Campbell's Bay Parishioners Bid Fond Farewell To Windle

First Pontifical Mass Celebrated by New Bishop

Bishop Joseph Raymond Windle who was consecrated Bishop Wednesday the 18th at Ottawa, celebrated his first Pontifical High Mass at Campbell's Bay, his former parish, Sunday afternoon at 4 p.m.

Irvine Cone Russell Judd Councillors

At a special meeting of Shawville Council Monday evening two were named to fill vacancies left by Dr. Armitage and Orla Young's resignations, to run for mayor.

Irvine Cone and Russell Judd, the two closest runners up in the past two elections were named to Council and accepted.

The only other business at the meeting was the swearing in of the new Mayor, Orla Young, and Councillors Athol Dale and Rayburn McTiernan. Lloyd Stevens was sworn in previous to the meeting.

The first regular Council meeting will be at the regular time, February 7.

New HS Alumnae Reunion Planned

The Shawville High students council have arranged for an Old Grads Reunion at Shawville High School. The Reunion will be held on Saturday, February 11 and all Grads and their guests of our "new" school since 1954 have been invited.

The day starts at 2:30 pm with a pair of basketball games between the present school teams and the stars of the past.

At 6:30 the banquet will be held and there will be several headtable guests of great interest to the graduates. The banquet will be followed by a dance from 9-12 p.m.

This will be the first Reunion of this nature and it is hoped that it will become an annual event. While the Grads are there during the day, they probably will think of better ideas for next year, so a suggestions box will be set up in the main hall. All are invited to offer their opinions.

A suggestion to the grads who plan on attending the banquet, while attending the basketball games in the afternoon it would save confusion at 6:30 if you would buy your banquet tickets early. They will be on sale all afternoon.

Remember that by supporting the activities this year, it will make it possible to hold this occasion again next year.

If you haven't answered your invitation, please, Hurry! The Alumni Committee

of Maryland, sub-deacon. Deacon and sub-deacon of Honor were Rev. Roland Pilon, P. P. of Fort Coulonge and Rev. T.J. May of Vinton. The archie Priest was Rev. Leslie Kennedy, PP of Calabogie, Ont. Master of ceremonies were Rev. M. J. Barry secretary of the Bishop W. J. Smith of Pembroke and Reverend B. F. Hunt curate at St. Columban's Cathedral, Pembroke.

Parish priests from the neighbouring villages assisting at the Pontifical Mass were:

Mgr. C. J. Jones of Pembroke; Rev. T. P. Tait, PP of Bryson, Rev. J.E. Gravelle, PP of Otter Lake; Rev. J. Legree, curate at St. Columban's Cathedral, Pembroke; Rev. T. P. Jefferey, curate at La Passe; Rev. J. J. McCormack, Chaplain at the General Hospital, Pembroke; Rev. L. J. Burns, curate at Deep River; Rev. P. Sheinac, curate at Quyon and Rev. D. D. Donahue, Chapeau.

Preaching the sermon in both french and english, was Rev. J. E. Gravelle, PP of Otter Lake. He gave the biography of Bishop Windle, seeing in the latter a dedicated man in all his undertaking and said the Holy Father Pope John XXIII made a very happy choice in naming him Bishop what Father Gravelle termed "the plenitude of the Priesthood."

Also addressing the congregation, was Mgr. C. J. Jones, a former Parish Priest of his Excellency Bishop Windle. He said he knew the new Bishop from his childhood, and that he always was a source of consolation and pride for him.

Among those relatives attending Bishop Windle were his brothers, James and John Windle with their wives and children of Ashdad, Ont., one sister Mrs. Genevieve Mulvihill and her husband of Ashdad, Ont. Other relatives were Mrs. Michael Mulville and her husband of Ashdad, Mr. and Mrs. Ed Windle, Mr. and Mrs. Dan Windle, Jackie, Diana, Roger and Paddy Windle all of Ashdad, Ont.; an aunt, Mrs. Margaret Donaldson of Calgary.

An Open Letter From Our Red Cross Society

Since organization of Pontiac branch of the Canadian Red Cross in 1959, we have held three Blood Donor Clinics and one Financial Campaign, all of which have been fairly satisfactory. Our annual meeting should have been held last fall, but as this was not possible at that time, we are asking you to be present at this delayed meeting on Thursday, February 2nd, next, at 8.00 p.m. in the Argue Building, Shawville. We do hope you will make it a point to be present.

At this meeting the Chairmen of the various committees will present their reports and the recommendations of the Nominating Committee will be received for the officers and Directors for 1961. Any suggestions you may have will be gladly received and presented to the meeting for their consideration.

