

Quebec Refuses Street-Widening Permission

Sees Request On Dorchester As Premature

Westmount councillors Monday night will decide whether to go back to Quebec with some modified form of a request to extend their power of expropriation and homologation.

Tuesday, the Private Bills Committee of the Provincial Legislature turned down the application.

The matter deals with the possible widening of Dorchester street within the limits of Westmount.

In asking the committee to turn down the application, Premier Duplessis did so, he said, because he believed the authority requested to be "extraordinary".

Mayor deLalanne, appearing before the committee, said the city of Westmount did not intend to widen the street until Montreal had widened Dorchester as far as Atwater avenue.

"We just wanted to make sure we would have the authority in case Montreal went ahead with its plans," said Mayor deLalanne.

Mayor deLalanne said after the committee sitting that the City of Westmount "might decide on a smaller expropriation to cut through Dorchester and St. Catherine Sts. between Hollowell and Greene Aves."

When the Westmount bill came before the committee, Premier Duplessis told Mayor deLalanne and city officials their request "goes too far."

The premier said the ex-

Local Canvassers Are Still Needed In March of Dimes

There is still considerable need for local canvassers in Monday night's Mothers' March of Dimes, according to district chairman Miss Evelyn Paterson.

The march against polio is part of the \$100,000 Canadian March of Dimes appeal to aid polio victims in the province. It is co-ordinated with similar drives throughout greater Montreal.

The porchlight drive will go on from 7 to 8 p.m. Mothers will collect at all houses where the porch light is left on.

Miss Paterson is directing operations in Westmount from her home at 418 Metcalfe Ave., and is being aided by vice-chairman Mrs. Tom Harper, of 364 Metcalfe Ave.

She noted two areas especially in need of canvassers: the upper level, and the south-eastern section, below Sherbrooke St. and east of Kensington Ave.

Anyone here, or in any other parts of the city, who wishes to volunteer their services, is asked to contact Miss Paterson at GL 4076.

She said she hoped to have between 350 and 400 mothers actively canvassing on Monday.

A military whist party will be held tonight at 8:30 p.m. in Westminster Central United Church Hall, 926 Atwater Ave., with many prizes. The whist is sponsored by the church's Men's Club.

Publisher of Examiner Tells Westm't Rotary World Tour Highlights

With memories still fresh of a round-the-world trip in which he cut 17 days from Jules Verne's time, H. E. McCormick, president of The Monitor Publishing Company, told members of the Westmount Rotary Club a few of the highlights of his globe-circling tour, at the regular luncheon meeting Wednesday.

Describing in detail the luxury of a BOAC Stratocruiser flight from an overcast Dorval airport to a "kippers-and" breakfast at

Prestwyck, Scotland, Mr. McCormick took his listeners on a quick tour of London, Paris, Cairo, Ceylon, Singapore, and a dozen other world centers — probing beneath the surface more poignantly than the typical tourist and demonstrating that he had not lost his eye for the human-interest side of the news.

Mr. McCormick, a past president of the Montreal-Westward Rotary Club, took 63 days to complete his trip.

Speaking of London from Westminster Abbey to Piccadilly and including the story of a taxi ride that started out for the rigger matches and wound up at a dog-track, the speaker came to the conclusion that "you can't see London in four days."

He did better in Paris, however, and, contrary to popular opinion found the tip-hungry waiters, porters and lift-drivers there less pressing in their demands than in some other world capitals. Paris, he said, makes Montreal look like a 'model city'.

It was in Rome that he found the natives with their hands out

Welcome to the Unity Boys' Club of Westmount.

RECORDS SHOW INCREASE
The membership enrolment for the period ending December 31st, 1955 was 676. This showed an increase over the previous year's 600 members. The present trend continues to indicate a record year.
The participation figures for December also show a large increase over the previous year. In 1954 it was 4,330 and in 1955 the participation figure was 4,763.

The total participation figures for the year 1955 showed a tremendous increase over 1954 — 58,268 in 1955 as against 52,238 in 1954 — an increase of 6,030.
HOCKEY NEWS
The Westmount Municipal Hockey League got underway last week and at the time of writing, four of Unity's six hockey teams were involved in regular league games. Here are the results: **Bantam** — Unity, 4; Leafs, 4 (tied game) **Pee Wee** — Unity, 5; Reds, 0. **TERMITE** — Unity, 1; Regals, 5. **MOSQUITO** — Unity, 7; Alouettes, 0.
This week, Unity's six representative teams will see action.

GYMNASTIC CLASS
Gym Instructor Les Chaney is conducting a gymnastic class every Saturday morning, physical fitness program is scheduled to get underway at the end of the basketball season.

In games Wednesday night, Chambly County High School ladies team beat Unity juniors 39-33, and Montreal East YMCA knocked off the Unity juveniles 43-38.

In the ladies tilt, D. Clark and Mildred Cumberbatch were tops for the winners, with 19 and 16 points, while Rosemary Anderson and Dorothy Mariasino scored 12 and 10 markers respectively for Unity.

Prolific Pitcher
Cy Young, major league baseball pitcher who won 511 games, including three no-hitters, during his stay in the majors, holds the record for most games won and his mark has never been approached.

