PRICE—TWO CENTS

Businessmen Name New Members To Executive Board

R. B. W. Ward Replaces A. A. Stewart as Chairman of the Finance Committee — Dayton Grabill is New Civic Improvement Committee Chairman, Filling Post Formerly Held By John Smithers — Meeting Held on Monday

Two new appointments to the Executive Committee of the Business Association of Westmount were announced at an executive session held Monday evening at the office of A. Ross Grafton, called to formulate further plans for the opening general meeting of the new season in Victoria Hall on Nov. 7.

R. B. W. Ward, branch manager of the Bank of Nova Scotia, replaces A. A. Stewart, as chairman of the Finance Committee. Mr. Stewart, formerly manager of the Bank of Montreal branch at the corner of Western and Greene avenues, has been transferred to another centre. The second appointment is that of Dayton Grabill, of the Brown-Buchanan Dairy, as chairman of the Civic Improvement Committee, to take over the post previously filled by John Smithers.

ACTIVITIES OF ROTARY BRANCH ARE OUTLINED

W. Boyd Robson, Chairman of Service Committee, Addressed Luncheon

Activity of the Community Service Committee of the Westmount Rotary Club carried on over the past year was outlined by the chairman, W. Boyd Robson, at the regular weekly luncheon meeting of the club in Victoria Hall on Wednesday.

The speaker referred to community service as one of the most important functions of Rotary and embodied its highest ideals. Boys work and crippled children are two of the most important sub-divisions of the committee, he said.

Activities undertaken during the past year included: The annual field day and club versus boys baseball match at Weredale Camp.

A Christmas party for the unemployed and the distribution of 25 hampers to underprivileged families, including several hampers for single men containing cigarettes and tobacco.

The annual field day for the School for Crippled Children; annual Cap St. Jacques picnic; the Rotary boys summer camp.

Mr. Robson made special reference to the Rotary class for boys conducted at the Y.M.C.A. with an enrolment of 30 members. This club was formed three years ago when Rotarians paid the fees of 20 underprivileged boys. Due to the success of the club the membership was increased last year to 30.

The service committee conducted the tag day of the Crippled Children's Hospital in the Westmount district, the speaker further reported, and donated prizes for the girls handicraft exhibit taking place in Victoria Hall this evening.

Mr. Robson was introduced by A. A. Boire and thanked by F. C. Whittaker. G. L. McCrae was in the chair in the absence of the president, John Colton.

FREDERICK J. TODD ADDRESSED SOCIETY

Members of the West End Horticultural Society heard an interesting address by Frederick J. Todd, landscape architect in N.D.G. Community Hall on Tuesday evening.

Following a discussion of the horticultural situation in regard to St. Helen's Island and Mount Royal mountain, Mr. Todd presented slides taken in natural color during a trip he made to the New England States and New York city.

Several views reviewing the progress made on the World's Fair grounds were shown as were a number of natural color garden scenes.

The meeting was marked by the amendment of the constitution and the by-laws of the society in order to conform with the requirements set down by the Horticultural Department of the Province of Quebec.

Miss Pierrette Poltras is entertaining in honor of Miss Alberte Decarie, a debutante of the season, on Wednesday afternoon, November 16th, at tea.

Graduation Exercises Tonight

Annual graduation exercises will take place this evening in the Auditorium of the Westmount High School when diplomas will be awarded to the largest grade II class in the school's history. The principal speaker will be Dr. Charles W. Hendel, Litt.B., Dean of the faculty of Arts and Sciences, McGill University.

Those graduating from the Senior School, grade 12, are as follows:

Bedbrooke, Edward Perry; Bogert, Frank Godard; Casey, Patrick Kevin; Gilson, Robert Denis; Lloyd-Smith, Walter Cloke; Mather, James Stuart; McConnell, Gordon Ross; McCulloch, Francis Urban; Rochlin, Isidore; Rogers, Garnett Westgarth; Savage, Peter John; Scott, Margaret Matthews; Wiseblatt, Lazare.

BOYS BRIGADE TO HOLD ANNUAL SERVICE SUNDAY

Members to Receive 1939 Membership Cards at Meeting in Melville Church

The First Company Boys Brigade, now over 40 strong, will hold its annual enrolment service in Melville Church on Sunday morning at 11 o'clock, when the officers and boys will take the stand and re-dedicate themselves to the service of the movement.

Each member will receive his 1939 membership card signifying that he is fully enrolled in this world brotherhood. Rev. W. O. Mulligan, D.D., is to deliver the address and conduct the enrolment service.

Several promotions are to be made. Corporal Gordon Leach will be raised to sergeant, and privates Donald Taylor and William Mulligan will be promoted to the rank of Lance-Corporal.

First class service badges will be awarded tonight by Capt. Richardson to William Lewis, Cyril Welsh, Sinclair Dixon, Alan Dibblee and Ross Way.

Hallowe'en is to feature this week's activity and an interesting program has been drawn up.

Westmount Down In Tax Arrears

As compared with September 1934, Westmount's tax arrears for the same month this year were reduced from \$375,000 to \$242,000, it is revealed in a report issued this week by J. H. Levesque, chairman of the Montreal Metropolitan Commission. erduin also enjoyed an appreciable reduction from \$320,000 to \$197,000.

According to the figures submitted by the secretary-treasurer, total tax arrears of the 14 municipalities under the Metropolitan Commission during the month of September, 1934, was \$1,822,000, while statistics for the same period this year show the arrears at \$1,198,000.

SPECIAL SERVICE For Men Sunday

On Sunday, the morning service at Westmount Park Church will be one of special interest to men. Several laymen of the congregation will participate in the leadership of the service, a men's choir will lead the praise and an address will be given on "The Measure of a Man." The speaker will be Frank B. Wilson, B.H., a church elder and Y.M.C.A. worker. All men are cordially invited to participate in this special service.

At the evening service, the usual sermon will be dispensed with and Rev. J. Lavell Smith will give an address on "The Living Church in Africa," illustrated by interesting views of work being carried on in what used to be called "The Dark Continent." This is one of a series of such addresses which will be given periodically during the winter.

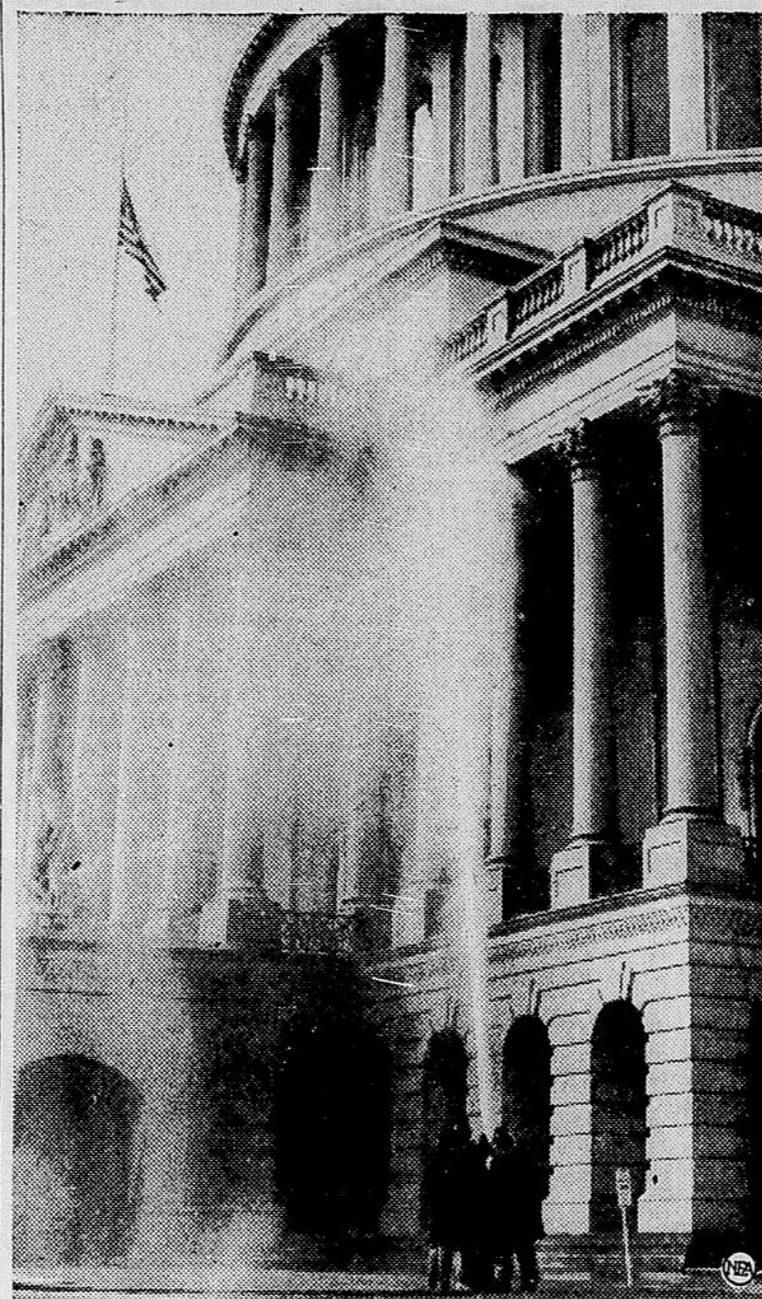

Radio Operator Assigned To Local R.C.A.F. Unit

Appointment of Corporal W. J. Yeo, formerly of the Trenton, Ont., base of the Royal Canadian Air Force, as chief operator and instructor of the radio station of No. 115 Fighter Squadron, was announced this week by Flight-Lieut. Briese.

While the short wave transmitting and receiving unit is not yet completely installed, Corp. Yeo, of the permanent force, has taken over his new duties and instruction periods have been commenced.

It was also announced at the local unit that Squadron Leader de Niverville has been assigned by

War Dead Honored By Cadet Battalion

Mount St. Louis Units Placed Wreaths at Base of Memorial in Impressive Ceremony — Were Officially Welcomed by Commissioner Scott and Chief Gough

Members of the Mount St. Louis cadet battalion honored Westmount's war dead on Saturday when they placed wreaths at the base of the Westmount War Memorial. Under Officer Commanding Glen Andre, the battalion formed up at the college on Sherbrooke street, east, and marched to the memorial.

They were officially greeted in Westmount by Commissioner W. B. Scott and Police Chief Walter Gough. Commissioner Scott addressed the units on behalf of Mayor John Jenkins, who, due to illness, was unable to be present.