The activities of the Red Cross Society are continuously being extended and the need for Blood Donors to maintain

Quyon Chamber Hears Desrochers

The regular meeting of Quyon Chamber of Commerce was held in Flemings Hotel. The guest speaker for the evening was Mr. Maurice Desrochers Public Relations Officer from the Post Office Dept. After dinner he gave a very interesting talk on Post Office regulations, stressing the necessity of carefully addressed mail with return address.

the free blood supply in the Blood Bank is greater than ever; any suggestions you may have to further this would be greatly appreciated. Our records show that we have around 140 Registered Blood Donors, which owing to sickness and other causes, is scarcely enough to give 100 points at each clinic. Our present quota is 125.

We trust that we may have a good turnout at this meeting on February 2nd next.

School Hockey

The SHS hockey team has extended its season record to 3 wins and one loss. During the past week, they played a team made up of former students of S. H. S.

The high school boys won 3-1 with Lloyd Armstrong, Don Proudfoot and Dave Wilson taking care of the scoring.

Neil McMunn scored the only goal for the pick up team late in the second period.

Renfrew 5 — Shawville 2
Last Wednesday, the High School seniors travelled to Renfrew to play the Renfrew Juveniles. The game was very fast, but the younger less experienced Shawville team were no match for the smooth working Renfrew team. The final score was 8-2 for Renfrew. Brian Murray scored both goals for Shawville.

Shawville 2 Campbell's Bay 1
Last Friday the High School played against a team from Campbell's Bay. The Shawville players were bigger and faster, but the driving spirit of their opponents held the score to a close 2-1. Wayne Chamberlain scored both goals from Doug Yeman and then on passes from Harwood Doherty and Billy Murray.

The school team played without Bryan Murray and Ted Hayes and this caused commotion as a sub-goalie was needed but, Albert Armstrong stepped in and did a fine job in his first outing.

Pontiacs Beat Deep Twice Last Week

Pembroke Coming Saturday Night

(By Ricky Bouchard)

Well the Pontiacs did it again as they took both their games last week-end in Deep River (4-2) and in Shawville (7-2) in a return match against the Deep River Rockets.

On Friday in Deep River the Rockets made their best attempt of the season at beating the Pontiacs as they twice held slim leads of 1-0 and 2-1, but proved unable to hold their lead and went down to a 4-2 defeat. Gord Chaput gave the Rockets the lead early in the first period and again in the second as he scored both Deep River goals. Shawville first line accounted for all their goals as Fraser tied the score in the first period and after Deep River had taken the lead again, Royce Richardson fired two goals late in the second period and one in the third to give Shawville the win.

Back in Shawville the Pontiacs tramped over their rivals with a 7-2 win to take their 13 straight win.

The Pontiacs got off to a quick start with Gil Fraser but the Rockets bounced back with two short order goals which was their best attempt. However the Pontiacs came back strongly scoring six goals without a reply with Fraser, Bryan Murray (2) Royce Richardson, Ivan Saunders and Frank Finnigan.

Ronnie Thomas Injured In Nets

An unfortunate mishap occurred half way through the third period of the game last Saturday as Shawville goal-er Ronnie Thomas received a bad cut on his lip which required 15 stitches, 5 inside his lip and 10 outside. Earl Powell replaced Ronnie in the nets for the remaining minutes of the final period and did a fine job on the shots received but didn't have a real chance to display his skill. Ronnie's lip has been pretty large and sore so far but he is expected to be on top Saturday night. If not, Teddy Hayes will probably fill the vacancy.

CARE AND THE OTHERS

When we give to CARE or any of the other organizations which provide help to underprivileged countries, we can't help wondering if there isn't a lot of overlapping. It worries us to think that our contribution to one might be duplicating someone else's contribution to another. How can we be sure the skim milk powder, or the sewing machines, or the books being sent by the outfit we choose to support will be going to someone really in need?

Yesterday we got our answer, and it was most reassuring. Mr. Oden Meeker, who has been on the scene for CARE in Laos, Hong Kong and India and is now on his way to Israel, was in Ottawa this week and we had a chance to ask him about this problem.

On the spot where the goods are distributed there is close cooperation between all groups working side by side. Red Cross, Unicef the Quakers and many other groups are in constant contact, according to Mr. Meeker. The officers on the spot see to it that what is needed goes where the need is greatest.

This clears up a rather confusing problem for us at home. We often are frustrated wondering to which organization we should give. Now we can be assured that when it gets "to the front" our food, clothing or tools for self help will get to the people who need it, regardless.

SO THIS IS HOSPITALITY WEEK!

The Honourable Andre Rousseau, Minister of Trade and Commerce for the Province of Quebec has proclaimed it, so it is.

He says the traditional hospitality of our people leaves with thousands of visitors who come to our Province every year a lasting impression.

"The citizens of Quebec are known as a hospitable people. The time honoured customs handed down to us by our French ancestors, the French cuisine which we have always held in high esteem, the rich and vivid expression we have inherited with our language give us a privileged position . . . attract the admiration and friendship of our neighbours", says the Minister.