ROVING REPORTER

Westmount police are seeking the aid of parents in cutting down skiing accidents amongst the children using King George Park.

Kiddies often attempt slopes too steep for them, and police say that an older person should be in attendance to see that they stay on the gentler ones.

Each year several accidents are reported which could be prevented, and as the police can't be everywhere at once, they are relying on the support of parents.

I don't know how it came about, but according to a newspaper article of a week ago, Westmount was suffering an invasion of rats.

It would be a pretty broad statement to say that the city was completely free of rats, but by the same token, we certainly have no invasion.

In early fall, some people may about their basements, particularly tiny field mice scampering larly those who live near open

lots, but there is a lot of difference between a mouse and a rat.

The opening of the Home Town Jamboree at Victorial Hall Friday night went over with a bang. Every one of the 719 seats were filled, and some 300 were turned away. With the possible exception of the John Jay skiing films, no other single night attraction has drawn such a crowd.

Well known C.F.C.F. western disc-jockey Bobby Hill was present with his Canadian Country Boys, and so was the Rhythm Riders Trio. If ever you are around the Monterey Club, corner Peel and St. Catherine late same Saturday night, drop in and you might catch Bobby Hill and Smokey Martin doing a yodel duel. You've never heard anything like it.

A lot of people don't like this kind of music, but we must admit it has something about it. Wherever these boys go, they seem to pack the house.

If you own a dog, make sure he doesn't get out of the house alone without the licence affixed to his collar. He can be traced by this number. Should he be missing for more than a day, contact the S.P.C.A. immediately, don't wait for a week or so, because you will be too late. Stray animals are kept for five days, and then are either sold or destroyed. Only sick or injured animals are destroyed immediately.

By the way, we hear that Bill Kingston, Boys' Secretary of the Westmount "Y" will be leaving that institution shortly to take a post with the CIBA organization.

Jan. Square Dance At 'Y' Saturday 21st

Westmount "Y" January square dance will be held in the "Y Barn" Saturday, January 21. Calling by Mike Dodman will begin at 9 p.m. and music by the Buckskin Boys.

The Saturday dance is open to visitors, guests, or beginners in square dancing. Dances are explained by the caller, Mike Dodman, so that all may enjoy square dancing from the start.

Tickets for the dance may be obtained at the "Y" or from members of the square dance committee.

propriation and homologation plans would "paralyse property and construction in the area for five years."

The Westmount plan would widen Dorchester St. to 75 feet. The value of the land for expropriation was estimated at \$850,000.

The premier told the delegation one of the reasons he opposed the plan was because the city sought to appropriate more land than it required. He said he did not believe such a step would be in the public interest.

N. Friedman Named To Scout Post

Norman H. Friedman, 351 Olivier Ave., has been appointed assistant regional commissioner for special duties, of the Boy Scouts Association, it was announced this week.

The appointment was made by Major-General A. E. Walford, C.B. O.B.E., metropolitan commissioner.

Mr. Friedman has been active in Scouting since 1928 when he became a member of the Jewish Advisory Committee of the Montreal Scout Council and was chairman of that body from 1934 to 1952. In 1938 he became a member of the Scout Camp Tamaracouta Committee and from 1941 to 1945 was its secretary. He had been a member of the Council itself since 1934.

In 1941 Mr. Friedman was appointed District Scoutmaster for the Northern District. Wishing to improve himself as a leader he took the special training course leading to the Canadian Wood Badge and qualified in 1945. In 1947 he was appointed Assistant District Commissioner in the Northern district, and holds that post today concurrently with his new appointment.

For his good services to Scouting, Mr. Friedman was awarded the medal of merit in 1943 and was presented with the long service medal in 1951.

Prudence Counselling By B. C. N. President At Annual Meeting

The 81st annual general meeting of the shareholders of National Canadian Bank was held on January 10, at the head office of the Bank, in Montreal, under the chairmanship of Mr. Charles St-Pierre.

The Board of Directors' Report, which was submitted by the general manager, Mr. Ulric Roberge, shows profits for the financial year ended November 30, 1955, at a new high of \$3,585,089.

Deposits, having risen by \$67,309,365 during the year, reached a peak of \$618,920,041. Personal savings deposits amount to \$372,053,277, a gain of more than \$26.5 million. Total assets aggregate \$644,995,474, an increase of nearly \$72 million.

In a brief review of the past year, the president, Mr. Charles St-Pierre, referred to the revival of economic activity following a slight recession experienced in 1954. He remarked that, however, the condition of Canadian agriculture is less satisfactory. The decline in prices for farm products is all the more serious because the cost of goods and services the farmer uses has remained relatively stable.

The value of its foreign trade places Canada fourth in rank among the great trading nations of the world. But it is important, pointed out Mr. St-Pierre, to realize what statistical statements represent. Canada's foreign trade for the first ten months of 1955 showed an unfavorable balance of \$305 million, compared with \$200 million for the same period of the previous year, and this deficit would have been twice as high if our trade with Great Britain had not left us an export surplus of \$315 million. Since the war, the inflow of capital from the United States has compensated for this deficit, but it is obvious that we cannot rely indefinitely on such a contribution to balance our international accounts.