"Your visit here this afternoon is a splendid example of the close cooperation and harmony which is always possible between the two great races who live in the Province of Quebec. On our part we are doing our best to preserve this harmony and assist in the development of our common heritage," Alderman Scott stated, speaking in both English and French.

Brother Anselm, director of the college, also spoke briefly and Abbe Beaudin offered prayer.

Over 500 uniformed cadets lined up on either side of the memorial in the brief but impressive ceremony. The centre of the plot was occupied by a color party and band. Buglers sounded the Last Post and Reveille, and, prior to the placing of the wreaths, a one minute silence was observed.

Special Section Added To Library

A special section in the adult department of the Westmount Public Library is being set aside for the use of "Young People"—that is, boys and girls of fourteen years and older, who transfer their membership from children's room to adult. There are at present about five hundred titles, all adult, but specially selected for interest and suitability to the "teen ages."

New titles will be added from time to time, from among the worth-while new publications. Some of the books included are:

Anne Lindbergh, North to the Orient; and Listen to the Wind; George Wrong, The Canadians; Ciely Hamilton, Modern England; Elizabeth Goudge, Towers in the Mist; A. E. W. Mason, Fire Over England; Carl Crow, Four Hundred Million Customers.

Deems Taylor, Of Men and Music; Marjorie Rawlings, The Yearling; Kathleen Strange, With the West in Her Eyes; Laura Benet, The Boy Shelley; John Gunther, Inside Europe.

RETURNED FROM NEW YORK
Mrs. W. W. Prentice and Mrs. Arnold Wainwright have returned from New York.

COMMENDS WORK OF WOMEN'S DIVISION

In submitting a report on the outcome of the crippled children's tag day, conducted in Westmount by the Rotary Club, J. A. deLalanne, chairman of the Club's Crippled Children's committee, commended particularly the work of the women's division, headed by Mrs. Cecil Medlar. No effort was spared to make the campaign a success, he said.

FINAL TRIBUTE PAID TO LATE SCHOOL TEACHER

Miss Katherine M. Windsor, Westmount Resident, Taught in Verdun School

Final tribute was paid at 2 o'clock on Wednesday afternoon at the chapel of Jos. C. Wray and Bro., 1234 Mountain street, to the late Miss Katherine May Windsor, of 454 Argyle avenue, Westmount, a teacher in the elementary class of the Riverview School, Verdun.

Miss Windsor, a daughter of the late Rev. Walter Windsor, died suddenly at her home on Sunday. She was 47.

Born in Montreal, she was educated here and in St. Johns, Que., where her father had a parish for a number of years. Graduating from Macdonald College some 27 years ago, she has taught in schools in Montreal and surrounding districts since that time.

Up until the day of her death Miss Windsor was thought to have been in excellent health. She first complained of feeling ill in the morning and was found dead in her room in the afternoon.

She suffered a heart attack.

One brother Alfred Lee Windsor, of Montreal; and three sisters, Dr. Evelyn Windsor, of Gleichen, Alta., Mrs. Eugene T. Hall, of Sweetburg, Mrs. Charles M. Weddell of Shawinigan Falls, survive.

DR. J. WISE IS GUEST SPEAKER

To Address Session of School for Adult Jewish Studies on November 7

On Monday evening, November 7th, at the opening of the eleventh session of the School for Adult Jewish Studies, in Temple Emanuel, the guest speaker will be the Rev. Dr. Jonah Wise of New York City. Dr. Wise attended recently the Evian Conference called by President Roosevelt to ameliorate the plight of the refugees. The public is cordially invited to this important meeting as well as to all the lectures held on Monday nights at the Temple.

School officers have been elected by the junior congregation as follows:

President, David Marks; vice-president, Clifford Gittes; secretary, Henrietta Asch.

High School Department, President, Nina Mae Finklestein; vice-president, Bernard Isaacs; secretary, Miss Sheila Sapera. Executive Board: June Mailman, Lawrence Tarsish, David Sheffer, Shirley Marks.

Student Council: President, Franklin Levee.

Literary: Annette Miller, June Mailman, Barbara Walker, Natalie Sommer.

Graduation Exercises Held At Junior High

The annual graduation exercises were held in the Argyle Junior High School last Friday evening with Dean Sinclair Laird, of Macdonald College, as the main speaker. The medalists were announced, scholarships awarded, and prizes presented.

Among those on the platform were: Commissioners R. W. Steele, Lieut.-Col. F. M. McCrobie, V.D., Mrs. McCrobie, W. A. Eden, A. S. Bruneau, and Mrs. Bruneau, E. P. Flintoff, and Mrs. Flintoff; Dr. F. J. Tees, and Mrs. Tees, H. M. Scott, S. F. Kneeland, and Mrs. Kneeland, J. A. deLalanne and Mrs. deLalanne; Dr. and Mrs. J. W. Brunt, Dr. F. M. A. McNaughton, H. B. Parker, Bro. Merry Al-

City To Present Prizes Tomorrow At Victoria Hall

Winners of Activities Sponsored By the Municipality, to Receive Awards — Display of Handicrafts to Feature Event — Westmount Model Yacht Club to Exhibit Boats — Dancing Commences at 9 p.m.

Preparations are complete for the City of Westmount's Annual presentation of prizes for all Municipal leagues, groups, tournaments, and competitions, held during the year 1938 which will be held in Victoria Hall tomorrow night.

An exhibition of all the handicraft work done on the Westmount playgrounds during the summer months will be staged in the lower hall. Articles on display will include: woodwork, leather and raffia work, painted vases, sewing, woolwork and many other varieties of handicraft.

Among the boats which will be displayed by the Westmount Model Yacht Club are those which took prizes at the Canadian National Exhibition, both this year and last. The Westmount Stamp Club will also put on an interesting display.

Handicraft articles in this exhibition will be given back to the children who made them on Saturday night.

In addition to the prize list published last week, members of the Westmount Senior Rugby Team, Champions of the Q. R. F. U. last fall will receive their crests. The Westmount scratch relay team, which participated in the weekly track and field handicaps, had the highest aggregate at the end of the season, and the following members of this team will receive cups: H. Follette, R. Middlemiss, A. J. Tedlie and E. Burton. Members of the Canadiens Hockey Team in the Pee Wee League will be presented with individual crests along with the Rimmer Trophy, emblematic of the League Championship.

The Programme for the evening will be:

7:00 p.m. Exhibition;
7:30 p.m. Sing-song;
8:00 p.m. Presentation of Prizes;
9:00 p.m. Dancing to the music of Herb Morrissey and His Orchestra.

A cordial invitation is extended to all residents of Westmount to attend.

E. Taylor Speaker At Girls' Hi-Y Club

E. Taylor, of the Y.M.C.A. spoke to the Girls' Hi-Y at a recent meeting on the "Aims and Objects of the Hi-Y Club." He interpreted the meaning of the Club's purpose, which is "To create, maintain, and extend throughout the school and community, high standards of Christian character." Mr. Taylor emphasized the importance of obtaining good speakers, but asserted that the friendship established at each meeting was most vital. He voiced the opinion that a club without responsibility accomplishes little, suggesting at the same time, the value of having several committees to carry out the year's work.

He expressed his pleasure in seeing a Girls' Hi-Y Club paralleling the Boys'. He is looking forward to a good year for both clubs.

Before concluding his address Mr. Taylor recommended two or three books concerning Hi-Y clubs for interesting reading material.

Twenty new third form girls were welcomed, increasing the club membership to a total of fifty-six.

The meeting was presided over by Miss Norma Neilson.

RETURNS HOME

Mrs. E. M. McCallum, Sunnyside avenue, is expected home this evening from Toronto, where she has been spending the past week.

NEW SERMON SERIES COMMENCES SUNDAY

On Sunday, in Westmount Baptist Church, Rev. J. A. Johnston begins a double series of morning and evening sermons under the title: "Christ in Our Modern Life." On the successive Sunday mornings the subjects will be as follows: 1. "He Crashes Through the Conventions." 2. "He Creates a Sense of Security." 3. "He Makes No Mistakes."

The evening group of addresses is as follows: 1. "He Answers Our Deepest Questions." 2. "He Inspires Us to Become Adventurers." 3. "He Travels With Us All Through Life."

"These addresses will enshrine the heart of the Gospel Message. They will be fresh, scriptural, vital. They will clarify vision, inspire confidence and challenge heroic living," the Rev. J. A. Johnston stated.

The services will be enriched by spontaneous Congregation Singing and by the ministry of a large choir.

TRAFFIC BLOCKADE

Motorists approaching Ville St. Pierre, Sunday last, thought there must have been a serious accident ahead for the cars were lined up as far east as the hill at Montreal West, and moving forward at a snail's pace. It took all of ten minutes to edge forward a half-mile, to the light at the intersection of St. James and Fifth Avenue. Beyond the light all was clear, and once past cars cleared rapidly to Lachine. The trouble arose from the too-rapid changes of the light from red to green and back again, allowing only three or four cars to move past at a time. The Ville St. Pierre authorities should rectify the trouble before another heavy week-end's traffic hits the suburban village.

VISIT OF DR. STEWART

Montreal was honoured last week-end in playing host to Dr. H. L. Stewart, the noted radio commentator. Dr. Stewart spoke at Melville Presbyterian Church, Westmount, Sunday evening, and at the Montreal West Women's Club, Monday afternoon. Dr. Stewart thinks the Versailles treaty has been too much maligned; that it was, for the most part, just; and that present day events are rushing to a conclusion the results of which will be terrible

to contemplate. He has no faith whatever in the Munich agreements, believing that they have increased rather than assuaged the thirst of the aggressors, and that pro-nazi (as against Russian) sympathies were largely responsible for their consummation. British prestige, he believes, has suffered a blow from which it will be difficult to recover.

LACHINE'S NEW RINK

Our congratulations to the neighbouring city of Lachine on its fine new municipal arena, where Canadiens and several other hockey clubs have been doing some early-season conditioning. The rink seats about fifteen hundred, and has a large ice surface artificially frozen. Lachine might be a few decades behind the times in the matter of bathing suits, but we have to admit she is several lengths ahead of Notre Dame de Grace in the matter of an adequate hockey and skating rink.

THE FORUM

In Which Subjects of General Interest Are Discussed

Conducted by HOWARD S. ROSS, K.C.

NOTE:—The opinions expressed in these columns are not necessarily those of this newspaper and it does not accept responsibility for them. They are published for their general interest, variety and originality of treatment.

