal. Louis Rittman, formerly a member of the Senator squad and star defence man for the Bruins, had six stitches in his feet and leg as mementoes of the Boston-New York series, but will be quite fit to go through the gruelling series, it is stated.

More than thirty thousand applications for tickets have been received for the two games to be played here, but fewer than one third of these can be accommodated at the Arena. DULUTH CAPTURED CHAMPIONSHIP (Associated Press Despatch) MINNEAPOLIS, Minn., April 7.—Duluth captured the American Professional Hockey Association championship last night when it defeated Minneapolis in the third and final match of the post-season series by 1 to 0, in a thrilling overtime game.

NOTES FROM THE BASEBALL CAMP

A National League club-owners meeting at Pittsburgh tomorrow will endeavor to decide whether President John A. Heydler is right in ruling that so long as Rogers Hornsby holds 1,167 shares of stock in the St. Louis Cards, he cannot play ball with the New York Giants.

The Brooklyn Dodgers' eight game winning streak was broken yesterday when they were defeated by Atlanta Crackers by 3 to 1. Miscoes by Young Partridge and Bill Doak were responsible.

The New York Giants and Washington Senators had a good old-fashioned home run party yesterday, the Giants winning by 5 to 1. The series now stands six to two for the Giants with four more games to play. Prominent in the circuit hitting were Ed die Roush, Tris Speaker, Goose Goslin and also Bill Terry, who contributed two.

Encouraged by their 6 to 3 victory yesterday, the Phillies were confident of making it two straight over the Athletics today and evening the series. Jack Scott will pitch for the Phillies today. The Athletic pitching choice has not been decided.

Gibson, Whitehill and Smith, of the Detroit Tigers' pitching staff, have rounded into fine shape and bolstered that department considerably. Twelve pitchers are being carried, but several recruits will be disposed of soon.

The St. Louis Browns faced the Tulsa Western Leaguers today for the second time. Yesterday they turned a premature celebration on the part of Tulsa fans into sadness as they overcame the Tulsa team's lead in the ninth and emerged victors 8 to 5.

CONTRACT MUST BE SIGNED BY TWO BOXERS

Popular Practice by Promoters of Taking Blanket Options on Services of Boxers Has Received a Knockout Blow.

NEW YORK, April 7.—The highly technical pugilistic question, "When is a contract not a contract?" is settled once and for all, so far as this State's Athletic Commissioners are concerned.

A learned opinion handed down yesterday rules that unless the document bears the signatures of two combatants it is not a contract, no matter how much it may look like one. In other words, the popular practice among fight promoters of taking blanket options on the services of boxers has received a knockout blow.

A few of the whimsical hereabouts are figuring it out, that, in the latest edict, Tex Rickard has no contract at all with Gene Tunney, Jack Dempsey, Jack Delaney, Jim Maloney or Jack Sharkey.

If a rival promoter should get the signature of one of them, and of an opponent, this promoter would have the only binding contract in sight.

The question arose when the commission passed on a case very similar, except that the fighters involved are welterweights instead of heavies. Humbert Fugazy had signed Joe Dundee for a championship go with the welter king, Pete Latzo, although Dundee was under "blanket" contract with Rickard. The Board held the valid contract was Fugazy's because he had two fighters' signatures and the best Rickard could show was Dundee's and his own.

PHILADELPHIA, Pa., April 7.—Tommy Loughran, of Philadelphia, won the judges' decision over Tom Kirby, Boston, in a one-sided ten round fight last night. Loughran weighed 178; Kirby 173.

LADY CURLERS' ANNUAL MEET HELD AT GRANBY

Report Showed that Granby Was in Flourishing Condition from Financial and Membership Point of View.

GRANBY, Que., April 7.—The annual meeting of the ladies' branch of the curling club was held at the club house on Wednesday evening, March 30. The lady members are very enthusiastic and the president thanked them for their hearty support, given her during the past season.