The composition of our foreign trade likewise deserves our attention. In spite of the tremen-

dous economic expansion of our country during the last thirty-five years, our exports still consist, to the extent of about 85%, in products from which foreign countries, where they are manufactured, draw more profits than does Canada itself.

When we hear it said, remarked Mr. St-Pierre, that it is by exporting its natural resources that Canada will contribute to the world's prosperity, it seems opportune to stress that, at the present stage of its development, Canada has ceased to be a colony for purposes of exploitation and that, while continuing to export the surplus of its raw materials, it should take steps to derive the greatest possible benefit from its own natural wealth. Only manufacturing industry can provide jobs for the mass of workers which is increasing rapidly from year to year.

Union Philatelique Members Are Guests Of Westm't Group

Pierre Desmarais, president of l'Union Philatelique de Montreal, along with other executive members, will be guests at the next meeting of the Westmount Junior Stamp Club, Thursday, Jan. 19, in Victoria Hall at 7 p.m. Mr. Desmarais will be the guest speaker.

Other highlights for January and February will be an auction on January 26th., an exhibition on February 2nd, several prizes will be given to the winners. There will also be a stamp quiz on February 23rd, in which several prizes will again be awarded.

Any boy or girl wishing to participate in these events may do so by coming down to the club, Thursdays at seven at Victoria Hall in Westmount.

John Fisher Plans To Tour 3 Hospitals

John Fisher, well-known radio commentator and observer of the Canadian scene, will be touring the three participating hospitals of the Joint Hospital Fund campaign on Sunday, January 15. The hospitals he will visit are: the Royal Victoria, The Montreal Children's and the Royal Edward Laurentian Hospitals.

Mr. Fisher, guest speaker at the opening luncheon to mark the kick-off of the campaign, on Monday, January 16, will report to the 500 men and women at the luncheon on his visit to the hospitals, about the work they are doing and their need for support. He will also be speaking about Canada and its future.

Mr. Fisher, a native of Sackville, N.B. and a former newspaper man, is widely known for his radio series, "John Fisher Reports." He has been awarded the La Fleche Trophy for "a most important contribution to Canadian radio as a commentator."

Besides his regular radio series, he has been CBC observer-commentator at the UNO and UNRRA conferences in New

April 4 To 7 Are Dates Set For Hobby Show

As they have for twenty years past, the Boy's and Girls Hi-Y Clubs of the Westmount Y.M.C.A. are once more sponsoring the Westmount Boy's and Girl's Hobby Show which will take place Wednesday, April 3th to Saturday, April 7th in the Y.M.C.A. building on Sherbrooke Street.

This year's Executive Committee includes: Jim Boake, President, Lynn Rodgers, Vice-President, Dave Annesley, Vice-President; Sandra Shackleton, Secretary; Bob Miller, Treasurer.

Last year some three hundred boys and girls living, or attending school in Westmount, exhibited six hundred and fifty-four different items in ten classes which embrace very nearly every known art or craft. Plans are now proceeding for an even greater show, and it is suggested that it is not too early to begin preparation of the exhibits for this spectacular event.

The executive has invited delegates from all schools in Westmount to join them in their planning and preparation. Inquiries and suggestions will be welcomed at the Westmount Y.M.C.A.

York and in 1948 he travelled 10,000 miles through Europe where he observed the plight of children in the war-devastated areas on behalf of the Canadian Appeal for Children campaign.

Dominion Dairies Win Milk Awards

For the second time in less than six months, Dominion Dairies Limited, Montreal, has

participated in international dairy products exhibitions and each time, has been the recipient of top awards.

The British Farmers' Association, London, announces that the two Dominion Dairies entries have respectively won first prize for spray dried skim

milk and third prize for spray dried full cream milk at the British Dairy Farmers' Association Exhibition, held in London, recently.

Participants included dairy companies from the U.K., Canada, Australia and New Zealand. Prize cards and certificates of merit will be forwarded to Dominion Dairies in the near future.

Dominion Dairies' entries were skim milk powder and whole milk powder samples drawn from the regular run of production. Each was packed separately in a 30-pound tin, the tins being enclosed in a corrugated carton then carefully packed in a wooden case for full protection in transit. Shipment was made by B.O.A.C. Air Cargo.

Held at the London Olympia, November 25th-28th, this was the 69th annual dairy show organized by the British association. The show is considered as one of the most important yearly events for the Commonwealth's dairy products industry.

Other prizes were awarded Dominion Dairies, last summer, at the dairy products exhibition in St. Louis, Missouri.

Handicraft Corner Draws Attention Of Hobby Folk

Pine cone owls, peanut penguins, and even a green woolen octopus are some of the recent arrivals at a Westmount fabric center, that is fast changing into a catch-all craft shop.

The store is Croft's Fabric Center, on Victoria Ave. near Western Ave., and here's how it happened:

Earlier this year Mrs. E. McMartin, of Croft's, started a counter in the corner of the shop to be filled with handmade articles. These are made by people who do not wish to sell on a large scale, but who like to make things and perhaps sell a few of them. Some send in only one article, others several.