Gilchrist Alexander in his book "The Temple of the Nineties" wrote in an interesting way of the indical committee of the Privy Council for which he has deep respect.

"Everything is done quietly but with that immense dignity which absolute simplicity and power inspire. The story is told of a distinguished Canadian K.C. who came over a good many years ago to argue a case in the Privy Council. He had been chafed a good deal about various matters at the luncheon table in the hall of the Temple, and took it all in good part. Presently someone asked him how he got on that day before the judicial committee of the Privy Council. He fixed his eyeglass in his eye and looked round. 'Waal,' he said, 'I reckon that I have the three deaf ones in my favor, but I'm not sure about the two blind ones.'"

The opinion is becoming general that the cause of our world difficulties in maldistribution. Many say this is because of private property and propose common property as the remedy. But this is a superficial assumption: They have not found the power that inequity distributes both work and wealth. In order to understand unemployment and insecurity we must find that power. Equitists say that it is generated by the custom of measuring what we do for each other, in the form of exchange, by results; a method which puts a price on what is not human work (service). That price is paid by work for which no one works

in return. Here, Equitists claim, is the root of all our economic ills—and of many other ills.

The fundamental question of human association is, on what terms shall we get others to serve us? Those terms will determine whether the distribution will be equitable or inequitable. This is a phase of the economic problem that others than Equitists have failed to consider, as far as I have been able to learn.—Levander Brown.

Modern wars are no longer like ancient wars; it is no longer a contest of man with man in which the stronger and more skillful

The Examiner's Hidden Titles Contest

The Westmount Examiner's Hidden Titles Contest is run with the kind co-operation of Mr. Godel, manager of the Westmount Theatre. Each week twelve passes are given to the six lucky winners who comply with the following requirements:—

Simply find the two "ads." in the current issue of The Westmount Examiner in which the names of the two feature pictures being shown at the Westmount Theatre during the first half of the coming week are hidden.

Submit all answers to The Contest Editor, The Westmount Examiner, 2191 Hampton Avenue, using the special coupon provided in each issue for the purpose.

Contestants must be over 16 years of age. Residents of Westmount, only, are eligible.

All answers must be in the office not later than Wednesday, and the names of the winners will be published in Friday's issue.

A convenient coupon will be found elsewhere in the paper. The winners are drawn from among those who submit the correct answers as, unfortunately, it would be impossible to give passes to every one submitting the right answers.

The winners of last week's contest are as follows and their passes will be received in today's mail: Mrs. D. G. Ingledow, 414 Victoria Ave., Apt. 11; Miss A. Marshall, 4118 Western Ave., Apt. 2; Sally Ein, 41 Chesterfield Ave.; Mrs. Colin S. Forrest, 4834 Western Ave.; Betty Cohen, 41 Somerville Ave.; Mrs. E. E. Hutchison, 379 Grosvenor Ave.

fighter survives; it is a contest between hordes of men, between peoples and between nations, in which men seek to demoralize men by attacking each other's women and children, and in which nations attempt to slaughter each other's civil populations in order to undermine the moral foundations of the fighting hordes. It has but one idea: de station, destruction and death. —Major-General J. F. C. Fuller.

The Nova Scotia Government did a brisk trade in wet goods last year. Sales made through the Liquor Commission amounted in value to \$3,808,201 in 1935 as compared with \$2,917,791 in 1934. The Commission's report shows a surplus of \$71,384 for the 14-month period ended November 30, 1935, as against a surplus of \$369,242 in the previous twelve months. This record is not one for jubilation. The spending of nearly \$4,000,000 on liquors in a single year in a province of a half million people, looks like ghastly waste, but times are getting better and, as the old proverb says, few people can stand prosperity.

FEDERATED CHARITIES 17th YEAR

- 1 The end of another day at the Protestant Orphans Home. These children live normal, happy lives, go to school, play and work just like those who are fortunate enough to have parents.
- 2 "Say cook, how soon's dinner?" Life at Camp Lewis builds healthy appetites and strong bodies. \$10 will give an underprivileged boy 2 weeks of joy.
- 3 Boys who go to the University Settlement or the Iverly Community Centre learn useful things like shoemaking. (And they have fun learning, too!)
- 4 These Griffintown Club girls made their own dresses—and Paris couldn't have done better!
- 5 The Child Welfare Association prevents disease by watching health and keeping growing children healthy.

CHARITY DRIVE FOR \$752,000 STARTS MONDAY

Family Welfare Gives Outline of Work Done By 33 Agencies

An outline of the work done by the Family Welfare Association, one of the 33 agencies in Federated Charities, was given today in a statement released by headquarters of the campaign to collect \$752,000 which opens on Monday. "So that the public can understand the extent of the services given and which are governed almost in their entirety by the amount of money subscribed."

"In 1937," the statement said, "of the total apportioned between the agencies, the Family Welfare Association received over 25 per cent."

"This was spent in seven districts covering the city of Montreal, Outremont, Verdun, Westmount, Hampstead, Montreal West, Mount Royal and Ville St. Pierre.

"The purposes of the Association, and the extent of the services which it renders covers a wide field, but these are determined naturally by its financial resources. Within the limit of these resources, most of which come out of the funds given in the annual campaign, the Association gives an individualized service, with relief when necessary, to Protestant families, aged couples and single or unattached women. The Association does not give relief to single or unattached men or able bodied employable unemployed persons or families. In addition the Association (a) makes enquiries for out-of-town agencies; (b) arranges for temporary child board when it is in the best interests of the family; (c) operates a clothing department for the needs of families under its care and under the care of certain other Federation agencies dealing with Protestants; (d) operates a sheltered workshop in connection with its clothing department.

Relief Within Limits

"Relief is given within the limits of the Association's financial resources and pending the formation of government departments equipped to deal with same, to (a) families with no able-bodied breadwinner; (b) families the earnings of which, because of size of family, sickness, working conditions or other special circumstances, are insufficient to maintain the minimum standard set by the Association's relief budget; (c) families which, because of non-pensionable members, have an insufficient income from the Department of Pensions and National Health; (d) aged couples and women too old to work; (e) single or unattached women who are not eligible for unemployment relief.

"Unemployment—Owing to lack of funds the Association is unable to deal with able bodied unemployed persons for whom the Government has accepted the responsibility of supplying the necessities of life."

Some sidelights showing the range of the Association's work, included in the statement, deal with the work done in homes where housekeeper service is provided.

Visiting Housekeeper

"Because it is the policy of Federated Charities never to remove a child from its home through reasons of poverty alone, the Association often arranges for visiting housekeeper service where the mother is either dead, sick in bed or away in hospital or sanatorium. In special instances where children will have no mother's care for a long period of time, arrangements are made for a specially selected

Businessmen IN THE Public Eye

ALEX MAITLAND

Alexander Maitland, who served his apprenticeship in the confectionery business in his father's store, Glasgow, Scotland, this year marks his twentieth anniversary as Proprietor-Manager of the Maitland Confectionery, 4124 St. Catherine street, just west of Wood avenue.

Born in Glasgow, Mr. Maitland received his education in his native city, later entering his father's establishment. He first came to Canada in 1910 and three years after opened a store on Sherbrooke street at the corner of Bleury.

Noting the expansion of the population in the western end of the city, he established his present store in 1920. He also operates a branch at 1327 St. Catherine street west.

Both Maitland stores now enjoy a prosperous business built up by fair business dealings and quality merchandise. A speciality is made of catering to weddings and social functions of all kinds.

Mr. Maitland's favourite hobby is lawn bowling, which he believes one of the best sports in the world and one that should be taken up by young people. He has bowled for thirty-eight years and is a member of the Westmount Lawn Bowling Club.

He is also an ardent curler and belongs to the Heather Curling Club.

He is a member of the executive committee of the Business Association of Westmount.

SARDINE PROBLEM

Portugal has been visited lately by such colossal shoals of sardines that they blocked the harbor entrance at Figueira da Foz, and in some places trawlers had to abandon fishing because their propeilers became jammed with fish.

SURE MAJORITY

Of 1,992,256 registered voters in Leningrad Province in Russia, 1,989,168, or 99.4 per cent, went to the polls at the last election, and of these 1,968,092, or 99.3 per cent, voted for the candidates of the bloc.

PESTS POISONED

Nearly 10,000 acres near Maritzburg, South Africa, will be dusted by aviators to kill the bagworm pest, which is destroying crops.

woman to act as mother substitute and to either live in the home or go in daily so that the family life be kept intact. This latter service is made possible by a special trust fund which bears the name of the donor, the late Mrs. J. B. Learmonth, one of the original founders of the Association.

"The Clothing Department, which is housed at the head office of the Association, at 1646 Dorchester street west, operates a sheltered workshop where men and women receiving relief from the Association can earn part of the assistance given them and, at the same time, allow of the salvage of the many donations of second-hand clothing. Seven thousand, two hundred and twenty-eight articles were thus passed into stock in 1937 and gave 15,988 hours of work, while the cobbler's shop repaired 1,244 pairs of shoes.

"The Association is very proud of its volunteer service which through sewing groups, district committees, parent education groups, library groups, Christmas cheer, helps to round out a more satisfying life for the people under its care."

DIOCESAN H. N. S. RALLY WILL BE HELD ON SUNDAY

Bishop Murray to be Special Speaker at Service in St. Patrick's Church

At the quarterly meeting of the Diocesan Union of the Holy Name Society, it was decided to hold a rally at St. Patrick's Church on Sunday, feast of "Christ the King".

The officers of the Union are glad to announce that His Excellency Bishop Murray has kindly consented to address the members of Montreal's Holy Name Societies at this function, and they sincerely trust that every Holy Name man in the Diocese will be present to hear His Excellency's message.

The delegates and the officers of the Union, also extend a cordial invitation to all Holy Name men to bring along a friend, and to any parish, which may not as yet be represented in the Union, a similar invitation is extended to all male members of their congregation.

The rallying point, is in the Congress Grounds, where space will be allotted to each unit of the Diocesan Union. The Marshals of individual units are requested to be on hand, with their Banner bearers, at the Congress Grounds, not later than 2:45 p.m. All units are requested to be in their proper places, not later than 3:15 p.m.

Argyle Graduation . . .

(Continued from Page 1)

The aim of Argyle Junior High is to foster a spirit of cooperation rather than one of competition, the principal, J. W. Brunt, M.A., stated in presenting his report.

