

# The Sherbrooke Examiner.

SEMI-WEEKLY EDITION.

VOL. V. NO. 92. New Series

SHERBROOKE, QUE., MONDAY, SEPTEMBER 8, 1902

PRICE ONE CENT

## Savage Hammerless Repeating Rifles.

The Savage Rifle is the first Hammerless Magazine Sporting Rifle ever built to use Smokeless Powder, and the result is very long range, high velocity and flat trajectory.

IT HAS THE FOLLOWING ADVANTAGES:

Hammerless; repeating; 6 shooters; weight 74 lbs.; length of barrel 26 inches; calibre .303; 26 shots per minute as a single loader; 40 shots per minute as a magazine gun; barrel and breeching mechanism built to resist strain of 100,000 lbs. per square inch; automatic indicator, showing at all times the number of cartridges in the magazine; mechanism showing whether gun is cocked or fired; safety device for locking trigger and lever; equally adapted to use smokeless or black powder; positive ejection of shells; can be used as a single loader or magazine, without cut-off; cartridges held in magazine by their rims; simple in construction, reliable in action; balance of the gun not changed in using the magazine.

Our List Price on the 99 Model 303 \$25.00  
Discount on application

Marlin Rifles, Winchester Rifles  
Stevens Rifles, Shot Guns.

We quote special price on all makes for the next two weeks.

J. S. Mitchell & Co.

25 lbs. Redpath's Sugar, \$1.00  
25 Flour, Feed and Grain of all kinds at lowest market prices.

W. T. OUGHTRED,  
Marbleton Aug. 1, 1902.

## The Fair Over.

WAS VERY SUCCESSFUL  
—RECEIPTS FROM ATTENDANCE AHEAD.

A List of the Awards Continued.

Canada's Great Eastern Exhibition closed on Friday night and was the most successful in the history of the association, both from a financial and numerical point of view. The receipts in every department showed an increase, and had the weather been better on Thursday and Friday the association would have been several thousand dollars better off. The success of this fair has so often been spoken of that it is not necessary to go into the details of the good hard work done by the directors and the manager, Mr. W. M. Tomlinson, suffice it to say that each successive year seems to be an improvement on the previous one. It is admitted by exhibitor and visitor alike that there is no board of directors of a fair in the Dominion that pays the same attention to their patrons than the directors and manager of Canada's Great Eastern Exhibition. This is the secret of its success and so long as we have such men at the head of affairs there is no danger of the affair being otherwise than progressive.

The attractions this year were high-class, and Mr. Gorman, of Boston, who supplied nearly all the events, personally superintended their appearance. This gentleman in the use of his calling has attended many fairs in America, and he stated that at no place which he had attended with troops was the arrangements so perfect, and for this the Chairman of the Attraction Committee, Mr. E. W. Farwell, who was indefatigable in his efforts, was responsible.

### THE SHOW OF FANCY HORSES.

The work of selecting the winners in the fancy horses was a difficult one for the judges as the competition was so keen. Some of the best horses in the province were forward, and three large stables from Montreal were forward with large exhibits. Mr. L. S. Clough, Lennoxville, was very successful in this class, having won first for single carriage horses, first for best tandem and turnout, first for ladies' saddle horses, and first for cobs in harness. The fact of so many first honours coming to a local owner speaks well for the stocks he shows.

### THE SHOW OF CATTLE.

The number of cattle exhibited this year was by far the best both in numbers and quality that has ever been seen here. All told there were close on 500 entries.

### POULTRY EXHIBITS

The entries in the poultry class were larger than ever before, and comprised some of the finest stock to be found in the Dominion. The poultry house was visited by many during the week.

One of the most interesting attractions at the fair was the Cyphers non moisture self ventilating and self regulating incubators at work. There were 115 eggs in the incubator, and no less than 112 chickens were hatched. This proves beyond a doubt that the "diffusive principle" of heating which belongs alone to these incubators, fully establishes their superiority. The difficulty in the past with incubators has been the moisture question. All other systems of incubators have a current of hot air which takes away the moisture from the egg, but with the felt diaphragms, with which these are equipped, the natural moisture of the egg is prevented from escaping, so that the moisture question does not require to be considered by the owners of these incubators. Mr. W. H. Lovell has had one of these incubators at work for two seasons.

prominent on the label of every bottle. Discourage the prevalent fraudulent substitution.