This craft corner has grown greatly since an article on it appeared in the November 11 issue of The Examiner. Some 140 people are already on the books.

Very little advertising has been done but people as far away as Maine, Nova Scotia, and distant parts of Ontario have heard of the shop, and are using it.

Many types of handicraft are represented in this corner, ranging from painted ceramic dishes to the many legged octopus.

Well Made Items

Everything appears exceptionally well made, and according to Mrs. McMartin, results from the fact that items made as hobbies are usually made most carefully, with great patience and care.

Mrs. McMartin was wearing an original brooch designed by a woman who meticulously cuts seashells crosswise under water and forms them into beautiful brooches. She supplies earrings and brooches for the craft shop.

Many of the little figures for sale look like woodcarvings, but are in reality of peanuts, decorated with beads, felt and feathers. Painted faces smile slyly, each with a different expression.

Large Age Range

The youngest contributor to the corner is a 14-year-old girl, and one of the oldest, a grandmother who mails her offerings from Nova Scotia.

Many kinds of people send in articles; some are immigrants who hope to earn a little money while others apparently make things for the personal satisfaction. Some items are made by retired people who are happy to know that they can still earn money themselves.

Quote Own Price

The maker quotes his own price and the store adds a markup for handling. In the case of hospital patients, the markup is as low as possible so that the articles will have the best chance of selling. The psychological effect on the patient—knowing that what he makes will sell—is important therapy, Mrs. McMartin says.

She likes selling the homemade articles. They bring interesting people into the store, like the man who bought a little figure made of a peanut because, as he said, "it looks just like my mother-in-law."

REV. FATHER J. ALEX CARTER, who will give an address on 'Christian Marriage' at the meeting of the Professional and Business Women's Organization, of the Church of the Ascension of Our Lord, Westmount, which is to be held at 8.30 p.m. January 16, at St. Leo's School Hall, Clark avenue.

ON FAROUK'S YACHT

In Cairo he hired a six-foot native guide for \$2.50 a day, rented a room on ex-King Farouk's yacht and spent two and a half hours on a camel to come off bow-legged for two days.

He described in detail the bargaining methods of the merchants of the East, where each transaction starts with coffee and winds up with a sale. "He asks 100, you offer 25 and finally settle for 30" said Mr. McCormick.

POVERTY OF INDIA

The abject poverty of India appalled the speaker, he said, particularly in Bombay, where he saw every doorway used as a bedroom at nightfall by ragged and hungry individuals who had no other place to sleep; and the mutilated beggars, rendered armless or legless by their parents at birth so that they would maw more pitiful objects for charity.

He described the attempts of itinerant money-changers in Ceylon to obtain American dollars at a rate above that of the banks; the purchase of a tuxedo in Singapore (made to measure) for \$30; and many other interesting sidelights before settling down to a few details on Australia, where he attended a conference of the world Press Union as a representative of Canadian Weekly Newspapers Association.

Australia, he found, resembled Canada in some ways, with the bigger cities, Sydney, Brisbane, Melbourne, Adelaide and Hobart spaced across the country much like Halifax, Montreal, Toronto, Winnipeg, Calgary and Vancouver.

AUSTRALIAN DEVELOPMENT

There is great development, he said, with multi-million pound projects irrigating desert, tunnelling under mountains and changing the course of rivers. In Australia, too, he found swift changes of climate in various parts of the country, and travelling fast was picking oranges one day and up to the ankles in snow the next.

Monaco Is Big As Westmount Current Events Club Decides

Wednesday some hundred members of the Current Events Club of Westmount Senior High School turned out for a meeting billed as a "Round Table Discussion." At such meetings any topics of current interest are brought up for discussion and information.

This week, French elections, American election year, Monaco and teacher's salaries were discussed.

The French political set up was explained by Mike Barza. The need for cohesion of the centre parties of Faure and Mendes-France to prevent the French Communists from taking any office in the government was brought out.

U.S. presidential candidates and parties were discussed by

Bib Miller, who revealed the Republican Party as the party of business and high tariff, and the Democrat Party that of city dwellers and lower tariff.

The romance of Monaco's ruler and movie actress Grace Kelly was introduced by Barbara Rayside and brought out the fact that Monaco was of the same size and population as Westmount. One cynic voiced the opinion it might be a publicity stunt for the movies.

That extra-curricular activities at school might be ended shortly by the men teachers because of salary dissatisfaction, was mentioned by Leonard Cytrinbaum. The meeting, whose existence is thus threatened, ended in heated discussion of this possibility.

Bahai Group To Mark World Religion Day

World Religion Day, to be observed by Baha'is throughout the world on January 15, will emphasize one of the most crucial issues of our time — religious liberty.

"Wherever religious liberty is denied, the historian finds intolerance, unscrupulous ambition, and an unnatural partnership between a fanatical religion and an oppressive state," an announcement from the National Baha'i Assembly states.

"What is religious liberty?" the National Baha'i Assembly asks. "As popularly defined, it means the right to worship without interference from the state.