"The spirit of co-operation is an ideal we are striving to attain in many ways," he said. "For example, when an issue of the school newspaper, the 'Argyllian,' is prepared, a group of boys make the frames for the posters, several are busy with the designs, many pupils are occupied with actually getting out the paper, and the result is the combined effort of about fifty people. Similarly, classroom projects show what can be done by group work; the singing of the school choirs this evening is an evidence, I hope, of school harmony.

"There are many other aspects of school work that emphasize the value of active doing as opposed to passive receptivity—the library committee, the students council, the current event club, the newspaper, the camera club, the assembling and the choir. It is encouraging to note the students' response to the efforts of our librarian and the staff of the Westmount City Library, whose help we gratefully acknowledge, to get the pupils interested in books, to show them how to secure desired information—in other words, to get the most value out of the school and city libraries. More and more, through such responsibilities as the weekly assemblies, the social growth of the pupils is being encouraged. The ability to take part in a meeting does not necessarily produce a leader or an orator, but it can make a person who through practice, can think for himself and often one who can express his thoughts adequately.

"It seems probable that the Junior High School system will soon be an integral part of the set up on the Island of Montreal. While we at Argyle realize only too well the shortcomings of the school, we can still feel proud that we have been pioneers, and glad that others will be able to profit by our mistakes. The spirit of service, which inspires good teachers to improve themselves, in just as alive here and now as it was when Chaucer wrote of his pilgrim: "And gladly would he learn and gladly teach". Mr. Brunt concluded.

THEY'D LIKE TO DIP \$300,000 OUT OF THAT WISHING WELL

Walt Disney, cartoon king of the movies, seems to be acquiring a fine wardrobe of suits, what with two of them filed against his organization for alleged music piracy in "Snow White and the Seven Dwarfs" and now two more filed by the singers who warbled for "Snow White" and the Prince. Adriana Casolotti (left), the voice of Snow White, and Harry Stockwell (right), the voice of the Prince, demanded \$300,000 track of the film in violation of their contracts which, they say, restricted their voices to the movie alone. The dark-haired Adriana, who reportedly received less than \$1000 for her work, seeks \$200,000, and Stockwell, whose pay check was said to be under \$500, wants \$100,000. The film (a love scene between the Prince and Snow White in center) is reported to be grossing around \$10,000,000.

With The Boys At The Westmount "Y"

By Ross Cameron

The last Public Speaking gathering found the members seriously engaged in hot argument. It was, however, only a continuation of the previous meeting at which two or three expressed their beliefs that on account of the homework problem the hour should be extended beginning at 8:30 o'clock instead of a half hour earlier. The meeting closed without any definite settlement of the matter.

Aviation Group

A number of members from the local "Y" Aviation Interest Group journeyed to the Mount Royal Airport to participate in the all day contests. Warming the "baby" machines up and the slow process of classification occurred during the later part of the morning. Sunday being an all round fine day with light breezes there was only one casualty. This particular craft took off and wasn't in the air long before an unforeseen incident occurred and the plane nose dived in a dramatic manner toward the ground. Considerable damage was done but it was generally believed that repairs would set things right once again.

The Ottawa boys took all of the numerous prizes and left Westmount blandly looking at the whole affair.

Hallowe'en Celebrations

Preparations have been completed with regard to the decorating and general planning for the coming Hallowe'en celebrations here. Some time has been spent on reviewing the past "parties" and finding just how much material can be used this year from it. A large crowd always attend and as the time draws nearer many become impatient for the annual "Big night."

It is especially advised that all come wearing soft shoes or running shoes in addition to the wearing of fancy costumes.

Educational Trip

An educational trip Saturday afternoon will be led to the waterfront and many are expected. These trips occur frequently and the leaders and organizers of these escapades want interest shown on the part of members. The places about the city that

have been toured in the past are so numerous that they cannot be recorded here. Mr. Walter Harris will head the group this week.

Boy's Choir

Any boys who are in a choir here should be on hand Thursday at 4:00. A sincere effort is being made by a few to form an efficient "Y" choir and enthusiasm is all that is needed.

Radio Club

The commencement of the now firmly established Radio Club last Wednesday contributed to the activities carrying on here now that the season is really in full swing. Ten or twelve members comprise the club who supply their own radios and crystal sets. The object of the organization is to create a mechanical interest among the boys to do and to make that which they will enjoy upon its completion.

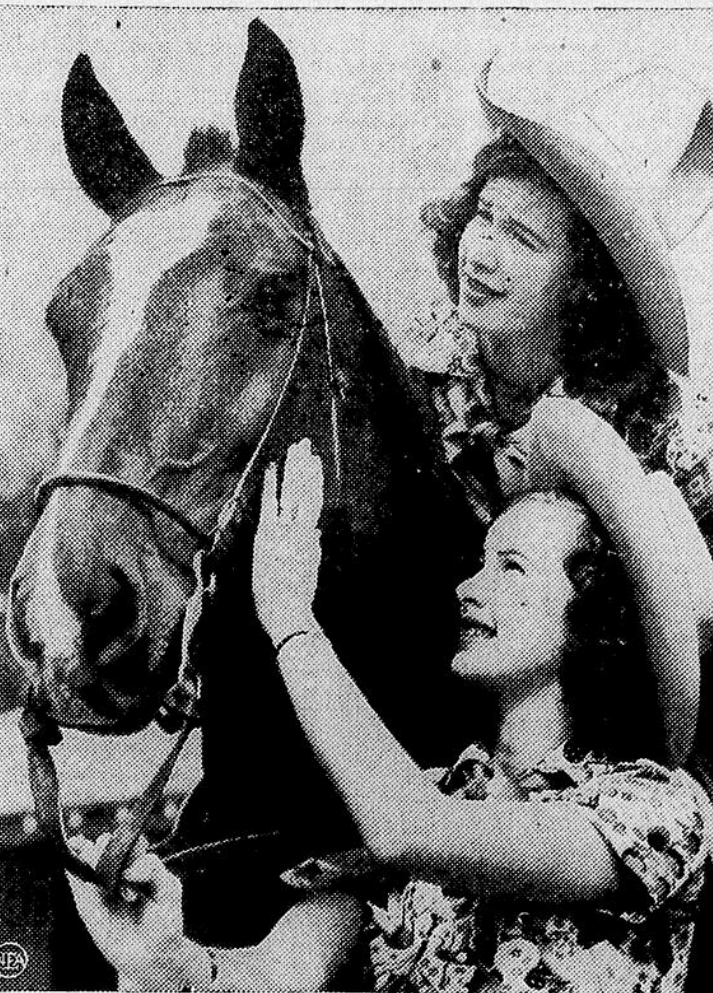

RELIGIOUS FILM WILL BE SHOWN IN CHURCH HERE

Ministers and Members of Congregations Form Cast of "Thunder of the Sea"

"The Thunder of the Sea," the first full-length sound motion picture to be produced by any religious body, will be shown in Redeemer Lutheran Church, on Nov. 14th, at 7:45 and 8:45 o'clock p.m. The occasion is the Congregational Birthday Assembly of Redeemer Lutheran Church, 285 Clarke Ave. The Rev. F. C. Mueller, pastor, will be in charge.

The picture is the most elaborate production of its kind ever completed by a church organization. It was produced by the staff of the Board of American Missions of the United Lutheran Church in America and is presented through that organization as part of the "20th Anniversary Appeal" for

OUT OF THE TANK AND INTO THE SADDLE

They're in the movies now, are Marion, mounted, and Virginia Hopkins, pretty twin sisters who are two of Uncle Sam's best bets in the 1940 Olympic swimming events. Instead of taking swimming parts, however, they will be cast as cowgirls to protect their amateur standing. They are shown getting a little technique in horsemanship at Arrowhead Springs, Calif., before starting on their first western. Virginia has broken the world's 50 and 100-meter free-style marks, and Marion has bettered the world mark in the 50-yard backstroke.

TWO PARADES ARE STAGED BY R. M. REGIMENT

Efficiency and Training Revealed in Recent Turn-outs—Winter Program

On two evenings during the past month the Royal Montreal Regiment (M.G.) has paraded along Sherbrooke St. West, as far as N. D. G. Park where they halted briefly before resuming the march back to the Armoury. These parades were in scarlet Dress Uniform and spectators were given a display of the arm and foot drill for which this unit is noted.

The scarlet tunics have now, however, been put aside until the Armistice day parade and all ranks are engaged in the intensive study of machine gun drill and mechanism.

Visitors to the Armoury last Monday were amazed at the enthusiasm displayed in this work and the efficiency of all sections. This is no doubt, due to the training which the Regiment underwent at Val Cartier Camp last summer. This technical training will be continued at the next Regimental parade on Monday.

The school-at-arms which was so popular in past years, has been revived and is held every Thursday night. The Regiment has been very fortunate in being able to obtain Mr. T. Farr, of the M.A.A., as gymnastic instructor and large numbers have been taking the opportunity of studying under this capable gymnast.

The social interest is being maintained by the regimental dances. The next of these pleasant affairs is being held on Saturday, Harold Davies' orchestra will again provide the music and the Hallowe'en season will be inaugurated at the last dance was so successful that another will be held. The winners of this contest will again receive valuable prizes and the usual door prizes will also be presented.

LITTLE BRAIN

The skull of the hadrosaurus dinosaur in Smithsonian Institution, Washington, indicates that while its head was more than two feet long, the brain weighed less than two ounces.

evangelism and church extension in the United States and Canada. Ministers and members of their congregations play the leading roles in a story of the struggle of the Christian Church up through history. The place of religion in the modern chaotic world is given special emphasis.

Filmed in the "March of Time" fashion, it presents the full panorama of modern life. The picture opens with scenes of subway crowds, smoking factories, riots, homes disrupted by unemployment, munitions factories busy at preparations for war, farms devastated by drought and business men plunged to ruin by the stock market.

The role of the modern Church must play in the adequate solution of these evils is the climax of the picture. It demonstrates the fact that the Christian Church holds the only real solution to the problems of our present generation.

A million people will see the picture this year and approximately 4,000 separate showings are planned. Theatres and high school auditoriums have been pressed into service to accommodate the crowds. As many as 30 showings a day are made. Often five showings in one church are necessary.

The service has been arranged by R. Mueller, chairman of special services. He is one of a committee of five in the Redeemer congregation who have assumed the duties of carrying through the "Anniversary Appeal" program in their own church.