## NEW RECTOR OF ST. PETER'S.

Rev. Dr. Richmond Shreve Inducted Yesterday.

The Rev. Dr. Richmond Shreve, formerly rector Cooperstown, N. Y., in the diocese of Albany, was inducted into the office of rector of St. Peter's Parish yesterday forenoon by Bishop Dunn of Quebec. The congregation was a fairly large one. The service was

church, to Cooperstown where they had heard him preach and also heard of the high esteem in which he was held by his parishioners. That deputation having returned and reported favourably, the Board of Concurrence decided to accept him as its minister. This was the first time that they had met together as minister and people. They were met together in this noble church, erected during the time of the late rector, and which is not only a great credit to him but also to a great many who had come forward in such a liberal manner

REV. RICHMOND SHREVE, D.D.,  
Rector of St. Peter's Church, Sherbrooke

a fully choral one. The Lord Bishop, was accompanied to the chancel rail by Rev. Dr. Richmond Shreve, Rev. Principal Whitney and Rev. Dean Smith, of Kingston, Ont., a former rector of St. Peter's.

The service as laid down by the Church was then proceeded with, and the certificate having been handed to the new rector granting him jurisdiction over the parish, Mr. H. D. Lawrence, rector's warden, then handed him the keys of the church.

The Lord Bishop in his address to the people afterwards referred to the good reports which they had received of Dr. Richmond Shreve from his parishioners in the diocese of Albany, and also from the Bishop of Albany. Journeys had also been undertaken by members of their own

to have it completed. This church was not only spoken of in a round Sherbrooke but throughout a large portion of the continent by those who had occasion to visit it. His Lordship expressed the hope that the parishioners of St. Peter's would stand by him who had been chosen as their rector in close fellowship in the work of the Church. He was quite sure that while their new rector would be a man in the world yet he would not be of the world. His Lordship concluded by addressing a few personal words to the Rev. Dr. Shreve. The new rector preached in the evening before a large congregation and made a very favorable impression by his earnest extemporaneous remarks, which were delivered in a clear, resonant voice, and could be distinctly heard in all parts of the Church.

St. Peter's Church, Sherbrooke.

## TANNER-HENDERSON.

One of the prettiest weddings that was ever held in Windsor Mills, took place in St. Andrews Presbyterian Church, Wednesday, Aug. 27th, at 7:30 p.m., when the Rev. Wm. P. Tanner, Presbyterian minister at Sawyerville, was united in the bonds of holy matrimony, to Miss Ellen Louise Henderson, daughter of Charles Henderson, Esq., of this place, by Rev. Charles A. Tanner, father of the groom, assisted by Rev. John U. Tanner, of Lancaster, Ont., brother of the groom. The bride was beautifully attired in a travelling dress of blue cadet cloth, white silk blouse and hat of white and blue silk. Mr. Charles H. Tanner, brother of the groom, acted as best man, and the bride-maids were Miss Tanner, sister of the bride, and Miss Bishop, of Montreal. They were dressed in navy blue cloth and picture-hats of blue cloth. Mr. H. O'Connell, organist of St. Andrews Church, Quebec, brother-in-law of the groom, very ably played the organ for the different parts of the service and the wedding march. The choir, comprised of a number of their young friends in town, rendered very nicely two appropriate hymns for the occasion. The church was most beautifully decorated by Mrs. Wm. Findley and the young people of the congregation, with ferns, plants and flowers. There was a large crowd present to witness the event. At the conclusion of the ceremony the happy couple and invited guests adjourned to the home of the bride, where a wedding

repat was served. Mr. and Mrs. Tanner left on the 11:19 a.m. train on their wedding trip.

When washing greasy dishes or pots and pans, Lever's Dry Soap (a powder), will remove the grease with the greatest ease.

## GROWING TRADE WITH DOCTORS.

Our trade with Doctors is on the increase. All of our list of Prescription Remedies and Practitioners' Necessities have been gone over carefully and the missing ones supplied. Many additions of late improvements are now ready. We desire to be kept in touch with the advance work and needs of each physician, and hope to serve each in a professional capacity.

Slowly Dying.

Thousands are slowly dying from catarrh, but don't know their danger.

A CASE IN POINT.