The prizes awarded for the past winter were as follows: President's prize, Miss Simpson; Vice-president's prize, Miss Watson; Treasurer's prize, Miss Simpson; Secretary's prize, Miss Watson; House committee's prize, Miss A. Dunn; Match committee's prize, Miss A. E. Solomon; Miss Walkinson; Mrs. J. G. Fuller (skip); Prizes from the team to the stout ladies, Mrs. R. Martin, Mrs. J. B. Travers, Mrs. J. G. Fuller, Mrs. C. H. Bradford, Mrs. Jollander, Mrs. F. Buck, Mrs. A. A. Stewart, Mrs. F. A. Wallace, Challenge cup, Mayor Boivin; Prize, Mrs. J. Simpson, Mrs. S. McDonald, Mrs. A. Stewart (skip); Vice-president's prize, Miss Olive Dunn; Miss Tomalty, Mrs. F. Buck; Mrs. P. Wallace (skip); match committee's prize, for bridge in aid of Children's Memorial Hospital, Miss B. Larviere, Mrs. J. G. Fuller, Miss Renaud, Mrs. J. McDonald, Bonspiel, Mrs. C. H. Bradford's prize; Mrs. A. A. Stewart, Miss A. Goyette, Mrs. P. Wallace, Miss K. Gopp, Bonspiel, Mrs. J. Connolly's prize, Mrs. R. Bradford, Mrs. V. Macfutchin, Mrs. G. McDonald, Miss F. Bradford (skip).

The following officers were elected for the ensuing year: Honorary president, Mrs. C. A. Bradford; president, Mrs. A. Stewart; vice-president, Mrs. C. P. MacDonald; secretary, Mrs. J. S. Fuller; treasurer, H. Giddings.

A hearty vote of thanks was tendered the president and the retiring officers for their efficient work during the past season.

The balance of cash in bank amounted to \$77.40, an increase over last year's receipts.

BASKETBALL

Y'S MEN DOWNED RAND Last night another very interesting game was played in the City Basketball League with Rand falling victims to the Y's Men by a score of 50 to 23. In the opening stanza the Crico started off well, getting three baskets before the Y's Men got set, but after that it was more the Y's Men's game with the score standing 23 to 11 at half time. In the second period MacDonald, who with Percy Green in the old days made the almost unobtainable three field baskets in the floor, and showed up to good advantage. Another incident in the game was a change in the position taken by Rowell, who was moved forward and worked very effectively, getting three field baskets in rapid succession after the change was made. The game from beginning to end was very interesting and very worth while watching. It was handled carefully and well by Mr. J. Corfield.

INTERMEDIATE PLAY OFFS

A good deal of interest is being shown in the visit of the Quebec Shamrocks to Sherbrooke. The Shamrocks have had a very hard season, winning out against the C.N.R., The Acety, and other strong Quebec teams to take the Quebec City League championship. The Shamrocks come to town Saturday when it is hoped they will have a good reception, and when it is hoped the Y's Men will have the backing of all enthusiastic basketball players. The winners in the series will meet the Engineers, the winners of the Intermediate section of Montreal, on Wednesday next, and the Y's Men expect to win.

SPORTING NOTES

SET NEW WORLD'S SWIMMING RECORD

(Associated Press Despatch) CHICAGO, April 7.—George Kojac, seventeen-year-old school boy from Dewitt High School, New York, defeated Johnny Weismuller, Chicago swimming ace, in the 175-yard back stroke championship of the National A.A.U. last night and established a world's record. Kojac made the distance in 1:39 1-5, which is nearly three seconds faster than Weismuller's former mark of 1:42.

Mr. Grigg, who has been on a trip overseas during the past few months, has returned to this place.

Latest reports from the bedside of Mr. A. V. S. Gullins, proprietor of the Derby Line Hotel, are that his condition is still very critical and very little hope is entertained for his recovery.

Mrs. John Nixon on Tuesday and attended the funeral of the late Mr. George Griffith.

Those who accompanied the remains of the late Mr. George Griffith from St. Hilarie, where he passed away on Sunday, April 3rd, at the home of his daughter, Mrs. Charles Watt at the age of eighty-eight years after an illness of three months, were Mr. and Mrs. Nita Watt, Mr. and Mrs. William Yarbley, Mr. James Johnston and Miss Iona Johnston, Mr. Richard Pike, Mr. J. O. Griffith, Mr. Allie Watt, Mr. David Picken, and Mrs. John Boast, of Cleveland. They were met at the morning train on Tuesday, April 5th, by Rev. Mr. Archie Sisco and many relatives and friends, who proceeded to the Methodist Church, where the service was held. The interment was in the family lot beside his wife, who passed away in 1915.