Rob Morris Chapter To Hold Annual Service

Rob Morris Chapter will hold its annual church services on Sunday at 7 p.m. in the Calvin Westminster Church, Atwater avenue.

The Rev. W. L. Tucker will preach the sermon and the music will be under the direction of Rev. W. Norman Peterkin. A very inspiring evening is assured, and a large turnout of members and visitors is expected.

FUNERAL HELD ON MONDAY FOR MISS MCPHAIL

Resident of Elm Avenue Died at Her Home Following Short Illness

Final tribute was paid to the late Mrs. Florence Helen McPhail, widow of the late Reverend William D. McPhail, and daughter of the late Reverend E. W. Panton, on Monday afternoon, when funeral services were held at the Chapel of D.A. Collins, Sherbrooke street west, and were conducted by the Reverend Dr. L. H. Fisher, of Queen Mary Road, United Church. Mrs. McPhail died at her home, 552 Elm avenue, on Friday evening after a short illness. She was in her 65th year.

Born in Lindsay, Ontario, and coming to Montreal in her childhood, she was actively connected with the Travellers' Aid Society and the Y.W.C.A. for many years. She did a great deal of work for the soldiers' wives in Montreal following the World War.

During her husband's lifetime she worked with him in the Presbyterian Home Mission. Mrs. McPhail was matron of the Y.W.C.A. in Saskatoon, Sa., for some time. In 1918, she went to London, Ont., as secretary of the Travellers' Aid Society and in 1919, she came to Montreal as executive worker with the same organization. She retired in 1927. One of the earliest members of the Queen Mary Road United Church, she took an ac-

SPANISH CLUB HELD MEETING ON WEDNESDAY

Local Organization Addressed By Hermalao Torres, Consul General of Mexico

The opening dinner meeting of the current season was held on Wednesday in the Windsor Hotel when the guest speaker was Hermalao Torres, Consul General of Mexico in Canada. Following the address motion pictures depicting the life and customs of Mexico were shown.

The association was formed last year by a group of Spanish students with the objective of furthering their knowledge of that language and of the Spanish-speaking countries.

Purely cultural and educational in character, the rules of the society prohibit discussions on politics or other contentious matters. Those interested in Spanish-speaking countries are invited to join.

The recently elected executive committee of the Circle is as follows: Demetrio Cuatrecasas, honorary president and founder; Stanley McDonald, president; Evelyn Morgan, vice-president; Jannette Paquette and Alice Clarking, secretaries; Francoise Bellerose, treasurer.

GIVEN MEDAL

Lady Aberdeen has been presented with a medal struck in her honor and \$15,000 to be used for special causes, gifts of the International Council of Women of Edinburgh.

Active interest in the Women's Association. Before moving to Westmount in May, she had been a resident of Snowdon Junction for many years.

Surviving are one daughter, Miss Mary McPhail, and a sister, Mrs. James Rutley, of Regina, who came to Montreal for the service. Interment took place at Mount Royal cemetery.

Miss Kathleen Fenwick To Be Guest Speaker

Miss Kathleen Fenwick, formerly on the staff of Goldsmith University, London, England, before coming to Canada in 1928, and since then in charge of the Department of Prints and Drawing, at the National Gallery of Canada, at Ottawa, will be the guest speaker at the meeting of the Montreal Women's Club, which is being held in the Ballroom of the Mount Royal hotel on Monday at three o'clock. The topic of Miss Fenwick's address will be, "The National Gallery and its Collections."

Jack Cantor, cellist will be the guest artist.

The program was arranged by the Art and Literature department under the chairmanship of Mrs. Guy Lapraik.

Silver Fox Superiority

The black coat looks its handsomest brightly highlighted with silver fox. So black-with-silvers has gone beyond a fashion and become a formula indicating personal superiority. This is only one of the many individual models now being shown at the Gracemore Shoppe, Reg'd., 5029 Sherbrooke W., opposite Westmount Theatre.

Mr. Guy Laframboise was best man for his cousin, and the ushers were, Mr. Walter O'Leary, brother of the bride, Mr. Bernard Levesque, brother-in-law of the bride, Mr. Allen Duchesneau and Mr. Henri Masson.

Mrs. O'Leary, mother of the bride, was in a burgundy velvet, having a slight train, a hat of the same shade, and she wore silver fox furs and a corsage bouquet of Talisman roses. Mrs. Desaulniers, mother of the bridegroom, was gowned in black French velvet, silver fox furs, a black French felt hat and a corsage bouquet of Supreme Roses.

Following the ceremony, a reception was held at the residence of the bride's mother, where roses, chrysanthemums and ferns were used as decoration.

Mr. and Mrs. Desaulniers left for their wedding trip to United States, the bride travelling in a berry blue frock, worn under a beige top coat with a fox collar to match and beige accessories.

On their return they will reside on Clarke avenue.

Among the out-of-town guests were the Hon. and Mrs. Robert J. Manion, and Mr. and Mrs. Eugene Potvin, of Ottawa, and Mr. and Mrs. Jean Paul Galipeault, of Quebec.

Engagements

Knee-Gannon
 Mr. and Mrs. D. J. Gannon, Grey avenue, announce the engagement of their daughter, Angela Sheila, to Mr. Cecil Howard Kneec, of Montreal, eldest son of the late Walter G. Kneec, and of Mrs. Kneec, of Toronto.

McAree-Stewart
 Mr. and Mrs. A. E. Stewart announce the engagement of their daughter, Margaret Elizabeth, to Mr. John Verner McAree, of Toronto. The wedding will take place on Tuesday in Toronto.

Weddings

Desaulniers-O'Leary
 The marriage of Alice, daughter of the late Emile O'Leary, and of Mrs. O'Leary, to Mr. Guy Merrill Desaulniers, took place on Saturday morning in St. Leo's church. Reverend Father Raymond Voyer performed the ceremony. Chrysanthemums, pom-poms and palms decorated the church. The wedding music was played by Mr. Gerald Desmarais, assisted by Mr. Carlo Mellillo.

Given in marriage by her father, the bride wore a gown of white chiffon with appliques of lovers' knots in velvet, worn over blush pink satin, fashioned with a V neckline, the sleeves extending into points over the hands and a long circular train. Her only ornament was a necklace of pearls, worn by her mother on her wedding day. Her veil of blush pink fell from a coronet of pearls. She carried a Cascade bouquet of lilies-of-the-valley. Her four attendants, Mrs. Edgar W. Brodie, as matron-of-honor, and the Misses Ann Armstrong, Elizabeth McClelland, and Ethel Challis were dressed alike, in gowns of shimmering gown satin, fashioned on princess lines, with shirred bodices, and worn with coats of the same material, with flared peplums, and tight fitting sleeves, ending in points over the hands. The skirts extending into circular trains. They wore coronets of gold leaves in Grecian style and carried sheaves of deep crimson roses.

Robertson-Soper
 The marriage of Lauret Adelaide Soper, daughter of Mr. and Mrs. Arthur J. Soper, to Mr. Thomas Dunbar Robertson, B.A., B.C.L., son of the late Dr. Archibald E. Robertson and of Mrs. Robertson, took place on Saturday at St. Andrew's United church.

The church was decorated with tall standards of bronze and gold mums. Mr. Fred Whiteley, church organist, who presided at the organ, played "Lieberstraum," by Liszt; "Serenade" by Schubert; the "Ave Marie" by Schubert, and the wedding marches. The Rev. Dr. F. W. Kerr officiated.

Y.P.U. TO HEAR ABOUT WORK OF TOM CROSBY

Branches of West End Division to Hear of Mission Ship at Joint Meeting

It will no doubt be of interest to residents of the West-End to learn that the Young Peoples Unions of the Montreal-Ottawa Conference of United Church of Canada have undertaken the support of the Thomas Crosby IV as their missionary project.

Since it is felt that more should be known of this work, the Young Peoples' Union of Montreal West Hampstead, Notre Dame de Grace and Westmount are holding a joint meeting in St. Luke's United Church, Decarie Blvd., on Wednesday evening, at 8.15. At this meeting slides taken from pictures of the work of the Thomas Crosby will be shown.

Outstanding Achievement

To those who do not already know of the Thomas Crosby and the work which it does, a story of outstanding achievement and adventure can be told. The Thomas Crosby—one of the United Church mission boats on the Pacific Coast—plunges through twelve hundred miles of storm-swept waters every month carrying medical aid and spiritual guidance to many a lovely village on isolated coasts.

When other boats find it necessary to remain tied up in port, the men of the sturdy ship turn their prow into the lashing waves and undaunted start out on a mission of help. To try to enumerate here the thrilling experiences which these men encounter during their work would be impossible since volumes could be written on the work.

The meeting will be open to all who wish to know more about real Canadian bravery and adventure carried on by Canadians on one of our coast-lines.

We do not need to turn to the past for our adventure stories. They are being enacted here and now by our fellow-citizens.

R. J. C. Stead to Give Illustrated Address At Women's Club Meet

Robert J. C. Stead, of Ottawa, Superintendent of Publicity and Information Department of Natural Resources, will be the guest speaker at the Westmount Women's Club this afternoon at three o'clock, in Victoria Hall, Mr. Stead's address, "Canada's National Parks," will be illustrated with motion pictures, taken especially for the Government.

Violin solos will be given by Norman Herschorn, accompanied by Mrs. Colin Forrest. Tea will be served under the convenship of Mrs. H. C. Hallond.

TEA TIME TOPICS

Most men like apple pie for dessert, but if they had lived in the middle ages, their favorite dish might have been chopped violets, with onions and lettuce, as an equivalent to a fruit salad. This mixture was also cooked with fennel and savory and served as a broth. Stewed roses and primroses were the sort of choice dessert which a hostess would boast about.

Color seems to be one of the most important style notes for the fall and winter season. Latest to come under this trend is bread. Bakers in some cities are now showing their wares in various bright colors. This should certainly please the hostess, who likes to have everything matching. She can now serve her guests colored sandwiches to match her gown. Of course contrasting shades are also very effective and in keeping with modern dictates.

We dined at Chez Maurice last Saturday evening, where we expected to be entertained by another blues singer, but when Miss Ruth Wayne commenced her singing we were enjoyably surprised. This young lady has one of the loveliest voices we have heard in Montreal for some time. Possessing the personality and ability to put over a song, that comes from years of training, Miss Wayne delighted her audience with her own arrangement of the Quartette from "Rigoletto." Incidentally the young lady looked very chic in a black velvet gown, fashioned after mid-Victorian styles, with off the shoulder sleeves, a hoop skirt, with a pink petticoat showing around the bottom of the hem, and a pink flower in her hair.