"This meaning has been adequate in the past, but it must be greatly amplified today. The passive co-existence of a large number of different faiths is not the goal of spiritual evolution.

"Mankind today lives in a new age," the Assembly statement continues. "Humanity has been given a true and ultimate goal, the unity of the peoples of the world. We must employ all the resources of truth to bind together in one humanity the fragments we call nations, races, classes and creeds. This is the real meaning of the concern for peace; the alternative is devastation.

"Thus, the idea of religious liberty has become transformed. By the liberty of freedom from self, the soul realizes the oneness of God and the universality of His revealed laws and truths.

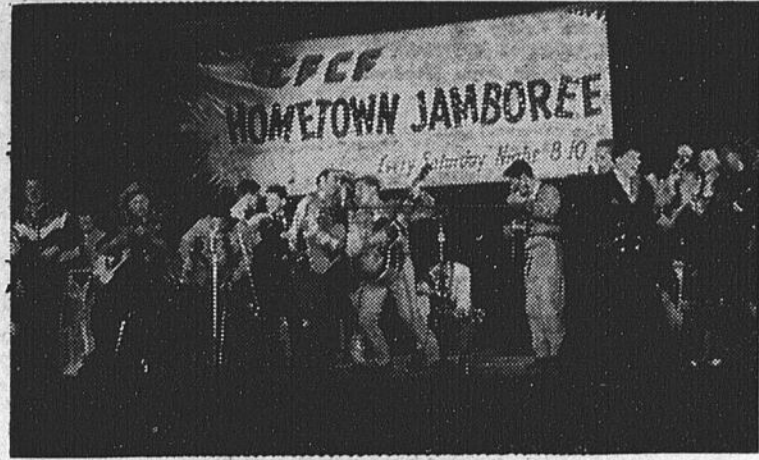

"By the liberty of freedom from traditional culture, the awakened human spirit understands that a new cycle has begun.

Nature takes her time in yielding the farmer a return on his investment of money and effort. Meanwhile he may need cash for feed or fertilizer or implements; or to re-roof his barn; or buy livestock:

Bank loans let him go ahead with his plans or improvements without waiting for harvest time. Across his local bank manager's desk he talks over the purpose, amount and repayment of the loan. It's a simple, straightforward business transaction involving the use of bank credit to promote enterprise.

In big city or rural area, the local branch of your chartered bank is a convenient banking service! centre. Staffed by friendly people, it is ready to help you with your saving, borrowing and other banking business... all under one roof:

Only a chartered bank offers a full range of banking services, including:

MONEY ORDERS AND BANK DRAFTS

To send money anywhere in Canada or throughout the world.

LETTERS OF CREDIT

For travellers on extended trips, or to finance business transactions at a distance.

MORTGAGE LOANS

Epiphany

By Rev. Canon R. Kenneth Naylor
Rector of Trinity Memorial Church

The season which opened with Little Christmas last Friday is called Epiphany or Showing Forth. It reminds us of the Manifestation of Christ to the Gentile world represented by the Wise Men. But light works in more than one direction. By the light we see the Christ Child as the Wise Men did and recognize Him as King of Israel — in fact, in His three gifts we recognize Him as the Wise Men did as Prophet, Priest and King. It is hard to resist the temptation to talk on those

three words, but I have three other words which have been troubling me for some time and I am going to talk about them.

The Light works in both directions. We think of it as playing on the Christ Child and revealing Him, but it is also a ray of light in His hand which plays on the very nature of things and reveals God as He is. The revelation is so simple that it is deceptive. Jesus talked about God as His Heavenly Father. He did not emphasize the point; He talked rather casually and assumed that His hearers would understand what He meant. Probably they did not understand at the time but they had good memories and they later recalled what He had said; and they found that they knew the Father. He also lived with His disciples; they heard His words, and found them both simple and yet deep beyond their understanding; they saw His works and could not believe that mere man could do such works. They felt His presence and in more than one instance they begged Him to depart from them. He disturbed them. They did not want to think of Him as more than man. It went clean contrary to all their traditional thinking. They could not believe that the word "God" could be applied to any one except the God of Israel whom they and their fathers had worshipped as One God for a thousand years. But the tradition would not do. They had experience as well, and the logic of their experience drove them to apply the name "God" to the Jesus with whom they had companied. The Jesus with whom they had walked was more than man.

But that did not end their experience. Their Master departed from them after telling them that He would send to them another Comforter — another One who would stand by them, just as Jesus, very unostentatiously had stood by them in His Ministry. He sent the Other One and again their experience would not let them rest until they had con-

fished that He too is God. There is no flaunting of the idea of a threefoldness in God, but it is asserted in the last verses of St. Matthew and taken for granted, over and over, in the Epistles.

That is the corollary of the festival of the Epiphany. It does not remind us only of the light of the star leading the Wise Men from the East to find a little child in Bethlehem. It reminds us still more of the Light of the World who has shown in word and deed what God really is — One God in Three Persons. students on their university campus.