Mr. Robert Wodfrey who was taking treatment in the Royal Victoria Hospital, Montreal, has returned home.

Mr. and Mrs. William Fraser, of Melbourne, were guests of Mr. and Mrs. Geo. Richmond on Tuesday.

Mrs. John Boast, of Cleveland, was a guest of Miss Mary E. Griffith and Mrs. M. Montaigne on Tuesday. Mr. Richard Pike is with

EAST, WEST—HOME'S BEST

East, West, yes, and Home's best if the home has an electric toaster, an electric percolator, chaffing dish and so on with other electrical appliances. There is as much difference between the electric way and the old way of preparing food whether for breakfast, lunch, dinner or supper as West is distant from East and East from West. When you prepare food the electric way for two or for more—the time is halved, the faces sweeter, the outlook wider, the food more tasty. Electrical appliances of every description. We'll talk "convenience outlets," too.

FINANCIAL AND MARKET NEWS

NEW YORK PRESS MARKET COMMENT

Furnished by McManamy & Walsh

Wall St. Journal—Stimulus for the upswing was supplied by ease of the money situation, and the optimistic tone of the weekly steel review. Journal of Commerce—Easier money market conditions, another record in weekly loading of revenue freight and favorable steel trade news paved the way for a continuation of constructive operations in stocks on a broad scale.

New York World—The whole list moved forward as if the demand from strong boxes, as well as speculative adventurers, greatly exceeded the market supply.

Wall St. Journal will say today—Pig iron output heavy in March. Remington Arms ended 1926 with \$2,821,666 profit.

Western Maryland assets up \$5,500,000. Shorter route to coast planned by Burlington.

California is hit by overproduction of crude oil. General Railway Signal earnings are lower. Japan's finances in good position. Ford profit was \$436 a share, sales were lower.

HIGH RECORDS MINGLED WITH SEVERAL SOFT SPOTS AT NEW YORK

(Associated Press Despatch) NEW YORK, April 7.—New high records mingled with several soft spots at the opening of today's stock market. New York Central opened up two points at 149½, the highest in over twenty years, while Dupont scored an overnight jump of nearly 46 points to 233½, the highest record for all time. Bethlehem Steel registered the highest price since 1924 on the initial sale.

RAPID PROGRESS BEING MADE IN

(Continued from page 1) would be prepared to be laid before Parliament at the next sitting.

General A. E. Ross (Conservative, Kingston) asked that this item be left over as he wished to discuss it. Hon. James Malcolm, Minister of Trade and Commerce, agreed, explaining that he was fully impressed with the importance of this work. He referred to the co-operation between the pulp and paper manufacturers in McGill University.

Report Approved. The railway and shipping committee of the House of Commons yesterday approved the eighth annual report of the Canadian Government Merchant Marine after a brief discussion.

Sir Henry Thornton presented a synopsis of the report which showed an operating loss for 1926 of \$90,169.91 as compared with a loss of \$948,058.34 in 1925.

R. B. Teakle, general manager of the Government Merchant Marine, in answering questions regarding the cattle trade, said that under present rates the estimated loss on a shipment of cattle would be about \$1,276. Until recently the rate was \$20 a head, but it had been dropped to \$15 a head, largely to test the possibility of increasing this class of shipments.

Inspection of Fruit. The agricultural committee of the House of Commons yesterday reported a bill requiring the inspection of fruit intended for export and requiring the issue of an export certificate.