After seeing many beautiful gardens in the district, all summer, with everything planted in a very careful manner, colors correctly blended, plants properly ranged according to size, all with the thought in mind, of having a perfect garden. All this brings to mind, that when a Chinese plants a garden, they always deliberately add a bit of ugliness for purposes of contrast. A dead tree may be left standing with glowing flowers and shrubs grouped all around it. They argue that beauty will thus appear more beautiful.

Healthful Breads Go Nutty in October

Let's go nutting in the bread box. For breakfast, nut bread is welcome. It makes grand luncheon sandwiches with shredded pineapple and cream cheese, too, and it's an ideal-in-between-meals snack spread with fresh butter. The following recipes are new this October:

Health Nut Bread (2 loaves)

One cup rye flour, 2-3 cup pastry flour, 2 teaspoons baking powder, 1-4 cup raw brown sugar, 1-2 cup coarsely chopped walnuts, 1-3 teaspoon salt, 1 1-3 cups buttermilk, ¾ teaspoon soda.

Sift rye flour, pastry flour, baking powder and salt together. Dust chopped nuts lightly with flour. Add a little warm water to brown sugar, stir until smooth, then stir in buttermilk. Add soda to buttermilk mixture, quickly combine dry and liquid mixtures. Add nuts and stir well.

Pour into well-greased bread tins and bake in slow oven (350 degrees F.) for 3-4 hour. Do not serve until following day.

Nut Bran Bread (1 loaf)

Two cups sifted flour, 3 teaspoons baking powder, 1 tablespoon sugar, 1-2 teaspoon salt, 2 cups bran, 1-4 cup shortening, 1 egg yolk, 1 cup milk, 3-4 cup sliced Brazil nuts.

Sift and measure flour, baking powder, sugar and salt. Add bran and work in shortening with fingertips. Beat egg yolk, add milk and stir into first mixture. Add Brazil nuts and mix. Bake in a

Nut bread brightens the October menu. Use walnuts, almonds, Brazil nuts with various flours to make sturdy breads for school lunches and in-between snacks.

greased loaf pan in a moderate oven (375 degrees F.) for 50 minutes.

Cranberry Nut Bread (1 loaf)

One cup cranberries, 1 cup sugar, 3 cups flour, 4 teaspoons baking powder, 1 teaspoon salt, 1-2 cup coarsely chopped walnuts, grated rind 1 orange, 1 egg, 1 cup milk, 2 tablespoons melted butter.

Put cranberries through food chopper and mix with 1-4 cup of sugar. Sift remaining sugar, flour, baking powder and salt together and add nuts and orange rind. Beat egg slightly, combine with milk and melted butter and add to first mixture.

Fold in cranberries. Bake in buttered bread pan in moderate oven (350 degrees F.) about 1 hour.

Library Book Circulation Gaining At "Terrific" Rate

Circulation of books among patrons of Windsor's libraries is increasing at a "terrific" rate, Miss Anne Hume, chief librarian, declared recently.

Compiling her monthly report, which was submitted to the regular meeting of the Windsor Public Library Board, Miss Hume has found increases in circulation at all of the branches.

School children are responsible, to a great extent, for the new demand for more books, Miss Hume said, pointing out that the new courses of study in the primary schools, as well as in the first two years of high school, has aroused a new interest in literature.

Librarians in charge of the juvenile departments at the various libraries met at Willstead this

plained, "that many of those who applied for books at the libraries during the first depression years were not readers by nature and would soon lose interest."

Women's Club

Rev. Dr. Frank Morley, of Stanley church, addressed the Montreal Women's Club last Monday on "Education, Democracy and Idealism". There was a musical program in which Norma McLean, violinist, was accompanied by Mrs. F. J. Hodgson.

There are 62 schools for the Deaf in Japan. There is a heavy emphasis on mass gymnastics. The occupational training is similar to the trades taught in the States with additions of Japanese style hair dressing, rubber-ware making and native crafts.

"So we sincerely hope we may be included in the official program. Nothing has been done about it as yet, but we hope arrangements may be made for the visit."

Dafoe Joking On Royal Visit

Dr. Allan R. Dafoe, Dionne quintuplet physician and guardian, said recently he "hoped" King George and Queen Elizabeth would be able to visit the five kiddies at Callander during their visit to Canada next year.

"We hope that when the arrangements are made for the royal itinerary," the doctor said on his arrival from Buffalo, "a stop may be included at North Bay on either the westbound or return journey, to enable the King and Queen to come and see the quintuplets at Callander."

Dr. Dafoe said the children are wards of His Majesty "and it would be a fitting thing that he should see them, quite apart from their being the most famous children in the world."

"Speaking in Buffalo, in humorous vein last night, said that while ordinary people went to see the King, the King would have to come and see the quintuplets. No disrespect was intended and I am sure their Majesties would be the first to appreciate the impossibility of bringing the children to them."

"So we sincerely hope we may be included in the official program. Nothing has been done about it as yet, but we hope arrangements may be made for the visit."

B.C. Tories Get New Platform

The Conservative Party of British Columbia, which held office from 1903 to 1916 and again from 1928 to 1933, started what it hopes will be its march out of the wilderness at a recent convention in Kamloops. Under a new leader, R. L. Matland of Vancouver, the Party will appeal to the electors at the next poll on a new platform which, in almost every respect, is similar to that of the Liberal Party, as drafted in Kelowna, a few weeks ago. But it will seek to make a definite issue of the problem of Party patronage.

On this question, the Conservative Party pledges itself to free government from patronage altogether by appointing an independent highway commission and an independent commission to carry on all government purchasing. It is in highway contracts and in the purchase of supplies, the Party believes, that patronage is most serious.

The Party agreed to support health insurance, one of the Government's chief policies, out opposed its plan to annex the Yukon, without a plebiscite here and in the northern territory it came out strongly for the retention of British Empire preferential trade agreements and pledged itself to stand with Britain during the European crisis "come what may."

Kay Francis In "My Bill," Drama Of Family Life

"My Bill," with Kay Francis, Bonita Granville, Anita Louise, Bobby Jordan and Dickie Moore heading the cast, is now playing at the Seville United Theatre.

Sacrificing that intangible asset generally termed glamour, which has heretofore been the bulwark of her career, Kay Francis has taken the opportunity presented by this picture to prove that she is, first and foremost, an accomplished actress.

She has dared what few motion picture actresses in her position would consent to do—that is, to play a woman who is older than her real self and is the mother of four children, of whom the eldest is supposed to be sixteen years of age.

In the story Miss Francis is a widow, who has just finished running through the inheritance left by her socially prominent husband.

Then, it is the little fellow who reunites the family as a Mother's Day gift to Kay.

George Marshall, has been signed by Universal studios to direct W. C. (Bill) Fields, Edgar Bergen and Charlie McCarthy in "You Can't Cheat an Honest Man."

Star's Emphatic "No" List Exists For Good Reason

Margaret Sullivan admits that she and her fellow movie stars protest the word "temperamental," but confesses that most players do not have a definite "No" list and that nothing can budge them from it.

"I know it's true in most cases,"

says Miss Sullivan. "When I was working in 'The Shopworn Angel' I refused all press interviews. It was not because I don't like them, but simply because I thought it unfair to my work and to the actors with whom I was working.

The star, who is now playing at the Monkland United Theatre until Sunday in "The Shopworn Angel," says she is not the only one who has a "No" list.

"James Stewart and Walter Pidgeon both worked with me in the picture. Walter's a swell person, but you should have heard him yell when he was asked to sing for a scene. Singing typed him several years ago, so he's through warbling.

"Joan Crawford is the sorriest person in the world when she reads something about a charitable act of hers.

"Since he starred in 'Night Must Fall,' Robert Montgomery has placed straight comedy roles on his 'no' list.

"Wallace Beery" balks at parts that cause him to dress up, reasoning that he fits the character better in rough and ragged roles. Buddy Ebsen also says 'No' to any role that will cause him to look too dudish."

'Tarzan' Joins Hunt For Boy Swimmer

Los Angeles, Oct. 20.—Johnny Weissmuller has joined in the search for his cinematic son. Arriving at Metro-Goldwyn-Mayer following his training at Catalina, and learning that the studio was still searching for the five-year-old boy to play Tarzan Junior in the next Tarzan picture, Weissmuller joined the search.

As a volunteer lifeguard at Santa Monica he has noted many tiny swimmers, and is rounding up those he considers the most promising. When Sam Zimbalist, producer of the picture, goes to Florida to investigate the boy swimmers there, Weissmuller will accompany him.

From now on, Weissmuller will personally interview all expert teeny-weenies he knows, in an effort to help end the studio's search.

"Little Players Of The Air" In Monkland Hallowe'en Show

With the advent of Hallowe'en the "Little Players of the Air" have chosen an exceptionally suitable date for their first presentation of the new season. They will appear at the Monkland Theatre on Saturday morning with a special Hallowe'en show.

Mr. Wright the popular manager of the theatre in response to many requests for a morning show for the kiddies, has completed arrangements to present the Little Players in "The Ghost of Hallowe'en," a thrilling play, under the direction of Miss Moira Sheehy.

As a special feature Miss Sheehy will also present "Babes in Toytown," a delightful musical comedy, with a cast of thirty children. The Little Players will also be seen and heard in "The Big Broadcast" a humorous and versatile musical presentation.

C.B.C. GETS A-GOING

Rupert Caplan, whose name for many years has been synonymous with topflight national broadcasting, informally dedicated CBC's elaborate new studios locally last Friday eve, when his "Miss Trent's Children" hit the national airwaves as the usual hour—the first coast-to-coast program to emanate from the new broadcasting emporiums.

With paint hardly dry on the studio walls and carpenters and electricians still toiling in the adjoining lounges, Caplan gave the signal that sent "Miss Trent's Children" flying across the country. For those on the listening end there was nothing unusual about the program—it was up to its usual high standard. However, for those of us around the studio, the airing marked the birth of a new era in national broadcasting: Montreal had at last come into its own as a production centre.

Designed in modern manner, the studios occupy two floors of the Kings Hall Building and supplement older studios housed in the same edifice. Four studios, lounges and offices are included in the new set-up, which equals, if not surpasses, broadcasting facilities anywhere in America.