Mr. Urie Berault, a young gentleman who has lived for years in Suresburg, Quebec, inherited Catarrh from his mother. The disease spread through his system till he was a physical wreck.

"As a child," said Mr. Berault, "I was prone to an ulceration of the mucous lining of the throat and nasal passages. I grew pale and emaciated, lost all desire for food, and got in such a dreadful condition that my friends said that Catarrh was fairly eating me up."

"Every organ of my body seemed affected and the doctor said it was the first stage of consumption. He advised Catarrhoxone, and I inhaled it ten minutes at a time every few hours, and was rewarded in a few days by a wonderful improvement."

"Catarrhoxone pleased me and the doctor so well that I used it continually, and took Ferronine Tablets after each meal to build up my strength. In about three weeks I was quite recovered, and the doctor says no remedy but Catarrhoxone could work such a miracle."

"Every one in town knows I was just about dead with Catarrh, and my cure is an evidence of what Catarrhoxone can do. It is a pleasure to recommend Catarrhoxone."

(Signed) Urie Berault. Catarrhoxone beyond question is the proper remedy for catarrhal and bronchial troubles. The medicated air goes all through the air passages of the head, throat and lungs. It kills the germs, heals the sore spots, allays irritation and keeps the breath pure.

Headache, tired feeling across the eyes, nausea, all these well-known disagreeable symptoms are overcome by the medicated air of Catarrhoxone.

Ferronine Tablets which are used in conjunction with Catarrhoxone Inhaler drive all the poisonous secretion of catarrh from the blood. One taken after each meal creates new appetite and digestion, strengthens the stomach, revitalizes and invigorates the entire system.

Catarrhoxone is quite unsurpassed as a cure for Catarrh in any part of the system. It is highly recommended for Bronchitis and Asthma, and for coughs and colds has no equal. Complete outfit, sufficient for two months' treatment, price \$1.00; trial size 25c. Druggists, or N. C. Nelson & Co., Kingston, Ont.

THE FAIR IS OVER.

The Bench Show.

The Bench Show in connection with the Exhibition is becoming to be quite an important department. Previous to the inauguration of the Bench Show, there had been several attempts to bring about the formation of a Kennel Club for the Eastern Townships, but without good result. Mr. W. M. Tomlinson, manager of the Exhibition, and a lover of canines, has at considerable expense and trouble interested some of the best breeders to such an extent that they have come forward with their dogs. These gentlemen, however, cannot be supposed to make up the whole show themselves and it seems a pity that the lovers of dogs and owners of them in this section of the country do not take a greater interest in the Bench Show and come forward with their dogs.

There is plenty of material in the Eastern Townships to put up a good show of itself, but with the assistance that could be got from other parts of Canada there is no reason why the Bench Shows in connection with the exhibition should not compare favourably with any other in the Dominion.

The entries of dogs at the Bench Show this year was not quite so numerous as last year but the quality was all that could be desired. The dogs were in the capable hands of Mr. H. M. Piercy, the superintendent, and were well looked after.

Mr. Jas. Moore, Montreal, judged pointers, greyhounds, English and Irish setters, field and cocker spaniels, foxhounds and beagles, and Mr. H. M. Walters took the rest of the show. The dogs were fed on old Ghrist Mill biscuits, which gave great satisfaction.

The following are the results:

ST. BERNARD S-ROUGH AND SMOOTH.

Puppies, dogs and bitches-1 W. A. Stenning, Coaticook; 2 E. D. Pope, Compton. Open, dogs-H. G. Ayer, Ayer's Flat. Open, bitches-1 F. A. Stuart, Montreal; 2 Dr. Hume, Compton; 3 F. Jones, Ayer's Flat.

The regular mid week service on Wednesday evening at 7.30 o'clock.

Less of Flesh, cough, and pain on the chest may not mean consumption but are bad signs. Allen's Lung Balm loosens the cough and heals inflamed air passages. Not a grain of opium in it.

Reception to Dr. Shreve. A reception is to be tendered to the Rev. Dr. Shreve and family tomorrow night (Tuesday) at 8 o'clock in St. Peter's Parish Hall by the parishioners. The committee of management request all the parishioners—those who worship at St. Peter's and at the Church of the Advent, to make their reception to their new rector an evidence of their good will and a means of pleasant intercourse by meeting personally at the above mentioned place.