The principle of the bill was generally approved by the committee but some objection was taken to a clause in the bill providing for

Bank of England made no change in its discount rate of 5 p.c. President Campbell, of Youngstown Sheet and Tube Co., says earnings for first quarter may be expected to show larger rate than for same period of 1926, owing to reduced volume and weaker prices; says operations will continue at 75 to 80 per cent.

the imposition of fees for inspections. J. L. Helsey, M.P., Kentville, N.S., said the fruit growers of his district "wanted to be shown" why they should be compelled to pay possibly 2-2 cents a barrel for inspection of fruit which is sold in the export market by auction to experts in determining the grades. Dr. J. H. Grisdale, deputy minister of agriculture, said that if the growers and packers would cooperate to make the proposed regulation effective it would do more than anything else to raise the standard of Canadian fruit in the export market. At the present time complaints were made in the British market that grades of fruit from Canada were not uniform. He was convinced that the product should bear the cost of inspection, but gave assurance that no cessant would be imposed without consultation between the department and the growers.

Resolutions Not Reported. It would appear that the many resolutions passed at the inter-provincial conference held in Ottawa last June, and at which most of the provinces were represented either by premiers or other ministers, were never submitted to the federal government. Hon. J. A. Robb, Minister of Finance, told the House of Commons this morning that none of the decisions arrived at by the "interprovincial conference" had been submitted to the Dominion Government. His reply came in answer to a question by N. M. Young (Conservative-Toronto News) as to what the Government was going to do with regard to the following resolution passed by that conference: "This conference is of the opinion that the Dominion should repeal its legislation regulating contracts of insurance and the business of insurance as ultra-vires the legislative competence of the Parliament of Canada, or in the alternative, take immediate steps to appeal the decision of the Ontario courts through the judicial committee of the Privy Council." Mr. Robb also said that no steps with regard to this appeal had been taken.

A Premier King also in reply to a question said there was no record on file of any requests or representations by correspondence or otherwise made to the Government of Canada by any of the provincial premiers previous to the inter-provincial conference in 1926 asking to have the said conference called. It was a matter, he said, for the provinces.

The Prime Minister, however, referred to certain verbal discussions in connection with such a conference.

Bilingual Stamp Issue. Acting on representations made by the national committee in charge of the celebration of the sixtieth anniversary of Confederation, it has been decided that a bilingual issue of stamps will be printed by the post office department. Hon. P. J. Veniot, Postmaster-General stated in the House of Commons yesterday in reply to a question asked by Hon. J. W. Edwards (Conservative-Frontenac Addington). Mr. Veniot said that any future issue of these stamps beyond the issue in connection with the celebration would be a matter for consideration.

Mr. Edwards asked the Premier whether the Government intended to appoint a committee to design "a bilingual flag." Premier King replied that the term appeared to be contradictory.

MOTION PICTURE BUREAU TO BE SELF-SUPPORTING

(Canadian Press Despatch) OTTAWA, Ont., April 7.—The motion picture bureau of the government will this year be self-supporting with the number of contracts recently obtained from Hollywood, Honorable James Malcolm, Minister of Trade and Commerce, told the House of Commons yesterday, when the estimates of his department were under consideration. The estimates of this department, to the extent of \$3,800,000 were carried during the afternoon.

PLANE CAME TO GRIEF (Associated Press Despatch) PERNAMBUCO, Brazil, April 7.—The "Argo," aeroplane in which the Portuguese aviator, Major Sarmiento Beires, is seeking to make a world flight, came to grief yesterday when it fell from a short height, while the aviator was attempting to resume his flight to Rio Janeiro.

ANGLO-SPANISH COMMERCIAL TREATY (Associated Press Despatch) LONDON, April 7.—An Anglo-Spanish supplementary convention, revising the Anglo-Spanish commercial treaty of 1922, has been signed in London.

ONTARIO'S PLAN FOR EXTENSION OF RAILWAYS

Proposed to Spend \$2,500,000 This Year on Extensions of Temiskaming and Northern Ontario Railway.

TORONTO, Ont., April 7. — Information that the Ontario Government was prepared to spend \$2,500,000 this year on contemplated extensions of the Temiskaming and Northern Ontario Railway was made by Premier Howard Ferguson yesterday. Cost of the extension towards James Bay would approximate \$1,500,000 and the remainder will be devoted to building the Swastiki-Kirkland Lake branch line into the Rouyn mining field.

