BOOKBINDING.—Owing to the difficulty of procuring first class Bookbinders, and the high wages they demand not being warranted by the amount of support accorded, together with the heavy duty (20 per cent.) on binding material, while the bound book is admitted free, the undersigned is under the necessity of declining to execute further orders in this branch, and will hereafter confine himself to binding connected with his own business, and the manufacture of Blank Account Books.

ENLARGEMENT OF PREMISES.

The undersigned has greatly enlarged, and otherwise improved his premises, which he has adapted, in every respect, for carrying on an extensive Book and Job Printing and Blank Book Manufacturing business. The Compositors' Rooms are well stocked with a large variety of Plain and Fancy Types, embracing the newest designs. The Establishment is furnished with ten Steam Printing Presses, nine Steam Smashing, Sawing, Cutting, Stamping and Hoisting Machines, six Hydraulic and Hand Presses, together with Ruling, Backing and Paging Machines, all in thorough working order, which enables him to turn out large quantities of work at very short notice. 130 persons are employed in this Establishment.

Country Orders for Printing and Blank Books carefully attended to, and work dispatched by the safest and cheapest modes of conveyance.