TO CURE A COLD IN ONE DAY. Take Laxative Bromo Quinine Tablets. A druggist refund the money if it fails to cure. E. Groves' signature is on each box, etc.

PERSONALS.

Mr. Tiffin Harris, of the C.P.R., is in town today.

Major I. Wood and Mrs. Wood left today for Kennebunk, Me.

Mr. and Mrs. Arthur Scott, of Quebec, are the guests of Mrs. Asha, London Street.

Mrs. W. C. Fuller and Miss Byrd left on Saturday on a visit to friends in Toronto.

Mr. and Mrs. J. D. Bonin, of Lake Megantic, were in town a few days last week.

Miss Alice Maguire, of Waterford, spent Friday in town the guest of Mr. and Mrs. J. S. Maguire.

The Rev. Mr. and Mrs. Day returned on Thursday evening from their trip abroad.

Mrs. J. W. Manly and Master Joe Manly returned Saturday from a trip to Hamilton and Toronto Fair.

Mrs. Bonallie left on Saturday en route for San Francisco, Cal., where she will be the guest of her daughter, Mrs. F. V. T. Lee.

Mr. E. W. Parker, of Lennoxville, and Dr. G. H. Newland, of Newport, Vt., leave on Wednesday for a fishing trip to Lake Aylmer.

Mr. L. E. Charbonnel, of the Cookshire Chronicle, was in the city yesterday en route for Des Moines, Iowa, to attend the annual meeting of Grand Lodge of Odd-fellows, as a representative of the Quebec Grand Lodge.

Hon. Mr. Larue, Legislative Council, Quebec, was the guest of Mr. N. T. Dussault, president of E. T. Agricultural Exhibition last Wednesday. Before leaving he expressed himself as being very much pleased with his visit.

Fire at Waterville. Waterville, Sept. 8.—(Special)—About eight o'clock last evening fire was discovered in one of the hotel barns. Great excitement prevailed for a time, as the cry of fire rang through the streets. The Congregational Church was crowded at the time with evening worshippers, who all ran out at the cry of fire to lend assistance. Willing hands soon got control of the fire, and extinguished it before very much damage was done. A mare belonging to Mr. Cote, which was in a box stall where the fire started was badly burned before being removed. If the fire had got a start before being discovered great damage would have resulted as there is a lot of wooden buildings in close proximity to the barn. The cause of the fire is unknown, and was first discovered by persons passing. After quiet was restored the service was continued in the Church.

Stomach and Bowel Troubles. A promptly satisfactory cure for Cramp, Colic, Indigestion, Heartburn, Biliousness, Sick Stomach and Summer Complaint, is a few drops of Polson's Nervine, in sweetened water. Nervine at once relieves pain and suffering, eradicates the cause of the trouble and cures permanently. Polson's Nervine is the best general purpose remedy for internal ailments; it acts so quickly that no household should be without it. Buy a 25c. bottle of Nervine today, it's all right.

Hamilton's Pills Cure Constipation.

THE FAIR IS OVER. Continued from page 3.

was a fairly large attendance of dog fanciers, and it was decided to form an association to be known as the Eastern Townships Kennel Association. The following gentlemen were appointed a committee: Dr. Hume, Compton; Dr. Bradley, Sherbrooke; A. S. Reade, Dr. Barton, Dr. Stenning, E. C. Parker, W. E. Tomlinson, E. B. Cochran, E. Griffith, T. D. McCullum, G. H. Webber, E. B. Pope, F. Wetheral, A. Miller, H. M. Piercy. Dr. Hume was elected chairman of the committee. A meeting of the above and all dog fanciers has been called for next Saturday, the 13th September, to complete the arrangements. At the meeting on Friday, Mr. H. M. Walters, of Montreal, a well known breeder of dogs, and a member of the Montreal Kennel Club, gave some very valuable advice as to how the association could best proceed to put it on a good sound basis and interest lovers of dogs in the movement.

To The POLICY HOLDERS In The IMPERIAL FIRE INSURANCE CO.

This company having amalgamated with the "Alliance Assurance Company, Limited," and the Alliance having been for some time represented by another Agent here, the company's interests have, as only could be expected, been left with the former agent.

This however will not necessitate any change of policies by those insured in the "Imperial," whose interest will continue to be looked after by the undersigned, as will be more fully explained to you by letter.

Yours very truly, G. E. & C. K. FRASER.