During the next few months these latest additions to CBC studio facilities will be the scene of a bigger and better schedule of broadcasting than has ever before been attempted locally. Dance bands and symphony orchestras, soloists and choral groups, variety performers and commentators upon world and local affairs will do their bit before local microphones while audiences from ocean to ocean and across the seas lend willing ears.

Montreal has long been the engineering centre of national radio. Now it has come into its own as a centre of actual program production. Watch our smoke...

Sports Get The Air Complaints have reached this desk concerning the poor football commentaries aired by CBC from the local stadium. They somehow fail to hold the interest... With three major football teams, important entrants in the National Hockey and International Baseball leagues, and a handful of topnotch amateur ice combinations, Montreal would seem to be the sports capital of Canada. The CBC might do well to inaugurate a series of weekly sport-chats from Montreal — and, judging

Judge's Family Back With "Love Finds Andy Hardy"

An intimate inside view of the life of an average American family is blazoned on the screen in "Love Finds Andy Hardy," fourth in the series of Judge Hardy Family pictures which is now playing at the Westmount United Theatre until Sunday.

The story, a simple relation of domestic entanglements, tells of the young man of the family who not only braves his father's wrath by buying a second-hand car without permission, but also becomes entangled with three girls at the same time.

Lewis Stone again is the kindly, discerning Judge, head of a typical family of five. This marks his third appearance in the role of Judge Hardy. Mickey Rooney is given the biggest role he has played so far in the series, providing the maelstrom around which the plot revolves.

Frank Morgan Has What He Wanted—A Romantic Role

Frank Morgan's plea for a romantic role has been answered. In "Port of Seven Seas," which is now playing at the Snowdon United Theatre until Sunday, he plays the part of Panisse, a powerful character role which not only gives him an opportunity for comedy and drama but makes him a central figure in a tender and unusual love story.

Adapted to the screen from Marcel Pagnol's sensational stage play, "Fanny," the new picture stars Wallace Beery with Morgan, Maureen O'Sullivan, John Beal and Jessie Rapp in the principal supporting roles.

It is with Miss O'Sullivan that Morgan has his romance. Beery plays the part of Cesar, rough but big-hearted owner of a cafe on the gay Marseilles waterfront. Panisse is the warm friend of Cesar, whose son, Marins, loves Madeleine. When Marius sails away in search of adventure and leaves Madeleine behind him to face her problem alone, it is Panisse who gallantly gives her his name.

The curtain will rise at 10:15 a.m. The management requests that all boys and girls wishing to attend the morning show, be in their seats not later than 10 o'clock so that the performance may begin on schedule.

A Line On Hollywood

Hollywood, California, Oct. 20.—Joan Crawford entertaining David Niven and Randolph Scott on "The Shining Hour" set.

Melvyn Douglas and Robert Young renewing their acquaintance with Vincent Price stage star, who visited them at the studio.

Margaret Sullivan taking her young daughter, Brooke, on the "Ice Follies" stage to watch the skaters.

Cecilia Parker and husband Dick Baldwin working on the same lot for the first time. Cecilia is appearing in "Out West With the Hardys," Dick in "Spring Dance."

Florence Rice all done up in authentic hoopskirts for her role in "Stand Up and Fight."

Maureen O'Sullivan purchasing a complete Western riding outfit. Mickey Rooney turning gardener and planting eighty-seven rose bushes in the grounds surrounding his new Encino home.

Clark Gable storing his hunting guns following his trip to Canada. Director W. S. Van Dyke celebrating the start of his twenty-fourth year in pictures.

Myrna Loy taking a house at Malibu for the late fall. Wallace Beery giving some of the boys a riding lesson on Lot 3. Francisca Gaal getting acquainted with her dressing room neighbors, Virginia Bruce and Margaret Sullivan. Eleanor Powell taking up the study of singing and reporting daily on the lot for a lesson. Spencer Tracy entertaining the mayor of St. Paul, W. H. Fallon, at a studio luncheon.

Claudette Colbert's arms are bruised and scratched because of the fight scenes she's doing with Genevieve Tobin for scenes in "Zaza." Bob Hope back in town from personal appearances in the East and Shirley Ross home from a vacation in Carmel to start working together in "Thanks for the Memory." If Joan Bennett completes her role opposite Jack Benny in "Artists and Models Abroad" in time, she will go to Dallas to attend the premiere of "The Texans." Others who plan to attend include Director James Hogan, Producer Lucien Hubbard, Randy Scott, May Robson and Bob Cummings.

ANNUAL MEETING IS HELD BY CHURCH BASKETBALL LEAGUE; SLATE RETURNED TO OFFICE

Fifteen Teams Comprised League in Past Season — Divided Into Senior, Intermediate and Junior-Juvenile Sections — Iverley Community Centre Juveniles Entered This Year

The eleventh annual meeting of the Montreal City and District Church Basketball League was held during the past week in Central Y. M. C. A., and was very well attended, which indicates another banner year for church basketballers.

The secretary, in presenting his annual report, pointed out that during the past season 15 teams comprised this league, being divided into Senior, Intermediate and Junior-Juvenile sections, with a total number of 165 players being registered. He also informed the meeting that a new venture had taken place during the season in competition, by entering the Iverley Community Centre Juveniles, champions of that section, in the City play-offs.

WESTMOUNT WINS OVER VERDUN HIGH

Purple and White Down Visitors By 7-6 Score on Tuesday

The Westmount High Intermediates rose to first place in the interscholastic league on Tuesday when they defeated Verdun High 7-6.

The first quarter started with a touch, a few seconds after the game started. Verdun High kicked off to Westmount High. Westmount's first play was a sneaker, a 15-yard forward by Anderson to Strachan who ran 60 yards for a touch. The convert was not completed.

In the second and third quarter, Dickie of Westmount made two points in each quarter kicking for a rouge. Wilson made the tackle in the last point.

The last quarter was an exciting one when the Verdun team started to put power behind their plays. From centre field they pushed ahead, right up into the Westmount scoring zone. A final buck made by Bruce Borden gave them the touch they were working for. Hill kicked the convert for one point.

Westmount was taking no more chances of losing the game, so they kept the ball "in" into their opponent's territory.

Although not very successful in the two game series against Y.M.H.A., City League representatives, he feels sure that the young Church League representatives got more experience from these games which would, no doubt, cause greater interest.

In the absence of the Treasurer, the secretary also presented the Treasurer's report, which also showed a very successful season financially.

The entire slate of last year's officers were returned to office unanimously which are as follows: Honorary President, F. B. Wilson; President, Robert K. Malcolm; Vice-President, Owen P. Griffith; Secretary, C. Gordon Hynes; Treasurer, F. W. Shaw. Executive Committee: Major J. McNab, Russell B. Marchant, Frank H. Upley.

Temporary plans were discussed for the coming season with the following teams expected to enter: Senior: Iverley Community Centre; St. Albans; Chalmers United, winners of Inter. section last season. Intermediate: Iverley Community Centre; First Presbyterian Young Peoples' Society; First Presbyterian Crusaders; St. James the Apostle; Olivet Baptist. Junior: Iverley Community Centre; Verdun United. Juvenile: St. Albans; Iverley Community Centre; Queen Mary United; Calvary United.

Although not definite, it is expected that the Religious Education Council, who have been operating a Juvenile Section league in past years, will bring their eight or nine teams into the Juvenile Section of the City Church League.

All teams wishing to enter this league, are asked to make their application by letter to Secretary C. Gordon Hynes, 2349 Rushbrooke St. Point St. Charles, giving information as to their home floor and playing hour. All entries must be in the hands of the secretary by November 15th, which is the official closing date for entries into this league.

ROCKLAND AND WESTMOUNT JUNIORS BATTLE TO TIE

Before a large crowd, Rockland and Westmount Juniors battled to a 7-7 tie at the Royal avenue field recently. The two teams are now tied for top position in the league standing. They meet again this Saturday at Westmount Athletic Grounds, and the winner is assured of the junior Q.R.F.U. crown. Above picture was snapped in the first quarter as an attempted end run by Thornburg of Westmount, (on the ground), was stopped by Gordie Frith (No. 12) and Moe Chodos (No. 11) backed by Bailey (No. 49) of Rocklands.

C. H. S. SQUAD DOWNED 18-6 BY ST. LEO'S

Both Power and Precision Exhibited By Academy Team — Desse Browne Starred

It looks as if McGee might yet be a little previous in laying plans for the City play-down. Wednesday, at the Westmount Athletic Grounds a polished St. Leo's team decisively beat Catholic High by the comfortable margin of some 3 touchdowns. In this overwhelming a game team which never ceased striving until the final whistle. Andy McGillis' team exhibited both power and precision and a scoring punch which up to now was not so readily apparent. With Tommy Browne, their regular booter and passer, back in harness for the important game against McGee next Wed., the fans may be assured of a game which will exploit the School rules to the best advantage.

The process of scoring was gradual and persistent. St. Leo's scored a touchdown in the 1st quarter with Desse Browne going over the line following a 20-yard run by Jimmy O'Reilly. In the 2nd quarter Browne was mainly responsible for placing the ball on the Catholic High 1-yard line from where Teddy Desrosiers smashed over for the major score, Browne converting. Browne, who handled the kicking and passing chores, punted a single in the 4th quarter, followed shortly by a beautiful 60-yd. run, culminating in a touchdown by Jimmy O'Reilly. Catholic High got their 1st point when "Red" Nover on the kick-off booted over the St. Leo's goal-line with a subsequent rouge. In the last 2 minutes of the game Browne attempted to return a Catholic High Kick from behind his goal-line. The kick, however,

was blocked and Bert Lewis fell on it, for Catholic High's only major score.

Outstanding for St. Leo's was Desse Browne whose all-round brilliancy caught the eye from beginning until end. He gave a magnificent exhibition in all departments of the game. Desse holds a record, probably unequalled in local football, of playing thirteen consecutive games, without substitution. Other stars of St. Leo's squad were Jimmy O'Reilly who gave a sterling display of broken-field running, his brother John, Teddy Desrosiers, Dougie Maher and Jimmy Lellig.

A special word of mention, goes to the interference, Paul Paré Jack Hennessey, Kevin Keating and John O'Reilly, which made possible some of the smoothest end runs seen on the local gridiron for some time.

"Red Nover" was outstanding for Catholic High.

Westmount Noses Out Lower Canada Juniors

Westmount Juniors beat Lower Canada College Juniors by a score of 5-3, at L.C.C. on Friday.