Dorothy Sproule's Poem 'She Walks In Beauty' Wins Recognition
 A poem entitled 'She Walks in Beauty' which pays high tribute to Princess Margaret, composed and written by the noted poet, Dorothy Sproule, has won her another in a long list of honors. His Excellency the Governor General of Canada, after reading the poem has written to say it has been forwarded to Princess Margaret.
 Dorothy Sproule well known in this district as well as most parts of Canada, is an honorary Vice-President of the Royal Empire Society and a member of the Essay Group of the Canadian Authors' Association. She was born in Dundas County and the Ottawa Citizen, in a write-up deplored the fact that she settled in Montreal. The following paragraphs are culled from the same newspaper.
 "There must have been some impelling force to induce Dorothy Sproule to leave the embracing friendliness of Dundas, for the vast spaces of Montreal, but that's where she is, that's where she pens the limpid lines, that find their way into press, magazines, brochures and anthologies of two hemispheres. She is probably content, at having made the world a little brighter, because of her presence, yet here was no ordinary struggle against ill-health, and many another obstacle of consequence and tragedy.
 To achieve success under these circumstances, requires abundant courage, and perhaps it was she who wrote the telling phrase: "He who would climb a tree must grasp its branches not its blossoms." Or was it Thackeray?"
 —Ottawa Citizen

Kindred Conclave Sets High Mark In Work, Annual Report Reveals

At the annual meeting and election of officers, recently in Notre Dame de Grace Community Hall, Mrs. Fred Anber was elected Commander of Westmount Conclave No. 4, Order of True Kindred. The immediate past commander is Mrs. A. N. Irwin.

Mrs. K. W. Matheson, benevolent convener, stated that over 700 articles had been given away during the past year in layettes, to deserving cases.

A very successful year of sustained interest and endeavour had been noted in all reports, and quality of hand-made and hand-knitted articles for the layettes was of the highest. Bed jackets had also been made for the patients in the Infirmary in the Old Folks' Home.

The principal objective was the donation of a plastic bag filled with fruit, candy, raisins, jam, etc., to each old person at the Home for the Aged in Maison-neuve; also note paper and soap has been included this year, as well as a pink or blue bed packet for each woman in the infirmary.

The children in an orphanage received their usual attention by being given toys, candy, fruit, clothing and games. Also a needy family with seven small children was not forgotten. A Stroller was provided for twin boys, and two Christmas boxes for needy families.

Other projects included cigarettes for Veterans, a donation to the A. M. Hospital Fund at

The Ball will be held under the patronage of Major General N. E. Rodger, C.B.S., C.D., Vice Chief of the General Staff.

WEDDINGS

McGILLIVRAY-MILME

The marriage took place on January 6, in Dominion Douglas Church, Westmount, of Miss Gloria Milme, daughter of Mrs. Amelia Ross Milme, and Mr. William McGillivray, son of Mr. and Mrs. Robert McGillivray of Ste. Eustache-sur-le-Lac. Rev. Lloyd Smith performed the ceremony; Mr. John Robb, played the wedding music, and the church was decorated for the occasion with pink and white carnations.

The bride was given in marriage by Mr. Stanley Brenegan, Sr. Her gown, an original Irene Wilson model, was of white lace over taffeta and net, fashioned with a portrait neckline, three-quarter length sleeves, and a bouffant skirt, her finger-tip veil was in matching lace and tulle, and she carried a bouquet of pink and white carnations.

Mrs. Stanley F. Brenegan, twin sister of the bride, was matron of honor. She wore an original gown, in ice-blue with gold thread brocade, fashioned with a portrait neckline and bouffant skirt, a jewelled feather hat, and she carried a bouquet of pink and white carnations.

Mrs. Milme, the bride's mother, was dressed in a Christian Dior suit of black velvet trimmed with ermine; her hat was of white feathers, and her corsage, white carnations. Mrs. McGillivray, the bridegroom's mother, wore an original gown in green peau de soie, with a matching velvet hat, and a corsage of pink carnations.

After the reception in the vire-regal suite of the Ritz-Carlton Hotel, which had been decorated with pink and white carnations, the bridal couple left by car for Lake Placid. The bride wore for travelling a Paris model suit in dark blue, with a pale yellow straw hat, dark blue accessories and a grey fur jacket.

GERNA GILMOUR, pianist, who with Clarence Fleiger, baritone, accompanied by Phyllis Rowell, will give a musicale sponsored by the Dominion-Douglas Ladies' Literary Society at 3 p.m. on Friday, January 20, in Leslie Hall, corner Lansdowne ave., and Westmount blvd.

Mrs. Guy Johnson has returned after spending the holidays with her son-in-law and daughter, Mr. and Mrs. Morris Jones, at Niagara-on-the-Lake, Ont.

Mrs. H. R. Hampson will give a dinner in honor of Miss Lucy Durnford and Miss Victoria Cumyn prior to the Charity Ball on Friday, Jan. 20.

Children Had Good Health Record During Early Winter, Says Clinic

A high level of health among children who attend clinics of the Child Health Association has been noted this year, Marjorie Milligan, Director of the Red Feather service, reported recently. Not a single call was received over the Christmas weekend and the early winter months have been remarkably free of influenza and childhood diseases.