Where do we Irish, German, Scottish and so forth people of Pontiac County fit in with all this?

True, there are lots of French Canadians here whose restaurants doubtless do reflect their illustrious ancestry but our local interpretation of the Honourable M. Rousseau's Hospitality Week should go beyond the promotion of the delights and refinements of "la cuisine francaise".

Here we may as well use this week as any other to start making plans for the coming tourist season. Our Pontiac restaurateurs (and there are dozens) can review their ways and means of making visitors feel welcome and want to come back again and again.

Everyone who serves a cup of coffee to a traveller can make or break the reputation of the whole County. Good home made soup, fresh buns, scrupulously clean kitchens, tidy and smiling waitresses, all create the desired impression.

M. Rousseau sees in hospitality a source of refinement of our individual and collective character; an enrichment of our French civilization. To this we might add that hospitality, when displayed in commercial establishments, is also very good for commerce, and that should please the Minister of Trade and Commerce even if it only enriches the mixed-up civilization we are proud to share in this not entirely French part of la belle Province.

Letter To Editor

Democracy at its Best

Quyon, Quebec,
January 20th, 1961

Dear Sir:

In an article appearing in The Equity issue of January 19, I wish to make a correction. It was stated in the election results from Quyon that Mayor Wm. Burke went in by acclamation; this is incorrect as he was re-elected by the people of this Municipality with a big majority. I had opposed Mayor Burke in this election and I now take this opportunity of offering my sincere congratulations to him, thanking my supporters and urging them to do as I am going to do, give Mayor Burke their full co-operation and support.

Yours sincerely,
Basil Murphy

Thank you Basil. Ed.

Grains of Sand

Yes, Shawville has a dog catcher and yes, the law requires that dog owners keep their pets under control. Does that answer the questions of those whose garbage is being strewn about each night by man's best friends?

It's coming up on Education Week again. March 5 to 11 is thus designated by the Canadian Conference on Education. That old misused slogan "Education is Everybody's Business" apparently backfired often enough to get itself tossed out and this year's motto is "Education — Measure of a Nation."

"The more schooling you have" reports the National Employment Service, "the more you will be able to contribute to the development and welfare of your country". And to put it even more bluntly, it goes on to prove statistically that if you have less than grade nine education you're lucky to have a job at all.

Rubie Storie still has her penny and though it hasn't brought her wealth of the money variety (simply because she hasn't put it up for sale yet) it has enriched her daily mail. Letters and clippings pour in from towns all over Canada and even foreign countries: France and Portugal, where the pirates come from!

599 shiny metal post office boxes are now installed at Shawville. Postmaster Ernie and his helpers Mrs. Horner and Miss Hodgins work in a bird cage of 2x4 uprights and cross beams at present but when Percy Belsher gets the wallboard up the old PO will look modern and have facilities to handle all the increased mail traffic which flows through Shawville.

Heard at a clearance sale: grab table: "What's that you just grabbed?" "I don't know but it's a bargain at 99 cents".

We have all heard Frank Ryan say that when a farmer's herd of cows produces a lot of heifer calves that the farmer must be living right. This must be the case at the James Tracy farm, because since the first of November from ten cows that have freshened eight were heifer calves. The Tracys still have eight more to freshen; with these they'll need to build an addition to the barn.

Mr Alex Storie who is spending the winter in Arnprior paid us a call last week.

Get-well wishes are sent to Mr Eddie Alexander who is at present a patient in Pontiac Community Hospital.

Letter To Editor Theresa Moran Why Is This?

Shawville Que. Jan 26 1961
To The Editor, The Equity,
Dear Sir,

Why can't we mothers sign for one of our children or ourselves to be operated on? The law in Quebec says the father or husband (which ever the case) has to sign.

What if he cannot be reached? What's wrong with we women? Is our judgment not as good as our husbands when the required paper needs to be signed when a qualified doctor says there's need of an operation?

In Ontario, our sister province a mother or wife can sign for an operation. What difference does it make whether it's the husband or wife who signs as long as either one of them knows it's for the good of the child or themselves?

Who should this complaint be forwarded to and in what form.

Yours Truly,
Mrs. Manson Sharpe.

THE RIGHT IDEA —AND THE RIGHT PLACE

A glance at her bank book and there's a smile of satisfaction and reassurance—the money is there when she needs it.

Like so many others, she has learned the value of regular saving... the safety, convenience and usefulness of a bank account.

There are millions of Canadians like her. They maintain 12 million deposit accounts in the chartered banks, 10 million of them personal savings accounts.

But a chartered bank is *more* than the best place to keep your savings. It's the *only* place offering a full range of banking services. It's the right place to do *all* your banking.