PLAN BOXING PROGRAM AT Y

Boxing will swing into a top spot on the sport program of the coming season at Westmount "Y", with Hugh Noble at the helm. Promoters have called the first get-together of the Boxing Club's senior squad for Wednesday, at 8:30 p.m.

Maurice Brain, a former boxing instructor here, and well known in local fistic circles, has again undertaken to coaching berth, and will be out to meet his squad on the opening night. Only senior school boys be on deck for Wednesday night sessions, while a class of juniors and intermediates will mix up on Saturday afternoon under the guidance of Vic Soucisse, the Club's assistant coach.

Applebaum, for Westmount, made a nice catch on a forward pass to complete the play by running from three quarter field for a touch-down. Smith kicked the three points for Lower Canada.

RED AND GREY TEAM WIN 7-3

West Hill Seniors Again Un-defeated Under Coach Cheasley Against Westmount

West Hill Seniors again won over Westmount by a score of 7-3 on Monday afternoon at the Westmount Athletic Grounds, which was more like a lake than rugby field.

Westmount Seniors made the first point of the game early in the first quarter, on a single kick by Buddy Hellyer.

In the second quarter, West Hill kicked the ball to Westmount, and was fumbled by one of the half-backs on their own 15 yard line. Jimmy Hogarth for West Hill was right in on the play and secured the ball with a flying splash. George Lamb found a hole in the Westmount line to make a touch for West Hill. The convert was not completed.

Tommy Postans made the longest run of the game, when he caught a kick from Westmount on his own ten yard line and to run more than half the field before he was stopped.

Dinsdale then attempted a placement but went over for a single.

In the third quarter, Dinsdale again tried a placement, but made only a single for one point. A skirmish on the West Hill goal line, gave Westmount a two-point safety touch, when West Hill's man was caught behind his own goal line on a buck formation.

The last quarter showed the Westmount team fighting to overcome West Hill's lead but their

Play To Health Through EXERCISE

BY HUGH A. NOBLE

You know it really is a shame with all the Physical Education that is prevalent in our schools today our general medium for good posture is not on a higher level. We were originally built to carry ourselves erect — but to often we find the youth, and this is particularly true with girls, adopting themselves to slovenly attitudes.

To continue the thought that we are meant to stand erect — we must keep in mind that to obtain the normal functioning of our body we must have direct cooperation between the various groups of muscles — as for example, the biceps act in direct contrast to the triceps, and as such is referred to as its antagonist; consequently for proper and desirable posture we must have between the various groups perfect balance, — and not the one group doing the work for the other.

One of the most essential aspects of keeping our posture erect is not from the physical beauty point of view, but so that our organs may be so adjusted, in the body, as to carry on their normal function. Usually one little appreciated just the exact harm they are doing, particularly to their abdominal organs, when they slouch or carry themselves improperly. This slouching is bound to force the abdominal organs downward so that they are pushing against each other and crowding the function which would normally occur. A drooping of the abdominal organs usually accompanied by a flat chest, which cramps the function of the heart and lungs, and at the same time prohibits the diaphragm from contracting and expanding completely.

Naturally then with these cramped condition it is obvious to assume that general disintegration in health will result. This might not be detected at first but ultimately it will make itself evident.

People who have adjusted themselves to a more or less slouchy habit find it hard at first to correct these difficulties; but that is only because they have failed to train those muscles which will hold them erect. They have failed to concentrate their physical efforts upon those activities that will utilize the muscles that have a direct relationship to posture. The businessman is content to just get a "work-out", hoping in that way to reduce his rather obnoxious but obvious "bay-window" — if he would spend a few of those moments on strenuous abdominal exercise perhaps the result would be more satisfying.

How much better if, through our youth, we have trained our muscles to respond to such treatment; then we wouldn't need to concentrate so strenuously on such exercises when we get older — merely continue in the activities.

Mrs. C. W. Balfour, New President of Caledonia Ladies' Lawn Bowling Club

The annual meeting of the Caledonia Ladies' Lawn Bowling Club, which plays at the Westmount Athletic Grounds, was held last week in the M.A.A.A., presided over by Mrs. F. W. Wiggs, recently appointed president of the Ladies' Lawn Bowling Association.

Reports read by both the treasurer and secretary, revealed that the club had an unusually successful season. Officers for the coming year are as follows: President, Mrs. C. W. Balfour; vice-president, Mrs. A. A. Charters; secretary, Miss W. A. Mann; treasurer, Miss M. Keenan; rink convener, Mrs. W. Christie; tea hostesses: Mrs. J. Hayes and Mrs. L. R. Romney; press, Mrs. J. J. Flynn; executive, Mrs. M. Unicom; Mrs. G. Loader, and Mrs. L. Hendrie.

The retiring president, Mrs. F. W. Wigg, was the recipient of a beautiful Sheffield entree dish and a bouquet of roses from the club members as a tribute to her services during the past three years.

Event winners are as follows: Mrs. J. Hayes won the Class A Singles; Mrs. J. Yeudall the Class B Singles, and Miss M. Lister the Green Singles. Mrs. J. Yeudall holds the Singles Club Trophy for 1938-39. Four prizes for Doubles were donated by A. McAllister and were won by Mrs. H. Tees and Mrs. G. Loader in the first place, while Miss W. A. Mann and Mrs. O. Green were the runners-up.

Mrs. W. T. Christie, Mrs. W. Drysdale and Mrs. A. A. Charters won the honours in the rink games. Prizes were also presented to the winners of the weekly competitions.

Thayer, Missouri, has won its case brought against it by the private power companies and now has begun the construction of its municipal plant. The private companies acknowledged defeat on April 14, 1938 and at once discontinued its services without giving the city time to build its own plant or secure service elsewhere, leaving the town of 7,000 without electric service. The citizens supplied themselves with candles and kerosene and went on with business as usual and say they will continue to use the substitutes as long as necessary. It is expected that the municipal plant will be completed in four months.

Pasadena owns her own power system and despite low rates made a profit of \$118,452.00 in the last fiscal year. Profits from the power system built a civic centre, \$125,000, a golf course, around 600,000 was loaned to the city for needed improvements, refused a threatened tax on unemployment relief and paid each year to the city 8 per cent of its gross earnings in lieu of taxes. This payment totalled \$115, in 1936. The city helped unemployment by making extensive improvements in this system such as putting conduits underground. Some of the unemployed found work on this project and in some cases worked out the charges for their own electric service. Pasadena has for three successive years reduced its tax rates. The city has operated its electric service for thirty years.

Probably the most important part of our anatomy is our feet; as least from a structural, if not from a functional point of view; they form the foundation upon which the entire weight of our frame rests. And like any foundation they must be treated with just that same respect. Many of our posture defects are a direct result from our feet, and often when they aren't in immediate use, such as in sitting, they should be so placed on the floor or ground so as to allow maximum relaxation. There are certain positions of the feet which tend toward better posture — as for example one should allow the weight of the body to fall on the outside of the foot.

Feet exercises are very desirable, irrespective of whether the foot is troubling; the individual or not; any exercise, such as flexing the toes, which will assist in supporting the longitudinal arch is well worth the time spent.

There are many aspects of posture in relation to the various parts of the body, but if one keeps in mind the desirability of training those muscles which will have

Bargain Ponies? No, But Here's An Elephant Pair

Louis Meitus of Chicago went out to buy five Shetland ponies for his children and brought back two elephants and six horses. He heard that a circus was selling out at auction in Sheboygan, Wis. Though he set out to buy Shetland ponies the elephants caught his eye. One of the horses did a special "football" act, and the other five loo'ed quite clever. So, Mr. Meitus forgot the Shetlands, brought home the elephants and horses. He said he would put on shows for "poor kids." He said, "I'm having more fun than I've had for years."

a direct relationship to erect posture then they are accomplishing a very worth while personal project. This can be easily done through; first, the will or the desire for good posture; second, the taking of necessary time to strengthen and train the necessary groups of muscles. The result is obvious; physiologically, the normal function of our organs, resulting in a wholesome enjoyment of health and happiness.

"Y" Sports

Twelve young and healthy junior lads met at Westmount Park last Saturday morning and enjoyed a game of six man football. This game is becoming very popular with the younger boys, and many more games have been planned for the coming Saturdays. It is hoped that a larger turnout will be recorded next week in order to form a small league, which will add to the interest of the game.

The Westmount "Y" entry to the city basketball league got off to a fine start under the coaching of Mr. Hugh Noble, a fellow who really knows his basketball. A new system has been adopted in the way of coaching the team and already it has begun to show results. The intermediates practices take place on Mondays and Thursdays at 9.30, and it is possible that a junior team will be formed to enter into the City League also. Although it is not definite, practices are held for the juniors every Tuesday and Thursday evening at 8.30. Among some of the boys that have already reported for practice on the junior squad are Ian O'Hara; Eric Jones, Hack Yates, Gordon Clark, Glen Lynes, Russ Brown, and others. All members interested in playing be sure and report next practice.

House basketball teams have been formed at the "Y" consisting of four teams in each senior, intermediate and junior group. The juniors meet at one o'clock, intermediates at two, and seniors at three o'clock every Saturday afternoon. A good schedule has been drawn up, and it looks like a banner year for basketball at the "Y". With such men as Mr. Noble and Mr. Peirson at the helm, it is a great chance for all the boys in the "Y" to learn the game.

Right now the fencing club members are very busy preparing for their annual dance tonight. All forty members are working hard on it and it is expected to be a great success. The club is progressing fine, and those in it hope to have a larger turnout when they meet next Monday, Wednesday and Thursday evening at 8.30.

Argyle Beaten By Lower Canada, 7-1

In an interscholastic junior fixture, played at Lower Canada College grounds on Tuesday afternoon, Argyle Redmen went down to defeat before the L.C.C. squad, 7-1.

Argyle drew first blood, when Robert Connelly failed to run out a kick by Porter. The Westmount visitors retained the lead until half time. In the third quarter, Lower Canada netted two points when Porter tried to kick out of his own zone and was brought down behind his own line. A touchdown in the last quarter by Fletcher on a forward pass from Connelly, clinched the encounter for the home team. Connelly failed to convert.

Annual Fall Dance To Be Held Saturday

The annual Fall Dance of the M.A.A.A. will be held in the clubhouse on Peel on Saturday evening. Special novelty entertainment has been arranged. The committee in charge consists of: T. M. Lanthier, chairman, R. R. Charlton, F. Tracey Overton, and Wm. Ewing.
