

Quebec AND COMMERCIAL AND SHIPPING GAZETTE.

VOL. VIII.

QUEBEC, SATURDAY, 24TH JUNE, 1854.

[NO. 1923]

COMMERCIAL HOUSE, UPPER TOWN MARKET PLACE, Opposite the French Cathedral, QUEBEC.

THE SUBSCRIBER begs to inform his Friends and the Public of Quebec and surrounding Districts, that he is now receiving by the first Ship, his

Extensive Spring Importations of BRITISH and FOREIGN DRY GOODS,

selected by himself in the ENGLISH, SCOTCH, FRENCH and GERMAN MARKETS, adapted to the SPRING and SUMMER SEASONS, which, for extent and variety, cannot be surpassed any where in Canada.

In order to continue the important advantage to purchasers which has distinguished this Establishment from its commencement of being from

25 to 40 per cent. Lower in its prices

than other houses, the principle is to sell EXCLUSIVELY FOR CASH, at the lowest possible profit, thereby commanding a quick return of his capital, and saving the buyer the very large percentage invariably put on to cover the risks of a credit business. His constant attendance in the EUROPEAN MARKETS, gives him the advantage of purchasing from the Manufacturers on the very best terms, and at periods of the year when the Markets are depressed, which enables him to sell at prices which no other Establishment in Canada could afford, and thus effectually realise the above large saving to the public.

He finds also, that the system he has adopted of strictly adhering to ONE PRICE, and marking that price on all goods in plain figures, has met with universal approbation.

The Stock being so varied and extensive, precludes the possibility of giving a full description of it, the Subscriber will therefore, merely call attention to a few of the Departments of the Establishment:

In the Department for LADIES DRESS will be found a large assortment of Rich Broad and Girdle Silks, Plain and Figured Satins, Poplin Laines, Delaines, Tissue, Serges, Barges, Printes, Shawls, in ENDLESS VARIETY and of the newest designs.

French and British Ribbons, Flowers, Hosiery, Gloves, Parasols, Corsets, Worked Mullins, Real Lace Falls, &c. &c. &c.

THE MILLINERY DEPARTMENT—a new branch added to the Establishment, under the management of a First Rate Milliner from London—is supplied with the Largest STOCK of BONNETS in Canada, of the LATEST PARIS and LONDON FASHIONS.

—ALSO—
A Variety of VISITTES and MANTLES.

The House Furnishing Department will be found to contain a large Stock of Damask, Moreen, Lace and Net Curtains, Table Linens, Towelling, Sheetings, Druggists, Carpets, Hearth and Door Rugs, &c. &c.

Merchant Tailors and others will find the WOOLEN DEPARTMENT supplied with a very large Stock of the best Superfine Wools of ENGLAND and GERMAN COLLS in all shades and colors. TROUSERS of the newest Styles in Cassimeres, Tweeds, Hosiery, Cashmeres, Drills, &c. a variety of Vestings, Handkerchiefs, Braces, Neck Ties, Umbrellas, &c.

An immense variety of Plain and Fancy Shirts, cut on the most approved plan, and made in the best manner, from 2s. 11d. to 12s. 6d. each.

Quebec, May, 1854.

DR. GALE'S

ANODYNE OF OPIUM,

NEW CHEMICAL PREPARATION OF OPIUM
SOLVENT!
contains all the sedative and anodyne prop-
erties of Opium, but will not constipate the
bowels, cause head-ache, sickness of the stomach,
any derangement of the constitution or gene-
ral health, nor any unpleasant symptoms.
It is altogether preferable to Opium or any of
ordinary preparations.

Obtained from His Excellency George F. Fort,
Governor of the State of New Jersey.

GALE:

Dear Sir,—I have used your Anodyne of Opium my practice and find that it will not constipate the bowels, cause Head-ache nor any of those unpleasant symptoms which commonly follow the use of the ordinary preparations of Opium. Its sedative and Anodyne effects are equal to Ium.

This may certify that after an attack of *Dysentery* I was left in a weak condition, with nervous

ability, wakefulness, severe gripping pains, etc.—Laudanum was tried, and although it eased the pain and gripping, it constipated the bowels, increased the restlessness and indeed aggravated most of the other unpleasant symptoms. I then got a bottle of Dr. Gale's "Aloes of Opium," and after using it a few days aimed entire relief.

had about two or three regiments of rats in and

round my house. A friend sent me two boxes of your *Insect Exterminator*. I used a part of one box, according to directions, and the rats took up marching orders, all but two or three, who will likewise march, now that we have learned their haunts, upon the application of a little more of the Exterminator. I would therefore cheerfully recommend it to all who have rats about their premises.