Some of the most threatening diseases of childhood can almost be looked upon as diseases of the past, Miss Milligan said. Effective preventive measures have just about eliminated diphtheria and whooping cough. No deaths from diphtheria were recorded last year and the incidence of whooping cough was negligible.

Measles were a big problem locally last year, Miss Milligan said, and right now the disease has reached epidemic proportions in Windsor. There are also cases in some localities here.

Parents can recognize some of the symptoms of the commoner diseases, Miss Milligan said. Measles resembles a head cold at the onset and the usual rash does not appear for a day or two after the first symptoms become noticeable. It is important that the child be kept warm and in bed and the doctor called. These general rules obtain in all cases of children's illness and keeping them conscientiously does much to minimize any possibility of dangerous complications.

Madame Jehane Benoit To Address J.J.W.L.

Madame Jehane P. Benoit, often referred to as the best Canadian-born chef in Canada, will be the guest speaker at the Jewish Junior Welfare League luncheon meeting on Tuesday, at the Windsor Hotel.

Madame Benoit's topic, "How Much Cuisine Savoir-Faire is Necessary to a Young Woman" promises to be a controversial subject. Combining her talents as one of Canada's foremost economists and as a wife, mother and grandmother, Madame Benoit has written a food column

for La Revue Modern for the last seven years, a series of articles for the magazine, Marketing, in Canadian market problems and will soon begin a column for Canadian Homes and Gardens. Her broadcasting experience goes back more than ten years. She was recently a well-watched guest on the CBC show "Living". She has also drawn 3000 women a day for two weeks each year since 1950 to the Steinberg's cooking school. "Madame" is perhaps best-known for her part on a CBC French language radio program which features her advice on food and cooking.

There will be a regular business meeting of the Jewish Junior Welfare League at which Mrs. Jack Schneider will preside. Mrs. M. Charness and Mrs. H. Botner are in charge of program and Mrs. J. Bernard and Mrs. C. Reitman head the hospitality committee.

JUBILANT TEAMMATES hoist goalie Don Cochrane to their shoulders, after Westmount High School scored a 3-0 victory over Cham-

bly in their opening senior B game this week. Left to right are Ted Evans, Art Scott, Cochrane, Denniss Farrell and Gordie Smith.

Unity-Comet Contest Features Cage Week

They may have started on the wrong foot, but the Unity Boys Club senior basketball teams are determined to get back into stride in their next games.

Maurice Mariasine's senior B cagers dropped their first game of the regular schedule Tuesday, while Ian Campbell's Meteors got the bounce from University of Montreal, their fourth straight loss in league play.

The UBCers get some chances to make up for past evils, and the game they're currently pointing for is an exhibition next Wednesday against the Three Rivers Comets.

This annual exhibition tilt is the first of a two game series. Arrangements have still to be made for the second engagement. The game will start at 8.30 p.m. at the Unity court.

Unity are scheduled to meet Sir George Williams College on their Greene Avenue court tonight, at 8:30 p.m. This is the rescheduling of a postponed tilt.

In regular league play the senior B squad goes against MAAA, at the Peel St. layout, on Monday at 8.30 p.m.

After winning their opening game against McGill Indians before the holiday season, Unity turned in one of their poorest efforts Tuesday against Golden Knights, at West Hill High School, losing 72-58.

Play was even for the first five minutes, and after that the GK squad roared into a 10 point plus lead for the rest of the game. They led 37-22 at the half.

Unity was missing Ian McIntosh, out indefinitely with a bad knee, and Charlie Grier, out of town at the time. Sol Shade picked up 11 points for the Knights, while Roy Fleishman and Steinman chipped in with 10 apiece.

Grant Peterson led the UBCers with 15 markers, while Buddy Nalmsmith got 12 and Jack McKissock 10.

Ian Campbell's Meteors were downed 68-58 by the U of M on Monday, in a see saw match that saw the Collegians take the only commanding lead with two minutes left. They led 28-27 at the break.

Blons and Lamoureux led the winners with 20 and 16 points respectively, while Hanlon got 16 for Unity.

WHS Cagers Crush Verdun

Westmount High School's senior B basketball team got their current season off to a successful start, when they rolled over a weak Verdun High squad 71-37, at the latter's home court, on Tuesday.

A 28-6 margin in points in the second half was more than enough for the easy victory scored by Ron Sharp's cagers. Their next game is scheduled for Wednesday, against Montreal West High School, and will be reeled off at the Purple and White's home court.

Ralph Whims, still slightly bothered by a sprained ankle, poured home 25 points to lead the Westmount quintet. Roy Smith pushed in 15 markers, while Lyon Gould clicked for 12 and Harvey Lazar for 10. Ritchie Cessford turned in a fine defensive effort.

Wheeler's Near Top,

The amazing Wheelers continue to roll in the St. Laurent Intermediate Hockey League. Last Saturday they inched within two points of the league leading MacRae squad by trouncing the Electricians 6-3 at the St. Laurent Arena.

Michaud Freres stayed in a second place tie with the Wheelers by edging past the still winless Royal Pharmacy squad, 3-2.