Premier Ferguson stated that the N. O. commission recently had been in conference with Premier Taschereau, of Quebec, and members of his cabinet, regarding the terms which the latter province will impose upon Ontario for crown lands used in cutting a right of way to the Rouyn field. He expected to have a decision on this matter very soon, he added.

The assurance was given by Hon. Mr. Ferguson that work on extensions of the railway would be started at the earliest possible date. Plans have been completed and tenders for the construction work will likely be advertised next week.

NEWSY NOTES OF INTEREST FROM BROME

Excellent Run of Sap—Happenings and Personals from Brome and Surrounding District.

BROME, Que., April 6.—Mr. James Chisholm returned this week with his bride, nee Miss Tracey, and they are now nicely settled on his father's farm here, where they intend to reside for the future.

The local sugar dealers, Messrs. Berry, C. C. Salsbury and E. W. Roy, have been kept busy in storing and shipping the large quantities of the maple products brought into town by the farmers during the past week, which has been a busy one for the farmers, last week being a record run of sap and many gallons of sap was lost owing to their not being able to store it, there being no let-up for four successive days, and the sugar-makers had to work night and day. The average price of syrup here is selling for twelve and ten cents per pound, according to quality.

The local trappers, Messrs. C. C. Patton, Charles Rheaard and Carl Wilson, are meeting with great luck in trapping muskrats during the past two weeks. Mr. Cedric Patton has sold over forty dollars worth the past week, a good peit selling for two dollars.

Word was received from Mr. John Thompson last week in Worcester, Mass., saying that he had secured his old position with the Worcester Ice Co., for whom he worked before coming to Brome to reside, and that he will soon move his family there, where they intend to reside in the future. All deeply regret the departure of Mr. and Mrs. Thompson and family, who have always been such active workers in the church and other social work for the town. Mr. Thompson holding the position of church warden for St. John's Church for a number of years, performing his duties most faithfully.

Mrs. Henry Hibberd, who is a patient in the General Hospital, Montreal, underwent a serious operation last week, and friends here will be pleased to know that her condition is as favorable as can be expected.

The Junior Guild was pleasantly entertained by Miss Hilda Holden on Saturday afternoon at her home. Mr. and Mrs. E. H. Foster entertained a few friends last week to a sugaring-off party. Mr. and Mrs. C. C. Jenne also entertained a few friends on Wednesday, March 30th, to sugar-on-snow.

Service in St. John's Church on Sunday night at 7 o'clock p.m. Lenten service on Friday night at 8 o'clock p.m.

Mrs. George Sturdevant was in Farnham on Saturday, a guest of Mr. and Mrs. Charles Landry.

Messrs. William Rockwell and M. P. Chapman were in Montreal last week on business.

Miss Hilda Holden was a week-end guest of her friend, Mrs. A. Greeley, of Boston.

Miss Gladys Chapman, of Sutton, spent the week-end with her parents.

Master Cecil and Gerald Sturdevant were in Sutton over the week-end the guests of their uncle and aunt, Mr. and Mrs. Geo. Skinner.

Mrs. F. A. Knowlton, of Knowlton, was a guest of Mrs. E. S. Chapman last week.

Messrs. Earl and Charles Patton were in Cowansville on Sunday calling on friends.

Messrs. Robert Hamilton, of Knowlton, and Gerald Wright, of Foster, were week-end guests in town.

Mr. and Mrs. R. Wilson and daughter and Mr. Wm. Richardson, of Montgomery, Vt., were week-end visitors of their grandmother, Mrs. Rose Richardson.

Mr. Orrin Richardson was in Cowansville last week the guest of Mr. and Mrs. J. Metoyer.

Miss Glenna Martin, of Montreal, was a week-end guest of his mother.

ITALIAN FLYER'S PLANE DESTROYED YESTERDAY

(Associated Press Despatch) SAN DIEGO, Calif., April 7. — Commander Francesco de Pinedo, four continent flier, whose plane was burned in Arizona yesterday,

will change his itinerary. L. G. Perina, Italian vice consul here, announced last night.

After the arrival of a new plane coming from Italy, the flier will go west by way of the Canadian border to the Pacific coast. Pinedo informed him of this on the long distance telephone.