MacRae and Michaud are billed to meet in the first game this Saturday, at 2 p.m., with Wheelers and the Pharmacists clashing in the nightcap. A Michaud upset combined with another Wheeler win would leave Gerry Kerr's favorite league with a three way tie for top spot.

Dave Molson put on a one man

show in leading the Wheelers to their victory. He notched their first three goals—all in the first stanza—for a 3-1 lead, and assisted on two of the others.

His first tally came at 4:55, on passes from Peter Mitchell and Johnny Gagnon, Exactly 2 minutes later Molson was back with Grant and Bill Campbell drawing assists.

Ross Murray kept the Electricians in the match with a counter at 12:05, helped by Buddy Selby and Pat Lomasney. But Molson's third tally of the frame, at 14:49, put Wheelers ahead by two once again. Bennett and Gagnon got the extra points.

MacRae came close for the last time at the start of the second period, when Robillard scored, assisted by Murray, at 1:05. Wheelers got back their two goal advantage at 6:48, when Gagnon converted Mitchell's pass.

Bob Cherrier was the big gun for Michaud in the second game, as Royal Pharmacy grabbed a two goal lead and seemed to be on their way to their first victory of the season. Cherrier notched two goals within one minute of the final period, and assisted on the winning marker less than a minute after.

WHS Open Schedule Tripping Chambly 3-0

By BOB ROBINSON

Things look a great deal brighter for the Westmount hockey team this week following their 3-0 victory over Chambly County last Friday in the opening game of the Senior B schedule. On Monday afternoon, the locals gave a sparkling display as they held Bishop's College to a 2-2 tie.

Monday's contest was a thriller throughout. Bishop's boasted a sharp attack and a rugged defense but their combined efforts were not able to dent the armour of Westmount's sensational goaltender Don Cochrane until the last four minutes of play. Westmount's version of "Gump" Woresly did everything but eat the puck as the collegians continually hummed around him. He made several outstandings saves off bullet drives from the Bishop's defense corps.

Bruce Hutchison put Westmount ahead 1-0 in the second period when his hard shot caught the upper left hand corner of the net. Paul Hamilton upped the count to 2-0 in the third and it looked as if the Purple and white squad were on their way to an upset, however the locals' defense suddenly collapsed and Bishops rapped home two quick goals, the last with less than a minute to play in the game.

The opener was a dull affair as both teams were unable to organize an attack. Chambly proved to be only a shell of the powerhouse that they iced last season and seldom threatened. Don Cochrane had little to do but handled the few dangerous foreys flawlessly.

Paul Hamilton opened the scoring in the first period when the Chambly goalie fanned on his low shot from inside the blue line.

Academy Beats Chambly 4-1

St. Leo's Senior B Hockey Club got off on the right foot last Monday afternoon at Verdun Auditorium, when they defeated Chambly High School 4 to 1 in their opening league encounter.

John Farrell, fast stepping Academy center, was Johnny on the spot as he slapped in a rebound for the winning goal and also scored the Westmounters' first goal on a bullet shot from about twenty-five feet out.

Phil Ramsey scored a smart goal, banging in a loose puck and Brian Patterson snakehipped through the Chambly defence on a pretty solo stick-handling effort to round out the scoring.

Chambly team was but a shadow of the fine team that finished in first place last year, this year's squad introducing a lot of new and green youngsters.

The Saints played good hockey in spots. Mike Lunny played well in goals and the defence was sound.

Municipal Hockey Starts

The Westmount Municipal Hockey League 1956 programme got under way last week. Twenty six teams have entered Termite, Mosquito, Pee Wee, Bantam and Midget categories.

John Veitch notched a hat trick as he led his Royals teammates to a 3-0 shutout over Regals in the first game of the Termite schedule at Prince Albert Park. Peter Blakely and Ricky Pattee teamed up to trounce Unity in the second game by a 5-1 count, Blakely scored three times and Pattee twice.

In the Mosquito section, Wings dropped Cubs 3-1, Unity topped Alouettes by a 7-0 count but the game was later awarded to the Als, because of the use of an illegal player by the Unity team.

Franklin Robinson led Unity Pee Wees to a 5-0 triumph over Reds with four goals. Wings trimmed Blues 3-0 in another Pee Wee encounter, Jimmy Ray scored twice and Doug Leadbetter once.

The Hawks are perched atop the Bantam loop having trampled Rangers 12-4. Bobby Gaylor scored ten goals. Dave Robson picked up six points on one goal and five assists, Frank Taylor, outstanding for the losers scored twice and assisted once.

In the only other game played in the Bantam division, Unity Boys' Club and Leafs split 4-4.

Classes Filled At Golf School

The Westmount "Y" Golf School and Clinic is completely filled for the January and February classes. Eight class lessons, one per week, are being instructed by Syd Fry, golf pro at St. Margaret's Golf Club.

Practice periods are available to members Tuesday, Wednesday, and Thursday from 6:00-7:00 and Friday evening from 6:00-10:00.

A special feature of the clinic is the showing of an instructional film on golf, Friday evening,

January 20th at 8:00 p.m. Members of the Y.M.C.A., golf class members, and friends may attend the showing.
